THE LYNN COUNTY NEWS THURSDAY, OCTOBER 30, 1924.

NUMBER 9

SNYDER TO PLAY HERE SATURDAY

First Game On Home Gridiron Is Expected to Be A Strenuous One

The opening home football game of the season will be staged on the Tahoka football park Saturday at 3:30 when the Snyder Yellow Jackets will invade Tahoka for a game with the "Bulldogs."

The long hoped for opportunity has come and now Tahoka has a chance to see the boys in action. It will be remembered that Tahoka defeated Snyder early in the season by a score of 19-0. As has been said, "There is no sweeter revenge than to defeat a rival on the enemy's home ground." Snyder is coming seeking revenge and with blood in their eyes.

The game bids fair to be a hotly contested one. Coach Shiflett has groomed his team for a very heavy battle by long and strenuous training and he announces that they are in tip top condition for the fray Saturday. Although the Yellow Jackets probably out-weigh the Bull Dogs 15 lbs. per man, Shiflett believes that the home team will out-charge the visitors and will sweep them off their feet as they did in the past game. If necessary the Bull Dogs can resort to any phase of the game and have an equal chance. The game will be far from a one sided affair. There is no over confidence in the Bulldog camp. It will take all that Tahoka has to put the game over. The hearty co-operation of the town people will help to do the thing.

This first game on the home ground is sure to be filled with thrills and excitement. A good and interesting game is assured, and it is hoped that a large number of students and town people will come out and help the Bulldogs win. Prove your confidence in your home team by coming out and rooting for them.

Att'y. General Tells How To Vote

The following is the syllabus of Opinion No. 2566 written by the Attorney General's department on October 10, 1924, to Hon. John Marshall, Dallas, Texas, relating to voting a mixed ticket in the general election and to the legality of distributing marked ballots:

1. It would violate the law directing voters how to vote a mixed ticket for a voter to scratch the name of a candidate printed on the Democratic column and write in the place of it the name of a candidate printed in the Republican column after marking off all the tickets except the Democratic ticket. But the provisions of the law prescribing the method of marking the ballot are directory and not mandatory, and a vote cast in the manner above described should be counted for all the Democrats so voted for and the Republican so voted for.

2. The law would not be violated if a voter marks out all the tickets on the official ballot except the Democratic and Republican tickets and then marks out all of the names on the Republican ticket except the one such voter desires to vote for, and also scratches out the name of the person on the Democratic ticket for whom he does not desire to vote. Such a vote should be counted for all the Democrats so voted for and for the Republicans so voted for.

3. When no agreement or proposal to vote for the person on the marked ticket has been entered into or made, and no request has been made to the person receiving or securing such marked ticket, the law would not be violated by the preparation of a sample marked ballot for distribution among the voters as circulars of for publication in newspapers showing the voters how they may lawfully vote for the Democratic Presidential electors and all Democratic nominees except for Governor and also the Republican candidate for Governor.

New Voting Box Is Created at Newmoore

The commissioners' court has created a voting box at Newmoore, and the voters of that community will have the privilege on November 4th of voting "at home". Heretofore they have been required to go to O'Donnell to vote. There will probably be 50 or 60 voters in the new precinct.

Magazine Section to Be Issued By News

Endeavoring always to keep pace with the progress of the times, and to be alert in the publishing of a live readable newspaper, The News has added a Magazine section to its regular issue which will be issued monthly, beginning November 13. This Magazine Section will be made up of Texas Historical Stories of Frontier days, Texas Current Events, General State Farm News, a Department for Women and Children, and a full page Colored Comic.

We believe our readers will welcome a supplement of this kind, as an addition to our regular local pages because of its clean and wholesome reading and its entertaining features. Contents of the Magazine Section will be announced a week in advance of date of publication.

Stork Still On The Job In County

The News editor likes to nose among the records of the court house occasionally. Tuesday we dropped in to the county clerk's office just to check up on Mr. Stork and find out whether or not he is still doing his duty in Lynn county. We found that he is still on the job. From January 1 to October 24, he has brought 205 babies in Lynn county about 21 each month. At that rate, he ought to reach 250 by the end of the year. During the year 1923 he made 235 visits to this county. So we see that he is doing just a little better this year than he did last year. He had made only 12 visits in October, however, according to the records, but perhaps not all the reports are in yet. His activities this month, as disclosed by the record, are as follows: Mr. and Mrs. B. A. Vaughn, Oct. 1; a son.

Mr. and Mrs. H. O. Huff, Oct. 2, a daughter; Mr. and Mrs. Jim C. Fenton, Oct. 3, a son; Mr. and Mrs. C. C. Johnson, Oct. 4, a daughter; Mr. and Mrs. T. D. Cathy, Oct. 8th., a son; Mr. and Mrs. Bill Helms, Oct. 9th., a daughter; Mr. and Mrs. J. A. Stroud, Oct. 11th., a daughter; Mr. and Mrs. H. C. Chance, Oct. 12, a son; Mr. and Mrs. B. F. Patterson, Oct. 15, a son; Mr. and Mrs. M. F. Thurman, Oct. 19, a daughter; Mr. and Mrs. W. A. Hardt, Oct. 21st., a daughter; Mr. and Mrs. E. R. Uzzle, Oct. 24, a son.

Big Spring Defeats Tahoka Bulldogs

The Tahoka Bulldogs met defeat at Big Spring Saturday when the Big Spring team made a score of 44 to 0. Although the Bull Dogs lost, they are not discouraged. The Big Spring team outweighed the home boys about 20 pounds per man. Their fullback was a giant in stature and he and the quarterback were the stars for the Big Spring team. They were well supported with plenty of subs, having three teams to draw from.

The defeat seems to have served only to put pep and determination into the Bull Dogs for future contests, and Tahoka may expect them to do some fine work hereafter.

Sentence of Randel's Slayer is Affirmed

The case of Theodore Smith convicted for the killing of J. C. Randel in Jones county last year and given a 16 year sentence, was affirmed by the Court of Criminal Appeals Wednesday.

J. C. Randel was formerly District Attorney of this District, and was returning from Asperment with another man when he was waylaid on the road by Smith. In the trial young Smith testified that he shot Randel accidentally in an effort to kill the man who was in the car with him. The other man was a witness in a whiskey case against young Smith's father. Randel was defending his father in the case. —Haskell Free-Press.

Among those attending the Methodist Conference in session at Abilene this week are Rev. J. T. Howell, Mr. and Mrs. Sargent, Mr. and Mrs. J. A. Brashear, E. S. Davis, J. A. Patterson, Ernest Patterson, and J. O. King. Possibly there are others.

LET AMERICANS DO THEIR DUTY

(AN EDITORIAL)

History will be made next Tuesday. The citizens of the United States will elect a President and a Vice-President, and members of Congress. The people of Texas will elect a governor and other state officers as well as the district, county, and precinct offices.

The opportunity to elect a President comes once only four years. It is important therefore that every voter go to the polls and express his will. There are three presidential candidates; Coolidge, Republican; Davis, Democratic; and La Follette, Progressive. The Republican party represents the extremely conservative forces of this nation, the "stand patters". The Democratic party represents the progressive forces. The so-called Progressive party represents the radical element. It is extremely possible that neither of these will be able to poll a majority of the electoral vote. In that event the election will be thrown into the House of Representatives.

In the state, much interest centers in the race for governor. As everybody knows, Miriam A. Ferguson is the Democratic nominee, the first woman in America ever nominated by any party for the office of governor. The Republican nominee is Dr. George C. Butte, until recently Dean of the Law Department of the University of Texas. He is making a vigorous campaign, and the indications are that many Democrats will bolt the Democratic ticket and vote for the Republican nominee. Butte's only chance of election lies in the support that he may get from bolting Democrats. He asserts that the issue in the campaign is "Fergusonism", whatever that may mean, while Ferguson is campaigning the state in the interest of his wife and declaring from every stump that the real issue is the Ku Klux Klan. The campaign waxes warm. What the result will be nobody knows, But—

Every voter should go to the polls next Tuesday and vote.

Especially would the News editor, speaking as a Democrat, urge every Democrat to go to the polls and cast a ballot for the straight Democratic ticket. We believe that to be every Democrat's duty. Patriots, Americans, Will you fail your country next Tuesday?

COUNTY CLUBS' SCHEDULE FIXED

Girls in All Schools of County To Be Given Chance to Do Club Work

The following letter printed below has been received from Miss Halsey, County Home Demonstration Agent for Lynn County, relative to the schedule for Demonstration work.

- Nov. 4.—T-Bar Women
- Nov. 5.—Wells women.
- Nov. 6.—Gordon women.
- Nov. 7.—Draw-Redwine women.
- Nov. 10.—O'Donnell women.
- Nov. 12.—Morgan Women.
- Nov. 13.—Wilson women.
- Nov. 14.—New Home Girls, Petty Girl.
- Nov. 17.—West Point girls. South Ward girls. Midway Girls.
- Nov. 18.—T-Bar Girls. Wells Girls.
- Nov. 19.—Draw Girls. Redwine Girls.
- Nov. 20.—Edith Girls. Grassland Girls.
- Nov. 21.—Joe Bailey Girls O'Donnell Girls.
- Nov. 24.—Pride Girls. Newmoore Girls.
- Nov. 25.—Magnolia Girls. Lynn Girls.
- Nov. 26.—Gordon Girls Morgan Girls.
- Nov. 27.—Lakeview Girls. Joe Stokes Girls.
- Nov. 28.—Dixie Girls. Wilson Girls.

It will be seen that all women's clubs will meet the first part of the month and the other days will be spent in visiting the rural schools. Girls in all school of the county will be given an opportunity to do club work this year. Clubs will be organized where there are as many as ten girls between the ages of 10 and 20 who wish to enroll.

After December 1 I hope to be able to announce a permanent schedule of meetings for 1925.

Millie M. Halsey.
Co. Home Dem. Agent

Cotton Is Being Gathered Rapidly

On account of failure to get reports on O'Donnell and Wilson, our cotton report is very incomplete. A comparison with the partial report which was given the last week in October last year shows that much more cotton has been ginned this year than last. Tahoka, for instance, has ginned 3960 bales as against 2624 up to Oct. 26 last year. The partial report for this year follows:

Tahoka,	3960
Draw-Grassland,	2912
New Home	1450

This makes a total of 8322 for these gins this week as against 6467 for the same gins last week.

Don't forget to read the Ads.

Jury Couldn't Agree On Dr. Hughes' Case

The first case tried in the county court for months went to trial Tuesday morning when Dr. W. F. Hughes was brought before his Honor on a charge of violating the Medical Practice Act. Dr. Hughes is a Chiropractor, and the complaint was the result of treatment given by him to various patients in this county during the past several months. The complaint was filed more than three months ago but the case was continued at the last term of court. Judge John L. Ratliff of Lubbock represented the defendant. After being out several hours the jury reported that they were unable to agree and were discharged. It is understood that they stood three for conviction and three for acquittal.

Cupid Active, County Clerk's Records Show

One of the duties of the county clerk is to keep a record of Cupid's activities. If he gets lazy and quits work, the records in the county clerk's office soon reveal that fact. If he suddenly becomes energetic, the records likewise disclose that fact. Happy Smith keeps strict tab on cute and cunning Mr. Cupid. His records show that this popular little gentleman has been busier in Lynn county this year than ever before. Perhaps it is because there are more people and hence more lovers here for him to victimize. At any rate, the records disclose that his unerring arrows have pierced the hearts of 97 couples in Lynn county up to October 25 during the present year as against 73 couples up to the corresponding time last year. During the entire year of 1923 there were 105 marriages in Lynn county. If Cupid doesn't get terribly lazy or take a vacation, the number this year will considerably exceed that. October seems to be an off month, however, as only six marriage licenses have been issued by Happy Smith up to the 25th of this month, as follows: H. E. Huff and Miss Ada Reed; E. M. Clark and Miss Lillie Albright; S. Bivens and Miss Lois Oliver; C. Foreman and Miss Ethel S. Allen; Allen McFadden and Miss Mary Jones; A. L. Rhoads and Miss Jewel Leath.

RENDER PROGRAM

Members of the Epworth League and the B. Y. P. U. of Tahoka rendered a joint program at Redwine Sunday afternoon. The League orchestra furnished music for the occasion. Those attending from Tahoka report that a large crowd was present to enjoy the program.

Simmons Loses To Teachers College

CANYON, Oct. 26.—The West Texas State Teachers College Buffaloes, fighting every minute of the game, upset the dope-bucket yesterday afternoon at Canyon and defeated the Simmons College Cowboys 12 to 6 in what fans declared to be the greatest football game ever played in the Panhandle.

Oldtimers say that the Buffalo is by nature a quiet, peaceful animal but predict dire things for the person who angers the Buffaloes in any way. Those old timers declared that once the Buffalo was aroused nothing could stop him.

The Cowboys aroused the Buffaloes in the first quarter when a blocked punt, after they had caused the ball to be downed on the Canyon 6-inch line, they scored a touchdown. The Buffaloes came to life, they virtually snorted and tore up the ground and in the second quarter they too, blocked a punt and two of them almost fought each other for the honor of making the touchdown.

But the end was not yet, by this time the Buffaloes had fire in their eyes, they were on the war-path, they were enemies of everyone, especially the Cowboys, and led by the greatest Buffalo of them all, Capt. Grady Burson, in the third quarter they used a forward pass and some terrific line plunging to put over another touchdown that won the game. —Amarillo News.

"The Covered Wagon" showed at the Star Theater three nights this week. It was booked for Monday and Tuesday nights and proved to be so popular that the management decided to run it Wednesday night also.

Jno. L. Greenfield is out of town on business this week.

BAPTISTS HOLD CONFERENCE

Representatives Here From Seven Counties At Meeting Last Tuesday

Perhaps the best attended and most interesting Workers Conference ever held in the Brownfield Baptist Association was held in the Tahoka Baptist Church Tuesday.

There were about sixty or seventy visitors from the various churches of the association, which includes Lynn, Terry, Yoakum, Hockley, Cochran, Gaines and part of Lubbock county, Slaton being in this association. There was also a good local attendance. Representatives were here from Slaton, Brownfield, Plains, Seagraves, Levelland, and from most of the rural churches in Lynn county and other counties of the association. Barring the Tahoka Church, Central Church, situated eleven miles east of Tahoka, had the largest number of representatives present, there being eleven.

The men's program opened at ten o'clock in the morning, the devotional services being led by Rev. W. K. Horn of O'Donnell. Rev. B. N. Shepherd was elected as chairman for the day. Rev. C. E. Ball of Brownfield, J. M. Doshier of Seagraves, and D. D. Johnson of Gomez had places on the program and discussed in an interesting way subjects of interest to the denomination. After a splendid sermon by the brilliant pastor of the Wilson church, Rev. Graves Darby, dinner was announced. A feast prepared by the ladies of the local church was spread about and all present enjoyed it to the limit.

The Women's meeting began at 1:30 in the afternoon, Mrs. J. B. Walker of Tahoka Presiding. The program rendered by the ladies was excellent from the beginning to the end. Mrs. Jno. P. Hardesty, wife of the Slaton pastor, led the devotional exercises. Mrs. Helms of Lubbock spoke on "The Training School" at Fort Worth. "Woman's Hymn" was rendered by L. A. Wilson of Slaton, and Mrs. Helms of Lubbock. Mrs. H. B. Steele of Central, Miss Mary Preston of New Home, Mrs. Jack Applewhite of Tahoka and Rev. Graves Darby of Wilson gave some fine talks on the fifth chapter of Thessalonians. Mrs. Duval of Tahoka gave a reading, which was much enjoyed, and Mrs. R. C. Wells and Mrs. C. C. Barren sang a duet most effectively. A solo by L. A. Wilson closed the best program ever rendered at a workers conference in the Brownfield association.

Abusiness meeting followed in which the societies and churches represented agreed to send Mrs. J. B. Walker, the President, to the state convention which meets at Waco in November. The churches also agreed to send the new missionary, Rev. Markham of Brownfield, to the convention.

At the board meeting which followed, it was announced that a new association is soon to be formed to be comprised of Lubbock, Hockley, and Cochran counties.

Mrs. Polly Tickk And Husband Coming

Mrs. and Mr. Polly Tickk are coming to Tahoka. They will be here two nights, Friday and Saturday, November 14-15. They promise to furnish lots of amusement to all who will call on them. Positively one of the most excruciatingly funny plays ever staged in Tahoka. It will be given under the auspices of the Tahoka Chamber of Commerce for the benefit of the park fund. Watch these columns for further announcements about their stunts.

Public Speaking On Friday Night

The News received a telegram Tuesday from Claud M. McCallum, Chairman of the Democratic Speakers Bureau of Dallas, advising that Hon. C. P. Rodgers of Lamesa will speak in Tahoka Friday night in the interest of the Democratic ticket, state and national. He will speak in the district court room.

Judge Rogers is known to some of our people and they know him as an able and most entertaining speaker.

A great crowd of Democrats should be present to hear him discuss the issues of the day.

PROSPECTS AT WILSON BRIGHT

Contract Let For New Building; Old Parsonage Fitted Up For S. S. Rooms

(From Wilson Pointer)
W. P. Nugent of Lubbock contracted for the new Finley brick building that is to be built next to the Cobb building. Work is to begin at once. It is to be turned over to Mr. Finley December 15.

Mr. Finley will move into the building as soon as it is completed. He is planning to install new fixtures and the new establishment will be a credit to the town. We hope that the weather will be good so that Mr. Nugent will have no trouble in fulfilling the contract on time.

S. G. Grimes of Temple and Ava Roberts of Haskell were in Wilson last Wednesday night visiting the former's sister, Mrs. Johnson. These gentlemen are fine contractors and builders and are at the present looking for a location.

After looking over the situation here they went to Lamesa to visit Mr. Grimes' niece and to see how they liked that place. They will return here however, to further investigate the possibilities of a location here.

Wilson is on the build and if the future continues to look as bright as the dozens and there will be openings it does now we will need houses by for more than one kind of trade.

Mr. and Mrs. B. W. Rogers who will teach the Joe Stokes school this year came in the latter part of last week. They are furnishing the new teacherage and are preparing to make that place their home.

School started Monday morning and although everyone is busy picking cotton an average number for this time of the year enrolled. It will not be long before the entire student body will be in school.

Lots of cotton pickers are coming from the eastern part of the state and the children will soon be released to start their school work.

An accident that came near being serious occurred Thursday when Naomi Dulin and her uncle, Joe Dulin, overturned the car that they were driving to Wilson.

Just what caused the car to capsize we have been unable to learn, but it is sufficient to say that no one was seriously injured. Both Naomi and Mr. Dulin received slight bruises but escaped in a manner that is rather remarkable.

The car was only slightly injured and with a little paint and straightening will be as good as ever.

Sunday morning Mrs. Burns who has been in bad health for several months was taken suddenly worse and was in a serious condition for several days.

The last day or so Mrs. Burns is much better and we hope that she will soon be in good health again.

Three rooms in the old Baptist parsonage have already been fitted out for Sunday School classes. They are seated and will be furnished in an attractive manner. It is hoped that the young people of the church will consider that these are their rooms and will feel at home there.

One room will be used for a B. Y. P. U. room will be furnished for that purpose.

Don't forget to vote for I. P. Metcalf for Justice of the Peace. adv

Be sure to vote.

Plainview Woman Drowns in Bar Pit

A tragic automobile accident Saturday evening cost the life of Mrs. Lila Cannon, 48, wife of W. E. Cannon, who lives 20 miles southwest of Plainview.

The accident occurred on the high dump seven miles west of Plainview on the Olton Road. A car occupied by H. C. Silsbee was driven to the side of the dump to allow passage way for the car in which Mrs. Cannon and her daughter, Miss Wilma and two younger children were riding. He got too close to the edge of the dump and his car turned over into the ditch, on the north side of the dump just as the Cannon car was passing him. It is thought that Miss Cannon, who was driving, turned to see what the trouble was and her car ran off the south side, pinning her mother and herself under the car in water in the bar pit.

Parties who were following close behind saw the Silsbee car turn over and stopped and enquired if anyone was hurt. Mr. Silsbee told them that he was all right. Cries of the small children several feet further west, on the south side of the dump, attracted them and going on up they found the other car.

Mrs. Cannon drowned before help could reach her. She did not breathe after being released from the car.

Miss Wilma was resuscitated and brought to the Plainview Sanitarium. Her condition is very serious, her physicians stating that she has developed pneumonia, induced by the mud and water in her lungs. She was unconscious for many hours and her recovery is doubtful.

None of the other children were hurt.

Funeral services for Mrs. Cannon were conducted yesterday afternoon at the family residence on the old Sansom ranch and interment followed in the Hale Center cemetery under the direction of Garner Bros.

—Plainview Herald.

NOTICE!

As several communities have requested demonstrations in canning a beef I should like to schedule all of these before November 20, if possible.

By having our meat canning demonstrations now you can go ahead and can your pork when that time comes.

Will each club president write me at once when and where a demonstration in meat canning is wanted.

In communities having no clubs any person wishing such a demonstration is requested to write.

Yours sincerely,
Millie M. Halsey,
Co. Home Dem. Agent

B. Y. P. U. PROGRAM SUNDAY

In the absence of the pastor, the Senior B. Y. P. U. will have charge of the services at the Baptist Church Sunday night.

The subject to be discussed by them is "How to Grow in the Christian life".

The different phases of the subject will be discussed by the following:

1. Don D. Shiflett
 2. Miss Ruby Windsor,
 3. C. L. Moore,
 4. Mrs. R. O. Moore,
- The following special numbers will be given:
1. Reading — Miss Jewel Sherrod
 2. Quartette
 3. Reading — Mrs. M. Duval

A GIFT THAT IS A COMPLIMENT

In the gift you receive you can sometimes see yourself as others see you, and the view is not always flattering. It may be a jazz record or a gaudy tie, or a book you would hate to have found on you if an auto bumped into your dreamland. And you can't really blame the giver. Knowing you well he concludes that you crave that sort of thing. On the other hand his gift may convey a subtle compliment—a gift of The Companion for instance. It is a tribute to your good taste, to a certain idealism he has perceived in your make-up, to the impression you give that life is

real and earnest and not merely a game of skittles. You may be sure that anybody who thinks slightly of The Companion as a gift is himself making life a game of skittles—and very little else.

The 52 issues of the 1925 will be crowded with serial stories, short stories, editorials, poetry, facts and fun. Subscribe now and receive:

1. The Youth's Companion,—52 issues in 1925.
 2. All the remaining issues of 1924.
 3. The Companion Home Calendar for 1925. Sent only on request. All for \$2.50.
 4. Or include McCall's Magazine, the monthly authority on fashions, Both publications only \$3.00.

4 Injured in Auto Wreck at Colorado

What was at first believed to have been a fatal accident, occurred on the Bankhead Highway near Colorado Sunday morning when two automobiles were wrecked in a head on collision. One of the machines contained six people four of whom were seriously injured, and the other contained four persons. Occupants of both cars were either badly injured or slightly hurt.

The seriously injured are Luisa Porros, Fort Stockton, head badly crushed. Tullia Valles, Fort Stockton severe bruises and cuts, Jose Maria Franca, Fort Stockton, injured internally, and Cruz Franca, injured about the head and body.

Physicians attending the injured soon after the wreck doubted if Luisa Porros, 16, would recover, but reports from the injured Thursday morning indicated they were all doing well and no fatalities were expected unless complications developed.

The crash occurred about ten o'clock Sunday morning on the Bankhead Highway a short distance west of the city limits of Colorado when a small touring car driven by Cruz Franca of Fort Stockton collided with a high powered machine driven by L. A. Key of Colorado. The Fort Stockton car was proceeding east toward Colorado and Key was driving west.

Witnesses to the head on collision state that the occupants of the Franca car were thrown into the air and about the highway by force of the impact. The Ford car in which they were traveling was demolished. Occupants of the other car were only slightly injured, receiving minor cuts and bruises. The Mexicans were given emergency medical treatment within a few minutes following the accident and were then removed to the Colorado sanitarium.

Seeking to establish the responsibility for the crash, Justice C. S. Thomas conducted an investigation into the affair Tuesday afternoon. Several witnesses were examined but actually witnessed the collision.

From the evidences submitted by Key at the hearing the car in which the Mexicans were driving evidently became lost from control just before the crash. He stated that the driver pulled to his side of the highway and then, just before they met, ran into some loose sand, swerved and ran back to the left side of the road.

Witnesses who noted the Key automobile passing along the highway just before the crash estimated that the machine was making 30 to 40 miles an hour. Key stated that he probably was making about 30 miles an hour at the time he saw that the two cars were in danger of colliding. From the evidence it was estimated

that Franco was making from 15 to 25 miles an hour. Statements of those who viewed the wreck indicated that the automobiles met in the center of the highway, neither of them steering to the right under accepted traffic rules—Colorado Record.

A REAL GOOD SHOW

COLE BROS.' SHOWS will visit Tahoka Monday, November 10, for two performances. With each successive season one looks forward to the visits of the various tented aggregations that travel the country for the amusement of the people and no show is ever more heartily welcome than Cole Bros. They have made a reputation for themselves by giving the people a good highclass entertainment which appeals to all as interesting, amusing and instructive. Everybody loves horses and ponies. More especially does this apply to the ladies who with the little ones are the most loyal patrons. They are assured of the highest form of entertainment free from everything at all calculated to offend the most sensitive. In addition to the trained animal features, Cole Bros. have the very best lady and gentlemen performers. The performing elephants and rare wild beasts, Banty Bunny the cute little baby elephant, the good night pony, together with the many prancing ponies in military drills and marches are especially pleasing to the little ones. The funny clowns, the many beautiful lady artists, the feature acts by the world's greatest gymnast, Mlle. Roberts, in her death defying act in mid-air, the like of which has never been witnessed, will live long in memory when other shows have faded away into forgetfulness. Don't fail to see the grand free street review. Two complete performances daily.

THREE GOOD STORIES

The Lynn County News Magazine Section for November will feature 3 especially good articles. "The Battle of Dove Creek," written by Austin Callan, will be one of the three

The Bobber Shop

A Union Shop

For a real shave or shower bath

E. HARREL, A. GOWER, AND A. SRICKLAND

We Specialize in Hair Bobbing

articles; the "Forestry of Texas," written by E. O. Siecek, State Forester, will be the second article, and "Chicken Raising for Pleasure and Profit," by Mrs. Margaret Stute, will be the third article.

"The Battle of Dove Creek" was fought in 1863 on Dove Creek, south of the Concho River, in Southwest Texas, between 300 white men and 900 Kickapoo Indians. The fight was a deplorable mistake, as the Kickapoos were peaceful Indians, passing through Texas on their way to Old Mexico to take up land for colonization purposes. The Indians were victorious in this battle, and had they followed up their military advantage, a repetition of the Custer massacre on the Little Big Horn would undoubtedly have taken place.

Now is a good time to renew your subscription to the Lynn County News. But if you are not a subscriber, start your subscription now and you will get the issue which contains the interesting Dove Creek fight.

T. R. Park of Lynn community came in Monday to move up his subscription a year and stated that about half of the cotton in that community has been gathered. Lynn was in the dry belt this year and cotton in that community is making only about one-fourth bale per acre. Mr. Park says pickers are now plentiful.

WRIGLEYS

After Every Meal

It's the longest-lasting confection you can buy—and it's a help to digestion and a cleanser for the mouth and teeth.

Wrigley's means benefit as well as pleasure.

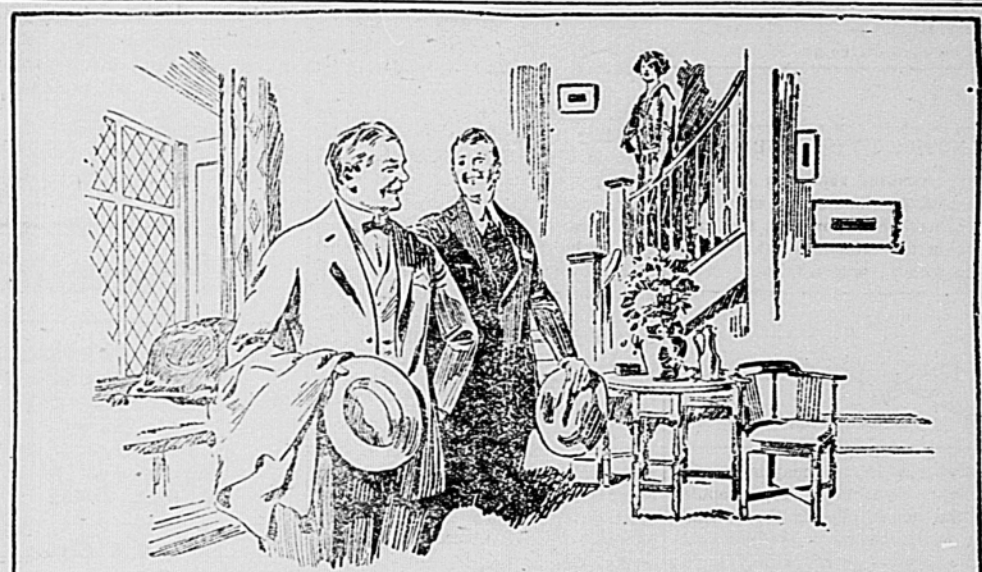

BRIDGE CLUB HOLDS ANOTHER MEETING

The Bridge Club met last Thursday with Mrs. Frank Walton as hostess. The house was beautifully decorated with pumpkins, black cats, and other symbols of Halloween. The Halowe'en color motif was also effectively used in her delicious refreshments which consisted of:

Orange baskets filled with fruit jello, Angel food cake, Hot Chocolate, and Mints.

Those present were: Mesdames Miller, Thomas, Slaton, Bush, LeMond, Robinson, Turrentine, and Roscoe Roberts. Mrs. Tom LeMond and Mrs. Otho Thomas tied for high score.

A SPLENDID FEELING
That tired, half-sick, discouraged feeling caused by a torpid liver and constipated bowels can be gotten rid of with surprising promptness by using Herbine. You feel its beneficial effect with the first dose as its purifying and regulating effect is thorough and complete. It not only drives out bile and impurities but it imparts a splendid feeling of exhilaration, strength, vim, and buoyancy of spirits. Price 60c. Sold by

First Annual Reduced Rates Offer

The Dallas Morning News

The announcement of The News' first annual reduced rates offer is the best news of 1924 to those who in the past have felt they must compromise on quality in order to save money. Now it isn't necessary to compromise. The Dallas News is the big State newspaper. It prints the most news—the most pages. Some newspapers merely entertain. The News informs and educates as well as entertains.

A Few Points Worth Knowing About The Dallas News

- Gives its subscribers the most pages.
- Maintains the highest priced news gathering organization of any single newspaper in the Southwest. Its pay roll for this class of service is 53% higher than the next largest Texas newspaper.
- Prints the most news.
- Has the most complete market section.
- Is the oldest newspaper organization in Texas.
- Is a Texas product.
- Is one of the big successful institutions of the Southwest.
- Prints the news without coloring. Its opinions are limited strictly to its editorial columns.
- Stands for all that is right—against all that is wrong.

Rightfully deserves the title it carries—
"Supreme In Texas"

NOTICE TO THE PUBLIC

Any erroneous reflection upon the reputation or standing of any individual, firm or corporation, that may appear in the columns of the News, will be gladly corrected when called

Clarence S. Darrow may be a great attorney; he may be very popular with the home folks in the "windy city", but to us he is nothing short of an anarchist or communist if you please. We respect a "wet" who also respects our constitution and laws, but have the greatest contempt for those who regard them as "scraps of paper". In a recent speech during a banquet in Chicago, he not only made light of the 18th. amendment, but actually encouraged the people to violate it. There are lots of people who do not believe in the Volstead act, yet believe in its rigid enforcement. These men are patriots and true Americans after our own heart and we respect them. But any man who belittles the least of our laws, whether they be right or wrong, has only our contempt.—Browfield Herald.

No man is a good American who refuses to respect the constitution and laws of his country. It is all right to seek a change in the constitution and laws whenever and wherever they may appear to be wrong, but a true Democrat and a true American will not treat the laws of his country with contempt. Clarence Darrow and every man of his stripe should be made to understand that by his attitude toward the 18th. amendment he has forfeited and lost the respect of the American people—if he ever had that respect.

"I am a Democrat and pledge myself to support the nominees of this primary". This was the pledge taken by every person casting a legal ballot in the July and August primaries. Now there is an organization calling itself the Good Government Democratic League which is advising and trying to persuade Democrats to break that pledge and vote for the Republican nominee for Governor. Its excuse is that Righteousness and Decency demand such a course. Isn't it a wonderfully high standard of morals that would teach that a solemn promise voluntarily given has no binding force? A man makes a solemn promise to abide by the results of a primary in order that he may be allowed to participate therein; then after the result is declared he announces that he will not abide by the result but will fight the nominee of that primary; and claims that he does so on the grounds of moral and civic righteousness. Strange standards of morality some people have!

Evidences of an approaching famine in Russia are appearing. A congested population and crop failures

in some sections are responsible for the threatened catastrophe. If famine breaks out, it will be the duty of America to send relief. No Christian people can afford to shut their ears to the cry of starving children anywhere under the shining stars. We believe in keeping America strictly American but sometimes we doubt the justice of barring immigrants from countries of congested population while we have millions of acres of fertile soil in America yet untouched by the plow. To us, it smacks somewhat of selfishness and cruelty.

Dr. Butte has issued a set of "Guiding Principles". The first of these is: "I believe without reservation in the social purity and the political supremacy of the white race." Who doesn't? If there is anybody in Texas who doesn't, it is the members of his own party, the Republicans. The Democrats have always asserted this policy. The time was when Butte's party openly assailed it. Isn't this just a sop thrown out to the Zeke Marvin crowd? Of course it is.

Butte announces a platform of only one plank and that is to support the constitution and enforce the laws. That is no platform at all. Every governor heretofore elected has solemnly pledged himself to do that when he took the oath of office. Mrs. Ferguson will take the same oath. Butte is just indulging in some generalities, because perhaps he wants to catch the votes from all factions.

Some persons are excusing themselves for bolting the ticket on the grounds that Ferguson bolted. In other words, if Ferguson did wrong then they had a right to do wrong. The reverse of this is true; if they are doing right in bolting, then Ferguson did right, and they have no right to cuss him.

Dr. Butte reiterates in every speech that he is not making the race for governor as a Republican, but as a Texan and as an American. Does he mean to imply that a Republican can not be a good Texan and a good American?

Next Tuesday is election day. Don't get too busy to go to the polls.

THE MARK OF CAIN

The high homicide rate in the United States is causing considerable worry to the life insurance organizations. One prominent company has made an investigation of the matter from its own records and found that last year it paid \$724,000 in homicide claims. "Information of more or less satisfactory character could be gathered for only 146 of 446 homicide cases among the policy holders during the last months of 1922.

Out of this number only 53 went to trial, and a verdict of "not guilty"

was returned in 16 of these. Out of 11 judged to be guilty only 1 has been executed. Of the 146 homicides investigated 114 were manslaughter or murder cases.

The callousness with human life being taken in this country, and the indifference with which this matter is being regarded by the people is a subject of grave concern. The homicide rate in the United States is estimated to be 17 times as high as that in England and Wales, and the reason for the difference is attributed to the more rigid and impartial enforcement of the law in Great Britain.

When influence of any kind is brought to bear for the defeat of justice it ought to be scourged into the wilderness as an evil thing. There

are other laws of this country which are being torn to shreds, but there is no more clamant needed than that which calls for the putting into practice all legislation which has been framed for the safeguarding of human life from the assaults of the depraved, the degenerate, and others destitute of those attributes which distinguish humanity from the brute creation. The mark of Cain has become a too familiar sign on the brows of the present generation.—Dearborn Independent.

Pencils made from lead bullets, bone buttons, buttoncutters and many other old Revolutionary relics were recently unearthed on the site of the original camp of the Continental forces at West Point.

T-Bar Ranch

One of the big ranches of the south plains, consisting of 126 sections, lying immediately west of Tahoka in Lynn County, is to be converted into homes for farmers. Last winter twenty sections of this ranch lying nearest to the city of Tahoka was placed on the market, to be sold in small tracts, at prices ranging from \$35.00 on up; one fourth cash, balance on ten years time, at six per cent. Already much of this land has been sold. Some of it was put in cultivation this year, and cotton is being picked from it to day. Still some left.

The Butler Ranch

consisting of eight sections, in the northwest portion of Lynn county. No better cotton land in west Texas than is found in these ranches.

For All the Family

"WE have used Black-Draught ever since we have had a family and that was shortly after 1874," says Mr. E. A. Branstetter, of St. James, Mo. "It is my first remedy when any of us gets sick. . . . We use Black-Draught for torpid liver and stomach complaints.

"When I get sluggish and don't feel so good, I take Black-Draught—and you have to show me that there is a better medicine

in Missouri. I think it is fine for indigestion or for headache. It is a splendid family remedy. My wife uses it for any stomach ailment, indigestion and biliousness. We never let the house be without it if I know it. We also give it to the children for children's complaints, colds or fever."

Keep a package of Black-Draught in the house for all the family.

Your dealer will sell you a mammoth package, containing five of the regular-size packages. It's cheaper.

The T. H. S. ROUND-UP

IRENE CONNER, Editor

PUBLISHED EVERY WEEK BY THE STUDENTS OF TAHOKA HIGH SCHOOL

Root For Tahoka High

The Tahoka Bulldogs meet the Snyder aggregation here Saturday. This is the first game this season to be played on the home grounds. It is going to take the work and support of every one in High School to win this game. Just a word to the people of Tahoka: We will guarantee to give you your moneys worth if you come to the game. We need your help and support. Let's show these Bulldogs that we are behind them one hundred per cent strong. They can all play better if there is a crowd on the side-lines whooping and yelling and cheering them on to VICTORY!!

The girls have organized a pep squad and are going to display some "real honest-to-goodness" Pep like T. H. S. has never known before.

Now boys, you see how we are supporting you, how we are behind you, in everything; willing to do our part. Will you give us your support? Every able bodied boy in T. H. S. ought to go out for football. If for some unexcusable reason you cannot play, you ought to do everything you can to help those who do play the game. Boys, how would you like for someone to say you were "yellow" "no good" a "slacker"? To keep people from saying that go out for football, help the team in any way you can.

There is nothing to a boy who could stand on the side lines and watch his team meet with defeat when he probably could have won the game by lending a hand. Boys, don't let this be said of you. Get in there!! Fight with every ounce of strength there is in you! Help Tahoka beat Snyder.

Seniors

Mr. Luce has about given up hope that we'll ever learn Solid Geometry. We may surprise him someday, and all of us have our originals solved and ready to hand in. If this is ever the case, it will surely be a surprise to everyone, ourselves included.

Our theme subject for Monday was rather interesting. It was the "Trials of a Senior". Of course we were all able to write rather lengthy themes, upon this subject for we feel that we have a great many trials to endure. Eddie is busily engaged this week in painting signs for the football game with Snyder which is scheduled for next Saturday.

The senior room looks quite different this week, for we have hung our curtains and have a hand of hyacinth bulbs. We are planning to have some window boxes made and start some flowers in them.

Juniors

We are very glad that we have the opportunity of the seeing "The Covered Wagon," on the screen for we are now reading the book in connection with our English work, and it will help us in making our report. Although our victrola did not prove satisfactory, we have not given up hopes of studying music appreciation, for we are going to buy a better victrola.

The Juniors are certainly not lacking in pep. Almost every one in our class is attending the yell practice regularly, and we are going to do our part in winning the game Saturday. We are all looking forward to a grand and glorious time on Halloween and we hope we will not be disappointed.

Sophomore

This week is exam week and we are all dreading it but we expect to make up for the tedious exams Friday evening.

Our theme subject Wednesday is: "Trials of A Sophomore" on which we all feel we can write a long, useful theme.

It is taking all the effort we have to master Algebra this month and in spite of our effort, and Miss Windsor's patience, some of us fail to understand it very well.

Pepsinated Calomel Is Better than the Old-Time Sickening Kind

It is gentle, imported English Calomel, combined with Pepsin and other helpful ingredients. It is mild but certain, causing no harshness or unpleasantness and will absolutely relieve indigestion, biliousness, bad colds, constipation and sick headaches. And best of all it does it at once—quickly and pleasantly. Take one small tablet at bed-time and you will get up hungry and feeling fine. Recommended by

Tahoka Drug Co.

Press Association Organized

A branch of the Texas High School Press Association was organized last week. This Association is sponsored by the Journalistic Department of Baylor College at Belton, Texas.

They hold annual conventions there and we hope to be able to send at least two representatives from Tahoka High this year. The annual dues of this Association are \$2.00.

Officers were elected as follows: President: Jack Link; Sec.-Treas., Lois Goodrich. A committee was appointed to find ways and means of making money, consisting of Alice Small, Cubanna Ketner and Gertrude Keer, also a committee of R. E. Doak, A. D. Sanders and Irene Conner was appointed to secure a table and locker to keep the annual, paper and club material in.

A mock faculty and Womanless Wedding will be staged in the High School auditorium, Friday, November 5. The proceeds from this affair will go to the Press Association.

The T. H. S. P. A. sends out valuable material on High School publications such as the annual, paper, and magazine. A contest is on for the best news story, paper, magazine, and Annual published by a High School. Loving cups and medals are awarded to the prize winners. We expect to enter some of these contests, more for the information and experience we will receive than for the prize awarded. However, we will not refuse if the prize is offered to us.

Luncheon Served to Business Men

The girls of the Home Economics Department served a five course luncheon to the business men of Tahoka Friday Oct. 24.

The menu consisted of: Cream of Tomato Soup, saltines, Pork Roast, Glazed Sweet Potatoes, Greens, Lim Beans, Corn Muffins, Butter, Cranberry Sauce, Celery Pickles, Cherrie Pie, Whipped Cream, Cafe Noir.

Those who participated in this delightful affair were: Messrs. Larkin, Slaton, Haney, Happy Smith, Sanford, Caveness, Sanders, Small, Mr. and Mrs. Craft, Mr. and Mrs. Skip Taylor, Dr. Townes, and Mrs. Evans. It was a great success and everyone enjoyed it, especially the waitresses who were generously tipped. The proceeds are to buy very needed articles for the laboratory.

Use the Library!

Attention everybody! When teacher assigns a report on any subject in your course, don't look sad and gloomy, and say "where under the sun does she expect us to get it?" Go to the Library. You may think you cannot find it there; but you certainly can. You can find something on almost any subject you look for. Our library is a good one, for Tahoka doesn't believe in having anything that isn't good. Probably you don't have a report to get, but you want something to read over the week end. The library has it.

There are books of all kinds and sizes in the library. Books of adventure, history, fairy stories, and romance; and you are bound to find something you like. Have you seen our new books? Oh! yes we have a number of new books. Don't you want to be the first to read them?

Books are good friends, and surely we want to know them better. Now is the time. We may not have a chance to use a good library all our lives, so lets make use of the opportunity while it is ours. Don't put it off until tomorrow. Tomorrow never comes.

Freshmen (B Division)

A new pupil, Merna Fancher from Lamesa, joined our class the early part of this week. We extend to her a hearty welcome.

We sold sandwiches and candy Tuesday to help pay some of our debts.

Don't forget to vote for I. P. Metcalf for Justice of the Peace. adv

Chapel Program

Mr. Caveness says he is quite proud the way we are singing. Every chapel period we sing a little bit better than before. We are living up to the old saying "Every day in every way, we are getting better and better". Judge Hill of the Lynn county News spoke before us last Monday. His speech was well received and appreciated by all of us. We hope he will come again, soon.

Hailstorms in India frequently are of such violence as to kill people. There is a case on record occurring in the Moradabad district on May 1, 1888, when about two hundred and fifty persons perished in a severe hailstorm.

COMING NEXT SUNDAY

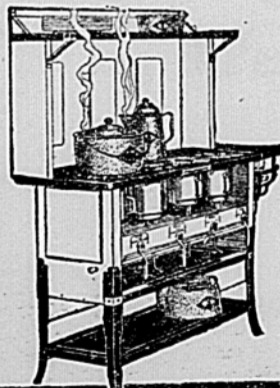

At the Baptist Church, we are to have three distinguished speakers for the morning hour. Each speaker will have 20 minutes.

Also Mr. L. A. Wilson of Slaton, who is a good singer and soloist, will be with the party.

We make special request that every member of the church be present, and every one else has a special invitation.

Come early. The Sunday School will close at 10:45 instead of 11 a. m. We are giving the extra 15 minutes for the program.

Come, enjoy a great hour with us. At the evening hour the pastor will speak at Brownfield, and the Senior B. Y. P. U. will have charge of the services here. They will have a special program and you will enjoy it. Don't fail to hear them.

This Stove Uses the Famous NESCO Rockweave Wick

It's different. Made of pure asbestos fibre wound around brass wires, then woven into a staunch fabric—non-burnable—requires no trimming. It is only to be found in a

NESCO PERFECT OIL COOK STOVE

Housewives who are familiar with oil cook stoves are most enthusiastic over the famous NESCO Rockweave Wick. You will be too. Come in and witness a practical demonstration of the Stove and Wick.

NEXT DOOR TO POST OFFICE

Foot and Mouth Disease Checked

Reports to the United States Department of Agriculture, from Dr. Marion Imes, in charge of the State and federal forces engaged in eradicating foot-and-mouth disease from southeastern Texas, show the effectiveness of control measures. Although nearly a month has passed since the announcement on September 27, of the outbreak, the infection has not spread from the area originally mapped out as dangerous territory. The last infected herd was found by veterinary inspectors October 15 and was slaughtered and buried the same day. The toll of the disease thus far has been limited to 6 herds containing about 2,700 animals, and in addition about 4,600 stray cattle rounded up from exposed pastures.

Dr. Imes reports that extraordinary precautions are being taken to guard the quarantined area. The veterinarians engaged in suppressing the disease are making a thorough search of the large quarantined area for stray animals. Part of the country is wooded and swampy, but the inspectors selected for the work are accustomed to all kinds of field conditions. Public officials, railroad officials, stockmen, and the public are giving whole hearted cooperation, and the presence of Texas rangers is reported to have wholesome influence in obtaining compliance with the necessary regulations.

While a large number of States have promulgated regulations prohibiting entry of livestock and other commodities from Texas, the regulations are more reasonable and more in accordance with carefully drafted Federal restrictions than those promulgated during the California outbreak. Great Britain, which imposed restrictions of livestock and animal products from the United States when the Texas outbreak was reported, had modified her regulations. Those in force now restrict, chiefly, import shipments originating in the Western and Southwestern States.

THE BIBLE IN PUBLIC SCHOOLS

A movement looking to the compulsory reading of the Bible in the public schools is gathering momentum and bids fair to be a political issue if the opposition, emboldened in late years in the spread of a sort of agnosticism, shall choose deliberately to fight it.

The strength of the opposition seems to lie in the idea that reading the Bible is but a step toward an ultimate introduction of religious teaching, where eventually denominationalism may control. That is another matter. Religious training, beyond the instillation of those truths common to all religions, which go to build up character, is not a function of the public school. Indeed, the effort to proselytize is not religious

training at all.

So far as any danger in that respect is to be feared, it must have developed in the early history of public education, if at all, when the reading of a chapter from the New Testament and prayer formed a part of the daily opening service in all schools. That it did not is proved by those reared under such a system.

Men who declare Bible reading and prayer should have no part in school exercises offer no objections that the preliminary of every daily session of both Houses of Congress, of all legislative bodies, and even of political conventions. Yet every argument applicable to the public school is equally applicable to such gatherings.

No boy or girl ever was injured, half a century ago, by attendance at "chapel exercises," which preceded recitations. The first half hour of school was devoted to them.

Who can say there is anything out of the way or harmful in this order of procedure? There was none. Quite the reverse. There was discipline, a daily contact between those under authority, and the inculcation of a respect for all religion.

Where the Bible boosters are in the wrong is in the insisting that such practice be made compulsory. It was not then; for parents had but to indicate their desire, and their children were excused from attendance at "chapel exercises." Few went to this extreme, for no sectarian influence was seen.

There should be no legal regulation in the matter. The authorities of each school may well be left free to adopt the plan if the people desire, while opponents of the plan can have their way if in sufficient numbers to rule. —Dearborn Independent.

Buys 14 Sections Of Plainview Land

Deals were made the past week in which Mike Thomas, prominent Dallas cotton man, bought 14 sections of land in the Plainview country the aggregate of the deals being possibly \$400,000, this being the largest land deal made in this immediate section for some time. Most of the land is raw.

Mr. Thomas bought through the E. E. Winn Land and Loan Co., of Plainview from Nick Alley of Hale Center and J. L. Craig of Plainview, nine sections of land—7½ sections five to eight miles northwest of Hale Center, and 1½ sections 10 miles south of Hale Center, the price being around \$300,000. Mr. Winn was in Dallas last week closing up the deal.

Mr. Thomas bought from J. E. Spencer of Cisco, five sections of land—1,100 acres south of Plainview, 900 acres east of town, and two sections in Swisher county, near Kress.

Mr. Thomas plans, so we are informed, to put improvements on the lands, open up farms and lease out to tenants.—Plainview News

LADIES

Mr. Robertson of California and Mr. Braggs of Dallas are now with Hart & Doak's Barber Shop, and they are Specialists on ladies' work. (adv)

Mrs. Wallace Heims, Mrs. Agee and Mrs. Goad, all of Lubbock, were here Tuesday attending the Baptist Workers Conference and W. M. U.

HAMBURGERS

- Choice Cigars
- You'll like 'em!

Jack's Hamburger Stand

S. L. Smith of New Home was in town Tuesday and stated to the editor that the cotton in his community is good. Mr. Smith has 150 acres and will gather from 80 to 100 bales. Some of his cotton will make more than a bale per acre. So he is feeling pretty well, thank you—has nothing against Ma and says the News is a good Democratic paper. Smith is a good farmer, a good democrat, and

a good man, and he has a good American name. We need more of his kind.

The Methodist Missionary Society Quilt will be sold at Auction at 3:30 P. M. election day.

Don't forget to vote for I. P. Metcalf for Justice of the Peace. adv

5 BALES BURN AT O'DONNELL

Temple Man Pays \$15,000 Cash for O'Donnell Land; Making Big Money

(O'Donnell Index)

Ed Knight of Temple, was a visitor last Saturday—Stopping long enough to count out \$15,000 to Frost & Bailey for a section of land situated fifteen miles west of town. The place belonged to J. E. Meyers and son.

Mr. Knight has been making investments in this section for some time and has made money in each deal. At one time he purchased four sections near Lamesa. Besides receiving \$12,000 in rent money, he made a profit of \$64,000 on the land when he sold it. Naturally, he is a booster for Lynn and Dawson counties.

W. L. Powell is a newcomer from Wichita Falls. He has formed a partnership with J. T. Crabb and they will engage in the real estate business. Mr. Powell is a hustler and he is sure to make a success of the business.

Born, to Mr. and Mrs. A. E. Lackey on last Tuesday, a fine eleven lb. girl. Papa Lackey is going to try to sell two hamburgers where he formerly sold one to feed clothe, and educate the young lady.

R. E. Racine of Dallas, who has spent many years in putting over colonization projects, arrived here Saturday. He will probably assist in the sale of the Newman Land and Development Company's lands.

Mr. Racine is a geologist of ability and while travelling about keeps his eye open for surface indications. After a drive over the country to the west of town, he stated to the Index that there were encouraging evidences of oil and gas underlying part of that section, but it would require drilling to find it.

Fire was discovered at the cotton yard Saturday morning and before it was extinguished five bales had caught, three of which were entirely consumed. When the employees of the gins started to work they saw fire and gave the alarm before it had time to spread. Weigher Busby used about 100 gallons of coal oil in an effort to save the cotton, but the fire had eaten its way too deeply into the bales for the oil to reach it effectively. It is not known how the fire originated, but it is thought that it started from a cigarette carelessly tossed on one of the bales.

G. O. Newman returned from Dallas Saturday of last week where he had been to work out details of the campaign the Newman Land & Development Company have inaugurated for the sale of the land the company holds in the vicinity of Newmoore.

Mr. Newman states that the people of the central and eastern parts of the state are talking West Texas cotton land and that the track of the prospectors to this section will surpass in numbers that of last fall.

Having been absent only about two months, Mr. Newman expressed surprise at the growth of O'Donnell in that short time. He said that there was more cars in the streets of town Saturday afternoon than he had seen between here and Ft. Worth—and it was not circus day, either.

Bell Burleson returned last week from a trip to the southern portion of the state where he had been to secure cotton pickers. He says everybody down that way wants to come out here to live. He has rented part of his farm to H. A. Cook and part to Tom Christian, both of Richmond Springs. Both of these men are good farmers and have families.

A meeting of ex-service men will be held at the O'Donnell Motor Co.'s sale room, next Sunday at 2:30 to complete the plans for a big celebration for November 11. All Legion men are urged to attend.

W. M. Pearce of Jonesboro, has been here the past week to visit his brothers, G. R. and Mell Pearce. Mr. Pearce will likely locate here. He wants to rent a good farm and if pleased at the end of a year he intends to sell his property in Coryell county and invest the money here.

SICKLY, FEVERISH CHILDREN
Children suffering from intestinal worms are cross, restless and unhealthy. There are other symptoms, however. If the child is pale, has dark rings under the eyes, bad breath and takes no interest in play, it is almost a certainty that worms are eating away its vitality. The surest remedy for worms is White's Cream Vermifuge. It is positive destruction to the worms but harmless to the child. Price 50c. Sold by

Rev. Jasper Bogue of Slaton district evangelist of the Christian church, working under the supervision of the Texas State Board of Missions announces that he will begin a meeting at the Methodist Church in O'Donnell Wednesday night, October 29, with a view of establishing a church. Meeting will run ten days or two weeks. He will be assisted by P. P. Alexander, who is just closing a meeting at Littlefield.

Austin Gets \$250,000 Methodise Hospital

AUSTIN, Texas, Sept. 25.—The conference late Saturday selected Austin as the location for the \$250,000 Methodist Hospital. Austin's offer which was accepted is for a cash donation of \$75,000 and a tract of land valued at \$30,000. The conference will make an appropriation of \$150,000. Austin was allowed six months in which to raise the amount of money which it has offered, and the conference will at its next annual meeting arrange for raising its quota of money for construction of the hospital.

ALLEGED BOOZE RUNNER MAKES \$5,000 CASH BOND

For the third time in two years, J. L. Trammell, alleged booze runner, has made bond in connection with charges preferred against him in this county. And each time the bond was made in connection with the same offense.

Two years ago, a short time before former sheriff W. J. Chesney left office Trammell was apprehended at Colorado with an automobile load of contraband liquor in his possession. Following preliminary hearing he was allowed bond in the sum of \$1,500 pending his appearance before the Mitchell county Grand Jury.

When the grand jury convened and his case came before the body, Trammell was not to be found, and his bond was declared forfeited by a decree of the district court. Later, he was apprehended and again released under bond, and the amount was this time set at \$2,500. Again the man absconded and his bond was forfeited.

About six weeks ago Trammell was placed under arrest at El Paso and returned to Colorado and for more than a month he was held in the county jail. Monday morning his last and third bond, set by the court order at \$5,000 cash, was approved by Sheriff Terry and Trammell again was released. The cash bond demanded was deposited in the two banks of Colorado.—Colorado Record.

FUNERAL FOR MONKEY HELD IN PLAINVIEW

PLAINVIEW.—Moco pet monkey owned by W. F. Garner, died Saturday. Flake says his young pet ate too many gum drops. It was a great pet of the family and Mr. Garner had a physician to administer to it. Sunday afternoon he was buried in style, having been embalmed. A score or more boys and girls attended the funeral. There was a stream of boys and girls into the store of Garner Bros. Saturday to see the embalmed monkey, which, while alive, had been a source of great pleasure to them all.—Plainview Herald.

TURNIP GREENS FOR PUBLIC AT THE CITY HALL

The City Commission ask us to announce to the public that anyone wishing turnip greens may secure same by coming to the city hall square and gathering them. Along in the summer the square was planted in turnips, and now greens are ready to be harvested. Come and get a mess of these greens. Cook a pan of corn bread and secure a large quantity of butter-milk and you have a meal fit for a king.—Slaton Slatonite.

Methodist Pastor Marries Couple

Mr. C. C. Wardlow of Levelland, Hockley county, and Miss Faye Laster of Terry county came to Tahoka Saturday night armed with a marriage license, in search of a Methodist preacher. They were promptly piloted to the home of Rev. J. T. Howell, where he proceeded to perform the ceremony that made them husband and wife. They will make their home in Brownfield.

R. L. Barrett of New-Moore was here Monday accompanied by "Uncle Kit" Newman of Corpus Christi and his son Walter Newman of Harlingen. They are visiting the former's sons, Owen and Louis Newman of the New-Moore community. Mr. Barrett says that twenty more sections of the Singleton ranch in the southwest portion of the county are to be placed on the market in the near future, and thus homes will be provided for many families.

SPEAKS AT NEWHOME

Rev. B. N. Shepherd, pastor of the Baptist Church spoke to a congregation that overflowed the building at New Home Sunday Night in the interest of the 75 Million campaign. Rev. J. F. Curry filled the pulpit at the Baptist church here.

Raymond Ramsey of Graham is here this week visiting his mother, Mrs. S. S. Ramsey.
