Dear Mr. Miller:

The Reporter's editorial of November 27 entitled "How much defense?" came to my attention recently, and I was gratified to learn that your newspaper also gives our nation's defense a top priority in the federal budget. Your editorial correctly pointed out that President-elect Reagan is committed to cutting the waste and fraud from federal spending and beefing up our defense budget.

During the upcoming 97th Congress, I look forward to serving as chairman of the Senate Armed Services Committee and also taking on a new assignment to the Senate Budget Committee. With this double perspective, I will be able to carefully weigh our defense and economic needs. Please feel free to call upon me whenever I may be of service to Hansford County.
