CLUB LEADERS - Mrs. Charles Renfro, left, newly elected president of Eternas Junior Study Club, and Mrs. Ben Fulton, president of Santa Rosa District TFWC, guest speaker at the club's meeting on May 15.

## Eternas Club Hears District President

The Eternas Junior Study Club met Thursday night, May 15, in the home of Mrs. Bundy Hal Campbell, with Mrs. Tim Timmons and Mrs. Tony Dean serving as co-hostesses.

Mrs. Ben Fulton, Quahah, President of Santa Rosa District, Texas Federation of Women's Clubs was guest speaker for the evening. Mrs. Fulton's two goals for the year have been in the Conservation and Home Life Departments.

On Conservation she stressed conserving energy. Some examples were to form car pools and to conserve energy in the home by better insulation to cut heating and cooling costs.

In a recent survey, she said, enough food was thrown out in New York, to feed half its people. She pointed out that CARE was promoting a plan to refrain from eating one meal a day per week and send the money to CARE to help feed the starving people in the world.

"If a family does things together, there will not be a generation gap," Mrs. Fulton said in speaking of Home Life. She also urged parents to listen to their children's ideas on various subjects each day.

Preceding the program, members and guests enjoyed a delicious salad supper. Each table was decorated with a yellow and white bouquet of spring flowers.

A business meeting followed the program.

Members present, other

than those mentioned were, Mesdames Mike Barton, Morris Burkes, Vann Francis, Neal Haralson, Larry Hoyle, Kelly Jackson, Clay Jameson, Arnold Johnson, Carter Luckett, Jesse Perkins, Charles Renfro, Pat Seigler, Jeff Thacker, Dean Turner, Johnney Turner, Ronnie Vandiver and Roger Vinson.

### STUDIES ABOUT THE BIBLE

Let us listen to God's prophet Isaiah, as he tells of that new way of life. He calls it a "highway."

And a highway will be there, a roadway. And it will be called "the highway of holiness." The unclean will not travel on it. But it will be for him who walks that way. And fools will not wander on it. No lion will be there. Nor will any vicious beast go up on it: These will not be found there. But the redeemed will walk there. And the ransomed of the Lord will return. And come with joyful shouting to Zion. With everlasting joy upon their heads. They will find gladness and joy. And sorrow and sighing will flee away.

Love for God and His righteousness will bring about death for the desire for sin, then we must be buried with Christ and be resurrected with Christ. After that resurrection, we are to "Walk in newness of life." In this new life we are dedicating our life to serving the Lord, not Satan. In this dedication we are to turn our back on "the domain of darkness" and accept citizenship "in the kingdom of His beloved Son . . ." Col. 1:13.

**TEXAS TALK**

A marked decline in the number of varieties being grown commercially is one of the unusual things about Texas' number one cash crop - cotton. In 1910, F. J. Tyler, in an article entitled *Varieties of American Upland Cotton*, reported for the United States Department of Agriculture that there were 613 varieties of cotton being grown. Sixty-five years later there are fewer than 50 with only about ten of those commonly used. Two reasons are predominant for the unusual turn-around. First the boll weevil infestation wiped out many susceptible long-staple varieties. Second, producers have developed the varieties they like best and are satisfied with the increases in crop yields, the storm resistant boll (for machine harvest) and the generally shorter growing season provided by relatively few types. Evidence of the success of the varieties being used is amply illustrated when comparing current yield per acre with that of 1950.
