Determination Gets Test Friday

All the signs of fall are with us even if the temperature still gets in the summer figures.

The first football games of the year will be fought out Friday night with Spearman going to Panhandle and Gruver moving off the plains to meet Clarendon.

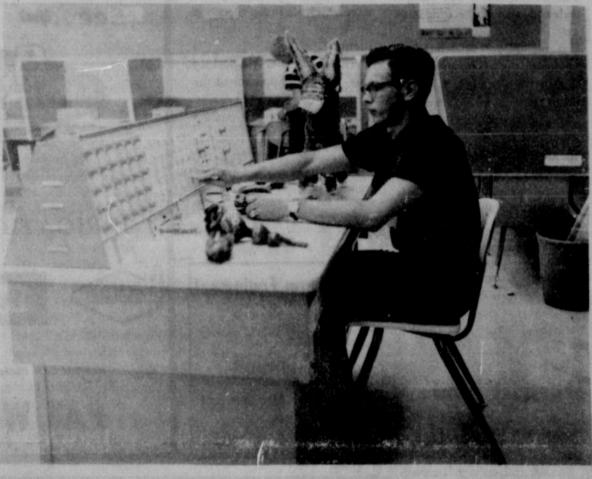

Another sure sign is the advent of new models of tractors, trucks and cars. North Plains has the new Farmall, Excel has the new Chevrolet trucks and Joe Trayler has the new Fords. At Bruce Motors the new Jeep vehicles are on display.

By the last of this month the new automobiles will begin to make their appearances. This year folks can just about have their choice of makes and mo-Announcements will be made later this month about new dealerships in town to go with our already established

It is always nice to see all of the new models and drink the coffee and eat the donuts that go with the showings, but it means another year is almost gone and we are having another birthday.

We suppose there were a few people who went through the new High School Sunday who were not impressed, but we doubt it. Spearman can be truly proud of this modern facility and for the fact that when it invested its money it put it into a building that will be up to

Con't on page 2

ULTRA MODERN -- This Language Lab in the new Spearman High School has facilities for 30 students and is the latest method for teaching foreign languages. Rick Collins is shown at the control panel of the lab. Rick was on hand Sunday at the open house to explain how the lab facilities operate. More than 1,500 persons viewed the building Sunday. PLAINSMAN PHOTO

Irrigation Well Permits at 170

Applications for irrigation wells in the county continue to come in at an average of two a day, according to Dallasene Reynolds, secretary of the Soil Conservation District.

Miss Reynolds said 170 permits have been issued this year. Fifteen of these have been cancelled, and five were dry holes, this leaves 155 permits still in effect.

Records turned in at her office show 75 wells completed. She said she knew many more were completed but the well logs have not been turned in.

Farmers Union Planning **County Organization Here**

Jay Naman, President of the Texas Farmers Union, was in Spearman Wednesday and Wednesday night laying the groundwork for organizing a Farmers' Union in this area.

Naman said before the meetings in the First State Bank that contrary to some ideas, Farmers Union does not favor strict

He added that his organization has always been concerned. first with price. In agriculture, as in any other business, price is the first consideration. All

other questions are of secondary importance he added.

He said the Farmers Union would prefer no controls, but, if controls are necessary to give a profitable price, we favor the government programs.

Naman said he would also discuss proposed wheat and feed grain legislation at the meet-

The President said integration in the livestock industry was also causing concern in

Con't on page 2

Lightweight Lynx Meet Panhandle in First Game

Don Seymour and his pocket- its test. size football team will start the see how far a football team can go on sheer determination.

Seymour's Lynx open the season in Panhandle against the Panthers at 8 p. m. Friday.

There is no need to compare weights, Spearman can be rated as one of the smallest class AA teams in the state. The two largest boys on the team are quarterback Johnny Crawford, 166, and tackle Mac Crawford, 163.

Since Seymour and his staff opened drills Aug. 19, and found no hulking 200 pounders blocking the view of the field; the coaches have been stressing determination, second effort and toughness. Friday night this gets 145, a starter last year.

Golf Tourney Here This Sunday

Spearman Golf Club members will be competing for the trophies again Sunday in a membership tournament.

The tournament for members only will begin at 1:30 p.m. There will be four flights and 18 holes of competition.

Rain Finally Hits Spearman Area

A sudden shower Wednesday afternoon at about 3 p.m. gave Spearman some much needed rainfall.

The official measurement in Spearman was . 55 inch and a light sprinkle of rain was still falling at 5 p.m.

Panhandle's offense is built big experiment Friday night to around the power running of fullback Mike Eklund, 175. He is rated as one of the best in the area, Eklund did not play in the Panhandle-Stinnett scrimmage Friday night, but is expreted to be ready tomorrow night.

Seven starters from last year are back to help Eklund. At ends there is Alton Daniels, 170, and rated by Seymour as a real good boy last year. Leon Shoat, 175, is also a letterman end.

The two man-eating tackles from last year are gone. This year there is Johnny Stone, 150, and Glen Armstrong, 160. The Gray boys, Bob, 155, and Bill, 145, hold forth at guard.

Center is Jim Pendergrass,

In the backfield are returnees Eklund and Joe Bob Rosellius, 145, Ronnie Edwards, 140, is the other halfback. Quarterback David Slagle started about half the games at quarterback last

In the pre-season picking Panhandle was picked at the bottom of its district, but some of the coaches in 1-A say watch the Panthers for they could easily be on the top.

From the Lynx bag of tricks will come an aerial attack that can be devastating, if the forward wall can be tough enough to give Crawford time to throw.

When not hurrying after one of Crawford's long bombs, Mike Morris will make up part of the running attack from halfback, Ronald McDonald and Larry Butts are scrambling after the other starting halfback job and both are fancy steppers.

At fullback this may be the year David Batson makes all other fullbacks look clumsy. He has the quickness of a halfback, the balance of a ballet dancer and the drive of a big fullback. He can be a mighty serious threat everytime he touches the football.

Up in that forward wall where things can get tough in a hurry Leroy Callaway, 132, and Don Archer, 161, will be at ends. Crawford and Clayton Cockran, 162, are at tackles. Bill Blackburn, 155, will be at center. Four boys are scrapping for the guard jobs. Skipper Robinson, 153, Larry Babbs, 132, Wesley Brinkley, 133, and Richard Smith, 135, are fighting for the positions.

Enrollment Up in Most County Schools

this area, officials announced

Spearman, Gruver and Morse all showed increasing enrollment figures. New Hope was down drastically and Waka enrollment was four less,

New Hope grade school enrollment fell from approximately 40 students to 10 or 11 when the Panhandle Eastern Co. closits nump station housing

School enrollments are up camp. Waka lost four students in three of the five schools in when it graduated nine eighth graders last year and had only five first graders to enroll this fall. This year the school has 34 students.

High school enrollments at Spearman, Gruver and Morse are all larger than in past years. Spearman finished the first day of classes Tuesday with 308 students in the top four grades. Gruver has 179 in the same four classes and Morse 27.

Supt. W. H. Willoughby of Gruver Schools says his school has a total enrollment of 633. There is an increase of approximately 25 in high school and 20 in grade school.

Total enrollment at Morse is according to Supt. John Brumley. There are 27 in high school and 66 in the first eight grades. The 27 in high school is a big increase on the past few years. The school has four seniors, four juniors, seven

sophomores and 12 freshmen.

Spearman High School has an increased enrollment of 75 students. At the close of school in May there were 234 students in the high school. Most of the increase is the difference in the size of the 1963 senior class and this fall's freshman class. In May 33 seniors were graduated and this fall 103 freshmen enrolled.

In grade school and junior

high the enrollment remained about stable. The first four grades have 381 as compared to a 372 at the end of school. In the fifth through eighth grades the figure was down with 364 finishing the year and 351 enrolled Tuesday.

Spearman had 100 first graders in classes Tuesday.

Total Spearman enrollment is 1040 as compared to 970 at the end of school last year.

Over 1,500 People View **New Educational Facilities**

A crowd of 1500 to 2000 per- dress. sons visited the new Spearman High School Sunday for the formal dedication program and open house.

A near capacity crowd in the 750-seat auditorium heard Dr. J. W. Edgar, State Commissioner of Education, make the principal dedication ad-

- A weekly public service feature from

the Texas State Department of Health

He was introduced by Herbert O. Wilborn of Amarillo, a member of the state board of education.

Dr. Edgar said the building was the symbol of Spearman's efforts to solve its own problems of educating its youth.

He went on to say that the state and nation need young

people whose talents have been trained and directed in the right paths.

Dr. Edgar and Spearman School Board President Dr. D. E. Hackley cut the ribbon officially opening the new school.

The dedication program started on the outside at the flag pole where several hundred persons watched the VFW and Boy Scouts raise the flags. while the band played the national anthem.

After a band concert in the auditorium Mayor Bob Vaughn extended a welcome to all attending the dedication.

Supt. James Bramlett introduced the platform guests. These were members of the school board now and when the building was planned, school administrators, program speakers, architects and con-

Dr. Hackley concluded the program by giving a brief history of the way the building was planned and why the windowless plan was adopted.

Refreshments were served in the cafeteria by the Masonic Lodge, Eastern Star and Rainbows.

County Agent's Report

Arguments should be like fluorescent lamps.. throw more light than heat. COUNTY BOOTH AT FAIR

I am planning on having a county booth at the Tri-State Fair in Amarillo, Sept. 15-21. I will if I can get enough crops and vegetables to go in. Anyone having vegetables please bring them in for the county display. Below are some vegetables needed and the number: Okra-12 pods, Bell Pepper-6, Summer Squash-3, Pie Pumpkin-1, Other Pumpkin-1, Cantaloupe-3, Cucumbers-3. I would appreciate any item to go in this county booth, but I will need it by Sept. 13. MORSE 4-H TRIP

I will be in Lubbock this weekend Sept. 6-7-8 with the Morse 4-H Jr. Leaders on a trip to visit the Plains Cooperative Oil Mill and Texas Tech College. Some 21 4-H members and 5 adult leaders will be making the trip.

DEFENSE BOARD MEETING

I will be in Amarillo Sept. 11-12 attending the USDA County Defense Board Training Meeting.

DEMONSTRATION PLOT

My plans are to have a wheat variety Demonstration plot in the county. 13 Varieties will be seeded and 9 pounds of seed of each variety will be available. I am looking for an irrigation farmer who would like to put out this demonstration plot on their farm. If you are interested please contact me and we will discuss the details. NEW WHEAT VARIETY

A new wheat variety, Caddo, has just been approved for release in the co-operative plant breeding program of the Texas Agricultural ExperimentStation and the U.S.D.A. The new wheat variety was developed from a cross of Marquillo-Oro, Kansas Sel. 787-1 x Wichita made in 1943 at Denton by Dr. I.M. Atkins. This information which follows on Caddo was supplied to me by Dr. Atkins. It has been included in State Performance Trials nurseries since 1957 and in USDA Regional Nurseries since 1960.

Caddo wheat has wide adaptation, with many fine characteristics which will improve the quality of Texas wheat at the market and reduce the hazards of production to the grower. It is very attractive in field appearance and should replace the early varieties Early Blackhull, Wichita and to some extent Triumph and Crockett.

The new variety has several outstanding characteristics. Its test weight is equal or superior to any variety now grown commercially. Its seedling and adult plant resistance to leaf rust is among the best of varieties available. The ability to stand for combine harvesting, as shown by lodging data, is good. The maturity averages about the same as Wichita which will make it popular.

Foundation seed is available at \$6.00 per bushel FOB College Station, Texas. If you want some of this seed please

contact me and I will make the order. LAST LINE

Mr. and Mrs. Dan Coilins were in Amarillo over the weekend to see the Southwest Championship Stock Car races and also visited their parents, Mr. and Mrs. Ebb Collins and Mr. and Mrs. B. H. Savage.

Crawford Gets Discharge From Union Infantry

In today's society where most of the male population has some kind of military service, a military discharge is about as common as a marriage license, but Cecil Crawford received a military discharge in the mail Tuesday that was worth noting. It was from the Union Army.

Crawford received the discharge papers his grandfather was given when he was mustered out of the Union Army on June 8, 1865.

Christopher P. Lyon was a corporal in Lt. R. C. Roeschof the Illinois Infantry.

Lyon volunteered for duty on Aug. 1, 1862 for three years of duty or the duration of the war. He was discharged at Camp Harker, Tenn.

The Union soldier was born

ved to Illinois before the Civil War. He was 18 years old and a farmer when he volunteered for the army.

discharge papers and Cpl. Lyon June 16, 1865. G.M. Mc-Connell was the paymaster.

Crawford said his grandfather came to Oklahoma and homesteaded near Buffalo sometime after the Civil War. He added that he did not know much about his grandfather, he died when Crawford was only four years

The discharge had been kept in a family safety deposit box in the Buffalo bank all these years and was still very legible.

Mr. and Mrs. Bob Potts were of her sister, Mr. and Mrs. W. at Lake Altus, Okla, over the C. Blevins left for their home

Gruver News

Services For

I. H. Waggoner In Perryton

Funeral services for I. H. Waggoner, 81, of Perryton were conducted at 10 a.m. Wednesday in the First Christian Church of Perryton.

Mr. Waggoner, a retired farmer and carpenter is the father of Mrs. Jack Atchison of Spearman. He died Sunday in a Perry-

health for several years. Mr. Waggoner had lived in this area for about 20 years.

He was born and raised in Okla

ton Hospital after being in ill

homa.

Besides Mrs. Atchison, he is survived by four other daughters, Mrs. Mabel Gatewood, Mrs. Hazel Allen and Mrs. Oma Stinson, all of Perryton, a d Mrs. Edith Battles of Hollis, Okla.; four sons, Clarence H. and Ray of Perryton, Ernest of California, and Glen of Grand Prairie.

Mr. and Mrs. Verlin Dilger of Pampa spent Sunday afternoon and Labor Day with their niece and family, Mr. and Mrs. Walter Woolley.

Mr. and Mrs. Robert Hall and family spent Sunday boating at Lake Fryer.

Art Studio Sets Show

An art studio for small fry appropriately named the Peanut Art Studio will have an open house Sunday from 3 to 5 p.m. The studio is in the old city hall.

Studio director and teacher Nelda Sheets will have over 100 original oil paintings by young artists on display.

Mrs. Sheets, whose own art work has gained recognition in shows throughout the area, started the youth art classes over a year ago.

Mrs. Sheets said the show will be of interest to anyone interested in art or children. Most of the students will be at the open house.

Odus Umphress was moved from the Hansford Hospital to St. Anthony's in Amarillo Monday and has undergone surgery.

Robertson Moves TV Repair Firm

Robertson Radio and TV Service has been moved into a remodeled location by owner Ray Robertson.

The business has moved to Davis Street, directly behind the ASC office. The building was formerly occupied by Hobi

Robertson said the new location will give him a better display area for his new televisions and radios and also a larger repair shop.

YOU'RE FUSSY ABOUT THE HITCH?

The famous Snap-lock Eagle Hitch is a Case exclusive. You needn't leave your seat to hook up most rear mounted implements. In one minute or less, you hook on, pin the top link and go! Mighty nice feature when you're working with big, rugged mounted implements like those designed for the 830!

Eagle Hitch provides quick entry and lift at headlands. Each of its two links has 3 holes which allow either or both draft arms to float up and down as much as 51/2 inches. This provides extra float for wide toolbar planters and cultivators to conform to ground contour and keep at a constant depth in spite of ridges and hollows.

You "ride" your implements to work at fast, safe travel speeds. Storage is a simple, one-man operation. Eagle Hitch takes almost all 3-point implements.

an automatic electric dishwasher does the job for pennies a day!

Dishwashing is so daily! No wonder women rate it as one of the most tedious and tiresome of household chores. But you can end hand dishwashing forever-spend the hours you save on more rewarding activities-with an automatic electric dishwasher. Dishes come cleaner, in water too hot for hands. Kitchen stays neater, too, with

dishes stacked inside the dishwasher, out of sight. See your dealer soon about an electric dishwasher—built-in or portable.

Mrs. Bob Whitson

Castleberry - Whitson Vows Read in Friona Service

Miss Linda Jo Castleberry became the bride of Bob Whitson Friday evening, Aug. 30 at 6 p.m. in a double ring ceremony at the First Baptist Church at Friona. The Rev. Audye Wiley officiated. Vows were exchanged before a large satin wedding ring accented by flowers and bows flanked by baskets of white gladioli and potted palms. The cathedral candelabra and satin kneeling bench completed the setting.

Mr. and Mrs. Ray Castleberry of Friona are the parents of the bride. The bridegroom is the son of Mr. and Mrs. Jack Whitson of Spearman.

Traditional wedding music was played by Mrs. Roy Miller.
Miss Suzanne Taylor sang "Till" and "The Wedding Prayer."

Given in marriage by her father, the bride wore a formal wedding gown of peau-de-soie. The portrait neckline, elbow sleeve bodice was accented with bugle bead and seed pearl embroidery above a semi-controlled skirt with back fullness falling into a chapel train. She wore a bouffant veil of French illusion attached to a crown of seed pearls and carried a cascade arrangement of white orchids and lily of the valley.

Miss Pamela Roden was maid of honor and matron of honor was Mrs. Jerry Rankin. Bridesmaids were Mrs. Lee Jesks, Miss Marsha Bristow and Miss Frances

Whitson, sister of the groom. Connie Wiley was flower girl. They wore identical dresses of blue silk organza fashioned with a low neck, cap sleeved bodice with bow accents at the waist line above a bell shaped skirt. They wore matching bow head-dresses with circular veils of maline and each attendant carried a long stemmed American Beauty Rose.

Tom Whitson, brother of the groom, was best man. Groomsmen were Dean Horton, Bill Edwards, Don Stringer, and Bill Barkley of Spearman. Ushers were Jimmie and Ronnie Castleberry, brothers of the bride, W. J. Hill, and Fred Groves of Spearman.

The mother of the bride wore a gold silk organza over taffeta sheath topped by a short lace jacket with accessories of black. The mother of the groom wore a sheath dress of beige brocade accented by brown accessories. Their corsages were of white gardenias.

A reception was held in the fellowship hall. The bride's table was covered with white taffeta and tulle accented by blue bows and centered with blue flowers and candles. The wedding cake was decorated with blue flowers and topped by white wedding bells and a miniature bride and groom. White punch was also served. Presiding at the table were Mmes. Jimmie

Shower Honors Mrs. Payne

A bridal shower honoring Mrs.
Buddy Payne, the former Norma
Archer, was held recently in
the hospitality room of the First
State Bank building. Hostesses
for the occasion were Mmes.
Tom Allen, Bill Sheets, E. D.
Clement, Bob Archer, George
Dick, Olin Sheets, Ned Turner, Roger Odegaard, Frank
Dale, Gordon Parrish, Daniel
Sheets, Joe Trayler, and E.R.
Hester.

The serving table was laid with an ecru, cut-work linen cloth and centered with an arrangement of white rosebuds nestled at the feet of a miniature bride and groom. Silver and milk glass completed the appointments from which coffee and punch were served with nut bread and fresh fruit. Mmes. Bob Archer and Olin Sheets presided at the serving table.

Guests were registered in a white bride's book by Mmes. Bill Sheets and A.D. Reed.

Mrs. Ernest Archer assisted her daughter with the opening of the gifts.

Mrs. Payne and Mrs. Archer were presented corsages of white rosebuds.

Mrs. C.A. Gibner and her sister, Mrs. J.W. Fox of Gruver prepared a surprise birthday dinner complete with birthday cake and took it to Amarillo Wednesday of last week to help their sister, Mrs. G.F. Powers celebrate her birthday. Mrs. Powers remarked it was the happiest birthday she has had.

Mr. and Mrs. Ray Lackey, Tim and Ann entertained Saturday evening with a backyard barbeque and home made ice cream Mr. and Mrs. M. F. Geneva, Mrs. Ethel Sloan and Mr. and Mrs. Olin Easley, all of Corveta, Okla. and Mr. and Mrs. Dennis Geneva.

Mrs. Ray Devers and daughter Peggy attended the Moore-Simmons wedding held at the Baptist Church in Skellytown Saturday night.

Mrs. Bob Vaughn and Kandy have returned from a trip to Six Flags over Texas

and Ronnie Castleberry.

The bride's going away ensemble was a semi-fitted suit of navy blue accented by black accessories.

After a wedding trip to New Mexico the couple will be at home at 3205-33rd St., Lubbock. Mrs. Whitson graduated from Friona High School and is a student in Texas Tech, and a member of Gamma Phi Beta Sorority. The groom is a graduate of Spearman High School and is now a senior at Texas Tech. He is a member of the Sigma Chi Fraternity.

Don Robinson.

Mr. and M have returne Colorado. The in the home of the trip.

Mrs. Ray home Wedner after visiting home of her use the couple will be at home of the trip.

Georges Observe

25th Anniversary

Mr. and Mrs. Clifford George celebrated their silver anniversary Sunday Aug. 25, at their home.

The serving table was covered with beige linen and net. The cake was double tiered with a miniature bride and groom, and also served as the centerpiece and was flanked by candelabras. Mrs. Bobby Thompson and Miss Lariece George, daughters of the honored couple served. Another daughter, Mrs. Bobby Coker of Oklahoma City registered guests.

Many friends and relatives called to wish Mr. and Mrs. George continued success and happiness.

WSCS Has

General Meeting

The WSCS of the Methodist Church had a general meeting Aug. 28 in the parlor of the church.

Mrs. George Collard, president, presided at the business meeting. Prayer was given by Mrs. Dick Hudson. The program was presented by Mrs. R. E. Lee on her trip to South America. She also showed slides of the trip.

Attending were Mmes. Lee,
Ray Martin, Hudson, Robert
Adamson, Charles Haberthur,
Roy Jones, Collard, John Trindle, Bert Sheppard, and J.R.
Keim.

Mrs. Trayler Is Art Guild Hostess

The Arts & Craft Club met Aug. 30 in the home of Mrs. Joe Trayler.

Attending were Mmes. P. A. Lyon, Sr., Sada Hoskins, Ned Turner, Freeman Barkley, Ray Phelps, Garrett Allen, Deta Blodgett, C. A. Gibner, W. L. Russell, Guy Fuller and a guest, Mrs. J. B. Vernon.

The next meeting will be Sept. 6 with Mrs. Kiff White.

Mr. and Mrs. Oscar Mullins returned home Tuesday from Ponca City. Margaret stayed for a longer visit with relatives.

Mrs. R. E. Lee left Saturday for Colorado where she will visit in the homes of Mr. and Mrs. Bob Lee and Mr. and Mrs. Don Robinson.

Mr. and Mrs. Vernie Rosson have returned from a trip to Colorado. They visited one day in the home of his nieceduring the trip.

Mrs. Ray Devers returned home Wednesday of last week after visiting a week in the home of her uncle, G.B. Allen at Garrett, Kentucky.

Engagement Revealed

Mr. and Mrs. Don Bellomy of 3708 Gulf St., Midland, former residents of Spearman, announce the engagement and approaching marriage of their daughter, Linda Carol to Billy Pat McGuire, son of Mr. and Mrs. M.O. McGuire of Spearman. The wedding will be held November 30 in the Memorial Christian Church of Midland.

Inexperience **Causes Problems**

On Farms

Absentee ownership and 'weekend farmers" have created a unique problem in Texas agriculture this year.

Already this season, some 7,000 to 8,000 acres of Texas cotton has been affected by damaging doses of hormone-type herbicides such as 2-4D and 2-4,5T. Field investigations by Texas Department of Agriculture inspectors reveal most of the effect is caused by new" or part-time farmers who are not acquianted with the dangerous potential of the

Modern herbicides have been real boon to farmers and ranchers in recent years in the constant fight against choking and moisture-sapping But when mishandled. the chemicals can be as harmful to susceptible crops as a raging fire. It has taken several years of experience with the herbicides by farmers and commercial applicator companies to develop proper safety techniques in field operations.

The Way I See It

SUB Is Center Of WT Campus

"The Student Union Building is the family center of West Texas University," is the way Bob Byrd, new programdirector for the "SUB", describes its activities.

"It is the one place on campus where the students can spend their leisure time in a family like atmosphere. Most of the student activities on campus center around the Student Union.

"One of the top activities by the SUB is the annual Homecoming celebration with after game dances featuring nationally known entertainers, parades complete with floats, and a big campus barbeque," Byrd said. As program director for the SUB, he is responsible for the supervision of all these activities.

During the Fall the Student Union sponsors some 24 dances in the ball room. These include dances after each home football game. The SUB also has facilities for conferences and meetings among the students, faculty and campus organ-

The working part of the student senate is the student union board, composed entirely of students. It is responsible for the planning and actual work of setting up the various student union activities.

For example, when a dignitary is visiting the university and the president wants to have a reception, the Hospitality the event. Committee plans

With the opening of the newly constructed cafeteria services across campus, some of the load should be removed from the cafeteria located in the Student Union Building, It will continue to serve regular meals, according to Byrd. The food will be cooked in the kitchens of the new cafeteria and carried by special truck to the Student Union cafeteria.
