Number 1

Public School Opened Monday

"School days, School days,
Dear old Golden Rule Days."

The 1918-19 session of the Tahoka Public School opened as scheduled last Monday morning with a bright outlook. The faculty is composed of conscientious men and women who have the welfare and advancement of this community at heart. A large number of patrons accompanied their children Monday morning to the opening exercises, which were held on the school campus.

An interesting and instructive address was made by the Superintendent, H. P. Caveness, in which he outlined the importance of a High School education, and also explained some of the rules and regulations under which the school would be governed for the term.

We should all stand solid for the betterment of our school and assist and encourage the teachers in accomplishing the greatest amount of constructive work during the term. If this be done we may expect to see one of the most successful school terms ever taught in Tahoka.

Over two hundred pupils were enrolled Monday, and the attendance will increase a little later on in the year.

J. C. Fish, formerly of Snyder, but who has had charge of the Star Drug Company in Tahoka the past several weeks, informed the News this week that he intended taking advantage of one of Uncle Sam's Military Colleges, and would leave in a short time to enter school. J. C. is a hustling young business man, and has made a host of friends during his stay here, and will be sadly missed among the younger set of the town. We have not been informed as to who will take charge of the drug store here, but feel sure the place will be filled as heretofore by some one capable of filling the position of this popular firm.

Draw Couple Married in Tahoka Tuesday

Last Tuesday afternoon a marriage license was issued by County Clerk, P. H. Northcross, to Mr. Elzy Williams and Miss Ohelia Willingham, and were immediately united in the holy bonds of wedlock. The young couple reside in the Draw community and have many friends who join the News in wishing them a long and happy married life.

Busy Day For Local Registration Board

Yesterday, Thursday, Sept. 12th., was a busy day for the local Registration board, Messrs S. S. Ramsey and G. W. Harrison. The registrants began to call early and a large number had signed their cards up to the noon hour. Old men and young boys could be seen heading toward the registration rooms in the basement of the Court House throughout the day. Several registered at the different voting boxes in the county.

The government estimated that 691 men would be eligible for registration in Lynn county.

A Good Letter From Tatum, New Mexico.

Tatum, New Mex., Sept. 5-18.
Lynn County News,
Tahoka, Texas,

Dear Sir:

Perhaps some one in Lynn County might want to know about the conditions of this part of New Mexico, and as I promised to write I will give you a few lines more.

I am now one hundred miles west of Tahoka, in a good meeting. I have held two meetings since I came out here, and am now in the third, and will have one more before I come home.

I am in the home of a man who married Jim Ferguson's first cousin. Mrs. Eubank's mother was Jim Ferguson's half sister. Bro. Eubank's lived near Belton, and his wife's mother owned part of the land Jim owns now. But these people do not think much of Jim. They say he is a slick duck, and has no conscience in money matters. I lived at Belton myself, and knew Bro. Dollarhide and know these things to be so. Jim Ferguson has money no doubt that belongs by right to Sister Wallace, and it will be a witness against him in the Judgment.

It rained a nice rain here last night and crops are looking fine. People are cutting prairie grass out here, it is knee high. Cattle are fat and everything lovely. Gardens are fine.

There are people here who will take cows on the halves or some for pasture. Most all are waiting for winter to see how things go then.

The fruit crop at Roswell is good and apples selling from 15c to \$1.00 per bushel.

There is no cotton out here and the people get along just as well, or better.

I will be home next month. Hope Lynn County has had rain. We must stay with it. It will be better times further on.

R. T. HARRIS.

District Court to Close Session Sat. 14

The session of the District Court, which began last Monday week, adjourned Tuesday afternoon until Saturday, when the present session will come to a close. District Judge Spencer returned to his home in Lubbock, Tuesday, but will return Saturday to wind up the term here. Several land cases have come up for trial since our last issue, and a full report of the proceedings of the term will appear in these columns next

All Stuck Up

Buy Today

Cotton Coming in More Regular Now

The second bale of cotton ginned in Lynn County, was brought in Saturday by R. L. Craig, and was bought by J. A. Brashear for the sum of \$178.06.

The third bale ginned came in Wednesday and was raised by J. H. Gray. This bale was also bought by Mr. Brashear, for \$197.88.

When the seed is disposed of for these two bales the owners will have realized a nice sum, and the farmer who was fortunate enough to raise a few bales of the staple this year is being well paid for his trouble.

Mr. and Mrs. F. S. Walker, and sons, Felix J. and Dale, left overland Monday for Roswell, N. M., where they will visit for a few days with Mr. and Mrs. Chas. W. Shepherd, from which place they will return to their home in Amarillo, Texas. Mrs. Walker and the boys have been visiting here the past week with her parents, Mr. and Mrs. L. L. Williams.

Church Notes

There will be preaching services at the Baptist Church Sunday night. No services at the 11:00 o'clock hour. I will hold services at Brownfield Sunday morning. Let all the members be on hand Sunday night in Tahoka.

L. L. F. PARKER, Pastor.

In our issue of week before last, we reported Mrs. Frank Neal, of Lubbock, as having died in that city the day before. We have later learned this to be untrue, and hasten to correct the statement. Mrs. Neal is reported dangerously ill, however, and little hope entertained for her recovery. Dr. Inmon, we understand was called to the bedside of his sister.

Several of Tahoka's young men are leaving for the various military colleges throughout the State, and more are to leave in a few days. Any young man within the proper age limits can secure free of charge his schooling, board, clothes and a salary of \$30 per month, from the Government.

W. J. Crouch, who lives a few miles west of town, brought in a sample of cane maize, feterita and kafir corn Wednesday, and is on display at the First National Bank. Mr. Crouch also left a part of the sample at the News office, and we will admit that it is one of the finest bunch of heads of this grain we have seen this year.

Charles Harter, who has been visiting in the home of W. C. Cowan, returned to his home in Canyon Wednesday.

Baptist Ladies to Give Excursion 13th

The ladies of the First Baptist Church in Tahoka have sent out invitations this week to join them on a trip of the "Your-town, Welcomeville and Acquaintance Railroad Train," to take place in the Bailey building north of McCormack's store, tonight, Friday the 13th. Tickets will sell for 25c each and sandwiches 10c. A large crowd is expected to be present, and a good time is promised to all who attend. Come out tonight and join them on this excursion.

Rev. L. L. F. Parker is in a revival meeting at Brownfield, this week. The following item from the Brownfield Herald: "Following the Association, Rev. L. L. F. Parker, of Tahoka, will begin a series of revival meetings, and we have been assured that he is a strong man, and will interest you. His brother, J. M. Parker, will lead the song service."

Messrs. B. F. Whitefield and J. T. Poole, two of Midland's progressive citizens, were here Thursday in the interest of the Midland Military Adadamy.

Postmaster, J. B. Walker, received a telegram Tuesday stating that his brother, Paul, was missing in action on the battlefield's of France.

Mrs. Marlin Jordan returned Monday from a months visit with her husband at Austin, and a sister at Penelope, Texas. Marlin has been transferred to Ft. Sheridan, Alabama.

J. A. Brashear, Miss Helen Brashear, and Mesdames W. M. Harris and Geo. Riley were Lubbock visitors Monday.

John Henderson made a prospecting trip to Hale Center Thursday.

Boys 19-20, Men 32- 36 to be Called First

Washington, Sept. 10.—Provost Marshal General Crowder, announced today that the first call to the colors of men who register Thursday will include men in the 19 and 20-year-old classes and the classes from 32 to 36 years inclusive. Questionnaires will go first to registrants within these specified age limits and local boards will be ordered to classify them first in readiness for calls beginning in October.

Young men in the 19 and 20-year classes, General Crowder said, would be accepted for induction into the Students' Army Training Corps, but he pointed out that the authorized strength of this corps is only 150,000 men, whereas the total number of registrants below 20 will be 3,000,000.

Bank Agricultural Exhibit Grows Daily

If you have not seen the display of Agricultural products which is on exhibition at the First National Bank, you are missing a treat indeed. Some of the very finest samples that could be found anywhere, are on display, and contributions are coming in daily. The Three Lakes and Lakeview communities have added wonderfully to the attractiveness of the booth, also the country southwest of Tahoka is well represented. Any one pessimistic enough to believe that All crops can not be raised in old Lynn County on a dry year, call at the First National Bank and see with your own eyes the samples on display there.

Red Cross Notes

By Mrs. H. C. Crie

The new ruling at headquarters to give each chapter a quota of work to be finished in a given time is an improvement over the old way. The new sewing is here and work has begun on it. Every woman in town should feel personally responsible for the finishing of this work, and make an effort to put in one afternoon each week. There are a faithful few who go all the time, but more help is needed. We should all feel that this is our Red Cross, and that we are working for our boys "over there." The quota for the knit articles is coming on fine, and notwithstanding the new directions making it necessary to take out the feet of a good many socks, the spirit the ladies have shown is fine indeed. Most of us have boys in France, or on their way over, and each one feels as if mabe her boy will get the article she is knitting. There is lots of love and patriotism knit into these homely comfort socks, and the chief aim of those engaged in this work is to do something for her boy to win the war the quickest way. All those not doing their level best in Red Cross work, should begin at once. Many hands makes light work, but to only a few workers, the task ahead of us is no small one, if it is to be finished on time. There are so many different things to do, there is no chance but that anyone may find work suited to their taste and ability.

The quota for the sewing unit consists of 325 garments:

- 60 ice bag covers.
- 60 pinajores.
- 60 peticoats.
- 60 undershirts.
- 60 under drawers.
- 25 comfort knits.

The knit garments, 32 sweaters and 100 pair socks, making a total of 497 articles that should be in St. Louis by the last of October.

Mrs. Guy King and children are in Abilene, Texas, where the children will enter school this fall and winter. Mrs. King will return to Tahoka at an early date.

Judge and Mrs. W. R. Spencer came down from Lubbock Monday. The Judge came down to continue the present session of the District Court, which began last Monday week.

Attorney Percy Spencer returned to his home in Lubbock Tuesday, after having attended the session of the District Court here the past week.

Commissioners' Court in Session Monday

The regular term of Commissioners' Court met last Monday, County Judge, C. H. Cain, presiding. The tax rolls of the county were approved, and a number of minor items attended to, after which the court adjourned to meet on the second Monday in October.

Messrs. Brandon and King shipped out two cars of cattle to E. L. Thompson, at Woodward, Okla., last week. They made another shipment on Wednesday and Thursday of this week.

Rev. R. F. Dunn preached two very interesting sermons to large crowds at the Methodist Church last Sunday. Special music was rendered at the morning service and most all the denominations of the city worshipped at this church Sunday.

Court Stenographer, Smith, accompanied by his wife and baby, were here from Lubbock Monday, returning home Tuesday afternoon.

Guy King, leaves today for Abilene, where he will join his family who have been in that city the past two weeks.

Mesdames W. H. Scott and C. J. Powell, of Amarillo, are visiting their parents, Mr. and Mrs. Ed Henderson.

M. L. Sullivan came in from points north Sunday, bringing with him a bunch of Daily newspapers, which were eagerly read for the latest war and baseball dope by several of Tahoka's masculine sex.

J. L. Stokes left Tuesday on a business trip to Tulsa and other points in Oklahoma.

BORN—To Mr. and Mrs. Charley Harter, Monday Sept. 9th., a girl.

Judge Bledsoe, of Lubbock, is attending District Court here this week.

Notley and Fountain Wyatt left for Clarendon Wednesday, where they will attend school.

Miss Christine Swar, went to Lamesa Monday on a business and pleasure trip combined.

Judge and Mrs. G. E. Lockhart spent Sunday afternoon in Brownfield.

Miss Annie Cowan has assumed her duties as teacher at Edith.

Charley Brown, left this morning on a business trip to Brownwood.

Helps Sick Women

Cardui, the woman's tonic, helped Mrs. William Eversole, of Hazel Patch, Ky. Read what she writes: "I had a general breaking-down of my health. I was in bed for weeks, unable to get up. I had such a weakness and dizziness, . . . and the pains were very severe. A friend told me I had tried everything else, why not Cardui? . . . I did, and soon saw it was helping me . . . After 12 bottles, I am strong and well."

TAKE

CARDUI

The Woman's Tonic

Do you feel weak, dizzy, worn-out? Is your lack of good health caused from any of the complaints so common to women? Then why not give Cardui a trial? It should surely do for you what it has done for so many thousands of other women who suffered—it should help you back to health.

Ask some lady friend who has taken Cardui. She will tell you how it helped her. Try Cardui.

PRESIDENT WILSON ON EDUCATION IN WAR TIME

The White House, Washington, 31 July, 1918.
My Dear Mr. Secretary:

I am pleased to know that despite the unusual burdens imposed upon our people by the war, they have maintained their schools and other agencies of education so nearly at their normal efficiency. That this should be continued throughout the war and that, in so far as the draft law will permit, there should be no falling off in attendance in elementary schools, high schools or colleges is a matter of the very greatest importance, affecting both our strength in war and our national welfare and efficiency when the war is over. So long as the war continues there will be constant need of very large numbers of men and women of the highest and most thorough training for war service in many lines. After the war there will be urgent need not only for trained leadership in all lines of industrial, commercial, social and civic life, but for a very high average of intelligence and preparation on the part of all the people. I would therefore urge that the people continue to give generous support to their schools of all grades and that the schools adjust themselves as wisely as possible to the new conditions to the end that no boy or girl shall have less opportunity for education because of the war and that the Nation may be strengthened as it can only be through the right education of all its people. I approve most heartily your plans for making through the Bureau of Education a comprehensive campaign for the support of the schools and for the maintenance of attendance upon them, and trust that you may have the cooperation in this work of the American Council on Education.

Cordially and sincerely yours,
WOODROW WILSON.
Hon. FRANKLIN K. LANE,
Secretary of the Interior.

PERSHING CALLS FOR ONE MILLION "IRON RATIONS"

Washington, Sept. 3.—Orders for a million emergency rations for the overseas forces was announced today. The ration consists of ground meat and wheat pressed into a cake and a block of sweet chocolate. The ration corresponds to the "iron ration" of the British troops and will sustain a man for a day.

RED CROSS ITEMS

Knitting Instructions Medium Size Sock

These instructions have been issued after careful and painstaking study of many of the excellent directions now in use, and contains the best features of all of the general approved methods of knitting socks. The new instructions have been tested by beginners as well as experienced knitters.

Other good directions need not be abandoned if they produce serviceable, comfortable socks in reasonable conformity with the essential detail of these instructions.

Important Suggestions.

Casting on and binding off MUST be loose.

These directions are based on a 4-10 yarn (the commercial name of correct size of yarn) and Red Cross needle Number 1. When yarn or needles are larger or smaller than these, the number of stitches must be proportionately decreased or increased.

To measure a garment, lay it on a level surface and measure with a dependable measure (wood, metal, or celluloid, not a tape line).

Always join threads by splicing or by running threads through each other with worsted needle.

When knitting the second sock of a pair, always count the rows of the first sock to insure uniform size when finished.

Tie finished socks loosely together in pairs at top of leg, in such a way that the hand can be inserted for inspection.

If sock is thin at point of gusset, reinforce by darning on wrong side very lightly with a split thread of yarn.

Socks should be washed when finished, according to Chapter instructions.

Quantity of Wool required: about one-quarter pound. Four Red Cross needles No. 1.

56 stitches on three needles, 20 on 1st needle, 20 on 2nd needle, 16 on 3rd needle.

Knit 2, Purl 2, for 3 inches.

HEEL—Divide stitches: 28 on 1st needle, (for heel), 14 on 2nd needle, 14 on 3rd needle. 1 st needle (*)

Knit 1 row, Turn, Purl 1 row, Turn. Repeat from (*) until you have 27 rows. Always slip 1st stitch. Begin to turn heel on wrong side.

TO TURN HEEL—Slip 1, Purl 15, Purl 2 together, Purl 1, Turn. Slip 1, Knit 5, Slip 1 Knit 1, pass slipped stitch over knit stitch, Knit 1, Turn. Slip 1, Purl 6, Purl 2 together, Purl 1, Turn. Slip 1, Knit 7, Slip 1, Knit 1, pass slipped stitch over knit stitch, Knit 1, Turn. Slip 1, Purl 8, Purl 2 together, Purl 1, Turn. Slip 1, Knit 9, Slip 1, Knit 1, pass slipped stitch over knit stitch, Knit 1, Turn. Continue until there are 16 stitches on needle.

GUSSET—Pick up 13 stitches on side of heel. (1st needle, Knit stitches of 2nd and 3rd needles on to one needle. (2nd needle.) Pick up 13 stitches on other side of heel, and take 8 stitches from first needle. (3rd needle.)

1st needle. (A) Knit to within 3 stitches of end, Knit 2 together, Knit 1. 2nd needle. (B) Knit plain. 3rd needle. (C) Knit 1, Slip 1, pass slipped stitch over knit stitch. Knit to end. (D) Knit around plain. Repeat A, B, C, D, until you have 14 stitches on 1st needle; 28 stitches on 2nd needle; 14 stitches on 3rd needle. Knit plain 5½ inches.

KITCHENER TOE—1st needle. (E) Knit to within 3 stitches of end, Knit 2 together, Knit 1. 2nd needle. (F) Knit 1, Slip 1, Knit 1, pass slipped stitch over knit stitch, Knit to within 3 stitches of end, Knit 2 together, Knit 1. 3rd needle. (G) Knit 1, Slip 1, Knit 1, pass slipped stitch over knit stitch, Knit to end. (H) Knit 2 rows plain. Repeat E, F, G, H, 3 times (making 4 rows in all). Then narrow every other row 5 times. Knit the 5 stitches of your 1st needle to your 3rd needle. You have now 10 stitches on each of the 2 needles. Break wool (leaving 12 inch length) and thread it into worsted needle. Hold sock so that the worsted needle is at your right and always keejink wool under knitting needles, weave front and back together as follows:

(*) Pass worsted needle through 1st stitch of front knitting needles as if knitting and slip stitch off the knitting needle. Pass through 2nd stitch as if purling and leave stitch on the knitting needle. Pass through 1st stitch of back needle as if purling and slip stitch off knitting needle. Pass through 2nd stitch of back needle as if knitting and leave stitch on knitting needle. Repeat from (*) until all stitches are off needles. In order to avoid ridges across end of toe, fasten wool down the side.

Laid on a level surface the finished sock should measure: Foot, length 11½ inches, but 10½ to 12½ is acceptable; Leg, length, 14 inches, circumference, 8 inches; Cuff, circumference, unstretched, 6 in, stretched

DEMOCRATIC STATE COMMITTEE WORK

Waco, Sept. 3.—The fight to throw out the primary vote from Duval county in the Twenty-third Senatorial District and thus prevent the seating as State Senator, Archie Parr, who was declared elected over D. W. Glascock by 118 votes, took definite form before the Democratic State Committee today. A resolution was prepared by R. W. Brahan, holding the proxy for Caesar Kleberg as executive committeeman for the Twenty-third District, charging that the entire Duval County vote had been obtained by fraud and urging that the vote from the county be not tabulated and no delegates from there seated. It was decided to make the fight before the Credentials Committee after the convention had been organized. The resolution urges that the vote of Duval County as claimed to be cast and as certified to the committee be not tabulated and be not counted for any candidate and that no delegates be seated in the convention from Duval County.

Lon C. Hill of Harlingen, in the interests of Glascock, presented evidence to indicate that the party pledge as provided by the Terrell election law had not been printed on the ballots but in its stead an oath swearing that the prospective voters had voted at every election since the enactment of the Terrell law. Hill charged that this form of pledge was used to prevent voting in the primary.

Hopes of averting further suffering from the West Texas drought by prayer were expressed in a telegram to the committee from "a body of the Disciples of Christ," from Cisco, urging that the convention ask Governor Hobby to set aside a day in the near future in which the entire State be asked to pray for rain in the dry sections.

The State Executive Committee met just before noon and announced the vote of the primaries. The official vote in each case confirmed the results as previously announced by newspaper tabulations.

The refusal of Mrs. Minnie Esther Cunningham to serve as temporary chairman of the convention was announced to the committee and a recommendation was adopted urging that M. M. Crane be appointed to serve in her place. The committee voted down 17 to 2, without debate a resolution offered by Committeeman R. P. Coon, of San Antonio, calling for an investigation of the contributions to Governor Hobby's campaign fund.

The Rev. John R. Morris of Waco, opened the convention with a prayer and M. M. Crane of Dallas was chosen temporary chairman. Other temporary officers were: Secretary, C. J. Kirks, Houston; assistant secretary, Mrs. B. F. Givins, Dallas; sergeant-at-arms, George W. Tilley, of Waco.

In his keynote speech, Crane was cheered extensively when he called upon the convention to pledge itself to support the war. "Any man or woman who fails to respond and put every ounce of energy into this country's cause is unfit to live under its flag," he said.

The convention rested while the delegates from the Senatorial districts named members of the platform permanent organization and credentials committees.

Members of the credentials, permanent organization and platform committees were named and the convention adjourned until 4 o'clock to permit the committees to meet and make their reports.

An organization to be known as the Woman's State Democratic League has been formed for the purpose of making permanent the Hobby woman's clubs that were active during the campaign. Mrs. Nannie

to the fullest extent, 13½ inches.

Webb Curtis of Dallas was chosen chairman of the league, which will maintain permanent headquarters in Dallas. The league adopted a resolution demanding that a statute be enacted declaring property, contracts and other legal rights of married women to be the same as unmarried women and men.

The vote for Governor in the primary is certified by the Executive Committee was: Hobby, 461,479; Ferguson, 218,012; for Lieutenant Governor; Johnson, 191,973; Davidson, 30,559; Treasurer, John W. Baker, 302,351; J. M. Edwards, 289,121; Superintendent of Public Instruction, Miss Annie Webb Blanton, 357,734; W. M. Doughty, 199,813.

U. S. ESTIMATE SHOWS COTTON CROP IS SHORT

Washington, Sept. 3.—August was the most disastrous month to the cotton crop that has ever been recorded, a loss in prospective production amounting to 2,482,000 bales resulting from the severe drought.

This year's cotton crop was forecast today at 11,137,000 equivalent 500-pound bales by the Department of Agriculture basing its estimates on the condition of the crop Aug. 25, which was 55.7 per cent of normal. Condition of the crop by States: Virginia, 84.

HELP FEED THE MACHINE GUNS

Pay the President
 If Texas boys are willing to go to France and face death or torture to keep our machine guns busy mowing down Hun soldiers, then can't you supply them with the necessary cartridges by investing your money in United States Government War Savings Stamps?

If those American machine guns fail to chatter the tune of death to the Kaiser's men, you will be the one to blame. Those guns will send a hail of bullets into the enemy's line as long as you keep the cartridges coming by putting your dollars in War Savings Stamps.

Invest in victory. Make a good investment for yourself. Buy the best securities ever put on sale by the Government

Several Tahoka and Lynn County citizens have received letters from relatives overseas this week. They all report the "Hun on the run."

Judge G. E. Lackhart went to Austin Wednesday on business.

J. B. Walker, Tahoka's congenial postmaster, is out of town on business this week.

Sergeant Shook and Richard Crie, had business in Lubbock this week.

Geo. Shoemaker, of Lamesa, had business in Tahoka one day this week.

Charles Acker of Brownfield, was here Wednesday on business.

Sheriff's Notice of Execution Sale

No. 1,014.
 GEO. R. BEAN, ET AL }
 —vs—
 S. B. OLDDHAM }
 In the Justice Court, Precinct No. One, Lubbock County, Texas.
 Whereas, by virtue of an execution issued out of the Honorable Justice Court for Precinct No. One, Lubbock County Texas, by the Honorable E. B. Penney, Justice of the Peace of said Court, on the 26th day of August, 1918, on a judgment rendered in said court on the 3rd day of August, 1918, in favor of the said Geo. R. Bean and E. L. Klett and against the said S. B. Oldham in cause No. 1,014 on the docket of said court, I did, on the 30th day of August, 1918, at 10 o'clock, A. M., of said day, levy on the Northeast One-Fourth (N. E. 1/4) of Survey Thirteen (13) in Block "A1," Certificate 1432, E. R. & R. Ry. Co., in Lynn County, Texas, containing 160 acres of land, belonging to S. B. Oldham and levied on as the property of the defendant, S. B. Oldham, said land to be sold also by virtue of writ of attachment levied on said land by the Sheriff of Lynn County, Texas on the 9th day of July, 1918, and such fact recited in said judgment.
 And on the first day of October, 1918, being the first Tuesday in said month, between the hours of 10 o'clock, A. M. and 4 o'clock, P. M., on said day, at the court house day of said county, I will offer for sale and sell at public auction, for cash, all the right, title and interest of the said S. B. Oldham in and to said property.
 Dated at Tahoka, Lynn County, Texas, this 30th day of August, 1918.
 F. E. REDWINE,
 Sheriff, Lynn County, Texas.

Remington UMC .22 Caliber Rifles and Cartridges for Shooting Right

EVERYBODY is beginning to see the difference between right rifle shooting and aimless "potting around" and go-as-you-please "target shooting." The trend of the times toward efficiency is leading thousands to follow the Government's wishes and shoot the official N. R. A. small-bore courses (not military) adopted for civilian and junior marksmen.

Remington UMC .22 Caliber Rifles and Cartridges, made to shoot right, are first choice for this shooting, because they measure up to the highest standard of accuracy required. Get in line with a Remington UMC .22 Caliber Rifle and Remington Cartridges and win the official Government decorations awarded for proficiency by the National Rifle Association.

Sold by Sporting Goods Dealers in Your Community

For information about the new Small-Bore Courses, ask the Secretary of any civilian or boys' rifle club, or address the National Rifle Association, 1108 Woodward Building, Washington, D. C.

THE SOLDIER'S CHANCE IN THE ARMY LIFE

The soldier has 29 chances of coming home to one of being killed.

He has ninety-eight chances or recovering from a wound to two chances of dying.

He has one chance in 500 of losing a limb.

He will live five years longer because of physical training.

He is freer from disease in the army than in civil life.

He has better care at the front than at home.

In other wars from ten to fifteen men die from disease to one from bullets.

In this war one man dies from disease to every ten from bullets.

This war is less wasteful of life than any other war known to history.—Western Review.

THE PEACE OF THE KAISER'S DESIRE

The Kaiser, in addressing his "dear friends of the Krupp works," protested much, if not over much, his desire for peace. But in doing so he put himself to unnecessary labor, unless, indeed, the German people may thereby be persuaded that he is not guilty of having decreed the war.

No one will doubt that the Kaiser desires peace. He desired it in 1916, as he says, and the desire has grown until it now has the intensity of a passion. So much no one will be disposed to deny.

But it avails nothing for the Kaiser to protest his desire for peace. He has no monopoly of that virtue. The critical question is what kind of peace it is that he desires, and on that question the Kaiser had nothing to say.

The reasons is obvious. He could not describe the kind of peace he desires intelligibly without disclosing the aggressive designs Germany had in beginning the war and without revealing, furthermore, that those designs have not yet been abandoned in their entirety. The peace which the Kaiser has desired is one which will reward the crime he committed in beginning the war. The peace issue in Germany is whether it will still try to get some part of the expected profit or be content to escape the penalty.

Between Germany and its enemies it is a moral issue, since the peace the Kaiser desires would not only penalize the crime of Germany, but would declare it innocent of having committed a crime. To assent to a peace of that kind would be to become recreant to the duty of vindictive truth, justice and the humanity.

The peace which the Kaiser desires must, his speech makes evident, have another quality. Twice he expresses his readiness to extend the hand of friendship to his enemies, and once he adds the patronizing proffer of his help in seeing "to his recovery." Thus the peace of the Kaiser's desire must be one of German vouchsafement. The hand and help he stands ready to extend must first be sued for, and, we may imagine, with something of that humility incumbent on one sensible of great wrongdoing. The criminal asks his victim to beg forgiveness. It is, in fine, a peace of victory that is the peace of the Kaiser's desire. It is not merely for the profits and glory which it would yield that the Kaiser desires a peace of victory. Such a peace is needed to prop up the house of Hohenzollern. Victory, or at least the appearance of it, is needed to corroborate the Kaiser's assurance that it was into a defensive war that he led the German people, and it is of vital importance to the Kaiser that the German people should not be confirmed in their suspicion that it is a war of wanton aggression that they have been made the victims.—Dallas Morning News.

DRAFT LOTTERY MAY BE HELD SEPTEMBER 24

Washington, Sept. 14.—Lightning speed to put the man power of the nation, registered on Thursday, into training and increase the flow of men overseas to support General Pershing and his armies in their big drive is the effort of the Provost Marshal General's office.

As a result Colonel Warren, executive officer of the office in the absence of General Crowder, announced Saturday that it might be possible to hold the drawing for the order numbers of the new registration as early as Sept. 24. General Crowder had previously announced the tentative date as Oct. 2.

Figures on the registration are coming in slowly and are not showing the big increase indicated in the earlier estimates. The only final report received so far is for the District of Columbia.

It was the big increase in this figure which led the Provost Marshal General Friday to estimate a registration 8.5 per cent in excess of the preliminary estimates.

REMINGTON UMC

Wetproof Steel Lined Shot Shells

MAKE your showery hunting days this Fall the good days for ducks they really ought to be, with the right shotshells—Remington UMC Smokeless "Arrow" or "Nitro Club" Wetproof Steel Lined "Speed Shells." No matter how much water may get to them, they will actually stay just as dry and serviceable as your Remington UMC Pump Gun or Autoloading Shotgun.

Those finest of shoal-water fowl, the big mallards—which you can seldom get with-in gunshot of when it is calm and fair—are then not so quick to take wing. But your shells must be right. Hunting has no worse luck than a water-soaked shell that has swelled and sticks in the gun at a critical moment—to say nothing of a "miss" caused by wilting of the turned-over end of the shell.

Remington UMC Smokeless "Arrow" and "Nitro Club" Wetproof Steel Lined "Speed Shells" are made waterproof by a wonderful process, invented for them and used exclusively in their manufacture.

It took three years to perfect this process. The result is a shell that will work and shoot right throughout an all-day downpour—keeps hard and smooth with no softening of the turned-over end or bulging of the top wad in the wettest coat pocket.

You buy the same favorite brand, at the regular price, and get the Wetproof improvement without cost. The first completely waterproof shotshell, at the same time having the uniform superiority of speed, pattern and penetration for which Remington UMC "Arrow" and "Nitro Club" Steel Lined "Speed Shells" are famous.

In black powder, buy the old reliable "New Club," now Wetproof sealed at turnover and top wad.

ITEMS FROM THE SLATONITE OF LAST WEEK

A summary of the current year's work of the First Baptist Church of Slaton, Texas: Membership; received by letter and statement, 61; by Baptism, 24, total 85; Dismissed from membership by letter, 21, by exclusion, 1; Finances; Building and repairs, \$462.37; Incidentals, fuel, light, etc., \$73.03; Christian Education, \$132; Sanitariums, \$35.15; Home Mission, \$60; Foreign Missions, \$76; State Missions, \$94; S. S. work, \$147.76; Buckner's Orphans, \$16.21; For Evangelists, \$135.86; New song books, \$10. Insurance, etc., \$20.50. Women's work: Ladies Aid, membership, 26; Finances; Missions, \$10; To scholarship, \$3; Buckner Orphan Home, cash \$3.25; box valued at \$136; Old Ministers and Sanitariums, \$10; Local church work, \$65.75, total, \$223. Some of these items are included in the Church report, yet the total of all our work is \$1,409.05. This does not include what has been paid on pastor's salary, which is all had been paid, would make a grand total of \$2,409.05. This leaves the church out of debt so far as the pastor's home is concerned, and with a balance of \$34.83 in the treasury.

F. A. Whiteley.

Paul P. Murray, city marshal, has been busy this week exterminating cats and dogs as a result of hydrophobia appearing among the cats in town. A cat went mad and bit the small child of M. D. Jones. The cat was killed and the head sent to the pasteur institute at Austin. A telegram came back that the cat had had

"The King of France, with twenty thousand men, marched up a hill and then marched down again." Does not the old nursery rhyme recur to us when we think of the immense cost and effort of the German drive this year, and the fact that they are now pushed back to their original line?

Your income will probably be subject to taxation for several years after the war. Do not repine, but be thankful that it is large enough for you and for Uncle Sam too.

GERMAN COUNT AMONG PRISONERS CAPTURED

Nancy, Sept. 13.—Among the prisoners captured in General Pershing's first great offensive in France was Major Count von Schenings, a German nobleman and regimental commander, whose conduct is regarded as indicative of the changed enemy morale.

Major Count von Schenings was found sitting in his headquarters, which the enemy believed was bomb-proof and shell-proof. His dress was immaculate, his gorgeous uniform was neat, and his boots were highly polished. His entire staff stood around him, and at a respectful distance were five orderlies—all his own.

Without the least show of resistance, he and his entire staff surrendered to the French when they entered his headquarters. He, at their approach, arose and saluted them, at the same time showing every willingness to be made a captive.

Their baggage was found already packed and ready for transportation to our lines. Indeed, every indication was that Major Count von Schenings and his staff were waiting to be captured.

The soldier who deserts and the person who will not pay his War Savings Stamp pledge are birds of a feather.

GENERAL DEMORALIZATION AMONG GERMANS

London, Sept. 7.—General demoralization of the German population is widespread and growing dissatisfaction in the German army, accompanied by mutinies and desertion, is reported in Rotterdam dispatch. Correspondence says the army is filled with despondence and alarming outbreaks have occurred in several units.

On the Arras front a whole Bavarian division is reported to have been disarmed and transported to the prison camp. Mutiny in a Silesian regiment resulted in the execution of nearly a hundred Teutons. Conspicuous among the working classes is preventing training of deserters of which twenty thousand are reported to be hiding in Berlin alone.

For Foch and freedom; buy bonds. Buy over here to win over there.
