Firemen to Sponsor 'Man of Mysteries'

MERLIN, the man of 1000 mysteries, will appear here Thursday night, January 28 (8 p.m.) at the High School auditorium under the sponsorship of the Matador Volunteer Fire Department.

The fast-paced performance of the Merlin show will use more than a ton of equipment.

Merlin claims to be able to read the minds of the audience right in their seats. Other claims are that Merlin can hypnotize you if you concentrate, often with a single glance.

Student of Oriental mysteries, Merlin hints that he will employ the world famous Hindu rope trick, in which a coil of rope begins to ascend upward. When it is up many feet in the air a small boy climbs the rope to the top and disappears. The rope falls limply to the ground.

Merlin is a past-master of many of the mysterious secrets which have been carefully guarded for hundreds of years.

An evening of outstanding entertainment is promised and net proceeds of the performance will be used to augment the Fire Department's general fund.

TRAIL DUST

By DOUGLAS MEADOR

One of the most lonely roads in the world is Highway 60 between Vaughn and Ft. Sumner, New Mexico. Time has forgotten the country through which it passes; a sea of Bear Grass and soil so thin the rock shows like scabs on the face of creation. The tragic days of the homesteader are gone and their pitiful wagons freighted with pieces of broken hopes, have faded in long-ago horizons. The tears of the wives were not enough to moisten the forever thirsty soil.

Eyes glazed with death looked into the cold sunset as the little brown dog gasped another sweet breath of life and fountained in the blood on the pavement. Man hurrying swiftly to another appointment with a frustrating destiny, is heedless to all save the opiate of speed.

A new symbol of beauty has come to the night in the great blue lights at farms and ranches across hundreds of miles of peaceful countryside. Seen from a plane or from the hills, they bring the rich splendor of the stars closer to the earth.

Plenty of girls who don't know how to ride a horse can whip up a meal out of frozen foods and change the record player a heap better than their grandmothers.

Many welcome mats are used to cover a faulty place in the floor.

When a friend is betrayed he may find it difficult to understand that he is not the greatest loser.

Growing old gracefully requires the same equilibrium exercised in falling on an icy pavement with dignity.

Joe Spray Accepts New Bank Position

A former Matador boy has recently accepted a position as Assistant Vice-President of the First National Bank of Bowie.

He is Joe L. Spray, son of Mr. and Mrs. Tom Spray of Fort Worth, formerly of Motley County. Announcement of the new position was made in the Wichita Falls Times and Record News, as follows:

"Joe L. Spray, formerly of Wichita Falls has joined the First National Bank of Bowie as assistant vice president.

"Charles W. Colfield, president of the First National, in making the announcement, said Spray will be a member of the loan department.

"Spray and his wife, Betty, (the former Betty Smalley) are natives of Matador, and graduates of Matador High School."

Mr. and Mrs. Sam Patton of Mayesville, Okla., as well as Mr. and Mrs. Lewis Patton of Austin, spent the New Year's week end holiday with their mother, Mrs. Bessie Patton.

Poll Taxes at Lowest Point

Lowest number of poll taxes issued in Motley County during its modern history have been recorded for voting in 1965, according to Rachel Patton, deputy in the office of Sheriff Tax Assessor and Collector J. D. Spray.

The total number recorded at noon Monday was only 253. Voters are alerted that only slightly more than two weeks remain in which to purchase the small receipts which make it possible to vote "for" or "against" any issue which may be brought to the polls in 1965.

Rites Held for Mrs. W. C. Roller

Funeral services for Mrs. W. C. Roller, 71, long-time former resident of Roaring Springs were held at 2 p.m. Friday, Jan. 8 at the First Baptist Church of Roaring Springs. Rev. Tom Shannon, retired Baptist minister of Tulsa, and Rev. Bennie Goss, Lubbock, officiated. Mrs. Roller was a member of the Flag Springs Baptist Church.

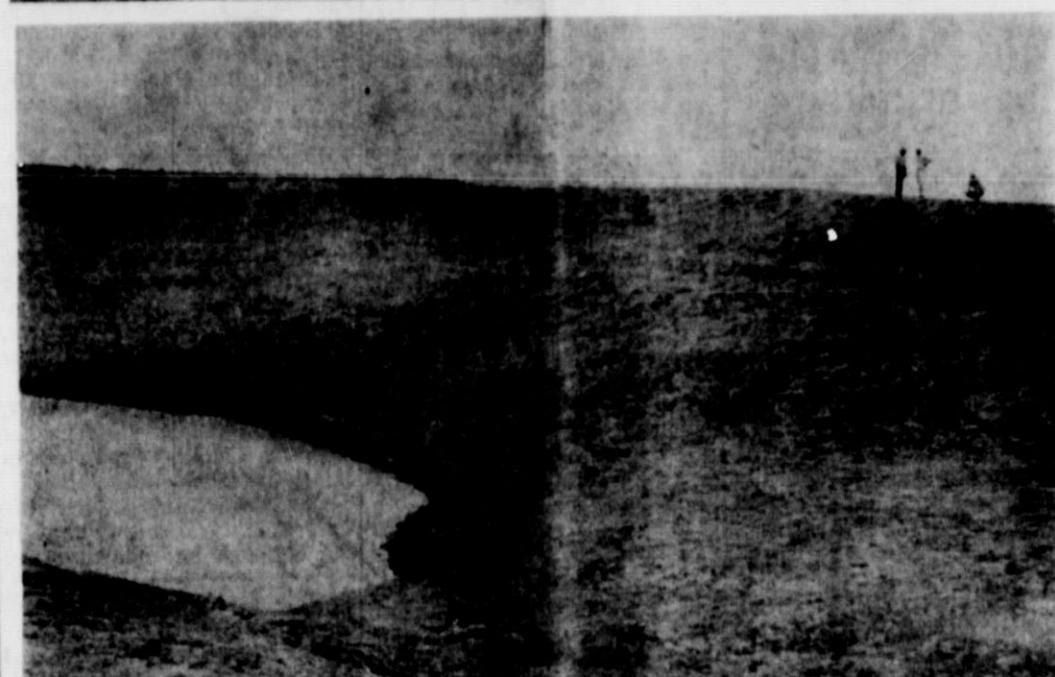

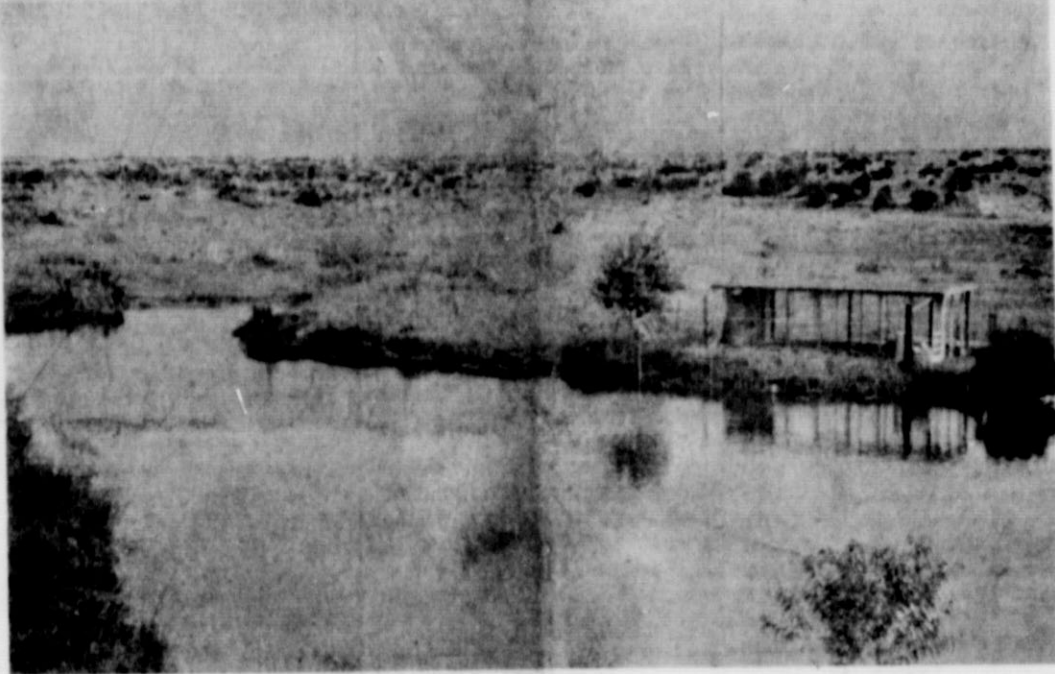

Interment was in Roaring Springs Cemetery under direction of Seigler Funeral Home. Grandsons served as pallbearers.

Mrs. Roller, the former Eula Viola Carper, was born April 1, 1893 in Johnson County, Texas. She was married to William C. Roller, October 12, 1911 in Cleburne, Texas. They moved to Roaring Springs in 1928 and lived there until the summer of 1963 when they moved to Lubbock. Mr. Roller died there in February, 1964. Following her husband's death, Mrs. Roller went to Tucson, Arizona, to live with a daughter, and died in a Tucson hospital on January 5.

She is survived by three sons, A. C. Roller, Lubbock, Vester Earl Roller, Plainview, and Jessie Earl Roller, Hale Center; six daughters, Mrs. Ira Hull and Mrs. Avery Payne, Roaring Springs, Mrs. Charlie Byars, Enochs, Mrs. Ralph Nichols, Lubbock, Mrs. J. D. Henley Jr., Tucson, Ariz., and Mrs. Ruben Payne, Petersburg; 37 grandchildren and 29 great-grandchildren.

IN CROSBYTON HOSPITAL
Mrs. Mary Wagley was conveyed to Crosbyton Hospital, Tuesday following a heart attack at Nichols Manor, where she has been residing. Her daughter, Mrs. J. P. Neighbors was called to Crosbyton early Tuesday, to be with Mrs. Wagley.

Mr. and Mrs. Giraud Felder and family, Melanie and Ray of Sweeney, were New Year's holiday visitors in the home of his mother and family, Mr. and Mrs. Roy Hankins and Patsy.

PREPARING FOR RAIN—Two photographs here by the US Department of Agriculture's special ACP program show preparation to keep rain water when it does fall. At the top is a livestock tank built by W. E. Burleson on his 22,000-acre ranch in Motley County. The shelter accommodates parties, picnickers and fishermen. A special ACP project will provide a much larger pond accessible to the public. In the lower photo is shown a new pond on the W. T. Ross ranch which will hold 25 feet of water. (The photo was made in July). The pond will provide fishing for the public under the special ACP wildlife project. Ross has two older ponds, which also provide fishing.

Evangelism Stressed at Meeting Of Caprock Baptist Association

A forceful program on Evangelism was featured here Tuesday night in a Worker's Conference meeting of the Caprock Baptist Association, comprised of 21 churches in this area.

First Baptist Church was host for the gathering, which was attended by approximately 150 member-delegates of the association.

Rev. Boyce Evens, pastor of First Baptist Church of Abertown, in the Lubbock Association, was guest speaker. His message, "The Waiting Harvest," was a dynamic summation of messages by Rev. Bill Curry, pastor of First Baptist Church, Quitaque and Rev. Dick Horn, pastor of Bethel Baptist Church, Spur. Rev. Curry spoke on "Soul Winning, every Christian's responsibility," and Rev. Horn, on "Evangelism, the main work of the church."

The service followed dinner in the church basement at 6:30. Roy Edwards Jr., Minister of Music and Education of the First Baptist Church, Floydada, led the song service and for special music sang, "Blessed Redeemer."

Silverton Pastor Presides
Scripture reading was by Rev. James Hancock, Matador pastor. Rev. Clyde Cain, Silverton First Baptist pastor presided for recognition of visitors, and announcements.

Rev. Floyd Bradley, pastor of First Baptist Church, Floydada, program chairman introduced the panel of speakers, and led the adjournment prayer in a men's altar call. Prayer emphasis was directed for an evangelistic crusade which will be held in Lubbock this spring for the Caprock and Plains area.

Dr. Franklin E. Swanner of Plainview, Area Missionary and Rev. Cain of Silverton conducted the board meeting and Mrs. W. B. Allen, Crosbyton, W.M.U. Associational president

One Killed as Car Skids on Pavement

THE WINTER STORM which struck suddenly Friday, resulted in the death of a Matador man, Ernest B. Sims, 21, when the 1954 Chevrolet he was driving, skidded just north of Tongue River, about four miles south of Roaring Springs, and overturned in a 15-foot ravine. Two companions, Archie Lee Jones, 30, also of Matador and Lonnie Joe Brown, 18, of Roaring Springs, received injuries, but were later released from Stanley Hospital here.

The three Negro men met the car skidded on rain-slick paving after they had crossed the Tongue River bridge on State Highway 70, en route to Matador. The vehicle plunged into a concrete lined ravine and downward for 15 to 18 feet.

One of the passengers was thrown from the vehicle and another managed to escape. Sims was pinned in the car for more than an hour when a wrecker was used to lift it to a point where the doors could be opened. Deputies Bobbie Williams and Eddie Russell aided Highway Patrolman F. E. Johnson in investigating the accident. Deputy Williams said Sims' neck was broken. Sims' body was brought here in a Seigler ambulance.

The sudden storm which displaced the spring-like weather of the past week, started with a series of light showers, and left a light covering of snow in this area of the Foothill country. Many accidents on the South Plains were attributed to rain and ice slick roads.

Funeral services for Sims, son of Mr. and Mrs. Jessie T. Sims of Matador, were held Tuesday afternoon at St. John's Baptist Church, with Rev. Ray Barrett officiating. Interment was made in East Mound Cemetery under the direction of Seigler Funeral Home. Besides his parents, survivors include his wife, Janice of Matador; six brothers, Herbert E., Jessie T., Donnie Ray, Carlton, Forrest and Clayton Lyndale Sims, all of Matador; six sisters, Jessie Mae Moore, Jewel Dean, Gloria and Paulette Sims of Lubbock and Joyce Barrie Samuel of Johnson City, Kansas; his maternal grandmother, Mrs. Liza Smith, Matador; and paternal grandparents, Mrs. Willie Mae Eskew of Lubbock and Willie Lee Eskew, Oklahoma City, Okla.

Matador Cagers Tape 1-1 Record

The Matador girls and boys basketball teams traveled to Turkey Tuesday night and came home with a 1-1 record after battling the Turks on their home court.

Following report of the games was prepared by school reporters Tim Green and Ruthie Lynn.

MHS girls were defeated by the Turkettes 38-31, but out scored them in field goals. Shelley Stevens led Matadors' scoring with 10 points, whereas Karen Arnold took top honors for Turkey with 17. The game left Matador with a 1-2 record in district play. (First district win for the girls' squad was a 27-12 victory over the Lakeview team Friday night, here.)

Matador boys picked up their third consecutive district victory with a 62-41 score over the Turks. The first half was practically fruitless for the Matadors, as they could not find the range, but they did manage to capture a 27-26 lead. However, in the second half, the Matadors began to pop the net and coasted to a win.

Richard Campbell topped the scoring with 26 points, followed by Tim Green with 22. A hustling defense led by Gary Campbell, Larry Bynum, and Tommie Green and the always able rebounding of Charles Ezzell were key factors in the district game.

Matadors Wing Eagles
In the Lakeview game, the Matadors won over the Eagles 57-30 to win their second consecutive league contest. Scoring leaders for the Matadors were Tim Green with 18 points; Richard Campbell, 9; Gary Campbell, 7; Larry Bynum and Dickie Garrison, 6 each; Luis Moore, 4; Ronnie Cox, Charles Ezzell, and Tommie Green, 2 each; and Charles Meador, 1.

Karol King led the girls' scoring with 19 points, followed by Sharlene Berryman with 6. Ruthie Lynn, Olivia Campbell, Shelley Stevens, Beverly Brandon, and Joanie Barton were other starters for the Matadors.

Play Flomot Here
Next home games for the Matador teams will be tomorrow (Friday) night at 7:00, when they meet Flomot here. Admission will be 50c and 25c.

ATTEND MARKET
Matador merchants who attended wholesale market in Lubbock during the week end included Mr. and Mrs. Ronald Christian of Salem's, and Mrs. W. F. Jacobs of Matador Variety, accompanied by her sister, Mrs. R. E. Campbell Jr.

HOME FROM GALVESTON
Mrs. Ronald Christian returned home Friday night from Galveston, where she has been with a niece, Miss Anna Jeanne Blakney of Turkey, who underwent plastic surgery in John Sealy Hospital, last week.

RECENT PATIENT HERE
Mrs. John Stevens was a patient in Stanley Hospital for several days during the past week, for treatment of an infection in her leg.

JEHOVAH'S WITNESSES SET MID-WINTER MEET

A mid-winter convention of Jehovah's Witnesses will be held in Hobbs, N. M., January 22-24, according to an announcement made by V. D. Tiffin, presiding minister of the Quitaque congregation, which is extended an invitation to attend.

Mr. Tiffin, in discussing the announcement to the congregation, pointed to the challenge of "obedience to God amidst a wayward world."

"The seminar's purpose is to more effectively prepare the preaching fellowship of Jehovah's Witnesses to use the Bible in building up the spiritual morale of the people of our community," Tiffin said. "Speak the Word of God with Boldness" is the convention theme.

The convention is one of three arranged each year by the Watchtower Bible and Tract Society for Jehovah's Witnesses. In over 23,400 congregations in 194 lands, the Witnesses also have five training classes each week to aid them to apply Bible principles in daily living.

The Sunday climax will be a lecture by district supervisor Harry A. Fetzik on the subject, "Our divided world—is it here to stay?" Mr. Fetzik, well-known Bible teacher and lecturer from the group's headquarters in Brooklyn, N. Y. will arrive the week prior to the assembly.

Summary of County Agents Work As Recorded for Fiscal Year of 1964

The County Agent is the local representative of the Extension Service which has the state headquarters at Texas A&M University. The Extension Service is the EDUCATIONAL branch of the USDA, with teaching of improved practices and distribution of educational material used to allow people to make decisions relative to their problems.

Demonstrations, meetings, bulletins and news articles are used to present information of interest to the people of the county. County Agent work is cooperative, with the USDA, State and County working together to help carry out a program planned by the people. The following work was done by County Agent Bill Palmeyer in 1964.

665 visits to farms, homes and businesses were made during the 246 days worked. Palmeyer drove 15,329 miles during the year, placed or received 275 telephone calls, prepared 172 news stories, wrote 1417 individual letters and 39 circuit letters. 2175 office visits were made by people seeking information, and 4776 publications were distributed.

237 meetings were held by the County Agent during the year, with 91 for adults and 146 for 4-H members. 4646 people attended the adult meetings and 7609 attended the 4-H club meetings. 125 meetings were held by leaders to help carry out the adult and 4-H programs in the county, with 1538 attending. Agencies worked with include ASCS, SCS, FHA, ARS, REA, Fish & Wildlife Service, Social Security, Parks & Wildlife, State Department of Agriculture, State Employment Service, Welfare Department, Soil Conservation District and Vocational Agriculture Departments.

142 days were devoted to adult work and 104 days to 4-H and youth work. Leading items of work were field crop production, livestock production, soil and water conservation, entomology, safety, leadership development and program planning. 86 different leaders helped with the programs in operation during 1964.

Programs for the county are developed through local people who serve on the Motley County Planning Commission, the 4-H

field crops and livestock subcommittees. Those who are not members of one of these groups are urged to offer their suggestions as to programs that will benefit the county.

inaugural program may set some records for simplicity.

The Legislature, in an informal poll, has agreed to postpone the inauguration from January 19 to January 26. This to avoid conflict with the swearing-in of President Johnson in Washington on January 20. Formal approval of the delay will be necessary after lawmakers convene on January 12.

There will be no parade, inaugural ball or all-night reception for Connally.

Governor Connally and Lt. Gov. Preston Smith will take the oath of office at high noon at the state capitol. An afternoon reception will follow at the governor's mansion.

Dancing and entertainment is scheduled the night before — at a big Democratic victory dinner in Austin's Municipal Auditorium.

More than 500 Texans are expected to make the pilgrimage to Washington to see President Johnson sworn in.

Legal Notice
NOTICE OF INTENTION TO APPLY FOR AN ACT CREATING HOSPITAL DISTRICT OVER MOTLEY COUNTY, TEXAS.

TO THE RESIDENTS OF MOTLEY COUNTY, TEXAS AND ANY OTHER INTERESTED PARTIES:

PLEASE TAKE NOTICE, that after due publication hereof, the undersigned intend to apply to the Texas Legislature at its Regular Session in 1965 for the passage of an Act creating a Hospital District over Motley County under the authority granted by Section 9 of Article IX of the Texas Constitution, the general purposes and nature of such Act being expressed as follows:

AN ACT authorizing creation of a county-wide hospital district in MOTLEY COUNTY, to be known as MOTLEY COUNTY HOSPITAL DISTRICT, providing for an election in Motley County to create a county-wide hospital district and making certain findings in connection with the establishment of the District, providing for the levy of a tax for the District, providing for the purpose of maintaining and operating the District, paying any bonds issued by the District, providing for the issuance of bonds by the District for the purpose of the purchase, construction, acquisition, repair or renovation of buildings and improvements and equipping same for hospital purposes and for any and all such purposes and for refunding bonds and prescribing limitations on such power; providing that the District may execute an operating or management contract under certain terms and conditions and that the District may lease all or part of the hospital facilities under certain conditions; providing bonds issued or assumed by a District shall be lawful investments and collateral for certain funds; providing for the selection of a governing body of such hospital district and tenure of office and powers and duties of such governing body in carrying out the provisions of the Act; prescribing a procedure for the adoption of a budget, the selection of a depository and the power of eminent domain which power is conferred upon the District, prescribing a fiscal year; withdrawing authority for the sale of bonds for hospital purposes by a city located within the District established or the County, prohibiting

the levy of taxes by a city for hospital purposes and restricting the powers of Motley County wherein the District is established to levy taxes for the care of indigents under certain circumstances; providing severability; and declaring an emergency.

Speech on Americanism Given by Future Farmers State President

Presenting the high school students with an impressive talk on Americanism, Monday, January 4, was Calvin Brints, State President of the Texas Future Farmers of America.

One of the main points emphasized in his talk was that of the decline of American patriotism. To illustrate this decline he said that on the campus of

West Point, America's most prominent military academy, there has been placed a sign saying, "Gentlemen, it is customary to remove your hats when the American flag is displayed."

Another point emphasized was education. He said, "Education is a privilege and we should take full advantage of it." There are many young people who would like to attend school but cannot. So often have we ourselves said or heard someone else say, "Oh, I wish I did not have to go to school today." In conclusion he added, "We take for granted what we have and do not realize its real importance to us."

The Branding Iron

MHS science classes want to say WELCOME BACK to Mr. Moore (Merlin) who took an extra long Christmas vacation because of sickness. Mr. Whittington taught his four classes while he was sick.

Although most students only stay at school during the day, MHS has one ambitious early bird that stays there day and night — the Study Hall WOODPECKER. He seldom makes a sound except when he comes between the screen and the glass at one of the south windows and tries to peck his way in.

The beginning of a new year always brings memories of the old, and 1965 is no exception. Some of the things MHS students have to remember are:

The day the P.E. Class could not find the volleyball net, so they played JUMP THE ROPE, and some other sophisticated games, including LITTLE WHITE HOUSE OVER THE HILL, and RED ROVER, instead.

WORLD SERIES FEVER took hold of the students, and many of them brought their transistor radios to school. What a surprise Robin McAnally had when he discovered his had been accidentally left on Mr. Whittington's car, and rescued by their way to Jayton after he passed them on his way home from school.

There were several visiting or substitute teachers during the first semester. Mrs. Wilbur Gaede taught English, as did Mrs. Harry Willett. Drum and Bugle Corps under the direction of Miss Karleen Roberts, and the Ag boys and Mr. Moss had Hal Dean Hines for a student teacher for seven weeks.

The day the SENIOR RINGS came, and everyone who did not ask to see them saw them anyway!

TESTS, TESTS, TESTS

As if daily tests, six weeks tests, and semester tests were not enough, the seniors are now taking college entrance exams. The most common of these is the Scholastic Aptitude Test (SAT), a three hour test with two parts — verbal and mathematical. Its main purpose is to show how well a high school senior can do college work. In addition, some students take Achievement Tests for their given field of work and Writing Samples.

The Achievement Tests last for one hour and show a student's basic achievement in a single field, such as chemistry. The Writing Sample is a one hour essay writing exercise for which a subject is provided. The essay is not graded, but one copy is sent to the home school and three more copies are sent to colleges of the student's choice.

Last Saturday six seniors traveled to Texas Tech and one to Childress to take various tests. Those going to Tech and taking the SAT were: Ruthie Lynn, Linda Tilson, Tommie Green, Gary Campbell, Richard Campbell, and Kenneth Pitts — who took the Writing Sample, also. Scottie Robbins went to Childress to take the SAT and the Writing Sample.

gave the 'Cubs a close game all the way, but were defeated 20-19. High point for the girls was Patty Edwards, with 7 points, while Helm led Estelina with 8. Other Matador scorers and players were Gail Lynn, 6; Barbara Slover, 3 and Billie Stockton, 2. Brenda Moore, Sue Robbins, Judy Marrs, and Mary Martin.

MGS boys suffered a 20-13 loss at the hands of the Cubs with Don Cox leading Matador's scoring with 6 points. Jones and Collier were tied for honors for Estelina with 10 points each. Ronnie Welling, who made 3 points, Mark Hill, who made 4, and Stanley Martin who made 2 points completed Matador's scoring, while Don Pitts, Jeff Berryman, and Larry Dunn played defensively for the team.

"Limelight Lassie"

by Kenneth Pitts

A personable and certainly well-known young woman, Patsy Hankins is the daughter of Mr. and Mrs. Roy Hankins. Born in Wharton, Texas, September 30, 1947, Patsy is the youngest member of the senior class.

A girl with many varied interests and activities, Patsy likes singing, acting, unusual hats and clothes, science, and more especially, playing the piano, organ, and reading. Patsy belongs to two singing groups, the 4-H Club, F.H.A., Pep Club, Drum and Bugle, and Beta Club. One of Patsy's chief accomplishments has been her reign as Lions Club Queen.

Patsy hopes to become a pharmacist and she plans to study at Texas Tech.

Estelina Is First District foe of 1965

by Ruthie Lynn

The Matador and Estelina girls battled it out here Tuesday night as the District round of the season began. The two teams were fairly evenly matched which led to an exciting game. The Matadors played hard and kept a tight hold on Estelina most of the way. With a 15-15 tie at halftime the girls

played much harder but were overcome by Estelina's 35-25 win.

All of the girls — Beverly Brandon, Francis Martin, Olivia Campbell, Joanie Barton, Shelley Stevens, Karol King, Ruthie Lynn, and Sharlene Berryman — played well. Ruthie Lynn was high point with 14 points, and Cherry Babb led Estelina with 18.

A very bright, hard working, and well known young man is Tim Sturdivant, son of Mr. and Mrs. J. P. Sturdivant. Tim was born on August 26, 1947, in Matador and has been a resident of this famous little West Texas town ever since.

Although Tim is well known as a scholar, he is adept at many other things. Tim likes reading, swimming, and especially coin collecting. He has belonged to the FFA two years, is a charter member of the Beta Club, and is an 880 yard man in track. Tim has also participated in UIL Poetry Interpretation, Number Sense, Slide Rule, and finished fifth in the state in UIL Science. One of Tim's most outstanding achievements is being a semifinalist in the National Merit Scholarship Program.

Still uncertain about the future, Tim plans to major in either physics or math at the University of Texas, where he will enroll this summer.

BEGINNERS SPOTLIGHT
 Johnnie Glen Smith, the son of Mr. and Mrs. J. R. Smith, was born July 25, 1958, in Matador. Johnnie has three brothers and

one sister for playmates at home.

He, like every other first grade student, is quick to say, "I like Mrs. Gilbreath." When asked what he likes best about school, Johnnie promptly replies, "Playing with my friends at play period."

The FIFTH grade has elected new officers for the second semester. They are president Paul Cruise; vice-president Lamar Tilson; secretary Bill Barnhill; and reporter Andy Green. The class also chose Ann Timmons, Lynn Jameson, Ronnie Turner, and Troy Smallwood to serve on the program committee.

Christmas Program In Hamilton Home

(Delayed)

Beautifully decorated for the Christmas holidays, the home of Mrs. G. E. Hamilton was the scene for her music pupils recital, presented at 7:00 p.m. Dec. 21, to parents and friends.

The program opened with a piano selection, "Valse In E Flat" by James Morris, followed by piano numbers, "Wheels" by Kate Thompson and "The Boy Scout" by David Martin; "Long, Long Ago" guitar solo by Billy McAnally; "Tom-Tom" by Rickey Hacker; "Streamline Express" by Sherry Green, and "Joy To The World" Zanna Marshall, each on the piano.

A solo "Up On The House Top" sung by Marilee Martin; "Porcupines," piano by Dan Meador; "Spinning Song" duo by Vicki Jameson and James Morris; "The Elevator" piano, by Lance Jameson;

"It Came Upon The Midnight Clear" guitar, by Pat Peacock; "Swinging Along," piano by Mike Porter; "Cradle Song" duo by Marilee Martin and Mrs. Hamilton; "The Sleigh" by Larry Jameson and "Angelus Bell" by Gail Lynn, piano selections; "Fasty The Snow Man" sung by James Morris; "Distant Bells," piano by Zanna Marshall; "The Arensky Waltz," duo by Judy Gwinn and James Morris;

"The Picnic," piano by James Pritchett; "From A Wigwam," piano by Marilee Martin; a violin solo "Jingle Bells" by Eddy Jameson; "Minuet In G," piano, Vicki Jameson; "O Come All Ye Faithful," guitar by Pat Peacock; "Hear Those Lovely

Discover the difference in the '65 Chevrolets (As different from other cars as they are from each other)

CHEVROLET — As roomy a car as Chevrolet's ever built. Chevrolet Impala Sport Coupe

When you take in everything, there's more room inside this car than in any Chevrolet as far back as they go. It's wider this year and the attractively curved windows help to give you more shoulder room. The engine's been moved forward to give you more foot room. So, besides the way a '65 Chevrolet looks and rides, we now have one more reason to ask you: What do you get by paying more for a car — except bigger monthly payments?

CORVAIR — The only rear engine American car made. Corvair Corsa Sport Coupe

You should read what the automotive magazines say about the '65 Corvair. They're wild about its ride. They can touch its styling. They say if you haven't driven a new Corvair Corsa with a 180-hp Six Turbo-Channarged! think there's nothing else this side of the Atlantic that you just don't know what you're missing.

Meet Saturday

(Continued from page 1) 5,000 historic houses, sites and landmarks to the planning of tours to view them. Included is an extensive plan for the saving of local history as well as for the introduction of this history in interesting form to school children and county residents for appreciation of their heritage.

Members of the newly-appointed Historical Survey Committee for Motley County are Mrs. Forrest Campbell, Douglas Meador, Ed D. Smith, D. E. Pitts, Sr., Mrs. U. L. Willie, J. J. Cooper, and Howard Traweek.

COUNTY AGENT PALLMEYER SAYS:

A topdressing of nitrogen fertilizer on fall seeded small grains will boost forage production for livestock grazing and increase grain yields. Nitrogen is usually the main need for such topdressing, since phosphorus and potash should have been applied near seeding time if needed, with this application based on a soil test.

Thirty to 40 lbs. of nitrogen applied in January or Feb. is recommended for this area, and for local results, talk to some of your neighbors who have followed this practice. Results across the state show that you can expect at least \$3 return for each \$1 spent.
