Bus Service Sees New Era

WITHOUT fanfare or publicity, a new bus service was instigated through Matador Friday, replacing T.N.M. & O. Coaches which had been in operation out of Lubbock the past 35 years. Plainview Bus & Transfer Company, owned by Mr. and Mrs. Norman Peoples assumed the Plainview to Vernon route which was threatened with abandonment last year by T.N.M. & O. and proposed to leave towns between those two towns, without bus passenger and express service. Matador is one of the towns on the route.

According to a news feature in Sunday's Plainview Reporter-News:

This plan on the part of T.N.M. & O. to abandon the route presented Norman Peoples the chance to fill a long time ambition, to get into the bus business.

A business man, Norman could see the possibility of not only making money, but the satisfaction of keeping in operation a service so much needed.

When asked why he thought he could make a go of something which was losing money to a large company as T.N.M. & O., his reply was simple and to the point: "I do not require a piece of equipment which costs \$75,000, such as was being used. My fuel ration is about three times that per mile as is the requirement for the larger busses. I have no mileage rental on the tires I use. I am not bothered with having to pay union scale. There are no stations which require an investment, no maintenance people on the payroll, no staff of clerical help, reclaim agents or other employees which require a lot of money. My wife does it all and she works pretty cheap."

Norman's first run was Friday. The nice new "stretch job," capable of holding a lot of baggage and express and 12 people, light brown in color just off the assembly line, seemed anxious to start that new era. His express load was typical, and expressed within itself the need for the service. It contained among other things, flowers for Lockney, medicine and blood for use in the hospital and pharmacy in Floydada, a birthday gift from a grandmother to a grandson in Matador, mechanic's tools for Crowell and planting seed going to Vernon.

Small in operation, Plainview Bus & Transfer Company is going out in a big way for personal service, efficiency in operation and always anxious to create good will.

James Stanley of Bob Stanley Pharmacy, longtime bus agent said the bus leaves here at 8:55 a.m. for Vernon, and makes the return trip west, at 3:10 p.m. It connects with T.N.M. & O. to other points in the country.

Questionnaires were distributed, together with slips containing goal statements, which the Lions used in expressing their individual ideas in evaluating an acceptable plan for student development.

Guest speaker at the meeting was Mrs. Clay Jameson, a tri-chairman for the recently organized Motley County Bicentennial Association, who outlined plans for the county-wide celebration on July 10. She reported that interest was

program improvement. Each district's accreditation status will be based on meeting accreditation standards through this method of systematic planning.

The procedure consists basically of establishing district-wide goals on student development, conducting a self-study, identifying student needs, placing the needs in priority order, and making a long range plan for

Daylight Time Starts Sunday

Most of the nation will turn the clock forward one hour on Sunday, April 25 to begin a six-month observance of Daylight Savings Time.

According to a Washington news release, the changeover in April is a victory for those mainly rural members of Congress who successfully fought a bill to begin DST two months earlier.

Because Congress was unable to agree on a new bill this year, the 1966 Uniform Time Act controls and dictates DST from the last Sunday in April through the last Sunday in October.

The provisions of the 1966 law were suspended in January, 1974, at the height of the oil embargo when government officials were looking for every possible way of saving energy.

But before the onset of cold weather in the fall, Washington had heard the protests of farmers and rural parents, and standard time was returned in October, 1974. It remained in effect through the last Sunday in February, 1975.

That left the nation with six months of DST in 1973, 10 months in 1974 and eight months in 1975.

To avoid being late for Church Sunday morning, turn your clock forward when you go to bed Saturday night.

Mother-Daughter Banquet Tonight

THIRTY-EIGHTH annual Mother-Daughter Banquet will be held Thursday (tonight) at 7:30 at the Motley High School auditorium. The affair honoring girls and their mothers is sponsored by Eternas Junior Study Club, and serving as

mistress of ceremonies will be Mrs. Charles Renfro, president.

As an element of surprise for the guests, the program remains unannounced. As in former years, the entertainment will be enjoyable and well worth the price of tickets, which went on sale Monday.

The annual event was begun by the Matador Child Welfare Association which later was succeeded by the Parent-Teacher Association. The P-TA continued sponsoring the banquet each year until it disbanded, and the Stitch-and-Chatter Club took over until the Eternas Club assumed the responsibility of sponsoring the event as a club project.

For many years the banquet - and also the Father-Son Banquet - was held in the basement of First Baptist Church. Upon completion of the new Motley County School building, these entertainments have been held at the school.

RS Lions Announce Auction

A cake and pie auction Friday night (tomorrow) at the depot in Roaring Springs will be sponsored by the Roaring Springs Lions Club, it was announced this week.

Sales will start at 8 p.m. Proceeds of the auction will be used to buy fire fighting equipment for the city's fire truck.

Everyone is invited to attend and participate in the fun and fund-raising for a worthwhile project.

Lions Go To School

Matador Lions Club members went to school Tuesday, and after a delicious lunch in the school cafeteria, were given an examination by Superintendent Charlie Johnson.

Johnson explained that approximately 200 school districts, including Motley County ISD will be involved in the Texas Education Agency accreditation process for 1976-77.

The procedure consists basically of establishing district-wide goals on student development, conducting a self-study, identifying student needs, placing the needs in priority order, and making a long range plan for

Community Action Center Eager To Serve Public

The Community Action Center is ready and eager to serve the public, and offers its facilities to anyone needing them. The workers, Mable Barrett, Bobbie Brown and Wynona Gilbreath are available daily, and have expressed their appreciation for the cooperation they are receiving.

Garden Club Sets Flower Show Date

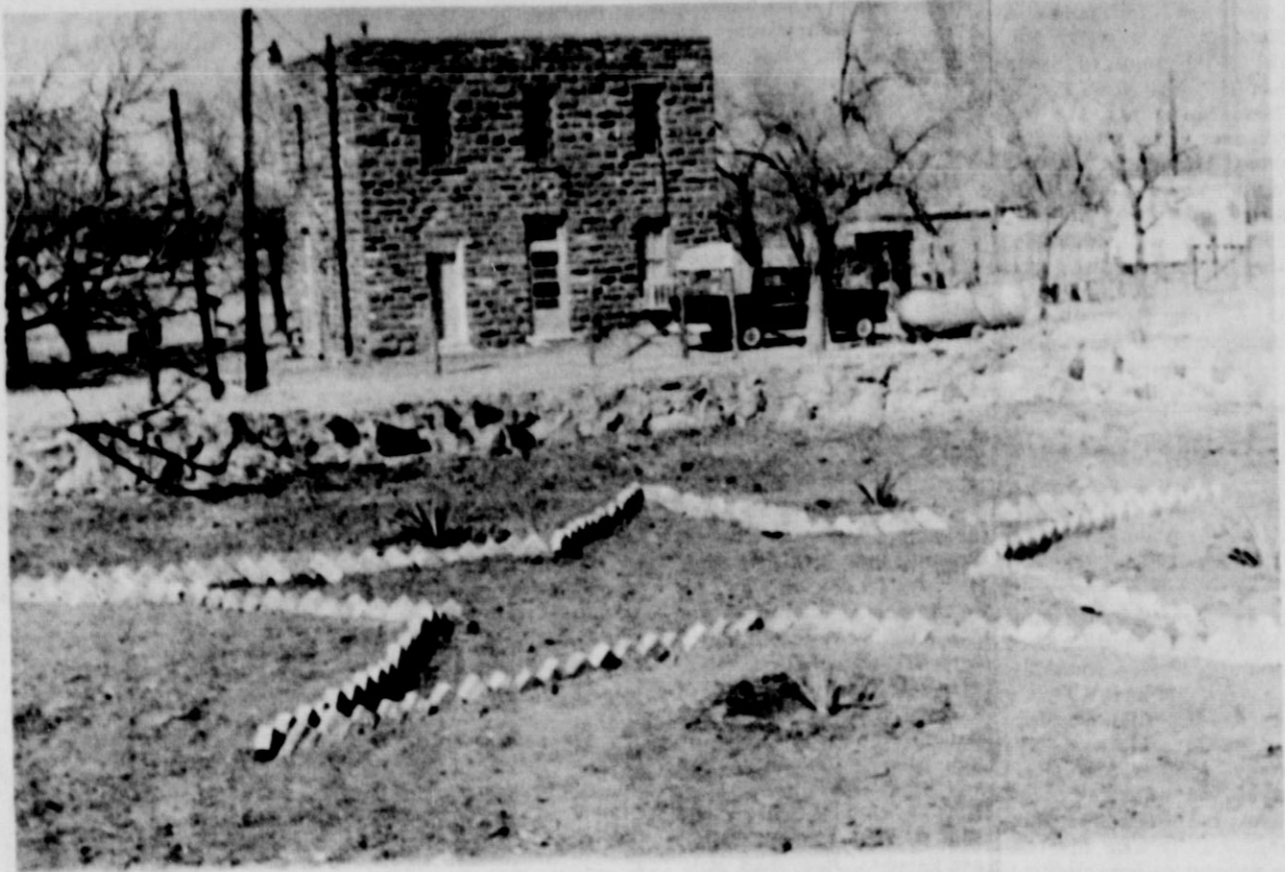

A Spring Flower Show will be held by Matador Garden Club, Wednesday, April 28. The show will be held in the basement of First Baptist Church from 3:30 to 5:30 p.m. it was announced.

The public is cordially invited. It is brought to the attention of the public that someone has been destroying plants that are contained in the club's flower boxes in several downtown locations.

"We are trying to beautify the town with these planter boxes, but need the cooperation of local citizens with this project," said a member of the club. "We need help in finding out who is responsible for uprooting the flowers that are planted, and any information will be appreciated."

Two of the planters were damaged during last Halloween, and one was completely torn up.

There is an expense in making and maintaining the planters, and the club's effort should be appreciated by the local townspeople, to the extent of reporting any acts of vandalism.

PARK SITE - A star has been placed in the center of the rock enclosure of Pioneer Memorial Park south of the Motley County jail, and north of the courthouse. Matador Garden Club is beautifying the area as a Bi-centennial project. A commemorative plaque honoring the late Douglas Meador will be placed at this location. -Photo by Glenda Williams

Immunization Clinic Is Offered Free Of Charge

The Texas Department of Health Resources will hold another immunization clinic in Matador at the Motley County Hospital on April 27. The clinic will be held from 10:00 a.m. until 4:00 p.m.

Mrs. Jimmie Isbell, R.N., Public Health Nurse from the Region 2 office in Matador, will conduct the clinic. She said the immunizations are available to all age groups, infants thorough adults, and will be given without charge.

Persons wishing to receive immunizations should plan to be at the Motley County Hospital on April 27. Mrs. Isbell also requests that persons receiving immunizations please bring any immunization records they have.

This preventative health clinic is a public service, provided by the Texas Department of Health Resources in cooperation with your community.

TRAIL DUST

By DOUGLAS MEADOR

Nature, unaware of time's intentions, drops another scented handkerchief, and yellow buttercups dance to music of the wind. Mesquite buds swell cautiously as the chill departs from the nights and the chemistry of life stirs with inspiring splendor. Spring is a bride, half-awake and dreaming on the earth's elegant couch.

Love's greatest crimes are: inadequate supply and faulty distributions.

Tragedy never surveys its consequences nor rehearses its participants. Heat rose from the sidewalk and dried the three broken sparrow eggs which the wind had spilled from an awning nest. Two small brown birds examined the disaster and chirped their decisions amid the passing feet that were grinding the delicate shells to dust. Flying away side by side, they circled and returned to the curb, each to seize a piece of grass to build another and better nest. Misfortune is a fire designed to temper strength into achievement.

Society imposes a wasteful custom in deeming it improper to leave an assembly during a boring and pointless address. The captive audience has no alternative but to hear the speaker out, a freedom which was overlooked in the Declaration of Independence.

To expect return of a favor is to steal joy from one's own heart.

Garden Club Flower Show Plans Made At Meeting

Plans were made for a Spring Flower Show set for Wednesday, April 28, when Matador Garden Club met Monday afternoon at the home of Mrs. Pat Sheridan. After a discussion by members, it was voted to move the date from May 1, up to the April date. Mrs. Edgar Lee, president, conducted the business session. Schedules for the flower show, which will be held in the basement of First Baptist Church, were presented the members by Mrs. Eldred Seigler.

UMW Meets For Program

The United Methodist Women met Tuesday night, April 13, in the church parlor for a program on "Women Around the World." Mrs. Charlie Keith was leader, and assisting in presenting the program were Mrs. Marvin Brotherton, Mrs. Nelson McMahan and Mary Slover.

A short business session was led by Mrs. Vance Gilbreath, president.

A "thank you" note was read from Mrs. Mae Simpson, thanking the society for the flowers they had sent her.

Mrs. W. F. Jacobs led the group in singing, "In Christ There is no East or West," with Mrs. John Hamilton at the piano.

Mrs. Keith read scriptures from Gal. 3:28 and Gen. 1:26-31. She then presented the purpose of the program and told of the beginning of women's missionary work in the world. Mrs. Brotherton's topic was the Work of Women in the Caribbean. Mrs. McMahan spoke of the Women in Africa and of the Blacks in America. Miss Slover's topic was the Women of Cuba.

Closing song was "Lead on, O King Eternal," and closing prayer was by Mrs. Keith. Other attending were Mrs. Olive Russell and Mrs. Lloyd Hearn.

Juniors Host Banquet For Senior Class

By Michael Starkey
The Junior class of Motley High School entertained the seniors with a banquet held Tuesday, March 30 in the school cafeteria. The affair turned out to be quite a success.

All the seniors were present, and most all of the juniors. The high school faculty members were special guests.

The program was presented by Carol Helms of the Public Relations office at Wayland Baptist College. Miss Helms entertained with popular and folk songs, accompanying herself on the guitar, and gave several humorous anecdotes. Charise Cullin, junior class president was mistress of ceremonies and gave the welcome address. Bucky Marvel, senior class president gave the response.

The cafeteria was decorated with blue streamers from the walls to the center of the ceiling, and in the middle of the room was a small fountain. Pictures of seniors during their younger years decorated one of the walls. The area was lighted by candlelight.

Appetizers were served in the lobby preceding the banquet.

Sophomore girls served the banquet, consisting of broiled chopped sirloin, baked potatoes, green beans, salad, rolls and tea.

FLOYDADA NURSING HOME

PAUL WESTBROOK - OWNER & ADMINISTRATOR

The FLOYDADA NURSING HOME, located on West Crockett in Floydada, phone 983-3704, is doing its part in the care of the chronically ill and the convalescent. To assist you in selecting the right nursing home they offer the people of this area this message:

"We Americans are not just living longer, we are living more useful and productive lives. But an increasing number of chronically ill, the old and the convalescent need some place other than the hospital and their home where they can receive personal health care, round the clock attention and the opportunity to continue to live their lives with meaning. As your community health care facility we want to help you make the right decision. Here are some guidelines:

See your family physician to determine the type of facility you need.
Feel free to visit our facility.
Examine all of our facilities.
Check our food quality.
Verify our safety features.
Finally, observe how our residents spend their time.
There is a lot more to selecting the right nursing home. We want to help - if you have any questions please call or visit us."

The editors of this 1976 Review appreciate this message from the FLOYDADA NURSING HOME, who open their doors to all, and we highly recommend them to all our readers.

Retail Merchants Credit Association

JANICE GUFFEE - OWNER

Fast, accurate credit reporting is available in this area from the RETAIL MERCHANTS CREDIT ASSOCIATION located at 730 West Lee in Floydada, phone 983-3283.

This well known credit reporting agency is able to supply a business with a prompt credit rating on most anyone in the area who has had credit, anywhere, before. Their nationwide affiliations make it possible to get a report within 24 hours or less on out-of-town individuals and firms. It's the quickest, easiest way to check on the credit of anyone who comes into your store or place of business.

Working in strict confidence, the RETAIL MERCHANTS CREDIT ASSOCIATION maintains a complete file of personal and business credit references and ratings. The authors of this 1976 Review suggest that you consult this reliable bureau whenever you need credit information.

Parker Furniture

NEWELL PARKER - OWNER

A leading community member and one of the most reliable places in town to shop for quality and value, PARKER FURNITURE at 118 South Main in Floydada, phone 983-2540, leads the way in fine furniture for home and office. Specializing in brand name products for every room in your home, this reliable merchant features tremendous buys in new couches, chairs, dining room sets, bedroom sets and other pieces of quality furniture. You'll find nothing used or damaged here...their business is quality.

PARKER FURNITURE is proud to stand behind the goods they sell. Their reputation for providing the residents of the area with first-rate furniture and first-rate service has won them the praises of many leading interior decorators and homeowners throughout the region. See them first for furniture. The other dealers are measured by the standards set by PARKER FURNITURE.

The writers of this 1976 Review would simply like to add that you won't find better quality, service and merchandise anywhere.

Babe's Service Center, Inc.

At BABE'S SERVICE CENTER, INC., located at 405 1/2 East Missouri in Floydada, phone 983-5042, you can select the exact tire for your needs and mileage requirements from the area's finest assortment of world famous Goodyear tires. This is one brand name that has served motorists for years and its reputation as being a leader in the industry has spread far and wide.

At BABE'S SERVICE CENTER, INC. you can now register for 2 free tires. These are G78-15 Cushion belted narrow wall Goodyear tires. This offer is good through the end of April.

With a model for every passenger car, truck, sports car, trailer, recreational vehicle and all types of farm and industrial equipment, this well known manufacturer has established leadership in the field. You shouldn't buy any tire without stopping at BABE'S SERVICE CENTER, INC. and looking over the complete Goodyear line.

They also have a fine selection of retreads and good used tires, with plenty of miles left on them.

We, the editors of this 1976 Review, think you'll get a better tire and a better deal!

Federal Land Bank Association of Floydada

The FEDERAL LAND BANK ASSOCIATION OF FLOYDADA is located at 105 South Wall in Floydada, phone 983-2480. Here you will find loans for agricultural purposes, including farm or ranch land, livestock and equipment, or improving your land.

Through the FEDERAL LAND BANK ASSOCIATION OF FLOYDADA, many people of this community have been enabled to own their own farms and ranches. They have probably contributed as much toward the development of this community as has any other institution. Their service is positively indispensable to the success and progress of this section.

They offer a way for farmers and ranchers to secure loans in a business-like manner, without being imposed upon in any way. There can be no better way to secure funds for your agriculture needs than to visit the FEDERAL LAND BANK ASSOCIATION OF FLOYDADA.

The compilers of this 1976 Review are proud to present this solid institution to our readers.

TEXAS TALK

If LACIE is the answer, then what is the question? Well... it might end up as the answer to "How can the government spend a lot of money?" or it could be the answer to "How can we accurately predict crop results without on-site inspection?" Scientists are hoping it answers the second question since, if so, planning for U.S. farmers could be greatly simplified. LACIE is the fast way of saying Large Area Crop Inventory Experiment. Purpose of the experiment is to determine better ways of obtaining information on growing crops by satellite surveillance. Specifically, the tests involve a special kind of "photography" using instruments which measure the amounts and intensities of heat or light reflected from the land. Researchers say there is a good chance the new devices can become sophisticated enough to accurately report crop conditions not only in the United States, but from any place in the world.
