# Bank Observing 63rd Anniversary

One of the oldest business institutions in Hansford County, the First State Bank of Spearman, will observe its 63rd anniversary on July 10, 1980.

Deposits at the First State Bank at the close of business on March 30, 1980 were a record high of \$30,902,705.17, with loans of \$16,779,299.57. Total assets of the bank were listed at \$36,467,292.85.

The bank had its beginning at Hansford, Texas July 10, 1917 when the Guaranty State Bank opened its doors for business. The board of directors were W. S. McNabb, B.V. Andrews, L. G. Blackmer, L. R. McComas and Walter C. Sikes, cashier. The Guaranty had purchased the assets of Hansford County Bank, an unincorporated bank, which had been organized in 1917. Total assets in 1917 were 147,698.30 and deposits were \$15,326.63, loans \$18,782.89.

Mr. McNabb resigned as president in 1918 and L. G. Blackmer was elected president. H. E. James was cashier from October 1919 until October 1925. In Nov. 1919, Mr. I. E. Cameron of Guymon, Okla. purchased the bank and owned it until 1930 when the bank was purchased by Hansford County residents J. R. Collard, P. B. Higgs, Walter Wilmet and H. B. Hart.

The bank had rough going in its early years. It went through the first World War, low farm and livestock prices, continued droughts, and crop failures and then the depression. Growth of the bank was slow until the 1940's.

During World War II the county had good crops at good prices and the bank began to make a substantial growth which has continued through the years.

The name of the bank was changed in Nov. 1926 to Fidelity Bank of Commerce and operated under that name until 1930 when it was changed to First State Bank, which is its present title.

Walter Wilmet and P. B. Higgs were presidents during 1930. J. R. Collard was elected president in 1931 and continued in that capacity until his death in 1952.

Mr. C. A. Gibner came to the bank as vice president in Sept. 1930 from the First National Bank of Spearman where he had been cashier.

After the death of Mr. Collard, Gibner was elected president, a position which he still holds.

Officers of the bank are president, chairman of the board and trust officer, C. A. Gibner; executive vice president, Ray Ingie; senior vice president, J. W. Gibner; senior vice president, Jim Shirley; vice president & trust officer, Verna Lee Shirley; assistant vice president, Michael L. Schnell; cashier, Felma B. Evans, and assistant cashiers, Lynanne Maize and Larry Trospen.

Directors are C. A. Gibner, J. W. Gibner, Lynn Hart, Verna Lee Shirley, Eris Pittman, Gene Cudd, Rex Sanders, Jr., R. M. Crawford, Jim Shirley and Ray Ingie.

## Mr. Banker Started As Youth In Old Hansford Bank

Mr. Clay Gibner began his banking career in Hansford County in 1919. He had just finished high school and was looking for a job when H. E. James of the Guaranty State Bank in Hansford became ill one day. He phoned the Gibner home and asked the young man to come to the bank and go to work.

His duties on this first job consisted of bookkeeper and junior member of the two-man staff, as well as sweeping and many other tasks in the business.

He only stayed with the Guaranty State in Hansford from August 1, 1919 until December 1 of the same year. The larger First National Bank offered him a better job and he

took it. At the First National he made the move with the bank to Spearman. He also made some professional moves and in 1925 was made cashier of the First National.

In 1930, local men purchased the First State Bank and later that year he was offered the Vice-Presidency of the First State Bank, which was the successor to the Guaranty State

of Hansford and later Spearman.

He held this position until 1952 when he was named president of the bank after the death of J. R. Collard.

Mr. Gibner has seen phenomenal changes in banking as well as in the county during his long career and he continues at

the helm of the local bank today.

He has been active in civic affairs in Spearman. He has served several terms as mayor of Spearman, two terms as President of the Chamber of Commerce, is the only active charter member of the Lions Club and has been its president.

He is a Mason and a member of the First Methodist Church of Spearman.

He married the former Hazel Lowe and they became the parents of two children, Verna Lee Shirley, herself an officer in the local bank and Peyton, who was president of the bank at the time he was killed in a car wreck a few years ago. There are four grandchildren, one of them, Mike Schnell, continuing in the family tradition of banking and is now assistant vice president.

Mr. Clay Gibner

## Selective Service Registration

All classified U.S. Post offices in the Panhandle area will have available Monday, July 21, 1980, Selective Service System Registration Forms to hand out to men born in 1960 and 1961.

Men born in 1960 register during the week of July 21, 1980.

Men born in 1961 register during the week of July 28, 1980.

It is suggested the registration schedule be-if registrant was born in January, February, or March, register on Monday; April, May or June, register on Tuesday; July, August, or September, register on Wednesday; October, November or December, register on Thursday.

Post Offices responsibilities are limited to handing out Registration Forms and pamphlet, "Selective Service and You."

The registrant must PRINT their date of birth; full name; current mailing address; permanent residence address (if different from current address); current phone number; signature of registrant.

The registrant then takes the completed card back to the post office window with his identification (driver's license or social security, etc.); the postal official will check the card for completeness; post mark the card; and mail it to the Selective Service System for the registrant.

Post offices will not have any other information, such as draft deferments or how registration will affect them, etc. All inquiries by registrants concerning such questions will have to be answered by the Selective Service and not by the Postal Service. The only role of the Postal Service in this process is to handle the registration itself.

After August 1, 1980, post offices will have available Registration Forms for registrants who were unable to register July 21 through July 31, as well as, Change of Information Forms to report future change of address.

The Selective Service System will correspond with each registrant in due time after they receive the Registration Card.

## 4-H Fashion Revue Finale

4-H Fashion Revue Winners—Karen Kenney will represent Hansford County in the Senior division at District competition. Mary Kenney won 1st place and Tisha Percy alternate in Junior 2 division. Stacy Poole was selected Best Model.

4-H Fashion Revue Winners—Kelli McWhirter received Best First Year award. Sara Blackburn was selected as Best Model in Junior 1 division. Anne Marie Jarvis is alternate and Kerri Holt received 1st place in this division.

## 1981 Wheat Program To Be Announced August 1

With the 1980 wheat harvest almost history, most farmers who harvested their wheat were pleased with their crop. There were much hail in the northern part of the county that wiped out crops.

According to Martin Chandler, ASCS director, there were 199,593.6 acres of wheat planted for harvest in the county. Planting of barley was 1,208.5 acres and oats was 1,230.5.

Many farmers were pleased with their high yields, especially on dryland, following the bumper crop last year.

Wheat prices climbed last week, but dropped some this week.

The 1981 wheat plan is expected to include wheat set-aside and so is a paid diversion plan or a combination of the two.

A voluntary diversion program could include payments ranging from \$1.80 to \$2.50 per bu. Target prices could be between this year's \$3.63 and \$4.10, and a basic price support loan between 1980's \$2.50 and \$3 is under consideration.

Program announcement probably will be made by Aug. 1. Feedgrain announcement deadline might be advanced from Nov. 1 to Nov. 15.

The reserve program is wide open for 1980 wheat and other grains. All grains are eligible while farm prices average below "call rates, they can go immediately into reserve without

sitting through the nine-month regular loan period, and there's no limit on the amount of your grain you can put into reserve.

Benefits are 26.5 cents per bu. annual advance payments while prices average below reserve release rates, 11.5 percent interest only on the first year of the reserve loan (no interest after that), and holding-redeeming-selling flexibility

while prices average between release and call rates.

Applicable rates on 1980 wheat at press time are \$2.50 loan, \$3.75 release, and \$4.63 call. Sorghum rates are \$2, \$2.50 and \$2.90 per bu. There has been some Congressional and Administration consideration to raise price supports and release and call rates.

Sports Splash, the Summer Reading Program at the Hansford County Library will soon be over. There will be a swimming

party at the pool on July 15 from 7:30 P.M. till 8:45 P.M.. All boys and girls who have participated in the Sports Splash Program are invited to come for swimming and refreshments.

The Hansford County 4-H Fashion Revue held Tuesday (July 8) in the First Baptist Church in Spearman, signaled the grand finale for the youth participating in 4-H Clothing projects this year.

Competition was on construction and overall appearance of the handmade garments. Karen Kenney of Spearman will represent Hansford County in the Senior division at the district competition with her 100 percent wool ensemble.

Mary Ann Kenney of Spearman won 1st place in level II of the Junior division, with Tisha Percy placing second and Stacy Poole of Morse placing third. Stacy Poole won the modeling award in this division.

Winning 1st place in level I of the Junior division was Kerri Ann Holt of Spearman, with Anne Marie Jarvis placing second. Sara Blackburn received the award for Best Model. Kelli McWhirter was selected as Best First Year participant.

Blue ribbons were presented to Davonna Cator of Gruver and Jane Wirsdorfer, Connie Wool-

ey and Leticia Vela of Spearman.

Receiving red ribbons in this division were Kelli Virden of Gruver and Carol Poole and Kathy Poole of Morse.

Anne Marie Jarvis welcomed the guests and Karen Kenney served as narrator as 15 4-H members between the ages of 9 and 19 modeled their handmade outfits to the background music provided by Mary Kenney.

Favors for each participant were provided by the Kaleidoscope and presented by Mrs. Sheri McWhirter. Awards were presented by County Extension Agent Peggy Winegarner.

Special recognition of 4-H Clothing leaders was given by Kerri Holt. Leaders recognized were Virginia Poole, Jean Percy, Sue Holt, Sheri McWhirter, Corine Virden, Karen and Mary Kenney. Tisha Percy registered guests.

The Hansford County Extension Homemakers' Council provided refreshments for the parents, leaders and visitors attending the revue.

## Red Cross Bloodmobile In Gruver July 15th

## June Ceremony Unites Couple

MRS. DAVID MARTIN

Miss Sandra Dee Dry and David Wayne Martin exchanged wedding vows June 21, 1980 in the Union Church, Spearman, Texas at 2:00 P.M. with Rev. Archie Burrell officiating.

Mr. & Mrs. Floyd Dry of Spearman are the parents of the bride. Parents of the groom are Mr. & Mrs. William P. Martin, also of Spearman.

The bride, given in marriage by her father, wore a formal gown of bridal satin overlaid with miramist and trimmed in lace. The gown was styled with a mandarin neckline, long Camelot sleeves, and empire waist. Her chapel length train was miramist with a large bow and wide streamers. She carried a nosegay of white, blue-tipped daisies set in baby's breath, with pale blue streamers.

Attending the bride as matron of honor was Mrs. Pam Barber, sister of the bride. Miss Stacey DeWitt was bridesmaid. Both wore formal dresses of blue flowered chiffon with cape necklines.

Best man for the groom was his brother, Billy Martin. Serving as groomsman was David Cummings. Danny Dry, brother of the bride, of Borger and David Regier of Dumas, served as candlelighters and ushers. The groom and other men of the wedding party wore pale blue tuxedos with darker blue trim and white ruffled shirts edged in blue.

Wedding music on the organ and the solo "We've Only Just

Begun", was provided by Eddie Martin of Spearman.

Registering the wedding guests was Miss Julie Frank of Booker.

Serving at the reception in the church annex were Miss Melissa Robertson and Miss Teri Burgess of Spearman. The table was adorned with a blue cloth overlaid with white lace. The beautiful three-tiered wedding cake, with a cascading wreath of blue drop flowers and a large crystal punch bowl with silver accessories made a beautiful setting. The flower arrangement was white daisies tipped with blue and blue caranations. The arrangement was compliments of the groom's family. Pale blue rice, in white mesh bags tied with blue ribbon, were given to the reception guests.

The bride chose a "Cap" sleeve dress with blue skirt and white bodice and white wedge sandals as her going away outfit. She wore a corsage of blue tipped white daisies amid baby's breath.

The couple is at home in Dumas, Texas where the groom is employed as a computer technician for Swift Fresh Meat Co.

Pre-wedding festivities included the rehearsal dinner, hosted by the family of the groom, at the Cattleman's Restaurant and a shower for the couple in the reception room of the First State Bank of Spearman.

## Shieldnight-Gillaspie Vows Exchanged

MRS. DICK GILLASPIE

With a triad of 12-branched candelabra bearing white cathedral tapers framing the altar of the Pleasant Valley Baptist Church in Amarillo, Texas, double ring vows were exchanged by Leann Denise Shieldnight and Dick Gillaspie in a 7:00 P.M. service June 21, 1980 with the Reverend Charles Ivey the officiant.

Parents of the bride are Mr. and Mrs. Jimmy Shieldnight of Spearman, Texas, and Mr. and Mrs. J.N. Gillaspie of Amarillo are parents of the groom.

The aisles of the sanctuary were marked by magna satin bows and candles. Serving as candle lighters were Carly and Haley Shieldnight, nieces of

the bride from Spearman. Mrs. Vic Ivey of Idalou, Texas, Mrs. Tim Lervis and Tami Lewis from Ulysess, Kansas presided at the guest register.

Pre-nuptial selections were presented by Janice Bergman of Amarillo at the organ who accompanied Jo Anna Shanks, also of Amarillo as she sang "My Tribute", "The Lord's Prayer" and "More".

Escorted to the altar by her father and given in marriage by her family, the lovely bride chose a formal length gown of gossamer white silk organza fashioned with a bodice of chantilly lace accented by seed pearls and designed with a Queen Anne neckline and full

## Farm Bureau Seminar Has Been Rescheduled

Believing America has made 5,000 years of progress in one lifetime because of the superior standard that is the Constitution of the United States, the Hansford County Farm Bureau -with the Texas Farm Bureau and the Freeman Institute- had scheduled a Constitutional Seminar for area families at the Hilton Inn at Amarillo.

Due to some activities conflicts, new dates for the seminar have been announced:

Registration will begin at Amarillo's Hilton Inn at 5 p.m., Thursday, July 31. Classes will be conducted from 7 - 10 p.m., Thursday and Friday nights (July 31, Aug. 1) and 8 a.m. - 5 p.m., Saturday, Aug. 2.

Saturday, a buffet luncheon will be served at noon and a buffet banquet at 7 p.m. followed by a guest speaker from the national level of events in the U.S., today.

Cost for the buffet luncheon will be \$7.75 per person and the buffet banquet will be \$12 per person.

Basic enrollment cost is \$35 per family which includes text books and workbooks but does not include the luncheon and banquet fees.

Success of the seminar is predicated on having 100 families sign up. Currently, 27 families have registered. So, 73 families still are needed. Registration forms are available at the office of the Hansford County Farm Bureau at Spearman.

Study periods for the seminar are entertaining as well as informative. They are conducted by W.Cleon Clousen and other members of the Freeman Institute faculty.

Farm Bureau leadership feels the seminars are needed urgently in these times of attack on the Constitution to restore faith

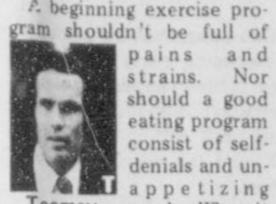

in the formula of the founding fathers on the part of the average American citizen.

Under close examination, according to various constitutional authorities, most of America's problems today- inflation, growing taxation, federal encroachment in local affairs, loss of states rights, corruption in high places, government waste and other-exist because of abandonment or perversion of some principles laid down by the Founding Fathers.

In the words of the foundation's Dr. Skouens:

"These courses are specifically designed to restore confidence in the Founding Father's unique formula for constitutional government and free enterprise economics which made America the greatest nation on earth."

part of the way is eating right. The two, regular exercise and eating right, form the fitness connection.

Toomey's beginning exercise program shouldn't be full of pains and strains. Nor should a good eating program consist of self-denials and unappetizing meals. What it should include is a good mix of a variety of foods providing the nutrients needed by the body, with the number of calories consumed no more than the number of calories expended.

According to the President's Council on Physical Fitness and Sports, nutritionists say that Americans consume too many calories, eat too much salt and too much fat. To alter these eating patterns, they recommend that most Americans:

- Eat more fruits, vegetables and whole grains.
- Eat fewer fatty meats and more poultry and fish.
- Cut down on sugar and foods high in sugar content.
- Substitute skim milk for whole milk.
- Eat fewer high cholesterol foods.

### Umansky Promoted To Senior Airman

CLOVIS, N.M.--George D. Umansky, son of Jacqueline U. Ardinger of 605 Woodside Road, Baltimore, has been specially identified for early promotion to senior airman in the U.S. Air Force.

Airman Umansky was awarded the new rating by a "below-the-zone" promotion board which considered job performance, military knowl-

edge, bearing and self-improvement efforts.

Airman Umansky is aircrew egress systems mechanic at Cannon Air Force Base, here.

His wife, Terri, is the daughter of Martin Chandler of Spearman, Texas, and Mrs. Marvin Creamer of Clovis, N.M.

The airman is a 1978 graduate of Milford Mill High School, Baltimore.

#### POST WAR KILLERS

It goes without saying that wars have caused millions of deaths and injuries to Americans. But a recent research into death and accident reports dating back to 1920 has uncovered a new danger. You might call it a post-war "hang-fire."

This homefront killer is known as the "war trophy." And it is responsible for an estimated half-million reported accidents in this country since World War I. The most frequent disasters are caused by loaded guns that go off while being cleaned or when they are simply mishandled. Other mishaps occur because

too many owners of war souvenirs assume that ammunition cannot explode unless fired from a gun. Not true. Certain chemicals in shells and cartridges can deteriorate with time, causing the ammunition to explode if exposed to extreme heat or even to a slight shock.

In Boston recently a Vietnam veteran was severely wounded when a souvenir shell, serving as a paperweight on his office desk, suddenly went off during a thunderstorm. So, if you own any "war trophies," deactivate them at once.
