Last Rites For County Pioneer

Mrs. Will Montgomery, 87, Lynn County pioneer, passed away early Wednesday of last week in West Texas Hospital. She had been in ill health about two years.

Funeral services were held Friday at 3 p. m. in United Methodist Church with Rev. Hugh Daniel, pastor, officiating, assisted by Rev. Aubrey White of Idalou, a former local pastor. Burial followed in Tahoka Cemetery under direction of White Funeral Home.

The former Miss Essie Bellah was born in Hood County July 13, 1881, where she grew to womanhood. Moving to Lubbock in 1913, she was married there on May 18, 1913 to Will Montgomery, who had been her "sweetheart" before he came out in 1902 to settle in Lynn County.

Following the wedding, the couple moved to the home place northwest of town where they resided the rest of their lives. Mr. Montgomery died on August 18, 1958. She was a faithful member and attendant of the Methodist Church here.

Surviving are three daughters, Mrs. Paul Kiser of Tahoka, Miss Marietta Mont-

gomery of 2308 26th St. in Lubbock, and Mrs. Aubrey White of Idalou; three sisters, Mrs. Fred Higbee of Ingram, Mrs. Hugh Henry of Whittier, Calif., and Mrs. Mary Pinkston of Tahoka; a brother, A. G. Bellah of Whittier, Calif.; three grandchildren and two great-grandchildren.

Services for Robert Embry Townzen, 87, of Rt. 2, O'Donnell, were held at 2 p. m. Wednesday in the First Baptist Church of O'Donnell. Rev. Calvin Partain, pastor, Rev. W. P. Brian of Plainview and Rev. Ray Cunningham of Wells officiated. Burial was in the Brownfield Cemetery with White Funeral Home of Tahoka in charge.

A native of Strawn, Townzen was a long time resident of both Lynn and Terry counties. He was a retired farmer.

Survivors include two daughters, Mrs. Emma Ledbetter of O'Donnell and Mrs. Lucile Barnes of Rt. 2, O'Donnell; a son, Carl James Richter of South Lake Tahoe, Calif.; four grandchildren and five great-grandchildren.

Last Rites For Erwin Browning

Services for Erwin Lester Browning, 52, of Amarillo, formerly of Lynn County, were held Thursday, October 24 at 11 a. m. in the Blackburn Shaw Memorial Chapel of Amarillo with burial in Memorial Park Cemetery.

thing, but not the ugliest thing. The decayed and degraded state of moral and patriotic feeling, which thinks nothing is worth a war is worse, far worse."

He continues "A man who has nothing which he cares about more than his personal safety is a miserable creature who has no choice of being free, unless made and kept so, by the exertions of better men than himself."

It has become a reality, and I'll admit that I thought it would never happen. The door has been opened and for the first time, girls have the opportunity to be members of the Boy Scouts of America. Yes, the National Council approved the motion, to open the Explorer Scout program to include girls. Why not, as social life behavior is a part of grooming young men into young gentlemen.

As Post Advisor for the local Explorer unit, I don't know that I am ready for such a change. My handbook doesn't tell me much about about coed scouting, hiking or camping. One thing for sure, I'll bet more young men seek to join the Exploring phase of Scouting. Too, this thought comes to me. Any takers for the job of female assistant to the Post

Advisor? In fact, I am not so sure yet, but it's possible that I would be most willing to give you my Scouting title and position.

Tahoka now stands at five wins, two by conference, and two losses.

Screwworm Spread Continues North

Screwworms are continuing to spread to the north and Plains livestock producers are urged to keep a wary eye open for the costly pest until cold weather sets in. Latest reports from officials at the Mission Screwworm Laboratory show screwworm cases popping up in several counties on the South and Rolling Plains. Howard

County has reported 14 confirmed cases while Swisher and Mitchell County show two cases and Yoakum County one case. Motley County has reported one case and Fisher County, two.

Counties neighboring the South Plains and reporting cases include Andrews, Glasscock, Winkler, Ector, Midland, Coke, Nolan, and Sterling.

All livestock producers are urged to observe their animals closely and to use every preventive practice possible during the next several weeks. All animal surgery should be delayed until cold weather arrives and all wounds should be treated immediately. Livestock should be examined regularly and sprayed with a recommended insecticide.

Furthermore, samples of all worms in wounds should be collected and sent to the Mission lab for identification. Containers for mailing worm samples are available from local county agricultural agents.

GORDON-SOUTHLAND NEWS

Mrs. Edmund Wilke

WEEK OF OCT. 24

Hello out there in "News-paper Land". Hope each of you are well, contented and happy wherever you are or whatever you are doing. It rained a little here in Southland Monday. No use to worry about this weather, because "what will be will be", but it is kinda keeping the farmers in a bind! Guess they will just have to continue picking cotton, cutting soybeans and grain in between showers!

Little Angie Wilke, daughter of Mr. and Mrs. Delmar Wilke, celebrated her fourth birthday last Wednesday night, Oct. 16, with one great big party. Those helping her to celebrate were her grandparents, Mr. and Mrs. Max Arrants from Slaton and Mr. and Mrs. Marcus Wilke from Southland, and her great grandparents, Mr. and Mrs. Jake Mueller from Wilson; Mr. and Mrs. Leroy Poer, Christi and Max, Mr. and Mrs. Jerry Harlan and Michele, Mr. and Mrs. E. C. Stabeno and Lynn; Mr. and Mrs. Glenn Kiesel

and Rhea Lynn; and Darrell Wilke, Angie's cake was decorated with "Snow White" and the "Seven Dwarfs" and was very beautiful. Congratulations and a belated "Happy Birthday", Angie.

EAGLES PLAY LOOP HERE Southland's football team traveled to Wellman last Friday night, for its first conference game, but the results weren't too great for us, because we got beat 36-12. Larry Bevers and Stanley Abshire ran the two touchdowns for Southland. Better luck to the Southland Eagles this week when they meet Loop here on their own field.

Mrs. James Shelton gave the local 4-H club a hayride and supper at her home Saturday night.

Mr. and Mrs. Robert Long, Larry and Cathy, went to Plainview on Saturday where they visited with Mr. and Mrs. Arlie Romines. Mrs. Romines fell recently and broke her hip and she is in the Plainview Hos-

Linda Cribbs, CHD Agent, Says.....

Linda Cribbs, CHDA stresses the importance of good lighting in study centers. A well-lighted desk makes it easier to concentrate and avoid eyestrain and physical tension.

To study, use a lamp correctly placed and fitted with a 200-watt bulb. If you do not have a diffuser on the lamp, use a white bulb to reduce glare, suggests Linda.

Place the lamp so the center of the lampshade is about 15 inches to the left of the work center and the

lamp about 12 inches back of the front edge of the table for a right handed person.

Several lamp manufacturers now are making specially designed higher-wattage study lamps which produce nearly twice as much light as other lamps and spread light over a wider area. They also reduce glare, says Miss Cribbs.

Tags attached to these lamps say, "This is a Better Light Better Sight Bureau Study Lamp."

Linda gives some other suggestions to improve light in a study center:

- Use a light-colored blotter or desk pad.
- Paint walls in neutral or light colors or select a plain wallpaper or one with a small, quiet design.
- Make sure that the desk does not face a window.

ATTEND THE CHURCH OF YOUR CHOICE

The hub of a railroad—the classification yard. Could you, without training or experience, take charge here? Could you sort and "spot" thousands of cars, have them ready at the right time on the right track to go out with the right train?

But every day your mind performs an operation even more complex. You sort and classify your thoughts and impulses. You decide what is right and wrong. You determine which actions are urgent, and which can be deferred. You resolve that some goals are important, and others are secondary. And every decision affects your life, and the lives of others!

Preparing men and women—and boys and girls—to make the right decisions is one of the great functions of the Church. There are sound Christian standards by which life's choices should be sorted. There is confidence and strength for those who seek, learn and practice the true Way of Life.

THE CHURCH FOR ALL ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

THE FAMILY LAWYER

GI and His Debts

When a young man is inducted into military service, he must leave behind much that he cherishes: his home, his job, his sweetheart. But what about his debts? May he leave those behind?

In proper circumstances, he may indeed. Under the Soldiers' and Sailors' Civil Relief Act he may be relieved of all sorts of obligations—from installment contracts to mortgages, from leases to taxes.

The purpose of the Act is to protect the serviceman from undue financial pressures, partly out of concern for him as an individual, partly out of concern for military morale.

The Act does not go so far as to wipe out his obligations. If it did, merchants would be leery of giving credit to anyone subject to the draft.

But the act does allow a court to either reduce or postpone those obligations, often until after the GI returns to civilian life.

By and large, the relief to be granted lies within the discretion of the court. As a rule a court will not help a serviceman whose troubles are not really due to his military status. Thus:

A furniture dealer went to court to repossess some furniture from a soldier. The soldier promptly objected, claiming the protection of the Civil Relief Act. However, it turned out that he had defaulted on his payments long before joining the Army. Furthermore, he was earning as much money as a soldier as he had as a civilian.

Under these circumstances, the court decided to let the dealer take back his furniture.

On the other hand, a GI usually is protected if his problem is service-connected, even though this means shifting some of the burden onto his creditor.

In one case a soldier was named defendant in a damage suit growing out of a pre-induction auto accident. Although the soldier was unable to appear in court, the plaintiff insisted that the trial should go ahead anyhow—since the soldier could present his defense by written deposition.

But the court decided to postpone the case, refusing to put the soldier at such a strategic disadvantage.

Admittedly, the postponement was hard on the plaintiff. But the court said that if the nation can demand sacrifices from the men in uniform, it can also demand sacrifices from those who remain behind.
