## "Mexico Is Land Of Happy People" -- Mrs. U. L. Wilie

SEEING MEXICO, our neighbor and ally to the south through the eyes of Mrs. Virginia Wilie, recently returned delegate from a post-convention trip to Mexico City of the General Federation of Women's Clubs, was the principal feature of the regular meeting of the Matador Lions Club held in the Methodist church basement, Tuesday.

Detailed, graphic and colorful, Mrs. Wilie's address held Lions members absorbed with interesting word pictures of life and history in the Southern Republic.

"Despite its poverty and extremes, Mexico was a land of happy people when I left it two weeks ago," Mrs. Wilie said, "however, it may be changed today with the announcements that the Mexican government has declared war on the Axis.

"When I left Mexico there were no shortages except American automobiles and the people were friendly, gracious and laughing in Mexico City and for 100 miles in four directions where I visited. They seemed to have plenty of food, clothing and an abundance of flowers. In fact Mexico is experiencing a "boom" and much new construction is in progress.

**City On High Plateau**  
"Mexico City, more than 7,000 feet above sea level, is the major highest city on the North American continent and the largest city south of Chicago. It is rich in culture and history, while the people fuse legend and facts to attain a delightful background for much of their faith, especially when associated with religious history. I was impressed by their sincerity and devotion evidenced by the many costly churches, some erected hundreds of years ago. Mexico is a country of churches.

"Wealthy former Texans living in Mexico City were doubtful of the general public's sincerity of becoming an active ally of the United States but there was no doubt concerning the Mexican government's attitude. Most of the Mexican people still dislike the "Gringos" and are afraid of us, the former Texans declared.

"It is difficult to express my emotions when I stood in a Mexican City On High Plateau

"I realize that people are interested in war and international affairs and are little interested in politics. I share this feeling with you but I do want to disgress from that thought long enough to thank you sincerely for your political courtesies and many favors of the past and to express my deep appreciation for your splendid cooperation with the District Court in all its functions since I have been your District Judge.

It is a real pleasure knowing and working with the people of this county and I value highly the friendships that have grown out of this work.

It is my happy privilege to be a candidate without an opponent, but I shall appreciate all your votes nevertheless.

Sincerely,  
Alton B. Chapman  
Alton B. Chapman  
**Asks For Questionnaire**

Judge Chapman's record in office is one of unquestionable general approval. He is sincere and capable, executing his duties with the high esteem of justice which he holds.

While exempt from military duty because of his position, Judge Chapman has respectfully requested and received his questionnaire. He will take his place with other men in his classification, to be called for duty with married men who have dependent families.

## Farmer Digs Scrap Iron From Field

Farmers are responding to the appeal to get scrap iron "back into circulation" for the war effort, according to V. D. Pippins, local scrap dealer.

"One farmer south of town is digging scrap up from a wash in his field," Mr. Pippins declared. "It is estimated that he has about 20 tons in the field. He has brought about 6 tons to me and said yesterday he is going to dig up the balance of it if war conditions don't improve."

**CONTRIBUTE TO FUND**  
The Tribune gratefully acknowledges two unsolicited contributions during the past week to aid its policy of sending free home newspapers to all men in the armed forces.

Mr. F. M. Jinkins contributed \$1 and Mrs. Vance Gilbreath contributed 50 cents.

## Molley County Boy Employed By F. B. I.

Clinton Hicks, 18, son of Mr. and Mrs. W. J. Hicks of the Darden Canyon community has accepted a position with the Federal Bureau of Identification and will leave immediately for Washington, D. C. to receive training.

Youthful, taut-haired Hicks is to be congratulated upon his ambition and enterprise in securing a place with the nationally famous group, now enacting a vital role in the country's war effort.

## Canning Sugar Is Now Available Through Ration

Consumers who have registered may obtain sugar for canning or preserving fresh fruits for their own use, according to a statement released yesterday by D. I. W. Birnie, chairman of the county rationing board.

Amount allowed is one pound per four quarts of finished canned fruits and one pound each year per person for use in preparing preserves, jams, jellies or fruit butters.

In no event may an individual or family unit be permitted more sugar than is necessary to can the quantity of fruit which the board thinks is reasonable, giving due consideration to season, the practices of the individual and the community, and all other pertinent information.

Application shall be made by one adult member of a family unit for the entire family. Applicant shall state the names of consumers for whom application is filed, and the War Ration Book serial numbers, the number of quarts of fruit canned in 1941, or if a previous application for canning has been made, number of quarts of fruit in possession of the applicant, the number of quarts to be canned during the period for which application is made, whether sugar will be used for preserving and excess sugar supply as of time of registration and any reduction since then.

If application is for sugar for use in preparing preserves, jams, jellies or fruit butters, it shall so state and no statements about canning are required.

**Must Return Books**  
Within ten days after death of a consumer, the person having possession of the War Ration Book of the decedent shall surrender it to the Ration Board for cancellation. If a consumer is inducted into the armed service or leaves the United States for a period of 30 days, he shall surrender his book. A child born after consumer registration may be registered for sugar ration.

## Men Named To Answer Draft Call

The following Motley county registrants have been selected to report for induction into the armed service Tuesday, June 16, according to information released by the Local Draft Board:

Thomas Franklin Cooper, Felix Weston Speights, Doc Elliott Williams, James Noble Dirickson, James Curtis King, David Flores Davila, Stewart Theodor Dixon, Roy Furman Vinson, Raymond Oscar Taylor, W. T. Boggs, Jeff D. Woods, Alton Winford Howell, James Elmer Scott and James Russell Van Dyke. Last three named above are transfers to the local board for induction.

Dixon, Vinson, Taylor, Boggs and Woods are the first to be called from the third registration on February 16.

## County Makes Good Showing In Bonds

Motley county made a favorable showing in the purchase of War stamps and bonds for the year ending April 30, 1942, according to G. E. Hamilton, chairman of the county bond sales committee. The total amount was \$109,312.31 in bonds and stamps or a per capita purchase of \$21.86. Maturity value of these securities will be \$145,364.20.

Mr. Hamilton said that figuring the same ratio as Motley county, the 132,000,000 people of the nation would have purchased \$2,985,200,000 worth of securities in the same length of time.

War Bond quota for Texas for the month of June is \$26,002,200. June quota for Motley county is \$19,400.

Mr. and Mrs. Freeman Thacker visited in Sweetwater over the week-end as guests of Mr. and Mrs. Claude Wilson.

## Heads Association

## Attend Panhandle Bankers Meeting

Elmer Stearns, Vice-president of the First State Bank here, presided at the Thirty-eighth annual meeting of the Panhandle Bankers association held in Amarillo Wednesday. Mr. Stearns was elected president of the organization at the meeting last year.

Jay Taylor, chairman of the board of the Federal Reserve bank in Dallas was the principal speaker.

J. R. Whitworth, assistant cashier of the local bank also attended the convention. He was accompanied by Mrs. Whitworth and Mrs. Henry Ford.

Mr. Stearns, who attended a pre-convention session Tuesday night, was accompanied by Mrs. Stearns and their daughter, Frances.

## Two More Reported Missing In Action

Two more former Motley county youths officially are reported "missing in action," in communications received here last week by R. S. Patton, Chairman of the Red Cross Home Service. They are Chesley Irvin, son of the late Mr. and Mrs. Dallas Irvin of Northfield, and J. W. Hough, son of Mr. and Mrs. Virgil C. Hough, former residents of Whiteflat, who now reside near Lubbock.

Hough is a graduate of Matador High School and will be remembered by many friends here. Irvin, who is only about 17 years of age, is the grandson of Mr. and Mrs. J. L. Lee of Matador.

The two were stationed in the Philippines Islands and presumably are held prisoners by the Japanese at Corregidor.

## Miss Whitten Will Conduct Art Class

Miss Claryce Whitten, English teacher in Matador High School, will conduct art classes here during the summer, she has announced, and anyone interested in taking a course in this subject, can contact her at the Motley Hotel.

Pupils may have a choice of either private or classroom instructions, which will include work in water colors, oil and pastels. Although Miss Whitten specializes in landscape painting, she offers instruction in still-life and other types of design.

A nominal tuition charge will be made, 50 cents for one hour lessons, and 75 cents for one and a half-hour lessons.

**Is Art Major**  
Miss Whitten majored in art while in college, and has studied under several outstanding artists, including Grant Reynard, noted eastern artist of Leonia, New Jersey, who conducts the Palo Duro Art School in Canyon each summer, which Miss Whitten has attended.

Her instructors at West Texas State College, Canyon, included Miss Isabel Robinson, Mrs. Nell Nickols, and Miss Marilyn Miller, and in Amarillo she received private instructions under Mrs. G. E. Palmer, Miss Mary Cleveland and Mrs. J. Odus Turner.

**POSITIONS ACCEPTED**  
Mrs. J. W. Ford has accepted a position as office assistant to Dr. J. S. Stanley, assuming her duties Monday.

## Candidates Line Up For First Handicap

HEAVILY OVERSHADOWED by war happenings, an important political date in Texas passed this week-end with hardly more than a minimum amount of interest being shown in it by local residents.

Only ten candidates had filed applications in this county for places on the primary ballot for state and district offices and for the U. S. Senatorship, when the deadline Monday had passed.

Among the state and district officers attracting the attention of Motley voters is that of District Attorney, in which race John A. Hamilton, incumbent, and candidate for re-election is opposed by L. D. Ratliff of Spur, J. Ross Bell, Childress attorney has three opponents in a wide-open race for the chief justice of the 7th district court of civil appeals. Opposing Bell are E. C. Nelson of Amarillo, E. L. Pitts of Lubbock and W. T. Link of Clarendon.

Eugene Worley, Congressman of the 18th District will seek re-election against Lynn Miller of Pampa, while Paul Eubank of Matador is unopposed in his race for re-election as State Representative for the 121st District, and Alton Chapman is running an unopposed race for re-election as District Judge of the 110th Judicial District.

**Two In County File**  
County and precinct candidates have two more weeks—until June 13, to file for places on the July 25 primary ballot.

Only two county candidates have filed to date, although several have announced as candidates for various offices, and are expected to file before the deadline. Sheriff H. H. Courtney and County Attorney Howard Traueck are the two who have filed, both for re-election.

## AUXILIARY HAS POPPY SELL-OUT

The American Legion Auxiliary realized a profit of around \$40.00 in a sell-out of poppies Saturday, according to Mrs. Ethel Payne, president of the organization.

Although no report had been received late Wednesday from Roaring Springs, gross sales from three other communities amounted to \$47.00.

Flomot sales amounted to \$11, Northfield \$6.00 and Matador \$30, and it was expected that the sales from Roaring Springs would increase the fund to a net amount of \$40.00.

## Boyd Willett Is Employed By Coast Chemical Company

AUSTIN, May 30—Jobs on the vital industry line are already a certainty for 46 University of Texas chemical engineering graduates.

During the spring, leading chemical companies have sent their representatives to the University to interview prospective graduates with the result that 46 out of the 50 graduates in this field will go to work immediately after commencement. Some, of course, will enter the army, navy, and marines, where their technical training can be used also.

Among the graduates is Boyd R. Willett of Matador, who will be employed by the Southern Alkali Corporation of Corpus Christi.

## SERGEANT YORK TO SPEAK OVER RADIO

Sergeant Alvin C. York, hero No. 1 of World War No. 1, and other military and civilian notables will speak from the portals of the historic Alamo over Texas Quality Network stations and an expected crowd at the "Win the War Recruiting Rally" here at 4:30 p. m. Saturday, according to Colonel Kinzie B. Edmunds, San Antonio District Army Recruiting Officer.

The rally program is prepared by the District Army Recruiting Public Relations Office and sponsored by officials of the recruiting service, 102 Texas Junior Chambers of Commerce, Legionnaires and the City of San Antonio.

Plans are being completed for the appearance of nationally- (Continued On Back Page)

## County's USO Drive Quota \$500

United Service Organization to provide recreation facilities for the millions of men now in service, has assigned Motley county \$499.50 quota in the second drive for funds, it was disclosed this week by Bob Echols, County chairman.

Complete cooperation of Motley county residents is solicited as the drive swings into force, Friday. Community committees are urged to organize at once that the fund may be raised immediately.

Mr. Echols said that he felt contributions would not be difficult to secure considering the number of men from the county in the service, all of whom will benefit from the USO.

Aiding Mr. Echols are D. E. Pitts, co-chairman and J. R. Whitworth, secretary and treasurer. The committees appointed are as follows:

Matador: Harry Willett, chairman, H. K. Ford, L. C. Harp and Earl Laughlin.  
Northfield: B. F. Simpson, chairman, W. W. Bain and G. A. Ashford.

Roaring Springs: John Turner, chairman, John O. Meason, Casey Jones and Glenn Dobbins.  
Flomot: A. L. Clements, chairman, Harrison George, L. B. Turner and Willie Meyer.

Whiteflat: W. L. McWilliams, chairman, Joe Bloodworth and J. M. Jameson. Materials will be forwarded to the committees as soon as received from the Houston headquarters.

## Feed Store's Pig Growing Contest To End June 8th

If you have not seen a miracle today, drop by the L. R. Bishop Feed Store and ask to see the two pigs born from the same litter and fed all they would eat for 90 days. One of the pigs was fed on Purina Hog-Chow and the other was fed on the usual hog feed. They are side by side in identical pens and receiving identical treatment. The pig fed on Purina Hog-Chow is a hog and the more unfortunate one is still a pig.

The growing contest will end Monday, June 8. The two animals will be weighed and winners of the weight-guessing contest, which ended in April, will be notified.

L. R. Bishop, manager of the store, said it would be possible for one person to win both prizes if the guesses registered before the contest ended were closer to the weight of each pig. However, he said it was hardly probable the two prizes would go to one person, for such widely separated guesses.

## Install Officers At Lodge Meeting

Officers for the ensuing year were installed by R. A. M. Chapman No. 283, Masonic Lodge, in the lodge hall Monday evening, by George Springer, Installation Officer.

Following are the new officers: B. H. Hobbs, H. P.; L. A. Stearns, King; S. D. Meador, Scribe; J. R. Whitworth, Secretary; Elmer Stearns, Treasurer; W. T. Patton, Guard; Geo. Springer, C. of H.; Henry K. Ford, P. S.; J. E. Russell, R. A. C.; D. E. Pitts, 1st Veil; E. F. Springer, 2nd veil; W. F. Jacobs, 3rd veil.

Supper refreshments were served preceding the installation ceremonies.

SHE: Oh, all right Bob, but what about the tires and the battery and all the other things it might need? HE: Right... everything should be attended to. Gosh!... can't you take some responsibility for the car? SHE: All right, smarty... I have taken the responsibility. I joined the Once-a-Week Club today. HE: Great Caesar's ghost! Another club! Didn't we just agree last night to cut out unnecessary expenses? SHE: That's exactly what we are doing. This is a club without any dues, fees or anything. HE: I'm listening... proceed with caution! SHE: Well, you know that nice Conoco station over on Myrtle Street? I went in there this morning and Mr. Blevins, the Mileage Merchant, told me he would go over our car every Thursday morning; check the tires, the battery, water... in fact, everything... and if he saw anything needed, he would write it down for me. HE: Atta girl! This war will make a business woman out of you yet! SHE: Oh, yeah? Well, I may be a business woman, my dear, but I'm going to get a permanent this afternoon just to prove I'm still a female... and the price will be charged up to the extra life of our car and the savings we're going to have because of that Conoco Once-a-Week Club.

YOUR CAR How to Get the MOST out of It

KEEP IT LUBRICATED The most important single thing to remember, if you want to get the most out of your car, is: keep it lubricated. If a front wheel lacked a bearing, you wouldn't think of running your car on a new one had been installed. Oil or grease is really a kind of frictionless bearing. It is structurally a part of your car. But how often do you check to see if it is on the job? Best advice to the car owner is: follow religiously the instruction chart that came with your car. If a service man does your greasing, make sure he doesn't overlook anything. It is so important to be sure that the proper lubricant is used at the proper point. Most trouble is caused by lack of lubrication, it is possible to overdo it. Too much lubrication on the front wheel bearings may result in saturated brake linings; too much oil in the generator, starter, distributor, etc., may work into the wrong places. Doing a good lubricating job is no simple matter. It means knowing what oil to use and where to use it. Using the wrong oil is almost as bad as putting in a repair part that doesn't fit. Don't forget that good lubricants are a lot cheaper than repairs and replacements.

## EL PROGRESSO STUDY CLUB CLOSING YEAR WITH LUNCHEON, GUEST DAY PROGRAM

A successful year for El Progreso Study Club was brought to a close Saturday with the annual farewell luncheon and a guest-day program held at the Motley Hotel.

The dining table at which the members and their guests were seated, was arranged diagonally in the dining room, and was attractively decorated with sweetpeas. A tier arrangement of the flowers in a crystal bowl centered the table with pink tapers in crystal candelabra at each side. From the centerpiece, extending the length of the table on either side, were small bowls of sweetpeas.

The delicious luncheon followed group singing of "God Bless America," and invocation by Mrs. A. J. Daffern. Mrs. U. L. Willie, president of the club and Toastmistress for the occasion, introduced as guest speaker, (Ben) Douglas Meador, editor of the Matador Tribune, in remarks which repudiated the saying that, "A prophet is not without honour, save in his own country." Mr. Meador spoke principally on the trials of a country newspaper.

A vocal duet, "Deep Purple," by Miss Mable Jameson and Mrs. W. F. Jacobs, club guests, with Mrs. G. E. Hamilton as accompanist, was enjoyed, after which Mrs. J. R. Whitworth read a selection from Mr. Meador's book, "Trail Dust."

### Convention Report Given

An interesting and entertaining report of General Federation convention which was held in Fort Worth the latter part of April, was given by Mrs. Willie, club delegate, which concluded the program.

Members and their guests pre-

sent were: Mrs. G. E. Hamilton and Mrs. W. L. McWilliams; Mrs. L. C. Harp and Mrs. M. J. Reilly; Miss Mary Keith and her mother, Mrs. D. C. Kieth, who is an honorary member of the club; Mrs. G. C. Springer and Mrs. J. H. Sample, who was a charter member of the organization; Mrs. J. R. Whitworth and Mrs. Russell Surlis of Tyler; Mrs. U. L. Willie and Mrs. R. E. Donovan; Mrs. John Hamilton and Mrs. Frank Pohl; Mrs. H. M. Solomon and her mother, Mrs. F. M. Jinkins; Mrs. Joe Bloodworth and Mrs. D. E. Pitts; Mrs. Freeman Thacker and Miss Zona Beth Faulkner; Mrs. A. J. Daffern, Mrs. W. F. Jacobs, Misses Amy Glenn, Thessia Godfrey and Mable Jameson; and Mr. and Mrs. Meador.

## APPRECIATION FOR LOYALTY IS CITED

Appreciation for the loyalty of the community in assisting in the construction of the recently completed Baptist Church, is expressed by R. E. Campbell, Chairman of the Building Committee, as a plea made last week for additional funds met with immediate response.

"During the past four years the Baptist people, with the cooperation of other church people and friends of churches, have built and paid for the most beautiful church building in all west Texas for a community of this size," Mr. Campbell stated. "I can't conceive of a people anywhere ever rallying so loyally behind a great movement. You have surpassed all of my expectations. You have contributed over \$17,000.00 in cash money besides a lot of time and labor."

"From the day we broke dirt, March 2, 1938, until the building was completed this March, not one word of dissension was ever breathed to me. Then, to surpass all contributed money, a beautiful silver service set has been presented us as an expression of your appreciation of my service in promoting the program. This set must be expensive, and words fail us in trying to express to you, our appreciation for this token of your love and appreciation of my efforts. You are a wonderful people. Gratefully yours, R. E. Campbell, Chairman Building Committee."

## Delegates Attend Abilene Assembly

Miss Dorothy Wason and Mack Jacobs left Monday for Abilene, where they are attending the Young People's Assembly held at McMurry College from June 1st to the 6th, as delegates from the Matador Methodist church.

Before returning home, Mack will visit in Albany with his friend, James Dicky Denison, son of Rev. and Mrs. D. D. Denison, formerly of Matador.

## Auxiliary Gives Chicken Dinner For Legionnaires

## A Statement In Regard To New Credit Regulations About Regulation "W"

REGULATION "W", you know, is the emergency measure which has been imposed upon credits and credit practices as an anti-inflationary move. Copies of the ruling have appeared in the newspapers and have been discussed in radio newscasts, but in South Plains Language what it means to us and to our charge customers is this:

FIRST: You won't receive your statement as early as heretofore. We will be required to post charges and credits **through** the last day of the month, so we can't mail your bill until the first of each month.

SECOND: It will in no way affect the big majority of our patrons who pay their accounts in full regularly each month.

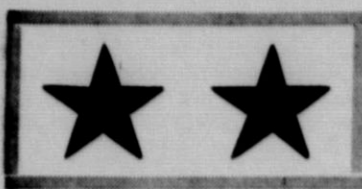

THIRD: Regulation "W" requires that no open account shall run longer than the 10th of the second month following date of purchase. This means that charges made during June, for instance, should be paid during July, but **must be paid** by August 10th if the account is to remain open to further charges.

FOURTH: In the event of the necessity to make a purchase or purchases involving a sum large enough to justify an instalment arrangement **each such arrangement** must be made with our credit office at the time of purchase. Any instalment purchases require a minimum of one-third down payment, and the balance on monthly terms which the credit office will arrange.

FIFTH: Balances now existent are due and payable on or before July 10th. In case you cannot pay your account in full by that date you will please call at our office and we will arrange an instalment deal whereby we can adjust this without undue hardship either to you or to ourselves.

Please remember that the merchant is not making the rules—he is only conforming to them.

ico museum of war trophies and beheld the sacred Texas flag which was captured at the Alamo. We had been instructed many times to be very careful of our remarks because of the delicate international situation and I remained silent. "We realized that our nation was at war when our special train of Pullmans was stopped by American custom officers at the border. The officers confiscated all of our kodak films and many cameras. They searched all personal belongings and scrutinized all correspondence in our possession."

Dallas Fair Plans Canceled For '42

DALLAS, Texas, June 4—There will be no 1942 State Fair of Texas.

Decision to forego the annual exposition, known as "The world's largest and most beautiful State Fair," was reached by the Board of Directors after Harry L. Seay, President of the institution, made a report on his survey of conditions brought about by the national emergency.

Lack of transportation for both exhibits and patrons decided the issue. Tire shortage, possible gasoline rationing and a scarcity of shipping facilities influenced the decision. Many of the leading fairs of both the United States and Canada have been called off for the duration.

Grounds and buildings of the \$15,000,000 plant of the State Fair of Texas have been tendered the United States Government for whatever use it may see fit to make of them, Mr. Seay announced.

CARD OF THANKS

We desire to express our sincere gratitude to the many neighbors and friends for their gracious acts of kindness, words of sympathy and the beautiful floral offerings tendered during the illness and death of our beloved husband, father, son and brother, Hartwell Harris.

Words fail us. The depths of our appreciation extend beyond human expression. We pray that God's richest blessings may come to each of you.

Campbell junior and senior. "Since the sugar rationing I observed one of these merchants rubbing lemon drops in hands to remove the sugar," the Tail Twister said, "and when he put them back in the case they looked like 'half-used' all-day suckers." On his motion the club voted fines of 25c each on Campbell and son when both denied any knowledge of the lemon drop episode.

Prominent Texas Writer Enters Political Race

The entry of Boyce House this week into the Lieutenant Governor's race has added interest to the campaign for that office.

This is House's first race for any office, but he has a background of wide, varied and unusual achievements. He has written five books on Texas and has long studied the governmental affairs of the State. In gathering material for his column, "I Give You Texas," House has traveled throughout the State, is familiar with conditions and problems of every section, and knows thousands of Texans personally.

Over a million people read his human interest column in more than 200 newspapers in the smaller cities and towns throughout Texas. House, 45 years old, lives in Fort Worth; has edited newspapers in Orney, Brady, Eastland, Ranger and Cisco; and obtained his education in Taylor, Brownwood, Uvalde and Alpine.

Political observers agree that Boyce House will be a strong contender for Lieutenant Governor.

TO DALLAS

Billy Pharis, son of Mr. and Mrs. Bill Pharis is in Dallas to undergo an operation on his leg in which he has an infection. He has received former treatments for this ailment.

VISIT RELATIVES

Rev. C. E. Jameson visited here Tuesday night of last week in the home of his brother, T. T. Jameson and family. He was enroute to his home at Carlsbad, N. M., from Clarendon, Texas, where he had been assisting in holding a revival meeting with Rev. Q. O. Quattlebaum Jr., former Methodist pastor here.

IMPROVING

C. C. Renfro is recovering at his home east of Matador, from an attack of pneumonia.

Featured on broadcast, with the speakers, will be the Second Division Band of Fort Sam Houston, recognized, it was said, as one of the outstanding military bands of the nation.

Planners of the rally declared they were preparing for the largest crowd ever assembled before the famous Alamo. In addition to the radio network, originating over WOAL loud speaker systems are being installed on Alamo

Plaza and at Military Plaza and Travis Park here. Fred Morgan, President of the Texas Junior Chamber of Commerce, said local units of the Jaycees had been invited to arrange listening parties for reception of the broadcast throughout Texas.

Col. Edmunds explained that the purpose of the rally was to "focus attention on the Army's need for volunteer fighting men." He added that "as the young men of the nation are aroused to the present needs and opportunities of the Army, there could be no doubt that they will eagerly respond."

HE'S ON THE ROPES! It's been a fair contest, folks, but the Purina-fed hog looks like a sure winner! Its grain-fed opponent just can't keep up with this fast growing Purina-fed heavyweight. About three months ago, you remember, we picked out two young pigs from the same litter. They had just been weaned, and looked as much alike as two peas in a pod. We brought these two little pigs into our store and put them in separate pens. One of them was fed on grain, and the other on grain plus Purina Hog Chow Supplement. Otherwise, their care was exactly the same. You ought to see the difference in these two pigs today! It looks like the 'Hog Chow plus grain' hog might weigh twice as much as the one fed on straight grain when the final weighing-in day comes. It's really something to see, folks, the difference in these two pigs. And the surprising thing is, the Purina-fed pig has actually eaten less feed per pound of gain. He not only put on more pounds of pork, but also at lower cost! Why not drop in and look 'em over for yourself? Lots of folks say it's the dumbest thing they've ever seen. And it's a lot of fun to estimate what the difference in their weights will be on the date that they will be weighed in. This weighing-in date isn't far off, folks, so come in soon!
