### Stanley Stocks From Sports To Farming Items

A quantity of football and basketball equipment, including all makes and all grades of balls, recently arrived at the Stanley Hardware company, 203 Runnels street.

The sporting goods counter comprises only a small part of the Stanley store, which like most hardware stores throughout the United States, is stocked with "a bit of everything."

Everything for the farm, save windmills and pumps, can be bought across the counter at Stanley's. The housewife will find she can purchase china and tableware there, as well as pots and pans, stoves, radios and washing machines. Community Plate silverware, now returning to the market in quantity, is a specialty of the concern's.

The nimrod is able to fulfill his needs for both guns and ammunition at Stanley's at the present time. Both Remington and Winchester guns are sold by the establishment.

Fishermen can satisfy their needs for piscatorial equipment with the hardware concern. All kinds of fishing tackle, poles, reels and what not are returning to the display shelves.

Camping stoves, cots, water bags, hunting knives, etc., equipment aimed to please the outdoor vacationist, can be purchased at Stanley's.

A limited supply of waffle irons and electric percolators recently reached Stanley's display windows.

### Complete Mattress Needs Met

If you are contemplating purchasing new mattresses or having old mattresses made over or renovated, the Big Spring Mattress Co., 811 West Third extends an invitation to investigate their prices before closing a deal.

Our materials and workmanship are such that we are perfectly willing for them to speak for themselves. T. J. Mitchell, owner and manager, declared. Mitchell said his company now has plenty of the best materials

made for making new mattresses and for converting ordinary mattresses into innersprings. The type of work the firm does can be determined by viewing samples, and Mitchell is confident that his prices will compare favorably with all others in this area.

Price schedules on new mattresses may be obtained by calling 1764. If it is repair work or renovation that the customer desires, a free estimate will be made with-

out any charge or obligation.

In fact an entire transaction can be completed with no more trouble than a telephone call, since the Big Spring Mattress Co. provides prompt, free pick-up and delivery service.

**TRUCKERS' DREAM** — Truck operators long have wished for a place with building, equipment and staff assembled for special emphasis on their needs. Such a place is Driver White company, headed by Curtis Driver, on US 80 just east of Big Spring. The building has six stalls that will accommodate largest trucks and buses without unloading, thus expediting service. Mechanics are truck, bus, tractor and Diesel specialists, even to servicing air brakes. (Jack M. Haynes Photo.)

### Keep Cool With Your Best Bargain

Don't let vagaries of September fool you—there will be plenty of days ere frost when iced drinks and desserts will be mighty refreshing.

So don't put the freezer away. Get your biggest bargain in a super sack of cracked ice at Southern Ice for only two dimes. . . and get salt, too. You'll have enough to freeze four or six quarts, pack it, and plenty left for your drinks. Or if you're serving guests, get a dime size bag of ice that leaves no cloud in the bottom of

the glass. It's tops. The reason is simple. Ice man's ice is actually purer, from a mineral point, than the water you drink. City water is treated for softening. As ice freezes at the plant, water is agitated constantly by a stream of air so that any concentrates collect in a cone at the top. This is siphoned off and filled with fresh water. The result is a block of sparkling, crystal-clear ice fit for a king, but yours at an amazing bargain.

## Sub-Deb Club Names Five Pledges At Twilight Tea In Wasson Home

Five girls were presented as pledges for 1947 to the Sub-Deb club Sunday evening to highlight a twilight tea in the home of Dorothy Wasson, president, 508 East Park, as the concluding activity of Rush Week.

Rushes who were accepted into the club were Sue Carol Wasson, Marietta Staples, June Cook, Patty McCormick and Vevagene Apple.

The hostess presided at the tea table which was laid in white and centered with an arrangement of white gladioli and orchid asters in a shallow bowl. White candles in crystal holders and the china tea service completed table appointments.

Ross Nell Parks assisted Miss Wasson.

Plans for "Hell Week" and general policies of the Sub-Deb club will be given the pledges this evening at the regular club meeting at the home of Ann Currie.

Attending the tea were Dot Cauble, Betty Lou Hewett, Jean Pearce, Jane Stripling and Mrs. Don Seale and Mrs. Frances Hendrick, sponsors.

## Trinity Church To Hold Youth Meeting Friday

Approximately 15 churches will send young people's groups to Big Spring Friday to participate in the District Fellowship of Young People which will be held here by the Trinity Baptist church. The meeting includes those Fundamental Baptist churches in the West Texas and Central Texas regions.

Services begin Friday at 10 a. m. Following a recess from 11 noon to 2 p. m., afternoon service continues until 5 p. m. The evening meeting begins at 7:30.

Guest speakers for the convention will be the Rev. J. C. Griffith of Winters, who will speak at the morning hours, the Rev. A. V. Henderson of Kermit, at the afternoon service, and the Rev. Herman Reynolds, 18, of Sweetwater, in the evening. Special speaker is Billy D. Ingram, 13, of Crane.

Each group of young people present will present a separate program using a Biblical theme. There will be musical selections throughout the three meeting periods.

All young people in Big Spring are invited to the all-day meeting, according to the Rev. Marvin Clark, pastor of the host church.

## Gift Party Honors Mrs. Newton And Mrs. Cawthorn

Mrs. Bill Newton and Mrs. Eroy Cawthorn were honored Friday afternoon with a gift party at the home of Mrs. R. C. Nichols.

Special chairs were draped in pink and blue for the honorees and vases of pink tinnia decorated the entertaining rooms.

Carrying out the color scheme, pink carnation corsages were given to each of the honorees.

Beverly Ray Nichols presented a reading, "Which One Was Left?"

Attending were Mrs. Norman Newton, Mrs. Paul Logsdon, Mrs. Milton Newton, Mrs. Bob Woolsey, Mrs. Velma Henderson, Mrs. W. W. Coleman, Mrs. T. R. Lovelace, Mrs. Prescott, Mrs. Ike Low, Mrs. W. D. ## Chinese Reds Are Reported In Retreat

PEIPING, Sept. 15. (AP)—Nationalist Gen. Chen Chang-Hai reported today that communist forces which have been attacking Hsiungshien and other towns in the Peiping area were retreating "in disorder" with "nationalist ground and air forces at the heels."

General Chen, deputy chief of staff at nationalist headquarters at Paoting, 65 miles south of Peiping, told a news conference the Reds had suffered 15,000 casualties in the pounding from nationalist forces in recent weeks and predicted that 10,000 more would be inflicted.

## Comic Books May Influence Hanging

PITTSBURGH, Sept. 15. (AP)—Comic books were scored by a coroner's jury as a contributing factor in the hanging of 12-year-old Billy Becker in the basement of his home at nearby Sewickley.

The boy was found hanged by a clothesline tossed over a cellar rafter last Aug. 29.

His mother, Mrs. Charles Becker, told the jury yesterday her son was an incessant reader of comic books and may have accidentally hanged himself in reenacting a scene from one of them.

## Twelve Year Old Suicides At Atlanta

ATLANTA, Sept. 15. (AP)—Army troops found a 12-year-old boy hanging from a tree used at the Atlanta ordnance depot during the war as part of an obstacle course, and Fulton county Coroner Leonard Reeves returned a finding of suicide.

The child was identified by the coroner as Alfred W. Underwood, son of W. H. Underwood, chief electrician at the depot.

# Cayuses Invade Ballinger For Third Game Of Series

## LOOKING 'EM OVER

WITH TOMMY HART

One of the fallings of the local professional baseball team has been a penchant for coasting once it goes to the fore. At the same time, the secret of its strength, no doubt, has been in its ability to rise to an emergency.

The Steeds never led the Longhorn league race by very far but once Midland, or any other team, threatened to overtake them they played their most dazzling ball. They fell behind twice in the regular chase yet came back stronger than ever to finish on top.

Pat Stasey's gang betrayed a weakness for letting the other team take the initiative, once they had maneuvered into the lead in the first round of the Shaughnessy playoff. The Cayuses grabbed a 3-1 lead in victories. Then the Sweetwater Sports proceeded to all but sweep them from the field. At the eleventh hour, however, they threw their Sunday punch and knocked the Sports out of the fight.

They continued to play sensational ball against Ballinger in their first game of the championship round and won, 4-3, with a desperate tenth inning thrust. The inevitable letdown came the following night, however, when Dewey Jacobs blanked them and evened the series count.

They have their backs against the wall again this evening and doubtless will have to be at their best to gain the throne room. However, there is no reason to believe that they can't key themselves for the job ahead and add a sock ending to a successful season.

The Broncs' case, perhaps, is parallel to that of the New York Yankees, who went out in front early in the American league campaign and have since played just well enough to maintain a comfortable lead.

Any of the other seven teams in the junior circuit apparently can slip down the Gothamites until they actually feel their lead in games is becoming too slender. Then they go out and hit the brains out of the opposition.

The Yanks should prove tough customers in the World Series next month, pitching or no.

According to Howard Green.

## Cards All But Out Of Senior League Fight

By The Associated Press

Its all over but the shouting. If Brooklyn blows the National League pennant now, every member of the Dodgers including manager Burt Shotton ought to be made to undergo a saliva test.

The crushing blow to the Cardinals fast fading hopes was delivered by remote control yesterday when the rampaging Brooks routed the Reds twice in a Cincinnati double header 12-2 and 6-3 while the cards were being trampled in St. Louis, 9-1 by the New York Giants.

As a result, the Dodgers upped their margin over the Cards to seven full games. They can clinch the flag by winning seven of their remaining 15. Any combination of seven Dodger victories and Card losses would detrone the World Champion Cardinals.

Already "in" were the New York Yankees in the American league. Following their 6-4 win over the St. Louis Browns at the Yankee Stadium, the worst the Bronx Bombers can get now is a tie. One more win or Boston defeat would end all mathematical chance of the Red Sox.

It could easily come today as the Yanks again engage the last place Browns while the Red Sox play two games with the Chicago White Sox in Boston. Yesterday's twin bill between Boston and Chicago was rained out after seven innings of the first game with the score tied at 1-1.

Although the Detroit Tigers walloped the Senators twice in Washington 16-6 and 8-4 to move past the Red Sox into 2nd place, they were mathematically eliminated from any pennant hopes when the Yankees won. They trail by 12 1/2 games. The fifth place Philadelphia Athletics moved to within two and a half games of fourth place Cleveland by defeating the Indians 11-9 in the first game of a double header. The second game which ended in a 4-4 tie, was halted at the end of nine innings by the 7 p. m. Pennsylvania curfew law. Held to a 11-0 and 6-1 split by the Cubs in a doubleheader in Chicago, the third place Boston Braves in the National League were officially eliminated from any pennant contention.

The Philadelphia Phils vacated the cellar to make room for Pittsburgh as they dumped the Pirates twice 7-3 and 9-7 in a double header in Pittsburgh.

## Schoolboy Teams Busy On All Fronts This Week, Intersectional Tilts Slated

By The Associated Press

Texas' schoolboy football campaign swings into full operation this week, 59 class AA games sending all district favorites to the firing line.

Austin and Waco, rated among the best in Districts 15 and 10, tangle in their annual tilt at Austin Friday.

The opening of the season for these two Central Texas powers shares the spotlight with meetings between Denison and Wichita Falls; Brackenridge (San Antonio) and Abilene; Odessa and North Side (Fort Worth); Paris and Tyler; Highland Park (Dallas) and Sunset (Dallas).

Harlandale (San Antonio) and Corpus Christi (Dist. 15AA, open district competition in the only

conference game on the week's schedule.

Five intersectional games are also booked.

Altus, Okla., invades Texas for a game with Vernon; Fair Park (Shreveport, La.) tackles Grade-water; Lake Charles, La., meets John Reagan (Houston); Ysleta goes to Carlsbad, N. M., and Santa Fe, N. M., plays Bowie of El Paso.

Odessa's defending champion Broncs jumped into the middle of champion consideration. The supposedly weaker Broncs humbled a strong Lubbock team, 32-7, in its opening game last week.

Other results which gave an inkling of what was to come: Waxahachie's 12-0 win over last year's semi-finalist Lufkin Panthers; finalist Thomas Jefferson's 26-13 win over quarter-finalist Lamar (Houston); Denison's 19-6 win over San Angelo and Tyler's 12-7 decision over Brownwood.

Schools in the Dallas and Fort Worth districts get underway this week with Highland Park's heavy Scotties taking on the ever tough Sunset Bisons.

North Side gives Fort Worth a look at the Odessa eleven.

Tivy of Kerrville racked up the biggest score of any class AA team when it blanked Central Catholic of San Antonio, 63-0. The Antlers face tougher competition in Brownwood Friday.

## Bert Baez Due To Take Mound

Tied at one game each in their Longhorn baseball league championship set, the Ballinger C's and Big Spring's Broncs set up shop in Ballinger at 8 o'clock this evening for the third contest.

The Hosses were in an excellent position to put the Felines behind the eight-ball in the second setto here Saturday night but Dewey Jacobs cooled them off with a 7-0 shutout.

Big Spring gambled with its top finger, Jose Cindan, and lost. Cindan was fairly sharp but threw too many home run balls.

Humberto Baez, who won one game in the Sweetwater series after picking up 17 victories during the regular campaign, shoulders the Big Spring pitching burdens this evening while Paul Cook will probably toil on the rubber for Ballinger.

Orlando Moreno, suffering from a strep throat and out of the lineup Saturday night, will probably return to action this evening. The fleet third sacker was in a bad way Friday but played through ten innings.

Armando Traspuesto filled in for Moreno and contributed a very creditable job. Traspuesto will probably be behind the dish tonight.

Either team could win the play-off by sweeping the Ballinger set. However, the nines will be forced to return here should both clubs taste the victory broth there.

## Shorthorn Team Hard At Work

Their opening game a little more than ten days away, the Big Spring high school football Shorthorns, the reserve squad under the coaching reins of Conn Isaacs and J. B. Neely, are being sent through the proverbial wringer daily at Steer park.

One thing is certain. Isaacs and Neely will have the Shorthorns in shape for their initial battle against the Lamesa B string, which will be played in Lamesa Thursday, Sept. 5.

The Dogies play their initial home game against Sweetwater Oct. 4.

Outside of the tackles, the team may be a bit shy on weight. William Birdwell, up from the Yearlings, will probably man one of the tackle berths. He'll tip the scales at about 180. For a running mate, he's to have either Donald Williams, 175, or Bill Cunningham, 170.

The squad weights and positions:

Don Freeman, C, 150; Kimbell Gutrie, G, 140; Richard Grimes, G, 160; Don Williams, T, 175; Bill Cunningham, T, 170; Gleason Eakin, T, 150; Bill Satterwhite, T, 154; Charles Wright, E, 140; Joe Bailey, E, 155; Fred Harrington, E, 130; Bob Coffey, G, 140; William Birdwell, T, 180; Kelly Lawrence, C, 140; Earnest Potter, QB, 130; Roy Bailey, HB, 130; Dalton Olson, HB, 155; Eddie Hooper, FB, 155; Carroll Cannon, HB, 135; and Jimmy Webb, HB, 145.

## Demaret Fades At Albuquerque

ALBUQUERQUE, N. M. Sept. 15 (AP)—Lloyd Mangrum, Chicago, annexed the Albuquerque Open golf championship with ease yesterday thanks to Jimmy Demaret, Ojai, Calif., who blew a six-stroke lead.

Mangrum won \$2,000 with a 72-hole total of 268 in the 6,183-yard university New Mexico course. Demaret, three strokes behind, took \$1,400.

Demaret folded spectacularly with a tee shot into the rough on the 62nd hole. He stroked a four-over-par 76 for the final round after turning in course records of 66, 65 and 64 three days in a row. Mangrum's consistent par-wrecking brought the Tam O'Shanter pro cards of 69, 66, 66 and 67.

Big Jim Ferrier, San Francisco, deadlocked at 276 with George Shoux, San Bruno, Calif., for third and \$900 each.

Low amateur was Lee Griffith, Albuquerque, with 292, followed 294, and R. V. Felthaver, Clinton, Mo., 299.

## Cisco Game Ducats Are Now On Sale

Sale of tickets for the Cisco-Big Spring football game, which will be played at Steer stadium Friday night, began here this morning.

Reserve ducats for the non-conference contest are being offered for 1.20 each. The general admission pastboards can be obtained for 90 cents each. Purchases may be made at the high school tax office.

Fans can still obtain season tickets, which are being sold for \$6 each. The pastboards assure the holder of a reserve seat for all five home games.

## Dallas Again Clips Felines

DALLAS, Sept. 15. (AP)—Dallas moves over to Fort Worth tonight and the Rebels could advance into the championship playoff round of the Texas league by winning.

A 3-1 victory yesterday gave the Rebels a three games to two advantage over the Cats in the seven game series.

Houston's Buffs are awaiting a tie outcome of the series, having reached the final round on four straight victories over Tulsa. Their final triumph came Saturday.

Burl Storie's high fly in the second inning gave Dallas its first run yesterday, then the Rebels added two more in the fifth when Johnny Creel singled Gene Markland home and Johnny Lipton did likewise to Joe Smaza.

Fort Worth's lone tally came in the seventh as Manager Les Burge's single scored Ferrell Anderson.

Floyd Giebel was expected to start on the mound for Dallas tonight, opposing either Clarence Podbielan, Willard Ramsdell or Dwain Sloat.

Houston will act as host for the first two games in the final series, no matter which team it has to meet.

## Kramer Rallies To Take Title

NEW YORK, Sept. 15. (AP)—Having escaped the lightning twice within two days, young Jack Kramer of Los Angeles has nothing more to worry about today except which to choose of several rival tennis promoters who have been bidding for his professional services.

Big Jake finished cleaning up his amateur business yesterday when he survived two very poor opening sets and came on to beat the veteran Frankie Pfiker in the final of the National championships at Forest Hills by 4-6, 2-6, 6-1, 6-0, 6-3.

After finishing off Parker, the champ said last night he was torn between several offers for his services on a world tour. Someone connected with Big Crosby is reported to have "guaranteed" Kramer \$100,000 earnings within a year. Jack Harris, of Chicago, is believed to have the inside track, though, and it is about an even bet that Kramer and professional champion Bobby Riggs will start besting the bushes under his auspices around Jan. 1.

Sitting on top of the amateur pile with Kramer was husky Louise Brough of Beverly Hills, Calif. She captured the women's crown by defeating Margaret Osborne of San Francisco, 8-6, 4-0, 6-1, in their final. Later she teamed with John Bromwich of Australia to win the mixed doubles, beating Pancho Segura of Ecuador and Gertrude Moran of Santa Monica, Calif., 6-3, 6-1.

## Amarillo Goes Out In Front

By The Associated Press

The Amarillo Gold Sox and Albuquerque Dukers move back to Amarillo tonight with the Gold Sox leading three games to two in the West Texas-New Mexico league playoff.

The final games of the seven game series will be played in Amarillo.

Victor in this series will meet Lubbock—winner over Lamesa—in the championship playoff round.

Amarillo handed the Dukers a 4-0 licking last night to go ahead in the series.

# Bengals, Crack Mexican Team Play Here Tuesday

## First Contest Starts At 2

Despite the fact that the local professional baseball nine will be fighting on other fronts Tuesday, local diamond enthusiasts will not want for their favorite entertainment.

One of West Texas top semipro troupes, the Big Spring Latin-American Tigers, take on the Pie-

dro Niegros aggregation of Old Mexico in a double header tomorrow at Steer park. Starting time of the opener is 2 p. m.

Ynez Yanes, Bengal skipper, will lead with his pitching ace, Isa Mendoza, in the initial battle. Just who will pitch the afterpiece is problematical at the moment.

The Pedro Niegros contingent is on a tour of West Texas, having played in Midland Sunday. The games highlight a celebration of the Mexican National holiday set for the Latin-American sector on that day. A big crowd is anticipated.

KEYS made at Johnny Griffin's.

## Big Train Collides With Ex-Tar Watkins In AC Feature Tonight

Bill "Big Train" Clements goes hunting for bear at the Big Spring Athletic club tonight, squaring away with Sailor Tex Watkins in Promoter Pat O'Dowdy's main event.

Clements has managed to bat .500 in his previous starts at the club. He was disqualified in his opening assignment two weeks

sailor probably hasn't been staying awake nights worrying over the size of Clements, either, since big men have never bothered the Post, Texas, veteran.

For an appetizer, O'Dowdy is pitting Hickson, the Tennessee speed merchant, against Kenny Mayne of Salt Lake City.

While Hickson was dropping the decision to Clements last week, Clements was helping his local stock with a victory over tough little Billy McEuin. Kenny apparently is on top his game again. The first portion of the show gets underway around 8:30 p. m.

**YOUR SPINE AND HEALTH--** same scientific methods for the purpose of determining whether the adjustment of the vertebral subluxation has released the pressure on nerves and in what degree.

**CASE HISTORY No. 671.** A man of 34 now enjoying freedom from hay fever after 27 years of suffering. The condition first showed itself when he was four and returned every succeeding year on August fifteenth. Having strained his back at work he visited a Chiropractor to obtain relief from that condition, and much to his surprise learned that hay fever was attributed chiropractically to nerve pressure. On August 4th he took his first spinal adjustment and August 15th passed with out the semblance of an attack in the intervening three years the annual "season" has passed without any sign of distress.

**LONG WEEKEND**

NEW YORK, Sept. 15. (AP)—It was a long weekend for six-year-old Henry Bishop Jr. The Negro boy spent 17 hours of it wedged inside a chimney.

Playing on the roof, Henry slipped 15 feet down the unused chimney late Saturday. He yelled until tired, then went to sleep. A neighbor heard him yesterday, and police chopped through a wall to extricate him. "Are you hurt?" the rescuers asked. "Nope," replied Henry. "Just hungry."

**Consolidation Of Fair Units Seen As Possibility**

Preliminary surveys are being made in an attempt to ascertain if several organizations can be consolidated into one fair association unit. J. H. Greene, manager, told chamber of commerce directors, Monday noon at the Settles.

While there are many difficulties involved, Greene said there was room for encouragement over prospects. Results of the survey will be given more detailed hearing at the Oct. 6 meeting.

Possibility that GIs anticipating loans on new construction might have appraisals pared sharply while the law is vague concerning construction requirements, the VA has indicated a crack-down to insure sound values in veteran housing, board members indicated. Contractors and GIs might be helped if they made inquiry about basic requirements to insure value, said Olin Puckett, board member.

Tentative plans for beautification work this fall and in 1948 were outlined by Edith Gay, member of the committee on civic and beautification. In addition to other plans drafted, the committee tentatively explored potentiality for a semi-annual clean-up, instead of the traditional spring clean-up campaign.

Other matters before the board included a report from Lloyd Wooten, who appealed for cooperation by merchants when the Jaycees begin solicitation this week for support of the Christmas ballon parade scheduled for Dec. 4. There were reports on highways, and President K. H. McGibbon announced that Frank M. Campbell, new assistant manager of the chamber, would return here Wednesday to assume his duties under Manager Greene.

**To Direct Christmas Seal Campaign Here**

C. O. Nalley, chairman, will head the committee which will direct the 1947 Christmas Seal sale here to raise funds for the tuberculosis control work of the Howard County Tuberculosis Association, Dr. J. M. Woodall, president, has announced.

The county campaign is part of the nation-wide 41st annual Christmas Seal sale which will open on Nov. 24 and continue until Christmas.

**Commissioners Plan San Angelo Trip**

County Judge Walton Morrison and members of the county commissioners' court have made tentative plans to attend the semi-annual meeting of the West Texas County Judges and Commissioners' association, which will be staged in San Angelo Sept. 18-20.

If the entire group can't make the trip, a representative will be sent.

**WINS PROMOTION**

Staff Sgt. Charlie H. Adkins, son of Mrs. D. W. Adkins, 1602 Settles, has been advanced to the rank of technical sergeant, according to word from the Fourth Army headquarters in Fort Sam Houston.

**THE WEEK'S BUSINESS**

**Repair Work Ups Building Totals**

City building figures made further gains during the past week with a heavy increase in repair work accounting for a substantial boost. In addition there was a sprinkling of new construction and more buildings were moved from the Army Airfield to locations within the city. Twenty-five permits were granted, including a total of \$26,515 in estimated costs. The year's total moved forward to \$892,662.

The county's warranty deed total was well over a million and a half dollars by the end of the week, with eight new instruments recorded at the county clerk's office. Total for the past week amounted to \$19,395, which increased the year's aggregate to \$1,526,500.

Motor vehicles were reaching local consumers in greater number last week. The county tax assessor-collector's office issued licenses for 14 passenger cars, six trucks, one jeep, one motor bike and one motorscooter.

**ON ALL AUTOS**

**New Traffic Code Requires Specified Safety Equipment**

(Herewith is another in the series of articles on changes and amendments in the state traffic code, which went into effect on all Texas thoroughfares Sept. 5.)

Local automobile service shops have made preparations to help the motorist meet the specifications set down in the new traffic laws. Such equipment as safety glass, signal lights, horns, mufflers and brake parts can be obtained through most automotive repair dealers.

Every new car sold within the state must be equipped with two red reflectors, safety glass and have a horn capable of being heard at least 200 feet away. Horns should be used only when it is necessary to insure safe operations of the vehicle, however.

It will be illegal after Jan. 1, 1948, for a new vehicle to be sold which is not equipped with safety glass in the doors, windows and windshields or to replace glass of any other car with anything but safety glass.

Stop lights on the rear of cars must be connected with the brake pedal.

Spotlights may be carried on cars, but they cannot be used while approaching another vehicle. In the event headlights will not function, spotlights may be used if directed to strike road not more than 50 feet in front of machine.

Animal-drawn vehicles must carry at least one white light on the front and a red light in the back which can be seen for a distance of 500 feet.

Cars equipped with four brakes must be able to stop within 30 feet from a speed of 20 miles an hour. Vehicles with less than four brakes must be able to halt within 40 feet.

Blinking lights are illegal except on emergency vehicles or when used to indicate a turn.

No motor vehicle can be equipped with metal tires.

Hours during which lights must be used on moving vehicles are from one-half hour after sundown until one-half hour before sunrise and at times when there is insufficient light to see persons or vehicles at a distance of 500 feet.

Persons operating motor trucks, passenger buses or truck tractors upon any highway outside the corporate limits of municipalities at night must carry such equipment as flares or lanterns and red flags. Such warning devices must be displayed when the vehicle has been disabled.

**Work Is Started On Tax Roll**

Employees of the county tax collector-assessor's office have started work on the tax roll, a major project within itself.

Annual taxes can be paid anytime after Oct. 1 and workers must have everything in readiness by that time.

**Library Heads Will Meet Tuesday**

Executive committee of the Friends of the Howard County Free library association have been called for a meeting at 3:30 p. m. in the home demonstration agent's office Tuesday. Mrs. B. L. LeFever is president of the association.

**Quick Lunch Cafe Is Burglarized**

The Quick Yunch cafe, 209 1/2 Main, was burglarized Saturday night and a small quantity of cash was reported missing, police reported this morning.

Officers said the burglars made off with approximately \$18, most of which was in change.

Employees of the cafe discovered that the building had been entered when they opened for business Sunday morning. A hasp was broken on the rear door, officers said.

**Two Performances By Circus Slated**

Two performances—one at 3 p. m. and the other at 8 p. m.—are on tap Tuesday when Roger Bros. circus comes to town. The show is making a stand in Midland today. It travels in 50 large trucks and buses, has a 100 per cent flame-proof big top, more than 100 performers including acrobats, clowns, aerialists, skilled riders, along with trained horses and wild animals. The circus has three rings.

**School Bus Drivers Must Take Training**

All drivers of school buses within the county will be required to attend the annual Bus Drivers' Institute, which will be held here from 9 a. m. to 3 p. m. Monday, Sept. 22.

The clinic, which serves to orient the operators with new safety laws, will be held either at the court house or in the city auditorium, according to present plans.

John Strother, state highway patrolman, will lecture to the group. A talk on emergency first aid will also be given.

**Kouples Klub To Have Formal This Evening**

The Kouples Dance Klub will entertain with a formal dance opening at 8:30 this evening at the American Legion hall.

The affair is for members and guests.

**Markets**

**WALL STREET**

NEW YORK, Sept. 15.—Irregular trends prevailed in the stock market today.

Activity continued at the slow pace at recent sessions and while a few leaders showed modest gains, many issues were virtually neglected. Narrow gains were widely distributed near midday.

Commission houses said some bidding was nearing a technical position calling for a recovery. The week-end settlement raised a strike that had retarded steel operations in the Pittsburgh district tended to add some of the industrial shares. Speculative concerns, foreign and domestic economic prospects remained, however, and favorable earnings news was largely ignored.

Bonds were narrow while commodities improved.

**AUSTRALIAN HOMESICKNESS**

SYDNEY, Sept. 15. (AP)—Arthur A. Calwell, Australian minister of immigration, said today, following his recent visit to the United States, that at least 80 per cent of the 10,000 Australian war brides in America wanted to return to their homeland with their husbands and families.

Reiterating that he would be glad to see 1,000,000 Americans settle in Australia, Calwell said "they speak our language and their way of life is nearer to ours than any other way of life."

**Farmers Urged To Experiment With Legumes**

More experiments with winter legumes, especially hairy vetch and abuzzi rye, will be encouraged here during the coming season. County Agent Durward Lewter has announced.

The county agent said he hoped that a number of farmers in the county would set aside moderate portions of their land now to give the legumes a trial. The farmers stand to gain from the experiments even if the legumes do not develop enough for grazing since the nitrogen the plants store in the soil is extremely valuable, Lewter declared.

The county agent is recommending that 100 pounds of super phosphate be used for each acre of the legume crops. The super phosphate is available, and Lewter said he would assist farmers in locating supplies.

Although immediate planting is not recommended, seed should be obtained as soon as possible due to prospects for a shortage later in the season. The legume should be inoculated with Culture No. 3. Suggested planting dates will depend chiefly on moisture conditions. However, Lewter said that he would advise farmers to wait at least until Oct. 15 if necessary for a rain. If a rain falls by that date he believes that planting conditions will be ideal.

Suggested seed requirements also have been set up. The county agent recommends 10 pounds of vetch seed per acre and 10 to 20 pounds (depending on soil type) of abuzzi rye seed.

On some of the county's "light" land, farmers may find that Austria winter peas are more adaptable than vetch or rye. Lewter advised. The Austria winter peas may prove just as valuable as the other legumes, and the county agent is anxious for farmers with suitable soil to give them a trial.

**Baptist Group Meets Here**

With upwards of 500 in attendance, the 39th annual session of the Big Spring Baptist association got underway Monday morning at the First Baptist church.

Most of the morning was devoted to organization of the association, appointment of and reports from committees, and special work, before Dr. P. D. O'Brien, First Baptist pastor, delivered the annual sermon shortly before noon.

Survey committee reports were handled by the Rev. Oliver Watts, Vincent, while the Rev. T. R. Hawkins, Stanton analyzed associational needs and made suggestions for changes to meet the challenges. The Rev. Morris A. Roberts, Marshall, was down for a joint report on the Baptist Standard and the American Bible Society work, while emphasis also was placed by speakers on the benevolence of Buckner Orphans home at Dallas, and the coordinated program of United Texas Dns.

The Women's Missionary Union and the Brotherhood, both lay groups, were slated for sectional meetings during the afternoon. Expanding on the associational theme of Stewardship, the women were to keynote their program with "Forward With Christ," touching on advancement in benevolence, stewardship, mission study, periodicals, Bible study, Christian education, and organization. The men were to develop the importance of loyalty between pastor and laymen, and to hear the Rev. Arthur De Loach, Odessa, on a challenge for world-wide Christian conquest. Thomas J. Pitts, Odessa, was to preside.

At noon delegates were served luncheon in the church basement. At 8 p. m. Mrs. John L. Morris will tell of the World Baptist Alliance meeting and Rev. Vernon Yearby, Midland, will bring the missionary sermon. The meeting terminates Tuesday with department reports and final convention business at the Calvary Baptist church in Midland.

**WORN OUT FROM GETTING UP NIGHTS?**

• If you get up nights—have frequent desire to pass your water—yes, and have headache, due to excess acidity in the urine, be glad you're reading this: Three generations ago Dr. Kilmer, a famous doctor, found hundreds of his patients with this trouble. So he made a medicine of 16 herbs, roots, vegetables, balsams. He called it "Swamp-Root." Millions of men and women have taken it—often with amazing results. Swamp-Root goes right to work to flush out kidneys... increases flow of urine, helping relieve excess acidity... so the irritated bladder gets a good flushing out, too. Many report getting a good night's sleep after the first few doses. Caution: take as directed.
