Crazy Day Is Very Successful

Burglars Hit Two Gruver Firms Monday

The burglars could not find any money in an open safe, so they took the safe door.

Sheriff J.B. Cooke said burglars entered both North Plains Chemical and Gruver Elevators in Gruver Monday night.

The damage done by the break-ins was more than the money taken. They pried open a Coke machine in each place and took a small amount of change. At North Plains Chemical they took the door off a safe that was unlocked.

There was no money in the safe, so the burglars took the pins out of the hinges and took the door with them.

Cooke said they ransacked the offices looking for money.

The glass in the doors of each office were kicked out by the burglars making their entries.

The Sheriff said there were burglars also that night in Sunray and at the elevator in Pringle.

Customers Brave Rain For Merchants' Specials

The largest crowds seen in Spearman in many years was the way longtime businessmen and residents described Crazy Day, Saturday.

There was mixed emotions as to the effect the rain had on the crowd of shoppers. Some said the rain cut down on the size of the crowds and others said it increased the numbers.

One merchant said a farmer told him if it had not rained he would have been busy in the field, but it was too wet to work, so he came to town to see the sights.

Another merchant said he did more business Saturday than he would normally do in four or five days, but it did not start until after the rains stopped about noon.

There were plenty of sights to see and just about every kind of costume imaginable. There were Batman and all of his cohorts, Doc Adams from Gunsmoke, the Devil, angels, football players, dance hall girls, mountaineers, Santa Claus and his helpers, hulu dancers, and many other wild and imaginative costumes.

The prizes for the best decorated stores went to the Western Auto for its Bat Cave to go with the Batman costumes, and Ann's Beauty Salon which was turned into an

old time saloon with dancing girls.

These two firms received plaques from the Chamber of Commerce.

Jesse Davis dressed as Doc Adams won first in the costume contest; Inell Warren as the mountain gal won second, and Frank Massad as the Devil won third place. First place won a \$15 gift certificate from Beedy's Furniture, second won a \$10 certificate from Spearman Rexall and third place won \$5 from Gordon's Drug.

The day's activities opened at the Cattleman's Cafe when all the costumed store owners and employees had breakfast and the costumes were judged.

By 8 a.m. the rain had begun and continued all morning in varying degrees, but shoppers braved the rains to get to many of the stores before all the best bargains were gone.

The rain practically washed out the two-planned band concerts. The Lynx band did perform at the shopping center in the mall, but just as they started their downtown concert the rain sent everyone hurrying for shelter.

There were no other extra activities planned this year, so the rain did not interfere.

Sheriff Attends Conference

Sheriff J.B. Cooke attended the Attorney General's Conference in Austin last week.

The sheriff said the main theme of the conference was law enforcement under the new Texas Criminal Code and recent decisions by the Federal Supreme Court.

Among the outstanding speakers at the conference was the Attorney General of Louisiana and Texas Supreme Court Judge Jack Onion of Austin.

Lynx Take On Canyon Eagles

"Class AAA Canyon is a far cry from class B Booker," Lynx Coach George Wright said this week.

Wright's Lynx meet the tough Canyon Eagles Friday night at 8 p.m. in West Texas State's Buffalo Bowl on the north edge of Canyon.

Wright said the Lynx do not

have anymore Booker's on their schedule.

Phillips beat Canyon 18-6, but did it on a long punt return, a fumble and one long run. Canyon kicked favored AAA Level and all over the field last week in winning 22-6, and shocked lots of people, Wright commented.

He said the scouts and the Phillips coaches tell him the only AAA team in the area that could have beaten Canyon last week was the Dumas Demons. The Eagles run a 5-2 defense and an I or tandem T offense. The offense is led by Sherman Smith, formerly of Spearman. He is rated as a good passer.

The big gun in the Canyon offense is a senior tailback named Moore who weighs about 195. He has outstanding speed and is tough to bring down.

Spearman scouts say Canyon's favorite play is power at the tackle slots.

McAnney, a middle defensive guard and the left linebacker, Brewer, are called the best football players Spearman has faced this year. The scouts said Levelland was unable to block them all night.

Wright said the key to Spearman's success at Canyon will be for the defense to continue to carry the load and continue to do its good job.

Our offense must improve at least 25 percent, with the offensive line firing out much faster. Also, our passing game must improve.

Wright said conditioning, desire, attitude and hustle have never been a problem with the Lynx.

In discussing the Gruver game Wright said the team was greatly improved over the Sunray game.

The punting problem was corrected and Spearman controlled the ball more. The offense improved and was able to move the ball, but it was still the offense that got the Lynx beat, the coach said.

He said the only consolation was that the team did not make

Crowd Estimated at 2,000 At Gifford-Hill Opening

Gifford-Hill Western's new concrete pipe plant had its official open house here Tuesday with an estimated 2,000 people touring the plant.

Plant officials said there were over 800 people to register for the door prizes and many people visited the plant and did not register.

Company officials here for the opening were thrilled with the large turnout and the large area from which the visitors came.

Visitors were here from all over the Texas and Oklahoma Panhandles.

Visitors saw how the aluminum gates pipe is made, saw an irrigation pump in action, watched a crew lay the concrete pipe and also saw the concrete pipe made.

Rain fell most of Saturday morning, but it did not seem to bother the crowd. Jim Burks, district manager here, said there were just as many people who came out in the rain as did during the afternoon after the rain stopped.

During the rain the visitors were taken in cars from building to building. Officials tried to buy umbrellas, but could not find enough in this dry climate.

Door prizes were given every 30 minutes to some visitor who was making the tour. Those winning included F.H. Dawkins of Texhoma, W.L.

New Science Teacher Finds School Buses Are Jinxed

Frank Butcher, new science teacher, has had a little bad luck with his school bus. The

first week of school, he received his assigned bus. The brakes were not working on the

bus. When that problem was solved, the clutch went out. After a conference with High School Principal Kenneth McKay, Butcher was given command of the activity bus. As it would happen, after McKay drove it to Butcher's apartment, he informed Butcher the bus was out of gas.

Butcher then went to Alton's Gulf Service and bought some

gasoline. After he had tried to put the gas in the tank without success he proceeded back to Alton's Gulf. At Alton's he put the gas in his own car, which was almost out of gas itself, and went back to his bus with an attendant from Alton's.

Butcher primed the engine, but without success. After a few more tries, the attendant got in the driver's seat and gave it a try, then success. Both were thrilled.

A few days later, Butcher was again filling up with gas at Alton's. Having had the tank filled, Butcher jumped into the drivers seat and tried to start the engine but to no avail. After a few more tries, Butcher let the attendant try it. You guessed it, the bus started right up. Butcher must be asking questions such as, "Is there such a thing as fate?"

Halls Decorated To Show Spirit

The halls of Spearman High School are decorated to encourage school spirit. The team also shows good spirit, as we are working for the school and doing our best, according to the team members.

During the Sunray game Hal Shufeldt lost a lens out of his goggles. Ordinarily this would present no problem but Shufeldt can barely see without his glasses. He was practically blind for the first half of the game.

The Football boys urge everyone to go to Canyon and back the Lynx this week and we will de-feather the Eagles.

Members Are Selected for Lynx Minstrels

Members for the Lynx Minstrels were selected this week.

The sopranos are Marcena Scroggs, Pat Massad, Melinda Pearson and Jody Whitford. Alternate sopranos are Kathy Innis and Jeri Grange.

Alto singers are Carla Archer, Debra Brock, Cloetta Fullbright and Cheryl Blossinger. Alternate alto singers are Barbara Beck, Glenda Adkinson and Hazel Lesley.

Tenor singers are Anthony Wilkerson, Steve Jordan, Harley Reeves, Ronald Schell, Carl Close and Mike Close. Alternate basses are Danny Robinson and Adrian Southerland. Accompanist is Susan Uptergrove.

The Lynx Minstrels will not sing all Christy Minstrel music as in past years, but will present a variety of music.

Mrs. Hutton Has Lesson

Officers were elected at the September meeting of the United Presbyterian Women in the home of Ruth Hutton.

Alice Turnbull was re-elected President, Carolyn Wood was elected Vice-President and Patty Spoonmore was re-elected Secretary.

Mrs. Hutton presented the lesson on the "Sermon on the Mount."

Those attending were Myrt Bohanan, Mary Cornelius, Dorothy Baggerly, Carolyn Wood, Mrs. Lewis Koerselman, Judy Wood, Betty Porter, Mrs. Wiles Burgess, Mrs. W.H. Neilson, Alice Turnbull, Ruth Hutton, Patty Spoonmore and a guest, Mrs. Sue Enns of Guymon, Okla.

Mrs. Sue Enns of Guymon, Okla., visited last week with her daughter and family, Mr. and Mrs. Walter Spoonmore.

Gary Gray, who attends Frank Phillips College, spent the weekend with his parents, Mr. and Mrs. R.H. Gray.

Cake Plates Are Lost

Ruth Caro is hunting all of her cake plates and wants everyone who has one to return it or call so she can pick it up.

Mrs. Caro bakes cakes for people and puts them on cake plates, because she does not like to put a cake on cardboard.

She buys cake plates by the dozen and most people return them, or she remembers who has them, but some are lost and she would like to recover them. Mrs. Caro said a while back someone brought her a new cake plate in place of one she had been using a long time. The woman had broken the plate and replaced it.

When the woman returned the new plate she asked Mrs. Caro, "Did you know that cake plate I had was an antique?" It cost \$10 to replace.

Mrs. Caro said she did not know it was antique. It was just some of that pink glass they no longer make. I am not interested in such things and sure did not want the woman to replace it with something expensive.

The cool weather is coming on and people will be wanting cakes, so I want to get all my plates in, and I can't remember where they are.

Price Names Hart Leader Of Campaign

Congressional candidate Bob Price Wednesday announced the selection of Lynn Hart of Gruver as his Hansford County Campaign Chairman.

A resident of Pampa, Price is a rancher and businessman and is seeking the 19th District seat which includes the 30 counties across the top of the state.

"I am very pleased to have a person as well-known and well-respected as Lynn Hart to head up our campaign effort in Hansford County," Price said in announcing Hart's appointment.

"A great majority of the people in Hansford County I'm sure feel as I do that the trend toward a more and more powerful Federal government must be stopped," Price stated.

"With the help of Lynn Hart and many other Hansford County citizens I am confident I could be an effective representative for this area," Price concluded.

Mrs. Anderson Is Hostess to H.D. Club

The Town and Country HD Club met Tuesday afternoon, Sept. 20 in the home of Mrs. Lenzie Anderson.

Nedra Hays presided at the business and Jan Rinker gave the devotional. The roll call was answered with "First Aid for Furniture".

The group decided to sell Halloween candy again and to have a Halloween party, Oct. 31.

A letter was read from Florence Lowe urging the club to write Congressman Rogers to vote for the "Truth in Packaging" bill. Donetta Greene gave the 4H committee report after which Miss Linda Webb gave the lesson on refinishing of furniture.

The auction was brought by Nelva White and bought by Nedra Hays.

Attending were Nellie Buchanan, Barbara Bell, Nedra Hays, Donetta Greene, Nelva White, Jan Rinker, the agent, Linda Webb and the hostess.

The next meeting will be on Oct. 4 at the home of Nellie Buchanan. Anyone wishing to join the club is asked to feel free to visit any meeting or call a member who will be glad to call for you.

the same mistakes it made in the Sunray game.

Wright said the passing game has been his big disappointment. Statistics show we are better off on the ground. Until some receivers can be developed, we are wasting downs throwing the football.

He said a strict ground game was not his kind of football, but until some marked improvement can be shown, it will be foolish to continue to put the ball in the air.

The coach said the ground game began to spark in the Gruver game. "I was very pleased with fullback Jerry Holton's play. We will be working to improve the speed of our offensive line this week. It will have number one priority."

Revival Opens Sunday At First Baptist Church

Revival services will begin Sunday morning in the First Baptist Church of Spearman and continue through the following Sunday.

Young Tucker, an evangelist from Lubbock, will be the speaker for the services. Bill Littleton of the Eastwood Baptist Church in Tulsa, Okla., will direct the music.

Sunday services will be at the regular time and the weekday services will be at 10 a. m. and 7:30 p.m. each day.

The Rev. Tucker has been an evangelist since 1962 and has conducted more than 120 meetings.

Littleton is the former music

director of the First Baptist Church in Borger.

The Rev. Luther Berry, pastor, extends an invitation to everyone to attend the services.

Attending were Mmes. Guy Fuller, Kiff White, Clay Gibner, Freeman Barkley, Pope Gibner, Nolan Holt, P.A. Lyon, Ned Turner and a guest, Mrs. John Berry.

The next meeting on Friday, Sept. 23 will be in the home of Mrs. Ned Turner.

Phyllis Davis, daughter of Mr. and Mrs. Irvin Davis, left Monday to enter Tech at Lubbock.

Mr. and Mrs. Orville Fullbright and Cloetta were Sunday dinner guests of Mr. and Mrs. Robert Graves and family at Perryton.

Mrs. Gerald Marvin Hanners

Harris-Hanners Nuptials Repeated in Lubbock

Miss Susan Jeannette Harris became the bride of Gerald Marvin Hanners in a double ring ceremony read by the Rev. Robert J. Hearn on Sept. 17 in the Second Baptist Church of Lubbock. Nuptial vows were exchanged at 10 a.m.

Parents of the couple are Mr. and Mrs. Harold W. Harris of Lubbock and Mr. and Mrs. G.W. Hanners of Spearman. Larry Douglas of Lubbock played traditional organ selections preceding and following the exchange of vows.

The elevated podium, flanked on either side by cathedral candelabra and tall Grecian urns filled with greenery, was the setting for the impressive ceremony.

Matron of honor, Mrs. Dennis Willett of Lubbock, wore a moss green street length dress of imported silk with bateau neckline, elbow length bell sleeves and A-line skirt. Her headpiece was a moss green ring of matching fabric with circle of imported illusion. She wore matching shoes and carried a cascade bouquet of gold pom pom mums accented with English ivy.

Don Guill of Canyon served as best man, Jack Harris, brother of the bride of Lubbock and Richard Halthcock, cousin of the bride of Altus, Okla., acted as ushers.

The bride, given in marriage by her father, wore a white silk faille two piece costume. The street length A-line dress had a sleeveless empire bodice with bateau neckline. The matching full length coat was designed with bat wing sleeves, A-line skirt and fastened below the bodice with a small bow. Matching shoes and self fabric pill box hat with jet veil and circle of imported silk illusion completed her costume. She carried a bouquet of white feathered mums centered by a white orchid. The bride carrying out the tradition of something old; something new; wore a blue garter, a wide gold heirloom bracelet belonging to her paternal grandmother for over fifty years and a single strand of cultured pearls, a gift of the groom.

For her daughters wedding Mrs. Harris chose a rose pink slubbed silk two piece dress with matching hat and black accessories. Mrs. Hanners wore a two piece dress of celery green latticaine with matching

hat and bone accessories. Both mothers wore Cymbidium orchid corsages.

Immediately following the wedding a reception was held in the fellowship hall of the church. Mrs. Ola Sparks of Spearman, aunt of the groom and Mrs. Taft Halthcock, Altus, Okla., aunt of the bride, presided at the serving table. Miss Gweneth Hanners, sister of the groom, registered the guests.

When the couple left for a wedding trip to points of interest through New Mexico, the bride wore a yellow three piece knit suit trimmed in charcoal with black accessories, and the orchid lifted from her bridal bouquet. The couple will make their home at 325 So. 10th St. in Slaton.

The bride, a graduate of Monterey High School and Texas Technological College where she received a B.A. degree in French, was affiliated with Chi Omega social sorority and named to the Dean's Honor List. She was a member of the faculty at Tulia High School the past year where she taught French and speech.

The bridegroom is a graduate of Spearman High School and West Texas State University where he received a B.S. degree in speech radio-television. He attended Texas Technological College under a Teacher Assistantship while doing graduate work toward a Master's degree. He is employed as Program Director for Radio Station KCAS in Slaton.

Mr. and Mrs. G.W. Hanners hosted the rehearsal dinner at the Villa Inn Friday night. Guests included Rev. and Mrs. Robert J. Hearn, Mr. and Mrs. Harold Harris, parents of the bride elect, Jack Harris and Mr. and Mrs. Dennis Willett all of Lubbock, Miss Gweneth Hanners and Mrs. Ola Sparks, both of Spearman; Mr. and Mrs. Bill Kiker, Altus, Okla., and Don Guill of Canyon.

On Saturday, Mr. and Mrs. Harris hosted a buffet luncheon for all out of town guests attending the wedding. Those attending were Mr. and Mrs. G.W. Hanners, Miss Gweneth Hanners and Mrs. Ola Sparks, all of Spearman; Mr. and Mrs. Taft Halthcock, Richard Halthcock, Mr. and Mrs. Bill Kiker, all of Altus, Okla., Mrs. Bill Weber of Snyder,

UNIQUE COFFEE BREAK IDEA

Here's a new idea for what to serve at an afternoon or evening coffee break—creamy smooth homemade fudge. And this fudge is unique, too; it's flavored with surprising Instant Sanka Coffee. One secret of making fudge is to cook the syrup to the correct consistency or temperature—this is where a thermometer is especially handy. Also remember to allow the fudge mixture to cool without stirring so that no large, grainy crystals will form during the final beating.

COFFEE FUDGE

- | | |
|--------------------------------|--|
| 3 cups sugar | 2 tablespoons instant decaffeinated coffee |
| 1/4 teaspoon salt | 3 tablespoons butter |
| 1/2 cup light cream | 1 teaspoon vanilla |
| 2 tablespoons light corn syrup | |
| 1 cup milk | |

Combine sugar, salt, cream, corn syrup, and milk in saucepan. Bring to a boil, stirring constantly. Continue boiling, without stirring, until a small amount of mixture forms a soft ball in cold water (or to a temperature of 234°). Add coffee, stirring just to blend. Continue boiling, without stirring, until mixture again forms a soft ball in cold water (or again to 234°). Remove from heat. Add butter and vanilla but do not stir. Cool to lukewarm (110°); then beat until mixture begins to thicken and loses its gloss. Spread in a lightly greased 8-inch square pan. When cold, cut into pieces. Makes 1 1/2 pounds or 36 pieces.

Study Club To Sponsor Fire Prevention Contest

The Spearman Study Club is sponsoring the fire prevention poster contest again this

year for the first through fourth grade school children.

The deadline for entry in the contest is October 7 at 9 a.m. at the elementary school. The posters will be judged that day and will be displayed in stores downtown during Fire Prevention Week, Oct. 9 through 16.

First prize will be \$2.50, 2nd prize, \$1.50; 3rd prize, \$1.00. Poster size is 14 x 22 inches, which is one half size of a regular sheet of cardboard.

Mrs. Martin Gives Lesson

The Ladies Missionary of the Union Church met for their regular weekly meeting at the church, Tuesday, Sept. 20.

Mrs. Virgil Floyd presided at the business session. Plans for the nursery were discussed by the group.

The lesson on the 10th chapter of Acts was given by Mrs. J.H. Martin.

Attending were Mmes. B.J. Garnett, Ernest Sluder, Virgil Floyd, J.H. Martin and George Bollinger.

Weekend guests of Mr. and Mrs. Gordon Parrish were his sister and family, Mr. and Mrs. J.N. Dickenson and daughter of Trinidad, Colo.

Recent guests of Mr. and Mrs. Paul Farren and grandsons were their daughter and daughter and family, Mr. and Mrs. E.L. Balkman and children of Banuba, Calif. The Balkmans also visited relatives and friends in Oklahoma before returning home.

Mrs. Oakes Gives Lesson

The Faith Lutheran Women's Circle met at the church fellowship hall, Wednesday, Sept. 14 at 7:30 p.m. The meeting was opened by a devotion read by Fern Welch. The lesson, "The God of Prayer" was given by Pit Oakes. Jan Montgomery read the offering meditation and closed the meeting with prayer. A short business meeting was conducted by the president, Betsy Ward.

The hostess, Colleen Schaefer served refreshments to the following: Betsy Ward, Pit Oakes, Jan Montgomery, Dorothy Tackitt, Elma Ward, Ruth Knudson, Jan Rinker, Martha Straw, La Vonne Schmeling, Helen Langenheim, Fern Welch, Delphine Kopke and Selma Reneau.

Ma Bell Witcher left Saturday to check in at the dorm at Texas Tech where she will be a student this year.

Day by Day

by Day McClellan

"It takes a lot of character not to quit when you're 12 points behind, especially when you've played your heart out, and played well enough to win. But our kids came right back with all they had."

Coach Wright was disappointed at last Friday night's score, but not in the least disappointed with the attitude and efforts of his Lynx.

Speaking at a meeting of parents Monday night, the coach reviewed last week's game as it was shown, and Coach Clemmons previewed the next encounter, with Canyon.

It occurred to me, watching and listening solely as a fan, that we have a lot of responsibility to a team that won't give up.

Fans can do a lot to add to their team's winning attitude. They can insist on staying for all the game, whether they're winning handily, or losing. They can show concern and encouragement rather than laughter when a costly mistake is made. They can refrain from comparing the present coaching staff unfavorably with coaches of the past, thus agreeing with the team that their coaches are completely capable of building winners.

Phillips is one of those places lots of people call a "football town", meaning in part that its fans stand behind the Blackhaws and show their pride in them at every opportunity.

Friday night, after their team's loss to Dumas, the Phillips fans rose from their seats and stayed right there, cheering wildly, until the Blackhaws were all out of sight.

It was an easy way to say "You played a fine game, you gave your best and I, for one, am proud of that all-out effort."

Building a winning team is not an easy task. It involves a lot of effort from a number of people. It's nice to know that even the most insignificant fan can have a part.

Speaking of being respectful, when did we quit standing for the opposition's school song?

Without any doubt, playing it once is sufficient! To render it again after the final whistle blows is just rubbing it in, in my opinion. (After all everyone has lost at least once and can surely remember how you feel when you aren't the winner.) But... if a school insists on playing its alma mater again, I do think we should stand and wait until it's over, bitter as it may sound.

We watched the West Texas State opener Saturday night and were delighted indeed with the Buffaloes, even if most of them are from far, far away.

Say, and the West Texas State Band is so snappy and enjoyable to watch! The pre-game flag ceremony with the lights out and the R.O.T.C. Color Guard spotlighted on the rim of the bowl is immensely impressive, especially as the rocket is lighted when the band gets to "And the rocket's red glare."

somewhere else, I found these notes on how color effects your life and your nature. Colors supposedly send forth luminous waves that act on the brain and thus, on thinking.

Red stimulates the brain cells, accelerates the pulse and excites the appetite.

Orange is safer for an excitable character.

Yellow is the best color for timid or tired women.

Green is a calming influence, "If you feel tense or haven't slept, wear green."

Blue is the color for optimists. It lets you relax.

Pink creates a party atmosphere. "If you feel in a bad temper or less than ultra-feminine, it's time for pink."

Purple demands royalty. "It takes a queen to dominate purple."

Black is not sad, but adds the tonic power of allure.

What I have in mind now for fall, is a dress in shades of restful-blue, insomnia-proof-green and little-bit-tired yellow with accessories of party-atmosphere-pink and queenly-purple.

You'll notice I left out red. I can do nicely without having my appetite excited.

Against Tax Increase

Congressman Walter Rogers this week went firmly on record as opposing any sort of income tax increase, regardless of how much or how applied.

While recognizing that he is in a better position to say this now that he is not a candidate for reelection to Congress, we still wish more Congressmen would say the same thing.

President Johnson says that it may be necessary to boost income taxes after the election in order to fight inflation. But the American people, beset by a boost in taxes already through a higher Social Security bite, accelerated withholding and raises in other types of taxes, are in no mood for more.

Especially since they are hit by a boost in the cost of living and it is getting harder and harder to fit outgo with income.

Most of us are in no mood to pay more income taxes until our government demonstrates some willingness to cut its expenses. Only lip service has been paid to the question of federal spending, and until the government gets serious about trimming spending we won't see any reduction in inflation.

In fact, an income tax increase would be unfair and outrageous without elimination of the waste in the current federal budget. Foreign aid is still a staggering burden on the American people. The U.S. is maintaining an armed force around the world and fighting a war in Viet Nam. We are spending billions in a crash program to get to the moon. We are spending billions on federal welfare programs, supporting a drone class with tax money.

It is going to be hard to convince us that we have to submit to an income tax boost while our government continues to shovel out money like it was going out of style.

An Editorial

It's An Everyday Affair

Do we have to dress up in wild costumes and make up our faces like clowns to get cooperation among the people of Spearman?

For the second successive year we have seen how a concentrated effort with almost everyone working in one direction has been successful. Yet, on the remaining 364 days of the year other worthwhile projects and community efforts by the Chamber of Commerce fall flat on their faces because only a few will take an interest and cooperate.

Maybe the reason for such successful cooperation was the prospects of immediate sales and profit. The Crazy Day results were immediate and many of the other projects are long range. However, every Chamber project is designed to improve Spearman and business.

In the past month the Chamber has had two successful projects, the program planning meetings which attracted more than 50 members, and Crazy Day which attracted the largest shopping crowds seen here in many years.

We now have concrete proof that Spearman people can plan together and work together for the betterment of all. Two successes do not prove a theory, but based on results in other towns and our own recent successes in the cooperation experience, we believe Spearman has proved the theory and is ready to begin moving forward.

We do not have time to hold back because of a few malingerers. We saw Saturday that a majority are ready to move forward and they are strong enough to carry those who do not wish to participate. We also saw Saturday that those who took an active part reaped results while those standing on the sidelines watched. A few more such experiences and there will be fewer on the sidelines.

The snap signal is cooperate, so lets all fire out on the snap and move Spearman forward.

Former Hutchison Judge Dies; Rites Pending

A former Stinnett businessman, Hutchinson County Judge and Stinnett School business manager died Monday night in Houston.

William R. (Bill) Goodwin, was there for treatment from injuries received when he fell in the bathtub in his home.

He was 70 and had lived in Hutchinson County since moving there in 1919. He first moved to Plemons, then to Stinnett where he started the Pioneer Abstract Co.

He served as County Judge from 1923 until 1929. He was postmaster in Stinnett from 1934 until 1945 and was acting clerk for the 84th Judicial District Court.

He is survived by his wife, two sons, a daughter and several grandchildren.

Funeral services were pending Wednesday morning.

During past generations, the salt shaker was very often the most valuable and ornate thing on the family table. Salt was scarce, valuable, and thus highly prized.

the Word

"Thy word is a lamp unto my feet; and a light unto my path."
— Psalm 119:105

If you are a Christian, you are blessed with a great heritage. It is a heritage of truth and has nothing to do with imagination or myths. It is a truth that remains unchanged, no matter how many times someone attempts to rewrite or offers a "studied" translation.

This truth is the word of God. It is found in the Holy Bible. It is found in Ten Commandments, which form a guidepost for Christian living.

Accept this truth; it is useless to argue against it. Conscience and common sense will not permit you to be unaware. You fool no one, not even yourself, if you pretend to ignore or disbelieve.

Baptist Hold Prayer Week

A week of prayer for the Mary Hill Davis State Mission was held from Sept. 12 thru 16 at the First Baptist Church.

Programs for the week were as follows: Monday, the Kezia Mae Seawright Circle, led by Wanda McIver, was in charge of the program. She was assisted by Betty Uptergrove and Frances Kilgore. Fourteen members attended. Wednesday the Naydene Brewer circle led by Jane Moyer and assisted by Mary Lovett, Donna Helms, Vicki Adkison, Frankie Brandt and Wanda Widener. Twenty five attended.

Thursday the Betty Morris Circle, led by Barbara Howe and assisted by Magda Garnett, Peggy Archer, Vern Jarvis, Eva Adkison, Gowonda Golithley and Mrs. Baley, presented the service. Twenty attended.

On Friday, the Alma Reed Circle completed the week of prayer. This circle was led by Edrie Jones and her assistants were Ernestine Gray and Pat Denham. Fifteen members attended the last service.

Mr. and Mrs. Ned Turner returned last week from a trip to Carthage, Mo. and other points. While in Carthage this visited Mrs. W. U. Cook, a former resident, who lived near Gruver. Mrs. Cook is seriously ill in the Carthage Hospital. They also visited Mrs. Cook's daughter and family, Mrs. A. L. Jacobs and with Mrs. Turner's sister, Mr. and Mrs. P. A. Patterson, Jr. at Washburn, Mo. Enroute home they visited friends at Ponca City, Okla.

Gift Box Memo:

We are not crying "wolf", but those of you wanting Christmas candles we suggest you get them soon, because the manufacturers tell us they will be hard to get.

We are now getting in all of the candles we have bought and except for one box an elephant sat on and mashed, we have many pretty and unusual candles. In fact, the mashed ones are rather unusual. Most of these are scented and many are in new fragrances.

We have also unpacked a large number of new books and our book shelves have a new look now. There are many new titles, and some that you have been asking for. The cool, rainy days sure make for good reading days.

We have new gift items all the time and are the headquarters for the pottery, china, crystal that most brides pick for their showers.

Anytime you need a gift, remember us.

Holt News

Mrs. Grace Mash of Lubbock accompanied Mrs. Herbert Kirk recently to their family reunion at Whitney.

Mr. and Mrs. Fred Holt transacted business Friday in Meade, Kans.

Mr. and Mrs. Bob Carp and Mrs. Maudie Henderson of Pringle, Mrs. Mildred Chamberlain of Spearman and Mrs. Bertha Jenkins were Thursday night dinner guests of Maude Rosson. All spent the night except the Carps.

Mr. and Mrs. James Beck and Donnie of Enid were weekend guests of Mr. and Mrs. Owen Pendergraft.

Steve Jenkins, son of Mr. and Mrs. Phil Jenkins returned Friday to Texas Tech at Lubbock.

Mr. and Mrs. Claude Jackson attended the funeral of a sister-in-law, Mrs. Herbert Thompson at Mangum, Okla. recently.

Mr. and Mrs. Dan Jackson were Friday night guests of their daughter, Mr. and Mrs. Bob Phelps and family at Forgan, Okla.

Texas Tech Meets Texas In Conference Opener

LUBBOCK--University of Texas and Texas Tech, the largest schools in the Southwest Conference, collide in the Red Raiders' opening home game at 7:30 p.m. Saturday.

Kay Leverton of Amarillo, Mrs. Bill Burger and Sheli of Stinnett, Mr. and Mrs. Don Chisum of Stinnett, Mr. and Mrs. Oliver Leverton of Odessa, Mr. and Mrs. Bill Sloan and Manda Loree of Dumas, Mr. and Mrs. Donnie Jones, Mrs. Doyle Jackson, Mr. and Mrs. Dan Jackson were Sunday afternoon callers of Mr. and Mrs. Ira Harbour. They were happy to see the new arrival, the granddaughter of Mr. and Mrs. Ira Harbour, Manda Loree. Mr. and Mrs. Medlin Patterson recently visited a cousin at Paducah.

Precipitation of the Holt Community the past week was three inches of wonderful rain.

More than 42,000 fans are expected to overflow Clifford B. and Audrey Jones Stadium. As the week began tickets on the 5-yard line were being sold. Already a number of fans had bought admission to the slope overlooking the north end zone. Texas Tech students, numbering about 19,000 this semester, are expected to take over the entire south end zone.

Texas Tech began its season with a 23-7 victory over University of Kansas at Lawrence. Texas dropped a close 10-6 decision to the University of Southern California, the favorite to capture the West Coast championship.

Texas, ahead 14-1 in the series, returns 22 lettermen from the team that trounced Texas Tech 33-7 in Austin last year.

Nonstick Finishes Being Applied to Cookware

COLLEGE STATION--Nonstick finishes being applied to every type of cookware available have revolutionized cooking today.

So says Mrs. Wanda Meyer, Extension home management specialist at Texas A&M University.

Mrs. Meyer points out a few facts, based on recent research, about the nonstick finishes.

The new nonstick finishes are safe to use. The U.S. Food and Drug Administration says that the nonstick finishes are safe for food and conventional kitchen use.

Nonstick finishes require gentle treatment. They are made of material softer than the surface to which they are applied and are highly susceptible to scratching. Foods should never be cut with a metal knife in a nonstick coated utensil. Use tools of nylon, rubber, plastic or epoxy-coating when stirring food in a nonstick utensil. You may get some scratches, and if they bother you, colorless scratch-repair products are available.

The nonstick finishes are easy to clean, but this has been over-emphasized. A swish and

a rinse is not enough for cleaning--it takes hot suds and scrubbing to get rid of grease. If cleaning isn't thorough, you'll get a buildup of greasy film. This affects nonstick qualities and leads to discoloration of all colors except very dark ones. The nonstick coated utensils can be put in the dishwasher, but never use steel wool, metal pads or cleansers because they damage the finish.

Discoloration can come from too much heat as well as skimping cleaning. Keep top-stove temperatures medium or below. Take special care not to let a pan overheat when it's empty. Don't deceive yourself that food can't burn in a nonstick utensil. In the oven, the suggested temperature limit is 425 to 450 degrees. Never place a nonstick utensil under the broiler.

Among those seen at the football game at Canyon Saturday evening were Messrs. and Mmes. Guy Fuller, Ray Martin, Tommie Lovett, Jim Fox, Everett Tracy, Slim Cates and Gary, John Bishop and Dr. and Mrs. Damon Gregg.

Card of Thanks

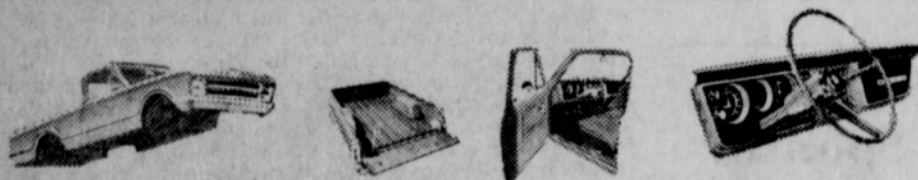

I wish to thank everyone for their visits, cards, letters, gifts, flowers and prayers while I was in the hospital. May God bless each of you.

Freshmen Lynx To Face Gruver Team Thursday

Spearman's high school freshmen will be the only team, other than the varsity, to be in action this Thursday. They meet the Gruver freshmen at 4:30 p.m. in Gruver. The freshmen lost to Borger 14-0 last Thursday, but Coach Eddie Clemmons said the young Lynx did a good job. We were a lot smaller than Borger, but we outdid them on both offense and defense, Clemmons said. Borger went ahead on an intercepted pass in the first quarter, but Spearman stopped them short of the extra points. Spearman drove to the three

Texas Bankers Serving Farmers With Credit

Texas banks were serving farms and ranches with more credit and other financial services than any other lenders at the beginning of this year, according to Walter F. Johnson, president, Texas Bankers Association, and president, First National Bank of Abilene.

During 1965, Texas banks maintained their leadership in agricultural credit services.

Based on the 25th annual farm and ranch lending summary of the Agricultural Committee of The American Bankers Association, Johnson reported that at the beginning of 1966, Texas banks were helping farmers and ranchers with \$708 million in loans, 7 per cent more than a year previous. This total included \$591 million in production loans and \$117 million in farm and ranch mortgages.

At the same time, \$521 million in farm and ranch loans was held by life insurance companies; \$375 million by the Federal Land Banks; \$159 million by Production Credit Associations; and \$88 million in

non-real estate loans plus \$56 million in real estate loans by the Farmers Home Administration.

About 71 per cent of the production credit extended by lending institutions to Texas farmers and ranchers came from banks.

Johnson said that "bankers in Texas are conscious of the large capital investments required in agriculture today and are making a concerted effort through improved lending programs to meet these changing credit demands of the state's farmers and ranchers.

The increased use of credit by farmers and ranchers, according to Johnson, has been accompanied by a substantial gain in the total assets of farm and ranch families. Therefore, in the aggregate, the equity position of farmers and ranchers contrary to public opinion, is being maintained at a satisfactory level.

Nationally, farm and ranch families have \$212 billion of their own funds invested in agriculture. This represents 84 per cent of the total capital requirements of farmers and ranchers.

Johnson stressed the importance of farmers, ranchers and bankers working closely together to improve farm and ranch financial arrangements. He reported that nearly 89 per cent of the banks in Texas were extending credit to farm people.

As a young man, Thomas Jefferson owned 5,900 acres of land and 185 slaves. At his death, 50 years later, after a lifetime of service to his nation, he was \$40,000 in debt.

Nowdays, every country in the world touches U.S.

Walter Chisum of Borger is seriously ill after suffering a heart attack. He is the father of Mrs. Cecil Reynolds of Spearman.

Karen Gibson and Susan Hutchison left Sunday to check in at Tech. They will be roommates this year.

Mr. and Mrs. Guy Remy visited Sunday afternoon with Mr. and Mrs. Orville Meford at the Skelly plant near Borger.

Recent overnight guests in the Chester Ferguson home were her brother and wife, Mr. and Mrs. Earl Pruitt of Madera, Calif. Mr. Pruitt is also the brother of Mrs. Rex Jones and all visited together in the Ferguson home. The Pruitts will visit their grandchildren in Colorado and another sister, Mrs. Iona Dickens and daughter at Watonga, Okla. before returning home.

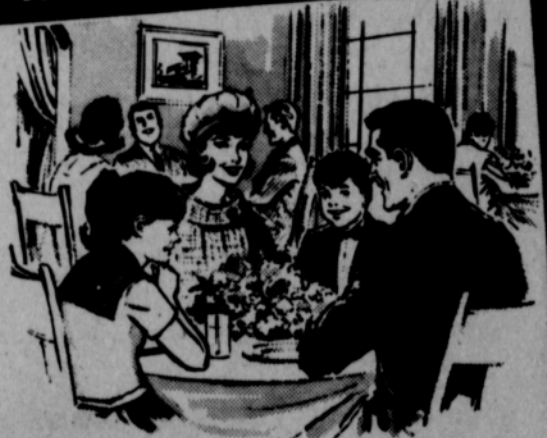

Mrs. Max Baggerly was called to Oklahoma City last week to be with her mother, who is seriously ill in a hospital there.

Ken Faries and Dave Clement left Tuesday for college. Both will be students at Tech this year.

Band Works On Routine

For the past few weeks the band has been working on its

marching contest routine. The routine is somewhat different from last years, but when it is worked out it will be one of our better shows. Mr. Watson said that he didn't think it would take very long to learn the whole show.

Exchange Student Says School Is Easier Here

This year Spearman High School is very fortunate to have as its foreign exchange student Chris Lobo. She is from Brazil. She is staying in the home of the John Wildes.

Chris is taking the following subjects: Typing I, Spanish I, Home and Family Living, Texas History, English III, and basketball.

She said that school here is easier than in Brazil. In her school the students take French, philosophy and psychology which are not offered here.

When Chris returns to Brazil, her friends will still have one-half of their senior year to finish before they go to college.

Chris will be finished with high school and ready for college.

When she graduates from college, Chris will be qualified to teach philosophy, Ancient History, Portuguese Literature and Grammar, Brazilian Literature and English. However, she plans to teach English.

Chris's comment on her first football game, Spearman vs. Sunray, was that she liked everything about it except the score.

Chris's mother manages a clothing store. Her father owns a small industry that has to do with the extraction of sand and minerals from the water in the river.

Yearbook

Workshop Held

Saturday, Sept. 10, at the Amarillo High School a yearbook workshop was held. The Spearman annual staff composed of Debbie Standerfer, Steve Baggerly, Larry Campbell, Janice Trindle, Lawrence Brown and Steve Sheets attended.

The staff was shown how to space pictures and writing on an annual page. In the afternoon the students took a test to see how well they understood the mornings directions.

Monday morning Vern Laws showed a film strip called "You and Your College Entrance Examinations". Who and why they should take the Preliminary Scholastic Aptitude was discussed.

All senior students who plan to attend college should make arrangements to take their college entrance examination as early as possible during the first semester.

This will provide an oppor-

tunity for Laws to interpret the test results to the college bound seniors; also, this will prevent a delay in these seniors being accepted by a particular college.

December 10 at 8 p.m. in the high school cafeteria, Spearman High School will be a testing center for the ACT test. Previously, students have gone to Dalhart, Borger or Pampa to take this test. Because of our school facilities, geographical location, and the inconvenience it has been to our students to travel to take this test. Spearman High School has been accepted to administer this test.

All area students are welcome to attend Spearman High School on the given date to take this test. For further information the student should contact the high school principal or counselor of the school which he attends and check the ACT student information bulletin for more detailed information.

Lynx Insignia Added to HS Building

The newest, and one of the most prominent additions to the high school are the Lynx insignias, which are painted on the floor in front of all the doors.

The idea originated with James Pendergraft, Junior High Principal, who hired a painter to put them on the floor at the Junior High. The idea was adapted by the high school.

On the first day, the senior class voted at Principal Kenneth McKay's suggestion, to establish the tradition of not stepping on the insignia and it has been carried out very effectively since.

Library News

The Library Club met recently in the library. The rules, regulations and functions of the library were discussed. Officers for the year were Gail Upchurch, president; Odila Gylvara, vice-president; Juanita Shields, secretary-treasurer; and Jeanie McLeod, reporter.

This year library assistants will enroll in library science which is worth 1/4 credit per semester.

The library will continue to sell school supplies as a money making project and as a service to the students. The library club will meet on the second Monday of each month.

In November members of the club will travel to Leveland where the district meeting will be held.

Spanish Class Predicts Win

"i Ganara lince!" (Lynx will win) is a new yell being shouted by Spearman High School Spanish students to cheer the Lynx team to victory. The Lynx will also be backed with the shout of "de tigre, lion y elephante, lince siempre adelante" (of tigers, lions and elephants, Lynx are always ahead).

These and other yells can be heard in the halls of S. H.S. on Fridays as the Spanish students with Mrs. Morse as the cheer-leader show their pride of the Lynx team.

The yells were introduced to the Spanish classes Friday, Sept. 9 and memorized. Mrs. Morse, the Spanish teacher, hopes "i ganara lince!" will be heard at every Lynx game throughout the rest of the season.

FHA Presents Junior Degree To Thel Daniel

Monday, September 12, the Spearman chapter of the Future Homemakers of America met in the homemaking department. The meeting was opened by Linda Edge, the F.H.A. president. After the opening ritual had been read, Sue Sloan gave the devotional. Linda Edge then introduced the chapter parents and advisors: Rev. and Mrs. Wesley Daniel, Mr. and Mrs. Lee Edge, Mr. and Mrs. Troy Sloan, Mrs. Frances Hudson, and Mrs. Barrowsky.

Sue Sloan led the singing, then Linda Edge, Debbie Bengge, and Jean Welch presented the Junior Homemaking degree to Thel Daniel. Debbie Bengge read the minutes of the last meeting and Margaret White gave the treasurer's report. Mrs. Hudson explained the point system and the concession stand. Linda Edge told about the F.H.A. projects, then the program "Toward New Horizons" was presented by Thel Daniel.

Refreshments were served by the hostesses, Margaret White and Kay Couch.

Archie Smith Is President Of F.F.A.

Tuesday, the Spearman FFA Chapter met to elect their chapter officers. They include president-Archie Smith; vice-president, Steve Jordan; secretary-Carl Kunselman; treasurer-Clay Schnell; reporter-Monty Lusby; and sentinel-Phillip Renner.

Other business included nominating four girls for chapter sweetheart. Mr. Hawkins gave a speech on activities for the upcoming year.

A special guest, Jimmy Hicks, representing Purina Grain Company, presented Glenn Blodgett with two Purina trophies for feeding his last year grand champion calf and hog Purina feeds.

Morse Mustangs Meet Forgan There Friday

The Morse Mustangs hit the road this week for another encounter with an Oklahoma team. This Friday the Mustangs meet Forgan at 7:30 p. m. there.

Morse opened their home stand Friday night with a heart-breaker. Balko, Okla., scored in the last seconds of play to win 18-14 over Morse.

Balko is a large school and is the defending eight-man state champion of Oklahoma. Last year they walloped Morse 39-0.

The Mustangs took control of the game in the first quarter when Alva Henderson passed one yard to Jesse Vera for the touchdown. Henderson passed to Eddie Papay for the extra points to make the score 8-0.

Balko scored twice in the second quarter to take a 12-8 halftime lead. One of the scores was on an intercepted pass.

There was no scoring in the third quarter, but Morse added what looked like a winning touchdown late in the fourth quarter.

It was another Henderson to Vera pass that covered five yards for the score. The points failed.

With just 15 seconds left Balko was able to push across the winning touchdown from the three yard line.

Morse gained 160 yards rushing and 118 in the air. They completed nine of 17 passes. Both teams had 12 first downs as Morse had 278 yards total offense and Balko had 240. Balko gained 210 yards on the ground.
