We have money to loan on Lynn County land, and to buy Vendors-Lien Notes. Will loan some on School land. E. D. Skinner & Son.

A GOOD POSITION

Can be had by ambitious young men and ladies in the field of "Wireless" or Railway telegraphy. Since the 8-hour law became effective, and since the wireless companies are establishing stations throughout the country there is a great shortage of telegraphers. Positions pay beginners from \$70 to \$90 per month, with good chance of advancement. The National Telegraph Institute operates six official institutes in America, under supervision of R. R. and Wireless Officials and places all graduates into positions. It will pay you to write them for full details at Memphis, Tenn., or Columbia, S. C. 13-16

PROGRAM.

Christian Endeavor, Christian Church, Sunday, Nov. 20, 1910, 4 P. M.

How does God want to be thanked? Psalms 100: 1-5. Leader, Miss Alta Davis. Song—Prayer. Reading, Isaiah 58: 5-12.

When are our prayers not heard? Miss Ruby Black. What are some requisites to prayer? Miss Lela Bigham. How can we best show that we are thankful for God's blessings? Miss Mabel Shook.

Remember you can get hot or cold drinks every day at The Confectionery.

The News has three new ads this week to which we call especial attention: Parkhurst & Black are already preparing for the large Christmas trade they expect; Mr. Parkhurst is in the northern markets now personally selecting their Holiday stock, and Mr. Black is beginning an extensive advertising campaign, realizing that the most important part of all is to sell their stock out clean. Mr. Russell has his new blacksmith shop, which he the name of "Utility," open, and he is bidding for trade by advertising in The News. Bell Burleson, the new manager of the Palace Meat Market, enters the right path to secure trade, by putting a small ad in The News this week.

Try Mexican Hot at Johnston Bros.

Quite a number of farmers and business men were present at the court house Wednesday afternoon to meet Mr. H. M. Bainer, of Amarillo, Agricultural Demonstrator for the Santa Fe, who made quite an interesting address; however, as is always the case, the after discussion, the face to face talks with the interested few who remained after the crowd left was where the most good was accomplished. Mr. Bainer secured the names of about a dozen farmers who agreed to put in ten acres each as a demonstration crop. These various crops will be closely watched by farmers all over the county this year, and hope this movement will culminate in a Lynn County Fair next fall.

NOTICE TO ODD FELLOWS.

All Odd Fellows of the Tahoka lodge are requested to be present on next Tuesday night, Nov. 22. Nominations for the elective officers will be taken up at that time. O. T. Bryant

Our Tahoka Trip.

On last Monday morning we left on the line car for Lubbock, at which place we took the 3:30 p. m. train for the city of Tahoka "on the Santa Fe" as Brother Crie would put it, arriving there at 7:30 p. m. and registered at the Stokes hotel, which is noted far and wide for its exceptional "chawing." We spent Tuesday among the business men of that city, who are wide awake, jovial fellows that make you want to go back again. They are very enthusiastic over the future of Tahoka and her splendid trade territory and are willing to spend time and money in extending it. They lay claim with vigor to the two fertile and progressive counties to their west and say that they are going to get and keep it if liberal price and fair treatment will keep it.

We visited the Tahoka gin while there and found them cutting the fleecy staple at a lively rate, having ginned to date something like 250 bales.

Among those who took space with the Herald are Wells & Welcher, Ketner and Hatchett, H. C. Smith, Bob Majors, and next week we are likely to add another to the growing list. Peruse this week's paper carefully and you will see who are the most progressive merchants in Tahoka, and Lubbock too, for that matter, and can select your places to trade when in Tahoka. They are all honorable in every way and will do just what they say.

In this connection we wish to say that we were never treated better anywhere and we are sure you will enjoy the same treatment when you are in that city.—Terry County Herald.

We failed to print the above last week on account of lack of space.

The Minor School No. 12 opened November 14th with Prof. J. S. Grant, teacher. The community has repainted the school house, and where they had 25 pupils last year they have 35 this year.

Sheriff's Sale.

THE STATE OF TEXAS)
County of Lynn) BY
VIRTUE of a certain Execution issued out of the Honorable District Court of Scurry County, on the 13th day of September 1910, by B. A. Eubank Clerk of said Court against J. W. Whitt, Roy Neblet and Mrs. Roy Neblet, for the sum of One Thousand Six Hundred Seventy Nine and 92/100 (\$1679 92/100) Dollars and costs of suit, in cause No. 712 in said Court, styled A. J. Herrington versus J. W. Whitt et al and placed in my hands for service, I, J. S. Wells as Sheriff of Lynn County, Texas, did, on the 8th day of November 1910 levy on certain Real Estate, situated in Lynn County, described as follows, to-wit Abstract No. 745, Certificate No. 1412, Survey No. 34, Block No. A1, Original Grantee E. L. & R. R. Co. containing 640 acres, and levied upon as the property of said J. W. Whitt. And on Tuesday, the 6th day of December 1910, at the Court House door of Lynn County, in the town of Tahoka, Texas, between the hours of ten a. m. and four p. m. I will sell said land at public vendue, for cash, to the highest bidder, as the property of said J. W. Whitt.

by virtue of said levy and said Execution.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Lynn County News a newspaper published in Lynn County.

Witness my hand, this 8th day of November 1910.

J. S. Wells, Sheriff Lynn County, Texas. By J. H. Edwards, Deputy. 13-15

Rev. D. B. Doak, who was pastor of the Methodist church at this place during the past year, left Tahoka Thursday morning with his household goods going to Matador, Motley county, which place he will serve for the ensuing year. It is with regret that we realize that our loss is the Matador people's gain. We are sure God will bless their work in this new field. T. W. Sharp will be the pastor of this church for the coming year.

THE NEWS FROM ALL OVER TEXAS

The high cost of living is not troubling the Texas farmer. With 20ct. cotton and 15ct. hogs in sight and all other products in proportion, he is in a position of independence, and when committees appointed to inquire into the high cost of living investigate him, they will find him with a good bank account.

The wise men in the East who are racking their brains over this problem, should come to Texas and buy a farm and get on the right side of the ledger. There is a farm and an easy living here for all of them.

The 32nd Legislature will be absolutely free from corporate influences and they will also constitute one of the most capable, intelligent and progressive bodies of law givers that ever assembled at the capital. In fact, we are so confirmed in our anti-corporation tendencies that political porch climbers have in the past run for office on anti-corporation platforms, and it is doubtful if the most courageous present day statesman would have the temerity to run for office on a platform that favored corporations. It is safe to say that the 32nd Legislature has not a single representative of a corporation in it; yet the corporations pay 55 per cent of the state tax, general revenue, and the battle cry of the Fathers of American Liberty during the revolutionary war was "Taxation without Representation is Tyranny." The corporations in Texas put up millions for revenue but have not a word to say on legislation. Have we exchanged the spirit of '76 for the big stick of the present day?

The Texas corporations own 16 per cent of the property and pay 55 per cent of the state tax. Whether these inequalities in our revenue system are due to brain fog, brown power or the absence of a genuine case of chronic honesty in its acute form is beyond the jurisdiction of this discussion; what we say is that the Texas Legislatures are absolutely free from corporate influences and the records prove it.

W. T. Loudemilk, President of the Farmers Union, has accepted an invitation to address the annual membership meeting of the Texas Commercial Secretaries Association at Waco on November 18-19. Mr. Loudemilk's address will open the way for closer relations between the banker and merchant and the farmer and should result in mutual advantages to these important industries.

The subject of Texas minerals is a big one. It is 262,000 square miles in area and 4,000 feet deep but it will be handled by men who have made a study of the subject at the membership meeting of the Texas Commercial Secretaries Association at Waco on November 18-19. Needed legislation that

The newspapers of the state are a powerful factor in the development of the state's resources and the importance of the press is sometimes overlooked in discussing the elements of development, but the Commercial Secretaries will give "Honor to whom Honor is Due" at their annual membership meeting at Waco on November 18-19. Hon. Thos. W. Perkins, of McKinney will handle the subject of the "Texas Press" and every newspaper man in the state will be proud of the "Industrial Column" of his paper when the Senator closes his address.

The celebration of the completion of the "big ditch" will come in for its share of discussion at the annual membership meeting of the Texas Commercial Secretaries' Association at Waco on November 18-19, and Mr. M. B. Trezevant of New Orleans will tell the convention what is expected of Texas in making the Panama Canal Exposition the most successful convention in the history of the new world.

"Let's get together" will be the slogan at the annual membership meeting of the Texas Commercial Secretaries' Association at Waco on November 18-19, at which time the business man and the farmer will meet to discuss questions affecting alike the commercial and agricultural interests of the state. Mr. W. T. Loudemilk, President of the Farmers' Union of Texas, will talk to the convention on the "Co-Operation between the city man and the farmer." Hon. Jno. H. Kirby, the Lumber King of Texas, will be chairman of this session, which will be one of the most valuable and interesting of the entire two days meeting.

The celebration of the Census increase in the state will be one of the interesting features of the annual meeting of the Texas Commercial Secretaries' Association at Waco on November 18-19. The Stork and the Immigration Agent have been running a neck and neck race for the championship honors and both these powerful factors of development will be represented on the program. Hon. Jno. H. Kirby of Houston, who was President of the 5,000,000 club will preside at the celebration. It was Mr. Kirby who first conceived the idea of giving the Stork and Immigration Agent public recognition for their valuable services by organizing the Five Million Club and the wisdom of the movement is demonstrated by the verification of the estimate which will be made by the Census reports this year.
