Mr. McCormick had a garden plot broken up the first of the week.

We had another snow last week, which soon thawed out and left the roads in pretty bad shape.

The new Methodist church building in the west part of town is nearly half completed and a good sized saw and hammer gang is doing wonders in making this handsome structure a reality. The church will seat several hundred people and be right up-to-now in architectural design. This comes of having a preacher who is just as good at pushing a plane as he is at pulling the right hind leg of a fried spring chicken.

A WESTERN WONDER.

There's a Hill at Bowie, Tex., that's twice as big as last year. This wonder is W. L. Hill, who from a weight of 90 pounds has grown to over 180. He says:

I suffered with a terrible cough, and doctors gave me up to die of Consumption

I was reduced to 90 pounds, when I began taking Dr. King's New Discovery for Consumption, Coughs and colds. Now, after taking 12 bottles, I have more than doubled in weight and am completely cured." Only sure Cough and Cold cure. Guaranteed by The Tahoka Drug-gist.. 50c and \$1.00. Trial bottle free. For sale by the Tahoka Drug Co.

Delays in securing material are costly both to house owners and to carpenters. Stokes & Well carry a full line of builders' hardware.

THE MAN WHO KNOWS.

For years we have read that the most fruitful source of divorces was poor cooking; but the wielder of the big stick doesn't seem to think so; for in his special message about the canal zone, he says:

I was struck by the superior comfort.... of the married men. It would, in my opinion, be a most admirable thing if a much larger number of the men had their wives, for with their advent all complaints about the food and cooking are almost sure to cease.

This is the testimony of a man who has personal experience in eating both kinds of cooking and we believe he is correct. While some married women never do learn to cook good as some bachelors; yet these same bachelors are all anxious to hand the skillet over to a lady cook, no matter if they must pay for their new help with a lifetime of burnt biscuits and bitter coffee.

A MIRACULOUS CURE.

The following statement by H. M. Adams and wife, Henrietta, PA., will interest parents and others. "A miraculous cure has taken place in our home. Our child had eczema 5 years and was pronounced incurable, when we read about Electric Bitters, and concluded to try it. Before the second bottle was all taken we noticed a change for the better, and after taking 7 bottles he was completely cured." It's the up-to-date blood medicine and body building tonic. Guaranteed. 50c and \$1.00 at the Tahoka Drug store. For sale by the Tahoka Drug Store.

A BLACK EYE FOR RED-EYE.

Last week there were prohibition elections in both Big Springs and Odessa and both went dry by good sized majorities. This leaves just about a dozen saloon towns in that portion of Texas north of a line drawn from Texarkana to Del Rio, forming the largest body of dry territory under any one state government. In this connection, the town of Gail occupies a unique position; it being the only town not dominated by negroes or foreigners in all this vast region which still continues to tolerate the dramshop by authority of the law.

LONG TENNESSEE FIGHT.

For twenty years W. L. Rawls, of Bells, Tenn., fought nasal catarrh. He writes; "The swelling and soreness inside my nose was fearful, till I began applying Bucklen's Arnica Salve to the sore surface: this caused the soreness and swelling to disappear, never to return." Best salve in existence. 25c at the Tahoka drug store. For sale by the Tahoka Drug Store.

Mr. Mackenzie, the blacksmith who bought out Mr. H. C. Smith, got to Gail last week, but had to lay over there on account of the snow and bad weather.

See our samples of men's clothing. We'll sell you a suit or make the other fellow give it to you. The Fair.

THEY OUGHT TO FIND OUT.

The News has so far had very little to say about the Bailey controversy. However, we do not think it would be amiss for the legislature to thoroughly investigate his case and take action accordingly. If he is found guilty of the misconduct charged by Mr. Davidson and others, he should be dropped. On the other hand, if he is being persecuted and slandered by financial interests he has opposed in the interest of the plain people, the legislature should rebuke such disreputable slander of character by unanimously electing Senator Bailey to succeed himself.

NEW CURE FOR EPILEPSY.

J. B. Waterman, of Watertown, O., Rural free delivery, writes; "My daughter, afflicted for years with epilepsy, was cured by Dr. King's New Life Pills. She has not had an attack for over two years."

Best body cleansers and life giving tonic pills on earth. 25c at the Tahoka drug store. For sale by the Tahoka drug store.

COULD NOT BE OTHERWISE.

In spite of the recent bad spell of weather, the work of the school was not seriously interferred with. The school usually opened on time and the attendance was rather above the customary bad weather average. As in every other institution of this kind, it is the personal element which counts most if results are sought. Prof. Walker takes a personal interest in the general welfare of each one of his pupils, with the result that the school and its work claims and holds first place in their minds and hearts.
