Two Groups United For Bond Drive

Motley county's two War Bond selling organizations, the War Bond and Stamp sales committee, of which G. E. Hamilton is chairman and the Victory Bond committee headed by Elmer Stearns, have been combined for a united effort on the April quota, it was announced yesterday.

Altho the quota has not been received it is expected to exceed all previous goals and may be in the neighborhood of \$100,000 or \$150,000 according to unofficial estimates. Rallies are scheduled for every community in the nation on one date in April, probably on April 12.

Address Changes For Servicemen Are On Increase

An increasing number of address changes from Motley county men in various branches of the armed service is being received by the Tribune each day. All changes received up to each Wednesday afternoon are included on the current week's mailing. Men in service are urged to drop the Tribune a one cent postal card immediately upon being given a new address, that they will not miss an issue. While it involves expense and time to make new stencils for the changes, it is essential. Except in rare instances, newspapers are not forwarded and the servicemen will not receive the copy which contains an incorrect address.

The Tribune expresses sincere appreciation for the following unsolicited contributions received during the past two weeks: Frank Stafford \$1, Mrs. Foster Fuller \$1, Ben Edwards \$1, Mrs. Lula Carpenter \$1, J. W. Clower \$1, C. P. Jackson \$2, Tex Litteral (El Paso) \$2, Mrs. G. S. Craven \$1, Pvt. Glen A. Clements \$1, A. L. Clements \$1, Mrs. Joe Gaines \$1, Joe Gaines \$2.

METHODIST CHURCH MAKE PLANS FOR RECREATION PARK

Plans are underway for a recreation park and playground for the Methodist church, which will be located south of the church, on land owned by Mrs. Edith Downing, which she is donating for this purpose.

Mrs. Henry Solomon, as chairman of a committee for beautification of the site, from the Womans Society of Christian Service, has consulted with a landscaping authority, and plans are being made for work to begin in the near future, of clearing the grounds and planting shrubs, grass and trees.

The land for the park lies between the Edith Downing garage building and the church and will provide a spacious playground for church picnics and other out-door activities.

A playground committee composed of Lewis Eudy, chairman, Bill Wason and J. R. Whitworth, will work with the landscaping committee in preparing the grounds for use.

CRITICALLY ILL
Mrs. E. Smallwood is critically ill at her home in north Matador, of a heart ailment.

IN HOSPITAL
Mrs. L. J. Cunningham underwent an appendectomy at Traweek Hospital Wednesday of last week. She is reported to be improving satisfactorily.

TWO WORDS DESCRIBE HIS HEALTH LARDER

PLAINVIEW, Texas, March 22—A two-word description of both his health and his larder was given Monday by George Fry. It was, "No butter."
Fry developed a head cold over the week-end and the freezing order on butter caught the family unprepared. So, when a fellow employee asked him how he felt when he reported for work Monday morning, Fry put it all into his laconic reply.

Appointed D. A.

Richard F. Stovall, of Floydada, above, has been appointed district attorney for the 110th District according to a press service notice appearing in daily newspapers, Saturday. The district comprising Floyd, Dickens, Motley and Briscoe counties, has been without the services of a district attorney since John A. Hamilton of Matador entered Naval service.

Victory Garden Bulletins Offered By Gene Worley

Congressman Gene Worley of the 18th District of Texas offers a valuable bulletin on Victory Gardens to anyone requesting them, according to information received by the Tribune last week. In part, Congressman Worley's letter follows:

"I have received many requests from farmers for the Victory Garden bulletin and the thought occurred to me that perhaps many in Motley county communities would also find this information helpful. . . . Just have your subscribers drop me a card direct and I'll see that the bulletins are sent. What I am trying to avoid is waste of paper and time.

"Other bulletins available are 'Diseases and Insects of Garden Vegetables' (1371-F), 'Vegetable Seed Treatments' (1862-F) and 'The City Home Garden' (1044-F).

Rat Poison Supply Is Received Here

County Agent J. R. Emmons announces that he has just received a supply of poison grain for rats, available at his office at 6c per pound. It may be purchased in 5, 10, 20, 50 and 100 pound lots. Those using the grain are warned of his danger, since it is poisonous to human beings and livestock.

Suggested use is about one teaspoonful placed in dens and runways.

Other suggested formulas for mixing are: (1) 1 lb. Barium carbonate, 5 lb. hamburger meat. Poison should be thoroughly mixed. (2) 1 lb. Barium carbonate, chopped apples, 2 lb. sliced bananas. Mix thoroughly but do not mash bananas. (3) 1 lb. Barium carbonate, 2 lb. wheat grey shorts, 2 lbs. oatmeal, 1 pt. peanut oil, 2 pts. water. (4) 5 grms. sodium arsenate, 1 pt. water or sweet milk, mix thoroughly and expose in jar lids. Different types of bait should be exposed at the same time to assure effective poisoning. Keep bait fresh and attractive. Baits may be placed on squares of paper for removal and to check results.

Lions Club To Honor Paul Eubank

Representative Paul Eubank, U. S. Navy Flyer, arrived in Matador yesterday morning from Austin where he has been attending a meeting of the state Legislature on leave of absence. He will leave Friday morning for the west coast where he has been ordered to report for duty.

A member of the Matador Lions Club, Representative Eubank was guest at an informal luncheon of directors held at the Magnolia Cafe yesterday noon.

Tonight he will be guest of honor at an informal banquet at the Methodist church basement held by the Lions Club. All Lion members have been invited to attend and bring one lady guest. The club will furnish bread and coffee, while each club member will bring a covered dish. No program has been planned but Representative Eubank will be asked to address the group. The banquet will start promptly at 7:30 p. m. and close promptly at 8:30, in order to avoid conflict with church attendance.

SCOUTS TO HOLD BOARD OF REVIEW

Matador Boy Scouts meeting Monday evening at the Scout Hut, received announcement that a Board of Review will be held by the troop committee on Tuesday evening, March 30.

Scoutmaster W. B. Swim declared the Board of Review would be in preparation for the scheduled Court of Honor on Tuesday night, April 6th.

He declared that many boys are working on tests to earn merit badges which will be awarded during the Court of Honor. He said the troop would not be officially organized until after the April 6th meeting, when the eligibility of boys for membership will be determined. Except for the two special meetings, other regular meetings of the group will be held on Monday evening instead of Tuesday, probably until after the end of the present school term.

Visitors at the Monday night meeting included J. R. Whitworth, Lewis Eudy and David Guest. A total of 13 boys attended.

George Springer Heads Shriners In Motley County

Geo. Springer has been appointed by Potentate Bill Gilstrap as his aide to represent Khiva Temple in Motley county for the year 1943.

Noble Springer says that Khiva Temple has planned a very active year. More emphasis than ever will be placed on the treatment of crippled children. During the month of May, the Temple will sponsor a million dollar Shriners' Victory Bond Drive in 40 counties, comprising Khiva's jurisdiction. Final reports on this drive will be received at a Victory Ceremonial to be held on May 31st.

Noble Springer also stated that plans for the initiation of 100 novices at the Victory Ceremonial are well under way and that all initiation fees received will be invested in Victory bonds in the name of the Temple.

ONLY SIX DAYS REMAIN FOR TAGS

After today motorists will have only six more days in which to obtain 1943 car (and truck) license tags, warns Sheriff. H. H. Assessor and Collector H. H. Courtney. A photostatic copy of certificate of title must be exhibited before a new car license can be obtained. Deadline for registration is midnight, Thursday, April 1.

While registration of cars and trucks in this county increased rapidly last week, the entire registration total is short of former years and a last minute rush is expected by Sheriff Courtney's office.

Revival Singer

Music director for the Baptist church revival now in progress, Bob Kilgore, above, of Wichita Falls, is choir director for the Iowa Park Baptist church.

The meeting was started last Sunday as a continuation of a church loyalty campaign which began about six weeks ago. No morning services are being conducted. Evening services begin promptly at 8:30 p. m. and will continue thru Sunday, March 28. Rev. M. B. Carroll, local pastor, is conducting the meeting. The theme of each message is centered around the person of Christ. A cordial invitation is extended the public to attend.

Pioneer Baptist Minister Succumbs

The Rev. G. I. Britain, 87, of Plainview, pioneer third pastor of the Matador Baptist Church following its organization over fifty years ago, died Friday at the home of a daughter, Mrs. S. W. Shaver in Fort Worth. He had made his home with Mrs. Shaver since his wife's death last fall.

Ordained to the ministry sixty years ago, Mr. Britain held pastorates, founded churches and participated in religious work from Nacogdoches in East Texas, where he was married in 1876, to the plains of West Texas. He never missed a preaching engagement in fifty-three years. For thirty-six years he was moderator of the Staked Plains Baptist Association. He resigned his last pastorate seven years ago, but continued to perform various religious duties for the second generation of his parishioners.

Rev. Britain had visited in Matador on a number of occasions over the period of years since leaving here, and was present at the Golden Anniversary services of this church last summer.

Usually stationed at the fringes of civilization, Rev. Britain frequently rode horseback or in buck board wagon to conduct services which often were held in brush arbors or in ranchers' homes.

Following funeral services at Plainview Monday afternoon, the body was laid to rest there by the side of his wife.

Survivors other than his daughter are three sons, W. E. Britain of Arkon, Ohio; G. M. Britain of Los Angeles, Calif.; and E. M. Britain of Fort Worth.

Delegates Attend IOOF Grand Lodge

Following members of the Matador IOOF Lodge attended the 103rd session of the Grand Lodge of Texas, held in Dallas, March 13 to 16th: Hugh Vinson, W. J. Whitworth, G. N. Wilson and W. B. Wason.

Next session of the Grand Lodge will be held in Ft. Worth, during 1944.

VISITORS HERE

Mr. and Mrs. Fred Jay of Roby, visited their daughter, Mrs. L. J. Cunningham, at Traweek Hospital here Thursday, and were accompanied home by their young grandson, J. Thomas, who will visit with them while his mother is recuperating. Mr. Cunningham's parents, Mr. and Mrs. J. T. Cunningham also of Roby visited here Sunday.

Mrs. William Earl Briscoe left Sunday for a visit with her sister who lives in Kansas.

N. E. Keeling has received word that his sister, Mrs. Thomas Johnson is critically ill in a Denison hospital.

Fog And Drizzle Improve Outlook

"Black Market" Is Target Of Newest Rationing Program

Primary purpose of the meats and fats rationing program (red stamp), which goes into effect March 29, is to stamp out the black markets that threaten the entire rationing program and endanger the nation's war effort. It is the plan of OPA's new program that everyone will share and share alike. Under-fed fighting men cannot do their best, nor can under-fed workers on the home front

Items Are "Frozen"

Sunday afternoon OPA froze sales of all butter, lard, margarine, shortening, cooking and salad oils, effective Sunday night until midnight, Sunday, March 28, when the rationing program will start. Starting Monday, March 29, the following weekly ration is permitted each person: Meat, two pounds; butter, not more than 4 ounces; cheese, about two ounces. Local stores were allowed to sell small quantity of perishable "country" butter on hand.

Senior Class Nets \$50 From Comedy

If described with the extravagant adjectives used by Hollywood the Senior class play, "Johnny Grows Up", presented at the high school auditorium, Tuesday evening, was a super-de luxe extravaganza of mirth, resplendent with acting talent and inspired with a directional genius. It was a box-office landslide which sold all available seats and placed late arrivals in S.R.O.

Must Set Aside Red Stamps

As in meat, farmers who supply their own butter and lard are required to set aside stamps from the individual War Ration Book No. 2 in the household during the time they consumed their own products.

Retail stores will post ceiling prices on all cuts of pork on and after April 1. Regulation of a similar plan will prevail for beef, veal, lamb and mutton within a few weeks.

While the new ration plan will cause some inconvenience, no registration is required and no declaration is needed. It is supported (See RATIONING back page)

Teachers' Group To Meet At Spur

Meeting of the West Texas Teachers Association at the school auditorium, Spur, 3 p. m., March 31, has been announced by O. C. Thomas, president of the organization embracing 28 counties. Eight meetings will be held in the district, with Spur as the nearest point, according to a letter to County Judge and Ex-Officio School Superintendent W. R. Cammack.

In his letter to Judge Cammack, Mr. Thomas, declared, "You and I as school superintendents face many difficult and sometimes baffling problems these days, such as teacher shortages, poorly prepared teachers, war-disturbed high school pupils and limited school revenue. To help solve the problems the West Texas Teachers Association is bringing the annual convention as near each teacher as we possibly can. We have secured one of our best school men, Dr. Willis A. Sutton, as the principal speaker. Mr. Charles A. Tennyson, public relations director of the organization will give us the legislative outlook for the schools. . . . I am, therefore, inviting you, your teachers, trustees and all school interested people to be with us in Spur on the afternoon of March 31, at 3 p. m."

Rain Prospects Eagerly Watched

MURKY weather is not generally considered conducive to a bright outlook and optimism, however, it is being welcomed with broad smiles by the citizenship of this area of the Panhandle.

Fog and a light drizzle of rain started here Tuesday afternoon and continued until a late hour yesterday without apparent change, but the heavy weather increased the hopes of cattlemen, farmers and businessmen who depend on rainfall for grass and crops.

While a splendid "underground" season exists, little precipitation has been received during 1943 and the top soil is exceedingly dry, to an extent that has made plowing impossible in many areas.

Reports of heavy rains east of this section has also caused many zealous observers to believe the fog and drizzle may be the forerunner of "drouth-breaking" rains.

High, dry winds have prevailed for many weeks, causing increased loss of precious moisture. The present state of weather is adding to the store of moisture and retaining that which is already in the soil. The rainfall had been so slight late yesterday that no registration could be determined.

Farm Leader Says Need For Cotton Insurance Growing

You pay for cotton crop insurance whether you have it or not. Without insurance, you pay all the cost when loss occurs, and when you can least afford it. That's the importance F. C. Bourland, chairman Motley County AAA Committee, placed on insurance this week when he urged farmers to sign applications before April 15, the closing date.

"Some of us depend on cotton as our chief means of income, and it is good business to safeguard that source with crop insurance," he said.

Supplement Ration Of Food Allowed

A recent order by the OPA allows supplemental rations of processed foods to certain employers: The order follows:

"Under Amendment 5 of ration orders effective March 12, an employer who temporarily hires workmen for work periods of less than 30 days may obtain rationed foods needed to feed them by applying to his local War Price and Ration Board. This is especially important to farmers who hire labor during planting and harvest season, to employers of construction workers on temporary jobs, lumber camp operations and other seasonal employers. However, this order does not apply to Groups 2 and 3 industrial users."

Pvt. U. D. Patton has been transferred from Camp Cooke, California, to Camp Forrest, Tenn., according to information received by relatives here.

Mrs. W. R. Cammack has received word that her son, **Allan Tomlinson**, 3c, who is in the Navy and at the present, "somewhere in the Pacific," was recently advanced to 2c Torpedoman.

A release from **Lowry Field, Colorado**, advises that **Owen M. Tudor**, son-in-law of Mr. and Mrs. W. M. Hill, has been promoted to the rank of sergeant. He was inducted into the army at Lubbock, and from St. Sill, Oklahoma, was sent to Sheppard Field, and later transferred to Las Vegas Gun School, and from there to Lowry Field Armament School. His wife, Mrs. Grace Bernice Tudor is working in Fort Worth, Texas.

From **Patterson Field, Ohio**, comes this word from **Cpl. Lyman B. Campbell**, son of Mr. and Mrs. Harry Campbell: "Just a line to let you know of another of the many changes of addresses. I am already missing something from the past week. You just can't realize the necessity of the Matador Tribune unless you have been away from home for a while, or missed getting it a few times. It really begins to show up then."

Cpl. Andrew B. Jones arrived from Los Angeles, California, Sunday for a furlough visit with his wife, baby, and parents at Floreat, Texas, according to information received.

Sgt. J. B. Casey of Hamilton Field, California, spent a furlough visit with his parents, Mr. and Mrs. F. M. Casey at Whiteflat during the past week.

Pvt. Keith Patton has been a patient in the camp infirmary at Sheppard Field, having suffered an attack of bronchitis.

Leslie T. Garnett has been advanced to the rank of Corporal, according to information received by his wife, Mrs. Lois Garnett here. Cpl. Garnett is stationed at Hill Field, Ogden, Utah.

Orvil Dirickson has received honorable discharge from the U. S. Army, and has been visiting here with his mother, Mrs. W. R. Dirickson, before going to Tulsa, Oklahoma, where he will be employed in a war production plant.

Harold Casey Jones, who has been stationed at Fort Sam Houston, has received honorable discharge from the U. S. Army, and visited his wife, Mrs. Bertha Jones here over the week-end, before going to Fort Worth, where he will be employed in a government war production plant.

From overseas, comes another letter from **Pfc. R. T. Stegall**, former cowboy on the Matador Ranch. He writes: "I have enjoyed every paper you have sent, and read every line. I notice where Peel Leonard says all of the boys in Cam Hood reads his paper, and then Norman Martin says he has more boys to read his than Peel does. Well, I don't have quite that many, but we certainly enjoy every bit of it. I just wish I had some of those boys from around there to side with me, and I would feel better than I do with a "New Yorker."

"I wish you would thank all of the fellows in the Lions Club for the nice Christmas card. I am kinda late, but guess it is better late than never... I would like to be back and see some girls who wore shoes. In two more days I will be sitting on this rock one year, and that is a long time... I will see you some day. I hope, so adios, your friend, Dick Stegall."

QUEER QUERIES

Have you seen a sheet for the river bed?
Or a single hair from a hammer's head?
Has the foot of a mountain any toes?
And is there a pair of garden hose?
Does a needle ever wink its eye?
Why doesn't the wing of an army fly?
Can you tickle the ribs of a parasol?
Or open the trunk of a tree at all?
Are the teeth of a rake inclined to bite?
Have the clock hands any left or right?
Is the garden plot quite deep and dark?
And what is the sound of a birch's bark?

Sabotage in your Garage - Arrest ACID!

U. S. Patent No. 1,944,941, covering an added modern synthetic in Conoco Nth, whose proved purpose is to give inner engine parts their preservative layer of OIL-PLATING. And like the more familiar platings that arrest the attacks of mere water, this OIL-PLATING powerfully tends to arrest acid action... inner corrosion of precious parts that often can't be promptly replaced today. Yet you pay only an everyday price for Conoco Nth. Change for Spring at Your Mileage Merchant's Conoco station. Continental Oil Co.

THE ENEMY'S forced you to rationing. Now he'd make your engine the victim of vicious acid. The mere stopping of your engine always leaves it stuffed with vile fumes and dilute acids—the ever-present products of combustion. And there they stay. Formerly these sources of corrosion were kept mostly cleared out, because you drove frequently and fast. But now in saving coupons and tires you may not soon use your car again, and you don't make those long speedy runs that maintained normal engine heat a good while, to help drive acids off. That's why harmful leftovers in the cylinders nowadays are serious. But you can combat their dirty work by keeping your engine internally OIL-PLATED. How? Methodist Society Has Study Program

The Woman's Society of Christian Service of the Methodist Church met Monday afternoon, March 22, at the church for study. A program observing the Lenten Season, was led by Mrs. Annie Tudor, with the following ladies on the program: Mesdames C. D. Pipkin, H. H. Schweitzer, J. R. Whitworth and W. F. Jacobs. Others present were: Mesdames L. R. Bishop, G. E. Hamilton, J. L. Moore, W. R. Cammack and F. M. Jinkins.

General meeting of the W.S.C.S. was held Tuesday night, March 18, at the church, with Mrs. R. P. Moore as program leader. The subject for the evening was, "No Duty Can Seem Lowly to Him Who Lives With Thee."

Appearing on this program were, Mrs. W. F. Jacobs, who discussed, "Communities face new problems and problem challenges church women"; Mrs. Ethel Payne on the topic, "Methodist Women make plans to meet need"; Mrs. M. O. Johnson on the subject, "Agricultural Migrant," and the leader concluded with a discussion of "What the Church is doing about the problem."

In a meeting of the Executive Committee on March 1, Mrs. G. E. Hamilton was elected Recording Secretary to fill the vacancy made by resignation of Mrs. Ethel Payne. Mrs. Henry Solomon, as chairman of the "Beautification of Church Grounds" committee, reported their plans.

Present at the general meeting were the following: Mesdames W. B. Swim, Annie Tudor, Ed Williams, Homer Sheats, A. J. Duffern, H. H. Schweitzer, G. E. Hamilton, Harry Willett, and the ladies who were on the program.

CLASS HAS PICNIC

The Boys Cadet Corps of the Junior department of the Baptist Sunday School, enjoyed a picnic Thursday evening of last week, at the Virginia Walton Willie roadside park south of town.

The boys, assisted by their teacher, Mrs. Claude Wilson, cooked supper and enjoyed a number of games. Those attending were: Elmer and J. Charles Herring, Thomas Sanders, Bill Vaughn, Buddy Harris, Truman Groves, Billy Ray and Norman Nabors, and a visitor, Bonnar Nelson.

Four Quilts Made By Local Ladies

Four quilts were completed for the Red Cross by local ladies, who met Monday of last week at the Baptist church for this purpose.

The quilting project, sponsored by the ladies of the Baptist church met with unusual response and cooperation from women of the community, which resulted in the completion of the four quilts. Material consisted of wool scraps from the local Red Cross sewing room, and it was declared that enough material for at least two more quilts would be available in the near future.

A covered-dish luncheon was enjoyed at the noon hour. Those attending and assisting in the work during the day included: Mesdames E. P. Reeves, Clarence Kifer, R. E. Campbell, Ed Cammack, Lloyd Fulkerson, Bess Patton, Albert Daffern, Lewis McDonough, D. P. Keith, G. S. Craven, B. F. Tunnell, M. B. Carroll, W. E. Reeves, H. H. Schweitzer, Fred Bourland, F. M. Jinkins, C. D. Pipkin, Scott Bolton, Annie Tudor, A. A. Tipton and Miss Mary Keith.

Box Packed Monday For Orphan's Home

A large box of clothing was packed Monday afternoon by ladies of the Baptist church for the Buckner Orphan's Home at Dallas, with contents valued at \$61.00. The donations were declared to be much larger in quantity, although from fewer contributors than previous contributions to the home from this church.

Previous to packing the box, a program on "Missions in the Homeland" was given by the Burleson Circle, with Mrs. Ed Cammack as leader. Talks were made on the program subjects by Mrs. Clarence Kifer, Mrs. G. S. Craven and Mrs. R. E. Campbell.

Other ladies present were: Mesdames A. D. Burleson, L. Rattan, E. R. Henderson, Elbert Reeves, Lloyd Fulkerson, Cecil Shelton, Lewis McDonough and M. B. Carroll.

Mr. and Mrs. Charlie Barton and daughter, June, made a trip to Lubbock Friday.

Three Are Honored At Surprise Party

Three Roaring Springs boys, Buzzie Thacker, Clyde Williams and Hoyle Moss of Roaring Springs were guests of honor of a surprise party given Friday evening by Miss Nona Helen Kingery of Roaring Springs and Miss Dorothy Nelson, in the latter's home here.

The affair was in celebration of the birthday anniversaries of the three honorees.

Following an evening of games, refreshments of cake and hot chocolate were served to: Charlene Giesecke, Charmaine Merrill, Nell Prather, Betty Warren, Fay Hunter, Dell Prather, John Ray Hunter, J. W. Dillard, Leon Kingery, Junior Bearden, Billy Joe Cooper, Joe Jimmy Keashey, Juanita Smith Dorris Stewart, Arthur Harmon and the guests of honor, all of Roaring Springs, and the following of Matador: Kathryn Martin, Margie Marshall, Bernice Ruth Patton, Dorothy Jean Casey, Dorothy Lou Hill, Reatha Rayne Robertson, Frances Seigler, Grace Laverne Tilson, Darnell Morrison, Peggy Jean Spray, Barbara Ann Springer, Juanita Cartwright, Velda Mae Rattan, Dorothy Wason, Alcie Durbin, Billy Wason, Leon Smallwood, Herbert Smallwood, Bert Schweitzer, David Vandell, Lewis Nichols, George Doss, Math Barkley, Glenda Nelson, and the hostesses.

Family Reunion Is He'd Here Sunday

A family reunion was held Sunday in the home of Mr. and Mrs. N. E. Keeling, with the following guests present: Mr. and Mrs. Jack Woods and children of Savanna, Oklahoma, Misses Doris Keeling and Stella Donnell, of Plainview, Texas; Lawrence Edwin Jr. and Bonnie Keeling, Mr. and Mrs. Riley Rigby and children, Mr. and Mrs. Jack Green and children and Mr. and Mrs. Hardy Berryman of Matador.

Music by Riley Rigby, Jack Green and Hardy Berryman, was enjoyed during the day.

HONOR STUDENTS NAMED

LONDON AIR-RAIDS ARE DESCRIBED IN CORRESPONDENCE

Direct from London, England, comes a vivid war-time chapter from the lives of the populace, in a descriptive letter written by Miss Doris Earthrowl to Mary Ola Tipton, excerpts from which are as follows:

"You might like to hear what the air-raid on London about three weeks ago (the letter was post-marked February 11.) was like. It was my father's birthday and he and my mother had gone to Wimbledon. My sister and I stayed at home with my four little brothers and all went well until about 8 p. m. in the evening. Then in the distance we heard the siren sounding a warning and hardly had it started before there was a deafening roar of gunfire from our A.A. guns. I have never heard such a heavy barrage before in all my life. It was terrific. My brothers were frightened by the suddenness of it all, but two friends of my mother's came in with us, and we all put our coats on, ready to leave the house if any fires were started or time bombs dropped. Then, because our shelter was damp and not prepared for "Jerry's" visit, we all sat down around the roaring fire and played games to keep the children's minds off the noise.

"All this time the guns were roaring, and every few minutes we would hear a bomb coming down, or the droning of a plane overhead. About 9:30 the firing practically ceased and we all began to wonder where the bombs had fallen. When the "raiders past" signal went, baby Dennis began to cry, and I think it must have been disappointment. I heard later that my cousin Ronnie, who is 3 years old, when the raid had finished said, "Have they finished dropping bombs Mummy?" and when his mother said "Yes," he said, "Well, shall we go and pick them up now?"

"I don't know whether you heard about the daylight raid that

we had later and about the 40 or more children that were killed in a school, but I know the district well, and one of my old teachers was injured there and taken to hospital.

"We are just getting over the excitement of Mr. Roosevelt's and Mr. Churchill's trip to Casablanca. It is a pity that Stalin could not be present. Anyway, both the Americans and the British Empire have shown their mettle in North Africa.

"This winter has been milder than any winter for a long time here, which is a blessing after the disappointing summer we had. I was surprised to hear that our wheat, fruit, etc., had done so well in 1942. I think the successful harvest was due to the help given by the forces and children as well as good organization. One thing which has pleased me is that the Government is going to build some thousands of cottages for farm labourers, and the description of them sounds very nice, so that they do not have to live in dilapidated cottages that were built 100, 200 or even 300 years ago.

"We had a very jolly Christmas, for we all (8 of us) went to Wimbledon (my grandmother lives there) for 4 days. The weather was dry and frosty. Although it is war-time, we've had meals that would have made Hitler weep... and they say, in Germany, that we are starving!

"I have just received the packets of tea, with little tea bags inside. Thank you very much, the whole family is excited because we have never seen tea bags before. You Americans are full of bright ideas. You see, unlike the Americans I believe, we English make our tea with sugar and milk. We put the tea leaves in the teapot, pour on the hot water, then, after putting milk in the cup, pour on the tea and add the sugar.

"Give my best wishes to your friends and relations, and my love to yourself.

Cherrie, Doris."

CATLEMEN CALL FOR MORE COTTON TO SUPPLY FEEDS

Immediate steps to declare cotton a war crop and ask farmers to plant all of the cotton acreage they can in 1943 were urged upon the Secretary of Agriculture in a resolution adopted by the annual meeting of the Texas and Southwestern Cattle Raisers Association March 17.

Greatly concerned over the critical scarcity of protein concentrates now and prospects for a "protein famine" in the fall and winter of 1943, members of the Association, one of the nation's leading livestock groups, pointed out that cotton is the Southwestern most dependable, widely-adapted, source of protein concentrates.

"Concentrated protein is essential to supplement range grass and carbohydrate feeds, such as corn, grain sorghums and other Texas and Southwestern feedstuffs, for the maximum volume and efficiency of cattle production," the resolution said. "The beef cattle industry of the Southwest needs a much larger supply of protein concentrates than is now available, and Experiment Station records and practical experience in Texas have proved that cotton is our most dependable source of protein concentrates and other needed work materials. Only immediate action to permit farmers to plant all the cotton they can at this late date will prevent a more critical shortage of protein concentrates next fall and winter."

Oil Mills Produce More Oil mills have produced more cottonseed cake and meal this season than last season, sold more than they produced, and are crushing a large volume of soybeans from the Corn Belt to relieve the present crisis. A. L. Ward Educational Director, National Cottonseed Products Association, told the meeting. Only increased cotton production in the Southwest, however, can provide a dependable supply of protein concentrates at the minimum freight cost to meet the needs of cattlemen and other livestock raisers producing "Food for Victory."

New Law Allows Youths To Drive School Buses

A new law recently approved by Governor Stevenson and now in full effect, permits the driving of school buses by persons seventeen years of age and over, who have been licensed as chauffeurs by the Department of Public Safety. A copy of the new law, "Senate Bill No. 119," as provided by County Judge W. R. Cammack, follows:

"BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1: Until the conclusion of the present war with Germany, Italy and Japan, persons seventeen (17) years of age and over, who have been licensed as chauffeurs by the Department of Public Safety, shall be authorized to drive any motor vehicle while in use as a school bus for transportation of pupils to and from school, or any motor vehicle in use as a public or common carrier of persons; providing that any person under 21 years of age who drives said school buses must be recommended by the county superintendent and local school principal, and all statutes now prohibiting the operation of such motor vehicles by person under 21 years of age, are suspended until the conclusion of hostilities. Provided, however, that said act will not apply to drivers of vehicles prorated under permit or certificate issued by the Railroad Commission of Texas."

Replacing Social Security Cards Proves Expensive

"Every time an American worker loses, destroys, or mutilates his social security account card, he is wasting as much money as it costs to provide thirteen bullets to an American soldier," John Palmer, manager of the Lubbock Social Security Board field office said today. He asked that holders of social security cards safeguard them as a wartime conservation measure. "Don't carry your card with you unless you must. Put it in a drawer, safe, or other place where you keep valuable documents. Know where the card is. Before putting it away, place it in an envelope and mark it: 'My social security card.' Then you will be able to find it in a hurry, if necessary. "If you change jobs frequently, and need to carry your card with you, don't just stuff it in a pocket. Try to protect it against loss, wear or mutilation. Never keep your

Electricity helps make his "tin hat" TOUGH!

No soldier in the world today has a better, tougher helmet than our own fighting men. It's made of manganese steel—the toughest, strongest protective steel that science and industry together can produce. And it's made in electric furnaces at 3,000 degrees Fahrenheit! By helping make steel strong, electric power makes West Texas and Uncle Sam strong, too. One big basic reason for Uncle Sam's matchless war production is America's abundant power supply, over 90 per cent of which is supplied by electric companies like the West Texas Utilities . . . operating under well-balanced business management and manned by men and

women with training and experience in production problems. This power was ready when war came because these men and women already had the "know-how" and the freedom to plan and create—the initiative to invent and improve—for everybody's benefit. This, too, is why the average West Texas home today gets twice or three times as much electricity for its money as just ten or fifteen years ago! It's the reason why electricity will be on the job to help rebuild a battered world—after we have won the victory and the peace.
