

THE LYNN COUNTY NEWS

VOLUME 19

TAHOKA, LYNN COUNTY, TEXAS, FRIDAY, NOVEMBER 17, 1922

NO 11

MISS ELLA YEAGER HEALTH NURSE ARRIVES

After months of patient waiting, we are able to announce to the citizens of Lynn county that Miss Ella Yeager, State health nurse, has arrived from Austin. We have explained several times thru these columns the purpose of her coming, but for the benefit of those who might not have read it, we repeat that the object in securing the valuable services of this nurse is to discover the defects of the hundreds of school children in Lynn county and correct these defects, thereby making healthier and better citizens. Health should come first, although it appears that a great many of us place wealth and pleasure first. Sometimes we hear young people say and older ones too, that they are going to have a good time regardless of the cost physically as well as financially. So many times this great mistake is made by improper clothing and food, or neglect of the teeth, eyes or tonsils.

Miss Yeager will maintain an office down town convenient for all who wish to bring their children to her for examination and learn of their deficiencies, if they have any, and if they have none it will be a great consolation to know that your child is perfect.

MARRIED

Mr. Hugh Barber, of Lubbock and Miss Lula Grimes, of Slaton, drove to Tahoka last Sunday and were united in marriage at the Methodist parsonage by the pastor, Rev. J. T. Howell. They were unaccompanied here and only the immediate family of Rev. Howell witnessed the ceremony.

Mr. and Mrs. J. B. Lowrie and children returned Wednesday from Goldthwaite, Texas, where they went Saturday of last week to attend the burial of Mr. Lowrie's sister, Mrs. R. L. Simms, age 26 years, who died within one hour after Mr. Lowrie had received a message announcing her serious illness, Saturday.

NEW GROCERY STORE

G. W. Small has opened up a new grocery store two doors north of his hardware and furniture store. He has installed modern fixtures and the building on the interior is finished in white enamel throughout. It is one of the most modern and sanitary grocery establishments in this section of the state.

J. N. Thomas will be manager of the store and needs no introduction to the citizens of this community and Tahoka trade territory. Mr. Thomas is a man of experience and efficiency, and we predict for the new firm a prosperous business from the very beginning under his management.

The new firm will be known as the G. W. Small Grocery Co. Read their opening advertisement in this issue of the paper.

JEWELRYMAN COBB ARRIVES FROM DALLAS

Robert O. Cobb, Jewelryman and watchmaker, arrived from Dallas the first of the week and will be located at the Limit, the drug sundry store. Mr. Cobb comes highly recommended by several of the leading business houses of Dallas and has had a vast amount of experience in this line of work. The citizenship of Tahoka are glad to welcome him to our little city, and wish him all the success possible in his chosen profession here. The Limit carries a full and complete stock of jewelry.

Read the advertisement of Mr. Cobb in another column of this issue.

W. T. Petty, of Weinert, Texas, came in Tuesday and spent several days here looking after his property interests in Lynn county.

THE CROATIAN OCESTRA APPEARED HERE MONDAY

A few of the people of Tahoka took advantage of the opportunity Monday night of the rear treat furnished by the Croatian Tamburica Orchestra of the White-Myers Lyceum of Kansas City, Mo. It is seldom that we have the privilege of hearing such high class music as they furnished. All present were greatly pleased with the entertainment of the evening. We regret to state that about two-thirds of the audience was composed of the transient laboring class of people and that the local citizens did not see fit to patronize the Lyceum course. The laboring element who visit this section each fall to help gather our enormous crops, visited the show house Monday evening with the expectation of witnessing a "movie." We hope they were pleasantly surprised in the change of the program Monday evening.

Each of the five musicians was an artists on his particular instrument, and all the popular music of the day was rendered.

Those who fail to attend the remaining numbers, of the Tahoka lyceum, will miss something real good.

SIMMONS STUDENTS SPEND WEEK-END WITH PARENTS

Misses Leona Key, Leota Knight, Inez Edwards and Dell Small, students of Simmons College, Abilene, spent the week end with their parents in Tahoka, returning to their studies Tuesday night, via Post City.

FIRE PREVENTION

By Elie Lam

(FOREWORD)

Two years ago Fire Prevention was taken up as a study in Tahoka schools under the direction of the State Fire Marshal. As a result, our insurance rate was reduced 3 per cent and that reduction will continue as long as the subject is taught.

One grade in school has weekly lessons from a little book furnished by the City Council. Another grade has lessons given by the teacher. The higher grades do research work on the subject, and from this knowledge, supplemented by lectures from the teachers, the pupils prepare themes on the general subject of Fire Prevention. Below is one of these themes written by Elie Lam.

H. P. Caveness,
Supt. of Tahoka Schools.

Every minute of the day, a fire breaks out. Every day of the year something like fifteen thousand buildings burn. In the United States, in nineteen and twenty-one, the fire loss was four hundred million dollars. In France, it was one hundred million, and in Holland it was only twenty million. There must be a reason for America's great fire loss in comparison with other countries. It is true that there are more wooden buildings in America than in Europe, but this is not the main cause of so many fires. The main cause may be summed up in the one word—"CARELESSNESS". Roy K. Moulton describes carelessness, "that force more powerful than the combined armies of the world, more than deadly than bullets; a being that lurks in unseen places, bringing sickness, degradation and death; crushing and maiming, giving nothing and taking all."

Since, we know "Carelessness" is the enemy that destroys so many lives, and so much valuable property, we must be more cautious and prevent a vast majority of the ordinary fires. Individual measures of precaution must be taken, as well as public measures, if fire is to be eliminated. First I shall discuss the individual means of fire eradication.

The match is probably the most dangerous article made by man. Two classes of matches are made, "safety matches" and "strike anywhere, matches." As a rule, the safety match is the safer, but a poorly made safety match is more dangerous than a well made "strike anywhere" match. Therefore, a person should know something about the matches he buys as well as how to buy them. The following are a few safety rules to go by in using matches: Buy good brands, bearing the matches in closed boxes, and away from the underwriters laboratories. Never throw a lighted match away and pick up spilled matches. Keep matches in closed boxes, and away from all heat.

Precaution should be taken with lights, as they are the cause of many serious fires. The electric light is the safest, but metal lamps may be made safe if sufficient precaution is taken with them. Stoves and furnaces are also a cause of many fires. The majority of fires from this origin could be prevented, if only a

little care were taken. Joints and connections should be kept free from rust. All wooden parts should be protected with metal, and ashes should be kept in wooden containers, instead of wooden barrels. A stove should never be left when there is a fire in it and it should not, under any circumstances, be allowed to get red hot.

What a person does with his rubbish determines whether or not, he is a good citizen. A good citizen keeps things tidy, never allowing trash to accumulate in the house or near it. Gasoline and kerosene are very dangerous liquids. Gasoline is more explosive than dynamite. Both should be kept in closed vessels, outside of the house and away from lights.

Electricity is another dangerous servant. A home fitted with electrical appliances is safe, only if the people living in it are careful. For the sake of safety, wiring should be done, and connections made by expert electricians. Never, should an electric device be left with the current turned on. Only recently, a serious fire resulted from an electric iron being left on the ironing board, with the current turned on.

More than eight and a half million dollars worth of property is burned every year through the carelessness of smokers. But you say "What can the person, who does not smoke do to prevent these fires?" The non-smoker may at least watch the careless smoker; notice where he throws matches, cigarettes and cigars and stamp out all sparks that may be left.

If in spite of your precautions, a fire breaks out, don't lose control of yourself, but keep cool and act quickly. Have a fire extinguisher within easy reach and know how to use it. Do not aim at the flames, but at the place where the flames start. Remember that small fires can often be beaten out with a broom or a piece of clothing.

Use the boy scout motto, "Be Prepared," in case of a serious fire, be cool, quick, quiet and know what to do, having made your plans in advance.

Valuable fire preventative measures can be taken by a city or a town. My town, although a very small one, has taken valuable steps toward preventing fires and fighting them. A one hundred and sixty foot steel water tower, together with a pressure pump gives a high water pressure at the fire plugs, stationed at the corners of each block. An efficient fire department has been organized, a modern fire station built and a fully equipped fire truck secured. For a town of its size, this is a long step toward the safeguarding of lives and property.

Furthermore, fire prevention is being taught in public schools all over the United States. Fire prevention manuals are distributed by the government, and studied by students. Themes are written on the subject and fire drills are given, to teach the pupils how to act in case of a fire. It is time for an awakening so let us look forward to a time, when unnecessary fires will be thing of the past.

Notice Everybody

YOU MUST DRIVE TO THE RIGHT; PARK TO THE RIGHT AND KEEP SIDE WALK CLEAR. THESE ARE ORDERS FROM THE CITY COUNCIL. SO THIS MEANS YOU AND EVERYBODY ALIKE. PLEASE OBSERVE THESE RULES AND YOU WON'T BE BOTHERED WITH ME.

A. M. SULLIVAN,
City Marshal.

REV. CALLAWAY TO PREACH HERE SUNDAY

Rev. Callaway, pastor of the Baptist church at O'Donnell, will fill the pulpit at the Baptist Church in Tahoka next Sunday morning and evening in the absence of the pastor, Rev. J. I. Doshier, who is attending the General convention at Waco.

The public is cordially invited to attend the services at the Baptist church Sunday.

Mr. and Mrs. J. S. Wells, Mrs. Claude Wells and Miss Lola Lewis returned Saturday from Ballinger, where they attended the funeral of Mr. Nix, a brother-in-law of Mrs. J. S. Wells.

JESSE MAY AND FAMILY ARRIVE FROM BROWNFIELD

Jesse A. May and family, of Brownfield, arrived in Tahoka Wednesday to make their future home. They will occupy the residence vacated by his brother, J. C., and family, who recently moved to Post.

Mr. May will be located in the Jewelry department at Thomas Bros. drug store, and is well and favorably known by many of our citizens. He will fill the place occupied by his brother, as jewelryman. In his advertisement he claims he can repair anything that is mendable. The News is indeed glad to number these good people as citizens of Tahoka.

MORE THAN ONE INCH RAINFALL SATURDAY NIGHT

Early Saturday evening a portion of Lynn county was visited by a bountiful rain, amounting to more than one inch in the south and south-east portion of the county. The precipitation in Tahoka measured only 30 hundredths of an inch.

The moisture will be worth thousands of dollars to this section by placing the ground in excellent condition for breaking.

The moisture did not damage the cotton in the fields to any great extent, it is said.

The rain was followed by a cold north wind Sunday. Warmer weather was had Tuesday.

The ranges will be helped greatly by the moisture. The rain only extended about twenty miles north of Tahoka.

LATER—Another slow rain fell over this section beginning early yesterday morning, and continued a good part of the day, amounting to one half inch in Tahoka. The rain was general as far as can be learned.

Rev. J. F. Curry, Missionary of the Brownfield Baptist Association, residing a short distance southeast of Tahoka, left on the early morning train Monday for Waco to be in attendance at the Baptist State convention this week.

SMALL & CLAYTON HAVE UNIQUE WINDOW ARMISTICE

The firm of Small & Clayton deserve special mention for their unique window decoration, Armistice Day, Saturday, November 11th, honoring the soldiers of the World War. In our issue of November 3, Phebe K. Warner appealed to the citizens to make November 11th an annual holiday, but in the mad rush after the mighty dollar the majority are prone to forget the heart aches and sufferings of only a few months past. Through our negligence of some of the fundamentals we are liable to wake up some morning and find ourselves facing a greater situation than we did in 1917. There are more important things in life than amassing a great fortune, although this seems to be the greatest aim or ambition of most of us.

STORK SPECIALS

Mr. and Mrs. Frank H. Weaver, Sunday, November 12th., a girl.

Mr. and Mrs. S. B. Goodrich, Monday, November 13., a girl.

Mr. and Mrs. Ollie Sears, Monday, November 13., a boy.

TAHOKA 51; BROWNFIELD 0

Brownfield High School football eleven came over last Friday afternoon and suffered defeat at the hands of Tahoka Hi by the on-sided score of 51 to 0, goose-egging the lads from "old sandy Terry". The Tahoka boys had the game won from the very first kick off.

Boost for Tahoka.

ABOUT THE RADIO SET TO BE GIVEN AWAY

A \$300 radio outfit will be given away by the Limit, the McCormack Store, the Lynn County News, Wall-Walton Co., and Rix Furniture and Undertaking Co., to some school in Tahoka trade territory. The small school stands the same chance of securing this set as the larger school, as votes are given strictly on the ratio of enrollment.

Votes are given to all customers of the above mentioned business firms. Be sure and ask for them on all purchases. If you vote for your school please request or write the name on the coupon.

This radio set is now on exhibition at the Limit for your inspection. Concerts are given free each night and you are invited to come and hear them. The radio is the most wonderful invention of the age and everybody should be interested to the extent that they will want their school to have one.

Tickets will be issued from November 15th to Jan. 1, 1923.

O'DONNELL NEWS ITEMS

A good rain fell Saturday night. There was plenty of ice to be seen all day Monday on account of the drop in temperature Sunday and Sunday night.

Paul Miller transacted business in our town Saturday.

C. P. Tate has located here and is having an office erected between the postoffice and lumber yard.

An attractive filling station is under erection just south of the public well. Mr. C. H. Doak and family have as their guest during their winter, Mr. Doak's mother.

All business closed a part of the day Saturday in celebration of Armistice Day.

On Saturday morning J. M. Clayton shipped one car of cattle; W. F. Simms 9 cars of cattle; H. D. Beatty 4 cars and Frost and Baily one car. Jot Smith shipped one car of cattle Monday.

REPORTER.

LADIES MISSIONARY SOCIETY

The Ladies Missionary Society of the Methodist church met at the home of Mrs. Clifford Dickson on the 14th. Quite an interesting lesson on the book of Ruth was had. Some matters were discussed and a social meeting was planned with Mrs. C. A. Thomas, Tuesday, November 23rd.

Next lesson is 1 Sam. 1-7.

REPORTER.

Tom LeMond, of Amarillo, has accepted a position with the H. M. Larkin General Merchandise store. He formerly was in the employ of this establishment, and he and Mrs. LeMond have many close friends in the town and county who are glad to welcome their return here.

P. S. Evans and wife of Lovington, N. M., were Tahoka visitors the first of this week.

Your Money
in
OUR BANK
is safe from
Fire and Burglars.

If a fire were to burn your house tonight, would you lose your money as well as your property? You might lose your LIFE looking for the money you had hidden away.

A house is not the place to keep money. Our bank is the right place to keep it, so why not bring that money in now and deposit it. The money will be safe and you will be free from worry and danger. Come in.

We will welcome you.

RED CROSS PUTS UP \$9,739,872

Year's Budget Stresses Relief and Services at Home and Overseas.

MILLIONS FOR VETERAN AID
Over \$3,000,000 Allotted to the Disabled—Foreign Work Lessens.

Washington—Expenditures totaling \$9,739,872.47 for carrying through its program of services and relief during the fiscal year in the United States and overseas are authorized in the budget of the American Red Cross, effective July 1, 1922. This total is \$2,735,975 less than the expenditures for the last fiscal year, when disbursements reached \$12,475,847.60, it is announced at National Headquarters in a statement emphasizing the necessity of continued support of the organization by enrollment during the annual Roll Call, November 11-November 30 inclusive. This total for the budget is exclusive of the large financial operations of the 3,300 active Red Cross Chapters, which, it is estimated, will more than double the total.

War Veterans Have First Call
First call on Red Cross funds is for the disabled ex-service men, of whom 27,487 were receiving treatment from the Government on June 1 last. This work for veterans and their families in a wide variety of service that the Government is not authorized to render and for which it has neither funds nor facilities has the call on \$8,030,602.90 during the current year, or about \$366,000 more than was expended last year for soldier service. Adding the funds disbursed in this humanitarian work of physical reconstruction following the World War by the Chapters throughout the country will approximate a total for the current year approaching \$10,000,000. This work, in the opinion of the Surgeon General's office, will not reach its peak before 1926.

Through its Chapters the American Red Cross is equipped to find the individual ex-service man, help him in his problems and difficulties, provide immediately for his necessities, and open the way for him to the Government compensation and aid to which he is entitled. The extension of this work to the families of such men proves to them that the Red Cross has lost none of its sympathy nor will to service manifested in wartime. Similarly the service goes out to the men still in the Army and Navy, 11,087 of whom were under treatment in Government hospitals on June 1, 1922.

Greater Domestic Program
This year—after five years of constructive effort during the war and after the armistice—brings with it a greater responsibility for domestic service to the American Red Cross. The budget for foreign operations, however, totals \$3,404,000, but of this amount \$1,834,000 is for medical relief and hospital supplies for Russia, which is a part of the gift made by the American Red Cross in 1921 to the Russian famine relief work of the American Relief Administration program. The child health service in Europe continues, moreover, and \$654,600 is appropriated for this work undertaken in 1920. Other items in the stringently diminished foreign program include \$200,000 to support the League of Red Cross Societies, \$22,000 for nurses' training schools instituted by the Red Cross abroad, and \$600,000 for liquidation of the general Red Cross foreign relief program.

Prepared for Emergencies
For disaster relief the Red Cross has set aside \$750,000, and for emergencies in Chapter work \$500,000 to be available for domestic, insular and foreign demands. This is more than \$395,000 above last year's expenditures. For service and assistance to the 3,300 Chapters and their branches \$1,238,000 is provided by the National organization. Other budget items of importance in the domestic program include \$200,000 for assistance to other organizations and education institutions for training Red Cross nurses and workers; \$190,000 for Roll Call assistance furnished to Chapters; \$100,000 for unforeseen contingencies. Of the total budget less than \$500,000 is allotted for management in the National organization. No cash estimate, of course, is possible to weigh the value of the service by volunteers in the Chapters.

THE RED CROSS SUPPLEMENTS GOVERNMENT SERVICE BY MEETING THE PARTICULAR NEEDS OF THE INDIVIDUAL EX-SERVICE MAN. THIS WORK CANNOT GO ON UNLESS YOU SUPPORT IT WITH YOUR MEMBERSHIP DOLLAR PAY UP TODAY

There are many News subscribers a year or less behind and we cannot continue sending the paper any more than a year in arrears. If you would like the News to keep coming your way, drop in and make the proper arrangements, else your name will be dropped from the list.

The Care of the Teeth
St. Louis, Mo., Oct. 31.—The old family toothbrush that hung over the sink has been found to be a reality rather than a joke by the Junior Red Cross Dental clinic in the schools of one of the Southwestern Division, according to a report given at the regional conference of the Red Cross held in El Paso, Texas, October 23.

Out of 100 children taken at random from three schools attended by American children last year, only two were found to have perfect teeth, and out of the 100 there were 35 children who had not tooth brushes and five who were using the tooth brushes of their brothers and sisters.

FOR SALE—Second-hand wagon. See Guy LeMond, Tahoka. 10tc

THE MERCHANTS WHO ADVERTISE IN THIS PAPER WILL GIVE YOU BEST VALUES FOR YOUR MONEY.

OUTFIT

ABSOLUTELY FREE!

"TAP THE WORLD"

For Some School in Tahoka Trade Territory

Everybody is "A Radio Bug!" the Latest and Greatest Sensation of the 20th Century---Here is an Opportunity for some School in Tahoka Trade Territory to get a Complete Radio Outfit, properly installed and put in First class Working order Absolutely FREE!

\$300 Westinghouse Set

Every School in Tahoka Trade Territory should be interested---It Costs Nothing---It's Worth Can Hardly be Estimated!

For the Present this Radio Outfit will be installed in The Limit Drug Sundry Store and concerts will be given at stated times. When you hear some of these concerts we are sure you will want your school to be the winner.

**CONTEST OPENS
WEDNESDAY, NOV. 15.
CALL FOR VOTE COUPONS**

Here's the Proposition

The firms whose names appear at the bottom of this page will give the Radio Outfit to the school getting the most votes between now and New Years Day, 1923. All schools will be classified according to their enrollment, and votes will be given in proportion to these enrollments. This gives the smallest school the same chance as the largest.

THIS SET IS FOR SOME SCHOOL FREE; Why Not Yours?
This Outfit Will be Furnished by E.L. Howard, Tahoka, Texas, Under an Absolute Guarantee of Satisfaction.

Get Your Votes!

Votes Given on all Sales of \$1.00 or More or on Accounts.

When you make your purchases or payments, simply state what school you want to vote for. Votes will be bulletined at the places whose names are on this page.

Yesterday a Scientific Marvel, today Wireless Telephony is the most thrilling interest and enjoyment of the average American home or institution. This Westinghouse Set complete with the Magnavox--one of the most powerful and satisfactory on the market today, will provide your school day and night with regular programs, concerts, important speeches, world weather reports, correct time signals, etc. The Magnavox makes it possible for an entire roomful of pupils to hear these distinctly.

"Slimy Taste"

"When I feel stupid, get constipated, or bilious, I take a good dose or two of Black-Draught and it sets me straight," writes Mr. George B. Haislep, of R. F. D. 2, Columbia, S. C. "It cleanses the liver and I feel all right, and have not used any other medicine as I do not see the need of it. I am a guard at the State Reformatory, and have been for three or more years. When I first heard of

BLACK-DRAUGHT

Liver Medicine

and the good medicine it was, I had been having a tired feeling when I'd get up in the morning. I would be stiff and sore, and had a slimy, bad taste in my mouth, but didn't think so much of it till I began to feel stupid and didn't feel like eating—then I knew I needed medicine. It was then I began Black-Draught, and I felt all made over, ready for any kind of work, ready to eat and sleep. So, for any return of this trouble, I take Black-Draught, and for 25 years it has been my medicine, and I wouldn't be without it at all. My work is constant. I am on my feet a lot. I am out of doors, and fresh air and Black-Draught are all the medicines I need. I recommend it to others for I know it is good."

Sold Everywhere.

WILSON ITEMS

One half inch rain fell here Saturday night, followed Monday morning by the coldest weather we have had this fall. The thermometer registered 22.

Armistice Day was observed in Wilson with a program and march by the school children and lecture by C. H. Cain, of Tahoka. Then a banquet to the soldier boys at the school building that night.

Mrs. Celia Parker and Miss Gladys Baker of Lorenzo, spent the week end with W. H. May and family.

C. B. Wood, of Richland Springs, San Saba County, was a visitor in the West home Friday and Saturday.

Post football team came over Friday afternoon and played our team. The score was 18 to 6 in favor of Wilson. We love Post football boys for they play so fair.

J. R. McAlec has purchased J. F. Kolodzie's stock of goods here and will do business here for awhile.

Mr. Key and Misses Byers and Cobb made a trip to Slaton Tuesday.

Mrs. May and Miss Clara went to Tahoka Tuesday for more books for our school. The crops being so near gathered the children are coming in and filling up the school rooms in a hurry. Hurrah for Wilson School.

TWENTY DOLLAR DOLL GIVEN AWAY FREE at LOWRY'S DRUG STORE—The NYAL Store.

Bro. J. S. Johnson was returned to this charge by the M. E. Church. We are glad of this for we all love Bro. Johnson and family.

Mr. and Mrs. Theo. Schuhman, of Slaton, were visitors in our town Thursday.

W. B. Bishop spent the week end with his family here.
