ISSUE NO. 3

Dennis Gaines to attend 7th Annual Cowboy Poetry Gathering in Elko, Nevada

Dennis Gaines, Cowboy Poet, has been invited back to attend the Seventh National Cowboy Poetry Gathering in Elko, Nevada, as has Clay Lindley of Spur and Buck Ramsey of Amarillo. In addition to performing in the regular daytime sessions, Dennis has been selected to present some of his original verse from the book *New Tradition*, as well as a classic recitation by Eugene Manlove Rhodes in the Friday evening auditorium performances. These shows have been scripted by Buck Ramsey, whom Motley County residents will remember from the Library fundraising program in the summer of 1989, where he and Dennis first performed together.

The evening shows in Elko will feature professional musicians for the most part, with the only 2 poets in the Friday performance being Dennis and Wallace McRae of Forsyth, Montana, a third-generation cattle rancher and respected

writer and reciter of cowboy verse. The show will feature such diverse personages as Ramblin' Jack Elliott performing *The Buffalo Hunters*, and Hal Cannon himself, founder of the National Cowboy Poetry Gathering, with his own band, The Desert String Band, also known as The Bunkhouse Orchestra, one of the most popular groups performing strictly traditional and archaic cowboy music.

The show will have a decidedly Texas accent. Not only has it been written by Buck Ramsey of Amarillo and includes Dennis Gaines of Matador, but the narrators tentatively scheduled to appear will be West Texas born singer/songwriter/movie producer Red Stegall and movie star Tommy Lee Jones of *Lonesome Dove* fame. Dates for this year's show are January 30 - February 2.

Dennis' book, *New Tradition: Western Verse* is available by mail-order through the Motley County Tribune.

Lions Club Hears Program On Sexual Abuse

The Matador Lions Club met Tuesday, January 15 for a delicious noon meal prepared by Lou Bennett for 27 Lions and 7 guests.

Boss Lion Billy Wayne Denison made announcements of plans and decisions made by the Directors as follows:

- * Lions will plan to prepare a meal for sale during the Centennial Celebration in May.

- * He reminded Lions of tickets for sale for fund raising for Lions Camp.

- * Lions will help with Invitational Track Meet held March 9.

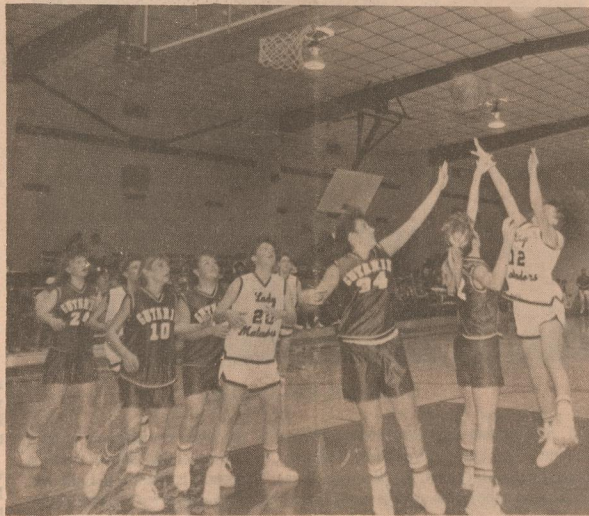

- * Lions show will be held March 22.

Lion Stacy Conner announced winners of the Christmas Lighting Contest: Residential - 1st, Bill and JoAnn Durham; 2nd, Margie Taylor; Commercial - 1st, Guys and Gals; 2nd, Matador V&S Variety. Sondra Francis and Shane Jones of Matador Variety were present to receive their checks.

Lion Conner introduced the speaker, Ron Trusler, MHMR Director of Clinical Services. He also counsils mainly in substance and sexual abuse. Trusler's talk was to inform the Lions of the five phases of the Dynamics of Child Sexual Abuse. Trusler stated that one out of nine children would be abused inside the family structure. Most abuse is performed by someone familiar, someone who has the opportunity to take advantage, not a stranger. Male children are abused, as well as female. The five phrases are: Engagement phase, sexual interaction phase, secrecy phase, disclosure phase and suppression phase.

Trusler stated it is the adults responsibility to resist. It is the adults responsibility to keep the trust and love of a child or person wholesome and healthy. Meeting adjourned.

Matadors and Lady Mats, 2-0 In District Play

LADY MATADOR, Lacey Parks makes a shot in game against Guthrie.

by Barbara Moore

The Motley County Matadors and Lady Mats began District competition last week by defeating both Patton Springs and Guthrie. The Matadors defeated Patton Springs on Tuesday night, 76-54, with the Lady Mats also winning over Patton with a final score of 80-26. Both teams then met Guthrie on Friday night in very close, hard fought contests which ended with the Matadors on top 62-56,

and the Lady Mats victorious with a score of 51-44.

David Alexander scored a total of 18 points for the Mats against Patton Springs to make him high point man for the game. Chris Campbell and Tony Gonzeles added 13 points each. High point man for the Guthrie game was Clay Ewing with 21 points. Also scoring in double digits for the game was David Alexander with 14, and Chris Campbell with 10. Other Matadors taking part in the victories were Burr

Barton, Brad Wilson, Paul Barton, Neal Sedgewick, Noel Guerrero, Frankie Ortiz, Billy Lefevre and Matt Washington. The Mats will meet Lakeview Tuesday evening in a non-conference game at home, and will then travel to Spur on Friday night for their next District game against a strong and disciplined Spur Bulldog team.

The Lady Mats are very excited about their 2-0 record in District. The Ladies have worked very hard all season to reach this point and are ready and able to take on the rest of the conference season. Lacey Parks and Heather were high point scorers for the game with Guthrie. Lacey with 14 and Heather with 13. Several players scored in the two digit numbers

against Patton Springs in a very high scoring game for the Lady Mats. Lacey Parks was again high point shooter for the game with 13 points. Heather Hobbs scored 11 points, and Aimee Pipkin, Amy Stephens, and Natalie Burkes each scored 10 points apiece. Lady Mats, Christie Shorter, Whitney Jameson, Denise Crowley, Brandee Spray, Jennifer Beshirs, Tonya Hoyle, Dana Monroe,

Brooke Brandon, Christie Potts, Wendy Beshirs, Kara Boykin, and Keri Shorter, each contributed their talents to the victories. The Lady Mats will also meet Lakeview on Tuesday and Spur on Friday for the game with Guthrie. Lacey with 14 and Heather with 13. Several players scored in the two digit numbers

you go all the way!! Best of luck to both teams and we hope you go all the way!!

MATADOR, Matt Washington, adds two points to the winning score in Friday night's game against the Guthrie Jaguars.

Matador and Roaring Springs City Council Members Hear Reports on Cable Service

Matador's Channel 28 Reception Still Not Good, Rates to Increase

The Matador City Council met January 10 with Mayor Gary Lancaster, Council members L.B. Campbell, Travis Jameson, Pete Williams and Ed Lawrence. Shane Jones was absent. Also present were Bill Jameson and Neil Berryman.

The minutes and bills were read and approved with December expenses for outstanding bills, \$7102.63. A discussion followed on vehicle insurance. Gerald Pipkin Insurance Agent, explained the policies, after which changes were made to cut the cost.

Mayor Lancaster reported the landfill had a good report from the last inspection and also reported the THD cut the fine in half.

Dorton Canon of Mission Cable was present to explain two things. First, the

cable rates are going up 6% March 1, which would amount to \$1.00 more for Matador. Second, he read in the paper where the city was complaining about the Cable service and he wanted to ask the city to call him and talk to him. He will be glad to come over every month if necessary.

Canon explained that Mission Cable has 340 cable customers in Matador and has spent \$28,000 in 1990 to upgrade the cable system and there isn't anything else they can do to get Channel 28 (ABC, KMAC) of Lubbock any better.

Canon explained with more industries and the added towers, etc., at the Regional Airport in Lubbock, this is interfering with the reception.

He also explained that if the Translator Tower west of Matador, would trans-

mit the ABC station then it could be picked up by the Cable. Channel 13, 11 and 28 are not satellite stations, so reception is not good quality.

Canon also stated his main concern was the satisfied customer. If customers don't call and report poor service or stations out or poor reception, the office doesn't know of the problem. They also need for more than one person to call when a line or area is out.

The Council explained the complaint has been the same for the last year, so they think it is time something is done. Canon suggested the City call KMAC and Moran, owner of the Translator Tower and try to get them to put the ABC station on the tower to be received better.

Mayor Lancaster said he would do this. Council adjourned.

Roaring Springs to get new Channels, Rates to Increase

The Roaring Springs City Council met January 14 at 6:30 p.m. with Council members, Joey Thacker, Charlie Long Mary Webb, Bill Hand and Mark Wason present. Also present was Frances Walters, City Secretary.

Joey Thacker was Mayor pro-tem in absence of Mayor H.E. Watson.

Dorton Cannon of Mission Cable, met with the Council to explain the reason they had not been able to upgrade their service until now and the upgrade plans for 1991. Cannon stated that due to the lightning striking their equipment last year, they had used their allotted budget

for repairs.

By March 1, 1991, the Cable Company would provide 10 basic stations with 2 pay stations. To be added are TNN, TNT, ESPN and KJTV-34, with pay station Showtime. The existing stations are KLBK-13, KAMC-28, KCBT-11, WGN, WTBS and CBN, with pay station HBO. They are unable to add pay station Disney because this station requires 250 subscription, minimum. Roaring Springs has 110 subscribers. The company is also raising the rates, effective March 1, with new rates being \$15.95 basic service and \$10.00 for each pay station, unless the customer has both for \$18.00.

The Council heard the minutes and approved them as read.

Walters reported the sewer line to the Bell property was delayed due to a problem with the deed.

Myron "Bud" Bethard requested to hook up to the City sewer. After discussion Council decided they would have to wait until they knew the cost of the two sewer lines being installed so they would not go over their sewer budget.

Walters reported the Dickens landfill bill was \$694.00 for December, due to a new pit being dug. She also explained any citizen living in the City limit could haul their own trash to the Dickens landfill, as long as they get a permit at the City

School Board Changes Graduation Night Date

The Motley County ISD Board of Trustees met January 9 at 7:30 p.m. with Randy Barton, Alvin Alexander, Coy Franks, Leslie Jameson and Gale Stafford present. Guy Campbell and Donnie Cruse were absent. Tom Rowland and Dick Van Hoose were also present.

The first order of business was in executive session. No decisions were made.

The minutes were read and approved. Judy Rowland, Councilor, reported on the TAAS tests. The TAAS is the test that has replaced TEAMS. (This report is in a separate article).

The Board opened the bids on the vehicles up for bid. Bids accepted were George Mangram, 1975 Chevy Van; George Mangram, 1978 Chevy Van; Charles Carlson, 1953 Dodge army all-terrain.

Rowland read a letter from the Motley County Historical Commission requesting graduation be held on Friday, May 24, instead of May 25. The Historical

Committee is planning the Motley County Centennial Celebration for the Memorial weekend. Rowland explained he asked the Seniors and most of them didn't mind. The board elected to set the graduation for May 24, 1:00 p.m. for 8th grade and 7:00 p.m. for 12th grade.

Rowland asked the Board to pass the budget revision for Rolling Plains Special Education Coop, suggested by Gary Lancaster CPA. This passed.

The Board passed the Annual Performance Report due in Austin in January.

The Board passed to appoint the Textbook Committee: Pam Thacker, Math - grades 1-8 and Science - grades 1-6; Shauna Monroe, Business and Computer; Syd Pipkin, Career Education, grades 7-8; Cagle Davis, Biology I & II, grades 9-12.

Board passed bills as presented and heard the Superintendent's report. Meeting adjourned.

Commissioners Court Has Lengthy Agenda in Regular Monthly Meeting

The Motley County Commissioners Court met January 14 at 10:00 a.m. with Judge Boyce Hart and Commissioners J.M. "Sonny" Russell, Precinct 1; Donald "Butch" Hughes, Precinct 2; Franklin Jameson, Precinct 3; J.N. Fletcher, Precinct 4; and County Clerk, Lucretia Campbell.

Judge Hart opened the meeting with the invocation and stating if it pleased the court he wanted to keep the court as formal as possible to get through the lengthy agenda.

The Court heard and passed the minutes, read and approved the bills.

Judge Hart presented a letter asking the Court to consider a raise in salary for the District Court Reporter. Court passed to table this request until budget time.

The Court read and accepted the following reports: Treasurers, County

Agent, Tax Assessors (\$31,475.48 tax payments collected in December, making 72% of 1990 taxes collected), the J.P. collecting \$5,209.50 in fines for December.

David Boykin asked the court if they had made any decisions about the road plan he presented, asking that the county road follow turnrows and fences, instead of going through his field.

Jameson presented letters from the State of Texas and also asked if this could be settled as soon as possible, as this had been in the works for 3 years.

Court passed to look into the law and all aspects of the case since three of the Court members are new to the position.

Lori Goulet, Field Representative of TAC (Texas Association of Counties) explained the services of TAC.

Man's Body Located Near Silverton

SILVERTON -- The body of Monte Dale Stephens of Quitaque, reported missing about five weeks ago, was found Saturday afternoon by a game warden near Silverton.

Briscoe County Sheriff Richard Roehr said that it appeared that Stephens was killed when his Suburban ran off the road into a wash. An autopsy showed death was of natural causes due to asphyxiation

and that he had been dead approximately 5 weeks.

Roehr said that Stephens' car was not badly damaged. The wreck was found in a remote area by a game warden making a routine patrol.

The road where the wreck was found is off Highway 256 and rarely traveled. The wreck could have been there since Stephens was reported missing by his mother in December.

Nineteen Interested Citizens Brave Ice Storm To Attend Centennial Meeting

Despite the icy roads and hazardous traveling conditions, nineteen hardy citizens met on January 4 to discuss plans and share ideas on the Centennial celebration. Emphasis was on the next meeting, to be held at the Senior Citizens Center on January 21 at 2 p.m. Representatives from all civic and social clubs are urged to attend so that projects can be

assigned and work begun.

Activities planned for the Memorial Day weekend on May 24-27, 1991, with a "Come Home Again" theme include the Bucksinner's Rendezvous, a barbecue, dance, a parade with floats, horses, bands, old cars, a queen's contest and a country music jamboree.

WASTE MANAGEMENT

Beginning this January, I will be conducting projects and programs in the county relating to Waste Management and Recycling. One of the greatest concerns to our environment is safe efficient disposal of our waste. I will be available to present programs to any civic or social club on this subject. If any group is interested in commencing a project in this area, I will be glad to help with it. If you are interested in participating as an environmental study group, please call your Extension office and give them your name.

RECYCLING BEGINS IN THE HOME

Many household items, garbage and trash can be recycled with the separation process beginning in the home. What can be recycled? The number one recyclable product is paper, including newspaper, office paper, cardboard, junk-mail, cereal boxes and grocery bags. Newspaper and other paper products can be tied and bundled. Paper bags can be reused. Magazines can be donated to doctor's offices, given to a friend or better yet, check them out at the Library instead of subscribing. Aluminum cans make up five percent of the total solid waste stream. Cans are the most common form of recycled aluminum. Aluminum siding, gutters, down spouts, storm doors and window frames and aluminum lawn furniture are all recyclable. Iron and steel are the most recycled material used today. Scrap metal dealers were the most visible recyclers in the business long before comprehensive recycling programs were established.

Glass makes up eight percent of our waste. All container glass is recyclable. More than 12 million tons of glass containers are collected annually and remelted with raw materials to create new glass

bottles and jars or fiberglass. The Glass Packaging Institute reports that 25 percent of any given glass container is made from recycled glass.

There are three basic types of glass: clear, green and brown. Not all recycling centers accept all three types. Most recycling centers will not accept light bulbs, ceramic glass, dishes or plate glass because they contain different materials from bottles and jars.

Plastics made up seven percent of the total waste, most of which is packaging. The most common recycling products are soft drink and milk containers. Recycled plastics are used in flower pots, drainage pipes, toys, traffic barrier cones, carpet backing and fiber fill for pillows, ski jackets and sleeping bags. Only about two percent of plastic waste is recycled. Recyclable materials include wood waste, yard waste and kitchen waste. These wastes comprise 18 to 25 percent of solid waste and offer an excellent opportunity for recycling, especially composting.

Automobile tires, motor oil, and bulk household items can be recycled. Usually items like old clothing, furniture and appliances are sold at garage sales or donated to charity.

Recycling reduces the amount of waste that is buried in landfills or incinerated. Recycling cuts down on litter and conserves natural resources. However, to be successful in recycling depends on the availability of markets for recycled materials and products.

Educational programs conducted by the Texas Agricultural Extension Service are for people of all ages regardless of socioeconomic level, race, color, sex, religion, handicap or national origin.

Thought for the Day:

If we fill our hours with regrets of yesterday and with the worries of tomorrow, we have no today in which to be thankful.

Laverna Price Honored With Retirement Reception

Mrs. Laverna Price of Matador was honored with a retirement reception at the USDA building by Floydada ASCS office. Mrs. Price had been an employee with the ASCS for 21 1/2 years. She was presented with gifts and

several floral arrangements. Approximately 65 people attended the reception from the Floydada Area and several from Matador. The affair was hosted by ASCS employees.

Missionary from Peru to be Guest Speaker at Methodist Church Sunday, January 27

Jean Caroline "Janie" Jacobs, a Methodist missionary in Lima, Peru will be the guest speaker at the 11:00 a.m. United Methodist Church services in Matador, Sunday, January 27.

Ms. Jacobs is head of the English Department as a foreign language instructor at Colegio Maria Alvaradi School which is owned by the Methodist Church in Peru. The school has classes from kindergarten through high school. This school was the first in Peru to offer secondary education to girls.

Janie, sister of minister Mary Helen Cross, pastor of the Methodist Church in Matador, went to Peru in 1965 for three years. She taught in Wilmo-Hutchens School system, south of Dallas, for two years. She received her Masters Degree in Education and returned to Peru where she has been since 1970.

Following the services, a covered dish luncheon will be held in the church Fellowship Hall. Everyone is extended a cordial invitation to attend the church services and the luncheon.

DELAYED HOLIDAY COFFEE

The Thackers annual Christmas coffee is eagerly anticipated each year and begins the Holiday season.

On Saturday, December 8, 1990, the ladies hosted the occasion at the home of LaVoe, and the theme used was gingerbread men. One the porch was a wooden gingerbread house and man.

All the hostesses were attired in white sweatshirts decorated with gingerbread men. Joyce had done the decorating on the shirts. Blair was the Christmas elf-winsome and cunning in her elf costume.

There was a festive air throughout the house. The Christmas tree was outstanding - beautifully decorated - stockings hung on the Mantel - a lighted village scene on the TV was special - the corner cafe, most unique with white curtains and the price signs of coffee 5¢ and hamburgers 15¢. On one wall was a huge Christmas wreath and below on a console was a wooden gingerbread man amid Christmas decorations. The bar had a Christmas arrangement.

The refreshment table had a centerpiece of a real gingerbread house. The table was laden with the most appetizing dainty, tasty and attractive tidbits. There was a tray of gingerbread men (Pam had made 100 of them - assisted by Blair who decorated them). There were urns of coffee and Christmas punch.

It's always a great time of seeing and chatting with longtime friends - especially those from out of town - some of whom were Gladys, Frances Moss, Jonnie Lou Murphy (Lubbock), Cora Mitchell, Johnnie Lowrance (Amarillo), Delma Meachem, Rita Groves (Quanah), Joan Harrison, Ann Hughes Innes (Spur), Jettie Moss, Roberta Russell (Floydada), Amy Havis (Slaton), Barbara Robbins (Idalou), also Mrs. Tom Wallace Yeates (Lubbock).

Rusty Willmon Wins 4-H Scholarship

1991 Motley County graduate, Rusty Willmon, has received a \$750 educational scholarship for his work in the 4-H program, according to Robert E. Gehrt, president of the Santa Fe Pacific Foundation, which sponsors the scholarship program.

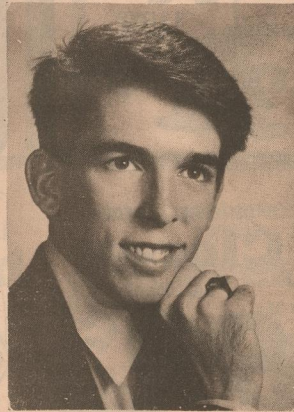

"Santa Fe Railway recognizes the value of 4-H experiences, and we are happy to assist 4-H'ers like Rusty in attending college," said Gehrt. "Most 4-H'ers contribute to our nation's strength by becoming strong leaders and workers. We are pleased to be a supporter of such an

outstanding program."

Willmon was one of 26 4-H'ers to receive national 4-H educational scholarships, courtesy of Santa Fe Pacific Foundation. The winners were selected by the Cooperative Extension System, and presented with their awards during the 69th National 4-H Congress in Chicago, December 1-5. Awards are arranged by National 4-H Council.

Willmon received the award for progressive personal and skill development over the period of his enrollment in the 4-H program. As part of his work in 4-H, Willmon served on the Texas State 4-H Council and participated in the food and nutrition, public speaking and health projects. The ten year 4-H member coordinated an Easter egg hunt for local young people, distributed low-sugar recipes to area food shows, make presentations to local nursing homes on the relationship between diet and health, co-planned a Mother's Day Appreciation Award at a teen leader lab and taught National Youth Safety Conference participants ideas for safety. He also has led workshops on the state level about teen stress, drug awareness and parent/teen communication.

"Unlike many organizations that offer only limited choices, 4-H has opened more doors to me that I can ever hope to explore fully," Willmon said. "As a result of my varied experiences with 4-H, I have become a person who loves working with people, who is easy to work with, and with whom others feel free to speak confidentially."

Hall. Mrs. Walters had called the EPA office in Washington, D.C. requesting information on rural landfill rules.

Long and Thacker reported on the roof leaks at the school/storage building. They stated Spur-Tec, formerly New Shield, said they would make good the roof as the problems were due to poor installation not weather damage or poor structure.

Council discussed making 2-3 more storage rooms for rent in the former grade school building.

Walters reported that due to a new regulation, the Texas Department of health can test a well 50' or less to approve for a City. Hopefully by next week the City can use the new well and water tower built in 1990.

Council passed to send a letter requesting the County to grade the City streets and alleys; the 1990 Audit by Fred Thayer, CPA; paying outstanding bills of \$6,364.90 for December.

Council tabled appointment of election judge for the May election.

Council approved the sale of the older backhoe to the Assembly of God Youth Camp.

Council went into closed session at this time. No decisions were made.

Commissioners

continued from page 1

Judge Hart presented a Resolution on Texas Department of Highways requesting the County to help in making up 60% of funds the State needs for their highway budget. The court discussed that it sounded like a blanket resolution to raise funds. They elected not to sign the resolution.

The Court set the holidays for County employees as follows: New Years Day, January 1; Good Friday, March 29; Memorial Day, May 27; Independence Day, July 4; Labor Day, September 2; Thanksgiving, November 28-29; Christmas, December 23-25.

Tony Rose addressed the Court requesting to use the radio tower for the Ambulance and EMS radios. The Court elected to rent the tower for a \$10.00 a month lease for 1991.

J.T. Swim, J.P. for Precinct 4, wanted to inform the Court he was willing to do his part as J.P. to help the county, and also wanted a salary comparable to the Precinct 1 J.P. salary.

Russell and Jameson explained the Court had discussed in 1990, that a County with 18,000 population and under, can operate with one J.P., paying a salary for \$70.00 to \$693.00 and insurance. The Court is waiting for Sharon Pigg, Special Prosecutor, to inform them of the procedure to be a single J.P. County.

Gerald Pipkin, Insurance Agent, informed the court that this was the last year Trinity Insurance Co. would cover county or state owned vehicles. Pipkin explained rates from two other companies. The court passed for the Judge to compare other prices from Long Insurance, Lee's Insurance and TAC Insurance and accept the lowest bid.

Fletcher and Hughes had listed the inventory in their Precinct barns and wanted to keep the list current. After discussion, Commissioners elected to make it a policy to take inventory and keep it current.

Commissioners tabled decision on a sick leave policy for employees.

Fletcher and Hughes wanted permission to sort and dispose or sell junk iron and tires. This passed.

Sheriff Alton Marshall presented a request to use abandoned bail bond money for Sheriff's office equipment, (i.e. small copier, replace radio, etc.) This passed.

Judge Hart had a request for Cora Smallwood J.P., to hire extra help while she was at school and to help with the monthly reports.

Lucretia Campbell explained that when Roy Smith was J.P., if he had over 75 tickets to process he hired Gertrude Smith to help him and Gertrude had used Bunny Speed to help her. After discussion the Court elected for Bunny to help Cora and also to teach J.T. Swim the procedure, so the two J.P.'s can assist

each other later, for January and February.

Betty Luckett, Chief Tax Appraiser, explained the corrected Tax evaluation and balance due county. Errors were due to computer double renditions.

Judge Hart informed the Commissioners he had signed up with the On-the-Job Training program to hire two men for county employment, for six months. This program is under PIC (Private Industry Councils) and shares half the wages, saving the County approximately \$6,600.

The Court discussed a possible Timber Grant for bridge replacement. After discussion, they voted no.

Judge Hart asked Commissioner Jameson to draw five names from the current Grand Jury list for 5 citizens to be appointed to a Grievance Committee.

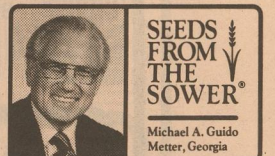

Jameson explained a report from SPAG and a letter from Texas Department of Health, proposing a study for a 50% matching grant for a Regional Landfill. The cost would be approximately \$164.00 for Motley County (this is 17% per resident in Motley County).

Matador City Mayor, Gary Lancaster, explained the City hadn't answered this request at present, as they pay a percent per ton to TDH now to keep the City landfill.

No decision was made. Judge Hart presented a Precinct expenditure breakdown for each Commissioner to see and if they wanted it, he would have this each month.

Hughes asked who owned what equipment. Russell explained they have one backhoe for all to use, 3 loaders (Precinct 1 and 2 has one, Precinct 3 has 1 and Precinct 4 has 1) and 5 motorgraders.

Meeting adjourned.

A little boy was swimming in a lake when he got sick and started to sink. Struggling, he went under once...twice...and then he felt the strong arms of a man lifting him out of the water.

When they arrived safely on shore, the boy cried, "Thank you, sir, for saving my life!"

"You're welcome, son," he said. "But see to it that you're worth saving!"

The Lord loves you. He gave Himself to save you from your sins.

You're grateful, aren't you? Now be helpful to the Lord and others. Like the man said, "See to it that you're worth saving!"

Carolyn Johnson

Mrs. Carolyn Johnson works as an aide in the Motley County Schools, working one year at Flomot in Title one and 17 years as the Special Education

Aide at Matador, and has also been a bus driver for the Flomot route for 17 years. This year she is working in the new CCC Computer Lab.

She lives in Flomot and she and her husband Arnold, have 2 daughters, Lucretia and Kayla. Lucretia and her husband, Breck, live and farm in the Vernon area, and Kayla recently moved to Floydada where she has accepted a position with the CapRock Special Education Co-op as an Educational Diagnostician.

Carolyn enjoys cooking, colligraphy and being with family and friends.

Mrs. Johnson stated, "Motley County may be small in size but the caring and concern for each other is overwhelming, and that there are no better students anywhere."

Her goals this year are for the students that are using the new Computer Lab to enhance their understanding in Math, Language and Reading, and to really excel in their regular classes.

Amy's Anecdotes

by Amy Woolsey

Why do we have wars? Just to save money, so we can have lower gas prices? I know that's not the only reason why we are going to war, but that's what some people tell me. Lower gas prices. Have you ever considered the thousands of lives that will be taken, just so we can have lower gas prices?

There are 57,000 names on a wall in Washington. Names of soldiers who died

in the Vietnam war. What did they prove? I'm young, so maybe I don't understand,

but I know that I don't want to see another wall with more names on it, names of people I know, names of people I love.

This is my opinion, but it's what I believe. I would rather pay more for gas than to see innocent people's lives taken. Wouldn't you?

Centennial Meeting

continued from page 1

Since graduation was scheduled for Saturday when most of the activities would be logically planned, a request was made that the school board and superintendent of schools be contacted to see if that event could be changed to Friday night.

The school board allowed the seniors the option of changing or not changing the date. The Seniors of 1991 unselfishly voted to support the centennial celebration by having graduation on Friday, May 24.

The possibilities of a commemorative postal stamp cancellation, a radio-controlled airplane Fly Off, a queen's pageant, and a giant birthday cake were discussed. Also planned for the month on May 4th is a 10K Run, a running meet scheduled to go from Roaring Springs to the Roaring Springs Resort pool, and a Fun Run, a mile out of town and back for kids and those amateurs not ready for the prime time.

Betty Luckett volunteered to contact the various civic groups and clubs about the next meeting on January 21.

News Around Motley County

Roaring Springs News

by Odessa Mullins

Visiting Mrs. Minnie Dye on Wednesday night until Friday morning was her son, A.J. Dye of the Washington, D.C. area. A.J. was on official travel for the USDA Extension Service by whom he is employed, attending the Beltwide Cotton Conference in San Antonio from which he "dropped by" for the visit with his mother. They enjoyed a visit in the Chet Dye home at Crosbyton Thursday afternoon. A.J. enplaned for home from Lubbock Friday morning.

Mr. and Mrs. Wylie Lee drove to Lockney Wednesday to bring her sister, Mrs. Daisy Smith of Matador, home from Lockney General Hospital where she had been hospitalized for a week. Mrs. Smith was the weekend guest of her sister and husband, the Wylie Lees, the past weekend.

Mrs. Doris Neff of McAdoo worked for Mrs. Kitty McDowell, postmistress, three days last week while the latter was attending a postal meeting in Oklahoma City. She visited during the lunch hours with her aunt, Mrs. Mary Lumsden and a longtime friend, Mrs. Roxie Lewis.

LONGTIME RESIDENT DIES

Mrs. Minnie Early, a resident of this community for twenty years or more died this week in Crosbyton and was buried in the McAdoo cemetery. She had lived in McAdoo many years before moving to Roaring Springs. She had been in ill health for several years.

Mr. and Mrs. Brown Hinson attended graveside services for Mrs. Minnie Early at McAdoo Friday morning. Many of her McAdoo area friends were at the service to pay their last respects. She was the aunt of the late Harold Brantley.

IN HOSPITAL
Mayor Eugene Watson is hospitalized in Central Plains Hospital in Plainview where he has been having tests for more accurate diagnosis and treatment of his condition.

Mrs. Wyleta Burkes of Afton spent Sunday afternoon with her grandmother, Mrs. Vera Mitchell.

Odessa Mullins was called to Lubbock Monday to be at the bedside of her sister, Billie Odell who was supposed to be released from the hospital Tuesday but had taken a turn for the worse.

Mrs. Erin Fisk of Roswell, New Mexico, is the houseguest of her son and family, the Charles Fisks this week.

Mrs. Pauline Hand spent last week in Lubbock with her son and family, Kelly and Mary Hand, Katy, Kasey, and Matthew, helping out while Mary recuperated from surgery.

Work was received here this week that Jimmy McCleskey spent several days soon after Christmas in the Crosbyton Hospital for treatment of a minor heart problem. However, he is back in the Elgie McCleskey home at White River now.

Mrs. Mary Lumsden spent Friday and Saturday in Lubbock where she visited her son and wife, Mr. and Mrs. Tommy Largent and attended to business.

Rev. and Mrs. Charles Fisk and sons, Robert and Chuck met Rev. and Mrs. Dale Berry and daughter, Lyan, of Muleshoe at Plains Baptist Assembly Camp Thursday evening for relaxing, visiting and prayer retreat. They returned home Saturday evening.

The Charles Fisks' daughter, Mrs. Kenny Stewart and son Ashton of Plainview spent the weekend with her parents while her husband was in a meeting at Morton.

DO GOODERS' CLUB BEGIN NEW YEAR WITH BIRTHDAY PARTY

The Do Gooders' Club of Flomot held their monthly meeting, Tuesday afternoon, Jan. 8 at the Community Center in Flomot. They began the New Year by honoring Mrs. Doyle (Mary Jo) Calvert with a surprise birthday party. Mrs. Calvert, president of the club, was escorted to the presiding table that had a colorful greeting, "Happy Birthday President", a bouquet of flowers, gifts, cards and a small bell rather than the usual gavel.

Mesdames Wayne (Jimmie) Hunter, D.M. (Christeen) Gilbert and Roger (Carman) Lee, hostesses served birthday cake, dips and chips, spiced tea and coffee. The table was laid with a white cloth. The centerpiece was a beautiful Winter Wonderland arrangement complimented by three crocheted snowmen encircled by glistering snow.

Mrs. Calvert presided at the business meeting. Mrs. Clayton (Bernice) Bond, secretary and treasurer read the minutes and gave a financial report. They discussed fund raising projects that would benefit the community and civic organizations for 1991. They closed the meeting with each telling a New Year resolution.

Members attending besides those mentioned above were Mesdames James (Lucille) Monk, Wilson (Sibyl) Barton, C.W. (Bessie) Starkey, Junior (Barbara) Payne, Howard (B.) Rogers, Jack (Nada) Starkey, Bill (Judy) Poulson and Bill (Erma) Washington.

CELEBRATES BIRTHDAY

Mrs. S.W. (Mattie) Skinner was honored on her 92nd birthday, Sunday afternoon in her home in Quitaque. Hosting the celebration were her children, Mr. and Mrs. Orville Lee of Flomot and Mr. and Mrs. Ruel Skinner of Quitaque. She was presented a beautifully decorated birthday cake, gifts and cards and received many telephone calls.

Refreshments of cake, coffee, punch, nuts and mints were served to Mrs. Pauline Tiffin, Mrs. Joe Patrick of Quitaque and Mr. and Mrs. Virgil George and Bobby Lane of Flomot.

Mrs. A.D. Moseley and her granddaughter, Julie Davis of Lubbock were in Plainview, Tuesday for Mrs. Moseley a medical appointment. They continued to Dimmitt and visited overnight with Mr. and Mrs. Coy Dunn.

Mr. and Mrs. Roger Lee, Josh and Brandon visited in Plainview, Sunday with her mother, Mrs. Wayne Holley.

Mr. and Mrs. Wilburn Martin and Mrs. Leon (Annie Bee) Cloyd were in Lubbock, Friday for Mrs. Cloyd medical treatment.

Mr. and Mrs. Wayne Hunter and Mr. and Mrs. Furman Vinson attended the Masonic ceremony held at the United Methodist Church in Quitaque, Tuesday night honoring Bill Sauls with a Seventy Year Masonic Pin.

L.E. Shorter and his son, Clois Shorter were in Lubbock, Thursday where they met Mrs. L.E. (Alma) Shorter at the Airport to accompany her home. Mrs. Shorter had explained to Lubbock from Phoenix, Arizona where she visited the past week with son and family, Mr. and Mrs. Louis Shorter and daughters.

Mr. and Mrs. Doyle Calvert were in Plainview, Thursday for Mrs. Calvert a medical check-up. She received a good report.

Mr. and Mrs. Wayne Hunter attended a pre-nuptial reception at the Community Center in Quitaque Saturday evening given for Salt Jones and his bride-elect, Susan Puckett.

Dickie Cloyd and son, Jason of Memphis visited Saturday with his mother, Mrs. Leon Cloyd.

Mr. and Mrs. Howard Rogers and Donnie Rogers were in Crosbyton, Friday where they met Mr. and Mrs. Stanley Degam, Shawna, Shay and Dane of Kalgary to visit. They attended the basketball games at Crosbyton High School, Friday night.

Bro. and Mrs. J.E. Lee of Plainview and Mr. and Mrs. Clayton Bond and Mr. and Mrs. Wayne Hunter were the featured guests at religious services held at the Lockney Care Center, Friday morning. Mrs. Emma Thomas and Mrs. L.D. Bilberry of Lockney joined them for lunch.

HARRIS TO HEAD TEXAS ASCS; PANEL REAPPOINTED

WASHINGTON -- Jerry D. Harris, a cotton and grain sorghum farmer in Dawson and Gaines Counties, has been named to a sixth term as chairman of the Texas Agricultural Stabilization and Conservation Service Committee, U.S. Sen. Phil Gramm has announced.

Agriculture Secretary Clayton Yeutter also named Mrs. Hope Huffman of McGregor to her second one-year term on the panel and reappointed veteran ASCS committee members Dale Hunt of Garwood, D.V. Guerra Jr. of Edinburg, and Keith Spears of Vernon.

"These five leaders bring a wealth of

practical background in agriculture to ASCS. Jerry Harris has established an impressive record, combining years of experience as both a family farmer and a federal program administrator," the senator said. "Hope Huffman, Dale Hunt, D.V. Guerra, and Keith Spears all have done remarkable work in helping to lead the ASCS and I am pleased that they have agreed to continue their service to Texas and America."

Harris is active in cotton ginning, warehousing and marketing, as well as operating a 7,000 acre family farm and continuing service on the Board of Governors of Lubbock Christian University.

Also, he is a member of the National Cotton Council, the Lamesa Cotton Grow-

A CHRISTMAS DILEMMA

by Mary Meason

Christmas is always a blessed and fun time, but flying 2000 miles in winter can really cause excitement and a touch of fear and many problems.

My trip to Washington State, Christmas, provided all of those things.

My trip, as far as Phoenix, was perfect. My plane for Seattle left there on time, but when we were over Boise, Idaho, the captain announced that the Seattle Airport was closed, due to freezing rain, ice and snow.

We couldn't go on to Portland because there was only one runway open there, Los Angeles was stacked up with planes as was Phoenix, so we turned back to Las Vegas, Nevada. Sounds like fun, doesn't it? But when we got in the terminal, everyone was sent to the very far end of that huge building to have our tickets changed, then told to go back to gate B-10 to get on the next flight to Seattle.

There had been one plane that morning that had been turned back after going all the way to Seattle and those passengers were to be loaded first, then those off of my plane would be taken on - if seats were left. You can be sure I sat very close to that gate! After about an hour, I was paged over the courtesy phone. I crossed the terminal again and answered the call. It was my niece, Jeanne, calling. She and her husband had gotten two rooms at a motel near the airport and I was to call them when I got in and they would come get me. That was music to my ears! I still had the long leg of the flight to go - if I got to go.

After about two hours, I was called to board another plane. Only 6 of us were taken on that flight. I felt I was very lucky. Finally, we were in the air! Then an announcement from the Captain came on, saying that the conditions were worsening by the minute at Seatac Airport, with blowing snow and freezing rain. When we were 200 miles from Seattle, there was another announcement from the Captain, saying, "They say the Seatac airport is accessible." From that time on to Seattle I was really "white knuckled!" But the pilot put that plane down just like he was landing on velvet! There were fire engines, trucks with lights on, tractors with scrapers on each side of the runway. I was scheduled to arrive there at 9:25 p.m. and I finally landed at 3:35 a.m. the next morning! Jeanne and her husband met and at 4:15 we fell into those beds, feeling tired but very grateful.

I asked Jeanne's husband how the passenger assistant found me when he had me paged at Las Vegas. His reply was, "I just told them that I had an old 80 year old aunt there trying to get to Seattle. She is a little on the plump side and talks Texan." The man wanted to know if I was in a wheelchair. There were quiet a few old women there in wheelchairs.

Sitting around a big air terminal is rather entertaining. You see people from all walks of life, in all kinds of situations - and all that really gets your imagination to working overtime. One couple, not married, were very openly kissing, hugging and carrying on in general. He finally got up and walked away. I wondered where he had picked her up. But they were back together on the flight to Seattle. There was a young girl with a little boy about 3 or 4. Her father was with her. The girl evidently had been badly abused physically. One eye was black and the other cheek was

badly bruised. I made up my own story about her. I decided she had been brutally abused and her father had come after her to take her home. One of those old ladies in a wheelchair amused me. Her husband would go off somewhere and she would get up and walk over and get something to eat, and be back in her chair by the time her husband returned.

I felt so sorry for one young mother with a 5-month old baby. She had gotten on the plane in Maryland that morning. The baby slept all the way from Phoenix to Seattle on the last trip. But the poor little thing had cried all the way on our first attempt to reach Seattle. That woman was so happy to get to the end of her trip.

My phone rang at 7:30 that morning! The manager of the motel was making a wake up call and rang the wrong room!

We all got up, ate breakfast and started out to Morrowstone Island where Jeanne lives. In good weather it is a three hour trip from the airport to Jeanne's home and with icy streets, so many ice covered hills and trees blown down over the highways it took twice as long to reach home.

Everything was perfect until after Christmas. I spent Christmas Eve and Christmas Day in the home of my great niece and nephew in Bremerton. It was a very jolly time. I had with one niece, 4 great nieces, 4 great-great nieces and 2 great-great-great nephews.

All this did not end the unexpected events.

We went home Christmas Day and made plans for the rest of the week. There had been a bad storm - a 75 mile an hour wind and many trees had fallen on many houses and power lines were down and trees were across the roads.

We were without a phone for three days, and without electricity one and a half days. Everything on that Island depends on electricity. Everyone has a septic tank, their own water wells. An electric pump works everything! The well shuts off and the septic tank won't work. That means no water, the commode can't be used, and gas lamps and lanterns come out of the basement.

Can some of you remember how cold an outside "convenience" can be? That memory from childhood came back with a bang! It was cold! I finally arrived back in Lubbock on Saturday night, the fifth of January. Everything was covered with ice and my nephew, Harry, wouldn't let me come home! I finally got home on Monday. Matador has never looked so good!

Attending the funeral services for Monte Dale Stephens of Quitaque at First Baptist Church on Monday, January 14 were his father, Mr. and Mrs. Morris Stephens, grandmother Juddie Stephens, uncle and aunt, Mr. and Mrs. C.R. Brandon of Lake Texahoma. Also attending were Myrna and H.A. Stephens, Bill and Nora Belle Dunning, Skeet and Earlyne Jameson of Motley County and Doris Piper of Paducah, all cousins of Monte. Bro Jess Little preached one of the sweetest services, since he had been his former pastor. A real Revival service.

Barbara B. Jameson spent last weekend with Mickey and Lewis Bostick in Amarillo. Mickey had chemo therapy last week and was tired but doing fine otherwise.

benefits to the farmers and ranchers of Texas every year.

Motley County Committee Election

Seab R. Washington of Flomot was re-elected to the Motley County ASCS Committee during a recent election. Seab produces cotton, peanuts, vegetables, and cattle. He has served on this committee for the past 4 years. Lucretia Edwards Campbell and Larry Pierce will serve as alternates for one year. A good number of ballots were returned which shows great support for ASCS's committee system. James C. Renfro and Bill Luckett also serve as committee persons. All these people should be commended for their willingness to serve Motley County farmers and ranchers.

Burial was in Resthaven Cemetery under direction of Schooler-Gordon Funeral Home.

His body was found Saturday in a rural area outside of Silverton.

He was born in Tulia. He married Carol Myers on Dec. 21, 1968, in Quitaque. He was an insurance estate plan-

ner and a member of First Baptist Church. Survivors include his wife; a son, Shawn; a daughter, April; his father, Morris of Matador; his mother, Wanda Wilson of Clarendon; a sister, Sereatha Henry of Austin; and a grandmother, Juddie Stephens of Matador.

Pallbearers were Robert Cochran, O.R. Stark Jr., Jack Johnson, Bobo Morrison, Danny Mayfield and Lynn Payne.

Honorary pallbearers were Eldon Martin, Jimmy Davidson, Kyle McWilliams, George Calvert and Scotty Stark.

Delma Mullins

Delma Mullins, former Roaring Springs resident, died Wednesday, January 16, 1991 in Arlington, Texas.

Services are pending at this time with Arlington Funeral Home for Friday or

Saturday. His wife is Betty Carpenter Mullins,

also formerly of Roaring Springs. She resides at 1708 Ravenwood, Arlington.

Mustard Seed Faith

How does one explain the function of faith? How that faith activates the mighty arm of our God? It is difficult to grasp how our Father in heaven would move heaven and earth at the request of a minute speck in the incredible expanse of the universe.

Our Lord walked the dusty Palestinian road and used a small seed to teach a simple, but profound lesson. The disciples which followed Him were

puzzled at His strange words:

"...If ye have faith as a grain of mustard seed, ye shall say unto this mountain, Remove hence to yonder place; and it shall remove: and nothing shall be impossible unto you."

Matthew 17:20

We too stand puzzled...in the dawn before the twenty-first century. For we inhabit a world that puts men on the moon, but wallows in the slobbers of its self-imposed rabid globe. Here is His point: Their strength would not be in their strength. Their strength would be in their faith!

Jesus knew and understood the essence of faith when He calmly spoke the words of Matthew 17:20 to His disciples. The simplicity of His words explode the balloon of our rabid globe. Here is His point: Their strength would not be in their strength. Their strength would be in their faith!

You are invited to attend the services of the Churches of Christ in Motley County. A warm welcome awaits you.

MATADOR CHURCH OF CHRIST Michael G. Crowley, Sr.

Thank You

In living here all my life, I thought I knew how wonderful friends could be, but since the death of our loved one, it just confirms all this. We are deeply grateful for all the kindness shown us, the ones on the ambulance, the calls, food brought to our home, to the church, the lovely noon meal and the beautiful flowers, cards and most of all your prayers. God bless each and everyone.
