

City Now Sure Of Fine Water Supply

NEW CITY WELL PROVES GOOD

First New Well Completed; Drilling Of Others To Follow Immediately

The indications are that Tahoka is yet to have an abundance of water. The new well completed last week tested about 25 gallons per minute. Another well is being drilled and will be completed within the next few days. Three other wells are yet to be drilled. Even if the other wells should not prove to be as strong as the one brought in last week, they will supply an abundance of water for the city until its growth materially increases. One hundred gallons per minute would mean 6,000 gallons per hour or 144,000 gallons per day. We are not counting any chickens before they are hatched, but even the well brought in last week will in itself augment the city water supply to such an extent that it is thought that it will not be necessary to shut off the water any part of the day this summer.

Need More Donations To Boy Scout Camp

"Now is the time," says R. J. Murray chairman in charge of raising \$5,000 for the construction of the necessary improvements on the C. W. Post Memorial Boy Scout Park near Post, Texas, that was recently donated to the boys of the South Plains by the heirs of the Post estate.

"We have received a number of handsome donations, for which we are very thankful; but we have not received as many of the hundred dollar donations as we had hoped to," said Mr. Murray. "We know that there will be no trouble in raising this money, but those who expect to contribute must take into consideration that fact that we must have the money at once, if we are to continue must take into consideration that fact that we must have the money at once, if we are to continue the work on the improvements."

"The dam has been started that is to create the great lake for swimming and fishing purposes for the scouts. The old Curry Comb ranch house has been reconditioned and is now ready for use by the Scouts. We have plans drawn up for the mess-hall and hope to start work on it in the next few days."

"If the boys are to use the new park as a camp for this year, we must work very rapidly to have the place in readiness for them in August. Unless we receive additional finances, it will be impossible to complete the work. Should we fail, a thousand boys over the South Plains will experience a cutting disappointment, for their whole hearts are set on camping there in August. With the realization that we have failed will come a bit of doubt of Dad, and these other guys who pretend that they are a fellow's friend, in the mind of every boy."

Trades Day Drew Big Crowd To Town

A big crowd of farmers was in town again Saturday afternoon and a great host assembled at 3 o'clock in the afternoon on the lots east of the public square to participate in the drawing contest. These contests are arousing much interest and everybody seems to thoroughly enjoy the little thrill of excitement which a contest always gives regardless of the outcome.

The most remarkable thing about the contest last Saturday afternoon was that T. J. Jackson of Magnolia, who drew the \$20.00 prize on the Saturday preceding also drew it on last Saturday. Mr. Jackson was well pleased with the results of the contest. Mrs. Guy Lemond drew \$10 and J. W. Dunham, a farmer, and Mrs. Jake Leedy of the Club Cafe, each drew \$5.00.

MANY REVIVALS DURING SUMMER

Many revival meetings will be held in Tahoka during the next few months, and this city promises to be a very busy one, religiously, for some time. The First Christian Church has just closed a revival, the Nazarenes will start one on July 16th, the Church of Christ meeting opens August 1st and the Presbyterian's begin theirs on the first Sunday in August. The latter part of August the Baptists start theirs, which will be followed by the Methodist revival in September.

CROWD ATTENDS PARK OPENING

Noted People On Scout Camp Dedication Program; Local Man Presides at Meeting

Many Tahoka people attended the big boy scout barbecue and picnic held Tuesday at the C. W. Post Boy Scout Memorial Camp five miles southwest of Post. All report a splendid program and a good time.

(Lubbock Avalanche) Three thousand persons were fed at the C. W. Post memorial park yesterday noon, according to C. L. Miller of Post, and at least four thousand visited the park during the day, for the dedication ceremonies of the 420-acre tract of rugged land given by the C. W. Post estate to the Boy Scouts of the South Plains.

Mrs. Phebe K. Warner, who gave a large tract of land to the Boy Scouts at Palo Duro, declared in a short address that this was fitting that the old Currycomb ranch should have developed into a ranch for boys. She urged more training for the youth of the farms as well as the youth of the cities.

Bledsoe Talks E. E. Eldridge of Tahoka, Scout director of the plains area was in charge of the ceremonies during the day. He opened the service early with a eulogy of C. W. Post. Senator Bledsoe followed with remarks

(Continued on Last Page)

District Attorney Was Here Saturday

Judge A. W. Gibson of Lamesa was in the city Friday and Saturday of last week in the interest of his campaign for a second term as district attorney of this the 106th Judicial District, which is composed of the counties of Lynn, Terry, Yoakum, Gaines, Dawson, and Garza.

He expressed himself as being highly pleased with the condition of his race in this county as well as all the other counties in the district. He also stated that it was impossible for him to see all the voters and that he hoped that all those who he did not meet personally would consider this as an appeal from him for their votes and influence.

SPECIAL MAIL SERVICE FROM LAMESA

The special letter mail delivery from Lamesa to Big Spring each evening has proven so beneficial that the post office department has called for bids for a permanent service. This letter mail leaves Lamesa at 5 p. m. each day and arrives in Big Spring in time to catch the east-bound Texas & Pacific train at 8:15 p. m.

All mail destined to points east and west as well as mail for Big Spring is distributed upon the arrival of this special mail. Only letters are handled in this special service from Lamesa and points north—Big Spring Herald.

CLUB WOMEN TO ATTEND A. & M.

Many Lynn County Women Will Attend Annual Short Course This Year

The Club women of the rural communities are planning to send representatives to the Farmers Short Course at A. & M. College August 2nd to 7th, according to Miss Millie M. Halsey, County Home Demonstration Agent.

In the recent Club contests, Mrs. H. F. Lindley of the T-Bar Club won one of the scholarships offered by the Kiwanis Club of Tahoka. Mrs. H. P. Burkhalter of the Grassland-Magnolia Club won the other. In addition to these, the T-Bar women themselves have raised money for a scholarship and have voted to send their President, Mrs. R. L. Moore, to the Short Course. Other wide-awake Clubs that already have a part of their scholarship money are the Wells and Dixie Clubs.

The rail roads are granting very low rates and Miss Halsey thinks it is likely that every Club in the county will be represented by one or more members.

Draper Fails To File Application; Withdraws Name

By a mere oversight I. M. Draper, candidate for commissioner of Precinct No. 2, failed to file his application to have his name placed on the official ballot within the time prescribed by law, and he has therefore authorized the News to state that he has decided to withdraw from the race. In doing so he wishes to thank his friends and acquaintances for their assurances of support and wishes to assure them that had he remained in the race and been elected it would have been his purpose to serve the county to the very best of his ability. His many friends greatly regret that he overlooked this requirement of the law and thereby failed to get his name on the ballot.

Church Of Christ To Have Revival

The Church of Christ announces that they will hold a revival meeting in Tahoka from August 1 to August 15. The services will be held at the City Tabernacle and Elder A. R. Lawrence of Abilene will do the preaching during this meeting. He is said to be a forceful speaker and a strong gospel preacher. Everyone is cordially invited to come out and hear this able man.

MOODY WINS STRAW VOTE ON SPECIAL

Dan Moody won the straw vote conducted on the special train run by Plainview to the convention Tuesday. He received 121 votes; Lynch Davidson got 21 and Mrs. Ferguson received 15.

Nearly every town in this section than ran a special train took a straw vote and on every one there was a large Moody majority. Quannah's delegation went 100 per cent for Moody—Plainview News.

PICNIC AT WILSON SATURDAY

There will be a picnic at Wilson next Saturday. Everybody cordially invited. Carry a basket of dinner with you and have a good time.

Gasoline Explodes; C. C. Barnes Burned

The left leg of C. C. Barnes was severely burned from foot to hip last Friday when gasoline ignited from a torch that was being used in an effort to start a tractor out on the Barnes place north of town. It seems that Clarence Barnes had the torch and Mr. Barnes had spilled a little gasoline on his clothing and the torch was unintentionally brought too close to the gas. Mr. Barnes claims that he came out of those overalls in a way that would put to shame the most adept movie actor, but notwithstanding his clarity in getting rid of his outer garments his leg was severely and painfully burned. He feels lucky that he escaped with his life.

MAY IMPROVE HIGHWAY NO. 9

Cage Says Highway Should Be One Of International Repute At Early Date

Sam Sanford was informed by Geo. A. Fields, state highway engineer for this district, that Highway Commissioner Cage passed over Highway No. 9 a few days ago inspecting it with a view to recommending that it be made a federal highway. He thinks there is no doubt about its being designated. The plan is to finally have it hard-surfaced thorough out its length in Texas, making it a part of a hard-surfaced highway from Canada to the City of Mexico. There is no doubt but that in time Highway No. 9 is to become one of the most important international highways on the western continent, provided we do not go to sleep and permit the routing to be changed. For a dirt road, this highway is already in good condition in Lynn County and throughout its course over the plains.

J. F. Kincaid was a business visitor this week to Sasakwa, Oklahoma.

Candidate For Attorney General Visits Tahoka

James V. (Jimmie) Allred of Wichita Falls, candidate for Attorney General, was here Tuesday meeting the voters. Mr. Allred has several personal friends here, all of whom speak well of the young attorney. Mr. Allred was district attorney for two years of the 30th judicial district and as such prosecuted Mayor Collier of Wichita Falls for the killing of his young son-in-law. He is said to have made an excellent record as district attorney. He will probably get a strong vote throughout west Texas.

Theodore Roosevelt said: "The worst of all public servants is the official who connives at lawbreaking."

More Showers Fall Over The County

A hard shower amounting to .28 of an inch fell in Tahoka last Saturday afternoon. It covered quite a large territory lying principally north west, east, and southeast of town. Another shower fell in the north part of the county Monday.

AMERICAN LEGION PICNIC AT TWO DRAW LAKE

The James C. Cole Post of the American Legion announces a big basket picnic at Two Draw Lake near Post on next Monday, July 5. Tahoka people are especially invited. You are advised to take your baskets along well filled, for there will be no free dinner. Plenty of amusement will be afforded, such as bathing, boating, carnival shows, and a big ball game between Post and Snyder. There is plenty of shade, and Two Draw Lake affords an ideal place for a picnic.

J. Anson Coughran returned Thursday of last week from a trip to the Rio Grande Valley with a bunch of prospectors, most of whom reside at Snyder. Mr. Coughran reports that his sales on this trip aggregated \$109,000.

Presbyterian Revival Will Be In August

Rev. W. K. Johnston, pastor of the local Presbyterian Church, was in town Monday and stated to The News that the Presbyterians of this town will hold their regular summer revival beginning the first Sunday in August and lasting throughout the second Sunday.

An evangelist for the meeting has not yet been secured, but Rev. Johnston says he hopes to secure the services of a very able man.

Work on the new church building is progressing at a rapid rate and the structure is nearing completion. The building is sufficiently large to take care of the congregation here for a number of years and will be a credit to the town.

School Bonds Sell At A Good Price

WHAT ADVERTISING IS

Advertising is the education of the public as to who you are, where you are, and what you have to offer in the way of skilled talent or commodity. The only man who should not advertise is the man who has nothing to offer the world in the way of commodity or service.—Elbert Hubbard.

NOTED MASONS TO VISIT CITY

Tahoka Placed On Visitation List For Lectures By Well Known Lodge Men

Austin, June 30—Judge James W. McClendon of this city, chairman of the Grand Lodge Committee on Masonic Service and Education has included Tahoka in a list of visitations by the speakers representing that committee for July, August and September. Tahoka will be visited on Saturday, July 17. The purpose of the visits is to advocate and present before the Masons of the Jurisdiction of Texas a higher standard of citizenship, education among masons, explaining to them by lectures and motion pictures the achievements of the Masonic fraternity in Texas and point out the need for further relief measures in the name of Masonry. The motion pictures will feature The Home and School at Fort Worth, The Home for Aged at Arlington, The Eastern Star Home at Arlington and the Hospital for Crippled Children at Dallas.

In connection with the three months itinerary the Committee on Masonic Service and Education will hold its mid-summer meeting at The Gavel Club building at Legion near Kerrville on Aug. 2-3. The Gavel Club is a Masonic Relief and Welfare organization located near the United States Hospital for ex-service men. The other members of the committee on Masonic Service and Education of which Judge McClendon is chairman are James D. Avis, vice-chairman, Wichita Falls; Judge Hiram F. Lively, secretary-treasurer, Dallas. William Wyatt Evans, El Paso and Gus A. Brandt, Houston.

Farm Hands Needed Says McGonagill

A. R. McGonagill says that Lynn county now needs many farm hands. He needs several on his own farm seven miles east of town. Last week he made a fruitless search for hands in several counties to the east of us. He says that none were available. So many had gone to the wheat fields or to the oil fields that not enough were left at home to look after the crops in the counties visited. He desires that we make a Macedonian call for help. If there is anybody anywhere who wants a job, he can find it now in Lynn county.

In conversation with the News man Tuesday, I. M. Draper stated that he had been an intimate friend of Dan Moody's father and other relatives and had known Dan himself. He thinks there is not a cleaner, better young man in Texas, and believes that if elected Moody will make a great governor. There are at least three or four hundred thousand voters in Texas who agree with Mr. Draper.

Evangelist C. V. Starnes, singer John Cohen, and pianist, Miss McKnight, passed through Tahoka Tuesday afternoon on their way from Cuero, where they have been engaged in a revival meeting, to Lamesa, where they are to hold one. The Starnes-Cohen evangelistic party held a meeting at the Baptist Church here last winter and they will be here again in August for a second one.

SCHOOL BONDS SOLD TUESDAY

San Antonio Firm Buys School Bonds For \$101,025.00 And The Accrued Interest

The school bonds of the Tahoka Independent School district in the sum of \$100,000.00 were sold Tuesday afternoon to The Central Trust Company of San Antonio for a premium of \$1025.00 and accrued interest. Robert H. King of the Security State Bank was the local agent of the purchasers. A number of bond investment companies had representative present to bid for the bonds and the bonds were sold at public auction to the highest bidder. These bonds bear 5 per cent interest, and considering the low rate of interest, it was the general verdict that the bonds were well sold.

The Board met at 2 o'clock Monday afternoon and received bids. When it seemed that the bidding was about over, one of the bidders states that he was not sure as to the construction to be placed on his letter of instructions and asked for time to wire his House. This was granted and the Board recessed for an hour. When the board again met bidding was resumed and the bids were raised considerably. It developed, however, that some of the bidders had wired their Houses also requesting a higher limit but had not had time to receive answers. They suggested therefore that the Board give further time and meet again Tuesday. This suggestion was accepted and the board again recessed to meet Tuesday afternoon. When it met Tuesday the previous high bid of \$930.00 was again raised several times until bidding finally closed at \$1025.00.

A cashier's check in the sum of \$5,000 was deposited with the board as an earnest of good faith on the part of the successful bidder.

The bonds are yet to be registered by the Comptroller and approved by attorneys for the purchaser. As soon as this is done and their objections if any are met, the bonds will be delivered and the money paid therefor.

At the meeting of the Board Monday afternoon, a letter from the Archi-tect, David S. Castle Company, was read stating that they had about completed the plans and specifications for contractors and suggesting that July 22, 1:30 P. M. be set as the time for letting contracts. This suggestion was adopted by the board and the architects were so notified. It is hoped that work on the building may begin some time in August.

Miss Stella Standfield was here Tuesday on her way from Canyon, where she graduated from the West Texas State Teachers College, to Mexico City, Mexico, where she will spend the summer studying in the University of Mexico. Her home is in Lamesa, and she will spend a few days there visiting relatives before proceeding to Mexico City.

Commissioner Of Agriculture Visits Here

George B. Terrell of Cherokee County, commissioner of agriculture, was here last Thursday in the interest of his candidacy for re-election to the office which he now holds.

Mr. Terrell was being introduced to the voters here by his long-time friend, H. P. Caveness, Mr. Caveness having been a pupil of Mr. Terrell's a number of years ago when Mr. Terrell was following the profession of teaching.

After teaching for a number of years, Mr. Terrell engaged in the occupation of farming, he stated to the News man, and is a real dirt farmer, or has been. So far as we know, Mr. Terrell has administered the duties of his office in a most satisfactory manner. He appears to be a very estimable gentleman, and the chances seem to be that he will be given another term.

Some of the older land grants in Texas were made by Spain to individuals and colonies in 1549.

OLLIE SONE WEDS W. B. REYNOLDS AT SLATON

Miss Ollie Sone and W. B. Reynolds were married at 3 p. m. Saturday at Slaton at the home of the bride's parents Mr. and Mrs. C. L. Sone.

Only a few relatives and friends were present. Immediately after the wedding Mr. and Mrs. Reynolds left for Panhandle where they will make their home.

The bride is the daughter of the superintendent of public schools at Slaton. She is a graduate of West Texas State Teachers College.

Mrs. Reynolds was publisher of the Wilson Pointer for about two years. She came to the Panhandle Herald the first of the year and was in charge of the advertising department until two weeks ago when she resigned.

Mr. Reynolds is one of the officials of the Carson County Motor Co. He is a director of the Chamber of Commerce and a member of the American Business Club.

Mr. and Mrs. Reynolds are living temporarily at the Downs Hotel. They expect their new home in the northwest part of the city to be ready by the end of the week.

Editor's Note: Miss Sone is well known in Tahoka, especially among the business men of the city. She was a sister of L. L. Sone, teacher in the High School last year. Her many friends here wish for her a happy married life.

**College Presidents
Go To Philadelphia**

Canyon, Texas, June 24, 1926—President J. A. Hill of the West Texas State Teachers College left this morning for Philadelphia where he will attend the annual meeting of the National Education Association. He was accompanied by President H. W. Morelock of the Sul Ross State Teachers College at Alpine. Both will be gone for two weeks or longer, spending the time at the great educational meeting, vacationing and selecting teachers for their faculties.

Registrar D. A. Shirley is also taking his vacation at this time and with his family in the vicinity of Fort Worth.

**Officers Reveal A
Burglary Ring**

When Sheriff John McDermott, hurrying to answer a burglary call in Crosbyton Wednesday night, took a couple of pot shots at a youth who dropped two snuffboxes and ran, he started a train of arrests and investigations. Last night two Lubbock men, J. M. Pickett and Albert Gallimore, were held in jail charged with five cases of burglary, and Deputy Vernice Ford and others raided a Lubbock house said to have been occupied by the two boys and discovered a bucket full of gold watches and a quantity of clothing and other articles, all thought to have been stolen. The total value of the alleged loot is estimated at over \$2,000.

The officers say that they hope to solve a series of burglaries at Spur and other points with the clues now in their possession.

One of the burglary suspects was arrested a few minutes after McDermott had fired and missed Wednesday night. The other was captured the following morning. Deputy Sheriff Reed of Crosby county is credited with the arrests. The two young men are said to have confessed to robbing five houses in Crosbyton Wednesday night, and to have showed where the loot was hidden.

Plainview, Crosbyton and Lubbock officers have been on the trail of these two youths for some time. Ford said last night, and as soon as the Crosbyton burglaries were solved, Pickett was brought to the Lubbock jail, Gallimore being held in Crosbyton. The house where the watches were said to have been found was raided about 5 p. m. yesterday by Deputy Ford, Sheriff McDermott, Deputy Reed of Crosby county, and Deputies McArthur and Nichols of Spur.

The watches, 26 in all, many of them with chains and charms, with an estimated value of \$1,500, were in a gallon syrup can. Several pairs of trousers, some coats, a rain coat, 20 new work shirts and several heavy woolen blouses and sweaters were also found; a straw hat identified as being from Spur, a pair of field glasses, two white gold bracelets, and a small torch which officers said was the sort used by safe blowers.

Deputy Ford wants all Lubbock people who have lost watches to bring descriptions and numbers to the sheriff's office today in an effort to identify some of the find.

One of the watches a man's wrist watch, has "SMU" in ink on the leather band. Another, a woman's wrist watch has "FD" engraved thereon. One Shrine belt clasp for a watch chain, a Masonic charm, and a gold knife engraved "D" and a watch engraved "B. W. Raymond" were the only other items of jewelry with identifying marks.

The watches ranged from 25 jewel Howards to Swiss watches.

One pair of trousers was marked by a tailor "H. Mills." A coat was marked "C. H. Lile" and another coat "W. L. Schuider, New Mexico." The rain coat came from Benson Semons moppany, Dallas—Lubbock Avalanche.

Dallas, Littlefield and Spur dipped their fingers in Lubbock's gallon bucket full of watches yesterday and claimed the tickers as their own.

As a result, further charges are said to be in preparation in connection with the discovery of \$2,000 worth of alleged loot here Thursday afternoon by officers from several counties, after the arrest of J. M. Pickett and Albert Gallimore of Lubbock, who are now charged with five burglaries in Crosbyton Wednesday night.

Dallas officers, after Thomas L. Monagan of that city and Stan Cox, S. M. U. student, had claimed watches said to have been stolen several months ago, said that about forty cases would be prepared there. Five charges will grow out of Spur burglaries, Deputy Sheriff Vernice Ford said yesterday, and possibly some Lubbock cases. Littlefield got into the game when Gus Shaw of that city identified a watch as his. Mrs. Claybourne Harvey of Littlefield failed to identify either of the men held as a man who entered her room at Littlefield several weeks ago.

Jack Rector, Mary Stovall and W. Wilson of Spur all claimed watches and C. Hogan claimed a straw hat.

Twenty new shirts and some other clothing had not been identified, and the balance of the 26 watches found in the gallon syrup can were still unclaimed last night.

The burglaries at Spur which are now being investigated happened two weeks ago—Lubbock Avalanche.

Mrs. Wallace Heard, who was the guest of Mrs. W. O. Henderson for several days, has returned to her home at Crosbyton.

**ALL FIGHTING MOODY
AND THE REASON WHY**

(The following communication published in the Dallas Morning News under the above caption a few days ago so well expressed the truth, it seems to us, that we reproduce it in our columns.)

It is interesting to read in the columns of The News Letter From Readers, setting forth claims and issues of the candidates for Governor. Some are rightly-deploring the campaign of vituperation that is being waged, charging Mr. Moody with indulging in that kind of thing. It is in order to inquire who has injected this kind of scuff into the campaign. Mr. Ferguson, of course. That is his strong forte. Take from him this power and he is shorn of his powers as a campaigner.

Practically all this slush is being thrown at Mr. Moody. The significance of this is that he is regarded by them all as the "dangerous" man in the race. Mr. Moody with his chief opponent and defamer, are the only contestants in the arena as it seems to me, who can interest the onlooking public. Mr. Davidson wants in the fight very bad, but to date has not been able to get in very strong. So he is chasing around the ring following, "suck em" tags, hoping the real combatants will devour each other and then he can come in and crow over their remains.

There are a number of important issues in which the people are interested and they have been ably discussed from time to time, by our courageous Attorney General, but the chief issue which has been injected by Mr. Ferguson himself is "Fergusonism." Space will not permit an analysis of all that is involved in this term. Mr. Moody has laid bare the Ferguson record as our chief executive. He had a right to do so, for it is public property. In doing this he must deal with facts. It is the facts that has so riled Mr. Ferguson.

In the absence of any real hurtful facts against Mr. Moody, Davidson is seeking to make mountains out of mole hills. He has adopted the tactics of Ferguson in that he is seeking to belittle Mr. Moody representing him as a boy, placing him on a level with the craps shooter and dodging the issue of prohibition, claiming that he is unfriendly to labor, too young and immature in his thinking to be Governor, standing in with the oil kings against the interests of the common people, etc., all of which as it appears to this humble scribe, is but campaign thunder to "get in on," and is without foundation.

While Mr. Davidson is thus disqualifying his chief opponent, he, like the negro who heard a prominent politician speak for the first time, said of him, "He sho' do give himself a good recommendation." According to Mr. Davidson he is the only man who has business capacity sufficient to occupy this high office. It is understood he has made his millions in the lumber business, but what did he then do after thus enriching himself? He went before the Legislature and asked that his cut-over land be exempt from taxation.

willing for the hard-pressed farmers of the State, many of them on their clay hills, to bear the heavy burdens of taxation to protect his private interests. That is not the spirit we need in the makeup of our next chief executive.

The people of Texas have an overdose of misrepresentation in our governmental affairs. Mr. Moody has demonstrated to the public that he is the logical man to rid our State of Fergusonism. He has a public record against which no man can justly point the finger of accusation, but on the contrary, in commendation.

J. E. BOYD,
Deature, Texas

Breckenridge—This city is to have a new five story hotel to cost \$400,000.

**WHITE HOUSE
CAFE REOPENS**

Gradually the vacant buildings in the business section are again being filled. This week George Berry and D. F. Cox came in from Brownfield and it did not take them long to see the need of an other restaurant. They at once took a lease on the White House Cafe building and fixtures and by the end of the week they will have the place ready to serve the public.

Mr. Cox has had ten years experience as a restaurateur and during that time has never made a failure, and with Mr. Berry they expect to make the White House headquarters for the hungry.—O'Donnell Index.

Story Told Of Goode's Capture

Antlers, Ok., June 26.—Milt Goode, fugitive slayer of two Texas cattle inspectors and escaped convict from the Texas penitentiary, was held here Saturday night for Texas officers.

Goode, overpowered and captured after a struggle at the home of relatives thirty-five miles east of here early Saturday, admitted his identity, according to the Sheriff's office.

Three officers made the arrest after shadowing the fugitive a week while communication was established with authorities at Huntsville and a check of the records was made.

Goode told the officers he had been staying at his relatives' home for about three weeks, but refused to divulge where he had been since his sensational jail-break.

He also refused to indicate the whereabouts of Tom Ross, who also was serving a sentence for the murder of the inspectors.

Ross and Goode escaped from the penitentiary on the night of Nov. 28 by overpowering their guards and scaling the walls of the penitentiary.

Armed When Caught Sheriff N. F. Kirkpatrick of Antlers said Goode was arrested in open ranch country thirty-five miles south of Antlers while wolf hunting.

Goode did not deny his identity, and was armed at the time of the arrest, carrying a big gun, the kind with which he was armed at the time of the killing of the inspectors.

"We beat him to it," the Sheriff said in explaining that no difficulty accompanied the arrest.

Goode's brother makes his home on a ranch south of Antlers, and according to statements made by Goode to Sheriff Kirkpatrick, he had been in the section since February of this year.

Goode was serving a term of fifty years for his part in killing the inspectors, while Ross was serving a term of fifty-five years.

Their escape from the penitentiary revived the high interest that prevailed in the cases during the lengthy trials in the Seventy-second Judicial District Court at Lubbock in 1923 and at Abilene, Texas.

Ross and Goode were at Seminole, Texas, to appear before the District Court of Gaines County on charge of cattle theft cases when the killing occurred.

According to testimony presented in the trials of the cases at Lubbock and at Abilene. They walked into the little frame building that was Seminole's only hotel and started firing as they caught sight of Allison and Robertson, whose work as special officers for the Texas Southwestern Cattle Raisers' Association had resulted in investigations of Ross and Goode on cattle theft cases.

Hope to Catch Ross. The grand jury was in session at the time of the killing, and, on April 2, following killing of the inspectors at 9 o'clock on the night before, indictments were returned against the two men and they were taken to Lubbock and lodged in jail, where they were held until June 18, 1923, when the trial of their cases opened in the District Court before Judge Mullican. The men were indicted jointly, but were tried separately, each being convicted for the murder of each of the inspectors.

Sheriff Johnson of Lubbock County and others interested in the case are eager to have Goode returned to Lubbock for questioning and will probably come at once to Antlers. They believe the arrest of Goode will lead to the arrest of Tom Ross, his companion in the killing of the inspectors, as it was reported by guards at the penitentiary that the two prisoners were unfriendly one to another during their long confinement in the penitentiary.

Milt Goode, captured at Antlers, Ok., Saturday, escaped from the Huntsville penitentiary on the evening of Nov. 29 last. With him in the prison break was Tom Ross, convicted with Goode on a murder charge, and Clarence Whalen and George Arlington, sent up from Dallas County for highway robbery.

Goode and Ross were convicted of the murder of H. L. Roberson and W. E. Allison, cattle inspectors, at Seminole, Gaines County, on Easter Sunday, 1922. Ross was sentenced to fifty-five years in the penitentiary and Goode to fifty-one years on the two murder charges.

The killing occurred in the lobby of the hotel in Seminole, in the presence of the Sheriff and District Attorney of Gaines County. Mrs. Roberson, wife of one of the slain inspectors, came into the lobby immediately after her husband had

POLITICAL Announcements

We are authorized to announce the following candidates, subject to the action of the Democratic primary election the fourth Saturday in July, 1926.

For District Attorney: T. L. PRICE of Post A. W. GIBSON of Lamesa

For County Superintendent: H. P. CAVENESS

For Sheriff, and Tax Collector: J. W. SIMPSON TOM PRESTON P. A. WIMBERLEY

For Tax Assessor: J. S. (JIM) WEATHERFORD (re-election)

For County and District Clerk: W. E. (Happy) SMITH (re-election) T. B. (T) COWAN, Jr.

For County Treasurer: MISS VIOLA ELLIS MRS. ZOE LOWREY (Re-election)

For County Attorney: L. C. HEATH (re-election)

For Public Weigher, Prec. 1: R. C. WOOD (re-election) E. LAM

For Justice of the Peace, Prec. 1: I. P. METCALF (re-election)

For Co. Commissioner, Prec. 1: W. J. (DAD) FAIRES

For Co. Commissioner, Prec. 2: I. M. DRAPER J. S. WELLS (re-election) BOB McCORD

For Constable: VAN BATES (re-election)

been shot and fired one bullet at Ross. The bullet was deflected by striking a belt buckle, and he and Goode escaped, being later captured and tried.

After the trial, while the cases were on appeal, the two were brought here and spent more than a year in the Dallas County jail, before being taken to Huntsville about two years ago.

Henry McDaniel Returns From An Interesting Trip

Mr. and Mrs. Henry McDaniel returned Sunday from a pleasure trip which carried them as far west as Phoenix, Arizona. They were gone about three weeks and Henry reports that they had a good time visiting relatives, fishing, and seeing the sights.

They visited the Grand Canyon of the Colorado River and Henry says that it is all that it has been represented to be. He also saw the wonderful petrified forest, where lie the bodies of many petrified trees three or four feet in diameter and possibly a hundred feet long. These as well as the Canyon speak volumes as to the almost infinite ages that have intervened since the creation of this old earth of ours.

Mr. McDaniel greatly enjoyed the "Painted Desert," where Nature has painted the landscape a variety of fadeless and beautiful colors. At Santa Fe, New Mexico, Mr. and Mrs. McDaniel also saw many most interesting sights, particularly the historical museum.

They greatly enjoyed the outing and came back feeling much better for the trip.

A railroad from San Antonio to the Plains and Panhandle section is going to be constructed within the next few years. It may be the Santa Fe, or the Missouri Pacific that will do the building. The deep water ports on the Gulf are making a direct route from the north thru this territory, a necessity and some of the big systems are going to get busy. Several railroad systems are very anxious to build from Fort Worth to the Panhandle, and in our opinion the road to San Antonio is the more practicable.—Big Spring Herald.

According to Dr. D. J. Degeer, premier of Holland, the activities of prohibitionists in that country have onists in that country have brought brought about greater sobriety.

The Nazarene's will start a revival at South Ward school house July 2nd.

Good singing and the old time preaching. Conducted by Rev. G. S. Rogers, Rev James Atkinson.

Making Preparations For South Plains Fair

Lubbock, June 30.—While the agricultural committees of the counties and communities of the Panhandle South Plains section are hard at work getting exhibits ready for the Panhandle South Plains Fair which will be held here September 29, 30, October 1, 2, individual exhibitors are not idle, according to directors over the section.

Stock raisers over the entire section are beginning to fit their live stock for the fall show and the live stock department of the fair is expected to be filled to capacity, when the fair opens. Swine breeders are getting their pure blooded swine in shape and will show fair visitors many good hogs. A number of dairy herds are being put in the best of trim for the fair.

Many Panhandle and South Plains farmers believing they are as good farmers as anyone else are watching their crops, gathering the best specimens to enter in the individual exhibits of the agricultural exhibits.

The live stock, swine, dairy cattle, and poultry exhibitors will be here to show the visitors to the Panhandle South Plains Fair, September 29, 30, October 1, 2, that stock, swine, dairy cattle and poultry can furnish South Plains farmers a good income in addition to regular crops. The farmers showing crops in the individual exhibits will show a diversification of products which will convince visitors at the fair that many crops can be grown on the South Plains.

The fair is to be a true "Show Window of the Plains."

Fireworks, football games, carnival attractions, rides, free attractions, and other features at the fair will be the best ever, according to the directors and the biggest crowds that have ever thronged the fair park are expected here September 29, 30, October 1, and 2.

Signs you can believe in: If your breath is bad and you have spells of swimming in the head, poor appetite, constipation and a general no-account feeling, it is a sign your liver is torpid. The one really dependable remedy for all disorders in the liver, stomach and bowels is Herbine. It acts powerfully on the liver, strengthens digestion, purifies the bowels and restores a fine feeling of energy, vim and cheerfulness. Price 60c. Sold by THOMAS BROS. DRUG CO.

WILL HOLD PRESBYTERIAN SERVICES NEXT SUNDAY

The first Sunday of each month is the regular day for Presbyterian Services in Tahoka. The new church will not be quite ready for use next Sunday and all services will be held as usual at the Primitive Baptist Church. Rev E. P. Guthrie of Union Seminary, Richmond, Va, from Midland will preach morning and night. He is a fine preacher and deserves a

fine hearing at both services. The pastor is away in a meeting. All are invited.

—Invitation Committee.

Miss Mary Bean of Birmingham, Alabama, has been visiting her aunt, Mrs. V. H Hancock, of Draw. Miss Bean and Taylor Hancock left Thursday on a pleasure trip to Grand Canyons, San Francisco, Los Angeles, and Phoenix Arizona.

Vacation

We want you to enjoy your vacation in a New Chevrolet, and have no trouble.

No hill too steep,
No sand too deep,
No road too rough—
They can't be beat!

Also a good line of used Fords, reconditioned and cheap.

Come in and Trade.

**WILL DAVIDSON'S SUPPORTERS
BE LONGER DECEIVED?**

We do not think that Lynch Davidson will "cut much ice" in the primaries soon to be held. We believe that if Moody is not nominated in the first primary, seventy-five per cent of Lynch's support will go to him in the second. The most regrettable feature about his candidacy is that it may make a second primary necessary. Most of the people who are supporting him are ladies and gentlemen of the highest type, and we crave their support for Dan Moody in the second primary, if one becomes necessary, even if they can not be persuaded to fall in line for Moody in the first primary.

We have therefore been enduring with as much Christian patience as we can summon to our aid the mean, unmanly slings that Lynch Davidson has been continually hurling at the clean, courageous, and manly attorney general. In almost every speech that Lynch makes he starts out by bewailing the "fact" that Ferguson and Moody are conducting a "mudslinging" campaign. He sheds copious crocodile tears especially over Moody's alleged sins in this respect. He parades himself as the only immaculate, simon-pure, whiter-than-snow non-mudslinger in the race. Then he proceeds immediately to dig down into the gutter and to dig up the biggest gobs of slime that his little hands can contain and tries

with all his little might to fling it on Dan Moody. He has gone about this state charging that Dan Moody is the candidate of the whisky interests. Dan paid no attention to his charges and insinuations until a few days ago, when he turned aside long enough to call attention to the fact that he had made 100 prohibition speeches in Texas, which was 100 more than Lynch Davidson had made. He further called attention to the fact that Lynch Davidson had heard him make one of these speeches and therefore well knew his position on the liquor question. That was all the answer he made to Lynch. It was all he needed to make. But it prompts us to ask the question, Who is slinging mud in this campaign? Who is telling the truth? We are willing for readers to answer that question out of honest hearts.

Another charge that Lynch has been making is that Moody is the candidate of the oil interests. He cites no facts to prove his charge other than the fact that Will Hogg and a few other oil operators are supporting Moody. He seeks to lead the people of Texas to believe that the oil interests have entered into a conspiracy to elect Moody governor and that Moody is willing to become their tool. He makes this charge by insinuation without adducing any proof, in the face of the fact that Moody has heretofore proved true to every trust reposed in him by the people, has proven his honesty and integrity by his conduct, and has lived so high above suspicion that no accusing finger was ever pointed in his direction until the fingers of Jim Ferguson and Lynch Davidson were wickedly and maliciously pointed at him in this campaign. But to Moody's credit be it said that "when he was reviled, he reviled not again."

Poor Lynch! He believes none of the charges that he has been making against Moody. He is merely striking about in the dark, in his weakness and in his blindness, hoping to find some issue upon which he can gain some support and get in the second primary. Strange to say, some exceedingly good and intelligent people have been deceived and misled by his frantic cries and crazy blows and say that they expect to vote for him in the first primary.

In our humble opinion, the issue in this campaign is Fergusonism. It is clear-cut. Dan Moody represents one side and Jim Ferguson the other. Lynch Davidson represents nothing. He criticizes Ferguson and at the same time defends the road contracts that Ferguson and his pliant highway commissioners made to the shame and disgrace of Texas. He admits that Dan Moody is an honest young man and then in the next

breath brings the most diabolical accusations against him. A vote for Lynch Davidson is a half vote for the Fergusons. The Ferguson people rub their hands in glee every time Lynch makes a speech, for they clearly see that Lynch is saying practically nothing to discredit Ferguson while almost his entire effort is to discredit Dan. It long ago became apparent to the Ferguson people that Lynch Davidson is heading a Ferguson Aid Society and they are delighted at the prospect. Some of these days the few followers of Davidson are going to wake up to the same fact, and when they do they will begin to quit him in larger droves than they have ever done before. This is a fight between right and wrong, between honesty and dishonesty. They throw their votes away and spend their strength in vain who do not line up on one side or the other. Lynch Davidson is a nonentity. He tries to ride both horses. But the Man of Galilee said "Ye can not serve God and Mammon" In this crisis, we would ask again, Who is on the Lord's side?

Tahoka has had several quite successful fairs in years past at very small expense. Plans for a fair this fall are being matured by Secretary G. H. Nelson and the board of directors of the Tahoka Chamber of Commerce. The greatest trouble about the fairs heretofore held was the people of the town did not become interested in the matter early enough. Usually they have waited until a week or two before the fair to make preparations for it. Considering this fact, these fairs have each been very creditable. But to make a fair the success that it ought to be, the people must begin preparations earlier and it will necessarily require the expenditure of a little money. Let the people of Tahoka begin now to get ready for the fair. Let the secretary and the board of directors all the assistance possible, and when you are appointed on a committee get busy at once. If you are not appointed on a committee, lend the committees every reasonable assistance and encouragement any way. Let's all work together for the up building of our town and our country. Let's have a good fair here this fall.

The News, under the present management, has always been and is now opposed to the participation in politics of any secret organization. Many good men who formerly belonged to the Klan have seen their mistake and have quit the Klan. Those remaining in it have refused apparently to permit it to engage in political activities this year. The Klan issue for the time being at least is dead. We believe that all good citizens in the Klan and all good citizens opposed to the Klan should unite, not secretly nor formally but openly and really nevertheless, to rid Texas of the blight of Fergusonism. We believe that Dan Moody's candidacy offers them the best opportunity possible to accomplish this worthy object. On with the battle!

Every young man in Tahoka should become a member of the Chamber of Commerce. It will cost only a dollar a month, and this sum from every young man in addition to the amounts raised otherwise would give the Chamber of Commerce a budget sufficiently large to accomplish some worthy things. Besides, the enthusiasm and zeal and vigor of young men are often worth more than the conservatism of the older men in the building of a community. Young men join the Chamber of Commerce.

INDIGESTION

Black-Draught Brings Relief for Tight, Bloating Feeling.

"I had indigestion," says Mr. W. B. Bouknight, of Hallentine, S. C. "Working out, I got in the habit of eating fast, for which I soon paid by having a tight, bloated feeling after meals. This made me very uncomfortable. "I would feel stupid and drowsy and didn't feel like working. I was told it was indigestion. Some one recommended Black-Draught and I took it after meals. I soon could eat anything any time. "I use it for colds and biliousness and it will knock out a cold and carry away the bile better and quicker than any liver medicine I have ever found. "Eating too fast, too much, or faulty chewing of your food, often causes discomfort after meals. A pinch of Black-Draught, washed down with a swallow of water, will help to bring prompt relief. Black-Draught gently helps the over-taxed organs to perform their regular functions, in such cases, ridding the system of poisons that might accumulate. Sold everywhere; 25c. C-34.

It does seem that any honest man of ordinary intelligence would favor the employment of all possible legal means to validate the millions of dollars worth of road district bonds which were in effect declared invalid by a recent decision of the Supreme Court of the United States. When Jim Ferguson made his pronouncement at Wichita Falls the seeming purport of his remarks was so astounding that we could not believe that he intended to advocate repudiation of these bonds. But subsequent utterances in almost every speech that he has made leaves no doubt that if he is not in favor of repudiation he at least opposes every plan yet suggested for their validation, except the "submission of the matter to the people. Whether he means to submit the matter to the people of the respective road districts or to the people of the entire state, he does not make clear. If to the people of the respective districts the answer is, as Mr. Moody has pointed out, that the people of these districts have already passed on the matter. They did so when they authorized the issuance of the bonds. If submission to the people of the state is meant, we are not prepared to say whether that would be the correct and proper way to validate the bonds or not but we do know that bond attorneys and other distinguished lawyers have held the legislature can validate their opinions, however, and declares that the legislature can not validate them, and says that the people have the right to pass on the question as to whether or not they wish to pay or to repudiate the bonds. But before the matter can be submitted to the people here must be a session of the legislature, for propositions can be submitted to the people only by act of the legislature. Ferguson refuses to call a special session of the legislature. Furthermore he has repeatedly declared that the people do not owe these bonds and are under no moral obligation to pay them. There can be but one conclusion and that is that he is in favor of repudiating these bonds. This is the most astounding and utterly dishonest thing that could possibly be suggested. The people should speak in no uncertain terms on July 24 and forever put their stamp of disapproval upon any suggestion that they repudiate an honest debt.

The News can not seek from first-hand knowledge but it does know that it is currently reported that intoxicating liquors are being sold almost openly in some business places in Tahoka. We sympathize with the officers of the law and realize that they can rarely ever do all that is expected of them in the matter of law enforcement. Nevertheless, the fact that the alleged open and flagrant violation of the liquor laws are matters of common talk on the streets should spur our officers to do their best to bring the guilty to the bar of justice. If they fail to do so, criticism of our officers is going to grow in volume and intensity. People will not be content always for present conditions to continue. A hint to the wise should be sufficient.

A good lady asked us to call attention to the weeds that are running riot on every vacant lot in the town, some of them fronting on the public square. It is certainly regrettable that we should permit the beauty and attractiveness of our town to be spoiled by the presence of unsightly weeds. Furthermore, weeds are breeding places for flies and mosquitoes, which frequently carry the germs of disease. Somebody ought to cut the weeds.

Outside of those districts recently visited by destructive hail, crop prospects in Lynn county are excellent. Some portions of the county have really received too much rain while other portions would now be benefited by rain, but on the whole the outlook is fine. There are few better counties in Texas than Lynn county.

FOR SALE AT AUCTION

Notice is hereby given that on Monday, July 5, between the hours of 10 A. M. and 4 P. M. I will offer for sale at public auction to the highest bidder for cash the following described horse left in the possession of the pound keeper of the City of Tahoka and never called for by the supposed owner, the proceeds of said sale to be applied first to the expenses incurred for the feed and the keeping of said horse and the expenses for this sale and the remainder if any to be held subject to the demand of the rightful owner, said horse being of the following description: Being a blue-gray horse, about 15 hands high, smooth mouth, Garrett Richards, City Marshal. 43-2tc.

Two years ago many good citizens voted for the Fergusons because of the Klan issue and because they felt that the Fergusons should be given the chance, for which they so pathetically pleaded, to erase the stain of impeachment from the Ferguson name and to make good in the governor's office. They felt that surely, in the light of past experiences, Jim Ferguson would do all in his power to give the people of Texas a clean administration which should be above the breath of suspicion. But he has betrayed their confidence and brought renewed shame to the state by his conduct of the office. He should now be spewed out and repudiated once for all.

Be not deceived. A lot of the people who profess to favor Davidson are in fact in favor of the Fergusons. They will vote for Ferguson in the first primary and then if she gets in the run-off they will make a pretense of going from the Davidson camp into the Ferguson camp in the second campaign, just for the political effect it will have in favor of the Fergusons. They are wily politicians and know how to play the game, but some of us are not deceived.

Let's not "fall out" over politics. Let each fellow fight for his choice just as hard as he can, but let's all keep sweet about it. Let us all

**Potash Bill Approved
By Pres. Coolidge**

Washington, June 27.—President Coolidge approved the Sheppard-Hudspeth bill providing for a five-year Government program in exploration for potash, with an authorized appropriation of \$100,000 annually. Senator Sheppard introduced an amendment to the second deficiency bill to make an appropriation of that amount. Much of the exploration probably will be in Western Texas and Eastern New Mexico where there are indications of potash deposits. That territory, together with Utah, according to Secretary of Commerce Hoover, constitutes the largest potential potash field in the world. The new law would be jointly administered by the Secretaries of Commerce and Interior, both of whom approved the legislation.

The bill was first introduced by Senator Sheppard several years ago, but interest of the Government was not manifested until the pressure of the Franco-German potash monopoly ran the price high to American consumers. Secretary Hoover told the committee of Congress that the Sheppard bill would do much to beating down the foreign monopoly. Representative Hudspeth introduced a similar bill in the House this session.

There are approximately 750,000 acres of land under irrigation in Texas.

WOMEN HOLD CONTESTS HERE

150 Women and Girls In Attendance; Prizes Are Awarded Kitchen Winners

(Editor's Note: This article should have appeared in last week's paper, but was unavoidably delayed)

Gordon, Lynn, Magnolia-Grassland, Midway, New Home, O'Donnell, T-Bar, Wilson, West Point and Tahoka were represented by women at the Home Demonstration Club Rally held in Tahoka, June 23rd.

The program of the day centered about three contests. In the morning a women's Biscuit Contest was held at the High School building. Each woman in this contest made and baked two kinds of biscuits, then scored them. The judges then gave each woman a score on those three points.

In the afternoon, at the Baptist Church, Mrs. Dora R. Barnes, State Clothing Specialist of the Extension Service of the A. & M. College, gave a talk and demonstration on "Line and Color in Dress." The County Clothing Review was then held. Women from eleven Clubs wore their house dresses for inspection by the judges. Women from ten Clubs wore Club Cook Aprons. Three classes of girls clothing was worn and judged; school outfits and bungalow aprons. Pictures were made of these various classes.

Judges for all contests were: Miss Ezra E. Grimes, Dawson County Home Dem. Agent, and Miss Hazel Hammet, Lubbock County Home Dem. Agent.

About 150 women and girls from above named communities were in attendance.

Results in Women and Girl's Club Contests, Wednesday, June 23rd, were as follows:

- Women's Biscuit Contest:**
1. Mrs. H. F. Lindley, T-Bar Club
2. Mrs. R. F. Barton Dixie Club.
3. Mrs. I. M. Draper, Midway Club.
The Kiwanis Scholarship to the A. & M. Short Course goes to No. 1.
- Women's House Dress Contest**
1. Mrs. H. P. Burkhalter, Grallsand-Magnolia Club.
2. Mrs. J. R. Parris, Edith Club.
3. Mrs. John Etter, O'Donnell Club.
The Kiwanis Scholarship to the A. & M. Short Course goes to No. 1.

Dress Contest
First Year, 6 entries
1. Ruby Crews, T-Bar Club.
2. Ruth Crews, T-Bar Club.
3. Beatrice Hammonds, Edith Club.

- Second Year Entries.**
1. Myrtle Hammonds, Edith Club.
2. Lena Mae Rhea, Edith Club.
3. Nola Parks, Draw Club.

- Bungalow Aprons, 26 Entries.**
1. Mamie Frazier, T-Bar Club.
2. Willie Mae McMillan, T-Bar Club
3. Myrtle Hammonds, Edith Club.
No. 1 in the Bungalow apron Class was given a dress by Jones Dry Goods Co.

Women's Kitchen Contest—Prizes Awarded
At this Club Rally the two kitchen contestants who recently completed their improvement in the 1926 kitchen contest were given the following prizes:

Mrs. D. A. Stevens, Class 1, one aluminum roaster from J. P. Dowell milk cooler from Small Hdwe Co., Tahoka, Texas.

Mr. T. I. Hammonds, Class 11, one aluminum roaster from J. P. Dowell Hdwe Co., McKinney, Texas \$15.00 credit on an oil stove from McCormack Hdwe Co., Tahoka, Texas.

DOES ADVERTISING PAY? ASK THOSE WHO USE IT

Wrigleys spend \$3,500,000 a year to tell the public about chewing gum. Ford spends \$6,000,000 to sell flivvers.

The electric light and power industry spends more than \$4,000,000 in advertising.

Campbell spends \$1,500,000 advertising soups.

Electric railway company's advertising appropriations total \$2,500,000. The advertising budget for Colgates is \$1,195,000.

Some \$1,170,000 is spent by Proctor & Gamble to sell soap.

A total of \$1,142,000 is spent on victor talking machines.

Telephone companies have busy advertising lines with an estimated toll of \$1,500,000. Along each line sounds the voice with the smile.

Does advertising pay? The business, commercial and industrial answer is to be found in America's trend.

Mr. and Mrs. V. Nixan Schultz of Hearne left Friday morning for Lubbock to make their future home after a visit here with the former's sister, Mrs. Hans Tunnel. Mr. Schultz is a civil engineer.

EDITORIALS

CONTINUED

Let's have a picnic!

Let's invite all Lynn county to gether some day in Tahoka for an outing. Let's give the candidates a chance to tell their troubles to the people. Let's have a day of social intercourse with our neighbors. Let's have a picnic.

Occasionally a drunk man is seen on the streets of Tahoka. This as a rare occurrence, but it does occur. These fellows who get drunk are either making their own concoctions or are buying them. If brought before a grand jury or a magistrate and interrogated concerning violations of the liquor laws, in nine cases out of ten they will lie like a dog. Nevertheless, we think that our officers should give them an opportunity to lie every time they get drunk. It is a disgrace to see a man staggering along our streets, so drunk that it requires the entire sidewalk for his perambulations, and muttering his maudlin foolishness, unmolested by the officers. Our officers should make it so hot for that kind of cattle that they would hunt greener pastures.

Why not a political gathering for the city of Plainview, almost every rural community has had an opportunity to hear the various district, county and precinct candidates make their campaign speeches and there is no doubt but that these candidates would be glad to meet with the citizens of Plainview and lay their claims before them. Many a time a campaign speech has drawn the support of individuals from one office seeker to another. Dan Moody in his recent visit to Plainview won over many Davidson men and probably several from the Ferguson ranks. As for the writer, he is still a Davidson man but after hearing Dan our vote could easily be cast for this young aspirant for the Governor's chair. There are a great many voters who would rather see Davidson elected than they would Dan but are of the opinion that Dan has a possibility of being put over in the primary and Lynch has so little, that they are swinging over to Dan so as to rid the state of Fergusonism. We have heard several express their views in this way and Dan's visit to Plainview did his cause a great deal of good. It would be well for all of us to hear the local candidates in their speeches before definitely deciding for whom to vote. The candidate in a public gathering in Plainview will be able to reach many that they would be unable to see in person, and such a gathering will be appreciated by everyone—Plainview News.

Jack Alley Praises Local Business Men

Jack Alley last week raised the funds with which to pay for the seats which had been placed in the City Tabernacle for the meeting of the Christian Church, and after the funds had been raised he made the following statement which he asked that we publish, and we gladly do so: "The merchants and citizens of Tahoka, with their usual generosity, bought the lumber seating the Tabernacle. These seats now belong to the City for the use and benefit of any gathering that may want to use them, either political, religious, and in fact any gathering that may require seats.

"The question was often brought up that these seats would be taken down and carried away by parties wanting lumber. It is the duty of every citizen and the officers elected to enforce the law to protect these seats; and it therefore becomes the duty of everyone interested in the welfare of Tahoka to take it upon themselves to look out for and to report to the officers any one caught, taking, tearing down, or molesting any of this property.

"The seating of this Tabernacle has been done before time and again. Each one using it would be put to the expense of hauling the lumber, building the seats, and then when they had served their purpose tearing them down and hauling the lumber back to the Lumber Company furnishing the same taking a loss and paying it. Now then this is all done away with. The Tabernacle is seated, the lumber is paid for, it is the property of the City, and as stated before it is the duty of each and every citizen and officer in Tahoka to look out for this property. Why? Because it belongs as much to you as any one."

The annual production of honey in Texas is five million pounds.

BADLY RUN-DOWN

Lady Was Very Depressed on Account of Poor Health.

Mrs. H. S. Miller, of Spindale, N. C., says: "Five years ago I was very much run-down in health. I would give out with the least exertion. At times I would have to go to bed. I read of Cardui... My husband got me a bottle and encouraged me to take it. I was almost a skeleton, I was so thin. I was run-down and my general health was very poor. This was very depressing and I was in low spirits. My husband had to help me around. He did all he could for me and had me keep up Cardui. "I continued taking the medicine for several months and it was wonderful the improvement I made. I gained over twenty pounds in weight, and I felt so much better besides. This gain was permanent, too. I have never lost it and my general health has been much better since I took Cardui."

A HIGH RESOLVE

To keep my health
To do my work!
To live!
To see to it I grow and gain and give!
Never to look behind me for an hour!
To wait in weakness and to talk in power
But always fronting onward toward the light.
Always and always facing toward the right,
Robbed, starved, defeated, fallen, wide astray—
On with what strength I have
Back to the Way!
—Charlotte Perkins Gilman

CAN YOU ANSWER

Where can a man buy a cap for his knee?
Or a key for the lock of his hair?
Can his eyes be called an academy,
Because there are pupils there?
In the crown of his head what jewels are found?
Who travels the bridge of his nose?
Can he use when shingling the roof of his mouth,
The nails at the end of his toes?
Can the crook of his elbow be sent to jail?
If so, what did it do?
How does he sharpen his shoulder blades?
I'll be hanged if I know! Do you?
Can he sit in the shade of the palm of his hand?
Or beat the drum of his ear?
Does the calf of his leg eat the corn on his toes?
If so why not grow corn on the ear?
—Exchange

Edith Club Meets With Mrs. Farris

The May meeting of the Edith Women's Home Demonstration Club was held with Mrs J. R. Parris. The subject was Foods. Several Salads were made of raw vegetables, raw fruits, meats, cooked fruit cooked vegetables, and of cottage cheese. Several new members joined, and we are glad to see our club growing. The following home work was reported:

- Garden plants sold \$5.00
- Strawberries set out 25
- Chicks hatched 1102
- Hens sitting 30
- Turkeys sitting 4
- Baby chicks bought 50
- Chickens sold \$47.30
- Cream sold 25.02
- Times junket has been made 4
- Times cottage cheese has been made 2
- Times salads have been made 10
- Times candy has been made 15
- Qts vegetables canned 4 \$1.25
- Qts vegetables canned 4 2.00
- Qts pickles and Relishes 4 2.00
- Pounds soap made 75 7.50
- Clothing, 14 articles 31.75
- Members improving yards by flowers and vines 18

Two of our members each won a first place in the kitchen contest and 7 new home improvement articles were added by others. Value home work \$114.77

The Edith Club met June 24 with Mrs R. W. Fenton. "How To Shop," was discussed, and a demonstration in selecting materials was given. The report for June was:

- Plants put out 1275
- House dresses 7 value \$26.75
- Vegetables canned 80 qts 24.00
- Beef canned 40 no. 2 cans 40 no 3 value \$34.00
- Salads made times 7
- Cookers and sealers bought 5
- Cabbage sold lb. 52
- Chicks hatched 252
- Pure bred chickens bought 10
- Rooms improved 2

One of our members, Mrs. J. R. Parris won second (2nd) in the house dress contest, at Tahoka, June 23.

The next meeting will be with Mrs. T. I. Hammonds, the subject being "Frozen Desserts." After the business hour the hostess served delicious refreshments to the following club members and visitors: Mrs. R. W. Fenton Jr., Mrs. Larkin Weathers, Mrs. Jake King, Mrs. Ott Patterson, Mrs. T. B. Cowan Jr., Miss Eva Cowan, Mrs. T. Hammonds, Mrs. J. R. Parris, Mrs. D. A. Stevens, Mrs. J. K. Nowlin, Mrs. Owens, Mrs. J. L. Tucker, Mrs. Mignon Penning, Misses Stevens, Nowlin, and Weathers. Mrs. C. E. Campbell, Secy.

"THE OLD SAN ANTONIO ROAD" Will be the heading of an article in the Monthly Magazine Section of the Lynn County News, issued July 8th. Over this road passed the early Texas colonists and pioneers. A hundred years ago it was more of a blazed trail than a highway. The old road is rich in associations and dear to all Texans who are proud of their State's history.

Monday June 28th.—Circle A met at the church with six present. Had their lesson and voted to help those who wanted to go to Post to the Encampment any way they could. Lemonade and cake was served: Circle B met with Mrs. Money. Seven members were present to study their lesson in "Ann of Ara." Circle C met with Mrs. Goodnough. Seven members were present for the lesson plans were made for serving the Kiwanis Club Wednesday.

HOW TWO FARMERS PICKED UP \$1,510.00 FROM HOGS

"There's no money in hogs." "The highest per cent profit I made on my farm last year was from hogs fed by the Shay ration and sold by the Lewis plan."

Here are the A and C statements taken from a lot of comments made by farmers who have sold hogs at prices that ranged from 100 per cent profit to 50 per cent loss. We doubt whether any branch of agriculture in North Carolina has advanced so far ahead of what it was a few years ago as the breeding, feeding and sale of fat hard hogs. County Agent J. W. Cameron of Anderson county, N. C. has been encouraging the growing of hogs and helping the farmers do it right. He says that he has just received a check for \$700 for 22 hogs shipped to Charlotte from the farm of Messrs R. B. & T. V. Hardison. They recently sold 14 hogs of the same age for \$600 dressed. They also sold 51 pigs from 6 sows for \$10 each.

This is \$1810 from hogs sold in the spring when there is a greater need of money on the farm than at any other time. At present prices for cotton it would have required a little more than 21 bales, weighing 500 pounds to have brought the money received by Messrs Hardison for their hogs. Besides the hogs brought a good profit while 17-cent cotton means no profit. Pigs will make profitable hogs of themselves if—
1. Well bred.
2. Bred at the right time.
3. Fed a balanced ration.
4. Fed home produced feed as far as possible, and—
5. Cooperatively marketed.
—The Progressive Farmer

EDITH NEWS

The farmers of our community are very busy working out their crops. Mr. and Mrs J. A. Sanders, their daughter, Mrs R. I. Hart, and Charlie Sanders returned Thursday from Temple, Texas, where they have been visiting for the past few days. Rev. R. I. Hart returned Sunday from Fort Worth, where he has been attending school. Mr. and Mrs G. C. Tiner will move to Meadow Thursday where they will teach school the coming term. Mr. and Mrs E. D. Payne and family were the guests of Mr and Mrs J. C. Campbell Sunday.

Mrs W. M. Thompson and Jodie were the guests of Mr. and Mrs. T. I. Hammonds and family Sunday. Our Sunday school is still progressing nicely. We have preaching on the second Sunday evening and Sunday night, the third Sunday evening and Sunday night, and on the fourth Sunday night.

Brother Money and Brother Stokes were with us Sunday night. Brother Stokes preached us a glorious sermon. We had two conversions. Brother Money will preach for us the second Sunday of next month. Every body cordially invited.—Correspondent

FROM LUBBOCK TO AUSTIN IN FIFTEEN HOURS

Mr. and Mrs George Field and little son, George, Jr., of Lubbock, made an overland trip from Lubbock to Austin recently, covering the 447 miles between the two cities, in fifteen hours. They started from Lubbock in the morning and arrived in Austin the same day in time for the evening meal.

There is quite a difference in the elevation of the two cities, Lubbock being 3300 feet and Austin about 400, consequently the trip was naturally downhill all the way. Mr. Field who is Division Engineer for State Highway Department, Division 5, mentioned in talking of his drive, that he did not exceed the State speed limit, as the fifteen hours gave him an average of 33 miles per hour. He lost only one hour in the day during the drive. Master George Jr., who is only seventeen months old, stood the trip fine according to the senior George. Lubbock county, according to Engineer Field, is developing rapidly. The county is traversed by three splendid State Highways, State Highways No. 9, north and south, No. 7 west and south and No. 53, from Dickens to Brownfield. The county is planning to vote a large bond issue in the near future, for further highway development.—Texas Highway Bulletin.

Mrs. M. J. Hermans of Clesto, Hunt county, and Mrs J. N. Taylor of Abilene are visiting Mr. and Mrs. H. P. Caveness and family. Mrs. Hermans is an aunt of Mr Caveness and Mrs. Taylor is his sister. H. J. King, who lives on Route One out of Wilson, is one of the latest new subscribers to The Lynn County News.

VINDICATION

The greatest issue in the world, The greatest in creation: Is just to tell the people that You want a vindication.

I know I said I would not run, That was my intimation; But you must know I did not get A perfect vindication.

Two years ago I ran for Jim, A very near relation; This year I'm running for myself, I need a vindication.

I care not what the people want, I care not for the nation, When Jim and I are both in need, Of proper vindication.

Oh, won't you listen to my plea, And heed my proclamation? And two years hence I still may need, Another vindication.

And if you should get in the pen, You know my inclination: I'll turn you loose so you can vote, And give us vindication.

I know that Jim has always fought, The preachers of damnation, But he has got religion now, And wants a vindication.

Dan Moody should withdraw at once, And take a long vacation; And let the people vote for us; Dan needs no vindication.

DIMMIT COUNTY TO VOTE ROAD BONDS

A conference has been held to determine the amount which Dimmit will require for the building of Highway No. 55, which is to run from Uvalde to a Connection with State Highway No. 2 at a point between Encinal and Cactus. It has been estimated that \$540,000 will be required as Dimmit's share of the expense Formal designation of the highway through Carrizo Springs, Asherton, and Catarina has been authorized. These towns are in the heart of the Winter Garden section of the State, and it has been announced that there has not been found a dissenting vote against the bond issue, for more and better highways. "Carrizo Springs has been offered a new hotel to cost at least \$100,000 by a Los Angeles investor, provided the people there will take one-fourth the sum required.

Mrs. Tunnell Hostess To Mothers Club

Mrs. Hansford Tunnell was hostess to The Young Mother's Club Wednesday afternoon.

The programme illustrated the "Charm of Poetry for Children." After a pleasant hour of discussion Mrs. Tunnell served refreshments consisting of punch and cake and squares of candy. Sweet peas were the plate favors.

The Club will meet, July 7th at the home of Mrs. Oscar Roberts, when the following programme will be given:

Leader, Mrs. Heath Paper "The Peculiar Sympathy of the Great Poets with Animal Life," Mrs. Heath Reading, Browning's "Ghent to Aix",

Mrs. Hansford Tunnell Preparatory Readings: "Queen Mab's Chariot"—Mrs. Louie Weathers The Mountain and the Squirrel—Mrs. Marshall Stewart "The Pied Piper"—Mrs Tom Lemond "The Perceptive Faculties"—Mrs. Charles Shook

PROPOSED AMENDMENT TO THE CONSTITUTION

HOUSE JOINT RESOLUTION NO. 9

A resolution proposing an amendment to Art. 7, of the Constitution of the State of Texas by changing Section 3, eliminating the provision authorizing the Legislature to create special districts and make an appropriation therefor.

Be It Resolved by the Legislature of the State of Texas:

SECTION 1. That Section 3, Article 7, of the Constitution be so changed as to read as follows: (creating new Section.)

"Section 3. One-fourth of the revenue derived from the State Occupation Taxes and poll tax of one dollar on every inhabitant of the State, between the ages of twenty-one and sixty years, shall be set apart annually for the benefit of the public free schools; and in addition thereto, there shall be levied and collected an annual ad valorem State tax of such an amount not to exceed thirty-five cents on the one hundred (\$100.00) dollars valuation, as with the available school fund arising from all other sources, will be sufficient to maintain and support the public schools of this State for a period of not less than six months in each year, and it shall be the duty of the State Board of Education to set aside a sufficient amount out of the said tax to provide free text books for the use of children attending the public free schools of this State; provided, however, that should the limit of taxation herein named be insufficient the deficit may be met by appropriation from the general funds of the State and the Legislature may also provide for the formation of school districts by general laws; and all such school districts may embrace parts of two or more counties, and the Legislature shall be authorized to pass laws for the assessment and collection of taxes in all said districts and for the management and control of the public school or schools of such districts, whether such districts are composed of territory wholly within a county or in parts of two or more counties, and the Legislature may authorize an additional ad valorem tax to be levied and collected within all school districts heretofore formed or hereafter formed, for the further maintenance of public free schools, and for the erection and equipment of school buildings therein, provided that a majority of the qualified property tax paying voters of the district voting at an election to be held for that purpose shall vote such tax not to exceed in any one year one (1.00) dollar on the hundred dollars valuation of the property subject to taxation in such district, but the limitation upon the amount of school district tax herein authorized shall not apply to incorporated cities or towns constituting separate and independent or common school districts created by general or special law."

SEC. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of the State at an election to be held throughout the State on the first Tuesday after the first Monday in November, 1926, at which election all voters favoring said proposed amendment shall write or have printed on their ballots the words, "For the amendment to the Constitution of the State of Texas eliminating the provision which authorizes the Legislature to create special school districts," and all those opposed shall write or have printed on their ballots the words, "Against the amendment to the Constitution of the State of Texas eliminating the provision which authorizes the Legislature to create special school districts."

SEC. 3. The Governor of the State is hereby directed to issue the necessary proclamation for said election and to have same published as required by the Constitution and existing laws by the State.

SEC. 4. That the sum of two thousand (\$2,000.00) dollars, or so much thereof as may be necessary, is hereby appropriated out of any funds in the Treasury of the State of Texas as not otherwise appropriated, to pay the expenses of such publication and election.

Approved, April 4, 1925.
Emma Grigsby Meharg,
Secretary of State.

PROPOSED AMENDMENT TO THE CONSTITUTION

SENATE JOINT RESOLUTION NO. 7

Proposing an amendment to the Constitution of the State of Texas by amending Section 33 and Section 40 of Article 16 of the Constitution of Texas so as to permit officers of the National Guard, the National Guard Reserve, and the Officers Reserve Corps of the United States, and enlisted men of the National Guard Reserve, and the Officers Reserve Corps of the United States, to hold public office in Texas.

Be It Resolved by the Legislature of the State of Texas:

SECTION 1. That Section 33 of Article 16 of the Constitution of the State of Texas be amended so as to read as follows:
"The accounting officers of this State shall neither draw nor pay a warrant upon the Treasury in favor of any person, for salary or compensation as agent, officer or appointee, who holds at the same time any other office or position of honor, trust or profit, under this State or the United States; except as prescribed in this Constitution. Provided, that this restriction as to the drawing and paying of warrants upon the Treasury shall not apply to officers of the National Guard of Texas, the National Guard Reserve, the Officers Reserve Corps of the United States, nor to enlisted men of the National Guard, the National Guard Reserve, and the Officers Reserve of the United States."

SECTION 2. That Section 40 of Article 16 of the Constitution of the State of Texas be amended so as to read as follows:
"No person shall hold or exercise, at the same time, more than one civil office of emolument, except that of Justice of the Peace, County Commissioner, Notary Public and Postmaster, officer of the National Guard of the United States, and the Officers Reserve Corps of the United States, and enlisted men of the National Guard, the National Guard Reserve, and the Officers Reserve of the United States, unless otherwise specially provided herein. Provided, that nothing in this Constitution shall be construed to prohibit an officer, or enlisted man of the National Guard, or an officer in the Officers Reserve Corps of the United States, or an enlisted man in the Officers Reserve of the United States from holding in conjunction with such office any other office or position of honor, trust or profit, under this State of the United States."

Approved, April 4, 1925.
Emma Grigsby Meharg,
Secretary of State.

PROPOSED AMENDMENT TO THE CONSTITUTION

SENATE JOINT RESOLUTION NO. 10

Proposing an amendment to the Constitution providing for taxation of school lands owned by counties.

Be It Resolved by the Legislature of the State of Texas:

SECTION 1. That Article 7 of the Constitution of the State of Texas shall be amended by adding after Section 6 thereof 6a, which shall read as follows:
Section 6a. All agriculture or grazing school land mentioned in Section 6 of this Article owned by any county shall be subject to taxation except for State purposes to the same extent as lands privately owned.

SECTION 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, A. D. 1926, at which all ballots shall have printed thereon "For the Constitutional amendment providing for taxation of all agriculture or grazing school land owned by any county to the same extent as land privately owned."

Approved, April 4, 1925.
Emma Grigsby Meharg,
Secretary of State.

PROPOSED AMENDMENT TO THE CONSTITUTION

SENATE JOINT RESOLUTION NO. 9

A Joint Resolution relating to the amending of Article 16, Section 58 of the Constitution of the State of Texas, abolishing the Board of Prison Commissioners; providing for the supervision and management of the Prison System, under such laws as may be provided for by the Legislature.

Be It Resolved by the Legislature of the State of Texas:

SECTION 1. That Article 16, Section 58 of the Constitution of the State of Texas, be amended so as to hereafter read as follows:
Section 58. The Legislature shall have full power and authority to provide by law for the management and control of the Prison System of Texas; and to this end shall have power and authority to place the Prison System under the supervision, management and control of such trained and experienced officer, or officers, as the Legislature may from time to time provide for by law.

Approved, April 4, 1925.
Emma Grigsby Meharg,
Secretary of State.

District Judge Is Given Endorsements

It will be recalled that Judge Gordon B. McGuire was appointed by the Governor of Texas, August 1st, 1925, to preside on the Judges bench of the 106th Judicial District of Texas created by the last legislature. This District includes, Garza, Lynn, Terry, Yoakum, Gaines and Dawson Counties. The appointment of Judge McGuire came without his application or solicitation, the matter of his appointment being brought about wholly by his friends.

Judge McGuire is making the race at this time for election to above mentioned office and has no opponent and has been endorsed voluntarily by the County officers and the members of the bar of all the counties in this district.

These endorsements have recently been handed Judge McGuire through the efforts of his friends after his having held two terms of court in each county of this judicial district.

The above is indicative of the high appreciation and esteem of the citizenship of the 106th Judicial District of the valuable services that Judge McGuire has rendered the people of his district.

May Establish Huge Game Preserve In Palo Duro Canyon

Austin, June 27.—Establishment of a state game preserve, surpassed only by Yellowstone National Park, is proposed by Turner E. Hubby, State game, fish and oyster commissioner, in the event he is successful in getting the approval of the Legislature.

The proposed game preserve is to be in the Palo Duro Canyon of Randall and Young Counties, where Commissioner Hubby has obtained an agreement with three ranchmen of that section to allow the use of 72,000 acres for that purpose.

Commissioner Hubby will take his proposition to the Fortieth Legislature and urge the acceptance of the offer made by the ranchmen, and he will also likely ask for an adequate appropriation to carry out the project. Those who have visited the Palo Duro Canyon say it is an ideal place in which to establish a game park, as Commissioner Hubby said that already there are antelope, black tail deer and quail in abundance in that region. In the event his plan is successful, he would stock it with white tail deer, wild turkey and other game.

This canyon is said to be the most picturesque in Texas and would prove an attractive place for tourists.

FOUR MEXICANS TAKEN IN RAID

Approximately 70 bottles of beer and various paraphernalia for the concocting and bottling of the stuff are reposing in the Sheriff's office, some thirty gallons of the beer are perfuming the atmosphere of "Lubbock's Little Mexico," where it was poured out, and four Mexicans are in the Lubbock county jail this morning following a raid Saturday night by members of the sheriff's department, assisted by the police department here.

The raid, led by Sheriff Bud Johnson and Chief T. E. May, was participated in by Vernice Ford, J. C. Roberts and Rufus Bundy, deputies, and Jno. Lemon and Wade Hardy, city policemen.

The contraband was taken from 3 different houses in the Mexican quarter of the town, and according to Sheriff Johnson, from places which had been causing no little trouble in the enforcement of prohibition here.

These places had been under supervision of the officers for three or four days. The Mexicans taken in the raid will be bound over to action of the Lubbock county grand jury which convenes here in August.—Lubbock Journal.

VISITORS FROM AUSTIN PLEASED WITH COUNTRY

W. D. Hornaday and sons, Walter C. and Joe Howard, and W. W. Maxwell came in from Austin Wednesday and will spend a few days in O'Donnell and adjacent territory. The senior Mr. Hornaday is publicity director of the University of Texas and owns a section and a half farm northwest of town and is here to give the property inspection and renew acquaintances with his many friends in this part of the state, with the editorial department of the Dallas Journal and Dallas Morning News and is a writer of ability. Mr. Maxwell is a capitalist of Austin and has considerable interest in lands on the South Plains.

The party was agreeably surprised to note the splendid crops now in the making in this section.—O'Donnell Index.

ISN'T IT THE TRUTH?

It is curious to find a woman who isn't.

The guilty conscience needs no press agent.
A lot of money only makes a little mind littler.
Most women look ahead into the sweet buy-and-buy.
The easiest way to handle a traffic cop is to be a female.
Many prefer to run rather than to take a stand on anything.
Many a man's character only lasts till the whitewash wears off.
Many a man loses his balance when

he settles his wife's bills.
Some people try to substitute a lot of brass for the Golden Rule.

While lighting the fire in the furnace of the boiler at Bob Clement's tailor shop Wednesday morning, Lowell Pugh had his face painfully burned by the explosion of gasoline. Lowell lost the lashes from his winks, eyebrows and some cuticle on his face and forehead, but when the doctor finished dressing the burns he still had his smile left sticking out from the bandages.—O'Donnell Index.

S. R. KEMP'S Variety Store

Trade at S. R. Kemp's Variety Store, the house of many articles, where you can buy it for less money

Will you give a Penny for its Life?

It costs one cent more per chick to feed Purina Poultry Chows for the first six weeks than to feed uncertain unbalanced mixtures. Of the chicks fed average mixtures 50% die. Purina saves 90%. It costs a lot more to let chicks die than to save them. The best feed you can buy is by far the cheapest. You can save a cent—or a life. Which will it be? Phone us your answer. Just say "I want Purina Chick Startena."

LYNN COUNTY LEADS

Lynn county last year took her place as the leading cotton producing county of the plains. The number of bales ginned in Lynn county of the 1925 crop, according to Government report, was 42,189. This was an increase of about 4,000 bales over the crop of 1924 and an increase of about 17,000 bales over the crop of 1923. This increase was due largely to the fact that

T-Bar Ranch Lands

are being converted into farms. There are no better lands in the county. Some of the best cotton in the county was raised on these lands last year. We have sold numerous tracts out of this ranch, farm houses have been built thereon and same are now occupied by nappy and prosperous families. We have

Many More Tracts Yet to Sell

These lands are on the market at \$35.00 per acre and up. Now is the time for you to get a home. The big ranches are rapidly going. Only a few are left. Within a few years they will all be gone. The T-Bar ranch lies just west of Tahoka. You can yet get a home near a good town and among the best people on earth. Write us at once for further information, or come and see

LITTLE CHILD DIES

D. A. Stevens was in the office Wednesday and reported the death of a little grandchild, T. C. Stevens Jr., which occurred at Amberst Tuesday morning. Funeral services were conducted Wednesday.

The little child was 16 months old and was the only child of Mr. and Mrs. T. C. Stevens the latter being a son of D. A. Stevens. The parents of the child reside at Panhandle, to which place they moved a few weeks ago from this county, and they were visiting at the home of Mr. Stevens' parents, Mr. and Mrs. W. H. Johnson of Amberst at the time of the child's death.

Death resulted from a complication of troubles. The little fellow had never been strong, had a severe case of influenza last winter, and was in delicate health when it began teething this summer. In addition to its other afflictions, it was the victim of a most unfortunate accident while the parents were moving to Panhandle about two months ago, where by its hip was broken and other injuries sustained. Blinded by the glaring light of a big car which he was meeting Mr. Stevens steered his car to the extreme right side of the road to avoid a collision. The wheels on the right side encountered deep sand and his car was instantly thrown on its side in the ditch. The occupants of the car were not thrown out, Mr. Stevens succeeded in getting the car back on its wheels, pulled it out of the ditch and proceeded on the journey. But it was soon discovered that the child's hip was badly broken, and it suffered intensely for some time from this injury.

Mr. and Mrs. Stevens have many friends in this county, who will deeply sympathize with them in the loss of their only child.

A playlet will be given by the A. O. D. and Busy Bee B. Y. P. U.'s Sunday July 4, 1926

Miss Pearl Ketter is in Clovis, New Mexico, where she is visiting Miss Cricket Baldrige, who formerly lived here.

ONE IN TEN

Neglecting a little wound, cut or abrasion of the flesh may in nine cases out of ten cause no great suffering or inconvenience, but it is the one case in ten that causes blood poisoning, lockjaw or a chronic festering sore. The cheapest, safest and best course is to disinfect the wound with liquid Borosone and apply the Borosone Powder to complete the healing process. Price (liquid) 50c, 60c and \$1.20. Powder 50c and 60c. Sold by THOMAS BROS. DRUG CO.

THE LIMIT TO POST ELECTION RETURNS

Boss E. Ketter, proprietor of The Limit, has entered into a contract with the Texas Election Bureau to furnish The Limit complete election returns on the first and second primaries and the general election.

These returns, which will be received by special wire, will be posted on a bulletin board by The Limit and will be exhibited so that all may see the returns as soon as they are reported.

The Limit has for several years given this service to the people of Tahoka and is this year going to tremendous expense to give its friends the very best election service available.

Returns on the county and precinct balloting in Lynn county will be posted on the bulletin board together with reports on the races in the state and in this district.

The 1924 Bridge Club met last week with Mrs. Otho Thomes. The house was tastefully decorated in Shasta Daisies and almost delightful afternoon was spent by those in attendance.

Delicious refreshments of Angel food cake and ice cream were served the following: Mesdames Tunnell, King, Alley, Slaton, Hill, Stewart, Roberts, Nash, Herd Turrentine, Boulton, Hamilton, Robinson, Callaway, Slaton Sr., Larkin.

F. M. Welch of the Edith community is a happy man. Mrs. Welch presented him with a fine little daughter Tuesday, June 29, whom the parents have named Dorris Fay. Mother and babe are doing nicely. In addition to all this good luck, Mr. Welch says that crops are looking good, and he is thankful.

Mr. and Mrs. Guy King of Leveland visited relatives in Tahoka Sunday. Mr. King and family formerly resided here but moved from here to Abilene and later from Abilene to Leveland, where he is the Ford dealer for that section.

"The American nation has become a nation of gabblers, and as a people we are afflicted with a national mouth disease. We ought to think more and talk less."—Former Gov. Brumbaugh of Pennsylvania.

J. B. Hatchett of Big Spring has been here and at Lubbock for the past few days visiting relatives and friends.

Mrs. L. P. Fields of Cleburne is here for several days visit with Mrs. A. B. Seroyer.

J. Anson Coughran and family left Monday for Abilene, where the family will visit two or three weeks while Anson is busy locating prospectors.

Mrs. J. E. Leigh Secretary of State W. M. N. S. will speak at the Baptist Church at eleven o'clock Saturday July 3rd.

THANKS

The Women's and Girl's Home Demonstration Clubs of Lynn County desire to thank the following firms, organizations and individuals for prizes and for their co-operation in making our Club Rally, held June 23 a success.

Supt. G. H. Nelson and School Board for use of the D. S. Laboratory, Pastor B. N. Shepherd and members of the Baptist Church for the use of their building.

Kemp's Variety Store for hangers. McCormack Hardware for a valuable prize.

Small Hardware Store for another fine prize.

Jones Dry Goods Store for an appreciated prize in the girls' work. The local reporter for publicity in the state papers.

The Lynn County News for space not only for an account of this affair, but for that given us every week as well, and to the Kiwanis Club we say that the two scholarships offered by you did more than anything else to create interest in this rally. We thank one and all.

AUTO PARTS COMPANY IS IN NEW LOCATION

R. M. Stewart, manager of the Auto Wrecking Company is moving to the building formerly occupied by Cathcart's Filling Station, and will in the future continue to do business under the name Auto Parts Company.

He says that in addition to wrecking cars and selling parts, he will take over the filling station business and handle Texaco Products. He will also keep possession of the wrecking yard east of the square, and will carry one of the largest stocks of new and used parts to be found on the South Plains.

BAND WILL GIVE CONCERT

The Tahoka Band will give a concert Sunday afternoon at 3:30 o'clock on the court house lawn, according to announcement made by Elie Lam, one of the members of the band. The boys have been working hard for this performance and they hope to have a large crowd present at their second public appearance. This concert was previously announced for two weeks ago, due to a misunderstanding between officials of the band.

NOTICE:

We, the undersigned Lumber Yards, will be closed all day Monday, July 5th, the the FOURTH comes on Sunday.

Signed: Forrest Lumber Company. Higginbotham-Bartlett Co. Woudridge Bros. Lumber Co. Cicero Smith Lumber Co.

NAZARENE MEETING TO BEGIN HERE JULY 16

The announcement has been made that a Nazarene meeting will be held in Tahoka beginning on July 16 and lasting for about two weeks. The meeting will be held in the City Tabernacle.

County Attorney L. C. Heath, Franklin D. Brown Esq., and our constable, Van Bates, made up a fishing party which left Friday for Christoval and possibly other points where fishing is good. Of course they had a lot of fun and caught a big one.

Miss Madeline Wyatt came in this morning from Long Beach, California, where she has been spending her vacation, to visit with her parents, Mr. and Mrs. J. H. Wyatt, and family. Her home is in Albuquerque, New Mexico.

Mrs. Lura Crozier of Redwine left today (Thursday) for McCrory, Arkansas, where she expects to spend several weeks visiting relatives. She will probably spend the entire summer there.

J. E. Johnston moved to Lockney Tuesday where he will work in the harvest fields around that town during the season. He expects to return to Tahoka later on.

Mr. and Mrs. Raymond Hatch of Lamesa were here Sunday visiting the latter's parents, Mr. and Mrs. D. B. English.

Mrs. C. W. Conway returned Sunday from a visit of several weeks with relatives at Italy, Hubbard City, and Fort Worth.

LAND FOR SALE—160 acres of good catchaw land near Seminole, County site of Gaines County. For information call at The News office.

Let B. W. Hannah do your Carpenter work. Estimates furnished by day or contract Phone 278 44 2tp.

CROWD ATTENDS BIG SCOUT CAMP OPENING

(Continued from First Page)

along similar lines.

He also traced the history of the park from the time of the Spaniards on through the old Currycomb ranch to the present.

J. P. Fitch, scout director for the southwestern region of the United States, spoke of the great good of scouting. Referring to the huge amounts spent annually for the punishment of crime, he suggested that South Plains people might well subscribe the \$5000 needed for the development of Post Park as a fund for the prevention of crime by proper training of boys.

Was Ranch Foreman R. C. Burns of Lubbock, who was foreman of the old Currycomb ranch in 1883, was present and saw the ranch house, built shortly before he took charge and which is to be used as a mess hall for the Scouts. Gooch, who also worked on the farm, stood up and "took a bow" when called on. None of the C. W. Post family were present, but letters and telegrams from Post's widow and his daughters were read.

The huge crowd of people, after the dedicatory ceremony and the noon feast, were directed over the park by Troop Four of the Lubbock Boy Scouts, led by K. N. Clapp.

At noon the thousands were marshalled in two lines, and sent by the mess sergeants office, where every plate was loaded high with barbecued beef and mutton and pork, and with stew that "Gentleman from Odesa" stew for which the West is famous. Coffee was dipped out from great steaming washtubs of the beverage.

1,000 From Lubbock The Post band played throughout the meeting.

During the morning session, when a call was made for those from the various South Plains towns to stand up, it appeared that at least a third of those present were from Lubbock, which would make the Hubber delegation about one thousand. Those left here yesterday at 7:30 a. m. in an automobile caravan led by C. L. Adams. Every town on the South Plains was well represented, however.

After the barbecue, Scouts directed by Commissioner L. S. Harkey and Scoutmaster K. N. Clapp, gave a demonstration of their ability to make fires by rubbing sticks together and by flint steel. They accomplished the latter feat in seven seconds.

About mid afternoon the majority went into Post to see the ball game between the Hubbers and the Post of the mighty concourse streamed nine, which Hubbers won.

Rev. C. E. Ball, Baptist pastor at Brownfield, and Rev. W. F. Markham, missionary of the Brownfield Baptist Association, were here Tuesday afternoon on their return trip from Wilson, where they attended the worker's conference. They reported a splendid meeting, though the attendance was not as large as at some other meetings.

Wife Of Oil Operator Dies

J. B. Nance received a letter from Mr. Tracey of Fort Worth stating that Mrs. J. J. Hart, wife of the president of the Hart Oil Corporation, had died one day this week. She had been so seriously ill for the past three weeks that Mr. Hart had been constantly at her bedside. This prevented his giving personal attention to his drilling operations and was the cause of the delay that has been occasioned in the drilling of the well near this city. It is expected that drilling will soon be resumed here.

SLASH—L

One June 30, thirty women and girls met in the home of Mrs. Edd Anderson. Miss Halsey, County Home Demonstration Agent, gave a demonstration in canning vegetables. A Women's Home Demonstration Club was then organized with the following officers:

President, Mrs. C. W. Switzer; vice-president, Mrs. Edd Anderson; Sec'y Miss Mabel Rector.

The next meeting will be held with Mrs. Switzer on the 4th Wednesday in July.

A. L. Dunagan of Frost, Navarro county, was here this week looking after property interests. Mr. Dunagan bought a small tract of land last winter three miles south of Dixie and has already improved it and put it in cultivation. He expects to move out himself next fall. He reports crops fine in Navarro county.

Childress—Childress will soon let contract for more than 30 additional blocks of paving. During 1925, the city contracted and laid 60 blocks of paving.

FIRST NATIONAL BANK

We Have Moved

IN order that we may have more room and therefore give our customers better service. We are moving to the Building previously occupied by Cathcart's Filling Station and the Star Garage.

We take this method of thanking our customers for their past business and will assure them that when they call on us in our new location that they will find us with one of the largest stocks of new and used parts on the South Plains.

We will continue the Wrecking Business as we have in the past and will add to our stock of new parts until we have everything for the Automobile.

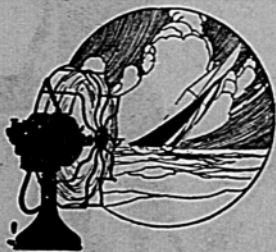

We will also take over the Filling Station business now handled by Mr. Cathcart, and will continue to handle genuine TEXACO PRODUCTS. We will show our appreciation of your business by the service we will render you.
