

Donald Cooke Need Services Held A Job?

Funeral services for Donald Cooke, 47, were conducted from the Hamilton Funeral Home Chapel in Alamo, N.M. Friday, August 3 at 3 p.m. Mr. Cooke, a resident of that city for the past 13 years, died late Tuesday night following a heart attack.

Donald was born and reared in Spearman, the only son of Mrs. J.B. Cooke and the late sheriff J.B. Cooke. He finished Spearman High School in three years. In 1957, he graduated from the University of Texas, magna cum laude. He was a pharmacist.

He is survived by three sons, Jim, Jon, and Christopher Cooke, his mother, Mrs. J.B. Cooke, and his maternal grandmother, Mrs. J.H. Richards.

In the past month the Employment Division of the Spearman Chamber of Commerce has worked hard to provide a needed service to Spearman and the surrounding area. We have assisted in the placement of 13 people and have made over 90 referrals. If you are an employer in need of an employee, we are here to help you!

WIFE Is Still At It

The President
The White House
Washington, D. C. 20500

Dear Mr. President:

In these times of inflation and high prices we often say, "A nickel will not buy anything any more." A nickel will not pay for a postage stamp, a phone call, nor even your way into a pay toilet. A nickel will not buy a candy bar, a pack of gum, nor even a handful of peanuts. A nickel will not buy a Coke, a cup of coffee, nor even a cold drink of water in a lot of places. A nickel will not pay the grocers profit, the transportation, nor even the wrapping on a loaf of bread.

So you say, "Is there anything a nickel will buy?" Well, do not despair.

Thanks to the GREAT AMERICAN FARMER, a most unique individual, who will go into debt to work for nothing, to not only feed his own family but fifty-seven other people of this mighty nation, you can buy the wheat in a loaf of bread not for a nickel, but in fact, for less than 3¢. So here it is.

Have a loaf on me and keep the change.

Sincerely yours,

Oliver Holt

UGLY

OR

BEAUTIFUL?

It all depends on whether or not you are a lobster-lover. To those who enjoy this succulent fruit of the sea, a lobster is a thing of beauty. To others, it seems incredibly ugly.

Beauty is "in the eye of the beholder," but, contrary to another old saying, it is not skin deep. True beauty often can't be seen at all. It is something you feel, something of which you are aware—not necessarily seen.

Beauty, for instance, surrounds you when you walk into a church. There is something in the atmosphere that you can't quite define. No matter what's been happening to you, in God's Home, you feel a sense of peace, of sanctuary.

Had that experience lately?

Although the unemployment rate in the U.S. has been running about 7.3 percent, according to the Bureau of Labor Statistics, there are some people who are working out ways to increase the amount of work available.
 Economists say the removal of price controls on "raw" natural gas will undoubtedly encourage new drilling efforts and hopefully result in increased supplies of natural gas, which could in turn bring about more jobs across the industrial spectrum.

Farmers in Hansford County are invited to a 7:30 p.m. meeting Monday, August 15, at the County Barn in Spearman to hear a representative of the Texas Farm Bureau present details and educational information pertaining to the organizing of a wheat and milo division under the new commodity division concept. Aubrey Rasor of Gruver, chairman and organizer of the meeting, has announced that Roy Custer of Amarillo will be the speaker for the meeting. In making the announcement, Rasor mentioned that all farmers should attend the meeting to obtain details about how they can have a way to lobby for commodities at the state and national level.

Hutchinson County Pioneers To Meet

Officers of the Hutchinson County Pioneer Association are Rex Board, Chairman; Hugo Lerner, Vice Chairman; and Mrs. J.C. Matney, Secretary-Treasurer.

Allergies

About half of us are allergic to something. Pollen in the air can trigger hay fever, certain foods can start hives. Possible allergens are countless -- house dust, animal fur, feathers, cosmetics, bleaches, medicines, foods, even pollen. Some people are even allergic to their own bodies. And there is the classic case of the woman who was allergic to her husband. The American Medical Association points out that the most common result of allergy are four illnesses -- hay fever, asthma, skin rashes, and digestive disturbances. Hay fever is a disease of the bronchial tubes of the lungs. Food allergies, a sensitivity to one of more foods, can affect the skin, the digestive tract or the respiratory system. Skin allergies cause itching, sometimes rash. Reaction to an allergen varies with individuals. One person may be only slightly upset by eating an egg. Another could become violent ill from a small trace of egg in salad dressing. There still are many unknown factors about the reason someone suddenly becomes allergic to something. Allergic diseases are not usually fatal, but they can cause untold discomfort and suffering. Although worry and stress might be a contributing factor, allergy is not an imaginary illness. It is very real to the sufferer. Sometimes the allergen is known and can be avoided. Sometimes many tests by a physician are required to arrive at the true cause. Medical care is necessary for relief of discomfort and for protection against future attacks.

Unless you are the vigorous type who wades through racing rapids or rows hard miles, fishing is only mild exercise, but still is good for the body and spirit. Fishing also is a relatively safe sport. But it does have some built-in hazards. Most of them can be avoided. The most common fishing accident is catching a barbed hook in the flesh, usually a finger or hand, but sometimes a leg or other part of the body. Lures and hooks left unattended on a dock or on the bottom of a boat cause many of these accidents. The wise fisherman guards against hook accidents by shielding the hook. One simple way is to stick a small cork over the barb. Lures should be stored in the tackle box until needed, and returned promptly to the box when removed from the leader. Fly or bait casters are responsible for many hook accidents to

Meeting For Farmers Set

The meeting in Spearman is one of several to be held in the Panhandle area as part of an effort to get farmers in 26 counties organized and involved in this new concept, it was announced. The purpose of the commodity activities division notes that there is profit in belonging to, and working with, well organized organizations. Farm Bureau is the largest organization of farmers and ranchers in the world. The new commodity division concept is a system within the farm bureau which will give members an opportunity to take part in programs and activities directly related to their principal commodity interest to be designed to provide a method for the farm bureau to deal more directly with the specific problems of individual commodities. Producers of different commodities, as well as producers of the same commodities from different regions of the country, will have varying points of view. The question is, should these differences be reconciled by farmers and ranchers within their own organization, or should each segment of agriculture work as a separate case? legislative or regulatory bodies and plead their separate cases?

State Occupation Taxes Growing

Comptroller Bob Bullock said Thursday that revenue from 1976 Texas occupation tax has grown a percentage of 133 percent in the past five years, reaching a total of nearly \$1 billion in 1976. Bullock said the increase was led by the oil and gas production taxes, which leaped from a combined total of \$305.2 million in 1972 to \$793.7 million in 1976. Oil and gas production taxes account for 80 percent of all occupation tax revenue in the state, he said. The Comptroller noted that during the five-year span, gas production taxes rose 219 percent and oil production taxes 125 percent. Bullock said occupation taxes are levied in the privilege of engaging in certain businesses in the state. His report on occupation tax revenue growth was contained in the Comptroller's July financial statement. The monthly report noted that May state revenues totaled \$803.8 million, bringing total receipts during the first nine months of fiscal 1977 to \$5.2 billion, a 12 percent increase. The biggest chunk of the increase, the Comptroller said, was a \$391.9 million jump in sales tax collections, which are running 15 percent ahead of 1976 levels. Standing during May totaled \$587.8 million, boosting total expenditures thus far in fiscal 1977 to \$5.06 billion, a three percent increase. Bullock concluded that the state closed out its fiscal books at the end of May with a cash balance of \$1.5 billion.

Football

All over the nation American males are tossing and running with footballs, all the way from 8-year-olds in the backyard to junior and senior high and college teams to the big bruisers of the professional leagues. Football is a rough contact sport and inevitably will produce its full quota of bumps and bruises, strains and sprains, cuts and gashes. Most of these aren't serious and the lads concerned are back in the game shortly. A thorough medical examination is highly important for boys preparing to go out for football to make certain that there is no physical condition that should be noted before beginning the rigorous training and hard knocks of the game. Proper physical conditioning hardens the body and increases resistance to fatigue, thus helping prevent injury. A minimum of three weeks of conditioning are recommended prior to the first game of the season. Coaches and team physicians stress to the fact that many injuries occur when the player is tiring and thus less alert. Good coaching enables the players to perform better and thus prevent injury. Good officiating makes for better games and also helps protect players. Proper equipment and facilities are important to reduce injuries. Good first aid procedures and medical care, with a physician available during practice drills and on the bench during games are major factors in cutting serious injuries. Precautions against the extreme heat of early season days also are important. Many also work outers during the early morning and late afternoon to avoid the heat of the day. The old adage, "avoid drinks when you drink" drills and games has long since been proved invalid and dangerous. Water and salt is necessary to replace fluids lost through copious sweating. If you boy is playing on an organized team, the chances are good that all of these safeguards are observed. If most of his playing is done on a vacant lot in the afternoons and on Satur-

Fishing Safety

Fishing is good therapy -- both physical and emotional. The American Medical Association points out that the millions of Americans who spend the nation each fishing season don't need a doctor to tell them that fishing is a good sport. They likely have seen their doctor sitting in the neat boat with a line in the water. Fishing can be elaborate, complete with a trip to the sea-shore and renting deep-sea boats and equipment. Or it can be the cane pole and worms affair on the banks of a neighborhood creek. Either way it gets us out in the fresh air and sunshine, gets your mind off the cares of the day. Unless you are the vigorous type who wades through racing rapids or rows hard miles, fishing is only mild exercise, but still is good for the body and spirit. Fishing also is a relatively safe sport. But it does have some built-in hazards. Most of them can be avoided. The most common fishing accident is catching a barbed hook in the flesh, usually a finger or hand, but sometimes a leg or other part of the body. Bo and Terry Played Together For The Last Time
 Watching this year's Greenbelt Bowl football game brought five minutes of the long bus trip to Childress wear-while, Friday night. Observing the individual players during their pre-game warm-up exercises, one may have been deceived by the relaxed atmosphere down on the field. A quick search found that Bo DeArmond and Terry Lathan were there, indeed. Bo wearing 77 and Terry wearing 61. Exactly how many Spearman supporters were is not known, but the big lynx coach was completely full, and several others had driven down in their own cars. When the individual players were announced, it was soon apparent to a packed crowd at the Childress Stadium, that Bo and Terry had their own private rooting section. Bo and Terry were proud of their home town for that. The game began with Terry going right out on the West's kick-off team, and Bo following one play later to start as the West's defensive center. After a series of fruitless plays East punted the ball and a good night. West's offensive plays were run behind the blocking of starting offensive guard, Terry Lathan. To shorten a long story, West was defeated by East, 14-7 but not after a gallant effort by Spearman's two all-stars. Bo and Terry both played the whole game, and played commendably. Bo and Terry, we're proud of you.

Perryton had two players on the West squad. Terry Allred and Ted Meyer. Both played a superb game and Perryton certainly has nothing to be ashamed of. When it was all over, Terry, who played his last football game Friday night, said, "Yes sir, I'll miss it." When queried if he had anything to say to the home folks, Bo just gave an exhausted sigh and replied, "Ugh." Bo will play the Southcarers Oklahoma in Ada this fall.

It's time to save.
 A savings account has always been the best way to build for the future. When you make plans for the things you want in life, saving regularly brings you closer and closer to those goals. But a savings account is great for the present, too. It's a cushion between you and the financial panics that come along in everyone's life. Start a regular saving habit. It's good for tomorrow. Back To School

School days are almost here again for millions of American youngsters.

With the approach of the fall term, the American Medical Association reminds parents once again that there are health and safety considerations that are important in preparing the small fry for another nine months of studies.

The AMA recommends a thorough health examination for 5 and 6-year-olds who are starting school for the first time. Your physician will know what to do. His examination will cover all aspects of your child's health, and will encompass hearing (to make sure he can hear the teacher) and vision (to make sure he can see the blackboard). It is better if this examination can be made and booster immunizations given a few weeks before school starts.

School boards in some communities require a health exam for beginning students. Many

schools also require certain immunizations against infectious disease. Your doctor will know of the requirements for your neighborhood.

Most doctors feel that four of five thorough health examinations during the school years are sufficient for healthy youngsters. These usually are spaced at the start of the first year, about the fourth grade, about the seventh grade, at the ninth or tenth grade, and upon graduation. A thorough examination is important if the child is participating in school athletics. The doctor should be told that junior is going out for football, so that he can look for any health problems that might be heightened by rough contact sports.

In the excitement of the first few days of school the small child may forget all of the safety warnings you've been teaching him. Each parents should make certain the child knows how to cross streets and intersections en route to and from school. He should know that crossing guards are there for his protection and obey them. He should know about proper deportment on the school bus. He should know the rules of bicycle safety.

Christian Sons To Perform Here

The Christian Sons, sons of Rev. Ray Christenson, formerly of Spearman, Texas, will be featured in concert at the Spearman Union Church on Wednesday, August 10. The concert will begin at 7:30 p.m.

The Christian Sons have been traveling full time for over fourteen months, and are currently involved in their eighth tour. The group consists of three brothers, Dan, Wendel, and Van Christenson. Having lived in Spearman from 1970-73, the Christensons are now living in Western Colorado. The public is cordially invited to attend this concert.

Golden Spread Circle meeting held

A good time was had by all at the Golden Spread Circle meeting Tuesday evening at 6 p.m., August 2nd at their usual meeting place, the Home Demonstration Club Rooms. A covered dish was enjoyed, and a sumptuous meal it was. The host was the Rho Rho Sorority and the girls serving on that committee were Lisa Pipkin, Janie Henton and Hazel Shieldknight. These girls were lovely and did a good job. Thanks to the Rho Rho. Ollie Ryan won the door prize, a lovely center piece.

An Old Fashioned Ice Cream Social is being planned for the next meeting, which will be August 16th, at 7 p.m. This will be game night. Mark this date

on your calendar and YOU' ALL COME.

8:00PM
Hospital Library

Posted this the 25th day of July, 1977

The smoke is so bad, we can hardly identify this group of Baptist men, as they prepare a hamburger supper for the young people of the First Baptist Church, in Spearman. The cook-out was held at Womble Park recently, and Number 1 cook on the right is the Rev. Pogue, pastor of the local congregation.

Bridges To Be Widened

Work in Hansford County is included in the 1978 Special Rehabilitation and State Highway Safety and Betterment and Farm to Market Road Improvement Program approved by the State Highway and Public Transportation Commission. The quarter-billion-dollar program was made possible by the funds provided by the 65th Texas Legislature.

A large part of the program will be financed with General Revenue funds especially appropriated for this purpose with the remainder of the projects financed with state highway funds.

Amarillo District Engineer A. L. McKee said the work includes widening three inadequately narrow bridges on State Highway 136 in Hansford County at Farwell Draw, Palo Duro Creek and South Palo Duro Creek at a cost of \$251,000.

McKee said work on 98.5 miles of U.S. state, farm to market and park roads in the Texas Panhandle that will cost \$11.5 million is included in the program. The district engineer also said the program reserves slightly more than \$1 million for future seal coat projects in the Amarillo district.

Statewide, the program provides for the improvement of some 6,900 miles of highways at an estimated construction cost of approximately \$22,560,000 with an additional \$4.3 million set aside for later assignment.

Approximately 68 per cent of the overall program will be on State and U.S. Highways, another 30 per cent on Farm to Market Roads, and the remaining 2 per cent reserved for future assignment.

The program is the first phase of a long-range program to restore the highway system to the standards Texas has come to expect. McKee said, it is based on recommendations submitted by several district engineers and selected following a statewide assessment of highway needs.

Charter Bus To "Texas"

Mrs. Sam Graves, Continental Bus Agent in Spearman, announced that a charter bus is being reserved to go to "Texas" in the Palo Duro Canyon for August 19th.

The cost is \$16.00 which includes tickets for the performance and busfare.

The bus will be leaving Spearman at approximately 4 p.m. giving enough time for dinner in Amarillo at Furr's.

For further information or reservations call 659-3446.

SVFD Meeting Held

Spearman Volunteer Fire Department membership met in regular session Thursday, Aug. 4, during which the proposed budget for the department was discussed and those who attended the fire training school at Texas A&M University last month reported on the training program in which they participated.

Vandalism

Cases Reported

Spearman Police Chief Steve Wisniewski last Thursday reported two cases of vandalism earlier in the week. One was at TG&Y Plains Shopping Shopping Center Store on State Highway 207 South and the other was at Earl's TV on East Kenneth. Damage in each instance was estimated at \$200 to the plate glass in a front window.

A piece of metal pipe, recovered by police, was hurled through the window at TG&Y and a large rock was used to vandalize the window at the television/appliance store.

Hospital Auxiliary Sets Meet

The Hansford Hospital Auxiliary will meet Monday, August 8 at 7:30 at Martin's Steak Garden for a Dutch treat dinner. Dr. Im will be the special guest of the auxiliary for this meeting.

Insurance Corner

Why An Independent Agent?

Insurance is no value when it does not perform as promised or claims settlements become unnecessarily complicated. It pays to deal with an agent who can shop for and make sure that the policy, whether auto, or home, gives you the coverage you need, a businessman who lives and works in your community and knows local conditions. His professional reputation is his most important asset.

You should determine if the person who sells you the insurance is the one who handles your claims. Find out if the agent will provide back-up service such as answering questions and helping with claims. The independent insurance agent in your commu-

ity is the one who meets all of these requirements. He represents several companies, often eight or more, and can tailor your insurance by placing it with the company which best suits your specific needs. Since he is available to help in an emergency, help you with claims and counsel on problems.

Grand Jury Returns Indictments

A Fort Worth man was indicted for murder, a couple from Elkhart, Kan. was indicted for felony theft by check and an area resident was indicted for aggravated assault on a police officer in indictments returned Friday, August 5 in Spearman by the Hansford County Grand Jury for the 84th Judicial District Court.

Patrick Otis Powell, 39, of Fort Worth was indicted for murder in connection with the shooting death in Spearman last month of Jose Leon Gutierrez, 55, whose body was discovered in a junk car at the city dump July 17.

Frank Harris Powell, 41, was arraigned July 19 in connection with the slaying but the grand

jury passed action on his case at Friday's session.

The brothers remain in jail under custody of Hansford County Sheriff R. L. McFarlin with bond for Patrick Otis Powell set at \$50,000 and bond for Frank Harris Powell remaining at the \$100,000 amount which was set at the conclusion of the arraignment proceedings last month.

Joe Olivarez, 29, was indicted for aggravated assault on a police officer as a result of his fighting July 17 with two deputies from the sheriff's department who were making an arrest at the time. In the scuffle involving the deputies and Olivarez, Deputy Tom Messer was spit upon and received a hit on

the nose. Bond for Olivarez was set at \$5,000 and he has been released under bond pending further court proceedings.

The Kansas couple, Levon and Juanita Turner, were indicted for felony theft by check. The man and his wife were arrested in Kansas in June on warrants out of Hansford County charging them with the felony offense. They were named in the same indictment and each posted bond of \$3,000 and has been released pending further court proceedings.

Chip Garrett, Jr., who gave a New York City address, was indicted for unauthorized use of a motor vehicle. Bond of \$3,000 was set and he has been re-

leased to the custody of the sheriff and placed in the county jail in lieu of bond pending further court proceedings.

Daroy Lynn Keith, who lists a Spearman address, was indicted for felony driving while intoxicated offense. Bond of \$2,500 was set and he has been released under bond pending further court proceedings.

Sheriff McFarlin noted that a material witness in the Powell case is being held under bond of \$5,000.

Bloodmobile Here August 17

Goal Is 150 Pints

The Red Cross Bloodmobile will be in Spearman August 17 at the Catholic Parish Hall, 901 S. Boland, from 10:00 a.m. to 3:15 p.m.

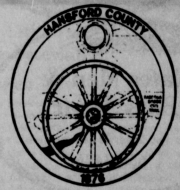

Hansford County did not meet its quota of blood donated last year by 4 pints. The need for blood in this region has increased due to more population which leads to more accidents and other causes needing blood.

The procedure for donating will be the same as that used last year. For an appointment to donate blood you may contact Gayle Smith, 2282; Lorene Kunselman, 2139; or Charlene McClellan, 733-2341. The quota for Hansford County for this year is 150 pints so you are urged to donate blood if you are physically able to do so, so that others may live and people in this area will have a blood bank when the necessity arises for blood transfusions.

4-H Members Tour Equity

In preparation for the annual 4-H Bake Show, thirteen 4-H members and leaders attended a workshop on Thursday, August 4th at the Spearman Home Demonstration Clubroom. During the two hour event, participants learned the nutritional value of bread, varieties of wheat and flour, tips in preparation of yeast rolls and peanut butter cookies and requirements for entering the Bake Show. Highlight of the activity was a tour through Equity Grain Elevator directed by Mr. E. J. Copeland. Here participants learned how grain is weighed, stored and transported to a central terminal. Assisting Extension Agent Peggy Marrs with the workshop were Mrs. Larry Porter, Julie Parr, Eliza Brandyk, Karen Kenney, Tamara Scroggs and Glyn Brown. Others in attendance were Lena Scroggs, Tonya Curtis, Stacey Poole, Susan Davis, Mary Kenney, Kayla Russell, Mrs. Lynn Davis and Mrs. Lloyd Poole. The Hansford County 4-H Bake Show will be held Saturday, September 10, 1977 at the 4-H Fair. The winner will send products to the District 4-H Bake Show to be held September 17 during the Tri-State Fair in Amarillo. 4-H programs and activities are open to all youth between the ages of 9 and 19 without regard to race, color, religion, socio-economic level or national origin. Contact Peggy Marrs at the Extension Office if you are interested in participating.

LIUA Sets Projects

Top O' Texas Life Underwriters Association Assn. President L.E. Thomas has announced the observance of life insurance projects will be announced each week in those counties in Texas and Oklahoma which make up the organization as well as setting three projects for the association this year following which is available to all who are the meeting of the organization Aug. 1 in Pampa.

The three projects are one of identification, one of beautification and the third is emphasizing the importance of family life.

The identification project is one in which representatives of the association and others participating in the project, in affiliation with law enforcement agencies, will make available an electric pen which can be used by homeowners and all others wanting to so identify property to inscribe identification on firearms, hubcaps, a television set, radio, tape decks, typewriter, kitchen appliances and other items in order to facilitate recovery of such property in case of loss by burglary, fire or other circumstances.

Planting of trees and shrubs in areas where such activity will prove beneficial in beautification of such areas is to be carried out. Additional details of both projects will be announced each week in those counties in Texas and Oklahoma which make up the organization as well as setting three projects for the association this year following which is available to all who are the meeting of the organization Aug. 1 in Pampa.

"Meet Your Congressman" Night Set

The Amarillo Chamber of Commerce has arranged a "Meet Your Congressman" night with U.S. Representative Jack Hightower, 7:00 p.m., Monday, August 15 in the new addition of the Big Texan Steak Ranch, 1-40 and Lakeview. The dinner will be the first of group-size to meet in the new addition of the steak ranch, according to Joe Healy, Legislative Affairs Committee Chairman.

Congressman Hightower will discuss the new farm bill, wheat and corn support prices and answer any questions from the floor, Healy said.

Reservations must be at the Amarillo Chamber of Commerce offices, 301 S. Polk. Noon, Friday, August 12th. Cost of the dinner will be \$6.00. This will be the only Legislative Affairs Committee meeting of August, Healy said.

County Students Enroll At PSU

Students from Hansford County that have pre-enrolled for the fall term at Panhandle State University are Douglas Steele, son of Mr. and Mrs. Chuck Steele, and Colette and Coleen Smith, daughters of Mr. and Mrs. Worley Smith; all of Spearman, and Sherry Morris, daughter of Mr. and Mrs. Vance Morris, and Jon Olsen, son of Mr. and Mrs. Burton Olsen, all of Gruver.

These are all freshman students. Freshman Orientation will be held at 9 a.m. Monday, August 29 in Hughes-Strong Auditorium.

The final pre-enrollment will be Thursday, August 25 and the regular enrollment day for upperclassmen is Monday, August 29. Freshmen who didn't pre-enroll may do so Monday after-noon during regular enrollment. The ACT test will be given Saturday, August 27 at 8 a.m. in room 127 Hamilton Building.

4-H Record Book Winners Announced

Twenty-six 4-H record books were named the best in their division in district level competition as a result of record book judging Friday, July 29, in Amarillo. The winning books now will be forwarded to Texas A&M University for state judging.

District 1 record book judging.

High Plains 4-H'ers place their records of achievement on the line. Records include project summaries, information detailing their activities, experiences and leadership development, a narrative about their 4-H experience, photos and other pertinent information.

The books will now be forwarded to Texas A&M University to compete at the state level against the best books from 13 other districts of the Texas Agricultural Extension Service. Senior 4-H'ers are competing for scholarships, plaques, government bonds, a trip to the national 4-H congress in November and other awards.

Record book competition is the critical measurement of achievements of these youths over the years, according to Paul Gross and Sue Farris, district agents for the Texas Agricultural Extension Service, who coordinated the event. Records reveal their consistency in achieving goals, their experiences in leadership development, and their growth and development in personal, community and civic responsibilities.

The 4-H program in Texas is administered by the Texas Agricultural Extension Service. The following are the results of the district contests as participated in by Hansford County 4-H'ers.

Lamb Production: Scott Henderson, 2nd place, Senior; Horse: Halee Reed, Senior.

Participation Ribbon: Horse; Hadley Reed, Junior, Blue Ribbon; Sheep Production: Will Jarvis, Junior, Blue Ribbon; Swine: Johanne Eaton, Junior, Blue Ribbon; Bicycle Care and Safety: Rodney Dale Clawson, Junior, Blue Ribbon; Citizenship: Julie Parr, Junior, Blue Ribbon; Clothing: Karen Kenney, Junior, Blue Ribbon; Recreation: Kayla Russell, Junior, Blue Ribbon and Nutrition: Denise Doty, Junior, Blue Ribbon.

Adolescent Behavior Seminar Set

A seminar on the school behavior of adolescents will be offered at Frank Phillips College in Borger this fall by the Secondary and Higher Education Department of West Texas State University.

Readings and materials to be included in the coursework will cover such topics as discipline and adolescent reactions. "We will talk about actual problems that have happened and current problems," said Dr. Thomas MacOwan, associate professor of education and instructor of the graduate course.

Individuals wishing to take the course must meet graduate admission requirements or have prior approval by the graduate dean, Dr. David L. Wheeler. "The course is designed for

anyone interested in that particular area. Some parents may wish to attend," MacOwan said. Three hours' college credit will be given for persons completing the course. Individuals taking the course only through approval by the graduate dean will not receive graduate credit.

Classes will meet each Thursday from 7 to 9:50 p.m. in room 132 at the college. Registration for the course will be conducted during the first class meeting Sept. 1. Individuals planning to register for additional classes offered by WTSU must attend the regular fall registration, August 26-27, in the WTSU Activities Center.

United Presbyterian Church News

City Crusade Date Set

The City Wide Revival is to be held at the football stadium at 8:00 p.m. each evening, August 7 through 12th. The revival is sponsored by the Gruver Ministerial Alliance.

Boyce Evans, noted evangelist who has conducted revivals here before, will be the evangelist. Boyce Evans, a dynamic evangelist has been in the ministry for more than twenty five years. A native Texan and a graduate of Hardin-Simmons University and Southwestern Baptist Theological Seminary, he has served as Pastor of several Baptist churches in Texas before becoming engaged in full time evangelism work.

He holds meetings in churches throughout the South, Southwest, and Midwest with his home base being in Lubbock, Texas.

He was a flying officer in the last two wars and in his younger life, Mr. Evans was a rodeo cowboy. Having helped organize the National Intercollegiate Rodeo Association, he rodeoed as a member of that organization for three years. He continues to be active in this type of life and has a son presently riding as a professional cowboy. His crusades include some of the cowboy camp meetings of the Southwest and many of his messages and music inspirations are drawn from

cowboy life. Ron Lowry, minister of music at the First Baptist Church in Lubbock, will be the musical director.

Lowry received his Bachelor of Art Degree in 1956 from Grand Canyon College, Phoenix, Ariz., and his Master of Religious Education degree in 1963 from Southwestern Baptist Theological Seminary. He studied voice under H.E. Ten Harkel, Grand Canyon College; Sarle Brown, Southwestern Baptist Theological Seminary; Claude Rhea, Houston Baptist College; and Alan Lindquist, Houston.

Lowry has directed the music in over 100 revivals along with

performing in youth camps, retreats, bible conferences, Glorieta Baptist Assembly, etc.

There will be a 50 voice choir performing under Lowry's direction each night. A nursery will be provided by the First Baptist Church, Gruver.

Threshing Bee Scheduled

A threshing Bee will be held August 13 and 14 on the Donald

Sell farm, 10 miles east and 5 miles South of Perryton. Any

one wishing to go to the Sell farm may take the FM road east of Gibson's Discount Store.

Sponsoring the bee this year is Donald Sell and J.D. Wilbanks of Spearman. Wilbanks has had threshing bees for several years at his farm near Spearman. The threshing is done with steam powered machines.

Wilbanks stated that they, he and Sell, are planning to have the bee each year, alternating between their farms.

Besides the threshing bee, there will be several steam engines, 1 out of Kansas, 1 out of Oklahoma, and two out of Perryton, old farm equipment,

threshing machines and several old gas tractors on display.

There is no charge for admission and the events will get under away about noon each day. Everyone interested is invited to attend.

Math Seminar Set For Borger

Seminar in Mathematics, a West Texas State University graduate elementary education course, will be taught this fall in Borger.

Instructed by Carl Pride, the class will look at individualized mathematics instruction for the classroom.

"We are going to go through the textbook to see exactly what topics are covered and make an individual learning center for each topic," Pride said. The course will be taught

Mondays at 4:15 p.m. beginning Aug. 29 in Frank Phillips College Room L37. Students taking only this WTSU course may register the first class day.

Individuals taking both the Borger class and other WTSU classes should enroll during regular WTSU registration Aug. 26-27 in the WTSU Activities Center.

For more information, telephone the registrar at (806) 656-3331.

June Ceremony Unites Couple

Wedding vows were exchanged at 2 p.m. Saturday, June 11 in the First Baptist Church here by Cindy Steele and Ken McClellan, both of Spearman.

Parents of the couple are Mr. and Mrs. Chuck Steele and Mr. and Mrs. Wilson McClellan, all of Spearman.

The pastor, Rev. Russell Pogue, officiated at the double ring ceremony. Carol Pack, organist and Anne Sanders, pianist, accompanied Jim Harris, soloist, who sang "More", "The Wedding Song", "The Lord's Prayer" and "We've Only Just Begun".

Kim Ukens, of Hooker, Oklahoma, served as maid of honor, and Suzi Steele, sister of the bride, was the bridesmaid. Chris McClellan, brother of the groom, served as best man, and Jeff Pratt was the groomsman.

Ushers were David, Doug, and Pat Steele, brothers of the bride. Denise Benton registered guests. Tricia Flanagan and Sheila Herbel, both of Hooker, kept the gift table. Sara Blackburn handed out the wheat bags.

The bride, given in marriage by her parents and escorted to the altar by her father, wore a floor length dress of white eyelet with a fitted bodice and a gathered capelet attached to the scooped neckline. The flared skirt had a scalloped hemline ruffled with a wide tie that criss-crossed in the front and tied in the back. The dress was made by the bride. She wore a white picture hat and carried a bouquet of blue daisies, white baby carnations, and baby's breath on top of her white Rainbow Bible. The bride observed the traditional something old, new, borrowed, and blue, and carried pennies with the birth year of the couple and the wedding year.

The maid of honor wore a floor length light blue sleeveless dress of polyester crepe with a co-ordinated sheer capelet. She carried a long stemmed blue carnation. The bridesmaid wore a similar dress of pink and carried a pink carnation.

The mother of the bride wore a floor length green and yellow sleeveless voile dress. The mother of the groom wore a floor length aqua voile dress with sheer sleeves. They wore corsages of white carnations.

The groom wore a light blue tuxedo with a white ruffled shirt and a white carnation boutonniere with a red rose bud.

The groomsmen wore light blue tuxedos with blue ruffled shirts and white carnation boutonnieres.

At the reception following the ceremony, the serving table was covered with a white eyelet tablecloth. The bridal table was highlighted with the traditional white wedding cake and white punch.

Servers for the reception were Meses: Nancy Woods and Debbie Neal, both of Enid, Oklahoma, and Vera Beth Hicks and Barbara McClellan. Others helping with the reception were Evelyn Miller, Zeila Blackburn, Nell Benton, Jean Moore, Judy Friemel, Betty Uptergrove, Jeanie McClellan, all of Spearman, and Mary Beth Woods, Enid, Oklahoma, and Mary Ann McGinley, Kiowa, Kansas.

For the wedding trip the bride chose a blue gazaridze jumpsuit accented with a blue daisy corsage. The groom wears a

three piece denim suit.

After the wedding trip to Ecosondito Valley, NM, the couple will be at home in Lubbock, Texas.

The bride is a 1977 graduate of Panchaboli State University, in Goodwell, Oklahoma and plans to teach the 2nd grade at Crosbytown, Texas.

The groom has attended Texas Tech University, and is presently employed by American Pavers in Lubbock.

Out of town guests included: Mr. and Mrs. Fred Dewees, Campbell, Texas, Mr. and Mrs. Clifton Julian and Jana, Dallas, Texas, Dr. and Mrs. Bill McClellan and Travis, Fort Lavaca, Texas, Mr. and Mrs. James Madison, Amarillo, Texas, Mr. and Mrs. John Cotter, Mrs. Elizabeth McClellan, Elmo McClellan, Barbara and Vicki Henderson, Groves, Texas, Cassie Wilson, Dumas, Texas, Willie Mae Mangold, Pampa, Texas, Luthera Dixon, Elvogene Dixon, Meser, Texas, Ted Harbour, Lubbock, Texas, Nancy Gary, and Mary Beth Woods, Mr. and Mrs. Lanny Neal, Anne Larsen, Norma McGinley, Enid, Oklahoma, Tricia Flanagan, Sheila Herbel, Mrs. Henry Ukens and Brent, Mr. and Mrs. Robert Glidewell and Bob, Mr. and Mrs. Steve Hendrick, Hooker, Oklahoma, Debra Hamilton, Mrs. W.F. Fawcett and Nancy, Guymon, Oklahoma, Dianna Fischer, Okma, Oklahoma, Beth Harman, Texhoma, Oklahoma, Karen Fliedner, Denver, Colorado, Mrs. Grover Wilson, Rubeley Dewitt, Littleton, Colorado, Gail Winegarner, Campo, Colorado, Mike, Kurt, and Mary Ann McGinley, Kiowa, Kansas, Brenda Ukens, Liberal, Kansas.

Weight Watchers To Meet

There will be a meeting of all persons interested in re-establishing Weight Watcher's in Spearman, Monday Aug. 8 at 6 p.m. in the Community Building.

A petition is being passed around for signatures that will be sent to offices of Weight Watcher's in Lubbock and New York, to show them that there are enough interested people here to have a club.

Anyone who is not able to be at this meeting, but is interested in having the club should contact Carolyn Cummings at 3420.

Presbyterian Women Meet

Presbyterian Women met at the First Presbyterian Church on Wednesday, August 3 at 10:00 a.m. to honor Mrs. Beulah Davies, who is moving to Bovina, Texas on Saturday, August 6.

Refreshments were served to members: Dorothy Baggett, Martha Betton, Sherry Burnett, Mary Cornelius, Beulah Davies, Betty Freeman, Eddy Largent, Mary Frances McKeny, Miriam Mervin, Betty Moore, Patty Spoonmore, Alice Turabill, and out-of-town guests Sally Curtis of Denver, Colorado, Diane Martin of Graham, Texas, and Mary Martha McKeny of Lincoln, Nebraska, and children Amy and Allison Burnett and Jennifer Moore and the Rev.
