### Richard Campbell to be On National CA Program

Richard Campbell will leave Saturday morning for New Orleans, La., where he will appear as soloist on a program Monday night on the National Association of County Agricultural Agents meeting at the Jung Hotel. The 17-year-old youth is the son of Mr. and Mrs. R. E. Campbell Jr.

He will be accompanied by his sister, Mrs. Charles Cullin of Lubbock, and Motley County Agent Bill Pallmeyer. Mr. Pallmeyer will remain to attend the meeting through the week Mrs. Cullin will provide the piano accompaniment for her brother, and they will leave Tuesday to return home.

The program Monday night will be in the form of a 4-H Talent Show sponsored by Monsanto Company of St. Louis, Missouri. Richard will be one of twelve acts selected from 4-H Talent Reviews held in states in the Southern region of NACAA. Others in this region will be from Oklahoma, Arkansas, Mississippi and Louisiana.

The group is scheduled to be in New Orleans Sunday, for rehearsals at 2:00 p. m. That evening they will be guests of Allis-Chalmers Mfg. Co., at a shrimp broil and Vesper at Lake Pontchartrain. Breakfast Monday morning will be a courtesy of International Harvester Co., and a Mardi Gras Ball is scheduled for Monday evening following the program.

In a letter dated August 25 from Fred J. Gehring, Public Relations Manager of the Agricultural Division of Monsanto,

### Motley County 4-H Clubs Gain Impressive Record During 9 Years

LAST YEAR 316 boys and girls were members of Motley County's nine 4-H Clubs and represented approximately 75% of the young people eligible. Their programs were supervised by 65 adult volunteer leaders.

It is fitting during National 4-H Club Week, Sept. 26-October 3, to list some of the achievements of 4-H Clubbers during the nine years the county has participated in statewide contests.

Four club members won college scholarships. They are Jan Barton, Boyd Long, Leo Reed and George Reed. One member, Jan Barton, (now Mrs. Tom Hamilton) has won a trip to the National 4-H Conference in Washington, D. C.

Since 1955 a total of 305 members have entered 113 contests, won 34 first places and 26 second places. A total of 109 members have won trips to the state contests at College Station.

Of the 39 teams entering contests five have won first places and three 2nd places in the state.

Motley County 4-H teams entering statewide contests, have won four 1st places, two 2nd places, two 3rd places and two 4th places.

An interesting program has been planned for the meeting according to Commander R. C. Giesecke.

### Matadors Crimp Bulldog's Ardor In 3rd Straight Season Victory

A LOT OF NOISE died on Burleson Field here Friday night when Class A Spur Bulldogs and their 50-car caravan of hopeful boosters, tangled with the Class B Matador Matadors. It was the same story. The Bulldogs went down 22-6 to give the Matadors their 3rd straight victory of the season. The Matadors led in 1st down 15-6 and in yards rushing 244-132. Here is the game as written.

By Tim Green

The Matadors took the opening kickoff and marched 75 yards in 20 plays for the initial TD. Quarterback Gary Campbell plunged two yards for the touchdown. Tim Green swept right end for the extra points to make the score 8-0 with only 3:06 remaining in the first quarter. No other scoring took place in the first half, although the Matadors drove to the Spur 18 in the second quarter only to have a penalty stop their effort.

Larry Bynum picked off a Spur pass midway in the third quarter and weaved in and out would be tacklers for 65 yards as he was finally brought down on the Spur 4 yard line. Richard Campbell tied the ball into the end zone for the Matadors' second TD. The extra point try failed.

Spur bounced right back and scored five plays later on a 41 yard scamper by Tim Karr to make the score 14-6. Try for points failed.

In the fourth quarter Kenneth Pitts recovered a fumble on the Spur 30 yard line to set up the final touchdown. The Matadors drove the final 30 yards for the score with Tim Green plunging the last yard for the score. Kenneth Pitts drove over for the extra points to put the score at 22-6, where it remained.

Larry Keltz and John Thomas were outstanding on defense along with Richard Campbell, Tom Green, Ronnie Cox, Dickie Garrison, Danny Davis, and Charles Ezzell.

Richard Campbell carried 26 times for 130 yards, followed by Tim Green, 12 carries and 58 yards; Pitts, 12 carries for 34 yards; Gary Campbell, 12 carries for 19 yards; and Charles Ezzell, one carry for 3 yards.

### Accident Victim Arrested After Hospital Release

J. D. Hughes, 42, of Plainview was arrested immediately on his release from Stanley Hospital here Tuesday morning, following an automobile accident on State Highway 70 Saturday afternoon.

Others Negroes in the automobile which failed to negotiate the sharp curve about three miles south of town, were Ed Lee Jones, Joe Green and Henry Simmons all of Matador. The accident was investigated by State Highway Patrolmen Buck Johnson and John Whitfield.

Hughes was charged with speeding and driving without a driver's license. The 1955 Cadillac was almost completely demolished. Hughes was the most seriously injured. The other passengers were released after receiving medical examinations.

### Flomol Rites for Mrs. J. T. Bural

Services were held at Flomol Sunday for Mrs. J. T. Bural, 83, resident of that community for the past 47 years. Rites were conducted at 3 p. m. in the Flomol Church of Christ with Jess Browning, minister, officiating.

Burial was in Flomol Memorial Park Cemetery under the direction of the Seigler Funeral Home.

Mrs. Bural was found dead at her home early Friday, by her daughter, Mrs. H. S. Gilbert of Flomol. She died of an apparent heart attack. Mrs. Gilbert had visited with her mother Thursday night until about 9 o'clock.

The former Della Lee Dodd was born October 8, 1880 at Rio Frio, Texas. She and her husband, the late J. T. Bural moved to Motley County from Clarksville in 1917. Mr. Bural died March 10, 1949.

Survivors include four daughters, Mrs. H. S. Gilbert, Flomol, Mrs. Jim Currie, Amarillo, Mrs. Howard Atkinson, Hansford, Calif., and Mrs. Albert Martin, Floydada; a son, Quincy Bural, Modesto, Calif.; a sister, Mrs. Lillie Kelly, Rio Frio; a brother, Lum Dodd and two half-brothers, Ed Dodd and Robert Dodd all of Salsaw, Okla.; seven grandchildren, 13 great-grandchildren and one great-great-grandchild.

Pallbearers were L. B. Monk, John Currie, Will Currie, Lottie Gilbert, Harrison George, Alfred Martin, Ike Gilbert and Curtis Monk.

### Patton Springs Meets Benjamin

Patton Springs Rangers will meet Benjamin Friday night, there, and next Friday, Oct. 9 will start Conference play with Guthrie in their home field. Game-time is 7:30.

### OPEN HOUSE

Mr. and Mrs. Avery Payne of Roaring Springs will be honored Sunday, October 4 with a housewarming at their new home. Friends are invited to call from 3 until 5 o'clock. A number of friends will serve as hostesses.

## TRAIL DUST

By DOUGLAS MEADOR

Anything less than the truth is an extravagance in time that must eventually be consumed in explaining what should have been said in the first place.

When you measure a man's accomplishments by the methods employed, the difference is his character.

There is but one direction to go when you get too far out on a limb.

The days have passed through the old house like revengeful soldiers and torn the doors from their hinges, broken the window lights and ripped away most of the warped shingles. The steps where the children once played are a shell of rotting wood, and decay mocks the sunlight on a stained wall. Only the morning-glory vine clinging to a trellis, holds a thread of beauty. Blue flowers nod to the phantom winds and green leaves whisper a cadence against the pale cheek of solitude.

The momentum of modern living is a strain on affection and there is not enough time in which to kiss our departing money goodbye.

Tranquility is not always the product of a heart at peace with the world. It may be the fruit of stark stupidity, or grow out of the soil of abominable unconcern.

In the old days my father used to jump out of the wagon and hold the team by the bridle bits to keep them from running away when we met an automobile. A horse's instinct was projected 50 years into the future in the recognition of real danger.

### GIRLS FOOTBALL GAME AT ROARING SPRINGS

A girls "Powder-puff" football game will be held at Roaring Springs, Thursday, October 8. It was announced this week. Admission will be \$1.00 for adults and 50c for students, and tickets may be obtained from members of the senior class.

### Residents Attend Services for Aunt

Mr. and Mrs. Vance Gilbreath attended funeral services Saturday in Midland for her aunt, Mrs. Vellie Foster Teague, 81. Mrs. Teague died Thursday in Lubbock. Services were held in Newbie Ellis Funeral Home Chapel, Midland and burial was in Fairview Cemetery, Midland.

### TO HOUSTON HOSPITAL

Alfredo Escobar of Roaring Springs left Wednesday for Houston, to enter the M. D. Anderson Hospital for treatment. He had surgery recently in the Crosbyton Hospital. He was accompanied to Houston by his wife, and their eldest son, Pfc. Alfredo Escobar Jr., who arrived home Thursday from Fort Devens, Mass., on leave due to his father's illness.

### HOME FOR GAME

Pete Davis, who is attending West Texas State University, Canyon, came Friday to attend the football game between the Matadors and Spur Bulldogs. He was accompanied by his roommate, Teddy Powers of Brownfield, and another student, Henry Worley of Jal. N. M. While here they visited briefly with Pete's parents, Mr. and Mrs. C. R. Davis.

### IN HOUSTON COLLEGE

Joel Dean Spray, son of Mr. and Mrs. J. D. Spray is attending the Houston College of Medical Technology in Houston. He was a student at Texas Tech, Lubbock last year.

### Bird's Eye View Of The Jaybirds

By Gary Campbell

With three tough victories over Class A schools, the Matadors will go to Jayton Friday night to put their perfect record on the line against the Class B newcomers.

The Jaybirds advanced from 8-man to 11-man football this year. Among their victories are Rochester, Rule, and Forsan. Jayton's big man is Morales, fullback. He weighs 185, is fast, and is very effective on wide plays. The two halfbacks are Judy and Smith. Judy is shifty with above average speed, while Smith is used mainly as an extra blocker and on short yardage plays. The signal-caller is 133-pounder, Murdock. Their best lineman is a 218 pound tackle named Donnie Rinker.

Jayton's offense is run primarily the same as Matadors', while on defense they usually run a 6-3 with an inside linebacker.

### Roaring Springs Firm Schedules Open House Sat.

Open house will be held Saturday in Roaring Springs by Collier Farm Supply, Inc., at the former location of Marshall Feed & Seed.

The firm will handle feeds, seeds, insecticides and fertilizers, according to Joe Collier, manager. The store will also serve as headquarters for the firm's spraying services.

C. L. "Corky" Marshall will aid in the store for a period of time. Mr. Collier said. Coffee and donuts will be served at the open house and the public is cordially invited.

### Welcome Mat Out For Homecoming

Welcome Mat is out at Northfield to all former residents returning for the second Community Homecoming, Saturday, October 3.

All residents of the Northfield area serve as hosts for the event, which attracted several hundred persons last year. Registration will begin at 9:30 a. m. Saturday, at the school building, and basket lunches will be served at noon.

### Flomot Plant Ends Old Water Problem

ABUNDANT water was available Saturday to the 61 metered customers of Flomot's new Water Supply Corporation. The lines had been flushed out and the shining new \$55,000 system was in operation. Some of the customers are 2 1/2 miles from the water well.

Among the more appreciative customers were Mr. and Mrs. Wade Martin, two miles east of the community, who have been hauling water for home use since their well went dry this spring.

The storage tank, about one mile north of town, has 30,000 gallons capacity, and with a pressure system, provides service equal to large cities. "It will knock the bottom out of a bucket," one customer declared. Three standard fire plugs are located in Flomot's business section. The plant is served by a modern automatic chlorinator located in the pump house.

The plant was financed by a Farmers Home Administration insured loan program with the money furnished by the First National Bank of Quitaque.

Well of good water has a capacity of 60-70 gallons per minute. Biggs & Mathews of Wichita Falls, were engineers. Rhodes Pipe Co. of Silverton were line contractors and S. J. Braselton Co. of Roaring Springs was the well contractor. Legal work was performed by Ben P. Ayers of Floydada. Alfred A. Harrison, Floydada, FFA supervisor for Motley and Floyd Counties, serviced the project.

The Motley County Committee consists of J. C. Franks, Flomot; D. P. Keith, Matador; W. H. Marshall, Roaring Springs. Flomot Water Supply Corporation is composed of Leon Cloyd, President; John F. Speer, Sec-treasurer; J. H. George, Malcolm Turner and Harmon Moseley, members.

PLENTY OF GOOD WATER from a hydrant in her back yard is a source of satisfaction to Mrs. Wade Martin. The Martin farm home is two miles from the Flomot well. The family has been hauling water since their well went dry in the spring.

### Clubwomen Charged with Citizenship By President of Santa Rosa District

Clubwomen of the county Thursday were charged with their responsibilities as citizens, not only on a local or even state level, but on a world-wide plane.

Mrs. W. B. Johnson of Crowell, president of Santa Rosa District, Texas Federation of Women's Clubs as guest speaker for the opening program of El Progreso Study Club, stressed the thought of "Enriching daily life through Federation."

The meeting was held at the home of Mrs. A. C. Traweek.

Mrs. Johnson was introduced to the club by Mrs. D. E. Pitts, who told of the speaker's outstanding record in her local club, having served as an officer or committee chairman for 43 years. She has been a member of the Adelpian Study Club in Crowell since 1922.

"American women are most wonderfully blessed," Mrs. Johnson declared. "Federation is a woman's home with walls extended. We have a vital part in world affairs and are an influence in making a better world. We found the prescription for freedom—womanpower is one of the greatest ingredients in democracy."

Recently returned from a world tour, Mrs. Johnson recounted the plight of women of other nations, who still exist in a state of almost servitude. She urged that women take more note of government. "Women do have an important role in politics," she asserted, "and we do have a wonderful

opportunity to serve . . . let us fulfill our responsibility as citizens."

#### Ingredients For Success

For a successful club, Mrs. Johnson suggested the following ingredients: "A large box of co-operation; 2 dozen ideas of inspiration; 1 gallon of Enthusiasm mixed with compromise; several packages of patience; 2 spoons of understanding; plenty of Hope; 2 boxes of Common Sense; and 1 club worker with a Jewel of Humor."

She enumerated the many projects sponsored during the past year by Texas Federation of Women's Clubs and outlined those planned for the current year, as she again reminded her listeners of the many doors of opportunity for service waiting to be opened by them.

Mrs. Forrest Campbell, president of El Progreso Club served as program director. The Federation song was sung by the club members with Mrs. G. E. Hamilton at the piano and Mrs. W. N. Pipkin as leader. The program was closed with an Inspirational Thought by Mrs. W. D. Lipscomb.

#### Tea Honors Guests

Mrs. Johnson was accompanied here from Crowell by her mother, Mrs. J. M. Bell of Austin. They, together with members of Eternas Study Club, Matador and Predicta Study Club, Roaring Springs, were honor guests at a tea following the program.

Mrs. Campbell presided at

### Loveless Twins Once Visited Here While Making Chautauqua Circuit

Making headlines the past two years at Mt. Pleasant, Iowa has been the revival of Chautauqua during a week of Old Threshers and Settlers Reunion, and an interesting account has been received by the Tribune, from Mrs. J. M. Harper, the

former Marjoria Moore of Matador. This year, among the visitors were the Loveless twins, two couples, who once visited Matador during an entertainment tour of the Chautauqua Circuit.

For the benefit of others who might be interested in the story, here is Marjoria's letter, dated Sept. 17:

You know how small this old world is. And it is getting smaller every day. Twice last week I had the pleasure of running into people who knew about Matador, Texas and were happy to talk with me about the community and the fine people there. It became so interesting to me that I thought you would enjoy it as much as I have.

I should start by telling you about this wild week at Mt. Pleasant called the Midwest Old Settlers and Threshers reunion. It reminds us much of the "Old Settlers" in Motley County, except that it is much more extensive and entertaining. But the human element is much the same with folks building up to it all year, and it being the thing that everyone does the first week in September. This year about 100,000 persons

passed through the gates during the week, so you can see that it is quite an enterprise for a community of 8,000.

#### Chautauqua Is Attraction

"For the last two years the community has brought the 'Big Brown Tent' of Chautauqua to Mt. Pleasant and it has proved most successful. This has been done by the people in the community . . . not by any outside group. The program will tell you of the variety of features this year. And herein

lies the tale . . . (among the featured speakers was Dr. Richard Howland, Curator of Smithsonian Institution, Washington, D. C.)

Dr. Howland asked me how I managed for my nice southern accent and I told him, of course, that I was a good displaced Texan, and this brought on a wonderful discussion of the Matador Ranch and its place in the history of the west.

"Maybe I should not have been surprised that a historian of his note should know about the Matador Ranch, but I was, and it was most interesting to hear our home town discussed from the viewpoint of a national historian. He asked all kinds of questions about what the good people of Motley County were doing about preserving their history and heritage . . . I told him of the historical society, but knew little of what they were doing.

"He says with the very rich heritage of the cowboy that wonders could be wrought there. When he reminded us in his speech that an average of 27 tourists a day, for a year can equal an industry with an annual payroll of \$100,000 per year, I began to think that he might be right about the wonders that can be wrought.

#### Twins Remember Matador

"Well the other story is perhaps more interesting from the viewpoint of personalities . . . I am enclosing the story from the Mt. Pleasant paper about the Loveless twins. They came because of the Chautauqua . . . they had been of the Chautauqua circuit for ten years and wanted this chance to remember when.

"I had a nice visit with them and when they found that I was from Matador they had a fit . . . because it had been on their circuit in the early '20s, and they had such kind things to say about the community and the people. It was such fun for them to tell me about the memories of the things that had happened to them there and other towns in West Texas. They send their kindest regards to the good people of Matador.

"I had the fun of writing an article for the special edition about the barber shop that they have brought in for the pioneer village. What I did was remember all the things that I could about the early day barber shop there and just insert the word 'cornhusker' for cowboy. It turned out pretty well. "Enough of this foolishness. I guess that the point is . . . it is no fun doing these things if there is no one sharing it with you."

Mrs. Harper is the daughter of the late Mr. and Mrs. Rance

#### PLAY AT FLOYDADA

Our club was invited to Floydada last Thursday for their GUEST DAY, and our members accepted. The four players entered this tournament, from Crosbyton, Lubbock, Tulla, Matador and Floydada.

Those going from here were Mary Meason, Tommie Newman, Laverna Price, Vivian Campbell, Louise Barton, Becky Campbell, Mickey Gostick, Sherry Thompson and Hazel Doonan. Mary and Louise played Championship Flight. Hickman of Lubbock won. Eloise Moore of Lubbock played in this flight.

#### We had a BIG DAY

weather was ideal, their course beautiful, and the play . . . a challenge to other places again . . . all fun. Artie Webb (Mrs. Piggada now) and we enjoyed her. At the luncheon, golf charms were presented each guest from the Piggada Country Club . . . These were very thoughtful gifts and very appreciated. After lunch Vivian, Laverna and Louise played another round.

Billie Barnhill and Lou Cox were playing here at Thursday . . .

#### Sunday, October 4

Women's Association is holding a tournament for the men. Tee-Off will be at 1:15 . . . let us all be there . . .

#### RELATIVES VISIT DURING WEEK END

Rev. and Mrs. W. H. Vail, Mr. and Mrs. Roy Gray of Clarksville, were week end guests of nieces and a nephew of the Vails, Mesdames Curtis King, Wilson Barton and Bruce Cammack, and Charlie Staff and their families. Other relatives were also here during the week end, and the local residents shared host duties in the King home for Sunday dinner.

In the group were Sgt. and Mrs. Chas. Barton and family of Ft. Sill, Okla., Mr. and Mrs. Pat King, Plainview, Mr. and Mrs. Sonny Taylor, Odessa, Mr. Roger Seaff, Lubbock, and Mr. Ed Cammack, Matador.

Mrs. Olive Russell is visiting her son and family, Mr. and Mrs. J. M. Russell in Colorado City, and will go from there to Fort Worth to visit her daughter and husband, Mr. and Mrs. Bill Mantooth.

Moore, and sister of local residents, Mrs. Olive Russell and Mrs. John Hamilton.

### MHS Begins Day With Devotional

By Sharlene Berryman

Each day before classes begin, the student body and faculty take a moment to hear a scripture reading, a short illustration, and a prayer. These daily devotionals are the responsibility of the class presidents, who must provide literature and volunteers willing to give the devotionals. Each week, the devotionals come from a different group of students - first the seniors, then the juniors, sophomores, and freshmen.

### COACH SPARKS WINNING MOOD

By Stella Martin

In every pep rally at MHS, a question comes over the student body as Coach Johnson walks slowly to the front of the auditorium to give a few well-chosen words directed not only to the football team, but to the whole student body as well. He usually pauses and looks at the student body until each student thinks he is looking directly at him.

what he says that makes everyone search his mind. It is the seriousness of his voice and look when he speaks of football and school spirit that gives every student the feeling that unless he contributes his best, the school cannot achieve its best.

After his speech, the atmosphere is penetrated with a tingling feeling of desire to win, felt by each and every student.

### Classes Give First Reports

By Joanie Barton

The English classes made reports on various authors this week. The freshmen and sophomores reported on fiction and biography books, and gave their reports in the form of a symposium.

The junior class, which will study American literature this year, reported on American authors. They read books by such well known authors as Mark Twain, James F. Cooper, Kenneth Roberts, and Nathaniel Hawthorne. They wrote critical themes discussing factors which influenced the authors writings and his style of writing. The seniors reported on English authors such as Sir

Walter Scott, Charles Dickens, and George Eliot. They wrote themes similar to those of the junior class, and later in the year will divide by authors into discussion groups.

### POLITICS ARE CIVICS TOPIC

By Nancy Bond

If, by any chance during the seventy weeks of school, students and teachers should hear loud screeches, desks being thrown against walls, and other such noises coming from the history room, they shouldn't be alarmed. It will only be the seniors "calmly and orderly" discussing their political views.

Mr. Johnson's civics class has been planning a debate on the presidential candidates. The teams are nearly evenly divided with 14 Lyndon admirers and 13 supporters of Barry.

### LA ARENA STAFF IS APPOINTED

Lynda Elliott, daughter of Mr. and Mrs. Ted Elliott, has been named editor of the 1964-65 La Arena.

Helping Lynda will be Patsy Hankins, assistant editor; Butch Waybourn, head business manager; Linda Tison and Judy Cook, assistant business managers; and Nancy Bond, art editor.

Subscriptions for this year's La Arena went on sale September 23. The price of each annual is \$3.57, including tax. Sub-

scriptions can be purchased from any of the business managers.

### "The Branding Iron"

Dallas McCarty, freshman student at MHS, has moved to Vernon, where he will attend school.

Students at MHS had a practice fire drill, September 23. The drill, designed to acquaint the students with the escape routes, was the first this year.

Mr. Moore, science teacher at MHS, attended a class in flying recently. The instructors were several of the senior boys, who began the class after attending a party held at the home of Jane Briscoe.

### THE MAVERICKS

The eighth grade class went to Lubbock Monday to tour the Texas Technological College Museum, attend a Planetarium show and the South Plains Fair. The class left Matador around noon, and returned about 8:00 p.m.

Parents who took cars were: Mrs. Scott Robbins, Mrs. Stuart Dixon, Mrs. Claudie Matney, Mrs. L. M. Cox, Mrs. Manly Thompson, and Mrs. J. E. Edwards.

### Crosbyton Tops Mavericks, 22-8

The Matador Mavericks battled Crosbyton last Thursday in their opening game of the 1964 season. Although outweighted by a talented Crosbyton team, the Mavericks fought down to the wire.

Crosbyton scored first in the initial period and converted to make the score 8-0. But Don Cox led the Mavericks back for revenge as he hit pay dirt for a touchdown in the first quarter and followed with the extra points to even the score 8-8. Crosbyton counterattacked and scored again late in the first quarter to make the score 14-8. Try for points failed. The scoring ended in the fourth quarter as Crosbyton marched

over the Mavericks goal line and added the extra points to make the final score 22-8.

Outstanding for the Mavericks were Don Cox, Mark Hill, Ronnie Welling, Darrel Marshall, Glen Moss, and Don Pitts on offense. Larry Dunn, Stanley

Martin, Stephen Gwinn, Ronnie Martin, Aaron Timmons, Leslie Jameson spearheaded a hard-nosed defense.

Mr. and Mrs. Tommy Rice are parents of a baby girl born Friday, Sept. 25 at 10:17 a.m. at Lockney General Hospital. The baby weighed 7 pounds, three ounces and was named Dana Jeanne. They have another child, Kirk, 2 years old. Maternal grandparents are Mr. and Mrs. Art Green of Flomot and paternal grandparents are Mr. and Mrs. Tom Rice of Hale Center. The mother is the former Alta Mae Green.

**Farmers Home Adm. Aids Young Farmers**  
Farmers Home Administration is aiding young farmers interested in the advancement of agriculture, according to Alfred A. Harrison, County Supervisor of Floyd and Motley Counties.

Eighteen young farm families are receiving loans to assist

them in the purchase of farms, the construction of essential farm buildings, the acquisition of livestock and machinery, and funds for the further development of their resources this year.

"One of the major endeavors of the Farmers Home Administration in 1964 is to assist young farmers in accomplishing the extremely difficult task of acquiring capital and the skill needed to take over the farms of their retiring elders," stated L. J. Cappleman, State Director. Over 1,000 young farmers less than 35 years of age have received the financial and technical assistance of the FHA in Texas this year, he said.

County Supervisor Harrison advised that this financial assistance is available to young farm families who are unable to obtain adequate credit from private sources, meet all other eligibility requirements, and have the ability and the desire to become successfully established in farming and ranching operations.

**Deadline Near for Signing for Wheat**

Deadline for signing up for the wheat program is Friday, Oct. 2, farmers are reminded by County Agent Bill Pallmeyer.

Under one new provision, farmers signing up in both the wheat and feed grain programs may substitute wheat for feed grains, or feed grains for wheat, Pallmeyer said.

Under this provision, wheat can be planted on both wheat and feed grain acres this fall, and if the wheat looks good next spring, all this acreage can be left in wheat. If outlook for the wheat crop is not good, all or part of the wheat can be plowed up and the destroyed part put in feed grain.

Producers taking part in the program, who plant as much as 80% of their allotment for harvest will be eligible for full amount of certificates.

For those who comply with the program, price support is \$1.25 per bu. They will also receive domestic marketing certificates of 75¢ per bu. on a maximum of 45% normal production of the farm allotment, and an export certificate of 30¢ per bu. on a maximum of 35% the normal production of the farm allotment.

The 1965 Ford is the most-changed in the 15-year history of Ford Division. The traditional, round Ford taillight is replaced by a modernistic hexagonal shape in keeping with the crisp, elegant look of the new Ford. Luxury styling is combined with a luxury car ride described as so smooth and so quiet the heater and air conditioner fans had to be moved into the engine compartment because their low-toned whirr was distracting. A luxurious new Ford Galaxie 500 LTD series (above) features an interior of quality and style previously obtainable only in higher-priced cars. Five separate roof lines are offered with interior and exterior trim features to give greater distinctiveness to each of the 17 models than ever before. The complete line of 1965 Fords — two- and four-door hardtops, sedans, convertibles and station wagons — will be introduced in Ford dealer showrooms on Friday, September 25.

Diversion payments for diverting below the farm allotment will be based on 50% of county price support loan rate and normal yield for the farm. (Farmer will not receive diversion acre payment on the minimum qualifying acres, but will on the additional diverted acres up to 20% of the 1966 allotment.)

Those wishing to qualify for the above payments, will have to sign up and meet all provisions of the program, including preventing weed growth and not harvesting or grazing diverted acreage unless approved by the ASC County Committee, Pallmeyer asserted.

**COUNTY AGENT PALLMEYER SAYS:**

The agricultural census for 1964 will start Nov. 9. Enumerators must live within the area which they work. Those interested in this work should write Mr. Percy R. Millard, Regional Director, Bureau of the Census, 708 Jackson St., Room 201, Dallas, Texas for additional information.

Qualifications are: A US citizen; 18 years old or older; have a high school education or equivalent; have a knowledge of farming and farm operations; have use of a car; and not be engaged in any form of political activity during the period of employment.

Winners of the Sears Swine Show held in Matador on Sept. 19th were as follows: Kay Cooper, Matador, 1st; Tommie Green, Matador, 2nd; Pat Peacock, Roaring Springs, 3rd. The winning gilt exhibited by Kay

Cooper will be shown at the area show in Lubbock along with the boar, owned by Mike Peacock, Roaring Springs. Manly Thompson, Matador, served as judge for the 1964 county show held at the Burton-Lingo Lumber Yard in Matador.

It appears that 1964 will be a screwworm free year for Motley County, but producers can't afford to let down their guard yet. Damp weather increases the chance of a late fall outbreak, therefore keep a close check of animals, and if worms of any type are detected, collect and mail a sample immediately. To date, all samples from Motley County submitted this year have been certified as maggot-free, and in Texas, only one case was reported in August. I still have mailing kits for those who do not have one.

Four Matador 4-H girls, under the supervision of Mrs. Jerry Noles, prepared exhibits for the Floyd County Fair held at Lockney Sept. 17-19. Placings were as follows: Cup towel; 1st, Jeanette Day; 2nd, Peggy Marrs; 3rd, Loretta Thompson Blouse; 3rd, Jeanette Day Skirt; 2nd, Peggy Marrs Sewing boxes; White awards, Peggy Marrs,

Loretta Thompson and Debbie Smallwood.

The people of Motley County are eligible to compete in the Floyd County Fair, and their participation is encouraged. Entries may be in beef, swine or sheep divisions for livestock, and field crops, fruits and vegetables divisions. For the women, there are divisions for textiles, canned fruits and vegetables; frozen fruits and vegetables; pickles, preserves, etc., breads, cakes and pies. There is also an art division, craft section and flower division. I have a few 1964 catalogues available for those who are interested in entering one of the divisions in 1965.

The election of Soil Conservation District Supervisor from Zone 1 (all area in Motley County west of Tex. Hwy. 70) will be held in the District Courtroom in the Motley County Courthouse Friday Oct. 2nd at 2:00 p.m. All landowners in Zone 1 are eligible to vote, and urged to do so, for the supervisor is their representative in matters relative to soil and water conservation. Frank Montgomery, Matador is currently serving as supervisor for this zone.

**Former Resident Dies in Crowell**

(Delayed)  
Mrs. Ed Tharp, 84, widow of a pioneer Methodist preacher, and one-time resident of Matador, died in the Crowell hospital on September 1. Friends here learned of her death just recently.

Her husband, Rev. Tharp, who was pastor of the Matador First Methodist Church during the 1930's, preceded his wife in death several years ago. They had made their home in Crowell for a number of years.

Mrs. Tharp was born in Oklahoma Territory on February 21, 1880. Funeral services were held on Thursday following her death on Tuesday, at the Crowell Methodist Church and burial was in East Lawn Cemetery in Lubbock.

Survivors include four daughters, Mrs. Mildred Magee Crowell, Mrs. Ora Gillespie Stamford, Mrs. Lillian McKelvan of Lubbock, and Mrs. Mary Buchanan of Post. She has sisters, four grandchildren, and great grandchildren, and great-great-grandchildren.

(Delayed)  
Recent visitors in the home of Mrs. R. E. Donovan were Mrs. A. L. Winegar of Crosbyton and their son and family, AS5 Harvey Winegar, wife and young son, who arrived in Crosbyton on Sept. 27 from Germany, where he was stationed for five years. Mrs. Bernice Knight has returned from her recent trip to Alabama, where she visited daughter, Mrs. O. M. Dickerson and family.
