

## Local Utilities Are Re-Sold To City

### WILL CHANGE HANDS MAY 1.

Thompson Offered Re-sale Of Plant Tuesday Night; City Council Accepts

At a meeting of the City Council Tuesday night, Clifford M. Thompson offered to re-transfer to the City electric light and power plant and the ice factory which he purchased from the City almost six months ago. The Council accepted his offer and these public utilities will become the property of the City on May 1. Possession of the plant is to be surrendered to the City at that time.

The News stated last week that a petition was being circulated asking at the city council enter into negotiations with a view to re-acquiring these properties. It seems that this petition was never presented to the council but Mr. Thompson came upon his own initiative and offered to make the transfer. In speaking of the matter to the News, Mr. Thompson declared that the properties had been a paying investment to him but for reasons satisfactory to himself he preferred to turn the properties back. He stated that on May 1 he will prepare a final statement relating to the operation of these plants during the last six months and will furnish the same to the News for publication.

## SENIORS' PLAY TUESDAY EVE

"Am I Intruding" Name Of Play To Be Given By Seniors of This Year's Class

The Senior Class of the Tahoka High School will present as its Commencement play, "Am I Intruding?" at the High School Auditorium Tuesday night, April 27, at 8 o'clock. "Am I Intruding?" is a thorough modern comedy causing laughter and based on a mystery plot that holds the attention from start to finish and comes out quite different from what any one in the audience is expecting.

There is really no big star part, the people in the cast having an equal opportunity to shine as individuals.

This play is being coached by Miss Alice Jernigan, sponsor of the Senior Class. Miss Jernigan has had great deal of experience in College dramatics and has also taken part in "Little Theatre" productions. The students have been diligently working for two weeks and promise an excellent entertainment.

The proceeds of this entertainment go for a valuable cause for the school. Admission will be 25 cents for school children and 35 cents for adults. Come out and support your school.

The cast of characters is as follows:

- Mrs. Hastings, the housekeeper—Margaret Lam
- Clair Hoover, the adventurer—Joe Earl Walton
- Ernest Rathburn, Jane's secretary—Paul King
- Marjorie Vane, elder daughter—Jonsie Walker
- Mr. Waldron, a Romanticist—J. E. Ketter
- Maona, the Maid—Eleanor Barker
- Horace Vane, the father—Temple Brashear
- Miss Vane, the younger daughter—Allene Taylor

Mr. and Mrs. T. J. Bovell have spent several days visiting in Waco and other places down in Texas. They are expected to meet W. T. Inman, who is attending the A. & C. college at Bryan.

Water, water everywhere! Did it rain? We'll say it did. The precipitation in Tahoka according to the U. S. rain gauge kept by the News registered exactly 3.25 inches for Tuesday and Wednesday. Rain began falling Tuesday morning and one downpour followed another throughout the day. For a few minutes at several different periods in the day the downpour was terrific. The rain was accompanied by quite a bit of hail but the hailstones were all

small and did no damage. At eight o'clock Tuesday night, the rain gauge showed the precipitation to be 2.38 inches. About 3 A. M. Wednesday another hard rain fell amounting to .85 of an inch and the little shower during the day Wednesday brought the day's fall up to .87, making exactly 3.25 for the two days. Reports from over the county indicate that about the same amount of rain on an average fell throughout the county. In some places the fall was even heavier than at Tahoka.

In others it was perhaps not quite so heavy. Many of the lakes are almost full of water. Roads in places are in bad condition, but the soil is thoroughly soaked, and farmers and business men are jubilant. Reports indicate that the rain was not so heavy in the counties north of Lynn, while it was even heavier in some of the counties south and east. A train on the R. S. & P. crashed into a bridge which had been undermined by the flood waters and a serious wreck resulted, the fireman

being seriously hurt. Twenty miles of the T. & P. track was submerged and a portion of it washed away between Monahans and Odessa. Two children were drowned near Colorado, when a swollen stream drove a mother and four children from a storm cellar in which they had taken refuge. The mother succeeded in saving two of the children but the mad waters swept one of them from her arms and a second was drowned in her arms as she battled against the stream.

J. W. Briley, who resides in Oakland, California, is here visiting his brothers, W. G. and Clyde Briley. He came all the way from the shores of the Pacific Ocean just to go fishing in Texas with his brothers and others. The party expected to leave for the Concho and Devil's Rivers Wednesday but will not get away now until Monday.

## BAZE ELECTED SCHOOL HEAD

Superintendent For 1926-'27 Elected; Has Made Success As School Teacher

At a meeting of the school board held Monday night, M. L. H. Baze of Roscoe was elected Superintendent of the Tahoka public schools for the ensuing year. There were many applicants for the position, eleven of whom called upon the members of the board personally during last week. Seven of these were here Saturday. There were four or five of these who brought proof of most successful work done by them in other schools about the size of ours, and it is believed that the board would have made no mistake in electing any one of these four or five men. Only one could be elected, however, and the choice of the board fell upon Mr. Baze.

Mr. Baze is a married man, 34 years of age. He has had eleven years experience as teacher. He has served as superintendent of schools at Junction and Roscoe, two years at Junction and four years at Roscoe. Four years ago he found the Roscoe school badly disorganized and unsatisfactory in its work. He has built there one of the best school systems to be found in any small town in the state. The enrollment there is almost as large as the enrollment here, the school employing 16 teachers exclusive of the music and expression teachers. His school has repeatedly carried off the honors in both athletic and literary contests over Sweetwater and the other schools of Nolan county in the interscholastic league meets. While he is not strikingly prepossessing in appearance, yet he has the knack of winning his way into the confidence and esteem of pupils and patrons alike. Perhaps no superintendent in Roscoe was ever more popular than Mr. Baze. He is not only appreciated for his fine work in the school but

## Dallas Woman Heads Floydada Officials Inspect Tahoka

Judge Henry, Mayor of Floydada, his board of aldermen, the city engineer, and other citizens of Floydada, making up a party of eight, were here last Friday inspecting Tahoka's paving, the light and power plant, ice factory, and gathering information as to the cost of the paving and the expense of installing and operating a light and power plant.

Floydada is planning to do quite a lot of paving and these gentlemen had heard of our nicely paved streets, and so they came over to see for themselves. After making their investigations and obtaining the desired information from our city officials, they stated that they expected to put down brick pavement on the dirt just as Tahoka has done, according to Dr. Singleton, with whom they conferred. They are also seriously considering the matter of installing a municipal light and power plant to be operated in competition with the privately owned plant, whose rates they consider exorbitant.

Judge Henry is an old-time friend of W. B. Slaton of this city and spent a pleasant social hour with his banker friend while in the city.

Tom Preston left Wednesday morning for Evant, Coryell county, having been called to that place by the serious illness of his father.

### WOMEN'S CLUBS GIVE BANQUET

Nearly 300 Attended One Of Biggest Banquets Ever Held In City Of Tahoka

The banquet served in the basement of the Baptist Church by the Women's and Girls Clubs of the county in honor of the Phebe K. Warner Club and the Kiwanis Club of Tahoka on last Friday night was in many respects a greater success than had been expected. More than 150 out of town women, girls and other visitors registered. Besides there were perhaps more than a hundred home folks present. The total attendance did not fall far short of 300.

The feast was prepared almost solely of home-grown products, and it was such a feast as kings might feel honored to sit down to. Mrs. W. E. Galloway, president of the Wilson Women's Club, had charge of the preparation and serving of the meal, and that she and her helpers did it well could be testified to by every one present.

Mrs. G. C. Tiner of the Edith Club presided and she did so with much grace and dignity. Miss Millie M. Halsey, home demonstration agent of Lynn county assisted materially in making the occasion a success.

Mrs. Major Rodgers of O'Donnell was to have given an account of the women's work of the county, but she was unable to be present, and in her absence Miss Halsey briefly stated the aims of the clubs. These aims are four-fold: "We want our homes to be economically sound, physically healthful, mechanically convenient,

### A BUSINESS AXIOM

It has come to be an axiom of successful business that profit is not the sole end to be sought. Business success in whatever field is more and more the result of policies which look to give service to the public. The business which on the whole is likely to prosper most is that business which aims to give the customer something more than the mere commodity which he comes to buy. —Calvin Coolidge.

## WILL ELECT 3 NEW TRUSTEES

Terms of Townes, Welch, and Russell Expire: May 1st. Set As Election Day

An election for the purpose of electing three trustees for the Tahoka Independent School District will be held on Saturday, May 1, in the Justice court room.

The trustees whose terms will expire are Dr. C. B. Townes, J. C. Welch, and John Russell. Mr. Russell lives in the South Ward community and especially represents the people of that locality in school matters.

Any person desiring his name or the name of some other citizen to appear on the official ballot as school trustee should file the same with J. S. Weatherford, secretary of the board, on or before Monday, April 26.

Dr. Townes and Mr. Welch have each served on the board one term of two years, while Mr. Russell is filling the unexpired term of W. L. Tunnell, resigned. Each of these gentlemen has done faithful and invaluable service on the board. They have become thoroughly familiar with the work, and they are peculiarly fitted and qualified to render most excellent service in the future.

## Anglin Is Loser Of Good Sky-Piece

W. S. Anglin was one of the guests at the big banquet served in the Baptist Church basement last Friday night by the women's clubs of the county. When he went to get his hat at the close of the festivities, he failed to find his sky-piece. It was a good hat, nearly new, and Mr. Anglin thinks that some fellow in need of a good hat got his through mistake. He respectfully invites the fellow who wore it away to bring it in and he thinks the citizens of the town will make up a sufficient sum of money to buy him a serviceable piece of head-gear.

## P. T. A. Held Big Carnival Saturday

The ladies of the Parent-Teachers Club held a "carnival" on the court house lawn last Saturday. The object of the "carnival" was to raise funds for the benefit of the school, and the women worked most faithfully at the task. We did not learn what the receipts of the day amounted to.

## \$100,000 BONDS AGAIN VOTED

Will Allow For Building New High School Building And One Small Ward School

By a vote of a little more than two to one, bonds were authorized in the sum of \$100,000.00 at an election held last Saturday for the purpose of building additional school buildings in the Tahoka Independent School District. The vote for the bonds was 273, against the bonds 135. Two votes cast were thrown out for good and sufficient reasons by the election judges, the total vote cast being 410.

An election for the same purpose was held on March 6, resulting in favor of the bonds by a vote of 184 to 137, but on account of a defect in the proceedings the election was declared invalid and another election was called. An analysis of the vote shows that there were 89 more votes for the bonds in the last election than in the first while the opposition decreased by two votes. The last election was perhaps the most hotly contested of its kind ever held in Tahoka. A determined fight was made in the first election, but the activity and vigor of the opposition was greatly increased in the election held Saturday. A systematic and ceaseless campaign against the bonds was waged by some of our best and

## BREAK DIRT ON NEW BUILDING

Hall Robinson Lets Contract For One Story Brick On West Side Square

Dirt was broken Saturday morning for the construction of a new brick business building by Hall Robinson on his lot on the west side of the square. This building will be a one-story structure, 25 x 90 feet. The face brick to be used in the front wall is said to be of extraordinarily fine quality and the building will add to the civic beauty of the town. Mr. Head of Slaton is the architect while Mr. Knapp of the same city procured the contract for the brick work. The building will be ready for occupancy within a few weeks, and it is understood that it has already been rented. We failed to learn the character of business that will be conducted in it.

## Gets Finger Cut Off In Well Drill

While Levi Nordyke was operating a well drilling machine a few miles south of town last Friday, the little finger of his left hand got caught in some way by the machinery and was chopped or cut off. Surgical attention was soon given the wound and it is not thought that any serious consequences will ensue further than the loss of this most useful little member.

## Mrs. Windham Builds Handsome Home

**THANKS**

The Women's Home Demonstration Clubs of Lynn County wish to thank the following Clubs, Firms, and individuals for their generous co-operation in helping us to put on our first Countywide Community Meeting which was held in Taboka, April 16.

We thank the Phoebe E. Warner Club of Taboka, for making it possible for us to have an Annual Meeting of our Club women with the Taboka Club women, and for their assistance in making it a Community meeting this year instead of just a Club Meeting.

We thank the Rev. E. N. Shepherd, his Board of Deacons, and other members of the Baptist Church of Taboka, for the use of their building and equipment.

We thank Mr. Money, and the Forest Lumber Company, for the use of lumber for tables.

We thank Mr. W. R. Luce of the Taboka High School, and his class of boys for hauling the lumber, moving chairs and building tables for us.

We thank Mr. D. W. Gaignat, and the McCormack Store for the use of dishes.

We thank Mr. S. E. Kemp, and the Variety Store for letting us have dishes.

We thank Rev. J. E. Eldridge and the Methodist church for use of dishes for removing the tables for us.

We thank everyone who assisted with the program.

To the City Bakery, The Limit, and Thomas Grocery we express our thanks for letting us have materials at cost.

To the Kiwanis Club of Taboka, the members of which were our guests on this occasion, we express our heartfelt thanks for co-operating in sending our members to the A. & M. Short Course at College Station this Summer. Each of our Women's Clubs has plans under way to send one of its own members, and these two Scholarships offered by the Kiwanis Club insures our County having fourteen or fifteen members attending the Short Course. Home Demonstration work is constructive work and we greatly appreciate the co-operation of your Club as "Builders." While the Scholarships that you gave are to be used by two individual Club Women the interest that they will create in Home Demonstration work will be felt throughout the County.

In closing let us say that we were glad to have had so many Taboka people as our guests and we hope that each of you will find it possible to attend other Club meetings that we have in Taboka from time to time, and we invite you to visit our Clubs in the various communities of our County.

Respectfully submitted,  
County Council of Women's H. D. Clubs.

**MORE CHICKS SHOULD BE RAISED THIS YEAR**  
Every time you bury a dead chick you are burying fifty cents or more. If the average poultry raiser would pay more attention to scientific care and feeding of chicks during the first six weeks after hatching there would be more plump broilers this summer and many more layers next winter.

A simple and yet scientific explanation of how to save over 90 per cent of your chicks is published by the Purina Mills of St. Louis, Mo., by their 1926 Purina Poultry Book. Through the courtesy of Wyatt Bros., coal and grain co., this valuable book is mailed free of charge to any poultry raiser who requests it from them.

**Euzelian Class Entertained.**  
Large sprays of fragrant apple blossoms enhanced the beauty of Mrs. Gladys M. Stokes' home, where she and Mrs. Robert H. King entertained the Euzelian Class of the Baptist Sunday School on Thursday evening, April 15.

After a business session, the guests were entertained with an "animal party", consisting of games, puzzles and a trip through a cleverly improvised zoo. Still following the animal scheme, refreshment of cake and candy animals were served with mint-garnished fruit punch and an "all-day sucker," the last of which we were kind enough to take leave before eating.

Those enjoying the pleasant hour with these charming ladies were: Rev. and Mrs. B. N. Shepherd, Mr. and Mrs. G. E. Hogan, and Mesdames Clyde Briley, A. B. Sanders, Buddy Knight, Nannie Blair, Dean Nowlin, Hobert Nelson, Belton Howell, Carl Griffing, W. Fortenberry, R. Richardson, V. N. Burleson, and Ovid Lullala.

Miss Hudson is Principal Entertainer At Luncheon; Slaton Talks on Boy Scouts

The Senior Class of the Taboka High School were guests of the Kiwanis Club at luncheon Wednesday, as were also their sponsor, Miss Janice Jernigan, and Supt. G. H. Nelson.

The feature of the luncheon was the chalk talk by Miss Ethel M. Hudson of Dallas, who is here this week conducting a B. Y. P. U. Institute at the Baptist Church. She spoke briefly but beautifully of "Home," and then while the pianist, Miss Lois Pressley, played the strains of "The Old Folks at Home" and "My Old Kentucky Home," she drew a picture of The Old Home on a canvas. The picture was not only beautiful within itself but it brought to many of those present most sacred memories of the long ago.

Mr. W. R. Luce presided at the luncheon and just preceding the chalk talk he introduced Walter B. Slaton, who stated that sixty-three citizens had already signed pledges to finance the Boy Scout organization for the next twelve months and that a few more pledges were needed in order to take care of the quota assigned Taboka for this year and a deficiency yet existing on last year's quota. He further stated that it had been easier to procure these pledges than to raise money for any other public enterprise he had ever undertaken in the town.

The Taboka orchestra furnished music for the occasion.

**ASSOCIATIONAL B. Y. P. MET HERE SUNDAY**  
About 200 visitors from over the Brownfield Baptist Association met at the Baptist Church here Sunday afternoon and rendered a most pleasing program. One of the features of the meeting was an address by Miss Hudson. It was pronounced by those interested to have been one of the best meetings of the kind ever held in the association.

**NOTICE TO THE PUBLIC**

Any erroneous reflection upon the reputation or standing of any individual, firm or corporation, that may appear in the columns of the News, will be gladly corrected when called to our attention.

When Mrs. Ferguson made the two campaigns for the nomination and one for election to the governor's office in 1924, she and farmer Jim plead for a chance to vindicate the impeached ex-governor and to erase the blot that had been placed on the Ferguson name. Thousands of good men and women were won to the Ferguson cause by the passionate and pathetic plea. Thousands of men and women who had always strongly opposed Jim Ferguson were touched by a woman's appeal for the mantle of charity to be drawn over the sins of the past and give her husband another chance to make good. Thousands of men and women believed that if Mrs. Ferguson should be elected, Jim Ferguson would be so anxious for his wife to make an enviable record, that he would assist her in every way possible to give Texas one of the cleanest and best administrations in her history. In many respects her administration has been good. But in the most essential things the Fergusons have again failed. Under the advice of her husband, Mrs. Ferguson has appointed men to high official positions who are in no way fitted or qualified. She has made some excellent appointments. In the appointment of our district judge she was peculiarly fortunate. Many believe that she made no mistake in the appointment of our district attorney. But in the filling of a number of our highest judicial positions she has made most inexcusable errors. In the appointment of highway commissioners, she likewise made some serious blunders. Instead of her administration having been such as to restore confidence in the integrity of her husband, it has

been such as to weaken that confidence. Instead of the blot having been removed from the Ferguson name, other blots have been added to it. All this we recognize in deep disappointment and sadness, for we have been genuinely anxious for the Fergusons to make good and have warmly defended them against what we believed to be unjust attacks. But now that the Fergusons have had their day in court and the verdict, under the evidence, must be rendered against them, we must look in some other direction for a governor of this great state. As Dan Moody suggests, we think it is now time to vindicate Texas. We believe that the administration of public affairs, like a woman's character, should be above reproach or suspicion. We believe that Dan Moody can and will give us such an administration.

One of the gravest responsibilities resting upon the governor of this state is the filling of appointive offices. It seems to us that the importance and gravity of this responsibility has been fully appreciated by very few persons who have occupied the office of governor in recent years. Too many appointments are made for political purposes, regardless of the fitness and qualifications of the appointee. Some are made out of gratitude for personal favors done, some simply to reward friends. The public good should be the prime consideration in every appointment made. If our governors would set this standard and follow it, the general character of the men appointed to responsible positions in our government would be much higher than at present. Dan Moody makes the solemn pledge to the people of Texas that, if elected governor, he will appoint clean, high-class, honest and capable men and women to every public office under the Administration. If he is elected, which we believe he will be, we hope that he will faithfully and religiously carry out this pledge.

Editorial Note: We reproduce below the statement published in the Lamb County Leader at Littlefield concerning their school finances and cost of transportation for the reason that this is a problem that our school district may be compelled to deal with in the near future.

That the Littlefield Independent School District is being operated at a cost considerably below that of the average consolidated school district over the United States, is an established fact proven by comparative statistics furnished by the Littlefield School Board this week.

According to statistics furnished by the Bureau of Education, Department of the Interior, Washington, D. C. the average cost for each child enrolled in the schools of the consoli-

dated districts in the United States ranged from \$80 to \$84 each. The average cost of each child in actual attendance in consolidated schools in the United States amounted to from \$91 to \$95 per pupil. In the Littlefield schools it is found, by actual figures, that the cost per pupil runs from \$20 to \$24 less than the average over the United States, while the cost per pupil in actual attendance is from \$13 to \$18 each, below the general average of the United States in consolidated schools.

Taking the item of transportation, for instance, and there is not a single consolidated school in the United States that transports its pupils under similar conditions for near the low price that is obtained in this district. The Kern County Union high school, in California, comes the nearest. That school has 16 transportation trucks transporting an average of 410 pupils, an average distance of 15 miles at a cost of one cent per mile, or a total cost of \$49,000. In the Littlefield schools there are 24 trucks hauling 561 pupils an average distance of 15 miles at a cost of \$20,649, for the school year. Figuring out the cost of the Kern County school it will be found to be one cent per mile for transportation, whereas the Littlefield school is using eight more trucks and transporting 151 more pupils, the same average distance, at a fraction over one-half cent per mile, or nearly half as much as was paid by the California school cited. It is also worthy of note that the cost of transportation this year is less per pupil than it was last year. In 1925 there were 423 pupils transported at a cost of \$23,000; this year 561 are now being transported at a cost of less than \$21,000, or a saving of \$2,351. With the expectancy increase of pupils for the coming year of 1926-27 it has been estimated that \$25,000 may be needed for transportation, and, accordingly that amount has been set aside in the budget prepared by the School Board for that purpose.

It is stated by members of the School Board that it is not believed that the item of \$25,000 for transportation will all be used, as plans are now in action whereby it is hoped to take care of the increased number of pupils next year at a slight increase of cost over that of this year, but rather that the amount was so placed as a contingent sum to be available in case of necessity.

The most colorful word in the oil world vocabulary is "wildcatter." One time it may spell heartbreak; again it may spell riches. Whatever there is in an oil field, there was once a lone wildcatter. Usually, he is the small independent, operating in a hand to mouth manner. Borrowing money and equipment from whom ever will lend him; often with barely enough to pay his crew; leaving him penniless; grubstaking his men and leaving him on short rations. The wildcatter is never faint-hearted. His philosophy holds him serene. He will move from a dry hole to another location, confident that this time he will make the big strike. His staunch hope and vivid imagination serve him as the lamp served Aladdin. While his explorations are aided somewhat by geological data, some of the biggest strikes have been made by a wildcatter playing out a hunch in absolute contradiction to scientific advice.

Columbus was wildcating when he nosed the Santa Maria into a westward course and held her there. Robert E. Peary was wildcating when he lashed his malamute dogs across the frozen wastes of the Arctic. Such are the pioneers of expansion, who set up the outposts that extend human endeavor.—The Cisco American.

There have been practically a dozen school superintendents and other educators in Tahoka during the past two weeks from various sections of Texas, and practically every one of them expressed his confidence in the future of our town. Almost without exception they stated that they not only recognized Tahoka as one of the most beautiful of all south plains towns but felt that its continued growth and prosperity through many years to come is assured. Certainly we Tahoka people ought to have the same kind and degree of confidence in the future of our little city that non-residents have.

Tahoka continues to grow steadily. No boom. Just a healthy growth. Her growth is just as natural as that of any normal boy who gets plenty to eat and plenty of exercise every day. She is in the heart of one of the best agricultural counties on the south plains, which is steadily developing, and what else could she do but grow.

Mr. and Mrs. J. A. Sanders visited relatives in Plainview Saturday and Sunday.

We occasionally hear expressions from some of our leading citizens which indicate that they feel that Tahoka has already just about attained its growth. Some of them seem to wish that it may not grow much more. If there are those who feel this way about the matter, they may expect to get run over every time they get in front of the wheels of progress. The general sentiment of our people was summed up in the statement made by one of our business men in the presence of the editor a few weeks ago. He said that there is enough virgin soil yet un-

touched by the plow in Tahoka's trade territory to make of Tahoka a good town even if there were not another foot of tillable land in the county. Any one who will turn his eyes to the west will soon discover this to be true. Tahoka has a bright future, man.

Now that the bond election is over, let us forget the strife of the past and join together for the upbuilding of our schools and our city.

**NO-NOX MOTOR FUEL**

CARBON KNOCK or motor detonation aside from being annoying greatly reduces power efficiency combustion taking place before complete rise of the piston. The mechanical method of correcting such knocks is to retune the spark which again reduces power efficiency. Many gasoline mixtures have been devised which in a way might eliminate the knock but oftentimes the remedy is worse than the ailment. In NO-NOX Motor Fuel we have the remedy without a single harmful feature—it positively takes the carbon knock out of the motor, and any motorist knows that this means easier and quicker acceleration, smoother running and More Power, less gear shifts and generally a more satisfactory operation of the car at lower repair cost.

L. R. Bartley, who strayed away from Tahoka last year, has returned. After spending a year at Hurley out in Bailey county he decided that there are more coons up one tree in Lynn county than most any other place, and so he is back to try to tree his part of the coons. He confided to the News man that he recently bought a "Farmall," and he expects to raise a bumper crop this year. We believe he'll do it.

## District Meet At Lubbock On Friday And Saturday

ANOTHER SCHOOL GIRL HAS UN-BOBBED LOCKS

Several weeks ago it seems that reference was made in the Tumbleweed, the school news column published occasionally in this paper, to Miss Eleanor Barker as the only young lady in high school that didn't have her hair bobbed. The editor of this paper had made no investigation as to the accuracy of this statement but assumed it to be true and so published it. Now, however, we are informed that the statement was incorrect. "A Subscriber" writes in to inform us of our error and to assist us in keeping the record straight. "A Subscriber" says, among other things, "I wish to state here that Miss Nellie Richards also has long locks, of which she is as proud as Miss Barker. She is a junior in high school and one of Tahoka's most promising young ladies. Please print this mistake." Of course, we will print it, mistake or no mistake. The bobbed-hair girls needn't listen in on this, but we think a girl's hair is her crowning glory, especially if it has come up a good stand and is long and inclined to curl. The editor likes long hair so well that he sometimes permits his own to grow a bit long. An editor with long hair, however, looks bum. Of course, if his hair is black like the crow's wing and has a way of falling down over his eyes so that he can continually reach it back with his fingers and toss it back with an imperious shake of the head, it makes him look statesman-like; but in that event he ought not to be an editor but a statesman like Joe Bailey, for instance. When an ordinary editor's hair grows long it looks shaggy. When a girl's hair grows long it looks beautiful and graceful and charming and womanly and so forth. There are just a world of sweet girls with bobbed hair but we are glad that there are two yet in Tahoka whose curls have never been clipped. Here's a toast to the girls with un-bobbed hair.

### INSTRUCTIONS

1. Registration and directions for all Friday afternoon events will be at the Stock Judging Pavilion at 1:00 P. M. to 1:30 P. M.
  2. The entry fee for each contestant qualified in one or more than one event. This fee also admits to any and all events during the Meet.
  3. All other persons than contestants will be charged 25 cents for a season ticket that will cover all events during the Meet. Single admissions to the different events other than literary will be 25 cents.
  4. Track and field events will be directed from College Athletic field. 25 cents for season ticket or single admission. Entries for all track or field events must be in hand of Director General or Director of Athletics by midnight of April 23, 1926 in order to qualify for any event. Entries should be sent in before that time so that adequate arrangements may be made. Late entries may not be as satisfactory provided for as those entering earlier. All track and field contestants must register and receive a number before going upon the field.
  5. The Committee on arrangement is endeavoring to provide a bed and room for Friday night for all contestants on Friday's program, provided names are sent in by April 22nd. No obligation to provide meals at any time or bed and room Friday night to those not sending in names in advance.
  6. The Constitution and Rules, Bulletin No. 2522, 1925, contains the official regulations of the Meet. Spaulding's Official Rules (latest edition) govern volley ball. No cheering shall be permitted during literary events.
  7. Medals will be awarded at the conclusion of each contest.

### A PSALM OF LIFE (Apologies to Longfellow)

Tell me not in mournful numbers,  
Advertising is a dream.  
For the business man who slumbers,  
Has no chance to skim the cream.

Life is real! Life is earnest!  
Competition something fierce;  
If for dividends thou yearnest,  
Learn the parry, thrust and tierce

In the business field of battle  
Mollycoddles have no place,  
Be not like dumb driven cattle,  
Be a live one in the race.

Lives of great men all remind us,  
We can bring the bacon home,  
And departing leave behind us,  
Footprints on another's dome.

Let us then be up and doing,  
Otherwise we may be done,  
Still achieving, still pursuing,  
Advertise and get the "mon."

### BACK HURT BAD

**Lady Had Severe Pains in Back and Got Very Weak.**

"I think very highly of Cardui for I have had great benefit from its use," says Mrs. Cora Nicholson, of Ware Shoals, S. C.

"I was in bed quite a while. It looked like my strength would not come back, and I suffered with severe pains in my back whenever I would try to get up. Sometimes I would scream out, my back hurt me so bad.

"My husband got me some Cardui and I took two bottles. Very shortly after I began to take it I could notice I felt better. I began to get stronger. My appetite was improving and I could see that I was much better.

"After I had finished the second bottle I was able to be up and do all my own housework, so of course I think Cardui is fine. It is the best tonic for women that I know anything about, and I am glad to recommend it. Not long ago I told a lady friend of mine about it, and it did her as much good as it has done for me."

## SHERIFF'S SALE THE STATE OF TEXAS, COUNTY OF LYNN.

Notice is Hereby Given That by virtue of a certain Execution issued out of the Honorable District Court of Lynn County, of the 5th day of April 1926, by W. E. Smith Clerk of said Court for the sum of Five Hundred, Eighty Two and 68-100 Dollars, with interest, and costs of suit, under a Judgment, in favor of The First National Bank of Tahoka, Texas, a corporation in a certain cause in said Court, No 626 and styled The First National Bank of Tahoka, Texas, vs. A. L. Nettles and J. B. Lowe, placed in my hands for service, I J. W. Simpson as Sheriff of Lynn County, Texas, did on the 5th day of April 1926, levy on certain Real Estate, situated in Lynn County, Texas, described as follows, to-wit: A part of Survey No. 163, in Block 12, surveyed by virtue of Certificate No. 687 issued to the E. L. & R. R. R. Co., and described by metes and bounds as follows: Beginning at a brick set in ground and three pits which are 605 1/4 varas East of the Southwest corner of said Survey No. 163; Thence North 1900-8-10 varas to a cement stone 18" long set in the north line to said Survey No. 163; Thence East 1296 varas to the Northeast corner of said survey No. 163, marked by cement stone; Thence South 1900-8-10 varas to a cement stone at the Southeast corner of said survey No. 163; Thence West 12-96 varas to the place of beginning, and containing 436 1/2 acres of land. Also, all that certain tract of land out of Survey No. 163, Block, 12, surveyed by virtue of Certificate No. 687 issued to the E. L. & R. R. R. Co., situated in Lynn County, Texas, and bounded as follows:  
Beginning at the Northwest corner of said Section No. 163, in Block 12, and running thence East with the North line of said Section 129 varas to the Northwest corner of a 64 acre tract heretofore deeded by Copeland to Coffman; Thence South, with the west line of the Coffman tract, 1900-8-10 varas to a corner in the South line of said Section No. 163; Thence West 129 varas to a corner; Thence North at 506 varas pass the Southeast corner of Section No. 4, Block C. B., in all 1900-8-10 varas, to the place of beginning, and containing 43 acres of land, less 2 acres in the Southeast corner of this tract reserved for church lot.  
And levied upon as the property of A. L. Nettles and that on the first Tuesday in May, 1926, the same being the 4th day of said month, at the Court House door, of Lynn County in the City of Tahoka, Texas, between the hours of 10 a. m. and 4 p. m., by virtue of said levy and said Execution, I will sell above described Real Estate at public vendue, for cash, to the highest bidder as the property of said A. L. Nettles.  
And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Lynn County News, a newspaper published in Lynn County.  
Witness my hand, this 5th day of April, 1926.

## The Famous T-Bar Ranch Lands

at a reasonable price. This ranch lies west and northwest of Tahoka. Part of it has been sold in small tracts and converted into farms. These farms the past year proved to be among the finest cotton lands of the south plains. Lynn county led all other plains counties in cotton production the past year. Notwithstanding the unfavorable weather conditions that prevailed during the summer and in spite of the unusually early freeze in the fall, Lynn county produced nearly 40,000 bales. In 1924, the government report showed the crop to be 38,215 bales. We can sell you land as good as the black lands of central and south Texas at

**Mrs. Lowrey Announces For Re-election**

No, Mrs. Zow Lowrey has not thrown her hat in the ring. Women do not treat their hats that way. Besides, they do not get excited over politics, as some men do, and hurl their head-gear in the air or elsewhere and make fools of themselves generally. However, Mrs. Lowrey sedately and quietly announces in the proper column this week that she would again like to serve the people of Lynn county as the custodian of their funds. Since the law was passed several years ago providing for county depositories, the office of county treasurer has been more ornamental than useful. There is work for a county treasurer to do, to be sure but the work is not so strenuous as to endanger the health of the incumbent or as to plow great lines of care upon her brow. But while the work is not hard, neither is the remuneration such as to soon get the incumbent into the Rockefeller or Hetty Green class.

Mrs. Lowrey has been county treasurer of this county for the past four years and during this time she has been useful as well as ornamental in this office. She knows the duties of the office thoroughly and is fully competent to perform them. While acting as treasurer, she has at the same time been of invaluable service to other officials. You never find Mrs. Lowrey idle. She is always on the job, always does her work well, is good natured and patient, makes friends of all with whom she has dealings, and is one of the most popular officials that ever had a place in the court house.

She respectfully asks for the support and influence of all the voters of the county, and the News bespeaks for her candidacy your most serious consideration.

**Don C. Florence Died Thursday**

Don C. Florence, 19 years of age, son of Mrs. Jim Swope living four miles north of town died last Thursday afternoon at 7 o'clock. The remains were interred in the Tahoka Cemetery Friday, Rev. B. N. Shepherd conducting the funeral services.

Young Florence had been afflicted all his life and had been in precarious condition for some time. His death came rather suddenly, however, only the mother being present when he died.

The family removed to this county only recently, Mr. Swope having purchased a tract of land out of the Hammersmith lands which were placed on the market about a year ago. The bereaved family have the sympathy of many friends here.

Clyde Briley eased the information to us this (Thursday) morning that the Briley Chevrolet Co. sold four new Chevrolets on Wednesday. "This is the 22nd day of the month and we have sold 21 cars," he stated. "Would have sold the 22nd one if we had worked on Sunday." If you don't want to buy a Chevrolet had better stay clear away from the Briley corner.

SHAWNEE SCHOOL BOARD ARE AGING

most influential citizens and hostile opposition seemed to spur the school board to greater determination to govern with the result that they have their majority of 47 in the election to 126 in the last election. The election Saturday convinced all that the school board is strongly in favor of some new school buildings, and it is believed that those who are in favor of the new buildings will now join in the effort to get the most possible for the expenditure and to make sure that high character of school patron and the children of the district are entitled.

Men Plead Guilty To Chicken Stealing

Two young men who reside in Lynn county entered pleas of guilty in the county court of Scurry county on Monday of this week, according to Sheriff J. W. Simpson of this county.

Men Plead Guilty To Chicken Stealing

About the middle of last week 14 hens were taken from the premises of Mr. and Mrs. Allen residing near Grandland. Complaint of the theft was made to Sheriff Simpson. At this time Mr. Simpson was making some investigations of alleged chicken thefts at O'Connell. He had telephoned to Snyder requesting the sheriff to be on the look-out for the thieves of the O'Connell chickens.

Men Plead Guilty To Chicken Stealing

The Snyder sheriff later phoned him about the two young men who had showed up there in a Lynn county car with a bunch of poultry. Mr. Simpson hastened down and upon investigation found that the chickens which the young men had sold to Snyder were the Allen chickens. Complaints had been filed there against the young men for theft of the property stolen, having been transported by them into Scurry county, and on Monday of this week they entered pleas of guilty. We are unable to learn what penalty was assessed by the Snyder court.

Men Plead Guilty To Chicken Stealing

Mr. Simpson says that there is much chicken thieving being done all over this section of the state. He further states that his investigations have disclosed that some young boys in Taboka have been guilty of taking chickens that did not belong to them. No arrests have been made but he says that if these boys are not careful a bunch of them will be hauled in the county jail, and then their parents will be shocked and humiliated.

Men Plead Guilty To Chicken Stealing

Mr. and Mrs. H. M. Finch returned Tuesday from Texas, Hill county, to which place they were called last week by the serious illness of Mr. Finch's father, W. W. Broadhead. Broadhead died Sunday morning. The Finch family have the sympathy of many friends here in their sad bereavement.
