SIMMONS HARDWARE CO. TO CONTINUE BUSINESS

AFTER REORGANIZATION ST. LOUIS, Dec. 4 .- The management of the Simmons Hardware Company, the Enders Razor Company and the Mound City functions are interrelated, the in-Paint and Color Company will be terest of the various bureaus in Matador, Texas, continued under the direction of the new born baby, pre school and the reorganization committee school child may be cited as an which purchased the Assoicated Simmons Companies at public The purchasers represented holders of a majority of the defaulted gold note in the Associated Simmons Companies.

The sale price, \$2,260,000, was the only other bidder for the properties at the sale. The bidding was started by the reorganization committee at \$1,700, 000. Successively higher bids were made until the Shapleigh interests dropped out at the \$2. 250,000 mark

According to Mr. L. E. Crandent in charge of management of the Associated Simmons Companies under a trusteeship, the sale now makes it possible for the puchasing committee to reorganize the Simmons Hardware Com-

activities," says the American infectous disease. Public health Public Health Association. These activities are: "(1) The safeguarding of child health and motherhood; (2) the control of contagion; (3) accurate recording of births and deaths; (4) support of

public health laboratories; and

(5) sanitary control of diseases

spread from human waste and by

vermin and insects. The Texas State Department of Healthh provides that due emphasis be given to each of the above mentioned activities. To illustrate how these 5 essential Child health is safe-
