Large Crowd Attends Cal Farley's Opera

Cal Farley, Amarillo's incomparable businessman and civic leader, won the first World War. While a certain amount of skepticism may result from this modest claim, none in the audience that crowded the Matador school auditorium Tuesday evening, will question Cal Farley's part in winning World War Two.

Traveling at his own expense with his radio program entertainers, Cal Farley is providing programs over the entire Texas Panhandle in the interest of the Amarillo Region April War Bond drive.

Cal Farley's show is Cal Farley. He was introduced by G. E. Hamilton, co-chairman of the Motley county April War Bond drive. His troop of entertainers included his daughter, Gene Farley, Marilyn Cornielus, Vesta Odell, Dorothy Leaman, Cecil Hunter (Stuttering Sam), A. K. Baracat, D. R. Anderson (Dallas), Lt. Leroy Johnson of the Amarillo Air Field, Irwin Tolzien (The Swede), manager of the Tolzien Music Company of Ama-

Lions Have Interesting Program

One of the most interesting programs presented by the Matador Lions Club for the past year, was offered at the regular meeting held in the Methodist church basement, Tuesday.

Perhaps much of the success of the program may be attributed to the splendid luncheon prepared by the Methodist ladies. Stewed chicken, hot rolls and country (pointless) butter were principal items on the menu.

The program was sponsored by Lion B. F. Tunnell. Entertaining readings were offered by Mrs. J. R. Whitworth, Gary Laughlin and Miss Dorothy Woodruff, Matador high school student.

Pvt. Thomas Bourland was a guest at the luncheon in addition to those appearing on the program. Announcements were made by Rev. W. B. Swim, regarding the Boy Scout Court of Honor held Monday evening, by Lion J. R. Emmons regarding the Motley County Fat Stock Show date and Lion Elmer Stearns regarding the April War Bond drive.

Plainview Dairy Show Dates Set For April 13-15th

The sixteenth annual Panhandle-Plains Dairy Show will be held at Plainview April 13, 14 and 15. The contribution which dairying is being called upon in the war determined show officials and dairymen in holding this year's show.

The show will officially open at 9 o'clock Tuesday morning. Production tests will start Monday, Guy M. Witt, manager of the show is urging that exhibitors send in their entry lists prior to opening date of the show because of shortage of sufficient office personnel to take care of entries arriving after the exhibit starts.

Judging of Jersey bulls will begin Tuesday. Judging of cow classes will continue through Wednesday; and auction of milking Shorthorns will begin at 1 p. m. Thursday. The Victory Round-up, scheduled at 7:30 Tuesday night at the city auditorium, will have a distinctive military flavor and is to include coronation ceremonies for the queen of the dairy show. At 9 o'clock Wednesday night there will be a bathing beauty revue on the stage of the Granada Theatre.

DROUGHT BREAKER ARRIVES

At eleven o'clock last night, 1943's drought appeared to be broken. A rainstorm, accompanied by lightning and some hail, struck Matador about 10:30, and soon filled long-dusty streets with water. No attempt was made to determine the amount of precipitation, but an unofficial estimate of .25 to .40 inch is ventured, with rain continuing to fall as these lines are set into type. Prospects of continued rainfall are very favorable.

Showers have been reported from scattered sections of the county since Sunday when an area south of Roaring Springs received beneficial rain.

FUNERAL SERVICES ARE HELD SUNDAY FOR HENRY E. ODOM

Funeral services were held Sunday afternoon at 5:00 o'clock at the Baptist Church for H. E. Odom who passed away early in the morning following an acute internal ailment which confined him to his bed only nine days before his death, although he had been in ill health for a number of years.

Death was attributed to complications resulting from colitis. In fulfillment of his request, an autopsy was performed on the body for a study of the malady which claimed his life.

Rev. M. B. Carroll, pastor, conducted the service, and pall-bearers were: Elmer Stearns, Rudolph Moore, E. R. Henderson, W. H. Whimpy, Jimmie McKlesley and Martin Kirk.

Interment was made in East Mound Cemetery, under direction of Homer Sheats, local undertaker.

Mr. Odom, with his family, had made his home at Matador since 1937. He had recently been employed by Bradford & Smith, Contractors, and about the time he became ill, had sustained a foot injury while at work.

Henry Edward Odom was born December 26, 1901 at Smithville, Bastrop County, Texas, and died April 4, 1943 at 7 a. m. at the age of 41 years, 3 months and 9 days. He married Miss Sarah Sabina Theis on October 1, 1927, in Lee County, Texas, to which union were born six children, four of whom survive. They are, Blanche Vera, 12; Gailand Edward, 9; McKenneth, 4; and Allie Lavan, 2.

Other survivors besides his wife are: his mother, Mrs. J. F. Odom of El Campo, Texas; three sisters, (continued on back page)

SPECIAL DRIVE FOR RED CROSS STAGED AT ROGUE THEATRE

In another special Red Cross Drive from April 1 through the 7, sponsored by the War Activities Committee, of the Motion Picture Industry, Rogue Theatre patrons here responded generously in free-will offerings, amounting to \$53.27. It was announced by L. H. Dirickson, manager.

Theatres are to be commended for their cooperation in this great work and the many other drives they have been and are making.

The Tribune desires to extend sincere appreciation for the following unsolicited contributions to the newspaper's plan of sending weekly copies to all Motley county men in the armed services: Cpl. H. W. Patterson \$1, J. M. Jackson \$1, Mr. and Mrs. Bill Edwards \$1, Mrs. Margaret Newman \$1.

Bond Drive Aims Are Intensified

APRIL QUOTA OF \$104,000 sales in War Bonds for Motley county, may be reached within a week's intensive drive, according to Elmer Stearns, co-chairman of the campaign.

Meetings have been held regularly for the past few days in organizing the drive in every community. Next week many businessmen, farmers and community leaders will devote three days of their time entirely to the sale of War Bonds, in what is probably the most concentrated effort ever contributed to any movement since the county was organized.

At the Lions luncheon Tuesday, Mr. Stearns, declared, "It will not be easy but my confidence in the people of Motley county needs no justification. I believe we may set a startling record in selling our quota within a few short days. Leaders in every community are devoting their time and effort to organization which we believe can not fail to bring results.

Workers Not Solicitors "We hope the people of the various communities will accept the workers in this drive in the spirit of patriotism which they are showing. They are not solicitors, nor have they any apologies to offer when contacting neighbors and friends in interest of the drive. Any attitude but one of the highest regard does the voluntary worker a grave injustice. No 'high pressure' methods will be employed, nor will anyone be assigned any set amount of bonds to purchase. We believe every person knows the necessity of the success of this drive in Motley county in the entire nation. We believe every person knows that it is his patriotic duty to invest every possible dollar in bonds and that if Motley county is to attain its quota, every man, woman and (See BOND DRIVE back page)

Hiking Trip Planned The Court of Honor was conducted by Merle Edwards, from the Lubbock District office, Jack Christian of Spur, District chairman, Ollian Arthur of Spur, advancement chairman, Cecil Fox, Scout Master of the Spur troop 35. No parents or other visitors were present. Scout Master W. B. Swim extends a cordial invitation to parents and urges them to attend any Scout meeting.

A hike has been planned for Friday afternoon, leaving the Methodist church at 4:30 p. m., under the leadership of hiking and camping chairman David Guest. Each boy will bring his own food, either prepared, or to be cooked on the camping site.

SUFFERS ATTACK Mrs. J. P. Truett of Lockney, was here Wednesday, having been called to the bedside of her father, M. P. Fulkerson, who suffered an attack which confined him to his bed. His condition is a result of high-blood pressure. Mr. and Mrs. Fulkerson were here this week to pack their household goods and furniture, to be moved to Lockney where they have been making their home.

ARRIVAL ANNOUNCED B. F. Tunnell, III, is the name given the 7-pounds, 6-ounces, son born Sunday, April 4, to Sgt. and Mrs. B. F. Tunnell, in the St. Agnes Hospital at Fresno, Calif., according to the message received here by the grandparents, Supt. and Mrs. B. F. Tunnell, Sunday afternoon.

Much interest was manifest in the Matador Independent School District trustee election held here Saturday. A total of 243 votes were polled for the six candidates appearing on the ticket, to elect three trustees.

M. J. Reilly received 67 votes, W. F. Jacobs 52, L. C. Harp 42, L. B. Robertson 14, Hoyt Burnam 28, and H. F. Pifkin 38. W. W. Carpenter, whose name was not on the ticket, received 2 votes.

Stock Show Scheduled For May 1

Motley county's annual Fat Stock show will be held here May 1st, it was announced at the Lions meeting Tuesday by County Agent J. R. Emmons. He said the 4-H Club directors meeting Saturday had decided on the date.

Mr. Emmons declared the showing of beef would be shorter this year than last because of a "ceiling price scare" which prevailed at the time calves were being started. Approximately 15 calves and 25 pigs will be entered in the exhibition.

U. L. Willie, Joe Gaines, Elmer Stearns and George Springer were named as the finance committee to secure the estimated cash prizes of \$170. All prizes will consist of War Saving Bonds and Stamps. Mr. Emmons reminded the Lions Club, which sponsors the show, that last year Motley county 4-H stock topped markets in Kansas City and Fort Worth, two of the greatest cattle markets in the world, on the day they were offered.

LOWER RATE FOR WATER USERS IS NOW EFFECTIVE

Effective immediately new summer water rates were set by the City Council at the Tuesday night meeting to allow water users to grow Victory gardens at a reduced cost in water. The new summer rate will not affect users whose requirements are less than 7,000 gallons. The next bracket above 7,000 to 12,000 gallons will save the user 5c per 1,000 gallons over former summer rates. All water used by individual users in excess of 12,000 gallons will be priced at 10c per 1,000 gallons. The reduction in summer rates does not apply to commercial users.

Lucius Lancaster, City secretary declared yesterday that costs in producing water deliveries to users, is approximately 37c per 1,000 gallons and the new low rate is made possible only because of the minimum which is collected from all customers for the first 2,000 gallons used.

The new rate, as advertised in this week's Tribune is: Minimum of \$2 for first 2,000 gallons. From 2,000 gallons to 7,000 gallons, 20c per 1,000. From 7,000 gallons to 12,000 gallons at 15c per 1,000. All used in excess to 12,000 gallons at 10c per 1,000. The rate will apply through the summer months or until further notice.

Hand Injured In Electric Drill

Von Muse suffered the possible loss of his middle and index finger on his right hand last week when they became entangled in the gears of an electric post drilling machine located in the Muse Blacksmith shop on Highway 70.

The mangled fingers were treated by Dr. J. S. Stanley and their loss is still uncertain since the bones were crushed and much of the bone structure was removed. Mr. Muse has placed a guard over the dangerous gears since his accident. His father V. Muse, lost a finger in the same machine about a year ago.

Mrs. L. C. Harp and daughter Ann, spent the week-end in Abilene, visiting her mother, Mrs. Brown.

I was on pass today, and saw Brooks Calloway. We had a pretty nice time I guess, for a good time over here is considered a couple of movies and the biggest steak that a fellow can find. So in other words, there's really not much to do here, but I'm sure all of the fellows are satisfied, for they realize it would be worse. The morale here is really high, I think, for we've really got a good bunch of fellows here. I've got my first fist fight to see since I've been in this Btry. and I've been with it since February '42.

I haven't seen my brother, (Ulysses) in some time, but I do hear from him. He's only about 65 miles from me. I'm sure I'll see him before too long. He was still getting the Tribune the last time I heard from him. He reads all of it from cover to cover. I do too; guess all of the boys do.

Well Ben, I guess that's about all there is to write, so until another time, I'll say Aloha, from the Hawaiian Islands.

With best wishes to all,
Caesar.

Joe Berry writes to advise that he had finally received the Christmas edition of the Tribune, which he enjoyed very much; that he is still in fine health, and that the slogan, "There's glory enough for any man to live and die a Texan," means more to him than it ever did before.

Pvt. Thomas Bourland, who is stationed at Enid, Oklahoma, is spending a furlough visit with his parents, Mr. and Mrs. F. C. Bourland.

Levi's message says: "I wish to express my sincere appreciation for the Matador Tribune. Speaking French, like North Africa, is similar to West Texas and New Mexico. Oasis are Garden Spots of the World.—Au Revoir, Levi."

W. T. Bogus, who has been stationed at Camp Rucker, Ala., has been advanced to the rank of Corporal, and is now, with his company, on maneuvers in an adjoining state.

From Pfc. John O. Jameson, stationed at Little Rock, Arkansas, comes this word of appreciation: "I want to thank you again for the home-town paper, and I want also to thank the people of Motley County, who help make it possible for us boys to receive it."

"I was promoted to P.F.C. yesterday, and have moved from the Y.M.C.A. to 1120 Cumberland. Please send the paper to this address. Thanking you again for sending it, I am, your friend."

Cpl. H. W. Patterson, AAFPTS, Det. 4th Aways. Comm. Sqdn., Smyrna, Tenn., writes to send best wishes to all of Matador's people. He says, "I've been intending to write you for some time, to thank you for sending the paper, and to have my address changed from Scott Field, Illinois, to this one. Another thing that I want to do also, is to thank the Lion's Club (belatedly) for their kindly remembrance, in the form of the Matador Christmas Card. Thanking you again, I remain your friend, H. W. Patterson."

Another letter of appreciation to the folks of Motley County, comes from Melvin S. Thacker, AMM 3c, T.T.S.A. Maintenance, Naval Air Station, Norfolk, Va., as follows: "Just a few lines to let you know that I am still receiving the Matador Tribune, and to give you my new address. I really do enjoy the Tribune and so do several of the fellows who stay in this barracks. I enjoy the Service Men's page and the home-town news too. There is nothing any of us boys would rather get than mail from home, so thanks a lot to you and all the other good people of Motley County, who make it possible for us to get the paper. Sincerely yours, Melvin S. Thacker."

Pvt. Joe Campbell of Sheppard Field, is visiting his mother, Mrs. Joe Campbell, here for several days furlough.

Cpl. Roy George, who is stationed at Roscoe, California, arrived at his home at Flomot, Friday for a 15-day furlough with relatives.

Pvt. Givens Lawrence and Mrs. Lawrence of Lubbock, visited relatives and friends here this week.

Mrs. Wandell Johnson is in receipt of a cablegram received last week, from her husband, Ensign O. V. Johnson, of the U. S. Naval Air Forces, advising of his safety. This was the first word she had received from him in over a month.

Pvt. Denver Anderson of Del Rio, Texas arrived home Tuesday for a 30-day leave, visiting his parents, Mr. and Mrs. R. L. Anderson, of Flomot and other relatives.

Lieut. Dick Groves advised his parents, Mr. and Mrs. A. B. Groves by wire that he and his wife had arrived at their new location, Columbia, S. C., making their home at 814 Henderson Street.

Othel Dawd, who is in the U. S. Navy, and stationed at Chicago, Ill., arrived at his home in Flomot Tuesday, for a short visit with relatives and friends, and to be with his mother, who has just returned home from a Lubbock hospital.

Panama City, Fla. (Press Release) Sgt. Owen Raby Webb today wears the silver wings of an aerial gunner in the Army Air Forces. He received the right to wear the coveted insignia and was promoted to sergeant after successfully completing training at the AAF Flexible Gunnery School at Tyndall Field.

Virgil George of Flomot, reported to Fort Sill, Oklahoma, Friday for military service, and Johnnie Joe Starkey, also of Flomot, reported at Lubbock Sunday, for military service.

Cpl. Tom Newman, stationed at Palmdale, Cal., arrived home Friday for a two-weeks furlough visit with his wife, and his mother, Mrs. Margaret Newman. Cpl. Melvin Meason accompanied Mrs. Newman to Lubbock to meet and accompany her husband home.

Sgt. Melvin (Wildhorse) Warren and Cpl. Cotton Stephens are still O.K., according to the latest report from McChord Field, Washington, where they are stationed, but they still don't like to walk so much, and they think all the horses have been eaten—as they never see one; and they say "Thanks again for the paper," to the friends at home who make it possible for them to receive it.

Mrs. S. J. Hall returned home Friday from Midland, where she visited last week with her son and family, Mr. and Mrs. Arvil Hall.

Mr. and Mrs. J. Farris Fish and son Johnnie, accompanied by Dorance Guy, and Miss Marie Hunsucker, were week-end visitors in Matador with relatives.

Mr. and Mrs. Carl Tardy of Roaring Springs, spent Sunday in Matador, visiting relatives and friends.

Mr. and Mrs. W. P. Close of Kirkland, attended to business in Matador Saturday.

Editor Meador was flashing a 20-franc note on the Bank of Algiers, this week, which he received from his cousin, T. J. Joe Berry Meador, from his post in Africa. The piece of paper is worth only 40 cents in American money—but is priceless to its owner.

Sgt. B. F. Tunnell Jr., who has been stationed at Hamilton Field, is now in Baltimore, Md., where he is in Officer's Candidate school.

Pvt. John (Dee) Cates has been transferred from Camp Robinson, Arkansas and is now located at Camp Atterbury, Ind. He is with the 72nd Gen. Hospital, Bks. 124.

William F. Sheats of the U. S. Navy, was recently wounded in action, according to word received here by his uncle, Homer Sheats.

Cpl. Alvin J. Willis is now with 357th Fighter Grp. 364th Sqdn. Tonopah, Nev., according to information received by relatives.

Ignition key in your pocket—ACID locked in your engine

YOU CAN'T "pull the cork" to clear out every cylinder after pocketing that key. A chemical mixture always lingers inside. The corner druggist would tell you that the cylinders hold the acid products of combustion...the makings of corrosion.

You didn't have all that worry heretofore, when the worst acid was chased out by fast and frequent driving that thoroughly heated the engine. Now however, when you're counting every coupon, how soon will it be till you drive enough to make the engine stay real warm? Meanwhile, with acid in your engine, as it stands for long stretches, you'd better take the precaution of having its insides OIL-PLATED by changing to Conoco Nth motor oil this Spring.

OIL-PLATING is really a close cousin of platings you see every day retarding corrosion. Conoco Nth oil—at a popular price—includes the costly synthetic that makes OIL-PLATING come between acids and inner engine surfaces. Unlike any mere liquid lubricant, ready to drain down to the bottom of the oil pan, Conoco Nth oil forms a permanent, protective film on the inner surfaces of your engine. It's the only oil that actually PLATES YOUR ENGINE.

Scattered Showers Reported Sunday

Scattered showers were reported in the southern section of Motley county Sunday afternoon, however, only a light sprinkle of rain had fallen here up to late yesterday. Reports of the rain Sunday declared that south Tongue river was up for a short time and that a slight headrise advanced on Dutchman creek as far as Roaring Springs.

A light sprinkle of rain fell in Matador Tuesday evening but no further report of showers have been received. Continued cloudy weather bolsters hopes of farmers and ranchers that the badly-needed moisture will arrive within a short time.

Bond Drive . . .

child must have a part. No individual, or group of individuals can assure the responsibility for attainment of the quota. It will require everyone, working, buying and talking bonds. There is no question regarding the safety of War Bonds—they are just as safe as currency, they are backed by the promise of the United States government and our fighting men in uniform. The government is not asking for contributions, it is asking for a loan, in which four dollars will be repaid for every three dollars borrowed.

Mr. Stearns declared the county had been organized in every community, with captains selected for their ability and public leadership. A county-wide meeting will be held here tonight, another meeting is scheduled for Flomot Saturday night. Roaring Springs will probably hold a meeting Friday night.

He also emphasized that the schedule of regular Bond buyers is not to be disturbed. Regular monthly quotas will be assigned the county following the April drive and the purchases of regular buyers will be equally important to reach these quotas, however, regular buyers, when able will be asked to increase their buying for April, if possible.

Mr. Stearns said that Motley county purchased \$177,000 worth of bonds last year, while the combined quotas were only \$165,000.

Mr. and Mrs. Charlie Pollock were in Lubbock Friday, to receive medical treatment. They visited in the home of Mr. and Mrs. Dorris Jones, former Matador residents.
