

Dr. McClellan Speaks Here

Dr. David McClellan a 1976 graduate and former president of the National Honor Society spoke to the students of Spearman High School Monday morning. The occasion was the initiation of fifteen new members making a total membership of thirty-two.

Membership in the society represents the fundamental objectives for which high schools are instituted and gives recognition to those who most nearly attain the desired ends. Other honors at the disposal of the high school are partial in that they recognize only special ability, skill, or talent and the National Honor Society looks up education as a total product measured by the four dimensions of life: Character, Scholarship, Leadership, and Service. The beliefs of the society are exemplified in the quotation: "Four things a man must do if he would make his record true: In Scholarship to think without confusion clearly, by Service to love his fellow man sincerely, through Leadership to act from honest motives purely, with Character to trust in God and Heaven securely."

Those students taking the society pledge were: Dena Baker daughter of Mr. and Mrs. Albert Baker, Becky Byers daughter of Mr. and Mrs. Benny Byers, Eadie Clemmons daughter of Mr. and Mrs. Eddy Clemmons, James Farmer son of Mr. and Mrs. Grant Farmer, Shelley Friemel daughter of Mr. and Mrs. Kenneth Friemel, Cammye Gee daughter of Mr. and Mrs. Jerry Gee and Jimmy Haden son of Mr. and Mrs. Billie Haden.

Also initiated were Karen Kenney daughter of Mr. and Mrs. Byron Kenney, Jana McCoy daughter of Mr. and Mrs. J.D. McCoy, Mary Ann Martin daughter of Mr. and Mrs. Ray Martin, Shelley Mitchell daughter of Mr. and Mrs. Dwayne Mitchell, Pam Porter daughter of Mr. and Mrs. Larry Porter, Rory Sheppard son of Mr. and Mrs. Bert Sheppard, Lynn Vernon son of Mr. and Mrs. Jimmie Vernon, and Sherry Womble daughter of Mr. and Mrs. Jerry Womble.

Other members are Dawn Bridges, Stacey Cook, Charlotte Elliott, David Hall, Marietta Davis, April Percy, Kevin Russell, Tamera Scroggs, Steve Shields, Deanne Baker, Kyle Beedy, Brenda Boyd, James Pierce, Kelly Rylant, Kelly Shaver, Connie Shields and Brent Ware.

National Honor Society officers are: Kyle Beedy, President; Connie Shields, Vice President; Kelly Rylant, Secretary; Brenda Boyd, Treasurer; Dorothy Roden, Faculty Sponsor.

Letter To The Editor

Dear Billy:

On March 3, 1980 at 10:00 a. m. in the auditorium of Spearman High school, the Edna Hartman chapter of the National Honor society held its annual meeting to induct the new pledges into the society. Fifteen students were initiated into the society this year bringing the total to thirty-two.

These thirty-two students probably represent the school in all aspects of what the school should stand for more completely than any other group in the school.

For those who are unaware, the requirements for membership in this society not only require the members to achieve and maintain the highest grades they also must be leaders, have excellent character, and give of their time and service to the school and others.

While attending this initiation ceremony, I thought it was interesting to note that only one school board member was in attendance, that person being Jim O. Davis. It is possible I could have missed seeing the other board members, but I do not think so.

I did notice Larry Porter, who has filed for a position on the school board, in attendance at the program. Maybe we need more people like him on the board.

I realize we are all busy at our jobs and sometimes it is im-

possible to attend ALL THE FUNCTIONS at the schools, however I consider it to be as important to witness these students honored in such a ceremony as it is to drive 100 or 250 miles to witness the varsity football team play, or the girls basketball team compete.

Is it possible we are more interested in seeing our child participate in the athletic programs rather than in the academic programs, which in reality prepare the child to face life in our world today? By the way, Mr. Editor, I don't recall seeing you or your photographer at the ceremony taking pictures or writing this story for the paper. Is it possible your are so busy covering the stories of our athletic programs in their quest for the state titles, that you forgot these thirty-two people who have already won state in Spearman high school, national honors to be exact.

Last but not least, I am not down on the athletic departments of our schools - I think we have the best coaches, athletes, and facilities in the state; and it should remain so. I just feel that we should also support the other organizations in the schools as well as we support the athletic programs. Respectfully submitted, Tommy Russell. P. S. if you choose to print this letter, please print as written and feel free to print my name.

Dear Tommy:

We did appreciate your letter to the Spearman Reporter. I will try and answer it the best I can.

On March 3rd at 10 a.m., I was in the doctors office, getting a shot for the flu, and at about 10:45 a.m. I visited with Mr. and Mrs. Larry Porter. I told them I had planned to go to school and get some choir pictures at 10 a.m., but I had not been notified about the honor students. I am sure they are tired of calling me at school, and not having me show up for their programs especially after I had made the statement that we have never failed to cover a story at school when we were aware of it! And, your letter goes ahead to say these thirty two students probably represent the school in all aspects of what a school should be. We agree with you 100%! We agree with just about all of your letter, and we feel that we are guilty of being "more interested in seeing our children participate in the athletic programs rather than in an academic program!" And, I would have been at Austin watching the state basketball playoffs this week-end if there is some way I could have made the trip! But, let me tell you about our school system which is THE BEST ONE IN THE U.S.! I repeat, it is the best one in the U.S. for several reasons. First, because of those 32 honor students who are doing such a fine job, and secondly because of our fine teachers! And, of all things, our fair and equitable tax system (school taxes in particular)! We have nine candidates for the school board this year! I am proud that we have that many interested in the school. but I

am even more proud of people like you who will write letters to the editor and stand up for such high ideals! Please be patient with your newspaper when we miss one of these super events! We have also made some "bad scenes" for our athletic teams this year, simply because we were short of help! And, we ask you to forgive all of us "sports fans" for not emphasizing "education" more than we do!

Insurance Corner

While own the Keogh plan and the Individual Retirement Annuity (IRA) are similar in that they both involve retirement plans for individuals, there are some significant differences. These differences are important.

The IRA is for an EMPLOYED person who is not covered by a plan at the place he works. The Keogh plan is for a SELF-EMPLOYED individual, who either works for himself or owns a business or part of a business.

The contribution setup is also different. Under IRA, an employed person can contribute up to 15% or \$1,500, whichever is less, from his earnings. With Keogh, the self-employed person can contribute up to a maximum of \$7,500 or 15%, whichever is less. (This was recently raised from \$2,500/10-

%)

The Keogh plan is somewhat more liberal than the IRA. For example, a person could have a company pension plan where he works, but he may also be self-employed. He might do part-time carpentry work, for example or run his own TV repair business. He can, if he wants to, establish a Keogh plan for the income from the part-time job or his repair business.

Notice To Voters

In November, 1979, each registered voter was mailed a "white" Voter Certificate. These were (according to law) sent as "non-forwardable" mail. If you have moved and/or changed your mailing address in the past two years, your card was returned to the Registrar of Voters at the County Tax Office in the Courthouse. To receive a corrected Voter Certificate, you must come by the Tax Office and sign a change of address card. This is the only way your name may be reentered on the active voter list.

If you are not sure your name is on the Active Voter List, call 659-2371 or 3994.
