Basketballers Open Season With 42-33 Win Over Sunray

Sophomore Carl Close sank two one-shot foul shots in the opening minutes Friday night and the Spearman Lynx were off and running to their initial victory of the young basketball season. They won 42-33.

Coach Dean Weese surprised a large crowd of cage fans by sending a group of smooth

working cagers on the floor after only one week of work.

Senior Jim Kirkland and junior zone defense with great first-game outside shooting. Both boys hit six field goals and Kirkland had three free throws and Butts, two. Kirkland took scoring honors with 15 points and Butts had 14.

Spearman jumped into an early lead in the first period but Sunray came back strong and tied the score 12-12 at the end of the first quarter.

Spearman squeezed into the lead in the second quarter and held a 22-18 lead at the half. The Lynx held onto an eight to 10 point lead most of the final half.

Spearman was extra on defense, holding Sunray to 27 shots from the field, and they made only six field goals.

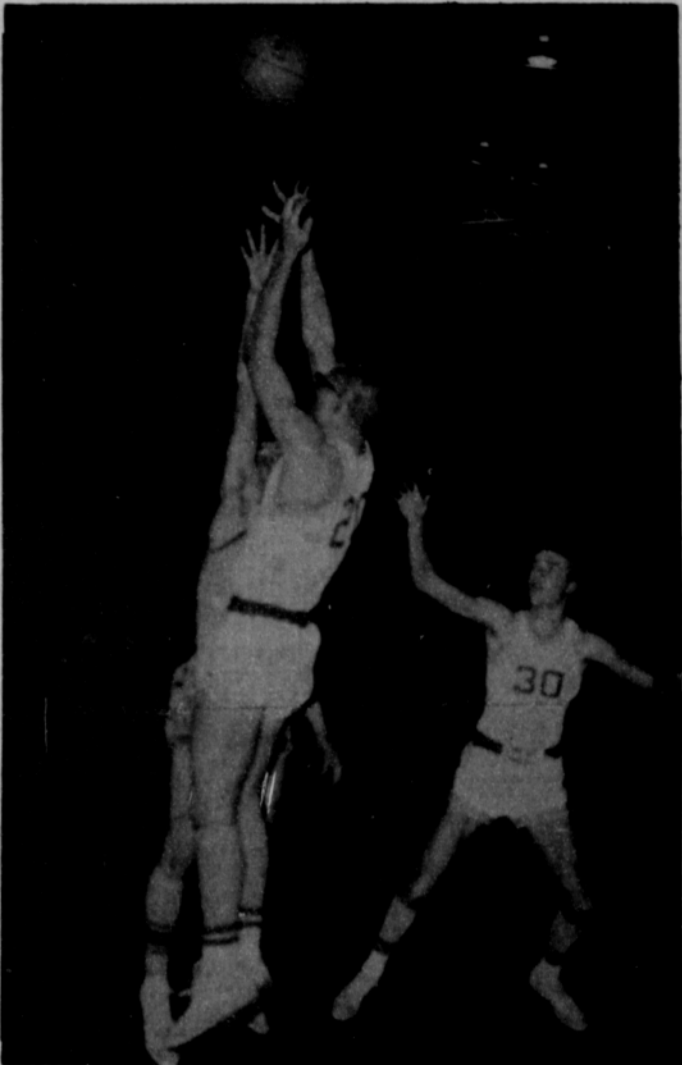

After the game Coach Weese said he was well pleased with the efforts of his team. "I thought the boys did a real good job on defense and rebounding."

Jim Kirkland led the rebounding with 14 rebounds. He got help from all the Lynx on the boards. Big Johnny Crawford joined the squad only two days before the game and was tough on defense and rebounding.

Kirkland, Close and Crawford, the team's three big men, worked well on rebounds and Weese said he was well pleased. The coach said the boys gave the Lynx a good rebounding trio. Weese said the small boys rebounded well, also.

Lynxettes Beat Sunray Girls 61-42 As Weese Revolves Guard Corps

It was another night of experimenting for Coach Dean Weese and his Spearman Lynxettes as they rolled up a 61-42 win over the Sunray girls Friday night.

After rolling up a 20-7 lead in the first quarter, Weese went to his bench for several forward and guard combinations which kept the game out of reach for the hustling Sunray six.

The Wilde sisters teamed to outscore the Sunray team. Vicki and Barbara Wilde each

scored 24 points for scoring honors.

The third big gun in the Lynxette scoring parade, Phyllis Patterson, put the ball up only a few times, but scored nine points.

The little speedster was tough on defense and fed shot after shot to the Wildes playing on the posts.

The three reserve Lynxette forwards had trouble getting their shots away against the Sunray defense.

Forward Karen Givson worked part of the game as a guard and Weese said for just two days in practice, she did a good job.

The Lynxette boss is still searching for more height for his guard platoon. Starters Robbie Ownbey, Susan Hutchison, and Bethany Donnell are all short and have trouble rebounding against taller opposition.

"Guard Linda Smith has been improving rapidly, Weese said.
