TAHOKA, LYNN COUNTY, TEXAS, FRIDAY, MARCH 30, 1923

NUMBER 30

## MERCHANTS CREDIT ASSOCIATION ORGANIZED IN TAHOKA WEDNESDAY

A called meeting held in the Small Hardware & Furniture Association was organized. A. Brashear was elected president and Ray W. Allen, temporary secretary. This committee was appointed to arrange list of names and to look into matter of employing a regular secretary. This committee will report next meeting night. The association will for the present meet every two weeks. Tahoka has long needed an organization of this kind and it will save local merchants many hundreds of dollars in the course of a year's work and will overcome dealing with cold check artists that come every day.

### THE OLD CATTLE TRAILS

An adventure, which takes us back to the old Texas cattle trails, will be in our Monthly Magazine for the 15th. Those were good old days, before the railroads were built across the state, and the readers of the County News will enjoy this story.

Your neighbor is not one of our subscribers, let him read the old cattle story. He will like it well and will mail us a year's subscription without delay.

### VIEW MAN BUYS LOCKNEY PAPER

Newspaper, March 24.—J. M. Adams, owner and editor of the Plain-News, announced Tuesday he had purchased the Lockney paper from Ben F. Smith, pioneer newspaper man of the plains. Adams continues as editor of the Plain-News and will employ a man to edit the Lockney paper. Smith will at once move to Snyder, where he will publish a new paper. The first issue will appear between the 1st of April and the 1st of May.

## WORTHY TO BE REMEMBERED

### Harvard and Elihu Yale Conferred Benefits on Early Little American Colony.

John Harvard shares with Elihu Yale, in the opinion of the Christian Science Monitor, the honor of being connecting link between England and the young men of America who graduated each year from the two colleges that bear the names of the Englishmen who founded them. The founder of Harvard college was in Southwark, Nov. 20, 1607. His son, Robert Harvard, was a butcher and highly prosperous. Information regarding John Harvard's parents and family is meager and sparse. There is every reason to suppose, but no authentic record of the fact, that William Shakespeare had had in introducing or bringing together the mother and father of this benefactor. The devotion of the young Harvard and his mother was beautiful, and through the fortune he inherited from his mother he was able to make his gift to the little colony across the sea.

### The Green Glass "Snake."

That is frequently referred to as "green glass snake" is not a snake at all, but a lizard.

In eminent naturalist, Dr. R. W. Mearns, says, in a contribution to the Journal of Herpetology, that the green lizard sometimes attains a length of more than three feet. It ranges over the eastern United States and is very abundant in Florida. Marshy places are its favorite habitat, wherein it brows for earthworms and larvae of insects. Why this curious lizard (disposition of which reveals rudimentary fangs) should have come to be called itself as a snake nobody can explain. It is beautifully colored in shades of green, with a dark streak along its back, and the "feel" of its glossy skin is like that of porcelain or glass. Its most remarkable characteristic is the reptile's ability to shed its tail when desirable, such as when chased by some other snake.

### Matador's Life Not All "Pie."

A bullfighter, "matador," draws \$2,000 to \$10,000 a fight, but has to pay his own men or "cuadrilla," and four in number. Before kill the bull he "dedicates" it to some eminent spectator and takes an opportunity to kill the bull or let the bull kill him. He must go through (technically) as long as he can stand on his feet. No one of his men can interfere between the bull and matador. A matador is on the ground helplessly. A spectator entering the ring would cause a riot and the crowd would demand their money back. A matador is an outcast or declassed in upper social strata, and could not meet socially an upper-class girl. A bull that charges and goes a horse is killed; if one matador is out, another must take up the work of killing the bull, or "rain checks" must be issued.—Adventure magazine.

## CHRISTIAN MINISTER MOVING TO LAMESA

Elder W. A. Kercheville, of Tahoka, has accepted a call from the Church of Christ here to serve as pastor. He will move here at the close of school at O'Donnell, where his wife is teacher of expression.—Dawson County Journal.

Elder Kercheville was in Tahoka from O'Donnell Monday and stated that he had resigned the pastorate of the church in Tahoka and had accepted the call at Lamesa for three Sunday's in each month and one at O'Donnell. We regret very much to give up the Kercheville family from Lynn county, and congratulate our sister city Lamesa in securing them as citizens of their town and community.

R. D. Wiley, of Abilene, Texas, a newspaper contest manager, was in Tahoka Monday. He had just closed a subscription contest for the Dawson County Journal at Lamesa.

Mr. and Mrs. Ben T. Brown and son, Ben T. Jr., of O'Donnell, visited with Mr. Brown's parents who reside in south Tahoka, Sunday.

Rev. J. T. Eldridge, pastor of the Methodist church in O'Donnell, spent a part of the day Saturday here looking after business matters.

B. J. Leedy, the artistic sign painter and interior decorator of this city, has finished work on the large drop curtain to be used on the stage in the new school auditorium, which is just being completed. The curtain is a thing of beauty in the way of scenery decorations and also has on it the advertisements of the business firms of Tahoka.

## JACK DENTON WILL BOX WITH DICK BOWERS MARCH 28th

Local boxing sports report that arrangements have been made for a boxing bout between Jack Denton of Tahoka and Dick Bowers, of Vernon at LeGrande Theatre in Childress on the evening of March 28th.

Both of these men have made quite extensive reputations as champions and Childress lovers of the manly art are anticipating a contest of unusual merit when they come together in the squared circle.

Boxing interest seems to be growing in Childress and it is probable that these two athletes will be greeted by a large audience.—Childress Post.

Miss Marile Lowe, of New Home, is a visitor in the G. W. Hickerson home this week.

The public school was dismissed Saturday afternoon in order that the pupils might attend the Santa Fe Demonstration Train, which arrived here during the afternoon.

Misses Mary Bellah, Hallie Fay Stanton and A. G. Bellah were guests at the home of Mr. and Mrs. Will Montgomery at Tahoka Sunday.—Lubbock Morning Avalanche.

## JOE BAILEY ITEMS

This part of Lynn was visited with a good shower last night and today.

Mrs. B. C. Brewer, T. A. Harris, wife and children were shopping in O'Donnell Saturday.

Bert and Ernest Brewer, also S. N. Ballard have returned from their pleasure trip in New Mexico. They all filed on a claim in New Mexico near Buchanan.

Mrs. Novian has returned from Ft. Worth. She reports her father much improved.

Mrs. Nethernton, who has been seriously ill, is reported some better.

There were several of our people met at the school house Sunday for the purpose of organizing a Sunday School. We have not learned whether or not they organized.

## J. B. NANCE HURT IN AUTO WRECK

J. B. Nance suffered a broken collar bone when the car he was driving yesterday afternoon collided with a truck near Hale Center. Mr. Nance was returning from a trip to Tahoka when the accident happened. Dr. S. J. Underwood of Hale Center brought Mr. Nance to Plainview where he was placed in a sanitarium and an X-Ray examination immediately given. He is resting well now.

Mr. Nance said he laid underneath his car for perhaps one-half hour before he could get assistance. The car was considerably wrecked. It is not known who the driver of the truck is.—Plainview Herald.

Later reports received here by C. E. Brown, state that Mr. Nance is recovering rapidly, although it will be a few days before he can return to his business in Tahoka. Mr. and Mrs. Nance expect to move here from Plainview just as soon as a suitable residence can be secured. Mr. Nance has resided here for the past year or more. His many friends will be glad to learn that his injuries were not of a serious nature and that he will soon be with us again.

## DR. L. V. McELROY OF GREENVILLE LOCATES HERE

Dr. L. V. McElroy, formerly of Greenville, Texas, has located in Tahoka to practice his profession as a physician and surgeon. Dr. McElroy will be with the Tahoka Drug Company. He has offices over the First National Bank building. The News extends to him a cordial welcome to become a permanent citizen of our town and community.

The News omitted mention in last week's issue of the appearance of the Vaughn Quartet, which appeared at the Star Theatre in Tahoka Thursday night. A large crowd heard their program which consisted of sacred, classical, comical and old plantation songs, and with jokes and impersonations made a pleasing impression and furnished entertainment for some two hours.

The quartet, representing the Vaughn Music Company of Lawrenceburg, Tennessee, with a branch house in Jacksonville, Texas, were in Tahoka carrying out an advertising campaign being put on by the music company. It is their intention to locate another branch house in this portion of the state.

The personnel of the quartet were: F. H. Stamps, bass; J. W. Duncan, first tenor; Thomas Ware, second tenor and L. A. Prine, baritone.

## Slaton Woman Dies of Indigestion

Slaton, Texas, Mar. 24.—Mrs. Mary Lena Holt, wife of Eugene Holt, prosperous farmer residing 3 miles from this city, died Friday afternoon from an attack of acute indigestion. She is survived by her husband and three children. Funeral services were held at four p. m., Saturday.

Mrs. Holt is a cousin of W. D. Nevels of Tahoka, and Mr. and Mrs. Nevels and children attended the funeral services held at Slaton.

## GRASSLAND LADY AGREES WITH KLAN ARTICLE

Grassland, Texas, Editor Lynn County News, Dear Sir:

I am only a woman, not eligible for membership in the Ku Klux Klan, but I am most emphatically opposed to anything that even has the appearance of evil, and I wish to commend and thank Bro. Howell, and the editor for Bro. Howell's article in last week's News, telling why he is opposed to the Klan.

I wish to give two more reasons why I am opposed to them. The first is, I don't want any man to set such an example for my fourteen year old boy to follow.

The second reason that I oppose them is, because I believe it is only another scheme to divide or control the Democratic party.

Christian men should ask themselves this question, when asked to join the Klan: "What would Jesus do if He was asked to join them?"

MRS. H. P. BURKHALTER.

## 1.07 INCHES RAIN FALL OVER COUNTY

This section of the South Plains received a slow rain, which began falling last Monday night and continued throughout Tuesday and Wednesday night. The precipitation measured one and seven one-hundredths inches.

This rain falling as it did gave the entire country a thorough soaking, and practically every acre in cultivation in Lynn county was in the very highest state to soak up every drop that fell, and with the new grass coming rapidly, Lynn county farmers and ranchmen are feeling optimistic over the season's outlook.

The whole of Panhandle-Plains section of Texas is wearing a broad smile as the result of the rains estimated worth millions of dollars to the farmer and stockman. It is estimated that 25 per cent of new acreage will be put into cultivation this year.

## MRS. H. W. TERRELL DIED AT O'DONNELL SUN.

H. W. Terrell of O'Donnell, was here Monday to accompany the remains of his wife to Stamford, where funeral services are to be conducted.

Mrs. Terrell died at the O'Donnell home at 11:30 o'clock Sunday.

The remains were taken in charge by the Rix Furniture Company.

She is survived by her husband, and a number of other relatives who reside at Stamford.—Lubbock Morning Avalanche.

Mayor J. R. Singleton made a business trip to Amarillo the latter part of last week.

Albert Taylor and B. O. McWhorter, of Lubbock, were in our city Friday.

Mr. and Mrs. S. I. Kemp and children of Post were guests of Mr. and Mrs. J. K. Applewhite Sunday.

J. W. Golsen, real estate dealer of Coleman, Texas, spent a few days in Tahoka this week.

Miss May Cleveland, of Lamesa, was the guest of Mrs. E. E. Callaway Friday and Saturday.

Mr. and Mrs. E. R. Allen and daughter, Mary, visited with G. W. Bradley and family in Post Sunday.

Mrs. Quincy Haney spent a few days the first of the week with her parents Mr. and Mrs. W. E. Watson, at Lamesa.

## PROGRAM FOR LAYMEN'S MEETING SUN.

Following is the program for the Laymen's meeting to be conducted at the First Baptist Church in Tahoka, Sunday morning at eleven o'clock and 2:30 P. M. The meeting will be in charge of the Lubbock and Slaton laymen.

## PROGRAM

Duet—By two little girls.  
Prayer—Rev. J. M. Doshier.  
Song—Quartet by Messrs. Bishop, Gunn, Brooks and Windell.  
Talk by Judge Geo. W. Foster.  
Song—Quartet by Messrs. Bishop, Gunn, Brooks and Windell.  
Talk—Tom W. Sawyer.  
Song by Quartet.

E. R. HAYNES, Chairman. The Lubbock Laymen will have charge of the morning service and the Slaton Laymen the afternoon service.

The people of Tahoka are extended a cordial invitation to attend the Laymen's service next Sunday at the Baptist church.

## BILL BOOSTER SAYS

LIKE KID! THE LITTLE FOLKS WE GEE GOING TO SCHOOL WILL BE RUNNING OUR TOWN IN A FEW YEARS! OUR SCHOOLS AND TEACHERS HAVE AN ENORMOUS RESPONSIBILITY AND WE SHOULD SHOW AN INTEREST IN THEIR WORK AND GIVE THEM OUR SUPPORT! YES, SIR!

We are enjoying a good slow rain. It has been raining about 24 hours. This is sure a fine season on the sod land being put into cultivation this year.

Bro Curry preached a good sermon for us Sunday at Tahoka. He said he thought he would be able to preach for us again next fourth Sunday.

Several of our farmers were at the Cow, Sow and Hen Train in Tahoka Saturday.

Several loads of material for the new school building was hauled from Tahoka Saturday. The rain has retarded the work on the building this week.

Mrs. Sam Young is very sick. Bill Kuykendall and wife visited his sister Mrs. Roy Green of Slaton Sunday.

Willie and Lola Waldrip visited Beulah Estes while she was sick of tonsillitis.

## REPORTER.

## SANTA FE COW, SOW AND HEN TRAIN RECEIVES HEARTY RECEPTION HERE

### SPECIAL TRAIN TO TECH. RALLY AT AMARILLO

W. O. Thomas, secretary of the Tahoka Chamber of Commerce, received a phone message from the Lubbock Chamber of Commerce yesterday morning stating that a special train would leave Lubbock Wednesday morning, April 4th at 7 o'clock for Amarillo where the Panhandle-Plains will celebrate the West Texas Technological College. The train will return Wednesday night.

The fare for the round trip from Lubbock will be \$8.74.

The Lubbock Chamber is very desirous that Tahoka send a good sized delegation to this meeting.

Mrs. M. A. Evans of Slaton spent the week end with her daughter, Mrs. L. F. Craft.

C. L. Alderman, formerly owner of the Tahoka Telephone exchange, but who now resides in Ohio, transacted business here Wednesday.

H. L. Allen, manager of the Texas Utilities Company of Lubbock plant, accompanied by Mr. White, production manager and the chief engineer of St. Louis, were Tahoka business visitors the fore part of the week. While here they made arrangements with the Welch Meat Market to handle their ice in Tahoka this summer.

### Jesse A. May Erecting Residence

Jesse A. May, the jeweler, has begun the erection of a modern residence in north Tahoka, and when completed will add much to the beauty of this particular section of the city. The residence now occupied by Mr. May and family, belonging to J. C. May, was recently traded for property in Post City.

Mr. and Mrs. J. B. Mobley, of Lubbock visited their daughter, Mrs. W. B. Mullins in Tahoka Sunday.

John Hickerson accompanied by Misses Thelma Hickerson and Marile Lowe, visited the family of J. C. May in Post Sunday.

### ADVERTISING SOUTH PLAINS

The Panhandle and Santa Fe Railway is preparing a folder on the South Plains. These folders will be neatly and attractively printed and will be issued to Chambers of Commerce to be issued to prospective homesteaders.

Especially will these folders be distributed in the North and East.—Plainview Herald.

### NOTICE TO THE PUBLIC

This is to notify the people of Tahoka that it has been rumored I was in the race for Mayor of Tahoka, which there is no foundation for. I am not a candidate for this office and am strictly in harmony and perfectly satisfied with the present administration.

J. N. THOMAS.

### NEWS

We are enjoying a good slow rain. It has been raining about 24 hours. This is sure a fine season on the sod land being put into cultivation this year.

Bro Curry preached a good sermon for us Sunday at Tahoka. He said he thought he would be able to preach for us again next fourth Sunday.

Several of our farmers were at the Cow, Sow and Hen Train in Tahoka Saturday.

Several loads of material for the new school building was hauled from Tahoka Saturday. The rain has retarded the work on the building this week.

Mrs. Sam Young is very sick. Bill Kuykendall and wife visited his sister Mrs. Roy Green of Slaton Sunday.

Willie and Lola Waldrip visited Beulah Estes while she was sick of tonsillitis.

## JAYTON FAMILY MOVES TO TAHOKA

It is with sincere regret that we chronicle the removal of Baker Robinson and family from Jayton to Tahoka, where Mr. Robinson will engage in the produce business. This good family have resided in Jayton for a number of years and they have the love and respect of all. They will be missed as neighbors, church-workers and friends, and Tahoka is to be congratulated for gaining these good people and will find them worthy in every way. Here is hoping they will return after a pleasant visit on the Plains.—Jayton Chronicle.

We welcome Mr. and Mrs. Robinson to Tahoka and Lynn County. In a conversation with Mr. Robinson this week he stated that he was exceedingly well pleased with our city and was here to stay. He has purchased the produce business from Jim Burnette on North Sweet street.

Large crowds, both at O'Donnell and in Tahoka were in attendance at the special Santa Fe Cow, Sow and Hen Demonstration Train, which arrived Saturday afternoon at 1:15 o'clock, and remained in the city one hour and a half. It was a day long to be remembered by those who were especially interested in any of these departments.

"The interest in dairy cattle, hogs and poultry is evident," said J. F. Jarrell, manager of the Agricultural Department. "The people of Lynn County are wonderfully progressive. The growth of the county the last score of years has been phenomenal, in fact it set a national record for rapid settlement and development," stated Mr. Jarrell to a representative of the Lynn County News.

Mr. Jarrell is a close observer and familiar with the South Plains section. He complimented the people for their spirit of co-operation and their ability to make these beautiful prairies bloom.

"The advance of Lynn County since my last visit in 1913 impresses me greatly," said J. D. Tinsley, agricultural agent of the Santa Fe Railway in charge of the speaking program on the train.

"The cordial welcome given this train in Tahoka and Lynn County generally is very gratifying," said T. B. Gallaher, general freight and passenger agent in charge of the train. "The purpose of this train is to encourage the development of this rich section by including in the farm scheme better dairy cattle, hogs and poultry."

F. L. Myers, assistant general manager, considers this train of great value to the plains section in Texas and is taking time to be with the train. "The Santa Fe Railway appreciates the generous welcome and the big turnout to the meeting both at O'Donnell and in Tahoka."

"The Texas A. & M. College," said Mr. Geo. P. Grout, head of the Dairy Department of the College, "is glad to have the opportunity to meet such strong interest in its work for improved production on the farm. The College invites your co-operation at this time especially to improve the dairy cattle, hogs and poultry production by breeding better stock thru the use of better sires."

Right breed, right feed, and right care of the milk cow, the hog, and poultry spell greater production and more net income from the farm, is the message from the Santa Fe Railway, Texas A. & M. College, Cow, Sow and Hen Demonstration Train to the people of the South Plains.

The attendance Saturday was a record breaker; farmers, their wives, boys and girls, and the business men took a day off to go and hear the speakers from the College and see the splendid three car exhibit of dairy cattle, hogs, chickens and turkeys.

J. D. Tinsley, agricultural agent of the Santa Fe Railway in charge of the speaking program, pointed out that the farmer that milked a few cows, raised some hogs and had a bunch of chickens came through the depression in better shape than the one-crop farmer. Mr. Tinsley called attention to the work of the College for the improvement of production of the Texas forms. He said the Santa Fe Railway was glad to bring the College at the farmer's door.

Geo. P. Grout, head of the Dairy Department of the College, urged the importance of increasing the production of milk and butter. He said this could be surely and quickly accomplished through the use of better dairy sires for the farm herd.

J. W. Jennings, of the Extension Service of the College, called attention to the ability of the hog to turn feed into meat quickly and economically. The plains grows a fine line of grain for the hog ration. The hog of the big type can be finished for market in six months with proper feed and care and is therefore economical in the hog lot.

Ross M. Sherwood, poultry husbandman of the College Experiment Station said that the income from poultry depends on having good birds, right feed and care. He believes in breeding up the farm flock by the use of better males and also culling the poor layers out of the flock. The egg production may be rapidly increased by the use of good male birds and careful culling.

The exhibits carry a number of outstanding individuals. The Holstein bull in the dairy car was a national prize winner of splendid type and weighed 2,700 pounds. The Holstein cow in one year produced 26,000 pounds of milk and made a net income of \$1,000. The Jersey cow had a record of 20,004 pounds of milk and 600 pounds of butter in a year. There were fine Jersey, Guernsey and Ayrshire young stock.

The hog car carried samples of the market and feeder hog, Poland China, Duroc, Hampshire and Tamworth. Attendance Friday, as reported to the News was as follows: Foch 561, Snyder 1,285, Post 1,984, Southland 1,000, Slaton 1,994, Attendance Saturday, Lamesa 2,814, O'Donnell 1214, and Tahoka 1474.

Misses Leona Key, Inez Edwards and Leota Knight, students in Simmons College, Abilene, returned to that city Sunday evening, after spending several days with home folks in Tahoka.

## Migrating to the North

**NOTICE**

By making publication of the hereinafter set forth resolution notice is given to all owners of property and to all others in any wise interested or concerned of all matters and things therein contained, which said resolution is as follows, to-wit:

"RESOLUTION APPROVING AND ADOPTING ENGINEER'S ROLL OR STATEMENT, SETTING TIME AND PLACE FOR HEARING TO OWNERS OF ABUTTING PROPERTY AND TO ALL OTHERS INTERESTED, AND DIRECTING THE CITY CLERK TO GIVE NOTICE.

Whereas, the City Council of the City of Tahoka, Texas, has ordered that the following public places and portions of streets in the City of Tahoka be improved by raising, grading and filling same and installing concrete sidewalks 12 feet in width as more fully detailed in the plans and specifications therefor, and contract for the making and construction of said improvements has been let and entered into with W. G. Douglas, the said portions of streets and public places to be improved being as follows to-wit:

- The public square on all four sides thereof and known as unit or district No. 1.
- Sweet Street from the North property line of Black Street to the South property line of King Street and known as District No. 2.
- Sweet Street from the South property line of Harper Street to the South property line of Lockwood Street, and known as District No. 3.
- Lockwood Street from the West property line of Sweet to the East property line of Main Street, and known as District No. 4.
- Porterfield Street from the East property line of Cowan Street to the West property line of Sweet St. and known as District No. 5.
- King Street from the East property line of Cowan St. to the West property line of Sweet St. and known as District No. 6.
- The North side of Porterfield St. from the East property line of McDaniel St. to the West property line of Randall Street and known as District No. 7.

WHEREAS, the City Engineer has prepared and filed with the City Council rolls or statements for each district or Unit showing thereon the amounts proposed to be assessed against the property abutting upon the improvements in each such district or unit, and against the owners thereof, and showing other matters and things necessary and pertinent thereto, and same have been examined and all errors and omissions found therein corrected.

THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF, TAHOKA, TEXAS, THAT:

The said rolls or statements be, and the same are hereby approved and adopted.

II  
The City Council does hereby determine to assess a portion of the cost of said improvements in each district or unit, against the owners of property abutting thereon in accordance with and under the terms of Chapter 11 of Title 22 of the Revised Statutes of the State of Texas of 1911, and the ordinance of the City passed on the 19th day of Mar., 1923, ordering such improvement and letting contract therefor.

The cost in each district or unit to be assessed against abutting property and the owners thereof shall be apportioned among the respective parcels of property in each unit or district, each district being considered as a separate and independent unit of improvement; and the omission of any improvement in any district, or in any part of any district, shall in no wise affect or impair assessments levied, and the omission of any improvements in front of any property exempt by law from the lien of special assessments shall in no wise affect or impair the validity of assessments. Assessments when levied shall be and constitute the first enforceable lien and claim on the property against which assessments are levied, superior to all other liens and claims, except State, County and municipal taxes, and shall also be a personal liability and charge against the true owners of such property.

The descriptions of the parcels and tracts of abutting property and the number of front feet of each parcel of property, the several amounts proposed to be assessed against each such parcel of property and the owners thereof for curb and for other said improvements, the total estimated cost of said improvements in each district and the total amount proposed to be assessed against each parcel of property and other matters and things as shown on the said rolls or statements, are as follows, to-wit:

A hearing shall be given to the owners of property abutting upon said portions of the square and streets and to all others interested, whether they be named herein or not, all of whom are hereby notified to be and appear at the time and place herein named and fixed, which said hearing shall be held on the 10th day of April, 1923, at 10 o'clock A. M., in the City offices in the City of Tahoka, Texas, which shall be continued from time to time and from day to day, if necessary, until all desiring to be heard shall have been fully and fairly heard, and at which hearing any mistake, irregularities or invalidities in any of the proceedings with reference to the making of the said improvements or assessments therefor may be corrected, and the benefits by means of said improvements, and all sums to be assessed against abutting property and the owners thereof will be determined, and the apportionment of the cost of the improvements in each district will be made, and all other matters and things required by law and the proceedings of the City will be done; and after all desiring and presenting themselves to be heard have been fully and fairly heard, the said hearing will be closed, and assessments will by ordinance and in accordance with law and proceedings of the City be levied against the said abutting property and the owners thereof whether such owners be named herein or not; and at said hearing any person, firm or corporation, their agent, representative or attorney, and any and all others in any wise interested shall have the right to appear and be heard and to introduce evidence and subpoena witnesses.

IV  
The City Clerk of the City of Tahoka is directed to give notice to the owners of property abutting upon the said public square and portions of streets, and to all others interested of all said matters and things in causing a copy of this resolution to be published at least three times in some newspaper of general circulation and published in the City of Tahoka, the first publication to be made at least ten days before the date above fixed for such hearing. The City Clerk may also give notice by mailing to each owner at his or her address, if known, by registered letter a copy of said notice, but the said notice by letter shall be only cumulative of the said notice by advertisement and publication and the notice by advertisement and publication shall in all cases be sufficient, whether or not any other notice be given.

This resolution shall take effect and be in force from and after its

PASSSED AND APPROVED this 19th day of March, 1923.

**PLANTS WITH ODD POWERS**

Many Strange Beliefs Have Been Credited to Particular Species of Growing Things.

Some plants and flowers are supposed to possess strange powers.

One of these is the mandragora, a species of the nightshade tribe, which is said to utter shrieks on being torn from the ground, and to revenge itself by killing the person who picked it. The Romans, who attached great value to the plant, never gathered it without performing a weird ceremony.

Our ancestors considered all plants growing on wild heaths and in lonely churchyards and old ruins to possess evil powers. The moonwort was supposed to be able to open locks and unshoe horses, while vervain, which was under the protection of the goddess Venus, was a sure protection against witchcraft and the bites of snakes. This plant was used to decorate the altars of the ancient Persians and the druids.

St. John's wort was able, it was said, to put to flight ghosts, demons, and even Satan himself. Mistletoe was called the "all-heel" plant and was used by doctors to cure any disease. Other charms against evil spirits were the rowan-tree and the homey "honesty," which is found in many country gardens to this day. The latter, declared to be under the protection of the moon, was supposed to be endowed with many magic properties.—London Times.

**EDITORIAL**

—Employment—

Don't you know that after all, it is the little things that put the smile in life and smoothes over and erases the rough spots that trip us up? Every day brings forth an opportunity to scatter some of these smiles along the highway of life. To add joy and happiness to somebody's home and somebody's existence.

The homes of this city are homes of comfort. The exceptions are solely the result of lacking the proper financial income necessary for the needs of living.

It is up to all of us to bring about commercial and industrial conditions that will make more and better employment possible for those who need it. And this can be done by keeping our community finances within ourselves—FOR OURSELVES.

Patronize Home Industry, Home Merchants and Home Products. From buying an automobile to purchasing a pair of shoes—let your commercial actions be limited by the boundaries of TAHOKA. Hire TAHOKA Labor, purchase Tahoka materials and let your finished improvement represent a 100 PER CENT TAHOKA LOYALTY.

Every one of these actions, friends, means employment, vocation, prosperity, joy and happiness—and we might add Profit. Profit for everyone concerned. Yes, EVEN PROFIT FOR YOURSELF. Profit in the fact that you have benefitted yourself by keeping your money in Tahoka. Profit by helping to create conditions of prosperity permitting an increased property value to prevail and greater income from your investment. Profit in the personal satisfaction and feeling that you have done your civic duty towards your city and earned the title of a LOYAL TAHOKA CITIZEN.

Every one of the Business Firms listed on this page give employment to Tahoka people. And they are only a part of the industrial district of Tahoka composed of Business men who SUPPLY VOCATION FOR HUNDREDS OF TAHOKA HOMES. Their desire is not only to maintain this condition but to increase the opportunity for labor in this community. The possibilities and amount of improvement will only be limited by your Loyalty, your Co-operation and your Patronage. Therefore let these be liberally and freely given.

**BILL BOOSTER SAYS**

BILL BOOSTER'S CREED  
I AM FOR THIS TOWN, FIRST, LAST AND ALL THE TIME! BECAUSE IT IS MY HOME; BECAUSE IT AFFORDS ME A LIVING! BECAUSE MY FRIENDS LIVE HERE, I WILL PATRONIZE ITS BUSINESS FIRMS, SUPPORT ITS INSTITUTIONS AND DEFEND IT FROM THE KNOCKERS. I AM A BOOSTER!

Order, Not Disorder.  
May we not say, moreover, while so many of our late heroes have worked rather as revolutionary men, that nevertheless every great man, every genuine man, is by the nature of him a son of order, not of disorder? It is a tragic position for a true man to work in revolutions. He seems an anarchist, and indeed a painful element of anarchy does encounter him at every step—him to whose whole soul anarchy is hostile, hateful. His mission is order; every man's is. He is here to make what was disorderly, chaotic, into a thing ruled, regular. He is the missionary of order, is not all work of man in this world a making of order? The carpenter finds rough trees; shapes them, constrains them into square fitness, into purpose and use. We are all born enemies of disorder; it is tragical for us all to be concerned in image breaking and down pulling; for the great man, more a man than we, it is doubly tragical.—Carlyle's "Heroes and Hero Worship."

## A Wish

"I HAVE TAKEN Cardui for run-down, worn-out condition, nervousness and sleeplessness, and I was weak too," says Mrs. Silvie Estes, of Jennings, Okla. "Cardui did me just lots of good—so much that I gave it to my daughter. She complained of a soreness in her sides and back. She took three bottles of Cardui and her condition was much better.

"We have lived here, near Jennings, for 26 years, and now we have our own home in town. I have had to work pretty hard, as this country wasn't built up, and it made it hard on us.

"I WISH I could tell weak women of Cardui—the medicine that helped give me the strength to go on and do my work." This card fulfils her wish.

### SHERIFF'S SALE

THE STATE OF TEXAS,  
COUNTY OF LYNN.

WHEREAS, by virtue of an Order of Sale issued out of the District Court of Lubbock County, Texas, on the 23rd day of February, 1923, on a judgment rendered in said court on the 12th day of December, 1922, in case No. 1664, in favor of the First National Bank of Tucumcari, New Mexico, against S. Van der Kooy, as principal, and H. T. McGee, as endorser, for the sum of Two Thousand Four Hundred Fifty-six and 42-100 (\$2,456.42) Dollars, with ten per cent (10 per cent) per annum interest from December 12, 1922, and costs of court, and for foreclosure of the vendor's lien as it existed August 23, 1917, on the Southwest Quarter (SW 1/4) of Section No. 1272, Adams, Beatty & Moulton Certificate No. 1083, containing 160 acres of land situated in Lynn County, Texas, and to me as Sheriff directed and delivered, I did on the 27th day of February, 1923, at ten o'clock A. M., seize and levy upon the above described tract of land, and on the 3rd day of April, 1923, being the first Tuesday of said month, between the hours of ten o'clock A. M., and four o'clock P. M., on said day, at the court house door of Lynn County, in the Town of Tahoka, I will offer for sale, and sell at public auction, for cash, all the right, title and interest of the said S. Van der Kooy and H. T. McGee in and to the said property to satisfy the above described judgment, interest and costs.

Witness my hand at Tahoka, Texas, this 27th day of February, A. D. 1923.

S. W. SANFORD,  
27-4c Sheriff, Lynn County, Texas.

### BILL BOOSTER SAYS

WHEN EVER THE KNOCKERS GET MY GOAT, I JUST THINK BACK TO OLD MAN NOAH AND WHAT HAPPENED TO THE KNOCKERS WHO MADE FUN OF HIS ARK. AND THEN I FEEL BETTER!

### SIGNIFIES TIME OF PEACE

Legend of Halcyon Days Connected With Ancient Beliefs Concerning the European Kingfisher.

Many beautiful legends are connected with the European kingfisher, or halcyon, as the bird was anciently called. An old belief was that the seven days preceding the shortest day of the year were used by the birds to build their nests, which, it was thought, floated off on the water, and the seven days following were devoted to hatching the eggs. During that period, "the halcyon days," the ancients believed, the sea was always calm. That is why the word "halcyon" is used to describe calm, peaceful days.

The power of quelling storms was believed to have been conferred upon the kingfisher by Aeolus, the wind god, who made this dispensation when his daughter, Alcyone, and her husband, Ceyx, were changed into kingfishers.

The kingfisher, from a perch sometimes as high as 50 feet above the water, does a sudden dive, seizes a luckless fish in his long beak, flies back to his perch, tosses the fish into the air, catches it again coming down, and swallows it head first.

### NOTHING TO BE SORRY FOR

As is Here Pointed Out, There May Even Be Advantages in Having a Swelled Head.

We often hear a so-called swelled head mentioned as if it were a thing to be deplored. Yet what could give the proprietor more joy than a swelled head? Imagine the satisfaction of waking up in the morning and looking at the sunshine with the thought: "Well, well, there's the old sun up again to do me homage. Good old sun to light up the world mostly on my account. What a great fellow I am! Well, I'll start out now and give a lot of folks a treat by talking with them. No use being a great chap like me and keeping myself all to myself. I'll put on my new clothes and add all the joy I can. Everybody who comes into contact with me is bound to be better for it."

"Why feel sorry for a fellow like that?" asks a writer in Collier's. Who could possibly get more fun out of life? True, he may be gaining his satisfaction on a false premise. But then how many of us can prove that our scheme of life is free from flaws? The man with a swelled head is a joy to himself and a constant source of amusement to his neighbors. Perhaps we should envy him instead of feeling sorry for him.

The editor and family visited with friends in Post Sunday.

# 116,080 FORDS For February

Shortest Month Brings New Sales Record

Acute situation certain as 6,000 cars a day production fails to meet demand.

Detroit, Mich., Mar 26.—With 116,080 Ford cars sold at retail in February, a new record for the shortest month in the year has been established. February sales exceeded those of January by more than 15,000 and marked the eleventh month in which Ford sales have topped the 100,000 line.

This sales record bears out the prediction made at the opening of the year that an acute shortage in the next two months with the increased volume of car buying in the Spring months, which is always attendant upon the year that an acute shortage in

Even the high production schedule set at the Ford Motor Company's factory here, which will reach 6,000 cars and trucks a day about April 1, will be unable to meet the apparent demand for Ford products.

Anticipating a great increase in the demand for Ford cars during the present year, the factory here laid plans for increasing production to the 6,000 car a day schedule and since January 1st, has been constantly speeding up manufacture to reach this figure. Demand so far has been of such great proportions as to absorb nearly all production, and stocks in hands of dealers are at present the lowest they have been for months.

February sales of 116,080 cars were made in the face of unfavorable weather conditions in many sections of the country which tied up freight traffic and prevented many deliveries. This was particularly true throughout the Northwest, the northern tier of States and in New England. In California, too, cold weather during a part of the month had its effect upon car sales.

Yet with even these unfavorable conditions, the February sales topped those of January by 15 per cent and set a new high record for mid-winter selling.

With February the eleventh month in which Ford car sales have gone over the 100,000, the total for this period is close to 1,250,000 cars.

## EASTER IN THE COUNTRY

BY PHEBE K. WARNER

There is no place like the open country to enjoy the Easter service. Out in the fields and pastures and canyons and valleys and woods. Out where there is no artificial lessons. Where there are no artificial birds or music or flowers or folks. But everywhere you go and everywhere you look you see the positive proof that "I am the resurrection and the life."

With the first dim ray of sunlight we are reminded that a new day is soon to be. A new Easter morning, that somehow comes out of the darkness of the night. Every rising sun and every new morning is an evidence of the resurrection morning. But for some reason Easter Morning means more to the most of us than any other morning in all the year. It must be because of the new hope it awakens in our soul. Because of all the mornings in our lives Easter morning means the most.

How beautiful the plan Easter morning should come in the Spring time. When the whole world in being resurrected to a new life. The pastures are coming back to life. The fields of grain have been buried beneath the soil for weeks and months are showing signs of a new life that is being brought forth by the mystery of a divine law that not one of us can understand any more than we can understand how the life of our child is resurrected some day from the little mound where he sleeps. But we can see the transformation that is going on in the fields of grain around us and it helps us believe, and it renews our faith in the Supreme Being, and makes us more patient about the things we can not understand. And the wild flowers that are peeping through the sod teaches us that there is beauty and life in the darkest and loneliest places that will come forth in due time. And every tree is an illustration of the Resurrection. Morning as it stands in the forest ready to burst into new life of beauty.

And when we see what a transformation an unseen, Divine Hand can bring to an empty field, a barren pasture of the bare forests, how can we doubt its power over an empty grave or a barren, hopeless life? We learned in our little old second reader in a little red school house in the timber that "there is a Power takes care of every bird, gives life to every flower." Is there anything more beautiful than Easter morning in the country? And every morning in the country in the Spring is like an Easter morning.

No, there are no pipe organs and paid choirs. You don't need them in the country where you have the chorus of nature to sing for you if you will only listen. A chorus of voices singing and swinging in the tree tops. Voices that men and women have been trying to imitate for thousands of years. Perfect vocalists that have never gone to college or spent a cent to learn to sing. How we wish someone could install a radio in the top of some tall tree out in the woods, along the little brooks that wander through our country and broadcast the music of the birds into our city churches and give the children a chance to hear real music once in their lives.

And another interesting lesson on Easter morning in the country is to watch the new home making that is going on. Many of these homes are being erected and others are being erected. Most of the little children know where to look for these new homes. For, like the birds, they remember just where the worms and the robins and the mocking birds had their homes on the same limb or in the same fork of the tree or in the same corner of the barn or on the same rock in the canyon. It is the building time of year for all nature. And every bird and every little inhabitant of the fields and woods is busy building their new home for themselves and their families soon to be. It is not only Easter morning in the country but it is the Spring time of life in the country. And nestled in the dead leaves and dried grasses and in the bushes and in the cozy corners of the canyons is a whole generation of new, wild, free life. You need not go to the store and buy little artificial cotton bunnies. Go out into the fields and you will find the real rabbits tucked away in their little warm nests.

Easter in the country is not a millinery display or a Spring style show. It is not a commercial advertisement or a contest to see who can spend the most money and make the most attractive appearance. It is not an artificial effort to teach a great truth. But instead it is the most simple, the most natural and the most beautiful illustration of the lesson: "I am the resurrection and the life: He that believeth in me, though he were dead, yet shall he live."

### THE BANKHEAD HIGHWAY

The construction of the Bankhead Highway, in detail, its cost and the material out of which it is constructed, will be one of the leading articles in the Lynn County News monthly magazine section which will appear with our issue of April 6th.

This is a State and Federal highway, passing through 32 Texas counties, and traverses a distance of 840 miles, east and west.
