New Officials are Installed At Lions Meeting Tuesday

Deputy Dist. Governor Urges Members To Use More Praise; Less Criticism

"USE MORE PRAISE and less criticism," was the advice given Matador Lions by Deputy District Governor J. D. Wilson of Paducah, in an impressive address before conducting the installation of new officials at the club's regular meeting held in the Methodist church basement, Tuesday.

Lion Wilson paid high tribute to the Matador club declaring it to be one of the most outstanding groups in District 2-T. His informative speech was titled "Victory Through Unity" and dealt with the Federal price control.

Reports included the announcement by Secretary Randall Whitworth that the county USO drive is still short of its \$499.50 quota by \$76.50, and that Lion Brady Thomas is the fourth member of the club to enter the armed forces by volunteering in the Navy at Dallas, Monday.

Lion G. E. Hamilton reported that the War Bond sales for the county in June had exceeded \$28,000 while the quota was only \$19,000. A tribute of thanks was tendered Lion Henry Pipkin for preparing the Ladies' Night chicken-fry held at the golf course recently.

New Officials Installed Douglas Meador, publisher of the Matador Tribune was installed as Boss Lion, D. E. Pitts as 1st vice-president, Dr. A. C. Traweck, Jr. as 2nd vice-president, J. R. Whitworth as secretary and treasurer, Miss Rachel Patton as Lions Sweetheart, Henry K. Ford as Tail Twister, J. Rufus Emmons as Lion Tamer, L. J. Cunningham, Henry F. Pipkin, Roy Bishop and C. A. Pitts as directors.

Retiring president Dr. J. S. Stanley was presented with an appropriate Lions button as a token of the club's appreciation for his outstanding year of service.

Visitors at the Tuesday meeting were Miss Mary Ellen (Daudie) Barton, Forest Campbell, Maurice Dixon and Ralph Howe, both of Memphis.

LAST RITES ARE HELD SUNDAY FOR FORMER RESIDENT

Miss Rosa Cammack Victim Of Heart Attack At Lubbock

Last rites were conducted Sunday afternoon at 3:00 o'clock in the Baptist church, for Miss Rosa Cammack, 66, who died early Friday morning of a heart attack at the home of her brother, Webb Cammack, of Lubbock, with whom she was visiting.

Rev. M. B. Carroll, pastor of the church, conducted the services, and interment was made in East Mound cemetery by the side of her parents, under the direction of Rix Funeral home of Lubbock. Pall-bearers were: Harry Willett, Elmer Stearns, Elbert Reeves, Roy Burleson, Sterling Price and Farris Fish.

REGISTRANT'S RHYME SHOULD DEFER HIM FOR TIME

Members of Local Board No. 1, Winston County, Haleyville, Ala., and its personnel have registered a poet and they know it.

The registrant, James Columbus Stephens, reported on his questionnaire that he is the father of five children. Their names, he said, are Minnie, Winnie, Linnie, Tinnie, and Trinie.

When reporting what he does in the way of farm activities, he replied: "Plow and Sow Plant and Hoe Reap and Mow." —Selective Service

Drive For Rubber To End Friday

With possible victory or defeat suspended on the nation's response to a demand for all scrap rubber, much of the country has failed to meet official estimates according to reports published in the daily press early this week.

West, middle-west and southern states have provided the bulk of scrap rubber, in most cases doubling original estimates, while the centers of population and greatest users of rubber have fallen below expectations.

Texas is reported to have responded second only to California in bringing in the precious salvage on which victory may depend. President Roosevelt announced Tuesday that it may be necessary to commandeer the tires on all automobiles now in use to save the nation if other states do not respond with greater interest.

Motley county's rubber salvage drive has not shown as much activity in the past week, but filling stations are still making regular purchases and it is believed the county's total purchase may be between 80,000 and 100,000 pounds, altho the figure is only an estimate. The drive will end tomorrow night at midnight and every person is urged to bring all rubber scraps to a filling station before that hour. A complete report of the county's activity in the drive will be published in next week's Tribune.

CARS COLLIDE IN DESERTED STREET HERE SATURDAY

It does not require many automobiles to produce an accident. Responsible witnesses declared that only three automobiles were on main street in Matador at 8:30 Saturday morning, while the population joined the rest of West Texas in celebrating the Fourth. Somewhere out of the stillness a crash echoed and operators of the few enterprises open, looked for the cause. On the wide, vacant street at the southwest corner of the courthouse, two of the three automobiles in town had collided.

Quantities of dried mud from damaged fenders lay on the pavement and water streamed from punctured radiators. The drivers examined their damage. A small excitement-hungry crowd gathered quickly, but soon vanished leaving the town to its holiday lethargy.

The single incident marked an unusually safe and sane Fourth.

Draft Registrants Warned To Comply With Requests

An estimated 200 or more registrants of registrations one, two and three are receiving supplemental questionnaires from the Motley County Draft board this week.

The purpose of these questionnaires is to bring data on each registrant up to date, since in many cases the present information is two years old. Officials of the board declared that they are required to classify men by the information contained in the files, which, with the present information, would place many men in direct line for induction because no record exists of their present deferment status.

All registrants have been regularly notified to inform the board of any change in occupation, address or marriage status which must become a part of the office's record. It was pointed out that in many cases registrants have married, become fathers or otherwise changed their status. With a large number of reclassifications in immediate prospect, men must be classified as they were registered unless they fill the supplemental questionnaires. Others who do not receive the questionnaires are asked to notify the board of any change in their original status.

The board has mailed the questionnaires only to registrants known to them personally to have changed their draft status without the change becoming a part of the record. Many others are entitled to be placed in a different classification but must notify the board of the changes.

Impetus Is Given China Fund Drive

Candidates Visit City This Week

Colonel Ernest C. Thompson of Amarillo, above, candidate to succeed himself for Railroad Commissioner (Full Term), was in Matador yesterday afternoon.

Colonel Thompson, recognized to be one of the nation's outstanding petroleum authorities, was recently called to Washington for a personal interview by President Roosevelt. Colonel Thompson, who does not smoke cigarettes, said that he smoked with the President and that the two of them consumed a full package during a four-hour conference. He was here about three hours and enroute to Plainview to make an address.

Senator W. Lee O'Daniel, accompanied by his son Mike and Hal H. Collins, candidate for Governor, stopped here shortly after noon, Tuesday, while enroute to Plainview and Amarillo to keep speaking engagements.

New impetus was injected into the Motley county drive for United China Relief during the past two weeks according to Henry Pipkin, chairman.

While our gallant allies stand with a ragged back to the wall of destroyed homes to enter the sixth year of conflict with Japan, it is disclosed that the blood of more than 3,000,000 Chinese soldiers had been spilled. Anyone who has friends or relatives in the armed service must appreciate the great sacrifice of these courageous people and know that many American lives have already been spared because of reduced number of Japs. China's armies have been forced to retreat but never in the six years have they surrendered.

While records of contributions in the county drive are not complete, the following donations are accounted for in the \$50 sent the United China Headquarters and \$28.50 now on deposit: B. F. Simpson \$10, C. M. Glenn \$5, H. F. Pipkin \$6.35, Elmer Stearns \$4.50, G. T. Edwards \$1, Mr. and Mrs. H. Plemons \$2, Bob Echols \$5, Mrs. J. A. Groves \$5, M. J. Reilly \$5, H. M. Solomon \$1, Harry Willett \$2, J. M. Jackson \$1, Mrs. T. E. Williams \$2, J. H. Neblett \$1, W. B. Barton \$5 and Mrs. F. M. Jenkins \$1.

Contributions may be made to Mr. Pipkin, or Elmer Stearns, or Randall Whitworth, also members of the county United China Relief committee.

Tire Dealers Must File Invoices Of Stock By July 15

All tire dealers, including scrap yards and others selling or holding for sale new, retreaded, recapped or used tires and tubes, must file an invoice of stock by July 15 with the Motley County War Price and Rationing Board, according to D. I. W. Birnie, chairman. The invoice is to be of June 30, 1942, for the past quarter. Blankets may be secured at the Matador postoffice.

The same requirement is also made of every person selling or holding motor vehicles for sale. Also every person extending credit to another upon the security of a motor vehicle under an agreement permitting the lender to take possession of the vehicle must file quarterly reports in the future.

Canning Sugar Available

Mr. Birnie said that canning sugar is available for those who can qualify and may be obtained through the following representatives: Grady Acker in Whiteflat; Mrs. James Williams in Flomot; J. D. Mitchell in Roaring Springs; and the Rationing Board here.

Absentee Votes Are Being Cast

The July 25th primary voting has already started in Motley county according R. A. Seay, District and County Clerk. Mr. Seay declared yesterday that one absentee vote had been cast and that nine others were in the mail.

Sufficient absentee ballots were printed by the Tribune last week and delivered to Mr. Seay, Monday.

Cowboys Win In Reunion Contests

With several Matador cowboys taking the purse in various events, and the Matador Ranch receiving the award in the most typical ranch entry, for its chuck wagon, this small West Texas community is again in the limelight of publicity, as it settles down to normalcy after returning from the thirtieth annual Texas Cowboy Reunion held at Stamford July 3, 4 and 5th.

Melvin "Will-Horse" Warren, Matador ranch hand, brought home \$25.00 in a tie for 3rd and 4th place in cow-milking and also won third place in the calf flanking contest, a new event this year.

Ward Rattan was richer by \$60. on his return home, with \$10.00 received for 5th place in wild-cow milking and \$50.00 for 1st and 2nd (tie) for calf roping, both events on the third day.

Other performers from here included Clay Hart, Curtis Graham and Pvt. Ray Sims of Sheppard Field, who participated in wild-cow milking Friday night, and Miss Mary Ellen Barton of Flomot who rode in the Sponsor's contests for the Matador ranch. John Stotts was also entered in the calf-roping events.

Red Payne received mention for his excellent performance in the cutting horses contest, as follows: "Red Payne on Hesitation, was the last contestant in this event Friday night. This combination of rider and horse put up a good show, but it is likely they would have done better had they been working a herd on the big Matador ranch where Payne is wagon boss and cutting cattle from the herd is just part of the work throughout the year."

RETURNS FROM HOSPITAL Mrs. W. W. McDowell, who underwent major surgery in an Amarillo hospital recently, returned home Tuesday. She was accompanied by Mr. McDowell who was with her in Amarillo.

Firm Installs New Paint Conditioner

Buy a bucket of paint at the Higginbotham-Bartlett Company store here and the salesman will gladly place the container in a new "paint conditioner" which violently shakes the paint until it is completely mixed and ready to be applied.

The new-fangled paint churn which is based on concrete in the building is declared to make stirring unnecessary and render the paint much more effective. It is powered by electricity and controlled by an automatic clock which may be set for any length of time.

Additional Funds Received To Aid Free Paper Costs

Again the Tribune gratefully acknowledges receipt of unsolicited contributions to aid its policy of sending gratis subscriptions to Motley county men in all branches of the armed service.

The Tribune is being sent to nine new men in service whose names have been added to the list during the past week.

Dry Weeds Create Local Fire Hazard

Dry weeds in vacant lots, along curbs and sidewalks are detracting from the city's appearance and also creating a fire hazard. The Matador Lions Club urges all residents and property owners to destroy weeds in and adjacent to their homes and businesses.

Many alleys in the business district of town are badly in need of a systematic clean-up to remove weeds, junk and trash.

Considered Protect Rights Men In Service

Two amendments affecting who have entered the United States Government have been recommended by the Social Security Board.

John D. Palmer, manager of the Lubbock office of the Social Security Board, said, "calls for protection of the insurance of workers entering the services of our Nation. This was originally broadcast by short-wave last February over the British Broadcasting Company transmitters. Feeling, however, that many Texas listeners may have failed to hear the broadcast, WBAP station officials requested a transcription of the British editor's interesting remarks.

"The Thirteenth Raid," an actual recording of a Polish bomber crew carrying out a bombing raid over German-held territory in an RAF bomber, will be broadcast at 10:00 a. m., Sunday, July 19, over WBAP as another exclusive feature. The entire bombing operation from take-off, through heavy anti-aircraft fire and the actual bombing of the Axis objective, is described by an English speaking member of the Polish bomber crew. These unusual programs are being supplied the Suburban Editor, who reads news and gossip from more than 100 Texas papers and the British editor's paper every Sunday morning over station WBAP.

English Editor To Express His Views Of Texas Papers

FORT WORTH, July 7.—"An English Editor Views the Texas Press" is the title of a talk by Charles Eade, editor of the London Sunday Dispatch, to be heard at 10:00 a. m., Sunday, July 12, over Radio Station WBAP.

The program, especially designed for Texas newspaper readers, was originally broadcast by short-wave last February over the British Broadcasting Company transmitters. Feeling, however, that many Texas listeners may have failed to hear the broadcast, WBAP station officials requested a transcription of the British editor's interesting remarks.

"The Thirteenth Raid," an actual recording of a Polish bomber crew carrying out a bombing raid over German-held territory in an RAF bomber, will be broadcast at 10:00 a. m., Sunday, July 19, over WBAP as another exclusive feature. These unusual programs are being supplied the Suburban Editor, who reads news and gossip from more than 100 Texas papers and the British editor's paper every Sunday morning over station WBAP.

Coffee Rationed To Diner Patrons

A privation which the traveling public is enduring with forbearance these days is the limiting of patrons on trains to one cup of coffee at each meal. Rationing does not apply to members of the armed forces in uniform.

The reason for this situation is an increase in dining car patronage, coupled with the current coffee shortage which resulted in the War Production Board's order limiting the quota of wholesale coffee receivers (in excess of 2,000 lbs.) to 75 per cent of the coffee they accepted in the corresponding month last year.

As example of the difficulties which the various railroads are having in getting sufficient coffee for their patrons, Santa Fe Railway passenger officials pointed out that, in the face of a 59 per cent increase in number of meals served train patrons during the month of May, Fred Harvey, who handles Santa Fe dining cars, had

All Able Bodied Men May Soon Be In Armed Service

Every able bodied man in America may soon be in the armed service according to a news release from the office of Lieut. Colonel Joseph R. Peller, district recruiting and induction officer for west Texas, with headquarters at Lubbock.

The statement is as follows: "It appears that every able bodied man in America will soon be in the armed service. The earlier this is accomplished the sooner the Stars and Stripes will again wave

machinery and equipment, farmers not only are being called upon to produce the greatest amount of food and feed the world has ever known but to keep soils in condition for record output.

Comparing industrial and agricultural production, Mr. Rushing said that industry was expanding and building new plants to provide for increased production of tanks, guns, planes and ships but that agriculture would be working with the same equipment for record output of milk, eggs, meats and other nourishing foods.

Under the 1941 AAA program, Motley county farmers were allowed \$23,348 to invest in their soils but the amount has been increased to \$58,500 under the 1942 program. From two to three times more soil-building work must be carried out if all funds are to be utilized.

Practices which can be carried out between now and the close of the program year include terracing, contouring, listing and chiseling non-crop pasture, building earthen dams and reservoirs, eliminating destructive plants, and planting non-leguminous cover or green manure crops.

Motley Farmers To Receive \$58,500 For Soil-Building

A blow struck for Hitler, W. I. Rushing, chairman, Motley county AAA committee, announced this week.

One of the war's big battles is agricultural production and the success with which this task is accomplished depends entirely on the soil, he said.

Faced with shortages of labor,

Dr. J. G. Ketchersid
DENTIST

over Corregidor, Bataan and Wake Island. We will then feel that, in a measure, the heroes who gave their lives in defense of these citadels of freedom will not have died in vain. We can never fully compensate for a life that has been given for freedom; but we can and must carry on the battle so that homes of free men and women shall not perish from the earth."

See Unassigned Enlistments

The army is taking every possible step to insure that specialists entering the service are assigned where their abilities can best be utilized. Enlistments of qualified men, 20 years of age and over, in the draft age, are welcome in the army of the United States, unassigned.

Vacancies exist for radio operators and repairmen in the Army Signal Corps. Operators with an amateur or commercial license, between the ages of 18 and 45, meeting physical requirements, are needed. Members of Radio Servicemen of America, members of Radio Manufacturers Service and men employed in radio service work at time of enlistment may qualify to go directly into the Army Signal Corps.

Opportunities In Air Force

Men under 27, physically fit, with reasonable education, may qualify for duty in the Army Air Forces. Entering as private, the enlisted man learns the rudiments of planes. Later he has an opportunity of being promoted to Aviation Cadet and attending school. There is also an opportunity for

those who qualify to enlist in the Air Forces Enlisted Reserve, to remain at home until called to duty. College men may enlist in this branch and be deferred until graduation.

The Army is also in need of engineer specialists, fitted by civilian training. Complete information may be received at the Lubbock recruiting office regarding openings now available in the Corps of Engineers.

Parachutists receive the regular Army pay for their rank plus \$50 per month bonus. The age limit has been raised for paratroops to 18 to 32 inclusive, with 185 pounds as the weight limit. Candidates must have good but not necessarily perfect eyesight and normal blood pressure.

What You Buy With WAR BONDS

Aside from the sixty-mile an hour Mosquito Torpedo Boats, the Sub Chasers are the speedsters of our Navy. Light and fast, they are the eyes of the Fleet on the water. They displace approximately 1,500 tons and cost about \$2,400,000 each.

We need many of these powerful, fast little boats to cope with the treacherous submarine type of naval warfare fostered by our enemies. Everybody can help pay for more Sub Chasers by putting at least ten percent of his income into War Bonds. Buy Bonds or Stamps every pay day. Buy them from your bank, your post office, or from your office or factory through the Payroll Savings Plan.

HEARTS and FLOWERS

TOM: Gosh, Ann, I'm glad I could get back in time for our wedding anniversary. Being on the road as much as I am, it seems like I'm never home. Here's something for you.

ANN: You darling! Flowers!

TOM: It could have been a new hat if that blamed car of mine hadn't had to have a new set of piston rings.

ANN: I know wives shouldn't interfere in their husband's business, Tom, but Mrs. Reardon was telling me how much money Jack saved on the maintenance of his car. He drives even more than you do.

TOM: What all did she tell you, Ann?

ANN: Well, Jack Reardon uses Conoco Nth motor oil. That's the oil that OIL-PLATES the engine and saves a lot of wear and tear. And it contains a new synthetic that helps keep the oil from fouling up, too. Mrs. Reardon says Jack has to make his car last two or three years longer now and Conoco Nth motor oil will help him do it!

TOM: That settles it, Ann! I'm going to change right now to Conoco Nth!

ANN: Good boy! And maybe I can still get that new hat?

You'll agree that it's orchids to Conoco Nth motor oil, once you prove to yourself how it is so economical, clean-running and wear-saving. See Your Conoco Mileage Merchant today! Continental Oil Company

SHOWER GIVEN FOR WHITEFLAT BRIDE

On June 19, Mrs. W. J. Knoy, Mrs. Walter McWilliams, Mrs. Ernest McWilliams and Mrs. Kim Wilkerson were joint hostesses honoring Mrs. Fred Baumgart, the former Pauline Martin, with a bridal shower at the Whiteflat Methodist parsonage. She was the recipient of many beautiful and useful gifts.

Refreshments of cold drinks and cookies were served the following guests: Mesdames F. Z. Martin, Robert Mayfield, Ben Keltz, Earl Stephens, H. M. Murphy, Curtis Murphy, Tom Tilson, E. P. Humphries, Fred Bourland, C. E. Harris, Bill Smith, Ed Smith, Tom Spray, Victor Smith, G. M. Acker, Hollman, Clifton, Welton Bailey, Bill Dunning, L. A. Carlisle, Mutt Berryman, Jesse Terry, Woodrow Slover, Maud Dean, Grady Acker; Misses Katalynn Humphries, Georgia Bourland, Corinne Wilkinson, Estelle Morris, Onieta Whitaker, and the hostesses.

Several who were unable to attend, sent gifts.

AT WORKER'S CONFERENCE

Rev. M. B. Carroll, pastor of the local Baptist Church, attended the district worker's meeting of the Floyd County Association held at Quitaque Tuesday. The Flomot Baptist Church will be hosts to the association meeting next month.

Wedding Of Local Couple Announced

The marriage of Miss Ruth Hill, of Matador, and Sergeant J. D. Gaines, stationed at Maco, Georgia but formerly also of Matador, has been announced.

The wedding ceremony took place on June 8, at Macon, Ga. The bride is the daughter of Mr. and Mrs. Bill Hill of this city, and Joe Gaines, manager of the West Texas Gin, is the father of the groom. Both Sergeant and Mrs. Gaines are graduates of Matador High School.

Mrs. Gaines returned to Matador on July 6, having been met and accompanied from Vernon by Mr. Joe Gaines, Mrs. Mary Mize, and Miss Helen Hill. In event Sergeant Gaines is not ordered overseas within the next few weeks, Mrs. Gains will return to Georgia to make her home.

VISITORS HERE FOR REUNION

Mrs. Leonora Luckett has as visitors in her home this week, her two sisters and brothers who are here for a family reunion. They include Mrs. S. E. Scott of Grayford, Mrs. Jane Roquemore of Graham, Bill McClure of California and Mr. and Mrs. P. H. McClure of Odessa, a brother, was still expected to arrive late Wednesday.

GO TO CHURCH SUNDAY

Party Is In Honor Of Young Visitor

Mrs. J. Farris Fish entertained several girls Thursday afternoon in honor of her niece, Francine Fish, of Electra, Texas, who has been visiting in her home the past week.

After games and swimming had been enjoyed by the guests, refreshments were served to: Francine Fish, Dorothy and Frances Traweck, Ruth Marie Stanley and Barbara Ketchersid.

BIRTHDAY CELEBRATED AT ROARING SPRINGS

Mrs. W. E. Bowen of Roaring Springs was hostess Saturday, to a group of boys and girls in celebration of her son, Donald Ray's 12th birthday.

A chicken-fry with all the trimmings was enjoyed out-doors by the guests, each of whom brought a gift for the honoree.

Those present were: Mina Smith, Kelly Ann Green, Donald Roy Gibson, Gafford Jackson, Leon and Claudie Jarrett, Arlene Brian, Cora Juan and Jimmy Bishop, J. N. Fletcher, Milda Scrivner, and Mrs. Carrie Bishop.

VISITORS FROM NEVADA

Mr. and Mrs. J. D. Dewbre and children, Mr. and Mrs. F. C. Dewbre and Mr. and Mrs. L. O. Henson and family all of Whitney, Nevada, visited here last week with their parents, Mr. and Mrs. J. W. Dewbre of Matador. They were accompanied from Santa Fe, New Mexico, by Mrs. John Brandon, Mrs. F. C. Dewbre's mother, who recently moved to that place from here.

A young man can learn a skilled trade in the Navy which will benefit him when the war is over.

L. A. STEARNS IN HOSPITAL

L. A. Stearns, prominent rancher of the Teepee Flat community, has been a patient in the Memorial Hospital in Houston, for the past two weeks, where he is receiving treatment for an impending operation. Surgery will be performed as soon as Mr. Stearns' condition will permit, attending physicians have stated.

VISIT IN AMARILLO

Mr. and Mrs. Pat Sheridan and son Pat Jr., accompanied by Mr. Sheridan's aunt, Mrs. Annie Tudor, visited in Amarillo Sunday and Monday with his mother, Mrs. J. H. Sheridan and sisters, Miss Beulah Sheridan and Mrs. Ernest Gaines.

Mrs. Gaines is improving from an accident sustained July 1, when she fell and broke her hip.

JACKIE BLOODWORTH RECOVERS

Jackie Bloodworth has recovered from injuries received in an automobile accident while enroute to Spur Friday evening, June 19. He was dismissed from Traweck hospital Wednesday of last week and remained in the home of his aunt and uncle, Mr. and Mrs. Frank Stafford, until Sunday, when he returned to his own home west of town.

LEAVE FOR CALIFORNIA

A group from Matador left Monday for Los Angeles, California, accompanying a Quitaque resident. Those from here who made the trip were Mrs. Jack Catlin, who will visit her sons on the west coast, Mrs. Ethel Payne and son Charles, who are going to visit their son and brother, J. D., and Mrs. Ken Rector and young son Don, who will join Mr. Rector in Santa Monica.

OPEN HOUSE IS HELD BY BAPTISTS FRIDAY

An evening of fellowship was enjoyed by Baptist Church members and friends of other denominations who joined in giving the new pastor, Rev. M. B. Carroll and his family a hearty welcome, Friday evening.

The assembly gathered in the church basement where several games were played and refreshments of punch and cookies were served, before a tour of inspection was made of the recently remodeled parsonage.

The women of the church donated in the neighborhood of \$150 in labor, by doing all papering and painting of the interior, and deserve much praise for the attractive results. Great improvement was also evident in re-arranged partitions and the addition of several new closets and built-in features.

PCA OFFICE PLANS COMPLETED

Ralph Howe and J. M. Dickson, of the central office of the Production Credit Association at Memphis, have been in Matador all this week completing plans for the full-time field office located here in this city. Mr. Eugene Perkins is the local representative.

LOCAL ITEMS

Mr. and Mrs. A. A. Harp and son Bobby, spent the week-end holiday visiting relatives in Kirklund and Childress.

Visitors in the home of Mr. and Mrs. G. S. Craven from Monday until Wednesday, were his sister, Mrs. Kate Peaks of Odem, Texas, her son and his wife, Mr. and Mrs. Ted Peaks of Corpus Christi, and Mrs. C. A. Craven of Paducah.

WHAT WOULD YOU GIVE TO MAKE THIS A SHORT WAR!

For five long years China has fought the savage Jap, reeling under the terror of almost incessant bombings. Yet the Chinese still fight on with magnificent courage, and Generalissimo Chiang Kai-Shek's armies still hold at bay 1,000,000 power-mad Japs along 2000 miles of battle front.

Would you rather have those Japs engaged there in China, 7000 miles away, or right here — at home!

Make no mistake, China is fighting our fight . . . your fight. If the Chinese front collapses, our hopes of a short war go with it . . . and a long war means the needless loss of tens of thousands of our own youth, and the possible invasion of our own Pacific shores.

Give today! Buy the smartest, cheapest insurance against the possibility of a long devastating war.

WHAT AMERICAN GIFTS WILL DO IN CHINA

- \$1 will re-establish a farm family by providing seeds for new crops.
- \$5 will disinfect the wounds of 250 people.
- \$10 will provide clinical care for 100 refugees.
- \$25 will train a worker for active service.
- \$100 will provide emergency treatment for 100 air raid victims.
- \$500 will start a heavy industry co-operative shop, or endow 20 hospital beds for one year.

Joseph E. Davies, Chairman of the President's Committee on War Relief Agencies — "For nearly five years the Chinese people have been fighting what has proved to be our battle. United China Relief is thoroughly deserving of our support."

UNITED CHINA RELIEF Henry F. Pipkin, Chairman Matador, Texas

Silk may go...

BUT
This
MUST
SURVIVE!

OUR DUTY:
TO FIT
THEM TO
FIGHT

We can do without Japan's silk with no serious consequences. We can carry on normally much more easily without Japan's silk than Japan can carry on without our market for her silk. Already, we have worthy American substitutes for this major Nipponese export product.

It is our task now to defeat Japan, to prevent her from overpowering us and taking our democracy away from us, along with all the other fine things that we have to enjoy here in America. To wrest from us the things that have made America great — free speech, free thought, free opportunity, free religious worship—is the aim of Japan and her power-mad partners.

They seek to destroy our way of life, our homes, our churches, our schools . . . to place a yoke around our necks . . . to enslave us. We must not permit an Axis victory. Our way of life must survive.

Whipping Japan and her partners is a job for all of us. The duty of every American citizen is well defined; clear-cut. Our armed forces are fighting with traditional courage and determination. They are making sacrifices to void our enemies' designs.

Any sacrifice that we make, as civilians, is trivial compared to what these hard fighting men are doing. They are risking their lives that we may remain free people . . . that our American way of life may survive.

We owe it to these brave, self-sacrificing men up front on the battle lines to keep them armed, fed, and clothed abundantly. We must work hard to fulfill our obligation to them. We must use every ounce of our energy to contribute our share to Uncle Sam's goal of adequate production of food, clothing, arms, and ammunition. We must buy War Bonds and Stamps, all that we possibly can, as soon as we possibly can. Our American way of life must survive.

Uncle Sam desires that the retail merchants, the service institutions and the professional men of our nation carry on as normally as possible, considering that we are at war. Locally, the people who man and manage the firms and institutions that serve you are doing all they can to serve you the best they can. If war has forced certain restrictions or made limitations of certain service mandatory, accept the changes with gracious understanding, remembering that it is both their wish and their duty to adopt those business practices designed to lend greatest help in the battle to insure victory and the survival of our American way of life.

I GIVE YOU TEXAS by BOYCE HOUSE

We can and will win this war but— We won't win this war by whining about sugar. In the days of the Texas Republic, people ate an average of 10 pounds of sugar a year; we have been eating 90 pounds a year.

Nor will we win this war by complaining about daylight savings time. Our good old daddies and mothers worked from sunup to sundown.

And we won't win his war by whimpering about automobiles and tires. Old Sam Houston never even owned a Model T—and he got along all right.

We won't win this war by repeating rumors and saying harsh things about our Allies.

And we won't win this war by continually finding fault with our leaders. Under our Constitution, Franklin D. Roosevelt is and will be President for the next two and a half years and we will fall or rise with Roosevelt. Of course, we have a right to criticize things we consider wrong—but let's be sure that our criticism is constructive and not mere grumbling or nagging.

We will win this war by everybody—farmers, industry, business and workers—pulling together.

"Sing while you drive," suggests the Corrigan Press.

At 45 miles an hour, sing "Highways are Happy Ways." At 55 miles an hour, sing "I'm but a stranger here; heaven is my home." At 65 miles, sing "Nearer my God, to Thee." At 75 miles, "When the roll is called up yonder, I'll be there." At 85 miles, "Lord, I'm coming home."

And did you hear the story of the elderly lady who said to the misbehaving little boy, "Don't you know that, if you are naughty, you'll never get to be President?" and he replied, "That's all right; I'm a Republican, anyhow."

This beautiful little poem, by an unknown writer, appeared recently in the Cumbly News. It's entitled "Where Were You?" "I came to your church last Sunday."

I walked up and down the aisle, I noticed your seat was vacant."

What You Buy With WAR BONDS

The Aerial Camera for use on Scout and Observation and Reconnaissance planes is essential to both the Army and Navy air forces in planning battle formations and in obtaining information on enemy fortifications and movements. They look something like a cannon, and cost about \$2,400 apiece.

The serial cameraman can plot wide territories in bold relief so that Army or Navy Intelligence can make accurate measurements of enemy territory. We need many of these cameras so necessary to the air arms of the Army and Navy. You can help buy them with your purchases of War Bonds. Invest at least ten percent of your income every pay day, and help your country go over its War Bond Quota.

U. S. Treasury Department.

WE CAN NOT Insure THE ASHES!

IT is too late to buy insurance after the fire alarm has sounded, nor can we pay you for the ashes if you have neglected properly to insure your property.

Prepare for that dreaded possibility—FIRE. Let us help you with your insurance program to cover your home, auto, farm buildings and crops. There is only one time to insure—NOW!

MOTLEY COUNTY INSURANCE CO. J. R. Whitworth Elmer Stearns

ENLISTED MEN

Technicians, third, fourth and fifth grades, are new enlisted ranks in the Army. They are given to men whose jobs are chiefly technical and of a special nature. They rank just below, and receive the pay of, noncommissioned officers of similar grade. A technician, third grade, for instance, is ranked just below a staff sergeant and just above a sergeant. He receives the pay of a staff sergeant.

Master Sergeant

First Sergeant

Technical Sergeant

Staff Sergeant

Technician, Fifth Grade

Private First Class

Service Stripe (Each Three Years)

Said the Master, with kindly smile. "Yes, I was at home," I answered. "Some folks from up Salem way Drove down for a week-end visit, So we stayed in the house all day." Or, "I had an awful headache," "I had a roast in the pan," Or, "We overslept that morning, But I go whenever I can," "I went to a morning service, Not over two months ago, So much work must wait till Sunday, There's no time for church, you know."

Vacationists Are Warned Of Danger In Water Sports

AUSTIN—Some timely advice to vacationists concerning the proper precautions to be used in water sports was released from the State Health Department today by Dr. Geo. W. Cox, State Health Officer.

It was pointed out that, in view of wartime restrictions, vacation pleasures are apt to be limited to excursions and picnics at nearby lakes, rivers, and ponds of unfamiliar depths and currents, and without the usual lifeguard supervision associated with bathing beaches and commercial swimming pools.

"Swimming and water sports are beneficial to good health provided one's physical condition justifies this type of exercise," Dr.

With more and more men putting on the uniform of their country, civilians still find the matter of chevrons and stripes often confusing. The diagram above shows the grades among the enlisted men. Beginning at the bottom right and reading to the left and up, the grades from first class private with a single chevron to master sergeant with three chevrons and three arcs are shown for all non-commissioned officers.

Cox asserted, "nevertheless, they possess dangerous possibilities if the rules of safety, through carelessness or thoughtlessness, are disregarded."

- The State Health Officer outlined the following simple rules for bathing and swimming in safety: 1. At least one hour should elapse after a meal before entering the water. 2. Upon the first indication of fatigue, come ashore and call it a day. Don't re-enter the water. 3. If becoming chilled, leave the water immediately. 4. Do not enter the water when overheated. 5. Learn to float. This is most important. 6. Never attempt to rock a boat in a spirit of fun. 7. Never swim in water that may be polluted. Swimming close to or even a few miles below sewage outlets is inviting the possibility of acquiring disease. "Excursions, picnics, and swimming parties contribute much to a

healthy, happy, normal life, which is especially desirable at this particular time when the whole nation is tense and under a strain," Dr. Cox said. "It is by no means advisable to eliminate these excursions from our summer program, but it is important that they prove beneficial and not disastrous."

Now that a man has invented a diaper for babies, mothers will probably wonder why no man ever did it before.

The decade, 1920 to 1930, was the period of greatest growth in the population of Texas.

Texas had an appreciable network of railroad lines of its own before the first railroad line connecting it with the rest of the United States was built in 1873.

Bascom Giles Has Achieved Unusual Record In Office

Bascom Giles, Commissioner of the General Land Office, made his formal announcement today for re-election. In reporting on his conduct of that important constitutional state office, he pledges continued honest, efficient, and faithful service to the people.

Soon after becoming Commissioner of the General Land Office, Mr. Giles submitted a number of recommendations to the Legislature that he had advocated in his campaign, which body put his recommendations into law. His outstanding accomplishments are the passage and administration of a law which ended vacancy racketeering and title clouding and gave the good-faith claimant or owner a prior right to purchase the land when a vacancy is discovered; and the creation of the School Land Board to administer the public school lands of Texas. Commissioner Giles is chairman of this board and a member of the Board for Lease of University Lands; throughout his service there has not been a dissenting vote on either board. He has served on the School Land Board with two Texas governors and one attorney general.

Commissioner Giles secured the passage of a law to increase the downpayment on new purchases of school lands from one-fortieth to one-fifth. Another law he advocated was the extension until 1951, of the payment of principal on lands that had been previously sold, thus assuring the school fund a long-time steady income. The laws passed on his recommendations have made it possible for Commissioner Giles to increase the Public School Fund to more than \$75,000,000.

Commissioner Giles has compiled new state abstract volumes for publication, the first time since 1878; and instead of 62 cumbersome volumes, the 406,000 titles are compiled into eight compact volumes, each one complete for a district of the state.

Commissioner Giles said that he had received hundreds of highly complimentary letters commending him for the prompt and efficient service being rendered by the General Land Office which, he said, is in a large measure due to

Drive For Rubber Brings Out Heretofore Treasure Donated

LOS ANGELES, Calif.—Rubber collection notes: "The waitline to be must have been the actual unidentified hero who turned a service station, turned into a dozen brand-new and tossed in a moment's time then, after a moment's survey by the 1,000-pounder which had been collected his building. "Not enough," he dumped his hip-high into the heap.

the efforts and ability of employees. "I invite you who have business with the Land during my administration any of the 200,000 who have the character of service rendering," Commissioner said.

THE HOME OF GOOD MATTRESSES MODERN RENOVATION And Inner Spring Mattresses W. E. (Bill) Yandell Mattress Factory Floydada, Texas S. H. D. Permit 124 East Grover St.

CITATION BY PUBLICATION

THE STATE OF TEXAS To: Novy Cochran, and C. J. Cochran, greeting:

You are commanded to appear and answer the plaintiff's First Amended Original petition at or before 10 o'clock A. M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 24th day of August, A. D., 1942, at or before 10 o'clock A. M., before the Honorable District Court of Motley County, at the Court House in the city of Matador, Texas.

Said plaintiff's First Amended Original petition was filed on the 7th day of July, 1942. The file number of said suit being No. 1118. The names of the parties in said suit are: Fred Rogers, as Plaintiff, and Novy Cochran, C. J. Cochran, and L. L. Lynn, and wife, Mrs. L. L. Lynn, as Defendants.

The nature of said suit being substantially as follows, to wit: A suit for a balance of \$1090.85, including principal, interest and attorney's fees alleged to be due on two promissory vendor's lien notes executed by C. J. Cochran and Novy Cochran, payable to the order of M. E. Rogers, for the sum of \$722.75 each, due respectively on the 1st day of December, 1934 and 1936, bearing interest after date at the rate of 8% per annum, and providing for 10% attorney's fees on the amount due if placed in the hands of an attorney for collection, or if suit be brought on same, transferred and delivered by M. E. Rogers to plaintiff, Fred Rogers, together with costs of suit, and for foreclosure of the vendor's lien against all of the S. E. 1/4 of Survey No. 14, Block T, Cert. No. 1138, B. S. & F., Original Grantee, containing 160 acres of land, situated in Motley County, Texas, securing the payment of said notes, and alleging that defendants, L. L. Lynn and Mrs. L. L. Lynn are claiming some interest in and to said lands by reason of being in possession thereof.

Issued this the 7th day of July, 1942. Given under my hand and seal of said Court, at office in Matador, Texas, this the 7th day of July, A. D., 1942. R. A. Seay, Clerk District Court, Motley County, Texas. (to publish July 9, 16, 23, 30.)

HOSPITAL NEWS Eddie Jean Mize, daughter of Mr. and Mrs. C. E. Mize, is a patient in Traweck Hospital, where she underwent an appendectomy Friday. Wanda McMahan, young daughter of Mr. and Mrs. George McMahan, underwent a tonsilectomy the latter part of the week. Bud Perkins of Turkey is receiving treatment at the hospital for an injured hand.

ARE CISCO VISITORS Mr. and Mrs. E. F. Springer and daughter Sarah, Mr. and Mrs. George Springer and daughters, Barbara Ann and Gladys Marie, all of Matador, and Mr. and Mrs. Witt Springer of McLean, spent the week-end holiday in Aspermont where they attended a family reunion, before continuing to Cisco for a few days fishing. They returned home Tuesday afternoon.

IN LUBBOCK HOSPITAL Mrs. Harry Campbell is a patient in the Lubbock Hospital, where she has been since Friday, receiving treatment.

Boys In The Service

A letter from Pvt. Hugh C. Gray, Plt. "W", R. D. M.C.B. San Diego, California, asserts that "Sunny California has turned out to be a fake as far as I am concerned... we see the sun about four hours a day," but he adds that it's a break for the Marines, because they work in the shade(?) He also advises that together with Burrell Tipton, he spent the day recently with the Clay Gilberts (former Matador residents), who live near San Diego. "Got the good old Tribune and was it welcomed! Thanks a million. The home town paper is always the best." were his closing remarks.

From Camp Davis, North Carolina, comes a letter from Allen Bryan, who is in Officers Candidate School there. His address, resembling a serial number, is AAAOCS No. 23; Btry C, and he says, "You have no idea how much the paper means to a fellow in the service. That is about the best way you can hear from everyone; and it is greatly appreciated."

Cpl. Lindell Cooper of Ft. Devens, Mass., visited here last week on furlough, with his uncle and aunt, Mr. and Mrs. J. A. Cooper and other relatives.

Fred C. Bourland Jr. of Chanute, Ill., visited here on furlough last week with his parents, Mr. and Mrs. F. C. Bourland Sr.

Furman Vinson and Buck Scott were among the Motley boys recently stationed at Camp Rucker, Alabama.

Pvt. Garlin Murphy of Sheppard Field, Wichita Falls spent Sunday in Roaring Springs visiting home folks.

Mr. and Mrs. E. D. Smith of Roaring Springs received word from their son, Sgt. Clyde E. Smith, Sunday stating that he was leaving Camp Polk, La. for a camp in North Carolina.

Mrs. J. M. Duren of Roaring Springs has been informed by her son, Apprentice Seaman Harold Gunter that he is now stationed in Boulder, Colorado where he will remain in a Radio instruction school for some time.

(Delayed) Pvt. Clyde Clifton of Camp Barkeley, Abilene spent the week-end in Roaring Springs visiting his parents, Mr. and Mrs. Lewis Clifton.

Pvt. Vance Gilbreath of the 8th Ordnance Service Company, Fort Sill, Oklahoma, spent the week-end at his ranch home east of Matador. Mrs. Gilbreath and her mother, Mrs. A. W. Ford, drove to Vernon Thursday, to meet and accompany him home, and drove with him Monday on his return to Fort Sill.

Co. F. 5th Q.M.T.R. Ft. F. E. Warren, Wyo. June 27, 1942 Mr. Douglas Meador Matador, Texas Dear Ben:

I received the Matador Tribunes today and I want to thank you and tell you I certainly appreciate your kindness in sending them. I am in the Quartermaster shoe school and enjoying my work. My best wishes to you and those who make it possible for the boys in service to receive the paper. Your truly, Pvt. Dood L. Damron.

Friends of Harold Jones of Roaring Springs have been advised

Local Scout Troop Wins At Spur Meet

In The Interest Of VICTORY MOTLEY COUNTY CANDIDATES SUSPEND POLITICAL CAMPAIGNS AND RALLIES

IN compliance with a request by Mark McKee, State director of the Office of Price Administration, that candidates for public office refrain from holding political rallies this summer, as a rubber conservation measure, the candidates whose names appear under this article have agreed among themselves that they will not participate in any such political rally, or in the customary house-to-house campaign this year.

This action is taken not because of any personal benefits that might accrue to the various candidates, nor because we fail to appreciate the fact that none of us (except those seeking the office of County Treasurer) are encumbered by opposing candidates, nor because we have ceased to recognize our obligations and responsibilities, as your public servants; but because we desire to cooperate in every movement that seems to be for the best interest of our National welfare during the strenuous crisis through which we are now passing.

We wish to express our sincere gratitude to the citizens and voters of Motley county for the honor and confidence extended to us in previous elections, and we shall endeavor to prove ourselves worthy of your trust, in every instance, while we are permitted to serve in our respective offices. However, we fully realize that we are all subject to mistakes, and we solicit suggestions from any citizen, at any time, that might enable us to better promote the general welfare of Motley County, and our Nation at large.

Hoping that you will realize that the purpose of this procedure is a matter of economy, that you will concur in our action, and that it might tend, in a small way, to bring peace to our beloved land in the very near future.

- Respectfully submitted H. H. Courtney Lois (Cook) Garnett J. M. Jameson A. B. Simpson H. L. Smith H. F. Pipkin W. R. Cammack R. A. Seay J. S. Lambert Lula Carpenter Our Job Is to Save Dollars Buy War Bonds Every Pay Day
