AAAC Committeemen Election Tomorrow

Farmers of Motley county will elect 1943 AAA committeemen at five voting places tomorrow, according to Cullen H. Butler, secretary of the Motley county ACA. Elections will be held at Roaring Springs, Matador, Whiteflat, Flomot and Northfield. Voting will be at 2:30 in the afternoon at the school houses in the five above communities, except at Roaring Springs, where the election will be held at 8 p. m. in the evening. After the community elections, delegates to the county convention will meet in the AAA office, Saturday afternoon at 2:30, at which time members of the 1943 county committee will be elected.

Bureau Forecasts Cotton Yield Of 13,329,000 Bales

WASHINGTON—The agriculture department Monday estimated the 1942 cotton production at 13,329,000 bales. The estimate, based on Nov. 1 conditions, was a decrease of 489,000 bales from the October figure. It was more than 2,500,000 bales larger than the 1941 crop, however, and it was well above the 1931-40 average of 13,109,000 bales. The department said that more than two-thirds of the reduction from a month ago occurred in Texas, Oklahoma and Arkansas where a considerable proportion of the crop remains to be ginned.

Contributors Are Anxious Tribunes Reach Servicemen

Motley county men in the various armed forces receive weekly tributes of the "folks back home" who desire to provide them with regular news. Each issue of the Tribune is dedicated to this purpose, and its delivery purports the wishes of every contributor to the plan of sending gratis subscriptions to men in uniform. Without exception, the unsolicited contributions have been made in a spirit of sincere desire to render service. United in the common cause which faces a nation at war, Motley county's citizenship feels a kinship of neighbors and friendly character of West Texas people. Each man in the service breaks the ranks of a home circle and thus reflects in the responsibility of all. Each man in service is equally important to the "folks back home" and each contributor to the Tribune plan shares an impartial desire to aid in sending the home paper to every man in uniform. The Tribune extends sincere appreciation for the following contributions made during the past week: Frank Stafford \$1, Tom McCain \$1, Eldred Seigler \$1, Mrs. A. J. Matlock (Northfield) \$1, and Mrs. John Brandon 50c.

Irish Potato Has Symbol Of Victory

There is no shortage of Irish potatoes at Harris' Grocery and Service Station, located on Highway 70, but one specimen of a new shipment of Idaho spuds received Tuesday, is not for sale. The potato, weighing approximately one pound, is shaped in a perfect "V". Mrs. L. C. Harris found the wartime symbol when she removed the hamper cover. The unusual potato is now on display as evidence of nature's allegiance to the cause of the United Nations.

VISITS PARENTS

Miss Francis Stearns, student at T. C. U. Fort Worth, accompanied by her room-mate, Miss Pauline Shaw, of Marshall, Mo., spent the week-end here with her parents, Mr. and Mrs. Elmer Stearns, who drove to Childress Friday evening to meet them. Saturday, Mrs. Stearns accompanied the girls to Lubbock where they attended the T. C. U. Tech football game. Fall in love with yourself and you won't have any rivals.

Funeral Rites For Henry Marlin Are Held At Whiteflat

Funeral services were held Tuesday afternoon at 3 o'clock in the Baptist Church at Whiteflat, for Henry L. Marlin, native of Motley county, and veteran of World War I, who passed away Sunday morning at 6:45 o'clock in the Veteran's Hospital in Amarillo, where he had been receiving treatment for the past five months. Last rites were conducted by Rev. H. L. Burnam of Spur, former pastor at Whiteflat, assisted by Rev. R. L. Jameson, retired pioneer minister of this county. Pallbearers were: J. L. Speer, Ernest Fisher, M. S. Patton, Frank Edwards, R. A. Seay and J. R. Whitworth, with the following acting as honorary pallbearers: H. S. Gilbert, S. L. Haynie, H. H. Schweitzer, Cliff Stephens, Jim Jameson, William Smith and C. E. Harris, all being members of American Legion Fleming Post 337, Motley county. At the conclusion of the service, the American flag was presented to the parents, Mr. and Mrs. P. W. Martin, by H. S. Gilbert and H. H. Schweitzer. Interment was made in the Whiteflat cemetery.

Matadors To End Season At Floydada

Matador Matadors will end their 1942 wartime grid season tomorrow night under lights at Floydada, according to an announcement made yesterday by Superintendent B. F. Tunnell. Change in original schedule from Matador to Floydada was made necessary to defray expenses, Mr. Tunnell declared, since local interest has decreased to the point that games played here have resulted in loss. Paducah has withdrawn from the 4-A conference. The game tomorrow night with the Floydada Whirlwinds will start at 8:30. Fans are assured of a good game, well worth the trip and admittance fee, and the Matadors will appreciate their support.

School Schedules Are Resumed With Faculty Changes

Matador schools resumed normal schedules of study Wednesday of last week, after a cotton-picking recess during which time students and teachers assisted in gathering the cotton crop. Lessons were held in the morning only, during the period, and school dismissed at noon to enable the pupils to work in the fields during the afternoons. Coach Ernest Kelly terminated his work as science teacher in the high school, Friday, and reports for duty in the Army Air Corps today, according to Superintendent B. F. Tunnell. Sam King assumes full coaching duties until the present football schedule is finished, Mr. Tunnell advised, and Mrs. John Hamilton, has been secured as supply teacher in the position of science instructor, until the place is permanently filled. Mrs. Hamilton is a graduate of Texas State College for Women, Denton, and is well qualified for the duties which she has assumed. She has also been acting as supply teacher during the absence of other teachers this fall.

New Employees At Business Firms

New faces are noted in the personnel of several local business firms during the past week. Mrs. Ceretha Franklin is employed at the Matador Pharmacy, filling the vacancy made by Mrs. Gertrude Nelson's recent resignation, and Mrs. Howard Amick of Flomot is the new clerk at the City Drug. Mrs. Faye Bond is employed at Wilson's Cafe, Miss Zona Ruth Scaff and Mrs. Von Muse at the Arch Black Cafe, and Miss Helen Stanfield has been employed at the Magnolia Cafe for the past several weeks. Miss Bobbie Lee Amick of Flomot recently assumed duties in the AAA office. METHODIST SOCIETY MEETS The Methodist Women's Society of Christian Service met Tuesday afternoon at the church, in regular meeting, with Mrs. H. H. Schweitzer teaching the lesson. Present were: Mesdames R. P. Moore, Homer Sheats, A. J. Daffern, W. B. Vaughn, Ethel Payne, Ed Williams, L. Y. Jameson, J. R. Whitworth and Schweitzer.

ELMER L. THOMPSON FUNERAL SERVICES TO BE HELD TODAY

Funeral services will be held today at the Baptist church for Elmer Lee Thompson, 42, who died Wednesday morning at 2 o'clock, in a hospital at Breckenridge, where he had been a patient for the past ten days. He had been a resident of this community since the fall of 1916. Mr. Thompson had been in ill health since last spring, and his condition became critical about a month ago, and a little over a week ago he was conveyed to the Breckenridge hospital. He is survived by a son, Elmer Wayne, 12 years of age, and two sisters, Mrs. Lucy Anderson of Mingo, Texas and Mrs. Lola Gaudney of Abilene.

Tactics Of Lions "Goon Squad" Has No Morale Effect

Attempting to break down the high morale standard of the Matador Lions Club "Defenders" group in the severely contested attendance battle, now entering its second meeting week, "Axis" leaders have resorted to "Goon Squad" tactics. "Party Leader" Pitts has exercised the unambiguous audacity of using his office as a member on a newly-formed rationing panel, to threaten and intimidate a member of the popular "Defenders" group. Lion Secretary Whitworth was approached this week by Lion Pitts and told that his travel habits would be restrained below that of the average motorist unless his attitude toward certain "reforms" underwent a drastic change. Shocked and chagrined at the unethical warfare, Lion Whitworth reported the incident to the "Defenders" leader Stearns, who hurriedly called a conference of his "War Plans Committee." The threat which Lion Whitworth perceived was classified as "Axis propaganda" and declared certain to increase the fighting spirit of the "Defenders."

Pastor And Layman Attend Conference

Rev. W. B. Vaughn, pastor of the Methodist Church, accompanied by Mrs. Vaughn, left Wednesday morning for Sweetwater, to attend annual conference of the Northwest District which opened last night. Also attending Conference, as delegate from the local church, is G. E. Hamilton, who was accompanied by Mrs. Hamilton. A number of other members are planning to attend the closing sessions to be held Sunday, when pastors will be assigned their new pastorates for the coming year.

"Sergeant York" To Be Here Saturday

"Sergeant York" the great Warner Brothers motion picture depicting the actual life drama of Sergeant Alvin C. York, World War One's most outstanding hero, will be shown at the local Rogue Theatre, beginning with a preview Saturday night and continuing Sunday, Monday and Tuesday, according to an announcement made this week by L. H. Dirickson, manager. Gary Cooper plays the role of "Sergeant York" with such realism that theatre fans will thrill at every foot of the outstanding film. "Sergeant York" fits perfectly into the moods of a nation at war a quarter of a century after the scenes in the picture. Prices of 35c and 15c are announced for this feature picture. Walter Winchell says, "The hit everyone should see!"

Registration For Gas Is Delayed

Distribution Of Ration Books Holds Up Start Of Big Job For One Week

REGISTRATION for gasoline rationing certificates in Texas has been postponed for one week, according to an announcement made Tuesday afternoon by D. I. W. Birnie, chairman of the Motley county War Price and Rationing Board. Mr. Birnie was notified of the change in plans by Mark McGee, state OPA director. The registration was originally scheduled for today, Friday and Saturday. Registration for mileage book 'A' will be held in the Matador school gymnasium Thursday, November 19th, Friday, November 20th and Saturday, November 21, conducted by B. F. Tunnell and Sam King. Registrations will be held at Roaring Springs, Flomot, Northfield and Whiteflat schools on the same day. Supplies Cause Delay Mr. McGee explained the delay by saying, "this registration is a big job and all of the boards don't yet have all the ration books and necessary supplies."

Armistice Observance Is General

An air of solemnity blanketed this West Texas community at eleven o'clock yesterday, 24 years after the termination of World War I. Gun whistles and the Matador Fire Department alarm siren sounded on the minute. A hushed tribute followed the din. A slight wind swept the streets and many limp flags fluttered in the bright, warm sunshine. Within a short time most of the automobiles had left the streets as businessmen departed. Matador's two drug stores closed at 11 for the remainder of the day, with other places of business which had opened earlier in the morning. Matador's gins continued operation together with filling stations and cafes. Program At School Here An impressive Armistice Day program, honoring Matador boys in the service, was presented in the high school auditorium preceding the noon recess, and attended by a number of parents and other patrons, besides the student body. Mrs. Chas. Keith was program director. The program opened with singing of two stanzas of "The Star-Spangled Banner," directed by Supt. B. F. Tunnell, which was followed by a prayer by Mrs. Tom Tilson and a stanza of "America The Beautiful," led by Mrs. Keith. Reading of "The Honor Roll of Matador High School Students in the Service" was by Supt. Tunnell. These numbered 103, taken from records compiled since 1928, although a large number of local boys now in the service attended the local school prior to that date. However, incomplete records prior to 1928 made a complete list impossible at this time. (continued on back page)

Rattlesnake Meets Nemesis In Depot

Floyd Webb, local agent for Miller & Miller Motor Freight Lines carries no torch for a rattlesnake. Noticing a small snake coiled in the depot warehouse, Monday, he classified it quickly as a chicken snake and decided to go his busy way and let the reptile do likewise. However, the snake made a fatal mistake. There was an unmistakable rattle that caused Mr. Webb immediately to cease his work. The "Chicken snake" proved to be a young rattler with two rattlers and a button, now deceased. Seven years ago Mr. Webb had an experience with the same species of reptiles. While hauling wood east of Matador on Teepee creek he was bitten on the index finger of his left hand. The snake escaped. Mr. Webb had no knife at the time but used an ax to cut a cross on his finger which allowed the poison blood to escape. Physicians believed his courage and fortitude may have saved his life.

Demonstration On Tree Eradication Scheduled Monday

Farmers and ranchers interested in Mesquite eradication may see an actual demonstration, Monday, November 16, at the W. A. Corbett and Son ranch on Highway 34, 15 miles southwest of Graham, between South Bend and Breckenridge. The announcement is made by County Agent J. R. Emmons. The demonstration will include the destruction of mesquite, operated by a representative of the Jacques Manufacturing Company. Poisoning of mesquite stumps with sodium arsenate and kerosene will be discussed and demonstrated by B. C. Langley and R. E. Dickson of the Stephenville and Spur Experiment stations. AAA has raised the soil building allowance for the eradication of mesquite to \$1.50 per acre for light infestation; \$3.00 for medium and \$5 per acre for heavy infestation. Mr. Emmons declared. Mr. Emmons said that one or more automobiles of interested farmers and ranchers will make the trip. Anyone desiring to attend the demonstration is requested to see Mr. Emmons at once and arrange for transportation.

CALIFORNIA VISITORS

Mr. and Mrs. Hubert Thomas of Imperial, California, visited here last week with Mrs. W. W. Hamilton and family, while enroute to Stuttgart, Arkansas, to visit Sgt. Conaly Hamiter. Mrs. Hamiter and daughters, Eula and Georgia accompanied them to Arkansas, and on their return to California, Miss Eula Hamiter accompanied them, and will seek employment while there.

TO DALLAS

W. F. Jacobs, manager of the Matador Variety, was a business visitor in Dallas this week. He was accompanied by Quannah, Sunday, by Mrs. Jacobs, son Mack, Mrs. Jacobs' mother, Mrs. Bert Estes and daughter Shirley, and Patti Pipkin. Mr. and Mrs. L. R. Bishop visited in Pampa Sunday with Mrs. Bishop's mother, Mrs. Effie Hartwell, who accompanied them home for a visit.

MRS. GEO. SPRINGER'S MOTHER DIES TUESDAY

Mrs. George Springer received word Tuesday advising of the death of her mother, Mrs. Harriett Culver, at her home in Montrose, Colorado. Mrs. Culver, who had visited here on several occasions, died suddenly following an illness of only about three hours. Mr. and Mrs. Springer left Wednesday for Montrose, and were joined at Amarillo by an uncle of Mrs. Springer, who resides in Louisiana.

Eisenhower Is Leader North Africa Attack On Axis

The American troops in the prolonged attack on the French Africa is Lt. Gen. Dwight D. Eisenhower, who is the first American Army officer to be named as commander of the operation.

General Eisenhower was one of the first American Army officers to be named as commander of the operation. He is a member of a tank battalion at the beginning of World War I and later commanded the Tank Corps training center at Gettysburg, Pa., winning recognition as an expert on armored warfare.

In London he has established a reputation as a commander who knows how to be genial, even informal, and at the same time a strict military man who knows that it takes toughness to win a war and is seeing to it that his troops are properly impregnated with the toughness to carry them through.

Thru much of his career he has been as an exceptionally able staff man who drew up operational plans for a commander, his superiors say he has given practical demonstration that he is equally capable in a position of command. Londoners and high British Army and civil officials admire him both for the air of ability and knowledge that are his and for his typical and unshakable American qualities. He readily expresses admiration for the British and their fighting powers, learns all he can from them and still retains the same accent and habits with which he reached there.

Friendly, But No Social Lion

Though friendly to all—when he had time—he declined to become a London social lion, gave his full time to the mammoth undertaking and responsibility that is his. In his London apartment he kept up his old habits of brewing his own coffee and frequently preparing his own meals, a chore he learned as a boy on Sundays, which was

Matador Students Are Selected For College Who's Who

LUBBOCK, Nov. 4.—Two Matador students, Kara Hunsucker and William Houston Schweitzer, are among the 20 outstanding students on Texas Technological college campus selected for the 1942-43 "Who's Who in American Colleges and Universities." Students, chosen by a joint committee of faculty members and students, are judged on the basis of character, outstanding work on the campus, and potentialities for success.

Kara, daughter of Mrs. Charlotte Hunsucker, is a journalism senior with an A minus average. She is editor of the 1943 college yearbook, La Ventana, and is secretary of the Theta Sigma Phi.

Dear Ben:
I received the paper this week, and was sure glad to get it. It cheers a fellow up to get the home town paper. I think its a good idea so keep up the good work. We all appreciate it very much.
Thanks again for sending it.

Sincerely,
Pvt. Willie T. Webb

Norman Harp has enlisted in the Navy's Air Corps, and placed in V-5 reserves, according to information received by his parents, Mr. and Mrs. A. A. Harp, here, but will not be called for active duty until possibly March. He is in Los Angeles, California, where he has been employed since last May, as draftsman in the Lockheed Aircraft Corp.

William, a senior chemical engineer with a B plus average, is the son of Mr. and Mrs. H. H. Schweitzer. He is president of the Engineering society and was secretary of the College club last year. He is also a member of Alpha Chi, American Society of Civil Engineers, Engineering society, and the Saddle Tramps. He has been active in connection with Engineers' shows during the last three years.

Tech has been represented in the publication "Who's Who" since the first year of its establishment, 1934, at the University of Alabama.

Winter Complaints Demand Extra Care Of Young Children

In discussing seasonal health hazards for young children today, Dr. Geo. W. Cox, State Health Officer, stated that babies and young children need as careful protection now against winter complaints as they do in hot summer weather against "summer complaint."

Influenza, tonsillitis, pneumonia, bronchitis, and asthma are included among those diseases which may be dangerous winter illnesses among young children since they affect the respiratory of breathing system. Such diseases as pneumonia may develop from a neglected cold, they may follow as an after-effect of measles or whooping cough, or they may occur suddenly and with very little warning. These diseases of the respiratory system are more prevalent in winter than in summer and are much more difficult to combat

than digestive ailments such as summer complaint.

"These winter diseases are particularly dangerous to babies and young children," Dr. Cox stated. "Nearly all of them are spread through the secretions from the nose and mouth. Children not in vigorous health are naturally more susceptible to these complaints and the first line of defense," Dr. Cox cautioned, "is to strengthen the powers of resistance against disease; the second is to keep them under medical supervision and the third is to make sure they avoid contact with others who have coughs, colds, or fevers."

An angler said to a friend: "Yes, the fish I caught was too small to fool with, so I got a couple of men to help me throw it back into the water."

All America Knows
Budweiser...
but Few Know This

THEY'VE PASSED THEIR 'PHYSICAL'-TOO

America's feathered and four-legged armies are very much on their toes these days. Yeast vitamins used in fortifying animal feeds have done wonders in recent years to better the quality and propagation of livestock and poultry. Did you know that the Home of Budweiser is America's biggest single source of these vitamins?

Year after year, we have striven with research and resources to better the methods and facilities for brewing Budweiser. To do this, a laboratory specializing in fermentation and nutrition was necessary. Discoveries made in the laboratory and in the plant have led to the development of products contributing to human necessity and progress. Some of these products would appear to have only a remote relationship to brewing, yet, they are the result of scientific research into many allied fields.

Endless research in making the world's leading beer has led to other products

- VITAMINS, B COMPLEX**—for manufacturers of pharmaceutical and food products. Our plant is one of the world's largest sources.
- VITAMIN D**—Anheuser-Busch produces enough of the basic material for Vitamin D to supply the entire American market.
- BAKER'S YEAST**—We are one of America's biggest suppliers of standard and enriched yeasts and malt syrup used to make bread.
- CORN SYRUP**—many millions of pounds annually for America's candy industry.
- SYRUPS**—for food, table and confectionery uses and special syrups for medicinal purposes.
- STARCH**—for food, textile, paper and other industries—millions of pounds annually.
- REFRIGERATING EQUIPMENT**—for retailers of frozen foods and ice cream the country over. This division is now working all-out on glider wing and fuselage assemblies for our Armed Forces.
- DIESEL ENGINES**—Adolphus Busch, founder of Anheuser-Busch, acquired the first rights to manufacture this revolutionary engine in America and thus started our great Diesel industry on its way.

Miss Dora Jameson Becomes Bride Of Grady Starkey In Home Ceremony Here

Miss Dora Jameson became the bride of Grady Starkey of Quitaque, in a ceremony performed Saturday evening at 8 o'clock in the home of her parents, Mr. and Mrs. J. E. Jameson Sr., by her uncle, Rev. R. L. Jameson of Whiteflat.

The home was decorated with chrysanthemums, and Mrs. Starkey wore a dress of gold crepe, with black accessories. Her corsage was white gardenias.

Mrs. Homer Kingery, cousin of the bride, played "I Promise You" and her daughter, Nona Helen Kingery sang "At Dawning" preceding the ceremony. Mendelssohn's wedding march was also played by Mrs. Kingery.

Following the ceremony Mr. and Mrs. Starkey left for Quitaque where they will make their home and where Mr. Starkey is manager of the West Texas Utilities Co.

Guests at the wedding were close friends and relatives of the couple, and included the following: Mesdames A. P. Hodges, Carl Tardy and C. A. Pitts of Matador, Miss Deline Nalls of Quitaque, Mrs. R. L. Jameson, Mr. and Mrs. L. Y. Jameson, Mr. and Mrs. Frank Jameson and children, Mr. and Mrs. Frank Hallford and children, Misses Ona and Roberta Jameson, Mr. and Mrs. J. E. Jameson, Jr., of Matador, and Mr. and Mrs. L. C. Jameson of Frederick, Kansas.

Mrs. Starkey was reared here and for several years owned and operated a beauty shop. For the past few months she has been employed in a beauty shop in Quitaque. She has a host of friends who join in wishing for her much happiness.

Mrs. Willie Attends State Convention

Mrs. U. L. Willie, president of El Progreso Club, left Monday for Austin, where she is attending the convention of State Federated Clubs which opened Tuesday and will close today. Mrs. Willie was accompanied to Lubbock by Mr. Willie and their daughter, Clotelle.

SGT. CHAS. RUSSELL MARRIES RECENTLY

Sgt. Charles Russell of Camp Stewart, Ga., and Miss Marcella Burns of Deming, New Mexico were united in marriage in a ceremony performed at Lubbock, last week. They arrived here Thursday and have been visiting his father, W. M. Russell, and other relatives.

Mr. and Mrs. Leland Timmons were business visitors in Amarillo Friday, and also visited friends there.

Mrs. Melvin Meason returned home Wednesday of last week from San Diego, California, where she visited with Mr. Meason, who is stationed at Camp Callan.

Pied Pinions

BY MR. S. M.

It was practically a home-coming event held in Seattle, Washington, last week when, on a crowded thoroughfare, three ex-Matador residents met unexpectedly. They were Claude Wilson, of the U. S. Navy Construction, Mrs. Wilsons' cousin, Mrs. Allan Tomlinson, the former Hattie Tee Groves, and Pvt. Harold "Sparky" Renfro, son of Mr. and Mrs. C. C. Renfro, who is stationed there.

Co-incident meetings such as this always remind us of the experience of two former Matador residents which occurred several years ago on a street in Paris, France. The principals were the former Erin Campbell, now Mrs. Ernest Shearer of Amarillo, and Roy Reeves, now of Oklahoma City. Miss Campbell was on a sight-seeing tour with friends, and Roy was a member of the Hardin-Simmons Cowboy band which was touring Europe at that time. Both were born and reared in this community.

CASH AND CARRY

A dusky lady went into a drug store and asked for one cent's worth of insect powder. "But that isn't enough to wrap up," protested the clerk. "Never mind 'bout wrapping it up! Jess blow it down my back, dassall!"—The Chaser.

(Also from The Chaser): Winston Churchill, the story goes, was walking through the ruins of some blitzed streets when an old woman greeted him. The Prime Minister asked her how she felt after the night of bombing. "Well, there's one thing about these air raids," she replied cheerfully, "they do take your mind off the war."

Perhaps the proof-reader had been a teacher at one time and didn't recognize the typographical error, anyway this is how the headline read: "Reception to be held for the Teachers."

A new worry, one columnist points out is this: If rayon is used in fabricating tires the time may come when we'll have runs instead of punctures.

The "bread" we "cast upon the waters" must have been of very doubtful ingredients, judging from the results. We breezed over the other evening to visit Mrs. Earl Laughlin, abed as victim of the mumps epidemic which has been raging currently. On our departure we missed the first step leaving the porch and sprawled all over the walk, making a few new cracks in the concrete.

We didn't mind the bruised and swollen knee cap nearly so much as the busted hose we had on. However, maybe it can now be used as a powder bag, and ultimately come to a glorified end in saving the life of one of our boys in service.

Collection of worn and discarded silk and nylon stockings, to be added to the nation's war supplies, will begin on November 16, the conservation division of the WPB has announced. Under the hosiery collection plan, collection centers will be established in all retail stores having a woman's and Misses' hosiery department.

Women are asked to donate the stockings, as there will be no financial remuneration to any individual, store or group. Also, only worn and discarded washed hosiery are wanted.

Silk is used for the production of powder bags and for other war materials. Nylon also has important military uses.

CHILDREN VISIT PARENTS
Sunday, November 1, six of Mr. and Mrs. F. S. Bourland's children visited them. They were, Mrs. Irene Brown and Mrs. Belmont Watson of Adrian, Mrs. Mollie Simpson of Northfield, Miss Edna Ruth Bourland of Wayland College, Plainview, and their sons, John and Dale of Flomot. Dale is to report for military service Wednesday of this week.

CEMETERY FUNDS GROWS AS CLUB ENTERTAINS

The fund which the Stutch and Chatter Club is raising for the purpose of improving the Flomot cemetery, was increased by \$16.40 representing proceeds of the entertainment sponsoring the Callahan Bros., radio performers from Wichita Falls, which was given Thursday night at the Methodist church.

The club will sponsor its third entertainment project Saturday night, November 14, when a "Socks Supper" will be held in the school house. The filled socks will be auctioned off, and the proceeds will also go to the cemetery fund.

Members of the club take this means to thank everyone who has assisted in the success of previous entertainments, and to extend a cordial invitation to the public to attend the "Socks Supper."

Rev. and Mrs. Ennis Hill of Plainview were dinner guests in

From the Hawaiian Islands comes a letter from Brooks Callaway, dated Oct. 30th, from which the following excerpts are taken:

Dear Ben: Will try and write a few lines this afternoon and thank you for the home town paper; also other friends who have made it possible for the other fellows in the armed service, as well as myself, to receive the Matador Tribune.

Received a paper today dated September 24th, the first one in several days. Old news is better than no news at all, over in this part of the country.

We made it over here O.K. I was "sea-sick" five or six days on the trip over and sure was glad when I got off the boat. I like this country better than I thought I would at first, and I think it would be a pretty good country to live in during peace time. But I prefer Texas at present. Quite a bit of this country reminds me of parts of Texas, and very few things grow here that they can't grow in Texas.

Baseball and soft-ball seem to be the most popular games for the natives here, and there are some good ball players. Practically all the natives go bare-footed, no hats or shirts. I have almost turned native myself; haven't had on a hat or shirt of any kind except a few times since I landed.

I haven't seen or heard of any of the fellows from Matador that are here, altho I know there are several of them on the Islands somewhere. Several fellows came over on the same boat with me

that I knew. There is only one fellow from that part of the country that I get to see now, and that is "Danger" Webb, from Paducah.

Thanks again for the paper. Tell all other friends "hello" and I will try and mail a few Christmas cards. Best of luck and good wishes,

Your friend, Pvt. C. B. Callaway, 38101201 Co. M. 160th Inf. A.P.O. 960 cr. Postmaster General San Francisco, California

Sgt. Charles Russell of Camp Stewart, Ga., and Sgt. Stanley Russell of Camp Young, Indio, California, twin sons of W. M. Russell, have been visiting here on furlough during the past week, and with their mother and sisters at Spur.

Pvt. W. W. McDowell and Mrs. McDowell, of Dalhart, were week-end visitors here with relatives.

P. F. Noble Dirickson left Monday to return to Camp Rucker, Alabama, after a furlough visit here with his wife, mother, Mrs. W. R. Dirickson, and other relatives, who accompanied him to Lubbock.

Mechanics in the U. S. Army Air Corps, stationed in Lubbock, who visited their families here during the past week included Pvts. Loyd Latimer, A. J. Perkins, Howard Edmondson, William Earl Briscoe, James Edmondson, W. T. Marshall, Arnold Patton.

James E. Scott, who is stationed at camp Rucker, Alabama, was recently promoted to the ranks of Corporal, according to information received here by his sister, Mrs. Ward Rattan. Cpl. Scott, who has been in the service since June 16, will be transferred to a camp in Mississippi, where he will be an instructor in cooking.

Pvt. John Smelser of Camp Barkley, visited his parents and other relatives here during the past week.

Pvt. LeRoy Nelson has been transferred from Camp Kearns, Utah, to Las Vegas, Nevada. He is in Class 42-50; Bks. 2; L.V.A.G.S.

Cpl. D. Landry, formerly of Flomot, has been stationed in Hawaii for over two years, and receives his mail as follows: A.P.O. No. 845 cr. Postmaster, New York, N. Y.

Staff Sgt. T. H. McCain of Camp White, Oregon, arrived home Wednesday for his first furlough visit with his parents, Mr. and Mrs. T. H. McCain, Sr., since entering the service 2 1/2 years ago.

From Neal Nichols comes the following message:

"Dear Ben: Here I am again with news that we have finally finished our training on the Island and have moved back into camp, and after that training I think we are ready for anything, even the furlough I am getting, starting Friday. Will visit my parents in Streetman, Texas, for seven days. It will be the first time I've seen any of them in 7 or 8 months.

"I have been receiving the paper regularly and I never enjoyed reading anything any more than I do reading the home town paper. I never miss a line in it, and I hope to continue getting it. So long, and good luck, Sincerely,
