## TAHOKA FIRE DEPARTMENT ORGANIZED

Fifteen Members Enrolled, Meet Mar. 31st to Make Laws and Bylaws

City Marshall B. C. King corralled a bunch of Tahoka's young men in the B. & H. Market on Main Street Thursday afternoon and organized a Volunteer Fire Company for the city of Tahoka.

Fifteen members were enrolled and James Crie and E. T. Hines were elected Chairman and secretary pro tem. The Company then elected officers and went into a permanent organization.

B. C. King was elected fire chief, D. T. Rogers assistant chief, James Crie, Pres., Fred McDaniels, V. P.; Earnest Hines Secy.; E. L. Howard, Treas.; J. C. Woodall, H. B. Hatchel, and Belton Howell, Directors.

Complete roster of members: E. L. Howard, Oscar Rob rts, C. Gray, Clark Roberson, Ovid Lou-allin, Belton Howell, Bruce Williams, D. T. Rogers, B. C. King, H. B. Hatchell, H. C. Elliott Fred McDaniel, James Crie, Earnest Hines, John Woodall.

A Committee was appointed to draft by-laws and constitution and the company will meet Saturday night, March 31st at 8 o'clock in the sheriff's office to ratify the bylaws and constitution and prepare a report to be submitted to the city council.

## WHERE WILL NEW A. & M. COLLEGE BE LOCATED

It Should Be As Near The Center As Possible, But Should Have Good Railroad Connections

An A. & M. College has been provided for West Texas by the present session of the State legislature, and its location will be decided with the towns of West Texas to a great extent.

Of Course it cannot be placed in all the towns, but every town is interested in where it is located. This College should be situated as near the center of the territory it is to serve as possible and the race should not entirely be left to those towns who are in the race for the location of the college, as some of them are to far to the edge of the district, and others nearer the center are inconvenient on account of railroad connections.

It would be wise for the towns of West Texas to get together and pick out a location desirable to the majority and than put forth a united effort to have the college located there.

Dear Mary:--

I went over to see our old friend, Sally, the other day. You know she has twins. They are so cunning. But she is having a "time" with them. Jim is too stingy to buy her a new baby buggy and she is ashamed to use her old one in the daytime.

Don't you think Jim ought to be lashed? I do. If he had to take care of those kids he would get two baby buggies. I'm angry, but not at you.

Be good---HELEN.

P. S. And they have such nice baby buggies and go-carts, and so reasonable, at

## LATE UNION CONVENTION SUNDAY SCHOOLS

The Sunday school workers of the Lubbock District will meet in annual state-wide convention in Dallas at the First Baptist Church beginning March 26 and continuing their labors until Monday following. Some of the greatest characters in the Sunday school work will address this gathering and all schools should make special effort to send a delegate who will be able to bring home the news disseminated there and transmit them to the local school. If it is impossible for both Sunday schools of Tahoka to send a delegate, the schools should co-operate to send one, and on Sunday April 8th, hold

## Inter-Schoolastic League

The Interscholastic League of the Lubbock District will meet in Lubbock on April 13-24. All schools in the district are asked to begin preparation for the county meet that leads up to the district meet.

The officials of the district have issued a pamphlet of rules and regulations that will be followed. For instance, all names must be in the hands of the directors by April 2nd. If you have not received your copy apply to your county Supt. or W. T. Bowers, Post, Texas.

## Eye, Ear, Nose and Throat Diseases

are many and should have the attention of one who knows. They are of such importance that the general practitioner will rarely try to treat them. There are hundreds of cases, cataracts, cross eyes, partial deafness, adenoids, tonsils, granulated lids or trachoma, and many other conditions that should have immediate attention. If you want to know anything about my work write to Mr. J. J. Hammock, Gorman, Texas, who was totally blind for three years. I operated on his eyes. He can read the finest print today. He visited some of the finest oculists in the South, who told him he would never see again. He will tell you. I have been at this work for a number of years and have hundreds of grateful patients I can refer you to. I will straighten the worse case of crossed eyes in fifteen minutes. I try to make each add every case one that I can refer to with pleasure. Remember I fit the finest of classes and can save you about half on them. I am no "Fly-Up-the-Creek," for I am permanently located here.

## Entertains 42 Club

Mrs. B. A. King was hostess to the Thursday 42 Club this week. Her home in North Tahoka was beautifully decorated in honor of the patron saint of Ireland St. Patrick.

The guests arrived at three o'clock and as the hostess received each guest she presented her with a souvenir Shamrock leaf. Four table were organized and as each player took her place she was presented with a delicately croched basket instead of a score card. When a couple scored a green candy grape was dropped into each of their baskets. When play was ended, a larger croched basket was presented to holder of high score at each table.

At the conclusion of the games the hostess served a delicious two course luncheon garnished with Shamrock leaves and miniature Irish flags.

Mrs. King is indeed a charming hostess and her guests were unanimous in voting her afternoon the success of the season.

## YOUR EYES

are of Vital important you should give them attention by one who makes a Specialty on nothing but the eye where glasses are needed they should be fit by one who makes a specialty on the eye alone and not one who makes specialty on several different diseases and fitting glasses as a side line there by using second quality lenses at a reduced Price they are 1/2 and 3/4 quality lenses used by Doctors and so called specialist's. I use only first quality at the regular Price. I have been here for some time, as to my ability I refer you to your physician whom you know to be reliable, I am financially interested here and here to stay. ### A Few Needmore Items

Irvin Shattuck, of the Needmore school district east of Tahoka, was a caller at the News office Monday. Irvin informed us that the people of Needmore organized a Sunday School there Sunday before last and held Sunday School this past Sunday. Twenty-five members were present. The officers of this new school are: Mr. Morris, Supt.; Ben Bailey, Asst. Supt.; Mrs. Irving Shattuck, Secretary, and Hill Murrah, Song Leader. Needmore community extends an invitation to any pastor who will preach for them. Sunday school meets at 10:30 a. m. each Sunday.

Chas. Allen and family, Mr. Harrison, and Marion Smith and family, all of near Post City, spent Saturday night and Sunday with Mr. and Mrs. W. R. Allen. Mrs. R. W. Allen is a daughter of G. F. Shattuck of the Needmore community.

## The P. & O. No. 111 Lister

This lister is known to farmers wherever sold as P. & O. No. 111, but the improved type is called No. 111 on account of important improvements.

There are more of them in the hands of farmers than all other makes combined,—over 2,000 sold by one dealer in one county in West Texas. The special features on this Lister made it deserving of its immense sale. Its use is not confined to preparing for row crops; it is now almost universally used for plowing for small grain crops by listing and re-listing, leaving the ground in oval waves, which not only catches and holds the moisture but prevents the loose soils of the West from blowing away.

The adjusting link on front end of beam is an important exclusive feature on the No. 111, absolutely preventing the point from running below the desired depth. The wheels are provided with dust-proof boxes, an immense help in the sandy loam lands of the West. The feeding device absolutely deposits one seed at a time of any of the row crops, besides can be equipped for both corn and cotton. You will have to see this wonderful improvement to appreciate it. The tilting hoppers allow change of plates without emptying them. Furnished with either disc or shovel covers. This Lister embodied many other important features that will convince you that it is the best on the market.

## The P. & O. No. 123 4-Wheel Lister

This lister has all the advantages of the No. 111 and in addition has rear wheels. This is desired in many localities as it enables the operator to see the seed as planted. The rear wheels have cushion springs to hold them in line with the row and following the unevenness of the ground and conform to the ridge without straining the rear frame, compelling also, the Lister to remain in proper working position at all times. The friction lock disengages automatically, allowing the wheels to castor and turn round in a very small space.

### Most Talked of Drink Today

Thousands of people are drinking and talking El Maté today, twelve months ago it was almost unknown.

El Maté Company is making a record unequalled by any other regardless of the millions made in big business.

No product ever became so popular and the volume of business increased so rapidly as the El Maté business.

El Maté Company is the only company of its age that rejected applications for its stock in larger amounts than ten shares to one person.

The company set aside 4,000 shares Treasury stock to be sold in 1916 in blocks of 1,000 shares at \$15, \$20, \$25 and \$30 per share, the 1,000 shares being sold at \$15 are expected to be completed at any day.

El Maté stock advanced 50% in less than six months after being incorporated, stock now being sold at \$15 per share being rapidly taken before the next advance to \$20, which takes effect as soon as the 1,000 shares set aside to be sold at \$15 are taken.

The Company believes that from the past record the volume of business will reach such enormous proportions that within the next ten years its stock will command a price of \$1,000.00 or more per share.

DRINK AN

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Catarrh cure on this market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

Address: F. J. CHENEY & CO., Toledo, O. Sold by Druggists, etc. Take Hall's Family Pills for constipation.
