## PTA Teacher Appreciation Week

The Spearman PTA is focusing on the quality of education in Spearman schools this week by saluting teachers for their good work.

May 4-10 has been designated as Teacher Appreciation Week by the National PTA, giving children their parents the chance to thank teachers for their contributions to both their students and the community.

The quality of education in this country has come under much scrutiny in the past few years. We

have learned that there are many outstanding teachers in our public schools who deserve to be recognized for their work. We don't always realize just how important teachers are to our children and community. The PTA has set aside this week to encourage everyone to express appreciation to teachers for all they've done.

Among the activities planned by the Spearman PTA are providing refreshments for the teachers' lounges during this week.

This week is the National PTA's Teacher Appreciation Week. Take a minute to thank the teachers who give our children the gift of knowledge. A smile and a "thanks" is all it takes. Show teachers you care.

While teacher quality and availability has never come under so much scrutiny as recently, we have discovered there are many outstanding educators whose work deserves to be applauded.

We often take for granted skills such as reading, writing, adding and subtracting. They come so easily to us, we tend to forget who taught us these skills.

## Let The Bible Speak

By David V. Fultz,  
evangelist, Church of Christ

When one realizes that the scriptures are inspired of GOD and are given to furnish us completely to every good work, 2 Tim. 3:15 he must be very careful not to add to nor subtract from them. The bible contains the whole truth that God has revealed for us today, and nothing but the truth. We must be very careful also that we do not wrest them to our own destruction, 2 Pet. 3:16. When God speaks we should listen and do what He says.

In the scriptures God has revealed unto us the way of salvation. We would never know God as a loving Father, who created us, and wants to save us from the blackness of sin and the darkness of the grave if we did not have the Bible. It is through the Bible that we are guided into the life that is pleasing unto God, and beneficial unto ourselves. Happiness comes to those who believe and Obey what Jesus has taught, Matt. chapters 5,6,7. And David

taught, through inspiration that the blessed or happy man is the one who meditates upon the word of God day and night. Psa. 1. There is no joy or happiness known to man like that that comes from putting what God has taught first in ones life, and studying and drinking deeply of the words of life. The Bible thoroughly equips us for a fruitful service in our personal lives and in our ministry to others. 2 Pet. 1:5-11.

The Bible is so given by God that when we are instructed in it and converted that we have a hunger and thirst for righteousness that never ends as we continue to feed upon the word. 2 Pet. 2:1-2. It satisfies and yet it doesn't as we realize when we come to feed upon its everlasting truths there is always so much more for us to grasp, and so many more wonderful things revealed that we want to ever grow and learn more.

## Spearman Salvation Army Service Unit Fund Drive

A goal of \$1,500.00 has been set for the Spearman Salvation Army Service Unit Fund Drive which will kick off on May 1st, as announced by Johnnie C. Lee, Service Unit Committee Chairman.

Funds collected in the drive will be used to pay for The Salvation Army's services to the underprivileged in Spearman through the current fiscal year.

In order to hold expenses to the minimum, the Service Unit has decided to use a direct solicitation, through a bank statement mailing, this year. Chairman, Lee, ask that you give serious thought to this request so that this local volunteer organization can continue these worthwhile services.

The committee, composed of business and civic leaders, carries

out a year-around program to help people with emergency needs. In the name of The Salvation Army whom it represents, the committee helps with such basic necessities that families or individuals may require in a temporary crisis.

The Service Unit also acts as liaison for The Salvation Army's state-wide program which includes summer outings for boys at Camp Hoblitzelle, care for pre-delinquent girls and unwed mothers, help for paroled prisoners, relief in major disasters and other services.

Members of the committee are:  
 Johnnie C. Lee      Allen Alford  
 Jo Ann Hawkins    C.A. Gibner  
 Judge Roy McClellan   J.W. Gibner  
 R.L. McFarlin      Emmett R. Sanders  
 Linda Winegarner, RN.  
 Mrs. Elsie Mathews

This week, the National PTA is reminding us. Teachers make it possible for us to read the newspaper and write letters to our family. Teachers give us knowledge we don't get anywhere else.

### Thank You

I would like to thank everyone for their support this year at Little School. Your response and concern has been fantastic!

Parents, thank you for sharing your child with me. It has been a delight teaching them, learning with them, and getting to know each one of them as an individual. Also, thanks to all the mothers and Dads who helped with the parties and field trips (yes, Dads too!)

It has been a very busy month at Little School. We have been learning about Community helpers. During the month of March we enjoyed learning about our hearts by using the Heart Treasurer Chest. Below is just a few people we need to say "Thank you" to.

Janice Mayfield for helping emphasize exercise at the YMCA. Nurse Kay McFarlin for showing us the Emergency Room at the hos. and explaining how to take care of our hearts. The Spearman Police and Sheriffs' Office. A special thank you to Police Chief Joe Raper for talking to all four classes and giving a tour of the Police Station and the Jail. Dr. Cobb for showing the Wed., Fri., class his Dentist Office. Earlier we visited the fire department and had a special fire safety program conducted by Fire Chief Ronnie Antalek. Vickie Bullard also showed us the Ambulance. At the beginning of the year we visited the Public Library and attended the Book Fair at the Elem. Library. Thank you Librarians! As you can tell, field trips are a very important part of learning at Little School. We have been very busy, but I feel we all benefited from our experiences and had lots of fun learning. I am so grateful for all these wonderful people. Whether your task was large or small, Thank you for taking time out of your very busy schedule to touch the lives of the young children I have at Pre-school.

Thank You  
 Donna Trantham.

Remember who taught you to read and write? Take a minute to thank teachers who gave you the gift of knowledge. Show teachers you care during the National PTA's Teacher

Teachers today are better educated than ever before—nearly half (49 percent) have master's degrees or better. Yet, according to a Rand Corporation study, one of teachers' major concerns is that they are not given the respect afforded other professionals with similar training and experience.

This week, the National PTA is reminding us that we learned them all from teachers. May 4-10, 1986, is the third annual National PTA Teacher Appreciation Week. It is being observed by thousands of local PTAs nationwide in an effort to focus attention on the many contributions teachers make to our society.

Ballots should be mailed to: Panhandle area agency Panhandle area agency on aging Box 9257 Amarillo, Texas 79105 The official election will be held at the above named centers on May 30, 1986. Pearl Pierce, a member of the Silver Haired Legislature Steering Committee urges all Seniors to use this opportunity to let your "Gripes" be heard in Austin and come by and vote, either absentee or on the 30th of May.

This is Teacher Appreciation Week. Join the PTA in showing teachers you care. "A smile and a thanks" is all it takes. Celebrate Teacher Appreciation Week, May fourth through tenth.

**Big business can be bought.**

Not the corporate structure, but the structure itself. The actual buildings of some of the largest corporations in America can be bought by individual investors. Believe it or not, it's not all that hard to get in on the ground floor. Even harder to believe, you don't have to pay top dollar.

You see, at Integrated Resources we take the time you don't have, to do the research necessary to choose the best investments in real estate. We help you decide things like whether it's better for you to be a landlord, or a mortgage-holder. So you're not left to make these decisions on your own. And when it's time to come up with the money, once again you'll have plenty of company. You'll be putting your money together with all the other investors that are taking advantage of the same piece of real estate.

To find out more about how we do it, give us a call. You'll be surprised how many skyscrapers are within your reach.

## Among The Neighbors

Mr. and Mrs. Woodrow Gibner returned Sunday from Shawnee, Oklahoma where they attended the funeral of her aunt, Flossa L. Larson. It was held on Wednesday, April 23. Mr. and Mrs. Larson have visited in Spearman many times and had a number of friends here.

Mr. and Mrs. J. W. Johnson of Lynchburg, Virginia were here last week. They came to visit, primarily, her nephew, Robin Giblin, who is quite ill in High Plains Baptist Hospital in Amarillo. They visited her brothers and sisters also. She was the former Jerry Beth Harbour.

Mr. and Mrs. Ben Upchurch enjoyed guests during the past week-end. Friends, the Del Dixons of Amarillo, and daughters of the Upchurchs-Glenda Bauker and son Justin, of Canyon, and Gail Carr, with Jarrod and Tisha of Canadian were visitors.

Bonnie Thompson returned to school Thursday after having an appendectomy last Friday. She was in the Dumas Memorial Hospital. Bonnie is the daughter of Mr. and Mrs. Ricky Thompson.

A pleasure for Mrs. Jimmy Hester the past week-end was the visit from her son, Mr. and Mrs. Tony Hester, and Heather. They live in Lubbock.

Diane Vaughn and son, Chester from Lubbock, spent the week-end with her parents, the Lawrence Dosssets.

David Slater, who is recovering at home expects to return to his employment at Natural Gas Pipeline, on Monday. Several days ago David was injured in a motorcycle accident. It occurred just north of the dam at Sanford when he was rounding a curve and struck a reflector pole that had been dropped on the highway. He has been brought to Hansford Hospital.
