Motley County Centennial Musical Jamboree, March 30

Motley County is celebrating its 100th birthday this year with historical publications and special events scheduled throughout the year.

The first centennial event will be a Musical Jamboree, Saturday night, March 30 at the Motley County School auditorium in Matador.

Morris Stephens, chairman of the program, announced that Joe Carr and the Western Swing Band from the South Plains College in Levelland will open the

night of entertainment at 7:00 p.m. Other bands playing at the music festival will be Dawn Watson and the South Plains College Blue Grass Band; Bobby Suggs and the Big Sandy Band of Brownfield; Loreta Baldrige and the Western Swing Band of Spur; Cliff Stogill and The Country Sounds of Silverton and Mark Brown and The Browns of Plainview. Country/Western, Jazz, Blue Grass and Gospel music will be featured. Floyd Hardin of Childress, former Motley County resi-

dent, will be master of ceremonies.

There is no admission charge. Buckets will be passed for donations to help defray expenses, sponsored by the Motley County American Heart Association in cooperation with the Motley County Centennial Association.

The Motley County FFA Clubs will have a concession with good food available at the school cafeteria.

Come enjoy the good family entertainment and help Motley County have a resounding success at the Centennial Kick-Off Jamboree!

Whiteflat Reunion planned for first Saturday in April

by Nora Belle Dunning

Hello again, it's nearly time for the Whiteflat community reunion. Always remember it is the first Saturday of April every year.

We need pictures that can be put in the Motley County Tribune, right now! We hope all you former Whiteflat people can attend and bring your friends. We've lost 33 this past year, already, and we still

have about 3 weeks to go. Remember we're all getting older but we need to come enjoy one another as long as we can. We are afraid our new marker won't get here in time for you to see it, but it will be here by next year in our "little" park. Our reunion will be at the Senior Citizens Building behind the Matador Courthouse.

If you have early pictures of the first Schoolhouse of Whiteflat, early Churches,

or early homes or families, please send them so they can be put in the paper, as Barbara needs them for our Centennial, which Motley County will be celebrating on May 25. Send your pictures to Nora Belle "Stephens" Dunning, Box 152, Matador, Texas 79244. We've never lost a picture yet. We'll get them back to you.

We hope to see all of you at the Whiteflat Reunion!

Some Whiteflat Recollections

by Jolene Bloodworth Higginbotham

NOTE: This article was sent to Earlyne Jameson by Jolene Higginbotham when she and her husband, Vernon, sent their donations for the Whiteflat Historical Marker. It will renew many memories for those attending the Whiteflat Homecoming, Saturday, April 6. The Whiteflat Historical Marker Dedication will be at 2 p.m. Friday, May 24.

food for his own family and to share with others. Mrs. Harris (Scott Robbins' mother) was my first Sunday School teacher and Mrs. Tom Tilson my second one. One time Mrs. Tilson's father, elderly Brother Butterfield, a Methodist minister and missionary to the Oklahoma Indians, brought some of his converts and their artifacts to the Whiteflat Methodist Church. They sang hymns for the congregation in their native tongue.

When I was a little older I remember what a busy place Mr. Acker's grocery store was. I never saw Mr. Acker sit down even for amnute. Grady, his son, helped his dad in the store. The farmers would gather around the old wood or coal stove at the back of the store and talk about the price of cotton and solve all the governments' problems, or so it seemed.

One time Aleta Casey (who later continued on page 2

Former Matador Residents' Grandson Killed In Gulf War

PFC Corey Winkle was among the first U.S. Servicemen to go to the Persian Gulf Region. He was among the last to die.

Winkle, who had dreamed of a career on the Broadway Stage, drove M2 and M3 Bradley Fighting Vehicles.

He last communicated with his family in Lubbock in a letter dated February 12. He said there was nothing to worry about, he was fine and that God would take care of him.

Winkle, 21, was killed in a non-combat grenade accident somewhere in the Persian Gulf on February 25.

He was the grandson of Frank and Pauline Webb, formerly of Matador.

Attending the military funeral services in Lubbock, Monday, March 11, were his aunts and uncles, Mr. and Mrs. Fraiser Watson of Roaring Springs, Mr. and Mrs. Troy Webb of Abilene and Mr. and Mrs. Lester Morgan and a cousin, Kenneth Webb, of Ft. Stockton.

Lions Club Report

The Matador Lions Club met March 19 for the noon luncheon. Twenty-six Lions and six guests were served a delicious meal by Lou Bennett.

After Boss Lion Billy Denison made all the announcements, Lion Stacy Conner introduced the five young ladies who will be participating in the UIL Poetry

and Prose Reading.

Penny Mars presented "The Man From Snowy River", Tonya Hoyle presented two Edgar Allen Poe poems and Cheryl Davis presented three poems by Robert Frost. The prose readers were Teresa Goin and Christi Hoover.

Meeting adjourned.

WHITEFLAT RECOLLECTIONS

continued from page 1

married Grady Acker) came to our house near Whiteflat Gins during the black dust-bowl days of the 1930's. She was aghast at all the black dirt which she said had covered everything in their house; it was so bad they had to cover their food on the table before eating.

Going home after church with Rosemary, my sister, to visit and eat Sunday "dinner" (what we called our mid-day meal) with Dorothy Jean and Mary Frances (Casey Dixon). That was when they lived beyond Four Corners - across the road and north quite a distance and up on a hill. Later they moved in a house on the highway in Whiteflat where my sister and I had many good times. The Casey family loved music and would always ask me to play the piano for them. Mr. F.M. Casey and Mr. L.A. Carlisle's singing duets at the Whiteflat Baptist Church were incomparable - showing a great love of singing and their Lord.

The fall of the year, after all the cotton was ginned, Daddy would invite the community to the gin-yard for roast pig, prepared to perfection by Mr. Tom Hamilton who was bookkeeper (after our mother) at the gins. He would dig a fairly deep hole in the ground just south of the scales at the little gin office, place the whole pig over hot coals for twenty-four hours after covering it over with dirt. The pork was unusually good cooked in this fashion. Everyone seemed to have a wonderful time eating and visiting after crops were "laid by".

One year Daddy's hogs were plagued with lice; Daddy bought some goats from Arthur Lynch to "keep down" the hogs' lice. There were eight or ten head of these

goats which stayed in the pigpen just east of our back door. I loved looking at those goats' big, staring eyes and mocking their sheep-like "baaa". Of course, they would stop and listen intently and look straight at me as I tried to sound exactly like one of them! I learned early to entertain myself since there were no children next door. Somehow, I don't ever remember being bored or lonely as there was always something interesting to do. And too, I loved the great outdoors.

There was a big dappled gray stallion on our farm; he was the off-spring of the "Old Gray Mare" that had been there ever since I can remember. She had given birth and mothered many fine colts. Daddy had thought for some time about "braking" "Major" the stallion. I remember clearly the day Daddy and the Terry men who worked for him harnessing Major (for the first time) with his mother to a wagon and going across the south field to "break" Major.

One of those goats got into trouble with the Old Gray Mare; Dad turned the goats into the pasture with the mare, who had a new colt. I saw something I had never seen before or since. The mare took one of the goats by the nap of the neck and shook it "for all it was worth". I was a rather small girl and terrified by what I saw and screamed so loud Mrs. Terry said she heard me all the way to their house in the north section of the south field.

I remember being a very happy little girl with all the interesting activity around us. The people, to me, were wonderful then and even more wonderful now that I see them through the eyes of my adult years. They endured many hardships but were happy and productive; they thought of their neighbors as well as themselves. I consider myself most fortunate and am ever thankful for having come from such people and their community.

He that is not with me is against me; and he that gathereth not with me scattereth abroad.

WHY A PRENEED?

EACH PERSON'S GOAL IN PRE-ARRANGING A SERVICE IS DIFFERENT. SOME PEOPLE WANT TO MAKE SURE THAT THEY WILL LEAVE NO FINANCIAL BURDEN ON THEIR SURVIVING RELATIVES. SOME FIND IT EASIER TO MAKE ARRANGEMENTS PRIOR TO A DEATH WHEN THINKING IS NOT HAMPERED BY EMOTIONS. OTHERS APPRECIATE THE ECONOMIC ADVANTAGES IN ARRANGING A SERVICE AT PRESENT DAY PRICES.

SOME OF YOU MAY HAVE ALREADY LOOKED INTO POSSIBLY PURCHASING A FUNERAL PLAN. MANY HAVE ASKED IF WE HONOR PLANS PURCHASED ELSEWHERE? OF COURSE WE DO. IF WE MAY ANSWER ANY QUESTIONS, PLEASE STOP BY OR CALL.

Butterflies & Dreams

by Amy Woolsey

As I sat and looked out the window and watched cars go by, A huge, black and yellow butterfly caught my eye.

It was flying against the wind, struggling and fighting, trying to get to the end. The butterfly was trying so hard to reach its goal, but it never made it cause the wind took its toll.

Butterflies don't have long to live, but they try their best and give all they can give.

Be like a butterfly and reach for your dreams. Because for us humans, it's not as hard as it seems!

Adams - Barton Exchange Wedding Vows

Mr. and Mrs. James Adams

Brandi Lyn Barton and James Harold Adams exchanged wedding vows February 16, 1991 in a candlelight service at the First Baptist Church in Matador, Texas with Rev. Stacy Conner officiating.

Parents of the bride are Donna Barton and the late Mike Barton of Matador. Parents of the Groom are Harold and Cheryl Adams of Dickens.

Given in marriage by her brother, Burr, the bride wore her aunt's formal gown of imported candlelight satin. The neckline was outlined with seed pearls and the sleeves were long and tapered at the wrist. The skirt was full and re-embroidered with medallions of imported lace, which extended into a chapel train from a bow at the waist. Her headpiece was chapel length and decorated with seed pearls. The bridal bouquet featured white roses and purple freesia accented with pearls and bridal ribbon.

Leigh Barton, sister of the bride served as Maid of Honor. Bridesmaids were

Shayla Moore, Paka Barton and Memori Assiter. They wore tea length, off-the-shoulder gowns made of purple taffeta.

Mike Kocurek served as Best Man, and the groomsmen were Craig Gannon, Timmy Adams, and Travis Bateman. The groom wore the traditional black tails and the attendants wore black tuxedos.

Candlelighters were Eden and Lindsey Moore and the ushers were Mike Molar and Jim Hudson.

Music was presented by Kathy Shorter, and the organist was Elaine Risser.

Mindy Adams registered the guest and a reception was held in the home of Mr. and Mrs. Bundy Hal Campbell, aunt and uncle of the bride. Reception attendants were Paige Williams, Erin and Lindsay Bostick. Passing out rice bags were Tanya and Candice Timmons, Leslie Mobry, and Mika Meador.

Following a wedding trip to San Antonio, Texas, the couple will make their home near Dickens, Texas.

Couple Celebrates 40th Anniversary

Mr. and Mrs. Gerald Piper celebrated their 40th wedding anniversary Sunday, March 3, in the fellowship hall of the First Christian Church in Paducah.

Hostesses for the occasion were son, Steve, and daughter-in-law, Shelly Piper,

and daughter, Jane Burns, all of Paducah, with a large group of friends helping out. A big crowd of friends and relatives attended.

Attending from Matador were Bill and Nora Belle Dunning.

Arts & Crafts Club Presented Program On Oil Painting

The Motley County Arts and Crafts met at the Senior Citizens building Monday, March 11. A covered dish luncheon was enjoyed by the club. Una Simpson taught a class in oil painting of an Adobe house.

Betty Simpson, President, called the meeting to order. It was voted to send the local servicemen boxes of the articles collected. Also the club is in charge of selling booths for the crafts and food at

the Centennial May 25.

Those attending were Betty Simpson, Una Simpson, Joy Archer, Lorene Lancaster, Wynona Gilbreath, Dora Watson, Bertha Stearns, Toni Fellows, Rhea Lawrence, Elsie Thacker, Winifred Darsey, Geraldine Key, Debbie Seigler, Bonnie Edmondson, Leola Mckelvey and Pearl Patten, a former member, re-joined the club.

Matador Garden Club Hears Program On Memorial Markers

Plans for projects and other activities during the remaining two months of the club year, were on the agenda at regular meeting of Matador Garden Club, Monday, March 18 held at the Motley County Library. Hostess was Mrs. Edgar Lee.

A program on "Blue Star Highway Markers in Texas" was presented by Mrs. W.N. Pipkin, with Mrs. E.D. Lawrence as program leader.

Mrs. Pipkin, president, called the meeting to order for the usual reading of the secretary's minutes and treasurer's report. Committee reports included suggestions for plants in the planter boxes, offered by Mrs. Ted Elliott, chairman of the Parks Committee, and a discussion on the progress being made toward obtaining new containers as replacements for the damaged old ones. Goal for this project is set for the county's centennial celebration, May 25.

In her introduction, Mrs. Pipkin explained the origin of Blue Star Memorial Highways in America: "The Blue Star Memorial Highway Marker program was approved by the National Council of State Garden Clubs, Inc., in 1945 as a tribute to the nation's Armed Forces. Today the program is evident on more than 40,000 miles of highway across the nation. Texas has 41 Blue Star Memorial Highway Markers, and it is being urged by the National Council to garden clubs in the state to "Make this your Number 1 project during 1989-91."

There are three types of markers, according to the information furnished Mrs. Pipkin: The Blue Star Memorial is a highway marker of cast aluminum identical on both sides. Overall height when erected is seven and one-half feet. A Small Marker is a plate of aluminum eight inches high and twelve inches long which is designed to be mounted in masonry. This is appropriate to mark garden club civic plantings. Byway Marker is the same as above with lettering "Blue Star Memorial" and the garden

club name. The two small markers are suitable for club or public civic plantings in city, county or state parks, picnic sites, etc. They do not have to be located on dedicated highways. In conclusion, Mrs. Pipkin outlined the 16 steps necessary in placing a Blue Star Memorial Highway Marker.

Mrs. Lawrence read a report from the Lone Star Gardener magazine, "Come to the Rescue," concerning rescuing trees from destruction along State Highway 31 in the area of Hubbard in central Texas; and the yearbook Thought, "Happiness is a roadside flower growing on the highways of usefulness..." (by Aikin).

After the program, Mrs. Lee served refreshments of dips and chips, cookies, nuts, candies, punch and coffee from a table centered with a seasonal arrangement featuring a compote containing a miniature madonna surrounded by pastel blue and pink blossoms.

Present were Mesdames Artie Wason, Winifred Darsey, Rhea Lawrence, Bailey Elliott, Winifred Lee, Lila Meador and Opal Pipkin.

STAINS THAT CANNOT BE REMOVED

At one time or another, everyone has had a stain that defied removal. No matter what products were used or which methods were tried, the stain remained stubbornly in the fabric.

Because of today's easy-care fibers and chemically active cleaning products, consumers sometimes forget that there are still some things that cannot be done.

One of the stains that cannot be removed is benzol peroxide, an ingredient of acne medicine that causes rusty, yellowish stains. These are bleached spots in the fabric. Benzol peroxide is difficult to rinse off the body because it is very insoluble. To prevent visible damage when using products containing benzol peroxide, use white household textiles such as sheets and towels. White collars on garments prevent discoloration to necklines. Cover chair arms with clear plastic or small white towels for everyday use to prevent damage to upholstery. Protect carpets by keeping a small sheet or blanket on hand to lie on.

Brown age spots on fabrics are another stain that cannot be removed. These are often caused by caramelized sugar from food stains that were left in the fabric when it was stored. Sugar from soft drinks and some other foods are invisible when fresh, but turn brown as they age. The best way to prevent them is to be sure that all fabrics are clean before they are stored.

Often causes of age stains on fabrics are fumes from heating systems, usually found along fold lines, and discolorations caused by hair care products, perspiration or deodorants. These discolorations often do not show up for several weeks or months. Protect garments from sprays or drips of grooming products and launder them frequently to remove any acciden-

tal exposure. Refold textile products every four to six months if they will be stored for a long period of time.

A staining problem unique to carpets, even the new stain resistant ones, is hot food with a sauce. Almost every stain can be removed from stain resistant carpet except this kind.

The heat of the food melts the sauce into the fibers and the color actually becomes a part of the carpet. Use extra care when carrying such dishes as spaghetti sauce across the carpet to avoid this type of stain.

The most common non-removable stain is bleached spots. Bleached spots can be white, yellow, a lighter shade of any color or even a completely different color from the original fabric. Bleach spots can come from many different products including laundry bleach, tile cleaner, mildew remover, hair preparations and rust remover, to name a few. To prevent these stains, read and follow labels carefully.

If a product contains peroxide, hypochlorite or oxalic acid, be careful not to spill or spray it on fabrics because it will remove the color if the solution is strong enough. Always dilute liquid bleaches when adding them to laundry unless the machine has a bleach dispenser.

With some care and a little knowledge of today's chemicals, spots that cannot be removed can be avoided. Remember that for these stains, prevention is the best remedy.

Educational programs conducted by the Texas Agricultural Extension Service are for people of all ages regardless of socioeconomic level, race, color, sex, religion, handicap or national origin.

Thought for the Day:

The easiest way to find time to do all the things you want to do is to turn off the television set.

Thank You

A big "Thank you" to those who baked a cake or pie and donated it to the auction for the drama department. Also "thanks" to those who donated money because they saw a need. \$375.00 was raised from this project. With all proceeds given to the drama department for expenses. A special "Thank you" to Boyce Hart, auctioneer, Stacy Conner and Jeff Thacker for their assistance. The Motley County PTO could not function without the support and caring attitude of our community.

Terree Donaldson, PTO President and PTO officers

Words can never express our gratitude for all the acts of kindness shown to our family during Fred's illness and death. The flowers, cards, food, phone calls, and offers of help are greatly appreciated.

Thank you to everyone for having a loving heart and sharing in our loss.

The Motley County Arts & Crafts Club

El Progreso Club Hears UIL Participants

El Progreso Club met March 15, 1991 in the Senior Citizens building for a program in the category of GFWC/TFWC Arts: Literature and Drama. The meeting was called to order by club president Mrs. Joe (Loys) Campbell. Discussion was held concerning the Motley County Centennial celebration on May 25 and what the club will do for that special day. It had been noted that signs were up on the roads coming into the county telling the public we are a Centennial county. Commemorative coins will be sold to all who order and that should be done soon. The club donated to the drug-free graduation party being held on May 24, so the young people can have a time to remember with fun instead of sadness from alcohol or drugs.

The leader for the afternoon was Mrs. Ted (Bailey) Elliott who read the caption from the yearbook, BETTER THAN GOLD. She then introduced Mrs. W.N. (Opal) Pipkin who presented the four girls who will compete in UIL competition in Poetry Interpretation. Accompanying the girls were Mrs. Alvin (Seven) Alexander, who assists Mrs. Vaden (Carol) Hays in coaching them and Mrs. Beverly Mars, mother of Penny, one of the competitors. The girls and the title of their poems were: Penny Mars, a senior

in Motley County High School, "The Man From Snowy River", by A.B. Patterson; Christie Hoover, "The Sneaker Crisis" by Shirley Jackson; Teresa Goin, "The Dog That Bit People", by James Thurber and Cheryl Davis who delivered "Old Christmas" by Roy Helton. The last three girls are all freshmen and all four were very talented in their presentations.

Mrs. Pipkin then gave an excerpt of a book she had planned on giving for a review but had become ill and these girls needed experience in speaking before a group, so did not give the review. It was from "Me'n Henry", a book she bought in Arizona while visiting in Bisbee. This book was vignettes and this is one she chose to finish the program of THE ARTS. Its title was "The Balking Horse".

Mrs. Elliott concluded the program thanking the girls and their sponsor and the mother who attended. Refreshments were served by hostesses, Mrs. Robert (Winifred) Darsey and Mrs. R.E. (Lucretia) Campbell, Jr., to those mentioned and Mrs. J.E. (Marge) Edwards, Mrs. Henry (Pearl) Patten, Mrs. Dale (JoEtt) Bumgardner, Mrs. Bob (Nell) Clem, Mrs. Douglas (Lila) Meador, Mrs. E.A. (Dorothy) Day, Mrs. Frank (Lola) Pohl and Mrs. Furman (Beverly) Vinson.

TEACHING

The world into which the Lord Jesus Christ came and lived and died was one just like the one we live in today. Divorce was rampant, crime was unbelievable and no one respected human life. Yet, He taught the people of salvation and eternal life. But is it Christian to concentrate just on the people's spiritual problems? Probably not! That is, while man shall not live by bread alone, there is no denying that he does need bread. But physical aid is kind of hopeless if it doesn't include teaching of the spiritual.

Teaching is one of those double-barreled blessings that not only blesses the one being taught but the one teaching also finds a blessing. This is why the writer to the Hebrews was so concerned in Heb. 5:12. They needed to be teaching in much the same way an overweight person needs to chop wood. The benefits received from the exercise are as important as the fire in the hearth. And so it is with Christians. We need to be teaching for our own benefit as well as for those who receive our teaching.

There are many in this world who need help, that is true. In our helping there needs to be teaching. The world needs taught and Christians need to teach. Teach one or many, but teach the Word of God. Preservation of life with purpose is the way of wisdom. (Ecclesiastes 7:12)

Commercial Vehicle Operators Must Get New License

Little more than a year remains for drivers who operate commercial motor vehicles to get their newly required commercial drivers license. If you drive vehicles with a GVWR over 26,000 pounds, haul placarded hazard materials, or transport 15 or more passengers you will be required to get a commercial driver license (CDL). You must get this new license by the expiration date of your current license or April 1, 1992, which ever comes first.

More than two-thirds of our Class A and B licenses will not expire before April 1, 1992, therefore we expect long lines at our Driver License offices beginning late this year and continuing to the April 1st deadline.

We would like to schedule your CDL testing now. Driver's will be given a 4 dollar credit or each full year of validity left on their present Texas license. The CDL costs 40.00 dollars. There is no fee for making application or taking as many tests as are necessary to qualify for the CDL. All drivers have to take the knowledge tests. Those drivers who meet the following qualifications will not be required to take a road test.

- are currently licensed.
- during the past two year period have had no more than one license, no revocations, or suspensions, and no convictions for a disqualifying offense.
- is regularly employed as a commercial operator and has passed a road test in

a state with a Classified testing system in the type vehicle he will operate or has operated for two years prior to application the type vehicle he expects to operate.

We are currently planning a CDL off site knowledge test in your city in the near future. Contact Elaine Hart, Motley County Sheriff's office to sign up for this test. You will receive the application forms and a handbook to study. The application forms must be returned to Sheriff's office within two weeks to insure your ability to take the test locally.

The application must be filed out in black ink and notarized by a Notary Public before being returned. It will also be necessary for the applicants to have the

following items at the time of the test.

- Current Drivers License
- Acceptable proof of Social Security number (original) SS card, W-2 form, previous pay stub or voucher, no metal SS plates.
- Glasses or contacts if necessary for vision test.

All large groups (over 15 drivers) who have not contacted the local Drivers license Trooper need to do so as soon as possible to set up off site testing for your group at another date. Those small businesses under 15 or independent drivers who need a CDL need to sign at this time as another group testing date for you may not be scheduled.

Take time to teach your children Kite Safety.

- Always use wood, plastic and paper in kites; never use wire or metal.
- Always fly kites on dry, clear days, remember, wet string will conduct electricity.
- Always fly kites in open areas FAR FROM ELECTRIC POWER LINES and avoid busy streets and highways.
- Always call WTU if your kite gets snagged in a power line; do not pull on the string to retrieve it.

WEST TEXAS UTILITIES COMPANY

Remember: Kite flying should be fun, please keep it safe.

SEEDS FROM THE SOWER
Michael A. Guido
Metter, Georgia

One day, at a picnic, a bee lit on a woman's shoulder.

Everyone became excited. "You're going to be stung," cried one.

"No," said a beekeeper. "That bee won't sting. It's full of honey."

Many aren't filled with the honey of God's love, and they go about stinging. They're cruel, not kind; grumpy, not gracious;

haughty, not humble; touchy, not tender; sullen, not sweet. Sad, isn't it!

O, let the God of love fill your heart, and the honey of His love will flow from your life. Then you'll be known for your sweetness, not your sting.

Senior Citizens Report

by Nora Belle Dunning

The Matador Senior Citizens met on March 12 for regular luncheon with 28 people present. Bro. Stacy Conner gave the blessing for our meal. A good lunch was enjoyed by all.
Ruth, we missed those good hot rolls, even if we did have hot biscuits, ha-ha!
Ruth Baker, President, called the business meeting to order. Ruby Thompson read the minutes and gave the treasurers report. Happy Birthday was sung to Bill Dunning. Ruth asked us to sign and send a letter to our congress to stop Madeline O'Hara from getting and

stopping prayer, use of Bibles and anything pertaining to religious activities in our nation. O'Hara already has a huge number of signatures on her side.
We are sorry about part of our group being home ill and not getting to come. Sorry you were ill, Ocie. Barbara and Carla, sorry you were not with us.
We played 88 before and after lunch and enjoyed it very much. Come join us on Friday at 2:00 p.m. for games. Minnie we've been missing you, hope you'll soon feel like coming up to play with us.
