

LYNN COUNTY STAGES TWO DAYS FAIR

At Friday and Saturday the Lynn County Fair was held in Tahoka, and crowds were in attendance during both days. Although only two counties were represented with cultural displays, the products, and the individual displays were the best ever shown here.

In the individual and business booths were of the highest order. The fair was opened Friday morning with a parade by the Tahoka Public School. All departments except the fair were in line, including the School football squad dressed in uniforms. Four boys carried a stretcher which represented the stretcher after the football game Friday afternoon and it proved to be a faithful representation of the fair club, with the score 46 to 0. The Community parade, Magnolia the only community that entered, won off first and second prizes of the fair association.

It is regretted that some five or six in the municipal auditorium could not be accommodated. The stock and poultry exhibits were extraordinary and many were compliments heard on these divisions.

The textile department was well shown and was far above any display shown in Tahoka.

The amusements during the fair were of the highest order, consisting of clean shows, rodeo, football, horse riding, horseracing, etc. The following is a list of the entries in the department and winners of the fair.

At the fair was furnished the News by the various departments authentic so far as is known: INDIVIDUAL FARM EXHIBITS

LUBBOCK FAIR BOOSTERS IN TAHOKA FRIDAY

Tahoka was stormed Friday during the Lynn County Fair by a large delegation of South Plains Fair boosters from Lubbock. There were some fifteen cars made the trip. They made Brownfield, Lamesa and Tahoka in the same day. Several good speeches were made during their stay in Tahoka. They passed many compliments on the various booths at the Lynn County Fair. They are a live wire bunch of boosters and we welcome them back again.

Many Lynn County people will be in attendance at the South Plains Fair in Lubbock, Wednesday, Thursday, Friday and Saturday of this week. There will be many new attractions this year.

L. O. Thompson, an employee of the Tahoka Drug Co., spent Sunday in Clovis, New Mexico.

Horace Hale returned the past week from the state of Nebraska, where he spent several weeks on a visit.

Prof. N. M. Hood has accepted a position as dry goods salesman with the firm of Small & Christal.

S. B. Hatchett carried a load of prospectors to Terry county and return Monday.

Hundreds of Lynn County folks are attending the South Plains Fair at Lubbock, Wednesday, Thursday, Friday and Saturday of this week.

B. J. Leedy, proprietor of the Palace Cafe, made a business trip to Lubbock and return Monday. He has experienced some difficulty of late in keeping chefs and dishwashers on the job, but is running with a full force at this writing.

AN EXPLANATION

In the article referring to F. E. Redwine capturing the automobile thieves near Roswell, N. M., in last week's issue of the News, we failed to mention that Mr. Redwine was accompanied by Deputy Sheriff Marshall Simpson, who assisted him in making the arrests. Deputy Simpson was sent by Sheriff Sanford. Sheriff Sanford was instrumental in getting trace of the thieves. This explanation is made by the News in justice to both Sheriff Sanford and Deputy Simpson.

Mrs. C. A. Thomas and son, Skiles, returned the first of the week from Ennis and Bloominggrove, Texas, where they spent several weeks as the guests of relatives.

Wednesday morning a cool northerly visited this section, which reminded folks that old man Winter was on his way to the plains for a few months stay. A light shower or rain fell during the day.

Editor Prentiss Womble, of the O'Donnell Index, was in town Friday, coming up to attend the Lynn County Fair and witness the football game between Tahoka and Lamesa. Editor Womble in a big booster for Lynn County and the whole South Plains.

Rev. J. F. Curry, missionary for the Brownfield Baptist association, returned Monday from Bronco and other towns on the New Mexico and Texas line, where he had been holding meetings. Rev. Curry left Tuesday for Leland, Texas, the new county seat of Cochran county.

W. J. Crouch left Tuesday morning with a truck load of agricultural products for Lubbock, where he will have charge of the Lynn County booth during the South Plains Fair. He was assisted in arranging the booth by W. Brown Bishop. Lynn County will likely carry off some valuable prizes at the South Plains fair this year. Mr. Crouch is an experienced decorator and the booth will make 'em set up and take notice from far and near.

ROSS AND GOOD TAKEN TO DALLAS BY AUTO

Abilene, Texas, Oct. 2.—Tom Ross and Milt Good, under conviction here and at Lubbock in connection with the slaying of H. L. Robertson and W. D. Allison, cattle inspectors at Seminole April 1, were taken to Dallas early Tuesday, where they will be held in jail pending action on the appeal of their cases.

They were conveyed to Dallas by automobile by a party of officers headed by Sheriff John Bond of Taylor County.

B. C. King and family were Lubbock visitors Sunday afternoon.

TAHOKA MAY SECURE TELEGRAPH SERVICE

Tahoka may secure telegraph service, if the plans of the officials of the company are carried out. A committee from the Tahoka Chamber of Commerce met the officials of the company on the northbound Santa Fe Saturday morning and they gave out sufficient information to practically assure this service for both Tahoka and Lamesa.

The officials had been to Lamesa and were on their return to Slaton Saturday morning.

For the past several years Tahoka has had only telephone service at the railway station.

HOGS IS HOGS SO JUROR GETS HIS FREEDOM

"Pigs is Pigs," according to Ellis Parker Butler. Hogs is hogs in federal court.

A man from Lynn county was summoned as a petit juror for the present term of federal court for the Northern District of Texas which opened here Monday. He entered a plea for excuse on the grounds that his ranch in Lynn county was uncared for during his absence and that his livestock and crops would suffer.

"What livestock do you have?" Judge James C. Wilson asked.

"Some hogs, horses, and a few cattle" the juror replied.

"How long have you lived under the present conditions?"

"Twenty-two years." The juror added that he had never been able to leave his ranch for any extended length of time.

"Have the district judges always let you off?" Judge Wilson asked.

"Yes, sir. I've always got off on that excuse."

"Perhaps it was out of consideration for the hogs and not out of consideration for you, that you have been excused." Judge Wilson said, laughing. He was excused.—Abilene Daily Reporter.

SORORITY SINGERS COMING

The Sorority Singers will give a program here on October 16, 1923, evening at the School House, under the auspices of the Tahoka Parent-Teachers' Association. This group is made up of four comely young college girls who have been singing together for some time and whose programs have been received everywhere with the greatest enthusiasm.

Their voices have been thoroughly trained and the program they present is one that will please old and young. It includes a variety of vocal combinations, and the selections used are of standard and popular composition, with one group of old favorite college songs which is one of the most pleasing features of the evening.

The various numbers are given in costume, which adds to the interest. The members of the company are charming young women who win their audiences with their gracious manners, as well as with their pleasing performances.

This entertainment promises to be one of the most enjoyable of the season's Lyceum Course.

Remember the date, Tuesday, evening, October 16, at the High School Auditorium.

Ships Car Cattle to Kansas City

J. E. Ketter shipped a carload of cows and yearlings to the Kansas City market Saturday of last week.

Mrs. Charles Shook and children of Waco, arrived Wednesday for a visit with her parents, Mr. and Mrs. H. C. Crie, and her sister, Mrs. S. M. Clayton.

C. R. Rambo and family, of Brownfield, Wyatt Herd and family of Detroit, Michigan, were guests in the home of Wade Cowan Sunday.

Mesdames W. D. Nevels and Ham made an overland trip to Lubbock Monday.

FRANK NORFLEET LANDS SIXTH MAN

Salt Lake City, Utah, Oct. 2.—J. Frank Norfleet of Hale Center, Texas, who for the last four years has devoted practically his entire time to the seeking out of the men who fleeced him out of \$40,000 in Fort Worth in November, 1919, slept soundly and peacefully in Salt Lake City last night, his chase said to be over and the last of the bunco men reported in the coils of the law.

M. P. Hunt, a salesman of this city just at present, but formerly known as W. B. Spencer of Texas, is the man identified by Norfleet as the last of the bunco men. He is held here by the government on three narcotic charges and will have to stand trial on these charges. "Hunt, or Spencer, had quite a chat with Norfleet and admitted he was one of the men who "got that \$40,000," according to a statement made by George Chase, superintendent of the identification bureau here.

Indictments charging the breaking of the narcotic laws caused the arrest of M. P. Hunt on September 20. While Hunt was in custody, Mr. Chase comparing Hunt with a picture and an identification card sent out by Norfleet, decided that Hunt and Spencer were the same man and notified Norfleet of his discovery.

Norfleet arrived here yesterday and immediately identified Hunt.

The United States government, according to detectives, has refused to give Spencer up until he is tried on the narcotic charges.

Norfleet will remain in Salt Lake City two or three days before going to his home in Texas.

Of the six who are accused of staging the fake stock game by which he was fleeced, the Hale county ranchman says that two are now in the penitentiary, one was acquitted, one committed suicide, one died of an illness, and the sixth is now in prison.

Mr. Norfleet has considerable land holdings in Hale county which is located on the South Plains of Texas. He has at various times served as deputy sheriff in that region.

Norfleet has at times taken assumed names and traveled in disguise when nearing neighborhoods where he believed some of his quarry were hiding. He has been on their trail far into Mexico, in many parts of Canada, in every state in the union save one, and in Cuba.

In this issue of the News you will find a full page advertisement by fourteen business firms of Tahoka. They invite you to call them over the telephone and assure you that prompt and efficient service will be rendered at all times. Phone these advertisers when in need of anything in their line.

FORD PRICES HAVE AGAIN BEEN REDUCED

Another reduction in the price of all Ford cars was received here Wednesday by the Connolly Motor Co., distributors of these cars in this territory.

Among the various amusements at the Lynn County Fair Friday and Saturday, was an aeroplane, and many people enjoyed a flight in the clouds. The aviator flew a Curtis plane and hailed from El Paso and San Antonio.

WYATT BROS. ADVERTISE PURINA FROM AEROPLANE

Wyatt Bros. coal and grain dealers of this city instituted a new advertising method here Saturday when they distributed Purina pamphlets from an aeroplane. The plane flew over the business section of the city and the pamphlets scattered broadcast. The pamphlets were numbered from 1 to 100 and three numbers entitled the finder to prizes when brought to the booth of Wyatt Bros. at the fair auditorium. The first prize, No. 13, entitled the finder to a free ride in the aeroplane. The second prize entitled the finder to a 100-pound sack of Purina Chicken Chowder. The third prize, a 50-pound sack of chicken chowder.

Many cotton pickers are needed in Lynn county just now. The price of picking is soaring high, reaching \$1.75 per hundred pounds and even more in some cases. Even at this price pickers are scarce and hard to get. The growers are exerting every effort to gather the fleecy staple before bad weather sets in. All gins are now running full time.

COUNTY AGENT WOULD BE A BIG ASSET

Lynn County has long needed the services of a county agricultural agent and secretary of the Chamber of Commerce combined. The News has been reliably informed that a county agent can be employed by the commissioners court, the county paying half and the State half of his salary. In many counties in west Texas a man is employed both as the county agent and chamber of commerce secretary, and the plan has proved to be very successful.

If a number of citizens in each precinct will petition their commissioner to employ such a man for the county, arrangements could be made to have him serve as secretary of the chamber. Everybody knows such a man is needed to look after the agricultural interests of the county. The farmers are the backbone of the country and their welfare should be looked after in every way possible.

We believe a majority of the people of Lynn county are in favor of employing a county agent. The News has heard a number personally express their desire for the county agent. The organization of the boys and girls clubs in the county would be well worth the agent's salary. Proof of the value of such a man services has been proven in our sister county, Dawson, to the south of Lynn. C. T. Watson, county agent and secretary of the Lamesa chamber of commerce, has been employed for a number of years. Most any citizen in that county will tell you that his services are of untold value.

If a sufficient number of citizens will make it known to their county commissioner, that they are in favor of employing a county agent, Lynn county will soon be enjoying the services of such a man. Let's act at once and place our county on the map along with the rest of the counties on the plains. A county agent for Lynn County is the next important move confronting our citizenship.

Hans Tunnell is buying cotton at O'Donnell this week.

Mesdames S. H. Adams and J. F. Frye, and Misses Francis and Josephine Adams, of Slaton, attended a missionary meeting this week at O'Donnell.

W. M. Thompson and family attended the Dawson County Fair at Lamesa Tuesday and Wednesday.

Alvin Hicks, of Brownfield, has accepted a position with the Cicero Smith Lumber Company in Tahoka.

LAMESA SUFFERS DEFEAT 46 TO 0 IN FOOTBALL HERE

It was a great football game played on the local gridiron Friday afternoon, when the Tahoka Bull Dogs met and defeated the Lamesa High School 46 to 0. It was a walkover for the Bull Dogs from the very beginning of the struggle and only took a few minutes play to show that Lamesa was not in their class when it came to playing real classy football.

Although Lamesa was never able to score, the team fought to the last minute and on one or two occasions made brilliant plays, but they were outclassed because of the lack of experience. Coach Peoples allowed several substitutes to go in the Bull Dog lineup, with the hopes of making the game interesting to the hundreds of spectators on the side lines. But, alas, even the "subs", assisted by the regulars, was too much for the Lamesa squad and gave them a unmerciful drubbing.

Stars of the game were plentiful. It was a great game, but owing to the superior playing of the Bull Dogs it was a one-sided affair during most of the contest, Lamesa simply could not make the raffle.

The Lamesa eleven proved to be good sports and gentlemen of the first class, and with a little more experience will develop into a good team.

The Tahoka Bull Dogs will journey to Lamesa this Friday afternoon for a return game. A large number of fans will likely accompany the team to cheer them on to victory.

The dollar that goes out of town never comes back, and the money spent at home is used to develop the city and help make improvements. If home trading were discontinued entirely there would be no towns in the country, and even the occasional dollar taken outside hampers the growth of the community.—Santa Anna News.

The words contained in the above make true statements, and there should be a general movement among the people of every town and community to impress the people with the importance of 'trading at home.' But at the same time the home merchants should see to it that the people get goods at reasonable prices. Just the fact that the people should be loyal and trade with home merchants should not be taken as a privilege to sell goods at exorbitant prices. High prices placed on goods by local merchants is running a great deal of trade away from the home towns, and these same merchants are complaining because the business is slipping away from them. People should trade at home so long as treated fairly by the home merchants.—Abilene Daily Reporter.

If you can't boost—don't knock.

FAIRS

There is seldom a paper picked up these days that does not have an account of a fair, that is being conducted or planned in the near future. Fairs serve a two-fold purpose: They bring the city and country closer together and they educate the community into the possibilities of the agricultural development.—Sweetwater Reporter.

GROWTH—

No town can grow as it should unless its people work together in its upbuilding. The history of every city that has had rapid and substantial growth will show that united and enthusiastic work of its people had the greatest part in making it grow. In towns where a few live men boost and work the town's upbuilding and many are indifferent and do nothing, the work of city building is exceedingly difficult and the results slow in coming. If all boost and help to build up the town it is an easy matter to make the town push forward.—Aspermont Star.

CITIZENSHIP AND SCHOOLS

Plainview Herald: With the opening of the public schools and Wayland College the responsibility of the citizenry of Plainview has increased. Plainview is fortunate in the good schools that have been developed here. Her citizens have a solemn duty toward the faculties and the students of these schools. Plainview always does the magnanimous things by her schools, and will continue to do them.

Busy with their household duties or their businesses, it is an easy matter for the people of the town to neglect their social obligations to the faculties of the various schools, many of whom are from other towns. Those who have taught school in a strange town and those who have friends or relatives who are doing so can appreciate the position of a teacher who comes into a strange town. Probably no one has more care, responsibility and worry on them than the school teacher, and there are countless ways in which the citizens of Plainview and of every other town and community can cheer up the teachers of the schools and make their work easier and more pleasant. A contented, happy teacher reflects his or her life in the lives of the pupils with whom she comes in contact. Likewise, a disgruntled, discouraged, pessimistic teacher influences them. In many ways the citizens of a town can determine whether they wish the happy or discouraged teacher.

APPRECIATES A GOOD TELEPHONE OPERATOR

Service is a personal thing even if it is a function of a big public service organization. The Commercial Journal refers to an example of this in discussing the work of a telephone operator in that town:

"No use to call her name. Every individual in Commerce who for the last 15 years had occasion to talk frequently over the telephone will know immediately for whom the boquet is intended. And yet I seriously doubt if she herself knows how much her services has meant to the citizenship of the town.

"Through all the years so far as the writer knows not one complaint has been registered against her services in the gossip of the homes, streets and business shops. At the switchboard she answers with that well-known soft, almost musical, 'Number please?' In a brief space she is back on the line: 'Did they answer?' Frequently calling you by name when she comes back.

"Hundreds in Commerce, accustomed to her soothing, almost caressing 'wait a minute let me try again; I bet I do make them answer if they are there,' have praised her in office, shop and household, but she does not know it. She is too busy serving. Here's to Commerce's telephone operator.—Ex.

The first fire fact we would have you remember is this: The week of Oct. 7 to 13 has been proclaimed by both the President of the United States and the Governor of Texas as Fire Prevention Week. Another special week. But it is a most essential week. This date is set in memory of the great Chicago fire, which was Oct. 9.

The knocker seems to still be working on the job in Tahoka. He came to light the fore part of the week when an effort was made to assemble a few agricultural products for display at the South Plains Fair. It remained for a faithful few to gather the exhibit, in order that our county might be represented before the eyes of thousands of people. If it wasn't for the efforts of a few boosters this burg would soon be a fit candidate for the graveyard.

HALE COUNTY WINS FIRST PRIZE AT AMARILLO

Amarillo, Texas Sept. 27.—Hale County won the title, "Queen of the Plains" here Thursday when its exhibit at the Amarillo Tri-State Exposition was judged the best of 21 county exhibits. A score of 971 points out of a possible 1,000 was made by the South Plains County. Lubbock County, adjoining county to Hale, was second in the county contest with a score of 914 points.

Hale County won the grand championship and a cash prize of \$250.

Hale County Praised "Yes, We Have no Tech," read a placard in the center of the Hale County booth. Col. R. P. Smythe, to whom much of the credit of preparing the exhibit has been given, declared, "Yes we have some county, and if we didn't get the Tech, we are going right ahead and show the world that the Tech is where it belongs on the plains; if not in Hale county, then in the one closest to us. We maintain that West Texas is the greatest place in the world and we are willing to place Hale county products in competition with those any place on earth."

Building Up Hens During the Moulting Means More Eggs
When not fed properly at moulting time, a hen robs her flesh of protein to make feathers. This stops her laying. By feeding Purina Chows, you help her make feathers quickly and get eggs sooner. Get your hens in shape for big production. See us today.

That one word tells the whole story. If your valuables are in a Safety Deposit Box they are safe from every harm. Burglars cannot get them, fire cannot burn them, yet when you want your valuables they are easily accessible. The cost of a Box in our Vault is very moderate, and the protection you are assured is absolute, so why not rent a box to day and be safe.

NOTICE IN PROBATE THE STATE OF TEXAS.

To the Sheriff or any Constable of Lynn County—Greeting: You are Hereby Comanded to cause to be published once each week for a period of ten days before the return day hereof, in a newspaper of general circulation, which has been continuously and regularly published for a period of not less than one year in said Lynn County, a copy of the following notice:

THE STATE OF TEXAS

To all persons interested in the welfare and estates of Roy Callicoatte, Delos Callicoatte and Johnny Fay Callicoatte, Minors, J. P. Jensen has filed an application in the County Court of Lynn County, on the 4th day of October, 1923, alleging that he has been duly and legally appointed guardian of the estates of each of said minors by the County Probate Court of Mesa County, Colorado, where said applicant and said minors are alleged to reside, and that he has duly qualified and is acting as such guardian, and he prays that he be appointed non-resident guardian for said minors in Texas, which said application will be heard by said Court on the 22nd day of October, 1923, at the Court House of said County, in Tahoka, Texas, at which time all persons interested in the welfare of said minors are required to appear and answer said application, should they desire to do so.

HEREIN FAIL NOT, but have you before said Court, on the first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Witness my hand and official seal, at Tahoka, Texas, this 4th day of October, 1923.

W. E. SMITH, Clerk
County Court, Lynn County, Texas
By Lucy Belle Swan, Deputy.

Ford THE UNIVERSAL CAR

New Sedan

Changes featured in the new Ford Sedan make it a better looking, roomier car. A higher radiator with a trim apron at its base lends dignity befitting a closed car. The higher hood and enlarged cowl curving gracefully to the dash give a stylish sweep to its body lines, and afford additional leg room for occupants of the front seat. All body fittings—window regulators, door grips, door latch levers, door lock, dome light—are finished in nickel. The upholstery carries a fine dark line on a soft brown background that does not easily show dust or dirt. Silk window curtains harmonize for the three rear windows enhance the style of the car and add to the comfort of its passengers. See the new Sedan and other new Ford body styles at our showroom.

These cars can be obtained through the Ford Weekly Purchase Plan.

FRESHMAN CLASS

Last Thursday afternoon the freshman class organized. We elected officers as follows:

- Barney Davis,—President.
- Harold Edwards,—Vice-Pres.
- Alice Small,—Secretary.
- Linie B. Willis,—Reporter.
- Sherman Davis,—Yell Leader.
- A. D. Sanders,—Sergeant at Arms.
- LeRoy Knight, Chairman of the entertainment committee.
- J. E. Ketner, Helen Lee Maddox and Mryna Bell Mayo as his assistants.

We decided on our class colors and our motto. Our class colors are green and white; our motto: "Green, but Ripening."

A call meeting of class officers was held Tuesday afternoon at recess to discuss the High School Annual.

The Freshman Class is in favor of an annual. REPORTER.

ITS AN OLD, OLD SAYING THAT THE PEOPLE YOU WRITE TO OFTEN JUDGE YOU BY YOUR STATIONERY. AND THERE IS A GREAT DEAL OF TRUTH IN THE FACT THAT STATIONERY CAN BE SO CHOSEN AS TO REFLECT THE BEST OF JUDGMENT AND TASTE. STATIONERY SUITABLE FOR ONE OCCASION MAY BE ENTIRELY OUT OF PLACE FOR ANOTHER. THEN, TOO, THE STYLES IN STATIONERY CHANGE THE SAME AS STYLES IN CLOTHING. PARENT-TEACHERS' ASSN.

The Parent-Teachers' Association met in regular monthly session Monday afternoon at the school building, promptly at 3:30 o'clock for the purpose of transacting business. The main topic of discussion was the Dixie Lyceum, the first number appearing in Tahoka, Tuesday, October 16, will be a musical number composed of five young ladies, which we feel sure will be both entertaining and educational. We sincerely desire the support of every citizen in Tahoka and those interested in our school. It was the purpose of the Parent-Teachers' Association in securing this Lyceum to furnish the pupils with a high-class entertainment.

Sixteen members were present; nine teachers and seven parents.

Our standard of excellence requires that 75 per cent of parents whose children attend school, be members of the Parent-Teachers' Association.

Have you ever visited your children's school and seen their daily surroundings, for five or six hours during eight or nine months of the year?

The Association meets the first Monday of each month and you are needed.

A special program will be prepared for Friday, October 19th, to commemorate the organization of the Congress. Come fathers and mothers and get acquainted with the teachers and each other.

ROSS JUROR SAYS HIS
VOTE INFLUENCED

Abilene, Texas, Oct. 1.—M. L. Hay one of the juror which tried Tom Ross and found him guilty of the murder of H. L. Roberson, made affidavit that his verdict was unduly influenced by other members of the jury when the motion for a new trial was being heard before Judge W. R. Ely here Monday.

Hay's allegation was denied in an answer filed by District Attorney M. S. Long. Hay set forth that he favored a milder sentence than the 20 years given by the jury.
