63RD YEAR—No. 44

MATADOR, MOTLEY COUNTY, TEXAS, THURSDAY, JANUARY 9, 1958

PRICE SEVEN CENTS

**PATRIARCH OF THE RANGE**—Hawley Plemons, 88, whose colorful career ended in death here December 31. He had owned the present site of Amarillo, and was one of the remaining pioneer cowboys of West Texas. He worked for Matador Land & Cattle Company continuously for 40 years. Above photograph was made near Dutchman Camp about a short time before Mr. Plemons retired.

### Henry Pipkin Deeds

### Not To Lions Club

**SHOWED MAN**, racked by pain and unable to rise, Tuesday at the end of a table at the Matador Lions first 1958 meeting, with the mist of tears in his eyes. The man veteran member Henry Pipkin, and the tears were his means of expressing satisfaction in a moment of triumph, had just heard the announcement that he had decided to club forever, a 50x50-foot plot of ground in the backyard of his modest home here. The plot contains the large barbecue oven used in preparing beef for Father-Son Banquets and other occasions. The oven was built by the Lions several years ago when larger facilities were needed.

### Will King Retires After 30 Years As Oil Company Agent

**AN OLD HOSS** has been turned out to pasture. Will King, Roaring Springs Magnolia Petroleum Company agent for 30 years, retired last week and his territory has been consolidated with the Matador agency.

Will King delivered petroleum products in barrels and milk cans when he became the Magnolia agent in Roaring Springs, March 21, 1928.

He was honored Thursday by the company when he was presented a handsome plaque by Allen Bergmann, Magnolia territory salesman. Mr. King was retiring after 29 years, 10 months and 9 days with the firm.

"Magnolia has never had a more faithful representative," Bergmann said. The plaque bore the signature of J. L. Latimer, president of the Magnolia Co.

### Civic Leader

Will King has had a part in Roaring Springs community affairs almost from the time he started with Magnolia. He was a member of the Roaring Springs city council 26 years, and a member of the Roaring Springs Independent School board for four years. At one time he was city water commissioner.

At various times Mr. King has been secretary and treasurer of almost every organization in the community. At one time he was treasurer of a Negro church until it finally ran out of funds.

"I intend to relax and take life easy," Mr. King said. The territory which he serviced has been consolidated with the Matador territory under T. J. (Jeff) Daffern, agent.

### Harry Campbell To Publish Book On History Of County

Harry H. Campbell of Matador, first white child to be born in Motley County, has signed a contract with the Naylor Company, book publishers of San Antonio, to publish his manuscript titled "Early Days of Motley County."

The early days in Motley County are principally woven around happenings at the Jingle Bob and Matador ranches, with both of which the author was well acquainted.

Motley County was one of the later Texas counties to be settled and it is fortunate for historians that this book is to be published directly from the memory of one who lived during these early days.

Scheduled for Spring 1958 ready reaching the publisher from Texana collectors and libraries.

The book will be well illustrated with many original photos taken during the early days depicting scenes and people of Motley County.

### Girls Are First Babies Of Year

Two first babies born in Motley County in 1958 were girls, but neither was born on New Year's Day.

Mr. and Mrs. Charles Haney of Afton, are parents of a girl born on January 3, at Stanley Hospital. She weighed 6 lbs. 12 ozs. and was named Melissa Marie. The Haney's have a young son, 2 years old, and the grandparents of the children are Mr. and Mrs. T. B. Haney and Mr. and Mrs. Charlie Rainbolt all of Afton.

A girl born to Mr. and Mrs. Calvin Nimmo of Matador, made her appearance at Traweck Hospital at 3:15 a. m. January 7, several days later than she was expected. She weighed 10 lbs. and was named Kelly Ann. The Nimmos have a son, John Paul, 2 years old. Grandparents are Mr. and Mrs. Tom Moore and Mr. and Mrs. A. C. Nimmo, of Northfield.

Commissioner Boone Simpson of Northfield drove here Monday and crossed Middle Pass River near the old Childress-Matador mail hack route used by pioneers. The bridge and last link of paving between Matador and Northfield have been started.

The new route, when opened to traffic, will shorten the distance between Matador and Northfield by 10 or 11 miles.

The sand in the river has been dragged smooth and traffic is passing. However, the public is advised to use the old road until the new project is completed.

Judge Vance Gilbreath said yesterday that most of the new right of way had been fenced, and that utility poles were in the process of being moved.

A short distance up the river from the location of the new bridge it is possible to see the grassed over ruts of the old crossing. For many years a daily mail hack line was operated between Matador and Childress and used this route.

Pioneer freight wagons also used the route and most of the merchandise used by the pioneers was brought here by this method. It is interesting that the route of the new farm-to-market paving across the rugged terrain, in most instances follows the pioneer wagon roads.

**CONGRATULATIONS** for a job well done. Allen Bergmann, left presents a plaque to Will King of Roaring Springs for 30 years of faithful service as Magnolia Petroleum Company agent. Mr. King retired last week and his territory has been consolidated with Matador. The plaque was signed by J. L. Latimer, president of the Magnolia Company. Mr. Bergmann is territory salesman for the petroleum firm.

### Afton Man Killed By Boll-Pulling Machine

**DEATH** came to an Afton man Tuesday afternoon when he became entangled in the power take-off of a tractor and was thrown into a boll-pulling machine.

J. L. Peak, 52, died enroute here in a Eudy-Seale ambulance after the accident which occurred in his field 1 1/2 miles north of the East Afton Gin.

Mr. Peak was accompanied by E. H. Tooke of the Duncan Flat community, at the time of the accident.

Funeral services were held today at the Afton Methodist Church at 2 p. m. with Rev. W. B. Vaughn of Matador officiating, assisted by Rev. B. L. Smith of Roaring Springs. Interment was held in the Afton cemetery under the direction of Eudy-Seale Funeral Home. Pall bearers were Richard Varnell, Coy Morris, Charlie Dove, Bernice Burtis, Ira Sullivan and M. L. Kelly.

James Leslie Peak was born in the Duncan Flat community, Jan. 19, 1906 and had lived in Dickens county his entire life. He was married to Miss Emma Mooneyham at Dickens January 1, 1934.

He is survived by his wife, three daughters: Mrs. Dora Ward of Yukon, Oklahoma, Velma, 18, and Marion Jo, 4, and one son, James Leslie Peak, Jr., Afton; one sister, Mrs. Fred Mooneyham of Crosbyton, and two brothers, Sherman Peak of Lorenzo and Rev. Albert Peak of Baker, Oklahoma.

### Polio Drive Is Opened

**A DRIVE** for funds to aid the National Foundation for Infantile Paralysis opened yesterday in Motley County under the leadership of Mrs. L. B. (Rose) Turner of Flomot. It will continue through January 28.

Mrs. Turner announced the acceptance of Mrs. Milton Brooks as chairman of the Roaring Springs community.

"She has assured me that she would have the complete cooperation of the school, the P. T. A., the Lions club, and the community in general," Mrs. Turner said.

Whiteflat Home Demonstration Club is working with enthusiasm in planning a benefit supper for the "March of Dimes", Friday evening, Jan. 10, starting at 7 p. m. in the Whiteflat club room. Slogan selected is "Eat that others may walk."

Prices for supper and games are \$1.50 for adults (games only, 50c) and admission for children, 50c per plate.

Plans for events in other communities in the county in support of the campaign will be made later, Mrs. Turner said.

Mr. and Mrs. Lester Dumond, of Chalmers, N. M. were visitors Friday in the home of Mr. and Mrs. J. R. Whitworth.

### Martin Dodson Found Murdered

Martin Dodson, 51, formerly of Roaring Springs, clerk in the Lamar Hotel in Amarillo, was found murdered at 5:15 this morning by the manager of the hotel, according to information received by the Tribune.

The report said he was apparently choked by his key chain and dragged into a hallway. It was believed that robbery was the motive since the hotel money box was missing.

The Amarillo Daily News called near noon seeking information on Mr. Dodson. He was the son of a pioneer Roaring Springs family and was a sister to Mrs. J. B. Rape and sister-in-law to Mrs. Hazel Bridges.

Miss Tommie Green of Denton visited in the Willburn Barton home at Flomot during the holidays.

### County Gets Check For \$10,832 Aid On Road Flood Damage

Motley county this week received a check for \$10,832.83 to aid in the repairing and rebuilding of county roads damaged or destroyed by the floods of last spring.

A letter to Judge Vance Gilbreath from James H. Garner, deputy state coordinator on disaster operations, who enclosed the check, said the money was for invoices of materials and labor submitted to his department.

Judge Gilbreath said he believed the actual cost of restoring all roads in the county damaged by the floods would be between \$25,000 and 30,000.

### Fall Is Estimated At 6 Inches Here

**FIRST SNOW** of the new year fell here late Saturday and Sunday, blanketing the entire Panhandle, and extended from Alpine to Dalhart. Reports of between 18 and 20 inches were received in the Plainview and Muleshoe areas. The fall here was estimated at six inches.

The snow was extremely wet in this area as the mercury hovered around the freezing point most of the time. There was but a trace of wind and the fluffy snow clung to trees, wires, and other objects to create many shortlived scenes of splendor. Moisture content of the snow here was measured at one-half inch.

Bright sunlight Monday caused thawing to begin early and by noon much of the snow was gone. However, traces were to be seen in shaded areas yesterday morning.

### Near Border Line

Matador was near the eastern border line of the mild snow storm. Twelve miles east of town on US Highway 70, at Swenson Hill, the snow changed to a light drizzle of rain, extending eastward.

Torrential rains flooded several towns in the Rio Grande Valley, and along the Gulf Coast.

West and north of here traffic was brought to a stand still by the heavy snowfall. Churches in Lubbock, Plainview and other towns on the Plains failed to hold Sunday services. All roads in Motley County were kept open and regular church services were held, except at the First Baptist Church. A visiting speaker, Rev. F. N. Allen of Hale Center, was unable to get here, but will be here Sunday, Jan. 12, to supply for the church, it was announced.

### 10th Well Completed

**TENTH** producer has been completed in Motley County's Roaring Springs oil field, according to the following article appearing last week in the Lubbock Avalanche:

"Roaring Springs Permo-Penn field of southern Motley County has gained another good producer with the completion of Pan American Pet. Corp. No. 2-A A. W. Payne, five miles east of Roaring Springs.

"Producing from casing perforations between 4,122-42 feet, the well flowed 171 barrels of oil in eight hours for a calculated daily potential of 513 barrels of oil per day.

"Flow was through 6 64-inch choke with 110 pounds tubing pressure. Casing was packed off.

"Gas-oil ratio figured 350 to one; gravity not reported. Treatment was with 1,000 gallons regular acid. There was no water produced on potential test. Estimated allowable is 73 barrels of oil per day."

### Chest Drive Has Total Of \$2,183

Matador Community Chest funds drive fell short of its objective goal of \$3,000 but Chairman Bill Seale said the committee felt the drive had been successful in the face of unfavorable crop conditions.

The total amount in cash and pledges were \$2,183.50 Tuesday when Seale made the report.

### VFW-AUX Plan For Supper And Meel

Annual joint meeting of the Motley County Memorial VFW and Auxiliary will be held at the hut Tuesday night (Jan. 14), when 1958 plans for the veterans organization will be outlined.

Feature item on the supper menu is charcoal steaks. All members of the VFW and Auxiliary are urged to attend.

A party and games have been arranged following the business, according to Commander Leon Smallwood.

**FLOYDADA** Junior High School student, Glenda Cranford, right, was the winner in the Bob Stanley Christmas Eve customer prize event. Owners of the store, Mr. and Mrs. Bob Stanley are shown with the winner, also (far right) the American Flyer 34-piece train which was the first prize. Miss Cranford is the daughter of Mr. and Mrs. Troy Cranford of Floydada, former Matador residents. Mr. Cranford is a bookkeeper for a grain company. Miss Cranford is the granddaughter of Mr. and Mrs. Clyde Metney of Matador. Winner of the second prize, a Sylvania 2-way radio, was Mrs. Colquet Warron of Matador.

# JANUARY CLEARANCE SALE!

Starts Thursday, January 9th.  
Continues Through Saturday, January 18  
DOORS OPEN AT 9 A. M.

10 DAYS of BARGAINS

Sale Held Simultaneously In Both Stores  
MATADOR and TURKEY

WE EXPECTED a greater demand for fall merchandise after the drouth-breaking rains in the spring, and governed our buying accordingly. We did not expect fall rains to "bog down" the harvest and seriously damage the crop, but that is one of the problems of merchandising.

This is our regular January Clearance Sale, being held simultaneously in both stores (Matador and Turkey). Because of our large stocks in both stores we are offering unusual bargains. All the merchandise is new fall and winter items, high quality, and many nationally advertised brands, and worth more than the prices designated. In many instances this merchandise is priced below cost.

We advise customers to come early for the best selections.

Please accept our thanks for your past patronage. We pledge a sustained effort in continuing to serve you in such a manner as to deserve your faith in the future. (Note: It was impossible to advertise all the items on sale. If you fail to find what you want in this advertisement, come to either store. It is probably marked down.)

## Church and Society

### Whiteflat HD Club Plans For New Year

Plans for the coming year were reviewed when Whiteflat Home Demonstration club met Friday afternoon in the home of Mrs. Fred Bourland, who served as program chairman.

The club made plans for a supper and 42 party for Friday night, Jan. 10, proceeds of which will be the community's contribution to the March of Dimes campaign.

Other business included the reading of the constitution and by-laws, and a discussion of recommendations of the Texas Home Demonstration Association, for the coming year.

Mrs. Bob Martin concluded the program by reading from Wesley's column "From A to Z" in the Amarillo Daily News, a commentary on "These are Unusual Times".

Others present at the meeting were: Mesdames Tom Tilson, Malcolm Jameson, Wilson Barton, Miss Melba Jameson, and M. G. Bethard, and Bess Patton, Mrs. W. L. McWilliams of Matador and Mrs. L. B. Turner, of Flomot.

### ARRIVAL ANNOUNCED

Mr. and Mrs. Blake (Bud) Barton, of Floydada are announcing the arrival on Christmas Day, Dec. 25, 1957, of a daughter. Born at Stanley Hospital, Matador, the baby weighed 9 lbs. and was named Christine.

Mr. and Mrs. Troy Smith of Dallas, visited recently in the home of her aunt and family. Mr. and Mrs. E. W. Smallwood. Other visitors in their home included Herbert Chambers of Plainview, who accompanied the Jessie Smallwoods.

### Baptist WMU Has General Meeting

Baptist W. M. U. met Tuesday night at the church for first general meeting of the new year. Royal Service program, "The Golden Door" was presented by the Dorcas Circle, with Mrs. Paul Patton as leader.

Following the devotional by Mrs. Ben Keltz, "Our Christian Heritage" was discussed by Mrs. Colquet Warren. "These who enter the Golden Door" by Mrs. Velma Fulfer, and "Foundations for work among the minority groups", by Mrs. E. F. Springer.

Mrs. Warren, president, conducted a business session, in which Mrs. Springer reported on a recent visit to the Mexican Children's Home in San Antonio, to take gifts from the W. M. U.

The "Sweetheart" banquet which the W. M. U. sponsors annually, was also discussed, and the date set for February 17.

Others present included Mesdames Edgar Lee, Cecil Keith, J. L. Woodruff, George Cullin C. P. Waybourn, V. A. Rattan, R. E. Campbell Sr., Ben Meador, T. E. Long, and E. L. Blankenship.

### WITH DEEPEST GRATITUDE

We extend this word of thanks for the many acts of sympathy expressed by thoughtful friends. The faithful ministrations of Dr. J. S. Stanley and our neighbor, Emmett Jenkins for many months, the nice luncheon served at the church, and the lovely floral offerings to mention only a few of these many deeds of kindness which have meant much to us. May God richly bless each of you.

College students who were home for the recent holidays, have returned to their studies. These include Rev. and Mrs. Darwin Scott, Howard Payne, Brownwood, Misses Betty Neighbors and Barbara Waybourn, TWC, Denton; Frank Traweck and Jimmy Graham, TCU, Fort Worth; Pat Groves, Rice Institute, Houston;

Mr. and Mrs. C. H. Murphy, Alvin Lynn, Richard Hamilton, David Keith, Cecil Irwin, Pina Sue and James Sturdivant, Mike Shanks, A. B. Simpson, Mr. and Mrs. Jerry Swaringen, West Texas State College, Canyon;

Texas Tech (Lubbock) students as follows: Bette Fran Montgomery, Ruth Marie Stanley, Neal Pipkin, Joe Fair, Tom Hamilton, Stanley McDonough, Johnnie Shanks, Janie Norman, Jimmie Watson, James Taylor, Joanne Darsey, Christine Green and Charles Renfro.

### Hospitals Busy As Flu, Colds Increase

Hospitals are busy places these days, as cases of flu and colds increase, and in several instances pneumonia is reported. Many local residents are also ill at their homes, while a number are "walking" cases, going about their daily business routine.

Stanley Hospital patients this week include Mrs. J. E. Jameson Sr., Luther Grundy, Mrs. W. O. McFall, and John Brummett, all of Quitaque, Mrs. Anna Johnson, of Afton and Mrs. John Richardson, of Turkey. Others, who have been dismissed, included W. E. Proctor and Jacqueline Barnhill, of Turkey, Mrs. Elmo Kingery, Roaring Springs, Bert Grundy and Murry Morrison, of Quitaque, and Paul Baxter, of Afton.

A comparable number of patients have been treated at Tra-week Hospital, according to reports.

### ATTEND WEDDING

Mrs. R. E. Donovan and Mrs. U. L. Willie attended the marriage in Paducah, of Miss Janis James and Mr. Fred Herren, on Dec. 27th. The bride is the daughter of Mr. and Mrs. W. O. Jones Jr. Mr. Jones is a former music teacher here and will be remembered as the former Miss Altha Evers.

### Many Here For Plemons Rites

Many friends from out of the county who came Thursday to attend final rites for Mr. Hawley Plemons included former range associates, or members of their families. Among those present were three sons of the late Claud Jeffers: Jim Jeffers, of Paducah, George Jeffers, Panhandle, and Mr. and Mrs. Kenneth Jeffers, Childress. Others were Don Doby, of Dumas, Slim Felts, Paducah, Brit McDaniel, Dickens, and Luther Griffin, Lubbock.

A large group came from Lubbock, and included the following: Mr. and Mrs. A. O. Woody, Mr. and Mrs. Otho Johnston, Mr. and Mrs. C. J. Woolley, Mr. and Mrs. M. C. Armstrong, Mr. and Mrs. John Lowmore, Judge and Mrs. James G. Denton and Mary Beth, and Mesdames N. F. Minor, Dewey George, R. E. L. Pattillo, W. D. Turner, R. A. Gaskins, Burl Abel, J. C. Park Jr., Wm. Lowmore Sr., H. L. McCauley, Charlie Sherrod, and Clem Borerie.

Members of the family here, were Mr. and Mrs. Elmore Plemons and daughter, Mary Ann, of Odessa, Mr. and Mrs. Wm. Lowmore Jr., and sons, Bill and Don, of Lubbock, and Will Plemons, Detroit, Michigan.

### Local Items

### Almanac Shows Texas is Setting Economic Pace

In a swift-changing nation, Texas is setting the pace in economic expansion, according to facts and figures presented in the Texas Almanac for 1958-59, which has just been published by The Dallas Morning News.

Most striking has been the development of manufacturing. In the eight years, 1949-1957, the net annual value of Texas manufactured products increased from \$1,814 million to \$3,991 million. Even discounting for inflation of values this was an increase of about 60 per cent. In the 18 years, 1939-1957, net value of manufactured products increased from \$449 million to \$3,991 million.

The expansion of Texas banking, insurance, distribution, transportation and general commerce has been greater in recent years than in any other period of Texas history, as shown by many pages of concrete data.

The Texas population increase, 1950-1957, has been even more rapid than during the census interval, 1940-1950. In the absence of an official census since 1950, the Texas Almanac uses the official estimates of the Bureau of the Census and its own formula based upon scholastic population increase as shown in individual counties, cities and towns.

The state's population increased from 7,711,194 in 1950 to 9,127,000 in 1957, with some counties, cities and towns showing more than 50 per cent increase. Farm population continues to decline in relation to the population of the entire state but in less degree than during the 1940-1950 census interval.

Mrs. Georgia Strickland accompanied her daughter, Frances, of Lubbock, to Odessa for a visit during the recent holiday season.

## Jan Barton Leads As County 4-H Chairman

By Bill Palmeyer

Results of the December election of officers for the Motley County 4-H club show that members wish to keep Jan Barton of Matador as their chairman as she led the field of 81 eligible boys and girls with a total of 73 votes. Miss Barton has been the leading vote getter the 4 years that Motley County 4-H clubs have had a countywide organization, and is also Vice-chairman of the District 4-H organization, having served as treasurer, delegate, co-chairman and vice-chairman of this organization which has been organized 4 years.

Next in line were Bert Green of Roaring Springs with 72 votes and June Ross of Flomot with 65 votes. They will serve as vice-chairmen of the county 4-H organization, and are selected as delegates to the District 4-H council.

### Other Officers Named

Other officers selected upon the basis of votes received are Boyd Long, Roaring Springs, secretary; Richard Stafford, Matador and Roaring Springs, treasurer; and Mary Alice James, Roaring Springs, reporter. Long and James will act as alternate delegates to the District 4-H organization, and the six-county officers will help direct and

carry out the Motley County program in 1958.

To assist the officers in their work, the following committee of 12 boys and girls were next in line with number of votes received were: Rodney Long, Roaring Springs; Dixie Barton, Carol Campbell, Charlotte Campbell, Dan Graham, Frances Lancaster, Joyce Lynn, Glenda Smith, Stafford, Kay Norman, Mat and Morris Degan and Jan Ross, Flomot.

### Vel Land Program Forfeit Sale Set

AUSTIN, Jan. 8.—Although \$12.5 million in Vel Land Bonds were sold in December, the quickest way for servicemen to participate in Veterans' Land Program buy forfeited land, Land Commissioner Earl Rudder said today.

The next sale forfeited is scheduled for January 21. Fifty-eight tracts in 21 counties will be offered for then.

Commissioner Rudder advised veterans desiring information about the sale to contact the General Land Office in Austin.

**COUNTY AGENT PALLMEYER SAYS:**

Tests for the control of Johnson grass by Motley County farmers show promise, as Delmont Hays, Northfield; Sam Ross, Flomot; and James Ed Russell, Matador report that grass treated with DOWPON killed grass treated. The chemical was mixed at the rate of 1 lb. to 5 gal. of water, and application was made when grass was 6 to 18 inches tall.  
 A second application was made on test plots to treat plants that were missed the first treatment, or were not fully covered the first time, with all three farmers reporting that a satisfactory job was done in the eradication of the grass.  
 Another test by Milton Brooks of Roaring Springs was applied with only fair results reported. Grass in this test was 18 in. and taller when treated, thereby indicating that for best results, treatment must be made while the grass is young and still growing.  
 Four tests for 1958 are planned, these to be conducted by Mervin Green and Alfred Dye, Roaring Springs; Alfred Cooper, Whiteflat; and Joe Smith, Flomot. Farmers are encouraged to watch these demonstrations for results.

Mr. and Mrs. Ware Fogerson and children, Diane and Stanley, were recent visitors here with her parents, Mr. and Mrs. R. A. Day, and in the home of her aunt and uncle, the George Birchfields.

**LOCAL BOARD CALLS EIGHT FOR INDUCTION**

Eight registrants from Texas Local Board No. 45 have been called for induction today, reporting at 5:15 a. m. to the Local Board Office in Plainview. Four were from Hale County, two from Swisher, and two, Roger Allen Kingery and Donald Ray Harris, were from Motley County.

**Results Shown In Small Grain Test**

The first check of the small grain test planted south of J. D. Craven's house in Matador was made on Dec. 6th, eighteen days after planting, and growth of the grains under test was as follows:

**BARLEY:** Rogers was an easy first, followed by Harbine and Cordova of which there was little difference in growth.

**OATS:** New Nortex was first in growth, and was considerably ahead of Bronco and Alamo which were next with about the same growth. In last place was Mustang, which had shown the growth of the top or the middle two varieties.

**WHEAT:** Comanche, Westar and Wichita were the top three wheats, in the order rated, with very little difference in growth, but definitely ahead of the next two varieties which were Quana and Triumph Falling in 6th and 7th places were Crockett and Concho easily the bottom two in the test.

It will be interesting to note if the test follows the pattern of the 1957 test in which the low grazing value wheats produced the highest yields, the same way the present test is starting. Farmers are encouraged to visit the test and note growing characteristics.

Mr. and Mrs. E. W. Smallwood made a trip to Littlefield Saturday, to accompany home their grandchildren, Darlene and Ray Robinson, who have been visiting here.

**IN APPRECIATION**

The loyalty of our friends in recent weeks during our stay in Dallas and since our return home brings to anew, the realization of our inadequacy when we attempt to say thank you. We want you to know of our appreciation of your friendship, and take this means of expressing our deepest gratitude.

## JUNIOR CLASS NEWS

to be only a half year away from Just ask a junior how it feels being an almighty senior! And he will probably moan that the semester tests aren't over yet. Every silver lining must have a cloud!

The return of students after a week of holidays brought some smileless faces and some weary feet. Jr. Mike Groves was host to parties every nite of the week and not many juniors missed a chance to dance at the Hep Cat House. Patti Craven and Karen Jenkins were a little gayer than most but the presence of a couple of college boys might have contributed to the cause.

The end of basketball season is just around the corner and that means wind sprints end and play practice begins. Class president James Bearden will pick the play selection committee soon. Many actors-to-be have begun working on diction and facial expression.

By this time next week we'll all know whether or not we will be juniors again, or if we'll be seniors next fall. Pass or fail, we keep this in mind... "WE'LL WIN WITH WEBB"

## SCHOOL DAZED

-Charlotte Campbell-

At times I am overwhelmed at the amount of generosity that is left over after Christmas and is spread into the first weeks of the new year. On New Year's day, through an act of kindness, classes were dismissed in high school one hour earlier than usual so that the boys could watch the Bowl games while the girls received an extra hour of basketball workout. I'm probably committing the crime of the year by saying that I didn't particularly care who won the Bowl ballgames anyway. Not even on cable T. V. I managed one little cheer for Oregon, and when they lost I gave up. East Texas State was happy not to have my support.

Now for another act of generosity. Within a period of two weeks someone has donated two dogs and a cat to the Campbell's menagerie. At one time during the holidays we had on our homefront, two dogs, four cats, and one little brother. The brother is still around, but one dog has disappeared and a couple of cats have been banished to the barn. The latest pup lives on I guess this is his permanent home. We have taken him off his starvation diet, and we have named him. In fact, he has been named two or three times. Mutt-nick, Raunchy, and Poor Pitiful. I'm the only member in the family who will call him Bony Maronie.

This is the time of year to break out some New Year's resolutions but I am not making any. I still have an abundant supply of last year's resolutions that I haven't used yet. It's impossible to explain how it feels to be caught between basketball tournaments and semester tests. The word TEST sounds like an elegy to me anyway. There are banquets, more tournaments, Valentine parties, and some spring fevers ahead.

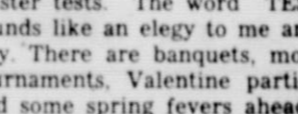

I am forced to recall a little deal I read in The Lion magazine the other day. "Some folks think they are busy when they are only confused." One has to face the bitter truths as one ages and I have just passed another milestone. Three days ago I celebrated my seventeenth birthday at a basketball game. Instead of cake afterwards, I drank a glass of milk. How is that for confusion?

-M. H. S. B.-

and six weeks tests challenging them.

In algebra class the sophomores had a chance to make an "A" for the six weeks. "All they had to do was find the one mistake in an algebra problem that Coach Bradshaw had put on the board to prove 2 equals 1. Since they were not too familiar with having A's on their report cards, they naturally could not figure out the mistake; however they did learn that in algebra you don't divide anything by zero.

Carl "Tubby" Thompson does have other hobbies besides riding motor scooters. He is one of the great basketball managers and a sophomore class member.

Electricity can save you from carrying 2½ tons of wet laundry 40 miles to the clothesline!

In a year's time, a leading magazine tells us, the average housewife of a family of four washes 2½ tons of wet clothes and walks 40 miles in hanging them up on the line.

We're glad electric dryers and automatic washers make this big job a little one. And, of course, this is just one of the many jobs electricity helps you with each day.

What else do you use that helps so much to do so many things - yet costs so little?

## Active Year Shown In Agent's Report

ANNUAL report of his 1957 activities show County Agent Bill Pallmeyer "went places and did things" during the past 12 months.

The report shows that he worked 274 days and traveled 16,524 miles; that he wrote 2,498 letters, made 3,825 telephone calls and held 234 farm demonstrations.

Total attendance at the 143 4 H meetings under his supervision was 5,391, and attendance at the adult meetings was 1,796. He prepared 160 news articles, made eight radio broadcasts and had 3,800 office calls during the year.

Mr. Pallmeyer visited 625 farms, devoted 161 days to adult work and 113 days to 4 H work. He distributed 3,215 bulletins, held 79 adult meetings and spent the following number of days in this manner: Beef cattle, 51; hay, grass and forage, 36; soil conservation, 28; insect control 23; swine 20; small grains, 18; marketing, 10 and cotton, 10. He also devoted time to vegetables, poultry, shrubs, dairy, farm machinery, health, safety, education, wildlife conservation, etc.

**Banquet Is Highlight**  
Mr. Pallmeyer enlisted the aid of 120 men and women leaders in the extension program, and also received the aid of 4 H boys and girls.

The 4-H program received most of his efforts last year. The county's ten clubs with 371 members (of which 160 are girls) required much of his time.

The awards banquet held Dec. 10 was the highlight of the 4 H program last year. Other important activities were: summer camp at Roaring Springs, district leadership camp at Buffalo Gap, State 4 H Roundup at College Station (for which 3 Motley County teams qualified); the junior livestock show, the trip to Ft. Worth for the sale of animals and the square dance party.

Adult programs in which Mr. Pallmeyer had a part were: The emergency hay program, grain variety test, cattle scales inspection, annual Bangs disease test of dairy animals, organization of range beefier Bangs disease vaccination program, cotton insect program, soil conservation, and farm and home development.

**FATHER-SON BANQUET TENTATIVE DATE SET**  
February 7th is the tentative date set for the annual Father-Son Banquet, it was announced Tuesday by Lion Forrest Campbell, chairman of the program committee.

He said the date was contingent on confirmation of securing the principal speaker for the banquet. Other committees were named for the various necessary details.

**1957 RAINFALL UP 5 TIMES OVER '56**

## Survey Indicates Worst Litterbugs Are "Home Folks"

AUSTIN, Dec. 30 — The State Highway Department said today a statewide survey indicates clearly that the worst "litterbugs" on Texas highways are the home folks — not the travellers passing through.

This information was gleaned from a poll of 200 highway maintenance foremen, in connection with a study to determine the worth of the "litterbag" program.

Some 70 per cent of the foremen favored the use of the litterbag, a paper sack distributed to motorists at strategic points across the state. The idea is that they stop instead of throwing it out the window to spoil the scenery.

The survey showed clearly, the department said, that it's the local people, not the out of state visitors nor motorists from another area of the state, who discard trash, bottles, and cans from automobiles and trucks. As one foreman put it: "People will do things at home they wouldn't dare do away from home."

Week-end visitors in the home of Mr. and Mrs. Pat Sheridan, were his sisters, Miss Beulah Sheridan and Mrs. Ann Gaines, of Amarillo.

Mrs. H. S. Watson is visiting in Lockney with her sister, Mrs. M. P. Fulkerson this week.

Mrs. R. E. Donovan visited in Lubbock Wednesday and Thursday with her daughter and husband, Mr. and Mrs. Carl Pierce.

Pharmacy, judged the best decorated business place. Mrs. Forrest Campbell received a plaque for the best decorated door in the contest, while Mrs. Harold Campbell received a plaque for the best decorated yard. Mrs. Frank Montgomery received a plaque for the best decorated window.

Special recognition was accorded Mrs. Freeman Thacker for her part in the contest and the participation of members of the Matador Garden Club.

**More Belts Sold**  
Tailor John Barnhill did a thriving business in the sale of hand-made leather belts given to the community by E. F. Whitaker, inmate in the Texas prison. Whitaker made the belts and sent them to the Matador Tribune with the provision that money received from them to be used to help defray cost of providing Christmas food and toys for the needy children.

Barnhill said he had to date collected more than \$60 from the belts and that he expected to bring the total to \$100, approximately the amount used by the club in distributing Christmas food and toys to needy families.

Visitors introduced at the meeting included Byron Knight, B. T. Hancock and Joe Salem.

**Salem Opens Sale Here And Turkey**  
Sales are opening this morning in Salem dry goods stores in Matador and Turkey. Tom Salem, owner of the two firms, has announced previously that he holds only two sales each year, January clearance and Summer clearance.

Prices on fall and winter merchandise advertised in this issue of the Tribune, apply here and at the Turkey store.

Joe Salem of Sudan, brother of the owner, is here helping conduct the merchandising event.

## A FREE PRESS . . . and CENSORSHIP

America is at peace. While we have men in uniform stationed over the world, we are not at war. In every way, we are working to preserve our peaceful relations with other peoples whose idealogies and aspirations differ from ours.

Figuring largely in that huge undertaking is America's Free Press. Even during the peaceful years, it has become necessary that certain information regarding discoveries and inventions be protected. Security has become big business.

"Keep this out of the newspaper," are fighting words to any newspaper editor who is a conscientious craftsman. Yet editors of all newspapers, large and small, realize the re-

sponsibilities facing them, to help preserve the securities that are so important to all of us.

Government, the military, and the scientific fields, receive full cooperation from the men and women who, by training, are accustomed to dig out and know the news . . . and who, by instinct, strive to keep the people fully informed.

Americans have a right to expect that full freedom of the press be preserved, within the bounds drawn by these securities.

For a completely free press is the only safe foundation on which government of the people can build all other freedoms.
