Was Jesus "King of the Jews"?"

This week the man on the street asked the following question: "Was Jesus King of the Jews." Six people were interviewed and their answers are as follows:

RALPH BLODGETT
Yes, but He was more than that. He was King of Kings and of all Mankind.

GARELL FOREHAND:
He was in potential. But He was not what the Jews were looking for. He became King of Kings after His ascension.

JOHN SCOTT:
Yes! But not in the sense of an earthly kingdom. John 18:36.

JED MIESNER:
Yes!

MAUDINE PATTERSON:
Yes

STEVE ROGERS:
Yes He was King of the Jews. I believe He is also the King of the Gentiles as well as King of the Jews.

Hansford Hospital is pleased to announce the addition and arrival of the newest and most up-dated cardiac monitoring system to our facility.

The hospital district allotted for the new central nurses station unit, 2 intensive care units and 1 unit to be placed in the recovery room. We also installed a telemetry system which units, which not only monitors the continuous monitoring of the heart from any location in the hospital.

We would like to extend our special

gratitude to the Hospital Auxillary for their assistance and contribution toward the purchase of one of these units, which not only monitors the cardiac output but allows the blood pressure to be monitored automatically and documented with the use of an external blood pressure cuff. This feature is additional for the individual need of our patients.

All the money for the cardiac monitoring system was donated by the Empty stocking fund.

"Then Came the Morning"

The sanctuary choirs of First Christian Church and First Baptist Church are combining this year for a special Easter celebration. The choirs will be singing "Then Came the Morning", an Easter musical written by Bill and Gloria Gaither. The musical will be presented Saturday, April 11, and again Sunday, April 12 in the sanctuary of First Baptist Church. Both services will begin at 7:30 P.M.

"Then Came the Morning" is described as, "A resurrection musical of hope for believers and doubters." The chronological events of the Easter week are described in the music and accompanying narration. In detailing these events, the musical makes a vivid statement about our lives before and after we are confronted with the Living Lord. The musical is a personal accounting of the struggle to believe as seen through the eyes of two of Jesus' disciples.

Soloists for the musical are Johnny Miller, Bonita Reimer, Jerry Don Davis, Kathy Archer, Vicki Gibbs, and Mary Brock. Narrators portraying the two disciples are Mark Butts and Stan Cobb. The choir is under the direction of Carol Pack.

The public is cordially invited to attend either of these services. There is no admission charge and a nursery is provided for children under three years of age. Let this special musical be a part of your celebration of the Easter season.

School Board Candidate

Billy Brown

BACKGROUND

Wife, Joan - 3 children, Ashley, Travis and Tracy.

Have been a resident of Hansford County for 33 years.

Member of 1st Baptist Church of Spearman.

Have a deep rooted interest in our community.

A graduate of Spearman High School.

Teacher in Lecturing & Livestock Judging Coach at Texas A&M University while in graduate school.

Many changes are occurring in our States Educational Structure. Changes that are targeted towards our Urban School Districts but have a great effect on Rural Districts as well.

I will try and maintain the integrity of our Local School system. I support the Vocational Education programs of our school as well as the more college preparatory courses and will strive to keep both within our schools. I would also like to see our school systems return to "This country's religious background."

I can relate to the needs of our school system. While working toward my Master's Degree I taught Introductory Animal Science Practicum Labs and coached Livestock and Meat Animal Evaluation judging teams. I feel this experience will greatly help me in making decisions that face the School Board.

I will greatly appreciate your support and vote in the School Board Election April 4th.

Thank You,

Billy Brown

Patton Motel

Passing thru and want to rest drop in at Patton for comfort and relaxation.

Pictured above are Betty and Evan Buster, owners of the Patton Motel in Spearman.

Evan and Betty Buster, transplanted Hoosiers, have been here since November 1, 1985 when they purchased the Patton Motel. They bought it from the former owners, Charles and Denise Rigdon. Mr. Buster believes the motel was built about 1940 by Charles Patton, now deceased. Because the name has been identified with Spearman so many years, they did not change it.

Mr. Buster was born in Kentucky but moved to Indiana while a child and lived there until his retirement. He retired as a police detective on the Columbus, Indiana police force after 22 years of service. He was a real estate broker until the Busters decided to travel. He has kept his broker's license as well as an insurance broker's license and still does some business in Indiana occasionally. Mrs. Buster also kept her insurance broker's license.

Mrs. Buster was born in Tennessee and also moved to Indiana as a child and lived near Columbus until they moved to Texas. The Busters grew up in the same area near Columbus and married there.

They have four children—three sons and one daughter. Stanley Buster is the only one that lives in Spearman.

Sons Ray and Phillip still live in Columbus as does their only daughter, Terresa Reese. They have six grandchildren ranging in age from 1 to 15 years. Nicole is the only one that lives in Spearman.

Mr. Buster is a former member of the Junior Chamber of Commerce, keeps his membership in the Fraternal Order of Police and is a Mason. The firm has been a member of the Spearman for one year.

The nearest to a hobby for the Buster is traveling. They bought a well-equipped Motor Home in 1982 and have travelled extensively. They spend as much time as possible in the Yuma, Arizona area.

The explanation of how the retirees in Indiana ended up as motel owners in Spearman, Texas is that on one of their visits here to their granddaughter, 9 year old Nicole Buster, they learned the motel was for sale. After checking on the possibilities, and believing Spearman was due for some rapid growth, they purchased it. They have expectations of an upturn in the economic condition of this area, based on long years of observation and experience.

The Busters make every effort to operate their motel in an efficient,

Award

Shannon Hale

The United States Achievement Academy announced today that Shannon Christine Hale has been named a United States National Award winner in Honor Roll.

This award is a prestigious honor very few students can ever hope to attain. In fact, the Academy recognizes less than 10% of all American high school students.

Shannon Christine Hale, who attends Sanford-Fritch High School was nominated for this National Award by Jacquelyn R. Donovan, a National Honor Society Sponsor.

Shannon Christine Hale will appear in the United States Achievement Academy Official Yearbook, published nationally.

"Recognizing and supporting our youth is more important than ever before in America's history. Certainly United States Achievement Academy award winners should be congratulated and appreciated for their dedication to excellence and achievement," said Dr. George Stevens, Executive Director of the United States Achievement Academy.

The Academy selects USAA winners upon the exclusive recommendation of teachers, coaches, counselors, or other school sponsors and upon the Standards of Selection set forth by the Academy. The criteria for selection are a student's academic performance, interest and aptitude, leadership qualities, responsibility, enthusiasm, motivation to learn and improve, citizenship, attitude and cooperative spirit, dependability, and recommendation from a teacher or director.

Shannon Christine Hale is the daughter of Mr. and Mrs. Rondal L. Burkhammer. The grandparents are Mr. and Mrs. Red Byrd of Spearman, Texas and Mr. and Mrs. H. L. Uptergrove of Rotan, Texas.

Among The Neighbors

A large crowd from the Holt Community and surrounding area attended the 11th Awards Banquet of the Hutchinson County Soil and Water Conservation District on Monday Night. It was held at Stuphens in Borger.

The Holt group was proud to witness the award to a neighbor, Betty Gaines, as Outstanding Conservation Homemaker of the year. A father and son combination, Charles Johnson and Karl Johnson, of the Pringle Community won the award as Outstanding Farmers of the year.

Mr. and Mrs. W. E. Clark of Winston, Oregon, visited several days last week in the home of Mr. Clark's sister, Mrs. Ivan Allen.

Neighbors wondering about the unnatural quiet that settled over the neighborhood on Friday learned that it might have been due to the return to Dallas of 8 year old Duncan and 5 year old Stephen. They are the sons of Danny Robertson, and have been on spring break with their grandparents - Ray and Sylvia Robertson since last Saturday when they flew in from Dallas.

Mr. and Mrs. Ray Phelps enjoyed a longer than expected visit with Mr. and Mrs. Bill Fisk who were enroute to their home in Albuquerque and were delayed here for several days by the blizzard, both here and farther west. They live in Dallas and are the parents of the Phelps' son-in-law. They were going on to Nevada from Albuquerque.

A shiny new jewel has been added to the collection of Johnnie and Kelly Fuller, of Fuller's Jewelers, with the arrival of Kaysha LaShawn, who was born on March 30. She came by way of Perryton Memorial Hospital and weighed 8 lb. and was 20 inches long. She has a brother, Branton LeWayne.

Maternal grandparents are Mr. and Mrs. Charles Eaton, Spearman. Great grandparents Mr. and Mrs. Roscoe Nelson of Spearman and Mrs. John Eaton of Shawnee, Oklahoma. Paternal grand parents are the Reverend and Mrs. Bobby Fuller, Big Spring, great grandparents are Mrs. Lillie Mae Fuller, Big Spring, and Mr. and Mrs. Bill McGinnis of Carlsbad, New Mexico. Mrs. Bobby Fuller has been here for several days lending a hand to the Fullers.

Frosty and Liz Hickerson helped son, Lane Loomis, celebrate his birthday Wednesday night with a dinner complete with an elaborate birthday cake. Guests were Johnny and Regina Kenney, with Magdy and Lee. The Kennys are from Pampa and Mrs. Kenney is the daughter of Mrs. Hickerson.

W. L. Russell was pleased to have week-end guests. His daughter, Marjorie Burdette of Lamesa and granddaughter, Sally Naff of Aledo, Texas made a rush trip as Sally who teaches school had to be back Monday.

Frankie Sloan and Martha Latham returned Wednesday from Weather-

ford, Texas. They spent several days attending some classes in tile painting. Mrs. Alene White drove down with them.

Mrs. White was a guest of Tommie and Sue White at Greenville in their home on Fork Lake. She reports they are well settled and Tommie likes his work and they especially enjoy the lake.

She also visited the Pat Sloans at Krum. Sue Woolley, with Connie and Wendy met her there and they all returned together. Connie was interested in the Open House at Texas Tech University of Women at Denton which they had attended.

Jim and Virginia Fowler returned on April 1st from his 9th foreign crusade and her 8th. This one, lasting two weeks, was in Brazil, and included the Reverend and Mrs. Russell Gibbs and Wirt Davis. The group flew to Miami, Florida and then to Rio De Janeiro. They spent one night there, then went to the city of Caxia, about 25 miles northwest of Rio-it is the 7th largest city in Brazil.

The Fowlers and Mr. Davis worked with a team at one church and the Gibbs at another. They were part of a group of 66 Americans who joined the Baptists from foreign countries to make 56 teams, of 5 members each. After the crusade a giant rally was held. The Fowlers felt that it was a most successful crusade as there were 8240 professions of faith. The Americans were lodged in the Retreat Center.

On the return trip they toured Rio De Janeiro and visited many places of interest including the world's largest stadium, the arena for the World Cup Soccer games. They flew back to Miami, then home.

Mrs. Tom Metcalf and daughter, Ashton, of Ft. Collins, Colorado returned to their home on Friday after spending several days with her parents, Mr. and Mrs. Bob Hohertz. Doug Hohertz, Lubbock, was here also. They were here to attend the funeral of John Matney of Woodward. Mr. Matney, 84, was the uncle of Marv Hohertz. She had been assisting in his care for several days as the Matneys had no children, and was in Amarillo with her aunt when he passed away. After the services in Woodward, Masonic Graveside Rites were held in Miami.

The Matneys lived in Spearman in the early '30's as he was a Santa Fe Railway ticket agent here.

Weeks ago Ray and Judy Martin purchased tickets to the NCAA basketball Finals in New Orleans and eagerly looked forward to attending. For some reason last week, Ray preferred to stay here and cowboy over the snowy pastures. Judy met daughter, Mary Ann, from Dallas and they thoroughly enjoyed the tournament and some sight-seeing. They toured many interesting historical places and took a short river cruise, and she returned Tuesday.

Ray is still hunting some strayed cattle.

As we go to press many Spearman people are in Amarillo hospitals, so among them are the following and the latest on their conditions: Willard Davis, High Plains, surgery scheduled for Friday morning. Allen Pierce, High Plains, in intensive care, but shows some slight improvement. Margaret Gibner, Northwest - recovering from surgery. Came home Wednesday. Dorothy Davis, St. Anthony's-improving after surgery and anticipating returning home next week; Daughter, Delia Kaye Sampson of Marco Island, Florida is now with her and Jesse, so Mary Lou was able to return home. Bruce Sheets, St. Anthony's, had some vertebra surgery and is responding. Daughter Susan Noel, Dallas, and the Del Taylors of Lakin; Kansas are there with Freda. Holli Riley-St. Anthony's-amazing the staff with her resiliency, and responding well after hip joint replacement. Lilly Love-St. Anthony's-surgery was delayed from original schedule due to complications, but is now recovering. Ethel Byers - Bivens Rehabilitation Center-making very slow progress. Frank Rogers-Surgery at St. Anthony's has recovered enough to return to his home in Waka-he is father of Mrs. Joe Close. Cleo George-at home after some complications after cataract surgery in Pampa on March 18. Daughter Patsy Isham of Littleton, Colorado has been with her for two weeks.

GTE NEWS

General Telephone technicians are bracing for the annual spring assault on underground cables as construction activity increases across the state', according to Bob Meyers, Operations Manager.

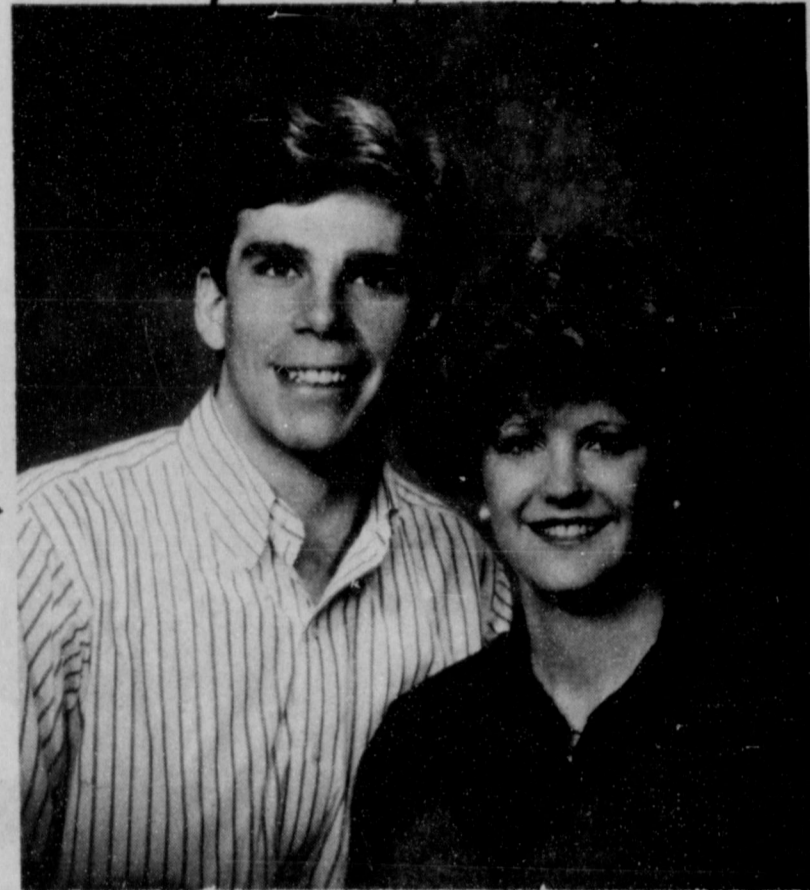

"Every year about this time, gardeners and construction contractors start digging holes and ditches that play havoc with buried facilities, which can cause service outages for large numbers of customers," said Meyers.

"Much of this can be avoided by simply calling the buried cable information number listed on page 2 of your directory to have the cable marked.

"The most frequent repairs to buried lines result from the placement of a shrub or tree or digging post holes for fence construction and severing a buried service wire. Shoud this happen, it is best to call Repair for connect/repair work.

"Please, before picking up the shovel, think about what wires you may cut," said Meyers.

To God A Note of Thanks

by Mrs. E.A. Greever

Friends our lesson this week is a scripture we find in Psalms 39:5. "Every man in his best state is altogether vanity". Our lesson in the past weeks told of the increased knowledge of man (the human race) as the years come go and the scripture we are to study now in no way has reference to the achievements and accomplishments through knowledge of man as to value or benefit but a reminder of the frailty, brevity in other words of shortness of time we have in the mortal body, and I'm very sure scriptures found here and there through out Gods Holy Word will tell us plainly of this. David in this verse of scripture we study now reads thus thou hast made my days as an hand breadth. Psalm 103:11; My days are like a shadow that declineth and I am withered like grass. Isa. 40:6; all flesh is grass and all the goodness thereof is as the flower of the field. Isa. 2:22; Cease ye from man whose breath is in His nostrils. Gen. 2:7; and the Lord God formed man of the dust of the ground and breathed into his nostrils the breath of life and man became a living soul. So we see the life of the human race is as long as the Lord gives breath. David said Lord make me to know mine end and the measure of my days that I may know how frail I am and beyond doubt to be wise it would be for everyone of us to ask of the Lord the same. In reading the entire 90th Psalm it explains so clearly the frailty and brevity of human life and verse 12 says, so teach us to number our days that we may apply our hearts unto wisdom.

Jesus explains that to us that the wise man builds his house upon a rock and the Bible tells us that rock is Christ. In Him is life and without Him there is no life and the words He

speaks unto us, they are spirit and they are life. Therefore if we hear His words and do them we are wise. When built upon Him the sure foundation we have a hope of our frail body being changed to an immortal one, one that is eternal.

Now we can more clearly see the meaning of the following scriptures. It is better to trust in the Lord than to put confidence in man. It is better to trust in the Lord than to put confidence in princes. Why? Answer - man is here today but might not be here tomorrow.

The Lord who gives breath and life is from everlasting to everlasting eternal. Here is a warning message found in James 4:13-17; Go to now ye that say today or tomorrow we will go into such a city and continue there a year and buy and sell and get gain where as ye know not what shall be on the morrow. For what is your life? It is even a vapour that appeareth for a little time and then vanisheth away. For that ye ought to say, If the Lord will we shall live and do this or that. But now ye rejoice in your boasting all such rejoicing is evil. Therefore to him that knoweth to do good and doeth it not to him it is sin. In Luke chapter 2 we read of the prophecy of Zacharias the father of John the Baptist concerning the blessings of Jesus for whosoever will through His compassion love, mercy and grace, we as creatures of dust can serve Him without fear in holiness and righteousness all the days of our life (in this mortal body). The preacher in Ecclesiastes chapter 12 verse 8 says vanity of vanities all is vanity so our only hope is in God.
