Sales Tax Rebate Checks **Delivered To Texas Cities**

(AUSTIN) — State Comptroller John Sharp today delivered a total of \$128.3 million in September sales tax rebates to 944 Texas cities and 111 counties, a 9.3 execution of the second second second second second second sec percent increase over payments of one

Sharp said an all-time employment high of 7.7 million working Texans has produced greater consumer confidence and increased buying, which often trans-lates into higher sales tax collections.

More than 226,000 new jobs were created since July 1993 — 181,000 of which were in the services, trade, construction and manufacturing sectors.

According to Sharp, Texas cities re-ceived \$115.5 million for their Septem-ber sales tax payments, up 9.2 percent form the \$105.7 million for September 1993. Counties were sent \$12.8 million, a

9.4 percent increase over last year's \$11.7 million. Another \$163.9 million in bates went to the state's transit authori-

This month's payments include taxes collected on July sales and reported to the Comptroller in August by businesses fil-ing monthly tax returns. The mass transit payments include sales taxes collected April through July and reported to the Comtroller May through August.

Ten special purpose districts around the state were sent monthly payments totaling \$1.1 million.

Motley County Arts & Crafts Club Meets

Do Gooders Flea Market

Declared A Success

The Motley County Arts and Crafts Club met September 12 at the Senior Citizens Center for an all day workshop. Winifred Lee taught a session on making Shelf Dolls.

Owning a doll was once considered a luxury, and most children were happy with even a homemade one. While a few youngsters were fortunate enough to possess a procelain or wax doll, most played with dolls that were lovingly furnished by a parent or grandparent from corn husks, cloth or wood, and dressed with scraps of cloth left from garments

made for the family.

The club members had a happy time making these old fashioned dolls. Some of these will be for sale at our Fall Bazaar,

watch for them!

Noon recess was also very pleasant with various and sundry foods for a

delicious luncheon.

Joy Archer, president, called a business meeting at 1:30. Clean up of the Ford garage was planned for September

Tuesday afternoon, Sept. 6 at the Community Center and made final plans for the Flea Market, Art and Crafts Sale,

cakes and cookies with fruit punch and

coffee.
Others attending were Mesdames

Motley County Has Big 44-0 Win Over Smyer

NO RUN—Motley County Matadors make the tackle which stops a Smyer Bobcat from making a run in last Friday night's game. The Matadors shut out the Bobcats, for a 44-0 win. Those Matadors pictured are #14, Brad Thacker; #70, Jeremy Jones: and #44, Chad Lawrence.

The Motley County Matadors rolled up 421 yards of total offense as they overpowered the Smyer Bobcats and posted their first win of the season, 44-0.

The Matadors wasted little time by taking the opening kickoff and marching 68 yards in 10 plays for the first touchdown of the game. Brandon Blanch ran 1 yard for the touchdown and also tacked on the 2 point conversion, but the drive was dominated by the offensive line. Brad Thacker, Jeremy Jones, Crawford Mason, Chad Graves, Joe Martin, Ryan Martin, and Kevin Keltz consistently opened holes for Blanch, Bobby Barton, and quarterback Jarrod Brooks to run through.

Haywood took the short kick, broke free from the Matador coverage team, and looked like he might go all the way. But Erik Alvarado headed him off at the Motley County 27 yard line. Three plays lost the mark. The Matadors drove the ball 71 yards in 9 plays with Blanch picking up his 3rd T.D. of the night on a 2 yard run. Brooks passed to Keltz for the 2 point conversion putting Motley County ahead 22-0. Brooks closed out the first half scoring with a 4 yard run to give the Mats a 28-0 lead at intermission.

Smyer mounted an impressive drive

and quarterback Jarrod Brooks to run through.

Smyer mounted its first scoring threat of the night late in the first quarter as they drove to the Matador 27 yard line. But on 4th down and one yard to go for a first down, defensive tackle Kyle Brandon stopped the Bobcat ballcarrier for a one yard loss, and the first quarter ended with Motley County top, 8-0.

Blanch scored his second touchdown arly in the 2nd quarter on a 20 yard run. The 2 point conversion failed and M.C. held a 14-0 lead.

Smyer's best chance of the night to score came on the ensuing kickoff as Jody

Mavericks Defeated By Paducah, 30-8

out to a 30-0 halftime lead and defeated the Motley County Mavericks 30-8 last Thursday night. Keane Cruse got the Mavericks on the scoreboard in the section Wildcats. Game time is 5:00.

The Paducah Jr. High Lizards jumped ond half with a touchdown run and 2 out to a 30-0 halftime lead and defeated

7TH GRADE OFFICERS — Llan Barkley, Student Council Representative; Vanessa Easter, Reporter; Jerrod Rieger, Secretary/Treasurerand Student Council Representative; Brant Donaldson, Vice-President; and Ryan Moore, President, pictured left to right, are representing the 7th grade as officers for the 1994-95 school year.

New Teacher Feature

TERRY FERGUSON

Terry Ferguson is the new teacher of nineteen fourth grade students. She was born in Orange, Texas. She is the daughter of Lewis and Nancy Gunstream of Orange and the wife of Tracy A. Ferguson.

Mrs. Ferguson attended college at Stephen F. Austin State University, majoring in Elementary Education, and has been teaching at Woodville, Texas for the last 17 years.

Mrs. Ferguson enjoys teaching and especially loves science. Her favorite things to study in science are animals.

She came to Matador when her hus-band transferred here to work at CapRock Canyons State Park and she was pleased to find an elementary opening at our

Mrs. Ferguson's goal for the year is to

Photo by Renee Atkinson

conversion to give the Matadors the final 44-0 margin of victory.

The Motley County defense limited Smyer to 140 yards of total offense and never allowed the Bobcats to cross the Matador 20 yard line. Rotating defensive ends Mason, Jones, Campbell, and Lawrence continually met in the Smyer backfield as they either sacked the Bobcat quarterback or forced errant throws.

Another species of cat will come to town this Friday when the Crowell Wild-cats visit Burleson Field. Game time is 8:00. Come out and cheer on your Mata-

dors.

There will be a "5th Quarter" fellow-ship for all students in grades 7-12 at the First Baptist Church immediately fol-lowing the game.

by Shelby West

From the first signs that Spring was just over the horizon, when the birds began to sing, the cold air was becoming warmer, and windows began to be raised. I knew that the battle was going to be unrentless. The enemy had been lying dormant all winter preparing for a takeover. This would be a no holds barred, no mercy given fight to the finish

over. This would be a no holds barred, no mercy given, fight to the finish.

From somewhere in the distant, I suppose, carried by the wind, came their battle cry, "Vita, Vito, Vesta".

Silenty, I said a prayer, and asked myself, "Are you really ready for this battle?" Last year, seemly had been an exercise in futility. The battle had been lost, when their vast supply of reenforcements had arrived in early August. The heartbreak of again losing still haunted my inner being. my inner being.

This year I had determined, was going

to be different. I would prevail.

From my library, where I had spent quite a number of hours researching the quite a number or nours researching ince enemies weakness, to my storage shed, which held a very limited supply of battle equipment, I emerged determined, to have the "prettiest lawn in town." In my hand, I held a bottle of weed killer. The label assured me that the brown liquid contained in this bottle, resplied

liquid contained in this bottle spelled

doom for the enemy of my yard.

This pre-emergent weed control listed approximately fifty different lawn destroyers. From the deceiving dandelion to larkspur and some that there is no promustian.

promustan.

This weapon had been obtained in the winter at a cost of \$6.00 per ounce, but hang the price, this is war.

My eyes then beheld my supply of assorted fertilizer, liquid and powder. A smile was in my heart, yes this would be the year.

After making the decision of which

Atter making the decision of winch weed killer to use, I decided on both.

Calibrating the \$45.00 spreader and pouring the \$12.00 weed killer into the hopper, I began to sing, "The Green, Green Grass of Home" Lord! I felt good all over. It doesn't take long to learn to operate this push spreader. I must confess though the amount this digrace decision. though, the amount that is dispersed actually depends upon how fast one walks. Actually, I don't believe one bag covers 2000 square feet. I was still feeling very chipper as I hooked my \$10 hose sprayer, filled with pre-emergent liquid gold to my garden hose that by some strange reason had been left outside during the winter. I soon discovered that my garden hose could now be used for a water sprnkler. Oh well, like I say, this is war and I had had that gardenhose almost 6

months anyway.

I felt a little like Churchill must have felt, as he stood before the whole of England and made his most famous speech of "We will fight them".

of "We will fight them".

I improvised my own motto, "I will fight them in the flower beds, around the garage, in the bar-ditches, I will fight them until all resources and energy has been spent. I will fight them until there is no fight left in them."

The first day of war was long and tiring. After the weed killer and fertilizer had been applied, and all equipment had been throughly cleaned, came the task of

nad been applied, and all equipment had been throughly cleaned, came the task of sharpening hoes, and making ready the lawn mower, yes, it needs as new plug, and a new blade. "Man I would sure like to have a mulch mower" I thought as I changed the oil in "old Murray".

That night as I lay in bed, it came to me, grassburrs weren't mentioned on either label of weed kills.

ther label of weed killer.

Grassburrs, the name alone sent chills up my spine. I broke out in a cold sweat, grassburrs - their worse than cockroaches. If you kill one, a thousand comes to take its place. I couldn't sleep that night, I dosed off, finally about 4 a.m. and had a horrible nightmare. I was stranded on a deserted island, a sea of beautiful grass so green no combination of adjectives could describe, I lay in. As I lay there in tran-quility each blade of grass began to laugh and turn into a grassburr. There was no escape, their voices began to sing in unison, You got the wrong one baby uh uh". Their voices sounded like it feels whenyou step on a grassburr. Thank God I woke

At dawn I stood all alone in the chill of an April morning, my lawn had to be attended.

attended.

My new \$20 water hose attached to the faucet with a brand new sprinkler was ready to do its job. The fertilizer had to be soaked to obtain proper results. What about rain. "Are you kidding?" This is West Texas, the only place in the world where clouds can be so heavy with mois-ture they hang on tops of telephone poles, and still not rain.

As I turned on the water, I noticed the droppings of the neighbors dogs. These dogs are trained to never do nature bidding, except in my yard. A thought comes to my mind, "Man I could never do that" someday I will write a book, and call it "If That's A Cowdog, Why Is He Digging Holes In My Yard, I Don't Have Any

May has come and my yard appears to be taking shape. The weed killer and fertilizer and heavy amounts of water are proving to be effective. The battle seems

to be going in my favor. May turns out to be kind of a lack lustre month in the battle of the lawns. I looked across the street

my neighbor's grass is greener than mine. They never have dogs in their yard, and when it does rain, their yard gets an inchmore than mine. In fact everyone's yard is looking better than mine. They must be working at night after I have gone to bed. It must be a plot, yes that's got to be it, a

That night I paced the floor, I stared at the neighbor's yard, this is the night that they chose not to work in their yard.

June comes and a brand new type weeds have sprung up, the hot southerly winds whip across my frail looking lawn. These are hybrid weeds, they can't be stopped, their ruining my yard. "What can't do?" Why doesn't itrain, but it never rains in June, or does it, I can't remember, someone told me one time that the average rainfall in June is 3 inches. I'm doomed. I look at my last month's water bill, gosh it was only \$28, surely I can water a few more times. After all surely this town wants people to have green grass instead of brown.

Water, cut, fertilizer, water, cut, hoe, water, cut, retrilizer, water, cut, noe, push, pull, rake, water, cut, mow, water, cut, edge - a vicious cycle I'm caught in. Grassburrs, I have never seen so many grassburss. Surely we must fast be approaching Armageddon.

It rains in July, the battle seems to be in my favor now. I only saw two dandelions, and three grassburss. I think I have won the battle.

on the battle

won the battle.

Alas and Alas, a new enemy of my yard and surfaced August. A rate increase in the cost of water. Farewell my lawn - I will miss your greeness, I will miss this battle we so courageously fought side by side. I will miss the joys we had together, and yes I will even miss the times when we both thought that you would surely be overrun by my neighbors dogs, be choked out by a new strain of Clayer, but my friend we won the battle Clover, but my friend we won the battle of the weeds, only to lose to a power that we cannot overcome. So from where the water hose now lies, I will water no more

South Plains Fair Will Provide A Variety of Entertainment

LUBBOCK (Special) -- Panhandle LUBBOCK (Special) -- Panhandle South Plains Fair officials announced this week that the Wizard of Oz Revue will be featured on the Outdoor Stage daily during the 77th annual fair, starting Saturday and continuing through Oct. 1. The musical revue, featuring Dorothy, the Tin Man, the Cowardly Lion and the Scarecrow, presents a sparkling tribute to one of the most beloved family films of all times. Dorothy and her friends, spon-

all times. Dorothy and her friends, spon-sored by the Lubbock Avalanche-Journal, will perform three times daily on the Outdoor Stage at 5,6:30 and 8. Following each performance the cast will meet and greet fans both young and old around the

Also featured daily on the Outdoor Stage throughout the eight days of the fair is Arneberg's Sophisiticated Canines. Featuring dog comedy routines, training sessions and a grand dog finale, the canines have been featured on the Las Vegas hour privit. The does have been seen as the control of the canines have been featured on the Las Vegas hour privit. show circuit. The dogs have shows at 6 and 7:30 each day.

An assortment of entertainment of the

Outdoor Stage is set for the afternoons

fair. Opening the weekend will be a talented group of South Plains College students. Their group will feature a variety of acts at 12:30, 2 and 4 p.m. on Saturday.

Sunday afternoon at 2 and 4 p.m.

"Texas Praise" will present a non-deponing a progressing statistics of the college students. Their group will be a talented group will feature a variety be strolling the grounds everyday sculptons and welcoming fairgoers with their clown family magic.

nominational program featuring progressive country and southern gospel music. The band includes Ramiro Rosalez, drummer; Dave Taylor, acoustical guitar; Rick Taylor, bass guitar and vocalist; Don Webster, guitar and lead vocalist; and John Webster, keyboard, vocalist and

On closing Saturday the West Texas Square and Round Dancers Federation members will entertain on the Outdoor Stage from 1-4 p.m.

Stage from 1-4 p.m.

Around the grounds strolling acts will perform throughout the fair. Hendricks Racing Pigs are back again by popular demand. Racing for a cookie prize, the porkers hit the starting gate five times daily from their race track next to the east Broadway gate entrance.

W.C. Willy, stiltwalker extaordinaire,

each Saturday and Sunday during the towers over fair crowds as he demon-

ing balloons and welcoming fairgoers with their clown family magic.
Fun Times and Monkey Business, featuring organ grinder Norris Welch and his monkey friends, Louie and Buddy, will perform their own brand of special monkey magic daily around the grounds.

monkey magic daily around the grounds. The Children's Barnyard and Petting Farm offers small children an opportunity, under the supervision of Lubbock Co. 4-H Club members, to feed and pet

New to the fair this year will be Dr. Happy LaClair and Blaze, the balloon ing goat.

With more to see that's free, the fair offers non-stop entertainment for young and old during the eight day run of the fair and officials urge farigoers to take advan-tage of free family entertainment at the fair.

IMPORTANT NOTICE OF PROPOSED SETTLEMENT OF CLASS ACTION AND FAIRNESS HEARING

IN THE UNITED STATES DISTRICT COURT FOR THE SOUTHERN DISTRICT OF ALABAMA SOUTHERN DIVISION

Russell Price, et al vs. Ciba-Geigy Corporation NO. 94-0647-CB-S

U.S. WORKERS WITH ON-THE-JOB EXPOSURE TO GALECRON®

and Their Spouses, Children, Other Relatives and Legal Representatives:

GALECRON® WAS A COMMERCIAL AGRICULTURAL PESTICIDE WHICH WAS MARKETED IN THE U.S. BY CIBA-GEIGY CORPORATION. IT WAS NOT MARKETED FOR RESIDENTIAL OR HOME GARDENING USE.

U.S. WORKERS WITH ON-THE-JOB EXPOSURE TO GALECRON® MAY BE ELIGIBLE FOR FREE MEDICAL MONITORING AND/OR CASH PAYMENTS UNDER A PROPOSED LEGAL SETTLEMENT.

You may belong to a class of people covered by a proposed settlement of a legal action ("Settlement"), and you may be entitled to receive the benefits of the Settlement. This Notice tells who is covered by the Settlement, and describes the litigation, the benefits of the proposed Settlement, and your legal rights. All Settlement Class members who do not timely exclude themselves from the lawsuit will be bound by the Settlement if it is approved.

PLEASE READ THIS NOTICE CAREFULLY -

PLEASE READ THIS NOTICE CAREFULLY - IT MAY AFFECT YOUR LEGAL RIGHTS - FOR MORE INFORMATION CALL 1-800-565-3126

By Order of the United States District Court for the Southern District of Alabama, a class action has been conditionally certified for settlement purposes on behalf of Settlement Class Members (as defined below) who may now or later have claims against Cibs-Geigy Corporation arising out of work-related exposure to Galecron®. On January 30, 1995, a fairness hearing will be held at the Courthouse, United States District Court, Southern District of Alabama, 113 St. Joseph St., Mobile, Alabama, 36602, at 9:00 a.m. Central Time, so the Court can determine if the class action should be finally certified and if the Settlement summarized in the Notice should be approved as fair, reasonable and adequate. This hearing may be continued without further notice.

I. DEFINITION OF CLASS
Under the Settlement, Galecron® is defined as
chlordimeform or any chlordimeform-containing product, either
manufactured, formulated, packaged, distributed or sold by or
on behalf of Ciba-Geigy Corporation or related parties, regardless of the trade name of the product; or any metabolite of
Galecron®, including the substance known as 4-COT or 5-CAT.

The Settlement Class is defined as

- All persons who fall into one of the following categories, and who reside in the United States as of the date of filing of the Class Action Complaint, who have been exposed in the United States to Galecron® ("Exposed Persons")
 - Junted States to Galecron® ("Exposed Persons")

 Plant Workers: An individual (whether or not employed by Ciba-Geigy Corporation) who in the course of his or her employment at Ciba-Geigy Corporation's St. Gabriel, Louisiana or McIntosh, Alabama sites, was exposed to Galecron®, including, without limitation, individuals who worked in manufacturing, formulating or packaging Galecron® or in the waste disposal of Galecron®, or worked in the construction, demolition or maintenance of any facilities used for the foregoing activities at such St. Gabriel, Louisiana or McIntosh, Alabama sites; or Formulators: An individual (whether
 - Formulators: An individual (whether or not employed by Ciba-Geigy Corporation) who in the course of his or her employment was exposed to Galecron® while at a plant or site which was involved in mixing, blending, packaging, handling or otherwise formulating pesticides which contained, in whole or in part, Galecron®; or
 - In whose or in part, cateroines, or Applicators: An individual (whether or not employed by Ciba-Geigy Corporation) who in the course of his or her employment, was exposed to Galecron® while involved in the application of pesticides which contained, in whole or in part, Galecron®, including, without limitation, aerial and and applicators, flagmen, mixers, blenders, loaders and other individuals who handled such pesticide prior to or during the application process; and
 - Other Covered Workers: An individual (whether or not employed by Ciba-Geigy Corporation) who in the course of his or her employment was exposed to Galecron® at the Clean Land, Air, Water Corpo-Inc. disposal sites located near Bayou Sorrel, Loui-siana; at Empak, Inc. in Deer Park, Texas; or in a by Ciba-Geigy Corporation; or
- The spouses, parents, children or other relatives of the Exposed Persons described above.

(Collectively "Settlement Class Members"). Note: If you are an Exposed Person, you are a Settlement Class Member whether or not you have been diagnosed with an illness. Spouses, paperats, children or other relatives are Settlement Class Members but the claims they are settling are limited to those arising from an Exposed Person's exposed Person's exposed.

from an Exposed Person's exposure.

Relevant Dates

Galecron® was registered for use from 1968-1989. Some

Exposed Persons may have been exposed before or after those

IMPORTANT MEDICAL NOTICE

II. IMPORTANT MEDICAL NOTICE
To Plant Workers, Formulators, Applicators and Other
Covered Workers (as defined above):
You may have an increased risk of developing bladder
cancer if you had on-the-job exposure to Galecron®. Workers exposed to Galecron® whould participate in a medical
monitoring program because early detection of bladder cancer
can result in more effective treatment. As part of the Settlement, Ciba-Geigy has agreed to establish a medical monitoring program for the detection of bladder cancer for those individuals who do not exclude themselves from the lawsuit.
Within six months, this program should be available free of
charge to all Exposed Persons who do not exclude themselves
from the lawsuit.

If you had on-the-job exposure to Galecron®, it is recommended that you or your doctor call 1-800-565-3126 to
learn how you can obtain further medical information or enroll in the medical monitoring program.

BRIEF SUMMARY OF LITIGATION

III. BRIEF SUMMARY OF LITIGATION
On February 8, 1994, a class action lawsuit was filed against defendant, Ciba-Geigy Corporation ("Ciba-Geigy"), in Alabama State Court, which lawsuit was later removed to the United States bistrict Court for the Southern District of Alabama. The Complaint, as amended, alleges that the Settlement Class as defined above is entitled to damages for medical monitoring and other compensation as a result of Exposed Persons' exposure to Galecton®.

Ciba-Geigy has filed an Answer denying all essential allegations of the Complaint, and asserting affirmative legal defenses. The Court has decided that the case can proceed as a class action for purposes of settlement only. This does not mean that the Class Representatives would have been successful had the case gone to trial. The Court has made no such determination, and the proposed Settlement is not to be construed as an expression of any opinion by the Court as to the merits of any of the claims asserted against Ciba-Geigy.

PROPOSED SETTLEMENT

IV. PROPOSED SETILEMENT

A Settlement has been entered into between the Class Representatives, Class Counsel and Ciba-Geigy, which will resolve all past, present and future claims against Ciba-Geigy arising out of Exposed Persons' exposure to Galecron®. The Settlement provides for the establishment by Ciba-Geigy of two funds to provide medical benefits and compensation to Exposed Persons or their legal representatives.

(1) The Medical Monitoring and Treatment Fund ("The MMT Fund"). If the Settlement is approved, Ciba-Geigy will make an initial deposit of \$5,000,000 into the MMT Fund, and will thereafter make additional deposits on an as-needed basis. There is no limit to the amount of money Ciba-Geigy can be required to contribute over the life of this Fund.

The MMT Fund will pay for a medical monitoring program designed to detect at an early stage the form of bladder cancer alleged to be associated with Galecron®: specifically, primary urothelial carcinoma of the urinary collecting system, i.e., renal pelvis, ureter, bladder and urethra. The MMT Fund sow will pay for all medically necessary treatment not paid for by Medicare or Medicaid if the Exposed Person has been or in the future is diagnosed with such bladder cancer.

The MMT Fund will pay for medical monitoring to Exposed Persons for a period of 20 years, and will pay for medical treatment until one full year passes with no claims for treatment being filed but in no event less than 20 years. Ciba-Geigy will have no obligation to continue the medical monitoring and treatment program if the Settlement is not approved. Only Exposed Persons, i.e., eligible Plant Workers, Formulators, Applicators and Other Covered Workers, as defined in this Notice, will be entitled to medical monitoring and treatment.

(2) The Disease Compensation and Administration

(2) The Disease Compensation and Administration Fund ("The DCA Fund"). If the Settlement is approved, Ciba-Geigy will also make an initial deposit of \$30,000,000 into the Fund. In addition to medical treatment paid for by the MMT Fund, the DCA Fund will make cash payments of up to \$410,000, as set forth in more detail below, on behalf of an Ex \$410,000, as set forth in more detail below, on behalf of an Exposed Person who, after exposure to Galecron@), has developed or in the future develops the form of bladder cancer alleged to be associated with Galecron@: specifically, primary urothelial carcinoma of the urinary collecting system, i.e., renal pelvis, ureter, bladder and urethra. Cash payments will vary depending upon the Exposed Person's age, smoking status and participation in the health screening program. For Exposed Persons who are non-smokers and participants in the health screening program, the cash payments will be as follows: (a) \$10,000 in the event of treatment involving an invasive procedure (this is a one-time treatment involving an invasive procedure (this is a one-time payment regardless of the number of procedures); (b) up to \$15,0,000 in the event of a radical cystectomy (bladder removal) with diversion of the urinary tract, which amount will decrease with a person's age to a minimum of \$10,000 if the Exposed Person is \$5 years or older; and (c) up to \$25,000 in the event an Exposed Person's death is found to be caused by bladder cancer, which amount will decrease with age to a minimum of \$17,500 if the Exposed Person is \$5 years or older. An Exposed Person may collect separately for (a), (b) and (c) above, so that the maximum payment to an Exposed Person is \$410,000. The cash payments described above will be reduced by 12.5% if the Exposed Person had smoked in the five years prior to diagnosis. A separate 12.5% reduction will be made if he or she had failed to participate in the health screening porgram in each of the three years prior to diagnosis (or in each year that the program was available, if less than three years). The DCA Fund also will pay \$1,000 to any Exposed Person who was diagnosed with hemorrhagic cystitis within three months following exposure (this is a one-time payment regardless of the number of manifestations). In addition, the DCA Fund will pay for administrative costs, and class counsel's statorney' fees, costs and expenses as determined by the Court. All cash payments from the DCA Fund are paid only on account of a compensable claim of an Exposed Person, i.e., an eligible Plant Worker, Formulator, Applicator or Other Covered Worker, as defined in this Notice. Cash payments to a spouse, parent, child or other relative will only be made if they are the legal representative of an Exposed Person.

The benefits of the DCA Fund will continue as long as the MMT Fund continues, or until the DCA Fund is exhausted as set ofth below. Cisa-Geigy has agreed to pay up to a maximum of \$45,000,000 for the benefits afforded by that Fund. If the DCA Fund and will regain their right to pursue any legal claims they are the legal regain their right to pursue any legal claims they are the regain their spite to pursue any legal claims they may have, except for claims for medical monitoring, medical treatment, fear of illness or cancer, or increased risk of illness or cancer, or increased risk of illness or cancer, or cancer serves or cancer, because medical monitoring and treatment will continue to be available.

to be available.

(3) Other Conditions. The Stipulation of Settlement presently provides for medical monitoring, treatment and compensation payments for certain medical conditions set forth in this Notice. In the event, however, that a Court approved Epidemiology Panel determines to a reasonable medical certainty that any other medical condition is caused by Galecron® exposure, that condition will be deemed a compensable claim, and will be eligible for medical monitoring (if feasible), medical treatment; and cash payments. The cash payments will not exceed the maximum amounts payable for the covered medical conditions set forth above.

amo casn payments. Inc casn payments will not exceed the maximum amounts payable for the covered medical conditions set forth above.

(4) Administrator. A nationally recognized entity or entities with substantial investment and medical claims administration experience will be appointed by the Court to administer the Settlement. The Administrator will determine whether a Settlement. Any disputes concerning a Settlement Class Member's entitlement to benefits will be resolved by a Medical Advisory Panel or by a single arbitrator, depending upon the issue in dispute. The decision of the Medical Advisory Panel or arbitrator each have the effect of an arbitration decision and shall be binding upon all parties, including the Settlement Class Members (5) Release. Settlement Class Members who do not exclude themselves from the Class release all past, present and future claims: (i) relating to the Exposed Person's exposure to Galecron®, including all claims alleging that any other cancers, personal injuries or risks are caused by exposure to Galecron®. This means that claims that Galecron® exposure caused any condition other than those medical conditions listed above will be released, but will receive no compensation or treatment, unless the Court approved Epidemiology Panel finds that such other condition is caused by Galecron® exposure retaiment, unless the Court approved Epidemiology Panel finds that such other condition is caused by Galecron® exposure caused any condition of Settlement, including Ciba-Geigy, Ltd., the parent of Ciba-Geigy and certain additional releases as defined in the Stipulation of Settlement, including Ciba-Geigy, Ltd., the parent of Ciba-Geigy and certain additional releases as defined in the Stipulation of Settlement, including Ciba-Geigy, Ltd., the parent of Ciba-Geigy and certain additional releases as a defined in the Stipulation of Settlement, including Ciba-Geigy, Ltd., the parent of Ciba-Geigy.

V. CLASS REPRESENTATIVES AND CLASS COUNSEL
The Court has designated the following Settlement Class Members, Russell W. Price, Leslie E. Hoven, Grady W. Brown, Jennie Ropp Brown, Jack Harley Woodward, Alta Woodward, Joe H. Bowman and Martha Annie Bowman, as class representatives to represent all Settlement Class Members. The Court has also designated as Class Counsel the following individuals: Timothy E. Eble; J. Cecil Gardner, Joseph J. McKernan; S.C. Middlebrooks Settlement is fair, reasonable and adequate. Class Representatives and Class Counsel believe that the proposed Settlement is fair, reasonable and adequate. Class Representatives and Class Counsel have entered into the proposed Settlement after weighing the substantial benefits against the probabilities of success or failure, and the long delays that would be likely if the case proceeded to trial.

There has been no agreement between the parties regarding attorneys' fees. At the fairness hearing, Class Counsel will request the Court to award attorneys' fees and reimbursement of costs and expenses, to be paid from the DcA Fund. Class counsel will request a percentage fee award not to exceed 20% of the benefit conferred on the class, half of which will be requested to be paid over a 4-year period while legal work continues. be paid over a 4-year period while legal work continue

RIGHTS AND OPTIONS OF SETTLEMENT CLASS MEMBERS

If you are a Settlement Class Member, you have the fol-

You may do nothing and remain a Settlement Class Member. If you choose to take no action, your interests as a member of the Settlement Class will be represented by the Class Representatives and Class Counsel, at no cost to you indi-vidually. You will be bound by any judgment or final disposition of the litigation, and may participate in the benefits available as a member of the Settlement Class. It is important, however, to fill out the REQUEST FOR INFORMATION FORM in order to

You may remain a Settlement Class Mem either represent yourself or hire your own attorney to represent you at your own cost. You or your attorney must file an Entry of Appearance with the Clerk of the Court and send a copy to Class Councel and Ciba-Ciegy, at the addresses set forth be-low. Such Entry of Appearance must be filed by December 16,

You may remain a Settlement Class Member and object to the Settlement, Any Settlement Class Member who does not elect exclusion from the Settlement Class and who objects to the proposed Settlement must mail such objections and any supporting papers to the Clerk of Court, at the address set forth below, on or before December 16, 1994. If the person filing the objection intends to appear personally at the January 30, 1995 Fairness Hearing described above, he or she must file with the Clerk, on or before December 16, 1994, a Notice of Intent to Appear. Any Settlement Class Member who does not file objections in the time and manner described above is forever foreclosed from raising any objection to such matters. Any Settlement Class Member whose objection is overtued will still be bound by any judgment or final disposition of the litigation. Copies of all objections and Notices of Intent to Appear that are mailed to the Clerk of Court must also be mailed to Class Counsel and to counsel for Ciba-Geigy at the following addresses:

young animals.

Class Counsel Galecron Class Action P. O. Box 974 Charleston, SC 29402

Counsel for Ciba-Geigy Henry B. Alsobrook, Jr. Adams and Reese 4500 One Shell Square New Orleans, LA 70139

(4) If you choose to remain a Settlement Class Member (under Options 1, 2 or 3 above), you may receive the benefits afforded by this Settlement within six months of the Court's Order directing this Notice. Ciba-Geigy has agreed to make all benefits afforded by this Settlement available to Settlement Class Members on an interim basis prior to final Court approval of the Settlement. The appropriate Proof of Claim forms will be required (see Section VII below), and an appropriate release will be required for any cash payments made. During this interim claims procedure, class councel's fees and expenses will be paid upon approval of the Court and ultimately deducted from the DCA Fund initial deposit.

(5) You may request exclusion from the Settlement DCA Fund initial deposit.

(5) You may request exclusion from the Settlement Class. If you elect to be excluded from the Settlement of the class action, but you also will not be able to participate in the Settlement. You will retain and be free to pursue any claims you may have. If you wish to exclude yourself from the Settlement Class, you must mail a request for exclusion to the following:

Clerk of Court
United States District Court
For the Southern District of Alabama
113 St. Joseph Street
Mobile, Alabama 36602
Your exclusion request must set forth your full name and current address. Your written request for exclusion must be postmarked no later than December 16, 1994.

VII. PROOF OF CLAIM PROCEDURE
In order for an Exposed Person to receive medical monitoring, he or she will be required to submit proof of certain employment-related exposure to Galecron®. In order to receive medical treatment or the disease compensation outlined above, a Settlement Class Member will also be required to have been diagnosed, subsequent to exposure, with one of the covered medical conditions listed above. A Proof of Claim to participate in medical monitoring may be submitted at any time during the duration of the program. A Proof of Claim for a covered medical condition must be submitted within one year of diagnostis (or, if the condition has already been diagnosed, within one year after approval of the Settlement).

The Proof of Claim is designed so that you may complete it yourself. Class Counsel is available to answer questions you may have about claims procedures, without charge to you. If you desire legal assistance, you are free to retain an attorney of your choice.

To obtain a Proof of Claim Form for medical monitoring, medical treatment or disease compensation, please call 1-800-565-3126 or fill out the REQUEST FOR INFORMATION FORM below and mail it to Class Counsel a 14 D. Box 974, Charleston, SC 29402. No benefits will be available to any member of the Settlement Class unless he or she submits the necessary Proof of Claim Form.

necessary Proof of Claim Form.

VIII. FOR FURTHER INFORMATION
THIS NOTICE IS ONLY A SUMMARY. The complete terms of the Settlement, and all other pleadings and relevant documents in this litigation, are on file and may be examined or copied during regular business hours at the offices of the Clerk of the Court, United States District Court, 113 St. Joseph Street, Mobile, Alabama 36602. Do NOT CALL THE CLERK OF COURT if you have any questions about this Notice or he Settlement. Address any questions regarding this Notice or Settlement in writing to the Class Counsel at P. O. Box 974, Charleston, SC 29402, or by calling 1-809-565-3126.

Any requests for additional information, like the Proof of Claims Forms or a complete copy of the Settlement, should be made by calling 1-809-565-3126, or by filling out the REQUEST FOR INFORMATION FORM below and maining it to Class Counsel. It is recommended that all Settlement Class Members who do not wish to exclude themselves mail the REQUEST FOR INFORMATION FORM, as it will facilitate further communication if the Court approves the Settlement. If you do not mail the attached form, the Court may not be able to communicate with you directly and you may not learn how to receive your benefits.

DELAYED ROARING SPRINGS EX-STUDENTS ASSOCIATION PLANS REUNION

The Roaring Springs Ex-Students held their meeting at the depot September 6 to discuss plans for the upcoming Roaring

Springs Homecoming.

It was decided the reunion will be held on June 17, 1995 at the Tabernacle. The dues will be \$1.00 per year or \$5.00

The Association would like to know of plans for any class reunions, change of addresses and new addresses of any exstudent or teacher.

AA ROUNDUP HELD IN ROARING SPRINGS

Alcoholics Anonymous held their annual Roundup here last weekend with approximately 100 persons participating with the longest distance traveled by two men from Louisiana. The meeting began with the Edda wareing read accept with the Friday evening meal catered by Pigg's of Quitaque as were all the meals. The entire meeting was dedicated to the late Brown Hinson who had, at the time of his death, achieved almost 40 years of sobriety and helped countless other people achive sobriety by his understanding, patience, and total commitment. The eeting continued through Saturday.

A guest of Mrs. Billie Clifton during the Labor Day weekend was Wilma Hare of Clovis, N.M., the former Wilma Smith, daughter of Mr. and Mrs. Jim Smith.

Mrs. Billie Clifton left Wednesday for Springfield, Missouri, where she will attend the reunion of the Hospital Unit of which her late husband Clyde Clifton

Mr. and Mrs. Wayborn Mitchell of Paducah visited his mother, Mrs. Vera Mitchell on Saturday.

Rev. and Mrs. Mitch Boydstum and baby daughter were guests for lunch with Mrs. Ora Stonecipher who was assisted by Mrs. Vera Mitchell.

Mrs. Beth Hinson left Lubbock Air Terminal Tuesday morning to visit her sister, Mrs. Pearl Maxwell in Las Vegas, Nevada. She will be gone about two

Miss Lula Swim spent the past week-end in Plano with cousins there. She went

Friday and returned Tuesday.
Mr. and Mrs. J.T. Swim celebrated their 55th Wedding Anniversary Saturday with dinner in Plainview.

Mr. and Mrs Amos Mize of Amarillo and Francis Gunter of Floydada brought their mother, Mrs. Mamie Duren of Amarillo here Sunday to check the fam-ily graves in the local cemetery. Mrs. Mize and Mrs. Duren stopped by for a brief visit with Mrs. Roxie Lewis. Mrs. Duren recently celebrated her 98th birth-

Genius is the capacity to see ten things where the ordinary man sees -Ezra Pound

Our Privilege

School children are always overjoyed at the coming of summer and their libera-tion from the drudgery of school. One little boy, exulting in his new-found freedom from the agonies of the first grade, asked his mother this question: "Now that summer has come, can we quit going to church,

Children aren't the only ones who feel about going to church. A lot of adults regard it as a painful necessity, too. In some cases that's because the services themselves are boring and don't offer anything that is truly uplifting or useful.

But more often, it's because people fail to realize their need for worship and what a <u>privilege</u> it is to be <u>able</u> to worship, just as a child doesn't understand the importance of an education or what a privilege it is to be able to get one. That we are invited by the God who made us to come and associate with Him is a great privilege indeed.

It's a privilege for \underline{you} to be able to worship, and it will be our privilege to have you worship with us.

which was caught in a storm. All of the passengers were frightened, except one. He was calm in

prayer.

Tapping him on the shoulder, the comedian asked, "Would you mind making that a package

Prayer is personal, but it should also be "a package deal." The Bible says, "Pray much for others; for He longs for

God's will to convert is as wide as His will to create. No one is outside His love, so no one should be outside your prayers.

Pray, but make your prayer "a package deal" and pray for others, won't you?

According to Lubbock-based Plains
Cotton Growers (PCG) decreases in both
the average price received by growers
and monthly marketings left the estimated
1994 upland cotton deficiency payment
unchanged through July.
The projected cotton deficiency payment settled at 7.77 cents per pound
through July leaving a 1.32 cent final
payment rate after substracting the 6.45
cent advance payment. Earlier in the
season produces were able to apply for
and receive the 6.45 cent advance on the
1994 deficiency payment.

and receive in 6.43 cent advance on the 1994 deficiency payment.

Through July, 1994's cumulative marketings totaled 5.28 million bales.

Marketings during the same 7-month period in 1993 were slightly higher at 5.69 million bales.

Preliminary calculations through July project the final payment around 7 cents.

However, significant changes in either effect the final payment rate. The maximum deficiency payment possible in 1994 is 22.9 cents, the difference between the upland cotton loan rate of 50 cents and the 72.9 cent target price etablished in the 1900 Ferra Bill 1990 Farm Bill.

Deficiency payments are calculated as the lesser of the difference between the target price and either the Commodity Credit Corporation Loan Rate or the average price received by growers weighted by total marketings for the preceding calendar year.

The preliminary volume of marketings and prices received by growers in cents per pound as reported by the National Agricultural Statistics Service appear below.

Preliminary Marketings and Prices Received Through May 1994

	Marketings (1000 Bales)		Price (cents/lb.)		Weighted Ave. Price	
	1993	1994	1993	1994	1993	1994
January	2681	2100	53.0	63.7	53.00	63.70
February	1009	922	53.8	65.6	53.22	64.28
March	823	742	56.3	66.1	53.78	64.64
April	338	556	55.1	67.7	53.87	65.03
May	336	507	53.2	69.3	53.29	65.48
June	269	269	53.6	63.5	53.89	65.38
July	246	185	53.7	58.4	53.88	65.13
O MAGG	W L' . DC					

Kater Hake, Cotton Specialist with the Texas Ag Extension Service, says producers who see regrowth in their dryland and irrigated cotton may be close to missing a prime opportunity to get the 1994 crop out of the field. According to PCG, Hake is still en-

couraging producers to take action to terminate their crops, including dryland fields with only marginal yield potential, in order to take advantage of the crop's earliness and maintain the highest quality

possible.

to show signs of regrowth are no longer sending any resources to developing bolls, instead they are putting all their efforts towards growing new stems, leaves and

squares that will not contribute anything to yield. An added benefit of terminating the crop early is the ability to prepare fields to store as much moisture as pos-sible for the 1995 season.

But ye, brethren, be not weary in well doing. II Thessalonians 3:13

Social Security Tips

by Terry Richardson

EVERYONE NEEDS A LITTLE HELP SOMETIMES

Everyone needs a little help once in a while. The help could be from a friend or co-worker, from a bank or credit union. And sometimes the help could even come from Supplemental Security Income (SSN)

(SSI).

In the real world, for example, individuals who are not earning much money may find themselves responsible for an elderly parent, a disabled child, or another relative who is blind or disabled and are no longer able to care for themselves.

For example, we — the first \$20 ceived in a month; working and half the — food stamps; and half the conforted ble to care for themselves.

are no longer able to care for themselves. If you are confronted by any of these circumstances, or similar ones, you should explore the availability of SSI benefits. SSI pays monthly checks to individuals who are 65 or older, or blind, or have a disability and don't own much or have a lot of income. Monthly checks can also go to disabled and blind children. If a person qualifieds for SSI, he or she may also be able to get Medicaid, food stamps, or other social services.

To qualify for SSI, you, your family members, or individuals you care for, don't need to be destitute. You may work, own a car or home, or attend college.

Generally, if the applicant lives in the household of another, the basic SSI bene-

It is reduced as much as one-third.

If you're working and think that your earnings may be too much to allow you to qualify for SSI, you should be aware that under SSI, not all income is counted in determining whether you're eligible for benefits

For example, we don't count:

— the first \$20 of most income re-

— the first \$65 a month you earn from working and half the amount over \$65;

— food stamps;
— most food, clothing, or shelter you get from private nonprofit organizations;

most home energy assistance.
 If you are a student, some of your wages or scholarships you receive may

wages or scholarships you receive may not count.

There are many rules that determine your eligibility for SSI. You should realize that your are not the best judge of your can and still need help, call us at 1-800-772-1213. We may be able to provide the assistance you need. Remember, everyone needs a little help once in a while. one needs a little help once in a while

THANK YOU

The family of Viola McBride wants to thank all the neighbors and friends for the food and fellowship. Especially, thanks to Pat Seigler and his staff for a job very well done. Also to the ladies at Senior Citizens for the noon meal and Gaylon Cox for a fine service.

To all the wonderful people in Matador who helped a panicky mom look for her son last Friday evening, we say Thank You! We appreciate and love you all. We especially thank Deputy Jay Hawkins, Ronnie Vandiver, and members of the Matador Fire Department.

Beverly and Robin Darsey Bert and Dumont

I would like to express my thanks to all of you who were so concerned about me after my recent accident. The phone calls, cards, food, visits, and prayers were greatly appreciated.

Also a special thanks to all the EMTS and everyone else who assisted me during my ordeal

Thanks again, Guy Campbell

HELP WANTED

OWNER/OPERATORS NEEDED: Booker Transportation needs owner/operators to pull meat loads to Texas. Our trailer ratio is 3 to 1. Most loads are drop and hook. Weekly settlements, unloading pay and tag payment programs. Our work is extremely steady and regular. Our operators make money! If you need to make a financial comeback, we can help. Call us for more details at Booker, TX 800-569-4633.

Paducah Nursing Center

has current openings for Licensed Vocational Nurses 2/10 or 10/6 shifts. Our nurses play an integral part in patient care and the environment of our center. If you are a career oriented person, dedicated to providing quality care, we want to talk with you. We offer a very competitive salary/benefit package. For a confidential interview, please contact:

Manuel Najera, Administrator Paducah Nursing Center 7th St. Paducah, TX 79248 800 7th St. 806-492-3516
