Bulldogs Lose Squeaker, 17-14

and to Compete in Lubbock Meet

Next week the Tahoka High and Junior High Bands will compete in the 1969-70 Interscholastic League Marching and Twirling contest to be held at Lowery in Lubbock.

On Friday, November 4, the 54 member High School Band will compete in AA competition at 10 a.m. High School Twirlers will compete between 11:00 and 12:00 a.m. on November 4. On Saturday, November 5, the Junior High Band will compete in Class C competition at 10 a.m. The Junior High Twirlers will compete between 11:00 and 12:00 a.m. Junior Twirlers include Donna Glenn, Anita Glenn, Jo Anna Adams and Janna Adams.

The competition in Texas has become one of the most competitive of inter-school competitions. Last year 2,812 music organizations with 10 members competed for honors in University Interscholastic League competition. From the organization 19,458 students participated either as solo or ensemble in other contests.

Students or other interested persons are invited to attend these music festivals for a day of exciting entertainment. There is no admission and the west stands of the field are reserved for interested persons. Spectators are invited to come but are asked to be as quiet as possible as most competing bands are

having sound color movies made of their performances.

Let's everyone who is able go and support these school organizations.

Tuesday's competition will include 39 bands of class A through AAA classification and will begin at 9:00 and will last until 4:40 p.m.

Wednesday's competition will include 22 bands from class C through AAAA High Schools in the afternoon. Junior High and Class B High Schools begin at 9:00 a.m.

5.63 Inches Of Rain Has Been Recorded

Rainfall continued over the Plains this week, but the U.S. Weather Bureau at Lubbock predicted clearing skies by Friday morning.

Up until 7:30 a.m. Wednesday, the Tahoka observer had recorded an official 5.63 inches this month, 2.14 inches the last seven days, and 26.29 inches so far this year. The drizzle was continuing Wednesday at mid-day.

This 5.63 inches for October however, is far from a record in Tahoka. In 1913, 9.85 inches was recorded, and 7.12 inches in 1914. Local records are incomplete for 1916 through 1928, but about 8 inches came in October, 1926. Tahoka received 8.61 inches this month in 1941, and 5.72 inches in 1960.

Very little cotton was hurt in this county by the mid-October freeze. Rainy weather has delayed maturity and harvest of cotton and no doubt injured the quality. However, with a couple of weeks of fair weather and no hard freeze until unopened bolls dry out, cotton men say most Lynn County cotton has a chance to fluff up, bleach out, and turn out better than most people expect.

DUPLICATE BRIDGE

5 tables played Tuesday night, Oct. 21, at the T-Bar Country Club Duplicate Bridge.

Placing first were Mrs. Olen Renfro and Mrs. Audra Norman; placing second, Mrs. Roy Lemond and Mrs. Winston Wharton; and third place was won by Mrs. Oscar Roberts and Mrs. Clint Walker.

HOMECOMING QUEEN - Suzanne Warren is being crowned Homecoming Queen here by Mrs. Mary Brecheen, President of the Ex-Students Association. The queen is selected in secret ballot by the football players. Miss Warren is Junior student in Tahoka High School, is a member of the FHA, Basketball, Office Staff and Annual Staff. Suzanne is the daughter of Mr. and Mrs. Robert Warren and her escort is Jeff Atwell, son of Mr. and Mrs. J. D. Atwell. (Photo by Finney)

Wilson Trips New Home 12-6

New Home kicked off to open Wilson's homecoming game with an on-side kick and recovered the ball. Neither team could get their offense rolling as the first quarter ended 0-0.

In the second quarter a 41-yard punt by Steven Bednarz put the Leopards on their own 4-yard line. On the Leopards first play Steve Meador broke through the New Home defense and caused Ronnie Farr to fumble. Alert defensive end Mark Koslan covered the ball in the end zone for a T.D., making the

score 6-0 in favor of Wilson. The kick for the extra point was no good. The rest of the second quarter was a defensive battle between the two tough defenses.

The third quarter was again a defensive battle with Wilson getting only 4 yards and New Home-8.

In the fourth quarter New Home filled the air with passes completing 6 out of 18 for a total of 100 yards and a scoring pass from Jimmy Fillingim to Ronnie Farr. Previous to New Home's score Wilson had driven from their own 20 yard line in 4 plays with Steven Brieger carrying the ball over from the 14 yard line to score.

Defensive stand-outs for Wilson were Steve Bednarz, Frank Lopez, Joe Crews, Steve Brieger, and Dan Lee Stone. Making an excellent showing on defense for New Home were linebackers Steve Fillingim, Ronnie Farr and monster Jimmy Fillingim.

Wilson's season record now stands at 5-1 and 1-0 in district play. New Home has a season record of 4-2 and district of 0-1.

During pre-game activities the Wilson 1969-1970 Football Queen was crowned. The candidates were Beverly Rackler, daughter of Mr. and Mrs. J.B. Rackler, Betty Shaw, daughter of Mr. and Mrs. Charles Shaw, and Katy Wuensche, daughter of Mr. and Mrs. Wilbert Wuensche.

Betty Shaw was crowned Queen. Miss Shaw is a Senior at WHS. Other of her achievements are: head majorette, FFA Sweetheart, and FHA President.

Pep-Squad Beau was also chosen. The nominees were Dan Lee Stone, Steven Brieger, and Steve Meador. Steve Brieger

was selected. He is a Senior at WHS, and he is the son of Mr. and Mrs. Leonard Brieger.

The Tahoka Bulldogs lost a squeaker last Friday night against the Idalou Wildcats in a Homecoming conference tilt. The Bulldogs outplayed the Idalou eleven throughout the game but with a couple of fumbled punts the Wildcats stayed on the score board and defeated the Bulldogs 17-14.

The Wildcats scored the only touchdown in the first quarter when an Idalou punt bounced off the leg of a Tahoka player at the 10 yard line and went into the end zone and was covered by Wildcat Dave DeBusk for an Idalou touchdown. John Hamilton kicked the extra point.

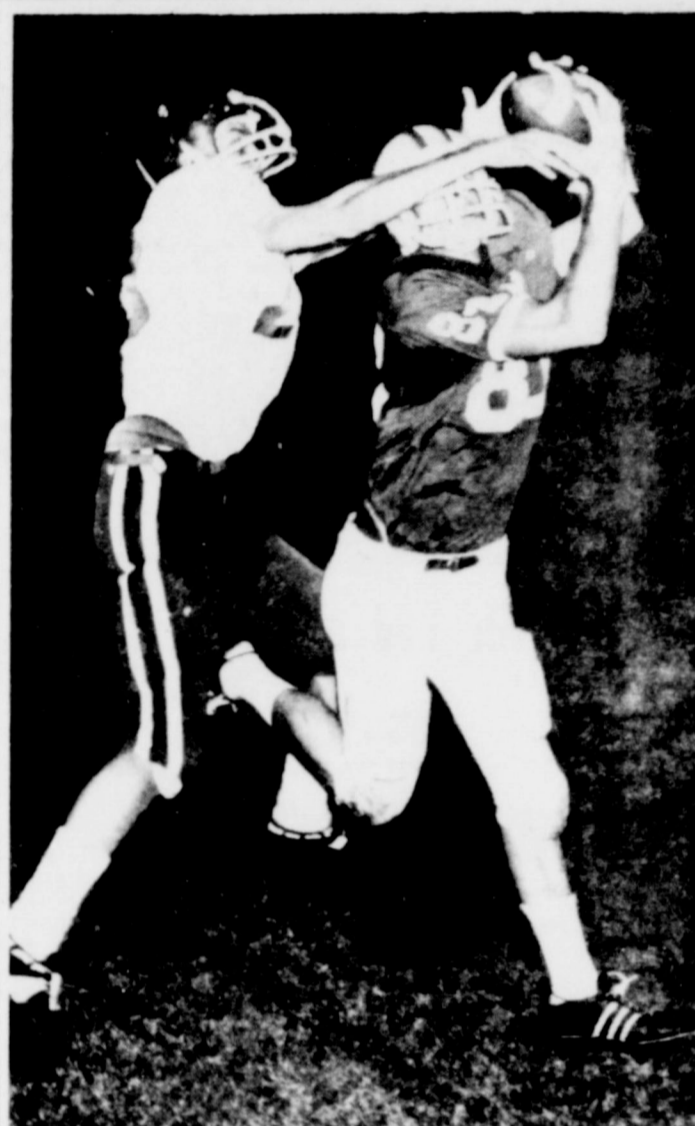

In the 2nd quarter the Wildcats on a 42 yard pass play from Donnie Drake to end Larry Petree carried to the Bulldog 2 yard line and 2 plays later the Wildcat Fullback DeBusk went over for the Six-Pointer with Hamilton kicking the PAT to give the Wildcats a 14-0 lead.

The Bulldogs came alive just before the half with sustained drive that carried to the Wildcat 18 yard line. Martin Warren then rolled right and tossed a 18 yard pass to end Gene Walker who made a spectacular catch in the end zone. The PAT failed and the Bulldogs kicked off to the Wildcats. The Wildcats unable to move the ball punted out and again a Wildcat punt was fumbled and it was recovered by Idalou. The Wildcats then booted a 27 yard field goal and made the halftime score 17-6.

The Bulldogs were able to score one touchdown in the third period on a 10-yard pass play from Martin to Walker with Warren scoring the two points conversion making the final score 17-14. Neither team was able to score in the 4th period.

The outstanding players were Gene Walker, Ladd Roberts, Martin Warren, and Johnny Martin.

Bobby Goff Speaks to Tahoka Lions

"There are 3,000,000 deer in the state of Texas, and hunters only take ten percent of them each year," according to Bobby L. Goff, Game Management Officer for the Texas Parks and Wildlife Department.

Goff was guest speaker at the regular Wednesday luncheon session of the Tahoka Lions Club.

Goff's program was centered around the Texas Whitetail deer since we are nearing the opening date, November 8, of the season.

Biologists would prefer hunters to harvest around 35 percent of the deer crop assuring better conditions for surviving herd numbers. Goff cited an example of deer herd increases over the past century. In 1900, there were 2,000,000 deer in the state. With hunter activity, predators, and deer deaths from natural causes, the Texas herd has still increased by one million.

Goff's program included a complete slide presentation with pictures of bucks that would make any hunter's mouth water. One portion of the slides dealt with the capturing of deer by P & W officials for transplant to other areas.

Such an example is 100 deer

placed on the Woods Ranch east of Slaton two years ago. This herd now numbers 150.

Goff was asked about chances for deer in Lynn County possibly on land such is found on T-Bar ranch.

"T-Bar ranch has sufficient cover and range for deer, but food is not readily available for them," Goff stated. "Deer eat browse and not grass as some people think."

Two deer were killed in Lynn County last year according to Goff. Norman Dockery on the Double U Ranch took a Black-tail that field dressed 165 pounds.

Lion Boss Bill Chancey announced the pending visit of the District Governor in late November and urged all members to be present to welcome him on that date.

The Lions meet Wednesday noon at Smith Cafeteria.

Mr. and Mrs. R.W. New and Shelly are visiting their parents, Mr. and Mrs. Everton Nevill and Mr. and Mrs. W.A. Ledbetter. They are enroute from Connecticut to Houston where they will be making their home.

Lubbock Man Dies Near Tahoka Monday

James Floyd Dunn, 59, of Lubbock dies late Monday of an apparent heart attack near Tahoka.

Dunn was a salesman for the Texas Roofing Co., he was apparently feeling ill as he was driving toward Tahoka, and stopped the car.

Methodist Women Meet Monday

The Women's Society of Christian Service of the United Methodist Church, met Monday Oct. 27, in the church.

Mrs. W.O. Wharton opened the meeting with a prayer, and under the direction of Mrs. G.M. Stewart the current study of "The Christian in Today's World" was completed.

Friday Oct. 31, the Tahoka and Grassland WSCS will meet at the Grassland United Methodist Church, at 10 a.m. in observance of the "Call to Prayer and Self-Denial." A covered luncheon will be served following the program.

HOMECOMING CANDIDATES - Pictured here are the four Homecoming Queen Candidates, one from each class of Tahoka High School. The senior candidate was Cindy Gibson, Junior candidate was Suzanne Warren, Sophomore nominee was Dale Rogers and Sherri Short was the Freshman nominee. Suzanne Warren was selected Homecoming Queen. PLACE FLOAT - Pictured here is the first place float made by the Junior class which named "Chew Up The Wildcats". Each class of High School made a float for the Homecoming Parade and each one was displayed at the football game last Friday night. The Junior class float was 2nd, the Freshman third and the Sophomore fourth.

THE PHILOSOPHER

Free Time ?

(Editor's note: The Sandhills Philosopher on his Johnson grass farm examines a new proposal to control campaign expenses in his letter this week.)

Dear editor:
According to an article I read in a newspaper—which somebody left in a cafe in town and which I picked up and brought home with me to offset the high cost of a cup of coffee—running for office has become so expensive it's now out of hand, a man without any money and with no rich friends hasn't got a chance, and a bunch of Congressmen are proposing to do something about it.

According to them, it takes from 10 to 15 million dollars to run for President, win or lose; at least a million to run for Senator, and from a million on down for Governor, depending on which state you're running in. Naturally a governor of say desert-swept Nevada wouldn't cost as much as a governor of Texas.

Most of the cost, they said, goes for television and they have come up with a proposal.

Instead of candidates begging or borrowing from rich people and big corporations, with the best beggars or borrowers, or promisers and obligators, getting the most television time, the Federal government should buy up enough time for everybody and let them speak free, this group argues.

Furthermore, so the government won't be wasting its money, the speeches should run on all networks and stations at the same time. No tuning out a political speech on one channel to see Gunsmoke on another. From watching tapes of their own speeches, most Congressmen know they couldn't compete with Festus Hagen, and a good many couldn't hold their own against a summer re-run.

Thus, the group argues, turn on your set and you'd have to listen to nothing but political speeches on the given night, and all candidates would thus have a fair shake.

I don't know whether this would improve democracy or not, but I know blamed well it'd ruin television.

Yours faithfully,
J. A.

N.W. Allphin, 93 Recalls "Olden" Days

Mr. N.W. Allphin 93, was born Nov. 25, 1875, near Waco. He has lived in Lynn County since 1930. He recalls the "Olden Days."

Important world and state changes during the lifetime of one man, N.W. Allphin, 1921 S. First St. Tahoka, Texas.

When I was old enough to observe conditions, there were no paved streets, no automobiles, no over-passes or under-passes, no natural gas, no electric lights, no telephones, no daily newspapers, and no hospitals.

The cotton gin had only one "stand-gin saws" powered by horses (or mules) that went 'round and 'round beneath the floor of the ginhouse. These powered both gins and press. Most families had a spinning wheel and loom. On the farms they spun the sewing thread and yarn for sacks, stockings, head-wraps, etc. On the loom they wove the cloth for all their clothing, bed covers, etc.

Most farmers raised chickens, hogs, cattle, and horses, some raised ducks and geese, using the feathers to make feather beds and pillows. Other than sugar, coffee, salt, and pepper, we bought very little. The coffee was green coffee beans, we parched it and ground it on our coffee grinder. Every family had one.

Shot guns and rifles in the early days were muzzle loaders. Children went to school to learn the three R's. readin, ritin, and rithmetick, in

other words to get an education. When we finished high school the only places we could go for higher learning in Texas were the colleges in Austin, and in Huntsville.

Up to around 1930 Doctors went to see the sick and treated them in their homes entirely. And in the early days patriots (not politician) were sent to the capitols to make our laws.

It is useless to mention modern home conveniences, all know them. The gap between their look at first and the state of things now was gradually closed as years went by. I might add this: In my early days there were no 8 hour day or no 40 hour week. Our day was from dawn to sundown. I worked for \$12.50 per month, plus board, washing and feed for my saddle horse.

Christie Reports On Water Pollution

Do you know what the single worst water pollutant is? If you guessed "industrial wastes," try again. By volume the worst pollutant is... "soil." Every year, tons of soil are washed from building sites, vacant lots, and unprotected farmland. It chokes our streams and rivers with sediment, fills our lakes and reservoirs with mud. Everyone talks about cleaning up our streams and lakes, reducing air pollution and beautifying America. But Lynn County Soil & Water Conservation District Cooperators are DOING something about it. Conservation practices hold the soil in place, keeping sediment out of the stream and dust out of the air. Conservation also helps prevent flooding, reduces needless water waste and benefits fish and wildlife. Your support of the activities of the Lynn County Soil and Water Conservation District is needed. They are working for cleaner water for us all.

The Soil Conservation Service assists the District Cooperators in the planning, designing, lay out, installation and maintenance of these conservation practices. In the last year and in the future the Soil Conservation Service and The Soil & Water Conservation Districts have broadened their scope to enable them to better assist a more urbanized society.

We all need to do our part in caring for the Natural resources that nature has provided for our use. The Soil Conservation Service has the background, experience and training to assist you in proper land use decisions. In making plans for utilization of natural resources consulting the Soil Conservation Service will pay off. The staff of the Tahoka office is always ready to assist farmers and non-agricultural people alike.

Car care is a game of inches. And experts.

No football coach in his right mind would ask his defensive tackle to do his quarterbacking. And no Chevy owner who cares for his car should ask anybody but a Chevrolet Dealer to do his servicing. Why? Knowledge. And experience. After all, nobody knows more about Chevrolets than Chevrolet specialists. So, let us give you Chevy our best. Especially now, with winter coming on. Bill Hall Speaks To Lions Meeting

When is a referee not a referee... when he's an umpire, and linesman or judge according to Bill Hall, a 17 year veteran of the Southwest Football Officials Association headquartered in Dallas.

Hall, from Lubbock, was in Tahoka Wednesday for the luncheon meeting of the Lions Club. His program outlined the mechanics of football officiating and answered the questions of many football fans in attendance.

To become an official, an individual must first serve a year apprenticeship after being selected to the South Plains Football Officials Association. Following the apprenticeship, he petitions the SFOA in his area and is forwarded books and rules procedure from the association. Before the season, he is required to take a test to make a passing grade of 75 percent before he is allowed to officiate during any Interscholastic League Competition sanctioned football game.

High school games are played under the same NCAA rules as college games with the exception of length of quarters. Also, officials are usually in

attendance for high school games whereas colleges use five officials.

Hall mentioned a new ruling concerning the age of officials. No official over 58 years of age may officiate at any South West Conference game because of the strain of college ball.

Hall cited one example of a South Plains SFOA member who has officiated for 43 years and is still going strong.

New officials start out in division 5 and work their way toward division one by using a point system. So many points are given for each game worked and AAAA schools and colleges naturally count more than 8 man or class B games. Hall is a division 3 official preferring mainly to work close to home.

Officials are paid according to a rate by the State Interscholastic League and is calculated of the paid attendance at games. All schools use the rate and officials are paid accordingly. Officials working a game from the same town usually ride together and the driver receives a car allowance of 10c per mile.

As for the names and duties of the officials, Hall outlined them as follows: Referee -

The referee is the "Head Honcho" and is usually the man in the group with experience and seniority. He positions himself in the offensive backfield and it becomes his job to know all rules and explain options for penalties to team captains. He requires his "team" to meet at least one hour prior to game time so that he may instruct each official, including the chain men and box man in their duties.

Umpire - The umpire positions himself in the defensive backfield and it becomes his job to watch all five interior linemen to see that there are no illegal receivers downfield, no illegal use of the hands or holding going on while the play is on. He must also cover the backs and ends on short hook pass plays.

Head Lineman - The head linesman stands on the line of scrimmage and watches the neutral zone. It becomes his duty to see that the offensive team is set at least one full second before the ball is snapped and that no one is off side. He is the man that makes sure the chain is operated properly, that the down is marked correctly and he covers the ends on deep pass plays.

Judge - The judge is on the opposite side of the field across from the head linesman and his duties are similar. He too watches the neutral zone but his additional duty comes in covering receivers on punts and kicks. He is also responsible for the clock operation and usually meets beforehand with the electric clock operator. Should the clock fail, then it becomes his job to time the game from the field.

In college play there is a fifth official called the Back Judge and he takes the responsibility off the line judge in covering kicks and punts.

Hall concluded his program by going over some of the rules and answering questions from the audience.

Hall is Past President of the Industrial Lions Club of Lubbock.

The Tahoka Lions Club meets every Wednesday noon at Smith's Cafeteria. Bill Chancey is Club President.

A. C. WEAVER
... 41 YEARS SERVICE

A.C. Weaver Retires After 41 Years At Local Post Office

A.C. Weaver, employee of the Tahoka Post Office for 41 continuous years is retiring from his rural carriers job.

Mr. Weaver was clerk in the local Post Office from 1928 to 1941 and transferred into rural service. Mr. Weaver said wood work was a hobby of his and that he planned to do a little fishing after retirement.

Mr. Weaver was born Nov. 5th, 1901 in Eastland county and moved to Tahoka in 1924 and was employed by the Post Office in 1928.

A.C. married the former Dortha Ussery in 1926. Mr. Weaver has three children; Bob of Aztec, Kenneth of Pampa and Joyce Schultz of Dallas.

**Bill Griffin,
County Agent,
Says.....**

Whole cottonseed may be used as a source of protein and energy when the price of a pound of cottonseed does not exceed the cost of two-fifths of a pound meal and three-fifths of a pound of ground sorghum.

He said the question of feeding cottonseed is often asked during this time of year. Cottonseed, is a 20 percent crude protein food. Four pounds of seed will furnish as much protein and more than twice as much energy as two pounds of 41 per cent cottonseed meal. But no more than four to five pounds of cottonseed should be fed daily per herd to mature cattle, the county agent noted.

If cattle are fed too much cottonseed, they may scour badly due to the high oil content of the seed. There is no advantage in grinding cottonseed when feeding it to cattle.

Mr. and Mrs. Douglas Haynes and Debra of Houston were here Friday until Sunday with her parents, Mr. and Mrs. Lee Shockey. They also visited Wilda Ann's grandmother, Mrs. M.A. Shockey in the Slaton Rest Home.

After one day of Sunshine the rains came again. Beginning about 1:30 Sunday and at 9:00 a.m. this Monday morning we have reports of 1.75 inches here in New Home. West of New Home at the Joe D. Unfred farm 2 1/2 inches and east of town at the Wayman Smith farm 2 inches. Some report that a total of near 7 inches has fallen within a week. Brent Gregg north east of New Home says he received 2 inches Sun-

day evening till Monday morning. The farmers all declare they have a very good under ground season.

Mr. and Mrs. Joe D. Unfred and Vicki went to Dallas Friday to visit their daughter, Nancy, a student in the Baylor School of Nursing and to see the Texas Tech-SMU football game.

Mr. and Mrs. Harold Gene Franklin and Bruce also went to Dallas for the game and the Unfreds and the Franklins met with Rev. and Mrs. Royce Calhoun of Ronoake, after the game.

Mr. and Mrs. J.W. Edwards have been spending some time at the Methodist Hospital with his uncle, G.A. (Uncle Gus) Edwards of Wolforth. He had major surgery in Methodist Hospital on Friday. Mr. and Mrs. Edwards lived in Tahoka many years, moving to Tahoka in the late 40's, later moving to Wolforth.

William Lee Shockey is back in school at Texas Tech after a few days in the Mercy Hospital in Slaton with Mono.

The New Home Civic Club will meet Monday night, Nov. 3, in the Wagon Wheel Cafe starting at 7 p.m.

An interesting program has been planned. Charlie Rivers of Lubbock, will show a film of Bass fishing. Supper will be served.

Harvey Schoppa, 16 year old son of Mr. and Mrs. Elmer Schoppa had an appendectomy Thursday, Oct. 23rd in Highland Hospital, Lubbock. He came home on Sunday and will be back in school next week. He will be unable to play football with the Leopards this season.

There will be an enchilada supper 6:00 to 7:00 p.m. Friday October 31st sponsored by the senior parents. \$1.50 per plate. Everyone invited. The seniors also have Leopard tags to attach to your license plate. Price \$2.00 each.

Boswell Edwards, New Home, and Carlos Edwards, Denver City, left Monday morning for Waco to attend the funeral of their cousin, Fred Edwards. Fred, age 64, died Sunday morning about 11:00 a.m. after suffering a cerebral hemorrhage. Funeral services were to be held Tuesday, 2:30 p.m. in Waco. He is survived by his wife, Ethel, his father, A. W. (Wilson) Edwards and one sister, Norma, all of Waco. Fred with his family, lived here in Lubbock before moving to Waco. Several other relatives from this area who went to Waco for the funeral included Mr. and Mrs. Pete Edwards, and Mrs. Irma Fay Danklefs of Lubbock.

Donald Flippo Awarded Medal

WITCHITA FALLS, Tex. Sergeant Donald R. Flippo, son of Mr. and Mrs. Jacob C. Flippo, Roby, Tex., has received the U.S. Air Force Commendation Medal for meritorious service in Thailand.

Sergeant Flippo distinguished himself as an electrical power specialist at Udorn Royal Thai Air Force Base. He was cited for his outstanding professional skill, knowledge and leadership.

The sergeant was honored at Sheppard AFB, Tex., where he is now assigned to the 3772nd Instructor Squadron, a unit of the Air Training Command.

Past Days In Lynn County

Copied from the Lynn County News Feb. 4, 1921

Snow began falling over this section during the latter part of Tuesday night and continued until up in the day Wednesday. It is estimated that slightly more than one inch fell. Stockmen and farmers are jubilant over the fine prospects ahead. The large flakes melted practically as fast as they came in contact with the ground.

The members of the City Council made a special trip to Lubbock yesterday to inspect the light and power plant with the view of installing a new engine at the local plant, thereby giving the patrons a better service. The News hopes to be able in the near future to report the installation of better equipment here.

Olen Denton, Tahoka's champion kid boxer is working out daily and is taking on all who care to face his terrific punches. A temporary ring has been provided in the old Tahoka Hardware building on the west side of the square, and quite a number of enthusiastic boxing fans are watching young Denton go through his performance each afternoon. To date no one has been secured that can even interest the youth, and several grown men have been defeated by him. Promoters of the boxing sport are making a strong effort to locate some lad on the South Plains, who thinks he can box, and is of the same weight and age, to go up against Denton.

Boxing is a clean sport when carried on in the proper manner, and is being taught in the U.S. Marines, from where Denton has just returned. Denton has an older brother who is now champion of the Asiatic fleet.

Several of Tahoka's young people went up to Wilson Friday night to attend a play given by the school at that place. They report a nice program and a very enjoyable time.

The following were in attendance from this place: Misses Gladys Lee, Pauline and Lillie Powers, Geneva Doak, Irma, Nora, and Zella Willoughby, Messrs. Preston Lee and Hardy Powers.

On Saturday night, about 4 miles north of town, a Hupmobile driven by Clarence Crouch, and a Ford driven by B.H. Jones, collided at a point where the road comes to a fork. Fortunately neither of the drivers were injured, with

the exception of a little shake-up. Both the Ford and Hup were considerably damaged.

Mrs. Sam Sanford and little daughter Virginia, left Tuesday night for Higgins, Texas, in response to a message stating that her mother, Mrs. Hale was not expected to live. Mr. Sanford carried them to Slaton to catch the train.

Copied from April 22, 1921 On last Sunday at 5:45 p.m. at the Baptist B.Y.P.U., Mr. William S. Taylor and Miss Zella Meadors were united in the holy bonds of matrimony by the Baptist pastor, Rev. M.O. Grant.

Mr. Taylor is a most excellent young man of fine business qualifications and is employed in the abstract office of M. Shaw.

Miss Meador is the beautiful and accomplished daughter of Mr. and Mrs. W.A. Meadors, of this city.

On Monday following, the event was celebrated in connection with the birthday of M. Shaw, brother-in-law of the bridegroom, with a most elaborate dinner.

Only the immediate family were present, consisting of Mrs. Meador and two children, and J.J. Taylor's family.

Mr. and Mrs. Taylor left on Tuesday for Crosbyton where they will visit for a week with his brother, J.J. Taylor, Jr.

In the essay writing, Miss Monte Draper, of Tahoka, won in the High School Division, and Hubert Tankersley, of West Point, in the Rural School division.

The new law returning the time zone of the Panhandle back to the Central time is supposed to take effect Sunday morning (May 17). Owing to the fact that the Santa Fe has ordered the change made May 1st, it is expected that most towns along the Santa Fe will not make the change in time until that date.

Louie Weathers, an employee of the First National Bank, spent the weekend with relatives and "friends" in Abilene.

Tahoka High Happenings

BY BETTY OWEN

During half-time of a rather disappointing home coming game, Suzanne Warren was crowned Football Queen. The winners of the floats in the parade were announced. The Juniors came in first with the theme of "Chew Up the Wild-cats." Seniors were second with "We've got more than a Tiger by the Tail, We've got a Cat in the Bag." The Freshmen were third and Sophomores were last. Prizes were awarded by the Student Council. Before the Tahoka Band pre-

seated their half-time parade, Penny Parker gave special recognition to the Band-Aides for their help and support in their new plumes. The Band Aides, (actually the Band members) have helped the Band through the year, in sponsoring the football concession stand and other projects. Thursday night of last week there was a good turnout of the bon-fire, despite the rather rainy weather. The band leaders, band, spectators and kerosene all helped make a great success.

Class meetings were held last Thursday to discuss minutes plans for the coming year. The assembly will be held at 10:30 a.m. in the auditorium. The Public is generally welcome to the all-school assemblies.

The Senior Class still has of the "Snax books" for \$2.00. This handy little book is good for gifts or to have for quick meals in your own home. If you like to see one of these, contact any member of the Senior Class.

WILSON NEWS

BY MRS. TED MELUGIN

Attention To All Of The Little Wilson Spooks! You are to go trick-or-treating on Thursday night instead of Friday night, due to the out of town football game.

WILSON WINS HOMECOMING GAME-BETTY SHAW, QUEEN, STEVEN BRIEGER, BEAU.

Betty Shaw, was crowned WHS 1969 Queen and Steven Brieger was chosen Pep-Squad Beau in Homecoming activities here Friday night, prior to the game between the Mustangs and New Home Leopards. Wilson came out on top winning 14-6. Both Betty and Steven are Wilson Seniors, and have been active in school affairs. Betty is head twirler for the Mustang Band, and active in the FHA. Other queen candidates were Beverly Rackler and Karen Wunsch. Steven is half-back on the Wilson Mustang team and is active in FFA activities. Other Pep-Squad beau contestants were Steve Meador and Dan Lee Stone.

Despite the heavy rainfall last week, the parade with floats was carried on, as the skies cleared up enough Thursday. Each High School class had a float with the Wilson Girl Scouts represented with a float and the Quarterback Club.

After the parade, a pep-rally

was held in the gym and the lighting of the bon-fire, an annual event, was held.

Friday a Pancake supper was given prior to the game, in the school cafeteria, sponsored by the local Lion's Club. Coffee and doughnuts were served free after the game.

Wilson plays Hermleigh, there, Friday Oct. 31. The next game will be Roby, here Nov. 7, and Sands, Nov. 14, there and Jayton Nov. 21, here. Game time 7:30 p.m.

In Junior High action, the next game is Thursday (tonight) Oct. 30, at New Home. game-time 5:30 p.m. The last game will be Ropes, there, Nov. 6th.

FOUNDATION TO NEW SCHOOL COMPLETED

Rains have slowed the building process on Wilson's new Elementary School, new practice gym and band hall, however, the foundation of concrete has been completed. The structure is to be erected at the sight of the old gym, on the school grounds.

CROP TOUR HALL'OWEEN NIGHT

Each year, the young people of Wilson and New Home unite to tour the towns for CROP, (Christian Overseas Program) these funds help assist in forms of food and care for disaster victims and programs aimed to aiding others in becoming self-sustaining to more than 30 countries.

The young people meet for refreshments after the tour on Hall'oween night.

Mr. Edgar Williams was honored on his birthday Sunday, with a dinner in the home of his daughter and family, Mr. and Mrs. J. Frank Jones of Meadow. Others present were Mrs. Williams, Mr. and Mrs. Dwayne Walters and family of Slaton.

Last Tuesday night, twenty-five members of Hospitalman, Odus Bradshaw, were at the Lubbock Municipal Airport to greet him, as he returned from a two year of duty in Guam. Among those present were his wife, Donnie, who had returned to California from Guam, with him, his parents, Mr. and Mrs. Neal Bradshaw of Lazbuddie, Mr. and Mrs. Ted Melugin and his grandmother, Mrs. Mae Melugin of Slaton, and other relatives. Bradshaw received a discharge from the Navy in Dallas, after four years of service.

He attended elementary schools in Slaton, graduate of Lazbuddie High School and attended LCC before entering the Navy. His brother, Lloyd, a student of W.T.S.U. and in the Army reserves, was also pre-

sent at the airport for his arrival.

Congratulations to Gloria Foster, upon becoming second runner-up in the "Miss Cotton Contest" in Dallas, recently. Gloria was chosen among thirty-four contestants, after becoming Miss Lynn County Cotton Queen, here in May. She had also reigned in Wilson as Football Queen and Lion's Club Queen.

Gloria is attending Texas Tech University on a Voice scholarship. She is the lovely daughter of Mr. and Mrs. Ray Foster of Route 2, Wilson.

Mrs. Elbert Gumm and John T. both celebrated their birthdays, last week with a dinner in their home. Mr. and Mrs. Edwin Martin and family were present.

Sympathy is extended to the family of D.B. Kiser, in his passing last week, in Slaton. He was the son-in-law of Mrs. Erna Bruckner of Slaton, formerly of Wilson.

Please call in Wilson news to the newspaper or take your news by the office until a new Wilson Correspondent is located.

Reporter Becomes Slaton Librarian

Mrs. Ted (Polly) Melugin, who has served as correspondent for the Lynn County News for the past four years, resigned this week to devote all her time to duties as librarian at the Slaton Branch Library.

She became acting librarian Aug. 4, replacing Mrs. Gary Potter who left to join her husband in the service. Then Mrs. Melugin was named full-time librarian this month.

Mrs. Melugin said, "I love the library duties and feel I can become a better librarian in devoting all my energies to that field of work." "I would like to thank everyone who has cooperated throughout the years in turning in news and hope someone will take over the job of reporting-perhaps a high school student since this is where the news centers in Wilson," she said.

Junior Study Club Meets

The Tahoka Junior Woman's Study Club met Thursday in the home of Mrs. Gale Hartman. The program "Are you as Normal as you Think you are?" was presented by Mrs. Gerald Huffaker, Home Demonstration Agent for Lynn County.

The Club will be selling Texas Place mats for \$3.00 a box. Anyone wishing to place an order may call Barbara Stewart at 998-4488.

THE CORNERSTONE

OF YOUR COTTON PROGRAM

a special message for the cotton producer who wants to make more money

Are we exaggerating? Giving too much credit to the least cost item in your entire cotton production program? University researchers don't think so. Their studies show that quality of planting seed definitely affects net profit; that most "farmer saved" seed is decidedly inferior to pure seedstock, by as much as 116 pounds of lint an acre in some cases. Think about it. You can do two things to make more money: improve your product and lower production costs. The only common link between the two is quality seed.

There is no excuse for planting poor quality seed when you can get both guaranteed quality seed and supply in one economical package. You get both through SEED BANK, the

unique service provided by your own cooperative, Growers Seed Association. Growers has enough top quality, proven and tested seed to plant hundreds of thousands of cotton acres. Decide on the variety you want, apply at your local coop gin or elevator, receive your bank certificate and forget about it. Your seed will be ready next spring. Growers guarantees it in writing. Seed can also be custom treated.

But sign up now to be assured of the variety you want and the amount you need. Seed are sold first come, first serve, and the early freeze has created an unusually strong demand for planting seed. See your local coop for top quality JOHNNY COT-TONSEED brand seed.

Two Local Men Attends SWC

Two local conservation leaders were in Dallas last week to attend the 29th annual statewide meeting of conservation district directors. Howard Moore and Boyd Barnes, directors of the Lynn County Soil and Water Conservation District, attended from the Tahoka area. The meeting, which started Tuesday, October 21 and ended Thursday, Oct. 23, was held in the Adolphus Hotel. Governor Preston Smith addressed the conservationists at a banquet Wednesday night. At the state meeting, the conservation district directors discussed ways to improve their service to both urban and rural interests. They also elected officers and took care of other business. There are 188 conservation districts in Texas covering 99 per cent of the state. They are governed by 940 directors who by state law must own land within the district. The locally-run conservation districts sponsor a wide range of conservation activities. Technical help from professional conservationists is furnished by the Soil Conservation Service. Mr. and Mrs. James F. (Sonny) Roberts, Ladd and Jeff were in College Station this past weekend to visit two other sons, Chris and Steve, students at Texas A & M and to see the A & M vs. Baylor game.

According to Captain J.R. Faulk, USN, Commander of River Patrol Flotilla FIVE, "The Navy men who have served in these divisions leave a proud legacy to the Vietnamese seamen who will now man these boats. Beginning with the first combat patrol in Vietnam by PBRs in April, 1966, these men have written several new chapters in Naval history."

NAVY YEOMAN Third Class Jerry L. Ward of Tahoka, Tex., was joined by 194 fellow Navy men in turning over 80 fiberglass river patrol boats (PBRs) to the Vietnamese Navy during a ceremony in Saigon. Most of these boats belonged to four river divisions of River Patrol Flotilla FIVE. Within the next few weeks the divisions will be disbanded and their personnel reassigned to other Naval units within Vietnam to complete their tours. These are the first PBRs operated by the U.S. Navy that have been transferred to the Vietnamese. Since June, 1968, some 229 Naval craft and ships have been turned-over to the Vietnamese Navy-most of them from the Mobile Riverine Force which was disbanded in August, 1969. Built on a pleasure craft hull, the PBRs are propelled by water jets driven by two 220-horsepower diesel engines. They are capable of speeds up to 25 knots (27 miles per hour) and are armed with three .50-caliber machine guns, an M-60 light machine gun, a 40mm automatic grenade launcher, and various hand held weapons.

Jerry L. Ward In Vietnam
BINH THUY, Republic of Vietnam, Oct. 10--A Navyman from Tahoka who has been patrolling the rivers and canals of the Mekong Delta in a 31-foot river patrol boat gave it away today.

During the business session, plans were finalized for the annual County Officials Luncheon to be held November 20 at noon. Mr. C.O. Carmack will present the program on his trip to Russia. The yearbook committee met with Mrs. Jimmy Bragg as Chairman and the Year's agenda was set forth. Council is looking forward to a successful, educational, and enjoyable year in 1970. If you are interested in club work, contact the County Home Demonstration Agent.

Services were held at 2:30 p.m. in the Sweet Street Baptist Church. Officiating were the Rev. Ray Cunningham of the Wells Community Baptist Church and Bro. Darnell Boyd, pastor of the Tahoka Church of Christ. Burial was held in the Tahoka Cemetery directed by White Funeral Home. Ledbetter was born Oct. 13, 1887 at Kemp and came to Lynn County in 1916. He farmed in the Wells community until his retirement three years ago. He was a veteran of World War I and a member of the Woodmen of the World and the Wells Baptist Church. Survivors include three sisters, Myrtle Ledbetter and Ina Ledbetter, both of Tahoka, and Mrs. Ethel Traueck of Crowell; and a brother, W.A. of Tahoka. Pallbearers were, Ardis Pace, Dick Franklin, J.F. Brondon, Jr., Bob Connolly, L.A. Forsythe, and Harvey Lee Duckett. Honorary pallbearers were R.G. Grogan, E.F. Payne, Howard Moore, Bill Hays, Bertie Askew, Howard Draper, Fred McGinty and Beecher Sherrod.
