Roaring Springs Couple Honored with Golden Wedding Anniversary Reception

In observance of their Golden Wedding anniversary, Mr. and Mrs. A. B. Nichols, long-time residents of Roaring Springs were honored Sunday afternoon at a reception held here in the home of a daughter and family, Mr. and Mrs. Algje Groves.

The reception followed a family dinner in the home of a son and family, Mr. and Mrs. Ralph Nichols, also of Matador.

The ceremony uniting Miss Eunice Virginia Morton and Arthur Benjamin Nichols was performed Dec. 9, 1908 at Balingner, Rannels County, Texas. Mr. Nichols was engaged in the dry goods business and his bride was teaching school.

In 1912 they moved to Dickens County, where they farmed for two years. From 1914 until 1921 they lived in several localities including Taylor, Concho and Wichita counties. They returned to Dickens County in June, 1921, and in 1924 moved to a farm just north of Roaring Springs. This was their home until about a year ago when they moved into town.

Mr. Nichols was born March 24, 1884 at Glen Cove in Coleman County. One of his earliest positions was that of postmaster at Truett, Texas when he was only 21 years of age. Mrs. Nichols was born Feb. 7, 1887 at Jones Prairie in Milam County.

Decorations In Gold

In keeping with the occasion, the Groves home featured decorations in tones of gold which included attractive gilded dried arrangements fashioned by a daughter-in-law, Mrs. Jack Nichols of Pampa.

The house party included the Nichols' four sons and three daughters and their families, being Mr. and Mrs. Ralph Nichols, Vada Beth, Virginia, Carroll Dennis and Rita Diane, and Mr. and Mrs. Algje Groves and Mike, all of Matador; Mr. and Mrs. C. M. Nichols, Becky Lynn and Brenda of Quanah; Mr. and Mrs. Harold Renfro, Rob, Curtis, David, Melvin and Becky of Plainview; Mr. and Mrs. John Green and Sharon of Spur; Mr. and Mrs. Jack Nichols of Pampa; and Mr. and Mrs. Beryl Nichols of Fort Worth.

The couple's fifteen grandchildren include three who were unable to be present: Manuel Nichols, who is in military service, Pat Groves, who is attending Rice Institute in Houston, and Truman Groves, who resides in Granada Hills, Calif.

Guests were greeted by the Nichols' sons, and the granddaughters assisted with the gifts. Daughters and daughters-in-law presided at the refreshment table and were assisted by a niece of Mrs. Nichols, Mrs. Gordon Stine of Wichita Falls.

Mike Groves, at his Hammond organ, played old-time favorite selections during the afternoon.

A green cloth with a gold trim covered the dining table which held a floral arrangement of gold chrysanthemums, sprayed with glitter and flanked by gold candles in twin candelabra. Decorated cake squares were served with spiced tea.

Mrs. Green registered the guests. Besides friends from Roaring Springs and Matador who called, others included a

Belew - Burluson Vows are Exchanged Recently in Dallas Church Ceremony

The marriage of Miss Lou Jean Belew of Dallas, Texas, daughter of Mrs. Blix Belew and H. L. Belew of Woodward, Oklahoma, and Stanley Burluson, was solemnized Nov. 28 in "The Little Church", chapel in the Central Christian church in Dallas.

Dr. E. C. Rowand officiated at the double-ring ceremony, and traditional wedding music was presented by Mrs. Newell Faulkner of Arlington, Texas. Gene Prewitt of Houston sang "The Lord's Prayer" as the couple knelt at the altar.

The bride, given in marriage by her father, wore a two piece white wool cashmere dress with white accessories, a shoulder length veil and carried a white Bible topped with white roses and white ribbons.

The church was decorated with white mums and white candles.

Miss Wilma Prewitt of Dallas was the bride's only attendant. She wore a two-piece wool suit of deep blue with matching accessories. Her flowers were of the palest yellow gladiola buds.

Paul Belew, brother of the bride, served as usher and also as the candlelighter.

W. E. Burluson served his son as best man.

The reception was in the home

cousin of Mr. Nichols, with his family, Mr. and Mrs. T. O. Downey, of Amarillo who were accompanied by their son and grandson, Ray Downey and Bryce, also of Amarillo; Mrs. Garlin Murphy and son Mike, and Mrs. E. E. Moss of Lubbock; and Mr. and Mrs. J. P. Moss of Floydada.

of Mrs. Fannie Farmer, a great aunt of the bride. There were white mums throughout the house. The bride's table was centered with a three-tiered, all white wedding cake, topped with a miniature bride and groom, white candles in crystal holders were tied with white satin bows and streamers on which the names "Stan and Jeanie" were written. After the bride and groom cut the cake, Miss Joyce Shellenbarger served it and Mrs. Nelene Depew, cousin of the bride, poured the punch. Miss Marisue Burluson, sister of the groom, was in charge of the guest book and assisted at the reception.

For traveling the bride chose a blue and green wool plaid costume with avocado green accessories. Her flowers were the palest yellow roses. The couple had a short wedding trip through South Texas.

The bride has been employed for the past year as a reservationist for Braniff Airlines in Dallas. Mrs. Burluson graduated from Woodward high school and attended Panhandle A&M College in Oklahoma.

The bridegroom is the son of Mr. and Mrs. W. E. Burluson of Floydada, and grandson of local residents, Mr. and Mrs. J. C. (Doc) Burluson, and also of Mr. and Mrs. Wilburn Barton of Flomot.

He is a graduate of Floydada High School, and operates a ranch near there, where the couple will make their home.

Mrs. Seth Sager visited in Vernon, Quanah and Chillicothe Tuesday, with friends and relatives.

Seventh District T.F.W.C. President Is Recent Visitor

Mrs. A. T. Cocanougher of Lubbock, president of Seventh District Texas Federation of Women's Clubs was house guest of Mrs. U. L. Willie, Thursday and Friday of last week.

The ladies were guests of Mrs. Tom E. Long at Paducah for a lovely one o'clock luncheon on Thursday, after which Mrs. Cocanougher was speaker at a three o'clock tea given in honor of the two ladies by The Paducah Study Club in the home of Mrs. A. W. Davis.

Thursday evening Mrs. Cocanougher was special guest of Matador Chapter No. 66 Order of the Eastern Star at their Christmas meeting, program and Christmas tree. On Friday morning Mrs. Cocanougher and Mrs. Willie were guests at a breakfast at Roaring Springs in the home of Mrs. J. M. Thacker, president of the newly organized Predicta Study Club of that community.

Mrs. Cocanougher is no stranger to Matador people, as she and her husband have been frequent guests in the Willie home for many years.

Second Christmas Recital Presented

A second recital presented Monday night in the high school auditorium heralded the coming of the Christmas season. Younger pupils of Mrs. J. R. Whitworth, speech, and Mrs. L. D. Wilkerson, music, were featured on the program, as follows:

Week-end visitors in the home of Mr. and Mrs. Roy Smith were her daughter and family, Mr. and Mrs. Tom Melton and children, Tommie, Dana, and Melinda of Odessa.

Christmas Program Given At Meeting Of Methodist WSCS

December general meeting of the Methodist Woman's Society of Christian Service was held Tuesday, Dec. 2, at 7:30 p. m. at the church. Theme of the program was, "Everywhere, Everywhere, Christmas."

Mrs. L. W. Tucker was in charge of the program, which was as follows: Call to Worship and prayer, Mrs. Tucker; hymn, "O Little Town of Bethlehem"; Devotional, "How Far Is Bethlehem," Mrs. Don Wason; hymn, "Silent Night"; talks, "Firing Lines in the Pacific," Mrs. L. B. Campbell; "Our Church East and West," Mrs. Homer Jenkins.

Mrs. Fred Simpson gave a brief explanation of the Conference daughters' offering. This was followed by taking an offering for Conference daughters.

A film, "How we get our Christmas carols" was shown by Rev. L. W. Tucker.

A business meeting followed, with the president, Mrs. Sterling Price in charge. Dismissal prayer was by Mrs. Marvin Brotherton.

Others present in addition to those mentioned, were Meses. W. B. Vaughn, Clarence Jinks, A. J. Daffern, Nelson McMahan, Randall Whitworth, Henry Ford, Ethel Payne, and W. F. Jacobs; Carol Tucker, and Mrs. June Tilson and children, Deborah, Lamar and Thomas.

Mrs. Joe Williams (the former Mrs. Bess Patton) returned Monday from Kress where she has been with her husband. Mr. Williams will remain there through the ginning season, estimated at two more weeks.

CHRISTMAS PROGRAMS TO BE PRESENTED BY CHOIRS of TWO SCHOOLS in COUNTY

The Christmas season will be observed by Motley County schools, in programs under the supervision of Mrs. L. D. Wilkerson, County music teacher, it was announced this week. The programs will be presented in the schools and churches of the communities represented.

On Sunday, Dec. 14, at 7:30 p. m. in the First Baptist Church of Roaring Springs, a union service will be held at which time the Roaring Springs High School choir will present the story of Christmas in song.

Entitled "Christmas By Candlelight," by Fredric Fay Swift, the story will be developed by a candlelight processional followed by the choir singing "The Holy City," "The Lord's Prayer," "I Heard The Bells on Christmas Day," "Brahm's Lullaby" and other familiar and much loved Christmas carols. Narrator will be Mary Lou Watson.

The public is urged to attend this union service.

Program At Flomot

Monday, Dec. 15, the Flomot Independent School will present a miscellaneous program by students of all the grades. The program will be held in the school gymnasium at 7:30 p. m.

The first and second grades will present their part in four sections as follows:

"The Christmas Story" as told by five children, Carol Bland, Billy Green, Sue Gilbert, Ricky Nall and Larry Lyles; "Strange Gifts" by Darrell Cruse, Brenda Barham and Johnny Turner; "Christmas Eve" and "A Legend of the Christ Child," by the entire group.

The third and fourth grade students, with Mrs. Green as home room teacher will present a short play entitled, "The Best Gift of All." The principal characters are: Mother, Rebecca Reed; Father, Jimmy Reed; and Princess, Sandra Barham. They prove that the best gift of all is giving.

"Prompt Delivery," a humorous playlet, will be presented by students of the fifth and sixth grades, whose room teacher is Mrs. Moseley. The playlet will show the necessity of doing ones Christmas shopping early, as all stores do not live up to their slogan, "Prompt delivery."

Delma Arzola, Gean Green, Rodney Hammonds, Lonnie Turner and Seab Washington of the seventh and eighth grades will give a skit, "Thanks For The Shirt."

A hilarious situation is created by an unseen dog named Timmy, and a boy unwilling to wait until Christmas to open a gift package.

There will be no charge for this evening of entertainment. Patrons and friends are urged to attend.

"On Christmas Hill"

The gymnasium of Roaring Springs High School will be the scene Tuesday evening, Dec. 16 at 7:30, of an operetta, "Christmas Hill" which the grade school students will present.

This is a story of an orphanage in which the children who dwell therein believe that Santa Claus has forgotten them and that there is no love anywhere except, possibly on Christmas

Hill, a mythical place, high on a hill near heaven.

The principal characters are portrayed by Ronda Posey as "The Spirit of Christmas," and Janice Brandon, "Sungbeam." The orphan children are portrayed by first and second grade children, the foreign children are third and fourth grade pupils, while the poor little rich children are of the sixth grade.

A Moonlight Chorus will be composed of seventh and eighth grade girls.

This promises to be a very entertaining operetta and deserves the support of the people in the entire school district.

About Your Health

A weekly public service feature from the Texas State Department of Health.

Henry A. Holle, M. D., Commissioner

What do people die from most? How many accidental deaths were there in 1957? What was the leading cause of death in 1932?

These and other questions involving vital statistics are ever available from the Division of Vital Statistics of the State Health Department.

Most people look upon the Division of Vital Statistics as merely a place to obtain a copy of a birth certificate for a new job, or a copy of a death certificate for an inheritance.

This is true, but the division offers many other services as well. Some are familiar; others are unknown except to public health workers.

Let's take the first question: Just what do people die from most?

By careful compilation of death statistics, listing cause of death, place, conditions and other information, it is possible for statisticians to determine what diseases are killing the most people in Texas.

What value is this? It was just fifty years ago that tuberculosis was the leading cause of death.

Medical and public health officials could see this frightening fact and direct their activities towards curbing the disease.

Year after year, employing various methods for lessening the occurrence and severity of tuberculosis, the researchers' only method of checking their progress was by checking statistical death records.

In this manner they were able to discern which measures were the most successful. Today, tuberculosis is no longer the leading killer it was.

Refined techniques are carried on today with emphasis on other diseases.

For instance, the M. D. Anderson Hospital and Tumor Clinic uses death records to check on past patients of the hospital. In this way they hope to find out how successful are certain methods of cure. The study is on a continuous basis, and began several years ago.

Similar studies can be applied to heart patients. Heart and cancer diseases are the two leading causes of death today.

The fourth-ranking killer is accidents. Traffic accidents lead,

but how and where and in what manner do these and other accidents occur? By careful scrutiny of death records, answers may be found that will enable engineers to build safety into homes and highways.

The Division of Vital Statistics sends you certificates upon request, but the service doesn't end there — it only begins. (A weekly public service feature from the Division of Public Health Education, Texas State Department of Health)

LOCAL ITEMS

Mr. and Mrs. Ned Nichols and small daughter, Kelly Lynn, of San Pablo, Calif., are visiting in the home of their parents, Mr. and Mrs. J. D. Craven of Matador; and Mr. and Mrs. E. J. Nichols of Afton.

Dr. and Mrs. Sam Dunn and daughter, Sammie, of Lubbock were visitors Sunday here with Mrs. Dunn's parents, Mr. and Mrs. J. R. Moore. Mrs. Dunn, accompanied by her sister, Mrs. Chas. Guy, returned Tuesday to spend the day with their parents, both of whom are in feeble health.

Miss Allie Gwinn, of Lubbock, visited over the week end here with her sister, Mrs. Bob Fullingim, and family. She also visited in Roaring Springs with her parents, Mr. and Mrs. Walter Gwinn.

QUICK UNLOADER — Only seconds were required to unload part of a truck load of cottonseed in Matador last Monday afternoon. The driver, Cecil Waters, 20, of Muleshoe, did not intend to dump the cottonseed in Hackberry Branch of Ballard Creek. He parked the truck on an incline while he and a companion, Raymond Williams, stopped to eat at Bob's Oil Well Cafe. The air brakes released their grip and the driverless truck rolled down the hill and crashed off the State Highway 70 bridge. No one was injured. The truck, loaded with approximately 37,000 lbs. of cottonseed, belongs to Loyd Hare of Muleshoe. The cottonseed shipment was consigned to Vernon.

IN ALSUP HOME

Recent visitors in the home of Mr. and Mrs. T. B. Alsip included a daughter, Mrs. Erema Borning of Grants, N. M., and daughter, Mrs. Loyce Gible of Amarillo; and Mrs. Alsip's sister and husband, Mr. and Mrs. J. J. Wilder of Mineral Wells. Mr. Alsip has been ailing for the past four years, feeling better at times and able to be up most of the time. Their son, Audie Alsip is staying with them.

Mesdames U. L. Willie, Forrest Campbell and Clotelle Horn were Lubbock visitors Monday.

NEW ERA DAWNING FOR CIVILIZATION AS SCIENTIFIC DEVELOPMENTS GROW

By Congressman Walter Rogers

"What Is Past Is Prologue"

Nearly four centuries ago the above lines were written by Shakespeare, and they are today engraved on the National Archives Building in Washington. Shakespeare knew, as have many other learned men, that there is no better way to understand the present or to look ahead into the future than to take a backward glance at the past.

The time of year surrounding Thanksgiving, Christmas, and the New Year (referred to by some as the Holiday Season) has always seemed to me to be a time for reflection and of preparation for the future. It is interesting to do this on an annual basis, and even more interesting to compare the present with various circumstances in the past. The destiny of America, always full of promise, has never been more so than at the present time. This statement is justified when we compare circumstances today with those of ten years ago.

You remember that 1948 was the year of the Berlin Airlift, the year when Mao Tse-tung and other Communists were taking over China, the year of the upset victory of Harry Truman, the year in which Ghandi was murdered, Babe Ruth died, and Prince Charles was born. 1948 marked the introduction of bebop as a successor to swing, and the establishment of laundrettes in thousands of our communities. Economically it was a highly prosperous year. Agricultural production, national income, personal income, and wages were at an all-time high. In fact, the production of crops that year has not been exceeded since, unless it occurs this year.

Life Expectancy Increases
In 1948 we had a total of 146,000,000 people in this country. Only recently the Census Bureau announced we have passed the 175 million mark. By 1968 we will almost certainly have well over 200 million people in the United States. This 20 per cent population increase is due both to a generally high birth rate and a significant decline in death rates. The average life ex-

pectancy at birth is now about 70 years — three years more than it was a decade ago. The decade's medical advances included the breakthrough in the fight against polio. The effectiveness of antibiotic medicines plus advances in surgery have contributed measurably toward reducing the average period of hospitalization required per patient.

The period 1947-1957 saw the increase from 4,821 million to 11,873 million kilowatt hours of electric power distributed weekly. Total cars and trucks assembled in 1947 averaged 92,200 per week and in 1957 138,500 per week. The huge interstate highway system has been started. The St. Lawrence Seaway is nearing completion. A new era of air transportation is dawning with the conversion of many of our commercial air fleets to turbo-jets.

We should not forget that our rapid progress has been accompanied by ever-increasing demands on the natural resources of the nation. One vital raw material where shortages are threatening to become serious in many areas is water. Not only are we using more water directly as consumers, but industry's demands for water are staggering. It requires 300,000 gallons of water to manufacture one ton of rayon, and the rayon industry in the United States manufactures 600,000 a year. Conservation is necessary on many fronts, in our forests, on our farms, and in our mines.

Blotch On Economic Picture
In the picture of our economic expansion, there is one blotch of which we cannot be proud. I speak of our farmers, whose average annual net income per farm has dropped from \$3,483 in 1948 to \$2,760. As you know, it has long been my contention this situation will produce sociological factors as well as economic problems.

Scientific advances have been almost unfathomable. The development in nuclear energy, electronics, chemistry — not to mention the advent of the space age, are truly astounding. It is entirely within the realm of possibility that the next decade, manned flight to the moon may

be an accomplished fact.

Although it cannot be measured statistically, I earnestly hope we have grown spiritually. Church affiliation has actually grown more rapidly than our population and currently over 104 million persons are affiliated with some organized religion, which approximates an increase of over 25 million the past ten years.

We are a great nation — a growing nation with a heritage of which we can be proud and a future rich in the rewards of a boundless faith.

RETURN FROM VISIT

Mr. and Mrs. H. M. Murphy and Mr. and Mrs. Ed Whitaker returned recently from a trip to East Texas where they visited relatives in several towns. They visited in Avery and in Clarksville with Mr. Murphy's sisters and a brother and family, and with friends, Mrs. Alice Jones and daughter, Jessie, and Mr. and Mrs. Upchurch Humphries. The trip included also a visit in Denton with Mr. and Mrs. James Neblett Sr., and with a granddaughter of the Murphys, and her family, Mr. and Mrs. James Russell Neblett and children, Mike, Nancy and Martha.

RECENT TRIP

Mr. and Mrs. Edgar Lee recently combined a visit and hunting trip to Idaho, Oregon and California. They visited Mr.

Lee's cousin, Ray Waite, in Midvale, Idaho, and the two men hunted on the Salmon River, each getting a deer. Other places visited included Moscow, Idaho, Seneca, Oregon, and Sacramento, Calif.

COUNTY AGENT PALLMEYER SAYS:

PRUSSIC ACID POSES THREAT TO LIVESTOCK

The time is here when cattle owners should be cautious when allowing cattle to graze Johnsongrass or sorghums, as frost sometimes causes the plant to be extremely high in prussic acid that is dangerous to livestock.

When wilted by frost or drouth, certain chemical changes sometime occur in the plant and it develops a content of prussic acid or hydrocyanic acid. The poison acts quickly and can kill an animal within a short time after the damaged plant is eaten.

Symptoms include nervousness, difficult breathing and difficulty in standing. Whether a poisoned animal can be saved

depends upon how quickly treatment can be started. Treatment involves injecting antidotes directly into the blood stream.

Young plants will develop more prussic acid than those approaching maturity. Their leaves will contain from 3 to 25 times more acid than leaves of plants in the boot stage. Upper, younger leaves will contain more acid than lower leaves.

Frosted Johnsongrass or sorghum should not be grazed until it is completely dry. If Johnsongrass or sorghum has been cut and cured, it should be safe, but if there is any doubt, sorry type animals should be used to test the feed before feeding to the herd.

Letters to Santa

Matador, Texas
Box 324
November 28, 1958

Dear Santa:

I have been a good little girl, so would you please bring me

an American "Tiny Tears" doll for Christmas. I would like to have a nurse kit, too.

I would also like to have a pair of pajamas and a house coat for Christmas morning, to keep warm. And don't forget the other little kids.

With love,

PATTON SPRINGS Community and SCHOOL NEWS

Supt. W. M. Hayman has just returned from an 8 day siege in the Crosbyton Hospital. He had to undergo major surgery but came through with colors flying and is now back on the job at Patton Springs School.

Mr. John Jackson of the Glenn Community was stricken with a heart attack on November 21st. He has been in good hands at the Matador Stanley Hospital and seems to be recovering satisfactorily at the present time.

The Patton Springs School will be closed for the Christmas Holidays from December 19th to December 29th.

Ray Bateman, son of Mr. and Mrs. Ray Bateman, Sr. of Afton will be home for Christmas for two weeks. He is in the service of Uncle Sam at Ft. Hood, Texas.

1st and 2nd Grades

The transient pupils are beginning to leave, now that most of the cotton has been gathered. The enrollment in this grade has dropped to 18.

The first graders are making good progress in reading. Everyone has completed a book and had the fun of taking the 1st book home. (Isn't it too bad that this enthusiasm cannot last all the way through school.) They also made an Indian head-dress obtaining all the new words they had learned from their book.

2nd and 3rd Grades

The 3rd grade pupils are making the change from manuscript to cursive writing in all of their work. It is a difficult change, but they are working hard and being careful about forming the letters and putting them together.

For Thanksgiving, each child made an original drawing, then was given the opportunity to

tell about his drawing. It was fun!

Two poems have been learned recently — "Little Ducks" and "Whisky Frisky".

We are happy to be responsible for the new tether-ball in our department. It is a new and interesting game.

The 2nd grade has just finished the first basal reader and are ready to start on their new supplementary reader. The pictures that are being drawn now by this group have to do with Santa Clause.

Senior Shirley Porter had an opportunity to teach our grade this past week for a half-day.

4th Grade

Eddie Kimbell spent the weekend in Spur with his cousin, Lindsey Ray Hoover.

John Stokes and David Hughes were deer-hunting in Mason County last week-end.

We are now working with fractions, since the beginning of the 3rd six weeks.

We are writing letters in English classes.

Beverly Bridge's father, Dumont Bridge has been fishing recently at Lake Kemp.

Eddie Kimmell, Beverly Bridge, and Mike Haney are the spelling champions of the last two weeks.

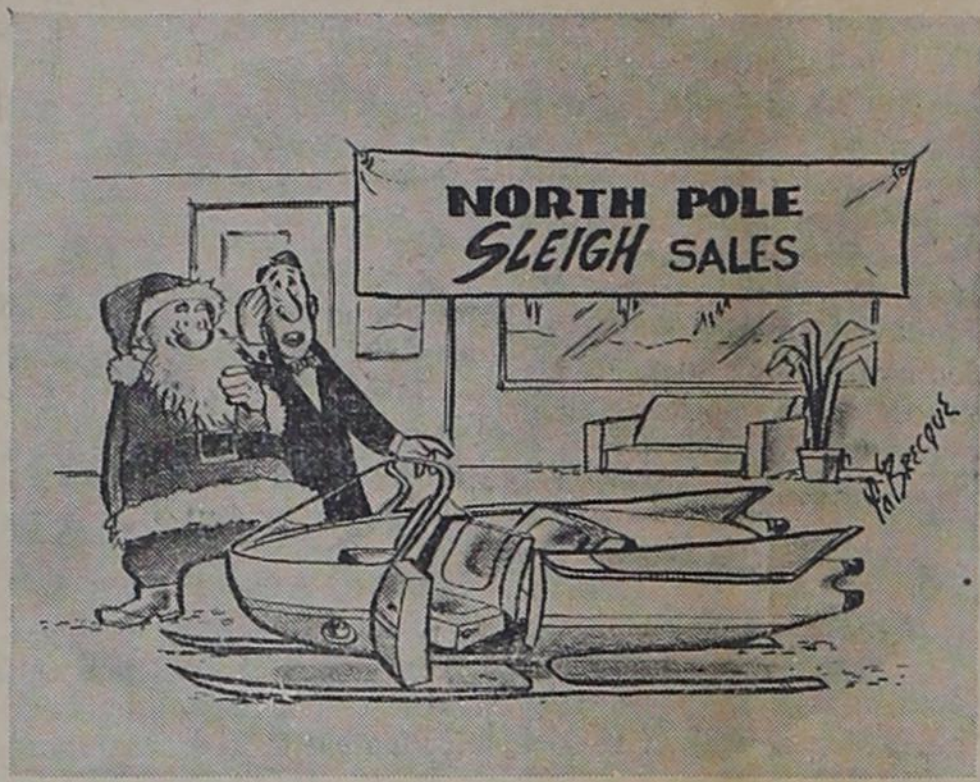

5th Grade

Larry Lawson of this grade reports a wonderful weekend trip recently with his family in the Palo Duro Canyon.

Mr. and Mrs. Maurice Clifton and children, Terecia and Mickey of Lubbock were visiting this past week end in the homes of their parents, the Dempse Clifton and Ira Sullivan families.

Mr. and Mrs. Odell Littlefield of Abilene spent the week end with Mr. and Mrs. Bill Offield and Judy.

Children visiting in the Jeff Randolph home last week end were Mr. and Mrs. Dave Thomas of Pecos and Mr. and Mrs. Jar-

rell Randolph and children of Lubbock.

Mr. and Mrs. Bill Owens of Kermit, Texas are visiting in the E. N. Gage home.

SENIOR NOTES

The current annual staff has purchased a Polaroid camera to help in making the pictures for the year-book. It is to be a gift to the Patton Springs School from the Class of 1959.

The senior pictures are to be in the hands of the Class of '59, very soon, perhaps by Dec. 16th. For 12 years they have waited for these pictures that will be placed in the big school panel.

The first installment of the annual was sent off to the publishers this week. The staff is working hard to meet the deadlines and are having a good time preparing the copy.

Pictures of the various groups and organizations were taken last Wednesday.

ATHLETIC NOTES

Many Patton Springs students turned out last Friday to see the fighting Bulldogs of Spur play in the quarter-finals against Stamford.

Both the Patton Springs girls and boys basketball teams are playing in the Matador tournament this week-end.

of Mrs. Sam Porter and Mrs. Jack Lawson hosted the players on the night of December 4th and Mrs. Ralph Marshall and the Band-Pep Squad hosted them on the night of December 8th.

Home-Making Department

The F. F. A. girls met last Monday to plan for their Christmas party. Names were drawn for Christmas presents.

The 1st year girls are learning how to make different kinds of seams and seam finishes. The work on their dresses is progressing satisfactorily.

The 2nd year girls have been studying pastry. Chocolate pies have been the order of the day and sample cuts have been sent to the teachers.

Donkey Basketball Game

The Patton Springs F. F. A. sponsored a very successful donkey basketball game last Tuesday night at the high school gymnasium.

It was a spill and a thrill from start to finish with donkeys and boys scurrying in every direction. Ralph Godfrey of Crescent, Okla., owner of the donkeys, was master of Ceremonies. He paced the riders and mounts

through a varied program that kept the crowd roaring all the way. He considers everybody and every team a winner in this hilarious exhibit and expects falls and stalls that will take down the house.

The F. F. A. boys will use the money earned by the game to further the interests of the Chapter and to carry on the F. F. A. program.

Homemaker's Hints

By Ruth Wilson

Home Demonstration Agent

The Home Demonstration Clubs are busy making last minute plans for their Christmas parties. These parties promise fun for all.

Making candy for Christmas can be as much fun as eating it when it's a family affair. When the cold wind chills outdoors; this is the time to make that candy that simply melts in your mouth. Or if you are making candy to send to a friend then you will find these hints helpful.

Mailing candy:

1. Make candies that will travel well, such as fudge, fondant, pralines, caramels, taffy and candied fruits and nuts.

2. Use sturdy cardboard or metal box lined with waxed paper. Place a cushion of crushed paper on bottom of the box.

3. Wrap each piece of candy individually. Arrange in layers and place crushed paper between each layer and on the top to keep the candy from breaking.

4. Tape box shut with brown paper tape.

When storing candy you might remember these things.

Keep creamy-type candies such as fudge or fondant fresh for several weeks by wrapping in waxed paper and storing in a tightly covered container. Candies keep best when stored in a cool dry place. Wrap "chewy" candies such as taffy individually and store the same as fudge. Wrap rolled candy in waxed paper, aluminum foil and store in the refrigerator; slice off pieces as needed.

Results Of Grain Test Plots Shown

Motley County Farmers planted 11 grain sorghum variety test plots during the current year, and according to County Agent Bill Pallmeyer, the following results showing variety, average yield and number of tests, were obtained:

D-50a, 3550 lb./ac 1; RS590, 3120lb., 1; 435-S 2560lb., 1; Tex. 620, 2497lb., 3; E-56a, 2358lb., 5; 7078, 2313lb., 3; RS 610, 2298 lb., 4; Tex. 660, 2280 lb., 4; RS 630, 2080 lb., 2; 515-S, 2070 lb., 1; 405-S, 1720 lb., 1; 465-S, 1560 lb., 1; Martin, 1462 lb., 6; Hegari, 1400 lb., 1; C-44a, 1190 lb., 1; F-62a, 790 lb., 1; 425-S, 1930 lb., 1.

The three top producers were included in only one test, and may or may not be consistent top producers, as will be shown in the breakdown of demonstrations that follows.

It can be noted that Tex. 620, E-56a, 7078 and RS 610 were among the top producers in all tests, with from 3 to 5 tests represented to figure the average.

D. P. Keith of Matador planted eleven varieties furnished by the Dorman Seed Co. of Lubbock on May 29th, and harvested the crop on Oct. 4th. Results were as follows; 435-S—2560 lb., 515-S—2070 lb., 425-S—1930 lb., RS 660—1740 lb., 405-S—1720 lb., 465-S—1560 lb., RS 610—1400 lb., RS 650 — 1400 lb., Martin— 1100 lb. Plainsman and 605-S were planted on the sides of the test near shelter belts, and their average was not figured, as they did not have an equal chance with the other grains. Each plot covered 2 1/2 acres.

Hollis Godfrey of Roaring Springs planted three varieties, with the following results obtained: Tex. 620—3280 lb., RS 630—2930 lb., Tex. 660—2540 lb.

James Ray Smith of Roaring Springs obtained the following results with four varieties plant-

ed. RS 610—1920 lb., Martin—1590 lb., E-56a—1550 lb., and Hegari—1400 lb.

The test grown by Glynard Moore of Roaring Springs was as follows: E-56a—1230 lb., C-44a—1190 lb., F-62a—970 lb., and Martin—790 lb.

The test grown by Tom Bynum of Flomot showed 7078 to produce 2900 lb./ac; E-56a—2870 lb., and Martin—2130 lb.

The Wilson Barton test consisted of seven varieties. Results were: RS 610—2850 lb., E-56a—2670 lb., 7078—1320 lb., RS 630—1230 lb., Tex. 660 —1190 lb., Tex. 620—1100 lb., and Martin—750 lb.

Eight varieties were included in the test grown by Sam Ross, Flomot. Tex. 660—3650 lb., D-50a—3550 lb., E-56a—3420 lb., RS 590—3120 lb., Tex. 620 —3110 lb., RS 610—3020 lb., 7078—2720 lb., and Martin—2410 lb.

Other tests grown by A. C. Nimmo, Northfield, A. W. Payne, Roaring Springs, A. L. (Jack) Spray, Matador, and Woodrow Cobb, Flomot, were not checked or were lost.

Texas Motorists Driving Faster

"Motorists are driving faster in Texas in 1958 than they did during 1957", announced Captain J. W. Blackwell of the Texas Highway Patrol.

Analysis of a Texas Highway Department Speed Survey by the Department of Public Safety revealed that 12.6 per cent of all vehicles of Texas are exceeding the 60 miles per hour speed limit, as compared to 6 per cent last year. The Statewide survey, taken at twenty-five checking points throughout the State, will be used by the Highway Patrol in planning its selective enforcement program in the future.

"Taking into consideration that the last month of the year is our most deadly in traffic accidents and deaths", said the Captain, "we will use every avail-

able resource to reduce this problem." The Captain pointed out that December is a deadly month in traffic due to bad weather, holidays, and shorter day hours. Highway Patrolmen in this District have been instructed to carry out a stepped-up speed enforcement program in an effort to reduce as many of these accidents as possible during the remainder of the year.

CLASSES TO DISMISS WEEK FOR CHRISTMAS

Classes in Matador Schools will be dismissed Friday, December 19, for Christmas holidays.

December 19 is also the date for annual school Christmas program presented by the senior class. Students will draw names of classmates earlier in the week and gifts will be exchanged at the Christmas program.

Price of gifts must range from fifty cents to one dollar.

Students will have a week of Christmas vacation and will resume studies on Monday, December 29.

ANNUAL DEADLINE MET

The first 28 pages of La Arena 1959 have been mailed to Taylor Publishing Company for printing. The December 6th deadline was met on time.

Annual Editor Ray Davis said that the final deadline for the school's 96 page annual is February 15. All snapshots for the annual need to be taken and turned in to class editors promptly so that work on the annual will not be delayed.

CIVICS CLASS RETURNS "NOT GUILTY" VERDICT

Witness after witness for the prosecution appeared in the Civics Court case of MHS Civics Class versus Ronald Bailey on November 24 and 25.

Defendant Ronald Bailey, accused of murdering Kent Gary, sat confident at the desk of his lawyers, Mike Groves and Pat Seigler, before Honorable Judge Bobby Cross.

Prosecuting Attorneys Lewis Fair and Larry Hoyle placed Deputy Sheriff James Bearden on the witness stand. He is quoted as saying, "We (he and Sheriff Sherril Rigsby) heard shots and commotion in the study hall, and we had started from our car to the school when the accused, Ronald Bailey, ran out the front door of the school."

Exhibit A, the murder weapon, was clean of fingerprints when allegedly found by Sheriff Rigsby minutes after the shooting.

Defendant Ronald Bailey was put on the witness stand, but he denied any knowledge of the murder weapon, a .22 pistol.

The verdict was "not guilty". It was based on the facts that

there was no conclusive evidence, and that there were conflicting testimonies given by witnesses.

Three Senior Girls Take Search Tests

Three senior girls recently took the Betty Crocker Search Test for Homemakers of Tomorrow.

The search test on homemaking is taken each year by seniors who want to try for a scholarship. The \$1,000 and \$500 scholarships will be paid to any accredited church or state school that the test winner chooses. State winners are eligible to enter a national scholarship contest.

The Betty Crocker test has been offered to Matador High senior girls for the past two years. School winners for those years were Barbara Waybourn and Glenda Mize.

Present seniors who took the test were Charlotte Cullin, Patti Hamilton, and Rosemary Shanks.

Two Matador Teams Bite Dragon Dust

Matador High basketball teams, boys and girls, met the Paducah Dragon basketball teams at Paducah last Tuesday night for two cage battles.

In a close game with the Paducah girls, the Matador girls were defeated by one point. Matador's main scoring was done in the first half and at halftime they led Paducah by 3 points. Paducah pulled ahead in the last half. Final score was 34-35.

Carol Campbell, sophomore forward, led the Matadors as high point scorer with 17 points.

Matador's boys team, playing their first game of the season, were beaten 10 points. Final score of their game was 35-45. Gerald Pipkin, senior, and Billy Crenshaw, junior, shared high scoring honors with 10 points each.

Both teams for the Matadors look promising. The girls have won five of the eight games they have played.

Boys who are playing basketball this year are Gerald Pipkin, Lewis Fair, Bobby Cross, Tommy Scaff, Morris Burkes, Mike Groves, Billy Crenshaw, Guy Campbell, Jimmie Welling, Clarence Davis, Dink Wilson, Dale Dixon, Jimmy Don Green, and Ros Bearden.
