Annual Chamber Banquet Set Commemorative Coin Auction Planned

The annual Chamber of Commerce banquet will be held January 25 at 7:30 p.m. in the high school cafeteria and auditorium. Tickets are now on sale at the Chamber office for \$6.00 each. The meal will consist of charcoal broiled steaks, baked potato, salad and apple pie.

Leo Meyers of Perryton will be the master of ceremonies and Sharon Garrison, also of Perryton, will present the musical program for the evening. The Rotary Club will present the "Employee of the Year" award and the Chamber of Commerce will present the "Outstanding Citizen of The Year" award.

This year the Women's Division of Chamber of Commerce will also present an award to the "Woman of The Year". New officers of the Chamber of Commerce are C. D. Riggins, president; Dr. Bill Barnum, 1st Vice President; John Sutterfield, 2nd vice president; and John Hutchinson, secretary-treasurer, G. K. Rupprecht, immediate past president.

Members of the board of directors are: Bill Pittman, Charlene Bulls, Frances Loftin, Earl Goodheart, Clark Mires, Jerry Gee, Marcus Connelly, Gary Cates, Luke Stewart, L. L. Anthony, Don Bell and Elvanna Davis, president of the Women's Division. These new officers will be installed Monday night, January 6 at an installation dinner at Martin's Steak Garden. Dick Countiss will install the new officers at that time.

The Chamber of Commerce has also set the date for the Hansford County Commemorative Coin Auction. This will be held on January 26 at 3 p.m. in the County Barn. The first ten numbered sets of the coins will be sold at this time. There are three sets, the four coin set, consisting of a gold, silver, brushed silver and bronze coin; the three coin set, consisting of silver, brushed silver and bronze coin; and the two coin set, consisting of a brushed silver and bronze coin.

Adverse Weather Conditions Affects Area Crops...

Hansford County farmers and ranchers did not fare too well in 1974 with adverse weather conditions affecting the cattlemen. Most of the dryland wheat was grazed out or plowed up. Yields for irrigated wheat were down considerable due to the hot windy days before harvest. The wheat crop suffered early in the year from wheat streak mosaic and a very dry spring and early summer finished it off. Over 250 county farmers filed for complete failure with the ASCS office and many more filed for low yield.

Weather also took its toll of milo and corn production in the county. Cooler than normal temperatures in August and September slowed the crop's maturing and an October 15 frost came much too early for the condition of the crop, resulting in very light grain. Milo and corn yields were some 60 to 70% average. Many cattlemen in the county suffered severe losses, as the price of beef fell in the fall of 1973 and stayed low through 1974, forcing them to sell their cattle at big losses. Losses ranged from \$50 to \$100 or more per head.

A check with the First State Bank on December 31 revealed that deposits were \$19,513,745.40 at the close of the year as compared with deposits at the end of 1973 of \$18,472,714.49.

Loans were listed at \$10,058,508.48. 1974 saw the opening of the \$150,000 Martin's Steak Garden on Hwy 207, the construction of a new facility for the Hergert Pontiac, Buick, GMC dealership, also on Hwy 207 and the building of a TG&Y Family Center at Plains Shopping Center. TG&Y will move to their new location in the near future, occupying the new 20,000 square foot building. Groundbreaking was also held for the Church of Christ Children's Home \$89,950 facility. The facility is near completion at the close of the year and will accommodate some 6 children and the houseparent family. The land for the Children's Home was donated by Mrs. R. B. Archer and her sons, Carl and Dan.

Some other top news stories of the year were: Richard N. Countiss was sworn in as Judge of the 84th Judicial District in ceremonies at the Hansford County Courthouse in early January. The city council hired Lee Phillips as Chief of Police, with his taking over the position January 17. Mrs. Roy (Charlene) Bulls was named outstanding citizen of the year at the annual Chamber of Commerce banquet, and Mr. Lee McClellan, longtime church and community worker here, was also honored by being named outstanding citizen of the year.

Mary Lou Wysong was named employee of the year. The Hansford Hospital Board agreed to let Dr. D. E. Hackley, osteopath of Spearman, use the hospital facilities. Dr. Hackley had filed a suit against the hospital regarding his use of the hospital. On January 23, the Equity elevator at McKibben burned resulting in a grain loss of approximately \$45,000.00 and the structure loss estimated at \$25,000.00. Residents of the area experienced an earth tremor on February 14 at 8:30 a.m. which lasted about 30 seconds, and extended from Gage, Okla. southwest to Amarillo, a radius of 250 miles. No damages or casualties were listed as a result of the tremor which registered 4 pt. on the Richter scale. The Spearman Lynx basketball team won the district championship and met Childress in bi-district and were defeated. High school teams won district in boys basketball, boys golf, girls golf, boys and girls tennis. Seven Boy Scouts received the Eagle Scout Award in the February Awards Banquet. They were Jed Miesner, Ned Davis, Billy Camwell, Jim Jones, Jimmy Vernon, Tex Kopke and Mark Kopke. A site was selected for the proposed Palo Duro dam on March 13. The dam will be located on Section 48, 11 miles north of Spearman. The estimated cost of the dam is \$35,000,000 and the dam will provide 8,000,000 gallons of municipal water. A permit was granted by the Texas Water Rights Commission on May 29 to build the dam.

Bi-Centennial committees were formed and Mrs. Olin Sheets was the winner of the contest for the theme of the Tascosa-Dodge City trail for the Hansford County Commemorative Coin. She donated the \$50 prize money to the Hansford County Museum Fund. Other donations were made to the fund by individuals and clubs throughout the year. The new municipal swimming pool was opened on May 25 with Senator Max Sherman as guest for the occasion. Baker & Taylor Drilling Company donated \$10,000.00 to Hansford Hospital which was used for new equipment. Spring elections saw Chalmers Porter and Paul Hazelwood re-elected to the school board, and Clark Mires was also named to the school board. Coy Palmer was elected mayor, with Roscoe Nelson re-elected as alderman and Bob Kiser was elected to serve on the council. Joe Venneman was elected Commissioner of Precinct 2, winning over Jimmy Greene. Marie Gould was elected District & County Clerk in a runoff election on June 1 over Jessie Farley by 5 votes. Former mayor Dr. D. E. Hackley was "roasted and toasted" at an appreciation dinner May 25 sponsored by the Chamber of Commerce and the Women's Division of Chamber of Commerce.

Sixty eight seniors graduated from Spearman High School and 80 junior high students graduated. Honor students were Robert Cochran, valedictorian and Marie Russell, salutatorian of the senior class and Carrie Clark was named valedictorian and Jim Jones was salutatorian of the eighth grade class. Diane Frazier was named Miss Hansford County in the annual pageant which featured nineteen contestants. Two juveniles went on a vandalism spree resulting in 76 tires slashed in the city and damage at the junior high and elementary school. Damage estimates were \$5000.00. The annual Hansford Roundup was held June 6, 7 and 8 with the rodeos being held at the new Oscar Archer Arena. Dignitaries present were Senator Jack Hightower and Congressman and Mrs. Bob Price. Rev. Wesley Daniel, who had been the pastor of the First United Methodist Church here for the past 9 years, moved to Muleshoe and the Rev. H. O. Abbott assumed the duties of the church here. J. L. Brock Insurance Agency completed their remodeling project on Main Street with an addition to their office space, and a beautiful new front as well as interior. Hansford County, and Spearman and Gruver officials were present at the opening performance of "TEXAS" in the Palo Duro Canyon Amphitheatre and were officially recognized as Bi-Centennial communities, receiving Bi-Centennial flags for the county and both cities. Mike Struve resigned his post as city manager and T. E. Thompson Jr. of Borger was hired to replace him. Thompson assumed the duties of the office on July 11. June 24, 1974 marked the 100th anniversary of the Battle of Adobe Walls which was fought 20 miles southeast of Spearman in Hutchinson County. This was the last Indian skirmish in this area. The Jaycees sponsored a big July 4th Spectacular with a parade, and various contests, free watermelon before the annual fireworks display presented by the local Chamber of Commerce. The Ministerial Alliance of Spearman had as their project a chapel at Hansford Hospital. This project was completed and available for use in the late summer. New professional people in Spearman during the year include lawyers Tommy Gumfory, Bob Pearson and Cecil Biggers; dentist Dr. Ken Chapman and an optometrist, Dr. Douglas Steger. For the first time Hansford County met its quota for the Red Cross Blood Bank on August 15 when citizens donated 191 pints of blood. This successful drive was spearheaded by Baker & Taylor Drilling Company officials and employees. School began on August 22 with some 1053 students registering. The death of Charles Lindbergh brought recollections to Spearman citizens of his visit here in September, 1934. The Rotarians joined the National Muscular Dystrophy Drive and raised \$4,500 for the fund. Don Hendricks was awarded \$11,500.00 in his suit against the City of Spearman resulting from a gas explosion of a home on E. Kenneth in 1973. Spearman Independent School District voters went to the polls October 14 and passed a \$600,000 bond election to repair the junior high school building and build a new football stadium. John Hutchison and Bob Pearson opened their new law office on Main Street in the old Tico Hotel building after extensive remodeling of the building. City councilmen were faced with rate increases by both the telephone company and the gas supplier at the end of 1974. They have turned down both proposals. Also the city has replaced quite a bit of faulty gas lines in the older part of town but still have much work to be done on the gas system. A survey earlier in the year revealed many serious gas leaks and lines needing to be replaced from the downtown area south to 7th Ave. The city has also upgraded the sewage plant to meet requirements of environmental agencies and the Water Quality Board. Last, but certainly not least, was the excitement generated in Spearman and the area by the fabulous Spearman Lynx. Coach Greg Sherwood and his fighting Lynx team ended the football season on December 21 as runner-up for the state championship in Class AA by losing to champions Newton Eagles. Preparations for Christmas took a back seat as Spearman citizens followed the Lynx team to bi-district, regional, semi-final and final games played at various places in the state. We congratulate Coach Sherwood and all of the Lynx team on their great season this year. They have certainly put Spearman on the map as football fans throughout the state followed their progress.

Herbert Kirk Discovers Body At Lubbock

On the afternoon of December 31, Herbert Kirk, who lives in the Holt Community south of Spearman, arrived in Lubbock to check on some rental property that he has there.

Upon his arrival, he opened the garage to put his pickup in, and he discovered the badly beaten body of a young Lubbock woman who had been reported missing since early Christmas morning. The body was later identified as that of Sandra Garcia, 20, who lived less than a block from the scene. She apparently had been pushed through the plywood covered window at the side of the garage and then allegedly beaten with one of several sticks or boards lying around the

floor of the garage. Mr. Kirk found the body, clad in sandals, blue jeans, and sweater draped over various cans and debris behind a sheet of panel-board in the corner of the garage.

Authorities were then notified and the police began work on the case. Lubbock police apprehended and placed into custody a 20 year old man. The suspect was then identified in a police line-up by residents of the Kirk rent house as the same man they saw running from the garage on Christmas Day as they were returning home.

Ruben DeLera Rendon, Jr., 20, of Lubbock, has been charged with murder and remains in jail at Lubbock in lieu of \$25,000 bond.

Vanderburg Elected To Honor Society

Dee M. Vanderburg was recently elected and initiated into membership in the Abilene Christian College Chapter of Delta Tau Alpha, an agricultural honor society.

Dee is the son of Mr. and Mrs. Elizey Vanderburg of Spearman, and is presently a junior at Abilene Christian College studying Range Science and planning to do graduate work in Wildlife Biology.

The purposes of the society are: to promote and recognize high standards of scholarship, leadership and character among agricultural students; to encourage and foster high ethical standards in agriculture and professional positions held by agricultural students; to band together a group of outstanding students who by scholastic accomplishments, service and upholding high character standards have been recognized for these traits and are capable of recognizing these traits in others; to promote the profession of agriculture; to render, serve and to co-operate with the student bodies and the agricultural divisions of the respective institutions.

Brown Rites Held At Muskogee

Funeral services were held Friday afternoon, December 27 at Eastside Baptist Church of Muskogee, Oklahoma for Ollie Brown. Mr. Brown died December 23 at Muskogee as a result of a heart attack.

Burial was in Memorial Park Cemetery, Muskogee, Oklahoma.

Survivors include his wife, Vera, a daughter, Mrs. Mitchell Ellis of San Francisco, California; 2 sons, John Ray of Drumright, Oklahoma, and Don of Muskogee, 3 sisters, Mrs. E. J. Copeland of Spearman, Mrs. Roger Pearson and Mrs. Ray Osborne of Perryton; a brother, H. C. Brown, Jr. of Farnsworth, 7 grandchildren and 2 great-grandchildren.

At one time it was believed that marigolds would reveal a robber to his victim.

License Plates May Outlast Cars

AUSTIN--If all goes according to plan, the Texas motor vehicle license plate might soon outlast the motor vehicle that "wears" it.

Beginning February 1, the majority of motor vehicles operating in Texas may be eligible to use the new "multi-year" license plate, renewable annually for five years of driving. According to Bob Townsley, Director of the Highway Department's Motor Vehicle Division, approximately 9.2 million renewal notices are already in the mail to vehicle owners announcing the fact.

"Motorists will notice no change in the registration procedure this year," said Townsley. "Only the license plate to be issued will be different."

Instead of the usual metal plate, a heavier, non-corrosive steel will be used for greater endurance. Also, the plate will be reflectorized and will feature black letters and numerals on a white field, considered by experts to be the most easily readable color combination.

"The real change in registration procedure will come in 1976," explained the Highway Department official. Next year, instead of buying a new license plate, owners will purchase a 1- by 2-inch adhesive-type validation tag that will be placed in the debossed upper left corner of the plate. In 1977, the tag will be stuck in the upper right corner to cover the debossed "75," and alternated for the ensuing years.

Townsley said the tags cannot be easily removed without deterioration, a part of the plan to discourage vandalism or theft.

The "multi-year" plate to be used in Texas is almost identical to the one adopted by California some years ago. Specifications for plate design, letters and numerals were obtained from that state after careful study by Highway Department officials. He found California to be completely successful with its "multi-year" licensing system and it came closest to the

'new look' we wanted for Texas," said Director Townsley.

The 1975 Texas "version" is expected to cost the state 44 cents per plate to produce, almost double the manufacturing cost for the '74 plate. The difference in costs being attributed to different materials and plate design. However, the validation tags to be used beginning in 1976 will run some three cents apiece. According to Townsley, the state will realize an \$8.5 million savings in additional revenue from using the semi-permanent plates for the five-year period.

Some motorists will recall this is not the first time "multi-year" license plates have been used in Texas. During the war years 1943 and 1944, small metal tabs were issued to renew the 1942 plate. Then again in 1947, when there was a shortage of metal plates, windshield stickers were issued as evidence of the payment of registration fees.

Townsley praised the convenience the five-year plate will afford motorists. "Especially those who find changing license plates annually a chore!" He reminded, "Certain classes of motor vehicles will still require annual purchase of plates. These include radio operators, dealers, state officials and those passenger cars displaying 'personalized' plates."

Motorists using the new plates will notice the use of vowels for the first time. Since 1965, when the "English" system of a three-letter prefix and a two to three digit basic number was adopted, only consonants were used.

Townsley says there are just too many vehicles in Texas to allow consonants only. The first 1975 license plate will be AAA 10 to be issued in Bastrop County.

Also for the first time, a new five-year travel trailer plate will be available. This classification includes all camper trailers and house trailer-type vehicles which are (1) not in excess of 6,000 pounds gross weight or (2) not in excess of 8

feet wide or 55 feet in overall length when measured in combination with the towing vehicle, regardless of weight. The registration fee is based on actual weight including all furnishings. Annual license plates and movement permits will be available for mobile homes and house trailer-type vehicles exceeding these specifications.

Annual registration fees for motor vehicle owners will remain the same as in the past - \$12.30 for vehicles weighing up to 3,500 pounds; \$22.30 for vehicles weighing 3,501 to 4,500 pounds; \$30.30 for vehicles weighing 4,501 to 6,000 pounds; vehicles weighing 6,001 pounds or more are charged at the rate of 55 cents per hundred pounds of weight.

Motorists are encouraged to register their vehicles early and avoid the "last minute" rush. Registrants may apply by mail immediately, or "in person" at their county tax office and substation beginning February 1. Mail applicants are reminded to return the entire renewal notice along with their payment and one dollar per vehicle to cover postage and handling. Allow at least 30 days for delivery of plates. The registration deadline is midnight, April 1.

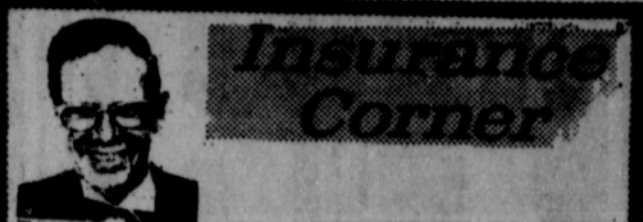

Bursitis or heart attack? Pain in one arm or both arms occurs frequently in combination with chest pain as an early warning sign of heart attack, according to The American Heart Association. But pain can also occur in the arm without being in the chest at all.

It can be mistaken for bursitis, arthritis or muscle strain, says the Heart Association.

In the absence of an obvious reason for a pain or discomfort in either arm or both arms, a prompt checkup by your physician is indicated.

The education program, developed by the State Heart Association in consultation with the American Heart Association, suggests

MIX YOUR OWN POISON

A conscientious housewife was not satisfied with the way her bathroom bowl cleaner was removing stains so she added a dash of household bleach. She was found on the bathroom floor - dead! An unsuspecting victim of deadly chlorine gas.

Mixing household cleaners can be dangerous. The deadliest mixture is the combination of chlorine bleach with an acid-producing substance, such as bathroom bowl cleaner or vinegar. The result will be chlorine gas.

One Medical Newsletter told of 20 persons in separate incidents being overcome by gases from the combination of chlorine bleach and

These occurred in a kitchen, bathroom and in a swimming pool water. To be safe - never mix cleaning agents, especially chlorine bleach. Make sure you read the directions and warnings on the labels of all cleaning products.

that persons who experience early warning signs should call physicians first. This enables the doctor to participate in a decision on the mode of travel if the patient needs to go to the hospital. In many cases, a physician may advise a patient that transport by auto might be preferable to ambulance, as a time saver, especially in rural areas.

In any case, one physician advisor says that a patient who does not feel faint is more comfortable sitting up. The most common mistake made by well-meaning friends or relatives is to have someone who is experiencing heart attack warming symptoms lie down.

The physician stresses, however, that the patient must not drive himself.

The Heart Association points out that pain in the center and front of the chest is the most frequent heart attack early warning sign because that's where the heart is located.

Second to this discomfort "under the necktie," as one physician puts it, is arm pain.

This may be a sensation of pressure, fullness, squeezing or aching, and can also occur in the neck, jaws, back or upper abdomen or in a combination of those areas. There may also be shortness of breath, sweating, nausea or vomiting.

The Heart Association urges that you don't gamble that a pain in your arm is bursitis rather than a heart attack. Have it checked by a physician.

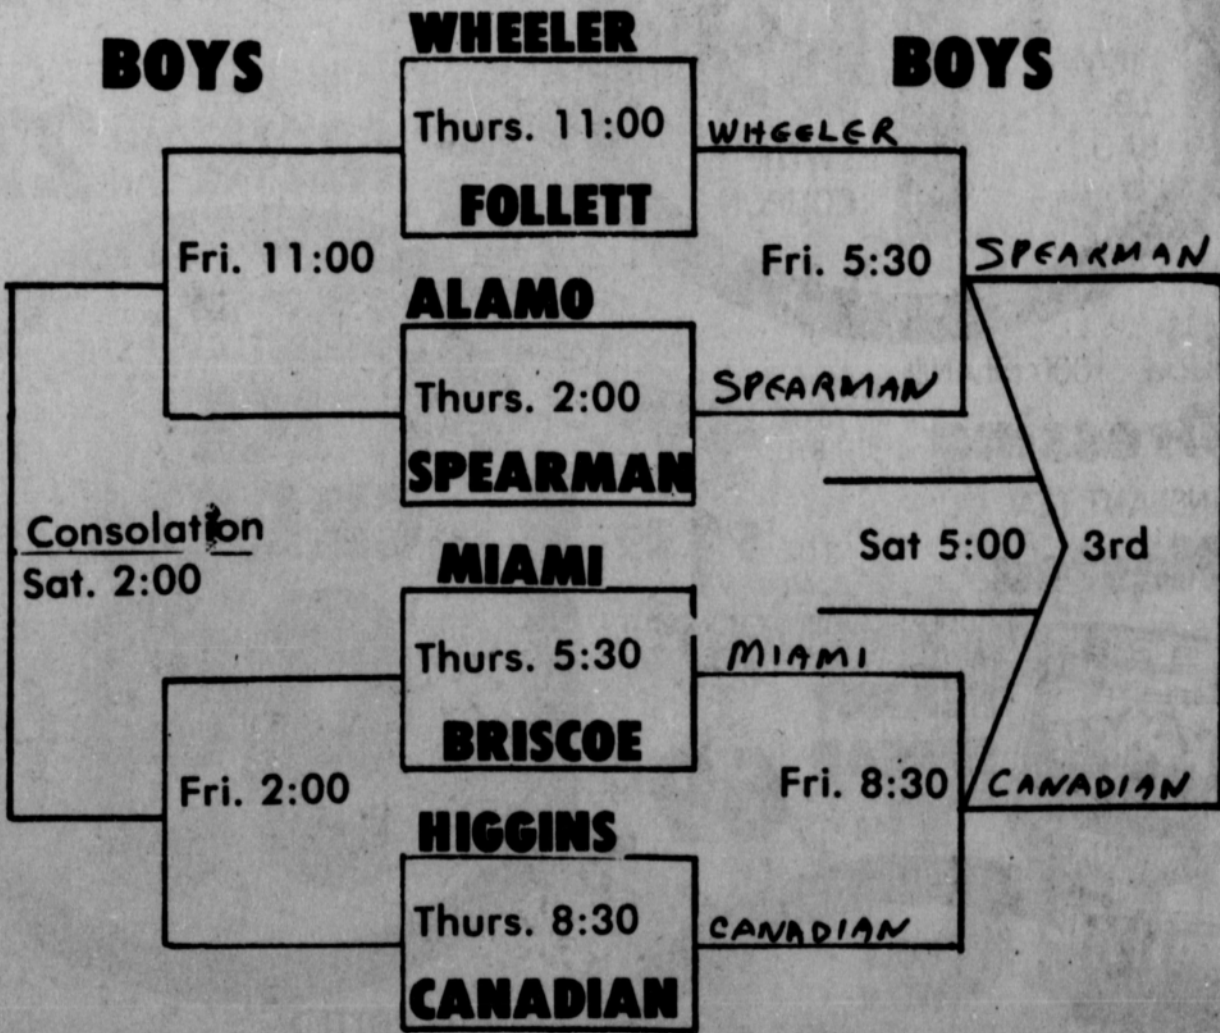

There's good sense in the Early Warning Signs rhyme: "Early attention can mean prevention."

Encourage children to pursue hobbies and activities which help develop their minds and bodies, to use their creative abilities, to think for themselves, to have the satisfaction of personal achievement - rather than to just sit back and "be entertained." Dr. Jennie Kitching, family life education specialist with the Texas Agricultural Extension Service, The Texas A&M University System, advises.

In accordance with the requirements of the law the monthly premium for hospital insurance under Medicare will rise from \$36 to \$40 beginning July 1, 1975, for those uninsured older persons who elect to enroll, it was announced by the Department of Health, Education, and Welfare today.

Some 11,000 uninsured persons 65 and over are enrolled under this program. The premium increase does not affect the 23.5 million insured persons covered by Medicare's hospital insurance, and who pay no premium. The Department's announcement appeared in today's FEDERAL REGISTER.

The amount of the increase and the formula are determined by a formula required by the statute, and based on increases in hospital costs. Under this provision of the law, enacted in 1972, the uninsured person 65 and over who elects hospital insurance coverage pays a premium that reflects the full cost of the coverage. The premium amount rose from \$35 in fiscal 1974 to \$36 in fiscal 1975.

Bits Of This And That

By Nita Stewart

Our sympathy to the families of Clayton Cochran and Sam Anderson on the loss of their grandchild December 30. May the Lord be with you in your time of sorrow.

Everybody's prayers and thoughtfulness have been so appreciated in my son's illness. I'm happy to report Bill is much improved and is off the critical list at last report.

Sorry to hear J. L. Brock is sick. We hope he gets well real soon.

Hopper's A-W is still closed. We did hear from Carma Burch that she's supposed to go back to work at A-W January 6. I'll sure be glad when Bill and Garland re-open. We sure miss you. Have a Happy New Year Hoppers.

Had a nice chat with Hollie Riley Tuesday evening. She reported Earl has improved real well and is feeling real good. Aiso wished us a "Happy New Year". Call again, Hollie, and let us know how Earl gets along. Happy New Year to you both.

Nice to see Isabel Vera, daughter of the Pete Vera Sr., Bobby Kunkle, son of the Marvin Kunkles, Jeanne Thompson, daughter of Celestine Thompson, home from college for the holidays. Nice seeing you all again.

Have you had time yet to sit down and think of all the things you have to be grateful for that happened in 1974. Well, I have. In February of 1974 I suffered a stroke which left me walking with a cane to get around. I'm thankful I no longer need my cane. My sister was ill and on crutches in '74. I'm thankful she's off crutches and getting better every day. My son who has been so very ill - I'm thankful he's so much better. In June 1974, I took over managing the Fina station. I'm thankful for it being such a success and for all the nice customers, oldsters, teenagers, young adults, farmers, hay haulers and just ordinary folks. We enjoy all of you and it's been such a pleasure having coffee with such fine people and in March of '74 I started writing my column "Bits of This and That". I've tried to write about folks I thought people would be interested in. I know I haven't been able to please everyone, but considering that I don't get paid for writing, I feel I do the best I know how. I'm so very thankful for those of you who have said such nice things to me about what I write. For those of you who don't like my column, I'm grateful to you, too, because I know somewhere during 1974 in order not to like what I write, you had to read it at least once. I'm so thankful for all of you who give me

news to put in the paper. Most of all, I'm grateful to the Lord who has made it possible for me to work and slowly but surely get bills paid off. I feel without the Lord's help we couldn't have done it. We hope to serve all of you in 1975. Come by and have coffee and chat with us. If you don't want your name in the paper, that's all right, too. We honor your wishes. Have a very good New Year. We think you are all very special. Thank you for a good 1974.

The Tommy Russells spent New Years Eve visiting the Dick Boxwells in Perryton. Happy New Year to you all.

New Years Day Hollie Riley came by with a fresh hot loaf of bread she baked for Dave. He really enjoyed it, Hollie, and it was very sweet of you to think of us. Many Thanks.

To all the girls in the Tax Assessor's Office who were so nice to us the other day, may you all have a joyous New Year and have a Happy Day.

Speaking of people doing nice things, Barbara Miller brought us over some date-nut pinwheels she made. Barbara, we brought them to work and all of our customers enjoyed them too. They were really good. Yes! I sneaked one. Many thanks Barbara for thinking of us.

Dean Beck of Perryton entered St. Anthony's Hospital in Amarillo January 2 for some more surgery. We pray everything goes well for Dean. Get well soon, Dean. Dean works for Campbell Oil Company in Perryton. We know he will be greatly missed by them and us.

Dr. and Mrs. Rolly Spradling and children Sprady and 8 week old Jacob from Nashville, Tennessee visited her parents, Rev. and Mrs. Jacob C. Regier over the holidays. Dr. Spradling is employed by Nashville Independent School District. Dr. Spradling's parents live in Guymon, Oklahoma.

Mrs. Raymond (Deanna) Gilley entered St. Anthony's Hospital January 2 and had surgery January 3. Let's all remember Deanna in our prayers. Hope you get home soon, Deanna.

Many thanks to Gene and Vee Raucher for the nice Christmas gift. We really appreciated it. It was very thoughtful, but then all the Rauchers are such nice people. Gene works for Baker & Taylor.

Heard Friday that J. L. Brock is also in St. Anthony's Hospital. Get well soon, J. L.

Jerry Younger is in Hansford Hospital. Jerry works at Hi Plains Auto Supply. Get well real soon Jerry.

Holiday Happenings

Mr. and Mrs. Arthur Addison visited over the holidays in Hobbs, New Mexico with their daughter, Mr. and Mrs. R. E. Lee, Bob, Bruce and Evarena, and in Odessa, Texas with their daughter, Mr. and Mrs. James Woods and with their son, Mr. and Mrs. Darrell Adkison. Christmas and New Years Day was spent in Hobbs, New Mexico by all the families.

Christmas guests in the home of Mr. and Mrs. Don Beggs, Troy and Danny of Pampa was her parents, Mr. and Mrs. Sid Beck, Jr., Robert, Barbara and Becky, her brother, Mr. and Mrs. Ronnie Beck, Melissa and Brian, and Mrs. Elizabeth Beck, all of Spearman.

Christmas dinner guests in the home of Mr. and Mrs. Bobby Giddens of Oklahoma City, Oklahoma were her sister, Mr. and Mrs. Lawrence Tindell and children and her parents, Mr. and Mrs. Cecil Fryrear, Sr., all of Spearman.

Christmas guests in the home of Mr. and Mrs. Lloyd Buzzard were Roy Scribner, Mr. and Mrs. Phil Windom, all of Lubbock; Johnny Scribner of Gruver; Mr. and Mrs. Bobby Brown and son of Canyon; Mr. and Mrs. J. D. Hester of Texline; Mr. and Mrs. Gary Taylor and daughter of Amarillo; Jennifer Hester; Mrs. Bryce Waugh and daughter of Burkburnett, Texas; Mr. and Mrs. Jerald Scribner, Mr. and Mrs. Jerald Ray Scribner and children, Mr. and Mrs. Sonny Windom, Mrs. Vicki Davis and son, Mr. and Mrs. George Rex and son, Mr. and Mrs. Jack Crum, Mr. and Mrs. Woody Beck, Mr. and Mrs. Timmy Barkley, and Mr. and Mrs. Johnny Crawford and daughters, all of Spearman.

Enjoying Christmas dinner in the Ned Turner home on Christmas day were Mr. and Mrs. Oscar Schneider and Ken of Spearman, Mrs. Mary Quatebaum of Frederick, Oklahoma, Mr. and Mrs. Bill Turner, Joe Ned and Davy, Mr. and Mrs. Loyall Turner, Jennifer and Christopher, all of Spearman and hosts, Mr. and Mrs. Ned Turner.

A New Year's Eve Watch Party was held December 31st at the First Baptist Church for the youth groups. Leisure time, table games and snacks of cookies, punch, chips and dips were enjoyed by the forty-four youth and sponsors, Rev.

Close off heating ducts to your garage. A heated garage is truly an expensive luxury--and one that is easy to forego.

Mrs. Tennison is HD Club Hostess

The Happy Homes Home Demonstration Club met Thursday, January 2nd in the home of Mrs. Fortella Tennison. President, Mrs. Richard Laird presided over the meeting. Minutes of the previous meeting were read and approved. Bills were paid. The District T.H.D.A. Meeting will be held January 23rd at the Home Demonstration Club Room. The club planned a work day to clean the Club Room and also planned what refreshments the club will furnish. Home Demonstration Agent, Nell Evans, gave the program on "Texas Women."

Refreshments of Zucchini cake and coffee were served by Mrs. Tennison to guest, Nell Evans and member Medames; Gordon Cummings, Larry Cross, Daniel Fittler, Dwight Sumner and Richard Laird. Next meeting will be January 16th in the home of Mrs. Jim Nicholson. Mrs. Bob Farr will present a film on "The Right To Life". Anyone interested in seeing this film on abortion is asked to contact Mrs. Nicholson about attending this meeting.

Have you bought your BI-Cerennial cook book as yet? Well, I called Mrs. Harold Shaver and she was so sweet and brought me one out to the station which I really appreciated and let me tell you, they are really nice and well worth more than the \$3.00. I'm dying for a day off so I can try some of the yummy recipes from some of these fine Spearman cooks. It's going to be hard to pick out one to try the first time because they all sound fantastic. I'll report later to you on which one I made. And Mrs. Shaver, save me one to send to California to my sister, Mary. She will love it too. If you haven't got one as yet, don't wait too long. You may miss out.

Coach Gregg Sherwood announced this week that the State Finalist Spearman Lynx had named this year's team captains. The captains were named on their leadership ability, and contribution to the past year's team. The captains named were Donnie Davis, Roger Brown, Roger Jones, Mike Tucker and Carl Robinson. Coach Sherwood does not have a team captain named until at the end of the season, so that the boys can name whom they think should be the captains for the past season. Donnie Davis, Roger Brown, Mike Tucker, and Carl Robinson are seniors; Roger Jones is a Junior.

LIBRARY REVIEW

New books at Hansford Library include "The Twelfth Man" by Wilbur Eans. This is a story of Texas A&M football. Eighty years of Texas A&M football are chronicled for the first time in this exciting volume. Weaving through its many pages is the traditional rose of the 12th man in creating a miraculous school spirit that has become a religion at A&M. Unforgettable highlights include the incredible conditioning drills at the turn of the century by the late Josh Sterns, the stormy days of Charley Moran, and the championship successes of Dana X. Bible, Homer Norton, Paul (Bear) Bryant, and Gene Stallings. A number of chapters are devoted to interviews with the players and coaches who inspired this fascinating story. Another book is the "Southern Kirk and Carrell Family" by Mrs. Arch Marshall. This is a very good genealogy book that was donated to the library by Mr. and Mrs.

Nolan Holt in memory of Mr. Delon Kirk. Also new is the 1975 Summer Employment Directory of the U. S. by Mylena A. Loh. This has the latest up-to-date information on 90,000 summer jobs available throughout the U. S. and Canada for 1975.

MINTED IN THE UNITED STATES
SINCE THE LIFTING OF
THE GOLD BAN

Coin shown 1 1/2 times its actual 26mm size.

THE 1975 ONE HUNDRED BALBOA GOLD COIN
OF THE REPUBLIC OF PANAMA

Brilliant Uncirculated Specimens available now.

Face value equivalent: 100 U.S. dollars. Price: \$100 plus \$3.00 handling charge.

We are proud to be able to offer you Brilliant Uncirculated Specimens of this historic gold coin—at its face value of \$100.

The 100-Balboa gold coin of Panama is a monetary coin, backed by the Government of Panama. As legal tender, it can be spent at face value at any time in Panama, or can be freely converted into U.S. dollars at foreign money exchange centers. Moreover, this new gold coin has considerable numismatic value. It is the first gold coin minted in the United States since Americans regained the right to own gold, and is the first gold coin ever issued by the Republic of Panama.

The 100-Balboa gold coin contains 8.16 grams of 900/1000 fine gold and has been minted by The Franklin Mint, the only private mint in the United States authorized to strike monetary coins for foreign governments.

It is important to note that because the face value of this gold coin is fixed, it is not subject to the daily fluctuations in the market price of gold. While offering good potential for appreciation in value, it provides protection against loss because of its monetary face value.

LIMITED QUANTITY AVAILABLE

The first minting of Brilliant Uncirculated Specimens has been strictly limited in number by the Government of Panama. This factor, combined with its intrinsic value and numismatic significance, may further enhance the value of the 100-Balboa gold coin as a collector's item.

Helping You Change Things For The Better

On October 28, 1974, the President approved an amendment to the Federal Deposit Insurance Act. Among other things, this legislation increases insurance on deposits from \$20,000 to \$40,000 for each depositor, effective on November 27, 1974. It also provides insurance of public unit funds in some circumstances not to exceed \$100,000 per account.

Holiday Wedding Solemnized

A late afternoon wedding at the First Baptist Church of Gruver united Miss Laura Fay Gross of Gruver and Jesse Odell Hudnall of Hart, Texas, with the young couple exchanging double ring vows at a 3:00 P.M. ceremony Friday, December 27, 1974.

Officiant for the service was the Reverend John Denton, pastor of the Baptist Church, Nancy Gross of Gruver registered guests. Parents of the bride are Mr. and Mrs. Don Gross of Gruver and she is the granddaughter of Mrs. O. J. Gross, also of Gruver. The bridegroom's parents are Mr. and Mrs. J. O. Hudnall of Rotan, Texas.

Vows were exchanged before an altar arrangement of two tall standards of white mums and pink daisy mums flanked by branched candelabra holding white tapers. A memory candle with a pink and burgundy floral base and a white satin kneeling bench completed the altar scene. Bows of burgundy velvet marked the family pews.

Mrs. Bob Gillispie at the organ and Mrs. Richie Fletcher at the piano offered a nuptial prelude and also accompanied Mrs. Leslie Ayres and Mr. Bruce Ayres as they sang "My Sweet Lady", "More", and "Wedding Song". Mr. Ayres also accompanied the selections on his guitar.

Escorted to the altar and given in marriage by her father, the radiant bride chose a formal Empire-styled gown of white silk organza over bridal taffeta. The fitted Empire bodice, featuring a high neckline accented by sheet organza

ruching was designed with an overlay of Chantilly lace and a sheer yoke. A satin ribbon marked the high Empire waist of the bodice which featured long lace shepherd sleeves caught at the wrists with matching ruching flaring over her hands. The A-line gown was accented by an over-skirt trimmed in lace and ruching and swept to back fullness, cascading into a full chapel length train.

She wore a matching Cam-elot cap of Chantilly lace with a bridal illusion fingertip veil edged by a band of Chantilly lace and a separate blusher veil and carried a shower bouquet of white roses and pink satin lovers' knots.

Attending the bride were her maid of honor Linda Stedje of Canyon and bridesmaids Patti Buchenau of Canyon, Anita Bass, Gruver; And Debbie Frazier, Lubbock. The flower girl was petite Lori Fletcher of Gruver. Each of the attendants wore similar gowns designed with A-line skirts of burgundy velvet and bodices of pink crepe which featured high necklines with self-material ruffles at the wrists of the long sleeves. They each carried a pink nosegay.

Bruce Mitchell of Amarillo served the groom as best man with Edgar Hudnall of Fort Worth, brother of the groom; Carl Williams of Hemleigh, Texas and Eddie Allen of Denver City, both brothers-in-law of the groom serving as groomsmen. Chub Gross of Gruver and Mike Stevens of LaMesa served as candlelighters and ushers for the ceremony. Each of the men wore a burgundy

tux with a pink ruffled shirt. Mrs. Gross chose a floor length pink gown enhanced with a matching jacket for her daughter's wedding and Mrs. Hunall, a long-sleeved floor length gown of pink. Each of the mothers' costumes were accented by white mum corsages. Grandmother of the bride, Mrs. O. J. Gross chose a yellow suit which was also accented by a white mum corsage.

Following the ceremony, a reception was held in the Fellowship Hall of the Church hosted by the parents of the bride with the Misses Denise Cline, Starla Hinton, Kristy McKee, and Terry Brandvik presiding at the bridal table which was centered by a fantasy three-tiered wedding cake in the bride's chosen colors of pink, burgundy, and white. The beautiful confection, made by Mrs. Virginia Brewer of Borger, was topped by a wedding bell and featured angels, doves, and flowers. Included in the house-party were Mesdames: L. W. Ayres, Kermit McKee, Howard Hinton, Fred Davidson, and Leon Bagwell.

Mr. and Mrs. Hudnall will be at home in Hart, Texas where Mr. Hudnall is employed by the Hart Independent School District following a wedding trip to Colorado. Mrs. Hudnall, a graduate of Gruver High School, is a Sophomore student at West Texas State University where she has distinguished herself by being on the Dean's Honor Roll receiving a 3.00 GPA this Fall. She is a member of Texas State Teachers Association.

Mr. Hudnall was a graduate of Rotan High School and holds his BA in Education from West Texas State University where he plans to complete work toward his Master's Degree this May 1975. He, too, is a member of the Texas State Teachers Association, Marine Corps member, and a Veteran of Foreign Wars.

A 7:00 P.M. rehearsal dinner was hosted by the groom's parents, Mr. and Mrs. J. O. Hudnall at the El Vaquero in Gruver, December 26th. Pre-nuptial courtesies included a wedding shower at the home of Mrs. Richie Fletcher in Gruver and a gift tea at the home of Mrs. Obed Hughes in Rotan.

Out of town guests included Miss Pat Barkley, Austin; Clara and Teresa Looten, Panhandle; Bill Cox, Columbia, Missouri; Roy Cox, Gove, Kansas; Pam McKee, Arlington, Texas; Rozan Christian, Stratford; Marsha Harwood, Pampa. Also attending the cere-

mony were Mr. and Mrs. G. H. Buchenau, Starla Hinton, Gary and Jerry Leatherman; Terry Brandvik, Steve Bort, Chub Gross, Kristy McKee, Mike Weldon, and Lanny Chandler, all of Canyon; Mr. and Mrs. Eddie Allen, Michael and Mitchell, Denver City, Texas; E. L. Hudnall, Fort Worth; Mrs. R. D. Estes and Rama, Perryton; Denise Cline, Stillwater, Oklahoma; Eugene Hudnall, Rotan; Mrs. Ralph Mathis, Kitty and Anita, Joan Costner, Guymon, Oklahoma; Mr. and Mrs. Danny Carter, Spearman; Dusty Frazier, West Point, New York; Neil Noland, Columbus, Ohio; Rhonda Riley, Mr. and Mrs. Bruce Mitchell, Amarillo; and Mr. and Mrs. Carl Williams, Hemleigh, Texas.

Square Dance Lessons Set

J. D. Wilbanks will be starting a new series of Square Dance lessons in Gruver, Jan. 7 at 7:30 in the Memorial Building. Anyone interested should contact Mrs. Louise Evans in Gruver 733-2705 or J. D. Wilbanks in Spearman 659-3084.

The cookbooks are \$3.00 each and all proceeds will go toward the establishment of a Hansford County Museum.

Immunization Clinic Set

A clinic offering vaccines that give protection against several childhood diseases is scheduled for January 6, 1975 from 2 to 4 p.m. at the Spearman Elementary School. Protection is against polio, diphtheria, lock jaw, whooping cough, measles, and rubella. There is no charge.

Rotary Club Meets

Spearman Rotary Club met Monday, December 30th at Martin's Steak Garden with President, Peyton Gibner presiding over the meeting. Mrs. Mike Garnett gave a civil defense program on how to store food and water for survival. Visitors present were Eddie Limbocker and Ted Collier. Next meeting will be January 6th at Martin's Steak Gardens with Coach Sherwood presenting an outline of the past season of the Spearman Lynx.

Engagement Is Announced

Mr. & Mrs. Lester Leatherman, 1001 Northwestern, Perryton, announce the engagement and approaching marriage of their daughter, Rhonda Gayle to Darrell Gene Tope, son of Mrs. Avo Tope, 209 Lonita Drive, Spearman. The wedding date has been set for February 8 at the Northside Church of Christ.

Bridge Club

The Thursday Dessert Bridge Club met Thursday, January 2nd in the home of Mrs. Jack Lasater. High score was won by Mrs. Dennis Nelson, second high was won by Mrs. Monty Blackman, low was won by Mrs. Tom Latta and the prize for guessing your own score was won by Mrs.

Bobby Archer. Refreshments were served by Mrs. Lasater to guests, Mrs. Monty Blackman, Mrs. Bill Barnum, Mrs. Mack McCormack and Mrs. J. E. Blackburn, and to members, Mesdames: Dennis Nelson, Clark Mires, Kenz Guthrie, Bobby Archer, Ted Godfrey, Britt Jarvis and Tom Latta. Next meeting will be February 6th in the home of Mrs. Tom Latta.

Wedding Plans Revealed

Mr. and Mrs. Irvin Boyd of Gruver are proud to announce the engagement and approaching marriage of their daughter, Mary Boyd, to Mr. Leon Wester, the son of Mr. and Mrs. Cleatus Wester of Guymon, Oklahoma.

The young couple are planning a February 8, 1975 wedding. They will then be making their home in Guymon, Oklahoma.

The Saturday Night Bridge Club held a New Year's Eve Bridge Party Dec. 31st in the home of Mr. and Mrs. Bill Douglas. The room was decorated with balloons, streamers, and New Years decorations. A buffet luncheon was held with desserts served by Mrs. Troy Sloan. High scores were won by Betty Porter and Garland

Head. Guests present were Luke and Joy Stewart. Members present were Garland and Virginia Head, Troy and Frankie Sloan, Chalmers and Betty Porter, Billy and Sybil Miller, and hosts, Bill and Eleanor Douglas. Next meeting will be held in the home of Mr. and Mrs. Garland Head.

Lynx Defeat Alamo Catholic Of Amarillo 61-50 Thursday

Bones Simpson and his Spearman Lynx were quite impressive in their opening game against Alamo Catholic, of Amarillo, in the Canadian tourney at Canadian Thursday afternoon.

Tall and talented Brummett and Jones lead the Lynx in their game against the Catholics. Brummett hit the nets for a total of 20 points, his best performance of the year, and Roger Jones hit 15; also his best performance of the year. This game meant a lot to the Lynx, as Alamo had already defeated Childress and Canyon this year, and the

Lynx especially wanted to win this game. Willie Porter was third in the scoring race with 8; Harper had 6, Roger Brown 4, Hagerman 4, McMullan 2 and Greg Wilson 2. Alamo Catholic had a total of 12 turnovers the first half and 12 the

second half; the Lynx had a total of 14 turnovers, 8 the first half, and 6 the second half. This was the difference in the game as the Lynx cut their turnovers to only 6 the last

half, and showed marked improvement in their all-around ball handling and playing. Score by quarters: Lynx - 12 28 44 61 Alamo - 8 16 33 50

Bull Breeding Conference Set

Pioneer Beef Cattle (Southwest) will conduct a conference January 9th in Amarillo to acquaint Panhandle cattlemen with the company's bull-breeding program.

The session, scheduled for 1:30 p.m. in the W. M. Gouddy Livestock Sales Arena on the Tri-State Fairgrounds, will include an exhibition of bulls and a presentation on Pioneer's breeding and testing program.

The meeting is open to all area cattlemen. Pioneer Beef Cattle officials said.

Dr. Richard McDonald, executive assistant of the Texas Cattle Feeders Association, will be the guest speaker for the gathering. He will discuss "Tools for Sire Selection."

McDonald holds degrees in animal science from Texas A & M University and Louisiana State University and is the author of a number of articles on livestock production.

Reared in San Benito, Texas, he was an area livestock specialist with the Texas Agricultural Extension Service at Renner before joining the Texas Cattle Feeders Association staff a year ago. In the TCFA post, he coordinates the association's cattle research programs.

Robert F. "Bob" Brandenburg, Pioneer Beef Cattle representative for the Panhandle, will serve as host for the meeting. Lionel Lane, customer service director, will outline the Pioneer system for breeding, evaluating and marketing performance-qualified bulls.

Pioneer Beef Cattle (Southwest), headquartered at McGregor, Texas, has one of the most sophisticated breeding programs in the world. Each Pioneer bull is the progeny of a superior herd sire and one of 15,000 registered cows in the program.

The Pioneer feed-testing technique uses a normal growing ration, rather than a high-gain ration, so that results will reflect hereditary growth potential instead of fat production. Computerized performance data is kept on every bull and on his ancestors for several generations.

Pioneer's cattle program includes eight breeds --

Angus, Red Angus, Hereford, Polled Hereford, Charolais, Barzona, Maine-Anjou and Simmental. Only about the top 60 per cent of bulls considered for testing meet all of the standards to be offered for sale.

Each Pioneer bull is certified fertile, and a semen evaluation certificate is furnished to the buyer.

The Pioneer bulls displayed at the conference will be available for sale by private treaty, Brandenburg said.

Pioneer Beef Cattle (Southwest) is a division of Pioneer Hi-Bred International, Inc., the world's oldest and largest agri-genetics organization.

The automobile manufacturers and their dealers are putting on the most aggressive sales campaign in many years as their industry has suddenly gone from feast to famine. You know business is bad when your best car salesman is making \$125 a month compared to \$1,250 a month less than a year ago. Chevrolet is trying a double-barrelled approach with bumper-stickers which read "Whip Inflation Now, Buy a Car." A group of 13 San Diego Ford dealers received delivery of 150 specially ordered red, white and blue Pintos, plastered them with "Inflation fighter" decals and promoted heavily the theme of economy and low price. They didn't sell many of the Pintos, but they got people into the showrooms and, after all, that's more than half the battle. An imaginative foreign car dealer gave away Christmas trees to people who would take a demonstration drive. He doubled showroom traffic and sales as a result.

Although auto dealers are scrambling for sales promotion ideas that get the buyers into the showroom, many put the blame for low car sales directly in the manufacturers' laps. One

major car dealer says "The best answer is for Americans to have more money in their pockets each week. We need a tax cut and we need it yesterday." So far, Detroit has refused to cut prices but pressures are growing for price cuts and there has been a halt to statements coming out of Detroit to the effect that additional price increases are justified. Meanwhile, dealers are pulling in their horns by cutting inventories and going after more business in the service, parts and leasing areas. One thing the car dealers might remember, I have lived in the High Plains for 15 years and I have never had a car salesman walk into my office, give me his card and invite me to visit his dealership the next time I decide to buy a car. And, a car is the second most expensive purchase I will make. A house is the most expensive.

Bigger and better pensions have prompted many to take early retirement--making room for the expanding younger work force. In January, 1974, over half the retired workers who were collecting social security benefits were under 65 years of age, Lynn Bourland, family resource management specialist with the Texas Agricultural Extension Service, The Texas A&M University System, notes.

Recent Texas Department of Agriculture studies show that agriculture provides jobs for 35-40 percent of the Texas labor force.

CONGRATULATIONS SPEARMAN STATE FINALIST

To the Lynx --- By Terry Schneider
CHRISTMAS TIME DID COME,
OUR SEASON AT ITS END:
NOW'S THE TIME FOR PAUSE,
GLAD TIDINGS TO SEND.
REAL PROUD OF YOU LYNX,
ALWAYS GIVING IT YOUR ALL:
THE TITLE WE MISSED, BUT
UNDERNEATH YOU DIDN'T FALL.
LYNX OF SEVENTY-FOUR,
AND NEVER WILL BE FORGOT:
THEY PLAYED 'TIL THE END,
IN THE STATE TITLE SHOT.
ONE LOSS AT THE FIRST,
NUMBER TWO AT THE END:
SANDWICHED IN THE MIDDLE,
SPEARMAN WON THREE PLUS TEN.
POSSESSING A SCERET QUALITY,
EACH LYNX WITH A DREAM:
AND PUT IT ALL TOGETHER,
RESULTED THE PURPLE PRIDE TEAM.
MANY ACCOLADES AND HONORS, YET
ALL QUIET AND RESERVED:
NOW ENJOY YOUR SUCCESS,
SURELY ALL OF IT YOU DESERVE.
THE TIME HAS COME,
AFTER FOUR BIG YEARS:
TEN FINE SENIORS,
EIGHT FOOTBALL CAREERS.
FOUR ARE TIM, MIKE, CARL, AND DON,
INCLUDE VIRGINIO, ROGER, AND DANIEL TOO:
NEXT COME DONNIE, STEVE, AND ROBERT,
ALL THE LUCK IN WHAT YOU DO.
LET OTHER LYNX TEAMS,
INTO THE LIMELIGHT:
SURGE INTO MORE PLAYOFFS
THE FUTURE LOOKS BRIGHT.

NOTICE

We at Spearman Auto Supply have always prided ourselves with giving the best service of any automotive wholesale in the Panhandle, longer store hours, open 3 holidays a year, and on call service 24 hours a day, 365 days a year. Our goal is to always give the very best service possible. However, due to the economic conditions and these fast changing times, we are forced to change our policy to some extent. Effective January 2nd, 1975, we will no longer have anyone on call at night or on the following holidays; Christmas and New Years Day. We will continue to be open Memorial Day, 4th of July, and Labor Day, & will have someone on call all Sundays & Thanksgiving Day.

Also, effective January 2nd, we will have a \$2.50 charge for all call-outs to anyone not having a current charge account. We will always honor calls at night. Even though, no one is on call, you should always be able to reach some employee in case of an emergency.

We appreciate your business and we intend to always be 1st in service in the Panhandle.
