

## Former Spearman Lawyer named outstanding Judge

RICHARD COUNTISS

Richard Countiss, justice of the 7th Court of Appeals in Amarillo, was named Texas' outstanding judge at a state bar convention.

Countiss is a former Spearman lawyer and was named District Attorney while living here. He and his wife Karen were very active in the Methodist Church and community affairs while living in Spearman.

The Criminal Law Section of the State Bar gave the 48-year-old Countiss the award for "his leadership with the continuing legal education" said Oliver S. Kitzman, 155th State District Judge and outgoing chairman of the Criminal Law Section.

Countiss is involved in judicial education. He is dean of the Texas Judicial College, a non-profit corporation created by Texas judges to direct judicial education. He serves as director of academics for the state's regional conferences on continuing education for judges and as director of The School for New Judges, which provides training for newly elected state judges.

In addition, Countiss is chairman of a nine-member committee named by the Supreme Court for developing policy on continuing education. He decides on study subjects for judges and names of speakers for regional conferences and The School for New Judges.

Countiss said he may propose no-pass, no-play conditions judges must meet for study at next year's regional conferences.

Countiss has tried to use more workshops in The School for New Judges instead of just straight lecture because "it gets everybody interested."

The Criminal Law Section also honored Tim Curry, Dallas County Criminal District Attorney, as outstanding prosecutor, and state Sen. Craig A. Washington, D-Houston, as outstanding criminal defense lawyer.

The honors are given by a special committee of the Criminal Law Section at their annual convention and bring no money or benefits, Kitzman said.

## Hospital board meets

The Regular Meeting of the Board of Directors of Hansford County Hospital District was held on June 13, 1985 at 7:00 a.m. in the Hospital Board Room. Board members present were Jack Oakes, President; Leslie Barkley, Sec.-Treas.; Jerry Hunt; and Dwight Hutchison. Members of the administration present were Albert LaRochelle, Medical Staff present were Dave Muthali, M.D.; Kay McFarlin, R.N.; Rita Weaver, C.R.N.A.; and John Weaver, Reg. Pharmacist. Those absent were Alton Ellsworth, Vice Pres.; John Trindle; and Ray Wasil, Manor Administrator.

The meeting was called to order by Jack Oakes.

The minutes of May 9, 1985 were read and approved in a motion made by Jerry Hunt and seconded by Leslie Barkley.

Next, the monthly financial statement was presented for the Board's consideration. Dwight Hutchison made a motion to approve the bills for payment. Leslie Barkley seconded, and the motion was passed by all present.

Next, a request for help in purchasing some ambulance equipment for both Spearman and Gruver was presented to the Board. The request was in the form of a

letter from both the City Manager of Spearman and Gruver. Leslie Barkley made a motion that the request of both letters be granted, as the letters are written, provided that both Cities realize the monies will not be forthcoming until the next fiscal year, starting October 1, 1985. Seconded by Dwight Hutchison, and passed by all members present.

Next a list of accounts to be turned over to the attorney for suit to collect was presented to the Board for their consideration. Jerry Hunt made a motion that the list be accepted. Seconded by Dwight Hutchison and passed by all members present.

A request for an amendment to Dr. Takhar's contract was discussed as to moving expenses. After a lengthy discussion it was the opinion of the Board that the present contract not be amended.

A discussion as to the need of an expansion of Hansford Manor followed. Leslie Barkley made a motion that the preliminary steps for the expansion of Hansford Manor be started. Seconded by Dwight Hutchison and passed by all members present.

## It just cost \$7.00 to do it now Get married now and save \$18.00

Motorist in Hansford county -- and the rest of Texas -- will pay three times more for personalized license plates after Sept. 1.

Couples who want to get married Sept. 1 or later will pay three times more than those who filed for marriage licenses on Aug. 31, or earlier.

And, political candidates will feel their pocketbooks thinner when they file for public office.

All the boasting from the governor and legislators recently about "no new state taxes" for the next two years could cause citizens to add another stanza to the song.

Fees for a myriad of state and county services will be raised, most of them noticeably, by action of the Legislature in session this year.

And, those fees are expected to make up the money needed to run the state and its agencies for the next biennium.

Since some of the fees are for services required by law, the money may come rolling in, but others, such as the license plates charge may be self-defeating.

Price tag for those plates will rise from \$25 to \$75 per year, plus the regular registration fee. To make matters worse, that fee will go up \$6.25 on Aug. 1. Farn vehicles will have an addition of just \$3.

Marriage license will cost \$25, a hike from \$7.50. The \$25 will be split, equally, between the state and county, with the state portion to be spent on education to prevent child abuse.

"Not one dime of this will go to abused children, but for the education to prevent child abuse, which other organizations are doing."

At present, \$150 million has been earmarked by the state for education to prevent child abuse. The money is to be spent over a 2-year period.

The marriage license fee increase would raise an additional \$3 million to \$4 million for that purpose. The law must be signed by June 15.

Fees for filing for elective public office will also be raised on Sept. 1. That legislation is also awaiting the governor's signature.

The filing fee for U.S. Senator will be raised from \$2,000 to \$4,000 and the fee for all other statewide offices will go from \$1,500 to \$3,000.

The filing fee for U.S. representative will go from \$1,500 to \$2,500, state senator will go from \$750 to \$1,000 and state representative will go from \$100 to \$600.

The filing fee for Chief Justice or associate justice of the court of appeals will be raised from \$750 to \$1,500, the district judge fee will be raised from \$700 to \$1,200 and the fee for a judge of a statutory court will be raised from \$700 to \$1,200.

The filing fee for district attorney, criminal district attorney and county attorney will be increased from \$600 to \$1,000.

The filing fee for judge of a constitutional county court and county commissioner for counties under 200,000 population will be raised from \$300 to \$600 and the fee for justice of the peace or constable for counties under 200,000 population will go from \$200 to \$300.

And, the filing fee for other county offices will climb from \$300 to \$600.

Beginning Sept. 1, a new or renewal driver's license will cost \$16 instead of the current \$10. Instruction permits will go from \$4 to \$5.

The fee for reinstatement of a license or registration or for nonresident operating privilege will go from \$10 to \$20. The fee for replacement of a driver's license, identification certificate and handicap or health condition certificate will rise from \$3 to \$5.

A change of address on a driver's license, or a change of any other information on it, it will cost \$5, instead of the current \$3.

Compulsory inspection of a motor vehicle other than a moped, will cost \$7.75, up from the current \$5, and a moped will cost \$5 instead of the current \$2.

There will be a new \$15 inspection fee for cars and light trucks sold in Texas and not previously registered in another state. The inspection will be valid for two years.

## Increase Voted---- Teachers to get \$1,140 pay raise

Spearman teachers will receive the state pay increase of \$1,140 per year next year, and other certified and support personnel will find their annual salaries raised.

The Spearman scale for teachers with a bachelor's degree will be \$4,400 above the state minimum and a master's degree will earn a teacher \$4,900 more than state minimum.

A teacher with no experience will start in Spearman at \$19,600.00 with a bachelor's degree and at \$20,100 with a master's.

School District Trustees met Monday night and among other business, reviewed the preliminary budget for 1985-86. The final budget document will not be adopted until August.

Since the Texas Legislature last year discontinued salary schedules for all school personnel except classroom teachers, the Spearman Board was faced with preparing pay scales for

such certified employees such as counselors and administrators.

A salary "model" that ties those positions to teachers scales was approved by trustees, providing the increase for those certified employees who are not regular in the classroom. Non certified personnel will also get a raise.

The shortfall in revenue from taxes, the state and other sources is a result of changes in state funding brought about in the education reform law last year by the legislature.

Spearman Independent School District will receive less state aid because of complicated formula that ties property tax evaluation to funding.

Spearman is considering a budget of \$3 million for next year, but final approval will not be given until later in the summer.

## Teachers to get duty-free lunch

School administrators in Hansford county and the rest of the state will soon be planning strategy to meet requirements for the newly enacted "duty-free lunch" provisions for teachers. Governor Mark White recently signed into law a bill providing the state's teachers with the duty-free lunch.

The measure has been a lobbying point of the Texas State Teachers Association since 1971. The idea is to give teachers the same rights as most other working people - the right to eat lunch away from their desks and children.

Over half of the 1,100 school districts in Texas require teachers to perform duties during their lunch period. The new law will require districts to provide a 30-minute free period to every teacher at least four days a week.

Possibly the biggest impact of the new law here in Hansford county will be seen in the elementary schools. Most Hansford county schools have required that first and second grade teachers eat with their students. Of course it's going to make it very difficult to schedule everything in. There will be some problems but this is not a disaster. Everyone knows that young students need some training in table manners and cafeteria etiquette and behavior. Teachers point out that it will be more difficult

in scheduling first and fourth graders the reason is that there is a high concentration of students in the cafeteria at one time. It would be difficult for a single teacher to maintain order.

Probably the new law will have little impact on junior high and no effect at the high schools. School officials state that teachers work the lunch periods at various times. Most School officials believe that teachers deserve some time off, as they will be more refreshed for teaching the afternoon classes. Of course the number one priority is safety of our students. School officials in Spearman, Gruver and Morse will find a way to provide supervision both inside and outside the school.

It is thought that some school districts will compensate teachers who elect to voluntarily spend their lunch breaks with their students.

Many Texas State Teachers Association members think it is beneficial to the teacher and the student to spend their lunch breaks with the students. It's always been desirable, but it's not always been practical in the running of a school. School Boards in Hansford county will be working on the provision, and will make every effort to see that our teachers have a duty free lunch.

## Amber Pennington to perform on "Nashville Now"

Amber Challeene Pennington is the six year old daughter of David and Donna Pennington of Stinnett, Texas. Amber has delighted audiences in the Texas Panhandle, Ft. Worth and South Texas for the past several months. She is a tiny, blue-eyed, blonde child with a gift of song as well as a natural ability to entertain and captivate her audience.

Amber is the oldest of the Pennington children, with a brother, Aaron who is five years old. Amber was born in Galveston, Texas on October 23, 1978, and came to the Panhandle in 1979, when her father became employed by Phillips Petroleum Company. She is a kindergarten student in Stinnett.

Amber became known in Hutchinson County last spring when she was trying to earn money to participate in the Kids of America Pageant. She helped her parents make 1400 popcorn balls to sell in 137 different businesses in the area. She is being taught she must work to attain her goals, so she did, thus paying her way to the Grand Finale competition in Dallas last July. After Amber participated in the pageant, her parents decided to help her use her talent as a vocalist doing live performances in the area.

Amber has charmed audiences at Howdy Neighbor Day in Fritch, churches in Stinnett, Borger, and Spearman, at the Industry Appreciation Banquet of the Borger Desk and Derrick Club, at Hansford County Fair, 4-H Banquet in Gruver, as well as Gruver Music Club, Spearman Annual Chamber of Commerce Banquet, the Conomour Club of Borger, Central School P.T.A., and the Skellytown Elementary School. Amber has also done shows and radio spots for a Borger car dealership.

Downstate she has entertained at the Ritz Supper Club in Brazoria and at Gilley's in Pasadena. She

has done shows for nursing homes in Borger and Dumas. While at Gilley's in Pasadena, Amber charmed the crowd and was compared to the great Brenda Lee and Kate Smith. Amber is now part of The Texas Proud Showcase and has been asked to return to Gilley's for the Annual Fourth of July Fan Festival. The Texas Proud Showcase stars will provide a total of 18 hours of entertainment over the four day extravaganza, while Gilley's plans to have quite a line-up of country music's biggest stars of today. Amber is scheduled to kick off the Texas Proud Showcase shows at 6:00 p.m. on July 4th. Amber will also perform July 6th and also July 7th during the scheduled three hour gospel segment.

In March, Amber made her debut at the Will Rogers Theater Complex in Ft. Worth as part of the Johnnie High Country Music Revue. Amber was featured singing "One Day at a Time," and received an overwhelming standing ovation by the packed theater. Amber returned to Ft. Worth May 18th performing "Me & Little Andy" and debuting her soon to be released "Country Girl U.S.A." She received not one, but two standing ovations!!!

Amber will be off to Nashville in June where she plans to attend Fan Fair '85 as well as do some work on her new release. She is scheduled to appear on the Nashville Network's "Nashville Now" television show on June 24th. Amber will perform "Country Girl U.S.A."

Upon return from Nashville, she will prepare for her Gilley's Fourth of July shows and then she'll be home for some summer vacation!!!

Coming up in September Amber will work with the Muscular Dystrophy Association of Amarillo and Pizza Inn to raise money. Amber will do radio spots singing the MD theme song "You Never Walk

AMBER PENNINGTON

Alone," as well as two performances on September 1st at the Pizza Inn at I-40 and Nelson in Amarillo, Tx.

Amber Pennington is the youngest member of The County Music Association, as well as the youngest member of the Texas Proud Showcase Stars.

Amber's first country release will be available for purchase in July. This record will feature a full color picture of Amber as well as "Country Girl U.S.A." and "Look What Has Come Over Me" on independent label Calico Records. Anyone wishing to have a copy of Amber's record can write ACP Productions, P.O. Box 938, Stinnett, Tx. 79083 or call 878-3042.

Amber will be performing at Gilley's Annual Fourth of July Celebration and Fan Festival on July 4th, 5th, 6th, and 7th. She will then travel to Ft. Worth, Tx. to once again appear on the Johnnie High Country Music Revue at the Will Rogers Theater Complex on July 13, 1985.

# Gruver Lions Club Accepting Donation

PAIGE HOLT

The Gruver Lion's Club is accepting 300 donations of \$100 each from area people to purchase lights for the new Gruver ballpark currently under construction.

The Lion's Club will sponsor a drawing on the Fourth of July, and award a new 1985 Ford F-150 pickup to the holder of the matching donation stub. Those who would like to make a donation and be included in the drawing may contact any Gruver Lion's Club Member.

The winner need not be present to accept the pickup, which the Lion's Club is purchasing from Mark "Sid" Irwin of Gruver Ford. Some of the

features the white 1985 pickup has are a 302 EFI V-8, sport wheel covers, tilt steering, speed control, digital clock, power windows, combination AM/FM/cassette stereo, air conditioning, auxiliary fuel tank, radial tires and XLT trim.

Rick Harbison and Steve Ellis have spent a great deal of time planting grass on the new ballpark field located across from the school tennis courts. Fence for the field is expected to arrive some time next week.

The ballpark will be a combination softball, pony league and T-ball field. The men's softball team plan to use the ballpark following its completion later this summer.

## Health care costs to be slowed

The Texas State Legislative Committee of the American Association of Retired Persons (AARP) today commended Governor White and the members of the Texas State Legislature for "their successful efforts during the 1985 session to enact and sign into law legislation that helps contain health care costs in Texas."

"The legislative session which ended May 24th produced an important package of legislation that will help cover some of the costs of charity, or indigent care provided by hospitals. Separate legislation will permit patients to have access to information allowing them to be more informed consumers when it comes to hospital care. By reducing insurance and hospital costs and offering consumers a choice this legislation will have an important impact in slowing the rate of increase in health care costs in our state," said Carroll Teague, Chairman of AARP's State Legisla-

tive Committee.

Citing the indigent health care legislation signed into law last week by Governor White, Mr. Teague pointed out that "each year our hospitals provide an estimated one billion dollars worth of charity care to persons who are uninsured or underinsured. Usually this one billion dollars is shifted on to patients who have insurance—causing insurance premiums and hospital charges to rise dramatically. The indigent care package of bills as passed by the legislature help solve this one billion dollar problem by setting aside 150 million dollars a year to pay for health care for the needy and to provide prenatal and maternal care for the poor as well."

"The legislature is also to be commended for including in H.B. 2091 and S.B. 692 sections that would require hospitals to report their charges for health care services to the Texas Department of Health. This hospital charge

information and the itemized hospital bill provisions of S.B. 806 will give patients the same information he or she has when purchasing any other service or item. If competition among hospitals is a solution to high hospital costs—and the best alternative to tougher regulation—patients need to have information on specific hospital charges for specific services," Mr. Teague said.

"Every other year the State Legislative Committee in Texas selects legislative priorities based on the needs of the state's residents and works with the legislature to promote passage of legislation beneficial to older persons. This year the Texas State Legislative Committee was once again an active and responsible participant in the legislative process as it worked with legislators to develop and promote solutions to some of the health care issues that affect all Texans," Mr. Teague added.

Next, the Board was advised of a repeat visit by Medicare. The Board was advised as to the deficiencies and the presented plan of correction.

Next, a motion was made by Dwight Hutchison to have the meeting enter into Executive Session under the Vernon Act of 6252-17, Section F and G. This motion was seconded by Leslie Barkley and the meeting entered into executive session.

In the prescribed manner the Board reconvened into an open session on a motion made by Jerry Hunt and seconded by Leslie Barkley and passed by all Board members present.

There being no further business the meeting was adjourned.

Great-Grandparents are Mrs. Irene Borwn and Mr. and Mrs. Kiff White of Spearman and Mrs. Joy Thomas of Tulia.

Ronald Reagan, President:

"I intend to return to the Congress again and again to seek a policy that supports peace and democracy in Nicaragua..."

**Surviving adolescence**

Perhaps the most baffling stage of youth is adolescence. It is a time of transition, emotional upheaval, peer pressure, careening physical changes—turmoil for the teen and for the family.

First, a definition of the term is in order. Adolescence is generally thought of as a stage of development in which the teen is finding his/her own identity and breaking away from his/her parents. Although the length of the stage varies from individual to individual, adolescence usually occurs between the ages of twelve and seventeen.

Adolescence is a period of rapid change, growing independence from the family and increased social awareness. Children in this stage anticipate their role as the adults of tomorrow with increasing responsibility. An adolescent may try out many different roles in an attempt to define himself. Sometimes this behavior may appear chaotic and confusing.

All too often parents overreact to these radical changes by tightening their hold on the child, fostering rebelliousness and mistrust. At the other extreme, parents may overlook the teen's confusion and uncertainty, caused by the adolescent's changing self, and not understand his or her need for guidance and support.

Adolescence is usually thought of as a time of growing independence from the family. However, in order to make the transition from

childhood to adulthood as smooth as possible, it helps if the home can be an emotional refuge, a source of advice and acceptance in a threatening world. A parent's willingness to listen without judging (or not advise without being asked) are crucial to prevent misunderstanding and hurt feelings. Although many times an adolescent does not wish to discuss certain issues with his or her parents, it's still comforting to know that there is someone with open ears, just in case.

Because teenagers are, themselves, inconsistent in their patterns of behavior, it may be hard for a parent to maintain consistency in treatment. One day a parent may acknowledge the youngster's maturity and responsibility and the next day express impassioned doubts that he or she will ever make the grade. Adolescents, whatever their individual differences, unanimously bristle when their parents offer adulthood with one hand and take it away with the other.

Adults must be willing to mean it when they invite the adolescent to make his own decisions and not feel betrayed or snatch back the freedom if the decision is not the one they would have made. If the young person is to be someone who can think and act for himself, he needs an opportunity to test his own judgement.

**Among The Neighbors**

Mr. and Mrs. Bob Boxwell and children returned Sunday from a several day vacation at Red River. Although the weather was cool and pleasant, Bob failed to run across any other Spearmanites.

Amelia Johnson, County and District Clerk of Hansford County, returned recently from a grueling two day school of instruction at El Paso. The Probate Judges Association of Texas conducted it with emphasis on handling matters of probate. The school started at 9 a.m., and never eased until 5 p.m. Mrs. Johnson feels that this intensive instruction is of interest and value to the citizens of Hansford County.

Mrs. Jimmy Hester met her daughter, Paulede Plank, of Stillwater, in Lubbock Friday. They attended the graduation exercises of the Methodist School of Nursing, and witnessed the graduation of Mrs. Tony Hester. Mrs. Hester had an excellent record while in training and had employment awaiting her at Methodist Hospital, Lubbock, the following Monday.

Jennifer Nelson, of Houston, is spending a month with her mother, Mrs. Amelia Johnson. Jennifer is a high school girl in Houston and found an interesting change of pace compared to city life. While visiting with her sister, Laura Dahl at their farm in the north part of the county, she is assisting in putting up hay!

All the neighbors congratulate Dick Countias, former Spearman resident, on being named Texas Outstanding Judge.

Mr. and Mrs. Claude Owens returned Tuesday from a several day stay in Red River. They took their grandson, Trenton Elliott, who lives in Amarillo with them. They stayed at a condominium, but spent most of their time working on their new cabin at Eagle Nest. They, together with their daughter and family, are building it of logs and expect to have it finished by fall. Claude did admit that he got in a little fishing,

and that Eagle Nest Lake is higher than it has ever been, due to the heavy winter snows.

Cameron Chase Cook was welcomed in Dumas by parents, Mike and Debbie Cook, and grandmother, Patti Shepherd this week. He arrived by way of Northwest Texas hospital in Amarillo on June 14, weighing in at 7 lb. 4 oz. Mrs. Shephard returned to her home here on Wednesday.

Mr. and Mrs. Owen Pendergraft hosted an unusual re-union Thursday. It all started back in 1933 when six college girls, who had attended Panhandle University at Goodwell, Oklahoma and had lived in the same house, had their first re-union and decided to have one annually. All thru the years of raising their families, and now in their grand parental stage, they have never missed a year, some years they even met twice. Each hosts the event on a rotating basis. All the original groups are still active.

On this occasion, they had lunch at the Cattlemen's Club in Spearman, then returned to the rural home of the Pendergrafts for an afternoon of visiting and refreshments. One couple, Mr. and Mrs. Jimmy Blair, of Gray, Oklahoma, were pleasantly surprised by the observance of their 51st wedding anniversary. Then Mrs. Paul Mendenhall was equally surprised by a birthday celebration for her.

In addition to the Blairs, and the Pendergrafts, those attending were Vera Helen Gray, Ulysses, Kansas; Lura Adams, Hooker, Oklahoma; Mr. and Mrs. Paul Mendenhall, Liberal, Kansas; Mr. and Mrs. Clyde Kile, Beaver, Oklahoma, with grandson, Michael; and Mrs. Lillian Ottway, Tyrone, Oklahoma, mother of Mrs. Gray.

Van Well, W. German Ambassador, on President Reagan's visit:  
"It will address the terrible past and the two countries' determination to go together into the future."

**Former Resident Visits Here**

Among the neighbors still here who were occupied on Spearman Main Street in 1938 and remember the telephone building on Davis Street when one contacted the telephone operator by ringing and asked for a number to be rung, will find this very interesting.

In that year two young operators came to Spearman. One, Lena Despain, is now Mrs. Bud Beeson and still lives in Spearman. The other, Arbeta Adams, left after a year or so. She is now Mrs. Charles Johnson of Snohomish, Washington. Wednesday, she and her husband paid a surprise visit on Mrs. Beeson.

They were accompanied by Mrs. Opal DeSpain of Guymon, sister-in-law of Mrs. Beeson. It was Mrs. Johnson's first visit to Spearman in 46 years and also the first time she had seen Mrs. Beeson since she left here. Mrs. Johnson knew where the telephone building used to be even though Spearman has grown and changed much during the intervening years. Mrs. Johnson commented that only the people have not changed, and was especially impressed with the courtesy shown by the post office personnel.

**PSU Honor roll**

Don Dillow and Wayne Olsen of Gruver, Texas have been listed on the President's Honor Roll for the spring semester at Panhandle State University in Goodwell, Oklahoma. Sixty-five students from Panhandle State University earned a perfect 4.0 grade point average and have been named to the President's Honor Roll by Dr. Thomas Palmer. To qualify for listing, a student must carry at least 12 credit hours of university courses, receive a straight A average and have no I's.

There were 188 students named to the Dean's Honor Roll. The Dean's List each semester contains the names of those students who have carried 12 hours or more and have a 3.3 grade point average based on a 4.0 scale and have no I's or F's. Marva Burham, Martin Rasor and Lonnie Burnam, all of Gruver were among the 188 students listed on the Dean's Honor Roll.

# Mitzi Stumpf is national winner

MITZI STUMPF

Mitzi Stumpf, a 15 year old Marshville, N.C. resident, has been named one of nine national winners in the 4-H Leadership program. It is noted she is the youngest winner to date.

Mitzi Stumpf of Rt. 3, Marshville, N.C., received a \$1,000.00 scholarship to the school of her choice from "Reader's Digest", the program sponsor at the National 4-H Congress held in Chicago, Ill.

Miss Stumpf, daughter of Patty Dozier Stumpf and Jim Stumpf, granddaughter of Kenneth and Norma Dozier, Texarkana, Texas and Harry and Hazel Stumpf of Spearman, Texas, was cited for assisting at alcohol and drug prevention seminars and instructing younger 4-H'ers in other programs.

A freshman at Forest Hills High School, Miss Stumpf plans to pursue a career in the medical field. She has been active in 4-H for six years.

Miss Stumpf said at the alcohol-drug abuse seminar, she taught the magnitude of the teenage alcoholism problem and other useful information concerning the drug problem in our county, state and nation.

Because of her leadership and citizenship activities she was selected one of North Carolina's Young Leaders, as a result she was selected to attend 4-H Citizenship-Washington Focus program at the National 4-H Center, Chevy Chase, Md. She ushered and prepared programs for the entire week.

"Through 4-H we want to make the best better," she said.

She said one of the highlights of her 4-H career was attending North Carolina 4-H Congress sessions, where she helped prepare demonstrations and participated in judging sessions. She is also a member of the Union County Livestock and Horticulture Judging Teams.

She led other 4-H'ers in a number of community service projects, including Christmas and Easter functions for trainable mentally retarded children. "This experience was one of the most rewarding I've had and I will continue to work in these programs for the rest of my life," she said.

Miss Stumpf has taken a number of other 4-H projects, including home environment, consumer education, entomology, clothing and market steer.

Prepared childbirth classes will start June 25, from 7 to 9 p.m. at First State Bank in Spearman.

For further information call Carol Stavio at 659-2535 or 882-4476.

## Fireworks July 4th

## Prepared childbirth classes

Make plans now to be in Spearman on July 4th. The Fireworks Display will be at the Lynx Stadium at the Spearman High School. More details later.

**Date changed for 1969 Party**

The party for the class of 1969 has been changed from Friday at 7:30 p.m. to Saturday at 3 p.m. at the Joe Vanderburg Farm.

**Wild day at Library**

Tuesday was another wild day at the Hansford County Library. Seventy-seven kids turned out for the film show in the morning, and a total of 436 books were checked out that day.

The next film showing will be Tuesday, June 25, and the films will be "Puppy's Amazing Rescue", "The Mole and the Flying Carpet", and "Goggles". All these are animated.

June 25 is also the deadline for the bookmark contest. The slogan "Libraries=Adventure" must be written on each bookmark, and they must be done in pencil or black ink—no color. Turn your bookmarks in by Tuesday. Yours may be a winner!

**Cochran is new high school principal**

Danny R. Cochran

Danny R. Cochran has assumed his post as the new Gruver High School Principal. Cochran comes to Gruver High from Bovina, Texas, where he was high school principal.

Cochran, one of the younger principals in the state, grew up in Booker, Okla. He has been a junior high principal at Proteet, Texas, and a counselor at the Aldene Schools in Houston. Cochran taught speech and drama at Buffalo, Cherokee and Booker schools.

Next fall will not be Cochran's first time to work within Gruver High School's walls. He student taught under Bob Haggard around 1975.

Cochran's wife, Earlene is a graduate of West Texas State University. Mrs. Cochran will teach language arts at the junior high level in the Gruver School System.

The Cochran's two children are Tiffany, who is 3, and Christopher, who will be 1 in July. Cochran enjoys boating, skiing and other sports. He also enjoys playing the piano and singing with his wife. Mr. and Mrs. Cochran joined the First United Methodist Church of Gruver on Sunday, June 9, 1985.

"One of the reasons we came here is that Gruver has such an outstanding school system," Cochran said. "It's the type of system we want our children to attend in future years," he said.

Cochran received a bachelor's degree from Panhandle State University and a master's degree from Panhandle State University and a masters from Northwestern Oklahoma State.

He has done graduate work at the University of Houston, the University of Texas at San Antonio, Eastern New Mexico University and West Texas State University.

**ABOUT YOUR HOME**

Did you know that about one-third of each food dollar goes for meat? The wise shopper will figure cost per serving in selections. Avoid large bones and excessive fat.

Protect young trees from being bumped or scraped by mowers by putting up guards around the trees.

Bicycling is great exercise for the body but sun and wind can be hard on the hair. Wear a hat if you plan to ride for any length of time.

**Name tags will be provided at Reunion**

Holly Riley called in this week to ask about wearing name tags during the Class Reunion. It is our understanding that name tags will be issued to each ex-student when they register for homecoming, Friday morning July 5, at the high school.

## Save Time & Money

**SHAPE UP** — The urge to get into shape fast for summer's activities is universal, and health clubs are quick to offer enticing bargain rates. Investigate thoroughly before signing any health club contract, and be sure to request a monthly rate rather than lump sum payment. Examine equipment and determine that everything you want is there and in good working order. Try to determine if Club has posted a bond; this could be important for claims later.

**CARROT CAPERS** — Something new to do with carrots — cook a couple of pounds to crisp doneness and slice them into a bowl. Mix in a can of undiluted tomato soup, an onion and green pepper, both sliced into rings. Now add a half cup each of light salad oil, cider vinegar and sugar. Season to taste with Worcestershire sauce and prepared mustard and refrigerate. Relish is great with meats and poultry or as a salad.

## Mae Wofford and group return from trip

MAE WOFFORD of Panhandle Travelers in Spearman, has recently returned from escorting a group of 34 Senior Citizens from Booker, Darrouzett, Perryton, plus some from the Oklahoma Panhandle and Kansas areas, on a sixteen day motor coach tour.

These groups traveled to fifteen different states. The highlights in Nashville, Tennessee were the Hermitage, Opryland and the Grand Ole Opry, where George and Barbara Bush were special guests the night these groups were in attendance.

After traveling through the Smokey Mountains, the group toured Williamsburg and Jamestown, Virginia. During the two days in Washington, D.C., a visit with Beau Boulter, plus attending the Dinner Theater production of "Showboat" was a HIGH, highlight.

Philadelphia, Pennsylvania shared the Liberty Bell, Betsy Ross House and Carpenters' Hall with us, with lunch at the Bourse (the old stock exchange building that has been converted into a posh shopping center) very near the Liberty Bell.

Valley Forge, Amish Country

The time for a vacation is when you can get it. Don't worry about the work you leave behind, it will be there when you return.

Tour near Lancaster and a family style Amish meal at Intercourse, Pennsylvania were shared by the group.

Topping off the tour, a night was spent in Pittsburry, a visit to the Fostoria Glass outlet and a ride around the Indy 500 track in Indianapolis, Indiana.

"We had a wonderful group of travelers that made my job easy. It's a shame to have so much fun and get paid for it! The average age of this group was 68.6 years...from age 55 to 84. They kept me

hopping! We had sing-a-longs, played bingo, Trivia and Bible. Trivia while we rolled down the freeways in our classic Continental Trailways Golden Eagle with driver Al Plexico, from Amarillo, at the wheel. He is the "best"! Much of

the time you couldn't see past the borrow ditch because of all the trees."

Mae was honored June 3 by the First Bank and Trust of Booker with a cash award for "Service above and beyond the call of duty" for the very successful trip.

Only A New One

What every man wants out of a car these days is enough for the down payment on a new one.

## Manor residents honored at birthday party

Aline Hyman in front. Back row left to right: Mary Gillaspie, Mabel Edwards and Jessie Bratton.

Four residents of Hansford Manor were honored at a Birthday Party on Friday, June 14.

Those having June birthdays were Mary Gillaspie who was 90 on the 10th of June, Jessie Bratton who was 88 on the 11th, Mabel Edwards who will be 83 on the 19th and Aline Hyman who will also be 83 on the 29th of June. Each was presented with a corsage of pink carnations.

Pies were served by members of Hansford Hospital Auxiliary from a beautiful table covered with a white cloth with yellow streamers and an arrangement of daisies and ivy.

Marlene, Bob and John Barnes from Hardesty entertained the group with country and gospel music. Marlene played the organ and Bob and John played guitar as they sang old songs that were enjoyed by all.

**CUTBACKS** — Try your favorite recipe with less of the fattening ingredients. Chances are good that you won't sacrifice taste. Bake cookies and cakes with a third less of fat called for in recipe; either reduce sugar or use artificial sweeteners. Cut down on only one or two ingredients per recipe, and concentrate on those that do not affect taste.

**UNMOLDING THE MOLD** — Here's the ultimate unmolding method — and even it's not guaranteed. Run a thin knife around the rim of the food; wrap the bottom of the container in a kitchen towel saturated with hot water and wrung almost dry. Flip mold over and — hopefully — the heat and loosening will cause food to slide out whole.

**FUNERAL FACTS** — The Federal Trade Commission has implemented new regulations that have affected funeral homes everywhere. To know about these, write for a free brochure, "Funerals" to: Federal Trade Commission, P.O. Box 37078, Washington, D.C. 20013.

# School board accepts bid for computer

by Paige Holt  
The Gruver Independent School Board of Trustees met Tuesday, June 11 at 7:30 a.m. Superintendent Jack Weldon, Wayne Garrett, Bob Gillispie, Bill Logsdon, Tony Shapley, Dennis Stedje and Ronnie Williams were present for the meeting. The board voted unanimously to accept the bids of International Business Machines and Texas Educational Consulting Services for a computer system for the school business office. G.I.S.D. will purchase hardware from IBM and software from TECS for the new computer system. Installation of a business computer system has become necessary to handle detailed bookkeeping changes now required by the state in Change 18 of Bulletin 679. The board discussed appointing a replacement to fill Randy Brown's position on the board.

Brown submitted his resignation on May 7. President Logsdon presented an appreciation plaque to Brown for eight years of service on the school board at the previous meeting. In other business, Shapley was named delegate to the 1985 Texas Association of School Boards, Gillispie was named alternate to the convention. The board decided to charter buses to Follett and Groom for football for the 1985-86 school year. It was also decided that buses would be chartered to Claude and Higgins for basketball games next year.

The board voted not to adapt 1985-86 calendar changes proposed by Charles Haight, Pat Burnam and Kelly Shapley at the May 24 meeting. A motion to pay bills carried 6-0, and the meeting adjourned at 11 a.m.

Did at least one question apply to you? If so, it's quite possible that you're not getting the most out of life. Only you know the reasons, but whatever they are, God can help you.

Among many other things in the Bible, He promises freedom and a new life to those who sincerely seek it.

Why don't you come to church this Sunday and let Him know that you want to be free of your chains?

To live a half-life when a full life is available isn't really like you.

Is it?
