

THE HANSFORD PLAINSMAN

VOLUME 9, NO. 45

THE HANSFORD PLAINSMAN, SPEARMAN, TEXAS 79081

SUNDAY, SEPTEMBER 3, 1978

You Name it

From the den of the poison pen

I have been covering city meetings for so many years, that it is hard for me to remember when I started. I think back in the late 40's. But, I have always tried to be fair in my news reporting and one thing I was taught from the beginning of my journalistic career, was try and represent both sides equally. When a complaint was made against Mayor Blodgett because of an altercation with one of his hands recently, I knew that there had to be two sides to the story. But, this was "juicy" and real gossip for the local scandal sheet, and I didn't pursue the proper course and try and dig out the facts as I only had a matter of minutes to even get it on the front page. Now, I will not apologize for Ralph's make-up, as far as him getting upset occasionally. Who doesn't? But the true facts of this story are that he was actually making an opening for a person that needed a job, and some help. In defense of Ralph, I want to say that he has made the best Mayor that we have ever had, and we have had some good ones! But, remember, Ralph is a human being. He spends all of the spare time he has working for you and me. That's right. He uses his airplane and time to further the development of our city and our entire area. Ralph Blodgett is a servant of the people. He will do almost anything to help our community. Let's all tell Ralph we appreciate him and urge him to keep up the good work. He is a dandy, and this newspaper finds very little wrong with him as a public servant and as a private citizen. I wish we had more like him.

WORLEY SMITH is 50 years old! Worley has joined the ancient, and all of us over 50 take this opportunity to welcome him to the select group of 50 year olds. Worley is one of the top teachers in the Spearman school system, and farms for a hobby.

The new art and music room for Spearman High School is coming along nicely this week. The porches have been torn away from the South side of the high school building near the stadium, and several loads of material have been delivered to the building site.

A big thanks to Jr. Lusby for the work done on the Spearman airstrip. Some 800 ft. has been added to the strip and Jr. was so fast, we hardly knew he had started, before it was done!

Official Ground Breaking Ceremonies for the Nursanickel Motel will be held Tuesday morning, September 5 at 10 a.m. The location will be on Texas Highway 207 just north of Martin's Steak Garden. Mr. Cleo Coffey, Jr. of Dalhart is the owner and Hallmark Builders of Amarillo is the contractor.

The motel will have 30 units with an attached office-apartment and a swimming pool. Mr. Coffey built his first Nursanickel Motel in Dalhart in 1977. Master of Ceremonies for the festivities will be Mr. J. L. Brock, the Invocation will be given by Rev. Russell Pogue, pastor of the First Baptist Church, Mayor Ralph Blodgett, Jim McLain, President of the Chamber of Commerce, L. L. Anthony, President of the Spearman Industrial Plan, Inc. and C. A. Gibner, President of the First State Bank will be among the dignitaries on the program.

This motel is made possible by the stockholders of Spearman Industrial Plan, Inc.

Enrollment Figures Down

Spearman Schools enrollment is down this year considerably from last year. High school has 318 students enrolled compared to 360 last year. Junior high school has 248 enrolled this year compared to 318 in 1977. Elementary has 330 enrolled compared to 350 last year.

School officials expect more students to enroll after Labor Day, but this will still not come close to enrollment last year, which was 1013 overall. So far this year the total enrollment at Spearman schools is 896.

Motel Ground Breaking Tuesday Spearman Cable TV Site Of Telethon Pledge

Spearman Cable TV will serve as the site for local telephone pledges and donations during the forthcoming Jerry Lewis Labor Day Telethon to benefit the Muscular Dystrophy Association (MDA), which will be seen live from Spearman and Las Vegas over SCA-TV-6 and broadcast over KRDF-FM 98 September 3 & 4 beginning locally at 7 P.M.

The Spearman Rotary Club will man the pledge center for the duration of the 22 hour spectacular, under the direction of Ronnie Antalek. A special telephone number has been assigned to the center, 659-3703 or 3704.

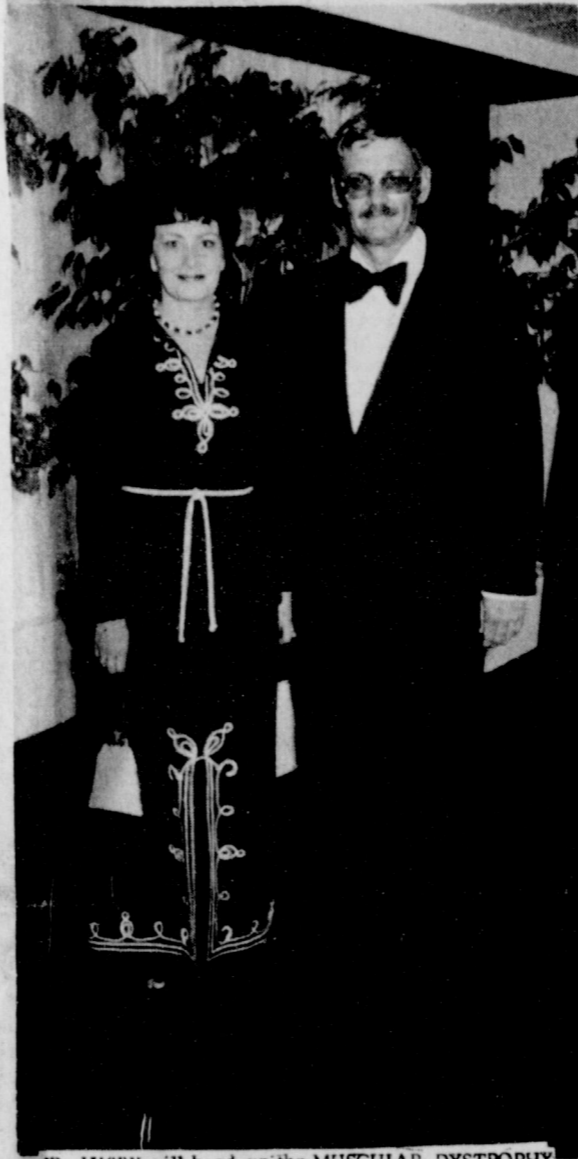

"We're looking forward to this event, and we know the good people of Spearman will unite and help us in our fight against this people-wasting disease," Junior Lusby Spearman Chairman said.

MDA is a national voluntary health agency which funds extensive patient service and research programs throughout the world for those afflicted with muscular dystrophy and related neuromuscular disorders.

Date Changed

Late Friday Betty Hill received word that her appearance on the Hee Haw TV Show would not be on Sept. 2nd. According to word received here, the show is being aired in the North Carolina area this Saturday but not in this area.

At this time, the program is scheduled for a later date, and we will have this information available.

JR. LUSBY will head-up the MUSCULAR DYSTROPHY program this year. Pictured above with Mrs. Lusby!

School Board Sets Tax Rate

Budget is \$2,019,745

The Board of Trustees of the Spearman Independent School District in a meeting Tuesday, Aug. 29 set the tax rate for the 1978 year at \$1.24 up four cents from last year.

They also adopted the amended budget for 1977-78.

Property in the district for 1978 was valued at \$106,428, 110 up \$3,419,659 over the previous year, according to Orville Latham, business manager. He stated that most of the rise in valuation is due to additional oil and gas values in the district and the new properties having been built. No re-evaluation of existing property took place this year.

The budget for the 1978-79 school year has been set at \$2,019,745, up \$224,268 from last year's figure of \$17,954, 773.

Inflation not only hits personal budgets, but those of school districts and governing bodies as well.

CHUNKY BLACKBURN HAS PICTURES OF HURRICANE AMELIA

Chunky Blackburn recently returned from his annual deep sea fishing trip. He promised us pictures of the flooding that was the worst in Texas history. This is what greeted him this year. Needless to say he didn't get to fish much. A Hurricane is now entering the U. S. on the East coast as we go to press today.

Methodist Plan Revival

The Reverend Gene Moore and his wife Bobbie will be at the First United Methodist Church in Spearman on September 9, 10, and 11 for some excellent singing and great preaching.

The first service will be at 7:30 P.M. Saturday. Sunday the times will be at 11 a.m. and 7 p.m. There will be a church-wide covered dish luncheon at noon. The Monday evening services will be at 7:30 p.m.

A nursery will be provided for all the services.

Rev. Frank Oglesby and the congregation issue a cordial invitation to everyone to attend these services. The Moore's have been in Spearman many times for services, and are inspiring in their ministry.

The Reverend Gene Moore and his wife Bobbie have witnessed with the spoken word and music to thousands of people around the world. It is their conviction that Christianity is just as relevant today as it was two thousand years ago.

Gene is an ordained minister having been appointed as evangelist in 1962. Previous to becoming an evangelist he was a pastor in a local church. He feels that evangelism is his call to the Christian church and thinks that his God given talents are in this area.

Bobbie is an accomplished musician. She has many years of formal training. It was music that brought Bobbie and Gene together. They met at an Oklahoma college where they both received their degrees. They were married in 1953.

REV. & MRS. GENE MOORE

Their duets have thrilled thousands since then. They have sung for gospel meetings, camp meetings, at retreats, and for civic clubs. Five thousand people heard Gene sing at a jungle camp meeting in India.

In 1968 the Moores sang in Indonesia. At one time they sang in a crowded railway car, jammed with Indonesians. Wherever they go, they find that music is the universal language. The Moores directed the music at the Southern Illinois Annual Conference in 1971. Gene's latest missionary trip was to India in 1971. A large part of their giving goes for India missions. Currently

they are building a church building in India in memory of their son Timothy.

They have been in charge of music for United Christian Ashrams, the South Central Jurisdictional Conference on Evangelism, and the National Committees of the Twelve. They led music for the Southern Illinois Annual Conference in 1972. They have four record albums, the latest of which was arranged by Kurt Kaiser and accompanied by a London Orchestra. Gene is a songwriter and has had several songs published by Rodeheaver-Word. Among his familiar songs are "Fill Your Life With Love," "Jesus Set

My Heart to Singing," and "Do Unto Others." Gene's latest song was written several days after the death of their 9 year old son Timothy.

The Moores have two children. Susan who is a teenager and Jonathan born December 19, 1972. Susan is a good singer and has begun singing specials with her parents. Jonathan as yet has only developed his lungs.

Perhaps the Moores sum up their own witness when they say, "Through our ministry we are trying to tell the message of what God has done for us and what he can do for you.

Former Resident Joins Baptist Convention Board

Marshall Walker, director of religious activities at Hardin-Simmons University since 1964 and minister of youth education at First Baptist Church in Abilene for three years before that, assumed his duties with the Sunday School Board of the Southern Baptist Convention in Nashville, Tenn. Sept. 1.

He will be coordinator of events and programs for the Sunday School Board, with tasks to implement and design programs and projects to interpret the mission and work of the board; including such far-flung chores as planning films and dramatic productions, scheduling weekly chapel services and even planning employee flea markets.

HSU President Jesse C. Fletcher stated "Few people have contributed more to H-SU than Marshall Walker. "That contribution has been registered

in terms of programs but even more in terms of people. Thousands of students have benefitted from his ministry in our midst. And while he will be sorely missed here we will continue to benefit from his service to the Southern Baptist Convention at large."

Walker has written the theme interpretation, "Salt, Light, and Leaven," and will stage the hour-long production with Hardin-Simmons students on opening night of the Texas Baptist Student Union Convention on the campus of TCU in Fort Worth.

Walker, the son of the late M. W. Walker, now of Amarillo, graduated from Spearman High school, earned his bachelor's degree in speech from Wayland Baptist College and added a master of religious education from Southwestern Seminary in 1958. He and his wife, Beth, have a 19 year old daughter who will be a sophomore at Austin College in Sherman and a 5-year old son.

ed in terms of programs but even more in terms of people. Thousands of students have benefitted from his ministry in our midst. And while he will be sorely missed here we will continue to benefit from his service to the Southern Baptist Convention at large."

Hospital News

Patients in Hansford Hospital are Jason Tucker, Ellen Vernon, Viola Fite, Pearl Shapley, Jewel Brandt, Yvette Monk and Ruby Heath.

Dismissed were Jerry Cavazos, Larry Hastings, Patricia Miller, John Tucker, Tim Woodington, and Mattie Layton.

This picture was made near Fredricksburg, by Chunky Blackburn, who makes a deep sea fishing trip every year to the Comfort area, North of San Antonio. Hurricane Amelia greeted him on his trip this year.

It is dry in the Panhandle, and thirsty farmers can remember when the water ran over the bridge at Old Hansford. This flooding was from Hurricane Amelia.

SALUTE TO LABOR DAY

LET'S HONOR THE
WORKING PEOPLE--OUR
NATION'S LIFE SOURCE

"Good old American know-how." We're as proud of that term as we are of the people who exemplify the phrase each and every working day. The people who've joined together, rolled up their sleeves, and pitched right in to offer their share of hard work.

Thanks to those resourceful, dedicated people and their "good old American know-how," we've made such progress. And because of them, we shall continue to grow and prosper.

SCOUTING FROM STRATFORD ELKS

Stratford Elks will travel to
Claude this Thursday evening
for the second scrimmage of
the new gridiron season,
announced Athletic Director and
Head Coach Jackie Needham.

The Elks began their new
season under a new coach last
Thursday when they scrim-
maged the Panhandle Panthers
here in a session which left
Coach Needham and his crew
"reasonably pleased" with the
outcome.

The Claude scrimmage will
begin with the Junior Varsity
teams squaring off at 6 p.m.
with the varsity teams immedi-
ately following.

"We were pleased with what
we saw last Thursday night,"
said Needham. "We all knew
the offensive effort would be
lacking for we had only been in
pads a short time and need more
time to get down the blocking
assignments and backfield
timing we need to make it run
well. On defense we thought the
team did a good job and were
pleased with what we saw," he
added.

The Elks have had to make
major adjustments due to
unexpected developments in-
cluding losing co-captain Kevin
Plunk to an appendectomy two
weeks ago and several other
minor injuries.

"Overall we are pleased with
the effort and enthusiasm which
the team has shown us this far,"

said Needham. "The entire
team has worked well and
although they know they have
a long ways to go they are
working well and we shall be
looking to improvements in the
Claude scrimmage this week.
Claude has back most of their
team from a year ago and should
prove to be as strong as
Panhandle and we can see how
far we have come since the last
scrimmage," he added.

The Elks open their season on
September 8 at home when they
entertain Spearman followed by
Guyton here on September 15.
Season tickets are available
for the Elk games at the school
business office. Tickets will be
\$2 each for the five home games
for adults and \$1.50 each for
students.

TAXES THEN AND NOW

THEN. Americans first
copied with a tax on income,
when on Jan. 1, 1862, the
government imposed a three
percent tax on incomes ex-
ceeding \$800. This extremely
unpopular law was discon-
tinued in 1872.

NOW. Americans today
may face higher taxes than
ever as communities struggle
to cope with high fuel costs.
Fortunately, our oil compa-
nies are trying to develop
alternative energy sources,
increasing competition in
those fields and, it is hoped,
helping to hold down energy
prices.

Pioneer Plant & Field Tour Set

PLAINVIEW, Texas--The
complexity of the seed busi-
ness, from breeding hybrids to
bagging the finished product,
will be explored in a plant and
field tour Thursday, September
7th at the Southwestern Divi-
sion facility of Pioneer Hi-Bred
International, Inc.

Tours of the Plainview com-
plex will begin every 15-20
minutes from 10 a.m. to 2 p.m.,
said Don Tschirgi, information
director for the Southwestern
Division. In addition, a noon
luncheon catered by Sutphen's
Barbecue of Amarillo will be
served.

The public is invited, Tschirgi
said, and there will be no
charge for the tour or meal.
Pioneer has extended a special
invitation to seed dealers and
farmers from throughout the
Texas and Oklahoma panhandles
and New Mexico.

"One of the basic things we
try to explain with these tours is
the complexity of the seed
business," Tschirgi said. "It
takes quite an effort over a
number of years to breed and
grow quality planting seeds.
Then special care must be taken
as the seed is handled in the
production process and bagged
for sale."

"We offer tours so that
people see our complex and
understand what is done here,"
Tschirgi said.

A 40-minute tour of the
Pioneer fields, guided by com-
pany agronomists, will include
all the corn, sorghum and
forage crop varieties marketed
by the Southwestern Division.
Breeding and stalk rot nurseries
will also be toured, along with
an alfalfa test plot and breeding
greenhouse. The tour will stop
at the sorghum breeding station
for an explanation by a sorghum
researcher and at the cotton
breeding station for a brief
discussion with a cotton breeder.

The new offices and enlarged
production facilities of the
Southwestern Division will be
surveyed in a 30-minute tour.

A \$4-million expansion pro-
gram for the Plainview complex
was completed in December,
1977. The three-year expansion
effort resulted in major addi-
tions to bulk seed storage, seed
preparation and warehouse fac-

ilities, as well as a new admin-
istrative office building. All of
these areas will be included in
the tour.

The Pioneer facility is located
four miles north of Plainview on
Pioneer Road, off the business
route of U. S. 87, one-half mile
east of the Producers Grain
Corporation elevator. Pioneer
personnel will direct visitors

eer Sorghum Company in Plain-
view, later designated as the
Southwestern Division.

OUTDOOR WOOD

By Sam Kilman,
the Outdoor Woodsman

You can add beauty and
value to your home, bring
new dimensions into your
family living and have a
great place for entertaining
guests for a very low cost
and a surprisingly little
amount of trouble.

It can all be done with a
deck. Extending from the
back or side of your house,
a deck can add useful out-
side living space at a
fraction of the cost of
adding a room. What's
more, whether you do the
deck yourself or call in a
contractor, you can have
one that will need no main-
tenance for decades.

That's done with pressure-
treated wood material, such
as Wolmanized® lumber or
Outdoor® wood. Special
preservative chemicals are
forced deep into these
woods under pressure to
produce protection against
termites and decay-causing
fungi.

This wood can be sawed,
drilled and nailed as easily
as any other wood. You can
"lumber-landscape" your land
with it by leaving it in its
natural state to age to a
graceful gray, or by staining
or painting it as you would
any other wood.
When buying wood for
use out-of-doors, look for
the Wolmanized or Outdoor
name on each piece. That
way you'll be sure your
project will last.

Couple To Celebrate 60th Anniversary

Mr. and Mrs. C. D. Ragsdale will be celebrating their 60th wedding anniversary with an open house at the Clyde Ragsdale residence, 2121 West Loop Road, Perryton from 3 to 5. Hosts for the occasion are the Clyde Ragsdales, Mr. and Mrs. Craig Ragsdale and Tony Ragsdale. Winnie Phelps and C. D. Ragsdale were married Sept. 14, 1918 in Ochiltree. They have been residents of Perryton for 31 years, moving there from Hardesty, Oklahoma. They are members of the Calvary Temple Church. He is a Kiwanis, and she is a member of the B & P W Club.

They have one son, Clyde of Perryton, and two grandchildren, Craig & Tony. The couple request no gifts please, the biggest gift would be your presence.

Change The World School Of Prayer

About seventy-five people have indicated that they will or have registered for the Change the World School of Prayer in Spearman, September 11-13 at the First Christian Church. Chester Estes of Union, Mississippi will be the coordinator. Believing that personal prayer not only can be learned, but is a force that actually changes history, World Literature Crusade of Los Angeles, California, is sponsoring a Change the World School of Prayer in Spearman.

According to Dr. Jack McAlister, founder and President of World Literature Crusade, the Change the World School of Prayer was developed for the purpose of showing Christians exactly how prayer has played a significant role in world evangelism and how they can become involved in actual prayer for the two hundred and ten countries in the world.

Featuring a discussion of forty-three different aspects of a practical prayer life, shared in seven unique lectures, the Change the World School of Prayer is being recognized as one of the most comprehensive seminars on the subject of prayer available in seminar form. It is interdenominational, and since its inception, over fifty denominations have been represented.

Everyone who registers and attends receives a 232-page manual in a special binder, which is used for taking notes during the lectures. The manual includes insights from over one hundred different authors. A special tuition fee of \$25 each is charged for the seminar. However, those who register in

advance at their church, can register for \$15 for the first member of a family, and \$10 for each additional member of a family.

The Change the World School of Prayer for Spearman will be held from 7:00 p.m. to 10:00 p.m., Monday, Tuesday, and Wednesday evenings, September 11-12-13. The location for the seminary is the First Christian Church, 29 S. Bernice.

Persons with questions or interested in registering should call the Rev. Edward D. Freeman, 2059 or 2033, or write Box 295 or call Bob Boxwell at 3802 or 3450.

UMW Meets

The United Methodist Women held their luncheon in the Fellowship Hall of the church on August 23, 1978.

Mrs. Dick Countiss presided over the business for the meeting. Mrs. Frank Oglesby opened the meeting with prayer. Mrs. Freeman Barkley gave the study "The Caribbean Crescent." She will give this lesson for the other two circles.

The hostesses for the meeting were Mrs. Gary Woolley and Mrs. Kenneth Williams. Others present with the hostesses were Rev. and Mrs. Frank Oglesby, Mrs. H. M. Shedeck, Mrs. Claude Smith, Mrs. J. B. Buchanan, Mrs. P. A. Lyon, Mrs. Russell Townsend, Mrs. Bruce Sheets, Mrs. W. H. Tarbox, Mrs. Bert Sheppard, Mrs. Dick Countiss, Mrs. Ed Garner, and Miss Kathy Garner.

Presbyterian Church News

The Rev. Carter McKemy is the genial, scholarly teacher of the Wylie Bible Class that meets every Sunday at 9:45 a.m. Come and learn what the Bible has to say to you.

"Where Two or Three Have Met Together in My Name" is the subject of Pastor Edward D. Freeman's sermon at the service for the public worship of God on Sunday, September 3 at 11:00 a.m.

Monday is Labor Day, a day set apart to honor those who serve humanity by laboring with their hands.

Those who are planning to attend the Change the World School of Prayer at the First Christian Church on September 11-13 should register this week at the church in order to get the lower advance registration fee.

Love for Christ and for all those who are brothers and sisters in Christ is characteristic of genuine Christians. This is believed and practiced at the First Presbyterian Church. Come and experience the warmth of this Christian love.

Baptist Women Meet

The Marsha Key group of the First Baptist Church met at the Church for an Annual Planning Meeting.

At the meeting, Mrs. Russell Pogue presided. Mrs. Woodville Jarvis presented the prayer calendar. She also read Acts 17:10-14. Miss Altha Groves

Hansford Lodge News

The meeting was held to make plans for the upcoming year for the different age groups. Some officers were elected. Mrs. Russell Pogue was elected Director for the next year.

Members present were MMES.: Russell Pogue, Arthur Adkinson, L. L. Anthony, Altha Groves, Glen Hiller, Fred Holt, F. J. Hoskins, Woodville Jarvis, Roscoe Nelson, Joe Novak, Don Jones, Butch Tigrett, Buford Baker, Wesley Jarvis, and Kathy Gafford.

The next meeting will be a General Meeting at the Church.

Bridge Club

The Tuesday Bridge Club met Tuesday, August 29, 1978. At the meeting, High Score was won by Betty Porter and Lo Score was won by Lorene Kunselman. The Traveling prize was won by Virginia Head.

Members present were MMES.: Ted Godfrey, Chalmers Porter, Joel Lackey, Don Kunselman, Don McLain, Bill Jackson, Garland Head, and a guest Doris Ellison.

The next meeting will be held at the home of Mrs. Ted Godfrey on Tuesday, September 12, 1978.

World Markets Seminar Set

AMARILLO-The Amarillo Chamber of Commerce World Trade Committee has announced the agenda for the World Markets Seminar to be held Thursday, Sept. 14, 8:30 a.m. - 4:30 p.m. at the Hilton Inn.

While this seminar focuses on exporting most of the sessions are geared to problems area importers also face," said H. D. Yarbrough, Ph.D., chairman of the World Trade Committee.

"Topics will cover international documentation and finance, special customs laws problems, import and export opportunities in the Arab World and a host of others," he continued.

Registration will begin 8:30 a.m. The fee is \$10 per person and will cover 7 sessions, 1 panel discussion, two coffee breaks and the luncheon featuring H. K. Allen vice chairman of the United States Export-Import Bank. Allen will discuss the role of Eximbank in developing new exports. In addition he will touch on the importance of balancing the U.S. trade deficit.

Introduction to world trade will lead the session at 9 a.m. Courtland Gray III, manager of international administration for Bell Helicopter Textron, Fort Worth, will lead the session. At 9:40 a.m. international contracts and terms will be discussed by David C. Briggs a Dallas attorney.

Carmon Stiles will lead a discussion on establishing foreign markets at 10:40 a.m. Stiles is district director of the U. S. Department of Commerce from Dallas. At 11:20 a.m. Mann R. Al-Ubaidi, president of M.R.A. International, Dallas, will discuss trade opportunities in the Arab world.

The afternoon sessions will be kicked off by Allen K. Holt, vice president of international banking for the Fort Worth National Bank. Holt will discuss international documentation in finance.

A panel on special problems in agricultural exports will begin at 2:20 p.m. Participants are Robert L. Booth, vice president of Producers Grain Corp., Amarillo; Carole Darrow, executive committee member of International Trade Resources, Amarillo, and George Feaster, Western Beef Inc. president.

At 3:30 p.m. C. B. Henderson, district director for the U. S. Customs classification & Value out of Houston, will discuss special problems in U. S. customs laws and regulations.

The last session will be on marketing tools and export regulations at 4 p.m. Donald R. McClenny, international trade specialist for the U. S. Department of Commerce out of Dallas will lead the discussion.

Book Review Club Meets

The Book Review Club met at the home of Mrs. R. E. Lee for their meeting on Tuesday, August 29.

Mrs. Tom Etter gave the review on the book by Susan Magoffan, "Diary of a Trip Down the Santa Fe Trail in 1846."

All members were present at the meeting. Those present were Mrs. Bruce Sheets, Mrs. E. J. Copeland, Mrs. John Berry, Mrs. O. C. Holt, Sada Hoskins, Mrs. Tom Etter, Mrs. R. E. Lee, Mrs. Joe Trayler and Mrs. Frank Hefner.

Russian scientists have recently obtained a U.S. patent for synthetic caviar.

Former Gruverite Commended

Police Officer Ernie (Brent) Womble, former Gruverite now with the Amarillo Police Department, was recently commended by Sgt. Dalton who stated that on July 27, the Toot 'N Totum Store at Western and Paramount was robbed. Womble was at Western and Bushland when the description of the vehicle was Broadcast so he proceeded to I-40 and went westbound searching for the vehicle.

The Dispatcher advised that the DPS was sending a backup unit. Womble followed the vehicle until it took the Bushland exit and decided it would be best to stop the vehicle on the highway rather than wait

until it got into Bushland, even though his backup had not arrived.

He made the stop alone and ordered two male suspects from the car. Also in the car were two women and a child. Under the seat, Womble found two pistols and the \$216.00 taken in the robbery.

Brent was commended for applying good police procedures in locating the vehicle and for facing personal risk in stopping the vehicle by himself.

Sgt. Dalton concludes his commendation of Womble by saying that far too often this type of robbery goes unsolved because the perpetrator is able to make a hasty get-away.

Immunization Clinic At Perryton

THERE WILL BE AN IMMUNIZATION PROGRAM CONDUCTED ON TUESDAY, SEPTEMBER 12, 1978, FROM 3 P.M. - 5 P.M. IN THE AUDITORIUM AT SOUTH ELEMENTARY SCHOOL, 1702 S. GRINNELL.

VACCINES OFFERED WILL PROVIDE PROTECTION AGAINST DYPHTHERIA, TETANUS (LOCK JAW), PERTUSSIS (WHOOPIING COUGH) POLIO, MEASLES, RUBELLA, AND MUMPS.

ALL PERSONS ATTENDING SHOULD BRING THEIR IMMUNIZATION RECORDS.

THERE WILL BE NO CHARGE.

Jamie's Jabber

by Jamie Morley

Dear Readers and Mr. Prather, I hate to admit it, but I have made a mistake. My correction to that mistake is the fact that Mr. Prather came to us from Tulsa instead of Friona! SORRY! But the fact remains that I am human and therefore entitled to a few mistakes.

As you know, I am in DE which is a cooperative work program. In this program we acquire jobs and learn from them. We are really grateful to store owners and managers who hire the majority of the DE students.

Not only do the DE students benefit from this program but so do store owners. The store owner hires a student who is willing to work and willing to learn!

While at school DE students work at their jobs in class. Their instructor, who by the way is Worley Smith, provides us with material pertaining to our jobs. We read the material and put it to work in our jobs.

May I add again, we really appreciate store owners who hire DE students! We need all the support you can give us!

The Junior High is to have their first pep rally September 14 at 3:00. Be sure to be there and help support our Junior Lynx teams!

The musical started rehearsals Tuesday evening at 7:00 and all seems to be going well. The characters in "Hello Dolly" are as follows: Miss Dolly Gallagher Levi - Debbie Greene, Senior; Ernestina - JoNell Comegys, Senior; Ambrose - Zane Newton, Senior; Horse - Mary Ann Martin and Kelly Harper, Mary Ann is a Freshman and Kelly is a Senior; Horace Vandergelder - Kelly Davis, Senior; Kelly's understudy will be Zane Newton who is also a Senior. Ermengarde will be played by Pam Largent, Senior; Cornelius Hackl - Stinson Gibner, Senior; Bafnaby Tucker - James Pierce, Junior; Irene Molloy - Angela Lesly, Sophomore. Angela's understudy will be Kelly Rylant, Junior; Minnie Fay - Sherrie Greene, Sophomore. Sherrie's understudy will be Eadie Clemmons, Sophomore; Mrs. Rose - Sabre McCoy, Junior; Rudolph - Todd Brock, Senior; Rudge - Jay Comegys, Junior; Court Clerk - Mike Dixon, Freshman.

Seniors are going to rule this year as you can see. There are nine Seniors, four Juniors, three Sophomores and two Freshmen. Senior Power!!! The power of the press, I'm a Senior so I'm on their side. Good Luck to all the people in the Musical.

Cheerleader's ask that I include this in for the boys morale: **BEAT THE ELKS!!!!!!**

Annual Books will be on sale til November 30, so buy you Annual now!!!

Til October 1 the year books will be \$9.50. From October 1 to November 30 the year books will be \$10.00 and on November 30 they will be \$10.50, so save time for the annual staff members and money for your parents and order your year books now!!!

This years year book will have a 4 color cover of the Student Body, Seniors through Freshmen. The covers are being worked on by Mike Ladd and Sherry Johnson who went to year book camp at Texas Tech in Lubbock during the summer. Good Luck Annual Staff members, including Mr. Mitchell.

DECA IN THE NEWS

DECA has it's first meeting Thursday, September 7.

DECA officers are: Leslie Platt - President; Lori Short - Vice President; Treasurer - Barbara Oltman; Secretary - JoAnn Reed; Reporter - JoLynn Burch, and last but not least, Sergeant of Arms - Timmy Sponeamore.

Mr. Smith is really looking forward to a super year in competition this year. Last year we had some finalists at the contest that is held in Lubbock! At this contest the contestants work on salesmanship, how they relate to people, how to answer the phone properly, how to sign checks, and how to make change. This sounds easy, but on the phone they have to talk

irate customers and all sorts of complaints! I wish all the DECA club members all the luck in the world!!!

There is not a whole lot of high school gossip to put into my column, but if you have some juicy tidbits that I could put into the paper I would like you to please notify me.

BAND NEWS

The Band had their first Tuesday night rehearsal last night at 7:30 til 10:00. We are really looking forward to a super year and are doing a whole lot of different marching techniques. The twirlers are planning on doing some things that are a little different than what has been done in the last few years!

The twirlers went to camp at Cisco this year for one solid week, and boy was it hot! I bet there were more lizards in that place than I had seen in my whole life!!!! As well as rooming with lizards and scorpions, we roomed with the drum majors. The twirlers decided that their favorite number was 299,999,999,999,999. Not only did we learn to say it, we learned to count that high, too, because that was how many lizards we counted!! The Drum majors were also at this particular camp so if you want verification on this fact, you can talk to them.

I think that Becky Lusby said that she marched so much that she thought maybe that she was starting to walk that way. Don't worry Becky, you still will walk the same way as you always did, maybe better, who knows?. We will only have one drum major, even though two went to camp, the other one is April Percy who will be assistant to Becky. We also have only two twirlers. They are Lori Short and Me, or if you prefer, Jamie Morley. We will try very hard to entertain, even if it is with amusing tactics such as missing the baton or better yet, forgetting to bring it to the game.

With us luck, we sure will try to deserve it.

The Speech and Drama members are really getting in gear this year. As of now, they are involved in building and painting sets for the musical. Several members of the class are also actors in the cast. Debbie Greene and Kelly Davis are both involved in the Speech and Drama Class.

As most of you do or don't know, we do have a traveling speech team of which I was a participant for two years. Last year we did a lot of fun things. We participated in various tournaments and made several good showings. We also went to District which was in Canyon on the WT Campus. We had quite a few break finals and several placed! The Traveling Team does not know their schedule as of yet, but I will get it here as soon as they have it.

The Sigma Sigma Delta is planning a meeting soon to elect officers, so be on the watch, and I'll give you the date.

Good Luck to the Traveling Speech Team! Win some honors for ole Spearman High.

The High School Lunch Room is going to give students the choice of either taking everything on their tray or just taking what they want. The price stays the same whatever the choice may be! Thanks, ladies, we really appreciate the consideration thought you had when you made this suggestion.

The Spanish Club is planning a Mexican Food Supper for members in the Home Demonstration Building on September 7th at 6:30.

Today, the club elected officers at their first organizational meeting, they are: Florencio Martinez - President; Stinson Gibner - Vice-President; Bethann Flowers - Sec.-Treas.; Song leaders - Kelly Rylant and Lucio Vela, and last of all are the Game Leaders - Hunter Novak and Jamie Bulls. Congratulations!!!

The Spanish Club voted to have dues set at \$2 per person for the year.

FHA Council is to meet next Wednesday morning at 7:30 in the Home Ec Department to set up elections for the senior chapter and Little Sister chapter officers.

QUICK QUIZ

Judging by their current popularity, denim blue jeans rank as the single most important item of clothing in the United States. If you don't have a pair in your closet, you're outmoded by faded-blue fashionables.

Rate yourself a "jeanious" if your answers jive with denim-clad Americans polled by Louis Harris & Associates for Cotton Incorporated.

1. Jeans are most frequently worn (a) at work (b) at informal social gatherings (c) around the house?

2. Fifty-four percent of the people who wear jeans wear them (a) once a week (b) five or more times a week (c) at least two days a week?

3. In the future, most people say they expect to wear jeans (a) more (b) less (c) about the same?

4. The fabric most people prefer for jeans

ANSWERS: 1. (c) Ninety-four percent of the jeans wearers polled wear them around the house. 2. (b) 3. (c) 4. (a) 5. (b) is the answer, but (a) and (c) were also frequently cited.

ANSWERS: 1. (c) Ninety-four percent of the jeans wearers polled wear them around the house. 2. (b) 3. (c) 4. (a) 5. (b) is the answer, but (a) and (c) were also frequently cited.

College List Is Planned

Every year about this time we like to have the names of young people leaving our community for various colleges to further their education.

Please call the office, 659-3434, or our society reporter, Linda Cummings, at 3944, and give the names and colleges your young people are attending.

A complete list will be printed at a later date.

We are interested in all college students, not just freshmen leaving home for the first time.

Stratford Tennis Tournament

You are invited to attend the Stratford Invitational Tennis Tournament on September 22, 23, 24. Events will be Womens Doubles, Mens Doubles, and Mixed Doubles.

Merchandise or gift certificates will be given for four places in each event (1st and 2nd in Winner's Bracket and 1st and 2nd in Consolation).

All players in each event will be placed in one division with the loser of the first match to go to Consolation. Entries will be limited to 50 teams, and the deadline is September 21st.

Entry blanks and rules will be available at this office. If you have any questions, call John Wilson or Les Dodson at Stratford 396-5521.

The trunk of an elephant can hold six quarts of water.

HAPPY 50th BIRTHDAY

Worley John Smith

from your old buddies

Garrett's Celebrate 60th Anniversary

Pictorially speaking--a Happy Sixtieth Anniversary to Jim Kate and Kelly Garrett.

Many relatives and life-long friends joined in making Sunday, 27 August a most memorable day in the lives of Mr. and Mrs. L.K. Garrett (Jim Kate and Kelly) as they observed their Sixtieth Anniversary, having been wed 31 August 1918.

Greeting guests as they arrived during the 2:00 P.M. to 5:00 P.M. calling hours and presiding at the guest register table which was marked with a silver footed vase with silk flowers were Mrs. Perry Dixon of Morse and Mrs. Gordon Garrett of Denver, Colorado, nieces of the couple.

The elegant formally-appointed serving table was laid with a Spanish lace medallion cloth centered by massive bouquet of silk flowers arranged in a footed lead crystal vase. Accenting the table decor were the silver coffee service, and an antique crystal punch service and highlighting the whole was the three-tiered wedding cake encrusted with dainty yellow roses, topped by wedding bells in a froth of white net, the cake designed and made by Mrs. Oliver Wallin.

Mrs. Garrett was attired in a long, heavenly-blue knit gown accented by a tropicanna rosebud corsage whilst her groom of sixty years was handsomely attired in a silver-grey suit accented by a tropicanna rosebud boutonniere. Evidences of the love and esteem of their many friends and dear ones were the several floral tributes and greetings.

Delicately tinted petit-fours with tropicanna rose buds, mints, punch, and coffee were served during the calling hours. Presiding at the serving table were Mrs. Perry Dixon, Spearman; Mrs. Gordon Garrett, Denver; and Mesdames Don Hart and Price Miller, both of Gruver.

Included in the houseparty for the delightful occasion were Mesdames J.C. Harris, Oliver Wallin, W.L. Harris, Alma Gruver, Billy Womack, Price Miller, Keith Lamb, Carlie

Knight, Howard Nash, Ted McClellan, Archie Nelson, W.L. Maupin, Jim Lamb, A.R. Bort, Glendon Eting, and Ila Cline, all from Gruver; Mrs. Carl Archer and Mrs. Perry Dixon, Spearman; and Mrs. J.W. Garrett, Denver Colorado.

Among those here from out of town for the occasion were Mrs. David Long, Mr. and Mrs. Bob Anderson, Guymon; Mr. and Mrs. Harold Orman, Berger; Mr. and Mrs. Rex Langley, Sunray; Mr. James Whitehorn, Wichita Falls; Mrs. Effie Hackley, Marina Gauder, Mrs. Gertie Archer, Carlee Dixon, Mr. and Mrs. Perry Dixon, Spearman; Mr. and Mrs. Lyle Harmon, Nancy Harmon, Lyla Beth Harmon, Texhoma.

From Vernon came Mr. and Mrs. Cletus Mitchell; from Perryton, Mr. and Mrs. Clint Ragsdale; from Shreveport, Louisiana, Mr. and Mrs. Ray Watt; from Denver, Colorado, Mr. and Mrs. Gordon Garrett, Barbara Garrett; from Estes, Park, Mr. and Mrs. J.W. Garrett.

Enjoying the occasion and coming from Albuquerque were Mrs. Gene Kelly, Mrs. Herby Coontz, Mr. and Mrs. Clarence Bunt; from Ruidosa, Mr. and Mrs. Sherman Bunt; from Statford, Mrs. Madge Lowe and Mrs. Dumas, Mr. and Mrs. Hobert Wiseman.

LYNX LOOK GOOD-Spel.

Sunray-The Spearman Lynx and the Sunray Bobcats played to a 6-6 tie in their varsity match, but the JV scored a pass on an interception by Sam Boone, to win the scrimmage for the Lynx. Both teams looked good, Billy Snider still holds the record for the longest run, a 70 yard TD against Dumas in the pre-game scrimmages.

BIRTHS

Mr. and Mrs. Marvin Blankenship of Spearman are the proud parents of a baby boy born August 21, 1978 at 4:39 p.m. in Hansford Hospital. He weighed 7 lbs. 13 1/2 oz. and was 21 in. long at birth. He has been named Michael Shane.

Maternal grandparents are Mr. and Mrs. Kenneth Evans of Spearman. Paternal grandmother is Grace Blankenship of Sallisaw, Okla.

Note the mid-August arrival, via Shattuck, Oklahoma, of 6 lb. 8 1/2 oz. Kyle Lee Janzen who arrived at 12:20 P.M., August 16th to join 14-month old KRisti Lynne at the home of Mr. and Mrs. Scott (Donna Marie Finley) Janzen of Woodward, Oklahoma.

Count among the VIGs (Very Important Grandparents) Mr. and Mrs. Jimmy Finley, of Gruver; Mr. and Mrs. Robert Janzen of Spearman; and Mr. and Mrs. Jack Hogue of Stannangor, Norway.

Add to the important VIGG's (Very Important Great Grandparents) Mr. and Mrs. Sam Janzen, Waka; Mr. and Mrs. L. L. Finley of Gruver and Marion Nielsen of Arlington, Massachusetts.

Growing babies need clothes that can grow with them such as this one-piece stretch terry creeper available from Mothercare, retailing specialists for mothers-to-be, babies, and children under 5. It offers children's clothing based on height, not size.

It's often a good idea to give mothers-to-be and babies Mothercare gift certificates, available from Mothercare-by-Mail, P.O. Box 228, Parsippany, New Jersey 07054.

Library Meeting

Hansford County residents will have an opportunity to speak out on the kind of library service they need in the years ahead at a Town Hall Meeting and Open Library Board Meeting to be held at the Hansford County Library on Tuesday, September 12, at 3:30 p.m.

Recommendations from the meeting will be sent to the Texas Conference on Library and Information Services slated for November 16-17, 1978, in Austin. The 200 delegates to this session will consider recommendations from the local meetings throughout the state. Resolutions that are passed at the state conference will go on to the White House Conference on Library and Information Services in October, 1979.

The Town Hall Meetings will give all Texans an opportunity to discuss their library and information needs. The state and national conferences will address questions of legislation and funding for library and information services.

All citizens are encouraged to attend this meeting and offer suggestions on how the libraries of Hansford County can better serve the needs of people in the area.

Texas Library Meetings Set

In preparation for a State Conference on Libraries and Information Services this fall, Governor Dolph Briscoe has called for Town Hall meetings in every Texas community Tuesday evening, Sept. 12.

Grassroots opinions are needed on how libraries can best provide the information services citizens want and need. Comments at local meetings will be listed and forwarded to the Austin meeting.

Delegates to the State Conference from the Texas Panhandle are: President Max Sherman, WTSU, Canyon; Reverend Jacinto Alderete, Amarillo; Alice Green, Amarillo; Linnie Sims, Wellington; Brick Autry, Dimmitt; Don Williams, Dalhart.

The State Conference planning group has invited Wales Madden Jr., Amarillo, to represent the Texas Panhandle as a special guest of honor.

Communities not holding Town Hall Meetings are invited to Amarillo, 7-9 p.m. Tuesday, September 12. Bill C. Mobley, general chairman, has announced the meeting for the Oak Room, College Union Building, Amarillo College.

All types of libraries will be represented. Five-minute talks, preceding general discussion, will be by State Representative Bob Simpson on "The Problem of Dividing the Tax Dollar;" Amarillo College Librarian George Huffman on "Today's Library as an Information Center;" Edward G. Weber, Southwestern Public Service, on "Citizens and Libraries;" and Len Slesick, KVII-TV, on "My Family and the Library."

Fall Season At Discovery Center

"Sunward", the Kick-Off program for the fall season at the Don Harrington Discovery Center Planetarium in Amarillo reveals images of the sun never before seen by man. The images were taken from NASA'S Skylab and show energy from eruptions, the corona and solar x-rays. Our star is seen as the cause of the beautiful aurora borealis.

We then take a journey deep within the sun's interior in an attempt to discover just what makes the sun "burn". Is it hydrogen fusion, or is there a black hole at the center of the sun as some astronomers theorize? And what of "coffee-breaks" in solar energy output and the irregular sunspot cycle? "Sunward" was scheduled to run in conjunction with a HELIOSTAT to be placed in operation by the Don Harrington Discovery Center in late September. The Heliostat, a sixty-thousand dollar solar telescope, will permit visitors to watch sun spots, observe solar rotation and other solar disturbances "live" as they happen without danger to the eyes. Heliostat installation has been delayed until early October.

"Sunward," the new planetarium program, runs Friday and Saturday evenings at 8 P.M. and Sunday afternoons at 3 P.M. Admission prices are \$1.50 for adults and \$1.00 for students under 18.

The Don Harrington Discovery Center Planetarium is located across from High Plains Baptist Hospital in the Amarillo Medical Center.

Timely Talk From Timmons

Paul Timmons, Associate Editor, Amarillo Daily News, published an editorial August 8, 1978 which is both timely and thought-provoking, to wit: "So you think you have heard everything, eh? Well, hang on because you haven't heard anything yet."

During the 1975-76 school year, spankings were administered to 42 boys and only two girls in the public schools of Bellevue, Washington. The federal government has now ordered the schools to spank an equal number of girls.

"The Department of Health, Education and Welfare has ordered the school systems to submit a plan guaranteeing equal treatment on the basis of disciplinary matters, particularly corporal punishment," said Dennis Carmichael, superintendent. HEW says, "there must be equal application of these sanctions to students of each sex."

You are invited to a baby shower honoring Mrs. Larry Bowen and Lori Dawn Thursday, Sept. 7, 1978 7:30 to 9 p.m. Church of Christ Fellowship Room Hostesses: Darlene Faries, Dorothy Roden, Peggy Carroll, Michele Beedy, Darlene Pierce, Nordeen Cochran, Sonja Godfrey, Mary Schumann 42S-2tc

All teachers are therefore instructed to take whatever action is necessary to promote misconduct among female students. If the necessary sexual equality cannot be achieved by this method, female students will be selected by lottery, exercising due caution to avoid racial discrimination.

Blankenships

Mr. and Mrs. Sonny (Jennie Jones) Blankenship and their children, Debra and Billy, have once again taken up abode in Gruver town where they will be living at 708 Richardson.

They recently purchased the Morse Oil Company in Morse and are in the process of moving from Tulsa where they have been for the past many years. It will seem a bit like coming home for they are going to be living in the Al Blankenship home for the present--the home where Sonny was raised.

Jennie, who is the daughter of Mrs. Tom (Polly) Jones and the late Tom Jones, has been serving as secretary of the Tulsa Chamber of Commerce for the past two years and will be sore missed by them.

Debra and Billy are both attending West Texas State University this Fall.

Welcome home again to the Sonny Blankenships--drop by and tell them you're glad they are back amongst us!

Vinnie Ream Hoxie was the first woman to sculpt a statue for the Capitol building in Washington. Paid \$10,000 after Lincoln's assassination, she said the only complaint she ever got was that Lincoln looked better in her statue than in real life.

School Authorized To Test New Meal Patterns

Schools were authorized today to voluntarily test new meal patterns for the school lunch program.

Assistant Secretary of Agriculture, Carol Foreman, said, "The purpose of the interim meal patterns is to more accurately meet the nutritional requirements of children and to bring the lunch requirements into conformance with the 1974 revisions of the Recommended Dietary Allowances published by the National Academy of Science."

"The interim meal patterns reflect changes recommended in 2,000 public comments to our proposed regulations published Sept. 6, 1977, as well as testimony received in public hearings the Department held in eight major cities," she said. The interim meal patterns announced today contain several major changes from the proposed meal patterns: They are:

-- The milk portion size has been increased from four to six ounces for one and two-year-old children (who may participate in the lunch program in residential child care institutions). The milk portions for children ages

five, six, seven and eight has been increased from six to eight ounces so that there is one 8 oz. serving size for all children in elementary and senior high schools.

Five year olds will be served lunch in one sitting, while children ages 1 through 4 will be served at two sittings, as proposed.

Meat alternates such as dry beans, peas, eggs or peanut butter may be served alone, or in combination, to fulfill the meat/meat alternate requirement of lunches. The proposed meal patterns required that these alternates be served either in combination with one another or with meat, poultry, fish or cheese.

Schools wanting to participate in interim meal testing must first obtain approval from the state administering agency. States are responsible for overseeing the test and providing guidance to schools. The test will end Feb. 2, 1979. At that time, schools may choose to continue to use the interim lunch patterns or revert to the present meal pattern, until final regulations are developed, she said.

In addition to the field test, the Department plans a comprehensive evaluation which includes three demonstration projects to assess how the revised meal patterns affect student participation and acceptance of the program, as well as food costs and school administrative activities. This evaluation began last spring and covers the following subjects: involving students, faculty and parents in the school lunch program; controlling sugar, fat and salt in school lunches; and evaluating the use of second helpings to meet the high energy needs of certain children.

Comments are invited and should be sent by Feb. 15, 1979, to Margaret O'K Glavin, Director, School Programs Division, Food and Nutrition Service, U. S. Department of Agriculture, Washington, D. C. 20250. Those who comment should indicate if they are directly involved in the field testing.

MINIATURE BARNs are appearing in the yards of many industrious people who find they need yard storage area.

LOUIS ROCHFESTER, Rotary District Governor, was a guest speaker at the Spearman Rotary Club recently. Pictured with Louis, on the left is Ed Garner, president of the Spearman Rotary Club, and John R. Collard, Jr., Louis urged the local club to back the water program for the Texas Panhandle area.

Lone Star Ballet Company To Perform

Balloons and banana splits, champagne and cheese will greet the "Godparents" of the Lone Star Ballet as they arrive at the home of Dr. and Mrs. R. M. Nugent Jr. for the party after the Gala performance in the Pioneer Amphitheatre of "Stars in Palo Duro Canyon."

The "christening" of the developing Ballet company at the performance on September 8 (Friday), celebrates the first long season the dancers have presented. It also celebrates the fact that the artistic director can now devote all of his time to dance.

The "Godparent" plan to raise funds to back the Ballet venture is the work of the members of the newly formed Lone Star Ballet Guild, organized at a meeting at the home of Mrs. Rick Klein on Wednesday, August 23. Officers for the developmental period are: Chairman, Mrs. Max Banks; Co-chairman, Mrs. Rick Klein; Secretary, Mrs. Ples Harper; Treasurer, Mrs. Arch Hunsley. Mrs. R. M. Nugent is chairman of the committee for the Gala Celebration after the "Stars" performance on September 8. The Gala will be at her home.

Backers who donate \$50 apiece for the evening become "Godparents." Because dance is so interesting for children, they are invited to become backers as well, for \$10 each. Part of the program in the theatre, "Alice in Canyonland," and part of the celebration: balloons and banana splits, may interest them particularly.

To become a "Godparent," write Lone Star Ballet, Box 268, Canyon, Texas 79015 or call 806-655-2182. Checks should be made out to Lone Star Ballet Inc.

The author of "TEXAS" approves his new show for the Palo Duro Canyon. Paul Green gives his permission!

The light and sound part of the evening, "STARS in Palo Duro Canyon" which is playing from September 1 - 10 in the Canyon except Wednesday, will be Paul Green's new story of the Canyon, "Palo Duro." This tribute to the Canyon from the time of its beginning uses the senses of sound and sight to bring back the winds and

pounding surf of the first days, the enormous pre-historic animals, the cavemen chipping flint, the Spaniards bringing horses, the plains Indians and the buffalo, the battle of Palo Duro, the cattle and the growing, the gears and the going of today.

Based on technics developed in the famous Sound and light presentations at the pyramids in Egypt and the Acropolis in Athens, this production began with Paul Green's script. After hearing parts of it read at an annual meeting, the Board of the Texas Panhandle Heritage Foundation voted to proceed with the development in 1976. Neil Hess was appointed artistic director.

Hundreds of hours later, this spring, Mr. Hess had completed a working tape of the show. Working with Robert Bruse, secretary and technical advisor for the Lone Star Ballet, surrounded by records and tapes and music and sound effects which covered the floor of a large room, he cut and timed, and tried and eliminated until the working tape was ready.

The next step was the recording of the words in the script on tapes to be used in the Canyon, choosing the actors who would best tell the story. Pat Jarrett, director of sound and light for the Pioneer Amphitheatre who is responsible for many of the stunning effects in "TEXAS", joined them at this stage.

Once the narration of the script was ready, the responsibility passed to Jarrett. Working with his wife, Sara Beth, who is on the sound crew for "TEXAS", making more faithful recordings of the music and sounds suggested on the work tape, transferring them to cartidges so that the voice of a wolf could come from high on one hill while the galloping feet of a horse would seem to be moving in another part of the Canyon, and the voice of an Indian would speak near the audience.

Early this week, the transferal was ready for inspection and the crew and Board of the Texas Panhandle Heritage Foundation were ready to play it for the author, Paul Green, waiting to hear whether he considered it ready for presentation, or whether he would prefer that parts of

it be done over. Accompanied by his research assistant, Rhoda Wynn, Mr. Green attended the last two performances of "TEXAS" last week, and on Sunday, he heard the tape.

With very few comments and suggestions about it, he swung immediately into discussions about ways to fortify the sound story with its companion in light. He has remained this week to work with Hess and Jarrett on this phase of the show.

Paul Green's long awaited Sound and light show was not advertised with "Stars in Palo Duro" because until the tape was finished no one could be sure it would be ready to be pre-viewed. Alternate short sound and light fantasies had been prepared. It was the hope of the staff that the Green show would be ready, however, and it is with great pleasure that its presentation is announced. While in Amarillo, Paul Green has been completing the revisions on his play "Native Son," based on the famous novel by Richard Wright. It is to be ready on September the twenty-ninth to celebrate the dedication of the Paul Green Theatre on the campus of the University of North Carolina at Chapel Hill, North Carolina where he has lived and taught so long.

For tickets to the evening of "Stars in Palo Duro Canyon," including a pre-view of the long-awaited Paul Green show, write "STARS, Box 268, Canyon, Texas 79015 or call 806-655-2182.

CONSUMER

There's good news for people concerned about making meat meals for their families, and making ends meet at the same time.

Many concerned elected officials are working on ways to make that a little easier.

These legislators are opposing the Food and Drug Administration's (FDA) recently announced intention of severely restricting the use of certain antibiotics in animal feeds.

According to government estimates, the proposed ban would cost agricultural producers more than \$700 million per year in increased production costs at a time when net farm income is projected at the lowest level since the depression.

Cost to consumers, according to the U.S. Department of Agriculture, could run in excess of \$2 billion in higher meat prices. Because the antibiotics help animals stay healthier, and so grow faster and bigger, eliminating them would mean more feed would be required to bring animals to market weight, fewer animals would be available for marketing, the meat supply would be reduced and prices would rise.

To find out where your legislators stand on this issue, you can write them at the House of Representatives, Washington, D.C. 20515, and at the Senate, Washington, D.C. 20510.

HELPING CHOP MEAT PRICES are legislators who oppose banning antibiotics for animals.

TG&Y'S ADVERTISED MERCHANDISE POLICY—TG&Y's policy is to always have advertised merchandise in adequate supply in our stores. In the event the advertised merchandise is not available due to unforeseen reasons, TG&Y will provide a Rain Check, upon request, in order that the merchandise may be purchased at the sale price when it becomes available, or you may purchase similar quality merchandise at a similar price reduction. We will be happy to refund your money if you are not satisfied with your purchase. It is the policy of TG&Y to see that you are happy with your purchases.

OPEN 9 A.M. to 9 P.M. **MON. THRU SAT.** Your best buy is at TG&Y!
