NUMBER 24

Commissioners' Court Employs Farm and Home Demonstration Agents for Lynn County Monday

Commissioners court last Monday voted to employ a demonstration agent and a demonstration agent for Lynn county. The matter came before the court last Monday, when the commissioners considered the matter and decided to wait until this court to take final action. G. W. Orms, of the A. & M. College Extension Service for this section of the county, was present and made an address to the commissioners court and farmers, business men, school students who had the county court room address. The proposition was accepted by the commissioners court and the county will furnish \$2800.00 if the agent will furnish \$2200.00 for these agents.

The county will furnish \$2800.00 if the agent will furnish \$2200.00 for these agents. The county will furnish \$2800.00 if the agent will furnish \$2200.00 for these agents. The county will furnish \$2800.00 if the agent will furnish \$2200.00 for these agents.

DESTROYED BY FIRE

The West Point community center, located about fourteen miles west of Tahoka, was completely destroyed by fire on Monday night of last week. The loss is estimated at \$10,000. The building was used for the children's club and for the storage of some clothing. The fire started in the kitchen and spread to the other rooms. The cause of the fire is not known.

LYNN COUNTY PLACED ON MARKET

It was made this week that the county is being placed on the market. The county is being placed on the market. The county is being placed on the market. The county is being placed on the market.

REAL ESTATE LOCATES HERE

Mr. Williams, formerly of Newman Land and Company of Dallas and now located in Tahoka, has located here. He will be assisted by E. Redwine of the Estate Company and will be assisted by E. Redwine of the Estate Company and will be assisted by E. Redwine of the Estate Company.

NOTICE

Notice is hereby given that all park warrants from Nos. 10 to 20 have been called in by the City, as it was stipulated in the warrants that they might be called in at any time.

PLANT A TREE!

MORE THAN 2700 VOTERS IN LYNN COUNTY

The tax collector reports that 2669 poll tax receipts were issued prior to February 1, 1924, as against 1732 issued last year. In addition to this there were 47 exemption certificates issued, making a total of 2716 holding permits to vote. Of course there are many new-comers who paid their poll taxes in the counties from which they came, and this will swell the total voting strength considerably.

We can not give accurate figures for the various voting precincts, for the reason that the tax receipts books for most of the precincts contained an insufficient number of receipts for these precincts respectively, and the tax collector in such cases had to use receipt blanks prepared for other precincts. The voting strength of each precinct, as shown by the tax collector's books, is as follows:

Prec. No. 1, Tahoka, 400
Prec. No. 2, Wilson, 300
Prec. No. 3, Three Lakes, 100
Prec. No. 4, NewHome, 298
Prec. No. 5, Draw, 200
Prec. No. 6, North Tahoka, 350
Prec. No. 7, O'Donnell, 350
Prec. No. 8, Grassland, 200
Prec. No. 9, Gordon, 200
Prec. No. 10, Magnolia, 200
Prec. No. 11, West Point, 71
Total, 2669

INTERSCHOLASTIC LEAGUE MEET TO BE HELD IN TAHOKA

The Lynn County Executive Committee of the University Interscholastic League met on Saturday, February 9, 1924, and transacted the following business:

1. The Lynn County meet will be held at Tahoka on April 4-5, 1924.
 2. There will be held a county basketball tournament for both boys and girls in all the schools which are eligible except O'Donnell, Tahoka, and Wilson.
 3. There will be a fee of 25 cents for each contestant in debate, declamation, essay writing, spelling, and music, and a fee of ten cents for each contestant for the first entry in any athletic event and 5 cents for each additional entry. This is done to defray the expenses of the league.
 4. The director of each event was instructed to formulate a program for their division and present to the executive committee at the next regular meeting.
- It is hoped by the committee that all the schools of the county will take an interest in some phase of the League work and make the county meet one of the best and largest that has yet been held in Lynn county.

TO BUILD RENT HOUSES IN SLATON

H. J. Gentry has this week let a contract for a house to be built in the east part of town. R. L. Harkelroad is the contractor. Mr. Gentry contemplates building other houses to rent to the many families that are moving to Slaton. We need many more men like Mr. Gentry and Slaton will solve the housing problem.

MRS. F. E. REDWINE ENTERTAIN

Mrs. F. E. Redwine entertained a host of friends in honor of Mrs. T. W. Smith. The home was beautifully decorated with hearts and other valentine symbols. Interesting games of "500" and "42" were enjoyed by all. High scores were won by Mrs. E. E. Callaway in "42" and Mrs. A. L. Lockwood in "500". Dainty refreshments were served by hostess, assisted by Mrs. A. L. Lockwood, Mrs. T. J. Bovell, and Mrs. S. E. Reid. Those included in the guest list were Mmes. Smith, Callaway, Thomas, Slaton, Miller, Bovell, Reid, Stewart, Larkin, Lemond, Towns, Howell, Timmons, Turrentine, Roberts, and Lockwood.

R. B. Haynes is in Brownfield again this week assisting our friend Stricklin in getting out the Terry County Herald. When a newspaper anywhere in this section gets in a tight, it knows whom to call upon for aid. Bob Haynes is always there with the goods.

Claudio Leech of Roscoe, who owns a tract of land 12 miles west of town, is here again this week on business.

PLANT A TREE!

TEXAS AND PACIFIC GRANTS HOME SEEKERS RATES

To All Officers, Secretaries, Unit Directors, et al: Gentlemen:

We have won the first victory in our fight for interstate home seekers rates into West Texas. The Texas & Pacific Railway Co. under date of Feb. 5th, in a personal letter to our office states that they have decided to grant such rates based upon request we made them, and that these rates will go into effect Feb. 9. All persons in Texas interested in the details of these rates should apply to George D. Hunter, G. P. A., Texas & Pacific Railway Co., Dallas, Texas, asking for form No. RCT109. These rates apply to all points of the Texas & Pacific railway from Sweetwater to Van Horn inclusive, and apply directly out of Fort Worth and Dallas. We are now endeavoring to get the Fort Worth & Denver and Santa Fe and Katy to put in similar arrangements.

We will appreciate it very much indeed if you will advise all your real estate men and colonization and immigration agents of these rates. They apply to parties of 5, and on certain special dates only.

Whether or not you are actually located on the Texas & Pacific railway you are interested very largely in these rates. We will appreciate it if you will have your local newspaper make note of this. The Texas & Pacific Railway was very generous indeed to make this extraordinary concession, and it represents, in our judgment, one of the best pieces of constructive work done by any railroad in West Texas in a long time.

Porter A. Whaley, Manager, West Texas Chamber of Commerce.

JAP FARMERS HAVE ARRIVED

Will cultivate Thirty-Five Acre Tract East of Plainview

Three Japanese truck farmers arrived in Plainview yesterday, two being from Albuquerque, N. M., and one from Las Cruces. They brought with them seven Mexicans who will work for them.

The Japs were encouraged to come here by the Board of City Development and the Chamber of Commerce, and will engage in truck farming, having leased thirty-five acres of land under irrigation on the Texas Land & Development Co. farm, two miles east of Plainview. The owners of the land are building improvements suitable for the Japs. They will begin at once to arrange the land and pitch their crops for this year, and expect to grow a variety of products.

The editor believes the coming of these Japs will prove quite an epoch in the Plainview shallow water district, for this was proven to him by a visit to the Arkansas Valley irrigated district about Rocky Ford in September, where he made a thorough investigation of truck farming by the Japs. These matters were published in detail in the News following his return from that trip. The Japs are fine truck farmers, and we believe will prove that this is the greatest truck-growing district in the Southwest. We believe the industry will increase here until thousands of carloads of products will be shipped out each season.

Let's give these Japs a fair try-out. If they make good we will be glad they came, if they do not succeed, they will leave for they cannot own land, but lease it.

—Plainview News

READY FOR TERRACING WORK

County Agent J. W. Jennings states that he has a farm level in his office and that he is now ready to assist with farm terracing and drainage work. Mr. Jennings states that several farmers have seen him regarding both types of work. He has found by practice in Lubbock county that terracing is a great thing for farmers of the Plains country.

—Randall Co. News

METHODIST SERVICES SUNDAY

All services of the Methodist Church will be held in the District Court room Sunday. Sunday School at 10 a. m. Preaching by the pastor at 11. Evening services at 7:30. Everybody cordially invited to all these services.

A. & M. Extension Service Man Makes Interesting Address

County Agent C. T. Watson also Addresses Farmers and Business Men Monday

Upon the invitation of Judge J. W. Elliott, G. W. Orms, district director of the A. & M. Extension Service, visited Tahoka and delivered an address to a number of farmers, business men, and high school students assembled in the county court room Monday afternoon. His purpose was to interest the farmers and business men of this section in better methods of farming, in improving the quality of farm products, and in the breeding and raising of better livestock. It is regrettable that only a few farmers and business men availed themselves of this opportunity, as Mr. Orms' address was full of information that can not but be of great value to all classes of our people.

In beginning, Mr. Orms highly complimented the people of the plains and particularly of Lynn county for their progressiveness. He stated that he met the Lynn county teachers in a body during the tri-county institute held at Lamesa in December, and was most favorably impressed with the splendid type of teachers that we in this county.

"Extension service work originated in Texas in 1903," Mr. Orms informed his auditors. "In 1912, Congress passed the Smith-Lever act providing for the employment of county agents, such as we have in the various counties of Texas today. It is left up to the commissioners court, however, as to whether or not these agents shall be employed in any particular county. If the court decides to employ them, then the Government will furnish trained agents and will assist in paying their salaries. There are now 186 counties in Texas that employ farm demonstration agents and 85 or 86 that employ home demonstration agents. Some counties have more than one of these agents, some having as high as five and six. Dawson county has both a farm demonstration agent and a home demonstration agent. So has Lubbock. If Lynn county wants to employ these agents, the Government will pay \$100.00 for each \$100.00 that the county will put up for a home demonstration agent and \$133.33-1-3 for each \$83.33-1-3 cents that the county will put up for a home demonstration agent."

After discussing some of the stock objections that are raised to this kind of work, Mr. Orms stated that Texas people need to live at home. "While cotton is a great money crop and will always continue to be, and while I would not deprecate the raising of cotton, yet I would warn the people of exas against going hog-wild on cotton. A one-crop country will never be a prosperous country. We need to diversify, to raise the things at home that we need.

Before the world war, Germany, with an area smaller than Texas, produced ninety per cent of the food that 71 millions of people consumed. France, with an area little more than half as large as Texas, raised 70 per cent of the food that her 35 million people consumed. In Texas, we are not producing enough for our five million people. There are 92,000 farms in Texas today without hogs on them. There are 63,000 without gardens or poultry. Last year Texas had fourteen million acres planted in cotton. This year, I fear, Texas will have 15 million acres and the whole United States 40 millions. Cotton is a good price now, but the price will not always remain up to 30 cents. Brazil can grow more cotton than the United States. Great Britain is not going to buy any more cotton from America than she has to do and she is encouraging the raising of cotton in her vast territories in India and Egypt. Japan has had agents in this country the past three years studying cotton culture, with the view of introducing it into Japan. But whether the price of cotton is 10 cents or 40 cents, the farmers of Texas should do the safe and sane thing. They should diversify. All cotton is a mistake. Just as the farmers around Jacksonville made a mistake when they began raising nothing but tomatoes, and just as the farmers of southern Illinois made a mistake when they began raising nothing but corn, so will you farmers here on the plains make a mistake if you raise nothing but cotton."

Mr. Orms declared that it would be difficult for him to decide which is the most valuable to a county, a farm demonstration agent or a home demonstration agent. In conversation with the News man just before leaving the city, Mr. Orms requested that we express his appreciation to the commissioners court and to the citizens for the courteous treatment that had been accorded him while here.

Following his address in the county court room, he called upon C. T. Watson of Dawson county, who was present, to tell about his work there.

Mr. Orms declared that many ask what a farm demonstration agent can do. I will not undertake to state in detail, but I will state some of the things that they can and are doing," he continued. "First, the county agent can help to improve the staple of the cotton that you raise. I was in the office of the county agent at Lamesa and saw several farmers there conferring with their county agent about a better grade of planting seed. By importing good seed and by breeding a better grade of seed here on the plains, he can be of great benefit to the farmers. It is necessary to import seed to start with but it is better to breed up the seed here. Any cotton — man will tell you that an increase of one-eighth of an inch in the staple of your cotton will increase the price at least ten dollars per bale. You need to raise a better quality of cotton here on the plains, and your county agent can help you to do it."

"Second, he can be of assistance in improving the grade of your animals, your milk cows, your beeves, your hogs and your poultry, by better breeding and feeding." Here the speaker pronounced to the Dawson county agent, C. T. Watson, who was in the audience the question: "How many boys do you have enlisted in the work of raising better stock in your county?" "I had 216 last year," Mr. Watson answered, "I have not completed my organization yet this year." "The President of the A. & M. College was called to Collin county recently to attend the funeral of the funeral of the last scrub sire in that county. Every sire in that county now is a pure-bred animal. Collin county has had a farm demonstration agent for several years. "Down in Nueces county they are giving much attention to seed breeding in the raising of cotton, and I know one man who raised 180 bales of cotton from 160 acres, under the direction of the farm demonstration agent."

"Again he can be of assistance in helping you conserve the fertility of your soil. You don't realize the importance of this now. Your soil is fine and not much of it has been in cultivation long. In travelling over these plains I have seen more land that has never been touched by the plow than the whole black land cotton belt of Texas. But in 30 or 40 years from now, you will see the importance of building up the soil. Your children will see it, and it is for them as well as for the present generation that we must make provision. Your agent can teach these boys how to conserve the fertility of the soil."

"What can a home demonstration agent again do?" I will name some of the things. First she can teach your girls the art of dressmaking. You will hear the objection that their mother can do that. I want to tell you that most of the housewives on the farm are too busy to teach them. They have too much to do. Your home agent can also teach them how to make nice hats at little expense. She can teach them how to raise fine poultry. She can teach them the art of canning. That is an important item. For example, in Collin county last year, there were 1000 girls who were members of the canning clubs and the supervision of the Home Demonstration agent canned over 25,000 cans of jellies and jams, over 186,000 cans of vegetables, and over 46,000 cans of fruits, a total of 301,946 cans, or 32 car loads. In Grimes county three years ago, when beef cattle were worth nothing, the girls' clubs of that county canned 500 beeves, and the canned beeves brought \$40.00 per head more than they would have sold for on the market."

Mr. Orms declared that it would be difficult for him to decide which is the most valuable to a county, a farm demonstration agent or a home demonstration agent. In conversation with the News man just before leaving the city, Mr. Orms requested that we express his appreciation to the commissioners court and to the citizens for the courteous treatment that had been accorded him while here.

Following his address in the county court room, he called upon C. T. Watson of Dawson county, who was present, to tell about his work there.

(Continued on last page)

A MUSICAL TEA IS GIVEN

Miss Glenn Miles entertained her voice and music class and their mothers with a charmingly appointed musical tea on last Saturday afternoon from four to six o'clock, at the home of Mrs. H. P. Caveness.

The living room was beautifully decorated with cut flowers and was aglow with soft colored lights.

An enjoyable program was excellently rendered by some of the pupils. The program was as follows:

1. In the Time of Roses, —Reichardt
Prayer Perfect, —Stinson
Mrs. H. P. Caveness
2. Her Rose, —Coowk
Miss Inez Wright
3. A Summer Evening, —Piano,
Coerne Miss Mary Allen
4. Lassie O' Mine, —Wate
Miss Jewel Sargent
5. A Lullaby, —Ross
Miss Dovie Colleenback
6. Roses after Rain, —Lehmann
Mrs. Rafe Richardson
7. The Swans, —Piano, —Brown
Celeste.
Miss Willie Lois Nevels
8. Slumber Boat
Can't Yo Heah Mc Calling, Caro-
line, —Caro Roma
Miss Pearl Ketner
9. One Fleeting Hour, —Lee
Mrs. J. Hansford Tunnell
- I Love you truly, —Carrie Jacobs—
Band. —Mrs. Glenn miles and Mrs.
J. H. Tunnell
10. Sweet Little Woman o' Mine, —
Bartlett—Mrs. N. A. Stewart

In the dining room was a beautiful tea table laid in attractive luncheon set. The centerpiece was a lovely silver basket of red and white carnations with lace fern placed on crystal reflector. Cut glass nappies and silver holders held such delectables as stuffed dates, vari-colored mints, Salted nuts, and nut sandwiches.

Miss Miles poured tea and Miss Lena B. Price presided over a beautifully decorated cake. Miss Wright and Mrs. Caveness assisted the hostesses in serving. Plates were passed each guest by Misses Allen and Nevels.

Everyone present is greatly indebted to Miss Miles for a very charming afternoon.

C. T. Johnson of the Jones Dry Goods who has just returned from the eastern markets reports a cautious and conservative trend in the business world. He made ample purchases of spring and summer goods for his store.

Mrs. J. B. Nance of Plainview spent Sunday here with her husband. She was accompanied by Mrs. J. C. Young of Plainview.

Mr. Newman of the Newman-Moore Land and Development Company of O'Donnell had business in Tahoka Monday and called pleasantly at the News office. He reports much progress at O'Donnell.

Mr. Thompson of Thompson's Cash Store who spent several days in St. Louis making purchases of his spring and summer stock of goods reports that there is a steady and healthy demand for merchandise but that merchants all over the country are cautious and conservative in their purchases. The business outlook seems to be good.

Emil Pietzsch of Roscoe was a business visitor in Tahoka last Saturday. Mr. Pietzsch has recently purchased a tract of land out of the Singleton Ranch and will soon remove upon the same, with his family.

Jesse A. May and his brother J. C. May of Post returned Tuesday from Clovis, N. M., where they spent a few days on business. Mr. May says Clovis is a good town but that conditions here are much better than there. He is awfully well pleased with Lynn county.

GRASSLAND GLIMPSES

Friday evening, in the local church, Mr. Eckels, returned missionary from Japan, gave a most interesting address concerning that country. Several dollars were donated for the mission in that field.

Mr. Joe Walker has been on the "near-flu" sick list the past week. The measles are still on the map in this section.

Mrs. R. E. Lowrie of Silver Valley, Texas, has been a visitor in the J. J. Lowrie home the past week.

Excellent Sunday services were held in the local church Sunday morning and Sunday evening.

Pupils of the Grassland school now number 126. Pupils admitted recently are Leta McCord, Madeline McCord Delmer Hailey, Claude Hailey, and Gladys Hailey.

The "O H 2 O S Society" of the intermediate grades will give its first entertainment February 15, at 7:30 P. M., in the school auditorium. A valentine box, also a program suitable for the occasion, will be in order.

Slim Evans is still improving in health rapidly. He still visits the Lubbock doctors daily.

If the proverbial prairie dog really dug holes in the sandladen air, surely the recent sand siege induced the prairie dog to dig extensive tunnels.

Frank Williams' well is nearing completion. Soon he is to build a house on the location south of Rev. Montandon's place.

The majority of farmers here are wearing "non-erasing" smiles when next year prospects are discussed. The "season" of Mother Earth seems to be ideal.

The following Lynn community people were attendants of the Friday evening address given by W. A. Eckels, Mr. and Mrs. Gray, Vera Gray, Mr. and Mrs. Shaddock, Mrs. Minnie Echols, Mildred Echols, A. Y. Pemberton and family, Messrs. Braswell.

The McHorse family has moved to Tahoka. Mr. McHorse has accepted a position with the Connolly Motor Company.

WHAT OUR CLUB SHOULD MEAN TO US

(The following paper was read recently before the club in a Phebe K. Warner program by our directress, Mrs. G. M. Stewart. The club promptly voted that the same be published in the Lynn County News.)

The Phebe K. Warner Club, the only literary club in town, should mean a great deal to us both individually and collectively.

From a selfish viewpoint, it is a means to an end—that of keeping ourselves freshened up as it were. It is the incentive to keep pace with the growing generation. After we leave school it is very easy to slip out of things — just to sit and gradually become satisfied with reading just a story or two in some magazine. The club requires work that we probably would not do of our own accord. This brings about a desire for better reading, perhaps, and each of us is thus benefited.

This work should be even more interesting to the mothers who have children in High school. They can discuss the work with the boys and girls, perhaps spur them on to bigger things by winning their confidence. It is quite an accomplishment for a mother to be able to plan the reading for her children,—to direct them in their desires toward good authors. The "Children's Literature" course just completed should be a help to every mother.

The club should be the means of training every member in parliamentary law. Such training enables one to take charge of any kind of meeting and carry on work systematically. This gains self confidence, too. Stage fright should be easily overcome. Impromptu speeches should become common. Talent should be discovered and developed. So, the club should mean to the individual the way of helping herself.

As a whole, our federated club should appeal to us for its rank in the nation. We can do our little part here, and thus help the district—we have no common federation yet—which in turn helps the state, which

helps the national federation. Surely this should be gratifying to us. The plan Mrs. Elliot is advocating—that of organizing a county federation—opens up a way for us to really help the communities around us. This organization should mean to the mothers what the county demonstration organizations mean to the boys and girls. As the boys and girls learn through these organizations, how to raise better pigs and can better preserve, the mother can improve her mind by belonging to a federated club which studies subjects she probably would never know about. She then at the head of the family, will be more able to manage the household more intelligently. By having all the clubs in these communities meet the requirements of the federation, we would soon have more progressive counties, more intelligent mothers, and thus children better prepared for citizens. The realization of this plan should spur us on to greater movements.

The club should be a means of helping our own town. The civics committee could meet with the Chamber of Commerce and plan work of beautifying the town, or we could co-operate with any other organization to better our community.

Then, there's the social side of our club, which always should appeal to every woman. If we quit going to all social affairs, we soon forget how to have a care-free good time, a thing necessary to relieve the routine of our daily lives. The association of the ladies is a good tonic for blues and grouches. And this phase of club life, of course, has an educational value.

So, the club should be to us, first, a means of improving self; second, a means of helping others; and third, a necessary recreation.

Nuggets of pure gold are easily found in the Want Ad Column.

Next Spring

With over 200,000 orders for Ford Trucks already placed for delivery the next few months, we are facing a breaking spring demand.

Each successive month this winter witnessed a growth in sales far surpassing that of any previous winter season. Increase will be even greater during spring months, always the heaviest period.

These facts suggest that you place your order early to avoid disappointment in delivery at the time desired.

ABILENE MAN BUYS LYNN COUNTY LAND

Mr. Manley of Abilene has purchased a section of land lying within one mile of Gordon School House in the northeast portion of Lynn county and will remove his family from Abilene to the place next week. Mr. Manley, we understand, will build a \$6,000 residence on the section. We did not learn the name of the seller.

DIXIE DOTS

Listen, people, do you suppose we are going to have a little rain? Say, if it rains, won't these new farmers do some work? And I guess that some of the others will do the same. These new people that have come here from other counties will be suprised at it raining here.

Say people, let's get busy and show these people that we can make a good community with a little assistance. Let's get acquainted with our new neighbors, because if we don't they will think that we never do go anywhere at all.

Our school is progressing nicely. It seems that they are going to have to have a new school house before spring is over. The trustees had to stop the unders that started to school. They sure did hate to stop.

On account of the rainy weather, there wasn't any Sunday School last Sunday. The Sunday School is progressing nicely.

J. O. King and family went to Lubbock Saturday.

Mr. Carroll, the teacher, went to Snyder Saturday to visit his folks. He came back Sunday eve.

If we don't get busy the other communities will get ahead of us. Joe Stokes is building a new four room school house now. We hope that by the time school starts next fall we will have a new school building also.

Next Sunday there will be a new preacher to preach at Dixie, Mr. Cecil Peoples who now is the athletic director at Tahoka. He will be out here and preach after Sunday School and we hope that the people will come out to hear him. Let's give him a courteous reception so that he will want to come back and preach again.

The new Methodist church is to be built on the two acres just west of the school house, and we hope that it will be built in the near future.

We also regret Woodrow Wilson's death. It was a great surprise to us.

Guess this is all till next week. Bud

WHY Courage Is Dependent on Fear as an Antidote

Courage is absolutely dependent upon fear as an antidote. There would be no beautiful girls if all the girls were equally beautiful.

The fact is that the thing we extol so much and call courage is almost invariably the result of fear in the beginning. What happens is that in the beginning we are afraid of something. This puts us on our guard, and we start in to prepare ourselves against it. When the critical moment comes we seem to do a heroic thing. Well, maybe it is, but it is all due to the preparation based on fear.

What I say about courage, therefore, is that it isn't so much a quality in itself, to be brought up by exercise just the way you increase your biceps, as it is a quality inherent in training. Courageous acts are of two kinds: those based on complete ignorance of the consequences, and those based on fear. In case you happen to be unusually timid, the thing to do is to use your timidity as an asset, get it to work for you by preparing you for what is to come. That is where intelligence, which is sometimes useful, can be employed to advantage.

To be afraid and not to know what to do about it is very bad, because a man who is afraid and doesn't do anything about it will generally prove a coward in emergencies. He will turn and run. But if he takes hold of his fear when he has time enough to make it useful to him, then he can acquire enough control over it to keep it under just enough at critical moments.

When you see an acrobat standing on his hands in midair, on top of a church spire, you shudder with sympathetic fear. If you should try a stunt like that you would topple over; the mere thought of it makes you faint. But if you had six months to practice in you would no doubt get away with it even if it was only by an eighth of an inch.—Thomas L. Masson in New York Sun.

Why One Editor Doesn't Care.
"Instead of putting the Goddess of Liberty on the new dollar, wouldn't Mercury be more appropriate?" asks an exchange. As far as we are concerned, they might as well make them of mercury.—Boston Transcript.

How Phonograph Is Improved.
By controlling the speed of a revolving phonograph record, an English inventor gets twenty minutes of music on one side of a twelve-inch record, instead of the usual four minutes or thereabouts, according to Popular Mechanics Magazine. When the record disk revolves at a uniform angular speed, as at present, the outer groove of the record moves more swiftly than any other groove that is nearer to the center. Thus, although the outer groove is about four times as long as the inner one, it can contain no more music, making necessary a variation in the recording speed. In the new method, the recording speed is made constant, and by correspondingly controlling the speed of the record, the impression upon it of a very much greater number of sound vibrations is made possible.

How Receptacles Affect Food.
Porcelain and glass food receptacles are stimulating, also those of silver, gold, iron and nickel; lead, copper and German silver are depressive, but wood is indifferent. The entrance of the substance into the stomach causes similar changes in the pulse as their application to the tongue or mouth respectively, but the change in the pulse is greater and of short duration. The diminution of the pulse is associated with lowered blood pressure.

YOUNG COUPLE EARN \$10,000 A YEAR

Abilene, Texas. A young man and his wife, sweethearts in Draughn's College a few years ago, now have combined incomes of nearly ten thousand dollars a year as a result of the world-famous Draughn Training. Many similar instances could be given, it is stated. The College guarantees good beginning positions, and its thorough training insures rapid promotion to ambitious young men and women. Its free catalogue No. 10 will be an inspiration to you. Write for it and Guarantee Contract today, addressing J. D. Miracle, Supt., Box 38, Abilene, Texas, or Box 1593, Wichita Falls, Texas.

Allowing Days of Grace.
In the reign of Henry II the day first mentioned in each term of court was called "essoign day," because the court then took the essoigns or excuses of those who did not appear according to the summons of the writs. But as—by a custom traced by Blackstone to the Germans of the days of Tacitus—three days of grace were allowed every defendant in which to appear, the courts did not sit for the dispatch of business until the fourth day after that time. On the other hand, they continued to sit until the fourth day after the last return. The rule allowing days of grace in the United States was adopted from the English law.

Louis Polk and Seth Johnson, two prominent citizens of Sweetwater, were here last Thursday prospecting. It is possible that Mr. Johnson will open a business here at an early date.

I am now Better Prepared to take care of your Jewelry repair work. I have a new Electric soldering machine and a ring Sizing machine which will help me give you quicker service.

Dependable and Durable

The Oliver Nos. 16 and 17 listers have proved by years of field performance that they are dependable and durable and that they completely meet the requirements of the farmer who needs a one row lister.

The Oliver Nos. 16 and 17 are two wheel listers equipped to plant corn, cotton, peanuts and other row crops. True running bottoms characterize these Oliver listers insuring smooth and even furrows. The frame is sufficiently strong to withstand all stresses to which a lister is subjected.

Accuracy of planting is obtained by use of a seeding attachment that will not skip or bunch the seed. The seeding mechanism is driven by a chain operating from the main axle.

Dependable, accurate listing is assured with Oliver equipment.

Almost every country on the face of the globe has an embassy in Washington. When Woodrow Wilson died, all these embassies lowered their flags to half mast, all save one. There was one which took its flag down and neatly hid it away. It announced that it would not show Woodrow Wilson the respect which all the other embassies were showing him. But when its contemptible action was noted, a burst of indignation swept the capital and the country. The German embassy reconsidered and hoisted its flag at half mast two hours before the funeral. The flag went up, but too late. All America construed this action on the part of the German Government as a deliberate insult. Germany has not helped herself in the eyes of the world. She has made herself contemptible in the eyes of America. There are indications that the German Government, by this act, has made itself unpopular even at home. It ought to be. The common people of Germany owe much to Woodrow Wilson. They ought to honor him above all men. Let's hope that the junkers have got their lesson.

Milwaukee is the place that was made famous by a certain brand of beer. Milwaukee has a mayor whose name is Hoan. When the city council of Milwaukee passed a resolution of condolence upon the death of Woodrow Wilson, Hoan refused to sign it. Hoan refused to grieve over the death of the great man who led this country to victory over the war lords of Germany. During the war, no doubt, he was a German sympathizer. He is still a German sympathizer. He is not fit to be mayor of any American city. He is not fit to be even a dog pelter in Podunk. And that's the way all true Americans feel about it. The American Legion and other organizations of Wisconsin are expressing themselves in no uncertain terms. They ought to make it so hot for him that he will never dare to run for office again. He ought to be made to realize that this is America, not Germany.

When President Hardin died, Democrats as well as Republicans sincerely mourned his death. They recognized and acknowledged the fact that he was a good man and a patriotic citizen, conscientious and self-sacrificing in the performance of his duties as President. It was gratifying also to note that when Woodrow Wilson died, Republicans as well as Democrats acclaimed him as one of the greatest of world figures. The great masses of the people, regardless of party affiliation, were proud to claim him as one of the very greatest of American Presidents. Even those who had abused him while he lived, admitted his greatness when he died. Good for America.

It seems that A. B. Fall, the former cabinet member whose conduct has been under investigation with reference to the Tea-Pot Dome lease, is now refusing to further testify before the Senate investigating committee, claiming his constitutional privilege. This but accentuates what we believe to be a great fault in the laws of the several states as well as the United States government which expressly providethat in any criminal case, the defendant can not be compelled to testify and his failure to do so can not be taken as a circumstance against him. We have such a law in Texas. It ought to be repealed. Society has a right to protection. No criminal has a right to shield himself from just punishment for crime. If he refuses to testify, the jury should be allowed to consider it for what it may be worth under the circumstances. As a matter of fact, a man's silence under accusation may or may not be an evidence of guilt. The jury should be allowed to pass upon this matter. If they were so permitted, there would be less miscarriage of justice in this country. If the people will quit criticizing the courts so much and will begin demanding some common-sense legislation at the hands of their representatives in Austin and Washington

with reference to criminal procedure, this country will fare better and fewer criminals will run loose.

Texans, as well as patriotic and fair-minded citizens everywhere, must feel gratified that the attempt of Dohoney, the oil king, to besmirch the character of Thomas W. Gregory ended in utter failure. Dohoney and his Company were under investigation by a committee of the U. S. Senate with reference to oil leases obtained on Government lands. The revelations were most startling. President Coolidge announced that he would appoint Mr. Gregory to represent the Government as special investigator with a view to having the leases canceled. Then it was that Dohoney made his statement to the effect that Gregory had been in the employ of the Company. President Coolidge at once cancelled the appointment of Gregory. For the time being Gregory was under a cloud. Necessarily he felt humiliated. Then the facts came to light. Gregory at one time had been employed by a small oil concern. This employment had no relation to oil leases of any kind. So far as the facts show, it was a perfectly legitimate employment for a perfectly legitimate purpose. After the services was performed, it seems that this oil company asked other oil companies to assist in paying the fee. Dohoney's company was one of them, and it paid its share. Gregory had nothing to do with the scandalous business whereby Dohoney and his Company secured oil leases on Government lands. He knew absolutely nothing of the Tea-Pot Dome deal. But when "smut" was discovered on Dohoney, and it was announced that Gregory had been selected to probe into his crookedness, then he tried to smear "smut" on Gregory. His statement caused the President to cancel the appointment of Gregory, and thus a great injury was done him. But his attempt to besmirch the character of Gregory has only resulted in revealing his own contemptible deceitfulness and perfidy. It is to be hoped that all the facts with reference to that Tea-Pot Dome lease may be brought to light. Bribery of Government officials and the acceptance of bribes by them is not much better than treason; and if any one has been guilty of such conduct, he ought to be brought to justice.

Mail order houses are not working to build Tahoka.

A New Empire in the Making

Visitors to West Texas are amazed at the great development that is taking place in West Texas. In this vast empire of forty thousand square miles the erection of new homes and the putting into cultivation of tens of thousands of farms is to be noted. In times past we have seen one town or one little section on a boom, but here we see a section much larger than some of the states of our union being developed on a scale that is truly amazing. Not until we have the next U. S. census will we know exactly how many folks have come but the record will be a world beater. It is agreed that this vast section, which seems immune to the boll weevil, will be able to produce as many bales of cotton as the entire state has been producing. It is a problem to supply lumber and farming machinery for the new homebuilders now flocking to the Plains section. As Big Spring is the Southern gateway to the Plains the big activity has its beginning here and extends for 250 miles to the North of us.

Herein fail not, but have you before said court, on the first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Witness W. E. Smith, Clerk of the District Court of Lynn County, Texas.

Given under my hand and seal of said court in the town of Tahoka, this 26th day of January A. D. 1924.

W. E. Smith Clerk District Court, Lynn County, Texas.
By Lucy Belle Swan, Deputy

SHERIFF'S SALE

The State of Texas, County of Lynn.

NOTICE IS HEREBY GIVEN that by virtue of a certain Alias Pluries Execution issued out of the Honorable District Court of Lynn County, of the sixth day of December, 1923, by W. E. Smith clerk of said court, for the sum of Five Thousand, Four Dollars Hundred, Twenty-seven and 29/100 Dollars with interest from April 5th, 1921, at the rate of ten per cent and costs of suit, under a judgment, in favor of A. L. Lockwood, S. F. Singleton and W. E. Porterfield, in a certain cause in said Court, No. 254 and styled A. L. Lockwood, et al vs. T. M. Bartley, placed in my hands for service, I, S. W. Sanford, as sheriff of Lynn County, Texas, did on the 5th. day of December, 1923, levy on certain Real Estate, situated in Lynn County, Texas, described as follows, to-wit: All of lot No. 13, in Block 4 and all of Lots No. 16 and 18, in Block 6, situated in the North Tahoka Addition to the original town of Tahoka, and in Lynn County, Texas, and levied upon as the property of T. M. Bartley, and that on the first Tuesday in February, 1924, the same being the 4th. day of said month, at the Court House door, of Lynn County, in the town of Tahoka, Texas, between the hours of 10 A. M. and 4 P. M., by virtue of said levy and said Alias Pluries Execution I will sell said above described Real Estate at public vendue, for cash, to the highest bidder, as the property of said T. M. Bartley.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Lynn County News, a newspaper published in Lynn County.

Witness my hand, this 6th day of December, 1923.

S. W. SANFORD,
Sheriff Lynn County, Texas

CITATION BY PUBLICATION

State of Texas. To the Sheriff or Any Constable of Lynn County Texas Greetings;

You are hereby commanded to summon A. Z. Rogers by making publication of this citation once in each week for four consecutive weeks, previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published, therein, but if not then in the nearest county where a newspaper is published, to appear at the next regular term of the district court of Lynn County, to be holden at the courthouse thereof, in Tahoka, on the first Monday in March 1924, the same being the third day of March, 1924, then and there to answer a petition filed in said court on the 26th day of January A. D. 1924, in a suit numbered on the docket of said court No. 489, wherein E. J. Tredway is plaintiff and A. Z. Rogers is defendant, said petition alleging that heretofore to-wit, on or about the first day of January 1924, the plaintiff was lawfully seized and possessed of all of the following described land and premises situated in Lynn county, Texas, holding and claiming the same

in fee simple to-wit: All of Lots No. 6, 7, 8, 9, and 10, in Block No. 38, as shown by the map or plot of the North Tahoka addition to the town of Tahoka, that on the day and year last aforesaid, the defendant unlawfully entered said premises and ejected the plaintiff therefrom, and unlawfully withholds from him the possession thereof to his damage in the sum of \$2000.00; that the reasonable annual rental value of said land and premises is the sum of \$250.00.

Plaintiff also alleges that the above described land and premises was on the 25th day of September 1915, sold and conveyed to the defendant A. Z. Rogers, by A. D. Shook, and that thereafter the said A. Z. Rogers, by his certain deed of conveyance sold said land and premises to Mrs. K. M. Miller, and that the deed from the defendant A. Z. Rogers to Mrs. K. M. Miller has been lost, and was never placed of records in the deed records of Lynn county, Texas, that thereafter the said Mrs. K. M. Miller and husband, Paul Miller, sold, and conveyed said property to J. E. Ketter, who sold and conveyed the same to the plaintiff.

That the deed from the said A. Z. Rogers to Mrs. K. M. Miller was in writing, duly executed, acknowledged and delivered, according to law, and that said deed vested title to said property in Mrs. K. M. Miller.

Plaintiff prays for judgement for the title and possession of the above described land and premises, for the cost of suit and for general and special relief.

Herein fail not, but have you before said court on the first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Witness W. E. Smith, Clerk of the District Court of Lynn County, Texas.

Given under my hand and seal of said court in the town of Tahoka, this 26th day of January 1924.

W. E. Smith Clerk District Court, Lynn County, Texas.
By Lucy Belle Swan Deputy

CITATION BY PUBLICATION

THE STATE OF TEXAS,
To the Sheriff or any Constable of Lynn County Greetings:

You are Hereby Comanded to summon B. R. Hooks by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in any newspaper published in the 72nd Judicial District; but if there be no newspaper published in said Judicial District, then in a newspaper published in the nearest District to said 72nd Judicial District, to appear at the next regular term of the District Court of Lynn County, to be holden at the Court House thereof, in Tahoka, Texas on the First Monday in March A. D. 1924, the same being the 3rd day of March A. D. 1924, then and there to answer a petition filed in said Court on the 19th day of January A. D. 1924 in suit, numbered on the docket of said Court No. 483, wherein J. A. Carruth, is Plaintiff, and J. N. Williamson, is Defendant, and said petition alleging that the place of residence of plaintiff is Lynn County, Texas and that the place of residence of defendant is unknown, and that the defendant executed and delivered his note for \$400.00 on or about the

12 day of June 1916, and dated that day, payable to A. D. Shook, or order; that said notes given to the said A. D. Shook, in part payment for the following described lands, to-wit: All of Lots, 6, 7, 8, 9 and 10 in Blk. 72, of North Tahoka Addition to the Original Town of Tahoka, Texas which said lots were conveyed to defendant by A. D. Shook and wife on the 12th day of June 1916, by their written deed, in consideration among other things the notes above described in which deed a lien was expressly retained to secure the payment of said notes and said deed expressly provided that in the defendant's title to same should not become absolute until said notes were fully paid off and satisfied and that said notes are long past due and unpaid, and defendant the often requested has failed and refused to pay same or any part thereof to plaintiff's damage in the sum of \$700.00. That thereafter the said A. D. Shook by properly acknowledged written transfer, sold assigned and conveyed said note and the superior title to said land to one Willy Matthaus, for a valuable consideration and that thereafter the said Willy Matthaus, for a valuable consideration sold assigned and conveyed said notes and superior title to said lands above described to E. M. Swan and that thereafter the said E. M. Swan for a valuable consideration by his written transfer, sold assigned and conveyed to J. A. Carruth said notes and the superior title to said lands above described, and that by reason of the facts herein alleged, the plaintiff was on the 5th day of November 1923 seized and possessed of the above described lands and premises holding

and claiming same, in fee simple, and that the defendant on the day and year last aforesaid unlawfully entered said land and premises and ejected plaintiff therefrom and unlawfully withhold from him the possession thereof to plaintiff's damage in the sum of \$700.00.

Wherefore, premises considered plaintiff prays the Court that the defendant be cited to appear and answer this petition and that upon final hearing hereof, plaintiff have judgment for the title and possession of said land and premises that writ of restitution issue for his damages and for such other and further relief both general and special in law and equity that plaintiff may be entitled to.

Herein Fail Not, but have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given Under my Hand and Seal of said Court, at office in Tahoka, Texas this 21st day of January A. D. 1924 W. E. Smith Clerk, District Court, Lynn County, Texas

T. H. S. WEEKLY ROUNDUP

MARY LINK, Editor

High School Annual Dedicated to Superintendent Caveness

As a reward for his faithful, untiring, conscientious, and successful efforts in advancing the educational interests of the town, and because of his interest in each student and every worthy school activity, the Senior Class of '24 decided to dedicate the Annual to Supt. H. P. Caveness.

The entire school met in the High School Auditorium on last Wednesday to hold memorial services for Woodrow Wilson.

The program opened with the school singing "America". After this Mr. Caveness made a nice talk on "Wilson the Man". A reading by Mary Link followed, giving an outline of Wilson's life. After this, Woodward Lee gave the manner in which Wilson died; and last but not least, Mr. Peebles gave an interesting discourse on "Wilson, the Man of Affairs".

High School Annual Work Progressing Rapidly

With a larger part of the engraving in the hands of the Southwestern Engraving Company and a printing contract signed, work on "The Skyline" is progressing nicely. The advertising campaign is well under way and in the near future every business house will be solicited. Responses thus far have been prompt and liberal. Miss Addie Mae Carmack is editing "The Skyline" and Charles Nelms is business manager.

Seniors

Our class is doing as well as can be expected, and we really are trying to keep up our New Year's and Mid-term resolutions.

We are glad to welcome our old classmate Wayne Burkhardt back. He is brimming over with knowledge of outside world as he has been on an extended tour of the northern country, Lubbock and the surrounding vicinity.

We are delighted with our class cartoonist, Berta Walker, who has done some excellent work for our annual lately. Then there's our poet, Woodward Lee, of whom we're proud. The English teacher is back with us again, and we are glad, not that we did not like her substitute, but we guess it is a habit for no one could take Miss Meucke's place. We are now studying free verse, and find it very interesting.

Chapel exercises were short but enjoyable yesterday. We were favored by master Frank Sargent with an interesting, well delivered reading, "The Boys", by Holmes, which is a famous and universally liked poem, which was enjoyed by all.

We are living in dread again, as we have monthly exams next week. May be they won't be so terrible.

The boy debaters are going to try out this afternoon. We are anxious to learn the outcome, and we hope the two winners will be Seniors. That is not selfish, only natural.

Nothing that everybody is in favor of. Why? Pictures for the annual parties, and approaching exams answers the question.

We hope to begin work on our play soon. Work is going to be in earnest, as we intend to make it a success.

The Agriculture Class

The agriculture class was honored with a visit by Mr. G. W. Orms of the A. & M. College and by Mr. C. T. Watson, county agent of Dawson county. Each of these distinguished

gentlemen made a talk on Livestock Industry, just what the boys are studying.

Mr. Watson suggested that Mr. Stark bring our boys to Lamesa for a stock-judging contest with some of the Dawson county club boys, and the idea met with immediate approval. A trip for this purpose may be made soon.

Not to miss anything that was going on, a number of the vocational boys, accompanied by their instructor attended the public meeting Monday at 1:30 in the court house, where the question of employing a county agent was discussed by Mr. Orms. A part of the Ancient History lesson was missed but a good lesson or lecture was heard on County Agent History in Texas.

We Juniors are progressing very nicely this week, although our monthly exams are but a few days off.

Owing to the absence of our English and History teacher, Mrs. Tunnell, Miss Ollie Clinton has had the pleasure of (?)

We regret very much that our classmate, Foy Anglin is still not able to come to school but we are in hopes she will return very soon.

The Spanish class is still practicing on their play, which they evidently intend to stage within the next few days.

When Miss Windsor was out of the room, some innocent bystander overheard Eddie and Lola talking. Lola: "What is your theme subject for this week?" Eddie: "I am inclined to write on the subject, "When you were my Valentine".

Sophomores

We are very sorry that our room teacher, Mrs. Tunnell, has had to give up her classes for a few days, on account of the illness of her little daughter, Mary Margaret. We sincerely hope that the little lady will soon recover, and we are also anxious for her mother to take up her regular work with us again.

Miss Windsor (in Spanish): "Charles, do I have a pencil in my hand?" Charles: "Si, senorita."

R. E. (suddenly interested): "See See what?"

to mind the causes of the Franco-Prussian war?"

Lillian: "I did know, but there's a hole in my hair net and I think a piece of my memory escaped."

Temple believes in food conservation. This is what he wrote in a test on Agriculture and Animal husbandry:

"The book says to feed a hog a quart of corn every morning for breakfast; but a pint of corn, soaked over night in a pint of water, swells up and fools the hog into thinking he's got a quart and it saves food, too"

Did you ever know when:—

Mr. Caveness made a noise loud enough to be heard by the pupils, before he entered the room?

Mr. Stark was grouchy?

Mr. Carmack was not winding his watch chain around his finger?

Mr. Peebles was without a grin?

Miss Price failed to appear as though she had just stepped out of the "band-box".

Miss Windsor was in a bad humor?

Mrs. Tunnell failed to have plenty of written work for us to do?

Freshman "Dots"

We are glad to note that our president, Mr. Barney Davis, is able to be back with us today. Barney was unable to be at school last week on account of an injury sustained by playing basket ball.

Mr. Peebles made a statement after History class last Friday afternoon like this: "We have never had a good lesson (in History) this year on Monday." So be it resolved by the Freshman class of Tahoka Hi-School that we shall render unto Mr. Peebles an excellent History lesson, this the 2nd. Monday of February, 1924.

We regret to learn of the departure of Miss Linnie B. Willis. We hope she will like her new home and enjoy going to school there as she did here.

We have been having a good many absences on account of sickness and various reasons. We hope to have them all back with us in a few days.

Learning algebra, did you say? Yes, we are under the supervision of Mr. Carmack.

The Freshman class items did not appear in the Hi-School Roundup last week on account of our reporter leaving, but it is our aim to be represented every week hereafter.

MIDWAY MUSINGS

Things are quite lively in this part of the country.

The party at Mr. Holson's was well attended Friday night. Everybody reports having enjoyed themselves wonderfully.

Quite a crowd came out Friday afternoon to see the game which was to have been played by Wells and the home team, but there was some misunderstanding and Wells failed to come.

PLANT A TREE!

Stop! Look! Listen! Midway enroute Lynn via Tahoka Friday afternoon 1:30. A game will follow between Gordon and Lynn and Midway wants the winners. Watch for our colors and don't forget the date, Friday, Feb. 15.

W. P. Seal from Coleman county is another good man whom our citizenship will welcome. He recently purchased a quarter section of land just a few miles east of town from J. M. Vaughan, paying \$70.00 per acre for the same, and he with his good family moved upon the same last week. Mr. Seal appreciates the value of Lynn county soil.

Mr. and Mrs. J. B. Stokes left Saturday morning for Bangs, Texas, to spend a few months. They will return to Tahoka some time in the spring.

Chills, & Stomach Trouble

MR. N. A. SMITH, of Shaw, Miss., says he can't remember being without Theodor's Black-Draught liver medicine since he and Mrs. Smith began keeping house, many years ago. "When we have chills," says Mr. Smith, "Black-Draught is what we use and we find it just splendid. I had a bad case of stomach trouble. I couldn't eat enough and was very weak. Everything I ate hurt me, formed gas and I spit up my food. I would feel stupid or staggy. I didn't feel like doing any work. I knew what Black-Draught had done in colds and I began taking small doses. I certainly got relief. It did me lots of good. "When I go to town, I look first to see how near out of Black-Draught we are, and then get more. We are a good way from the doctor and keep our home remedies and the main one is Black-Draught." In hundreds of thousands of homes, housekeepers keep Black-Draught on the shelf, handy for use when needed, as a household remedy to relieve constipation, biliousness, indigestion, and many other simple ailments. "A dose in time saves nine." A dose of Black-Draught costs only one cent. It may save you a big bill for medicine later on. Keep it on your shelf. Buy it at your store. Get a package today.
