### Whole New Category Of Fashions Created By Square Dance Lovers

By DOROTHY ROE  
 Associated Press Fashion Editor

Now that the square dance has become America's national pastime, second only to baseball in the hearts of the people, a whole new category of fashions has been born.

You can't go to a square dance, you know, all dressed up in elaborate silks and satins. And you can't do the proper whirls and promenades if you're dressed in the usual slim-skirted, daytime styles of the season. For proper enjoyment of a square dance, you must have gay, full-skirted cotton skirts designed for twirling, blouses that allow free action. And after a strenuous evening of dancing to the strains of "Turkey in the Strain," you'll want to toss everything into the family washing

machine, to have it fresh and crisp for next Saturday night.

Favorites with square dance fans about the country are full cotton skirts and separate blouses, often matching their partners' shirts. Some bright girls make their own outfits, and also stitch up a shirt of matching fabric for the boyfriend, so that the couple makes a colorful and easily identifiable team on the floor, when the prizes are being passed out.

Others buy the gay and inexpensive cotton separates that are available in stores throughout the country, deftly designed and always in vivid colors.

It's fun to wear ruffled cotton petticoats beneath the full skirts, so that a ruffle of crisp white eyelet or lace shows when you whirl. Blouses sometimes match, some-

times contrast with the skirts. They may be either the big sleeved peasant type or more tailored shirt styles, but always in washable cottons.

For less than a ten-dollar bill you may buy the newest and gayest square dance outfits, and be all set to be the belle of the barn dance.

#### New York's Smartest Parade Horse Dies

NEW YORK, Feb. 11. (AP) — The old boy that has marched at the head of New York City's parades ever since the 1890's is dead.

"Steady" was the smartest horse that ever pranced up Broadway, said Police Inspector James P. Moohan after the horse died of old age Friday.

#### Lie Denies FBI Gets Information From UN

LAKE SUCCESS, Feb. 11. (AP) — A spokesman for UN Secretary General Trygve Lie has denied Russian charges that the FBI is using certain UN officials to obtain information.

The charges were made by Soviet Delegate Jakob A. Malik, who implied in a letter to Lie that assistant UN Secretary General Byron Price, wartime chief U. S. censor, was one of the FBI sources.

#### Gasoline Prices Cut In Germany

BONN, Germany, Feb. 11. (AP) — Gasoline prices have been cut by the West German Parliament, which also has proposed an end to gasoline rationing.

The action took place as the capital's narrow streets were jammed by a parade of 3,000 trucks, demonstrating against a recent boost in gasoline prices from 60 cents to 70 cents. Parliament voted to cut the price by six cents.

**ADVENTURES**—James Stewart and Spencer Tracy are two of several "big names" who have leading roles in "Malaya," the Ritz theatre's feature for today and Monday. Stewart is an adventure-some newspaperman, Tracy a soldier-of-fortune, and together they find thrills in the Far East. John Hodiak, Sydney Greenstreet, Lionel Barrymore and Valentina Cortesa are others in the cast.

**FLAG-RAISING HEROES**—This scene from "Sands of Iwo Jima" shows star John Wayne with the three Marine survivors of the famous flag-raising on Mt. Suribachi, Pfc. Ira H. Hayes, Pfc. John H. Bradley and Pfc. Rene A. Gagnon. The producers brought the three men from their homes to re-enact the sequence in the picture. The flag Wayne holds is the one that actually was used in the historic flag-raising. "Sands of Iwo Jima" will play at the Ritz for five days beginning Tuesday.

**TELLING THE NATIVES**—This is a scene from the film, "Burma Victory," which is part of a double-feature bill at the Lyric theatre today and Monday. Also to be shown is "True Glory." Both films are semi-documentaries on adventures of military men in World War II.

**Washday Clinics To Be Presented In City This Week**

Washday clinics will be presented here Tuesday, Wednesday and Thursday at the Big Spring Hardware company. Cecile Hampton, home laundry consultant, will explain and demonstrate home laundering methods through use of latest equipment. She also will discuss best methods of washing various types of fabrics. In order to accommodate housewives, three identical sessions will be held each day of the clinic. These are scheduled at 10 a. m., 2 p. m., and 7:30 p. m. Each person attending will be presented with a gift for themselves and for their children.

Do you want to buy, sell or trade a home or some property? Then let The Herald help you through the classified pages under Real Estate.

**Four Negro Girls Flee From Training School To Escape Whippings**

OKLAHOMA CITY, Feb. 11 (AP)—Four escapees, who fled the Oklahoma Training School for Negro Girls Wednesday for fear of being "whipped with auto fan belts," won't be returned immediately to the school. Oklahoma County Juvenile Officer John Swick said he would not return the girls until troubles are cleared up at the institution. They said they fled after being told they would be whipped for their part in a riot Tuesday. Buck Cook, commissioner of charities and corrections, reported such whippings after a recent investigation there.

**Kreiser Recovering**

NEW YORK, Feb. 11 (AP)—Fritz Kreiser, 75-year-old dean of American violinists, was reported convalescing Friday in Doctor's Hospital where he underwent a minor eye operation.

**TO PLAY AT RITZ**

**Marines' Action In Pacific Told In 'Sands Of Iwo Jima'**

No "Battleground," Republic Pictures' "Sands of Iwo Jima" nonetheless, brings to the screen more than a suggestion of what Uncle Sam's nephews went through before vetoing the Nipponese bid for world conquest. The picture appears at the Ritz theater Tuesday through Saturday. The film plays its spotlight across a squadron of Marines about to leave training camp in New Zealand in 1943 and follows them and their division as they fight their way northward from Tarawa to immortal Iwo Jima. Hard-bitten leader of this band of fighting men is Sgt. Hohn M. Stryker, played without undue flair by the veteran John Wayne. Wayne dominates the screen, from the time he introduces himself to his comrades-to-be until the American flag is secured above Mt. Suribachi. Such cynicism is a challenge to Stryker, who had served under the lad's father, however, and he sets about to change that concept. Needless to relate, the boy (John Agar) becomes of age and contributes his part to the family and the Marine Corps' glorious history. Several professional soldiers, including Gen. Howland M. Smith and Col. D. M. Shoup, both of the Marine Corps, also appeared in the film.—T.H.H.

**ROSEANNA**—Joan Evans plays the title role in "Roseanna McCoy," featured picture at the State theatre today and Monday. Farley Granger is another young player getting feature billing. The story has to do with the famous Hatfield-McCoy feud.

**HIGHLIGHTS ON KBST**

**Film Award Event To Be Broadcast**

Presented regionally for the past five years by the American Broadcasting Company, the annual Photoplay Awards dinner—the nation's oldest awards for motion picture "bests"—will be aired this year on the full coast-to-coast ABC network, Monday, Feb. 13. The program will be on KJST from 10:30 to 11 p. m. Emceed by George Murphy, screen star and president of the Screen Actors' Guild, the 1949 Photoplay Awards banquet for 500 members of the film industry will be broadcast from the Crystal Room of Hollywood's Bevelly Hills Hotel. Gold medals will be awarded to the actor and actress who gave the year's most popular performance, and to the producer, director and author of the year's most popular screen play—with the judging based on scientific polling throughout the year of the American movie-going public. REPEAT PERFORMANCE In recognition of the opening of brotherhood week, ABC's Greatest Story Ever Told will present a repeat performance of its premiere program "The Good Samaritan"—first broadcast on Jan. 26, 1947—on KBST today at 4:30 p. m. Based on narrative and quotations from St. Luke 10:25-37, the theme of "The Good Samaritan" is kindness, good will and the true meaning of neighborliness. ROBERT MONTGOMERY Continuing his discussion of the government's tax policies, Robert Montgomery, noted actor-director, will base his commentary on Thursday, Feb. 9 at 8:45 p. m., on an extensive examination of the present corporate tax situation. "COUNTER-SPY" A darkened dock at night, the flash of a knife, and a man who tumbles into the black waters of the harbor, yet lives long enough to provide the one clue needed to solve a mystery, supply the ingredients for the "Case of the Sea-Going Stockings" the Counter-Spy episode to be aired over ABC-KBST Tuesday, Feb. 14, at 8:30 p. m. LOUELLA PARSONS For tonight's broadcast from New York at 8:15 p. m., Louella O. Parsons will have as her guest, Kay Thompson, the talented Miss whose night club performances from coast to coast have skyrocketed her to fame and fortune.

**'MALAYA' AT RITZ**

**All-Star Cast For Far-East Adventure**

A cast of top-ranking film stars adds interest to the thrill-story, "Malaya," which is the program feature at the Ritz theatre for today and Monday. Principal players include Spencer Tracy, James Stewart, Sydney Greenstreet, John Hodiak and Lionel Barrymore, and in addition the picture introduces a newcomer, Valentina Cortesa. "Malaya" is a tale of action and adventure in the Far East. It's the story of two men who put their lives at stake, one for gold and a girl, the other for his country. Tracy appears as Carathan, tough fighting soldier-of-fortune. Stewart has the role of Royer, a newspaper man who prefers danger to a scoop. The feminine lead was assigned to Miss Cortesa after a number of tests. Her role is that of a native girl, and is only the second appearance on the American screen for this Italian film star who gained fame overseas with parts in 27 pictures. Sydney Greenstreet has a menacing part as "The Dutchman," and John Hodiak appears as a government agent. Barrymore is seen as a potent newspaper publisher, Gilbert Roland and Roland Winters are others in the cast. High spots of "Malaya" are the romantic scenes between Tracy and Miss Cortesa, and the spectacular jungle scenes in which

**Retail Trade Gain In Nation Noted**

NEW YORK, Feb. 11 (AP)—A pick up in retail trade in some parts of the country was noted Friday by Dun & Bradstreet. Total retail dollar volume for the week was estimated at 2 to 6 per cent below a year ago. Changes by regions included East and South-west down 1 to 5. Tracy and Stewart lead native guerrilla forces in a dangerous mission to smuggle vital raw rubber through the Japanese occupation forces.

**Truman Thinks GOP Record Is Thing To Hit**

WASHINGTON, Feb. 11 (AP)—President Truman apparently intends to bear down again this election year on the Republicans' law-making record—not what they say. Mr. Truman told his news conference Thursday he thinks the Republicans' record speaks better for itself than any platform they can write. There were Republicans who agreed with him. A reporter told Mr. Truman a statement of principles issued by the Republicans this week had picked "liberty vs. socialism" as the chief issue for their campaign to gain control of Congress in the November voting. Which was the President for? The newsmen asked. Mr. Truman said he had read the GOP platform but didn't understand it. In his 1948 campaign for the presidency, Mr. Truman made a great point of what he called the had record of the Republicans dominated 80th Congress. Sen. Ives (R-NY), who voted against the declaration, told a reporter he, too, believes the Republicans must stand on what they do in Congress and not on any promises. ## The Nation Today—By James Marlow

# Administration Crosses Fingers As Unemployment Clouds Darken

WASHINGTON, IN —SOME HIGHLY placed government economists don't like the look of the darkening clouds of unemployment. But administration leaders still hope no storm is brewing.

Employment in trade always drops after the Christmas rush. Farmers carry on a lot of activities through December which they abandon in January when the weather gets too bad. Construction falls off in January. And anyway, they say, a two-month change is not too significant. Wait and see.

## BUT THERE ARE SOME GLOOMY STATISTICS:

- 1. The total number of employed persons in January was 56,947,000—a drop of 1,809,000 from December.
2. The total civilian labor force—persons working or looking for work—rose from 60,078,000 in January 1949 to 61,637,000 in January 1950. The total rises as the population increases.
3. The total of unemployed persons in January was 4,490,000 (not counting workers on strike) compared to 3,469,000 in December. This was the post-war unemployment peak. The previous peak was reached in July 1948, when the total reached 4,100,000. Last January it was only 3,804,000.
4. Seven per cent of all civilian workers were jobless in January. In 1949 the average was 5 per cent. In 1948 it was only 3 per cent.
5. The January drop occurred in both agricultural and non-agricultural industries. Employment in agriculture was lower than at any time since 1940.
6. The seasonal December-to-January rise in unemployment has been getting worse each year since 1946, when it was only 180,000.

ON THE OPTIMISTIC SIDE, SOME economists point out: Employment in trade always drops after the Christmas rush. Farmers carry on a lot of activities through December which they abandon in January when the weather gets too bad. Construction falls off in January. And anyway, they say, a two-month change is not too significant. Wait and see.

## Affairs Of The World—DeWitt MacKenzie

# U. S. Anti-Red Strategy Now Frankly Based On Power Policy

SECRETARY OF STATE ACHESON'S declaration which bases America's anti-Communist strategy squarely on a policy of power is official recognition at long last of a situation which has existed since the birth of Communist rule in Russia.

appeal to the imagination of many people of an adventurous or uneasy mind. Hitler's Nazism also was a dynamic ideology — devilish one, of course, but still one which took a powerful hold on the imaginations of many people.

## TRUE HOPES FOR CO-OPERATION

were given a fillip when the Red Comintern, or general staff for world revolution, was "dissolved" in 1943 as a concession to the democracies. However, the revival of the Comintern in the shape of the "Cominform" in 1947 made it clear that Bolshevism was doing business at the old stand.

Democracy is rather a loose term for a collection of supreme ideas. Its weakness, if any, may be in lack of co-ordination and organization.

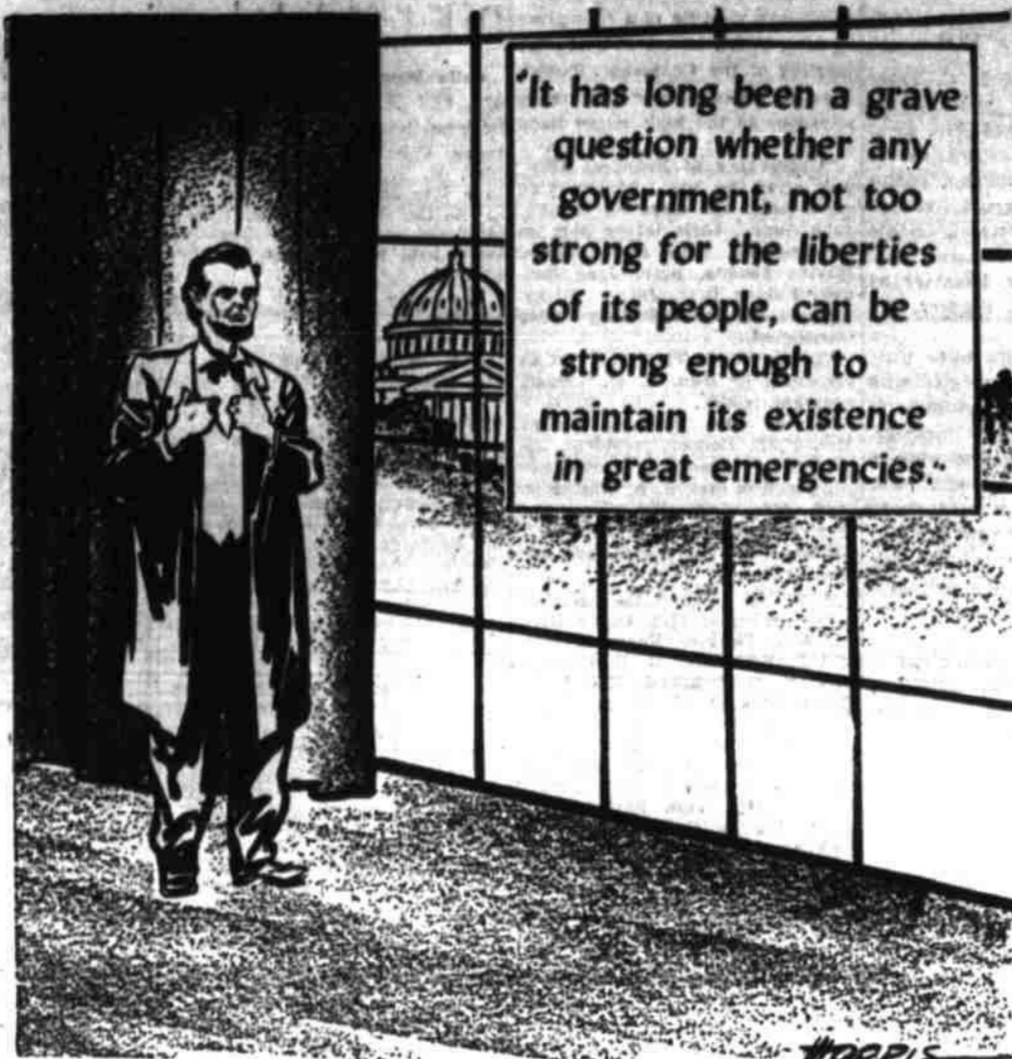

## TO PROCESS BUFFALO MEAT

SYDNEY, Australia.—A buffalo meat processing plant may shortly be established in Northern Australia. About 17,000 head of buffalo are shot each year in the area between Darwin and the Alligator River, 150 miles eastwards. Hunters take only the hides, leaving carcasses to rot. The company intends to process the buffalo carcasses into bone meal, meatmeal, and fertilizer.

THE GREAT STRENGTH OF COMMUNISM strikes us as relying largely in its methods of intensive organization. One outstanding example of this lies in the systematic organization of children and youth in various movements designed to catch the fancy of the young. That also was one of Hitler's supreme achievements.

## Merry-Go-Round - Drew Pearson

# Abraham Lincoln May Have Thought Republican Box Supper A Strange Sight

WASHINGTON — The deep-set eyes of Abraham Lincoln stared somberly down from a huge portrait. Below him milled 12,000 people, some trying to speak, some trying to gnaw chicken bones, some hoping to dance, some trying to look pibelian—all celebrating the Republican Party's determination to take a new lease on life at one dollar a throw for a box supper.

Sen. Ken Wherry, full on beans and bounce, pushed through the crush... "What's left of him?" Wherry's answer... "Sen. Alexander Smith, the slim, gray, former Princeton professor, loped past looking like a faculty adviser at a fraternity initiation. He was happy, but a little dazed. From around his neck hung a big caribou sign. It read "New Jersey," and added to his appearance of being a lost soul in a strange world.

Sen. Ken Wherry, full on beans and bounce, pushed through the crush... "What's left of him?" Wherry's answer... "Sen. From around his neck hung a big caribou sign. It read "New Jersey," and added to his appearance of being a lost soul in a strange world.

# Red Cross Has Helped Far More Veterans Than It Ever Slighted

Shortly you will be hearing of the American Red Cross annual membership Roll Call, and you will be solicited to do your part in maintaining the vast humanitarian work of this organization, particularly as it applies to the Howard-Glasscock chapter.

chapter has loaned approximately \$2,600 to veterans who were in need. Some of these needed tiding over until a subsistence check or a pension check came in. Others were in personal distress. These men have been charged no interest, and you'd be surprised to know what a large percentage haven't repaid the loans.

Let us concede that the Red Cross— or some of its people—made mistakes during the tumult of the war. You must remember that the Red Cross had to expand its personnel and its facilities almost to the same degree as did the military, and such a boom can't be met without some snafu. I doubt seriously that the Red Cross had as much snafu as did the Army and Navy, at that.

In the simple matter of accommodating service men with their problems with the Veterans Administration, the Red Cross chapter here is doing a job that almost swamps the office. No less than 24,000 veterans in the Lubbock VA region have given the ARC power of attorney in handling matters with the VA. This is evidence enough that the boys know that when somebody has to be a go-between in the struggle with governmental red tape, the Red Cross is the choice.

## Capital Report - Doris Fleeson

# Colorado's John Carroll Will Oppose One Of GOP Big Three

WASHINGTON — The way is opening for another young New Deal congressman to challenge a conservative senator next fall.

son called at the White House to plead for Governor Knous, one of his old political partners back home. The Senator said Knous did not want to run for the Senate but preferred the judgeship, for which he was amply qualified. The President said he thought just as much of Knous probably as the senator did.

## Notebook - Hal Boyle

Within the state, it was caught in a struggle for power between Carroll's liberal wing and Johnson's conservatives. Here, President Truman has been doing a slow burn over the manner in which Johnson votes with the Republicans and he is in no rush to oblige the senator. The President was particularly outraged by the part Johnson, as chairman of Interstate and Foreign Commerce, played in the defeat of Leland Olds for chairman of the Federal Power Commission.

### Mrs. H. G. Starr Serves As Hostess To Forsan Home Demonstration Club.

**FORSAN, Feb. 11 (Sp) —** Mrs. H. G. Starr entertained the Forsan Home Demonstration Club in her home Tuesday afternoon. Mrs. Sammie Porter presided at the business session. Arrangements were made for three members of the club to assist with the food booth at the Hereford Sale Monday, Feb. 13th. The club will also furnish part of the food. Eugenia Butler, HD agent, cooked and served a complete breakfast. In her talk she emphasized that a cereal should be served to the family every morning for breakfast. Present were Mrs. J. C. Parker, a guest, Mrs. E. J. Newsum, a new member, Mrs. H. L. Thomas, Mrs. Sam Starr, Mrs. W. C. Yandell, Mrs. L. B. McElrath, Mrs. F. J. Craig, Mrs. M. M. Fairchild, Mrs. G. G. Green, Mrs. Frank Thelme, Mrs. Sammie Porter, Mrs. H. G. Starr and Eugenia Butler. Willie Mae Rankin of Lorraine has been visiting the Jesse Overton this week. She is a mid-term graduate of Hardin-Simmons University in Abilene. Charlie Adams has been in Lub-

### Coahoma Students Plan-Serve Meal To Officials

Second year homemaking students of the Coahoma school cooked their first class meal on February 1. M. E. Turner, school superintendent, and Mrs. Gene Rowe, school secretary, were guests. China, crystal and silver were used to set the table which was covered with a California print cloth. Ivy formed the centerpiece. Mrs. Annea, class sponsor, took pictures of the table. They will be used in the department's class book. The menu included: tomato juice and crackers, broiled steak, stuffed baked potato, buttered English peas, individual pear salad with grated cheese and cherry, hot rolls, butter, strawberry short cake and iced tea. The department is now waiting for a shipment of sixty place settings of silver and semi-porcelain China. Mr. and Mrs. Gerald Butler and family of Westbrook were guests this week of his parents, Mr. and Mrs. John Butler. Mr. and Mrs. Johnny Morris spent the past week end in Abilene. Mr. and Mrs. W. O. Averitt and Sue and her mother, Mrs. J. W. Dial are in San Angelo visiting relatives. Mr. and Mrs. P. H. Coates were called to Big Lake Thursday to attend funeral rites of a relative. Stanley Hayhurst of San Antonio is home for the week end to visit his parents, Mr. and Mrs. L. N. Hayhurst and Dan.

### Professor Invents New Safety Pin

**AP Newsfeatures**  
**ATLANTA—**An engineering professor who coaches wrestling on the side turned inventor and came up with a real "safe" safety pin. It meets approval of babies, parents, and doctors. When it's open, it's closed. With the pin, baby can't get stuck when getting his diapers changed. Nor can the mother, or father, stick their finger. Should junior swallow the pin, the doctor can easily retrieve it. The inventor is Robert N. Miller, Ph. D., Assistant Professor in chemical engineering at Georgia Institute of Technology. He's coach of Tub's wrestling team, and coached the football line several years during the war. He was a football player himself in student days at Ohio State University. Dr. Miller said he got the idea from Dr. Murdoch Eguen of the Ponce De Leon Infirmary here. Dr. Miller's first interest was from the father's viewpoint. He and his one-year-old son both got stuck, frequently, when wrestling with a diaper change. Dr. Eguen's interest was from the surgeon's standpoint. He had invented a magnet for removal of metallic objects from windpipes and stomachs. Open safety pins are not always so easy. The sharp point of the pin will rip tender insides. With the magnet, doctors have removed open pins by pushing them into the stomach, turning them around, and then fishing them up with the point trailing. Sometimes however open pins can't be removed easily, and doctors can only remove them by cutting from the outside. Dr. Miller said he became more interested while talking with Dr. Eguen—at a Tech football game—about the dangers of safety pins. With some advice from his wife, Dr. Miller went to work. He turned up with a reverse action safety pin. The sharp point is on the inside of the guard when

**PINPOINT SAFETY . . .** Dr. Robert N. Miller of Atlanta exhibits (left) new type safety pin which has a sharp point on the inside of the guard which protects it even when it is open as shown. Frys apart like a hobby pin. (Right) Ordinary safety pin. Its open. You have to pry it apart to use it like a baby pin. It fastens just like an ordinary safety pin, but it stays locked. Dr. Miller said it has met every test but swallowing. But the pin is magnetic, so it should pass on that score.

# Martha Newman To Become Bride Of Dick Harp In Abilene Ceremony

Martha Newman, daughter of the late Mr. and Mrs. Cleveland Newman, will become the bride of Dick Harp, son of Mr. and Mrs. N. G. Harp of Grand Falls at noon today. Double ring wedding vows will be read in the home of Dr. and Mrs. C. A. Long, 2297 South 7th, Abilene. Dr. Long, former pastor of the local First Methodist church, will officiate.

The bride will be wearing a dusty pink gabardine suit with a powder blue blouse with navy accessories and white gloves. Her white hat will be fashioned with a navy blue umbrella veil. She will wear a corsage of white gardenias.

For something old, she will carry a handkerchief belonging to her grandmother. Something new will be a white Bible, a gift from her sister, Mary Ellen Newman. Her something borrowed is a Texas map-shaped lapel pin belonging to Neta Chapman. Something blue

will be her blouse. She will wear a penny in her shoe. The penny was given to her by her brother, Ralph Newman.

Wedding guests will include: Mr. and Mrs. T. E. Newman and Tommy, Ralph Newman, Bobbie Lee and Ginnie Beth, Mr. and Mrs. L. A. Newman and Margie, Mary Ellen Newman, Neta Chapman, Peris Faye Hunt, Edna Marie Gaskins, Joyce Howard, Carl Bradley, Mr. and Mrs. Jeff Walker, Mr. and Mrs. Weldon Wood, all of Big Spring, Mr. and Mrs. N. G. Harp of Grand Falls, Mr. and Mrs. Payne Showen of Odessa, and N. B. Tolle of Breckenridge.

Miss Newman has been employed by the Southwestern Bell Telephone company here for the past three and one-half years. She is a graduate of Stanton High school. Harp served two years in the Navy and is now employed by the

After a wedding trip to Denver and Colorado Springs, the couple will reside in Big Spring.

## Maxine Williams Is Party Honoree

Maxine Williams, daughter of Mr. and Mrs. Ceell Williams, was honored with a party on her eleventh birthday in the home of her uncle and aunt, Mr. and Mrs. Aubrey Leonard, 1507 W. 1st street. The party was held Friday afternoon.

Attending were Anita Greenhill, Thelma Jo McNew, Joyce Brown, Jean Love, Margie Harrison, Richard Porter, Robert Garber, Caroline Hallford, George Anglin, Denver Hoffington, Gerald Steve Cagle, Jimmy Lawhorn and the honoree Maxine Williams.

## Mary Jo Crawford Marries In Denton

Mary Jo Crawford became the bride of John M. Hill in a ceremony at the First Presbyterian church in Denton on February 1. The bride was given in marriage by her father, A. B. Crawford of Granbury. Serving as maid of honor was Donna Hall of Fort Worth. Ed Fisher of Big Spring, was best man.

After the wedding, a reception was held in the church parlor by Mr. and Mrs. Don Thomas of Big Spring.

The bride is the daughter of former Senator and Mrs. A. B. Crawford of Granbury. She is a graduate of Granbury High school and is a senior journalism major at North Texas State college in Denton.

The groom is a graduate of Big Spring High school. He worked at the J and K Shoe Store and with the Texas and Pacific Railway before entering the Coast Guard for a period of four years. The son of W. R. Hill of Arlington, he is a senior transportation major at NTSC.

The Hills will reside in Denton for the next year.

Mrs. James Wilcox, 312 Lincoln, has as her week end guest, Mrs. C. L. Richards of Fort Worth. Mrs. Richards is a former resident of Big Spring.

## COSDEN CHATTER

### B&PW Sponsors Broadcast Of Safety Programs

On February 17 at 9 p.m. the second of a series of three programs on "How Safe Are You?" will be broadcast under sponsorship of the B&PW. Mammie Mayfield will introduce the speakers, and the panel discussion will be led by Otto Peters Sr. and participating will be Fire Chief H. V. Crocker and J. C. Morgan.

Hugh K. Harris, Jack Reed and Sonora Honey are employees who have been hospitalized this week. Mrs. Leonard Morgan, Mrs. Henry Hensley, and Mrs. D. M. Bardwell entered the hospital this week. Harold Moss Jr., son of H. E. Moss, Bufford Howell, son of M. B. Howell, and Peggy Jo Greenfield, daughter of T. H. Greenfield have been ill and in the hospital.

A. V. Karcher and Jean Yates were ill Friday.

Cosden jobbers who visited in the office this past week were Cliff Barnett of Merkel, Hugh Dryer of Lubbock, Dryer's bulk plant manager, D. Garner, and R. C. Smith of Santa Fe.

F. L. Houghton and John Kelsey of Midland, Dr. Robert Purvin and Melvin Gertz of Dallas were visitors in the office. Roger Shute of Filtrul Corporation of Los Angeles was here to assist in the adding of a new catalyst to the cat. crusher. Shute is sales engineer for Filtrul who is furnishing the new catalyst.

Mrs. C. O. White of Fort Worth and Miss Mary Elder of Midland are weekend guests of Glynis Jordan.

A. T. Harris from Scottsville, Ky. is visiting his son and family, the A. Lee Harrises. Harris arrived Saturday for his first visit to Texas.

Lockett Shelton of the First Southwest Company of Abilene was a visitor in the office last week.

Marvin Miller left Friday for Sweetwater, Abilene, Fort Worth and Dallas and will return to the office Monday morning.

## Cleo Watson Weds Joe R. Taylor In Lamesa Rites

COLOrado CITY, Feb. 11 — (Sp1) — Mr. and Mrs. Williams Lester Watson of Colorado City, are announcing the recent marriage of their only daughter, Cleo, to Joe R. Taylor of Lamesa. Parents of the groom are Mr. and Mrs. C. B. Taylor of Ackerly.

Wedding vows were exchanged on Thursday, February 9, at 4 p.m. at the home of the officiating minister, the Rev. J. L. Jones, pastor of the Lamesa First Baptist church. Only wedding guests were the parents and the bride and groom and the attendants.

For her wedding, the bride chose a dressmaker suit of navy blue charmeuse gabardine. Her accessories were gray. Her flowers were a shoulder corsage of white carnations.

Her only attendant, Mary Ruth Fowler of Colorado City, wore a navy blue crepe dress with red and navy accessories. Her flowers were red carnations.

Clyde Iglehart of Lamesa was best man.

The bride, a 1949 graduate of Colorado City High school, is an ex-student of Hardin-Simmons university, Abilene.

The Taylors are now making their home at Lamesa, where he is engaged in ranching. He is a graduate of Lamesa High school in the class of 1946 and attended Eastern University of New Mexico.

Mr. and Mrs. W. D. McNair entertained members of the First Christian Harvesters class at a buffet supper held in their home Friday night.

Tables were decorated with floral arrangement of daffodils and green tapers. A green cloth covered the table.

## Marvin H. Clark Is P-TA Speaker

Marvin H. Clark served as the speaker when the East Ward P-TA met Thursday at the school. The topic was "Teamwork of the Community." He brought out the idea that there are three institutions which must work together—the home, the school and the church.

Mrs. Tom Buckner gave the devotional. Mrs. A. C. Kloven's first grade students gave a patriotic program. They also won the room count.

Mrs. Weldon McClanahan, Mrs. Eldon Appleton and Mrs. J. D. Jenkins were named members of the committee which will submit nominations for the 1950-51 officers.

Mrs. J. L. Miller gave an invitation to all the unit members to attend the Founder's Day tea to be held in the First Presbyterian church Friday from 4 to 6 p.m.

Fifty parents and teachers were present.

## Art Study Club Meets On Friday

Members of the Art Study club met in the home of Mrs. Dick O'Brien, 101 Lincoln, Friday. Modern art was discussed by Mrs. Ray Coffee. Drawings by Pablo Picasso were displayed. Mrs. John Chaney gave an artist's story based on faith, love and peace.

Mrs. E. H. Happel was named a new member of the club. Mrs. Ira Haley was named hostess for the next meeting.

Attending were: Mrs. Ray Coffee, Mrs. John Chaney, Mrs. Ira Haley, Mrs. Fela Green, Mrs. Dick O'Brien, Mrs. Alton Underwood, Mrs. Charles Kae and Mrs. Bob Satterwhite.

Mrs. J. L. Miller gave an invitation to all the unit members to attend the Founder's Day tea to be held in the First Presbyterian church Friday from 4 to 6 p.m.

Fifty parents and teachers were present.

## Home Laundering Expert Gives Plan to Local Women At Workless Washday Clinic

Offer Personal Help on Washing Problems

All women attending the Workless Washday Clinic are urged to ask questions on home laundering problems of the Home Service Consultant in charge.

There will be helpful suggestions on water, soap and detergent, softeners and special treatment of fabrics.

The question and answer period has proved particularly enlightening wherever the Clinic has been held and is one of the highlights of the program.

**WASHDAY PLANALYZER HELPS YOU CHOOSE THE RIGHT WASHER**

This unique free service, available at our store, offers the homemaker positive assurance that the type of washer she selects will best meet her family's laundering requirements for years to come. Be sure to get your copy of the Washday Planalyzer.

Emphasizing the fact that there are only two basic laundering methods—the revolving cylinder and the agitator—the Home Service Consultant conducting the Clinic demonstrates washers which employ each method, thus aiding each woman in the audience to determine which type is best suited to her requirements.

**ALL URGED TO ATTEND**

We are most anxious to have every homemaker in the community take advantage of the entertaining and instructive clinic, and suggest you plan to attend now and bring one or more friends with you. Admission, of course, is free.

**TUES. - WED. - THURS.**

Three Clinic Sessions Each Day  
10 A.M. • 2 P.M. • 7:30 P.M.

## Classroom Teachers To Sponsor Comedy

Big Springs, who missed the first presentation of "So Green The Corn" will have an opportunity to see it next Friday night. Members of the Classroom Teachers Association are sponsoring a second showing of the local talent musical comedy at the high school gym at 7:30 o'clock. The comedy was first presented as the program for the First Baptist birthday banquet held in January.

For those who did see the program, there will be an additional feature, the high school German band will present several numbers.

## Gus Hecklers Are Honored At Shower

Mr. and Mrs. Gus Heckler were honored with a wedding shower Friday night in the home of Mr. and Mrs. R. A. Pachall.

The serving table was covered with a lace cloth and held a floral centerpiece of gladioli, jonquils, and piccadilly. Mrs. W. F. Pachall poured the punch from a crystal punch bowl and Mrs. Albert Hohertz served the cake.

Mrs. Heckler wore a gardenia corsage.  
Registering in the bride's book were Mrs. E. L. Bynum, Fetti Miller, Mrs. W. H. Denton, Peggy Murray, Mrs. Dollie Beauchamp, Mrs. J. H. Coots, Mrs. W. C. Heckler, Mrs. Albert Hohertz, Mrs. Bill Sandridge, Mrs. Lula Miller, Mrs. E. W. Burleson, Mrs. Leroy Brooks, Mrs. Wayne Burleson, Mayple Richey, Mrs. Jay Whinn, Mrs. Leslie Snow, Mrs. Arthur Pachall, Sally and Kay, Mrs. Thurman, Mrs. Billy Bob Fallon, Mr. and Mrs. Fritz Heckler, and Mrs. W. F. Pachall.

## Edna Sanders And L. C. Yater Exchange Vows

Edna Sanders and L. C. Yater exchanged wedding vows in the home of the Rev. and Mrs. Cecil Rhodes Saturday morning at 10 o'clock. The Rev. Rhodes, pastor of the Westside Baptist church officiated at the informal, single ring ceremony.

The bride is the daughter of Mr. and Mrs. T. E. Sanders, Big Spring.

For her wedding the bride wore a two-piece royal blue suit with a white nylon blouse trimmed in eyelet embroidery. Her accessories were black and she wore a white carnation corsage. For something old, she wore a string of pearls, something new and blue was her wedding ensemble, borrowed was a white Bible belonging to Cleone Russell. She wore a penny in her shoe for luck.

Mrs. Paul Cunningham, sister of the groom, served as matron of honor and Cecil Sanders, brother of the bride, was best man.

After a short wedding trip to San Angelo the couple will be at home in Big Spring where Yater is a carpenter.

## Koinonia Class Entertained At Buffet Dinner

First Baptist Koinonia class met in the home of Mrs. Duwaine Leonard for a buffet dinner. Hostesses were Mrs. Leonard, Mrs. Bob Mead and Mrs. R. L. Patterson.

Valentine decorations were used on the individual tables which were centered with a large white heart trimmed in red lace and net and decorated with cupid on either side of the arrangement.

Mrs. L. S. Patterson gave a devotional entitled "Love." Mrs. Sledsoe O'Brien presented a poem, "How Old Are You?"

Mrs. H. C. Mobley provided the background music. Mrs. Ralph Proctor was in charge of the revealing of secret pals and the exchange of gifts.

## Indoor Sports Club Sponsors Game Program

Members of the Indoor Sports club held a game night at the Girl Scout hut on Thursday.

Attending were Mrs. L. Waters, Claudia Arrick, B. M. Irwin, Mr. and Mrs. J. B. Collins, Mr. and Mrs. Ross Hill, Mr. and Mrs. Melvin Choate, Mr. and Mrs. Bill Wallace, Wilrena Richbourg, Glynn Jordan, Mr. and Mrs. C. E. Taylor, Mrs. Willard Sullivan, Mr. and Mrs. Bill Horton, Faye Coltharp, Mrs. Paul Lawrence, Mamie Mayfield, Mrs. Alma C. Gollnick, Mrs. O. L. Williams, Mrs. Rip Smith, Mr. and Mrs. L. M. Weeks, Mary Wallace and George Choate.

## Garden City Notes

GARDEN CITY, Feb. 11—(Sp)—Mrs. C. G. Parsons was called to San Angelo Thursday to be with her mother, who had to undergo a second major operation Wednesday. Mrs. B. G. Hill had major surgery two weeks ago. She was reported to be improving Friday morning.

John Lee Parker, Mac O'Bannon and W. K. Scudday went to San Angelo Thursday on business.

Members of the Girls Auxiliary made advancement on their forward steps program at a meeting held Thursday. Opening exercises included the singing of the G.A. hymn and recitation of the Lord's Prayer.

Mary Ruth Ashill was recognized as a visitor and prospective member.

Others present were: Mary and Martha Gillespie, Fred Christie, Georgis Lee Rich, Emma and Reia Stephens, Helen Cunningham, Sandra Witherson and the worthy counselor, Mrs. A. Wade.

Mrs. A. C. Bass made a business trip to Snyder this week. She bought a new home from the Snyder Home, Incorporated for her son, Freddie. He is working in Los Cruces and will be transferred to Snyder in March.

## Mrs. Curtis Driver Is P-TA Speaker

"Teamwork For Good Citizenship" was the title of a talk given by Mrs. Curtis Driver at a regular meeting of the Coahoma Parent-Teacher Association on Thursday afternoon in the high school band room.

"Observance of Founders Day" was given by the homemaking class under the direction of Mrs. John Annon. Girls taking part on the program were Betty Hale, Martha Denton, Betty Jane Bennett, Evelyn Diaz, Joyce Hicks, Frances Darden and Mary Alice Harrington.

"Inspirational Thoughts" was presented by Mrs. C. D. Read, program leader.

During the business session Mrs. N. B. Hoover, president, appointed a nominating committee composed of Mrs. J. A. Westmoreland, Mrs. Jack Reynolds and Mrs. Jimmie Rodwell. Mrs. G. T. Guthrie read the constitution and by-laws.

A social followed the meeting. Present were: Mrs. Curtis Driver, Mrs. Douglas Newman, Mrs. Bill Bostick, Mrs. R. D. Cramer, Mrs. K. G. Birkhead, Mrs. L. N. Davis, Mrs. O. C. James, Mrs. Ernest Garrett, Mrs. Travis Jenkins, Mrs. Alfred Thieme, Mrs. Ed Robertson, Mrs. Harold Smith, Mrs. J. R. Beber, Mrs. Mark Reeves, Mrs. Tom Barber, Mrs. J. A. Westmoreland, Mrs. C. H. DeVany, Mrs. Jack Reynolds, Mrs. Grady Aull, Mrs. J. F. McCann, Mrs. J. D. Spears, Mrs. G. T. Guthrie, Mrs. Paul Camp, Mrs. N. B. Hoover, Mrs. W. L. Nixon, Mrs. W. A. Wilson, Mrs.

## Celia Westerman Becomes Bride Of E. L. Vyukal

Celia Westerman, daughter of Mr. and Mrs. Cecil Westerman, became the bride of Eugene Lawrence Vyukal, son of Mr. and Mrs. H. J. Vyukal of Baytown, in a late January ceremony held in Austin. Father R. B. Robert officiated at the double ring ceremony held at the Saint Austin's chapel.

The bride was given in marriage by her father, Elta Jackson of San Angelo, served as maid of honor, Bernard Vyukal was the best man. Ushers were Bob Westerman, Billy Pyle, Red Adams and Jimmy Baran.

After a wedding trip to Monterey, Mexico, the Vyukals are making their home in Austin.

Out-of-town wedding guests were: Mrs. Vivian Calverley, Connie Edwards, Mr. and Mrs. Louis Zapalac, Mrs. Adolph Zapalac and Dr. and Mrs. Frank Vyukal.

A graduate of Big Spring High school, the bride is a senior music major at the University of Texas. She is a member of the student assembly and Chi Omega sorority. The groom is a graduate of Baytown High school and is a pharmacy major at the university. He is a football player and track man, a member of Knights of Columbus and the T association.

F. W. Burkholder, Mrs. C. D. Read, Gypsy Ted McCollum, Sue Read, Joyce Bell, Morris Ledger, J. F. McCann, M. R. Turner, W. A. Wilson, C. H. DeVany and Herbert Johnson.

# Wedding Vows Exchanged Saturday By Woodine Hill And R. T. Winn

Woodine Hill and R. T. Winn exchanged wedding vows Saturday afternoon at 2:30 in the home of the bride's aunt, Mrs. W. U. O'Neal, 1801 Runnels.

The bride is the daughter of Mr. and Mrs. Earl Parrish, Big Spring. The groom is also a native of Big Spring.

The Rev. T. M. Harrell, pastor of the Northside Baptist church performed the informal, single ring ceremony before the fireplace in the O'Neal home. The mantel held a fan-shaped arrangement of white gladioli interspersed with greenery.

For her wedding the bride wore a white taffeta off-the-shoulder dress featuring a fitted bodice. The full, circular skirt was ballerina length and had a bustle effect in the back. Her accessories were pink, with pink lace mitts, pink shoes and a halo of pink Ranunculus flowers on her head. She carried a white nurse's testament topped with an arrangement of pink gardenias tied with white streamers. For something old the bride wore a ring that belonged to her grandmother, a blue garter for something blue, something new was her wedding ensemble and something borrowed was a handkerchief belonging to her sister, Mrs. Bert Matties. She wore a penny in her shoe for luck.

Shirlene Walker attended the bride as maid-of-honor. She was attired in a pale blue taffeta dress featuring a circular skirt and fitted bodice. Her accessories were black and she wore a white carnation corsage.

Gilbert Paschall attended the groom as best man.

Preceding the exchange of vows by the betrothed couple, Jeanette Kinman sang "Dearly Beloved" and "I Love You Truly" with piano accompaniment by Mrs. Bert Matties, sister of the bride.

For her daughter's wedding, Mrs. Parrish wore a navy blue dress with white and navy accessories. She wore a white gardenia corsage.

Immediately following the ceremony a reception was held for the members of the couple's families and friends attending. The lace-covered serving table held a centerpiece of white carnations interspersed with fernery. The table held a three-tiered wedding cake topped with the traditional miniature bride and groom. Mrs. Bert Matties presided at the crystal punch service and Mrs. W. U. O'Neal served the cake.

For her wedding trip the bride

MRS. R. T. WINN

wore a navy blue suit with navy and white accessories.

The bride is a graduate of Big Spring high school and graduated from Baptist Memorial Hospital School of Nursing in Memphis, Tenn. She has been employed in Big Spring at Malone and Hogan

Hospital as night supervisor.

Mr. and Mrs. Winn will be at home in Sweetwater where he is employed as a switchman for the Texas and Pacific Railway. The groom attended high school at Big Spring and served in the U.S. Army during World War II.

## Wedding Shower Given In Home Of Mrs. Foresyth

Mr. and Mrs. Orbia Childress were honored at a wedding shower given in the home of Mrs. R. V. Foresyth. Mrs. Gordon Hickman was assistant hostess. Mrs. Childress is the former Wanda Creelman of Foran.

Covered with a lace cloth, the serving table was centered with a large white cake which was topped with a miniature bride and groom. Red candy hearts decorated the cake. Mrs. Albert Gilliland and Mrs. Herman Hasey, sister of the groom, served the guests.

Mrs. Gordon Hickman was at the register.

Included in the guest list were: Mrs. Tom Amerson, Mrs. Rene

King, Mr. and Mrs. Jim Mitchell, Mrs. Susie Biffle, Mrs. Mary Bridges, Mrs. Bertie Stone of Tahoka, Tinkle Stone of Tahoka, Mr. and Mrs. Leo Childress of Quanah, Mrs. Gordon Hickman, Mrs. Dorothy Abbey, Mrs. Judy Kehrler, Mrs. Rosalee Gilliland, Mrs. Nannie Adkins, Mrs. Eula Pond, Mrs. Lena Faye Franks, Mrs. B. E. Winterrowd, Mrs. Woody Nolen, Mrs. Thelma Braune, Mrs. F. A. Childress, Mrs. W. T. Creelman, Mrs. Della Herring, Mrs. Earl Wilson, Mrs. A. C. Wilkerson, Mrs. W. A. Cook, Mr. and Mrs. J. W. Atkins, Mr. and Mrs. Leverne Rogers, Mr. and Mrs. Delbert Stanley, Mr. and Mrs. Dewey Martin, Mr. and Mrs. Doyle Turvey, Frances Malone, Mrs. Ted Lancaster, Mr. and Mrs. Charles Marstrand, Mrs. Joe Radonof, Roy Shannon, Mrs. Bob Murphy, W. W. Whatley, Mrs. E. L. Fannin, Mrs. Burley Vinson, R. V. Foresyth and the hostesses.

## CAMPUS CHATTER

from HCJC—By Lois Reagan

A. J. Cain, newly elected president of the student council, got his first practice in the role Friday at assembly.

He presided while the student body balloted to fill several council vacancies. Melvin Norris was elected as freshman representative and Enzor Puckett and Otto Longloyme as sophomore representatives. Nancy Lovelace was named secretary-treasurer of the freshman class.

Incidentally, seating conditions are on the mend, for 30 new folding chairs have been provided for use in assembly programs.

A number of students turned out Thursday evening for the HCJC Square Dance Club. Among those attending were Donald McAdams, Janice Petty, Chop Van Pelt, Tommie Shultz, John Robinson, Marie Petty, Jimmie Jennings, Sue Robinson, Bob Craig Shirley McGinnis, Bill Sewell, Mary Porter, Jerry Rogers, Charlotte Williams, Patsy

Young, Donnie Carter, Ina Miles and Robert Vaughn.

The club meets again Thursday at 7:30 p.m.

Fans got their last look at the Jayhawks A team in action here Friday evening against Wayland college. Remaining games are on the road.

### Attend Convention

Mrs. Steve Baker and Mrs. Clyde Thomas, Jr. returned Friday morning from Houston, where they attended the state convention of the federation of junior clubs. Mrs. Baker was the official delegate from the Junior Woman's Forum and this junior club district. She assisted Mrs. J. Howard Hodge, Mrs. Searcy Bracewell and Joyce Abraham in presenting a panel discussion concerning the work and problems of junior clubs.

## Frazier Students Continue Recitals

Mrs. Nell Frazier will continue a series of mid-year recitals when she presents her high school age pupils in a piano and voice recital Monday, Feb. 13.

The program will be presented in the auditorium of the First Baptist church. Voice and piano students and members of the choral ensemble extend an invitation to their friends to attend.

On the program will be Kitty Roberts, Marilyn Miller, Don Logan, Ann Crocker, Wanda Lou Petty, Shirley Wenter, Frances Walker, Jan Masters, Joyce Wood Peggy Lamb, Carolyn Smith, Larry Evans, Jean Stratton and Wanda Shive.

Members of the girls choral ensemble are Peggy Lamb, Joyce Wood, Shirley Wheat, Rita Fay Wright, Luan Creighton, Marilyn Miller, Wanda Lou Petty, Lou Ann Nall, Sandra Swartz, Mary Jane Collins, Susan Houser, Jan Masters, Ann Crocker, Kitty Roberts, Patricia Lloyd, Frances Walker Jo Ann Smith, Martha Ann Johnson.

# Big Springers To Have Opportunity To View Original Rowe Paintings

Paintings which have gained national recognition as an important development in modern art—those created by artist Guy Rowe to illustrate the biblical narrative book "In Our Image"—will be shown free to the public in Big Spring.

A three day showing has been arranged by The Herald, through the courtesy of the Oxford University Press, publisher of the book, and Houston Hartle, selector of the Bible stories in the book.

Members of the four Hyperion clubs are joining the newspaper in the display, and will serve as hostesses.

The exhibit will be on the mezzanine of the Settles hotel on Monday, Tuesday and Wednesday, February 27 and 28 and March 1. Hours will be announced later.

Sixteen of the original paintings from "In Our Image" will be shown here. They carry insurance cover-

age of \$25,000, and represent the largest, most important modern art exhibit ever brought to Big Spring.

The paintings will come here following a showing at the Starke Library at the University of Texas, will be displayed in other West Texas towns, then are to go to the Houston Public Library for a showing.

Both subject matter and technique employed by Rowe in creating the biblical characters—all of them famous personages from the Old Testament—have been a matter of much public interest.

Rowe spent a full three years on this project. First, he spent long hours studying the stories involved, and in picturing in his own imagination how the characters should be interpreted.

Next he devoted great search through photographs and all kinds of printed media to find faces to fit what his mind had visualized.

For some characters, he used real-life models. In some of the paintings, he used his own features, in others he used his wife, his son and his daughter-in-law.

What represents a vast departure for the art world is the fact that the biblical characters are pictured in terms of modern-day man, and depart from the old orthodox presentation of those people who lived long before the time of Christ.

Said Rowe himself: "Some people have asked how I know that Gideon (or any other of the characters) looked like I have pictured him. My only answer is how does anybody else know that Gideon did NOT look like that?"

The artist said he studied the people and their backgrounds until they became real, living, contemporary people to him.

Rowe's technique also has been an item of interest. He used animal fats as a basic in his painting material, and did his work on a new transparent plastic material called protectoid. Further, he painted on the back side of this, doing his creations in reverse. A coating put over the painting then serves to give it permanence.

Before undertaking the "In Our Image" project, Rowe had gained distinction for his fine detail work portraits as a cover artist for Time magazine.

The original paintings from the book that has attained a non-fiction best-seller classification are expected to draw large crowds during the three days here.

## Loyce Marie designed this SISTER DRESS for every girl in the family

A dainty beruffled dress of fine dotted swiss; the ruffles are edged in French Val lace, and tiny ribbon bows on front waist and skirt enhance the charm of this creation! The puffed elastic sleeves and ruffled yoke are lace-trimmed, too.

## Mrs. Arbie Childress Named Honoree At Gift Tea Given In Forsan Home

FORSAN, Feb. 11 (Sp) —The home of Mrs. J. B. Hicks was the scene of a gift tea Wednesday afternoon, honoring Mrs. Arbie Childress of Big Spring, Mrs. Childress is the former Wanda Creelman of Forsan.

In the receiving line were Mrs. Hicks, the hostess, the honoree, Mrs. W. T. Creelman, mother of the honoree and Mrs. F. A. Childress, Big Spring, mother-in-law of the honoree.

Mrs. E. N. Baker presided at the hand made bride's book. The book was presented to the honoree by Mrs. Jewell White.

Mrs. Henry Park and Mrs. Jewell White displayed the gifts.

Mrs. C. C. Suttles and Mrs. C. L. King presided at the serving table. Plate favors were an assortment of wedding bells and decorated Valentines.

Co-hostesses for the affair were Mrs. Jewell White, Mrs. C. L. King, Mrs. C. V. Wash, Mrs. E. N. Baker, Mrs. Jesse Overton, Mrs. Henry Park, Mrs. G. D. Kennedy, Mrs. E. C. McArthur and Mrs. C. C. Suttles.

Registering were Mrs. G. W. Overton, Mrs. Pete Green, Mrs. R. A. Fuller, Mrs. W. T. Creelman of Big Spring, Mrs. F. A. Childress of Big Spring, Mrs. A. O. Jones, Mrs. Bob Cowley, Mrs. G. L. Mononey, Mrs. R. A. Chambers, Mrs. J. Newcomb, Mrs. K. L. Boyd, Mrs. M. M. Fairchild, Mrs. Claud Ballard, Mrs. C. R. Martin, Mrs. J. W. Griffith.

Mrs. Robert Kneer, Mrs. Sam Childress, Mrs. Clay Bedell, Mrs. S. J. Newsom, Mrs. Frank Theime, Mrs. S. C. Cowley, Mrs. R. G. Klau, Mrs. L. T. Shotts, Mrs. Lois O'Barr Smith, Eva Smith, Weneka Bedell, Johnita Griffith, and Willie May Rankin of Lorraine.

The Rev. and Mrs. A. L. Byrd honored their son, A. L. Jr., on his ninth birthday with a party Tuesday afternoon.

Outdoor games were entertainment and a recording was made with all the guests taking part.

Red suckers and bubble gum were given as favors.

Refreshments were served to Loretta Overton, Gussy Dea Scud-day, Frances Parker, Judy Masters, Susie Averitt, Linda Kay Camp, Delane Byrd, Tommy Gilmore, Kenneth Duffer, Donald McElreath, Donnie Hedgpeth, Billie Frank Andrews, Ronnie Baker, George White and the honoree.

Mr. and Mrs. W. B. Dunn and Wilma are in Amarillo attending the 41st annual convention of the Tri-State Hardware Implement Association. While there they will visit her sister and husband, Mr. and Mrs. J. H. Fithars.

## Eager Beavers Have Meeting

Members of the Eager Beavers club met in the home of Mrs. Ruth Findley, Room 2, this week. Sewing was the entertainment. Mrs. Connie Washington was named hostess for the next meeting.

Attending were: Mrs. H. D. Bruzon, Mrs. Dick Hooper, Mrs. Neva Jones, Mrs. Lois Johnston, Mrs. Evelyn Kendrick, Mrs. Lois Jurgens, Mrs. Sarah Findley, Mrs. Jennie Barber, Mrs. Connie Washington, Mrs. Mary Ross, Mrs. Cynthia Claynes, Mrs. Virginia Bryson, Mrs. Clara Taylor, Mrs. Lolla Grimes and a guest, Mrs. Faye Coov.

## RIBBON RAMBLINGS

By Mildred Young

It's rather amazing just how good or how bad you can feel early in the morning. Heard someone remark the other day that they were driving to work on one of those rare mornings when they had gotten enough sleep the night before. They said they were shocked at just how beautiful things could be in the early morning.

All of us miss a lot of beauty because we go around about half cross. We are busy or tired or disgruntled or just interested in something else.

We'd mean a lot more to ourselves and to others, if we just took the time to enjoy the things around us.

Took the time the other day just to sit down and "cool our heels" for a few minutes. Like nearly everyone, we got up in the morning just in time to get to the office, all day long and we get home in the late afternoon just in time to take off for this, that or the other meeting or program which we are supposed to attend. While at home we have letters to write, clothes to wash, some personal writing that we have been trying to do for a year and any number of a dozen other things. We'll agree that the really busy person doesn't say anything about it, so we are probably not so busy. But we still think that we and a lot of other people would get more things done a lot quicker if we took the time to think our way through them instead of jumping from one idea to the next. There are those who seem to think that we're past the days when we can ever take a few minutes and really call them our own. But there's still a will among human beings and they can still take the time to do the things they really want to do. And they still will.

## Couples Class Has Social At Church Friday

The Couples Class of the First Methodist church convened at the church Friday for the monthly social. The men members of the class directed the games and served the refreshments.

A treasure hunt highlighted the entertainment. First prize was awarded to the J. A. Jolly group when they produced a 24 inch horse hair.

Attending the affair were Mr. and Mrs. Rosie Dobbins and Beverly, Mr. and Mrs. Ted McLaurin and Lynette, Luella Hester, Lina Flewellen, Mrs. Pete Kling, the Rev. Algie Carleton, Mr. and Mrs. J. A. Jolly and David and Tim, Mrs. John Nobles and Cindy, Mr. and Mrs. Dean Bennett, Skeet and David, Mr. and Mrs. W. H. Gray, Mr. and Mrs. R. H. Wardell and Linda, Mrs. Garland McMahan and Bernard, Garland and Pat, Mr. and Mrs. Bert Shive and Jerry Bob and Don, Mr. and Mrs. L. R. Saunders and L. R., Jr. and Rita Faye, Mrs. W. J. Ashcraft and Robert and Richard, Mr. and Mrs. Howard Salisbury and Ann and Betty, Mrs. Dan R. Byrnes, Mr. and Mrs. Arnold Marshall and Nancy, Mr. and Mrs. Ted Henry and Tommy and Danny, Mr. and Mrs. E. S. Allen and Lynn and Jim, Mrs. Kenneth Luckett and James and Kenny, Mr. and Mrs. Martin Stagg and Timmy and Richard.

## Happy Stitchers Meet On Friday

Happy Stitchers met in the home of Mrs. James Abbe Friday to complete a club quilt. The quilt will be given away at a party to be held in March.

Mrs. Ben Daugherty, 403 Temperance, will be hostess to the meeting scheduled for next Friday.

Attending were: Mrs. Varnell Johnson, Mrs. Preshing Martin, Mrs. Ben Daugherty, Mrs. Robert Sneed and a visitor, Mrs. Charles Cooper.

## Presbyterian Youth Have Valentine Party

First Presbyterian Youth Fellowship members held a hamburger fry and Valentine party on Thursday. Games were played.

Those present were: Judith Beene, Anita Forrest, Peggy Carter, Ann Brown, Shirlene Walker, Joann Touchstone, Weldon Low, Ray Adams, Richard Laywell, Bobby Wheeler, Tommy Porter, Billy Wheeler, James Fannin, Jack Little, Dale Barrington, John Dorsey, Penny Ruhnmann and the sponsors, Mr. and Mrs. Ralph McKensie.

## HI-TALK

By Dolores Franklin

The Hi-Y and Tri-Hi-Y clubs met Monday night and enjoyed a program of singing under the direction of J. B. Langston of the First Baptist Church. He led both clubs in several songs, and then both clubs adjourned into business meetings. The Tri-Hi-Y revised its roll, and discussed plans for a YMCA conference to be held in Amarillo in March. Local club quota is 25. Among those attending the meeting were Peggy Toops, Jeannie Stratton, Kitty Roberts, Ann Crocker, Susan Houser, June Cook, Dolores Franklin, Shirley Wenter, Janelle Beene, Judy Beene, Alma Crittenden, Marianna White, Mary Frances Noman, Martha Clara, Sandra Swartz, Martha Ann Johnson, Jody Smith, Jeff Hama, Woody Wood, Wayne Bartlett, Lawrence Wilson, Elliott Lawrence, Jackie Jennings, Rodney Staggs, Frits Smith, Allan Conley, James Daniel, and sponsors Mrs. M. A. Cook, Mrs. E. Patton, and L. E. Milling.

In the Odessa Invitational volleyball tournament. The team had played two practice games earlier in the season with Forsan. Those girls attending the tournament include: Sue Craig, Patsy Kiser, Mackey Dee Younger, Joy Jordan, Barbara Dehlinger, Mona Lee Walker, and Fattie Mae Clanton. Miss Arah Phillips and Miss Ann Smith. There will be a practice bout between the Big Spring speech department and the Midland speech department. Midland will bring three or four debate teams, declaimers, and extemporaneous speakers.

Students attending a typing and shorthand practice meet in Midland yesterday include: June Cook and Dolores Franklin for shorthand; and Lois Ann Hall, Kitty Roberts, Jeannie Stratton, and Jo Bladsoe for typing.

### Forsan Service Club Reviews Its History, Looks Ahead At Banquet

FORSAN, Feb. 11. (Sp.)—Members of the Forsan Service club took an inventory of things accomplished and looked ahead to new goals, as they gathered at the school cafeteria for a third anniversary banquet. Wives of the club members were honor guests for the occasion, and approximately 125 persons were in attendance.

Dr. P. D. O'Brien of Big Spring was the principal speaker. Lauding the club for its accomplishments and spirit of cooperation, Dr. O'Brien stressed essentials to the success of an individual, an organization or a nation. These, he said, are vision, enthusiasm, courage and optimism.

History and objects of the Forsan organization were given by C. V. Wash, who explained that the unit works to develop an intelligent and serving citizenship; to provide a means of providing fellowship while rendering service; to cooperate with all civic agencies in development of high community idealism; and to quicken appreciation of human and spiritual values.

Glen Whittenburg reviewed some of the accomplishments of the club during its three years. These included active sponsorship of program for building of new Forsan school and gymnasium; sponsoring of Boy Scout troop; providing equipment and supplies for the Scouts; sponsoring of American Legion baseball team and independent basketball club; sodding of high school football field; contributions to such welfare funds as Texas Disaster Fund, March of Dimes, Red Cross, Boy Scout Ranch, and local welfare work.

Jack Wise was master of ceremonies, and past presidents of the club, who serve six months each, were recognized.

Musical selections included piano numbers by Miss Deryl Miller, and numbers by the Forsan high school girls' chorus. Mrs. Jack Wise gave a response for the wives. Invocation was by J. D. Gilmore, and C. V. Wash gave the benediction.

The Valentine theme was emphasized in decorations. Red and white streamers decorated the center of longer tables, and the color scheme was followed in flower arrangements of red carnations and white stock and white candy-luff.

Favors for all the ladies present were varicolored jars of sachet creams.

### Deats Purchases Interest In Local Feed & Seed Firm

Announcement of acquisition of an interest in the John Davis Feed & Seed Store by Wesley Deats was made here Saturday.

John Davis, who founded the store on Aug. 1, 1926 at its present location at Second and Benton streets, said that he had sold an interest in the business to Deats.

The concern, distributor for Purina foods, is to be known as the Davis & Deats Feed and Seed store. Deats has undergone special training at Purina's experimental laboratories and farm. A life long resident of Big Spring, he is the son of Dr. and Mrs. C. W. Deats.

BERGMAN DIVORCE DECREE DELIVERED—Film Actress Ingrid Bergman's Mexican divorce decree from Dr. Peter Lindstrom was signed in Juarez, Mexico. First Civil Court Judge Eugenio Calzada Flores (seated) hands the decree to Javier Alvarez (center) and Arturo Gomez-Travino of the Mexican legal firm who handled the action in Juarez. (AP Wirephoto).

### Rossellini Says U. S. 'Stromboli' Not His

ROME, Feb. 11. (U.)—Roberto Rossellini said tonight that his controversial film Stromboli, as it will be shown in the United States, "is not my picture."

Stromboli stars Ingrid Bergman, whom Rossellini plans to marry. The birth Feb. 2 of her baby son, called Roberto, is to be registered in Rome's Bureau of Vital Statistics tomorrow. Rossellini's attorney announced. The film director himself said: "Perhaps tomorrow."

Rossellini told a news conference: "I feel duty bound to inform the American public I now presume that, in the United States, RKO will release its own version of Stromboli, which differs substantially from my original picture as it will be shown in other countries of the world."

The director, a specialist in realism, said he has repeatedly asked RKO to give "positive assurance that the version of the picture which will be shown on American screens will be identical to the one prepared by me in Italy and shipped to Hollywood," but has not received an answer. The picture is to be released in American theaters Feb. 15.

Rossellini said he would insist that if the picture is shown in revised form the name of Chief RKO Editor Werker be liberally credited.

Rossellini reiterated he plans to marry Miss Bergman "as soon as possible" after her decree of divorce from Dr. Peter Lindstrom of Los Angeles arrives here from Juarez, Mexico.

He told reporters Miss Bergman will remain in the Villa Magherita Hospital a few more days because two maids in the Bergman apartment have influenza.

"I don't want to endanger the health of either Miss Bergman or her child," he said.

The film director added the baby had been named "Roberto Giusto Giuseppe." He said that the second name "Giusto" means just. "We certainly hope he gets justice," he joked.

### Ochoa Property Seized Pending Outcome Of Suit

LAREDO, Feb. 11. (U.)—George Ochoa, charged with murder and for months center of an international tug of war, had more troubles today.

Personal property worth about \$10,500 was attached pending outcome of a suit involving the murders.

Taken into custody, according to Deputy Sheriff Porfirio Flores, was \$8,000 in United States and Mexican cash. Other personal property valued at \$2,500 also was attached.

The attachment involves a \$35,000 damage suit filed against Ochoa by Mrs. Emma Low Tigha, mother of James Lindsay, Jr., one of the murdered men.

Ochoa is charged with murdering Henry D. Whittenburg, 31, South Texas glenner. He is wanted for questioning in the slaying of Lindsay, an Air Force corporal from Oneida, Tenn.

Both men were killed with the same pistol on different floors of a Laredo hotel last July 31. Ochoa has been reported seen on both sides of the U. S.-Mexican border. Attempts have been made to extradite Ochoa but Mexican authorities say they are unable to find him.

The property attached today was placed in custody of Sheriff Joe C. Martin. Trial of the damage suit has been set for March 27.

### Army And Air Force Training School Held Here Saturday

The first in a series of monthly training schools was held here Saturday for Army and Air Force recruiters of the Big Spring area.

Col. John F. Taylor, commander of the Big Spring Recruiting Main station, was in charge of the all day program which was attended by 15 men from the 11 sub-stations in the Big Spring district. Other Main station personnel participated in the training session.

Capt. Harold Sandford discussed the preparation of reports. Lt. Robert L. Gilliam outlined proper administrative procedure for recruiting stations, and Capt. Walter J. Aloniz showed films on recruiting salesmanship and discussed supply and motor maintenance problems.

Sgt. Ernest E. Runyan spoke on a schedule of public information activities.

The training sessions are to be held once each month for the recruiting personnel under the supervision of the local Main station, Col. Taylor said.

Sub stations at Midland, Odessa, Marfa, Monahans, Del Rio, San Angelo, Eagle Pass, Lamesa, Snyder, Sweetwater, and Brownfield were represented Saturday.

### Independent Loop Session Is Set

The future of the Tri-County baseball league, which has two successful seasons behind it, will be discussed next Sunday at a meeting of all parties interested in fielding a team in the 1930 independent circuit.

The convlave, set to begin at 2 p. m., will be held at the Settles hotel.

Six teams competed in the circuit last year and President Jack Lamb has expressed hope that at least that many will play this year.

ours alone

February 14

On Valentine's Day, everybody's fancy lightly turns to thoughts of love. It's just as true with the grade school kids as it is with the older ones who may be thinking of purchasing wedding rings. The Valentine spirit already is muchly in the air.

**FAIR TRADE** — Haskell William Wright, Jr., son of Mr. and Mrs. H. W. Wright, Sr., gets a little ahead of schedule as he trades Valentines with Janet Kendrick, daughter of Mr. and Mrs. J. D. Kendrick. They are pictured at top left.

**MAKING LIKE CUPID?** — "I claim you," Jerry White might be saying to Charline Smith in the second left photo. They are Airport school pupils. Jerry is the son of Mr. and Mrs. L. A. White, Charlene is the daughter of Mr. and Mrs. C. W. Smith.

**DON'T LOOK NOW** — Mrs. J. W. Arnett, teacher at College Heights school, might not be so pleased with the Valentine she is receiving from Teddy Groehl, son of Mr. and Mrs. Ted O. Groehl, if she could see that comic offering he is hiding. (Third left photo).

**SPECIAL DELIVERY** — Lou Franks (center photo) daughter of Mr. and Mrs. Robert Franks, seems pleased to find some Valentines in her box at the class's special Valentine postoffice.

Valentine's Day

Valentine's Day for the younger generation is not limited strictly to thoughts of Cupid, but brings opportunity for some creative work, all in the cause of friendly sentiment.

**ARTISTS** — That might be the word for Charles Leslie Wilson and Pansy Myrick, pictured at top right. They are students at North Ward, the children of Mr. and Mrs. Silas Wilson and of Mr. and Mrs. Joe Myrick.

**NOT FOR TEACHER** — An apple makes a nice Valentine gift, if lacy hearts are not available. The presentation in second right photo is from Ross Plant, son of Mr. and Mrs. Burke Plant, to Nancy Ratliff, daughter of Mr. and Mrs. J. J. Alexander. They go to Airport school.

**ADDRESSEE UNKNOWN** — Somebody is going to get a fancy Valentine from Robert Prichard, son of Mr. and Mrs. Monk Prichard. He is mailing his Valentine in the decorated mail box at West Ward school. (Third right photo).

**DECORATORS** — Putting the finishing touches on one of the many bulletin boards which are carrying out the Valentine theme at the schools are the decorators shown in bottom photo. They are East Ward students, Dan Coyle, son of Mr. and Mrs. J. O. Coyle, and Rex Appleton, son of Mr. and Mrs. Eldon Appleton.

**LEWIS ZAFRAN**  
**TO EAT CHICKEN AND CHILI**  
**Herald Carriers To See Magic Show**  
 Some 30 young fellows who operate Herald routes in the city will eat chicken and chili Monday night—but nobody knows yet who's gonna eat what.  
 A dinner program which will be highlighted by a super magic show staged by Lewis Zafran, Fort Worth, Pioneer Air Lines regional traffic and sales manager who has a wide reputation as a top-notch amateur wizard of magic.  
 It's all the climax of a contest staged by the Herald circulation department. The carriers were divided into two teams—West Siders and East Siders—and competed for two and a half weeks on a service contest that included points for new subscribers, for no-complaint delivery service, for prompt payment of bills and for prompt attendance at crew meetings.  
 The winning team eats chicken Monday night, the losers eat chili. Announcement of the victorious team will not be made until the boys gather for their party at the Settles.  
 The East Side team has been captained by Gene Bledsoe, the West Siders by Jackie Gilbert. Both squads have turned in high scores on new subscribers, both have rendered service on such a basis that voluntary phone calls have come into the Herald office complimenting certain carriers.  
 Zafran, who has made a big hit with other audiences in the city, comes here again through courtesy of Pioneer. He has entertained over a half-million people since he was nine years old, when his father showed him a few simple tricks. At 10, he saw the great Thurston perform, and that was the clincher. He has been a zealous worker at the art of prestidigitation ever since.  
 The Herald "little merchants" have decided that even the chili eaters will have a big evening.

**Commodity Price Index Advances**  
 NEW YORK, Feb. 11.—The Associated Press index of 35 important wholesale commodity prices this week advanced to 161.07 from 160.00 a week ago, and compared with 165.76 a year ago.  
 The base year of the index, 1926, equals 100.  
 All commodity groups shared in the advance except non-ferrous metals which held unchanged.

**B&PW Sets Bosses' Banquet For Thursday**  
 The Business & Professional Women's club will hold its third annual Bosses' banquet next Thursday.

# 'Cool Stars' Are Believed To Have Prompted H-Bomb

By FRANK CAREY  
 Associated Press Science Writer  
 WASHINGTON, Feb. 11.—"Cool stars" may have prompted American hopes for perfecting a hydrogen bomb.  
 These stars are cool only when compared with the colossal heat of the sun. But it's just that fact which may have pointed the way to making the H-bomb a practical weapon.  
 All the unofficial theory has contended that a temperature of at least 22 million degrees would be needed to explode the hydrogen in an H-bomb.  
 That theory, suggesting the use of an orthodox atomic bomb as a "booster" for the H-bomb, is based on this fact:  
 The sun, which has been firing its superatomic furnace with hydrogen energy since time began, has an internal temperature of 22 million degrees.  
 But there are stars in the heavens called "red giants" which stay in the energy-production business with a temperature of only 1 million degrees.  
 Dr. Hans Bethe of Cornell, who first conceived the theory that the sun and the stars derive their energy from a reaction involving hydrogen, referred to these million-degree "red giants" in testimony before a Senate committee several years ago.  
 He said these cooler stars are supposed to derive their energy from a reaction involving "heavy hydrogen"—a heavier form of hydrogen atom than the one utilized by the sun in generating its nuclear energy.  
 "Heavy hydrogen," called deuterium, is one of the things the Atomic Energy Commission is studying thoroughly. It's also devoting research to a still heavier form of hydrogen called "tritium."  
 Assuming they developed a bomb employing either of these types of hydrogen—and "built in" a regular atomic bomb as a primer to provide the triggering-temperature—the scientists might conceivably achieve this result.  
 The built-in bomb, with a blast at exploding temperature of at least 20 million degrees, would have 20 times the potential heat necessary to touch off the "heavy" hydrogen atoms.  
 The excess of 19 million degrees might be a key to the short-cut needed to duplicate in a bomb the process that goes on in the stars.  
 In the sun, the process of "fusing" hydrogen atoms to produce helium—and the release of nuclear energy—requires about 5 million years, and the aiding action of other elements like carbon and nitrogen.  
 In a bomb, the whole process must take place in a split second. That extra terrific heat might do the trick—thanks to the example of those refrigerator stars, twinkling away millions upon millions of miles from a bomb-conscious world.

**Local Sheriff's Posse To Ride In El Paso Parade**  
 Members of the Big Spring Sheriff's Posse Parade group are to leave Tuesday for El Paso where they will ride in the Mid-century Parada Del Rancheros Wednesday.  
 At least 15 local Possemen will make the trip, Elton Taylor, lieutenant in charge of the horsemen, said. The Parada Del Rancheros is to be the opening feature of the Southwestern Stock Show and Rodeo to be held in El Paso next week.  
 A trophy is to be presented to the best mounted organization in the parade, Dave Hill, president of the El Paso Sheriff's Posse which is sponsoring the event, told local possemen.  
 A breakfast is to be served visiting horsemen Wednesday by the El Paso Posse. The Parada Del Rancheros is scheduled for 3 p.m.

## Here's where Thrift and Glamor meet

Recognize this sprightly traveler?  
 Yes, it's the Buick SPECIAL 6-passenger Sedanet that has caught the public fancy not only on its sleek lines, but on its easily-reachable price.  
 But notice anything new on it?  
 That's right — gleaming trim and the name plate "SPECIAL" brightening up the fenders. Brightwork around the windshield and windows, too. And when you swing the door open you'll see still other touches of added luxury—side armrests, front and rear, a robe rail, an extra ash tray.  
 It's all still mighty thrifty, because this strapping straight-eight sells for less than many sixes.  
 Why not drop in and see for yourself, both how these added touches dress up this SPECIAL and how close it is in price to cars of much less room, riding comfort, standing and performance.  
 Your dealer will be glad to see you — glad to show you how this traveler handles—glad to sign you up for prompt delivery.

**Features Like these mean BUICK'S THE BUY**

- HIGHER-COMPRESSION Fireball valve-in-head power in three engines, big hp ratings. (New V-823 engine in SUPER model.)
- NEW-PATTERN STYLING, with bumper-guard grille, tear-through fenders, "double bubble" taillights.
- WIDE-ANGLE VISIBILITY, close-up road view both forward and back.
- TRAFFIC-HANDY SIZE, less over-all length for easier parking and maneuvering, short turning radius.
- EXTRA-WIDE SEATS cradled between the axles.
- SOFT BUICK RIDE, from oil-coil springing, safety-ride rims, low-pressure tires, ride-steadying torque-tube.
- DYNAFLOW DRIVE standard on all ROAD-MASTERS, optional of extra cost on SUPER and SPECIAL series.
- WIDE ARRAY OF MODELS with body by Fisher.

Frugal in other ways too — gas mileage, for instance, is surprising so many people they are writing us in delight about it.  
 But here we've added extra glamor. Stepped up, at small step-up in price, the luxury look and surroundings of cars that would normally be much higher.

**DYNAFLOW DRIVE? MORE, AT 240 LESS THAN BEFORE!**

Dynaflow Drive is available as optional equipment on all 1950 Buick SPECIALS. The extra cost is now \$40 less than originally, putting the class luxury of this super-smooth transmission within all motorist's reach.

WHAT EVER YOUR PRICE RANGE

College Heights Quint Affairs Ward Finals

College Heights moved into the finals of the Seventh Grade championship play of the Ward school basketball tournament by drubbing North Ward, 28-17, at the high school gymnasium Saturday.

LOOKING 'EM OVER

Popular, Al Valdez won't be back to handle the Big Spring Bronco's pitchers in the coming Longhorn baseball league race. Al has been ordered to report to Sherman-Denison of the Class B Big State league for the 1950 season.

ANGELO FAN LIKES CUBAN PLAYERS

Here is the kind of letter we like to get and delight in printing. It comes from Joe Boggs, Box 111, San Angelo.

HARV PALMER DOESN'T LIKE CAGE RULE

The Big Spring high school baseballers play a practice game with Snyder next month. The Snyder mentor is Speedy Moffett, the one-time Steer football coach.

FOR GRIDDERS Spring Workouts Begin Wednesday

Spring football drills will get underway at the local high school Wednesday afternoon, Coach Carl Coleman has announced.

Workouts will continue through Friday, March 24, the limit prescribed by Texas Intercollegiate league rules, and will probably be climaxed by a game between the 1949 team and the seniors who depart the school in May.

Coleman is still trying to book two games to complete the 1950 schedule. The Steers are ready to play on Sept. 22 and Oct. 20, Carl says he would prefer that both contests be played away from home, since the Longhorns already have five home contests.

Cluck's Horses On Hand Here

Newest arrival at the Sheriff's Possé grounds here is Eldon Cluck of Dalhart, who is setting up training headquarters for the April 23 Big Spring Futurity.

Gavilan Snorts Over Reversal

NEW YORK, Feb. 11. (U-P)—Kid Gavilan's camp is blowing a gasket about the Cuban Keed's upset loss to Billy Graham.

Reversed Decisions Favors Fred Wilt

NEW YORK, Feb. 11. (U-P)—G-Man Fred Wilt, and not Wisconsin's Don Gehrmann, won that thrilling 4-08.3 Wanamaker Miles here two weeks ago.

SNEAD HAS 63

# Fred Haas Retains Lead In Texas Open Tourney

SAN ANTONIO, Feb. 11. (AP)—Fred Haas, Jr., the New Orleans club man, clinched a two-stroke lead as the \$10,000 Texas Open swung through its third round today.

Coming in last, Haas laid down a five-under-par 66 to make his total for 54 holes 190.

Even a competitive course record by Sammie Sammy Snead, the drawing West Virginian, was not enough to kick the dogged Haas off the top rung.

Coming from six strokes back, the St. Louiser turned in a round of 33-eight under-par over Brackenridge Park's 6,400 yards—that brought him a total of 202.

But Snead didn't make the runner-up spot even, with that outburst of sensational golf.

Moving into second place was smiling Jimmie Demaret of Ojai, Calif., who shot a 66 and brought his total to 201.

A gallery of 6,000 followed the grim-faced Snead as he plodded along the course in a round of 33-eight under-par over Brackenridge Park's 6,400 yards—that brought him a total of 202.

Metz had a 69 today and has a total of 54 holes of 206.

Cary Middlecoff, the National Open champion, shot a blistering 64 to move into fourth place a stroke back of Snead.

Exactly 30 of the 67 players who started the third round bettered regulation figures of 36-35-71.

The final 18 holes will be played tomorrow with 32,000 first prize money and \$1,400 for second.

Snead, who is the leading money winner of the year, had only 29 putts today with eight one-putts greens.

Haas said he still was extra good with his driver and that he was sinking putts with reckless abandon. He is seeking his third tournament victory in two months.

Demaret hit all greens, remarking that he hadn't missed one in the last 36 holes.

## Hawks One Of Eight Teams In Tourney

COLLEGE STATION, Feb. 11. (AP)—Three more teams have accepted invitations to the Third Annual State Junior College Basketball Tournament, completing half of the 16-team field for the meet to be held here March 1, 2 and 3.

Joining the field today were San Angelo, Howard County Junior College of Big Spring and Wharton J. C. Invited previously were Del Mar of Corpus Christi, Amarillo, Tyler, Allen Academy and Lon Morris.

## GRIMM HIGHEST PAID

# Texas League Boasts Top Array Of Pilots

DALLAS, Feb. 11. (AP)—The greatest array of managers in minor league baseball is what Texas League President J. Alvin Gardner calls the eight men who'll bow clubs in the Class AA circuit this season.

Chasley Grimm, Rogers Hornsby, Joe Vosmik, Sully Parker, Kemp Wiler, Al Vincent, Bobby Bragan, Don Hansen are the eight.

Grimm and Hornsby are the "HORNSBY" names,

but the other six have solid reputations, both as players and as managers.

Highest paid is Grimm, Dallas manager. He quit as a vice-president of the Chicago Cubs to sign a three-year contract at \$300,000 per year.

The next highest paid probably is Hornsby, famed former slugger and manager of the St. Louis Browns, turned in a 29 on the back nine to tie a record made by many in the 23 years the Texas Open has been held.

A stroke behind Middlecoff was George Fazio of Conshohocken, Pa. who had a 65 today.

Fred Hawkins of El Paso, with a 69 and Metz deadlocked for sixth place.

It was another par-shattering day—despite the fact that there was a misting rain much of the time.

Exactly 30 of the 67 players who started the third round bettered regulation figures of 36-35-71.

The final 18 holes will be played tomorrow with 32,000 first prize money and \$1,400 for second.

Snead, who is the leading money winner of the year, had only 29 putts today with eight one-putts greens.

Haas said he still was extra good with his driver and that he was sinking putts with reckless abandon. He is seeking his third tournament victory in two months.

Demaret hit all greens, remarking that he hadn't missed one in the last 36 holes.

All of these men have a wealth of experience as managers and players.

Bragan is a playing manager, catching most of Fort Worth's games, while Vosmik will pitch him once in a while.

Hornsby, who hit .424 for the Cards in 1934 and topped 400 three times in his playing career, has a chance to refinance his stock as a manager. Beaumont has been a fixture in the second division for the last couple of years.

The famed Rajah will get a first look at his new charges March 3, when the Exporters open spring training. So far he's made no predictions as how he'll fare in his third tour of duty as a Texas League manager.

Grimm, known far and wide for his clowning antics on the diamond, has a hard task. He must add a sprinkling of veterans with "hookers" in what Jimmy Adair called them, are blamed for the exit of Adair and of Vincent from the Dallas managerial post.

Burnett tried to "buy" a pennant last year with a high-priced collection of veterans. This year he decided to "build" for one, with Grimm as the master carpenter.

Roy Baird's local fought the Odessans tooth and nail until Raymond Gistrap fouled out early in the fourth quarter.

Gistrap crammed in 14 points and was a standout on defense. His all-around show staked Big Spring to a 24-23 advantage after three periods of play.

## Futurity Nags Run At Posse Grounds Today

A big pre-Futurity racing program is scheduled for the Beehive's Posse racing grounds west of the city this afternoon. The show gets underway at 2 p. m.

There's to be a series of sprints at 350 yards, between two-year-olds of the Roden Stables and two of three nominees from the Jim Derrick-Jake McSpadden string of Carlisle, N. M.

Each owner reserves the right to name any of three for each race.

Hy Dale, Hy Pink and Cheri Mac are the Boden Futurity eligibles who are prepared to go the 440 yards today. The New Mexico owners will start two from the following: Orto Ver, Just Vee and Jimmy D.

Hy Dale is by Hygro out of Blondale, Hy Pink by Hygro out of T. B. Mare and Cheri Mac by Joe Mac R out of Cherieca.

Orto Ver's sire was Just Again and dam Quada II. Just Vee had the same papa and Chicano (see a dam while Jimmy D is by Just Again out of Dilly The Filly).

A \$50 added purse will be proffered the winner of a quarter-mile race, the Futurity distance, on Sunday, Feb. 19. Entries will pay \$5 plus an additional \$20 if they go to the post. Entry deadline for that event is midnight tonight. Only two-year-olds are eligible.

## Sophs Troupon Odessa, 31-26

Wayne Bonner's Big Spring high school C basketball team handed the Odessa C team a surprise package in an exhibition played here Friday afternoon, rallying in the second half for a 31 to 26 triumph.

Richard Frann pulled the locals to victory, hitting for ten points, while Speck Franklin played a creditable defensive game before he fouled out in the fourth round.

The Dogies made ten points in a big fourth quarter to win going away.

Odessa managed to salvage something from its trip over here by winning the preliminary game from the Yearlings, 20-22.

Roy Baird's local fought the Odessans tooth and nail until Raymond Gistrap fouled out early in the fourth quarter.

Gistrap crammed in 14 points and was a standout on defense. His all-around show staked Big Spring to a 24-23 advantage after three periods of play.

# Coahoma Bulldogs Win 23B Basketball Championship

## Sterling Edged In Last Game

FORAN, Feb. 11.—Coahoma's Bulldogs trounced the Sterling City Eagles, 54-41, to win the District 23B basketball tournament here Saturday night and earn the right to meet the Stanton Bulldogs in a special playoff for the crown.

The two teams will tangle again Friday night in Coahoma. If a third game is needed, it will be played in Foran Saturday evening.

Coahoma nudged Foran, 33-25, in the semi-finals Saturday afternoon while Sterling was getting past Courtney, 33-22.

Named to the all-district team were Don Barnes, Knott; Leroy Gibson, Stanton; Ken Hanson, Stanton; Virgil Bennett, Foran; Bill Bennett, Coahoma; Ed Dickson, Coahoma; Dickman was the only unanimous choice.

## Three Rings Edges Coaltown In Miami

MIAMI, Feb. 11. (AP)—Mrs. E. L. Hopkins' Three Rings fought a grueling battle to win over heavily-weighted Coaltown, the Calumet speedster, in the \$25,000 added McLennan Handicap at Hialeah Park today.

Royal Governor was second and Coaltown third.

Bradford, 34, was one of two assistants not rehired at Navy. Sauer quit as head coach there because of this. He will serve as backfield coach.

Michaelis, former Penn State lineman and pro football player, will be line coach.

Rogalski was the other assistant to Sauer who was not rehired by Navy.

Bradford, former Alabama gridder and major league baseball player, served as Sauer's assistant coach at Lafayette College, as head coach at Iowa State and as line coach of the Baltimore Professional football club.

Other Baylor assistants are Jim Crow, assistant athletic director, Bill Henderson, Pats Jones, and Jack Wilson, all veterans of the Baylor staff.

Sauer was named head coach at Baylor recently to replace Bob Woodruff, who accepted a job as athletic director and head coach at the University of Florida.

## Ponies Clinch Tie For Crown

BROWNWOOD, Feb. 11.—The Sweetwater Mustangs clinched a tie for the District SAA basketball title here Saturday night by thumping the Brownwood Lions, 41-33.

Doyle Brunson and Ronald Fryling led the Mustang offensive attack by splitting the threads for 10 points each.

The Sweetwater quintet boasted a 23-14 advantage at half-time. The Lions made a game of it in the second half, however, pulling up within three points of the victors with eight minutes to go.

Odessa Plans Meet

ODESSA, Feb. 11.—Odessa's second annual tennis tournament for high school and junior high school boys and girls will be staged March 10 and 11, it has been announced.

First and second place winners in all divisions will be awarded medals.

## JAYHAWKS BATTER WAYLAND, 51-41

Wayland's crack basketball legion, long on talent but short in numbers, dropped a 51-41 upset decision to Howard County Junior college in an exhibition staged here Friday night.

Of the seven men Coach T. K. Criswell brought down from the school, four of them departed the game via foul.

The local collegians took full advantage of the situation, however, and quickly pulled away from the Baptists.

Wayland's quintet became a quartet in the last eight minutes of the struggle but the guests hung on gamely until they lost Bill Gambill five minutes later to the

GARDEN CITY, Feb. 11.—Preparations are about complete for the annual Glasscock county 4-H and FFA livestock show here Friday.

Religious Census To Be Launched In Big Spring Today

Several hundred members of Big Spring churches are to launch city-wide religious census this afternoon.

Standouts Back For Track Meet

The district 90B track and field meet, with teams entered by Knott, Forsan, Courtney, Coahoma, Stanton, Sterling City and Garden City, will probably be here April 8.

Painters Local To Hold Banquet At Crawford Tuesday

Fourth annual banquet of the Painters Union Local 1431 will take place at the Crawford hotel beginning at 7:30 p. m. Tuesday.

FLIGHT STEWARD FALLS TO DEATH

NEW YORK, Feb. 11.—A 28-year-old flight steward was jerked or blown from a trans-Atlantic strato-cruiser 8,000 feet above Long Island early today and plunged to certain death.

Negro Rescued

HOUSTON, Feb. 11.—A 26-year-old Negro laborer, Albert Carter, was rescued today after being buried two hours beneath mud in a 21-foot sewer ditch.

INDO-CHINA NEXT IN LINE FOR AID

WASHINGTON, Feb. 11.—With Indonesia set for a new \$100 million U. S. credit, Indo-China was chalked up today as the next Communist-threatened Asiatic region in line for American dollar help.

36 HEREFORDS TO BESOLD Livestock Auction Set Here Monday

Thirty-six top breeding animals consigned by members of two registered Hereford groups will go on sale at the West Texas Livestock Auction barn here at 1 p. m. Monday.

Big Spring Bank President To Join 'Flying Squadron'

R. T. Piner, president of the First National Bank and chairman of the 7th district, Texas Bankers Association, will this week join a "flying squadron" of bank leaders who will attend various district meetings.

Rodeo Stockholders To Meet Wednesday

A special meeting of Big Spring Rodeo Association stockholders has been called for Wednesday night, Tom Good, president, has announced.

City Commission To Discuss Water, Sewage

Proposed program for water and sewage line extensions will probably come up for discussion at the regular meeting of the city commission Tuesday, City Manager H. W. Whitney indicated Saturday.

Rape Suspect Freed

HOUSTON, Feb. 11.—William Frank Holland, 37, Friday was acquitted on a charge of raping a 12-year-old girl. The jury deliberated 35 minutes.

Oil Jobbers Name New Secretary To Serve State

George W. Hofmayer of Indianapolis, Indiana, has been named secretary of the Texas Oil Jobbers Association, according to an announcement by E. E. Bennett, of Longview, president of the Association.

Reporter Succumbs

WASHINGTON, Feb. 11.—Howard Dobson, 36, Associated Press congressional reporter, died of cancer last night at Mt. Alto Veterans' Hospital here.

Baseball Parley Scheduled Soon

A meeting will probably be called within a week for the purpose of drawing up a District MAA baseball schedule for the spring.

Oil Jobbers Name New Secretary To Serve State

George W. Hofmayer of Indianapolis, Indiana, has been named secretary of the Texas Oil Jobbers Association, according to an announcement by E. E. Bennett, of Longview, president of the Association.

Schools Taxed By Growing Pains At Colorado City Striplin Announces New Residential Area Opening Here

COLORADO CITY, Feb. 11.—Colorado City's growing pains are affecting the schools. With 130 new students enrolled since the first of the year, already over-taxed school facilities have been further complicated.

Opening of a new area for residential development has been announced by Fox Striplin, who has planned several additions within the city.

It will be his North Parkhill addition and is between the Park Hill area, one of his sub-divisions north of Edwards Heights, and the West Ward school area.

The tract, containing approximately 20 acres, has been replatted, included are approximately 12 blocks of varying sizes, containing from two to 13 lots. The lots have a minimum of 60 feet width, but most average 70 feet and above.

Mr. Striplin said that one portion of the North Park Hill section would be reserved for larger type homes, but that the plat made adequate provision for average construction.

Two principal arteries are shown, one being Douglas street, now open, and the other Pennsylvania, which will join Ayford above W. 9th. Laterally, 15th, 14th, and 13th streets are slated for openings.

Miss Hobbs Files For Glasscock Treasurer

GARDEN CITY, Feb. 11.—Melba D. Hobbs has announced that she will be a candidate for the office of county treasurer of Glasscock county.

She will enter the Democratic primary in July. A long-time Glasscock county resident, she has served as deputy tax collector for several years. Prior to that time she was secretary to the school superintendent.

# Canyon Strike Made In Southeast Borden

## Wildcat Northwest Of Vincent Flows 24 Barrels In 30 Minutes

New flowing production, probably from the Canyon line, appeared to have been discovered in southeastern Borden county Saturday.

George P. Livermore, Inc., Lubbock, No. 1 Reinecke, five and a half miles southwest of the nearest completed well in the Canyon formation, rated 24 barrels of pipeline oil in 30 minutes on a drillstem test Friday evening. Operator was pulling testor and indications were that he would compete at 6,784, bottom of hole.

The test was from 6,784-84 feet. Top of the section was picked at 6,754 feet, giving it a datum minus of 4,406 feet. This is 81 feet high to the Canyon in the Amerada No. 1 Von Roder, discovery five and a half miles to the northwest, which made some water along with oil.

Tool was open 56 minutes. Gas was to surface in two and a half minutes, drilling mud in 16 minutes and oil in 12 minutes. Oil flowed to pits for seven minutes. Then, through five-eighths of an inch bottomhole choke, the flow was cut to tanks for 30 minutes, making 24 barrels of high gravity oil. One source pegged it at 47 gravity.

The location is 667.35 feet from the north and 660 feet from the west lines of the south half of the northwest quarter of section 33-25, H&TC. This puts it 18 miles southeast of Gall and a half miles west of five and a half miles of Vincent, just over the Howard county line in Borden.

No decision had been reached Saturday on whether to deepen, but prospects were that it would compete at present depth.

Nearby Canyon production in the Amerada No. 1 Von Roder, C SE 5W section 103-25, H&TC, completed at 7,100-7,110 for 185 barrels of oil and 38 barrels of water. Top of the Canyon in this section was picked at 6,854, a datum of minus 4,457 feet. It is located four miles west of nearest reef producers in the Sharon Ridge Canyon pool of Southwest Scurry.

There was no formation water in the Livermore No. 1 Reinecke and although no test was made, gas-oil ratio appeared to be strong. Other tests in that vicinity made hole. Standard No. 1-4 T. L. Griffin, which had been watched closely until it missed the Canyon, drilled to 4,753 feet in lime. It is 660 feet from the north and west lines of section 35-25, H&TC. Pat Rutledge No. 1 Griffin, 660 feet out

### WEEK'S REVIEW

## Developments In Kent Set Pace

**By JOHN B. BREWER**  
SAN ANGELO, Feb. 11.—A north outpost to a Kent county discovery, flow from the Pennsylvania in a Pegasus field outpost in Upton county and swabbing of oil in a Crane county wildcat topped the oil news in West Texas the past week.

Recovery of 25 feet of oil and gas-cut mud on a test from 1,946-80 feet was gained in Kewanee Oil & Gas Co. No. 1 Wilson Conwell, diagonal northeast offset to Drilling & Exploration Co., Inc., No. 1 Conwell, a San Andres prospect in southwest Kent county. The San Andres prospect, located 660 feet from the north and east lines of section 19-5 H&GN, is still testing from 2,340-50 feet where it swabbed oil.

High structural position on the top of the Canyon reef line was reported at J. A. Chapman No. 3 D. M. Cogdell, prospective half mile north extension to the Cogdell pool in southern Kent. The test, drilled light, is thought to have topped the reef at 6,710 feet, datum point of minus 4,541 feet or about 25 feet higher structurally than the formation was encountered in the discovery. Deepened

ALL SIZES OF LUGGAGE

to slightly below 6,800 feet, the test was said to have recovered 1,490 feet of clean oil and 30 feet of heavily oil and gas-cut mud.

D. D. Feldman will drill a wildcat, No. 1 Fuller, 467 feet out of the northeast corner of section 703-97-H&TC, 16 miles north of Snyder. It is contracted to 7,500 feet. Phillips No. 1-DD TXL in Upton county, an east outpost to the Pegasus (Ellenburger) pool, flowed 23 barrels of 48.3 gravity oil from the Pennsylvania on a test from 10,093-228 feet. The Pennsylvania was topped at 9,891 feet, 22 feet higher than in Magnolia No. 1-A TXL, the field discovery a half mile west. No. 1-DD TXL will go to the Ellenburger.

A basal Permian strike in Crane county two miles north of the Grosssett Devonian field and three miles south of the McCamey field, swabbed 105 barrels of oil cut four-tenths of one per cent by mud. The Texas Co. No. 6-B C. W. Hobbs estate, after a four-hour shut-in, then swabbed 17 barrels of oil in 2 1/2 hours from perforations at 5,075-188 feet. It is 1,380 feet from the southeast and southwest lines of section 34-35-H&TC.

The second Strawn well in the North Snyder field of Scurry county was completed by Claude B. Hamill, No. 4 L. E. Sentell, 463 feet out of the northeast corner of section 26, tract 3, block 1, J. P. Smith survey, flowed naturally 854 barrels of 29.8 gravity oil from 7,300-517 feet. The well is a west offset to Sunray No. 1 Sentell, the discovery.

M. E. Davis No. 1 John J. Schattel, Ellenburger discovery five miles northeast of Snyder, pumped 31.75 barrels of oil in 18 hours from perforations at 7,736-75 feet. Location is 660 from the north, 660 from the west line of section 90-2-H&TC.

### West Outpost Staked To Susan Peak Field

A west offset has been staked to the discovery well in the South Susan Peak field in southeast Tom Green county.

Stanford Oil & Gas company will drill its No. 1-B J. Willie Johnson a quarter of a mile west of the Hiwatha Oil & Gas company No. 1 W. G. Currie, which has production from the Strawn.

Projected depth of 5,300 feet for the new venture should tap the Strawn.

It is to be 1,900 feet from south and 660 feet from east lines of section 20, block 25, H&TC survey, and 18 miles south of San Angelo

## New Allowable Formula Seen As Possible

**By MAX B. SKELTON**  
HOUSTON, Feb. 11. (U.P.)—Texas may adopt a new crude oil production allowable formula next week. Cutbacks accompanying sharp market slumps the past year have forced the issue.

Operators in old areas have seen their production almost wiped out by the cutbacks based on a percentage of the maximum rate a well can operate without waste. New "rush" fields, such as in booming Scurry county, have allowables that dwarf daily output from such veterans as the East Texas field, now nearly 20 years old.

East Texas wells, on the average, are turning out less than 20 barrels daily and operating on only 15 days this month. Scurry wells, however, are on a 15-day schedule with a daily allowable of 140 barrels.

Members of the State Railroad Commission have indicated they will look into the East Texas crisis next Friday at the March state-wide prorator hearing in San Antonio.

Indications are any change approved would be similar to the old "yardstick" method whereby allowables are determined by well depth, acreage and market demand.

East Texas probably would be permitted to operate the same number of days each month as other fields. Production could be expected to increase in East Texas, drop in Scurry.

The commission also would be in position to continue to apply a formula that would be uniform throughout the state. In operating under the current formula, the commission constantly has refused, despite local market conditions, to cut production in one area while increasing output in another.

The current maximum efficiency rate formula is based on engineering data on how much a well can produce without injury or waste. Allowable cutbacks or increases are applied statewide on a percentage basis.

## Coke Outpost Has Shows In Strawn

Shows of oil were reported on a drillstem test at the Warren Oil Corporation No. 1 Hendry Unit, an outpost to Strawn production in northeast Coke county.

On a two-hour test from 5,294-5,312 feet, gas surfaced in 12 minutes, rated at 150,000 cubic feet daily, and recovery from drill pipe was 130 feet of oil and 80 feet of heavily oil-cut mud. Operators were preparing to deepen.

The Warren venture is a three-quarter-mile north outpost to the Davesport-Strawn pool. It is in section 305, J. Holloman survey.

## STANOLIND DUE TEST ON HUTTO

Stanolind No. 1 Hutto, eastern Howard deep exploration, Saturday had tool trouble as it prepared another drillstem test. Bottom of hole was 7,811 feet, where it had cored after a short-lived test from 7,728-7,803 feet. Packer failed after 14 minutes, but the test returned 630 feet of oil and gas cut mud. This was the second time the venture had shown oil and gas-cut mud on a test, in addition to free oil higher up the hole. The present formation was not identified, but previous shows had been attributed to the Wolfcamp. Location is 660 feet out of the southeast corner of section 4-31-1s, T&P.

## Midland Multiple Discovery To Test

Southwest Midland county's proven discovery from three pays, General American Oil company No. 1 Mrs. Hal C. (Josie Fay) Peck, was last reported taking its third drillstem test in the Ellenburger at 13,337 feet, total depth.

This successful prospector has shown for production in the Pennsylvanian lime, Devonian, and in the upper portion of the Ellenburger.

On the first test in the Ellenburger at 13,128-13,205 feet, recovery during the final hour of a three hour test was 36 barrels of 52 gravity oil, flowing through a five-eighths inch bottom hole choke and a one-inch opening at the top.

Gas volume on this test was rated at 902,000 cubic feet daily. No shows were logged on a second Ellenburger drillstem test at 13,128 to 13,205 feet. Recovery was 6,030 feet of oil and gas-cut mud.

Location of the venture is in the center of the northwest quarter of section 21, block 41, T&P survey, approximately 30 miles southwest of the city of Midland.

## EXTENDERS DRILL IN GOOD SECTOR

Developments in the Good pool of southwestern Borden county simmered down to routine drilling last week, but one test was nearing the critical zone.

Seaboard No. 12 Good, bidding as a northern extender and almost in the center of section 36-33-4n, T&P, was at 7,850 feet. It will be looking for the pay zone within the week. Location is 1,982 from the east lines of the section.

Seaboard No. 13 T. J. Good, 3,260 feet from the east and 660 from the north lines of section 48-

## Wildcat Abandoned In South Glasscock; Shell Spuds Test

A southeast Glasscock county wildcat has been abandoned in the Ellenburger. Humble Oil & Refining Company No. 1 Myrtle Frost was plugged at a total depth of 10,600 feet.

On the final drillstem test from 10,489 feet to 10,600 feet, recovery after three hours was 400 feet of drilling mud and 900 feet of sulphur water.

No indications of possible production were logged in any section drilled through.

Ellenburger was topped at 16,130 feet on a minus datum of 7,425.

The failure is 20 miles southeast of Garden City, and 1,980 feet from south and east lines of section 40, block 33, T&P survey, T-S-S.

Shell No. 2 TXL, 12 miles east of Garden City and almost on the Sterling county line, drilled to 158 feet in lime. This 11,000-foot exploration is 440 feet from the south and east lines of section 23-32-4s, T&P.

## Southern Mitchell Test To Acidize

S. F. Hurlbut & Olson Drilling No. 1 Wulfin, south-central Mitchell wildcat, recovered 49 feet of oil and gas-cut mud on a drillstem test in the Ellenburger Saturday. The tester was from 7,471-7,710. Corrected top of Ellenburger was 7,488 feet. Operators plan to inject acid through drillstem in an attempt to complete a small producer. It is 660 feet from the north and west lines of the southwest quarter of section 30-35, T&P.

Hurlbut & Livermore No. 2 Ellwood, in the southwest quarter of section 23-13, J. P. Smith, drilled to 5,617 feet. Thomas Dowell No. 1 G. N. Solomon, 14 miles northwest of Colorado City, and in section 70-47, H&TC, drilled at 6,418. Gulf No. 1-E-A Dillingham, southwest part of section 9-28-1s, T&P, Westbrook deep stepout, drilled at 7,980 in a sidetracked hole. Gulf No. 1-E Plester, section 4, was below 3,130 feet.

## Slight Shows Logged In Northwest Martin

The Texas Company No. 1-X State, Central-West Martin county deep wildcat, 11 miles north of the Mabree field, and 660 feet from north and 1,980 feet from east lines of section 17, block 7, University survey, took a one-hour drillstem test in an unidentified lime section at 11,550-946 feet.

The tool was open one hour. Recovery was 360 feet of slightly gas-cut drilling mud. There were no signs of oil or of formation water.

# Bruon Files For Sheriff Of Howard County

J. B. (Jack) Bruon announced Saturday that he would be a candidate for the Democratic nomination as sheriff of Howard county. "I believe the people of Howard county know me well enough to know the kind of law enforcement to which I am committed," he said. Bruon is 46, a man of family and a home owner. He has been a Howard county resident for the past decade and has had many years experience as a peace officer in various states. He served as the county's first juvenile officer from 1944-45. In announcing, he pointed out that experience as a peace officer had been supplemented by considerable study in technical and modern methods of law enforcement. As sheriff, he said it would be his purpose to fulfill the oath of the office to the fullest extent of his abilities. All consideration given him in his bid for the nomination will be appreciated, he said.

# Fort Worth Officer, Children Die In Fire

PORT WORTH, Feb. 11. (AP) - A city policeman and two of his daughters were burned fatally here today after a pre-dawn fire destroyed their home. Dead were Patrolman James Warren 48, and Jimmie 12 and Nancy Warren 8. Warren and his wife and another daughter, Grace, 16, died outside after the flames broke out at 1:30 o'clock, thinking the other girls had left the burning building. Warren fought his way up stairs through a wall of flames upon discovering the younger daughters were trapped. He brought them outside. Witnesses said bodies of all three were aflame. They died in a hospital late this morning.

# Galveston Cabs Rolling Again

GALVESTON, Feb. 11. (AP) - All Galveston taxi-cabs are rolling again today. Drivers and downers agreed last night to terms which ended a five-day strike. Under the compromise settlement, drivers will get a \$4.25 daily wage plus 40 per cent on fares up to \$20 and 45 per cent on more than \$20 daily take. The drivers had asked for \$5 daily plus commissions. Dispatchers for the five companies will receive \$12.50 per day instead of the \$10 paid under the old contract. One company had settled with the drivers on a separate compromise Wednesday.

**SCOTLAND YARDERS AT FUCHS SPY HEARING** - The two Scotland Yard officers who arrested German-born Klaus Fuchs atomic scientist, arrive at London's Bow Street police court to testify at his preliminary hearing. The men are Commander Leonard Burt (right) head of the special branch of Scotland Yard, and Detective Inspector serge Smith. Fuchs, 38, a pre-war refugee from the Nazis, was ordered held for trial on charges of slipping Anglo-American atom bomb secrets to the Soviets since 1942. (AP Wirephoto via radio from London).

# Federal Seizure Of State Lands Seen If Tidelands Case Is Lost

AUSTIN, Feb. 11. (AP) - All the states should be alert to the threat of federal seizure of lands if the U. S. Supreme Court rules against Texas and Louisiana in the tidelands case, a State Water Code Commission member said today. The speaker was John D. McCall, Dallas attorney. At the request of other commission members he offered a prepared statement on the tidelands case outlook at the group's second day of public hearing on Texas water problems. He said he was fearful the Supreme Court "might fail to be impressed with the sanctity of our treaty rights." Should the court recognize federal ownership of submerged offshore lands, McCall said: "It is my considered opinion that the officials of the government who are directing these forays against the states will not be satisfied until they have stretched the warp and woof of the court's decision so that it will justify seizure of the lands under all the navigable islands and streams and lakes in the United States, including the Great Lakes." If this happens, he continued, "I think it will be proper then to give state rights to water a moth-ball treatment until the states can redeem their rights after the bankruptcy of the planned economy." "California, Louisiana and Texas are alerted. The other 45 states must not be lulled to lethargy by the laudanum of self security," he declared. McCall predicted that failure of Congress to indicate decisively that it will quit-claim tidelands to the states would lead the Supreme Court to render an adverse decision against Texas and Louisiana. "The court will observe that Congress has for 2 1/2 years after the decision of the California case failed to announce the policy of the country as to the ownership of such lands," he said.

# Surprise Birthday Party Honors Sadler

Staff members of the Big Spring-Howard county Health Unit attended a surprise birthday party staged in Midland Friday for Dr. F. E. Sadler, director of the health units in Midland, Ector and Howard counties. Attending the party from the local city-county unit were C. W. Mason, Mary Howard, and Esther Trantham. A cake was prepared for the party by Ramona Harris, local nurse who was unable to attend.

# More Food At Less Cost This Year Seen

WASHINGTON, Feb. 11. (AP) - You may get more food at less cost this year. The U. S. Department of Agriculture said so today in a report which predicted there will be more turkey but less chicken and dumplings; more spinach and more candy, on your menu. In a general way, the department report on the national food situation says everybody may eat just a little bit better than in 1949, when they ate about 11 per cent better than they did before the war. The reasons are these: If weather conditions are about normal, food supplies will be a little larger than last year. Employment and income aren't expected to decline more than moderately, if at all, so people will

have about the same amount of money to spend for food as they did in 1949. Exports may fall off a bit and this would make more food available at home. Food prices in 1950 are expected to go down a bit, not up. Getting down to details, the report says there will be an increase in meat supplies, especially pork. This means you may eat slightly more than the 146 pounds of meat consumed, on the average, by each person in 1949, but 146 pounds per person is far below the 1947 eating record of 155 pounds per capita, even if it is far higher than the prewar average of 126 pounds a year. More fresh vegetables are ex-

pected to be available, although fewer onions and less cabbage. Generally speaking there will be around 14 per cent more fresh vegetables than in 1949. There will be fewer chickens and poultry a reduction in milk, ice cream, and butter. But there will be more turkeys, and more eggs. Expressed in food values, the nutritionists sum it up this way: You will get about two per cent more of the goods that make energy and about the same amount of the stuff that provides important vitamins. But the nutritionists don't like the milk situation. They said less whole milk and cream is being used for the fifth consecutive year and this is reducing the amount

of calcium in the American diet. Calcium is a mineral people need for teeth, bones and other body equipment. **East Texans Protest Move to Stop Trains** BONHAM, Feb. 11. (AP) - Cities objecting to a Texas and Pacific Railroad plan to discontinue two passenger trains will meet here soon to prepare their case, says chamber of commerce Manager Virgil Wilson. The roots of the trains is Fort Worth to Texas City via Sherman, Bonham, and Paris. A hearing on the railroad's formal application to stop them is scheduled here March 30.

BIG SPRING

# 100 West Texas Chiropractors Due Here For Meeting Today

Approximately 100 West Texas chiropractors are due here today to attend a district meeting of the Texas State Chiropractic Association.

Delegates to the session, who are expected from throughout the association's District No. 4, are scheduled to assemble at noon in the Settles hotel.

It will be the first such meeting to be held in Big Spring in several years. Members are expected from all points in the area extending from Brownwood to El Paso and from the Rio Grande river to the lower South Plains.

Dr. T. C. Tinkham of Big Spring said a total of 66 counties are included in the district, and most of them are expected to be represented.

Honor guest and principal speaker at a dinner meeting will be Dr. H. H. Kennedy, Longview, president of the association. He is expected to endorse a program for improvement of conditions in state institutions for the mentally ill.

He may also recommend that the State Hospital Board designate one of the state hospitals for the use of an all-chiropractic staff.

Other speakers will be Dr. J. C. Shipman of Abilene, vice-president of the association; Dr. R. S. Florence, Tyler; Dr. Joe Busby, Abilene; Dr. Charles E. Courtion, San Angelo; Dr. J. Dow Scott, Midland; and Harold P. Steck, Big Spring.

Dr. Scott is district president of the association, while Dr. Florence, Dr. Busby and Dr. Courtion are members of the State Board of Chiropractic Examiners.

Other officials expected here for the meeting are Dr. C. S. Turley.

DR. H. H. KENNEDY

DR. J. C. SHIPMAN

San Angelo and Dr. A. L. Taylor, Brownwood, state directors of the district; Dr. Evelyn Shipman,

Abilene, district secretary; and Dr. Tholbert Smith, Abilene, district vice-president.

## Two City Youths Honored At TCU

Two Big Spring seniors in Texas Christian University have been elected to official posts in the TCU Chamber of Commerce.

They are Woody Baker, named a vice president; and Bill Underhill, elected sergeant-at-arms.

The TCU Chamber of Commerce is the official student body organization of the School of Business, and seeks to help prepare students for future civic responsibility and usefulness.

## OES Week Proclaimed

AUSTIN, Feb. 11. (AP)—Gov. Allan Shivers today designated Feb. 23-March 4 as Order of the Eastern Star week in Texas, coincident with the order's observance of its centennial year at a public meeting Feb. 26 in Fort Worth.

D. J. Wright to remodel residence at 607 E. 4th, \$200.  
H. W. Hall to construct residence at 1806 Nolan, \$1,500.

# Colorado City Banquet Slated

COLORADO CITY, Feb. 11.—Colorado City will hold its annual Chamber of Commerce banquet on March 3, according to announcement by L. A. Chapman, chamber manager.

The affair, which by tradition honors the chamber's out-going president and formally presents the new president, will this year honor Dr. Harry A. Logsdon, retiring president, and Senator Pat Bullock, president-elect.

The chief address at the 1950 version of the chamber's major social celebration will be made by J. B. Thomas, of Ft. Worth, president of Texas Electric Service Company, Colorado City and that utility company, early in 1949, signed a contract which leading citizens expect to change and enlarge the town.

The contract was one whereby the town will buy water for town users from the new T-eco lake, Lake Colorado City. The lake, five miles in length, will also be the site of a million dollar steam generator plant for the electric company. Both the plant and the city water system from the new source are expected to be completed by June, 1950.

## New Members Are Announced By C-C

Several new members have been added to the chamber of commerce roll as the result of membership committee activity in the last few days, J. W. Purser, chairman, announced Saturday.

The committee is attempting to contact all non-members prior to the annual banquet Feb. 27 in order to start the new chamber year with a strong roster for the heavy program ahead, Purser said. The organization's fiscal year runs from banquet to banquet.

Latest to apply for membership in the chamber are Mrs. Bernice Coughlin, Colonial Beauty shop; W. H. Wharton, accountant; Mrs. Wallace Carr, Doris Letter shop; Alvin Walker, farmer-stockman; W. H. Feather, Big Spring Herald; Graham B. Purcell Jr., attorney; Frank L. Marin, grocery; Gibbs Chiropractic clinic; George Billaba, Acapulco club; and George Billaba Jr., George's place.

# Observance Of National Boy Scout Week To Be Climaxed Here Today

Boy Scouts and Cubs are due to participate actively in church services today to climax their observance of National Boy Scout Week.

In Big Spring, troops that are sponsored by churches are planning to attend services with sponsoring congregations. In most cases the Scouts will take part in the services by assisting ushers, collecting offerings, etc.

Week-day activities on the Scout Week program were highlighted by a district camp Friday night for regular and senior Scouts, and demonstrations Saturday by Cubs.

Scout leaders were enthusiastic over participation in the district camp which was held Friday night near the school athletic fields. Attendance at the event totalled 124 Scouts and leaders.

The Scouts busied themselves Saturday morning by clearing brush and undesirable vegetation from a portion of the school property there. They plan to return at a later date and continue their clean-up campaign.

"This one event probably will stimulate interest in the regular district camping activities," said D. M. McKinney, district commissioner.

Cubs conducted demonstrations in woodwork, handicrafts, etc. Saturday at the Empire Southern Gas Co. offices and at the L. M. Brooks Appliance Co.

Earlier in the week, Scouts and Cubs were active in other events. Several sponsoring institutions honored units with banquets, and some Cub Packs in the district held their annual "blue and gold" banquets.

Another feature that attracted considerable attention was a first-aid demonstration near the courthouse Thursday afternoon. Adult leaders termed the Scout Week observance here one of the best in history.

## Buildings On Lincoln's Road To White House

AP Newsfeatures  
**FAMED** as the log cabin President Abraham Lincoln spent much of his early life in such structures. Three of them are pictured here. As an attorney in Illinois, he was able to afford a more pretentious home and the development of the country led to the abandonment of logs as a common building material. In a real sense, he grew up with the country.

**BORN**—This cabin was his birthplace. **WORKED**—In this Jonesboro, Ind. stave.

**LIVED**—His father built the cabin above at Farmington, Ill. Lincoln split the logs for the room at the left. The Springfield, Ill. house right, was his most permanent home.

## Cover Crops Are Discussed At Dallas

The value of legumes and cover crops and the probable extent of plantings were among subject matters discussed at a meeting of a committee on legume soil-building and cover crops held in Dallas, recently. Jewel D. Daugherty, County Supervisor of the Farmers Home Administration said, Mr. Daugherty, is a member of the committee and was in Dallas for its sessions. Many farmers in Howard County have profited by planting legumes. The "know-how" in planting legumes was sketched by L. D. Smith, who pointed out that Farmers Home step-by-step methods may easily be taught to farmers. They concern chiefly proper crop rotation, land preparation for the next crop in a manner that will improve moisture conserving conditions and texture of the soil. Importance of soil-building legumes to increased yields has been demonstrated over and over again in Howard county. Daugherty is planning several community meetings to encourage the use of legumes and to emphasize how income of Howard County farmers may be increased because of higher yields as a result of legume crops. Stress was placed on the improvement of farm and home management practices of farmers associated with Farmers Home Administration.

Daugherty was named on the crop committee. Its activities will be pointed toward increasing the yields of cash crops by drawing borrower families into the program and encouraging them of follow successful methods, such as growing winter and summer legumes to rebuild worn-out soil that has had its nutrients removed by constant growing of a single crop. Many of these families who have had success with their legume crops will teach the practice to their neighbors. Similar efforts are being put forth throughout the State, as the soil-building and cover crop committee is statewide in scope.

### Man Shocked Out of Hiccups Attacks

**LOS ANGELES, Feb. 11 (AP)**—Lawrence Thompson, who says he's been hiccuping off and on for the past 21 years, feels vastly relieved today. He was discharged from General Hospital where a new sort of electrical shock treatment freed him from a 36-day attack of the spasms.

### Workmen Killed In Freak Mishap

**WACO, Feb. 11 (AP)**—A freak electrical accident killed two Negro workmen and critically injured another in the Asa community near here Friday. The men were testing for water with a long iron pipe. The pipe came in contact with an overhead electric power line. Killed were Lucas Tucker, 50, and C. P. Tucker, 62. Injured was Benjamin Tucker, 36.

### Firworks Blast Tears Away Leg

**FORT WORTH, Feb. 11 (AP)**—An explosion in a fireworks manufacturing company here tore off the left leg of M. S. Van Wagner and critically burned him yesterday. Van Wagner, 54, was an employee of the E. M. Robertson fireworks firm. He was working in a shed at the plant at the time of the blast. The cause of the explosion has not been determined.

### Harris Oilman Dies

## Welfare Unit Reports Flood Of Applications

**AUSTIN, Feb. 11 (AP)**—The largest number of applications received in a single month since December, 1941, poured into the State Department of Public Welfare during January. Secretary John H. Winters, said that the department received 7,431 applications for assistance last month. Old age assistance received 3,106 applications; aid to dependent children, 2,163; and aid to needy blind, 162.

The average grant for old age assistance increased one cent in February to \$24.13. The state paid \$7,589,440 to 223,138 aged persons. Although deaths removed 3,473 from the old age rolls and 434 were found ineligible, 2,722 persons were added to the list, making an increase of 815 persons. A net increase of 342 families added to the dependent children rolls caused each family to get an average of \$44.73, which was only 89 per cent of the average authorized grant. The state paid \$243,323 to 6,331 needy blind, for an average grant of \$38.43. The blind rolls increased 20 from last month.

### Snowslides Kill Nine

**ANNECY, France, Feb. 11 (AP)**—Roaring snowslides on France's Alpine slopes buried homes Friday and nine persons were believed killed.

## Public Schools Get Total of \$10,860,308

**AUSTIN, Feb. 11 (AP)**—Per capita apportionment payments totaling \$10,860,308 have been distributed to public schools throughout the state for this month. That represents a payment of \$7 for each scholastic, based on a school census of 1,554,707 Feb. 1, the Department of education reported. A total of \$24 on the \$48 per capita authorized for this school year has been paid out since September.

## HST's Housing Bill Shelved By Senate Banking Committee

**WASHINGTON, Feb. 11 (AP)**—The \$2 billion heart of President Truman's middle-income housing program appeared Friday to be serious trouble in the Senate Banking Committee.

That is the part which calls for government-backed loans to housing co-operatives of families whose income ranges from \$2,400 to \$4,700 a year. The banking committee voted 7 to 6 late Thursday to shelve the whole bill for two weeks pending a study as to what its impact would be on the national economy. Several members said they feel the program might be inflationary.

The group asked the Federal Reserve Board to express its views at a public hearing Thursday. The trouble the co-operative housing section faces was illustrated by another vote on a motion by Sen. Bricker (R-Ohio). He moved that the administration's co-operative housing program be stricken.

The vote in the 13-man committee had reached 5 to 6. It was learned, when Bricker agreed to go along on postponing action until Feb. 23.

Only Sen. Frear (D-DeI) had not voted on the Bricker proposal. An aide of Frear said later he has not decided how he will vote.

## New Record Set As 305,000 Visit Mexico

**MEXICO CITY, Feb. 11 (AP)**—Mexico set a new all-time record last year in attracting 305,000 tourists, nearly half from Texas.

The total was about one-fifth greater than the number who entered in 1948. July, when the summer school opened, was the biggest month with 36,000 tourists. The National Tourist Office estimated tourists spent \$85 million in 1949. Despite the increase in tourists, the amount was only about \$15 million more than spent in 1947. Changes in the exchange rate is the explanation.

**You will want to investigate the BACK SUPPORTER MATTRESS**

The **BACK SUPPORTER** may be what you need

The Back Supporter Mattress and Box Spring (built as separate units) are constructed to set together to provide proper support and relaxing comfort. The Back Supporter box spring is a level, sturdy foundation spring built as the correct base for this mattress only. The Back Supporter Mattress, with its high density construction of lightly compressed coils of extra large diameter, gives restful, healthful body adjustment... buoyancy without bounce... not just extra firm, but designed to provide positive, extra back support. And the Back Supporter is a fine looking product, too.

On ordinary "firm" mattresses, or when bedboards are used, many people complain of their arms "going to sleep"—apparently because the harsh surfaces interfere with circulation. This does not occur with a Back Supporter mattress—there is sufficient surface flexibility to give you fine sleep comfort as well as adequate back support.

The **BACK SUPPORTER** is not just another "firm" mattress

Many brands of commercial mattresses have "extra firm" models. Do not confuse these with the advantages and benefits that the special construction of the Back Supporter Mattress may afford you. The reason for this is the correct functional use of materials and construction methods in a mattress as attractive as it is beneficial to many users.

# Cowboy Stars Pay The Big Hollywood Clothing Bills

HOLLYWOOD, Feb. 11.—In case you don't know who in Hollywood spends the most money on clothes let Andy Devine tell you: "The cowboy stars. You could buy a new car with the cash some of their outfits cost."

Everything for Andy, of course, commands premium prices, due to his grip. But he was talking about average costs. A film cowboy's proudest possession, Andy says, are his hat and his boots. "You can always tell how well a cowboy is doing by his boots. In public he wears his best."

Very ordinary hats—the kind studio wardrobe departments buy for the extra in poses—cost \$35. Columbia recently got a bargain price of \$27.50 each, by buying 100. Andy is only a ranch hand in "Come Share My Love," yet his hat cost \$70. The stars of full-blown westerns probably wouldn't be found dead in a hat costing less than that.

There isn't any limit. Many hats cost \$150 to \$250. Boots can cost anything too, depending upon stitching and trimmings. Unless bought in quantity, a good pair runs at least \$75 or \$100. Gene Autry has one pair valued at \$3,500. They're hand tooled and trimmed in 14-karat gold.

Roy Rogers has a matched pair of guns costing \$2,500. These are gold-plated, hand-chained and fitted with mother-of-pearl handles.

Handsomely embroidered shirts are another extravagance—\$75 each and up. Way up. Shirtmaking is big business in Hollywood, but some of the finest are tailored for cowboys by the mother of Actress Marie Windsor, in Marysville, Utah.

When cowboys go on tour they carry a fortune in clothing. "Real-ty decked out," said Devine, "they make a babe in a mink stole look cheap." Cowboy tuxedos, introduced by Tom Mix, are another affectation. White sharkskin, piped in dyed buckskin, isn't uncommon.

Autry is known as a conservative among cowboys. He avoids ultra-fancy shirts except, perhaps, on rodeo appearances. His are wool or satin, and cost about \$60. He has 60 or 70 pairs of boots, the cheapest worth \$60, and 100 pairs costing \$200 each. Only a dude, says

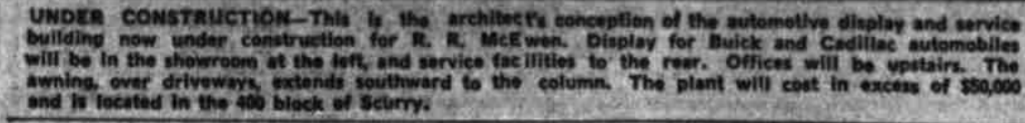

**Axle Man Killed**  
FORT WORTH, Feb. 11. (AP)—Paul Gerald Cressmer, 21, of Axle, was killed today when his auto crashed into the rear of a parked trailer-truck four miles south of Axle.

The awning, over driveways, extends southward to the column. The plant will cost in excess of \$50,000 and is located in the 400 block of Scurry.

## HUMOR MARKS RALLIES

### Britons Go All-Out In Election Drive

LONDON, Feb. 11. (AP)—Traditionally undemocratic Britons are letting themselves go—in a restrained sort of way—in their general election campaign.

Political rallies before the Feb. 23 balloting are drawing out the dry British humor, a product peculiar to these rain-soaked, fog-bound isles.

It is being aired also in the columns of the daily press.

Some of it is directed by the conservatives at the "gobblede-gook" of official language.

Cigar-smoking Winston Churchill, the master phrasemaker, started the ball rolling. He burst into a heave-ho based on the government's reference to houses as "accommodation units."

"Home, Sweet Home," said Churchill, now was "Accommodation Unit, Accommodation Unit." And "There's no place like our accommodation unit," the Tory leader concluded with an expansive smile.

The Conservative "Daily Mail" took up the refrain. Columnist Cecil Wilson printed his version of "Home, Sweet Home," as it would be printed today in official language. Samples go like this:

Original: "Home! Home! Sweet, sweet home!"

Wilson's: "Accommodation unit! Accommodation unit! Sweet, sweet and officially planned and approved accommodation unit!"

Original: "There's no place like home!"

Wilson's: "It has not come to our notice in the course of exhaustive inquiries, made through the appropriate channels, that there is any unit to come within the same residential category as an accommodation unit!"

Original: "There's no place like home!"

Wilson's: "We can now state without fear of contradiction and with due regard to the claims of others concerned in the well being of the community that there is no other communal centre cor-

## CABBAGE OF OTHER KIND

QUINCY, Ill., Feb. 11. (AP)—When Mrs. R. H. Niggemeyer opened a can of sauerkraut for supper, she found some cabbage of an unexpected variety. She found a light green roll in one side of the can. It turned out to be four \$1 bills.

Mrs. Niggemeyer has written to the canning company about it. She isn't mad. Just curious.

The chorus is to be presented at 8 p.m. Friday at the municipal auditorium in a varied program. Sponsor is the Ever Ready Civic and Art club, headed by Myrtle Ringo. Tickets are on sale at Zale's, Margo's, Hesters, Record Shop, Fashion Center, and Bertha Farmer's Beauty shop.

**German Had Free Run Of America**

DALLAS, Feb. 11. (AP)—Heinz Fey, brown-eyed, 21-year old German, said today he had had a free run of the United States since he came here as a stowaway aboard an American troop ship three years ago.

Until Dallas police arrested him Jan. 19 in a bus station, he said his stay had never been challenged, although he:

- Registered for the draft; obtained a New York drivers license and a federal social security card, and worked as a cook in cafes from coast to coast (including a restaurant in the Shamrock Hotel at Houston).
- He said he fouled off by giving his true place of birth—Frankfurt, Germany,—when he signed up for the draft.
- Dallas police noticed the German birthplace on his draft card and called immigration officials. Fey is at present in Dallas County jail awaiting deportation.

**Cub Den Celebrates**

Cubs of den three, pack No. 29, celebrated Scout week with a blue and gold birthday party at the regular meeting Saturday morning in the clubhouse.

Adrian DeGraffenreid gave a flag ceremony, followed by singing of "America" by the Cubs. The victory torch was lighted by pack members.

Refreshments were served to Bobby and Jerry Don, Caywood, Adrian DeGraffenreid, Bobby Balme, Danny Fivens, August Joe Lueddecke, Bob Dolly, A. C. Rawlings, Mrs. A. C. Rawlings and daughter, Mrs. Balme, Mrs. Fivens, Adrian DeGraffenreid, Sr., and the den mothers, Mrs. Both Lueddecke and Mrs. Bill Lottis. Arthur Leonard, assistant district commissioner in charge of Cubbing, also attended.

## Miss MacIntyre Opening Private Offices In City

Miss Gertrude MacIntyre announced Saturday that she was opening private offices at 401 Petroleum building.

She will be available to handle bookkeeping on modest accounts, chiefly for firms and individuals who do not possess volume sufficient for full-time bookkeepers. Besides her accounting work, Miss MacIntyre will serve as a notary public and do letter writing.

Until Jan. 31, when the office here was closed following the death of Mr. Will P. Edwards, she was in charge of the office for the Edwards estate. A host of friends, however, remember her best as bookkeeper for the historic J. & W. Fisher company.

Miss Gertrude, as she is affectionately known to her many friends, is the daughter of a pioneer druggist-merchant, the late Dr. D. W. MacIntyre, who was one of the charter members of the First Methodist church and who operated one of the first businesses in Big Spring.

## Baptists Oppose Envoy To Vatican

FORT ARTHUR, Feb. 11. (AP)—The Baptist General Convention of Texas Friday adopted a resolution opposing appointment of a U. S. envoy to the Vatican.

More than 2,500 delegates attended the convention. Other resolutions endorsed legislation prohibiting liquor advertising in newspapers and on the radio and commended action of the Jefferson Amusement Company, East Texas Theatre chain, in deciding not to exhibit the movie "Stromboli."

## Dog Saves Master From Gas Injury

LARAMIE, Wyo., Feb. 11. (AP)—Bill McGure of Rochester, Tex., escaped serious injury from carbon monoxide gas poisoning thanks to a little German schнауzer dog.

McGure was one of 21 students hospitalized after the deadly gas seeped into a University of Wyoming dormitory Thursday night. He was released Friday afternoon.

Officials said further injury was prevented when the little dog, named Piedmont, awoke and began barking.

## Navy PBM-5 Missing With Nine Aboard

**CORPUS CHRISTI, Feb. 11. (AP)—**The Coast Guard said Saturday night that searchers for a missing Navy flying boat had sighted an oil slick about 100 miles south southeast of Lake Charles, La.

The plane, with nine aboard, has been missing in the Gulf of Mexico since Friday.

A Coast Guard spokesman at New Orleans said the tanker Tennessee had been asked to rush to the spot and mark it with a buoy if possible. A Coast Guard spokesman at New Orleans said the tanker Tennessee had been asked to rush to the spot and mark it with a buoy if possible. The plane, a PBM-5, known as the Martin Mariner, was last heard from at 4 p. m. (EST) Friday.

The Coast Guard spokesman said a Navy reconnaissance plane out of Corpus Christi, base of the missing flying boat, spotted the slick at latitude 28.40 north and longitude 93.15 west. He said the plane did not report seeing any survivors or wreckage. Navy fliers here pointed out that oil slicks were frequent in the Gulf because of the many oil tankers in the area, but a check was being made. Aircraft and a Coast Guard cutter also were dispatched. The missing plane has a hull which will allow it to float indefinitely if undamaged.

### OHNO, ADMIRAL, REMEMBER YOU AREN'T IN CHI

**By JACK SMITH**  
LONDON, Feb. 11. (AP)—The British Director of Naval Intelligence raised a furor Saturday—soon quieted by Scotland Yard and Uxbridge police—with a report that gunmen had shot at him from a speeding car.

What Rear Adm. Longley-Cook thought were bullets which smashed his windshield was only a stone, police authorities suggested. Moreover, the owner of the mysterious car "has been seen" and "everything is all right," they reported.

Adm. Longley-Cook created the sensation in the midst of a nationwide counter-espionage checkup touched off by the Fuchs atom spy case. He reported that two bullets from an American-made sedan crashed through his windshield about 10 a. m. as he and Mrs. Longley-Cook were driving on the main street of Uxbridge, on London's northwestern outskirts.

He said he gave chase for nine miles before losing the speeding car at Acton, just west of London. A former gunnery advisor to the admiralty, he told reporters the windshield "certainly looked to me if a small bullet or two went through it."

"I cannot imagine any motive for the attack," he said, "but one never knows."

He could not be reached for comment tonight. The Admiralty took the position that the whole thing was a police matter.

One of the big developments of the week came at the last minute. Livermore No. 1 Reinecke (see page 7), about six miles

**HELD IN TEXAS SLAYING—**Ewald Johnson, 32, wanted in Texas for an unsolved tourist camp slaying of W. A. "Tex" Thornton in Amarillo last June, was arrested in Munising, Mich., on a tip by Texas authorities. He was nabbed at the home of a sister while she slept. Johnson, shown at the Munising jail, waived extradition and police are holding him for Texas officials. (AP Wirephoto).

## Johnson Ready To Face Trial On Murder Count

**MUNISING, Mich., Feb. 11. (AP)—**A Texas officer arrived here today to take Ewald Johnson to Amarillo, to face charges of murdering W. A. (Tex) Thornton last June in a tourist court. The FBI says Johnson confessed slaying Thornton. Sheriff Paul Gaither of Potter County who flew to Michigan by private plane from Amarillo, said he planned to question Johnson at length before deciding when to return to Texas.

The 30-year-old Johnson has waived extradition. Texas officers are on the way to Washington to pick up Johnson's wife, Diana, also charged in the death of the famed oil field explosives expert. Her story to Washington officers led to the arrest of her husband. Before Gaither arrived, Sheriff Arthur Moebe of Alger County, Mich., quoted Johnson as saying Thornton was "slugged" when he was found in bed with blonde, 18-year-old Mrs. Johnson.

## Public School Costs Trioled, Report Reveals

### Only One-Twelfth More of Tax Dollar Is Spent, However

**AUSTIN, Feb. 11. (AP)—**Governmental spending for Texas public schools has tripled the next 10 years, but only one-twelfth more of each dollar is being spent for education in 1949-50 than in 1939-40.

Charles H. Tennyson, director of public relations of the Texas State Teachers Association, released this statistical report today. He considered the increase in apportionment of the total tax dollar for educational purposes "surprisingly small."

A decline in the number of pupils attending school and the number of teachers from 1939-40 to 1947-48 was one reason the total cost of public schools did not increase as rapidly as other government services, Tennyson said.

A second reason was that the state expanded services of other kinds to its citizens more rapidly than the public school program has been expanded, he added.

Pupil attendance turned upward in 1948-49, as did the number of teachers, both totals passing the pre-war level of 1939-40.

Tennyson said Texas public schools this year will cost an estimated total of \$155,213,552 in state and federal funds compared with \$50,231,922 in 1939-40. This represents an increase in the percentage of total government cost from 39.31 per cent in 1939-40 to 20.43 for public schools this year, he reported.

His figures do not include local tax support of schools. The TSTA's public relations director reported 1,073,847 children attending school in 1939-40 compared with 1,181,103 in school this year, an increase of 107,256 pupils. "That huge added enrollment, plus better school facilities and more capable teachers, accounts for a great part of the added cost of operating our schools," he said. "In addition, the dollar of today has a 1939 purchasing value of 59 cents."

# Miners May Spurn Back-To-Pits Order

**SING HYMNS AT MARATHON PRAYER MEET—**Bud Schaeffer (foreground), basketball star and class president, leads singing of hymns at Pierce Memorial Chapel of Wheaton, Ill., College where a spontaneous religious student revival which started Wednesday night was still going strong after more than 36 hours. Some 1500 students and 110 faculty members joined in the prayer service. Nearly all the students have stepped to the pulpit giving testimony to their faith. (AP Wirephoto).

### 100 MPH. WIND REPORTED

## Storm Injures Several, Causes \$200,000 Damage At La Porte

**TYLER, Feb. 11. (AP)—**A twister tonight injured at least four persons and blew down several houses at the Chapel Hill community, about five miles east of here.

**LA PORTE, Feb. 11. (AP)—**At least one person was injured critically this afternoon as a twister ripped through La Porte and caused damages that may reach \$200,000. Two other people received serious injuries. At least a dozen more suffered minor cuts and abrasions. A number of homes were wrecked or knocked from their foundations. Several business district buildings took heavy damages.

An early damage estimate of \$100,000 was made by H. B. Harrison, real estate man and former postmaster. Other residents said later the final estimate may exceed \$200,000.

The twister, with unofficial wind velocity estimates ranging up to 100 miles an hour, swept into this spot Harris County town of 4,000 residents from the southwest. It came on the heels of a thunder and lightning rain storm that flooded streets and yards with a driving rain.

**LA PORTE, Feb. 11. (AP)—**At least one person was injured critically this afternoon as a twister ripped through La Porte and caused damages that may reach \$200,000.

**Pioneer Resident Of Howard County Succumbs Saturday**  
A K. Merrick, 80, who settled in Howard county in 1906, died in a hospital here at 2 a. m. Saturday after a long illness.

**Surviving are four sons,** Harmon Merrick, Carl Merrick, Big Spring, Frank Merrick, Houston, and Max Merrick, Cotopost, La. They have six daughters, Mrs. Lottie Marchbanks, Mrs. H. G. Hill, Mrs. Pearl Penney, Mrs. Corrie Nichols, Big Spring, Mrs. Faye Leatherwood, West Columbia, and Mrs. R. F. Schermehorn, Dallas.

Two brothers, J. B. Merrick, Big Spring, and Austin Merrick, Lamesa, survive, as do 26 grandchildren and 23 great-grandchildren.

**Lloyd Connel, Church of Christ minister, will officiate.** Pallbearers will be Roy McKinnon, Don McKinnon, Robert Merrick, Joe Simmons, Dorman Hill, Pat Stanley, V. A. Merrick, John Ray Dilard.

**Abilene Crash Kills One, Injures Two**  
David Waters, 28, of Dallas was killed and two other persons injured in an automobile accident near here today.

Critically injured was the dead man's father, Seldon Burnet Waters of Rising Star.

## Revolt Brewing As Lewis Bows To Injunction

### Court Issues Ukase At Direction of Chief Executive

**WASHINGTON, Feb. 11. (AP)—**John L. Lewis ordered his striking soft coal miners today to get back on the job under a Taft-Hartley injunction, but there were immediate signs of revolt from the union rank and file.

Some union miners said flatly they wouldn't go back without a contract. Lewis acted quickly in compliance with a federal court order under the law he has denounced as a slave labor law. The order was issued soon after President Truman decided the "national health and safety" was endangered by the nationwide strike.

Within four hours after the court order was served on him, Lewis bowed to its terms and telegraphed district presidents of his United Mine Workers to send 370,000 striking soft coal diggers back to work "forthwith."

But in Illinois, District President Hugh White said: "As free American citizens, I doubt very much if the 24,000 Illinois miners will go back to work Monday. That's all I have to say."

A spokesman for 700 diggers in Western Pennsylvania predicted that "neither Lewis nor Truman nor anyone else can get the men back until they get a contract."

The local at Robens, Pa., biggest in the UMW, had held a mass meeting after the court order came out and voted unanimously to disregard it.

Any miners' revolt at the individual level against the court order might pose a legal problem for the government.

## City Gets 20 Pct. Insurance Credit On Fire Loss Record

Big Spring's fire loss record has earned a 20 percent insurance credit, effective March 1, according to ratings announced by Paul H. Brown, State Fire Insurance Commissioner.

This means that fire insurance premiums on property within the city limits of Big Spring will be 80 percent of par, explained H. V. Crocker, city fire chief.

The ratings are based upon fire loss records for the past five years and the 20 percent credit is only five percent under the maximum that a city can attain.

Big Spring had a 15 percent credit at the last ratings, which were announced a year ago. Crocker said the increase in credit probably was earned because a major cotton pressed fire in 1944 is no longer embraced by the five-year rating period.

Fire losses in the city in 1949 aggregated \$116,032.76. Other years during the current rating period compensated for the 1949 losses and established the credit, however, Crocker said. Losses during 1948 amounted to only \$9,054.

### FOREIGN POLICY BEING REVIEWED

## Sen. Connally Says U.S. May Seek Atom Accord With Russia

**WASHINGTON, Feb. 11. (AP)—**Chairman Connally (D-Texas) of the Senate Foreign Relations Committee said tonight the United States "at an appropriate time" may try to reach agreement with Russia on control of atomic weapons.

This move probably would be made through the United Nations, he said, and not as a direct peace bid.

The Texan said he understood the state department is reviewing the entire sweep of American foreign policy.

Connally said he strongly supports the policy of confronting Russia with power which has been set forth by President Truman and Secretary of State Acheson.

He insisted their decision to make no new offers to Russia on control of atomic and hydrogen weapons has not closed the door to international agreement.

**Reviewing The Big Spring - Week - With Joe Pickle**

Citizens blinked their eyes Saturday morning as approximately 100 youngsters pitched in on the east end of the school property on Eleventh Place. The day before it had been announced petitions were being circulated for a \$550,000 school bond issue. Actually, the two had no immediate connection—the youngsters were Boy Scouts starting on a community good turn planned as a Boy Scout week activity. They intend to take other hitches until small brush on the tract is cleared.

The bond issue, incidentally, is aimed primarily at a new high school plant. Action was initiated Thursday evening by the school board following several months study. Provision would be made for renovating the present high school into a junior high. No date for the election can be set until petitions are received with a required number of names.

One of the big developments of the week came at the last minute. Livermore No. 1 Reinecke (see page 7), about six miles

## Defense Chiefs Report To HST

**By JOHN M. HIGHTOWER**  
WASHINGTON, Feb. 11. (AP)—With battle lines rapidly shaping for the second round of the cold war in Asia, President Truman today received a first hand report from the nation's big four military leaders on America's main defenses in the Pacific and Far East.

An extraordinary White House conference, brought about by the return last night of the Joint Chiefs of Staff from a 10-day trip through the Pacific, coincided with evidence in several other quarters that both the United States and Russia are stepping up their actions and interests in the struggle for Asia.

At least some indication of what Gen. Omar Bradley and the other members of the four-man military high command told Mr. Truman will be given in a news conference here Monday.

### ENGAGEMENT FOR BENEFIT OF PLAY GROUNDS

## Joe E. Brown To Appear Here In Municipal Auditorium March 20

Joe E. Brown is coming to Big Spring in person to present a night of laughter.

One of the great personalities of the entertainment world—Joe E. Brown—is coming to Big Spring in person to present a night of laughter.

He will appear at the municipal auditorium here on the evening of March 20. The engagement is being sponsored by The Herald, and all proceeds from the program will go to two civic projects, the North Side Playground development and the West Side Playground project.

A guy who has been in show business since he was nine years old, Joe E. started in vaudeville, appeared in a long line of musical comedies and other stage shows, then turned to the movies.

He has appeared in 67 comedies and other types of motion pictures. Since the war, he has been playing for several years in the stage success "Harvey," for a total of 1,395 performances in New York, Chicago and London. He has just recently started a nation-wide personal appearance tour.

During the last war, Brown gave a total of 742 appearances for servicemen overseas, and won more adulation from the GI's than probably any other entertainer. He went into all theatres of action, from Alaska to New Guinea and from Australia to Italy, Africa and France—into the jungles and front lines, to cheer the boys at the front.

Joe E. has been recognized for years for his great work with youth, and particularly for his interest in baseball and his sponsorship of the sport for youngsters everywhere.

His performances are praised for the clean humor and the high plane of homespun philosophy which the big-mouthed comic dishes out. It is one of Brown's boasts that he has never stooped to "smut" in his humor. "If you stoop for a laugh," he says, "I think you add you can't do better, and any real comedian should be able to make people laugh without dirt."

Brown is a native Ohioan, and his 31-year-old mother now lives in Toledo. He has lived for the past 19 years in California with his wife. They have one son who is a captain in the Air Force, and two daughters. Another son, Capt. Don Brown, was killed when his army bomber crashed October 7, 1942.

Members of the Business and Professional Women's club, who are actively working for the North Side project, and of the Council of Church Women, who sponsor the West Side playground, will join The Herald in promotion of Brown's March 20 appearance here, and a sellout house is anticipated.

Full details as to ticket prices and sales will be announced later.
