

Palo Duro river on rampage

This is a picture of the Palo Duro river on a rampage, made last week. The river was getting ready to flood again on Saturday of this week, from the heavy rains of Thursday night. While many set idly by, millions of gallons of water wash our precious top soil and our livestock feed into Oklahoma!

This picture was made at the Palo Duro bridge South of the Spearman golf course. Palo Duro dam boosters are urged to begin "talking up" a dam on the Palo Duro river, before it is too late! This is about the third time this month that the Palo Duro has been at flood stage! If you want a dam on the Palo Duro let's all get busy and let the water board and Craig know how we feel!

Bloodmobile 150 Pints Is Goal

The Bloodmobile will be in Spearman August 14 at the Sacred Heart Parish Hall from 10 a. m. to 3:15 p. m.

The Bloodmobile will be coming to Spearman through the Wichita Regional Blood Center which supplies over 65,000 units of blood yearly for patients in the 141 hospitals in its district. Hansford Hospital is one of these.

The goal for this year's drive is 150 pints. Last year, the first year that Hansford County has ever reached its goal, the total pints collected were 190.

Members of the Hansford Hospital Auxiliary are in charge of details for the Bloodmobile visit.

Donors are asked to call for appointments, to either Joy McCormack, 2271, Jane Kenda 3243 or Alva Garner 3216. You are asked to call by August 11 since cards will have to be prepared before the arrival of the Bloodmobile on Aug. 14. It is estimated that the time required will be 15 minutes.

Any healthy person between the ages of 18 and 66 may give blood.

Patients who receive blood in any hospital served by the regional Red Cross blood programs are not required

to replace the blood. However, patients may help by asking relatives and friends to donate blood for the next patient.

Roll up your sleeves, reserve a time to give your blood on August 14 at the Sacred Heart Parish Hall.

Velma Taylor Services Thursday

Funeral services were held Thursday, July 31 at 2:30 p. m. at the First Baptist Church in Gruver for Mrs. Velma Taylor, who died Tuesday afternoon at Hansford Hospital.

Rev. John Denton, pastor, officiated. Interment was in the Gruver Cemetery under the direction of Boxwell Brothers Funeral Home of Spearman.

Mrs. Taylor was born March 21, 1922 in Jester, Oklahoma and had lived in Gruver 32 years. She worked with her husband in the family business, the Universal Oil Co.

She was a member of the First Baptist Church.

She married Grover Taylor in 1941 in Reed, Oklahoma.

Survivors include the widower, two sons, Jim of the home, and Jay of Dallas; three brothers, Leo Nippert of Clovis, N. M., Otto of Fort Worth and Gene of Dallas.

67 Report For FOOTBALL

67 prospective Lynx have reported for football physicals, in the Spearman Lynx camp so far this year. Head Coach, Gregg Sherwood, and his staff are attending the Texas High School Sports Association meeting in Fort Worth this week-end!

Sports writers at the THSA predicted the Spearman Lynx to reach the semi finals, and lost to White Oak in the semi final game. Of course, this is strictly speculation, and most Lynx fans know that the local team will miss all of the high school seniors who graduated; and, the Lynx will definitely have a hard time winning many of

the games on their schedule this year! Coach Gregg Sherwood is faced with replacing many outstanding seniors, including quarterback Timmy Harper, blocking back Mike Tucker, Donnie Davis (all state running back), Don Cooper (all state tackle), Roger Brown, outstanding lineman for the Lynx.

The Lynx will dedicate a new stadium in Spearman this year, when they open the season against Stratford, and then journey to Canadian the next week to dedicate the new Canadian stadium. The Lynx will have their hands full in both of these games!

Casketbearers were George C. Lowe, Dorsey Schad, Jack Weldon, Robert Ewing, Gene Fletcher and Lee Roy Mitchell.

Honorary pallbearers were Mack Hoel, Kermit McKee, Mack Beville, Howard Hinton, Leslie Barkley, J. C. Harris, Don Gross, Price Miller and Gordon Gross.

WEATHER BULLETIN

It is still misting rain as we go to press Sat. morning.

UNITED BEGINS SUNDAY ADV. IN PLAINSMAN

The United Grocery store in Perryton, has started advertising in the Sunday Plainsman, beginning with this issue. We welcome Max Smithy and his United store as the newest Plainsman advertisers!

Members of the First United Methodist Church will go to Gibner's Ranch for morning worship Sunday, Aug. 3 and then have dinner and fellowship, and games after the noon meal.

Visiting Tuesday through Friday in the home of Mr. and Mrs. Eugene Yarbrough and family was Mr. and Mrs. Wilton Youngblood and Trichelle of San Angelo, Texas.

This is not Laurel and Hardy, this is Loy and Harley, managers of the local Ideal store in Spearman, and they are extending a welcome to everyone to stop by and visit with them during their 55th Anniversary sale now underway at the big IDEAL grocery store in Spearman!

Rain Benefits Crops In County

Hansford County was blessed with heavy rains Wednesday and Thursday nights, as heavy clouds crossed the county. On Wednesday night, the Spearman-Gruver area averaged about .30 moisture and on Thursday night, and early Friday morning 1.35 fell, with an additional .10 by noon Friday. The total for this week is 1.75, at noon Friday and heavy

threatening clouds were still in the area.

The rain of this week will benefit the maize, corn, wheat, alfalfa, and sunflower crops in the county. If the rains continue, this could be one fine year for summer crops, but farmers know that August and September can be the hottest month of the year!

New Arrivals

Mr. and Mrs. Monte Lusby of Canadian are the proud parents of a baby boy born July 16th in Hansford Hospital. Robert Dale weighed 6 lb. 11 oz. at birth and measured 18 1/2 inches long. Robert has a two year old brother, James Edward at home.

Maternal grandparents are Mr. and Mrs. P. A. Lyon, Jr., and paternal grandparents are Mr. and Mrs. Junior Lusby, all of Spearman.

Mr. and Mrs. James Bayless of Everman, Texas are the parents of a boy born July 11. He weighed 9 lbs. 6 1/2 oz., and has been named Peter Marshall. He joins sisters, Pamela Dee and Julye Anne.

Library News

New books in Hansford Library include "Ragtime", E. L. Doctorow; "Green, Green My Valley Now!", Richard Llewellyn; "Loving Sands, Deadly Sands", Charlotte Keppel; "The Petrodollar Takeover", Pater Tanour; "The Mandrake Root", Joy Cowley; "Engagement", Eloise R. Weld; "The Landlady", Constance Rauch; "The Money Harvest", Ross Thomas.

New Science fiction - "Fade-Out", Patrick Tilley. Mysteries "Cry For Help", Doris Miles Disney; "Identity Crisis", Lorraine Latham. Westerns - "A Badge And A Gun", Vince Destry; "The Doomsday Marshall", Ray Hogan; "A Boat Named Death", Jack Beckman; "Stagecoach To Hell", Giles Lutz.

Non-fiction books are "A Choice Of Sundials", Dolan Winthrop; "The Legend Makers", Harry Sinclair Drago; "The Wind-swept Land" (History of Moore County) by Myma Tryon Thomas.

Following are book reviews from two books available at the library.

RAPE by Carol V. Horowitz. Rape is a private crime. Each rape victim has her own personal horror story. But the crime does not end after the act itself. One violent incident affects a woman's future: she is changed... in the eyes of her family, her friends, her man and, most important, herself.

RAPE THE PRIVATE CRIME, A SOCIAL HORROR takes the crime of rape out of the closet. The book deals candidly and openly with the most prevalent violent crime in the United States. It answers once-whispered questions about the rapists, who they are, why they rape. It offers practical, thorough advice on rape prevention to women of all ages--how to protect yourself on the streets, how to secure your home, what to do and who to call after you are raped.

Only one out of every ten women who are raped decide to report the assault. Rape victims are often subjected to degrading treatment from police officials and doctors immediately following the crime. Later, in court, the victim must relive the details of her rape before a jury. Worse, most states today permit a woman's past sexual history to be divulged in questioning by the rapist's attorney. A woman's previous "promiscuity" has been known to influence the jurors. RAPE includes portions of an actual court transcript from the 1970 rape case of a 16-year old girl.

THE MOST WANTED MAN IN AMERICA by John William Clouser also known as The Florida Fox with Dave Fisher; With the spirit of an Errol Flynn, he played as hard as he worked, made love to countless women in 44 states and 11 foreign countries, and there was only one problem. Jack Clouser was a fugitive from the law. He was a young and quickly successful Detective Sergeant on the Orlando, Florida police force when he

got into trouble. Sentenced to 30 years' imprisonment for an armed robbery he swears he did not commit, Jack Clouser managed his escape in 1964. In 1965 he was captured by the FBI, but almost immediately escaped again. Of the 56,000 fugitives in America, only ten at a time make the FBI's Most Wanted List, and Jack got on it--and stayed on it--longer than any man in history; nine years. When he surrendered in August of 1974, the "Today Show" recorded it for millions of Americans to witness. Jack Clouser, who eluded the police for ten years and four months, had turned himself in, saying he was self-rehabilitated and ready to prove it.

What happened in those ten years, now recorded in this book, shows the techniques used by this record-breaking fugitive for hiding out in America, how he taunted J. Edgar Hoover, how he got new identities (complete with social security card) time and again, how he disguised himself without make-up so that his own roommates wouldn't

recognize him from a "Ten Most Wanted" poster, how he developed techniques for avoiding suspicion, the skill it took--and the pride it brought--to evade the top law enforcers, and become America's most successful fugitive.

For entries you may write George Ray, Roy, N.M. 87748, phone 485-2559.

LOW VOLTAGE CAN KILL TOO

Everyone knows that a high-power line can strike you dead in an instant, but there's a dangerous misconception that low voltage (110-120 volt) house current isn't capable of causing electrocution. Actually, low voltages are sometimes more lethal than high ones. As little as 50 volts can fatally shock a man; while some persons have survived a jolt of 750 volts.

It is also well to know that water is an excellent conductor of electricity. In fact, your chances of being shocked shoot up over a thousand times if you are wet and in contact with electrical current.

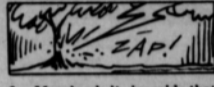

The key to electrocution is whether or not the victim is grounded. Electricity always seeks the easiest, quickest route to the ground, through the path of least resistance, which

July Ceremony Unites Couple

The late July sun streaming through the stained glass windows at the First Christian Church in Gruver provided a beautiful backdrop for the exchange of vows by Mary Jane Jones and Danny Jack Henson in a 6:00 P.M. ceremony, Saturday, July 26, 1975. Parents of the couple are Mr. and Mrs. Kenneth L. Jones and Mr. and Mrs. Jack Henson, all of Gruver.

Officiant for the double ring service was Dr. J. W. Duke, pastor of the First Christian Church. Mrs. Dan Shradler offered a musical prelude and ceremony organ selections. She also accompanied Miss Barbara Stedje as she sang "The Wedding March" just prior to the entrance of the wedding party. The soft glow of candlelight from two side candelabra and a center fan of candles added to the beauty of the altar scene which was enhanced by flanking baskets of pastel flowers arranged in graceful fans. Centering the altar scene was the ceremonial Ruth candle which was lighted by the couple following their vows. Presiding at the guest register in the foyer of the Church was Miss Stacy Jones, cousin of the bride from Springfield, Missouri.

Members of the wedding party included Miss Sheila Herberger of Midland, Texas, as maid of honor and other attendants Mrs. Ken Jones of Gruver; Miss Julie Fischer, Dallas; and Zoe Thompson, Abernathy. Tommy Henson, brother of the groom from Austin was the best man and groomsmen included Brad Stallcup of Lubbock; Mac Blankenship of Arlington; and Ken Jones of Gruver. Ushers included John Irwin, Walter Murrell, Jay Crawford, and Roy Mayhew, all of Gruver.

The lovely bride escorted by her father down the bridal aisle which was marked with votive candles and big blue satin bows, chose a formal length gown of white organza fashioned with a high neckline of scalloped Chantilly lace. Long sheer bishop sleeves caught at the wrists extended into deep cuffs. The sheer lace yoke was edged with heavily beaded Chantilly lace. The softly gathered A-line sweeping skirt fell to a chapel length train, highlighted by a flare ruffle in front extending up the back in a period apron affect accented by a large Dior bow. A band of scalloped Chantilly lace formed the hemline of both the skirt and train.

Her headpiece was a matching lace Juliet cap from which a finger-tip veil of lace edged illusion fell. She carried a bridal bouquet of yellow rose buds, stephanotis, baby's breath, and lily of the valley, centered

by an orchid corsage. She observed all the lovely traditions including a six pence in her shoe, the gift of Mrs. Anna Cooper.

Her attendants wore floor length gowns of light blue crepe styled with Empire waists accented by bows. They wore lilies of the valley and miniature cream rosebuds in their hair and each carried a cascade bouquet of pastel spring flowers.

The men of the wedding party wore blue tuxedo coats with powder blue ruffled shirts and the groom and the fathers of the couple wore black tuxedos with white shirts.

For her daughter's wedding Mrs. Jones wore a tangerine floor length chiffon gown and the groom's mother, a white and green floral chiffon floor length gown. Each wore corsages of white orchids.

Special guests included the bride's grandmother, Mrs. Mary Brown from Billings, Missouri; Mrs. Betty Henson, paternal grandmother of the groom from Tahlequah, Oklahoma, and Mrs. Tom Dozier, maternal grandmother of the groom.

A reception followed the sanctuary ceremony with members of the wedding party receiving guests in the Fellowship Hall of the Church. Presiding at the bride's table were Mrs. Mac Blankenship of Arlington and Miss Linda Crawford of Gruver and at the groom's table, Miss Linda Rae Johnson, cousin of the bride from Billings, Missouri, and Miss Jo Hadgson of Dallas presided.

The elegant bridal table was laid with a white linen cloth centered by an arrangement of pastel daisies and baby's breath in a low crystal bowl, accented by the sparkling punch service and highlighted by the tiered wedding cake which was decorated with spring flowers and topped by a miniature bride and groom. The groom's table was highlighted by the gleaming silver coffee service and the double ring groom's cake.

The new Mrs. Henson chose a wrap-around coat dress of light blue knit accented by beige collar and cuffs with which she wore beige accessories and the orchid from her bridal bouquet for their wedding trip to Hawaii. Mr. Henson was also attired in light blue accented by a beige shirt for travel.

Mary Jane and Danny are both 1971 graduates of Gruver High School and attended Texas Tech University at Lubbock with Mary Jane graduating this spring with a Home Economics degree and Kindergarten Education degree. Danny is majoring in Business with a minor in Agriculture and will be a member of the December

Hadley Reed of Spearman takes possession of the All-Around Saddle for the Sunday afternoon performance of those age 5 to 10 years while admirers cheer for him.

4th Annual Little Britches Rodeo Success

All of the thrills, spills, excitement, and suspense of a big-time rodeo were evident at the two performances of the 4th Annual Gruver Little Britches Rodeo this past weekend.

Taking top honors and earning the handmade All-Around Saddle at the Saturday evening performance for those in the 11 years to 13 years group was Bill Shipley, son of the Bill Shipleys of Stinnett and grandson of the Keith Lambs of Gruver. Hadley Reed, son of the A. D. Reeds, Jr., of Spearman and grandson of Mrs. A. D. Reed, Sr. of Spearman and the T. C. Harveys of Borger, took top honors and was awarded the All-Around Saddle for the Sunday afternoon performance for these age 5 years old to 10 years.

Winners of 1st, 2nd, and 3rd place belt buckles in the Saturday night performance which began at 8:00 P.M. at the Gruver Rodeo arena included for the Pole Bending, Kaylynn Scarborough, Gruver, 1st; Jan Beckett, Boise City, 2nd; and Bill Shipley, Stinnett, 3rd. In the Barrels, Ty Williams, Gruver, was 1st; Tina Harland, Texhoma, 2nd; and Darla Ames, Gruver, 3rd.

Winners in the Break Away Roping were Robert Guinn, Stinnett, 1st; Bill Shipley, Stinnett, 2nd; and D. L. Funderburgh, Dublin, Texas, 3rd. For the Goat Tying, Darla Ames, placed 1st; D. L. Funderburgh, 2nd; Billy Helm, Guymon, Oklahoma, 3rd.

In the Shetland Riding Division winners were Zee Allen, Perryton, 1st; Ashley Allen, Perryton, 2nd; and Randy Washburn, Gruver, 3rd. For the final event Saturday night, Steer Riding for the 11 years through 13 years, Bill Shipley placed 1st; Stu Henderson, Sunray, 2nd; and Bent Criswell, Perryton, 3rd.

The 2:00 P.M. Sunday performance for the 5 year

graduating class at Tech. She is a member of Delta Gamma sorority on the Tech Campus and he is a member of Sigma Phi Epsilon. They plan to live in the Gruver area following Danny's graduation where Danny will be associated with his father in farming and ranching.

The rehearsal dinner was hosted by the Jack Hensons at the El Vaquero Friday evening with the tables laid for fifty guests. Low arrangements of blue daisies accented the tables.

olds to 10 year olds followed an appetizing Barbeque at the Gruver Rodeo Arena prepared by the Gruver Rodeo Club under the direction of expert barbeque culinary artist Dale Cates of Canadian.

Included as winners for the Sunday afternoon performance in the Pole Bending event were DeWayne Huckaby, Amarillo, 1st; Karie Lee Smith, Dumas, 2nd; and Shea Huckaby, Amarillo, 3rd. In the Barrel Racing DeWayne Huckaby took 1st place; Karie Lee Smith, 2nd; and Crystal Smith, Dumas, 3rd.

In the 5 to 10 year old Goat Tying, Duward Cator of Gruver, earned 1st place; Suzanne Hart, Gruver, 2nd; and Crystal Smith, Dumas, 3rd.

Hadley Reed came in 1st in the Shetland Riding event with Marshall Cator, Gruver, 2nd; and Bubba Gammon, Gruver, 3rd. In the Steer Riding, the last event of the Little Britches Rodeo, Bubba Gammon came in 1st; Wesley Wood, Gruver, 2nd; and Marshall Cator, 3rd.

Out-clowning the best of them were the Curlee twins, Jimmy and Jerry, who expertly maneuvered the contestants so that few mishaps and no serious injuries occurred during the two performances. Offering the invocation for the Saturday night performance was Tanya Hart with Jimmy Womack offering the Sunday afternoon invocation.

Carrying the American Flag for the Grand entry Sunday was Quentin Hart with Todd Williams bearing the Texas State Flag. Announcer for the Rodeo performances was Leon Bagwell who was assisted in the bookkeeping department by Mrs. Benny Wilson, Sandy Atwood, and Tanya Hart. Field men included Harvey Atwood, Jon Hart, Bill Hawkins, and Carl Cooper was in charge of the Barbeque and was assisted by many of the Gruver Rodeo Association members in serving and in other details of the rodeo.

Participants and spectators alike thoroughly enjoyed the 4th Annual Gruver Little Britches Rodeo which was favored by fair weather for both performances.

The word filibuster stems from the Dutch word vrijbuiter meaning freebooter or pirate.

KFDA To Broadcast Lewis Telethon

America's greatest entertainment spectacular, the Jerry Lewis Labor Day Telethon, will be broadcast again this year over KFDA-TV, Channel 10, starting at 10:30 pm, Sunday, August 31st, and ending 10:30 p.m., Monday, September 1st.

The annual supershow, featuring comedy, music, and dance will be broadcast live from Del Webb's Hotel Sahara in Las Vegas. Ed McMahon will again join Jerry as anchorman.

The Telethon, held to benefit the research and patient service programs of the Muscular Dystrophy Association (MDA) will be beamed to over 190 stations in the continental U. S., including Alaska, and will be seen live via satellite in Hawaii and Puerto Rico.

Arthur Forrest, producer-Director of Telethon '75, is helping Jerry line up more new talent than ever to celebrate the 10th anniversary of the Telethon. New

stars will be joining such veteran Telethon celebrities as Sammy Davis, Jr., David Hartman, Wayne Newton, Carol Lawrence, Don Ho, and Chad Everett. Also helping Jerry will be a host of sports stars headed by Miami Dolphins quarterback Bob Griese, chairman of MDA's National Sports Committee.

Last year's Telethon, ninth in the annual series, raised over \$16.1-million for the fight against muscular dystrophy. Jerry Lewis predicts an even greater response this year, because, he says, "The wonderful generosity of the people in this country just keeps snowballing. I know

the caring will keep on growing until it's big enough to produce a cure. I look forward to the Telethon every year--but this year especially because we'll be seen and heard more widely than ever before. And that means more money to give more kids with muscular dystrophy new hope."

Washingtons Attend Merchandise Show

Mrs. Merle Washington and her son Perry, representatives of White's Auto Store in Spearman, Texas recently attended the semi-annual merchandise show held at the Statler Hilton in Dallas, Texas, July 21-23.

The Washingtons were part of a group of dealers who attended the meetings and presentations of the merchandise lines for Christmas 1975 and the fall season. This year's show emphasized the new and exciting lines of giftware and housewares and all the latest ideas from the toy world. White's has recently expanded the giftware and houseware lines, and the toy lines are more complete than ever.

During the show, the Washingtons also received product sales training from company representatives, and were counseled concerning credit, service, and advertising.

White's is a chain of stores with over six hundred franchise and one hundred and fifty company-owned outlets located in eighteen states spanning the Southwest and the southern seaboard.

Party Honors Pat McKay

A going away swimming-hot dog party was held Sunday, July 20th at the swimming pool park honoring Pat McKay, who will be moving to Perryton.

The party was hosted by Mr. and Mrs. Charles Eaton and those present were: Chuck Eaton, Sam Boone, Terry Burke, Zane Newton, Kyle Beedy, Todd Brock, David Ortega, Joey Avila, Susan McKay, Diane VanZandt, Johnnie Eaton, Cayla Eaton, Rhonda Nelson and Mrs. Kenneth McKay.

Well, Charles and Doris Switzer finally got their orders on when they leave for Brazil. They will be leaving Spearman August 16th. We're going to miss Doris; we've always enjoyed our visits with her.

Hope to see you before you leave, Doris, you too Charles. Good Luck!

Have a "Happy Day" old Bear.

Visiting in the home of Buzz Horton last Tuesday was his sister, Essie McGuire of Fintana, California and his brother-in-law and wife, L. V. and Faye Kittrell of Los Angeles. Was nice meeting L. V. and we pray you have a safe journey home.

Buzz told us that he is leaving the Middle of August for a month's fishing. He's going after those big salmon, again.

Buddy Hopper, son of Bill and Garland, took our grandson, Bobby Swickard, fishing last Tuesday evening. Bobby hasn't stopped talking about it yet. He caught himself catfish. Thanks Buddy for having Bobby go with you.

If any of you are looking for farm work contact me at 2186. Or come by the Station next to A-W and leave your name.

Frank Galvan is now back working for Myrtle Burgess at Spearman Bi-Products. Myrtle is still looking for a boner and a skinner.

Nice having you back, Frank!

Charles Switzer left last week by plane for Brazil. Doris will be following in August.

God Bless!

Stinnett, Texas 79083

Dear J.B.:

It was very nice seeing you and Mrs. Buchanan again. I was especially pleased that you are again in excellent health.

My visit to your farm was exciting, especially the creative activity generated by the oil riggers. They proceeded with the dismantling job with a skill, enthusiasm and obvious enjoyment that is somewhat uncommon in today's world. Please convey my warmest appreciation for their assistance.

The windmill has been put together again with loving hands by Don and George Watson (both send their regards). As I promised I am sending you some very informal snapshots of that display area which otherwise has not yet been worked upon. When backgrounds, and other items are in place I will send you additional views.

Has Jonah made progress in his contacts with the Smithsonian regarding his models? If he needs any assistance at this end of the line, please ask him to telephone (collect) (202) 381-5295.

I would like to thank both you and Jonah for making this key display item available to the Smithsonian and for all of the cooperation you have given so freely to us.

Warmest regards,
Gene

Hwy 50 Rest Area Nominated For Beautification Award

A motorist can literally wine and dine his/her friends from the highway right of way in George Perrin's maintenance section.

Road weary travelers who stop at a safety rest area beside U. S. Highway 60 northeast of Miami (maintained by George Perrin) find clusters of grapes either attached by vines to cottonwood trees or entwined in various shrubs and bushes that border the rest area.

The highway right of way grape crop, ripe for picking in spring or summer makes an excellent wine and a delicious jelly.

Perrin, maintenance construction supervisor at

Canadian, is the State Department of Highways and Public Transportation Amarillo District nominee for the Sixth Lady Bird Johnson Highway Beautification Award.

The award salutes the Department maintenance construction supervisor or foreman who has done the most outstanding work in highway beautification, said A. L. McKee, Amarillo District Engineer.

Mrs. Johnson will present a \$1,000 prize and plaque to the winner and a \$500 cash prize to the runnerup on Sept. 18 in ceremonies at the LBJ State Park near the LBJ Ranch.

Perrin is one of 25 nominees for the award; the nominees include one maintenance supervisor or foreman from each of the State Highway Department's 25 districts.

Perrin's maintenance section includes all of Hemphill County and portions of Lipscomb and Roberts Counties.

For those motorists who don't prefer to laze about on a summer afternoon at the U. S. 60 rest area tasting the delectable grapes, a drive farther northeast into George Perrin's maintenance territory to seek sandhill plums that flourish on the highway right of way might be the drawing card.

About a half hour later,

start looking for those sweet plums--red, orange, yellow dots from the highway--as the ride takes you down the 12-mile highway, Farm to Market Road 2266, otherwise known as Lake Marvin Road.

Plums grow on trees, also on bushes, according to the encyclopedia. A long Lake Marvin Road, plum bushes thrive. A savory jam made from these plums has earned an area-wide reputation.

While traversing the right of way enroute to Lake Marvin a stoop to sniff a wildflower is important. Photograph an Indian Blanket or a daisy.

"More rain than usual this

year has yielded more wildflowers along the right of way than I've ever seen before," claims George Perrin, a lifelong Canadian resident.

Perrin has cultivated the growth of various wildflowers, and grapes and plums, along his 380 miles of highways by suspending mowing operations during primary blooming and seeding sessions, whenever and wherever possible.

The Canadian River bisects Perrin's maintenance area and the river's sometimes flowing tributaries pass close to many of the section's highways to provide some surface moisture necessary for vegetation

to grow and enhance the roadside.

However, attempting to compensate for the lack of moisture from the windblown skies over Hemphill, Lipscomb and Roberts Counties continues to be a constant battle. Water must be hauled in Department trucks to roadside parks in order to have them grassed over.

Perrin's ability to beautify the roadside utilizing sound landscaping procedures is evident on U. S. Highways 60 and 83, SH 33 and FM Roads 2266, 2388, 277 and 1268.

The maintenance supervisor's enthusiasm claims

not only his work but the land of the Panhandle. The best time to view the wildflowers, he says, is right after dawn. "The wildflowers seem to glow. And there's a great deal of wild-life crossing the highways at that time of the day, too," states Perrin.

Perrin enjoys watching the wild turkeys, rabbits, skunks, deer and other animals scamper across the warm pavement early in the morning. He especially gets a kick watching a young turkey brood trailing their mother through the National Grasslands. "When the turkeys grow up they're not as cute, according to the Amarillo

District nominee.

The pan preserves natural beauty beside his highways by pruning big and aging trees in rest areas and having those trees that need it sprayed with insecticides.

Perrin, who lives at 311 N. Fifth in Canadian, began his Department career in June 1955 as a truck driver. He first worked at Canadian and Miami. Three years ago he was named maintenance construction supervisor, and now directly supervises 22 employees located in the main warehouse at Canadian and a sub-warehouse at Miami.

In the fall Perrin watches license plates. Cars, trucks and recreational vehicles from throughout the nation and world come to Canadian to travel the Lake Marvin highway when the world-famous fall foliage tours are conducted.

Surprisingly, it is not only in the spring and summer but fall also when wildflowers sprout in this area of the country.

Among the varieties of wildflowers that grow along the highway right of way in George Perrin's maintenance section are: Indian Blanket, known also as Gallardia or Firewheel, an attractive flower that blooms throughout the state, one that resembles the bright tapestries of the Western Indians; Spectacle Pod, a beautiful flower atop a long, slender stem; Gum Daisy, a yellow flower that when broken is sticky to touch; and Wild Gourd, a thick vine.

The 1974 Amarillo District nominee for the Lady Bird Johnson Highway Beautification Award was Lowell Robertson, maintenance construction supervisor at Perryton.

Last year, a State Department of Highways and Public Transportation employee at Shamrock, Joe B. Hall, was one of six nominees selected as a finalist. Maury M. Crow, maintenance construction supervisor at Johnson City was named winner of the 1974 award, and Albert J. Holik, Jr., maintenance construction supervisor at Cuero, runner-up.

Consumer Food News

COLLEGE STATION---Demand for beef, particularly for quick-cooking cuts, is influencing the price, one consumer marketing information specialist said this week.

"For real economy, select the less tender cuts such as chuck roasts, chuck and round steaks. Other good choices are ground beef and liver, pricewise," Mrs. Gwendolyn Clyatt, with the Texas Agricultural Extension Service, The Texas A&M University System, said.

Another economical possibility is fresh fish and shellfish. Many varieties will be available in the coming weeks, adding to good supplies of fresh frozen seafoods. This means attractive buying opportunities at prices substantially below a year ago, the specialist reported.

"Increasing supplies of peaches, nectarines, plums and grapes have resulted in slightly lower prices.

Fresh vegetables soon to be arriving on the market in canning-size quantities are purple hull peas, soft shell squash, carrots, corn, cucumbers, cshaw, green onions and radishes."

Prices are slightly higher on fryer chickens.

Eggs are in good supply at reasonable prices. Compare large and medium sizes for the best value for egg money.

CONSUMER WATCHWORDS: This year's crop of apricots is large. But since the season is short, prices will remain relatively high.

white satin streamers. The tiny flower girl wore a similarly designed floor length dress with white lace cap sleeves and carried a basket of yellow rose buds.

The groom's attendants were Stephen Bort, brother of the bride from Canyon, who served as best man, and Groomsman Roger Bell and Coy Barton, Jr., Ronnie Woodall, all of Sunray, and Douglas Rasor, brother of the groom with the United States Navy stationed at Norfolk, Virginia. Men of the wedding party wore pale blue tuxedo coats accented in navy blue with dark blue slacks, completing their attire with yellow ruffled shirts accented by blue edging. The groom wore a powder-blue tuxedo coat accented by dark blue with which he wore a white

ruffled shirt edged in yellow. For her daughter's wedding, Mrs. Bort chose a soft apricot floral floor length gown and the groom's mother wore a coral and beige floor length gown. Each wore white orchid corsages. The two grandmothers, Mrs. Arthur Bort of Gruver and Mrs. Antoinette Infelise of Stockton, California, each wore a yellow cattaleya orchid.

Following the ceremony a reception was held in the Church Hall with the groom's sisters Mrs. Bob Diemer and Mrs. Bob Smith, both of Tonkawa, Oklahoma, presiding at the elegantly laid serving table. Centering the reception table was a silver epergne with an arrangement of yellow and white daisies flanked by two slim white tapers. Highlighting the

table was the four tiered wedding cake decorated with white daisies topped with a miniature bride and groom centering a white wedding bell. White cherub colonades separated the tiers. Punch served from a silver and crystal punch bowl and mints were also served during the reception. Tiny Miss Kristi Diemer, niece of the groom from Tonkawa, presented the guests with rice bags during the reception.

For a brief wedding trip Mrs. Rasor chose a three piece peach double knit suit accented by a corsage of yellow rose buds. A 1975 graduate of Gruver High School, she is presently employed at the Gruver City Library during the summer before entering West Texas State University this Fall. Mr. Rasor, a gra-

duate of Sunray High School is employed at the Bernstein Elevator for the summer. They are at home at 402 Womble in Gruver.

Out-of-town guests attending the wedding included Mr. and Mrs. Frank Infelise, aunt and uncle of the bride from Stockton, California; Miss Patricia Bray of Virginia Beach, Virginia; Mr. and Mrs. Bob Diemer, Jr., Kristi and Misti, Mr. and Mrs. Bob Smith and Tim, all of Tonkawa, Oklahoma; Mr. and Mrs. John E. Leather Tooling Class Offered

Amarillo---Registration for evening classes in Leather Tooling may be made at Texas State Technical Institute, Mid-Continent Campus.

The course will begin September 9 and will meet each Tuesday evening, 7:00 to 10:00, for twelve weeks. Registration fee is \$35.00, and continuing education units may be earned. Classes will be held in the Saddle and Tack Making building on campus.

Instructor for the tooling class will be Mrs. Wayne Cates, 204 S. Houston. Mrs. Cates, who directs the tooling portions of the Saddle and Tack Making friends Thursday evening,

program at Mid-Continent Campus, is considered one of the most proficient craftsmen in leather tooling in this area.

Enrollment is limited, according to Bill Soule, director of Special Projects at State Tech. Information may be obtained from his office, by calling 335-2316, extension 251, or by visiting the Special Projects office on campus.

The people have a right to petition, but not to use that right to cover calumniating insinuations.

Bort-Rasor Vows Solemnized

A beautiful mid-July evening was the background setting for a double ring ceremony uniting Miss Antoinette Bort and Mr. David Rasor at the Sacred Heart Catholic Church in Spearman, Friday, July 18, 1975. The bride is the daughter of Mr. and Mrs. Andrew Bort and the groom, the son of Mr. and Mrs. Douglas Rasor, both of Gruver.

The 7:30 P.M. service was read by the Reverend Anthony Manocchio, visiting instructor from Mount St. Mary's Seminar in Maryland, before and altar setting of two baskets of yellow gladiola and giant white daisies, flanked by two spiral candelabra entwined with greenery and bearing white cathedral tapers.

Guests were registered at a table in the foyer by Miss Inell Byrd of Gruver and seated by the brother of the bride, Arthur Bort of Canyon and Lewis Hill of Gruver. Prior to the service Mrs. Jerry Moller of Gruver offered traditional nuptial organ music and accompanied Mrs. Alfred Ralston as she sang, "The Wedding Song", "More" and "Our Father".

The radiant young bride, who was accompanied to the altar by her father, presented a yellow silk rose bud to her mother, Mrs. Andrew Bort, and one to the groom's mother, Mrs. Doug Rasor as she entered the Church. She chose a wedding gown of white lace over taffeta designed with a scalloped neckline enhanced by a ruffle of lace edged in sequins which was also used as the edging for the long lace sleeves and cuffs. The period styled gown swept to a full length skirt, caught at each side revealing ruggles of lace each edged in sequins which was also repeated at the hemline of the gown. Her cathedral length veil of bridal illusion, edged in a lace pattern with sequins fell from a caplet of white satin. She carried a bridal bouquet bordered with white lace of yellow rose buds, yellow and white daisies with streamers of white satin tied in lover's knots.

Attending the bride were her maid of honor, Kathy Infelise, her cousin from Stockton, California, and four bridesmaids, Miss Diane Bort, her cousin from Littleton, Colorado, and the Misses Brenda McCord, Cheryl Harris, and Clara Grottegut, all from Gruver. The dainty little flower girl was Misti Diemer, niece of the groom of Tonkawa, Oklahoma.

The attendants wore sleeveless yellow and white dotted Swiss, floor length gowns, designed with scoop necklines accented by white lace ruffles. The Empire waistlines were accented by yellow satin ribbons which were repeated as streamers falling from their wide brimmed white silk bonneted garden hats. They carried nosegays of yellow and white daisies with yellow and

The 1974 football season was the best for the Lynx in Spearman High School's history. In fact it was perfect except for the first and last games. The Lynx lost their first game of the season to Stratford 14 to 20. They then started a 13 game winning streak. The Lynx were undefeated in district play. Then, defeated Henrietta 50 to 19; Olton 24 to 19; Bowie 43 to 7; Bowie 43 to 8. The Lynx then advanced to the State finals where they were defeated by a BIGGER Newton team, 56 to 26, in a hard-fought ball game. Coach Greg Sherwood's Lynx ended the season with a 13-2 record. This is Coach Sherwood's second and most outstanding year here at Spearman.

Saied-Samara-Shaheen Family Reunion Held

Hugh Downs Is Interviewed

The annual Saied-Samara-Shaheen family reunion was held July 11, 12 and 13 in Elk City, Okla. hosted by Mr. and Mrs. Fred Saied.

Entertainment was by the Mad Medics Plus Three, a Dixieland group from Wichita Falls of which Dr. V.C. Saied is a member. Jenny Lynn Massad of Spearman, daughter of the former Jenny Saied, played the piano and sang during the Sunday dinner.

Hugh Downs, longtime host of NBC's "Today" show and his wife, who is a niece of Mack Saied, Sr., and cousin of Mrs. Jenny Massad, were present.

Attending from Spearman were Frank Massad and Jenny Lynn, and from Wellington were Mr. and Mrs. Mack Saied, Sr., Mr. and Mrs. Mack Saied, Jr., Bobby Saied, Mary Saied, Jimmy Saied and Becky Saied. Mrs. Massad was in Everman welcoming her new grandson and was not able to attend.

A staff member of the Elk City, Okla. Daily News, Mark Kingsolver, interviewed Mr. Downs. The interview follows:

Hugh Downs would like to have you believe he is just the average man on the street type. But if you ever meet him, don't fall for it. He is just a man but he's far from average.

A former host of NBC's "Today" show for many years, Downs wealth of knowledge is astounding.

His hobbies are many and varied, including: collecting airplane pilot ratings (he wants to fly jets now), gun collecting, boat navigation, horses and history. Even though he is supposedly retired, these still occupy his spare time only.

Downs was in Elk City Saturday to attend a Saied, Samara, Shaheen family reunion. His wife's Ruth's, maiden name was Shaheen.

The Downses were on their way to the NASA center in Florida to attend National Space Institute (NSI) meetings and to watch the launching of the Apollo-Soyuz project Tuesday.

Downs has been invited to the organization of the NSI in order to promote the American Space program. He is now a member of the board of governors.

Down's television itinerary for the next year include hosting seven "Not for Women Only" NBC specials. He will host an eighth with Barbara Walters who is hosting seven others. A Shoshone special for the Public Broadcasting System and a Today program Sept. 18 featuring a look at his home state, Arizona.

He said he has worked harder since leaving the "Today" show and he often misses broadcasting on a daily basis.

"I miss the 'Today' show more now than I first thought I would. But there is one thing I don't miss...getting up at 4:30 every day. I've gotten out of the habit now. I get up at 5:30 or 6:00, he said.

The Downses reside near Phoenix, Arizona, where he is a member of the Arizona State University Journalism Faculty staff.

The kind of man who takes his hobbies seriously, Downs interest in navigation led to the sailing of the Pacific Ocean in a 65 foot ketch. His son, H.R., then 19, a radio operator, a mechanic and a photographer were his companions on the trip. He is contemplating a second trip.

Downs has written several books, including a recounting of his Pacific Ocean voyage, his voyage, his autobiography, a scientific work, "Rings Around Tomorrow," and a book on "Human Maturity," which he spent eight years writing.

Meanwhile, Downs has remained in the public eye with appearances on several national car commercials.

"I enjoy doing commercials and I sincerely don't do them unless I believe in the product. I'd like to do some more, if I get another chance with the right product," he said.

Even though he is not as close to the problems as he once was, Downs still has some thoughts about America's future, Watergate and CIA disclosures.

He agrees that it seems America is headed the same direction as many prior world powers. But he said he sees some evidence of a reversal of the trend.

"I have this hope that we have

the technology to save ourselves," he said.

He added that America's initiative is one of the major pluses.

"As evil as the press may be at times, there is nothing as evil as government control of the press," he said.

He said, however, that during the years in New York on the "Today" show he encountered little pressure from any outside sources.

"We really didn't encounter much pressure except President Johnson would call us after a program to discuss what we had just said," Downs recalled.

The Watergate scandal and the downfall of Richard Nixon was the fulfilling of a premonition for Downs.

"I thought I was getting paranoid. But I didn't like the people Nixon was surrounded by. I had a feeling something was going to happen," he said.

Downs also said the recent disclosure that the CIA was involved in several illegal operations came as no surprise. He said he has had no run-ins with the CIA but he got a taste of FBI surveillance once in the 1940s.

"I became interested in nuclear physics, so I went to the library and checked out all the books on the subject I could find. Of course at this time nuclear physics was just in the experimental stages. I later discovered the FBI had checked into my background to see if I had any German ancestry," he recalled.

He called the FBI in 1961 to see if they had a file on him and to see if he could look at it. The FBI said they would contact him but he never heard from them again.

Downs said many facts in Washington remain secret because the press is forced to protect their sources, as evidenced by the frequently used "Sources said," Downs explained.

"I often have dinner with Secretary of State Henry Kissinger and he'll discuss many things with me just because he knows I won't disclose what he says.

"We don't meet the way we used to because I disagree with many of his foreign relations decisions, but he still knows he can rely on me," Downs said.

Speaking on foreign relations and moving back to the Apollo-Soyuz space project, Downs said he hopes "this signals an agility by the two countries to communicate in order to stave off a war."

While Downs is involved in his projects, Ruth has become well known for her needlepoint.

"If we can begin to sell her work on a national level, I'll devote more of my time to helping her. She has a real talent for producing quality work," he said.

Hansford Lodge Meets

Hansford Lodge #1040 A. F. & M. met Monday, July 28th in the Hansford Lodge Hall with Dan Farries, Worshipful Master presiding with approximately fifteen present, including W. R. Foster of Riesel, Texas and Bill Horst of Skellytown, Texas.

Installing Master, J. R. Collard and Installing Marshall, Ceril Batton installed Lowell Turner, Sam Abston, and Russell Pogue as officers for 1975-76.

Discussion was held on the Hi-Plains Hilltop Annual Meeting held Saturday, July 26th in the Aluminum Dome at Borger. Attending from Spearman were John R. Collard, Lowell Turner, Dwayne Smith and Ceril Batton.

Also discussed was the lawn at the Lodge Hall being cut.

Next meeting will be August 11th in the Lodge Hall.

INFORMATION FOR VETERANS

Jack Coker, Veterans Administration Regional Director, commented today that contrary to a misconception held by many, wills cannot change beneficiaries named on life insurance policies issued by the agency.

Coker stressed that point while reminding veterans to make certain that persons whom they intended to receive their insurance are named on their policies. Veterans who fail to do so could add to emotional stress of survivors and cause unwarranted financial hardship, especially on widows

and young children, when it is discovered the intended beneficiary was not named, Coker explained.

In such cases, the agency is obligated by law to pay insurance proceeds to the beneficiary of record. Most of the agency's policy-holders are World War II veterans who carry National Service Life Insurance.

The problem of insurance benefits going to unintended recipients has arisen in most instances because the veteran simply never got around to changing an earlier listing of beneficiaries, according to Coker.

In a typical case, the veteran named his mother as beneficiary when he took out his policy. Later, when he married, he forgot to notify VA to change his beneficiary.

Coker urged any veteran who wishes to check on or change his beneficiary to contact the VA insurance center to which he pays his premiums--either in Philadelphia or St. Paul. The veteran should be sure to provide as much information as possible, including policy number, full name and address, Coker said.

Members of a Mohammedan sect carry jade amulets to protect themselves from annoyance and injury!

The first coins called staters were made during the 600's B.C. in Lydes, a country in what is now Turkey, according to World Book Encyclopedia.

There is a spirit which like the father of evil, is constantly "walking to and fro about the earth, seeking whom it may devour": it is the spirit of false philanthropy.
