## Matadors Avenge '40 Score With Dragons

### Locals Whip Fire Out Of Neighbors With 33-0 Score

Honor has been avenged. Matador's 1941 aggressive football team has restored "face" lost on Thanksgiving day, 1940, when the Paducah Dragons ran away with a 25-6 score and the district championship.

This picture was reversed here last Thursday afternoon when the Matadors extinguished the Dragons and sent them home to live with a 33-0 defeat. A year-old tension in Matador was destroyed and the traditional optimism restored as the Matadors ended their season in glory and unquestionable right for runner-up district honors.

Ed Fyke, sports reporter for the Paducah Post, who had visions of the Dragons defeating the Matadors by two touchdowns before the game, sent out the following report to his newspapers: **Durbin Sets First Score**

"Overpowering crippled Paducah 33-0, the Matadors copped number two slot, leaving the Dragons third in the second place playoff for District 4-A Thursday afternoon.

### First Married Man In County Called For Army Training

Motley county will send its first married man to military training in the 31st call on December 8th, Roy Clifford Sewell of Northfield, Talmer Buford Osborn and Judson Doyle Mitchell of Roaring Springs are scheduled to leave on that date for a year's training at Ft. Bliss, it was announced yesterday by Frank Pohl, clerk for the local draft board.

The board refused to recognize the claim of Talmer Buford Osborn, a newly-married registrant for deferment because of the recent date of his marriage. Mr. Pohl said.

Every man between the ages of 21 and 28 is obliged to serve his country and "11th hour" bridegrooms are not automatically excused from military service.

Local board scrutinize hasty marriages of its registrants and especially those registrants who married after receiving notice to appear for physical examination prior to induction.

**County Fills 29th Call**  
David Leonard Campbell of Roaring Springs will leave Matador Monday for Fort Sill, Oklahoma, to answer his country's preparedness call. He will fill the one man quota for the county's 29th call.

Mr. Campbell is the first from this county to be called under the Army's new modified induction plan by which the Army examines its men some 30 to 40 days before induction.

### Zone Chairman To Attend Lions Meet

C. E. Edgar of Turkey, Zone chairman for Lions District 27 will address the regular luncheon meeting of the Matador Lions Club to be held in the Methodist church basement on Tuesday December 2, it was announced by officials yesterday. Lion Edgar is an interesting speaker and all members of the local club are urged to attend.

The regular meeting of the Lions directors will be held at the Magnolia Cafe at 6:30 Monday morning.

### FUNERAL SERVICES ARE HELD SUNDAY FOR A. A. GROVES

Funeral services were held Sunday afternoon at 3:00 o'clock at the Baptist Church, for A. A. Groves, who passed away Saturday morning following a prolonged illness. Rev. Jess Terry, pastor of the Baptist Church at Whiteflat, conducted the service, and interment was made in East Mound Cemetery.

Pall-bearers were: A. D. Beauchamp, John C. Russell, Elmer Thompson, Warren Clements, Jim Dewbre and L. A. Nelson.

Flower girls were: Bernice Ruth Patton, Wanda Nelson, Glenda Nelson, Alla Mae Fuller, Elwanda Martin, Margie Marshall, Janelle Jackson, Dorothy Wason, Juanita Cartwright and Ruby Burton.

**Born In Arkansas**  
Algie A. Groves was born March 3, 1878, at Hope Arkansas, and died November 22, 1941, at the age of 63 years, 8 months and 19 days. In November, 1878, his parents moved to Texas, settling in Madison County, later moving to Limestone county. He was married at Mexia, Texas, to Miss Lemma Odom, and to this union were born six children, five girls and one son.

In December, 1917, Mr. and Mrs. Groves with their family, moved to Matador and had made this their home since.

Mr. Groves, although living a quiet, unassuming life, was a good neighbor and useful citizen, and leaves a host of friends who join the bereaved family in mourning his passing.

**Family Survives**  
In addition to his wife, he is survived by his children, Bill Groves of Magnolia, Arkansas; Mrs. J. L. White, Seminole, Texas; (See A. A. GROVES Page 6)

### Payment Held Up On Lighted Field Fund Certificates

Investors in the Matador Lions Club Lighted Field Certificates, issued in October, 1940, to finance the splendid lighted field equipment for the Matador Arena football grid, will not receive a "dividend" on their "stock" December 1, as promised in the certificate.

Reason for the waived dividend is simple. The dividend fund is not large enough to divide this year. A total of \$102.16 is all the fund has accumulated from the three night games held here this season. After last year's "dividend" of approximately 30% was declared, the treasury was left with \$30.10, which makes a total of \$132.26 now available.

A meeting of the Lighted Field Committee held Monday evening decided that since many "stock holders" have \$5.00 certificates and many checks would be but for 35c, that the payment will be skipped and the fund held intact until next year.

Failure of profit from night football games has been general over this area during the current season because of the excessive rainfall. Almost without exception the games have been held in rain or on muddy fields. Three games, Crowell, Spur and Quitaque were played here and little profit derived from any but the Spur game.

The lighted Field Fund which was lent - without interest, receives 25% of the gross receipts of all night games held here.

### PATROL CHANGES DATE

State Highway patrolman who has visited Matador on Mondays in the past for the purpose of giving driving tests and issuing driving licenses, will be here on Thursdays in the future. He will be here from 1:30 to 4:30 on Thursday afternoons.

Mr. and Mrs. Elmer Stearns visited in Lubbock Thursday.

### Brazen Thieves Take Car Wheels

Thieves made a brazen raid on Matador automobile car owners Monday night, jacking up the rear end of parked vehicles and removing rear wheels and tires.

At least five mounted wheels have been reported stolen in most instances while the vehicles were parked in front of residences. Those reporting losses included Bennie Cox, Hazel Dirickson (2 wheels) and Don Martin. In one or more instances cars were left suspended on rocks taken from the construction work being done on the Baptist church. No arrests have been reported.

### Three City Gins Total 3,756 Bales

At six o'clock Matador's three cotton gins had ginned a total of 3,756 bales from the 1941 crop. All three plants, operating day and night had enough cotton on their yards to keep them busy for another day, in addition to filled cotton storage houses.

Despite the cold weather which threatened over the week end, harvesting of the cotton crop was slowly but slightly extending the three continuous weeks of ideal weather.

Local business firms are continuing to enjoy good business with "boom days" rush on Saturdays.

## Compress Is Started At Roaring Springs

Material is being moved to a site in Roaring Springs for the erection of a cotton compress to serve Motley county. The compress which is being moved from Stamford, is to be operated by the Producers Warehouse Company and will accommodate a minimum of 50 bales daily, according to information received by the Tribune yesterday.

### Students Are Home For Thanksgiving

College students who spent the past week end at their homes here in observance of Thanksgiving, were: Misses Lela and Frances Carpenter, Truett Rattan and Johnnie Allsup, all of Hardin-Simmons University, Abilene; Byron Knight and Fred G. Simpson, of West Texas State College, Canyon; and Miss Alla Mae Fuller, who is attending Wayland College at Plainview.

Since Texas Technological College, Lubbock, T. C. U., Ft. Worth and other colleges are observing Thanksgiving this week, a number of students attending those schools, will spend this week end at home here.

Texas Tech students who arrived home Wednesday evening were Misses Kara and Marie Hunsucker, with two guests, Misses Gladys and Faith McNamara; Miss Jewel McCoy, Miss Myrnaevae Barkley, Lowell Barkley Jr., and Keith Patton.

Houston Schweitzer, Elmer Gene Jameson and Norman Harp are expected home today.

Miss Frances Stearns arrived home Wednesday night from Fort Worth, where she is attending T. C. U.

### THANKSGIVING VISITORS

Visitors in the home of Mr. and Mrs. Pat Sheridan for Thanksgiving, (November 20) were Mr. Sheridan's mother, Mrs. J. H. Sheridan and two sisters, Miss Beulah Sheridan and Mrs. Ernest Gaines, accompanied by Mr. Gaines. All were from Amarillo.

Mr. and Mrs. L. R. Bishop visited in Plainview Sunday as guests of Mr. and Mrs. C. P. Seipp.

## Red Cross Drive Near Completion

Saturday is the last day scheduled in the annual American Red Cross membership drive, but Roll Call Chairman Marvin S. Patton believes the goal of 900 county members may be in sight.

Mr. Patton said yesterday afternoon that \$492.25 had been deposited during the drive. However only partial returns have been made. Reports are still to be received from a part of Matador, part of Roaring Springs, part of Whiteflat. No reports have been made from Flomot, Northfield, Union Corner, White Star, Fairview and Folly. \$296.25 has been collected from Matador.

**Matador Largest Donors**  
Matador Land and Cattle Company paid \$50 into the fund, the largest received in the county. Other large contributors included R. A. Seay \$10; West Texas Gin \$5; D. I. W. Birnie \$5; W. M. Graham \$5 and City of Matador \$5.

Mr. Patton has started plans for a concentrated drive during the three remaining days of the drive and believes that Saturday will witness the completion of the largest Red Cross drive ever attempted in Motley County.

### COTTON GINNING REPORT

Census report shows that 4,146 bales of cotton were ginned in Motley County Texas from the crop of 1941 prior to Nov. 14 as compared with 8,290 bales for the crop of 1940.

H. J. Marler, Special Agent.

## Road Bonds Pass by Small Margin

**COWBOY BOOTS ARE LATEST STYLE FOR GUNNERS IN RAF**  
LONDON. — Cowpuncher high heel boots are the latest style note for RAF gunners. They were introduced by Sgt. W. S. Tyler of Corpus Christi, Texas, former Texas A. & M. student, who says they are the most comfortable footwear he has ever found. He wears them in the tall gunner's turrent of a giant Halifax bomber. Sgt. H. Riverdale of Mason City, Iowa, is a member of the same squadron.

With only 423 votes cast in the entire county, property owners went to the polls Saturday and voted for the third time on the proposed \$70,000 county road bond issue, for the purpose of repairing and replacing roads damaged by heavy rains.

Unofficial count indicates that the "third time is the charm" and that the issue has passed the required two-thirds majority. While no votes were cast in the Folly box, 283 voters favored the issuance of bonds and 140 registered their protest.

Official canvass of the boxes will be made by the Commissioners Court at 10 a.m. Friday. Matador only cast 109 votes with 39 for and 70 against. Observers here believed the small vote was caused by the extreme busy season for those engaged in various enterprises which made it impossible, in some instances for them to find time to go to the polls.

**Flomot Votes Solid**  
Flomot polled 124 votes, all favoring the bonds. Whiteflat voted 39 for and 17 against. Fairview 5 for and 7 against. Darden Canyon voted 8 for and 4 against. Roaring Springs registered 54 for and 33 against. Union Corner polled 9 votes, all favoring the bonds. Northfield voted 5 for and 9 against.

Judge W. R. Cammack said yesterday that according to the law governing the election, it is required "that two-thirds of the votes cast must be in favor of the bonds for the issue to pass." Two-thirds of 423 is 282 and 283 votes (unofficial count) were polled favoring the bonds!

**Two Lamb County Hunters Pay**  
Two Amherst residents have tried hunting quail out of season in the Matador pasture near Russellville. Deputy Game Warden Gus Bird proved their nemesis. Green Carpenter and O. H. Herring both of Lamb county paid justice court fines. Carpenter paid \$41.00 for killing quail out of season and Green paid \$21.00 for hunting quail out of season. State Game Warden H. G. (Pat) Murphy of Spur took the quail killed as evidence.

**Meeting Held Last Night**  
A group of deputy game wardens, land owners and sportsmen met in the county agent's office and heard Game Warden Murphy explain the vast amount of protection the unusual quail crop will have this season. "The sincere sportsman is equally protected," Mr. Murphy declared, "since the law was designed to protect the quail and ducks for his benefit. We will not molest the honest sportsman who obeys the law but we are going to make war on the 'meat grabber' type. The game officer has the support of the land-owner and the law."

**Ranch Hand Charged With Cattle Rustling**  
King county's sheriff, George Humphreys, and two Lubbock district rangers jumped a corral fence and almost into the lap of a man who since has been charged with cattle theft, officials said Saturday.

Tom Cade, a hired hand on the S. B. Burnett estate of the 6666 ranch, posted bail of \$1,500 set in the court of R. K. Widman at Guthrie, after he had waived examining trial and will go before a King county grand jury March 23, it was announced.

Accompanied by Levi Duncan and Norvell Redwine, rangers of Lubbock, the sheriff Nov. 20 stopped a truck of four calves that allegedly had been stolen. A check for \$160 made out to "Riley Smith" was seized.

The episode happened at the north camp of the Big Pen ranch layout, part of the 6666, officials said.

Sheriff Humphreys, ironically enough, is foreman of the 6666. He had invited the rangers to go there and assist him in investigation of cattle theft, officials said.

## "America Has Been Blessed" Rev. Swanner Declares In Address Here

### Union Service Is Attended By Many Wednesday Evening

"God has truly blessed America," declared Rev. F. E. Swanner, pastor of the First Baptist Church of Paducah in a stirring address when he spoke in union Thanksgiving services at the Methodist church here Wednesday evening.

Using as his theme, "God Bless America," Rev. Swanner reversed the motto, stressing the need of America to Bless God. "Although this nation was founded on Christian principals, for freedom of religious worship, less than 50% of the population of the United States today profess to any church affiliation," Rev. Swanner pointed out. "The blessings of God have been on the American people in permitting them to retain the privilege of religious freedom... we must carry on the principals laid down by the Pilgrim fathers, and defend the stars and stripes, whatever the cost."

### Vernon Doss Speaks

Rev. Swanner's address followed a dynamic talk by Vernon Doss, principal of Matador Grade School in which he gave a brief outline of the history and observance of Thanksgiving.

The service was opened by the Matador Choral Club, singing "Take Time to be Holy", off-stage. Other hymns were sung by the club throughout the opening devotional service which included reading of scriptures from the 92 and 101 Psalms by W. F. Jacobs.

Matador Boy Scout troop 60 were ushers, and joined by the audience in repeating the Pledge of Allegiance to the Flag.

A large crowd attended the impressive services.

### College Students Are Given Party

Miss Ida Belle Armstrong of Whiteflat entertained at her home Friday night with an informal party honoring Misses Eugenia Tilson, Dorothy Acker, and Alla Mae Fulfer, and Holeman Knoy, College students who were spending the holidays with their parents.

Following an evening of games, refreshments were served to C. D. Garrison, Grace Laverne Tilson, Evelyn Quattliebbaum, Sonny Russell, Marshall, Mildred, Paul, and Frank Vinson, Aurene and Melba Jameson, Peggy Jean Spray Dorothy Jean Casey, Bettie Sue Knoy, Furman Vinson, Norris Fulfer, Lohrke Armstrong, Rev. and Mrs. W. J. Knoy, Mr. and Mrs. Harry Armstrong, the guests of honor and the hostess.

### Baptist Women Pack Orphans Home Box

A box of clothing and cookies, valued at \$76.00 was packed for Buckner's Orphan Home, Dallas, Monday afternoon, by ladies of the Baptist W. M. U. which met at the church for general meeting and Royal Service program.

Mrs. Earl Laughlin led in a devotional, which included songs and prayers. This was followed by a "Prologue" with Mrs. Elbert Reeves as "Light of the World," Mrs. W. F. McCaghren as "Peace," Mrs. B. H. Hobbs, "Joy," Mrs. Elbert Seigler, "Salvation," and Mrs. Vernon Chambliss, "Happiness." Mrs. Laughlin sang the hymn, "Light of the World."

The program theme was "Mission Work in Nigeria," and the following parts were given: "Darkness in Africa," Mrs. Cecil Shelton; "Schools in Africa," Mrs. Elbert Seigler; "Diseases of Africa," Mrs. Vernon Doss; "Christianity in Africa," Mrs. Fred Clowers; "Missionaries in Africa," Mrs. Vernon Chambliss; "Henrietta Shuck Circle was in charge of the program."

Mrs. Clarence Kifer, general chairman, conducted a business session in which it was agreed that the W. M. S. would assist the Sunshine Circle in serving the Lions Zone meeting on the 9th of December.

Other ladies present were: Mesdames W. W. Carpenter, Joe Campbell, R. E. Campbell, T. E. Cammack, L. Rattan, W. M. Joslin and H. S. Watson.

### Book Review Is Enjoyed By Group

The review of A. J. Cronin's "The Keys of the Kingdom", which was given by Mrs. Bob Holland of Childress, Wednesday afternoon at the high school was greatly enjoyed by a group of approximately thirty-five patrons.

The presentation was sponsored by Sorosis Study Club, and was in lieu of a regular program. Proceeds will go to the Matador public library fund. Mrs. Holland, who was introduced by Miss Zona Beth Faulkner, Sorosis club member and Home Economics teacher in the high school, gave a vivid narration of the latest work by Cronin, which is fast becoming a best seller.

Following the book review, Mrs. Freeman Thacker, president of Sorosis Club, presided in a closing session.

Rev. and Mrs. W. B. Vaughn are visiting in Dallas this week with their son and his family.

### Standefor-Anderson Wedding Announced

Miss Ruth Irene Standefor, daughter of Mr. and Mrs. Lem Standefor of Flomot and Denver Anderson, son of Mr. and Mrs. R. L. Anderson, also of Flomot, were united in marriage here at the home of the groom's sister and husband, Mr. and Mrs. Emmett Jinkins, Wednesday night, November 19, at 8 p. m. Justice of the Peace Henry F. Pipkin performed the ceremony.

The bride wore a black dress with matching accessories. Following the ceremony, the couple made a short honeymoon trip to Wichita Falls, returning to Flomot.

Tentative plans are being considered in which they will go to Venice, California, where Mr. Anderson recently had employment with the Douglas Aircraft Corp.

### Mothers Club Sews Red Cross Garments

Members of the Mothers' Club completed eleven shirts for the Red Cross, at its meeting Wednesday afternoon of last week in the home of Mrs. L. R. Bishop, with Mrs. Frank Hallford as hostess.

A covered-dish luncheon was served at noon to the following ladies: Mesdames John Russell, D. P. Keith, H. H. Schweitzer, W. D. Herring, T. J. Daffern, E. E. Jameson, Bishop, Miss Mary Kiehl and the hostess.

### John Hamiltons Are Club Hosts Tuesday

Mr. and Mrs. John Hamilton were hosts to the Rabbit's Foot couple club, Tuesday evening with dinner which featured six varieties of wild meat including bear, antelope, duck, elk, deer and beef steak.

A thanksgiving motif was carried out in refreshments, tallies, and other appointments.

Following several progressions of bridge, Mrs. Melvin Meason and Harold Jones were declared high score winners, with Mrs. Tom Newman and Robert Collier receiving rabbits feet for low scores.

Present were: Mr. and Mrs. Collier, Mr. and Mrs. Meason, Mr. and Mrs. Jones, Mr. and Mrs. Newman, Mr. and Mrs. W. N. Pipkin and the host and hostess.

J. D. Gaines arrived here Sunday night from Chanute Field, Illinois, for a ten-day furlough visit with his father, Joe Gaines. He will probably be transferred to Alabama on leaving here.

### Pied 'Pinions' BY MR. S. M.

To one who makes a speciality of mistakes, it is indeed impressive to read of a person who can turn in a perfect record of ten years service without a single error.

Lynn Landrum of the Dallas News brings to light this perfect specimen. She is an employee of the Federal Reserve Bank of Dallas, who has been handling government securities in the bond department for twenty years. In the course of the last ten years, Mr. Landrum says, she has been responsible for the disposal of 2,102,000 coupons clipped from government bonds and turned in for payment. And for all that time and for all those coupons her record is perfect, and further, she has never paid a coupon before it was due.

Also in the employ of the same institution is a lady who has been counting and sorting currency for twenty-three years and has the record of never having permitted a counterfeit bill to get by her without detection.

One of the biggest thrills I ever experienced was the time I found a silver dollar in my path. Almost as exciting is running across forgotten change in your other purse, or in pockets where it was left the last time you had on that particular garment.

The colored folks who rode the busses with me last spring were much better dressed the farther east we went, than those of this vicinity. Most of the men were dapper in appearance, while the women wore dresses that fit them, in fat denial that they were cast-offs of a more fortunate race, and their accessories "matched", just as yours and mine. One proud mama was accompanied by a small daughter attired in a snowy starched pique coat and looking like a chocolate éclair with the filling on the outside.

I suppose my Arkansas-birth and misguided sense of humor are responsible for the chuckles I get out of the joke about the foreigner, who, after hearing much about the glories of Texas, asked in all innocence which was the larger, Texas or the United States. At least my quoting of it meets only with dark silence in certain quarters.

Everyone is familiar no doubt with the old sayings about Texas having more cows and less milk, more rivers and less water, etc., than any other state, and now it develops that in this great country we also live longer. This state claims the largest number of persons, more than 153,000, drawing old-age assistance.

Yes, sir, it's the land of oppor-

### Tuesday Club Meets With Mrs. Clements

Mrs. W. W. Clements was hostess Tuesday afternoon to the Four O'Clock Club which was attended by two tables of guests and members.

High score was held by Mrs. Annie Tudor, for the club members, and by Mrs. Alvin Stearns for guests.

Others present were: Mesdames T. J. Daffern, L. R. Bishop, L. J. Barkley, U. L. Willie, and Earl Laughlin, and Mrs. W. P. Cooper of Roaring Springs.

Lovely salad plate refreshments were served at the conclusion of the games.

Mr. and Mrs. L. J. Barkley, accompanied by her sister, Miss Rachel Patton, made a business trip to Dallas and Itasca, over the week end.

Incidentally, if you live long enough and have the necessary stamina to stand it.

In keeping with the custom of re-hashing a story to suit their fancy, I wonder that Hollywood directors stick to the original Jekell-Hyde idea of making the transformation of the doctor a hideous one, instead of disguising evil in a handsome form and making it attractive. More true to life, so to speak.

Incidentally, the Rogue Theatre management is to be commended on being able to bring to such a small town as ours, so many currently popular pictures. "Honky-Tonk" for instance, was shown here the same week it was advertised for first runs in Fort Worth and Wichita Falls.

"Blossoms In The Dust" was a splendid picture and a touching one, judging from the sniffling sounds heard in various corners of the building. We vote it the most beautiful picture filmed in technical.

### More Aid Sought In Red Cross Sewing

Response to the appeal made in last week's issue of the Tribune for volunteers to aid the local Red Cross sewing room, was gratifying, but more assistance is needed in order to complete this country's quota, according to Mrs. D. P. Keith, in charge of sewing.

About fifty garments still remain to be completed, these being infant shirts, and as soon as these are finished, the layetts to which they belong, can be packed. Eighty layetts were included in the shipment allotted to this county.

Also those who have taken garments to complete are reminded of the necessity of handing in the work at least within the next two weeks, in order that all garments might be packed and ready to ship by the time set, which will be the last week in December.

### Friday Club Is Entertained Here

Members of the Friday Club and several guests were entertained in the home of Mrs. H. H. Campbell, last week, with three tables of bridge in progress.

Mrs. T. J. Daffern was winner of high score, and Mrs. D. I. W. Birnie won 2nd high, with Mrs. U. L. Willie receiving high for the guests.

Delicious salad plate refreshments were served these and the following ladies: Mesdames Alvin Stearns, L. J. Barkley, W. W. Clements, Charlotte Hunsucker, D. E. Pitts, B. F. Tunnell, Leonora Luckett, A. C. Traweck, Sr., and Mrs. Rowe Sams of Waco.

Mr. and Mrs. Roy Maxwell and son Kern of Lyons, Kansas are visiting here with Mrs. Maxwell's parents, Mr. and Mrs. Lem C. Jameson.

Johnnie June Mitchell is visiting her relatives in Pampa this week.

Mr. and Mrs. Jim W. California are visiting in the home of Mr. and Mrs. Ed Smith this week.

Miss Ona Harris of South is visiting Mr. and Mrs. Allen this week.

### GROCERY MOVED

The Claudis Nichols Grocery has moved to the building formerly occupied by C. L. grocery, from the building Swim's Station. In his new location, Mr. Nichols has a very attractive display of groceries.

Mr. and Mrs. Elbert B. had as their guests Sunday father, Will Castleberry of view and three brothers with families, being Mr. and Herbert Castleberry and daughter Evelyn, Mr. and Mrs. C. Castleberry and son Bobby, all of Plainview and Mr. and Archie Castleberry and daughter Jan and Kay, of Amarillo.

### Waco Methodist Home To Dedicate Five New Buildings

BRIDWELL HOME  
given by  
Mr. and Mrs. J. S. Bridwell  
Wichita Falls

WACO, Texas—Culminating the  
most outstanding year of more  
than half a century and bench-  
marking the drive for funds to finance  
next year's \$125,000 budget, the  
Methodist Home here will dedi-  
cate five new buildings on its  
campus Friday, November 28.  
Bishops A. Frank Smith of Hous-  
ton and Ivan Lee Holt of Dallas  
will take leading parts in the  
program, and more than 2000 out-  
of-town visitors are expected  
from the six conferences of Texas  
and New Mexico which support  
the home.

The affair begins with a barbe-  
cue on the Home campus at noon,  
the dedicatory service following  
at 1:30 p. m. Each new building  
will then be opened, its donors  
and the boys and girls who are  
to live in it serving as welcoming  
committees and guides. Four of

the new structures are residences,  
furthering Superintendent Hubert  
Johnson's long time dream of do-  
ing away with dormitories and  
transforming the orphanage into  
a group of homes, each with its  
own house mother, its own dining  
room, kitchen and bedrooms, so  
that children may be brought up  
in an atmosphere as near like  
actual home life as possible. Half  
the Home's 400 children are now  
living in cottages. The fifth build-  
ing is an infirmary.

Donors are Mr. and Mrs. J. J.  
Perkins of Wichita Falls, who are  
giving a second cottage for girls  
after two years ago giving a home  
for senior girls; Mr. and Mrs. J.  
S. Bridwell of Wichita Falls, a  
boys' home; Mr. and Mrs. T. C.  
Stitchell of Marfa, a girls' home;  
the late Mr. and Mrs. H. A. Wil-  
liams of Ft Worth, who will be

represented by relatives, a boys'  
home; R. P. Willis Sr., of Atlanta  
and the late Mrs. Willie Willis,  
who gave the infirmary. This  
building has been furnished by W.  
T. Penn of Wichita Falls and the  
late Mrs. Penn.

After the dedication, there will  
be an evening session of the 48  
district superintendents of the  
Texas and New Mexico confer-  
ences. They will discuss the bud-  
get campaign, due to be held in  
all Methodist churches during the  
month of December. The Home,  
existing for more than half a cen-  
tury without endowment, has re-  
lied on free will offerings for  
support during its entire history.  
Because of the limited budget all  
buildings have been donated by  
private individuals, 1941 marking  
an all time high in gifts of this  
nature to the Home.

### Farmers Scheduled To Vote On Quota Referendum Dec. 13

Cotton acreage allotments,  
strengthened by marketing quotas  
which made 85 per cent of parity  
loans possible, is the triple reason  
for increase in the price of cot-  
ton this year, according to F. C.  
Bourland, Vice-chairman of the  
Motley county AAA committee.

Collapse of foreign markets, a  
drastic drop of from 6.2 million  
bales to 1.1 million bales in ex-  
ports, and enough cotton on hand

JEFF WILLIAMS

### "The Sometimes United States" His Subject

Jeff Williams, the Oklahoma  
patriot, humorist and philosopher,  
who has traveled more than a  
hundred thousand miles by plane  
in the past two years to make  
speeches in all parts of the United  
States to all kinds of crowds, will  
have as his subject, "The Some-  
times United States" when he  
visits Floydada on Tuesday, De-  
cember 2.

Williams, a Chickasha lawyer,  
will make his address there at the  
High school auditorium, sponsored  
by the Floydada Rotary club, and  
the proceeds will be used to  
further a boys and girls park pro-  
ject which the club has under  
way. Richard F. Stovall, presi-  
dent of the Rotary club, said that  
Judge Alton B. Chapman will  
head a list of local notables who  
will entertain the distinguished  
guest while he is in this section of  
Texas.

The club phlegned Williams  
into coming here by promising  
that he should have a good quail  
hunt while here. Accordingly, the  
quail hunt is the first thing on Mr.  
Williams' agenda when he gets to  
Texas.

Blocks of tickets are being of-  
fered to residents of neighboring  
cities and towns in the south  
plains area, who will be assured  
of seats to hear Will Rogers' suc-  
cessor, R. E. Fry has charge of ad-  
vance ticket sales.

year's need, highlight the cotton  
situation, he said.

The loss of foreign markets is  
partially offset by the fact that  
the domestic consumption of cot-  
ton for the 1940-41 season is the  
highest on record. Consumption  
was approximately 9.6 million  
bales, or about 2 million bales  
above the preceding year, the  
AAA official said.

Since the export slump is due  
primarily to naval and war block-  
ades, there is little reason to be-  
lieve that the export market will  
increase to any great extent, he  
declared.

For the fifth consecutive year,  
cotton farmer of Motley county  
will vote in a national cotton  
marketing quota referendum  
Saturday, December 13. Voting  
places, located at strategic places  
in the county, and names of refer-  
endum officials will be announced  
in a short time, he said.

Last year, Motley county cotton  
growers voted 94 per cent favor-  
ably on quotas. Texas farmers  
approved quotas by 88 per cent.

### Molley Cattle Are Dipped For Lice

Approximately 1200 head of  
cattle were dipped for lice on H.  
H. Campbell and Curtis Martin  
ranches Wednesday and Thurs-  
day, November 19 and 20.

Cube and sulphur was used  
which has proven to be the best  
successful material in eradicating  
lice. A. L. Smith and J. A. Sco-  
field, A. & M. College supervised  
the dipping.

A second dipping will be De-  
cember 6 which is necessary to  
control lice. Cube and sulphur was  
furnished free by the Texas Gulf  
and Sulphur Company of Hous-  
ton for this demonstration. Cube  
and sulphur will control blue and  
red lice by two dippings while  
with arsenic dip it will take three  
dippings. The short nosed ox louse  
which is most prevalent in New  
Mexico and the Texas Panhandle  
can be controlled by use of these  
materials, but will not be con-  
trolled by the use of arsenic dip.

The main features of sulphur  
cube dip are the facts that it is  
cheap, cube costing \$3.50 per 100  
pounds, and sulphur costing \$5.00  
per 100 pounds, effective on all  
species of lice, non-poisonous and  
will not burn animals. It has no  
apparent harmful effects to cattle  
with fresh wounds or brands, but  
seemingly, has some beneficial ef-  
fects in drying up these wounds.  
It does not have any harmful ef-  
fects on cattle when they are  
dipped in cold or rainy weather  
according to authorities. If ox  
warbles are present in back of  
cows it will kill 50-70% of them.

The proportion of the materials  
in mixing is one pound cube to  
10 pounds of sulphur to 100 gal-  
lons of water.

J. E. Woolbright of Austin is  
visiting in the home of Mrs. Enda  
Patton and daughter Marguerite  
this week.

### CARD OF THANKS

We wish to express our most  
sincere thanks to our friends and  
neighbors for the many acts of  
kindness, and words of consola-  
tion, extended during the illness  
and death of our beloved hus-  
band and father, and for the  
lovely floral offerings which were  
tendered.

May God's richest blessings rest

### IN APPRECIATION

We wish to express our sincere  
gratitude to everyone who con-  
tributed in any manner to the  
fund subscribed for us after the  
fire which destroyed our posses-  
sions. We are confident the most  
generous people in the world re-

### Loosens Up Thick, Choking Phlegm of BRONCHIAL ASTHMA

Spend 45c today at City Ddrug  
store or any drug store for a  
bottle of Buckley's CANADOIL  
Mixture (triple acting). Pour  
yourself a teaspoonful, let it lie  
on your tongue a moment then  
swallow slowly. Feel its instant  
powerful effective action spread  
through throat, head and bron-  
chial tubes. Start at once to  
loosen thick choking phlegm  
making breathing easier.

No claim is made that Buckley's  
is a cure for Chronic Bronchitis  
or Asthma but sufferers often find  
Buckley's CANADOIL Mixture  
(the largest selling cough medi-  
cine in all Canada) starts right  
in to quiet coughing spasms and  
loosen up the choking phlegm  
which seems to clog the tubes  
and makes breathing difficult. It  
helps many to get a better night's  
rest.

# "The Dogpatch Tattler"

Vol. 1, No. 12.

Edited by students of Matador High School.

Matador, Motley County, Texas, Thursday, November 27, 1934

## INTRODUCING THE DEAR TEACHERS OF DOGPATCH

Our Dogpatch School has just opened, and I wish to introduce our new faculty. First we have Hairless Ezzell, the principal, who teaches the kids all about Sadie Hawkins' Day; second, Wildcat Whitten, who teaches the kids which mark their pa's use for a signature; third Toothless Gray, who teaches the kids what they are made of; fourth, Lonesome Polecat Martin, who teaches football mostly; fifth, Earthquake Tunnell, who teaches the kids to add and subtract; sixth, Grandma McKenzie, who teaches the kids to use one of them mechanical writing machines; and last of all we have the Beautiful Widow Faulkner, who teaches the little of girls how to ketch their man.

In all, I think we have a very suitable group of teachers this year. And by the way, them there women teachers are shore fast on foot, so watch out you pore defenseless men.

—M. H. S.—

## Disappointments Are Many Among Dogpatch Girls

Many of the boys "got away," and many of the girls were disappointed. Algie was one of the more fortunate boys who escaped, much to the disgust of the four girls who were pursuing him. June says she intended to chase Norman all day, but Coach has his doubts. Fausteena had a long, hard chase for L. M., but wasn't disappointed.

It's too bad that James Russell wasn't here to go with Onieta, but when we saw her with Bert, she didn't look too unhappy.

Rachel had her reasons for going to the show it seems. Wasn't that Tom Ed we saw her with?

Walter Clowers and Margie Marshall do make the cutest couple. We hope that this may develop into a romance as great as Johnnie Bell's and Phil's.

Junior and Glenda didn't do so badly either after Rachel had gone to the show.

Avis reports that since she couldn't get Sonny, she is going to join the club of lonely hearts.

J. C. had to run hard to keep from being caught. It would have been too bad if he couldn't have taken Virginia to the show.

Billy Jean has got herself the sweetest soldier-boy. It's too bad he is stationed in New Orleans, isn't it?

Bennie Wayne and Duane are of the opinion that the school should sponsor skating parties at least once a week. (Confidentially so do we!)

—M.H.S.—

## Price Rides The Rail Out Of Town

At six o'clock yesterday morning Dogpatch was fully awake. The fighting had begun and Daisy Mae was chasing Li'l Abner down Main Street when all of sudden Li'l Abner hit a stranger and knocked him down sprawling. The stranger got up raging mad because he said he was just visiting and did not like the hospitality there. Li'l Abner asked the stranger his name. He said very dignified like, "Frank Price the V."

For no reason at all the Price kid socked Li'l Abner so hard it broke his fist and laid Li'l Abner on his back. By this time everyone had stopped fighting and gathered around Li'l Abner. When they saw him on the ground, they grabbed Frank and all but killed him. When they finished with him, they pinned a sign on him which read: "IF YOU NEED SOME FLAVORING FOR YOUR LICKOR, USE THIS HERE SKONK." They sent him out on a rail and watched him 'till he was out of sight.

After the excitement was over, everybody went back to fighting, and Daisy Mae began chasing Li'l Abner again.

# WAR IS DECLARED BY SKUNK HOLLOW

## Latest Hair Styles Noticed In Dogpatch; Mens' Styles Are Showing Improvement

I wish you would look at the newest hair styles of Dogpatch. The most popular style is a part through the center and nice little plats on each side. On the end of each plat there is a ribbon, string, or even a shoe string. The other styles are a nice bunch of curls upon the top of the girl's head, or even a nice bunch of curls lying upon her shoulders.

One of the first styles that caught my eye was worn by Fausteena. I guess everyone has noticed it, but I will describe it. She has it parted rather crooked on the right side. This is pulled to the left side and is placed in a cluster of curls. In order to keep them from blowing away, she anchored them by a dozen bob pins. It is parted down the back. Each side is tied with big ribbons to match her slacks.

Another hair style that everyone thought rather attractive belonged to Lawrence Spray. As you know, he has light brown hair. He parted it in the middle, which is very unusual. It was remarked that if he had black hair he would look like a Jew.

Mary Ruth has a very unusually beautiful hair style. She gathered several locks of "blonde" hair and tied it in a pompadour style. It is parted down the middle and is platted in pigtails. She tied each pigtail with little red checkered gingham ribbons. On the pompadour was placed a great big red chiffon ribbon.

**Newest Winter Fashions**

The winter fashions of Dogpatch have slightly changed from those of last year. The girls have taken up the length of their dresses. They now scallop all of them around the bottom. Some of the girls are even wearing skirts and blouses; both which now have zippers in them.

Dogpatch has many glamorous fashions, amusing of course to some of us poor commoners. The old style high top, lace shoes are on display in show windows all over America just as they were in the nineteenth century. Everyone is simply running frantic over the dresses, yes, dresses of every description. Sadie Ruth Keith is wearing a yellow and red dress with a green belt. She wears with this five bracelets and also, earrings, several pair of beads around her neck, and several rings. She has a wrap-around head dress and completes the costume with colored socks.

**Mens' Fashions Change**

The boys fashion ideas are improving daily, they are now wearing the prints of ladies lips on their cheeks. They are now wearing knee-pants which went out of fashion about fifty years ago.

A different Winter fashion of Dogpatch came out this week when Mr. Glenn Morman Yokum came out of the Skunk Hollow Pawn shop with a pair of red flannels on. They blend with the holes in his pants which the dog of Mr. Goodwing of Paducah St. in Skunk Hollow tore when he went to ask for his daughters. His uncle of Dogpatch gave him a toboggan which has been handed down from seven generations.

Woe to all of us Dogpatchers! It looks like we're really done for this time. And it is all caused by Uncle Zeke Sheridan. He done went up and stole Earthquake Jr. Pitts' red pig that he found by the water hole down around the old mill.

And on top of all that Missus Mammy Tunnell (Dorothy Wason before she got hitched) ain't here to lead us in against Abijaah Green's followers from Skunk Holler. She's done gone down to Aunt Wanda Prices' to help patch up her old good for nuttin' husband Frank, who got run through with a pitchfork by Sozzy Marshall, better known by the tag, "Fearless" Marshall!

The whole Skunk Holler confederations are marching over here with their weapons tomorrow, and we ain't got nothing to defend ourselves with, but pitchforks, clubs and our bare knuckles. They done up and sent Li'l Buster Mize to tel us they proclaimed war on us'an and air a comin over tomorrow.

Besides all that, they got two monstrous big fellows who just moved in with their families. One ub'em's name is Hairless Joe Ezzell and duh utter un's Martin.

I done picked out de best going to laid to rest in bed don't seem like we got a chance, but us Dogpatchers does give up wit out a fight, and I suppose they about as many dead Skunk Hollers as there is us, so half so much afeared as be.

If we is wiped out by sealawags, they'll always ber us as mighty big and I don't reckon they'll ing around for scraps ag any such folks so culture is.

—M.H.S.—

Chap about to wed was To the young best man "Tell me is it keostomary For the groom to cuss the Women's faults are many Men have only two— Everything they say And everything they do.

—M.H.S.—

Mr. Ezzell—"Why were to class Mc?"

Mc—"Cause the bell fore I got here."

Li'l Abner was chosen to be guest of honor at Miss Arabella Cocklebur's school for girls, which is one of the highest honors that can be bestowed upon a citizen of Dogpatch.

No need to say that Li'l Abner, who was all dressed up in his Sunday-go-to-messin' clothes, with a big red apple in one hand, and a bunch of daises in the other hand was scared, as he walked into the Miss Arabella's reception room where twenty-three Dogpatch beauties were serving tea. One grabbed his hat, another his coat, a third took the flowers; and Miss Arabella, the apple.

Then they showed Li'l Abner through the school, and by the time he reached the cooking room where they were preserving turnips he had even lost his shyness, and he managed to "swipe" a turnip for Pappy Yokum.

On the way home that evening Li'l Abner decided that girls weren't so bad—that is if it isn't Sadie Hawkins' Day.

Yester day Frank realized at least one good use for long legs. Algie was thankful for his football training yesterday when he succeeded in eluding five or six different girls at five or six different times. They never really gave up hope, though, until it was all over and he went alone but happy to the skating party.

Mc, not traveling over 40 miles per hour, was just a step in front of Wanda when Coach Thomas, quite by accident of course, stepped in front of Mc. Well Wanda got her man and also one of the two prizes given.

Gladys broke all speed limits in her chase for Norris. She got her man, too.

June certainly proved that "where there's a will, there's a way," and she had the will to catch Norman Merle too.

## DOGPATCH ROLLS SKUNK HOLLOW 20-0 IN ANNUAL THANKSGIVING GAME

Last Sattiday afternoon the Dogpatchers and Skunk Hollerers started the big battle of the "griddle iron" season with a score of twenty to nohting in favor of the Dogpatchers.

The Dogpatchers and Skunk Hollerers had on the latest type of suits with spike shoes, steel helmets, and the very best "Blackjackets".

Early in the first half Li'l Abner Yokum, one of the football heroes of all times, ran for a touchdown over "Earthquake McGoon", large three hundred ten pounder right tackle, of Skunk Holler.

Later Sweet Patootie Jake took a pass and ran for a touchdown from the Skunk Holler's ten yard line. The game ended after one more touchdown and Li'l Abner kicked that tenor bodler they was usin' for a football, so far it couldn't be found. Too bad, it was such a good ball too.

As I was sayin', the game ended with all the Skunk Hollers layin' on the field, knocked out. The blackjacks of the Dogpatchers got in their good work.

The score was 20 to 0 and Skunk Holler went home with its nose on the ground.

## Li'l Abner Visits A Girl's School

Li'l Abner was chosen to be guest of honor at Miss Arabella Cocklebur's school for girls, which is one of the highest honors that can be bestowed upon a citizen of Dogpatch.

No need to say that Li'l Abner, who was all dressed up in his Sunday-go-to-messin' clothes, with a big red apple in one hand, and a bunch of daises in the other hand was scared, as he walked into the Miss Arabella's reception room where twenty-three Dogpatch beauties were serving tea. One grabbed his hat, another his coat, a third took the flowers; and Miss Arabella, the apple.

Then they showed Li'l Abner through the school, and by the time he reached the cooking room where they were preserving turnips he had even lost his shyness, and he managed to "swipe" a turnip for Pappy Yokum.

On the way home that evening Li'l Abner decided that girls weren't so bad—that is if it isn't Sadie Hawkins' Day.

## SKATING PARTY IS GIVEN BY DAISY MAE'S MONDAY NITE

Expert skaters and beginners collided on the floor last Monday night when the Daisy Mae's took their Li'l Abners skating. Of all the skating, they did it. It seemed that the race was still on because all the girls were going at break neck speed with the boys still in the lead. Of the many handsome "Li'l's" and "Daiseys" the ones chosen were McElton and Wanda and Dorothy and Mack. Among the runner ups were June and Norman.

Yes, kids, it was the party of the year and you shouldn't have missed it. I'm sure the Li'l Abners thank the Daisy Mae's for the swell evening.

Woe to all of us Dogpatchers! It looks like we're really done for this time. And it is all caused by Uncle Zeke Sheridan. He done went up and stole Earthquake Jr. Pitts' red pig that he found by the water hole down around the old mill.

And on top of all that Missus Mammy Tunnell (Dorothy Wason before she got hitched) ain't here to lead us in against Abijaah Green's followers from Skunk Holler. She's done gone down to Aunt Wanda Prices' to help patch up her old good for nuttin' husband Frank, who got run through with a pitchfork by Sozzy Marshall, better known by the tag, "Fearless" Marshall!

The whole Skunk Holler confederations are marching over here with their weapons tomorrow, and we ain't got nothing to defend ourselves with, but pitchforks, clubs and our bare knuckles. They done up and sent Li'l Buster Mize to tel us they proclaimed war on us'an and air a comin over tomorrow.

Besides all that, they got two monstrous big fellows who just moved in with their families. One ub'em's name is Hairless Joe Ezzell and duh utter un's Martin.

Durbin set up the first Matador touchdown by returning a punt from midfield to the Dragon 15. Campbell scored around his own left end. The kick went wild.

A few minutes later Durbin working off a double wing-back formation spun around his left end for another touchdown. Tunnell kicked the extra point.

The Matadors scored in the third period when Durbin passed 10 yards to Tunnell who raced 55 yards behind perfect interference to pay dirt. Tunnell again converted.

In the final quarter the Matadors scored twice, once on another left end run by Campbell and another by Durbin. Tunnell missed the first but converted the second extra point.

Football Sweetheart Crowned

In a short ceremony preceding the game, Miss Junella Jackson was crowned Football Sweetheart.

Members of the team and pep squad were seated in a heart formation on the field. Miss Jackson alighted from an automobile and was escorted by Captain Glenn Allen, to Phil Green, Captain, who placed a football helmet on her head. She was then presented a corsage of chrysanthemums.

During the period between halves, the Paducah band performed.

Floydada Wins District

Floydada high school Whirlwinds won the district 4-A conference honors on the Floydada grid Thanksgiving day when they competed an undefeated and untied conference season with a win of 33-0 over the Spur Bulldogs. The Whirlwinds will meet the winner of district 3-A for bi-district championship.

The Thanksgiving game represented the first district championship that has come to the Whirlwinds in 15 years. They were runners up in 1939 and 1940.

Car Tax Stickers Will Cost \$2.09

WASHINGTON — Tentative Treasury plans for collection of the \$5 a year federal automobile use tax called Friday for the mailing of bills to an estimated 35,000,000 automobile owners by a commercial publishing concern.

Although no final signatures have been affixed, the contract has been drawn up to have this work done by R. L. Polk and Company, for about \$400,000.

The concern would compile the list of automobile owners from state registration lists and mail out bills payable either at internal revenue offices or postoffices.

Under the law recently enacted, automobile owners would be required to pay \$2.09 for a sticker good from Feb. 1 until July 1 of next year. Then a sticker would be required at a cost of \$5 for the next 12 months.

WATSON, Mo.—The Watson Banking Company closed its doors in 1931, paid off all depositors 100 per cent, paid the stockholders the full value of their stock and then continued the process of liquidation.

Saturday D. W. Airy, the former president, was still busy with the liquidation and doing right well for the stockholders. He declared a 4 per cent dividend this week, making a total of 62 per cent the stockholders have received.

The reason for closing seven years ago was that the bank couldn't be operated longer at a profit.

200,000 ACRES OF SURVEYED SCHOOL LANDS WILL BE SOLD NEXT APRIL

AUSTIN—Approximately 200,000 acres of surveyed school lands will be offered for sale April 7, 1942, Bascomb Giles, State Land Commissioner, had announced Wednesday.

Giles said the land, in half the counties of the state, will be purchased for one-fifth down payment and forty years to pay the remaining four-fifths.

The sale will be made by the school land board, of which Giles is chairman. Giles said that Governor Coke Stevenson and Attorney General Gerald Mann,

other members of the board, had concurred in the advisability of holding the sale in the spring of 1942.

This will be the second sale of surveyed school land since Giles took office as land commissioner. The first one was held in January, 1940, and resulted in an unprecedented 8,000 bids being received on approximately 200,000 acres. When all offers had been tabulated, 265 high bids on other acres were accepted, bringing \$393,917 into the permanent school fund.

Season Opens Mon.

(Continued From Page One)

Mr. Murphy explained that the quail season is open December 1st to January 16, inclusive. That shot guns not larger than 10 gauge and permanently plugged so that they will not hold more than three shells, must be used; that the bag limit is 12 birds per day and not more than 36 per week and that the possession limit is 36. He also explained that hunters must have a state resident hunting license and permit from land-owner. Quail must not be killed before sunup or after sundown. Wild game placed in storage (food lockers) must be registered with the person in charge of the storage. Quail and waterfowl must not be kept in storage more than 20 days after close of season. No person may have more than 36 quail in storage at one time.

He also explained to the deputies that resident trappers must possess a trapper's license (cost \$1.00).

Quail Expert At Meeting

A. S. Jackson, field biologist of region five, for the Texas Game, Fish and Oyster Commission, working in connection with the federal government, who accompanied Game Warden Murphy, made an interesting address with regard to his observation and research of quail in this section. He declared that food for quail is a problem that has an unknown answer, outside of the marginal field covies. Sunflowers and ragweeds provide the greatest aid of feeding quail in pasture areas according to his observations. He requested all attending the meeting to collect and send quail crops (craws) to him that a better knowledge of quail foods in this section might be obtained. Small envelopes may be obtained at the county agent's office especially for this purpose.

Mr. Jackson, who is stationed at Lubbock, said that his work is financed by the Pittman-Robertson Act passed in 1937 which place a 10% tax on ammunition for research work. The government pays 75% of the expense and the state pays 25%. Mr. Jackson expressed his pleasure in attending the meeting and said he hoped to visit this section more often.

County Agent Rufus Emmons urged that all hunters be cautioned with regard to the extreme danger of prairie fires this season. Copies of a digest of the game, fish and oyster laws may be obtained at the county agent's office.

It is of interest to know that it is unlawful to hunt out of your own county without a license; to hunt, kill or possess game birds, game animals or other birds and animals except where provided by law; to kill or take a turkey hen.

It is unlawful to kill or injure any bat; to hunt under license of another; allow another person to hunt under your license; to hunt for hire or hire anyone to hunt; to hunt on any State Game Preserve; to refuse to stop a vehicle or auto, when demanded by a game and fish warden, as it is unlawful to refuse to allow a game and fish warden to search your game bag when he has rea-

Farmers Are Urged To Plan For 1942

Get your farm machinery in A-1 condition now and be ready for next year's food production pledge, W. I. Rushing chairman of the Motley County USDA Defense board, said this week.

"Getting farm machinery in good condition now will be a safeguard against unnecessary delays and breakdown of machinery during the busy farming season," Mr. Rushing said in pointing out that defense production will probably overload railroads, truck lines, express companies and parcel post system next spring.

OPM has asked for a drastic reduction of steel for civilian needs because of the unprecedented quantities needed in the manufacture of guns, planes, tanks and bombers. Sufficient steel has been set aside for repair parts of farm machinery, the chairman explained.

All farmers of Motley county are asked to check their machinery and order all necessary parts by Jan. 1. By this method, manufacturers will have a sound, practical idea of the quantities needed for repair parts.

Methods Of Curing Sweet Potatoes Offered By A&M

Curing sweet potatoes in storage houses is the most suitable method provided there is sufficient volume to justify the expense. Otherwise, says E. A. Miller, agronomist of the A. and M. College Extension Service, banks may be used satisfactorily if they are properly constructed.

The bank should be placed on a well-drained spot, properly ventilated and protected by a shelter or large losses will result. If less than 20 bushels are to be stored the cone-shaped bank may be used, but for larger quantities the bank should be long and narrow with a V-shaped trough inverted and laid in the bottom of the bed.

Supports should be placed beneath the trough so as to hold it about two inches above the ground with the ends extending beyond the bank. Miller says. The ridge of the trough should be cut to allow the air drawn into it to pass through the banked potatoes from the bottom. These openings should be covered by hardware cloth to keep out rats. An upright flue extending out of the top of the bank is placed over the inverted trough, with the top covered to keep out moisture.

The edges of the flue should be open along its entire length so the air can circulate into it from the potatoes. About four inches of clean straw should be placed under and over the potatoes and covered with enough earth, where necessary, to prevent freezing. In cold weather all openings should be closed. A bank five to six feet wide at bottom, four feet high and 70 feet long will store around 200 bushels.

Miller cautions that sweet potatoes should be handled as carefully as eggs because they bruise easily. Bruises affect their quality and often set up rotting.

Calcium and phosphorus are the two most important minerals needed by dairy cows. Sources are ground limestone, oystershell flour and legume roughages grown on soils rich in calcium.

For roughage in feeding lambs, allow one half alfalfa and one half Johnson grass or Sudan hay. The hay should be green in color, well cured and free from mold.

A plan whereby farmers who are to be served by REA lines may aid in setting up these lines and save expense has been developed successfully in Texas. It will now be expanded to other states.

SPUR RANCH WILL BE SPLIT

Vast Property Soon To Give Way To Farms As Sales Are Completed

STAMFORD—The cowboys his pony have lost another year. The old Spur Ranch is broken up and 85,000 acres are to be offered for sale in tracts. The Spur Ranch headquarters in Dickens near the town of Spur has landmark in the history of growth and development of ranch industry in West Texas.

In a recent division of the property the Emery Estate of Matt got 85,000 acres. It is what is known as the Kent pasture and the north part west side pasture, the latter divided mostly in Crosby C. Eric Swenson, who has ranching near Lueders, has employed by the Emery Estate to look after the property and to sales.

Section Was Leased About 1910 S. M. Swenson of New York City, of ranches near Sta. Throckmorton and Paducah formed a syndicate and purchased the Spur Ranch of approximately 420,000 acres and all the cattle on the ranch. It was a Swenson property for many years.

Most of the cattle were in turn leased a portion of the ranch. The syndicate that chased the ranch began under the supervision of C. A. Jones. Later Jones was by the Swensons to Paducah where they had extensive interests. Clifford B. Jones, C. A. Jones, took over the sales and continued in charge to the time he was elected agent of Texas Technological College at Lubbock.

Swensons to Use Land When the lease to Lewis of the SMS Ranch, owned M. Swenson & Sons, took over land and operated it as part ranching interests in Texas.

Stocked it with SMS cattle. Swensons have arranged to continue to use the Emery and until it is sold, according to A. J. Swenson, manager, headquarters at Stamford.

The acreage had been re-estimated to approximately 156,000 the division was made recent.
