GENERAL ELECTION NOV. 3rd

The people of a free, Democratic country will again go to the polls, Tuesday, November 3rd, to exercise their rights as citizens.
Election supplies for Motley county's ten voting boxes are on hand and will be delivered in ample time for the election. R. A. Seay, District and County Clerk said yesterday that only two absentee votes had been polled for the general election.
Altho the voting at general elections is usually lighter than the primaries, county officials expressed belief that Tuesday's balloting may exceed that of previous years.
It was pointed out that men are giving their lives for the Democratic privilege of voting and that duty of the civilians at home brings a direct obligation to exercise the privilege in respect for those who wear the uniforms of our armed services. A large general election poll is also essential because representation is based on the number of votes cast in the general election.
The Tribune publishes in this issue, a sample ballot, printed from the same type that printed the ticket. Space between candidates' names and also "write-in" candidates' spaces have been removed from the sample ballot, but all printed matter is left intact. Voters are urged to study the ballot carefully and especially the amendments which appear on the ticket.
Voting can be made easier by marking the sample ballot printed in the Tribune, taking it to the polls and marking the official ballot from the sample. The sample ballot should, of course, then be destroyed.

Coffee Ration Begins Nov. 28

Washington, Oct. 26—The office of Price Administration has announced that coffee rationing will begin at midnight Nov. 28—one pound each five weeks to everyone over 15 years old.
Stamps from war ration book No. 1—now used only for sugar—will be used to obtain coffee. Consumers will surrender the last stamp of the book in purchasing their first ration of coffee.
All sales of coffee at retail will be stopped at midnight Nov. 21 to allow merchants a week in which to stock their shelves for the beginning of rationing.

Special Bus Takes Men To Lubbock

A special bus leaving at 7:30 this morning provided transportation for Motley county's present call quota of selectees, going to Lubbock for induction into the armed forces.
The Motley County Draft Board selected James Ward Jeffers as leader of the men who departed this morning. Those who desire will return home for 14-days furlough, when they will then report to Ft. Sill, Oklahoma to start training.
Besides Mr. Jeffers, the following men were scheduled to go to Lubbock this morning: Weldon Eugene Westmoreland, De Lois Aubrey Hinson, Gid Thaddeus Carlisle, James Frances Byars, Don Thornton Martin, Whiteford Donald McLean, John Whitten, Roy Raymond Muse, Dale Eugene Bourland, Walter Clay Hart, F. A. Garnett, John Britton Simpson, Glenn Teddie Bird, Jr., Waldon Matthew Scott, Felix Wenston Speights, Glenn Lewis Folley, Lee Elton Chaney, Leslie Henry Terry, Buford Farris Posey and Jack Weldon Nichols.

Registration For Gas Rationing On November 12-13-14

Registration for mileage rationing in Motley County will be conducted on November 12, 13 and 14, D. I. W. Birnie, chairman of the Motley County War Price and Rationing Board announced yesterday and actual rationing of gasoline will begin November 22.
"We have been advised that Washington expects to have the application blanks available early in November," Mr. Birnie said, but everyone should watch the newspapers for our announcement when these application forms are available. We will try to see that they are distributed at garage tire inspection stations where every passenger car owner can obtain an application form conveniently.

Calf Crop Brings Over \$135,000.

Average Of \$55 Received For County's Fine Livestock; Shipped North To Feed

NORTHERN FEEDERS entered the fertile ranges of Motley county during the past ten days to purchase approximately 2,500 head of high quality Hereford calves, which averaged \$55 per head.
Twenty ranches of various sizes sold calves to the buyers and received a total amount estimated to exceed \$135,000. Calves averaged 450 pounds and the average price per pound was 12 1/2 cents.
The Martin Ranch sold 52 steers and 52 heifers two weeks ago which brought \$65 and \$55 per head.
Steer calves shipped north for feeding will be kept 9 to 10 months and heifer calves will be fed for 7 to 8 months. One large buyer in the local market lives at Clarendon, but the majority of the livestock is being shipped to Iowa and other northern points.
Quality of Motley county's beef cattle is gaining recognition over the entire country. Buyers have consistently fed cattle from this section of the Panhandle at a profit because of the extremely high type produced and the favorable range conditions which are available here.
It is believed the prices paid for the 1942 calf crop are the highest average paid here since World War I.

Volunteers Sign Up With Air Corps

Lubbock Army Air School sent two Matador boys back here last week to recruit for the service, achieving unusual results. Pvt. Howard Edmondson and A. J. Perkins opened a recruiting office in the postoffice lobby Friday, detailed to remain here until tomorrow.
At a late hour yesterday seven volunteers had signed up as "Air Corps Specialists" with prospects of several more. Those who have volunteered in the service are: William Earl Briscoe, Phil Green, Guy Kimbell, Jr., James Edmondson, Jr., W. T. Marshall, Arnold Patton and Wilson Coulson. They will leave by regular bus tomorrow for Lubbock.
Captain W. B. Marshner, in charge of recruiting at the Lubbock Army Flying School, has declared that the enlistment offer will close Nov. 1, making it impossible to purchase gasoline, tires and repair parts without the certificates.
Applications have been mailed to all owners, but in cases where application has not been received, the owner should leave the following information at the County Agent's office at once: Name, business, address, registration license number, make of truck or pick-up,

Bitter Medicine Mixed For Axis Contingent

Lion fur is expected to fly for the next six meetings of the Matador Lions Club, during clashes for supremacy in attendance of the two opposing groups.
Bitter strategy was being mixed yesterday for the "Axis" group which is led by "Tojo" Pitts, now running in circles with a task force of "rice-eaters" attempting to find a weakness in the "Defenders" line. A secret weapon, soon to be used by the "Defenders" is expected to reduce the fracas to little more than the passing of time until the "Axis" will provide a turkey dinner and serve it to their superiors.
"General" Stearns, head of the "Defenders" at a secret meeting of leaders, yesterday, cited the unusual quality of men in the ranks of his force, which includes the Boss Lion, Lion Secretary, Lion Tamer and the chairman of the Program Committee. After listing the outstanding qualities of each man, he said, "That leaves only the Tail Twister and who wants a Tail Twister?" There was an unanimous chorus of "Nobody", followed by much laughter.
Arrangements have been made for the following Lions at the next regular meeting, Tuesday Nov. 3: L. R. Bishop, M. B. Carroll, R. E. Campbell, Jr., L. J. Cunningham, H. H. Courtney, T. J. Daffern, T. B. Edmondson, J. R. Emmons, G. E. Hamilton, W. F. Jacobs, John Hamilton, L. C. Harp, Douglas Meador, J. S. Stanley, A. C. Tra-week, Jr., B. F. Tumell, J. R. Whitworth and Elmer Stearns. While a few "untouchables" may attend, it is doubtful they will attempt to be represented in any sizeable force.

Mother Of Local Resident Dies At Turkey Wednesday

Funeral services were held at Turkey Thursday afternoon of last week at 3 o'clock, for Mrs. T. R. Fuston, 70, mother of Mrs. J. W. Hobbs of Matador, who died Wednesday, October 21 at 4:30 o'clock at her home there.
Mrs. Fuston was killed in an automobile accident six years ago. They moved to Turkey in 1903 and had made there home there continuously until their respective deaths.
Survivors are nine children, all of whom make their home in the Turkey community, with the exception of Mrs. Hobbs. They are: Roy, Ress, John, T. R. Jr., and Swede Fuston; Mrs. Bill George, Mrs. Elmer Turner, Mrs. Dewitt Vardy and Mrs. Hobbs.
Attending the funeral services from here were Mr. and Mrs. Clinton Hobbs, Mr. and Mrs. J. W. Hobbs, Mrs. Ruie Walker, S. H. Hobbs and Mr. and Mrs. Alfred Barton.

Navy Recruiter To Be Here Saturdays

For the convenience of Matador and Motley county men soon to volunteer or be called into some branch of the service, the U. S. Navy Recruiting service will send an officer to Matador each Saturday to interview applicants and take applications for Navy service.
Asking for fifteen Navy volunteers from Motley county during November, Navy officers pointed out that re-openings for a number of petty officer ratings in the Seabees, or construction regiment, should be attractive to men skilled in certain trades.
The Navy also appealed to men 18 and 19 years of age likely to be classed in selective service category soon, suggesting they "choose their service and their type of work while there is still time to make a choice." It is not known how long voluntary enlistments will continue, and men desiring to choose their service are invited to investigate the possibilities and opportunities offered by the Navy.
The Construction regiment appeals to men skilled as bakers, clerks, cooks, draftsmen, blacksmiths, bulldozer operators, carpenters, concrete workers, drillers, draftsmen, (electrical), electricians, engine operators, mechanics, oilers, painters, pipefitters and plumbers, pipelayers, powdermen, riggers, road machine operators, sheet metal and steel workers, telephone and switchboard men, truck drivers, welders, water tenders and wharf builders. Good ratings are available to start with for men experienced in these trades.
An officer from the Navy Recruiting station at Lubbock will be in Matador at approximately 1 o'clock each Saturday afternoon, and may be contacted at the Post Office here.

City's Only Dairy May Stop Service

Ed Cammack is tired. He is tired milking eighteen dairy cows and trying to manage a farm harvest in his spare time. He offers a good job to any man, regardless of creed or color who knows how to milk and do general farm work, two-room house furnished.
If Mr. Cammack cannot secure help within the next few days he is going to end Matador's only dairy service until such a time that he can hire someone to help him. The telephone No. is 923F2.

"War Necessity" Trucks Registration Is Lagging

Applications for certificates of "War Necessity" farm trucks and pick-ups are lagging, according to J. R. Emmons, County Agent.
Motley county has 340 such vehicles registered, but only 125 applications have been filled out. Mr. Emmons declared, it will be impossible to purchase gasoline, tires and repair parts without the certificates.
Applications have been mailed to all owners, but in cases where application has not been received, the owner should leave the following information at the County Agent's office at once: Name, business, address, registration license number, make of truck or pick-up,

Rachel Patton Is Near Viclim When Rock Hits Door

Nobody throws rocks at Miss Rachel Patton, deputy in the office of Sheriff H. H. Courtney, and Matador Lions Sweetheart. However, she was not certain but that some unknown enemy had decided to declare a state of hostilities on her previously peaceful life Saturday morning. As she started to enter the postoffice and pressed her slender weight against the plate glass door, a large flint rock whizzed past her head and crashed the glass.
Postoffice employees believed at first that a shot had been fired into the door, so loud was the sound of breaking glass. Miss Patton heard a motor at the curb, start and the wheels spin an instant before the rock hit. A rough-edged flint rock, coated with spots of oil and gasoline was found and it is believed the wheels of the car picked it up and sent it spinning into the air. Driver of the car is unknown. Had Miss Patton been struck by the rock she would have been seriously injured or possibly killed, according to observers.

Mrs. Balch Passes Away At Seymour

Funeral services for Mrs. J. R. Balch, wife of the pastor of the First Baptist Church of Seymour, were held at Seymour Saturday, with Dr. Fred C. Eastham, pastor of the First Baptist Church of Wichita Falls, officiating.
Mrs. Balch suffered a fatal heart attack while visiting a son in the air force stationed in Oklahoma City.
Besides this son, and her husband, Rev. Balch, former pastor of the Matador Baptist Church, she is survived by two other sons, one a lieutenant in the U. S. Army stationed at Camp Claiborne, La., and another son serving overseas.

Gin Installs New Dryer Equipment

Something new has been added. The Red Ball Gin at Roaring Springs has just completed installation of a new Murry Rylander cotton conditioner, to dry and condition damp, green cotton. The new equipment, which is operated by dry steam, is the most improved design, greatly benefiting cotton to be ginned and also improving the sample.
E. E. Moss, manager of the gin is not a "newcomer" to West Texas but decided early this week that the cloudy, misty weather would probably continue for several days and permit him to install the new equipment. He shut down his plant and the weather promptly changed to bright sunshine. He is slightly disgruntled at the loss of business made necessary for two days, but grateful that the work is completed. He resumed ginning late Tuesday. Cotton farmers are cordially invited to visit the gin and try a "doubtful" bale through the new conditioned.

Buffalo Hunt On Sunday Broadcast

Boyce House, Texas' popular newspaper and radio columnist, told about Motley county's last buffalo hunt, in his 12:45 "I give you Texas and the Great Southwest" Justin boot program, last Sunday.
Mr. House told of the buffalo hunt near old Tee Pee City a few weeks ago, which was staged by L. R. Bishop, Ward Rattan and John Stotts.
The program was broadcast by Ft. Worth, Dallas, Houston, and San Antonio stations. It failed to appear on KGNC Amarillo, as scheduled, but may be heard over that station only, Sunday, Nov. 1, by transcription. Time 12:45 p. m.

Friends, Relatives Of Men In Service Aid Contributions

Friends and relatives of Motley county men in all branches of the armed service continue their volunteer contributions to the Tribune plan of sending a weekly "letter-from-home" to all who request it.
At press time the Tribune adds eight more new men-in-service subscriptions since last publication to the constantly growing circulation.
With the advent of bargain days for subscriptions with the daily and Sunday Fort Worth Star-Telegram and Tribune, the local newspaper publisher desires to solicit the combined renewal subscriptions (\$9.45). The Tribune earns a commission on each Star-Telegram or other daily subscription it sells, which achieves the same purpose as a cash contribution to the boys-in-service gratis paper plan.
The publishers express sincere appreciation for the following unsolicited cash contributions received during the past week: Mrs. W. W. Moore \$5, Charlie Parks \$1, George Birchfield \$1, M. S. Patton \$1, Cpl. Maldon E. Simpson \$2.50, E. D. Hutson \$5c, N. M. Groves \$5c, Mrs. T. B. Alsop \$1.

Large Turnip Tips Scales Near 4 lbs.

W. M. Graham taunted several hungry friends Tuesday afternoon with a large purple top turnip, weighing 3 3/4 pounds. The large tuba was grown on Mr. Graham's farm by Ben Edwards in "Hornica" settlement northeast of Whiteflat.
Mr. Graham declared, "I didn't hunt for it and there are plenty more like it in the patch."
The turnip was a perfect specimen, being snow white with the top half a beautiful shade of purple. Mr. Graham said he had cut other large turnips from the patch and that they were sweet and solid.

Discount On Taxes

Editor's Note—Considerable misunderstanding has resulted in Motley county's policy of not allowing discounts on the payment of taxes.

The following statement was prepared especially for the Tribune by County Judge W. R. Cammack and is published verbatim, without charge, in the interest of greater unity and cooperation.

THE DISCOUNT ON TAXES

"The question often arises as to why the commissioners' court does not allow the 3% discount on county ad valorem taxes if paid in October,—2% if paid in November, and 1% if paid in December, which is offered by the State, but optional with counties, under the law.

This is a pertinent question and worthy of explanation. We believe that our reasons are quite obvious when properly considered.

"First, There is no provision in our county budget for such a discount. The commissioners' court is operating county affairs on the least possible amount of expenditures. A 3% discount on all county ad valorem taxes payable this fiscal year would amount to \$1,880.00. If allowed it would then be necessary to either raise the county valuation by \$149,000.00 in order to regain that \$1,880.00, or run the county in debt each year to that extent. If the county valuation was raised by \$149,000.00 then the state's levy of 75 cents on the \$100. valuation would apply, which would actually cost the tax payers of this county \$1,107.50 more money than they will pay under the present plan; and the State would get it all.

Second, If we could afford a discount on county taxes, that within itself would be prima-facie evidence that you are being taxed too much.

Third, If taxes were paid on the first day of October, the saving to the payer, or loss to the county, would equal an interest rate of 12% per annum; if such taxes were paid on the last day of October the interest rate would equal nearly 18% per annum. Then why should the county suffer so much loss (and the taxpayer gain nothing) when it could borrow plenty of money at half that rate of interest?

"Fourth, To illustrate: Last year 3% was deducted from all state ad valorem taxes that were paid during the month of October. If all state ad valorem taxes had been paid during that month the total discount would have been \$739.35 in Motley county; but don't overlook the fact that this year the state found its general fund over \$32,000,000.00 in the RED, and raised its levy by 17 cents on the \$100 valuation, which cost Motley county over \$8300.00, or more than ten times as much as the 3% discount amounted to last year; and the \$32,000,000.00 deficit must still be met.

All Is Not Gold That Glitters
The discount on taxes is false economy—it is pretty politics but too hard on tax payers.
W. R. Cammack, County Judge."

Miss Helen Hill, who is enrolled in a Lubbock Defense School, spent the week-end visiting friends and relatives here.

Gene Perkins, accompanied by Mr. and Mrs. T. H. Duvall of Roaring Springs, transacted business in Lubbock and surrounding territories Wednesday.

Mrs. Elwood Rushing and small son, Jimmy, of Boston, Mass., are visiting here in the home of her husband's parents, Mr. and Mrs. W. I. Rushing.

"The country here is really beautiful, but the people drive on the left side of the road. Also the steering wheel is on the right side of the car.

"Clifford Martin is also over here, but I haven't seen him as yet. Tell everyone hello and I hope to see you all some day."

As ever, Cpl. Jack Martin, 19003632 325 H. Bomb Sqd. 92 (H) Bomb Grp. A.P.O. 634 cr. Postmaster New York, N. Y.

Oct. 18, 1942 Camp Stewart, Ga.

Dear Ben:

I have planned to send you my address for two months, but I have been moving around so much I have waited. I think I am to be here for quite sometime. I have really missed getting the paper.

I am in a new outfit and I think it is among the best. All the boys are really interested in learning, so I don't think it will be long now if they will just turn us loose.

I could certainly go for some of that good old West Texas wind. The trees are so tall here that I keep a "crick" in my neck most of the time.

Tell all the folks howdy, and to save me a few cows to buy.

Yours truly, Sgt. Boyd Perkins Btry. D. 455th C.A. (AA) (Sep) BN.

(A special news release from Camp Stewart advises that Perkins was recently promoted from Pvt. 1cl, to Sgt.)
