## 6 to go see President

Wouldn't it be great to attend the inauguration of President-elect Reagan? How about attending the Inauguration Ball. Well, 6 students-4 girls and 2 boys, and 1 teacher will attend the inauguration of President-elect Reagan and the Inauguration Ball. Those attending will be Stacey Cook, Jennifer McLain, Cammye Gee, Jana McCoy, Mike Blanton, Cary Collinsworth-the students, and Mrs. Morris-teacher. They will go to Washington, D.C. to attend the inauguration of President-elect Reagan and will also attend the Inauguration Ball. They have been invited to several Dignitary parties, and will be touring several aspects in Washington, D.C. and surrounding area.

Some of the interesting places they will be touring are:

the Lincoln & Jefferson Memorials, Arlington National Cemetery, witness the changes of the guards at the Tomb of the Unknown Soldiers, Mt. Vernon, the Smithsonian Museum, the Capitol Building, the Supreme Court, Library of Congress, FBI Building, all Smithsonian Buildings, attend the Inauguration Parade, Museum of Natural History and they will be meeting with different Representatives of Texas.

Stacey, Jennifer, Cammye, Jana, Mike, Carey and Mrs. Morris will leave for Washington, D.C. on Saturday, January 17, and after they've gotten a better education of the inauguration of a President of America the Inauguration Ball, and the rest of their tour, they will be back in Spearman on Wednesday, January 21.

## CITY NEWS

# All school reunion July 4th

The newly organized Spearman ex-students association met last Tuesday night. Officers for the organization are President Jim McClain, Vice President Adalyn Barnes, Secretary Helen Fisher and Treasurer Noreen Sutton.

The group stated that plans are now underway for an all school re-union on July 3rd and 4th, 1981. This gathering is for

anyone who ever attended school in Spearman or was connected with the School system in any way.

The Association also plans to compile a directory and needs information about all ex-students and teachers, all employees, and all School Board members.

Would you please complete the enclosed form, adding any

comments you might care to make and return it to Box 943, Spearman, Texas, 79081. Please also add if you are interested in the all-school reunion and if you plan to attend. As soon as final plans are made you will be notified.

If you would like to join the Ex-Student Association, the membership fee is \$10.00. If you know others in your area whom you think would like to know about the reunion, please tell them or send their name and address to the Association. Hoping to hear from you soon.

A brief history of activities since leaving Spearman schools!

## Machinery, tools taken near Gruver

Thieves hit two places northwest of Gruver sometime Thursday night for a combined loss that could go as high as \$3,500. In one instance, machinery setting outside was taken while a lock was knocked off a barn door in the other.

Dayton Barkley, who lives six miles west and four and one-half miles north of Gruver estimated his loss between \$900 and \$1,000.

Taken from his place were an 11-horsepower Briggs and Stratton engine, a Mayrath chain hoist and a four foot hydraulic cylinder and hoses. It is believed there might be some other bits and pieces of equipment when a more thorough inventory is made.

Arnold Stork, who lives six miles north and two miles west of Gruver, reported a considerable loss. Taken were a Victor portable welding torch with gauges, a 225 ampere Forney welder, a 235 ampere Forney

welder, a five-inch vise, six number 71 Flex planters, a large cylinder for a Krause offset rig, a half-inch drill and a quarter-inch drill, a set of drill bits, an eight-horsepower Briggs and Stratton motor for a wire roller, a set of taps and dies in a yellow box, a one-half horsepower grinder and buffer, a box of WD-40, an air compressor, an AM radio and a John Deere cylinder with hoses and couplings.

The Hansford County Sheriff's Department has both cases under investigation. Sheriff R.L. McFarlin requests any persons approached to buy any such welding or farm machinery report to the Sheriff's Department so it can be checked out. Persons buying stolen property in all innocence stand to suffer loss when it is traced to the true owner so, according to the sheriff, it is better to check before buying an apparent bargain.

## Annual C of C Banquet

The Bank Notes of Booker, Texas will provide the entertainment for the Annual Banquet of the Spearman Chamber of Commerce.

The Bank Notes originated with 24 members in the Spring of 1969 and made their first appearance in Booker, Texas, July 4, 1969. Since that time, they have made 273 appearances in (six states) Texas, New Mexico, Colorado, Kansas, Oklahoma and Iowa. Their repertoire includes more than 200 selections, consisting of popular, patriotic, western and religious music.

The Bank Notes consist of officers, directors, development board members and employees (and members of their families) of First Bank & Trust Co., Booker, Texas.

Principle soloist for the group is Sharon Garrison Ellzey, a former Miss Amarillo and runner-up to Miss Texas, and recognized as one of the region's most talented and professional vocalists.

Other soloists are Ralph Maxfield, Toni Good, Candy McComb, John Ellzey and Helen Vines.

Highlights of the evening will be the naming of the Citizen of the Year. Tickets are now on sale at the chamber of Com-

## Hospital news

Patients in Hansford Hospital are: Lee Roy Watson, Edith Roper, Phillip Stumpf, Wardel Volden, Grace Lyon, Aloha Bentley, James Kenney, Jeff Melton, Doris Pinkerton.

Dismissed from Hansford Hospital were Minerva Vela, Janice Noble, Harold Frost, Jerry Wilson, Sharon Cook, Neli Sluder, Jerry Scheets, Mark Hardick, Rodney Farber, and Roy Wilmeth.

There was a sharp exchange of words between Spearman Mayor Ralph Blodgett and a man in the audience at the regular city council meeting Tuesday night.

Members of the council had agreed to set a public hearing for Feb. 2 pursuant to annexing municipal airport property into the city. The next order of business on the agenda was the consideration of private leases for the new Spearman municipal airport.

At this point on the agenda, discussion strayed from the matter of the leases to a gamut of items ranging from why the old airport was being closed to why the old airport runway could not be used as a taxi-way to forestal moving existing buildings. The bulk of this discussion, audience-wise, was conducted by two men who operate a business from the local airport, a Bill Miller (not related to the publisher of the Papers) and a Jack Terhune.

To most of the audience-local people with more than a passing interest in the airport-it was much like flogging a dead horse but Mayor Blodgett, acting as spokesman for the entire council, patiently explained the whole sequence of events to the pair who said they had not been aware of the meetings that had been conducted nor the issues at hand.

Miller told the council his firm would need three years to make the transition. Mayor Blodgett said all would fortunate if the city could pushing closing date of the old airport to October. As the discussion went from that point, it was readily apparent that Miller and Terhune were still holding the city accountable for closing the old airport.

It was patiently explained to them it was a matter of FAA and TAC regulations and edicts and that the two agencies had been very lenient with the city under existing conditions at the old airport. This line of discussion led Terhune to say something regarding the action of the agencies (his exact words are on the taped order of the meeting)

in relation to Spearman which, in his exact words, "...is just a two-bit town."

By his own admission according to the mayor, such a statement "raised his hackles." When asked, Terhune said he only lived in Spearman part-time.

In the course of all this discussion, Terhune's line of conversation reverted to the fact that a collective "they" didn't like it. This matter of "they" was an old saw by now in the airport situation and Mayor Blodgett demanded to be told who "they" were by name or he would assume a nebulous "they" really meant Terhune.

Terhune then began naming names, most of whom were present and all present named by him vociferously denied they were against the new airport. Even Councilman Gene Cudd was named as one of the opposition.

After much time on this tack, Mayor Blodgett as chairman of the council meeting called the discussion back to the matter of the private leases which was the only business that could be considered by law at that point. Miller and Terhune departed.

Cudd explained at this point that his only conversation with them about the airport had transpired some two years previously and he had said at that time he approved leaving the taxi-way open and would oppose its closing as much as possible from his position.

Leasing is set at seven and one-half cents per square foot for a 12-year period. At that time the leasing charges would go to the current (at that time) commercial rate per square foot. Some of the prospective lessees felt this was a high figure so the council agreed to review it.

(EDITOR'S NOTE: It had not been our intent to publish the exchange regarding one man's valuation of the City of Spearman but, before any report of the meeting could get into print, work of the remark had spread throughout the city and we had numerous inquiries both by phone and in person concerning the exact nature of it-so it is included in this report. The only comment we could elicit from these inquiries in return came from one "old timer" who said Spearman folk were proud and he felt, along with many others, that the firm whose spokesman made the remark would lose enough business to realize Spearman represented more than two-bits.)

Once council meeting procedures had returned to a more mundane pace, the panel approved the annual renewal of the city's participation in the Texas Municipal League's workmen's compensation joint insurance fund. City Manager Jim Murray pointed out that such participation saved the city some 15 percent annually over the coverage previously carried.

The council also approved advertising for bids for the purchase of two police cars and approved the monthly reports from the various city agencies, fire, ambulance, police, animal control and municipal court reports. Monthly bills were also approved.

### Fall Activities Reviewed

Spearman Study Club has had a busy four months for their fall activities. First meeting of the year was held at Bulls Inn with Recka Gibson giving the program on interior design. Flags were given to students at the Veterans Day program. A search was started for a woman who has re-entered college to qualify for the clubs scholarship. Barbara Collier and Hester Crawford were hostesses for this meeting. New members welcomed were Pat Sutterfield, Tommie Duncan and Kay Crocker.

October was a busy month although the club did not have a regular meeting. Pie and coffee were enjoyed after a football game by members and their families. A brief business meeting was held to discuss plans for the home tour. Purple and white helium balloons were sold at the homecoming football game; Orange and black with spooky designs were sold at the school halloween carnival. Spirit hands supporting the Spearman Lynx were sold by members at several football games. Study Club members were responsible for furnishings food dishes for the Senior Citizens dinner, this month.

"Service through Beauty" was the title for the November program. Frosty Hickerson gave members information on

what a jeweler and jewels are and had many beautiful pieces to show. Hostesses for this meeting were Dana Schnell and Marilyn Wilson. The home tour was a great success and much thanks should be given to the families of Joe T. Venneman, L.C. Owens, Glenn Blodgett, B.J. Shoemaker and Terry Schneider for showing their lovely homes. On November 19th all the Federated clubs in Spearman met together for a covered dish supper. Faye Palmer, an officer in the Top of Texas district gave the program on federation which was listed as "Service Through Unity". Donations were made this month to federated scholarships, girls scouts and to the state hospital at Vernon, Texas.

"Service Through Past Heritage" was the December program. Sybil Miller graciously gave the program and let the members tour her home and see all the antiques and hand made furniture she has collected through the years. She had many interesting comments about each piece. After the program members adjourned to the home of Barbara Collier for a Christmas party. Linda Close was co-hostess for the party. The only business for this meeting was to vote on a recipient for the club scholarship.

EB, Lions Clubs In-Convention, Helen Keller ternational, 300 22nd St., urged the Lions to become Oak Brook, IL 60570.

LADY CONNELLY, AND LADY CUNNINGHAM EXPLAIN TO LADY MILLER!

# Celebrates 80th Birthday

MRS. R. R. FULLBRIGHT

Mrs. R.R. Fullbright (Myrtle Files Fullbright), a pioneer of Hansford County, celebrated her 80th birthday last week.

On Sunday afternoon, January 4, many friends and relatives visited Mrs. Fullbright at a special "Open House" at her residence, 322 South Hazelwood in Spearman. Mrs. Fullbright's children who hosted the reception were Mrs. John Pipkin (Edith) of Spearman, Orville Fullbright of Amarillo, Mrs. Carl Scroggs (Edna) of Waka, Wilbur Fullbright of Boston, Massachusetts, Mrs. J.W. Depew (Ethel) of Fayetteville, Arkansas, and Mrs. Leslie Banks (Reba) of Hardesty, Oklahoma.

Mrs. Ralph Depew, a granddaughter of Perryton, baked and decorated a beautiful cake for the occasion. The unusual cake featured a top layer in the shape of a Bible with the scripture: "Her children shall arise up, and called her blessed." Proverbs 31:28.

Mrs. Fullbright's four daughters served the cake, along with candy mints and nuts, with a sparkling strawberry-cranberry punch.

Mrs. Fullbright wore a lovely aqua dress which was a gift from her daughter, Edith, with a corsage of deep red roses given by her grand-daughter, Mrs. Thomas Mayes of South Yarmouth, Massachusetts. All of Mrs. Fullbright's children wore a corsage/boutinniere which had been sent by Mrs. Mayes who was unable to attend.

On Tuesday evening, Mrs. Fullbright and her six children continued the birthday celebration at a special dinner hosted by Mr. and Mrs. Carl Scroggs of Waka. Among the gifts which Mrs. Fullbright received was new carpeting for three rooms of her home in Spearman—a gift from her children.

Mrs. Fullbright moved to Hansford County on April 4, 1920 with her husband, Ralph, where they settled on a farm southeast of town where they lived for two years. For a few years the family lived 17 miles north of Spearman, then back close to Spearman. In 1955 the farm house was moved to town to its present location on South Hazelwood.

Members of the family have many pleasant memories. During the difficult years of the depression, the family faced many challenges, but there was much happiness, and everyone worked hard. The Fullbrights did their own butchering, milked cows, raised chickens, and maintained a big garden to provide fresh vegetables for the summer months and food to be canned for the winter. One year Mrs. Fullbright canned over 1,000 quarts.

There were many projects in which the whole family became involved. One winter Mrs. Fullbright taught all of her children how to crochet rugs, and another year she let each of the children make a cake at Christmas. During the summer, it became a tradition to make ice cream on Saturday evenings which was served with Mrs. Fullbright's special hot cream cake.

Mrs. Fullbright has always been active in religious work and has been a member of the Union Church since it was built in 1921. In 1946 Mrs. Fullbright attended Bible School in Baxter Springs, Kansas, after which time she became a pastor and an evangelist, holding special meetings in Oklahoma, Texas, Colorado, and Missouri. After her husband's death in 1958, she served as pastor of the Range, Oklahoma Community Church for sometime. At present she teaches a Sunday School Class at the Union Church in Spearman.

If your cakes tend to fall a lot it could be because the eggs you use are too big. Medium to large eggs are best. Extra large may be too much for your baked goods.

## IRS NEWS

Employees who have not received their Wage and Tax Statements (Form W-2) from their employers must still file their tax returns by April 15, the Internal Revenue Service advises.

To avoid delays in receiving the W-2, employees should furnish their employers with a current address, the IRS says. If employees do not receive the statement by February 2, they should first contact their employer. After February 15, 1981, the employee should ask for help by calling the IRS toll-free number listed in the telephone directory.

The IRS reminds taxpayers that they must have a W-2 form from every employer they worked for during the year. Even if an employee is unable to get a W-2 before the filing deadline of April 15, a timely return must be filed. Report all income and attach a statement explaining the tax computations for the missing wage and tax information, the IRS says.

## JEEPS CARS TRUCKS

#### EXERCISE AND WATER MYTH

MYTH: You should avoid drinking cold water during exercise because it will give you cramps.

To the contrary, water should be consumed before, during and after exercise to protect the body against heat exhaustion. Adequate water intake can also improve performance. NASA scientists found lower pulse rates and higher performance in men given one quart of water prior to exercising in high temperatures.

The water should be cold, according to physiologists. No matter what you drink, unless it gets out of the stomach, it's not

going to do you much good. The colder the solution, within reason, the more rapidly it will be emptied from the stomach.

At Ohio State University, the football squad consumes 80 to 100 gallons of ice water during a practice or game. That averages out to at least a gallon apiece, but it's still not enough to totally replace all the body fluids lost.

This information has been brought to you as a public service by John R. Collard, Jr., your one stop answer to complete business and personal insurance protection. Life, home, auto, group insurance, and profit-sharing plans. See John R. Collard, Jr., 405 Davis St., Telephone 659-2501.

## 7th Lynxettes Win; Advance in Tourney

The 7th grade Lynxettes hadn't won a game all year—either in 1980 or 1981. I felt that it was the time for the 7th Lynxettes to win a game, and I didn't expect it to be this soon. The 7th Lynxettes played against the 7th grade Canadian Wildcats on Thursday, January 15, in the Old Gym at 5:45. The

7th Lynxettes hadn't played against this team before. All of the 7th grade girls worked their hearts out. The game was as close as any "play-off" game would be. The 7th grade Lynxettes had finished cheering for the 7th grade Lynx but saw that the 7th Lynx came out on the short-end of the stick. The 7th grade Lynxettes were as fired-up as the Varsity Lady Lynx were when they played

against the Perryton Rangerettes. The outcome of that game was the Lynxettes won the game, so maybe, just maybe, the 7th Lynxettes would also come out on top in this game since they were real fired-up. The buzzer rang to end the

game and everyone looked up to the scoreboard and saw that the Spearman 7th grade Lynxettes had won the game—32-27. Everyone was jumping up for JOY! IT WAS SO NEAT FOR THE 7th GRADE LYNXETTES. THEY PROVED THAT THEY CAN WIN THE BIG ONE ALSO!! The 7th Lynxettes will be playing today, Friday—January 16—in the Semi-finals' game against the winner of the Stratford/Sunray game—at press time I didn't find out who had won. The game will be played at 5:45 p.m. in the Old Gym. If the 7th Lynxettes win again, then it will be for the

Championship game which will be played at 4:15 p.m. Saturday, January 17, in the New Gym. If the 7th Lynxettes lose today then they will try for the 3rd Place Trophy. That game will be played at 11:15 a.m. on Saturday, January 17, in the New Gym. Go on out to support the 7th and 8th grade Lynx and Lynxettes to go all the way and win a Trophy from their tournament!!

## 7th & 8th Ready for Perryton

The next game for the 7th grade Lynxettes, after the tournament, will be against the Perryton 7th grade girls. The game will be played at Perryton this January 19, Monday, and the game will start at 4:30 p.m.

The next game for the 8th grade Lynxettes will also be against the Perryton 8th grade girls. The game will take place in Perryton and starting time should be around 6:00 p.m. or

after the 7th grade girls game. The next 7th grade Lynx action will be against the Perryton 7th grade boys. The game will be at the Spearman Old Gym this coming Monday, January 19. The game will begin at 5:00 p.m. The 8th grade Lynx will be playing right after the 7th grade Lynx finish with the Perryton 7th graders. The game will be against Perryton and it will be played at Spearman—that is how it is in the Schedule!

## Tickets On Sale

Gerald Heinrich is ticket sales chairman for the Fruitcake Review Too to be presented at Spearman High School auditorium on Thursday and Friday, February 12 and 13. This will be a fun-packed evening of good, wholesome family entertainment by an assorted variety of local nuts, under the direction of a professional director from Gargill in New York.

Tickets for the Fruitcake Review Too will go on sale on Monday, January 26, at the "Meet the Director" party at what is commonly called the old Beedy Furniture store building in the Plains Shopping Center. All seats will be \$5 when a ticket is purchased in advance. People who wait to purchase their tickets at the door will have to pay \$6.50. People may purchase tickets at Excell Chevrolet-Oldsmobile-GMC until the nights of the show.

Gerald Heinrich would like a large sales crew selling tickets and would welcome volunteer salespersons. People who would be willing to sell tickets may pick them up at the "Meet the Director" party on the evening of January 26 or at Excell. All packets of unsold tickets will have to be returned to Excell by February 10.

Co-sponsors for Fruitcake Review Too are the Chamber of Commerce and the YMCA. Profits will be split between these two civic organizations to carry on projects not otherwise funded. Joy McCormack, Mary Lou Wyssong, and Jim Benson are co-chairpersons who are encouraging all committees to get their jobs done.

Fruitcake Review Too will be

a lively, sparkling, fast-paced fun evening for the whole family. It will be good, clean family-type entertainment featuring around one hundred and fifty talented local people.

### Waka PTA

The January meeting of the Waka P.T.A. was held at the school Monday night at 7:30 p.m.

The meeting was called to order by President Jim Collinsworth. Secretary Kenneth Word read the minutes of the last meeting. Joe Randolph, Treasurer, gave the treasury report. Kenneth Word lead the prayer Parent-Teacher Prayer. The Pledge of the U.S. flag was lead by Elizabeth Clark. The Texas Flag was said, too.

Group singing was led by Mrs. Thompson's girl singers with Mrs. Thompson at the piano. Entertainment was by Mrs. Stinson's Third and Fourth Graders. It was the fairy tale Rinderella.

The lesson this month was "Participate in Cultural Arts" by the leader Marsha Murphy. D'ann Daniel introduced Alta Wood, Perryton, who has been to Mexico, Africa, and China. She showed slides from China.

The Waka Tournament will be this Thursday, Friday and Saturday—January 15, 16, and 17. There are eight teams in the tournament. The work schedule was passed out.

The P.T.A. will be serving meals at the tournament. Come enjoy the games and good home cooked food.

cont. on page 4 col. 5

# 8th Lynx Beat Wildcats --Advance to Semi-Finals

The 8th grade Lynx had just seen their 8th grade Lynxettes lose their 2-0 record for the year 1981. The 8th Lynx wanted to keep on winning and this game was important to them. Last year when the 8th Lynx played the Canadian Wildcats—all the time, as a matter of fact—the Wildcats would beat the 8th grade Lynx which were 7th graders last year. The 8th grade Lynx wanted to change that. This was the first time the 8th

Lynx would meet the 8th Wildcats, so the 8th Lynx, I'm sure, remembered last year very well, and maybe that was what gave them the "boost" to beat this fine team from Canadian. When the game started, it was all 8th Lynx, the Canadian Wildcats never had a chance. Some of the Wildcats were so frustrated that they even wanted to see which team was better at "boxing" without the gloves, of course. The 8th Lynx

just payed no attention to them and won by a very comfortable margin—34-8. Coach Duncan put in all his boys and they all did a great job against the Canadian Wildcats. When the game was about to start everybody that was at the game saw the Canadian Wildcats about 6 feet tall or so—well, they were all taller than Steve Burke—the tallest 8th grade Lynx. Folks that were there couldn't believe that the Wildcats couldn't stop

the 8th Lynx and that they couldn't get started! The Lynx were ready for anything that the Wildcats could pull out of their shorts!! Ross Donahue would steal the ball and drive all the way down and at first, he started to stop before he shot the lay-up and a Wildcat would run right straight thru Ross. When a time-out was called, Coach Duncan told Ross to try for the lay-ups, 'cause he knew he could make it and if they

guy still ran over Ross, that he could also make the freeshot that he got when the fella fouled him! The Canadian Wildcats will play today against the Stratford Elks at 12:45 p.m. in the New Gym. Whichever team wins, will advance to the Consolation game which will be played on Saturday, January 17, in the Old Gym.

The 8th Lynx will play against the Sunray Bobcats tonight at 8:15 in the Old Gym. If the 8th

Lynx win then they will advance to the Finals and play at 6:45 p.m. on Saturday, January 17, in the New Gym and try to get the 1st Place Trophy, if the Lynx lose in the Championship game then they will get the 2nd Place Trophy. If the 8th Lynx lose to Sunray tonight—January 16—then they will play at 1:45 p.m. Saturday, January 17, in the New Gym for the 3rd Place Trophy. **GOOD LUCK LYNX—BEAT THE SUNRAY BOBCATS AND ADVANCE TO THE CHAMPIONSHIP GAME!!**

## 8th Lynxettes Lose; Must Win Friday

Would the 8th grade Lady Lynx be undefeated for the year 1981? At the first of the game, it sure looked like the 8th grade Lynxettes were gonna keep their streak alive, but all of a sudden fouls and freeshots played an important part in the game between the 8th grade Canadian Wildcats. The game was played Thursday, January 15, in the New Gym at 4:30 p.m. The 8th Lynxettes' parents and friends who went to watch them play thought that the 8th Lynxettes would win this game; the 8th Lynxettes were ahead in the first half, but then the 2nd half started and everything went against the 8th Lynxettes. It seemed that as the 8th Lynxettes fouled, the Wildcats made the freeshots. When that old buzzer rang to end the game the 8th Lynxettes saw their "unmarked" record for 1981 get a mark. The final score was 20-16 in favor of the Canadian

Wildcats. Now, the 8th grade Lynxettes know they must beat the Sunray Bobcats today, Friday, January 16, at 11:30 in the morning, so that the 8th Lynxettes can advance to the Consolation game on Saturday. The Canadian Wildcats will play against the Stratford Elks at 7:00 p.m. today—Friday, January 16—at 7:00 p.m. in the Old Gym. If the Wildcats win, then they will go into the Final game for the 1st or 2nd Place trophy. The game will be played at 5:30 p.m. on Saturday, January 17, in the New Gym. If the Wildcats lose to the Elks, then the Wildcats will play at 12:30 p.m. on Saturday, January 17, in the New Gym for the 3rd Place Trophy.

The 8th Lynxettes will play against the Sunray 8th grade Bobcats today, January 16, at 11:30 a.m. in the New Gym. The game is very important to the 8th grade Lynxettes, because they want to keep a Trophy here

in Spearman, even if it is the Consolation Trophy. If the 8th grade Lynxettes do defeat the Bobcats today, then they will play at 12:30 p.m. on Saturday, January 17, in the Old Gym for the Consolation Trophy. Go on down to the Jr. High Gyms and cheer on the 7th and 8th grade Lynx and Lynxettes, they need some help so that they can keep 4 trophies here in Spearman—2 Consolations and 2 1sts or 2 2nds or 2 3rds'

cont. from col. 2

The meeting adjourned. The Social Committee for this month are: Mr. & Mrs. Raul Salinas, Mr. & Mrs. Danny Gurby, Mr. & Mrs. Benny Ponce and Mr. & Mrs. Lesly Stinson.

Next month the Social Committee for February 9th will be: Mr. & Mrs. Micheal Powers and Mr. & Mrs. John Daniel.

## 7th Lynx Outplayed by Wildcats

The first game on the Spearman teams played was at 4:30 p.m. The game was between the 7th grade Spearman Lynx and the 7th grade Canadian Wildcats. The game was never on the side of the 7th grade Lynx and when the buzzer rang to end the game, everyone saw that the 7th grade Lynx lost to the Wildcats by the score of 44-11. This meant that the Canadian 7th grade Wildcats advanced to the Semi-Finals against the winner of the Stratford/Sunray game. The Semi-final game of the 7th grade boys will be played at 4:30 p.m. on Friday, January 16, in the Old Gym, and the winner will go to the Finals and the loser will advance to the 3rd Place brackets.

Now, the 7th grade Lynx, on the other hand, will play against the loser of the Stratford/Sunray game—at press time I didn't know which team won or lost in that game. The 7th grade Lynx must eliminate their opponent, so that they, the 7th Lynx, can

### Display of the Month

Tom and Kathleen Sutton's Indian Artifacts are the Display of the Month at the Hansford County Library.

The arrowheads, necklaces, beads, tomahawks, knives, axes and scrapers on display were found by the Suttons on excursions in Colorado, New Mexico, Oklahoma, California and Texas.

Their interest in artifacts was stimulated five years ago by Kathleen's twin uncles from Colorado Springs who enjoy hunting arrowheads.

The Suttons usually take picnics on Sunday afternoons with the Pat Cates and Billy Millers, and the three couples walk, search and dig for artifacts.

### Golden Spread Center News

Golden Spread Center is the walk-in counseling center for all persons fifty-five years of age or older. It is located at 14 S. Haney and is open Monday through Friday from 9:00 a.m. to 5:00 p.m. Pearl Pierce is the genial, concerned full-time director who is knowledgeable in

all programs for the aging.

There will be afternoons of table games on Monday and Friday, January 19 and 23, from 2:00 to 5:00 p.m.

Butch McGinnas, a hearing aid representative, will be at the Golden Spread Center, on Tuesday, January 20, from 9:00 a.m. to noon.

There will be a covered-dish dinner on Tuesday, January 20, at 6:30 p.m. A nurse from the Texas Health department will

be there before the dinner to take blood pressures and sugars. First Christian Women will serve as hostesses. Golden Spread Club hostesses are Mathilde Entekin and Addie Novak. There will be a pleasant evening of table games.

Helen Etter will be driving the Golden Spread Center's van-bus on Wednesday, January 21, from 9:00 a.m. to noon, picking up the sixty-plus bunch and taking them shopping, on errands, and to meet appointments. This service is furnished free for all persons who are sixty or older without discrimination as to sex, race, religion, politics, or handicap. People needing this transportation should call the Golden Spread Center (659-3521) on Tuesday and get your name on the list.

Beth Phelps will be teaching rosemaking on Thursday, January 22, from 10:00 a.m. to 5:00 p.m. There will be a break at noon for a covered dish luncheon.

Edna Hays is the reassurance worker under the Farmer's Union Green Thumb program who calls about thirty shut-ins every day and checks on their needs.

Margie Davis is the youth custodial assistant under the CETA program.

The annual congregational meeting to receive reports from the officers and committees and organizations of the church will be on Sunday, January 18, immediately following the morning church worship service.

A family covered dish dinner will follow the annual congregational meeting.

Palo Duro Union Presbytery will meet at LaMesa on Friday and Saturday, January 23-24.

There is a warm, Christian welcome awaiting everyone who attends any of the services and activities of the First Presbyterian Church.

### Rho Rho Sorority

President Marilyn Cline called the 425th meeting of Rho Rho together on January 8, 1981, with members present repeating the opening ritual. Gina Davis was hostess for the meeting which met at Bull's Inn.

Committee Reports: Program: Sheri McWhirter reported that the next meeting will be January 22nd at Linda Sander's with Janie Henton in charge of the program.

Social: Karen Schnell told about the Valentine Ball which will be held on February 7th at the Perryton Club.

A meeting will be held Thursday, January 8th, in Perryton to work on the Convention. It will be at 7:30 p.m. at K-Bob's.

The program was given by Debbie Clement on "Drama-Theater". It was enjoyed by all. Afterwards, a discussion was held on the Fruitcake Revue which will be coming up soon.

The meeting was adjourned with all members repeating the closing ritual.

### Presbyterian Church News

The Week of Prayer for Christian Unity is January 18-25.

There is a Sunday Church School class for everyone every Sunday at 9:45 a.m.

"Help Me, Help Me" is the subject of Pastor Edward D. Freeman's sermon at the service for the public worship of God on Sunday, January 18, at 11:00 a.m.

You are invited to a bridal shower honoring Mrs. Cheryl (Melton) Whitefield bride of Mr. Ted Whitefield

## Citizen of the Year Award

1980

CITIZEN OF THE YEAR AWARD

NAME \_\_\_\_\_

ADDRESS \_\_\_\_\_

REASONS \_\_\_\_\_

**Citizen of the Year Award Guidelines:** [Please follow these guidelines when nominating your choice for the citizen of the year award].

**THE GUIDELINES ARE:**

1. Individuals nominated for Citizen of the Year should be cited for activities outside those duties connected with his or her employment.
2. Unselfish with time and capabilities for the betterment of the community.
3. Friend of those in need.
4. Concern for his fellowperson, community and country.
5. Citizen of the community.
6. Above all must be of outstanding character, dependability and reliability.
7. Last Reasons.

We encourage you to submit your entry by January 19, 1981. The decision of the judges will be final. The award will be presented at the Annual Membership Banquet, Saturday, January 24, 1981.

**NOMINATIONS MUST BE SUBMITTED BY LETTER OR FORM ONLY - NO PETITION OR PHONE CALLS WILL BE ACCEPTED. USE THE FORM FROM THE NEWSPAPER OR STOP BY THE CHAMBER OFFICE. YOUR COOPERATION WILL BE MOST APPRECIATED.**

Please return your entry to the Spearman Chamber of Commerce, P.O. Box 161, Spearman, Texas by January 19, 1981. A box will be available for your entry, if you would like to stop by the Chamber office, 303 Main. Recipients of previous "CITIZEN OF THE YEAR" awards are:

- 1956 Mrs. R.B. Archer, Sr.
- 1957 E.J. Copeland
- 1958 Oscar Donnell
- 1961 Frank Massad
- 1963 John R. Collard, Jr.
- 1965 Sam Watson, Jr.
- 1967 J.B. Cooke
- 1969 Mrs. E.A. Greever & Jesse Davis
- 1970 Mrs. Frank Davis & Bruce Sheets
- 1971 Harry Stumpf
- 1972 Dean Weese
- 1973 Charlene Bulls
- 1974 L.L. Anthony
- 1975 J.L. Brock
- 1976 Dee Jackson
- 1977 Frances Loftin
- 1978 C. Ralph Blodgett
- 1979 Jim A. McLain

## Keep On Running

FORT WORTH, TX--Runners should not be scared off by cold weather, says John R. Peckham, D.O., of the Texas College of Osteopathic Medicine rehabilitation/sports medicine faculty. He says proper clothing and common sense can prevent any problems.

Dr. Peckham offers the following tips for running in cold weather:

- \* Wear layers of clothing rather than one bulky garment. Put wool next to the skin because it will absorb moisture. Discard layers as necessary as body heat builds during a run.
- \* Protect your head with a wool hat that covers the ears and prevents frostbite. Up to 30

percent of the body's heat can be lost through the head.

\* Fingers should be protected from frostbite with wool mittens.

\* Pre- and post-run stretching are especially important in cold weather, when muscles tend to be stiff.

\* Keep moving. Even a brief stop will let your muscles tighten up and body temperature fall. When you do stop, get out of wet clothing and into something warm and dry immediately.

\* Seek medical attention at the first sign of frostbite--persistent numbness or tingling of the skin, waxy-looking skin or rigidity of joints.

## Students On Honor Roll

Fifty-two Panhandle State University students have been named to the President's Honor Roll, and one hundred forty-four students were named to the Dean's Honor Roll.

The President's Honor Roll includes students enrolled in 12 hours or more with a grade point average of 4.0, which is a straight "A" average. The Dean's Honor Roll includes students that are enrolled in 12 hours or more and have a 3.3 grade point average, which is higher than a "B" average.

Members of the Dean's Honor Roll include:  
**TEXAS:** Canadian, Sally Fuller; Gruver, Janice Braucher; Sharon Knudson; Laurel Woolley; Jon Olsen; Munday, Annelie Welch; Perryton, Betty

Born; Micka Stiles; San Angelo, Andy Scarborough; Spearman, Holly Simpson; Tracie Keetch; Stratford, Pamela Brannan.

Members of the Dean's Honor Roll include:

**TEXAS:** Booker, Laneta Harper; Borger, Sherree Webster; Boys Ranch, David Steele; Canadian, Mindy McLanahan; Dalhart, Ginny Brown; Darrouzett, Cynthia Wise; El Paso, Javier Reyes; Ralph Samaniego; Gruver, Eva Holt; Melinda Davidson; Lewisville, Kenneth Hughes; McLean, Thomas Eck; Pampa, Vasilios Passias; Panhandle, Joy Howe; Snyder, Bobby Degrate; Spearman, Donna Benton; Alan Shields; and Halee Reed; Sunray, James Mireles.

## Sarpalius Wins Praise

AUSTIN--Freshman Senator Bill Sarpalius has won the praise of Lieutenant Governor Bill Hobby and some choice committee assignments on his first day of the job. "It is unusual for a senator serving his first term to receive such choice committee jobs," Hobby said. Sarpalius will serve on the Committee on Economic Development, Natural Resources, and Human Resources. In addition, the Panhandle senator will be the chairman of the important Agriculture Subcommittee. "I'm very excited about the session. Agriculture is important to the people in my district, and the people of my district come first with me," Sarpalius

said. Hobby shared Sarpalius' enthusiasm. "I have given Sarpalius a lot of hard work with these committees, but Bill Sarpalius is a senator the people of the Panhandle can be proud of. I know he'll do a good job for them," Hobby said.

Sarpalius also was pleased with the appointments. He said he felt many Panhandle residents thought Austin had forgotten about them, but that he would try to change that. "The key to power in the Senate, or the House of Representatives for that matter, is the committees. Every bill goes through a committee before it becomes law. If the Panhandle is to be

heard from down here, we who represent the Panhandle will have to control the right committees," Sarpalius said.

Agriculture, both men agreed, was one of those committees vital to the Panhandle.

Senator Sarpalius also will sit on the Human Resources and Economic Development Committees. "Economic development--I don't think there could be any question about the importance of that committee to the people of the Panhandle or the whole state, for that matter. The economy is on everyone's mind right now."

"We can't work miracles in Austin, and I won't promise any, but the economy and its

development is a big issue with me, and with the people of my district," he said.

The senator's third seat is on the Committee on Human Resources. The committee handles bills relating to child care, nursing homes, hospitals and related matters. The senator, who grew up at Cal Farley's Boys Ranch, said human resources and child care were of particular interest to him.

Sarpalius said he was putting the finishing touches on his legislative program, but had no details today.

"I will say this much--I feel like I was sent down here to represent the people of my district and whatever bills I

President George Washington selected the site of present-day Washington, D.C.

mable CFC is added to make the ethylene oxide safe to use.

In addition, CFC solvents are used to clean many medical devices such as cardiac pacemakers and kidney dialysis machines when they are manufactured.

CFCs are also widely used as the principal refrigerant in air conditioning and refrigeration systems, and they preserve donated blood for transfusions, points out the Alliance for Responsible CFC Policy, a national coalition of CFC users and producers.

CFCs are even used to make disposable food trays and dinnerware as an added means of health protection.

## Tucker Named Director

Carolyn Tucker has been named Director of Public Information and News for TSTI-Amarillo. A native of Pampa, Texas, Tucker received her B.S. in Education from Texas Tech University.

Tucker is a former assistant to the Director of Informational Services at Odessa College and has worked in the fields of public relations and advertising for the past seven years. She is the daughter of Mr. and Mrs. J. Robert Brown of Pampa.

# Growth of county banks

## is \$20.9-million

## Schnell Installed Potentate

R.O. "Bob" Schnell was installed 1981 Potentate for the 38-county Shrine Temple at Wednesday night's election of officers in Amarillo, area headquarters for the Temple.

Schnell will head the 4,000-member Panhandle-area group this year. He has been active in Shrine and Masonic work for many years.

Khiva Shrine is one of 13 Shrine Temples in Texas, and statewide membership is 64,568. There are almost 1 million Shriners in North America.

Schnell is senior vice president of the First National Bank of Borger. He is active in church, community, civic and Masonic activities.

He was born in Okeene,

Okl., and moved to Borger in 1962.

Schnell and his wife, Mary, reside at 1400 Marigold.

Other Shrine officers elected for 1981 included Irvin Skibell of Lubbock, chief rabban; Vance Reed of Amarillo, assistant rabban; and David E. Pitt of Amarillo, high priest and prophet. Bill Fairley of Amarillo was elected recorder.

Also elected Wednesday night were an Oriental Guide and three directors for the Khiva Shrine Temple.

The three new directors join Mel Lisman of Lubbock on the Khiva board.

Approximately 500 members of the Shrine attended the annual election and installation of officers.

BOB SCHNELL

## Darnell To Lead Bible Study

David Darnell, Minister of the First Christian Church in Perryton, will be leading a Bible Study on the book of Ephesians, January 29-31, at the First Christian Church in Spearman. David has preached and lectured in various national, regional, and area gatherings of the Christian Churches. (Disciples of Christ) He has just returned from a study trip to Jerusalem, and is planning to lead a tour of Israel later this year. David makes the Scriptures "come alive" as he teaches directly from Hebrew and Greek.

Lauren Buck, director of music at the First Christian Church in Perryton, will have a program of singing and fellowship for the youth. Lauren, a very talented young lady, is the daughter of missionaries and has grown up in the island of Micronesia. She has a great love and enthusiasm for the work of the church and its place in our day to day lives. The youth are in for a real treat.

The First Christian Church welcomes you to come and join us on January 29, 30, and 31st for this time of study and fellowship. Each evening there will be a supper beginning at 6:30 p.m. There will be a time

DAVID DARNELL

for discussion, questions, and answers following each session. We hope you will make plans to attend.

## New Ride

ARLINGTON, TEXAS--A soaring new ride, Conquistador, "the flying ship of Spain," will be the centerpiece of Six Flags Over Texas' expanded Spanish section to be unveiled in early March.

The half-million-dollar ride, built in Monthey, Switzerland, features a fifty-passenger replica of an ancient sailing ship which swings like a pendulum from a massive steel framework.

Riders experience the sensations of both weightlessness and freefall as the 16,000 pound craft drops from the peak of its 150 degree arc.

General Manager Ray Williams said, "Conquistador and its surrounding plaza will give fresh identity to the park's Spanish section. Guests will enter from the Mexican area and will find themselves in a spacious courtyard filled with colorful Spanish flags, reflecting pools and waterfalls.

"The focal point will be Conquistador, which is more than 50 feet long." He added, "A 150 horsepower, computer-controlled electric motor will set Conquistador in motion and, after six swings, passengers nearest the bow and stern of the ship will be flying more than 50 feet in the air."

Williams said the ride's capacity of 1,200 passengers an hour will assure minimum waiting time.

He commented, "Like our latest roller coaster, Judge Roy Scream, Conquistador is a ride which can be enjoyed by a very wide range of ages and its hourly capacity puts it right in line with our continuing program to cut down on lines and provide maximum entertainment."

Six Flags will begin its 1981 season March 7. Williams said Conquistador is already in place and work will soon be completed on its control systems and the elaborate courtyard setting.

"Back in 1961," Williams said, "we pledged to keep Six Flags perpetually new, with significant additions to the park each year, and Conquistador keeps that pledge very much alive."

Hospitals are made a little more hospitable by a versatile chemical.

The chemicals are chlorofluorocarbons, or CFCs, and they help make hospitals safer, cleaner and more comfortable.

When hospitals need to get a piece of equipment really sterile, they use a gas called ethylene oxide. Unfortunately, that gas is highly flammable. Nonflam-

LAUREN BUCK

## "Flu"

Both banks in Hansford County are growing with that growth measured in millions of dollars.

--And that means that county is growing!

Residents have been keeping a weather eye on the national economy since the first wave of anxiety came but business houses in general report more transactions--born out by the regular reports from the state comptroller's office. Then, there are the business visitors to this area from time to time from other parts of the nation and they laud economic and living conditions here.

In simplest terms, it is a matter of earning and buying power, so, when business is at the retail counter and when banks are growing healthy, it means the earning power is increasing--or is being well-managed--when the purchase of goods and services still leave residents with money to place in the bank.

Banks are required by statute to publish their conditions and a comparison of the annual statements for 1980 and those published in 1979 show a very significant growth.

The First State Bank of Spearman reports--at the end of 1980--total assets of \$40,088,00. For the same period covered by the 1979 report, total assets were \$31,044,000.

This is a basic growth of \$9,044,000!

Total deposits at Spearman's First State Bank in the 1980 report, are \$34,062,000--up from \$27,571,000 in the 1979 report. This is a deposit increase of almost \$6.5-million in one year.

Of these deposits, \$14,360,000 are on demand while \$19,702,000 are time and savings deposits.

A similar report, published as required, from the Gruver State Bank indicates total assets of \$21,487,000--up \$3,091,000 from the 1979 published report.

Total deposits with the Gruver State Bank are reported at \$18,874,000--up \$2,349,000 from the 1979 report. Of the total monies on deposit, \$8,690,000 are on demand deposit while \$10,184,000 are in time and savings deposits.

In money parlance, "the bottom line" says total growth of the two Hansford County banking institutions is \$20.9-million.

Remember the big Jr. Hi tourney is on at Spearman today, Saturday!

If you're suffering from a fever, coughing, sore throat, runny nose, and generally just ache all over, guess what you have? January marks the beginning of the peak influenza season, so brace yourself to ward off or weather the attack says the Texas Medical Association (TMA).

Anyone can come down with the flu, especially if it is widespread in a community. It is more likely to be serious for those with chronic diseases, the aged or women who are pregnant.

The flu usually takes one to three days to develop. When it does come out into the open, you may notice chills, fever, headache, backache, muscular pains and a loss of appetite. Your temperature may go up quickly during and first day of symptoms, and will gradually drop over a few days. Fever usually lasts for about three days, but it may go on for as long as seven.

As your fever drops, you may notice more stiffness in your nose and the cough may continue. There might also be a pus in the discharges from your nose and throat. From that point on, however, you'll begin healing quickly.

While most patients recover completely within a week, many continue to feel unusually tired for some time. The standard remedies of getting plenty of rest, drinking fluids and taking aspirin still hold true says the TMA. Hot chicken soup coupled with tender loving care couldn't hurt either.

In most cases, the flu leaves no permanent after effects, but occasionally, people do develop other illnesses. The most common complication is pneumonia. Other sicknesses that piggyback the flu are persistent cough or bronchitis, sinus trouble and ear infections.

## WEATHER BULLETIN

Lite snow fell in the Spearman-Gruver area on Friday and Saturday nights. The roads are very slick and the snow apparently ended by midnight Friday! You are urged to drive with extreme caution!
