Number 43

PLAN REVISION OF STATE LAWS

People To Vote On Four Constitutional Amendments At General Election

In this issue of the Lynn County News are to be found four proposed amendments to the Constitution of the State of Texas which will be put to a vote of the people of the state at the general election on Tuesday, November 3rd. The amendments were proposed by the Thirty-ninth Legislature and adopted by resolutions of the two houses.

Below is a list of the amendments, but readers of The News are urged to read them in full, found on another page of this paper, in order that you may know more fully what they are:

1. Amending Sections 33 and 40 of Article 16 so as to permit officers of the National Guard, the National Guard Reserve, and the Officers Reserve Corps of the United States and enlisted men of the National Guard, and National Guard Reserve, and the Organized Reserves of the United States to hold public office in Texas.
2. Amending Article 7 of the Constitution by changing Section 3 elimination the provisions authorizing the Legislature to create special districts and making appropriation therefor.
3. Amending Section 58, Article 16 of the Constitution, so as to abolish the Board of Prison Commissioners, and to provide for the supervision and management of the prison system, under such laws as may be provided for by the Legislature.
4. Proposing an amendment to Article 7 of the Constitution by adding another Section providing for the taxation of school lands owned by counties.

Boy Scout Camp Donations Received

Donations to the Boy Scout Camp Improvement Fund which will be used to beautify and remodel the camp site donated recently to the South Plains Council by the C. W. Pose estate, totaled \$1785 late last night. Several of the prominent men of the town and this section sent in their checks and stated that they were vitally interested in the scout movement.

A. P. Duggan, of Littlefield, gave \$885 to top the fund. He was followed by the Texas Utilities Company who donated the entire lighting system for the camp. This will include the poles, wiring, switches, and fixtures for the entire camp. This is one of the best gifts made for the camp and will amount to over \$1000.

Senator W. H. Bledsoe, Dr. Paul W. Horn, Dr. J. Murray, Chas. L. Adams, Roscoe Wilson, Elmo Wall, W. L. Ellwood, Alton Carter, Fort Worth, and Hemphill-Price Company, each gave \$100 to the fund. A total of \$5000 is needed to make the camp suitable for use by the boys this summer. This fund does not include the lighting plant as the Texas Utilities Company gave this separate from the cash fund. Fifteen hundred dollars is needed to construct the dam across the canyon and work is expected to begin on this project right away. The water supply system will cost \$800 and the latrine system, road to camp, remodeling of house and cleaning of springs will take around \$1200. The expense of a caretaker will be included in this fund also.

This camp is one of the assets of the South Plains in making the right kind of men and the older generation should take advantage of this opportunity. The place is ideal for a camp and will make a meeting place for all the youngsters of the South Plains council.

The citizens of the South Plains should do their best toward the future citizens and make the camp a real place in which to spend summer and hike days.

Donations will be received at the Scout office in the city hall or at R. J. Murray's office in room 202 at the Leader Building. A list of the subscribers to the fund will be run daily in this newspaper.—Lubbock Avalanche.

High School Principal Marries; In School

Nat Williams, recently elected principal of Tahoka High School for the year 1926-27, was married Thursday, June 17, to Miss Georgia Maggart of Winters, at which town the ceremony took place.

The couple were in Tahoka Friday looking for a house in which to live as soon as they return from Boulder, Colorado, where Mr. Williams will study for two months this summer in Colorado University.

NAME JUDGES FOR ELECTION

Democratic Committee Makes Appointments And Assesses Candidates of County

The county Democratic Executive Committee met Monday and selected the judges for the election in the Democratic primaries to be held July 24 and assessed the candidates, as provided by law, for the expenses of the election. All the candidates for county offices were assessed \$45.00 each except the candidates for county treasurer, who were assessed \$20.00 each. Candidates for public weigher at railway points, to wit: Tahoka, O'Donnell, and Wilson, were assessed \$25.00 each; while candidates for public weigher at interior points were assessed \$15 each. Candidates for precinct offices were assessed \$7.50 each.

Election judges were appointed for the various election precincts as follows: North Tahoka, J. D. Donaldson and Jack Applewhite; South Tahoka, N. C. Rainey and H. W. Hale; Wilson, Clifford Young and S. A. Cummins; New Home, S. L. Smith and W. P. Goad; Gordon, Ed Denton and J. W. Terry; Magnolia, J. T. Jobe and M. B. Matthews; Grassland, C. B. Gregg and M. L. Thomas; Draw, A. H. Ash and J. A. Williams; O'Donnell, C. L. Hart and E. T. Wells; Newmoore, R. E. Seay and Joe Moore; Three Lakes, G. W. Hickerson and W. A. Yates; West Point, C. T. Tankersley and L. L. Jones.

Wilson Will Have New Gin By Fall

A new 5-80 gin will soon be under construction at Wilson, this giving that town three gins, according to announcement made last week. The gin is to be built by a number of Wilson farmers and business men, who will seek incorporation. The capital stock of \$25,000 has already been subscribed.

The owners plan to operate a gist mill in connection with the gin, and machinery for both gin and the mill has already been ordered. Officers of the newly formed gin company are: J. A. Pierce, president; Fritz Nieman, vice-president; and Lewis Shambeck, secretary. These men together with Lewis Miller compose the board of directors.

CANDIDATES INVITED TO SOUTH WARD BOX SUPPER

South Ward School house will be the scene of a big box and pie supper, Saturday night according to T. B. Cowan, Jr. All the people of the community and neighboring communities are invited to be present, and the candidates of the county are especially invited.

Proceeds from the supper will go to the Singing Class and the Sunday School.

FOUNDATION FOR O'DONNELL SCHOOL BEING LAID

The trenches for the foundation for the new High School building are being excavated this week, and three cars of brick have been laid on the ground. The laying of brick will start next week. About fifteen men are employed on the work this week but the number will be increased as soon as the preliminary foundation work is completed.—O'Donnell Index.

Mr. and Mrs. Kara F. Knight returned Sunday afternoon from a vacation trip to San Angelo, San Antonio, and Corpus Christi. They report having seen much beautiful scenery.

HERE ARE THE CANDIDATES

We are publishing below a copy of the official ballot which has been made up for the Democratic Primaries to be held on July 24, including state, county, and all precinct candidates.

Each of our subscribers should clip this list and then use all proper diligence to acquaint himself or herself with the character and qualifications of each candidate before election day arrives. This will enable you to vote more intelligently in many instances than you will otherwise be able to vote.

Here is the ballot, pledge included.

OFFICIAL BALLOT.

I am a Democrat and pledge myself to support the nominees of this Primary Election.

For Governor:

Lynch Davidson, of Harris County
Miriam A. Ferguson, of Bell County
Kate Miller Johnston, of Bexar County.

Dan Moody, of Williamson County

For Constable, Precinct No. 1.
Van Bates,
Guy Sherrord.

For Constable Precinct No. 4
B. L. Parker
For County Chairman
H. M. Larkin

Famous Boys Band Passes Thru Here

Lutcher Stark's Boy Scout Band from Orange, Texas, passed through Tahoka Monday afternoon homeward bound from Denver, Colorado, where they played for the International Rotary Convention. The boys were being transported in a big Dodge bus, accompanied by a Dodge sedan.

The band is one of the noted bands of Texas and received many honors while in Denver. It is financed by H. J. Lutcher Stark, regent of the University of Texas and one of South Texas, wealthiest men.

MUCH INTEREST IN TRADES DAY

Big Increase in Attendance At Second Drawing. Farmers Draw Majority of Prizes

If the crowds at the drawings can be taken as an index, interest in the Trades Days being sponsored by the Tahoka merchants is growing. Two or three times as many people were present at the public drawing held on the east side of the square last Saturday afternoon at 3 o'clock as were present the Saturday before.

T. J. Jackson of Magnolia drew the \$20 bill, Mrs. Coleman Wells of Tahoka the \$10 bill, W. C. Pritchett of Edith a \$5 bill, and John Slover of 3 miles south of Tahoka a \$5 bill.

G. H. Nelson, who is conducting the Trades Days, stated at the drawing that the Saturday before all prizes were drawn by farmers and the merchants said they hoped the farmers would win all the prizes. All the prizes but one drawn Saturday were drawn by farmers.

Mr. Nelson says the contests are being operated on a strictly cost basis and not for profit to the conductor as they were carried on last year. Forty dollars will be given away each Saturday throughout the summer, and in case the sum derived from the sale of tickets to the merchants exceeds that amount, more than forty dollars will be given away.

Practically all of the Tahoka merchants are giving away these tickets with each cash or 30 days credit sale of 50 cents, and all people are urged to call for tickets when they pay cash or when they pay up their bills within 30 days of the time of purchase.

Kiwianians Hear Montreal Visitors

At the Kiwanis Luncheon Wednesday, L. C. Haney and R. P. Weathers each made a report of their trip to Montreal, where they attended the Kiwanis International. They had many interesting things to tell, not only about the big meet in Montreal, but also about some of the cities which they visited in the East.

Miss Fey, representing the Dixie Lyceum Company, also presented to the Kiwanians a proposition for the Club to sponsor a lyceum course in Tahoka the coming winter. The president referred the matter to the board of directors for action.

TO HOLD MEETING AT DIXIE SCHOOL HOUSE

A Church of Christ meeting will begin Saturday, July 3rd at the Dixie school house north of town. Elder J. H. Childress, an able preacher of the Church, will conduct the services.

All the people of this section have a cordial invitation to attend the services.

EUZELIAN CLASS MEETS IN SOCIAL SESSION

On account of the rain, there were only a few present Thursday evening at the social meeting of the Euzeilian Class. However, the favored few enjoyed very much the delightful games and refreshments prepared by Mrs. Richardson and Mrs. Lemond.

The Euzeilian Class has challenged the Business Men's Class to an attendance contest, beginning Sunday, June 27, and ending the second Sunday in July. The losing class is to entertain the winners Thursday evening, July 15.—Reporter.

CROPS DAMAGED BY HAIL STORM

Number of Farms South Of Town Suffer As Result Of Hail Friday and Sunday

Terrific hail storms swept over large sections of Lynn county late Thursday evening of last week and again last Sunday afternoon, absolute ly destroying many acres of cotton and doing serious damage to the crop on many other acres. The sections suffering most were the West Point or Loulynn community on the west line of the county and a strip several miles wide extending from Three Lakes via Midway to Redwine. Heavy rains fell over all this territory and over large sections of the county. In fact the entire county was visited by some rain. At Tahoka the rainfall Thursday evening and night amounted to .73 of an inch, Friday morning to .20, and Sunday afternoon .47, making a total rainfall here of 1.30 inches. In some places the precipitation was heavier, while in many portions of the county it was much lighter. Where the hail did not damage the crops, the rain did much good, for the crops in some parts of the county were just beginning to need moisture. The damage by hail is possibly not so severe as was at first thought for some of the cotton which at first appeared to have been totally destroyed is now "coming out" and may yet make a good crop. Some planted the crop over, however, and others planted the ground in feed crops. Some of those reported to us as having suffered most severely are: H. Richardson on Carl Griffing's farm, G. B. Cobb, Henry Reid, J. F. Thorp, I. M. Draper, and tenants on the Grover Stewart farm. In the West Point community, C. T. Tankersley, Terry Nobles, Mr. Gillespie, and several others are reported to have had their crops either totally destroyed or seriously damaged.

Many Hear Moody At Post and Lubbock

Large delegations of people from in and around Tahoka were present at Post Saturday afternoon and at Lubbock Saturday night to hear Dan Moody, candidate for governor, speak. A few of his most ardent admirers went to Post to hear him and followed him to Lubbock for the night address. Moody was said to be hoarse and tired from his long and strenuous trips over Texas, however his address was audible to the thousands that heard him at both places. The crowd at Lubbock was said by Lubbock papers to have been the largest political gathering ever held on the south plains.

T-BAR HOME DEMONSTRATION CLUB NEWS

County Demonstration Agent Miss Halsey and a number of members and visitors met in the home of Mrs. R. L. Moore June 19th A very interesting meeting was reported. The subject of the program was "Shopping" and "Biscuit Making" After a short talk by our agent, the hostesses assisted by Ester Nichols, Lucy Crews, and Vivian Moore served delicious refreshments of ice cream and cake. To three visitors: Mrs. Garrey, Miss Garrey, and Mrs. Brown from O'Donnell; and ten members, Mrs. Bell, Joy, Linsley, D. H. Henderson, A. Frazine, C. W. Crews, Mrs. Andrews, Mrs. Nichols, L. H. Moore, R. E. Towzen,

The Report since May 21:
Chickens hatched, 780
Dresses Made, 8
Yeast Bread made, loaves, 278
Turkeys, 12
Set in pockets, 25
Biscuits made, times, 4
Salad made, 1
Beef canned, No. 3 cans, 81
Soap made, lbs., 15
Cottage cheese made, 1
Improvements in homes: Three Refrigerators, One New oil stove, Entertained Kiwanis Club from Tahoka June 11.

Secretary
Mr. and Mrs. W. R. Braden are here from California visiting Mr. and Mrs. J. R. Parris of the Edith community.

PAUL MILLER LANDS RECORD BREAKING BASS

Paul Miller and Claude Wells of Tahoka are here enjoying the piscatorial sport while fishing in the millpond Monday. Mr. Miller landed an 8-pound bass, which equals the record here for weight. The monster was caught with a live minnow.—Christoval Observer.

The same article tells of other fishermen having caught bass weighing 6 and 7 pounds. Look out, Christoval! Your city will be flooded with Tahoka people as soon as this article is read by our subscribers.

PEOPLE ON ROUTES MAY GET SATURDAY'S MAIL

Postmaster Don A. Parkhurst asks The News to announce to the people living on routes out of Tahoka that the rural carriers will hand out the mail from the post office/windows only between the hours of 4 and 5 o'clock in the afternoon. He asks that the patrons please co-operate by calling only at this hour, as the handing out of mail on Saturday afternoon is purely a matter of courtesy and this regulation is being made so carriers and post office workers may give better service at all hours.

Floyce Sherrord returned the latter part of last week from Brownfield where she has been visiting Lois Shaffer. The latter returned with Miss Floyce and will visit her for several weeks.

RED BLUFF DAM IS AUTHORIZED BY COOLIDGE

Washington, June 23.—President Coolidge Friday signed the Red Bluff Dam Bill authorizing expenditure of not more than \$2,000,000 from the reclamation fund for construction of an irrigation dam across the Pecos River near the New Mexico-Texas line.

The new law stipulates that the Secretary of Interior must first determine that the project is physically feasible. This provision was incorporated into the act as preliminary investigations had indicated difficulties might be found in obtaining a suitable foundation for such a structure.

If built, the structure is expected to be approximately 200 feet high and will impound enough water to irrigate 40,000 acres of land all lying in Texas.

The Secretary of Interior must select surveys from the present land owners who will be the beneficiaries under this law as to repayment of the cost within 20 years.

There are now seven small irrigation districts in the valley, but the water supply has been inadequate since construction of the reclamation dam near Carlsbad, N. M. to supply moisture to all the land comprised within the districts.

It is planned to consolidate these districts into one.

Senator Sheppard and Representative Blinnquist are to confer with Secretary Weeks and hope to see work started on this project this Fall.

Walker Makes Interesting Comments On The Governor's Race

The Governor's race is a question that is occupying a large part of the minds of the people and the press. The most of this discussion is devoted to Moody and Ferguson. There is a reason for this; when Dan Moody became attorney general he began to find irregularities in the administration. These accusations were well founded, as is shown by the results of investigation. There was no reason why the administration should have been conducted as it has been. The "one dollar" farmers all know from the exposures in the courts of the state that there is a "nigger in the woodpile." The weak and ludicrous attempt made by Ferguson to defend the administration, trying to construct a fence around himself with one sophistry after another, is a gross imposition on the intelligence of the people of Texas. Now I'm not going to discuss the highway department, or any other department, because my readers are as familiar with those issues as I am, and are capable of reaching correct conclusions in regard to them. I want to raise this question: why should Texas, one of, and in many respects the greatest States in the Union, be governed by proxy? Isn't there an individual in this state possessing the necessary qualifications for electing directly and in dignity and in order the duties of this high office? Every since the Fergusonists went into office there has been dissatisfaction, turmoil and strife. Under the direction of the last administration, our State has become the laughing stock of the nation. It is high time the people of Texas were laying aside their personal feelings and prejudices and acting for the best interest of the state.

After careful inspection of the Ferguson administration, and an earnest consideration of present conditions and needs in our State I can't believe that people will carry Mrs. Miriam A. Ferguson beyond the first primary. Methinks just here I hear someone say: "don't forget the democratic principle of the second term." My friends, that was never a democratic principle. The framers of our constitution said this government should be divided into three departments, viz. Legislative, executive and judicial, each department having its officers elected to serve the time prescribed by the constitution, nothing being said about a second term. This second term business is just a custom practiced, and is wise and just when the officers have been faithful to their duties, but I am in thorough accord with the words of Woodrow Wilson, when he said on one occasion: "One term is entirely too long for some people."

Now let's consider for awhile the illustrious Dan Moody. It has been proclaimed from the housetops throughout Texas that Dan Moody is an intellectual giant with the courage of David. But just who is Mr. Moody? A young man only thirty-three years old, spent four years in the literary department of the State University, then took a four year law course, was admitted to the bar, and began the practice of law. I care nothing about his class record. I am sure he was entitled to his degree or degrees. He was then appointed district attorney by the Honorable Pat M. Neff, then elected, and during his tenure of office, he sent a few Kluckers to the penitentiary. He did his duty. Then he became known throughout Texas as a logical man for attorney general; was elected overwhelmingly. Then he began to show up the irregularities of the Ferguson administration, bringing about the proper results. Then all at once the cry was raised "Dan is a second Moses." It was so ordered before the foundation of the world that he was to be raised up to lead the people out of corruption." I claim this wild idea was born in the minds of his honest, over-zealous home people, the K. K. K.'s, possibly yes, and those people who have an unyielding hatred for the Fergusonists. Then Dan having a shrewd understanding of human nature saw that now was the psychological time for him to make his debut, so he began heaping his vituperations upon the Fergusonists, thus leading many good people aside from the consideration of the real issues of the campaign. 'Tis true he is Jim Ferguson's match on the stump, for he used Ferguson's own methods of warfare. But right there is where he has made a serious mistake, and lowered himself in the estimation of clear, cool-headed people by getting down on Jim Ferguson's plane, and while I greatly admire his courage, aggression and many other good qualities he has proven by his conduct in this cam-

RICHEST INDIAN TRIBE IN THE WORLD

The income of the Osage Indian tribe of Oklahoma now amounts to \$20,000 per day; this money is being paid the tribe in bonuses and royalties by all companies which have leased their lands. They are the richest tribe of Indians in the world, and now have in the United States treasury \$25,000,000 and on deposit in various banks \$35,000,000. This absorbing story of Osage wealth will appear in the Lynn County News Monthly Magazine Section, July 1st.

Homey Harrison returned Monday afternoon from Fanning and Congress counties, where he has been visiting his mother and other relatives.

SHERIFF'S SALE

Notice is hereby given, that by virtue of a certain Execution issued by the Clerk of the County Court of Tarrant County, on the 7th day of April 1926, in a certain cause wherein F. G. Allen, plaintiff, and Clarence D. Crouch, defendant, in which cause a judgment was rendered on the 7th day of April 1925, in favor of the said plaintiff, F. G. Allen, against said defendant, for the sum of Five Hundred Sixteen and 20/100 Dollars, with interest thereon at the rate of 6 per centum per annum from date of judgment, together with all costs of suit, I have levied upon, and will, on Monday, it being the 21st day of June 1926, A. D. at the Court House door of Lynn County, within legal hours, proceed to sell for cash to the highest bidder all the right, title and interest of Clarence D. Crouch in and to the following described property, levied upon as the property of Clarence D. Crouch, to-wit: One M. Schulz pluper piece No. 184172, acy. w. a. n. t.

The above sale to be made by me to satisfy the above described judgment for Five Hundred Sixteen and 20/100 Dollars, in favor of F. G. Allen, together with the costs of said suit, and the process applied to the satisfaction thereof.

FUNDS BEING RAISED TO OPEN ROAD TO FAIRVIEW

S. T. Jeffries and C. A. Miller have been soliciting funds this week to be used for opening a road from the Fairview community to O'Donnell. They state that Dawson county will contribute half the funds for this purpose if the business men of O'Donnell will pay the other half. The proposed road will add about 2,000 acres of fine trade territory to O'Donnell and this is a prize worth working for. Heretofore the trade from the Fairview community has been going to Lamesa, but the opening of the road will save long hauls and will be of great benefit to both the farmers and the business men of O'Donnell.

Both Miller and Jeffries are boosters for O'Donnell and they never let a chance slip for doing something for the good of the town. —O'Donnell Index.

Miss Annette Weathers returned Wednesday from Abilene, where she spent two weeks visiting her cousin, Miss Fredice Weathers. While there she also took advantage of the opportunity to take a course in Epworth League work which was given in McMurry College.

E. R. Allen came in Wednesday from Denton to spend two or three days here on business. Mr. Allen reports plenty of rain and crop prospects good in Denton and adjoining counties but says it is exceedingly warm down there. "It felt mighty good when I climbed up on the cap rock," he admitted.

W. R. Lacey returned Saturday night from Amarillo and other points on the north plains, where he spent a few days on business.

Prof. C. O. McMillan, principal of the Post High School, was a business visitor in Tahoka Wednesday.

The Tahoka band did not render a public program on the court house lawn Sunday afternoon, as had been announced, for the reason that the director did not come down. Mr. Lacey stated that he was sure another public concert will be given at an early date, however.

Christian Revival To Close Sunday Night

The Christian meeting will close Sunday night, according to Rev. Sam P. Jones, the evangelist. A Bible school has been organized with Jim Wetsel and E. Smith as leaders. There were 38 present last Sunday. A Ladies' Aid Society of nine members was organized last Monday with Mrs. Jack Alley as president, and they have already taken steps to secure a piano for the church at once. Plans are on foot to organize a church Sunday.

The program for the rest of the meeting has been announced as follows: Subject, Friday night, "Voice of Satan vs voice of God." Saturday night the children will put on a program of songs, speeches, and music under the direction of Mrs. Sam P. Jones and the evangelist will preach a short sermon on The Boys and Girls of the Bible. Bible School Sunday at 9:45 A. M., preaching at 11 A. M., Baptisms at 3 P. M.; subject at 8:30 P. M.: "Palm Tree Christian."

The evangelist will begin a three weeks meeting at Brownfield on Tuesday, June 29.

J. A. Brashear underwent a serious operation in the West Texas Hospital at Lubbock last Thursday. Reports from the hospital are to the effect that the patient is recovering satisfactorily and it is thought that he will be able to return to his home by the first of next week.

Seeking Funds To Buy Seats For The City Tabernacle

Jack Alley circulated a subscription list Wednesday and Thursday to raise funds with which to pay for the seats which have been placed in the City Tabernacle, so that same may be left there for permanent use. The fund required was about \$135.00 and we understand that most of it has been subscribed.

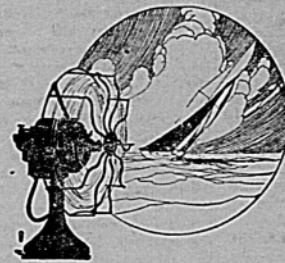

BRIDGE CLUB MEETS

The last regular meeting of the 1924 Bridge Club met with Mrs. Grover Stewart. The house was beautifully decorated with roses and a most delightful afternoon was spent by those in attendance, Mrs. Tom Lemond winning high score.

Dainty refreshments of angel food cake and sherbert with plate favors of sweet peas, were served to Mesdames Lemond, Robinson, Larkin, Thomas, Callaway, Slaton, Alley, Hamilton, Boullion, Turrentine, and Tunnell.

Mr. and Mrs. Glenn Brashear were made happy Tuesday morning by the arrival of a fine boy in their home. While he weighed only 7 pounds, Glenn reports that the youngster is very athletic and that he keeps his daddy busy entertaining him every night.

Mr. and Mrs. Buford Swan have removed back to Tahoka from Big Spring and Mr. Swan has accepted a position as manager of the Texas Filling Station.

Mr. and Mrs. Jim Swope returned Sunday from Cisco where they spent several days disposing of some property at that place. They declare that the rains were heavy between Tahoka and Cisco and that the roads were in very bad condition. They were forced to leave their car in Abilene and go the remainder of the way on the train.

Rev and Mrs. G. C. Tiner of Edith returned the first of the week from Abilene, where they spent three weeks visiting.

Mrs. J. K. Nowlin returned from Portales, N. M., where she visited.

The largest county in Texas has an area of 5,935 square miles. Three entire states each have less area than this county. They are Connecticut, Delaware and Rhode Island.

PREVENTS INFECTION

The greatest discovery in flesh healing is the marvelous Borozone, a preparation that comes in liquid and powder form. It is a combination treatment that not only purifies the wound of germs that cause infection but it heals the flesh with extraordinary speed. Bad wounds or cuts which take weeks to heal with the ordinary liniments mend quickly under the powerful influence of this wonderful remedy. Price (liquid) 30c, 60c and \$1.25. Powder 30c and 60c. DAYS OF OLD

Dear old days of long ago,
How sweet is the mem'ry to me!
How dear are the scenes and faces
Which now in dreams I see!
In days of old my heart was light,
For I knew not the weight of care;
My life was that of a bird in spring,
I had no burdens to bear.

Yes, dear old days of long ago,
You'll be dear to me always,
But the sweeter part of life and heart
Are the busy hours of today.
My idle is past and gone,
There is no time for play.
A goal in view that labor brings
Makes this a pleasanter day.
Lillie Mae Quinsey.

The Lynn Girls Home Demonstration Club met with Winnie and Lois Spears on June 16.

Club officers were elected as follows:
President, Winnie Spears; vice-President, Oleta Huff; Secretary, Alice Crawford.

Miss Halsey gave the girls instructions about completing their sewing. She also gave a demonstration in color selection. Each girl was invited to the girls cooking contest in Tahoka June 23.

Nine girls were present. We want every girl in our Community to join our club.

Alice Crawford
Secretary

H. B. McCord, who lives out east of town, came in Friday to subscribe to The News and to pay a visit to the county capitol.

Olney—Boyer House, well known West Texas newspaperman formerly staff correspondent for the Ft Worth Record, is the new editor of the Olney Enterprise. House will also serve as general publicity man for the town working in co-operation with the Olney Chamber of Commerce.

G. W. Hickerson dropped into The News office and paid \$3.00 cash for two year's good reading matter. We are always glad to see our subscribers come in and pay up. It takes money to run a newspaper, and many people seem to think The News is worth the price or there wouldn't be over 1,000 subscribers to it.

PROGRESS

Tahoka does not have on a boom and never has had on a boom, we are glad to say. But, it has always had a good, steady, wholesome growth, which, we are also glad to say.

Where cow trails once crossed a little over a score of years ago, one of the finest towns to be found anywhere is being built. So far as we know, Tahoka has never taken a backward step, the population continually grows, and everything in general shows progress.

Two nice new brick buildings and several new residences have gone up within the past few weeks. Prospects are bright that there will be at least three or four more modern buildings started before the opening of the fall months. Through the summer months are here, some one is in the News office every day or two looking for a house to rent. There is not a single vacant building in Tahoka, and Tahoka is probably the only town on the north plains that does not have from three or four to a dozen vacant business houses; but, instead, several new businesses have opened up here this spring. A new church building is now under construction, and the new \$100,000 high school building will be started within the next few weeks. With the selling off of the T-Bar, Butler, and other ranch lands - this town and other towns of the county are bound to grow. Our growth has only started. Without a doubt, 1938 will be Tahoka's greatest building year so far.

Why shouldn't it be? Tahoka is the center of one of the greatest agricultural counties in Texas. Come to Tahoka!

Cleanliness is an asset to any town. Cut your weeds.

Cross Plains—Fifteen thousand dollars have been appropriated by the state highway commission for the purpose of improving the corner of State Highway 22 through this county. This gap is the only weak link in the chain from San Angelo to Ft. Worth via the Eastern Highway.

AMARILLO NEWS PUBLISHES GREAT EDITION

The Amarillo Daily News-Globe came out Sunday with a mammoth 128-page edition in celebration of the West Texas Chamber of Commerce Convention which will away in that city Monday, Tuesday and Wednesday. The News-Globe management modestly says the issue "is the largest single edition of a paper ever published in Amarillo or the Panhandle." The truth of the business is that it is one of the largest ever published in Texas or in the Southwest; and, as far as we know, it was only exceeded in size by a special issue of The Dallas Morning News of some time back.

Amarillo is a rapidly growing city, and the News-Globe is keeping pace with Amarillo's growth in that it is publishing a paper that Amarillo should be proud of.

A stranger in a town usually judges that town by its outward appearance, and some kind of an impression is made immediately on his mind as to the kind of town it is. First impressions are said to be lasting impressions. Therefore, if for no other reason, we citizens of Tahoka should get busy and clean up a batch of these weeds that are growing up in wholesale lots on our streets, in our alleys, and on the vacant lots. Within the last few days many people have seen Tahoka, probably, for their first time. Many have passed through here on their way to the Chamber of Commerce convention, and many others are passing through on their vacation trips daily. Prospectors are through Tahoka every day looking for places to settle on the great north plains. Why not make their first impression a good one—that Tahoka is one of the cleanest and most beautiful little cities on the plains. Tahoka is already a pretty little town, but by cutting out these weeds and planting a few more flowers, grass, and trees, there is no reason in the world why we cannot have the very prettiest. A clean-up day might be in order.

But do not wait for a clean-up day. Make every day clean-up day. Grab your tool and go to work!

There are many good things that can be done for the benefit of Tahoka and Lynn county by the Chamber of Commerce if the entire citizenship will get behind the organization, boost for it, and help put over its program. Let us not be listed as a snicker get on the booster side. Boosting will not hurt you any, and it's a dead cinch that it will help you, your business, your town, and your country.

Cut your weeds, and help Tahoka keep clean.

Cross Plains—Fifteen thousand dollars have been appropriated by the state highway commission for the purpose of improving the corner of State Highway 22 through this county. This gap is the only weak link in the chain from San Angelo to Ft. Worth via the Eastern Highway.

THE BEST PEOPLE

Palatine Herald: It is claimed that in Campbell, Mo., 95 per cent of the people attended church a recent Sunday. Campbell must have some commodious churches on a very small population of Palatine. We would not attend church some Sunday the churches would not hold a third of them.

State Press in the Dallas News: Palatine is a very good town as it is, but if 95 per cent of Palatine's people were regular church attendants the Anderson County capital would be better than at present, and soon be bigger. Folks from worse towns would flock into Palatine, for all reasonable people want to make their homes among good neighbors. The church comes in for a good deal of razzing by some heavy-weight critics and some lightweight amateurs. And the church undoubtedly has its faults, at least those who constitute and direct it have their failings. But by and large, altogether and separately, those who are church-going by habit are the best of our citizens, male and female. The church members are America's social backbone. Give the church as the center will set at theological hostility as servers may choose to, relegate the church to the medieval past as much as the relegatees have a mind to, yet the small fact remains, immutable and irrefragable, that those who believe in the church and support its ordinances hold the balance of power in a civilized organism where paganism-minded elements are scouring down and undisciplined youngsters pillaging to moral barbarism. No church, so moral statutes, so moral statutes, so discipline, so discipline, much less.

Hundred and Fifty Years
Gilmer Mirror: In less than a month we shall be celebrating the 150th anniversary of the signing of the Declaration of Independence and listening to the patriotic screams of the American eagle.

State Press in The Dallas News: It is really the 150th anniversary of our independence that we are to celebrate next July 4. It must be, but it seems such a short while since the Liberty Bell rang out its tidings on the Philadelphia air. Time sure does fly. Philadelphia thought it was quite a city in 1774, but it was in fact only a hamlet—some villages with rain-soaked streets and no public utilities. There wasn't graft enough on the Philadelphia of those days to support a grifter in the luxury he might have thought he would like to become accustomed to. See what a difference in so short a while! "Corrupt and contented" has long been a designation especially applied to Philadelphia. And only a week or two ago there was an election for United States Senator in Pennsylvania which a Philadelphian won by carrying his home county and one other. He got practically all the Philadelphia votes, not that he was a great statesman or that he actually bought and paid for all he got, but because he frankly favored beer and wine for his bibulous constituents. Philadelphia is, historically, the cradle of our freedom. It has been so since the days of '76. But now it is entitled to other credit. It deserves to be known as the citadel of the soda patriots, the bulwark of the wine bibbers. Benjamin Franklin was one great Philadelphian and one other Philadelphian. When shall we see his like again?

AN ODE TO TIGHTVILLE
Tightville was a little old town,
Out at the heels and much run down
For Tightville was afraid to spend,
Afrail to give, afrail to lend.
Playing safe was Tightville's game
And playing safe the town went lame;
Each dollar that it tried to save,
Drew it nearer to the grave.
Nobody sold for nobody bought,
Teachers cost money, so nobody taught;
The people died from typhoid chills,
For none could stand pure water bills.
The undertaker alone grew fat,
And his job came to an end at that;
For so few folks came to Tightville town,
Out at the heels and much run down.
But the banks played Tightville a little joke,
Since nothing was doing, they all went broke.
And the money the people had saved with care,
Melted away into thinnest air.
So Tightville, bereft of all of its pelf,
Elowly and solemnly buried itself.

EPITAPH
Here lies a town, if anyone sees,
Died from fear of paying taxes.
—Exchange

POLITICAL Announcements

We are authorized to announce the following candidates, subject to the action of the Democratic primary election the fourth Saturday in July, 1938.

W. T. (DAD) FAIRIE

For Co. Commissioner, Prec. 2:
I. M. DRAPER
J. E. WELLS (re-election)
BOB MCGORD

For Constable:
VAN BATES (re-election)

PENDING SUIT
Higgins News: Finding fault with the facts of the day is nothing new. Way back in 1909 a religious editor attacked the big hats worn by women and said that the big hats were criminal and caused profanity and kept people from attending church. Today the short skirts are said to be criminal because they attract more attention than they should to the anatomy of womanhood. It is impossible to please both saints and sinners.

Potash Bill Passes
ouse As Revised
Washington, June 21—Without a single dissenting vote, the House Monday passed the Sheppard-Hudspeth potash exploration bill, as that measure was amended by the House Committee on Mines and Mining. Although the bill has passed the Senate, it called for a much larger appropriation and was denied the approval of President Coolidge and the Bureau Budget.

The House Bill, however, has such approval and it is anticipated that Senator Sheppard, on the first opportunity, will endeavor to have the Senate concur in the House amendment so that provision for it can be made in the pending deficiency bill and the work of exploration, either in West Texas or New Mexico, be started this Summer or Fall.

No Debating Required
The House bill, as amended by the Committee on Mines, had been on the consent calendar for several weeks but when it was reached several days ago Representative Begg of Ohio objected to its consideration without full discussion.

Speaker Longworth then assured Representative C. D. Hudspeth he would recognize him to suspend the rules on the first suspension day. This would have afforded opportunity for debate, but none was required. The rules were suspended on motion of Representative Robison of Kentucky, chairman of the Committee on Mines and Mining. Representative Schaefer of Wisconsin demanded a second, but when informed by Representative Hudspeth that the measure was designed to develop a potash supply in this country withdrew his demand.

T-BAR WILL GIVE
PLAY ON JULY 10
A play will be given at T-Bar school house on Saturday night, July 10, for the benefit of the Girl's Club, and the funds will be used to send a representative to the A. & M. College Short Course.

Candidates have a special invitation to be present, mix with the voters, and say a few words to the audience. A big time is promised by those in charge of the program.

Shenandoah—Reduced passenger rates have been granted by the Rock Island, Santa Fe, T. & M. & N., and the Denver Road on labor moving in to West Texas during the harvest season. Five of two thirds the regular one way rate have been granted by these roads on parties of twenty-five or more moving into the grain belt of West Texas. These rates are now in effect and will continue until July 15.

DANDRUM

CAUSES THE HAIR TO FALL OUT AND THE HEAD TO ITCH
Dandruff is a skin disease that causes the hair to fall out and the head to itch. It is caused by a fungus that grows on the scalp. It can be cured by using Dandruff. The BULL'S EYE

Editor and General Manager
WILL ROGERS

Another "Bull" Durham adroitly presented by Will Rogers. The old Bull is an old star, and leading American humorist. More coming. Watch for them.

Meeting the "Bull" Durham Smoker Face to Face

I am just making, as the Politician says, "A swing around the Circle," to see what was going on in "Real America." I had been in New York so long, I was getting a kind of a Sub-way "Slant" on things. I was becoming as narrow as a Metropolitan Newspaper Editorial Writer. My eyesight was getting so poor I couldn't see beyond the Hudson River, and my mind wouldn't function farther away than Albany, N. Y.

I knew that New York was "amusing the world," but I wanted to meet the fellow who was "feeding it." I am kinder oddly constituted. You can cut off my amusement, but if my food stops you are going to have an argument on your hands.

I, as Editor and Proprietor of the Bull's Eye, wanted to meet not only the readers, but the consumers of THIS Wonderful Product of OURS. (The American Tobacco Company and me.) Well, I wish you could see the type of Men they were. Big fine healthy upstanding He-Men. They were not the little Anemics that has to tap his Cigarette on the box before he can smoke it. They were our Producers of our Necessities of Life. When I saw the type of He-Men smoking "Bull" Durham, it almost made me cry, that I wasn't a smoker myself.

Will Rogers

P.S. There will be another piece here a few weeks from now. Look for it.

Magnolia-Grassland Club Makes Report

The Magnolia-Grassland Women's Club met with Mrs. H. P. Burkhalter Thursday afternoon. The subject of the meeting was "How to Shop," and talks were made by Mrs. H. C. Harter, Mrs. J. B. Ray and Miss Halsey. Miss Halsey spoke on the Kiwanis banquet, and the County Federation.

The following home work was reported: 37 No. 3 cans greens canned; 135 pounds boiled soap made. 149 baby chicks hatched; 2 pair window curtains made; wood work of one room stained and varnished; poultry sold, \$16.74; cream sold, \$80.30; eggs sold, \$7.62.

There were only five members present. We want every member present at the next meeting, for we want to have the best club in the county. Let everyone be present next time and let us not be last, for we can be first among all the other clubs.

Very nice refreshments were served to those present. All reported a good time.—Reporter.

Ranger—The old Ranger Refining plant here has been rehabilitated and will be reoperated by the Petroleum Products Corporation of Pittsburgh Pa. These people are considering the establishment of a mineral rubber factory here in connection with the refinery.

SHERIFF'S SALE

THE STATE OF TEXAS,
COUNTY OF LYNN:

NOTICE IS HEREBY GIVEN

That by virtue of a certain Alias Execution issued out of the Honorable District Court of Lynn County, of the 9th day of June A. D. 1926, by W. F. Smith, Clerk of said District Court of Lynn County, Texas, for the sum of five Hundred Eighty Two and 68-100 (\$582.68) Dollars and costs of suit, under a judgment in favor of The First National Bank of Tahoka, Texas, a corporation in a certain cause in said Court, No. 626 and styled The First National Bank of Tahoka, Texas, a corporation vs A. L. Nettles and J. B. Lowe, jointly and severally, placed in my hands for service, I, J. W. Simpson, Sheriff of Lynn County, Texas, did on the 9th day of June A. D. 1926, levy on certain Real Estate, situated in Lynn County, Texas, described as follows, to-wit: A part of survey No. 163, in Block 12, surveyed by virtue of certificate No. 687 issued to the E. L. & R. R. R. Co. and described by metes and bounds as follows: Beginning at a brick set in ground and three pits which are 605 1-2 varas east of the Southwest Corner of said survey No. 163; thence North 1900-8-10 varas to a cement stone 18" long set in the north line of said Survey No. 163; thence East 1296 varas to the Northeast Corner of said Survey No. 163; marked by a cement stone; Thence South 1900-8-10 varas to a cement stone at the Southeast corner of said survey No. 163; Thence West 1296 varas to the place of beginning, and containing 436 1-2 acrs of land.

Also all that certain tract of land out of Survey No. 163, Block 12, surveyed by virtue of Certificate No. 687 issued to the E. L. & R. R. R. Co., situated in Lynn County, Texas, and bounded as follows: Beginning at the Northwest corner of said Section No. 163, in Block 12, and running thence East with the North line of said Section 129 varas to the Northwest corner of a 54 acre tract heretofore deeded by Copeland to Coffman; Thence South with the West line of the Coffman tract, 1900 8-10 varas to a corner in the South line of said Section No. 163; Thence West 129 varas to a corner; Thence North at 506 varas pass the South East corner of Section No. 4, Block C. B., in all 1900 8-10 varas, to the place of beginning, and containing 43 acres of land, less 2 acres in the Southeast corner of this tract reserved for a church lot, and levied upon as the property of A. L. Nettles, and that on the first Tuesday in July 1926, the same being the 6th day of said month, at the Court House door, of Lynn County, in the city of Tahoka, Texas, between the hours of 10 a. m. and 4 p. m., by virtue of said levy and said Alias Execution I will sell said above described Real Estate at public vendue, for cash, to the highest bidder, as the property of said A. L. Nettles.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Lynn County News, a newspaper published in Lynn County.

Witness my hand, this 9th day of June 1926.

J. W. SIMPSON, Sheriff,
Lynn County, Texas 41-3tc.

REDWINE

We have had another good rain and also some bad hail. Our little old tender garden plants sure look sick. Some of our farmers are planting the damaged cotton in feed. It may be a good idea as there are prospects of there being a very cold winter, and the stock may need feed.

A number of our people went to Post to hear Moody. All are highly pleased and said he made a fine talk; hope he makes a fine governor.

I am glad to report better health around Redwine. Miss Mattie Henderson had a bad spell last week, but is better at present. Hope she can soon be out again.

A good many folks attended church at Draw Sunday. Wish every one could hear Bro. Hart; he is an old-timer and very interesting. He is admired very much by his congregation and members.

Mr. Levi Nordyke had the misfortune of having his crop ruined by hail. It seems like the farmers are having a hard time trying to make a crop this year.

I understand that Redwine and Draw have consolidated their baseball team. They did not play here Sunday eve. I guess they are hunting better pastures.

Mrs. James Kuykendall is not well at this writing; think she is like some of the rest of we old girls, doing too much farming.

Miss Bell Traywick spent Saturday night with her aunt, Mrs. Hannah Nordyke.

—Auntie.

Chillicothe—A great July 5 Celebration will be held here. The celebration is sponsored by the American Legion and is supported by the Chillicothe Development Club. Fire works and other entertainment is to be provided.

Cisco—R. Q. Lee president of the West Texas Chamber of Commerce has returned to his home following the completion of his campaign through the Heart of Texas district in behalf of his progress of diversified and intensive farming.

San Antonio—Porter A. Whaley manager of the West Texas Chamber of Commerce for the past seven years will assume his post as manager of the San Antonio Chamber of Commerce on July 15.

Wilson Plans For Picnic July 3rd.

The citizens and business men, headed by the Chamber of Commerce met at the school house Friday night to work out plans for a picnic in Wilson, July third. The matter was thoroughly gone over and it was decided to have the picnic on the above date. Committees were appointed by the president of the Chamber of Commerce, for various places and immediately put to work. A program of entertainments have been worked out by the entertaining committee, and if their plans don't miscarry, it will be one of the outstanding events of the little town of Wilson. A rodeo, of many interesting events, has been secured, carrying with it all parts that go to make up something worthwhile.

Other amusements consisting of ball games, races, poll climbing, and various other forms of entertainment will be featured. At different times during the day the crowd will be entertained with music by the "Minnie Ha Ha" Serenaders and the Sandstormers and those who have heard either, or both, know the music alone will be a worthwhile feature of the day's entertainment.

Dinner will be prepared in sufficient quantity to feed everybody and without cost to anyone. Come and have a good time for it is a well-known fact that when the citizens of Wilson undertake anything they never fall down on the job, but put it over in a creditable way—Wilson Pointer.

Hamilton—The Hamilton Chamber of Commerce has reorganized after a period of inactivity and has elected Chas McMorte as secretary. E. H. Whitehead publicity manager of the West Texas Chamber of Commerce was principal speaker at the regular banquet of the Chamber of Commerce held this month.

San Saba—The greatest oat crop in the history of this region is now being threshed. Fields of more than one hundred bushels per acre are common and the average is nearly eighty bushels per acre.

Texas has approximately 4,000 miles of electric transmission lines and an electric generator capacity of about 570,000 kilwatts.

THOMAS A. EDISON TALKS FOR ONCE OVER RADIO

Thomas A. Edison, 82 years old and looking hale and hearty attended the recent meeting of the National Electric Light Association in Atlantic City. He sat on the stage during a meeting which was attended by seven or eight thousand persons. The proceedings were broadcast by radio.

Beside Mr. Edison sat Samuel Insull, with whom he was associated years ago when the first electric light plant was built. Other notables were on the stage. The chairman asked Mr. Edison to say something to the audience. The audience asked him. Others urged him. At length the father of electric service was induced to approach the stand where the microphone tried to stare the speakers out of countenance. He hesitated, sidestepped, and then spoke.

"This is the first time I ever talked over radio." Then he seemed to grasp for words, backed away, and said "Good Night," waving his hand in his characteristic manner.

Mr. Edison is not a public speaker. But at that he might have done more save for the electric device that is one of the large family of uncanny things developed since Edison began to play with electric currents and their application to useful ends.

NO-NOX

MOTOR FUEL

STOPS KNOCKS

PUTS CARBON TO WORK

PUTTING the old demon, carbon, to work sounds like a paradox—nevertheless that's just what GULF No-Nox Motor Fuel does and here's how it happens: Compression is power. The more compression the more power. Greater compression is secured by reducing the displacement or space in the combustion chamber. Carbon deposits materially reduce this space—old time gasoline would not withstand this added carbon compression—clicks—knocks—pings or detonations of distress quickly following sudden acceleration or heavy pulls.

No-Nox withstands higher compression—stops the knocks or detonations, thereby increasing engine efficiency. GULF No-Nox and Carbon Deposits work together for more power and greater mileage.

Turns Mountains Into Mole Hills

This guarantee goes with it: GULF No-Nox Motor Fuel is Non-Noxious, Non-Poisonous and no more harmful to man or motor than ordinary gasoline—that it contains no dope of any kind—that the color is for identification only—that it positively will not heat the motor, winter or summer.

GULF No-Nox Motor Fuel is priced three cents per gallon higher than ordinary gasoline—and is worth it.

ARE WE DEAD OR ALIVE?

A number of Tahoka people attended the big convention of the West Texas Chamber of Commerce held at Amarillo the first three days of this week. The one thing that was most noticeable to all of them was the fact that Tahoka was about the only town of any consequence on the entire plains which was not officially and creditably represented. Other towns much smaller than Tahoka had large delegations present with their banners, many of them with their brassbands, in various ways making their presence known and advertising their towns. Tahoka had no official delegation present. Tahoka was not represented in the parade. Tahoka had no Senorita in the big Spanish "Fiesta." Tahoka was not on the map. Tahoka was not even thought of. Why? Simply because Tahoka

has not had enough public spirit to keep its chamber of commerce alive. For months we dragged along without a secretary. Recently a secretary was employed, but it was too late for him to work up the enthusiasm necessary to have a delegation sent to Amarillo. In fact, his efforts along this line seemed to meet with very little response on the part of the citizens. It is to be hoped that our citizens will not permit this attitude or indifference for the general welfare of the town to exist longer. Every grown man in the town ought to be a live, enthusiastic member of the Tahoka Chamber of Commerce. There are a lot of things we need to put over in this town. They will not be put over so long as we are dominated by the spirit of "every fellow for himself and the Devil take the hindmost." Let's forget factions. Let us differ as much as we please on politics and religion and other things, but let all of us be as one man, all the time and on all occasions, for the advancement of our town and our county. If you have not joined the Chamber of Commerce, do so at once and help blot out this stigma that we put upon our town by not sending an official delegation to Amarillo. Let's redeem ourselves.

ABOUT MUD SLINGING

We frequently hear the assertion that both Jim Ferguson and Dan Moody are simply slinging mud in this campaign and Lynch Davidson is held up as the only really "clean" candidate in the running. Is this the truth? We have nothing to say regarding the charge as it pertains to Jim Ferguson. But as to Dan Moody, we maintain that the charge is not true. Dan Moody has only been discussing the public record of Jim Ferguson, acting either in his own name or in the name of his wife who has been the nominal governor. When a man holds office his record is a proper matter of investigation and discussion. Dan Moody has been revealing the facts as to the Ferguson administration, and drawing the natural inferences that arise therefrom. This is not throwing mud. This is simply informing and enlightening the people, so that they may be the better prepared to cast an intelligent vote. Instead of meriting the condemnation of the people, we think that Dan Moody merits their gratitude for laying bare to them the facts pertaining to the conduct of the great office of governor. The people should be jealous of the high character of this office and they ought to welcome any evidence from any source that would show that the occupant of this office, real or nominal, has been untrue to the trust imposed and has betrayed the people. Jim Ferguson has invited Dan Moody to "lay on McDuff," and we believe that Dan is doing right in laying on. As for Lynch Davidson, Dan Moody has not had an unkind word to say about him. But what about Lynch? In every speech that he makes he charges that Dan Moody is the candidate of the oil interests and the liquor interests. He does this knowing that Dan Moody is a lifelong prohibitionist and knowing that there has never been any breath of suspicion as to his honesty. What is the basis of Davidson's charge? It is simply that Moody is supported by Oscar Colquitt, a noted anti-prohibitionist, and by Will Hogg and one Sterling, who are interested in oil. There is no basis in fact for his charge. Yet, he is being paraded as

the only non-mud-slinging candidate while Dan Moody is being held up as a mud-slinger. Again we say to Dan, turn on the light; give us the facts.

Citizens Attend W. T. C. C. Meet At Amarillo

Quite a number of Tahoka citizens attended the big convention of the West Texas Chamber of Commerce which was held at Amarillo the first three days of this week. All report that the program was excellent, that the crowds were enormous, and that Amarillo took care of the convention in fine style. Those attending from Tahoka, so far as we have been able to learn, were as follows: G. H. Nelson, I. S. Doak, Clyde Briley, J. E. Nance, A. L. Lockwood, Wm. Zappe, Jim Wakefield, Summer Knight, R. B. McCord, Barney Davis, Dan Singleton, Miss Lola Belle Singleton, Judge and Mrs. H. W. Calaway.

C. O. Edwards, owner of the T-Bar ranch west of town, came in Tuesday afternoon from Fort Worth and will be here a while.

PROPOSED AMENDMENT TO THE CONSTITUTION

SENATE JOINT RESOLUTION NO. 7

A resolution proposing an amendment to the Constitution of the State of Texas by changing Section 33 and Section 40 of Article 16 of the Constitution of Texas so as to permit officers of the National Guard, the National Guard Reserve, and the Officers Reserve Corps of the United States, and enlisted men of the National Guard, the National Guard Reserve, and the Officers Reserve Corps of the United States, to hold public office in Texas.

SECTION 1. That Section 33 of Article 16 of the Constitution of the State of Texas be amended so as to read as follows: "The accounting officers of this State shall neither draw nor pay a warrant upon the Treasury in favor of any person, for salary or compensation as agent, officer or appointee, who holds at the same time any other office or position of honor, trust or profit, under this State or the United States; except as prescribed in this constitution. Provided, that this restriction as to the drawing and paying of warrants upon the Treasury shall not apply to officers of the National Guard of Texas, the National Guard Reserve, the Officers Reserve Corps of the United States, nor to enlisted men of the National Guard, the National Guard Reserve, and the Officers Reserve Corps of the United States."

SECTION 2. That Section 40 of Article 16 of the Constitution of the State of Texas be amended so as to read as follows:

"No person shall hold or exercise, at the same time, more than one civil office of emolument, except that of Justice of the Peace, County Commissioner, Notary Public, and Postmaster, officer of the National Guard, the National Guard Reserve, and the Officers Reserve Corps of the United States, and enlisted men of the National Guard, the National Guard Reserve, and the Officers Reserve Corps of the United States, or an enlisted man in the Officers Reserve Corps of the United States, or an enlisted man in the Organized Reserves of the United States from holding in conjunction with such office any other office or position of honor, trust or profit, under this State or the United States."

SECTION 3. The foregoing Constitutional amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday in November, A. D. 1926, at which all ballots shall have printed thereon: "For the Constitutional amendment permitting officers and enlisted men of the National Guard, the National Guard Reserve, and the Officers Reserve Corps of the United States, and enlisted men of the Organized Reserves of the United States, to hold other offices or positions of honor, trust or profit, under this State or the United States."

SECTION 4. The Governor shall issue the necessary Proclamation for said election, and have the same published as required by the Constitution and laws of this State. The expense of publication and election for such amendment shall be paid out of proper appropriation made by law.

Approved March 16, 1925.
Emma Grigsby Meharg,
Secretary of State.

PROPOSED AMENDMENT TO THE CONSTITUTION

HOUSE JOINT RESOLUTION NO. 9

A resolution proposing an amendment to Art. 7, of the Constitution of the State of Texas by changing Section 3, eliminating the provision authorizing the Legislature to create special districts and make an appropriation therefor.

SECTION 1. That Section 3, Article 7, of the Constitution be so changed as to read as follows: (creating new Section.)

"Section 3. One-fourth of the revenue derived from the State Occupation taxes and poll tax of one dollar on every inhabitant of the State, between the ages of twenty-one and sixty years, shall be set apart annually for the benefit of the public free schools; and in addition thereto, there shall be levied and collected an annual ad valorem State tax of such an amount not to exceed thirty-five cents on the one hundred (\$100.00) dollars valuation, as with the available school fund arising from all other sources, will be sufficient to maintain and support the public schools of this State for a period of not less than six months in each year, and it shall be the duty of the State Board of Education to set aside a sufficient amount out of the said tax to provide free text books for the use of children attending the public free schools of this State; provided, however, that should the limit of taxation herein named be insufficient the deficit may be met by appropriation from the general funds of the State and the Legislature may also provide for the formation of school districts by general laws; and all such school districts may embrace parts of two or more counties, and the Legislature shall be authorized to pass laws for the assessment and collection of taxes in all said districts and for the management and control of the public school or schools of such districts, whether such districts are composed of territory wholly within a county or in parts of two or more counties, and the Legislature may authorize an additional ad valorem tax to be levied and collected within all school districts heretofore formed or hereafter formed, for the further maintenance of public free schools, and for the erection and equipment of school buildings therein, provided that a majority of the qualified property tax paying voters of the district voting at an election to be held for that purpose shall vote such tax not to exceed in any one year one (1.00) dollar on the hundred dollars valuation of the property subject to taxation in such district, but the limitation upon the amount of school district tax herein authorized shall not apply to incorporated cities or towns constituting separate and independent ad valorem tax districts created by general or special law."

SECTION 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of the State at an election to be held throughout the State on the first Tuesday after the first Monday in November, 1926, at which election all voters favoring said proposed amendment shall write or have printed on their ballots the words, "For the amendment to the Constitution of the State of Texas eliminating the provision which authorizes the Legislature to create special school districts."

SECTION 3. The Governor of the State is hereby directed to issue the necessary proclamation for said election and to have same published as required by the Constitution and existing laws by the State.

SECTION 4. That the sum of two thousand (\$2,000.00) dollars, or so much thereof as may be necessary, is hereby appropriated out of any fund in the Treasury of the State of Texas not otherwise appropriated, to pay the expenses of such publication and election.

Approved, April 4, 1925.
Emma Grigsby Meharg,
Secretary of State.

PROPOSED AMENDMENT TO THE CONSTITUTION

SENATE JOINT RESOLUTION NO. 9

A Joint Resolution relating to the amending of Article 16, Section 58 of the Constitution of the State of Texas, abolishing the Board of Prison Commissioners; providing for the supervision and management of the Prison System, under such laws as may be provided for by the Legislature of the State of Texas.

SECTION 1. That Article 16, Section 58 of the Constitution of the State of Texas, be amended so as to hereafter read as follows:

Section 58. The Legislature shall have full power and authority to provide by law for the management and control of the Prison System of Texas; and to this end shall have power and authority to place the Prison System under the supervision, management and control of such trained and experienced officer, or officers, as the Legislature may from time to time provide for by law.

SECTION 2. The above Constitutional amendment shall be submitted to a vote of the qualified electors of this State at a general election to be held November 3, 1926, at which election all voters favoring said proposed amendment shall write or have printed on their ballot the words "For the amendment of Article 16, Section 58 of the Constitution abolishing the Board of Prison Commissioners."

SECTION 3. The Governor of this State is hereby directed to issue the necessary proclamation for said election and have the same published as required by law.

SECTION 4. The sum of \$5,000.00, or so much thereof as may be necessary, is hereby appropriated out of the funds in the Treasury of the State, and not otherwise appropriated, to pay the expenses of such publication and election.

Approved, April 4, 1925.
Emma Grigsby Meharg,
Secretary of State.

PROPOSED AMENDMENT TO THE CONSTITUTION

SENATE JOINT RESOLUTION NO. 10

Proposing an amendment to the Constitution providing for taxation of school lands owned by counties. Be it Resolved by the Legislature of the State of Texas:

SECTION 1. That Article 7 of the Constitution of the State of Texas shall be amended by adding after Section 6 thereof the following: "Section 6a. All agriculture or grazing school land mentioned in Section 6 of this Article owned by any county shall be subject to taxation except for State purposes to the same extent as lands privately owned."

SECTION 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, A. D. 1926, at which all ballots shall have printed thereon "For the Constitutional amendment providing for taxation of all agriculture or grazing school land owned by any county to the same extent as land privately owned."

SECTION 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State. The expense of publication and election for such amendment shall be paid out of proper appropriation made by law.

Approved, April 4, 1925.
Emma Grigsby Meharg,
Secretary of State.

Should Kill Grape Leaf Hopper Now

Have you noticed some light yellow or green insects about the size of a gnat on the under side of the leaves on your grapevines? These insects, the Grape Leaf Hopper, are just now putting their first appearance of the year on the grapevines but will continue to increase in numbers until by the last of July and August they will cover the vines, sucking the plant juice of the leaves and causing them to dry up and fall off and the fine crop of grapes fail to mature.

Now is the time to start the work if you intend to have a grape crop. They are now few in numbers and more easily killed than later, and if you get all the first lot you stop them for this year. So it is important to get busy now.

Since they are a sucking insect you must spray with something that kills the insects by coming in contact with its body. For this purpose, there is nothing better than "Black Leaf 40," a solution of Nicotine Sulphate. The spray is prepared in the following proportions: One teaspoonful of "Black Leaf 40" to each gallon of water to which has been added about one sixth of a bar of ordinary laundry soap previously dissolved in boiling water. Two gallons of spray will be plenty for twelve or fifteen large vines.

You must spray when the insects first appear and before they are flying around as they are then soft bodied and easily killed by the spray, but if they are flying only a part of the insects are killed.

For further information or help phone W. R. Lacey who will be glad to assist you.

ERROR IN NEWSPAPER HELD NOT LIBELOUS

Austin, Texas, June 10.—The Third Court of Civil Appeals, in an opinion by Associate Justice J. H. Baugh, Wednesday reversed and remanded for another trial the case of Express Publishing Company of San Antonio vs Mrs. Gertrude Iensee, from Hays county, Mrs. Iensee having been given judgment on an instructed verdict by a jury in the District Court for \$7,500 damages for publication of a photograph and article alleged to have been libelous per se.

The photograph, which was run in an article charging another woman with crime, was clearly identified as that of Mrs. Iensee, but the printed portion did not refer to Mrs. Iensee.

The opinion held that the publication was not libelous and that the average reader could draw the conclusion that the picture of Mrs. Iensee could have been placed in the article by mistake.

"In the necessary haste and volume of detail required to issue editions of large daily newspapers mistakes in the placing and arrangement of type, forms, captions or pictures are not infrequent," the opinion said. "Readers of large dailies are no longer surprised at seeing a caption or headline on one subject followed by an article entire foreign to it, or even to see an article on some person accompanied by the picture of someone else inserted by mistake."

GLACIER TO GULF MOTORWAY IMPROVEMENT

A movement to pave the Glacier to Gulf Motorway from one end to the other and a plan to increase the hotel facilities along this route are two propositions that are to be given consideration this year. The Glacier to Gulf Motorway can be made one of the most important highways in Texas and every city and town along the route should wake up and help boost for this route.

In a recent count as to the number of automobiles traversing the Glacier to Gulf Motorway it was found the average for four hours was one car per minute. This will mean an average of about 700 to 750 cars per day. This is nearly thirty-three per cent more than last year. This gives you some idea of the increasing use of this route by motorists, and an idea of what it will mean for every city and hamlet when this highway is paved across our State.

Lubbock—George Briggs, Secretary at Eastland, and J. E. T. Peter Secretary at Cisco, will be two of the principal speakers at the convention of Texas commercial secretaries to be held here July 22 to 24 inclusive. This conference is the twentieth in the history of the organization, and is considered a school for commercial secretaries.

LYNN COUNTY LEADS

Lynn county last year took her place as the leading cotton producing county of the plains. The number of bales ginned in Lynn county of the 1925 crop, according to Government report, was 42,189. This was an increase of about 4,000 bales over the crop of 1924 and an increase of about 17,000 bales over the crop of 1923. This increase was due largely to the fact that

T-Bar Ranch Lands

are being converted into farms. There are no better lands in the county. Some of the best cotton in the county was raised on these lands last year. We have sold numerous tracts out of this ranch, farm houses have been built thereon and same are now occupied by nappy and prosperous families. We have

Many More Tracts Yet to Sell

These lands are on the market at \$35.00 per acre and up. Now is the time for you to get a home. The big ranches are rapidly going. Only a few are left. Within a few years they will all be gone. The T-Bar ranch lies just west of Tahoka. You can yet get a home near a good town and among the best people on earth. Write us at once for further information, or come and see

Trade at S. R. Kemp's Variety Store, the house of many articles, where you can buy it for less money

THE DAIRY INDUSTRY IN TEXAS
Offers exceptional opportunities for the industrious man who will go in with a small herd of cows and increase his herd gradually. During the year of 1924, 174,786,642 gallons of milk were sold in Texas. An all-year-around cash market for dairy products makes this business attractive. The Lynn County News Monthly Magazine Section, issued July 8th will contain an article on the dairy industry in Texas.

Cisco—The local Chamber of Commerce has agreed to pay the railroad fare of all boys and girls who qualify to attend the farmer's short course to be held at A. & M. College in August. The county agent will pass on the qualification of the club members.

SMOTHERING

Texas Lady Tells How She Got Rid of Her Troubles.

"The first time I took Cardui, I was in an awful bad way... Mrs. Ora Carlie, R. F. D. 3, Troup, Texas.
"I was afflicted with awful smothering spells. My mother had some Cardui in the house, that she was taking, so she immediately began giving it to me. In a few days I got all right.
"Last fall I got run-down in health. I was weak and pesky and I began to suffer with... I would get so I could hardly walk. Having taken Cardui before, I sent to the store for a bottle of it.
"Almost from the first dose I could feel the improvement... I am even better now.
"Cardui has helped me a lot and I am glad to recommend it. I don't feel like the same woman I was last fall.
"My appetite is good now, and I'm sure it's Cardui that's made it pick up, for in the fall I had no relish for food at all, while now I'm hungry for my meals."

It's Easy to Kill Mosquitoes

"Zing! Zing! But in a few seconds he's back again. Slipping at unexpected angles your spray kills in three flares. And you could be actively rid of them in minutes! Simply close your windows and blow the Bion Powder about the room.
Bion Powder will kill every one and it's easy and simple. It can't stain. It's non-toxic to everything except insects. You can use it in a public gym, or blow it in the air over a picnic. It also kills ticks, fleas, flies, houseflies, and many other house and garden insects. Get Bion Powder to get rid of your pest problem.
If you don't see any insects, you can still use it for the purpose of preventing them from coming. It kills them. A guide for killing house and garden pests.
McCormack & Co., Baltimore, Md.

T-BAR NEWS

The rain which fell Friday evening was welcomed by all the farmers, but a part of them regret very much that Mr. Hall visited them Sunday evening.

There was Sunday School Sunday morning and prayer meeting Sunday night at T-Bar.

The young people enjoyed a party given at Mr. and Mrs. Brewer's last Saturday night.

Uncle Poke Copeland from East Texas visited our community the latter part of last week. We were glad to have him with us again.

Mr. and Mrs. Jack Sparkman spent Saturday night with Mr. Dorman and family. They also attended Sunday School, where they were welcomed very much.

Miss Mills M. Halsey met with the club girls Monday afternoon. They have been practicing on a play which will be given July 10. Its title is "Taking a Club to Father."

We will give all the candidates a special invitation to come and make their talks. Everyone else is also invited. The admission will be 25c and 15c. The club will meet at the school house next Monday evening. We want every member present, if possible.

The party given at Uncle Jim Nichols Friday night was enjoyed by all who attended.—Apple Blossom.

BROWNFIELD HOTEL TO OPEN JULY 1

Brownfield, June 19.—The new Hotel Brownfield, is rapidly nearing completion and it is expected that it will be occupied and opened for service about July 1st, but the formal opening date has not yet been decided.

Mr. J. C. Bond, the lessee expects to stage a banquet within a short time after complete installation of equipment.

The building is a two-story affair with commodious lobby, dining room and sample rooms for traveling men and contains thirty-five guest rooms with bath connections.

The main entrance to the lobby is located on the east side of the building, while the south side will house a dry goods store and a barber shop with rear connection with the hotel lobby.

Mr. Edwin Hester, well known over West Texas as a chef of the first class, has been employed to preside over the kitchen which will no doubt be pleasing news to the traveling public.

Mr. Bond is an experienced hotel man and has disposed of all other interests and will devote his entire energies toward rendering satisfactory service to his guests.

The citizens of Brownfield are very proud of this institution and it was secured by efforts of some of our citizens who saw to it that it was erected by private capital and the public was not called upon to subscribe for any stock.

Washington D. C.—The West Texas Chamber of Commerce through H. M. Eston their Washington representative has intervened in the bearing regarding the control of the Thurbia weevil of Arizona. This weevil a dry land insect, is even more destructive to cotton in dry uplands such as West Texas than the Mexican boll weevil has proven in more humid sections. The U. S. Department of Agriculture has framed a rigid system of regulatory measures similar to those employed to combat the pink boll worm and a quarantine of Arizona cotton is contemplated unless the pest has been brought under control.

PARTY LEADER IS IN 'PICKLE'

Jack Alley Says Republicans, Though Scarce, Must Hold Primary This Year

To The Republican Voters of Lynn County:

To me, as County Chairman of Lynn County, falls the duty of holding the first Republican Primary ever held in Lynn County. This Primary is not optional but is the law; if we do not hold a primary, we lose our county organization.

I am laboring under a great many disadvantages, in that the Democrats have all the polling places, all the boxes, and a rather well oiled machine that functions through having been used so long that it has become a habit with the election officials to take charge of everything that is in sight for the use and convenience of the party; while we, as a party, have to take the leaveings, which are nothing, but instead improvise both voting boxes, voting places, and in fact everything that pertains to an election.

Then, to add to my difficulties, it is almost impossible to find Republicans enough to hold this election in the different precincts. The county is overwhelmingly Democratic; it would be foolish to put out a county ticket; therefore, a great many Republicans who have friends they want to vote for stay out of the Republican primary in order to vote for their friends.

But, I want to impress this on your minds:

First, that the Republican party cast 298,987 votes for Governor in 1924. This, according to the Terrell Election Law, makes a primary compulsory.

Next, one man in each precinct can hold a legal primary, but more will be better.

Next in order is the fact that I don't know who are Republicans and who are not in the different precincts. As I said before, a great many Republican voters are going into the Democratic primary to help their friends. You can not vote in two places. You either have to vote the Republican ticket or the Democratic ticket. The two primaries are held the same day, but the voting places have to be at least one hundred yards apart.

At the proper time, I will name the place where the election will be held and the officials who will preside. And, I, as your county chairman, as said before, laboring under a great many disadvantages, will ask that Republicans in Lynn county who are willing to vote in the Republican primary come forward and make themselves known.

Jack Alley, Republican County Chairman of Lynn County, Texas.

INDEX IMPROVES

Editor J. W. Roberts of the O'Donnell Index has just recently purchased a bigger and better newspaper press and a folder to take care of the increased business that the O'Donnell Index has enjoyed during the past year. Mr. Roberts says he hopes to make further improvements in the plant as needed.

James Bray, father of M. N. Bray, came in Tuesday and had us send The News to his son-in-law, D. C. Fritz, at Munday. He also sends the paper to a son at the same place.

Wm. Zappe, one of Lynn county's biggest boosters, was one of our citizens in attendance at the West Texas Chamber of Commerce Convention held in Amarillo. As he usually does wherever he goes, Mr. Zappe let it be known that Lynn county occupies a prominent place on the map. He took with him a large number of circulars advertising the excellent low-priced Lynn county farming lands now on the market. Mr. Zappe and the Zappe Land Company are doing much toward building up this county, they having probably brought more new farmers here during the past two or three years than any other one agency; and he probably interested many more people in this section while at the convention.

Mr. Dunning, who lives west of town, returned Monday afternoon from Frost, his old home, where he has been visiting.

FOR SALE AT AUCTION

Notice is hereby given that on Monday, July 5, between the hours of 10 A. M. and 4 P. M. I will offer

for sale at public auction to the highest bidder for cash the following described horse left in the possession of the pound keeper of the City of Tahoka and never called for by the supposed owner, the proceeds of said sale to be applied first to the expenses incurred for the feed and the keeping of said

horse and the expenses for this sale and the remainder if any to be held subject to the demand of the rightful owner, said horse being of the following description: Being a blue-gray horse, about 15 hands high, smooth mouth.

Garrett Richards, City Marshal.
