

Armistice Program Is Announced High School Girls Will Sell Poppies

The Fleming Post American Legion will sponsor an Armistice day program at the Matador High School at 11 o'clock a. m., it was announced by officers of the organization late yesterday. The principal feature of the program will be an address by C. A. Cryar, Superintendent of the public schools of McLean. Mr. Cryar is well known in Motley county, having taught school at Northfield and is remembered as a forceful and entertaining speaker. Students of the Matador schools will also take part in the program.

An special invitation is extended to the public to attend the program by the American Legion. "We feel," one member of the ex-service men's organization declared, "that the present generation needs to become more familiar with those days which are held sacred by the traditions of our nation. It is our duty to keep before the people, the principals of good government and to perpetuate the memory of those who have made it possible for us to enjoy the institutions of a Democratic nation."

Girls To Sell Poppies

Girls of the Matador High School will sell poppies Friday morning, November 11, the proceeds of which will be sent to disabled soldiers of the World War.

The program arranged, is as follows: Presenting Colors, by Ex-service men; Greetings, Frances Carpenter; Devotional, Rev. D. D. Denison; War Songs, J. R. Whitworth, leader; Reading, Frances Stearns; Song, Virginia Estes; Introduction of Distinguished Guest, Commander, D. P. Keith; Address, Buddy C. A. Cryar; Taps, Matador Band; Benediction, Rev. Henry Weldon.

CECIL SHELTON IS IMPROVING

Cecil Shelton, manager of the mechanical department at the Mission Gas and Oil Co. Service Station, who received severe burns on Oct. 22, as a result of a gasoline fire at his shop, is improving.

Mr. Shelton was washing the oil pan of an automobile in gasoline when L. W. Guthrie inadvertently dropped a lighted match near inflammable liquid. He was quickly covered in flame and probably more serious injury was averted when associates immediately removed parts of his clothing and extinguished the fire. The skin was burned on his left leg from the ankle to the knee and two fingers on his right hand were severely burned.

Mr. Shelton's condition has improved to such an extent that his physician estimates he will probably be able to return to work in another week.

Young Man Dies As Result Of Blow

H. M. Wagley received notice of the death Wednesday of his son-in-law, Homer Dean, a former resident of Matador, as result of an accident which occurred in oil fields near Pampa when a scuffling fell 60 feet and struck him on the head several days ago. The man's head was crushed and an operation in Pampa hospital yesterday resulted in a large section of his skull being removed. He died later, however, according to the meager details which were available.

MISS BRANDON IS NEW NURSE AT HOSPITAL

Miss Ora Mae Brandon of Decatur has accepted a position here as nurse at the Traweck Hospital. Miss Brandon, who comes highly recommended, began her duties there last week.

SHOWERS FALL

Showers started falling here late yesterday, accompanied by a hail and thunder storm of considerable consequence, although no damage was reported. It is estimated that midnight that about 25 inch has fallen and a slow drizzle continues with the wind changing to the north, promising colder weather.

Cattle Bring Large Sum To Motley County Seventy Cars Worth Near One Fourth Million Dollars

Motley county is still in the cattle business despite many lamentations regarding the passing of the cowboy. In fact the receipts of seventy cars of cattle shipped from this county last week will probably cause many more extensive farming sections to check their incomes. Excluding the great Matador Land and Cattle Company ranch which is now the largest in the United States, 20 local ranchmen realized in the neighborhood of \$125,000 for the fruits of their ranges, in one week.

Roy Hagler, Washington Court House, Ohio, who has purchased fine cattle in Motley county for many years, bought 35 carloads. Paducah and Floydada buyers also made purchases.

Sales last week included the following: A. B. Echols, 16 cars; C. D. Bird, 3 cars; H. H. Campbell, 5 cars; J. C. Burleson, 7 cars; Mrs. G. W. Seigler, 6 cars; L. A. Stearns, 1 car; Elbert Reeves, 1 car; Rattan Ranch, 1 car; Wason and Godfrey, 1; Waybourn, 2 cars; Martin Ranch, 8 cars; U. L. Willie, 4 cars; Mrs. W. W. Moore, 3 cars; B. F. Simpson, 7 cars and others, 5 cars, including J. R. Moore, Henry Ford, Mrs. A. W. Ford, A. D. Beauchamp, John Lawrence and Scott Bolton, sale of which was made to Paducah and Floydada buyers.

The shipment of 70 cars was made via the Quanah, Acme and Pacific Railway, from Roaring Springs, and by the Denver Railway, from Turkey.

CAR AND TRUCK IN COLLISION

C. A. Clark of Quitaque was placed in jail on a charge of driving while intoxicated and (Humpty) Hawkins, also of Quitaque was taken to the Traweck Hospital for treatment of injuries, after their car had collided with a truck loaded with cottonseed on Highway 28, six miles east of Matador about ten o'clock Sunday night. Hawkins was treated for a broken nose and broken collar-bone, besides other injuries.

The seed truck owned by Lon Davis of Floydada, was driven by Edwin Harper, accompanied by his father, E. E. Harper and another man whose identity was not learned. The new truck was turned over by the impact but none of the occupants received serious injury. The automobile driven by Clark was badly damaged.

Deputy sheriff H. H. Courtney arrested Clark after investigating the accident and finding two cases of beer near where the car was wrecked.

Clark was released from jail on \$500 bond Monday, to await the action of the grand jury, and Hawkins was released from the hospital the next morning following the accident.

Levi Wilkinson Loses Two Fingers

Levi Wilkinson of Whiteflat lost two fingers in a serious accident several days ago while working on a windmill at his home. Mr. Wilkinson attempted to check the fall of a pipe into the well after it had started to slip, which resulted in both hands being crushed and two fingers of the left hand being severed below the second joint. The pulley to which the pipe was attached, broke, causing the accident.

Receiving immediate medical attention, Wilkinson has recovered sufficiently to be on the streets and declared that despite the severe pain, caused from the injury, he believes he would soon be able to remove the bandages.

COTTON GINNING REPORT

Census report shows that 5,329 bales of cotton were ginned in Motley County, Texas, from the crop of 1938 prior to October 18, as compared with 3,649 bales for the crop of 1937.

Lions Start Month With Fine Program Many Attend Ladies' Night Program; Directors Meet

One of the most enjoyable programs ever held by the Matador Lions Club followed the delicious luncheon served by the ladies of the Methodist church, Tuesday, climaxing a series of activities by the local civic organization. At the Tuesday meeting, two new members, Howard Traweck and Pat Sheridan were welcomed into the club, and Tail Twister J. D. Craven, was presented with a Lions Club key. Honor students of the Matador High School, who were guests of the club, included: Frances Stearns, Houston Schweitzer, J. W. Durbin, Kara Hunsucker, and Keith Patton.

The meeting was in charge of vice-president Henry Pipkin acting in capacity of Boss Lion in the absence of Lion Henry Ford. The program was sponsored by Lion R. E. Campbell and included a reading by Rachel Carpenter, a student of expression teacher, Mrs. J. R. Whitworth and a reading by Mrs. Whitworth. The reading by Mrs. Whitworth was declared one of the most enjoyable features ever sponsored by the club.

To Aid In Red Cross Drive

Lion W. F. Jacobs, Motley county roll-call chairman of the American Red Cross, announced that the country's quota had been set at \$350 this year. He appointed Lions L. R. Bishop, John Hamilton, C. A. Pitts, and J. D. Craven as a committee to canvass the business section, of Matador in the drive which will start November 11 and continue until Nov. 27.

Lion Elmer Stearns announced that the directors of the club in a breakfast meeting at the Texan Cafe Monday morning, had planned a series of programs relating to the possibility of securing paved streets in the business district of the city. A plan will probably include city officials in attempting to create enough interest in the project to secure some future action, it was announced.

Many Attend Ladies' Night

A record group of Lions and their ladies met in the basement of the Baptist church Thursday night to enjoy the banquet and

(Continued On Back Page)

CHILD WELFARE MEETS SUCCESS IN FUND DRIVE

The two days, "Tag Days" drive for funds conducted by the Matador Child Welfare Association, Friday and Saturday, met with splendid response according to members of the Executive Committee. A total of \$116 was collected in the two days campaign, which will be used to finance benefits for needy and underprivileged children of this community.

The tags bore no particular price, but were sold at whatever amount the purchaser desired to pay.

Mrs. Fred G. Simpson, president, as well as other officers of the organization are highly gratified with the results of the drive.

The organization announces the following program for the meeting to be held November 9th. Song, America; Constitution and By-laws by Miss Amy Glenn; Duet "Whispering Hope", Mrs. D. D. Denison and Mrs. George Springer; The Maladjusted Child, Mrs. B. F. Tunnell.

NEW CHURCH OF CHRIST MINISTER MOVES HERE

Minister Floyd Hamilton, who has accepted the position of Minister of the Church of Christ here, moved here last week with his family, from Levelland. Minister Hamilton is filling the place which was made vacant recently when Minister Weldon Bennett accepted a pastorate in Oklahoma.

CHURCH GROUP WILL OFFER PLAY TUESDAY Proceeds To Aid In Completion Of Department

"Aaron Slick from Punkin Crick" a rollicking comedy portraying the ups and downs of a country boy in outwitting "city slickers," will be presented by the Young People's Department of the First Baptist Church at the High School Auditorium Tuesday evening, November 8, at 7:45.

The play, under the direction of Hugh C. Gray, is in its second week of rehearsal and progressing nicely. The cast is headed by Joe Berry Meador as Aaron Slick who, incidentally, is not as green as he looks. Mr. Wilbur Merridew, a crooked speculator interested in oil, is played by Dee Cates. Burrell Tiptop, portrays the part of Clarence Green, a mysterious young man with poetic tendencies, especially where "Sis" is concerned. Mrs. Rose Berry, the Oklahoma widow who would like to be closer to the bright lights of the city, is played by Vivian Estes. The part of Gladys May Merridew, a "sweet young thing" and niece of the crooked speculator, Wilbur, is taken by Geraldine Skaggs. Doris Whatley appears as the Girl in Red. Jewel McCoy is cast in the role of Little "Sis" Riggs, a regular tomboy and general trouble maker.

Proceeds from the play will be used to complete work already begun on the Young People's Department under the direction of Mrs. J. Farris Fish, Superintendent of the Department.

Tickets will be available the latter part of this week. The price of admission will be twenty-five cents for adults and fifteen cents for children.

Funeral Rites Are Held For C. A. Perkins

Charles A. Perkins, 77, father of Eugene and Jessie Perkins and Mrs. Willie Rattan, died at the Terrell State Hospital, Tuesday afternoon, October 25, 1938, and the body was brought here for funeral services and interment Thursday afternoon.

Charles A. Perkins was born in Louisiana, December 2, 1861 and moved to Texas with his parents while a small child. He grew to manhood near Paris, Texas and was married to Miss Mattie Stone in 1886 in Montague, Texas. To this union five children were born, three of whom survive. They are Jessie Perkins and Eugene Perkins and Mrs. Willie Rattan, all of Motley county. Mrs. Perkins preceded her husband in death in 1914. Mr. Perkins joined the Baptist church at the age of 14 and remained a faithful member throughout his lifetime.

Mr. Perkins suffered a severe stroke in 1896, from which he never fully recovered, having spent 42 years in the state institution at Terrell, with the exception of four and one half years during which time he visited his children here.

Funeral services were held by Rev. H. M. Weldon, pastor of the Matador Baptist church and interment made in East Mound cemetery.

On Trip To Visit

Eugene Perkins, unaware of his father's condition, was enroute to Terrell for a visit at the time of Mr. Perkins' death, and could not be located. He arrived in Terrell at seven o'clock, about four hours after his father had died.

pall bearers were: John Lisenby, Robert Wilkinson, Frank Edwards, L. A. Carlisle, Carl Tardy and Elmer Jameson.

Flower girls included: Zora Ruth Seaff, Mary Gaines, Virginia Estes, Wanda Nelson, Dorothy Wason, Johnnie Adelle Griffin, Norma Chloe Casey and Mary Kathryn Martin.

Mr. and Mrs. F. O. Carlson returned home last week from a vacation trip which included a visit through ten states. Leaving Matador, they drove east into Oklahoma, continued north and then west, returning home after a visit in New Mexico.

C. B. Whitten Is Called By Death

Spur-Flomot Game Friday Afternoon

The question of whether the Spur Bulldogs or the Flomot Longhorns will continue in the race for District 4-B championship, will be settled on the Charles A. Jones Memorial Stadium at Spur Friday afternoon, November 4. With the Longhorns giving the Matadors a hot chase of 51 to 13 last Friday afternoon, and the Bulldogs winning their third conference game over the Silverton Owls at the same time, indicates that the Bulldog-Longhorn game is going to be one of the best this season. Neither team has met defeat yet, and the carry over of feeling from last year as a result of Spur winning over Flomot on their home grounds, is going to add fire and pep to the game next Friday.

The game will be called about 2:30 o'clock in the afternoon, and the victors will have to carry forward for District 4-B to try to win over Lockney's fast eleven for the championship. Spur's score over Matador eleven three weeks ago was 32 to 6 on Spur's field under lights.

Spur has one of the best stadiums in West Texas with a seating capacity of 4,500. In addition to this, there is a large race track around the football ground where approximately 1,000 cars can be parked to accommodate those who desire to remain in their cars. The elevation of the stadium affords an excellent view to the fans for every play made.

REV. BRITTIAN TO CONDUCT SERVICES SUN.

Rev. G. I. Brittan of Plainview, venerable pastor and the third to hold the pastorate of the First Baptist Church here, will conduct both morning and evening services in the new Baptist church edifice here Sunday, Rev. H. M. Weldon, pastor has announced.

Rev. Brittan was pastor of the local church for a period of seven and one half years, about 38 years ago, coming here with his family in or around 1900. He needs no introduction to this and adjoining communities, and his return to fill his former pulpit for one day, will probably evoke memories from the past that will strengthen the bond between the old order and the new.

While a veteran in years, Rev. Brittan is still active in evangelistic work, and on his departure from Matador Monday morning, he will go to Dallas to attend the State convention to be held there next week.

Upon its organization in the early days, the Baptist church had as its first pastor, Rev. J. C. Powers, who was succeeded by Rev. W. H. Rattan. Rev. Brittan was the next pastor, and moved from here to Floydada, going from there to Plainview where he has since made his home.

New Jeweler Opens Shop In Matador

W. H. Jackson, watchmaker and jeweler of Brownfield, has opened a watch repair shop and jewelry store in the former Bradshaw location next door to the City Barber Shop. Mr. Jackson has been in the jewelry business for ten years and is fully equipped and trained to give modern watch repair service.

His stock of merchandise includes a complete line of watches and other items sold by jewelry stores.

Mr. and Mrs. Jackson moved here Monday, to make Matador their future home, and incidentally, their first home, since they were married, Saturday, October 29, 1938.

A cordial invitation is extended the public to visit the establishment and become acquainted with these two new citizens of Matador.

Mr. and Mrs. N. M. Groves were recent visitors in Abilene.

County Attorney Dies Suddenly Tuesday Night

C. B. Whitten, 56, Motley county attorney, and owner of the Matador Hotel, died suddenly shortly after eleven o'clock Tuesday night following an emergency operation for acute appendicitis at the Traweck Hospital. Mr. Whitten was on the streets early Monday but complained of feeling ill and went home during the morning. His condition was declared critical by Tuesday but attending physicians hesitated to recommend an operation until Tuesday night and then only as an emergency measure. Mr. Whitten was reviving from the operation when he lapsed into a coma from which he did not rally.

Mr. Whitten was probably one of the best known men in Motley county, having come here 30 years ago as a school teacher. He taught school in winter and then attended the Lebanon, Tennessee law school for a number of years until his graduation. He also held a B. A. degree from the East Texas Normal College at Commerce, class of 1908. Mr. Whitten was elected county judge and served two terms, and later elected county attorney, serving a number of years. He was a charter member of the Matador Methodist Church, and a Shriner in the Masonic Lodge. Besides his law practice, he owned and operated farms and ranchland, his hotel and dealt in the cattle business.

Is Mourned By Many

Judge Whitten, as he was known to many, was of genial personality. He befriended many in every walk of life and was always the champion of those less fortunate than himself. His sudden passing has cast a pall over Matador and vicinity, bringing grief to the hearts of those who knew and loved him.

Charles Boone Whitten was born in Alabama, August 1, 1882 and died November 1, 1938, age 56 years and 2 months. The funeral services are to be held at the Methodist church at 10 o'clock this morning and interment made in the Matador East Mound cemetery under direction of the Masonic Lodge. Mr. Whitten was married to Miss Vera Carpenter of Lufkin, Texas, August 1, 1938.

Surviving are the widow; two brothers, Dr. Sam Whitten of Greenville and John Whitten of Bridgeport; a sister, Mrs. Virginia Smith of Anadarko, Oklahoma and a step-sister, by a former marriage, George Gray of Matador.

Howard Traweck Is Candidate

The Tribune is authorized to announce the name of Howard Traweck as candidate for the office of county attorney of Motley county, subject to the general election to be held Tuesday, Nov. 8, 1938.

Mr. Traweck's name will not appear on the general election ballot since C. B. Whitten, now deceased, was the Democratic nominee for the office. Voters will find it necessary to write-in the name of Howard Traweck in the last column on the right hand side of the ballot.

In making his announcement, Mr. Traweck declared that he regretted the necessity of offering himself as a candidate so soon after Mr. Whitten's death, but since the election is next Tuesday, he has no other opportunity to seek the consideration of the voters.

The young attorney, who holds a B. A. degree in government from Texas Tech and who is a graduate of the University of Texas law school, declared that he would greatly appreciate the opportunity afforded by the office and that he would strive to merit the confidence of voters of Motley county who find it possible to support him. Mr. Traweck had been working in connection with Mr. Whitten for some time.

RETURN FROM DALLAS

Dr. and Mrs. Albert Traweck returned home Wednesday last week, from a few days visit in Dallas. They were accompanied home by Dr. Traweck's mother, Mrs. A. C. Traweck, who had been visiting in Dallas for several weeks.

ACHIEVEMENT

The third and last part of the award is achievement. It is perhaps the most important...

not only enter athletics, but we must win. We may have a desire to make a good conduct record...

Absence of Eyestrain Features Light-Conditioned Room

A lamp at every easy chair creates proper balance in lighting as well as in furniture arrangement.

By Jean Prentice

In the old days, logs for the fireplace and big red apples helped to make long evenings more pleasant...

Lamp-light at every easy chair is one of these. This helps to create the balance that is needed in lighting...

Right Shades Important

Most important, of course, a lamp at each chair furnishes localized light that helps prevent eyestrain...

New Technique

Lighting scientists have a new technique for creating this kind of illumination. They call it light-conditioning...

And although the lighting specialist uses sets of carefully worked-out standards to fit light conditioning...

A second fundamental rule concerns white-lined shades. If any of your shades has a dark lining, try this experiment...

A third important rule hinges on having the right-sized bulbs in

lamps. Just what size you need has been worked out by lighting scientists. A reading lamp, for example...

General Room Light Needed

Finally, a fourth thing to watch in making your home pleasant for the long evenings ahead, has to do with "general" room light...

REV. WELDON GIVES TALK IN CHAPEL

The first high school chapel program of the year was given on October 27. Two songs were sung, and they were followed by a prayer led by Rev. Weldon...

Mary Gaines gave a talk on "Good Sportsmanship on the Field"; Jaunita Mize spoke on "Good Sportsmanship in the Grandstand"; J. W. Durbin described "Good Sportsmanship after the Game..."

WHO IS IT?

A member of the junior class. Another football hero. Altho he's pretty bad in school, He's not as bad as Nero. Well then, what shall we call him?

JUNIOR CHATTER

The juniors selected their class pins and rings on October 20. The pins will be received before Christmas, and the rings will be ordered in the spring...

METHODIST CHURCH

Eugene L. Naugle, Pastor Next Sunday will be the last Sunday of the Conference year so far as Roaring Springs is concerned. Let us make it a banner day in attendance. If every member will be in the service with a prayer in his heart, the Lord will be with us to own and to bless. Sunday School 10:00 A. M. Preaching 11:00 A. M. Young People's Union 6:45 P. M. Preaching 7:15 P. M. Your stewards are busy men.

Will you see them and thus help them to finish their work in a good way? They will appreciate it and you will receive a blessing.

There are people whose lives are benedictions wherever they go. There is an old legend which tells of the visits of a fair goddess to ancient Greece. It says that the people always knew when she had been there, although no one saw her, by the blessings she left behind. She would pause before a lightning-blackened tree, and the tree would be covered with beautiful vines. She would sit down to rest upon a decayed log, and the decay would be hidden under lovely moss. When she stepped on the muddy shores of the sea, violets would spring up in her tracks. This is only a legend, but it illustrates the influence of a life in which the fruits of the Spirit have full and rich growth.

BRING-A-DISH CLUB MEETS

The Bring-A-Dish Club met with Mrs. S. L. Thompson on Wednesday of last week. Those present were Mesdames M. E. Keshey, Duff Green, J. K. Green, Clark Forbes, Fred King, Freeman Thacker, E. L. Naugle, Nannie Turner, Samson, and the hostess, Freeman Thacker and Miss Kelly Ann Green were also dinner guests.

BAPTIST CHURCH NOTES

Sunday's church services were very encouraging. Rev. H. W. Graham, who has recently moved to Roaring Springs brought inspiring, helpful messages at both the morning and evening hours. He also rendered delightful service as pianist. We need a man with his enthusiasm and willingness to tackle our problems in our church all the time.

We appreciate very much the large visitation from our Methodist friends. We believe in cooperation among Christians in their lives for Christ. We extend a hearty welcome to every one to attend our church. —Reporter

Higginbotham-Bartlett Co.

LUMBER, BUILDING SUPPLIES AND HARDWARE

The Fords Tell Their Plans

for 1939

If we knew anything better we could do for the country than make good motor cars, we would do it.

By every one doing his best in the job he thinks most useful, this country is going to regain its momentum. We have tried to do our best in our job.

When business was suddenly halted in its recovery more than a year ago, we determined that we should keep going anyway, if not at full-volume motor car production, then at getting ready for greater motor car values that would help future production.

EXPANDING FOR THE FUTURE

We began to build 34 million dollars' worth of new plants and equipment. We felt that if we could not employ all our men building motor cars, we would employ as many as we could building better production facilities.

We were told, of course, that this was no time for expansion, that a wiser business policy would be to "hold everything"—which means, stop everything. But no one ever got anywhere standing still.

Besides, we are not defeatists. We do not believe this country has seen its best days. We believe this country is yet in the infancy of its growth. We believe that every atom of faith invested in our Country and our People will be amply justified by the future. We believe America is just beginning. Never yet have our People seen real Prosperity. Never yet have we seen adequate Production. But we shall see it! That is the assurance in which we have built.

Business is not just coming back. It will have to be brought back. That is now becoming well understood in this country; for that reason 1939 will be a co-operative year. Manufacturers, sellers and buyers will co-operate to bring back the business that is waiting to be brought back.

This construction program is almost completed. It has increased activity and payrolls in a number of related industries. It has given us better facilities for building better cars and trucks, and eventually our new tractor which is being perfected.

THIS MEANS MORE VALUE

The current program has provided a new tire plant, which will turn out a part of our tire requirements... a new tool and die plant that will help us cut the cost of dies... and a steel-press plant that will enable us to make more of our own automobile bodies. These are in addition to the plants we already had for producing glass, iron, steel, plastics, and many other things.

We don't supply all our own needs, of course, and never expect to. The Ford engine is one thing

Henry and Edsel Ford, on the occasion of the 35th anniversary of the founding of the Ford Motor Company, June 16, 1938

that no one's hand touches but ours. Of nearly everything else we use we build some quantity ourselves, to find, if possible, better and more economical ways of doing it. The experience and knowledge we gain are freely shared with our suppliers, and with other industries.

We take no profit on anything we make for ourselves and sell to ourselves. Every operation, from the Ford ships which first bring iron ore to the Rouge, is figured at accurate cost. The only profit is on the finished result—the car or truck as it comes off the line. Some years, there is no profit for us. But we see to it that our customers always profit. A basic article of our business creed is that no sale is economically constructive unless it profits the buyer as much as or more than the seller.

Our new plants have helped us build more value into all our cars for 1939. That means more profit on the purchase to the purchaser. We have not cut quality to reduce costs. We simply will not build anything inferior.

NEW TESTING EQUIPMENT

While we were putting up new plants to produce cars, we constructed new equipment to test them. The first weather tunnel of its kind ever built for automobile research went into operation at our laboratories this year.

It makes any kind of weather to order. The weather it delivers every day would take months to find in Nature. Our cars are weather-tested to give you good service in any climate anywhere.

In other tests, every part of the car is punished unmercifully. Then our engineers tear it down to see if they can find abnormal wear or any sign of weakness.

The money we spend on tests saves you money on repairs. And your family car is safer and more dependable when we put it in your hands.

THE NEW CARS

We have two new Ford cars for 1939—better cars and better looking—but we also have an entirely new car.

It's called the Mercury 8. It fits into our line between the De Luxe Ford and the Lincoln-Zephyr. It is larger than the Ford, with 116-inch wheelbase, hydraulic brakes, and a new 95-horsepower V-type 8-cylinder engine.

We know that our 1939 cars are cars of good quality. We think they're fine values in their price classes.

With new cars, new plants, new equipment, the whole Ford organization is geared to go forward.

FORD MOTOR COMPANY, Dearborn, Michigan

LOCAL ITEMS

Graham of Lake Arthur, was a recent visitor here... Mrs. Amy Glenn and Mrs. E. McKenzie, were recent week-end visitors at Lubbock.

Former Resident Weds Recently

Word was received here this week of the marriage of Miss Hope Clements, formerly of Matador, to a Mr. William Vernon Conroe, in a ceremony performed Saturday, October 29, in the Wilshire Wedding Chapel in Los Angeles, California.

Edwards, D. P. Keith, Scott Bolton, T. E. Cammack, R. E. Campbell, L. Rattan, A. D. Burleson, H. M. Weldon and Elbert Seigler.

one visitor were present. Mrs. Fred G. Simpson led the Devotional, and Mrs. U. L. Willie taught the lesson.

Williams, together with Mr. and Mrs. F. C. Bourland and daughter Georgia, were Lubbock visitors Tuesday.

visitors, Miss Amy Glenn and Mrs. L. J. Barkley.

Childress City Code Is Shuffled

In session at its third called meeting of the week, the Childress City Council re-employed Jerry Debenport as secretary of the Board of City Development Saturday.

HARRY WILLETT & COMPANY MATADOR, TEXAS

Los Toreros

(Continued From Page 3)

Comments: Rudolph is a Junior in high school and is very popular in his classes. He is especially popular with the girls. He likes all kinds of sweets but is afraid to eat them. He is making us a very good back this year, and we hope to hear a lot from him before the year is over. Here is a boy to watch out for next year.

Name: W. O. Cox; Height: five feet, eleven inches; Weight: one hundred seventy pounds; Age: sixteen; Experience: none; Position: guard; Comments: W. O. is one of the red-headed Matadors. His hair does not have anything to do with his temper, and he is liked by everyone. His home is at Whiteflat, and we are glad to have him going to school here. W. O. was out the last game with Spur, but we are hoping that he will be able to carry on the old Matador fight the rest of the season. W. O. will also hold down a position on the Matador squad next year.

SOPHOMORE GOSSIP

We Wonder Why—?

Frances Stearns has not been seen at Wilson's Cafe lately. (Maybe it's because John Alsup is living with Mr. Ezzell.)

Joyce Irby said she was going to make friends with Mr. John Lee. Could the reason be that J. W. Durbin lives there?

Idle Chatter—

My, my, how love does fly (out the window). Frances Stearns doesn't even sit by E. A. Day anymore. (It's a sad story, eh what?)

Now here's one, Mr. Tunnell. Not all high school girls are boy crazy. The other day in English class, Frances Carpenter wanted to know if a boy was a noun. Alice Thompson, the wise one, answered, "No, he's a mouse." Frances: (Now, now, don't take it so hard, boys).

Our big football hero, Jack Martin, and that demure little lass Letta Bird, certainly have been giving each other a million-dollar smile lately.

JOKES

On a history test last week the students were asked to define "Chalabine," which is a kingdom in Italy. This answer was received: "Chalabine was a sister of Napoleon's"

Wandell: "Oh, what heavenly swing" (music)

Jinx: "Swine" That was the waiter dropping a tray of dishes."

Mr. Ezzell: "Can anyone tell me what happened after Napoleon mustered his army?"

Kenneth: "Yes, sir. He persuaded the enemy and took the citadel by assault."

Mr. Ezzell: "Sit down, my lad. I'll have no sauce from you."

Stuck-up: "Well, how did the family tree come out?"

Geologist: "The whole crop's a failure."

Mr. Ezzell: "Tell me, Norman, what do you know about the Caucasian race?"

Freak Autumnal Storms Kill 500, Red Cross Aids Hundred Thousand

At top—Hurricane-wrecked home and motor car on Long Island; thousands were similarly destroyed. Lower right—One thousand fishing and pleasure craft were beached by tidal wave; a glimpse of Long Island coast. Lower left—Refugees from storm, seated on an overturned chimney, fed by Red Cross.

SIX New England states and Long Island are engaged in digging out from under the debris of wrecked buildings, roads and utilities, of destroyed homes and forests as a result of the worst hurricane storm damage to visit that section of the nation since 1821.

The storm, known as a West Indies hurricane, swept in from the Atlantic on September 21, virtually without warning, attained a wind speed of 190 miles an hour at some points, and was accompanied by high seas. Fire followed in some sections, and rivers already rising, were soon in flood. Lives lost numbered 475 identified persons, with many still reported missing.

More than 56,000 families suffered grave losses, and today the Ameri-

can Red Cross is engaged in rehabilitating 21,000 of these families in their homes, their occupations, and on their farms, because they are unable to restore their losses without some outside help.

The Red Cross is in a race with approaching winter to get families back into their homes. Work to be done ranges from mending roofs and chimneys to completely rebuilding and refurbishing modest homes. Fishermen and farmers were heavy losers, because boats, nets, lobster pots were washed away, and tobacco crops, barns, poultry, maple sugar and fruit trees were destroyed.

Red Cross Chapters rescued, housed, fed and sheltered the storm victims, and more than 100 disaster relief workers of the Red Cross were

in the stricken area within three days, arriving by airplane, boat and bus, despite disrupted communications.

Mobilization of Red Cross workers to aid victims of this storm was not completed before a series of three tornadoes struck Charleston, South Carolina, September 29, killing 30 people and making 600 families homeless. Red Cross provided shelter, and now is engaged in rebuilding homes and aiding the families. Thus these two September catastrophes claimed more than 500 lives.

The annual roll call for members in the Red Cross which occurs from Armistice Day to Thanksgiving provides the funds which keep the Red Cross Chapters and national organization prepared to meet emergencies such as these.

Norman: "I don't know anything about it; I wasn't there."

Mr. Gray: "Tom, Neil, can you give me the three classifications into which men are divided?"

Tom: "Yes, sir, rich, poor, and goodlooking."

Mr. Gray: "What is the most physiological method of treating a dog which has just bitten you?"

E. A.: "Bite him back, of course."

An inspired hand may create mere beauty within a frame that is contained on the canvas which it was intended to supplement.

An outstanding educational feature of the State Fair of Texas will be the model No-Home Work school demonstration. Classes will go thru the actual work. The idea of the demonstration is to demonstrate the value of the teacher teaching instead of hearing recitations.

ANCHORS AWEIGH

Hotel Iza, Meridia, Yucatan Once A Mansion. Now A Hotel

Of the hundreds of hotels one encounters through the years of travel, only a very few stand out in one's mind and rear their heads above the great mass. To these rare exceptions, I must now add another—the Hotel Iza in Meridia Yucatan.

This structure, now housing paying guests, was not originally built for hotel purposes, but for private use. For two centuries and

HELP YOUR KIDNEYS

To Get Rid of Acid and Poisonous Waste
Your kidneys help to keep you well by constantly filtering waste matter from the blood. If your kidneys get functionally disordered and fail to remove excess impurities, there may be poisoning of the whole system and body-wide distress.
Burning, scanty or too frequent urination may be a warning of some kidney or bladder disturbance.
You may suffer nagging backache, persistent headache, attacks of dizziness, getting up at night, swelling, puffiness under the eyes—feet weak, nervous, all played out.
In such cases it is better to rely on a medicine that has won country-wide acclaim than on something less favorably known. Use Doan's Pills. A multitude of grateful people recommend Doan's. Ask your neighbor!

DOAN'S PILLS

one-half, it was a magnificent colonial mansion housing families of Castilian noblemen. All these families were duly recorded in Yucatan's exclusive social register its local "Almanach de Gotha". Here lived the Counts de Regil (pronounced Ray-heel). A scion of this illustrious family is the present incumbent—Count Raphael de Regil. It was my pleasure and privilege to meet this gentleman and in the course of my stay. We had many talks together and rambles about Meridia. In this manner I was introduced to some of his friends—one, the foremost archeologist of Mexico, Sr. Martin, in charge of Historic Monuments throughout the Republic. An authority on Maya antiquities. But more about Count de Regil anon.

The family mansion of these Spanish noblemen, as viewed from the exterior, gives not the slightest inkling of the treasures and beauties concealed within. The house is a two-storied affair built about a central patio—after the general Spanish design. There are about 60 rooms—with high ceilings (about 21 feet) of lattice work to let the hot air escape. The floors are often of black and white marble squares alternating. One sees choice rugs—Persians—here and there. The furniture and the woodwork are all extremely rich and beautiful. Some furniture is adorned with gilded bronze ormolu. In the Family Dining Room the walls are covered with tooled Spanish leather, with elaborate carved sideboards and built in China closets and a glass mosaic ceiling. Paintings are seen by foreign artists, statuary in bronze and marble, articles de vertu, miniature replicas of famous architectural beauty—the Court of Lions at the Alhambra at Granada, for example. Besides this, books and many cases filled with rare Maya art retrieved from the ancient tombs are to be seen.

Through these rooms, so filled with beauty, one flowed the cultured and wealthy aristocrats—true cosmopolites—educated in European Universities, linguistically gifted, speaking many foreign languages with elegance and fluency. Refined, travelled—the creme de la creme of Spanish society.

Time, the panther, ever jealous of this shining mark just at the edge of the Yucatan jungles, sneaked up and laid its devastating paws upon it. When I beheld this place, I saw a battle going on, the battle of the centuries—the centuries of beauty and tradition were in combat with the twentieth century of progress and convenience. The result was a sad disillusionment.

Eddy's Bread

Good HEALTH

—FRESH EVERY MORNING—

Good health is happiness. It's the condition that gives us a capacity for enjoyment of life. Proper diet is the basis of health. And right there is where Eddy's Bread comes in! It's an important factor in a healthful, balanced diet. Its richness in milk, butter and nourishing, energizing mineral elements give it unique qualities as a health food. Its delicious flavor adds to its accomplishments—making eating a pleasurable experience as well as a beneficial one! So for health's sake, use lots of Eddy's Bread! Get it at your grocer's!

EDDY'S BAKERY

MATADOR GIRL PROMINENT ON W. T. CAMPUS

Virginia Edmondson, junior in West Texas State College, Canyon, former graduate of the Matador High School and daughter of Mr. and Mrs. T. B. Edmondson of this city, has taken a decidedly prominent place in campus activities, according to a special dispatch to the Tribune.

Miss Edmondson is vice-president of the Gamma Phi Sorority, which exercised a signal position in Rush week activities, having entertained their rushees with several college proms, a coffee and a dinner and theatre party in Amarillo. Miss Edmondson has also been chosen secretary-treasurer of Cousins Hall. She was also elected to the inter-club council of West Texas State and chosen secretary of that council. Another responsibility which has been assigned to her is that of representative to the college journal, the Prairie.

Not only does Miss Edmondson have outstanding ability, but she also possesses a charming personality and rare beauty. Recently she was nominated in the Amarillo Globe News as one of the most beautiful brunettes on the West Texas Campus.

CARD OF THANKS

We wish to take this means of thanking our friends and neighbors for the many acts of kindness, words of consolation and the beautiful floral offerings tendered at the death of our beloved father.

It is our prayers that the blessings of God may rest upon each of you.

Mr. and Mrs. Willie Rattan and family

Mr. and Mrs. Jessie Perkins and family

Mr. and Mrs. Eugene Perkins and family.

Red Cross Film Coming To Rogue

The Red Cross film, "Why Not Live" will be shown at the local Rogue Theatre in connection with the regular features next Friday, Saturday, Sunday, and Monday.

The feature pictures at the Rogue during the week-end are, "Texas Trail" for Friday and Saturday and "Three Loves Has Nancy," Sunday and Monday.

Patrons are assured of finding exceptional entertainment in both of the feature pictures as well as the Red Cross trailer.

PLANS MADE FOR ELECTION

Supplies are being distributed this week to the ten voting boxes in Motley county for the general election to be held Tuesday, Nov. 8th, it was announced by county judge, W. R. Cammack. Judge Cammack declared that but little interest was being shown in the election and that it was his opinion that a light vote would be cast.

Only one state amendment is printed on the general election ballot this year.

Salvation Army Makes Local Drive

W. D. Pedigo, authorized representative of the Salvation Army, Dallas branch, was in Matador Saturday, in interest of the annual fund drive of the organization. Mr. Pedigo has been with the Salvation Army for 14 years and each year visits the cities of west Texas in soliciting funds for the organization. He declared that Matador has always been a contributor of greatly appreciated value.

Mr. Pedigo declared that the Salvation Army is operated similar to other public subscription organizations and that the annual drive for funds is the only solicitation authorized. He did not state the amount of the funds raised here, but indicated that it was satisfactory.

Methodist Church To Observe Week Of Prayer

"Week of Prayer" will be observed at the Methodist church during next week, with a special program to be given by the ladies of the church in an all-day meeting on Wednesday, November 9, beginning at 10 o'clock. The subject of the program will be "Entering Into the Fellowship of Suffering", with Miss Mable Jameson as leader. The following arrangement has been announced:

Quiet music; hymn, "Jesus Calls Us"; Call to Worship, Leader; Response, Mrs. D. D. Denison; Hymn; Silent Prayer; Poem, Mrs. Frank Pohl; Identification of Missionaries, Mrs. W. Y. Higgins; hymn; talk, "Our Stake in China," Mrs. Myrtle Stubblefield; Period of

Intercession for our Missionaries, Leader; Meditation, Mrs. H. H. Schweitzer; offering; dismissal for lunch to be served in the basement of the church.

The subject for the afternoon session will be, "Building the New Earth" and Mrs. John Hamilton will be leader of the following program: Quiet Music; reading, "Where Cross the Crowded Ways of Life," Evangeline Williams; Introduction, Leader; hymn; Call to Worship and Response, leader and Mrs. Frank Buckley; "The Virginia K. Johnson Home," Mrs. R. P. Moore; "Litany of Thanksgiving," Mrs. L. R. Bishop; Scripture reading, Mrs. Charlie Pipkin; special music by Mesdames George Springer and D. D. Denison; talk, "The McDonald French Mission," Mrs. Albert Daffern.

A prayer, followed by offering and a hymn will conclude the services.

JONES-LARKIN

Miss Doris Larkin of Houston and Dr. E. B. Jones of Matador, were united in marriage by Rev. I. A. Andrews, pastor of the North Side Methodist church of Houston, at noon, Sunday, October 23, 1938. Following the wedding ceremony the young couple visited in Fredericksburg, San Angelo and Abilene, returning to Matador last week where they will make their future home.

The bride is the daughter of Mr. and Mrs. W. K. Larkin of Houston and a graduate of the University of Texas.

Dr. Jones, who recently opened his dental office in Matador, is the son of Mr. and Mrs. N. M. Jones of San Angelo. He is a graduate of the San Angelo College, attended the University of Texas and a graduate of the Texas Dental College, Houston.

The Tribune joins friends of the young couple in wishing them a long and happy married life.

LIONS...

(Continued From Page One)

program arranged for the occasion. Entertainment supplied by Miss Marie Seipp, Lions sweetheart of the Plainview club, accompanied by Marvin LeMaster also of Plainview, provided the meeting with an enjoyable starting tempo. Deskins Wells, editor of the Wellington Leader and president of the Texas Press Association, made the principal address, in which he stressed the need of cooperation between the weekly press and its readers, in order to preserve the fundamentals of liberty. Mr. Wells was accompanied by Cameron Beam, former Matador resident and former member of the Lions Club here and James Sullivan, all residents of Wellington.

Five At Childress Meet

Five members of the local club attended the group meeting held at Childress Tuesday night. Those attending were Lions Henry Weldon, D. D. Denison, G. E. Hamilton, J. R. Whitworth and Henry Pipkin.

MRS. EDWARDS ATTENDS FUNERAL OF BROTHER

Mayor and Mrs. G. T. Edwards were called to McLean Sunday, due to the illness and subsequent death of Mrs. Edwards' brother, W. H. Billingslea, 86. Mr. Billingslea died Monday morning and was buried in the McLean cemetery. He had been in ill health since last February, and had been bedfast for the past two months.

RETURNS HOME

Clarence Jenkins returned to Matador, Wednesday, from El Paso where he has been visiting with his family for the past two weeks. Mr. Jenkins was called to El Paso due to the illness of his daughter, Kitty Jeanette, who has recovered sufficiently to return to school.

ATTEND T. C. U.-BAYLOR FOOTBALL GAME SAT.

Mr. and Mrs. Claud Harp and small daughter Elizabeth Ann, returned home Monday night from a trip to Dallas and Fort Worth. They visited their daughter, Dorothy Jean, a student at T. C. U. Ft. Worth, during the week-end and attended the T. C. U.-Baylor football game Saturday.

It was erroneously reported in the Tribune in a September issue, that Dorothy Jean had enrolled as a student at Abilene Christian College, and we are glad at this time to make this correction, that she has been enrolled at T. C. U. ever since the fall classes began, and had not even planned to attend A. C. C.

PREPARE NOW for WINTER DRIVING

Police records show that most accidents caused from skidding occur during the fall and winter months. Cold rains and snow make streets slippery and dangerous. Replace your worn tires now with new Seiberling Vapor Cured tires which have lots of safe, deep anti-skid tread that will protect you all winter long. Remember the patented Seiberling Vapor Cure process produces a tire with no weak spots. Drive in and let us show you what we mean.

CHANGE TO MOBILGAS--MOBIL OIL

Now is the time to buy Anti-Freeze
We stock the popular brands

Ordinary tires are placed in an oven-like mold, heated, scorching, baked at 300 degrees F. for from forty to 120 minutes. Seiberling tires are cured by the Vapor Cure process in a gentle steam bath. Cotton and rubber remain alive, tough, strong. Result—a tire with no weak spots.
