

# Reneau Rites Held Here Wednesday

Funeral services for James Windell Reneau, 47, were conducted at 10 a.m. Wednesday in the First Methodist Church of Spearman.

Services were conducted by the Rev. Robert Cordes, pastor of the Faith Lutheran Church of Spearman. Burial was in Hansford Cemetery under the direction of Boxwells.

Mr. Reneau, agent for the Amarillo newspapers here, died at 11 a.m. Sunday in Hansford Hospital. He has been in ill health for several years.

He was born Jan. 29, 1918, in Whitewright. He had lived in Spearman for nine years. He was a member of the Church of Christ.

Survivors are his wife, Selma; three sons, Jimmy of San Luis Obispo, Calif.; Willie, Eugene and Johnny of the home; one daughter, Linda of the home; one sister, Mrs. Jimmy Jo Bellows and one brother John D. Reneau both of Savoy; one grandchild. Pallbearers were A. J. Ledford, Johnnie Lee, Bill McElreath, Jim Sutherland, Oscar Schneider and Autra Ward.

## Mrs. Bybee Is New Sears Mgr.

Mrs. Mavis Bybee of Pampa assumed the duties of manager of the Spearman Sears store in Plains Shopping Center this week.

Mrs. Bybee comes to Spearman as manager after working in the Sears store in Pampa for nine years. She was assistant manager at Pampa.

"I started in the Pampa store as a telephone clerk," Mrs. Bybee said.

She has two children, one living in Nevada and one in Pampa. She has one grandchild.

Mrs. Bybee plans to move to Spearman as soon as she finds a place to live.

She is a member of the First Baptist Church and says fishing and sewing are her favorite hobbies.

She replaces Jack Worley who returned to the Perryton Sears store as outside salesman.

NEW MANAGER--Mrs. Mavis Bybee is the new manager of the Sears store in Plains Shopping Center. Mrs. Bybee moved here from Pampa and assumed her new duties Monday. She has been with Sears nine years.

## Trio Will Leave September First On Tour of Spain, France, England

Two Spearman residents and a former resident will leave Sept. 1, for a month's visit in Spain, Paris, France, and London, England.

Miss Vera Campbell, her nephew, Jock Lee, and Mrs. Beatrice Gibner Hiler of El Paso will leave Sept. 1, for Europe.

The three will fly from Amarillo to Dallas, to New York, to Lisbon, Portugal, then to Madrid, Spain.

In Madrid the group will visit with Mr. and Mrs. Howard Long and family.

The Longs are relatives of Miss Campbell and Lee.

Long is in Spain as an employee of Phillips Petroleum Co. They have lived in Madrid for 18 months and have another 18 months there.

The family is now on a month's vacation throughout France, England and the Scandinavian countries.

Returning home, the trio

will visit in Paris and London. They will be home late in September.

Lee will be a sophomore in high school this fall and is financing his trip with the profit he made from his show steer in the County stock show last spring.

He had the champion cross-bred steer of the show.

## Coaches Pick Lynx To Capture District

Coaches of District 1-AA put Spearman in the shooting gallery this week at the Texas Coaching School, when they voted the Lynx as the team most likely to succeed.

A survey of the coaches in the district give the Lynx the nod at the team to beat for the district title. Defending Champion Phillips and Dalhart are right behind the Lynx.

One coach said he did not

expect the champion to be unbeaten this year.

Stinnett is counted in the tussle for the top, then comes Shamrock, Sanford-Fritch and Boys Ranch.

Spearman got the nod from the coaches because of its large number of returning and experienced lettermen, size and depth.

Coach Don Seymour said his Lynx were small and slow, but the people who have to face them this year did not agree with him.

At Phillips, where everything graduated, Coach Joe Means said all the Blackhawks have this year is a winning tradition.

Dalhart will have a big backfield but will be small in the line.

Stinnett will have some speed and good throwing, but will be thin in depth. Injuries have hurt the Rattlers the past two years.

Shamrock, Fritch and Boys Ranch have been hit by graduation.

The players draw equipment and take physicals Saturday and Sunday, then start practice the following Monday, Aug. 16.

## Bond Election Here Saturday

Voters in Precinct Two of Hansford County will vote Saturday on a bond election for the construction of a new bridge on a county road.

All residents of the precinct who have real or personal property on the tax rolls and have paid a poll tax this year can vote in the election.

If approved the precinct will sell \$55,000 in road bonds. The money will be used for the construction of a bridge over Palo Duro Creek in the northeast part of the county.

## Four Teachers Hired; Test Policy Changed

Four teachers were hired by the Spearman Independent School District Monday night at a call meeting. One policy change was also made.

The board voted to change the policy of allowing students to be exempt from final six-weeks and semester examinations.

Teachers hired were Mr. and Mrs. L. L. Laws of Lamesa, Larry Anthony of Lamesa and Joe Granato of Spur.

Laws was hired as the high school counselor. He was assistant Junior High Principal in Lamesa. He has his counselor's certificate and had done 21 hours of graduate work above his Master's degree. He has 11 years experience in teaching.

Mrs. Laws will teach at the eighth grade level. She will receive her counselor's certificate and complete work for her Master's degree next summer.

The couple are graduates of Texas Tech.

Anthony, a graduate of Rice

University, will teach Junior High Science. He will also be an assistant high school football coach. He lettered three years as an end for Rice University. He has one year teaching experience.

The fourth teacher hired is Joe Granato of Spur. He will teach history and be an assistant football coach. Granato is a graduate of West Texas State where he played under Joe Kerbel.

He coached two years at Silverton and one year at Spur.

The board's next regular meeting will be Tuesday, Aug. 10, 8 p.m. at the high school. The board will adopt the official school budget at this meeting.

## Perry Sheets To Graduate As DVM

Beginning this week-end it will be Dr. Perry Sheets.

The Spearman native will receive his Doctor of Veterinary Medicine Degree at Texas A&M University graduation exercises this week-end.

Sheets, son of Mr. and Mrs. Daniel (Pinky) Sheets is a graduate of Spearman High School. He has been enrolled in school at Panhandle A&M College, Goodwell, Okla., then Texas A&M for five years, summer and winter sessions.

The new DVM is married to the former Sharon Novak. They have two children, Carolyn and Lee.

Mr. and Mrs. Daniel Sheets and Mr. and Mrs. Robert Novak, Pat and Mary Ellen, will attend the graduation exercises at College Station.

## Annual Bank Tourney Set

Local golfers will be competing for trophies and prizes at the third annual First State Bank Golf Tournament at the local course Sunday.

Golfers in the four flights will tee-off for the nine holes of competition at 1:30 p.m.

There will be trophies for first and second in the Championship, A, B, and C flights of the tournament. There will be prizes for third and fourth place.

This tournament is open to all local golfers and bank officials invite everyone to join the fun.

PRETTY TROPHY--First State Bank President Clay Gibner is shown one of the trophies local golfers will be trying for Sunday in the bank tournament. Miss Mary Ellen Barkley shows her employer the trophy.

## W.E. Kirklands Honored On Silver Anniversary

Mr. and Mrs. W. E. Kirkland were honored with a Silver Wedding Anniversary Party Saturday night, July 31, in the home of their daughter, Mr. and Mrs. Larry Hays. Guests arrived at 8 p.m. and were served a delicious dinner consisting of assorted relishes, salad, roast beef with gravy, whipped potatoes, green beans with cheese sauce, anniversary cake and tea. After dinner, the guests viewed the lovely array of gifts presented the honorees and then enjoyed card games.

Helping Mr. and Mrs. Kirkland celebrate their Silver Wedding Anniversary at the party were Mr. Kirkland's

brother from Hugoton, Kansas, Mr. and Mrs. W. V. Kirkland; Mr. and Mrs. Jeff Hogner of Hardesty, Oklahoma; Mr. and Mrs. John Wilde, Mr. and Mrs. George Rook, Misses Phyllis Patterson and Mary Ellen Barkley, and Mark and Joanne Hays, all of Spearman.

Hosts for the occasion were Mr. and Mrs. Kirkland's children, Malcolm, Jimmy, Janie, and Jo Ellen Kirkland and Mr. and Mrs. Larry Hays.

Dr. and Mrs. W. C. Davis of Memphis visited this week with Mr. and Mrs. Jim Davis, Jean and Jan and with Mr. and Mrs. Burl McClellan. They were enroute to a vacation in the Northwest.

## Day by Day

I noticed last week that television's Crisco advertising lady journeyed to Amarillo to find out "who folks say is Amarillo's best cook" and while I really didn't notice whom she chose, I did notice one thing. The Amarillo cook said "Crisco really made her French fries ab-so-lutely non-greasy" about three times and each time I couldn't help but notice how she said "non-greasy".

She must have been originally from somewhere other than our area or else have been coached on correct pronunciation for awhile, because she didn't say "greazy" as so many of us do.

I remember when I first went off to college at TCU, one of my freshmen friends was from Omaha, Neb. She went into fits of laughter when we Texans said things like "greaze the car" or "iron a blouse".

I still talk exactly as I always did, but everytime I hear someone pronounce those words as they are spelled, I can hear my friend laughing.

I remember making an effort at the time to eliminate those words from my vocabulary when I talked to my Omaha friend, but I never did try to actually correct the pronunciation in my mind. After all, who wants to be an oddball, even a correct one.

\*\*\*

I noticed last week that this year's baked products for the 4-H Bake Show are biscuits and any packaged angel food cake. So, I guess a new day has dawned. Time was, and not so long ago, that good cooks who used packaged mixes now and then, kept it a well guarded secret.

These young ladies will be vying for the bake queen title ... using Betty Crocker or Duncan Hines or some other famous name's cake mix--and openly, too. How times change.

\*\*\*

Ever hear of an "Oodie"? Well, if you've lived in the Southwest any time at all, you certainly should have!

According to legend, "Oodies", sometimes no bigger than your thumb, are the spirit guided protectors of the little people of Indian land.

All over and everywhere can be found wee folk--brownies, elves, fairies, leprechauns, trolls and so many more. The countries in which these wee folk are found make a difference in how they look and dress. If the land is green, full of grasses and quiet ponds, fairies and elves play there.

Brownies and trolls prefer green knolls and rocky slopes.

"Oodies" live in a great wide country--the American Southwest--a country with so much room and so many beautiful colors that it just doesn't seem possible to ever look at it all. But no matter where the wee folk live, they seem to blend into their surroundings ... just for the fun of it.

For hundreds of years, only the Indians and "Oodies" shared the great land. They have always used bright, happy colors and their clothes reflect the beautiful land that is theirs.

As you might guess, "Oodies" are happy and full of fun and mischief, but they keep careful watch over the little people. The happiest thing about them are their huge eyes which make it possible for the "Oodies" to really see all of their beautiful country. When they gaze at a beautiful sunset, watch a thunderstorm play in the clouds, or view a gorgeous cactus bloom, these wee folk murmur a sound as soft as a dove's call--"Oo-oo-oo ..."

That is why they have the soft, happy name of "Oodies".

Certainly the knees are in the fashion news this fall as they've never been before. The consensus of opinion seems to be that a great deal more of milady's leg will show than ever before.

One report of some designer's most daring creation was that the hemline was hiked up to 10 inches above the knee--that's right, 10 inches.

That sounds more like a long blouse than a short skirt, doesn't it!

Try this recipe for Zip Pie, either with or without the addition of a few pecans. It is very crusty and similar to a pecan pie.

### ZIP PIE

1 lb. brown sugar  
1/4 cup butter  
4 eggs  
1 lemon  
1 tsp. vanilla

Beat sugar and eggs together; add melted butter. Add grated lemon peel, juice of lemon and vanilla. Pour into unbaked pie shell and bake for one hour at 350 degrees.

## Miss Rolinda Russell Is Bride of Mr. Brindley

The sanctuary of the First Baptist Church of Temple was the setting for the wedding of Miss Rolinda Lois Russell and Hanes Hanby Brindley Jr.

The bride is the daughter of Mrs. Henry Madeley of Temple and W. L. Russell Jr., of Bronco. She is the granddaughter of Mr. and Mrs. A. P. Brashear Sr., of Temple and Mr. and Mrs. W. L. Russell of Spearman. Miss Russell attended Texas Technological College and received her bachelor of arts degree from the University of Texas.

The bridegroom is the son of Dr. and Mrs. Hanes H. Brindley and the grandson of Mrs. C. C. Barton and Dr. and Mrs. G. V. Brindley Sr., of Temple. He received his bachelor of arts degree from the University of Texas, where he was a member of Sigma Alpha Epsilon fraternity.

Dr. Grady W. Matcalf officiated at the double-ring ceremony. Forming the background for the ceremony were candelabra centered with starburst arrangements of white delphinium, jade foliage and candelabra on the choir rail completed the setting.

The bride, escorted by her grandfather, A. P. Brashear Sr., chose a formal gown of candlelight silk peau de soie enhanced with imported English net and reembroidered Alencon lace. A wide panel of lace accented the front of the A-line skirt and scallops of the lace edged the front hem. The empire bodice was designed with a bateau neckline and lace sleeves that extended to the elbow. The cathedral train of veiled English net over peau de soie was outlined with flower medallions of Alencon lace and was attached in Watteau fashion at the shoulder.

Her mantilla of English net was outlined with appliques of Alencon lace and held by an heirloom brooch worn by generations of brides in the

Brindley family. The bride carried a bouquet of white butterfly orchids on a white mother-of-pearl Bible.

Miss Pamela Russell was her sister's maid of honor, Paul Brindley, brother of the bridegroom, served as best man.

The bride's other attendants were Misses Nan Brindley, sister of the bridegroom; Martha Brindley, cousin of the bridegroom; and Martha Madeley, all of Temple, and Diana Dickenson of Houston; Houston and Mrs. J. T. Mitchell of Flushing, N. Y.

The attendants wore identical floor-length gowns of creme de menthe silk linen accented at the Empire waist with a band of olive green silk. Their headaddresses were matching butterfly bows and they carried cascades of cattleya orchids.

Groomsman were W. L. Russell III, of Houston, brother of the bride; Drew Smith of Houston; Kyle Cowan of Austin; David Greenfield and David Eanes of Temple and Mike Ellis of Arlington.

Guests were seated by Robert A. Russell, brother of the bride, Glen Brindley and George Brindley, brothers of the bridegroom, Arthur P. Brashear III, and Charles Henke, all of Temple, and George L. Simpson of Amarillo; Robert P. Thomason and Jon Allen Howell of Houston, and Phillip Dickinson of Gladwater.

A reception was held at the Temple Country Club. Guests were greeted at the door by Mr. and Mrs. Arthur P. Brashear Jr. and Dr. and Mrs. G. V. Brindley Jr.

The bride's table was covered with an Alencon lace cloth and held a nine-branched candelabrum entwined with orchids. The bridegroom's table, covered with an olive green cloth, held a pair of brass candlesticks and other appointments of brass and copper.

At vantage places in the reception room were baskets of white stock and asters. The mantel held an arrangement of white roses and wedding bells.

## Linen Shower Compliments Miss Wilde, Bride-Elect

Miss Vicki Wilde, bride elect of Charles Adkison was honored with a linen shower on Saturday evening at the Hospitality Room of the First State Bank.

The color scheme of blue and white was carried out in the decorations and refreshment table. White carnation corsages tied in blue were presented Miss Wilde and the mothers, Mrs. John Wilde and Mrs. Arthur Adkison.

The table was laid with a white lace cloth over blue and was centered with an arrangement of blue and white summer flowers. Candles in crystal holders flanked either side. Presiding at the serving table were Miss Johnny Jo Vernon who served the daintily decorated cake squares and

Mr. and Mrs. John Pipkin and Betty were in Amarillo on Sunday where they visited their daughter Mr. and Mrs. Larry Stokes. The occasion was the birthday of Mrs. Stokes.

Miss Donna Boyd served the punch.

Hostess for the courtesy were Barbara Scroggs, Sandra Kitchens, Johnny Jo Vernon, Donna Boyd, Robbie Ownbey, Bethany Donnell, Phyllis Patterson and Linda Leely.

Miss Shari Lackey of Lubbock spent last week with her grandparents. Mr. and Mrs. Major Lackey. On Sunday the Lackeys met their son and family, Wesley Lackey at Amarillo and Shari returned home with her parents.

Mrs. A. R. Witcher and daughter Maybelle went to Lubbock last Thursday and Friday where Maybelle pre-empted to enter Tech this fall.

Mr. and Mrs. Gordon Cummings and family spent last weekend visiting her parents Mr. and Mrs. George Watkins at Stillwater, Okla.

If you are planning to freeze or can peaches this summer, here's some information to aid you.

This year's peach crop is 12 percent larger than in 1964. Offerings provide excellent quality at moderate prices.

Peaches must look good to be good. Select peaches that are firm, plump, free from

blemishes, well-developed in size and yellowish in color. At this stage, they will continue to ripen.

Handle peaches with care, for they bruise easily. A bushel of peaches yields about 20 quarts when frozen.

An easy method to peel peaches is to cover them with boiling water. Let stand for a minute, then with a paring knife strip off the skins.

Many of the peaches now on the market are brushed and washed before packing. Generally, these do not really need peeling before they go into a pie or are eaten out-of-hand.

Peanut butter must now contain at least 90 percent peanuts according to a revised food standard just announced by the Food and Drug Administration.

There was no standard regulating the peanut content of products marketed as peanut butter until this revised ruling. In the past, it has ranged as low as 78 percent, FDA officials have announced.

The new standard allows 10 percent for optional ingredients which, with proper label declarations, may be used to create products with eating qualities acceptable to a wide variety of consumers. Such ingredients include seasonings and hydrogenated peanut and cottonseed oils to reduce oil separation and counteract the tendency of peanut butter to stick to the roof of the mouth.

All optional ingredients used, however, must be declared on the label.

The new standard will become effective 60 days after the announcement was made July 8, unless there's a request for a public hearing based on legally valid objections.

In the event that the peanut butter is made from unblanched peanuts, the label must bear a conspicuous statement such as "Prepared from unblanched peanuts (skins left on)."

The standard also provides that the common names of suitable optional ingredients shall be set out on the principal display panel so that they will likely be read and easily understood. The label information about the hydrogenated vegetable oils when used shall include the word "hydrogenated" or "hardened."

**Covered Bridge  
Receives Marker**

CEDARBURG, Wis. — An official State Historical Society of Wisconsin marker has been placed on the state's last remaining covered bridge. Built in 1876, the Cedarburg bridge is the lone survivor of

more than 40 covered wooden bridges that once dotted the Wisconsin countryside. The bridge, after 85 years of full service, is now restricted to pedestrian traffic.

It's still possible to pay for college. The only problem is how to pay for anything else.

**CRAZY DAZE**--This woman was one of the winners in a Crazy Daze costume contest held in Perryton in past years. Spearman is planning such a day.

**IMAGINATION**--One can let his imagination run wild in planning his Crazy Daze costumes and store decorations. This Perryton merchant had a real combination.

We do not know enough about the proposed herbicide law to answer any questions, but we have noticed one thing the last couple of days.

There have been two or three women whose homes are in the country approaching us wanting us to take some pictures of damage to trees, plants and gardens.

We do know how mad a farmer gets over losing a few acres of cotton or other broad-leaf crops. But, when the women begin getting mad

about damage around their homes, we had just as soon be somewhere else.

From what we can learn, carelessness on the part of a few is creating the problem.

We heard this week that some are not aware of the fact that if they are hiring their crops sprayed, they are just as liable for damage caused by the spray as the firm doing the spraying.

If this is true, it would be wise for farmers to make sure the sprayers controlled the spraying, closely.

# Tower Says Unwise Government Actions Resulting in Increased Living Cost

It is most disheartening to me that continued incorrect governmental actions are resulting in a steady and oppressive increase in the cost of living. Unwise agriculture policies are a major culprit

as is continued federal spending of more money than the government takes in.

An unbalanced budget can be disastrous to a family. A nation likewise pays a price. And, the price is paid by the nation's citizens whether or not they agree with the government policy of spending nonexistent dollars.

The cost of living shot up in June by one-half of one percent for the biggest increase in two years. But the worst result of federal fiscal ineptitude was a whopping 6.1 percent increase--in just one month--in the cost of meat, poultry, and fish, coupled with a June increase of 3.7 percent for fruits and vegetables and a 10 percent hike in the cost of potatoes.

Federal "number experts" were quick to point out that the take-home pay of factory workers with large families increased in June by 50 cents. What they did not point out is that 38 cents of that increase was wiped out by the same month's cost-of-living increase.

June consumer prices--and

we all are consumers--were up more than 10 percent from their 1959 level. That inflation has lowered the purchasing power of the \$10 bill to \$9.08. The increased cost of food parallels this general consumer price inflation.

Mistaken governmental policies continue. A failure to come to grips with the Bracero question resulted in a labor shortage that left some crops rotting in the fields. Result: higher food prices. A failure to balance the federal budget, even in a time of high national prosperity, has caused the government to "create" the deficit dollars it wants to spend. Each of those "created" dollars cheapens every other dollar. Result: It takes more dollars to buy things.

This nation must return to fiscal sanity and more sound labor and farm policies or we are doomed to perpetual cost-of-living increases, increases that will be far harder on the poor and on the middle-income family with children to educate than they will be upon the rich.

## Morse 4-H Loses Four Members

Morse Junior Leaders 4-H club will soon be experiencing its first graduation of members when four of the group leave for their respective colleges.

Alan Dixon, a ten year 4-H member, has completed projects in several fields and has been outstanding in junior leadership and beef. He has been a gold star boy and is presently serving on district council.

Dixon holds several honors for his 4-H work, chief among them being district winner of the soil and evaluation team which placed eighth at state this summer and winner of the junior leadership lab award trip at Brownwood last summer.

Dixon will be 19 in Sept. and will enter college at Frank Phillips.

Another 4-H member the Morse club will miss is Allen McCloy who plans to enter McCallister A&M this fall. This 18 year old youth has completed nine years of club work and has carried out projects in many fields. His most outstanding project has been leadership and he won the state leadership award in 1964.

He has also been a gold star boy, chairman of District 1 4-H Council and has served as a delegate to the state 4-H council.

His honors include the state fair award, state winner in Farm and Ranch management, winner of junior leadership law award trip, delegate to electric camp, second place state winner in beef business, winner of soil and water conservation essay contest and college scholarship.

McCloy's latest project has been carried out this summer while he has been working on his uncle's ranch near LaJunta.

He has helped organize a 4-H program for boys and girls living in that area.

Elaine Kelly, a nine year 4-H member, has completed projects in almost every field available and her outstanding projects are in the Home Economics and leadership fields.

She is a gold star girl, has served as girl's vice chairman of District Council and has just completed serving a term as secretary of the state 4-H council.

Her outstanding honors include first place in state in safety with trip to National Safety Congress; second place in state in community improvement demonstration; winner of the junior leadership lab award trip and delegate to electric camp. She was also the recipient of the state fair award of honor and has made many appearances in connection with her office on the state council.

Elaine plans to enter Bob Jones University in North Carolina this fall.

Sharon Parks is just completing her tenth and final year as a 4-H club member. She will be a sophomore at Texas Tech this fall. During her first year in college she continued with her club work in the capacity of assistant leader. She helped train two college 4-H demonstration teams from District II and assisted with the Hansford county teams at Roundup in June. This summer she has helped judge the Dallas county dress revue and assisted the local agent with the Hansford county revue

## Miss Kelly Has Lead Role in Play at Tech

Miss Evelyn Kelly of Morse had a lead role in the play "The Measures Taken" which was presented at the Texas Tech college speech auditorium last Friday night.

Miss Kelly, daughter of Mr. and Mrs. D. H. Kelly, has spent the past two weeks attending the annual high school

speech workshop held at Texas Tech. She will be a senior in Gruver High School this fall.

#### Proposed CONSTITUTIONAL AMENDMENT NUMBER THREE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965.

HOUSE JOINT RESOLUTION NO. 81 proposing an Amendment to the Constitution of the State of Texas, amending Section 51-a and Subsections 51a-1 and 51a-2 of Article III so that the same shall consist of one section to be known as Section 51-a; providing that the Legislature shall enact appropriate legislation which will enable the State of Texas to cooperate with the Government of the United States in providing assistance to and/or medical care on behalf of needy aged persons over the age of sixty-five (65) who are citizens of the United States or non-citizens who shall have resided within the boundaries of the United States for at least 25 years, needy persons under the age of sixty-five (65) who are totally and permanently disabled and who are citizens of the United States, needy blind persons over the age of eighteen (18) who are citizens of the United States, and needy children under the age of twenty-one (21) years who are citizens of the United States and to the caretakers of such children; providing rehabilitation and any other services included in the Federal legislation providing matching funds to help such families and individuals attain or retain capability for independence or self-care; authorizing the Legislature to prescribe residence requirements; providing for the acceptance and expenditure of funds from the Government of the United States for such purposes; authorizing appropriations for such purposes out of State funds; providing that the maximum amount paid out of State funds to any individual recipient shall not exceed the amount that is matchable out of Federal funds; providing that the total amount of such payments for assistance and/or medical care out of State funds on behalf of such recipients shall not exceed the amount that is matchable out of Federal funds; provided that if the limitations and restrictions herein contained are found to be in conflict with the provisions of appropriate Federal statutes as they now are or as they may be amended, to the extent that Federal matching money is not available to the State for these purposes, then and in that event the Legislature is specifically authorized and empowered to prescribe such limitations and restrictions and enact such laws as may be necessary in order that such Federal matching money will be available for assistance and/or medical care for or on behalf of needy persons; providing further that the amounts ex-

ended out of State funds for assistance payments only shall not exceed Sixty Million Dollars (\$60,000,000); providing that nothing in the Amendment shall be construed to amend, modify, or repeal Section 31 of Article XVI of the Constitution; providing for the necessary election, form of ballot, proclamation, and publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 51-a and Subsection 51a-1 and 51a-2 of Article III of the Constitution of the State of Texas be amended, and the same are hereby amended, so that they shall hereafter consist of one section to be known as Section 51-a of Article III, which shall read as follows: "Section 51-a. The Legislature shall have the power, by General Laws, to provide, subject to limitations herein contained, and such other limitations, restrictions and regulations as may be deemed expedient, for assistance to and/or medical care for, and for rehabilitation and any other services included in the Federal legislation providing matching funds to help such families and individuals attain or retain capability for independence or self-care, and for the payment of assistance to and/or medical care for, and for rehabilitation and other services for:

"(1) Needy aged persons who are citizens of the United States or non-citizens who shall have resided within the boundaries of the United States for at least twenty-five (25) years and are over the age of sixty-five (65) years;

"(2) Needy individuals who are citizens of the United States who shall have passed their eighteenth (18th) birthday but have not passed their sixty-fifth (65th) birthday and who are totally and permanently disabled by reason of a mental or physical handicap or a combination of physical and mental handicaps;

"(3) Needy blind persons who are citizens of the United States and who are over the age of eighteen (18) years;

"(4) Needy children who are citizens of the United States and who are under the age of twenty-one (21) years, and to the caretakers of such children.

"The Legislature may define the residence requirements, if any, for participation in these programs.

"The Legislature shall have authority to enact appropriate legislation which will enable the State of Texas to cooperate with the Government of the United States in providing assistance to and/or medical care on behalf of needy persons, and in providing rehabilitation and any other serv-

ices included in the Federal legislation providing matching funds to help such families and individuals attain or retain capability for independence or self-care, and to accept and expend funds from the Government of the United States for such purposes in accordance with the laws of the United States as they now are or as they may hereafter be amended, and to make appropriations out of State funds for such purposes; provided that the maximum amount paid out of State funds to or on behalf of any individual recipient shall not exceed the amount that is matchable out of Federal funds; provided that the total amount of such assistance payments and/or medical assistance payments out of State funds on behalf of such recipients shall not exceed the amount that is matchable out of Federal funds; provided that if the limitations and restrictions herein contained are found to be in conflict with the provisions of appropriate Federal statutes as they now are or as they may be amended, to the extent that Federal matching money is not available to the State for these purposes, then and in that event the Legislature is specifically authorized and empowered to prescribe such limitations and restrictions and enact such laws as may be necessary in order that such Federal matching money will be available for assistance and/or medical care for or on behalf of needy persons; and provided further that the total amount of money to be expended per fiscal year out of State funds for assistance payments only to recipients of Old Age Assistance, Aid to the Permanently and Totally Disabled, Aid to the Blind, and Aid to Families with Dependent Children shall never exceed Sixty Million Dollars (\$60,000,000).

"Nothing in this Section shall be construed to amend, modify or repeal Section 31 of Article XVI of this Constitution; provided further, however, that such medical care, services or assistance shall also include the employment of objective or subjective means, without the use of drugs, for the purpose of ascertaining and measuring the powers of vision of the human eye, and fitting lenses or prisms to correct or remedy any defect or abnormal condition of vision. Nothing herein shall be construed to permit optometrists to treat the eyes for any defect whatsoever in any manner nor to administer nor to prescribe any drug or physical treatment whatsoever, unless such optometrist is a regularly licensed physician or surgeon under the Laws of this State."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed

thereon the following:

"FOR the Constitutional Amendment providing for assistance to and/or medical care for the: (1) needy aged; (2) needy individuals who are permanently and totally disabled; (3) needy blind; and (4) needy children and the caretakers of such children; authorizing the Legislature to cooperate with the Government of the United States in providing assistance to and/or medical care on behalf of such needy persons, and in providing rehabilitation and any other services included in the Federal legislation providing matching funds to help such families and individuals attain or retain capability for independence or self-care, and to accept and expend funds from the Government of the United States for such purposes, and to make appropriations out of State funds for the purpose of providing assistance to and/or medical care on behalf of such needy persons, and in providing rehabilitation and any other services included in the Federal legislation providing matching funds to help such families and individuals attain or retain capability for independence or self-care, and to accept and expend funds from the Government of the United States for such purposes, and to make appropriations out of State funds for the purpose of providing assistance to and/or medical care on behalf of such needy persons; providing that the amounts expended out of State funds to and/or on behalf of individuals shall not exceed the amounts that are matchable out of Federal funds; provided that the total amount of such assistance payments and/or medical assistance payments out of State funds on behalf of such recipients shall not exceed the amount that is matchable out of Federal funds; provided that if the limitations and restrictions herein contained are found to be in conflict with the provisions of appropriate Federal statutes as they now are or as they may be amended, to the extent that Federal matching money is not available to the State for these purposes, then and in that event the Legislature is specifically authorized and empowered to prescribe such limitations and restrictions and enact such laws as may be necessary in order that such Federal matching money will be available for assistance and/or medical care for or on behalf of needy persons; and providing further that the total amount of money to be expended per fiscal year out of State funds for assistance payments only to recipients of Old Age Assistance, Aid to the Permanently and Totally Disabled, Aid to the Blind, and Aid to Families with Dependent Children shall never exceed Sixty Million Dollars (\$60,000,000). Providing that nothing in the Amendment shall be construed to amend, modify, or repeal Section 31 of Article XVI of the Constitution.

"AGAINST the Constitutional Amendment providing for assistance to and/or medical care for the: (1) needy aged; (2) needy individuals who are permanently and totally disabled; (3) needy blind; and (4) needy children and the caretakers of such children; authorizing the Legislature to cooperate with the Government of the United States in providing assistance to and/or medical care on behalf of such needy persons, and in providing rehabilitation and any other services included in the Federal legislation providing matching funds to help such families and individuals attain or retain capability for independence or self-care, and to accept and expend funds from the Government of the United States for such purposes, and to make appropriations out of State funds for the purpose of providing assistance to and/or medical care on behalf of such needy persons; providing that the amounts expended out of State funds to and/or on behalf of individuals shall not exceed the amounts that are matchable out of Federal funds; provided that the total amount of such assistance payments and/or medical assistance payments out of State funds on behalf of such recipients shall not exceed the amount that is matchable out of Federal funds; provided that if the limitations and restrictions herein contained are found to be in conflict with the provisions of appropriate Federal statutes as they now are or as they may be amended, to the extent that Federal matching money is not available to the State for these purposes, then and in that event the Legislature is specifically authorized and empowered to prescribe such limitations and restrictions and enact such laws as may be necessary in order that such Federal matching money will be available for assistance and/or medical care for or on behalf of needy persons; and providing further that the total amount of money to be expended per fiscal year out of State funds for assistance payments only to recipients of Old Age Assistance, Aid to the Permanently and Totally Disabled, Aid to the Blind, and Aid to Families with Dependent Children shall never exceed Sixty Million Dollars (\$60,000,000). Providing that nothing in the Amendment shall be construed to amend, modify, or repeal Section 31 of Article XVI of the Constitution."

Sec. 3. The Governor of the State of Texas is hereby directed to issue the necessary proclamation for said election and have the same published and held as required by the Constitution and the Laws of the State of Texas.

## Texas Infant Deaths Average 560 a Month

Many people believe that infant deaths are a thing of the past in Texas. This is not so, according to records of the State Department of Health. In fact, they are rising in a number of areas of the state.

In a typical month last year over 560 infant deaths were reported in Texas.

While infant mortality rates declined in the nation as a whole between 1950-1960, they rose in 7 of 10 of the nation's largest cities. Two of these major cities are in Texas. Rates also have risen recently in other Texas cities.

There are many causes for the rise in infant deaths, says Patsy Reynolds, Texas A&M University Extension specialist in family life education. "These causes boil down to a major factor which is lack of good prenatal care for the expectant mother."

This is especially true for the very young mother or the mother in moderate-to-low-income levels.

"We must teach all mothers—and especially the teenage

girl—how necessary this care is to the health and even the very life of their babies," says Miss Reynolds. We can't afford this loss of valuable human life, she emphasized.

## Reading Conference Set On West Texas Campus

The Texas Association for the Improvement of Reading (T.A.I.R.) has engaged several consultants for the 1965 Reading Conference whose speeches will be of much interest and benefit to teachers of reading and also of math since math teachers must teach vocabulary and comprehension before they can teach math with the new approach.

The annual conference is held on the West Texas State University campus. Registration will begin at 7:30 a.m. in the Student Union Building on Tuesday, Aug. 10 with the first general assembly being

Homemakers who find themselves in possession of a random piano bench have at hand a perfect work bench for the junior member of the family. Seated on a floor cushion, a child can easily write or color in a book on the top.

For a custom-made touch, the homemaker can refinish the bench, and even surface the top with ceramic tile to make it a readily cleaned, wear-resistant piece of furniture. The compartment under the seat of the bench makes a perfect storage place for crayons, paints, coloring books, puzzles and other paraphernalia of childhood.

## Quality, Yield of Hay Should Be Emphasized

With approximately 8 percent of all hay produced in Texas being fed on farms where it is raised, farmers and ranchers should begin placing more emphasis on producing maximum amounts of high quality hay, says Dr. Paul Pratt, Extension agent, Texas A&M Uni-

versity. "Producers can readily improve quality and yield of hay by adequate fertilization and harvesting at the correct time," he adds. "Soil test is the best way to determine fertilizer needs, Pratt emphasizes. Too often farmers think of nitrogen as

being the only nutrient required for maximum production. However, a deficiency of phosphorus, potassium or other nutrients can greatly reduce the quantity and quality of hay.

Correct cutting time is vitally important. Young plants contain high levels of protein, but as the plant matures, fiber increases and protein and other quality factors decrease. Therefore, an optimum growth stage must be selected for harvesting.

To gain good balance between quantity and quality, hay crops should be cut just prior to seed head formation, with exception of Coastal Bermuda which should be cut at about four week intervals.

Pratt explains that curing procedures also affect protein content and overall hay quality. It is important to properly cure and bale hay as quickly as possible to retain leaves, color and nutrients.

Curing time for large-stemmed plants such as Sudan-sorghum hybrids may be cut in half by using a hay conditioner. Conditioning machines are most effective when used 15 to 20 minutes after hay is cut.

Choice of hay type, plant establishment and weed control are also important factors of hay production that should not be overlooked, Pratt concludes.

The average retail price of a prescription in the United States is \$3.35, 16¢ of this amount being the manufacturer's net profit.

#### Proposed CONSTITUTIONAL AMENDMENT NUMBER SEVEN ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965.

SENATE JOINT RESOLUTION NO. 7 proposing an amendment to the Constitution of the State of Texas providing for the exemption from ad valorem taxes of the property of certain charitable organizations, provided such organizations meet certain conditions and requirements and expend at least One and One-half Million Dollars (\$1,500,000.00) annually on free hospital and medical care for indigent within the State of Texas; providing for the necessary election, form of proclamation and publication.

**PREAMBLE**  
WHEREAS, The Legislature has declared that there is a need for the operation of hospitals by private charitable enterprises which will furnish medical and/or hospital care for the indigent in Texas;

WHEREAS, The operation of such hospitals and the furnishing of such free medical and hospitalization for indigent in Texas will add to the welfare and well-being of the State of Texas and its citizens; and

WHEREAS, The need for the operation of such hospitals and the furnishing of such medical care and hospitalization for the indigent is especially great in counties having a population in excess of one million two hundred forty thousand (1,240,000); and

WHEREAS, It is found and agreed to be the Public Policy of the State to foster and encourage such operation of hospitals as aforesaid; now, therefore,

IT IS RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. The Constitution of the State of Texas is amended hereby, by the addition of a new Section to Article VIII thereof, to be numbered Section 2-A, and reads as follows:

"A. The properties of any charitable trust or organization if such trust or organization is dedicated to, and operates a hospital furnishing hospital and/or medical care for the indigent within the State of Texas, shall be exempt from all ad valorem taxes levied by any taxing entity except by the State of Texas itself, provided:

(1) such trust or organization has expended for free hospital and/or medical care in the State of Texas, during the calendar year next preceding, a sum of not less than

One and One-half Million Dollars (\$1,500,000.00); and, further provided,

"(2) after such exemption has been in force and effect for one full calendar year, the amount expended for free hospital and/or medical care, within the State of Texas, amounts to not less than One Million Eight Hundred Thousand Dollars (\$1,800,000.00) for the calendar year next preceding; and, further provided,

(3) such trust or organization is exempt from United States income taxes;

"(4) such charitable trust or organization maintains its domicile and operates a hospital or hospitals in a county having a population of more than one million two hundred forty thousand (1,240,000) according to the last preceding Federal Census, and such exemption shall apply only to the properties of such charitable trust or organization located within the county of its domicile.

"Proof of compliance with all applicable conditions stated above, shall constitute a complete defense to any suit for ad valorem taxes levied or attempted to be levied by any taxing entity other than the State of Texas itself.

"This Amendment shall be self-enacting."  
Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed thereon the following:

FOR the Amendment exempting the property of certain charitable organizations from local ad valorem taxes provided any such organization meets certain conditions, and expends at least One and One-half Million Dollars (\$1,500,000.00) annually for free hospital and medical care for the indigent within the State of Texas. AGAINST the Amendment exempting the property of certain charitable organizations from local ad valorem taxes provided any such organization meets certain conditions, and expends at least One and One-half Million Dollars (\$1,500,000.00) annually for free hospital and medical care for the indigent within the State of Texas.

Sec. 3. The Governor of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the Constitution and Laws of this State.

#### Proposed CONSTITUTIONAL AMENDMENT NUMBER SIX ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965.

HOUSE JOINT RESOLUTION NO. 11 proposing an Amendment to Article III of the Constitution of the State of Texas authorizing loans to students at institutions of higher education; creating the Texas Opportunity Plan Fund and making provisions relating thereto.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of the State of Texas be amended by adding a new Section to read as follows:

"Section 50b. STUDENT LOANS. (a) The Legislature may provide that the Coordinating Board, Texas College and University System, or its successor or successors, shall have the authority to provide for, issue and sell general obligation bonds of the State of Texas in an amount not to exceed Eighty-five Million Dollars (\$85,000,000). The bonds authorized herein shall be called 'Texas College Student Loan Bonds,' shall be executed in such form, denominations and upon such terms as may be prescribed by law, provided, however, that the bonds shall not bear more than four per cent (4%) interest per annum; they may be issued in such installments as the Board finds feasible and practical in accomplishing the purposes of this Section.

"(b) All moneys received from the sale of such bonds shall be deposited in a fund hereby created in the State Treasury to be known as the Texas Opportunity Plan Fund to be administered by the Coordinating Board, Texas College and University System, or its successor or successors to make loans to students who have been admitted to attend any institution of higher education within the State of Texas, public or private, including Junior Colleges, which are recognized or accredited under terms and conditions prescribed by the Legislature, and to pay interest and principal on such bonds and provide a sinking fund therefor under such conditions as the Legislature may prescribe.

"(c) While any of the bonds, or interest on said bonds authorized by this Section is outstanding and unpaid, there is hereby appropriated out of the first moneys coming into the Treasury in each fiscal year, not otherwise appropriated by this Constitution, an amount sufficient to pay the principal and interest on such bonds that mature or become due during such fiscal year, less the amount in the sinking fund at the close of the prior fiscal year.

"(d) The Legislature may provide for the investment of moneys available in the Texas Opportunity Plan Fund, and the interest and sinking funds established for the payment of bonds issued by the Coordinating Board, Texas College and University System, or its successor or successors. Income from such investment shall be used for the purposes prescribed by the Legislature.

"(e) All bonds issued hereunder shall, after approval by the Attorney General, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchasers, be incontestable and shall constitute general obligations of the State of Texas under this Constitution.

"(f) Should the Legislature enact enabling laws in anticipation of the adoption of this Amendment, such acts shall not be void because of their anticipatory nature."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed on them the following:

"FOR the Constitutional Amendment authorizing the Legislature to provide for loans to students at institutions of higher education to be known as the Texas Opportunity Plan. AGAINST the Constitutional Amendment authorizing the Legislature to provide for loans to students at institutions of higher education to be known as the Texas Opportunity Plan."

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this State.

#### Proposed CONSTITUTIONAL AMENDMENT NUMBER TEN ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965.

SENATE JOINT RESOLUTION NO. 47 proposing an Amendment to Section 4, Article III, Constitution of the State of Texas, to provide four-year terms of office for State Representatives.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 4, Article III, Constitution of the State of Texas be amended to read as follows:

"Section 4. The members of the House of Representatives shall be chosen by the qualified electors for the term of four years; but a new House of Representatives shall be chosen after every apportionment, and the members elected after each apportionment shall be divided by lot into two classes. The seats of the members of Class A shall be vacated at the expiration of the first two years, and those of Class B at the expiration of four years, so that one-half of the members of the House of Representatives shall be chosen biennially thereafter. Representatives shall take office following their election, on the day set by law for the convening of the Regular Session of the Legislature, and shall serve thereafter for the full term of years to which elected and until their successors shall have been elected and qualified. Except in case of an election to fill a vacancy, and except in the first election following each re-apportionment, a person who has been elected to the House of Representatives shall not be eligible to be a candidate again for membership in the Legislature until the term for

which he was elected has less than one year remaining."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified voters of the state at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed on them the following:

"FOR the Constitutional Amendment to provide for a four-year term of office for State Representatives." "AGAINST the Constitutional Amendment to provide for a four-year term of office for State Representatives."

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time required by the constitution and laws of this state.

Sec. 4. In the event the Constitutional Amendment proposed in this Resolution is adopted by the people of Texas in the election in November, 1965, the Governor of Texas is directed not to issue a proclamation for the election and not to publish notice thereof for the Constitutional Amendment proposed by House Joint Resolution No. 1 of the 59th Texas Legislature, since the provisions of said House Joint Resolution No. 1 are included in this Resolution. But, should this proposed Amendment be rejected by the people of Texas in the election in November, 1965, then the terms and provisions of House Joint Resolution No. 1 shall be and remain in full force and effect and shall be proclaimed published and submitted to the electorate in November, 1966, as provided in said House Joint Resolution No. 1.

## THE WAY I SEE IT

Robert Cordes, Pastor Oslo Lutheran Church Faith Lutheran Church

Baptism is the door into discipleship with Jesus. Matt. 28:19-20 states "Go and make disciples of all nations, baptizing them in the Name of the Father and of the Son and of the Holy Ghost, teaching them to observe all things..." According to Titus 3:5 it is a "washing of regeneration." I Peter 3:21 says it has same effect as Noah's ark which saved Noah. "The same (like the ark) even baptism does now save us." Baptism connects us with Jesus because the promise of God's Word is used with the water.

Baptism is more than "an outward sign of an inward change". Because the Word is added to the water the baptismal Word can bring about a change. To be born of the Water in John 3:5 must refer to Baptism. What kind of washing of water by the Word could be found in the early church except baptism? None.

I realize this subject is one that many dispute. But we should honestly face up to the Word and not take into it our preconceived notions. We need more deep discussion with one another in this area.

All who want to be disciples of Jesus should be baptized. All who want to be adopted into His holy family should receive the "washing of regeneration." Christ commands us to be.

One of the problems is should children be included? Are they God's until they reach age of discretion? Does The Bible uphold this or is it human reasoning? Many more verses point to need of children to be adopted, washed, forgiven than state otherwise. It is too involved to state all the verses here, but I'll simply state references and you can look them up yourself: Romans 5:12 & 18; John 3:5,6; Mk 16:16; Heb. 11:6; Psalm 51:5; Eph. 2:3; Matt. 18:6; Col. 2:11 ff.

In Baptism, God makes a covenant with us that He will always be our God and we His people. God never goes back on His promise. Should we stray in sin, He stands ready to daily forgive & assure us we are still His children. What a wonderful promise of God to have.

## Crossbred Cows Yield More

Crossbred cows have built a reputation for producing heavy fat calves at weaning time. Although this has become an established fact among many cattlemen, the reasons for the superiority in weaning weights have gone unexplained.

Researchers have assumed that an outgrowth of hybrid vigor in crossbred females is an increase in milk production. Work done at the Texas Agricultural Experiment Station has now established the fact that crossbred cows have a higher milk production than the parent breeds.

Average 24-hour milk yields of Brahman, Hereford and crossbred cows at the Angleton Substation have been tabulated and the results indicate that crossbred cows yield more pounds of milk. Data were compiled from the years 1962, 1963 and 1964.

The Hereford cows at Angleton gave 7.8 pounds of milk; the Brahman cows gave 10.3 pounds; and the crossbred cows gave 12.6 pounds. The Hereford and Brahman cows had the added advantage of being older, since they are the dams of the cross-bred cows. Age usually increases milk yield.

The 24-hour milk yield of the crossbred cows clearly exceeded that of older parent breeds. The increased milk yield was 22 percent over the Brahman, 61 percent over the Herefords and 47 percent over the weighted average of the parent breeds.

Data from another test conducted by Texas A&M University indicate that as milk production in a mother cow increases, the weaning weight of her calf also increases.

In one test, the pounds of milk per cow ranged from five pounds daily for one test group, to eight pounds daily for the highest test group. The adjusted 205 day weaning weight of the calves from the five-pound cows was 424 pounds while the weight of the calves from the eight-pound cows was 537 pounds.

The conclusion is evident: calves from the cows with high milk production will have a higher weaning weight, and crossbred cows have the higher milk production.

Mrs. Mildred Chamberlain is on vacation in Michigan.

Mr. and Mrs. Doug Connelly and family are visiting relatives in East Texas.

Elaine and Randy Williams and Gayle Brown, all of Pampa, are visiting Mr. and Mrs. Carl Galbreath and family.

## Fisher Breaks Ground For New PAG Bakery

Last week R. C. (Pete) Fisher of Spearman and President of Tri-State Baking Co., broke ground at an Amarillo site for the new Tri-State Baking Co. bakery.

Fisher said it was necessary for the baking company to move the facilities from Borger to Amarillo so the firm would be more centrally located and adjacent to the Panhandle Associated Grocers Inc. warehouse.

With the facilities together, Fisher, who is Vice President of PAG, said the grocery owned organizations can increase operating efficiency in eliminating duplicate delivery service.

The baking firm was organized in Borger 10 years ago by a group of independent grocers so they could compete with chain stores on bakery products, Fisher said.

In the ten years the firm has multiplied its size many

times and the brand name Tendercrust is known from Keyes, Okla. to Lubbock and from Tucuman to Childress.

Fisher said the bread is known for having the richest formula of any bread in a 500 mile radius. He also credits the grocery owned bakery with keeping bread prices the lowest in the Panhandle of any place in the U. S.

The new bakery is located beside the PAG warehouse on South Washington Street in Amarillo.

### Quick Broiling

Before cooking meat in a broiler, home economists with the Gas Appliance Manufacturers Association suggest you remove the broiler pan and grid, then turn on the gas flame. Arrange food on the cold, ungreased broiler grid, slide it under the gas flame and set the timer for the final cooking. Turn out the gas flame and remove from the broiler the minute the timer signal sounds.

## PUBLIC NOTICE Proposed CONSTITUTIONAL AMENDMENT NUMBER TWO ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965. HOUSE JOINT RESOLUTION NO. 5 proposing an Amendment to Section 49-b, Article III of the Constitution of Texas so as to authorize an increase in the total amount of bonds or obligations that may be issued by the Veterans' Land Board to Four Hundred Million Dollars (\$400,000,000); providing for the issuance of said bonds or obligations and the conditions relating thereto and the use of the Veterans' Land Fund; and providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 49-b, Article III of the Constitution of Texas, be amended so that the same will hereafter read as follows:

"Section 49-b. By virtue of prior Amendments to this Constitution, there has been created a governmental agency of the State of Texas performing governmental duties which has been designated the Veterans' Land Board. Said Board shall continue to function for the purposes specified in all of the prior Constitutional Amendments except as modified herein. Said Board shall be composed of the Commissioner of the General Land Board and two (2) citizens of the State of Texas, one (1) of whom shall be well versed in veterans' affairs and one (1) of whom shall be well versed in finances. One (1) such citizen member shall, with the advice and consent of the Senate, be appointed biennially by the Governor to serve for a term of four (4) years; but the members serving on said Board on the date of adoption hereof shall complete the terms to which they were appointed. In the event of the resignation or death of any such citizen member, the Governor shall appoint a replacement to serve for the unexpired portion of the term to which the deceased or resigning member had been appointed. The compensation for said citizen members shall be as is now or may hereafter be fixed by the Legislature; and each shall make bond in such amount as is now or may hereafter be prescribed by the Legislature.

"The Commissioner of the General Land Office shall act as Chairman of said Board and shall be the administrator of the Veterans' Land Program under such terms and restrictions as are now or may hereafter be provided by law. In the absence or illness of said Commissioner, the Chief Clerk of the General Land Office shall be the Acting Chairman of said Board with the same duties and powers that said Commissioner would have if present.

"The Veterans' Land Board may provide for, issue and sell not to exceed Four Hundred Million Dollars (\$400,000,000) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veterans' Land Fund, Two Hundred Million Dollars (\$200,000,000) of which have heretofore been issued and sold. Such bonds or obligations shall be sold for

not less than par value and accrued interest; shall be issued in such forms, denominations, and upon such terms as are now or may hereafter be provided by law; shall be issued and sold at such times, at such places, and in such installments as may be determined by said Board; and shall bear a rate or rates of interest as may be fixed by said Board but the weighted average annual interest rate, as that phrase is commonly and ordinarily used and understood in the municipal bond market, of all the bonds issued and sold in any installment of any bonds may not exceed four and one-half per cent (4½%). All bonds or obligations issued and sold hereunder shall, after execution by the Board, approval by the Attorney General of Texas, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchaser or purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas; and all bonds heretofore issued and sold by said Board are hereby in all respects validated and declared to be general obligations of the State of Texas. In order to prevent default in the payment of principal or interest on any such bonds, the Legislature shall appropriate a sufficient amount to pay the same.

"In the sale of any such bonds or obligations, a preferential right of purchase shall be given to the administrators of the various Teacher Retirement Funds, the Permanent University Funds, and the Permanent School Funds.

"Said Veterans' Land Fund shall consist of any lands heretofore or hereafter purchased by said Board, until the sale price therefor, together with any interest and penalties due, have been received by said Board (although nothing herein shall be construed to prevent said Board from accepting full payment for a portion of any tract), and of the moneys attributable to any bonds heretofore or hereafter issued and sold by said Board which moneys so attributable shall include but shall not be limited to the proceeds from the issuance and sale of such bonds; the moneys received from the sale or resale of such lands, or rights therein; the bonuses, income, rents, royalties, and any other pecuniary benefit received by said Board from any such lands; sums received by way of indemnity or forfeiture for the failure of any bidder for the purchase of any such bonds to comply with his bid and accept and pay for such bonds or for the failure of any bidder for the purchase of any lands comprising a part of said Fund to comply with his bid and accept and pay for any such lands; and interest received from investments of any such moneys. The principal and interest on the bonds heretofore and hereafter issued by said Board shall be paid out of the

moneys of said Fund in conformance with the Constitutional provisions authorizing such bonds; but the moneys of said Fund which are not immediately committed to the payment of principal and interest on such bonds, the purchase of lands as herein provided, or the payment of expenses as herein provided may be invested in bonds or obligations of the United States until such funds are needed for such purposes.

"All moneys comprising a part of said Fund and not expended for the purposes herein provided shall be a part of said Fund until there are sufficient moneys therein to retire fully or hereafter the bonds heretofore or hereafter issued and sold by said Board, at which time all such moneys remaining in said Fund, except such portion thereof as may be necessary to retire all such bonds which portion shall be set aside and retained in said Fund for the purpose of retiring all such bonds, shall be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law. All moneys becoming a part of said Fund hereafter shall likewise be deposited to the credit of the General Revenue Fund.

"When a Division of said Fund (each Division consisting of the moneys attributable to the bonds issued and sold pursuant to a single Constitutional authorization and the lands purchased therewith) contains sufficient moneys to retire all of the bonds secured by such Division, the moneys thereof, except such portion as may be needed to retire all of the bonds secured by such Division which portion shall be set aside and remain a part of such Division for the purpose of retiring all such bonds, may be used for the purpose of paying the principal and the interest thereon, together with the expenses herein authorized, of any other bonds heretofore or hereafter issued and sold by said Board. Such use shall be a matter for the discretion and direction of said Board; but there may be no such use of any such moneys contrary to the rights of any holder of any of the bonds issued and sold by said Board or violation of any contract to which said Board is a party.

"The Veterans' Land Fund shall be used by said Board for the purpose of purchasing lands situated in the State of Texas owned by the United States or any governmental agency thereof, owned by the Texas Prison System or any other governmental agency of the State of Texas, or owned by any person, firm, or corporation. All lands thus purchased shall be acquired at the lowest price obtainable, to be paid for in cash, and shall be a part of said Fund. Such lands heretofore or hereafter purchased and comprising a part of said Fund are hereby declared to be held for a governmental purpose, although the individual purchasers thereof shall be subject to taxation to the same extent and in the same manner as are purchasers of lands dedicated to the Permanent Free Public School Fund.

"The lands of the Veterans' Land Fund shall be sold by said Board in such quantities, on such terms, at such prices, at such rates of interest and under such rules and regulations as are now or may hereafter be provided by law to

Texas veterans who served not less than ninety (90) continuous days, unless sooner discharged by reason of a service-connected disability, on active duty in the Army, Navy, Air Force, Coast Guard or Marine Corps of the United States between September 16, 1940, and March 31, 1955, and who upon the date of filing his or her application to purchase any such land is a citizen of the United States, is a bona fide resident of the State of Texas, and has not been dishonorably discharged from any branch of the Armed Forces above-named and who at the time of his or her enlistment, induction, commissioning, or drafting was a bona fide resident of the State of Texas. The foregoing notwithstanding, any lands in the Veterans' Land Fund which have been first offered for sale to veterans and which have not been sold may be sold or resold to such purchasers, in such quantities, and on such terms, and at such prices and rates of interest, and under such rules and regulations as are now or may hereafter be provided by law.

"Said Veterans' Land Fund, to the extent of the moneys attributable to any bonds heretofore issued and sold by said Board, as is now or may hereafter be provided by law, for the purpose of paying the expenses of surveying, monumenting, road construction, legal fees, recordation fees, advertising and other like costs necessary or incidental to the purchase and sale, or resale, of any lands purchased with any of the moneys attributable to such additional bonds, such expenses to be added to the price of such lands when sold, or resold, by said Board; for the purpose of paying the expenses of issuing, selling, and delivering any such additional bonds; and for the purpose of meeting the expenses of paying the interest or principal due or to become due on any such additional bonds.

"All moneys attributable to the bonds issued and sold pursuant to the Constitutional Amendment adopted on November 6, 1956, shall be credited to said Veterans' Land Fund and may be used for the purpose of purchasing additional lands, to be sold as provided herein, until December 1, 1965; provided, however, that so much of such moneys as may be necessary to pay interest on such bonds shall be set aside for that purpose. After December 1, 1965, all moneys attributable to such bonds shall be set aside for the retirement of such bonds and to pay interest thereon; and when there are sufficient moneys to retire all of such bonds, all of such moneys then remaining or thereafter becoming a part of said Veterans' Land Fund shall be governed as elsewhere provided herein.

"All of the moneys attributable to any series of bonds heretofore issued and sold by said Board (a series of bonds being all of the bonds issued and sold in a single transaction as a single installment of bonds) may be used for the purchase of lands as herein provided, to be sold as herein provided, for a period ending eight (8) years after the date of sale of such series of bonds; provided, however, that so much of such moneys as may be necessary to pay interest on bonds hereafter issued and sold

shall be set aside for that purpose in accordance with the resolution adopted by said Board authorizing the issuance and sale of such series of bonds. After such eight (8) year period, all of such moneys shall be set aside for the retirement of any bonds hereafter issued and sold and to pay interest thereon, together with any expenses as provided herein, in accordance with the resolution or resolutions authorizing the issuance and sale of such additional bonds, until there are sufficient moneys to retire all of the bonds hereafter issued and sold, at which time all such moneys then remaining a part of said Veterans' Land Fund and thereafter becoming a part of said Fund shall be governed as elsewhere provided herein.

"This Amendment being intended only to establish a basic framework and not to be a comprehensive treatment of the Veterans' Land Program, there is hereby reposed in the Legislature full power to implement and effectuate the design and objects of this Amendment, including the power to delegate such duties, responsibilities, functions, and authority to the Veterans' Land Board as it believes necessary.

"Should the Legislature enact any enabling laws in anticipation of this Amendment, no such law shall be void by reason of its anticipatory nature.

"This Amendment shall become effective upon its adoption."

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1965, at which election all ballots shall have printed thereon the following:

"FOR the Amendment to Section 49-b of Article III of the Constitution of Texas to increase the Veterans' Land Fund by \$200,000,000; said Fund to be used for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and March 31, 1955; such funds to be expended in accordance with instructions and requirements that may be provided by law"; and

"AGAINST the Amendment to Section 49-b of Article III of the Constitution of Texas to increase the Veterans' Land Fund by \$200,000,000; said Fund to be used for the purpose of purchasing land in Texas to be sold to Texas veterans who served in the Armed Services of the United States between September 16, 1940, and March 31, 1955; such funds to be expended in accordance with instructions and requirements that may be provided by law."

If it appears from the returns of said election that a majority of the votes cast were in favor of same Amendment, the same shall become a part of the State Constitution and be effective from the date set forth in said Amendment, and the Governor shall issue a proclamation in keeping therewith.

Section 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and shall have the same published as required by the Constitution and Laws of this state.

## Autumn Fabrics Have Complete New Appearance

The new fall fabrics almost dare you to guess the fiber content without reading their labels, says Lynn Parks, Texas A&M University Extension consumer education specialist.

Washables such as cotton, acrylics, nylons and silks are disguised with coatings, bondings, and new kinds of knitting processes to achieve a new look.

Nylon is textured to achieve the look, feel and bright colors of silk. Nylon bonded to nylon tricot produces effects which resemble silk prints.

Nylon tricot is glamorized

with Swiss dot flocking which add "loft" and softens colors. Tricot with a satiny backing made from nylon has a crepe-look with a rich, opaque appearance.

Jersey achieves a frosted look with a blend of Antron and Orlon acrylic fibers. Other acrylic fiber fabrics masquerade as wools and worsteds in tartan plaid, herringbone and blanket-check patterns. These fibers have the construction and feel of wools, are wrinkle resistant permanently pleated and are completely washable.

ing used on 100 per cent cotton to stimulate leather. Its weight, construction and leather colors made this fabric look real enough to mislead a tanner.

A cotton-blend pique has been developed with its texture woven in for permanence instead of just stamped on the surface. Even silk has been transformed by a cure process which gives fabric the wet look of vinyl. This new silk is waterproof, crackproof, easy to manipulate and completely washable.

## John Deer Remodels Showroom

Remodeling of the salesroom at Hansford Implement has just been completed. The tractor firm is on S. Highway 15.

The interior of the showroom and parts room have been painted yellow. New self-service parts bins have been installed in half of the showroom.

Owner Gene Cudd said the new self-service section has been stocked with parts and equipment that farmers need most. This will allow the farmer who is in a hurry to get what he needs, get checked out and be on his way in a hurry.

## Baptist V. B. S. Has Enrollment Of 282 Students

The First Baptist Church of Spearman got off to a record start over last year's school. Thus far 282 have been enrolled with attendance of 268 for the first two days. This compares with 259 enrolled, with attendance of 275. By the end of the week, 300 is expected to be recorded. The Vacation Bible School will continue next week and end on Friday, August 13.

"Preparation Day" was held last Saturday morning, July 31. In spite of the rain 183 signed up to attend the VBS school. This number was identical to last year's record with a clear sunny day.

## CLEAR THE SIDES

Don't let baking pans touch the sides of the oven, the Gas Appliance Manufacturers Association cautions. There should be at least a one-inch clearance, otherwise the cans will rise and brown unevenly.
