

THE LYNN COUNTY NEWS

LYNN COUNTY—THE HEART OF THE SOUTH PLAINS—THE HOME OF KING COTTON

TAHOKA, LYNN COUNTY, TEXAS THURSDAY, OCTOBER 9, 1924.

NUMBER 6

County Exhibit At State Fair

Wins Sixth at South Plains; Robertson Has Charge of Dallas Exhibits

Thirteen plains counties exhibits of farm products, Lynn county held sixth. There was very little difference, in the highest and core made by the thirteen. The exhibits of all of them excellent. Mr. Brown Bishop, of the Tahoka Chamber of Commerce, had charge of the Lynn exhibit, and he was busy the 10 days of this week preparing exhibit for shipment to the fair for exhibition there. Counties, it is said, having exhibited at the Lubbock Fair, have a car in which to transport exhibits to Dallas. Robertson, county agent of county, who collected and sent to Wichita Falls, left Sunday to add to the exhibit sent to Lubbock, and Mr. Robertson in charge of the Lynn county exhibit at Dallas.

Anton's Name Of New Town

the opening of the Spade the switch on the Santa Fe, 2 miles east of Littlefield, its name changed. "Dan" was alright for a country side, now that city airs are to be, the name of "Anton" is more advisable. That Danforth is too common or that Anton is more significant its municipal application, fact that it is given as a honor to J. F. Anton, of is the reason the painting this system has been ordered to change the name on the road.

Anton is the popular division of the Santa Fe System headquarters at Slaton. here in the fall of 1920, he used the freight and passenger cars running through Littlefield about four years, and done his job of it. Little did he ever as he whizzed past Danforth on the tail end of an observation, and waved his hand at an eight conductor who lay in on cussing the whole "high" bunch because he was behind time, that some day this spot on the Santa Fe System be graced with his own name, surrounding the depot soon to would be 320 acres cut up in lots with a husky little lot on it; but such seems to be tiny of this new burg, as sell the fine Spade acres surround will, in very short time, in building of a new city midst.

only is Superintendent Anton railroad man, but he is also a soldier. During the world served as a first lieutenant in Engineer regiment, doing a job overseas. He is now in reserve, carrying a commission Major of the 60th Santa Battalion. —Lamb Co. Leader

IN THE NEWS SHOP FORCE THIS WEEK

Curry, who has been connected with the mechanical department of the Lynn County News the two years and who has been operator practically ever present owner took charge year ago, has accepted a position in the mechanical department of the Lamesa Reporter and his duties Monday morning. is a most excellent young man of fine moral character and cordials, and he has been a most and trustworthy employe in his plant. He deserves and in success. Forth, E. I. Hill, Jr., who was in the Lynn County News last fall and winter has been with the Watson Printing Company of Sweetwater past several months will be operator in the News office beginning his duties last Monday. E. I. has been practically "up" in a print shop, and an efficient adjunct to the press.

Judge Metcalf Has Interesting Relic

Judge I. P. Metcalf has in his possession a fac-simile copy of the letter written by Abraham Lincoln in 1864 consoling the mother who had lost five sons in defense of the Union. This copy has been in the family for more than forty years, the Judge's father being a personal acquaintance and friend of the president. The contents of this letter has been read, perhaps, by every high school pupil in the country, but its spirit and sentiment are so finely expressed that we reproduce it below:

Washington, Nov. 21, 1864
To Mrs. Bixby, Boston, Mass.,
Dear Madam:
"I have been shown in the files of the War Department a statement of the Adjutant General of Massachusetts that you are the mother of five sons who have died gloriously on the field of battle. I feel how weak and fruitless must be any word of mine which should attempt to beguile you from the grief of a loss so overwhelming. But I cannot refrain from tendering you the consolation that may be found in the thanks of the Republic they died to save. I pray that our Heavenly Father may assuage the anguish of your bereavement, and leave you only the cherished memory of the loved and lost, and the solemn pride that must be yours to have laid so costly a sacrifice upon the altar of freedom."
Yours very sincerely and respectfully,
A. Lincoln."

Bulldogs Wollop O'Donnell 105-0

The Tahoka gridsters defeated O'Donnell on their own field Oct. 3rd. The game started with a snap. Both sides seemed confident of victory until the Tahoka boys dashed down the field and made a touchdown the first thirty seconds of play. This seemed to convince the opponents that they were highly out classed as far as weight and speed were concerned. Nevertheless the home team was continually reminded by the continuous hard tackling of the O'Donnell aggregation that they were playing against men who fought hard even though they were fighting a losing game.

The first quarter ended Tahoka 39, O'Donnell, 0.

The rest of the game was fought hard and fast, keeping the ball in the enemies territory all the time, scoring at will, until the end brought Tahoka out with 105 and O'Donnell 0.

The team has several hard games scheduled for the future and it is only hoped that the slate will be as clean when we shall have finished as it is at present. Help us have a winning team.

SHOWERY WEATHER HERE THE FIRST OF WEEK

Rain began falling early Monday morning and it looked as if a real wet "spell" had set in. The clouds seemed loath to give up their moisture, however, and the precipitation did not amount to much. The weather remained damp and threatening throughout Tuesday, clearing up beautifully with a light north-west wind Wednesday morning. The precipitation amounted to only .29 of an inch. About the only effect of the rain was to delay cotton picking a couple of days.

PHEBE K. WARNER CLUB STUDIES GREAT ARTISTS

Tact in leadership was displayed when on last Friday afternoon Mrs. Conner conducted a program on "Art."

Larado Taft was ably discussed by Mrs. Craft she having had the rare opportunity of hearing Mr. Taft lecture.

Mrs. Tunnell, in her usually capable manner, presented the genius Leonardo Vinci. Michael Angelo, the Artist" was also on the program. "Promoting the Love of Art", a paper read by Mrs. Elliott, Mrs. Miller closing the afternoon by a fine history of Modern Cartoons.

Fourteen ladies enjoyed the third program of the club year.

COMMITTEE IS RAISING FUNDS FOR PARK SITE

4,462 Bales Cotton Ginned in County

Up to ten o'clock Thursday morning, the number of bales of cotton ginned in Lynn county, according to yard and gin reports received by the News, was 4462. The report would have been considerably larger had picking not been delayed by the rain the first of the week. The price of cotton Thursday morning in Tahoka was about 23.50. At the first of the week the price ranged as high as 25.75, but the government report caused a considerable slump in the market.

The ginnings reports are as follows:
O'Donnell yard ----- 1650
Tahoka yard, ----- 1081
Wilson, gins ----- 550
New Home, gin ----- 412
Grassland, gin ----- 559
Draw, gin ----- 210

TOTAL ----- 4462

TO HEAR FERGUSON WRIT OCTOBER 8TH.

Austin, Texas, Oct. 7th.—Granting appellant's motion in advance the Third Court of Civil Appeals at its first session of the new term Monday set for submission on Wednesday Oct. 8, the appeal from the Fifty-Third District Court of Travis Co. in the injunction suit brought by Charles M. Dickson of San Antonio, in an effort to keep the name of Mrs. Miriam A. Ferguson off the November general election ticket as the Democratic candidate for Governor.

In setting the case for submission the court announced that the submission was subject to postponement until Saturday, Oct. 11. This means that if counsel in the case is not ready for submission of the case next Wednesday it will be postponed until Saturday, and in either event the appellate court is expected to send the case to the Supreme Court on certified questions.

Rain Falls Over Part Of County

A rain covering a large territory north of here Tuesday night visited only the north portion of Lynn county. In the New Home and Dixie communities an inch of rainfall is reported while the precipitation in parts contiguous to Wilson was even heavier than that. In some localities it is said to have been torrential. Good rains fell at Lubbock and Slaton. Tahoka received only a light shower. No damage to cotton is reported, since the damp weather of the preceding two days had cemented the cotton in the bolls and little wind accompanied the rain.

Chairman of State Park Board Visits Tahoka; Funds Must Be Raised By 12th.

D. E. Colp, Chairman of the State Park Board of Texas, was here Wednesday conferring with the local committee anent the proposed state park to be established here if the people of Tahoka will donate the site.

The committee, consisting of A. L. Lockwood, F. E. Kedwine, and Wm. Zappe, have been at work raising the necessary funds by subscription but at the time of Mr. Colp's visit they had procured subscriptions for only about half the necessary amount. He granted the committee until Saturday to raise the funds. It is apparent therefore that if Tahoka is to procure one of these state parks, the people must act quickly.

Only two sites are being considered. One is a tract of forty acres out of the T-Bar Ranch northwest of town and the other is a twenty-five acre tract out of the E. S. Davis farm on the northern outskirts of the city. Mr. Colp inspected both sites and indicated that he personally favored the Davis tract on account of its proximity to the city and to the state highway.

Mr. Colp stated that sites had been donated and accepted at every important point on the Glazier to Gulf Highway in Texas except at Tahoka and two other points, and negotiation are pending at these places. This highway enters Texas at Texline and passes through Dalhart, Amarillo, Plainview, Lubbock, Tahoka, Lamesa, Big Spring, San Angelo, San Antonio, and many intermediate points, terminating at Brownsville. It is already an important highway and is destined to be one of the most important in the state.

Tahoka can not afford to fail to donate a site for a park, since all these parks will be improved and maintained by the state for the benefit of local citizens as well as the tourists traveling the highways.

Farm House Is Destroyed By Fire

A farm house on the farm of Thomas Brothers, situated sixteen miles southeast of Tahoka, was totally destroyed by fire last Saturday when an oil stove exploded. The house was occupied by Mr. E. T. Garnett and family, tenants on the Thomas farm. Mr. Garnett was in the field at the time, while Mrs. Garnett was using an oil stove in her kitchen. Mrs. Garnett had a narrow escape with her baby, barely succeeding in rescuing the little one from the burning building in time to save its life. The contents of the house including the personal effects of the family were totally destroyed.

Club Members Win At Lubbock Fair

Several members of the Girl's and Women's clubs of Lynn county, who have taken instruction and training under our efficient Home Demonstration Agent, Miss Millie M. Halsey, won prizes upon their respective entries at the Pandhandle-South Plains Fair held in Lubbock last week. This is certainly a splendid record when it is remembered that Miss Halsey has been here only a few months and the club members have had only a few month's training.

The winners as furnished us by Miss Halsey were as follows:

Food Preservation Department
Canned pears; Mrs. Ike Metcalf, Tahoka, first prize. Alton Fleming, Magnolia, second prize.

Canned Apples: Lucy Manly, Gordon, first prize.

Canned Peaches: Mrs. E. N. Milliken, Morgan, 1st. prize.

Canned Peas: Ruby Ash, Draw-Redwine, first prize. Lucy Manly, Gordon, second prize.

Canned Beans: Mrs. L. Manly, Gordon, first prize.

Clothing Department
School Costume: Mattie Hancock, Morgan, third prize.

Club Apron: Irene Mode, Joe Stokes, first prize.

Cup towel and Hot Dish Holder: Irene Mode, Joe Stokes, second prize; Bettie Mode, Joe Stokes, third prize.

Sewing Bag: Irene Mode, Joe Stokes, second prize, Bettie Mode, Joe Stokes, third prize.

Home Improvement Article: Nell Hallmark, Dixie, first prize.

Harley Sadler To Show Next Week

As announced by his advertisement appearing in the columns of this paper, Harley will be here with his popular show all of next week. Advertisements were first posted announcing that the show would be here this week but the company was imperturbed by citizens of Lamesa to show there another week. Mr. Sadler yielded to their petitions and hence his show has been entertaining the people of that little city all of last week and this.

Mr. Sadler is well known to the people of this section of the state and in fact throughout west Texas, and wherever he has gone his show has been popular. It will be remembered that Mr. Sadler filled a week's engagement in Tahoka last winter, and the people of our city will welcome his return.

STATE COLLEGE AT CANYON HAS 953 STUDENTS ENROLLED

Canyon, Oct. 8.—Today the total enrollment of the West Texas State Teachers College reached 953 students. Of this number 326 are in the sub-college and training school departments, and 627 are working toward degrees.

The college department shows an increase of 28.2 per cent over the enrollment for October 30th, 1923. The administrative authorities of the college believe that the number will reach one thousand by the end of this week.

NOTED PRESBYTERIAN MINISTER PREACHES HERE

Dr. W. M. Fairley, D. D., pastor of the Westminster Church of El Paso Presbytery, preached to the local congregation at the Primitive Baptist Church Wednesday night. He was accompanied by the pastor Dr. W. K. Johnston, of Lubbock.

At the meeting Wednesday night the organization of the local church was perfected and officers elected. Plans for the purchase of lots and the building of a house of worship are being discussed by this church.

E. N. WEATHERS IS SERIOUSLY ILL

E. N. Weathers became suddenly ill Monday and for a day or two was in a very serious condition. He seems to be gradually improving, according to reports from his bedside, and it is hoped that by the time this paper reaches the reader he will be on the street again.

The Doak-Hart-Fenton Company announce the sale of a Maxwell this week to A. T. Beard of Draw.

City Council Lets Ice Plant Contract

Plant To Be of Ten Ton Capacity; Will be ready for the Next Season

Tahoka is to install a municipal ice plant. The City Council entered into a contract with the Sterling Ice Machine Company for the installation of a ten ton plant to be operated by the City in connection with the municipal water, light and power plants.

It is contemplated that the plant will be installed and ready for operation by the time the next ice season opens.

By the operation of this plant the City will be able to furnish ice to the citizens at a much lower figure, it is thought, than they are compelled to pay for ice now, and the plant will pay its own operating expenses.

This marks another step in the development and growth of our city, and the Mayor and the City Council are to be commended for this forward step.

New Teacher On School Faculty

The crowded condition of the public schools of Tahoka has made it necessary for the board to add another teacher to the faculty. Mr. Otis Dean of McLean is the new man employed and he began work Monday morning, having charge of some of the Freshmen and seventh grade work.

Mr. Dean is a graduate of the East Texas State Teachers College at Commerce and was principal last year of the Pecos High School.

There are more than five hundred enrolled in the public schools of Tahoka now, including South Ward.

W. T. R. E. Co. SELLS SEVERAL TRACTS OF LAND

The West Texas Real Estate Co. this week effected sales of four different tracts of land, local citizens being the purchasers. The Company was not ready to report these sales in detail and withheld the names of the purchasers and the location of the tracts sold, pending the final closing up of the deals, but we can probably give the detailed information next week. This only shows local citizens know the worth of Lynn county dirt and are taking time by the forelock in investing their money in the rich farming lands of this county.

REV. W. K. JOHNSTON FILLS APPOINTMENT HERE

Rev. W. K. Johnston of Lubbock, pastor of the Presbyterian Church, preached here to his congregation Sunday morning and evening. On Monday morning he accepted an invitation to address the pupils of the public school and delivered a most helpful and highly-appreciated address, his subject being "How to study and Why to study."

REIMERS SELLS BAKERY

Henry Reimers has sold the City Bakery to one Mr. Adame of Winters. The new proprietor will take charge on November 1.

Mr. and Mrs. Reimers and daughters will be with him until he becomes thoroughly conversant with the business.

The Reimers family have no intention of leaving Tahoka and are having a resident built in the north part of town. They are hoping to be able to take a trip to Germany in the near future, however. They have many relatives there, and the mother of Mr. Reimers, whom he has not seen for many years, is now more than eighty years old. They promised to gather some interesting information for the News in the event they make the trip.

Jack is Back

Jack Reaves is back in Tahoka. "Couldn't stay away any longer". He came in last Thursday afternoon; thinks he will stay here but didn't tell the News man what his line of business will be. Glad to see Jack back.

Copyright

Items of Interest From O'Donnell

Man Injured by Automobile; Young Man Dies; Gin Catches Fire; Boat Northcross (Specs) Sinks

Uncle Jimmy Pratt was run over by an automobile on Boyd Street near C. L. Tomlinson's residence Friday night about 8 o'clock. Both legs were broken above the knees and he was otherwise injured. He was immediately taken to a Lamesa sanitarium where he was given treatment, but his condition is considered very grave.

At the spot where the accident occurred, two cars were approaching from opposite directions and the driver of one of the cars claims that he was so blinded by the glare from the lights of the other car that he did not see Mr. Pratt who was in the road and after passing over him the car went into the bar pit.

Mr. Pratt is 70 years old and has resided on his farm near Troutway for several years, being well known to all the old timers.

The arrest of a Lamesa citizen was made in connection with the accident.

Lloyd Henry Heard died at the Sanitarium at Lamesa Tuesday afternoon at 3 o'clock, death resulting from an acute attack of appendicitis which he suffered a couple of weeks ago and for which he underwent an operation. The deceased called from the operation and was supposed to be getting along nicely, and had even talked of getting up, but on Monday night suffered a sinking spell. He called from this, however, but had another depression and passed away.

Lloyd Henry Heard was 21 years of age at the time of his death and was the son of Mr. and Mrs. G. M. Heard and had resided in this county since 1915. He leaves a wife and nine months old daughter.

Deceased was buried at Phantasm cemetery Wednesday afternoon, Rev. W. A. Seabrook conducting the funeral services at the school house at that place, many attending from O'Donnell.

The Berry Davis (Gin) had a close call from destruction Wednesday of last week when a blaze of fire suddenly flared through the entire building, burning all the loaves that hanging from the walls. The fire originated from a match that was taken in by the sniffer, igniting before it reached the burner and was transferred to all the five stands and from them blown through to the meter. All the employees jumped into the fight with wet baggage and without checking the speed of the machinery for a moment, the flames were soon subdued. The loss to the machinery was only the scorching of a plank on the press to the extent that it had to be replaced. The gin was running on C. L. Severin's pole, which was practically mined.

Mr. Davis has had previous experience in fighting gin fires and says that had he stopped the machinery he could not have saved a thing.

W. L. Rogers brought to the Lamesa office a sample of peaches that would convince the most skeptical that this is a fruit country as well as a land to raise for the production of cotton and feed crops. The peaches were the largest that we have seen this season, one measuring ten and five-eighths inches in circumference. Mr. Rogers has 250 bearing trees and says that they bore a heavy crop this season. He says that the early varieties do the best here, as they are not so apt to be damaged by a late frost. Let everybody plant more fruit trees this fall.

Those attending the Lamm county fair at Tahoka state that it was a

success in every particular, large crowds showing their appreciation of the displays by attending each day. The Lamesa has not been able to get the list of awards for the best exhibits. In the cattle division F. M. Wagoner received first prize for the best Jersey Bull and first for a yearling heifer. This stock was from Mr. Wagoner's dairy herd.

The O'Donnell booth contained the best display of products of any exhibited, but owing to the fact that the exhibits were not entered for prizes, but merely to show the world the productiveness of the soil of this section, no official recognition was given it. The booth was decorated by C. A. Wisson, T. E. Bailey, James Leedy, Mrs. J. E. Sanders and Mr. and Mrs. E. D. McInagall, the work showing great care by the decorators.

Part of the O'Donnell exhibit will be shown at the Lubbock fair this week and from there taken to Wichita Falls for exhibition and from there will be sent to the State Fair at Dallas.

Commissioner Mize has the county road crew at work on the six mile road leading east from O'Donnell, and some very pretty work is being done. A heavy fill on a lake about a mile out of town is receiving the attention of the crew at the present time. Mr. Smith's fence on the north was moved back to allow the graders to pull up the dirt for the fill and in a short time this road is going to give a great convenience to the people living on the route. Berry Davis, beyond the road is in very good condition, having such deviation in the center that it will drain itself of water when the rains come.

E. Vandiver and family had a morning to make a first hand comparison between their crops here and on the place they farmed in Jones County before coming to this section, and made the trip, returning last week. Mr. Vandiver said that his crop here would almost double in production that being grown on the old home place. He has started in to be a genuine booster for the county by subscribing for another copy of the Index to be sent to his old friend J. E. King. Mr. King has a nice farm south of town and we feel sure that he will own another before reading many copies of the paper.

G. E. Hazewood, who with his brother has established a gin at Erie was in town Wednesday for supplies. He stated that the gin was working in good shape and expected to run full time after this week. He has five eighty sacks with all the latest improvements in gins and his work is said to be equal to the best.

Mr. and Mrs. Ed Northcross came in Monday from Thioam to open a dry goods store in the Warren building. The work of arranging the building is under way and the goods will soon be placed on display. Mr. Northcross is a live wire and will prove a valuable addition to the business interests of the town. A hearty welcome is extended these fine people. Temporarily they will make their home in the Eagle residence.

We Specialize in Hair Cutting

Garvey Shook left Tuesday night for Lamesa where he underwent an operation for appendicitis. While en route his position at the O'Donnell Mercantile Company will be filled by Mr. Gray.

Misses Adena Henderson, Lois Pugh, and Moody Berk visited Miss Lenore Lowrie at Lamesa sanitarium Thursday. Miss Lowrie is convalescing from an operation for appendicitis.

Not Unusual to Find Humor Among Thieves

Criminals have almost invariably a sense of humor that proves their humanity, says G. S. Dougherty in the Saturday Evening Post. They especially relish a laugh when it is on themselves.

A rope ladder thief has successfully chased one of his different jobs by putting a rope ladder to a chimney on a roof to find down to a window below, where an entrance, climbing up with his foot and make his getaway.

Coming out of the door he saw the shadow in the yard and was so startled that he fell, thereby starting down his street. A number of the door will have great mirth in criminal circles.

A postman worked all summer without an accident. Every week he sent a good proportion of his money home to his sister and mother. Coming home himself after work yesterday he wanted to know what had been done with the money.

"Why, the, the, the, the," said the sister, "waiting a little. You're in such a dangerous business that we often feel worried about you, so we gave the money to buy a stained glass window in the church."

After his arrest, a skillful counterfeiter told the how his money was made. He had been a sign painter and was decidedly artistic and skillful. He had been in New York in a downtown office painting "Real Estate" on the door, and had been working for painting imitation banknotes.

He said that though he had made more than \$100,000 in the last year, he had to make the \$100 to get change for \$100, because the \$10 bills were more readily passed.

It was a \$100 counterfeit that led to his downfall. Showing it late one afternoon he started for home, but stopped in a lower West side saloon to buy a drink and a bottle of whisky. Having the \$100 in his pocket, he came in contact with a little spilled whisky and the colors ran, leading to his arrest.

Some years later he saw him in a penitentiary and said "Well, hummer, it see you're still working at the old line." He was getting a drink, with something a green wall.

The Why of Superstitions

By R. UEDING KING

WARRI-BROWED MEN

"WARRI-BROWED men are the most interesting of those who are superstitious. In many sections of this country and Canada it is considered unwise to meet such a man when starting on a journey, going hunting, or about to engage in any new enterprise. The superstition is generally a form of the superstition of the evil eye which, having come down to us through unnumbered centuries, is as potent now in some countries as it ever was. In Italy and in the Levant, for instance, the belief in the evil eye is taken as a matter of course and few there are in those lands who would question it. The superstition as a whole has already been dealt with in this series. That the warri-browed man superstition is a phase of it is evidenced by the fact that in some sections of Canada and this country with a man is supposed to be able to 'cast spells.' The uniting of the eyebrows gives a peculiar look to the eyes and affords a sinister one that emphasizes the power of the glance, and it were, and thus naturally calls to mind the 'evil eye.' The superstition regarding it has attached to cross-eyed persons and warri-browed persons are the two most common forms in which the evil eye superstition manifests itself in this country, except in cases where immigrants have brought with them across the Atlantic the superstition in its original form.

THE doctors of those like free treatment advise you have seen many times. We don't care to give you something for nothing, but we do guarantee that you can try this wonderful treatment, actively and risk, and this guarantee attached by your local druggist.

"HUNT'S GUARANTEED SKIN DISEASE REMEDY" (Hunt's Salve and Soap) has been sold under absolute money back guarantee for more than thirty years. They are especially compounded for the treatment of Eczema, Itch, Ring, Warts, Tetter, and other itching skin diseases.

Thousands of letters testify to their curative properties. M. Timbelle, a reputable dry goods dealer in Detroit, Orlahoma, says: "I suffered with Eczema for ten years and spent \$1,000.00 for doctor's treatments, without result. One box of Hunt's Salve cured me."

Don't fail to get HUNT'S GUARANTEED SKIN DISEASE REMEDY—Hunt's Salve and Soap—today. All druggists handle.

THOMAS BROS. DRUG CO., Tahoka, Texas

BAR COMMUNITY HAS INTERESTING VISITOR

The T-Bar community was the host to a very interesting visitor in the person of Capt. J. P. Copeland, who is here on a visit to his ad-nephew, A. J. Sparkman. Captain Copeland is a grand-son of James Wilson, who sat in the Pennsylvania Provincial Convention in 1775-77, 182-83 and 1785-87. He helped to write the constitution of the United States and signed the Declaration of American Independence, and who was afterwards appointed by President Madison an Associate Justice of the United States Supreme Court. Captain Copeland was born in the county of Tennessee, in 1845, being the youngest son of James Copeland, who moved to Alabama before the Civil War, where Capt. Copeland grew to manhood. At the outbreak of the Civil War, young Copeland volunteered and served during the war with the exception of a few months recovering from a wound received in battle. Captain Copeland says he belongs to a family which has fought in every war in which this country has engaged, from the Revolution to the World War, and in each of these wars some member of the family has made the supreme sacrifice. Captain Copeland came to Texas about twenty-five years ago and lived near Cleburne, where he continued to reside until the death of his wife several years ago. Captain Copeland will stay in this community until the first of November, when he will go back to Cleburne to vote, then he will go from there to Douglas, Arizona, for the winter.

—Contributed.

SHERIFF'S SALE

THE STATE OF TEXAS County of Lynn Notice is hereby given that by virtue of a certain execution issued out of the Honorable District Court of Lynn County on the 12th day of March, 1924, by W. E. Smith District Clerk of said Lynn county, for the sum of one hundred eleven and one hundredths dollars, with per cent interest from date, and costs of suit, under a judgment, in favor of Guy Simpson in a certain case in said court, No. 495 and styled Guy Simpson vs. T. A. Wimberley filed in my hands for service, I, S. W. Sanford, as Sheriff of Lynn County, Texas, did on the 26th day of September, 1924, levy on certain real estate, situated in Lynn County, Texas, described as follows, to-wit: Being lot number Ten (10) in block number eighty-seven (87) in the town of O'Donnell, Lynn county, Texas, and levied upon as the property of T. A. Wimberley and that on the first Tuesday in November, 1924, the same being the 4th day of said month, at the Court House Door of Lynn county, in the town of Tahoka, Texas, between the hours of 10 a. m. and 4 p. m., by virtue of said levy and said execution, I will sell said described Real Estate at Public Vendue, for cash, to the highest bidder, as the property of said T. A. Wimberley. And in compliance with law, I hereby give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the

Lynn County News, a newspaper published in Lynn county.

Witness my hand, this third day of October, 1924.

S. W. SANFORD Sheriff Lynn Co. Texas

HUSKIN' BEES

By James M. Woodman. When crickets cease t' sing their song An' days git short, an' nights git long When harvest grains are gathered in An' safely stowed in crib an' bin; When songsters southward wend their way 'Neath skies of cold and dreary gray, I view th' unclothed, sombre trees An' dream of old-time huskin' bees. Gee! how I uster like to go With HER—a drivin' long so slow Beneath the silv'ry autum moon, T' where th' merry, happy tune Of laughter from th' huskers came T' greet our ears an' play a game Of blind man's buff an' gently Squeeze HER hand—at them old huskin' bees. An' one night comin' home quite late I spunked right up and called her Kate. An' asked for her t' call me Jim:— An' when th' moon was kinda dim Behind a cloud, an' couldn't shine, She promised always t' be mine: Soo, of all social functions, please Give me MY share in huskin' bees

WHY A HORSE IS DIFFERENT

The horse lives 25 to 30 years. A horse has a smaller stomach

Why do men tip their hats?

—because, when they used to wear armor, they thought it safe to remove the helmet when talking with a friend. This action, a compliment, passed into our custom of raising the hat. Customers compliment us on

Puretest Aspirin tablets

because they gain from them safe relief from colds, grippe and headache. Absolutely true aspirin, tablets so skillfully made that their beneficial action begins in 15 seconds. Highest purity, never irritate or burn. One of 200 Puretest preparations. Every item the best that skill and conscience can produce.

Thomas Bros. Drug Co.

The Rexall Drug Store

than a cow. Gray horses live longest, and roans next. The black horse seldom lives to be over 20 years old, and creams seldom exceed 15 years. The horse has the sense of hearing very highly developed, and distinguishes sounds, and probably also the difference in sounds, from a very great distance. A horse can carry on his back from 250 to 300 pounds, without exertion, a distance of 20 miles a day on a wellmade road. Neither horse nor man can carry a burden heavier than their own weight, but the ant is able to carry a load ten times the weight of its own body.

A horse can live twenty-five days without solid food, merely by drinking water. He can live 17 days without eating or drinking, and only five days when eating solid food without drinking.

The mail order houses did not assist Tahoka in getting the ice plant.

U—BRING—'EM

Young folks, next Sunday afternoon at 6:30 o'clock we cordially invite you to come and bring your friends to the B. Y. P. U.

We have recently elected new officers. Mr. Sanders is our new president. He is full of pep and spiz-inctum and belives in making things go.

We have good programs each Sunday and listen folks, we are planning something to happen in the near future. We will not tell it now, but you will find it out if you will come to the B. Y. P. U. —Reporter

SICKLY, PEEVISH CHILDREN

Children suffering from intestinal worms are cross, restless and unhealthy. There are other symptoms, however. If the child is pale, has dark rings under the eyes, bad breath and takes no interest in play, it is almost a certainty that worms are eating away its vitality. The surest remedy for worms is White's Cream Vermifuge. It is positive destruction to the worms but harmless to the child. Price 35c. Sold by

Severe Pains in Side

"I HAD had quite a bad spell and sickness," writes Mrs. Emma Patrick, of Caney, Ky., "and it was an effort for me to go about my home. I had a very severe pain in my left side that almost took my breath at times. I lost my appetite. I grew thin, pale and lifeless. I fell off till I only weighed about 115 pounds.

"Cardui was recommended to me and by the time I had taken one bottle I saw it was what I needed. I ate more and

rested better. I kept taking it and my skin and flesh took on a more healthy color. I felt stronger and, as the nervousness left me, the pain in my side was less severe. After taking nine bottles, I eat anything, go anywhere and feel fine. I weigh 160 pounds and am well. I feel that I owe it all to having used Cardui."

Pain, in certain parts of the body, is a sure indication of female complications. The treatment needed is not the use of narcotic drugs, but—

The T. H. S. ROUND-UP

IRENE CONNER, Editor

PUBLISHED EVERY WEEK BY THE STUDENTS OF TAHOKA HIGH SCHOOL

With the High School Classics

By MARGARET BOYD

(© by Margaret Boyd.)

herein Fortune shows herself more kind
is her custom: it is still her use
at the wretched man outlive his
wealth,
view with hollow eye and wrinkled brow
of poverty."
—Merchant of Venice.

ere are two periods in the life of
average man when his wealth is
and when poverty comes very
: When he has a houseful of
children dependent upon him,
when he is becoming too old to
his place in the industrial world,
e young man starts out in life
a great reserve of youth and
n. Unless he enters one of the
essions, he begins to make the
um wage within a few years of
me he begins working. As a gen-
ule, he is wealthier at this period
at any other time during his life.
soon as he marries and begins to
up a family of children, his ex-
egin to run even with his in-
or, perhaps, a bit beyond. This
period when poverty threatens,
is a temporary threat. As soon
oldest child becomes old enough
a money or to aid in the father's
conditions begin to ease up for
ther. Then follows a second
of comparative financial ease,
children begin to contribute
nd more to the family support.
younger children begin to con-
to the family income, however,
der children begin to set up
lds for themselves. As the
eave home and the father ap-
the age where he is in dan-
osing his work, because he is
for his place, poverty again ap-
s.

he couple have been very skill-
agers or have been fortunate,
ay have been able to save up
before the children left home
for them in their old age; but
rage man is left to view "an
poverty" and dependence. Old
sions have done a tremendous
ng the last quarter century
solving the problem of old-age
but they benefit only certain
of employees. The greatest
s in our present system is that
not provide work for all those
h to work.

ions are no worse in this re-
w than they have always
d age and poverty have al-
een practically synonymous
or y ago Ossian sang "Happy
who die in youth when their
s heard! The feeble will not
em in the hall; or smile at

Freshman

man class has been divi-
different groups, A and

B, on account of being so crowded.
We are very sorry to leave our class-
mates, and especially sorry to give
up some of our teachers. We have
a new teacher, Mr. Dean, whom we
like fine. He is teaching group A
Algebra, and group B History. We
hope to learn as much this year as
we could have learned under our other
teachers if they continued teaching
us.

The Bob-White basket ball team
has not been able to practice this
week, but practiced last week. As
you have noticed we have changed
the name of our team, which was for-
merly called the "Junior Team"

O. and D. Council

The oratorical and debating society
held its third meeting Monday after-
noon. After a short business session
a very interesting program was ren-
dered:

Reading—Mrs. Moore.
Piano solo—Irene Conner.
Constitution and By-Laws—Jonsie
Walker.

Debate—"Resolved that Monday
would be a better holiday for Tahoka
High School than Saturday". Mattie
Sue Howell and Jonsie Walker uphold-
ing the affirmative and Allene Taylor
and Gertrude Kerr the negative.

We wish to extend a cordial invita-
tion to all students who are interest-
ed in public speaking to be present
at the next meeting, October 20.

Skyline Officers Elected.

The chief officers of the 1925 Sky-
line were elected by secret ballot in
chapel last week. Editor, Iola Now-
lin; business manager, Jack Link.
Several others ran a close race for
these offices, but were defeated.
Work is to start in the next week on
the annual.

We expect this year's annual to be
the best one Tahoka High has ever
published, and we will make it so if

every student will "Be a Booster!"
Get in line now!

Rev. Johnson Addresses Students
Rev. Johnson delivered a very in-
teresting address to the student
body last Monday. His subject was
"Study". He stressed three points
to show the importance of study. The
talk was very appropriate for the
time as almost all of us will see
when we look at our report cards.

NOTICE!

I have returned all sewing left in
my care after the Lynn county fair,
also a part of the canning.

Some of our very best jars of can-
ned fruit went to the County Booth
at Dallas. Those jars, together with
others in my office, will be taken
care of and returned to owners when
the exhibit comes back from the
Dallas Fair the latter part of the
month.

Yours sincerely,
Millie M. Halsey.

Pepsinated Calomel Is Better than the Old-Time Sickening Kind

It is gentle, imported English
Calomel, combined with Pepsin and
other helpful ingredients. It is mild
but certain, causing no harshness or
unpleasantness and will absolutely
relieve indigestion, biliousness, bad
colds, constipation and sick headaches.
And best of all it does it at once—
quickly and pleasantly. Take one
small tablet at bed-time and you will
get up hungry and feeling fine. Rec-
ommended by

FRESH GROCERIES

Why Do We Have Fresh Groceries?

In 1923 we turned Our Capital Stock
19 1-3 times in the twelve months.

This year we will sell about \$30,000.00
to \$40,000.00 more than last year's sales.

That's why our groceries are always fresh.

Our stock is one of the largest and most
complete in the south plains country.

We specialize in country produce.

We have bought as high as 165 lbs. of
country butter in one day and sold all of it
to our city trade.

From Feb. 18, 1924, to June 10, this
year, we shipped 7410 dozen eggs; besides
we sold about 30 dozen a day to our city
trade

On the 1st of this month we installed another phone;
we now have two separate phones, both of the same
number--No. 174.

We therefore can give our city trade better service.

You call 174 and if one of them is busy central
will give you the other of same number; in fact, we take
two phone orders at a time, thereby giving you the best
service possible. We take 'em "gwine an' a comin'".

We have no premiums, no lotteries---just plain com-
petitive prices, service and quality. We appreciate
your business, great or small.

T-Bar Ranch

One of the big ranches of the south plains, consisting of 126 sections, lying immediately west of Tahoka in Lynn County, is to be converted into homes for farmers. Last winter twenty sections of this ranch lying nearest to the city of Tahoka was placed on the market, to be sold in small tracts, at prices ranging from \$35.00 on up; one fourth cash, balance on ten years time, at six per cent. Already much of this land has been sold. Some of it was put in cultivation this year, and cotton is being picked from it to day. Still some left.

The Butler Ranch

consisting of eight sections, in the northwest portion of Lynn county. No better cotton land in west Texas than is found in these ranches.

BUY A HOME WHILE YOU HAVE A CHANCE, IN LYNN COUNTY, THE BEST COUNTY ON THE SOUTH PLAINS.

ZAPPE LAND CO.
Tahoka and Wilson, Texas

Renee Adoree

One of the screen's most beautiful and talented actresses, Renee Adoree, is not only well known in this country among the "movie" stars, but is famed abroad for her interpretive dancing. She is a brilliant musician and a clever song writer. She has a fair complexion, soft brown hair and blue eyes.

Visit Dentist as Last Resort.
Of all differences between the English and Americans, the main one is—teeth! Our friends in England are just a quarter of a century behind us in dental matters. They are just beginning to have toothbrush drills in the public schools. And even yet the English have miles to go before they catch up with us in dental matters. You see many a young woman there who is good looking until she smiles. Then you see very bad teeth or gaping spaces. Many only go to a dentist as a last resort when the pain is too great. And then they don't have the tooth "stopped," which is English for "filled," but have the offending tooth yanked out. Good business for the dentists who give gas and also for those who specialize in false teeth.

Use Delicate Sieves for Cement.
The delicate wire sieves used for making tests in the mining and cement industries are finer than silk cloth. A sample of silk dress lining contains 81 threads to the inch, a silk handkerchief has 110 threads and an excellent quality silk dress goods has 187. They are all coarser than the standard testing sieve used to determine the fineness of portland cement, as this sieve has 200 wire threads to the inch, or 40,000 holes to the square inch. In weaving the testing sieves, wire finer than a human hair is used. One mile of this wire is needed to weave one square foot of the 200-mesh sieve.

There is much land in Lynn county that should be converted into farms. There are many tenants in Texas who need homes. The wise man without a home will hasten to procure one before the price of land on the plains reaches the high level that obtains further east. Come to Lynn county.

Tahoka has no boom but it has had a substantial growth during the past year. There is every evidence that it will continue to grow through many years to come. Come to Tahoka.

NEW CLEANING SYSTEM INSTALLED
I am now using the same cleaning system that Fishburn and other large plants of the South use. We feel that one trial will thoroughly convince you that you are getting the best cleaning that can be had anywhere, regardless of how large the city may be. Come in and see our continuous system at work.

The SANDMAN STORY

OWN HEN'S PRIDE

OWN HEN was very much surd one morning when she refrom her breakfast to find in which she had left with three t, five very large brown eggs. She popped open with wonder a minute as she gazed at the eggs, but her pride soon got of her surprise and she said all there is about it, for here eggs and this is the nest I en sitting on.

"Why shouldn't the eggs n? My feathers are brown ink it very good taste to lay eggs and such beauties, too. of course," and here Brown ed her head with pride, "of I have always laid large eggs, how these seem to be the I ever remember; the chicks s batch should make all the ns very envious."

Hen could not sit still. She hop off her nest every little look at those big eggs and en she was admiring the eggs

ked and Squawked in Vain"

ckled Hen was passing and Hen called to her to look at isomest eggs she ever saw. ed Hen looked into Brown est and then she looked at Hen a second. "Don't you hat those eggs are?" she asked, rike my advice, and I am old to know, you will peck every hem and get them out of your hen make a nest in some place not be found until you have your chicks."

"Spill those wonderful eggs?" said Brown Hen. "You are jealous, Speck led Hen, and you want me to destroy them. I shall do nothing of the kind," and Brown Hen jumped on her nest again and looked after Speckled Hen with angry eyes.

"You won't be so proud when you see those chicks," was Speckled Hen's parting shot.

One morning Brown Hen proudly showed herself with five little chicks in the barnyard. Brown Hen was the only one that did not notice that her children's feet were queer.

"Madam, I would see Dr. Drake if I were you," said old White Hen, "your children do not seem to walk as chickens should. They waddle a bit."

"Envious," said Brown Hen to herself. Then she said aloud, "My children are more graceful than most chicks, White Hen, that's all."

But when old Granny Duck spied Brown Hen and her family she began to quack. "What do you mean by strutting around here with my grandchildren?" she asked. "Can't you hatch out a brood of hen chickens instead of mixing into our family?"

"What do you mean?" inquired Brown Hen, so surprised she didn't know what else to say.

"I mean," said Granny Duck, "that those chicks you are so proudly showing around here are ducks."

"I don't believe it," said Brown Hen. "You are jealous because I have such handsome children. That is all."

"Wait and see," said Granny, waddling away.

A short time after this Brown Hen was walking around by the duck pond and away ran her children and into the pond they went while poor Brown Hen clucked and squawked in vain trying to call them back.

"What did I tell you?" said Granny Duck, swimming along beside the ducklings. "I knew our children the minute I saw them."

"I told you so," cackled White Hen. "You let the farmer fool you. I would just like to see him try that on me. I'd peck every big brown egg I found in my nest before I would be seen with a brood of ducklings."

Poor Brown Hen, there was no use saying anything now for there were her big children swimming out on the pond. She had been fooled and her tall feather drooping, she walked sadly away to hide under the currant bushes, feeling she could never again hold up her head in that barnyard.

How Can the Infant Cry So Loud and Long?

In meditating the other day on one of the most familiar lines of Tennyson, "An infant crying in the night," I decided that insufficient attention had been given to it by physiologists, phonologists, music teachers, elocutionists, singers and public speakers.

Even these men and women who are fortunate enough to possess, like Marion Crawford's Roman singer, a throat of iron, do not dare to shout and shriek continuously for the space of two hours; whilst the average adult, if he roared for 15 minutes, would probably be hoarse for two days, and might seriously, perhaps permanently, injure his vocal chords.

Yet a tender infant, with a throat as soft as water, can yell all night fortissimo, and not only do himself no injury, but in the morning be fresh as a fox hound, and not only be able, but quite willing, even eager, to continue.

What is the secret of the baby's voice production? It seems to be a matter worth serious investigation. In emission of tone the infant unconsciously has a system that makes the Italian appear crude. If singing masters could discover what it is, and teach it, all present methods of vocal study would be revolutionized.—William Lyon Phelps in Scribner's Magazine.

One on the Pawnbroker

He stood, apparently deep in thought, under the three golden balls which hung above the doorway of the shop.

Presently resolution came to him; he crossed the threshold and inquired of the proprietor: "How much will you give me for this coat?"

"A shilling," retorted the pawnbroker, eyeing the shabby garment with undisguised contempt.

"Oh, make it 2 shillings," exclaimed the seedy one. "Hang it all, this coat's worth 5 bob if it's worth a penny!"

"My friend," said the pawnbroker, "I wouldn't give five shillings for two overcoats like that—no, certainly I couldn't."

"Come, come!" replied the seedy one, persuasively. "Would you take a shilling for it if the coat were yours?"

"Yes, and thank I'd done well!"

"Ah, then, that's all right. Here's your bob. I found the coat outside and brought it in to see how much it was really worth."—Toronto Globe.

Has Anyone Laughed At You Because—

By ETHEL R. PEYSER

You pun?

Never you mind, you get a laugh, don't you? They may laugh at you, but they do a lot of laughing with you, too. There are some awfully vapid puns, yet some of the wittiest people in the world have made puns, and a great bulk of the jokes that people pay for seeing in the "movies" are puns, some good and some bad. I remember a "movie" where the puns in the titles made the "movie" a success. So let the heathen laugh at you, because they will have a laugh with you for entertaining them—if you don't do it to excess.

SO

Your get-away here is: Your puns are so clever that people who pun admit that you are a wit!

(© by McClure Newspaper Syndicate.)

There is one advantage possessed by the man at the bottom—he has not so far to fall.

MAGNOLIA ITEMS

Cotton pickers is all the talk now. We certainly do need some help in this community. There was a good attendance at Sunday School last Sunday. Mr. and Mrs. B. H. Marable attended the Fair at Lubbock last Friday. Misses Alice Gadberrry and Edith Gray were the guests of Lillian Hudspeth last Sunday. Miss Audrey Humphries visited with her aunt, Mrs. B. J. Emanuel, from Saturday until Sunday, when she returned to O'Donnell where she is attending school. Mr. L. L. Jones made a business trip to Seminole last Sunday afternoon. Mr. and Mrs. Vaughan are the proud parents of a baby girl. Mr. and Mrs. W. E. Gadberrry visited with relatives at Ragtown last Sunday. Mrs. J. B. Ray visited with Mrs. Gurley last Sunday.

—Correspondent. J. M. Jones of Myra, Cooke, county, arrived Wednesday to look after his farming interest, owning a farm four miles southeast of the city. Upon his arrival Mr. Jones came direct to the News office to renew his subscription and he had a word of praise for the paper, which we appreciated. He also had a word of praise for Lynn county, saying he thought it one of the best counties in west Texas, which we all appreciate.

Mr. Spence of the Local Santa Fe force has several cases of whooping cough in his family. We are informed that there are a number of cases in town. HOW FAR CAN YOU SEE Come to the Epworth League next Sunday night and enlarge your horizon. Leader.

I. S. Doak has been confined to his bed the past two or three days but is reported to be improving and will probably be out again in a day or so. Rev. H. S. Hatchett has been indisposed the past several days, being confined to his room, but his physical ailment is not serious.

Before Undergoing An Operation or having any of the organs removed that God placed in the human body for a Special Purpose Investigate the Science of CHI-RO-PRAC-TIC at DR. HUGHES Office located over Wells & Son's Store. TAHOKA, TEXAS

FORMER PASTOR VISITS

Rev. W. C. Hinds, pastor of the Methodist Church at Seymour, was a visitor in Tahoka Tuesday and Wednesday, meeting and greeting many of his former friends and incidentally looking after his farming interests in this county. Brother Hinds was pastor here for two or three years immediately preceding Brother Howell and made many friends here. He was also wise enough to foresee that these fine lands must advance in price and he therefore invested in a tract of land in this county before removing from the plains.

Miss Millie M. Halsey, Home Demonstration Agent, left Thursday to spend a week or ten days with her father and other relatives at Rogers, Texas, where she was reared. She was joined at Slaton by her aunt Mrs. Davis Eubanks, of that city and by her sister-in-law, Mrs. M. A. Halsey of Lubbock, both of whom were long-time residents of Bell Co.

Tom A. King of Sherman, who owns a 480-acre tract of land in the Redwine community in this county, was a visitor here Wednesday, looking after his property interests. Mr. King thinks Lynn one of the best counties in the state.

Mr. and Mrs. L. W. Rhodes and Mr. and Mrs. S. D. Dunnahoo of Loreine were the guests of C. F. Hairston at the St. Clair Hotel Tuesday, leaving Wednesday for Roswell N. M.
